

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Information about renewable natural gas
Inquiry Sub-Category	Renewable Natural Gas Production Process
Description	Customers may inquire about the steps involved in producing renewable natural gas, including the capture and purification of biogases from organic waste sources, and the conversion process to make it suitable for use in natural gas systems.
Data Size	5,045 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

What ____ the ____ ____ in converting organic ____ into ____ natural ____?

I'm ____ organic ____ turns ____ gas.

____ wonder about ____ organic waste ____.

Can ____ ____ ____ changing organic matter to useful ____?

____ are steps in ____ of converting ____ waste ____ natural ____.

In Producing ____ natural gas ____ waste, ____ are ____.

I ____ looking for ____ explanation ____ organic ____ turned ____ gas.

How ____ trash become ____?

____ actions are taken ____ into gasses?

How ____ organic ____ become gas?

____ organic ____ be ____ natural gas?

The organic ____ to be ____ to ____.

____ possible ____ explain the ____ of converting ____ waste into ____?

There ____ ____ convert organic ____ to gas

____ can ____ be ____ into ____ natural gas?

Can you explain ____ organic ____ turned into ____?

I'm ____ about ____ waste can be ____ gas.

There ____ a ____ to ____ into natural gas.

Can you tell ____ organic waste can ____ into ____?

____ organic ____ up as gas?

____ how ____ will turn into gas?

____ want ____ the steps ____ to ____ organic ____ into natural ____.

____ I turn ____ trash into ____?

What steps ____ being ____ convert ____ waste ____ gas?

How can ____ waste ____ usable gas?

____ you provide a breakdown ____ steps ____ turn ____ gas?

How can ____ gas ____ waste?

____ ____ convert organic waste into usable natural ____?

Can ____ tell me how to ____ gas ____?

____ organic waste to usable natural ____?

Do you ____ details ____ how organic ____ is converted into ____?

Is ____ possible ____ the process ____ converting ____ into gas?

How ____ process ____ converting organic ____ natural gas ____?

How ____ organic ____ be ____ to ____?

I ____ to ____ organic ____ into natural ____.

Attempts ____ waste to natural ____?

____ tell me how ____ be converted into ____?

____ I make ____ organic ____ gas?

____ to convert organic waste into ____ gases?

____ to ____ gas?

How ____ transform ____ waste ____ gas?

I ____ know the procedure to transform ____.

What process is used ____ into usable ____?

There ____ making ____ natural gas from ____ waste.

Can ____ me ____ to change ____ matter ____ gas?

Take ____ at ____ steps required ____ converting ____ waste ____ gas.

Is there any ____ for ____ be natural ____?

How ____ I ____ the ____ of converting ____ waste to ____?

How can ____ convert ____ waste ____?

Can ____ provide a ____ in turning organic ____ natural gas?

Can you ____ the process ____ turning organic ____?

____ are ____ steps for converting organic ____?

____ waste ____ be turned ____ natural ____.

What ____ the ____ for ____ into gas?

____ steps to convert organic ____

____ want to ____ the ____ converting organic waste ____ gas.

I'm ____ how ____ waste is converted ____ usable ____.

How is ____ process of ____ gas?

____ you explain ____ can be converted ____ gas?

____ way ____ turn ____ waste ____ natural gas.

____ how ____ get usable gas from ____.

How ____ turn organic ____ into ____?

Take a ____ steps ____ for converting ____ waste to ____.

How ____ trash ____ gas?

How ____ able to ____ waste ____ gas?

____ are ____ that need to ____ organic waste into gas.

Is the ____ for ____ waste ____ explained?

____ how to transform ____ waste into ____?

Can you ____ how ____ matter to ____ gas?

____ make organic waste ____ as natural ____?

How can I ____ my ____ garbage ____?

____ you explain how organic ____ into gasses?

____ organic ____ can ____ produced using some ____ stages.

____ curious ____ the process ____ turning ____ organic waste ____.

In ____ usable ____ gas from organic ____ there ____.

