

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Requesting historical usage data
Inquiry Sub-Category	Certification and reporting
Description	Certain industries or regulatory bodies may require historical usage data to certify compliance, report energy usage, or conduct audits. Customers may request this data to fulfill mandatory requirements.
Data Size	5,018 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Is ____ an ____ process ____ accessing older ____ consumption ____ requested by ____?

How ____ one ____ pertaining to regulated ____ gas usage?

Is ____ to ____ usage figures that ____ needed ____ regulators?

____ natural gas consumption ____ easily ____ to regulators?

____ there ____ find earlier requested regulation-linkedNG consumption ____?

Do ____ have a method ____ easily retrieve ____ statistics?

____ can I ____ regulation linkedNG consumption ____?

____ regulators ____ a ____ to ____ old natural gas consumption statistics.

____ access older ____ gas consumption statistics requested by ____.

Does an expedited process ____ in ____ information ____ levels of ____ is ____ accessible?

Can regulators ____ find the ____ data ____ gas ____?

____ there ____ process ____ getting older ____ usage ____ by the authorities?

How can we ____ gas ____ data ____ the authorities?

Is it possible ____ regulators to ____ natural ____?

Is ____ older figures of ____ that regulators ____ interested in?

____ could be ____ in ____ for ____ getting older ____ consumption statistics.

Is ____ way ____ past ____ usage figures that regulators ____?

____ might ____ interested ____ a method to easily ____ old ____ statistics.

____ possible ____ us to ____ older ____ of natural ____ regulators ____ interested in?

I ____ easy ____ to ____ gas ____ history for regulators.

____ possible ____ easily retrieve ____ gas ____ for regulators?

regulators are ____ a quicker way to ____ gas ____.

____ regulators might want ____ getting old ____ gas ____ statistics.

____ may be ____ in a ____ to easily ____ natural ____ consumption ____.

____ wonder ____ an efficient procedure ____ easily viewing older ____ gas consumption ____ set up ____.

____ a quicker way to ____ up their ____ consumption ____.

Regulators ____ to know ____ a quicker way ____ dig ____ consumption ____.

Regulators ____ interested in ____ easily ____ natural gas ____ statistics.

There is _____ about _____ regulators _____ a simpler process _____ retrieving _____ usage _____.
_____ can I easily locate _____ of _____ usage?

I _____ wondering if _____ is a _____ regulators to _____ older _____ consumption _____.
_____ look _____ an _____ method _____ access _____ natural gas _____ statistics.

_____ possible _____ old natural gas consumption _____ easily available _____ ?
_____ can regulated entities easily retrieve _____ gas _____ ?

_____ we be able _____ natural gas used _____ regulators?
_____ are _____ in _____ easily _____ older natural _____ consumption statistics.
_____ get _____ old _____ gas consumption statistics?

_____ regulators asked about a _____ process for _____ consumption _____.
_____ approach _____ 888-282-0476 888-282-0476 _____ finding _____ requested regulation-linkedNG _____ details?

How can _____ easily _____ regulatory _____ for natural _____ ?
_____ entities _____ able to _____ retrieve past _____ gas consumption?

Can _____ easily use _____ methods _____ past data _____ natural gas _____ ?
_____ possible for _____ to _____ get _____ data on natural gas _____ ?
_____ might _____ in getting old natural _____ consumption _____ easily.
_____ gas _____ is _____ by officials.
_____ possible for _____ to _____ access _____ data on natural _____ consumption?
_____ can _____ obtain past _____ gas usage _____ ?

Regulators looking _____ a _____ access old natural _____ consumption _____.
I am wondering _____ procedure _____ viewing _____ Natural gas _____ figures will be _____ up _____ regulators.

How _____ older _____ data that relates _____ gas usage?
_____ possible _____ retrieve the natural _____ information needed by _____ ?
_____ natural gas _____ be _____ effectively by regulators.

_____ there _____ way to find earlier _____ consumption _____ ?
Regulators are looking _____ efficient _____ easily access old _____ gas _____.
_____ easily get metrics _____ to regulated _____ gas _____ ?

Are regulators _____ to _____ data on _____ gas _____ ?
_____ expedited _____ exist through which regulatory _____ on _____ of natural gas consumption _____ readily _____ ?
_____ it possible to easily _____ gas _____ regulators?

