

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Network coverage and signal issues
Inquiry Sub-Category	Network congestion
Description	Customers notice network slowdowns during peak hours or in crowded areas, experiencing slow data speeds or difficulty in connecting calls, and seek information on network capacity upgrades or alternative solutions to alleviate the congestion.
Data Size	7,082 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

_____ there plans _____ the network _____ crowded areas?
_____ a _____ to boost the levels of _____ regions?
_____ increasing network capacity _____ spots?
Do _____ have _____ up network _____ crowded _____?
plans to _____ where _____ busiest
_____ locations _____ more capacity?
_____ there _____ improvement for _____ networks?
Do _____ network _____ in busy _____?
_____ in busy places.
Can we expect _____ in crowded _____?
Are _____ for crowded _____?
Is _____ to get Capacity _____?
Expansion _____ areas soon?
_____ a _____ increase _____ in busy zones.
_____ progress _____ to improve crowding _____?
_____ there any word _____ increasing _____ now or _____?
There _____ to _____ network in _____.
Is there _____ plans to _____ network _____ nearby _____?
Any _____ net _____ zones?
The crowded _____ network _____.
_____ there _____ upgrade the _____ area's _____?
In _____ areas, _____ network capacity _____?
Is _____ of network in busy _____?
_____ for crowded _____?
_____ areas _____ when network _____ comes?
What will _____ the _____ effort _____ crowded _____ connection?
_____ upgrade _____ crowded _____?
Is there any _____ for _____ network in _____?

Net expansion for _____ zones _____ or _____.

Is _____ for _____ areas soon?

_____ there upgraded _____ the _____ area's _____?

_____ know if _____ are _____ for crowded areas?

Is _____ network _____ schedule _____ areas?

_____ fixes for crowded _____?

When it's _____ any _____ network _____?

Is _____ forthcoming effort to _____ zone _____?

Can you _____ if network enhancements _____ planned _____?

_____ increase networking capacity _____ crowded _____

_____ beefed _____ in packed areas.

_____ spots, _____ increase networking capability.

There are _____ the _____ be _____ crowded spots.

Can _____ plan to _____ network capacity _____ crowded _____?

Is _____ a plan _____ network in busy _____?

_____ are any network _____ crowded _____?

Are _____ any plans _____ net expansion _____?

_____ better _____ be _____ in _____ zones?

_____ are _____ of _____ where it's busy?

_____ a _____ improvement for the _____.

_____ know if network _____ will happen _____ areas?

Are _____ for _____ network capacity in _____?

There are _____ the network _____ crowded _____.

_____ areas _____ consider for _____?

_____ to _____ the network in _____?

Network upgrade _____ sites?

_____ capability _____ be increased in _____.

_____ to improve _____ support nearby busy places?

_____ you have any plans _____ up _____ in jam-packed _____?

Is there _____ planned _____ crowded _____?

You guys _____ capacity if _____ busy?

Network upgrade _____ of _____?

In _____ will _____ capacity be _____?

_____ any _____ upgrade _____ busy places?

_____ network _____ in busy areas?

Do _____ to _____ network capacity _____ crowded areas?

_____ there _____ plans to increase _____ capacity in _____?

_____ you _____ planned upgrades _____ busy area _____?

Are crowded areas _____ to _____?

_____ reception _____ busy areas _____ upgraded

_____ bandwidth _____ packed _____?

_____ plans to _____ the _____ it is busiest?

Is there any _____ of _____?

_____ you have _____ plans to _____ in _____ areas?

Do you _____ to _____ support _____ busy _____.

_____ do _____ capacity where it's _____?

_____ planned _____ crowded _____ networks.

_____ networking capability in _____

upgrades planned _____ area _____

_____ improvements for crowded _____?

Are _____ network support _____ busy places?

_____ to _____ network in _____?

Are there any _____ in _____?

What _____ we _____ high _____ to increase capacity?

Could there _____ plans to increase _____ capacity _____?

_____ should be _____ the network _____.

_____ there _____ to improve _____ networks _____?

_____ any _____ for net expansion for _____.

_____ being _____ to address _____ congestion _____?

Is _____ network _____ for crowded _____?

There may _____ network _____ places.

_____ have any _____ plans for the network _____?

_____ any _____ for _____ area networks?

_____ plans to improve _____ capacity in _____ spots?

_____ anything planned for net _____ zones?

Could there _____ plans to improve _____ network _____?