Can ____ give ____ a ____ of the ____ for ____ organic waste ____?

____ can organic ____ converted ____ gas.

____ make ____ gas from organic ____.

____ the ____ be turned ____ natural ____?
 Key ____ in producing usable ____ from ____.
 ____ you ____ how organic waste ____ gas?
 How can I ____ stages involved ____ converting ____ waste ____ natural ____?
 What ____ steps ____ making ____ gas out ____ organic ____?
 How ____ the ____ waste into ____?
 ____ do I ____ gas ____ waste?
 ____ want ____ know how ____ organic ____ is ____ gas.
 I am confused ____ we convert organic ____.
 How ____ understand how ____ is ____ into natural gas?
 There are essential ____ natural gas ____ organic ____.
 Can you give ____ explanation ____ how organic ____ turned ____?
 ____ are some steps ____ organic ____ to ____ gas.
 ____ do you ____ waste ____ produce ____?
 ____ organic ____ into gas?
 I am ____ explain how organic waste ____ turned ____ gas.
 How ____ your ____ waste be ____?
 ____ is the ____ transform ____ waste into ____ natural ____?
 ____ actions ____ to convert organic waste ____ energy-rich ____?
 What ____ the ____ convert organic waste ____ usable natural ____?
 ____ explain ____ me ____ process of ____ waste into natural ____?
 What steps ____ have to take to convert ____?
 ____ possible to ____ the ____ for ____ organic waste ____ gas?
 ____ to ____ organic ____ into natural ____.
 What ____ convert ____ into energy rich gases?
 ____ are you ____ organic waste for ____ gas?
 How ____ organic waste ____ natural ____?
 ____ to ____ explanation ____ how ____ waste is turned into ____.
 Do ____ have any ____ how organic waste ____ turned ____?
 I have a question ____ matter to ____.
 How ____ stages in which organic waste ____ converted ____ natural ____?
 You can ____ how organic waste ____?
 ____ what is ____ in converting ____ waste into ____ gas.
 ____ do you tell ____ organic ____ turns into ____?
 ____ is produced ____ a number of stages.
 ____ exactly do ____ convert ____ waste ____ natural gas?
 What can I ____ make ____ organic junk ____?
 ____ to ____ of turning ____ waste into gas.
 What ____ is ____ to convert ____ to ____?
 Do ____ have ____ of how ____ organic ____ natural gas?
 Are you ____ an explanation about ____ organic waste ____ gas?
 ____ process ____ turning ____ waste into ____
 How ____ we get gas ____.
 I want ____ know ____ to turn ____ gas.
 ____ can I ____ rubbish ____ gas?
 ____ you ____ how ____ waste can be ____ gas?
 ____ steps ____ organic waste to ____?
 I'm curious about ____ waste ____ be ____ natural gas.
 ____ teach me how to change the ____ matter ____?
 The process of ____ waste into ____ wonder about.

What _____ that are _____ to convert _____ waste into _____?

The steps needed _____ gas.

_____ do _____ trash into gas?

_____ waste _____ turned into usable renewable natural gas?

What steps must _____ taken _____ turn _____ into _____?

I _____ interested _____ the _____ of turning _____ waste _____ natural _____.

_____ organic _____ can _____ into natural _____?

_____ to convert organic waste to gas?

_____ there a _____ for _____ waste into natural _____?

There _____ stages in creating _____ gas _____ organic _____.

How _____ you use _____ waste _____?

What actions _____ to _____ into gas?

_____ there any explanation _____ organic waste can _____ into _____?

_____ I _____ organic _____ into gas?

_____ are the steps _____ convert _____ waste _____ gas?

Organic waste can be _____ some steps.

Is _____ a procedure for _____ waste _____ natural _____?

There are _____ needed to _____ the _____ into _____.

_____ are essential _____ the process _____ producing usable _____ organic waste.

Turn the _____ gas.

_____ organic _____ be turned _____ natural _____.

_____ you _____ waste can be made _____ gas?

_____ know _____ process of turning _____ waste into _____.

_____ is taken _____ waste into energy rich _____?

I have _____ question _____ how _____ waste _____ turned into _____.

How _____ you turn _____ waste _____?

There are _____ convert _____ into _____.

Can _____ provide _____ breakdown of _____ steps _____ for _____ organic _____ natural _____?

How _____ organic waste converted _____?

_____ explanation on how organic waste is turned _____.

I _____ the process _____ converting organic _____ natural gas.

Steps _____ organic _____ gas?

_____ what _____ of turning organic waste _____ gas looks _____.

_____ can _____ turned into usable _____?

I want _____ know _____ convert _____ trash _____ gas.

_____ are important _____ in producing _____ from organic _____.

What _____ the _____ taken to _____ waste _____ gas?

How _____ I convert _____ into _____.

Can you _____ organic _____ converted into _____?

_____ wonder _____ an _____ into gas.

There are _____ for organic _____ to _____.

_____ a _____ for converting _____ waste into natural _____?

Can _____ about the _____ of _____ organic waste _____ gas?

Can _____ shed _____ light on _____ organic _____ is _____ gas?

_____ about _____ involved in converting _____ into gas.

The _____ converting organic waste to natural _____.

_____ waste can be _____ into _____.

I _____ to _____ more about _____ sequential stages _____ converting _____ gas.

_____ you _____ explain how organic _____ can _____ turned _____ gas?

_____ do you _____ organic _____ produce _____?

_____ waste should _____ gas.

I want to know _____ for converting _____ into _____.

What steps _____ transform organic _____ to _____?

How _____ organic _____ be _____ for _____?

_____ needed to _____ organic waste _____ gas?

What _____ have been taken _____ transform _____ waste _____?

How _____ organic waste _____ to _____?

_____ turn organic waste into usable _____?

_____ are we _____ to _____ organic _____ into energy _____?

There _____ process for converting organic waste _____.

_____ ORGANIC _____ turned into NATURAL _____?

_____ are _____ make gas from organic _____.

_____ you have _____ on how _____ convert organic waste into _____?

What _____ you _____ about _____ organic waste can _____ gas?

How should _____ convert organic _____?

_____ the _____ used _____ convert organic waste _____.

I _____ curious about _____ organic waste _____ natural gas.

Are _____ ways _____ waste to natural _____?

_____ are some procedures _____ convert organic _____.

_____ explanation on _____ organic waste is turned _____ natural _____.

What _____ must be followed _____ waste to _____?

_____ do you do with organic _____ to _____?

What actions _____ taken to _____ organic waste _____?

_____ organic waste to _____ is a _____.

There are _____ generating _____ natural gas from _____.

How _____ be _____ into natural _____?

I have _____ question about changing _____ to _____

_____ to know _____ waste _____ into gas.

_____ tell me _____ how we _____ to gas?

_____ a way to _____ organic waste to _____?

Are there ways to _____ into _____?

_____ steps to turning organic waste into _____?

Can _____ elaborate on how _____ turned _____ gas?

_____ are _____ you need _____ take _____ convert organic waste _____.

Some steps _____ to convert _____ into _____ gas.

_____ there _____ on how _____ waste _____ be turned into _____?

The _____ converting _____ into _____ gas entails what?

_____ tell _____ how _____ be converted into _____ natural gas?

_____ does _____ turn _____ gas?

What can we do _____ convert organic _____?

_____ you take to _____ use natural gas?

_____ organic _____ to _____ utilized for natural gas?

_____ a _____ turning _____ into gas.

I would like to _____ how _____ to useful _____.

Can _____ more about the _____ stages _____ in converting _____ waste _____?

What steps _____ to take to _____ waste _____ gas?

_____ to convert organic waste to _____?

I _____ a _____ the _____ required for turning _____ natural gas.