_____ in _____ zones should _____.

_____ to beef up _____ zones

Is _____ upgrades for the network in _____?

_____ to improve _____ network where it's _____.

_____ may be considered _____ update.

_____ to increase _____ areas?

_____ it _____ network service _____ crowded _____?

Will _____ be capacity _____ areas?

Any improvements to the _____?

Network _____ upgrades for _____?

_____ a _____ increase _____ where it's busy.

_____ crowded _____ will network _____ be _____?

Are _____ beefing _____ crowded areas?

_____ are _____ about _____ when it's busy?

There are busy _____ there _____ to boost _____.

_____ upcoming _____ expand crowded zone connections?

_____ you _____ heavy usage?

_____ you thinking _____ increasing _____ for _____?

There is _____ network in _____ areas.

Network _____ too _____ places?

_____ expansion for _____ zones may _____ not be _____.

Increasing _____ be done _____ congested _____.

There _____ upgrades _____ busy area _____?

_____ in busy _____?

In _____ to increase network?

The _____ in _____ regions _____ improved.

_____ going _____ network amid _____ usage?

Can you beef up _____?

Is _____ bandwidth _____ zones forthcoming?

Does anyone _____ any _____ increase _____ packed zones?

_____ busy spots.

Can _____ network _____ in _____ better?

How _____ network _____ in _____?

Will there _____ bandwidth _____ zones?

_____ you heard _____ beefing _____ crowd networks _____ or _____?

Is there _____ plan _____ network _____ packed _____?

_____ are _____ upgrades _____ area networks.

_____ any plans _____ scale the network?

Is _____ to _____ the _____ of _____ around _____ regions?

_____ busy _____ any _____ for boosting _____?

_____ any word on _____ networks?

_____ you _____ capacity _____ people are?

Network capacity _____ in _____ zones.

_____ busy locations improve?

Can you _____ if _____ are _____ in _____ areas?

_____ packed _____ may soon _____ bandwidth.

_____ plans _____ the _____ in crowded spots?

_____ networking _____ spots _____ be _____ upgraded.

_____ network capacity be strengthened _____?

Do you _____ to _____ to _____?

_____ there _____ increases _____ crowded areas?

_____ network capacity _____ in crowded _____?

Are you _____ about _____ busy _____?

_____ increasing _____ is it busy?

_____ plan to boost network _____ zones.

_____ you know if _____ will _____ for _____ areas?

_____ to networking in _____ happening?

_____ are actually thinking about increasing _____?

Is there _____ plan to _____ net _____?

Will _____ be _____ the _____ networks soon?

Any _____ zone broadband?

How _____ increasing _____ capacity _____ busy _____?

_____ any _____ increase network capacity in busy _____?

A _____ for _____ places?

Is there _____ word _____ crowd _____?

_____ about boosting capacity _____ busy?

_____ capacity _____ zones might _____ improved.

_____ network upgrade _____ crowded _____?

Upcoming _____ areas?

What can _____ to _____ capacity _____ areas _____ traffic?

_____ areas might _____ for a _____.

Are _____ to beef _____ your network _____ jam-packed _____?

_____ the network _____ busy areas?

Increasing _____ capability in _____ is _____.

_____ network _____ upgraded amid _____ use?

_____ there _____ for better _____ in crowded _____ happening?

Network _____ busy _____ soon?

Is _____ any improvements for _____ area networks _____?

_____ it possible _____ the levels _____ around the packed _____?

_____ about increasing capacity where _____?

_____ upgrade plan _____ enhance _____ area _____.

_____ there _____ capacity in _____ spots?

Is there _____ plans _____ increase _____ capacity _____ spots.

There _____ be _____ for _____ networks.

Will _____ expand in _____?

_____ we expect _____ get better _____ crowded areas?

network upgrade _____ locations?

Improving _____ amid _____ usage?

_____ planned in _____ locations?

_____ beefing _____ crowd networks?

_____ it _____ the levels of internet _____ around packed _____?

There may _____ plans to _____ the _____ in _____.

_____ have _____ plans to _____ up your network _____ crowded _____?

Enhancements to _____ area _____ are _____.

_____ you know _____ are any network upgrades _____?

Do _____ there _____ be network _____ in _____ areas?

Are there crowded _____ beef up _____ network?

Network _____ for crowded _____?

_____ there _____ to _____ crowded zone network?

_____ the _____ capacity _____ enhanced _____ crowded _____?

_____ to better _____ congestion

Crowded areas are _____ for _____.

network capacity _____ boosted _____ congested _____

Do you beef _____ network _____?

_____ capacity in busy zones?

_____ might _____ plans _____ upgrade the _____ in _____ areas.

Are you _____ increasing capacity _____?

When do _____ intend _____ overcrowded _____?

Are _____ thinking _____ increasing capacity _____ there _____ a _____ activity?

_____ plan to scale _____ packed?

Next-gen _____ planned _____ places.

_____ there _____ plan _____ improving the _____ soon?

Network _____ set for _____.

_____ wonder if _____ about increasing capacity _____ it is _____?

Is there _____ attempt _____ expand _____ zone _____?

_____ plans _____ network capacity in _____ spots?

There _____ any _____ upgrade _____ busy _____.

Do you wish _____ network _____ busy _____?

_____ intend to _____ network _____ near _____ places?

_____ packed zones soon?

_____ is crowded, _____ plan to _____ network _____?

Crowded areas _____ network update?

_____ any upgrades _____ in crowded spots?

Increasing _____ capacity _____ congested _____.

You _____ of increasing capacity _____ is _____?

What _____ can be _____ places?

_____ there _____ network _____ planned _____ areas?

_____ network capacity be strengthened?

_____ areas _____ mind _____ Network update.

Increasing networking _____ in _____ that _____.

_____ improvements _____ congested _____ might be _____.

_____ you tell me _____ are scheduled in _____?

_____ make changes _____ network reception in _____?

_____ for busy _____?

_____ be _____ network _____ for crowded _____?

Increasing _____ crowded _____ was being _____.

_____ headway _____ improving crowding network _____?

Is _____ any _____ to improve the _____ regions.

_____ network _____ heavy _____?

Is _____ a plan to _____ your _____ network _____ areas?

Can you _____ me if the _____ is _____ upgraded in _____?

Is there _____ for _____ spots?

There might _____ plans _____ increase _____ crowded places.

_____ it possible _____ boost the _____ around packed _____?

Do _____ any _____ enhancing network _____ busy places?

_____ we _____ in crowded areas?

_____ want to _____ up _____ in crowded places?

Plans _____ the _____ that is _____?

_____ be an _____ in capacity _____ busy _____?

_____ network upgrades in _____ areas?

_____ you using a beef _____ in _____?

_____ plan to improve network support _____?

Improvements will be _____ enhance _____.

_____ better network service _____ crowded _____

_____ you _____ if _____ will be upgraded _____ areas?

_____ there plans for _____ support _____?

Can you _____ if network upgrades _____ for _____?

_____ if network enhancements are _____ crowded areas?

Can _____ confirm if _____ are planned _____ crowded _____?

_____ expansion in busy _____ soon?

_____ network changes in _____ places?

Do _____ network support near busy _____?

_____ upgrade for _____.

_____ busy zones _____ be boosted.

_____ are plans to _____ network _____ in _____.

In _____ zones, will _____ capacity _____?

_____ be _____ in crowded areas?

The network _____ be _____ crowded _____.

_____ it _____ to upgrade _____ in crowded _____?

_____ have plans to _____ in busy zones?

_____ any _____ be made to improve _____ crowded _____?

_____ be improved _____ congested zones.

Network will expand _____?

Is _____ expansion _____ crowded zones?

Is _____ way _____ network in crowded _____?

Got _____ planned _____ the network _____ crowded _____?

Do _____ enhance network support _____ vicinity?

I _____ if _____ upgrades _____ the network in crowded spots.

_____ increased in _____ areas?

_____ we _____ network _____ crowded zones?

Are there crowded spots _____ beef up _____?

_____ tell me if the _____ in _____ areas?

_____ enhance crowded area _____

_____ trying _____ upgrade _____ network amid heavy _____?

_____ plans for _____ in _____ zones?

Enhancements _____ to enhance _____

_____ there any _____ upgrade _____ places.

There _____ any _____ for the _____?

_____ can we _____ capacity _____ areas _____ traffic?

Will there _____ plans to upgrade the _____?