_____ you going to _____ natural gas?

What _____ to turn organic _____ into renewable _____?

_____ do I make _____ usable gas?

What _____ required _____ organic _____ into natural gas?

_____ convert organic waste into _____ are _____.

_____ the _____ for _____ waste into _____ outlined?

_____ do you get the organic _____ be used _____?

Is _____ to _____ waste usable _____ natural gas?

_____ me _____ we _____ waste to natural gas.

_____ want _____ what is _____ converting organic waste _____ gas.

Can you give _____ explanation for _____ be _____ gas?

What steps _____ used _____ convert _____ to _____?

_____ do _____ do _____ convert organic _____ gases?

_____ is _____ of turning _____ waste into gas.

Natural gas _____ from _____.

_____ organic waste _____ into usable _____?

Is _____ a _____ for converting _____ into _____?

_____ was wondering _____ was _____ in _____ into gas.

How do _____ waste to be _____ gas?

_____ a detailed _____ of _____ steps _____ for _____ organic waste into _____?

_____ is _____ in making usable _____ out _____ waste?

_____ is the process _____ to _____ natural gas?

_____ me a detailed _____ of _____ needed to turn organic _____ into _____?

_____ steps to _____ organic waste _____ as gas?

Key _____ in _____ of _____ gas _____ organic waste.

Can you give a _____ of _____ of converting _____ into _____?

_____ should _____ convert organic waste to gas.

_____ you know how _____ waste into clean, renewable _____?

_____ you show me _____ change the organic _____ gas?

_____ organic waste should be _____.

Can _____ explain how _____ can become _____?

Is there a _____ waste _____ as gas?

How _____ organic _____ usable as _____?

Can you give _____ the _____ need to be taken to _____ organic _____ natural _____?

_____ of turning an organic _____ into gas.

What _____ be taken _____ convert organic _____ gas?

Can you tell me _____ organic _____ turned _____?

_____ would you describe _____ for converting _____ waste _____ natural _____?

_____ does _____ of converting _____ into gas?

Is there a _____ to _____ to _____ gas?

_____ the _____ turning organic waste into _____?

Is _____ how _____ organic waste into natural _____?

_____ steps involved in _____ organic waste _____.

_____ to convert organic _____ to renewable _____.

Please explain _____ we _____ usable natural gas.

_____ steps required for converting organic _____ gas.

_____ do we obtain gas _____?

_____ possible _____ organic _____ into gas.

There are steps used to _____ waste _____.

Let me _____ how _____ convert organic waste _____.

What does _____ process _____ organic _____ to _____ involve?

Which steps _____ organic _____ into gas?
 _____ we make organic _____ natural gas.
 Is there a procedure _____ can _____ gas?
 _____ I convert _____ trash _____ gas?
 _____ do you _____ organic _____ to _____.
 _____ you _____ organic _____ transformed into renewable _____ gas?
 _____ it possible to explain _____ to transform _____ gas?
 What _____ the _____ taken _____ organic _____ into energy-rich _____?
 Are _____ able to describe _____ of turning _____ into _____?
 _____ can _____ about the _____ of _____ organic waste _____ gas?
 Do you _____ information _____ how _____ waste _____ converted into _____?
 _____ it _____ to _____ detailed breakdown of the steps needed _____ turn _____ waste _____?
 _____ you able _____ tell me _____ organic matter _____ useful _____?
 _____ is the _____ organic waste into gas _____?
 _____ usable gas from the _____ waste?
 What _____ required _____ make natural _____ from _____ waste?
 _____ make organic waste natural _____?
 _____ is _____ garbage transformed _____?
 Are _____ procedures to turn _____ into _____ gas?
 Can you talk _____ how _____ is _____ gas?
 Can _____ give _____ of how organic _____ turned into _____?
 There are _____ in _____ natural gas _____ organic waste.
 _____ do _____ organic waste _____ gas?
 _____ organic _____ converted _____ gas?
 _____ you tell me how _____ can be converted _____?
 _____ know _____ to _____ waste to usable natural _____?
 I need an explanation as _____ organic _____ into _____.
 How can _____ understand the _____ in _____ is converted to _____?
 _____ the essential stages _____ natural gas _____ organic _____.
 Change _____ waste _____ natural _____.
 I'm _____ organic waste _____ converted _____ usable natural _____.
 What is involved _____ the organic _____?
 There are _____ organic waste _____ natural _____
 Can _____ I _____ the _____ matter to useful gas?
 _____ are _____ waste _____ into _____?
 _____ are some _____ to convert _____ waste _____ gas
 How to get _____ to _____?
 How _____ organic _____ gas?
 _____ waste can be _____ for _____.
 _____ an _____ on how organic waste _____ be _____ natural gas?
 _____ tell _____ how we can _____ to gas.
 How is _____ to make _____?
 _____ do you get Organic _____ for gas?
 _____ are some steps that need to _____ convert _____ into _____.
 I _____ about _____ organic waste _____.
 How does the process _____ converting _____ waste into _____?
 How can I _____ about the process _____ converting _____ to _____?
 How _____ gas out of _____ waste?
 Do you _____ the process _____ turning _____ natural _____?
 _____ usable _____ gas _____ waste, there _____ essential stages.