Do _____ have _____ to improve _____ network _____ crowded _____?

_____ there a way to increase _____ zones?

Network to _____ in _____?

_____ network _____ in _____ could be _____.

_____ we improve _____ network in _____?

There are any improvements _____ networks in _____.

Do _____ want _____ support near _____ places?

Any _____ for the _____ in _____?

_____ we increasing capacity _____ high traffic?

_____ is _____ planned _____ congested networks.

_____ upgraded _____ for crowded _____?

_____ busy areas _____ you?

_____ there _____ plan to increase _____ in _____ areas.

Net _____ crowded areas _____?

_____ thinking about _____ where _____ is busy?

Is it possible _____ crowded _____?

_____ there _____ to increase _____ capacity in _____?

_____ about increasing _____ it's busy?

There could be network _____.

_____ areas might get _____.

_____ the _____ in _____ crowded area?

_____ spots, any network _____?

Do you have _____ plans _____ up _____ network in _____ areas?

Can _____ me if there _____ network _____ crowded areas?

Are _____ about adding _____ where _____?

I _____ know _____ there _____ boost network _____ busy zones.

_____ capability can _____ increased _____ spots.

_____ upgrade _____ enhance crowded _____ networks.

_____ the network _____ going to be upgraded in _____?

_____ there a _____ way _____ increase connections _____ regions?

_____ about increasing _____ where it is busy?

Do you _____ upgrades _____ the _____ in _____ spots?

Any plans _____ crowded _____?

_____ in _____ areas.

_____ are plans _____ increase _____ in _____.

In crowded _____ will _____ capacity _____?

Is there _____ upgrade _____ for the _____ areas?

Is _____ any _____ better networking in _____?

Will _____ be an _____ the _____ get a _____ of _____?

Any _____ crowded places?

_____ could _____ busy areas _____.

Could _____ network be _____ heavy _____?

Is _____ to _____ network _____ close _____ busy places?

_____ any network improvements _____ crowded _____?

Can _____ better coverage _____ busy _____?

Are _____ the crowded area's _____?

Can _____ hope _____ network service in _____?

_____ network upgrade _____ busy spots?

The _____ be upgraded _____ locations.

_____ it _____ to _____ levels of connecting around _____?

_____ network _____ be _____ amid _____ use.

_____ could _____ network _____ crowded places.

What are _____ for _____ area _____?

_____ to _____ crowded area _____

Do you _____ any _____ improve _____ in _____ areas?

_____ anyone _____ in _____ up _____ packed zones?

Can _____ confirm that _____ are planned for _____?

_____ company address _____ issues?

Are there _____ to _____ crowded places?

_____ you _____ about _____ capacity _____ busy?

Will the network _____ heavy _____?

_____ changes to the _____ crowded _____?

Are _____ thinking of _____ in _____?

Are _____ on increasing network _____ busy _____?

_____ crowded _____ get increases _____?

Think about _____ if _____?

Is _____ going _____ get _____ capacity _____?

_____ there any _____ planned for _____ network in _____?

Increasing _____ capability _____ places that _____

_____ there be _____ effort to _____ zone _____?

_____ about plans to boost network _____ zones?

_____ there a word on _____ crowd _____?

_____ at increasing _____ it's busy?

_____ be _____ in crowded areas?

_____ it possible to boost _____ levels _____?

_____ there _____ to _____ support _____ busy places?

_____ there _____ word _____ crowd _____ bigger?

Expansion of _____ imminent?

Crowded areas _____ watch for _____?

_____ busy regions?

Is _____ any word on _____ crowd _____?

Network _____ busy places _____?

Are _____ beef up your _____ crowded areas?

_____ be upgraded in crowded _____?

Crowded areas are _____ mind for _____ the _____.

_____ update coming to _____?

Can _____ expand in _____ areas _____?

The network in _____ may _____.

_____ you have plans _____ expand _____ in _____ areas?

Improvements _____ the _____ network?

_____ network upgrade will _____ locations.

The _____ might be _____ amid _____

_____ network _____ in busy areas?

Are _____ about increasing capacity in _____?

_____ for busy locations are _____.

_____ network _____ to be _____ amid _____ usage.

_____ tell _____ network upgrades will be _____ areas?

_____ crowded area's network

How about _____ capacity _____?

Do _____ any _____ to _____ network in _____ zones?

Networking capability could _____ in _____.

Is there _____ network _____ spots?

_____ a net _____ zones be _____?

_____ upgraded amid _____ heavy usage.

_____ you _____ plan _____ support close to busy places?

_____ a plan to increase _____ capacity _____ it's _____?

_____ there _____ capacity _____ in packed _____.

Next-gen _____ be planned _____ busy _____.

_____ capacity in _____ zones _____ boosted.

_____ there _____ crowded zone connectivity?

Network support _____ may _____ enhanced.

_____ improvements during _____ times?

_____ any plans _____ scale the _____ where _____ packed?

_____ connections _____ sites?

Are _____ any plans to _____ support near _____?

_____ you confirm if the _____ are in _____?

What _____ expanding _____ connectivity?

_____ it possible _____ the level _____ packed regions?

_____ people who _____ increase network in _____ zones?

_____ network improvements _____ areas?

Plans _____ network in crowded _____?

_____ upgrades _____ busy _____.

_____ any _____ for the network _____ crowded places?

There _____ plan _____ improve _____ network.

_____ be plans _____ network capacity in crowded _____.

More _____ zones?

_____ network _____ crowded _____

_____ there be plans _____ upgrade the _____ in _____?

_____ capacity _____ upgraded in _____ areas?

_____ there be _____ network _____ busy areas?

_____ a plan for _____ congested _____?

_____ there any _____ beefing up?

_____ have intentions of improving the network _____?

Is there a _____ the _____?

_____ capacity improves _____ areas?

Is there _____ planned _____ the busy _____?

Possible _____ the _____ crowded regions.

_____ get more capacity?

How _____ we going _____ increase capacity _____ with a _____?

_____ network improvements _____ busy _____?

_____ any planned network upgrades _____?

_____ the _____ be upgraded _____ spots?

_____ we expect _____ busy environments?

_____ any plans to _____ network _____ near busy _____?

Network upgraded _____?

Can you tell me _____ crowded areas?

_____ will get more _____?

There will _____ an _____ on _____?

_____ not beef up _____ network _____ crowded _____?

Network gets _____ areas?

_____ possible to increase capacity _____ that _____ used?

_____ be any _____ boost network in busy _____?

Is _____ plan to increase _____ crowded _____?

_____ you have plans to _____ busy places?

Are you thinking _____ increasing _____?

Is there any _____ of _____ net _____ zones?

_____ on _____ your junky network _____ jam-packed areas?

Is _____ in crowded areas?

_____ on enhancing network _____ busy places?

Do you have _____ plans _____ net _____ zones?

Should there be plans _____ network _____?

plns should _____ packed zones

_____ connections _____ busy areas?

_____ may be upgraded _____ places.

_____ network _____ where it is _____?

_____ gettin' _____ expansion _____ busy _____?

Networking _____ in _____ should be _____.

Enhancements _____ networks _____ planned

_____ like to improve _____ near _____ places?

There _____ enhance crowded _____ networks.

_____ do _____ increase capacity _____ there are lots _____ people?

_____ connections _____ planned for busy _____.

Can _____ network service _____ zones _____?

Are there _____ to _____ network _____ spots?

Network _____ for _____ crowded?

In _____ there plans to enhance _____?

Is there any _____ changes for _____ in _____?

_____ we _____ better _____ service _____ times?

_____ are some intentions to _____ the _____ in _____.

Are _____ to enhance _____ busy places?

_____ are plans _____ improve _____ network _____ it's _____.

_____ possible to boost _____ levels of _____ regions.

_____ there any _____ more _____ networks?

_____ on the network?

_____ there a _____ effort to expand _____?

Is there _____ boosting crowd _____ now _____ later?

Are _____ plans to _____ network _____ spots?

_____ to _____ up _____ in crowded _____.

Is _____ any _____ an upgrade to _____?

Is there _____ do _____ increase network _____ zones?

_____ progress _____ better crowding _____ speeds?

Is there _____ plan _____ increase network _____ it _____?

_____ network _____ improved in crowded _____?

Could there be _____ improve the _____ in _____?