How can _____ my organic _____?

I'm _____ what is involved _____ into gas.

How to _____ organic waste _____?

_____ want an explanation on how organic _____ gas.

How _____ we _____ the usable gas _____?

Consider _____ natural gas.

How _____ waste _____ natural gas?

_____ there ways to _____ organic waste _____?

Organic trash can _____.

How _____ the steps to make _____ usable _____?

_____ is _____ in _____ organic waste into _____?

Is _____ way to _____ trash to _____ gas?

_____ be done to _____ organic _____ to _____?

_____ about _____ the steps needed to turn organic _____ into _____?

Can _____ provide an explanation _____ can _____ turned _____ gas?

_____ there steps _____ get _____ waste _____ natural _____?

_____ want _____ more _____ how _____ waste is converted _____ gas.

_____ any _____ about how _____ convert organic waste _____ natural _____?

_____ convert my organic trash _____?

_____ converting _____ waste into gas.

What steps need to _____ convert _____ waste _____ natural _____?

How can _____ gas _____ organic _____?

How _____ waste turn _____ usable _____?

_____ are _____ steps _____ converting organic _____ into gas?

Can _____ explain how _____ waste _____ turned _____ gas?

_____ like _____ know how _____ convert organic _____ gas.

How _____ usable _____ organic waste?

How can _____ more _____ how _____ is converted _____ usable _____ gas?

_____ can _____ done to convert _____ gas?

The _____ organic waste _____ natural _____.

I _____ to know _____ process _____ converting organic _____ gas.

Do _____ have _____ information on how _____ waste can _____ natural _____?

How _____ get _____ waste to be _____ in _____?

_____ steps are taken _____ waste into energy _____?

_____ you know _____ organic _____ intorenewable natural gas?

Can you give _____ of the _____ for turning _____ natural _____?

The organic waste _____ to _____.

What _____ do you _____ convert organic waste _____?

Do you know _____ waste _____ into usable _____?

_____ as _____ what is involved _____ converting organic _____ into _____.

_____ to _____ waste into gas?

_____ give _____ breakdown _____ steps used to _____ organic _____ natural gas?

What _____ take to convert organic waste _____?

What steps _____ to turn _____ into _____?

_____ are _____ steps _____ converting organic _____ to gas?

_____ steps _____ converting _____ waste _____ gas _____ discussed.

The _____ for _____ organic _____ to _____

_____ a converting _____ converting organic waste _____ gas?

_____ are some _____ used _____ convert _____ waste _____ gas

How _____ steps _____ organic _____ into gas preformed?

What does it _____ organic waste _____ energy-rich _____?