____ are ____ plans ____ enhance network support ____ busy ____?
 ____ likely ____ in ____ areas.
 ____ anyone know of plans to ____ in ____?
 Network ____ busy ____.
 Does ____ improve the ____ in crowded ____?
 ____ expanded in crowded zones?
 ____ network capacity ____ in ____?
 ____ there a capacity ____ for ____?
 The busy ____ have ____ upgraded.
 ____ to beef up network ____.
 ____ the ____ be improved ____ regions?
 ____ to ____ network ____ in busy ____?
 ____ you ____ to enhance network ____ places?
 ____ capacity will be ____ in ____.
 Is there ____ net ____ crowded ____?
 Is ____ any word ____ do ____ the ____ networks?
 ____ can ____ upgraded in congested ____.
 What intentions are ____ improve ____ in crowded ____?
 ____ may ____ improvements ____ better networking ____ spots.
 There ____ plans to ____ the network ____ crowded ____.
 Will ____ areas ____ additional ____?
 ____ there ____ upcoming ____ area networks?
 How ____ network capacity ____ it's ____?
 ____ there a ____ to ____ congested ____?
 Will ____ be intentions ____ the network ____ areas?
 ____ there ____ network updates ____ crowded ____?
 ____ are ____ for crowded places?
 network is ____ to ____ areas?
 Is there an ____ to ____ the ____ in ____?
 ____ help to increase ____ packed ____?
 ____ any ____ increase network ____ near busy places?
 ____ crowded ____ network ____ be boosted?
 ____ crowded areas going ____ boost in ____?
 Can ____ me ____ are going to ____ in ____ areas?
 Is there ____ plan ____ expansion for crowded ____?
 ____ if network improvements are ____ areas?
 ____ soon be ____ for packed ____.
 ____ it possible to increase the ____ regions?
 Is ____ plans ____ network capacity in crowded ____?
 Is there ____ packed ____?
 ____ about ____ network ____ in ____ zones?
 ____ an ____ to ____ crowded zone internet?
 Is there any ____ on ____ networks ____ now?
 Next ____ connections planned ____?
 Is there any ____ to expand ____ areas?
 How ____ network ____ is busiest?
 ____ see ____ capacity boost?
 Do ____ beef up ____ crowded ____?
 Can ____ network be improved ____?
 ____ there network ____ busy ____?

_____ for increasing _____ busy areas?
_____ any network _____ busy spots?
_____ in busy _____ imminent?
_____ increasing _____ of crowd networks?
_____ capacity will be _____ in _____.
_____ needs _____ be _____ in packed zones.
Is _____ any plan to _____ in busy _____?
Can there _____ network _____ spots?
Upgrading _____ network _____ crowded _____?
_____ there _____ expand _____ zone connection?
_____ should be beefed _____ in _____.
_____ needed to _____ up network in _____
_____ expect a better _____ in _____?
_____ networks are _____ or later?
_____ there a plan to _____ capacity _____ spots?
Do you _____ enhance _____ support near _____ places?
Increasing _____ capacity in _____.
plns _____ network _____ packed zones
_____ networking _____ in dense _____.
Is there _____ chance _____ better _____ service in _____?
There are _____ expand _____ zones.
_____ bandwidth _____ zones?
_____ you know _____ plans _____ the _____ crowded spots?
_____ beefing up _____ networks now _____?
_____ time _____ y'all fix _____ networks?
_____ there any network _____ areas?
Are _____ areas that _____ heavily used?
Is _____ anything we are _____ increase capacity _____?
_____ there _____ a _____ boost _____ areas?
_____ we expect _____ improved network _____ in _____?
_____ it _____ to boost _____ connectivity _____ around the _____?
_____ there _____ upgrade the _____ capacity in crowded _____?
_____ in crowded _____ could be _____.
What _____ are there _____ network _____ crowded regions?
_____ expansion _____ areas is _____?
Will _____ be _____ in crowded _____?
_____ improvements _____ expected in congested _____.
Is _____ bandwidth around packed _____?
_____ you _____ me _____ there _____ network _____ for crowded _____?
_____ network upgrade _____ locations?
_____ it possible for _____ network to be _____?
Will capacity _____ in _____?
_____ plans _____ networks now or later?
Are _____ plans to improve _____ areas.
_____ for _____ area's _____
_____ a _____ to _____ connections _____ packed regions?
Busy _____ needing _____?
Do _____ network support nearby busy _____?
_____ there _____ intentions to _____ network in _____ regions?
_____ there _____ better coverage _____ packed _____?

Is the _____ improved _____ spots?
_____ coming? Crowded _____?
_____ it happening _____ in crowded _____?
Is the _____ capacity _____ be _____ crowded _____?
Can _____ confirm if _____ will _____ crowded areas?
_____ coverage _____ congestion are needed.
Do _____ know _____ network will be _____ crowded _____?
_____ we _____ more _____ for _____ soon?
_____ any _____ to _____ network capacity in _____ zones.
It is _____ capability _____ congested spots.
Does _____ have _____ a net expansion _____ zones?
_____ upgrades scheduled _____ crowded _____?
Better networking _____ crowded _____ is _____.
Improvements _____ the crowded _____.
_____ you _____ the _____ upgrade is _____ crowded areas?
Can we _____ increased _____ in _____?
_____ be plans _____ network capacity in busy _____?
Can _____ improved _____ crowded _____?
_____ spots _____ more network _____?
_____ you _____ a plan _____ up your junky _____ areas?
_____ capacity be _____ in busy _____?
_____ improvements in _____?
_____ you _____ up _____ in crowded _____?
_____ there _____ to upgrade network capacity _____ crowded _____?
_____ there any _____ crowd _____ being beefed _____ now or _____?
_____ plans _____ the network in _____ areas?
Network _____ areas that are congested.
Do _____ enhance network support _____ places?
Network capacity is _____ be _____ areas.
Is _____ any _____ improve _____ network _____ crowded regions.
_____ progress _____ improving crowding network _____?
_____ network _____ for _____ area?
Will there _____ upgrade _____ reception in _____ areas?
_____ you _____ to improve _____ in _____ regions?
Networking capacity _____ increased in _____.
_____ expand _____ in busy _____.
Got _____ the _____ in _____ spots?
_____ network can _____ crowded regions.
Is it _____ increase levels of _____ around _____?
Expansions _____ better coverage _____ congestion.
Do _____ have any _____ support close to busy _____?
Is _____ to get better _____ packed _____?
Do _____ have a _____ network _____ spots?
_____ an _____ networking in crowded places happening?
_____ capability in congested spots _____.
_____ network upgrade _____ locations?
_____ to beef up _____ zones
_____ to _____ network _____ packed zone?
_____ about increasing capacity _____ busy _____?
Any _____ boosting network _____ busy _____?

_____ network in packed zones _____ be _____.

Network _____ upgrades _____ congested _____?

_____ _____ plans for _____ network in _____ places.

_____ network _____ for _____ environments?

_____ an effort _____ expand _____ networking?

Are you planning _____ beefing _____ network _____ busy _____?

_____ you _____ capacity in busy _____?

Are _____ capacity upgrade _____ congested _____?

_____ to _____ capacity in congested _____

_____ increase their network _____ packed _____?

_____ for _____ where it is _____?

_____ there any plans to boost _____ capacity _____?

Are _____ any _____ busy spots?

Crowded areas _____ mind _____ the network _____.

Are _____ capacity near busy _____?

Can you tell _____ the _____ for _____ areas?

Network _____ be boosted in _____.

_____ up _____ in packed zones

Network upgrades _____?

_____ there any effort _____ connection?

Are you _____ where it's _____.

Some upgrades _____ networks are _____ the _____.

_____ any plans _____ boost network _____ nearby busy _____?

_____ beef up network in _____?

_____ overcrowded areas _____ more _____?

Are we _____ upgrade the _____ capacity _____ areas?

_____ plans _____ crowded _____ connecting?

_____ crowded _____ in capacity?

Crowded _____ update on _____ network?

_____ there _____ network _____ crowded spots?

Any plans _____ networks in _____?

It's _____ any plans _____ the _____?

_____ upgrade _____ the crowded area's _____?

There _____ network _____ in _____ spots?

There _____ planned improvements to the _____.

A _____ increase _____ capacity in _____.

_____ busy _____ will _____ improve _____ reception?

Can _____ be plans _____ network _____ in _____ places?

_____ a way _____ boost _____ in _____ zones?

_____ are planned _____ crowded _____ networks.

_____ we expect _____ service _____ areas?

How _____ network _____ busy zones?

_____ to _____ area networks.

_____ effort to expand _____ zone availability?

Can there _____ improvements in _____?

Next-gen _____ busy _____?

_____ you thinking _____ in _____ places?

_____ connections _____ busy places _____ planned.

Are there _____ increase network _____ in _____?

_____ there any _____ plans _____ network in crowded _____?

Can ____ tell me ____ network will be ____ areas.

____ there any ____ expansions ____ places?

Do ____ up ____ crowded areas?

Any plans ____ the ____ busy ____?

____ a plan ____ boosting ____ capacity ____ busy areas?

Were there ____ the network ____ crowded ____?

Will there ____ an ____ get ____ of traffic?

Is there ____ upgrades ____ crowded ____?

Do you ____ for ____ in crowded places?

Do ____ plan ____ network ____ in ____ areas?

Is ____ possible to ____ up network ____?

____ the ____ for the network in crowded ____?

____ improvements for ____?

Do you ____ increase ____ closer to busy places?

____ is ____ to boost network ____ it's crowded.

Network service ____ improved ____ crowded ____.

____ networking ____ in crowded ____

Are you ____ increase capacity ____?

____ with ____ lot of ____ get ____ capacity?

____ of ____ are planned.

Are ____ thinking ____ increasing capacity ____?

____ there ____ of ____ bandwidth for packed zones ____?

Will ____ capacity increase ____?

A ____ for overcrowded ____

Will ____ capacity be increased ____?

Are ____ plans to enhance ____ near busy ____?

Is there ____ improving crowding ____?

Would the ____ be ____ in ____?

____ to the ____ crowded ____.

____ it ____ expect improved network service ____ crowded ____?

____ about upgrades ____ networks?

____ any ____ improvements in busy ____?

____ network ____ up in ____ zones?

____ are upgrade ____ for ____ crowded areas.

Do you have any ____ your ____ densely populated ____?

____ word on increasing ____ networks now ____ later?

Network ____ Crowded ____ in ____.

Have ____ improvements planned for ____ in ____?

What are we ____ in ____ with high ____?

____ anyone ____ a ____ expansion ____ zones is planned?

____ in ____ zones will ____ improved.

In ____ will ____ capacity be ____?

Network capacity ____ could ____ due ____.

Is there any intention to ____ crowded ____?

____ we get more ____ for ____?

____ might be upgraded in ____.

____ are any upgrades in the ____.

Will ____ be an ____ on ____?

Crowded ____ in mind ____ a ____?

____ for ____ places?

Is _____ to increase network _____ places?

Is _____ possible _____ network capacity _____ spots?

Can we see _____ crowded _____?

_____ plans to improve _____ network _____?

_____ likely _____ expand in _____ areas _____?

_____ there be _____ heavily-trafficked networks?

_____ the network _____ in _____ areas?

_____ network _____ in _____ can _____ improved.

Have any plans _____ network _____?

Are _____ any planned upgrades _____ network _____ places?

_____ will _____ busy areas soon?

_____ can we _____ network _____ zones?

Plans _____ increasing _____ in busy _____?

Do _____ any _____ network support near busy _____?

Crowded area _____ will _____.

The network capacity _____ improved.

Will _____ get increased _____?

Network _____ crowded _____?

Can there _____ expand crowded _____ internet?

_____ there be _____ effort _____ expand _____ zone _____?

_____ upgrades planned for _____ network _____ areas?

Is _____ to boost the levels _____ around _____ regions?

_____ to _____ network _____ is busiest?

_____ there _____ increase network _____ busy areas?

_____ you beefed up _____ crowded _____?

_____ planned upgrades for _____ network _____ crowded _____.

_____ about network _____ in _____?

_____ any _____ to scale the _____?

_____ up _____ network _____ packed zones

_____ a _____ for _____ congested networks?

_____ packed _____ might get _____ soon.

_____ you plan _____ support _____ busy places?

_____ network improvements _____ happen _____ busy _____?

_____ should be plans to _____ the _____ in _____.

Network upgrade _____ crowded _____?

Is _____ a plan to _____ network _____ spots?

_____ about _____ networks now or _____?

Plans _____ improve _____ network where _____?

_____ capacity _____ areas _____ better?

_____ want _____ increase _____ in _____ zones.

Next-gen _____ for _____?

Did _____ have _____ to _____ support near busy _____?

Is _____ possible _____ network _____ are _____ crowded areas?

_____ connections are being _____ busy _____.

plns to beef _____ network _____

Is _____ to increase the _____ packed regions.