_____ for _____ entities to _____ retrieve past _____ about _____ gas consumption?
regulators _____ a _____ to _____ access _____ natural gas consumption _____
_____ is _____ request _____ the _____ a _____ process _____ retrieve previous _____ gas _____ statistics.
_____ anyone _____ if _____ streamlined _____ been put in _____ to quickly _____ past natural _____ consumption?

Do we _____ a _____ past gas _____ statistics?
_____ authorities _____ to _____ previous _____ statistics in a streamlined _____.
Is it _____ access old _____ consumption _____ quickly and _____ ?

_____ the regulators able _____ retrieve previous _____ ?
I _____ wondering _____ is _____ method _____ of old Natural gas consumption _____ requested _____ regulators.
_____ it possible _____ to _____ previous gas usage _____ ?

The regulators are _____ to _____ it _____ to access _____ statistics.
_____ looking _____ an _____ way to easily _____ gas consumption _____.
_____ regulators _____ looking at _____ efficient _____ to access _____ consumption _____.
_____ need _____ way to check _____ I need from regulators.

Does _____ know if a _____ devised _____ accessing surveys about past _____ gas _____ ?
_____ it _____ to see _____ natural _____ consumption _____ regulators requested?

Regulators are asking for a _____ to dig up _____.
When authorities _____ older _____ data _____ usage, how can we _____ ?
Is it possible to easily get _____ statistics _____ asked _____ ?
_____ might _____ to see _____ of natural _____ that regulators _____ interested in?

_____ are looking _____ an efficient way _____ natural _____ statistics

How easy is _____ old natural gas consumption _____?

_____ efficient way to _____ natural gas consumption _____?

_____ have a simpler process _____ retrieve _____ usage _____.

Past natural _____ usage _____ be _____ effectively _____ the _____.

_____ see _____ figures _____ natural gas used by _____?

_____ there an easy _____ old _____ gas _____ for regulators?

_____ is it _____ to easily access _____ to _____ natural _____?

_____ to _____ old _____ use history is needed _____ regulators.

_____ by _____ can _____ on _____ intake be accessed easily?

Is _____ an _____ which regulatory-mandated _____ previous _____ of _____ gas _____ is readily accessed?

_____ wondering if an efficient _____ easily viewing older _____ gas usage _____ set _____ by _____ regulators.

_____ wondering if the procedure _____ viewing older natural _____ consumption figures will _____ set _____.

_____ are looking _____ how to _____ access _____ consumption statistics.

Is _____ access _____ sought-after metrics _____ regulated natural gas _____?

_____ to previously _____ of requested _____ natural gas usage _____ something regulatory _____.

_____ it _____ for regulators _____ old _____ gas _____ statistics.

_____ do _____ get historic statistics _____ natural gas _____ by _____?

The _____ at _____ method _____ access natural gas _____ statistics.

I _____ to check old gas _____ for _____.

I _____ a _____ way _____ check _____ gas use history _____ regulators.

I need _____ good _____ way _____ check _____ use history for _____.

_____ might be _____ way _____ easily get _____ gas consumption statistics.

_____ to _____ the old natural gas _____ statistics _____ regulators requested?

_____ interested in how _____ natural gas usage.

_____ there _____ for regulators to get _____ gas _____ info?

_____ you _____ me _____ way to easily _____ usage data?

Is _____ possible to _____ gas _____ statistics for _____ regulators?

_____ authorities requested _____ be _____ streamlined process for _____ previous _____ usage _____.

_____ good, easy way _____ check _____ is _____ I need _____ regulators.

Any way _____ the earlier requested _____ details _____?

Is there a way to _____ the _____ usage statistics _____?

_____ requested _____ a streamlined _____ to _____ prior _____ gas consumption statistics.

_____ there a streamlined approach for _____?

How can we _____ previous _____ consumption _____ quickly _____?

Is _____ way to find earlier requested _____ consumption _____ a _____?

Is _____ can retrieve past data on _____ gas _____ quickly?

_____ do _____ find _____ natural gas _____?

_____ to retrieve earlier _____ of regulatory natural _____ statistics?

_____ to easily retrieve past _____ for regulators?

_____ can _____ more _____ access metrics _____ regulated natural _____ usage?

How _____ easily _____ past gas consumption statistics _____?

Is _____ way to get past gas _____ the _____?

_____ it possible _____ earlier _____ of _____ natural gas consumption _____?

The _____ an _____ method of _____ old _____ gas consumption statistics.

I _____ there is a way _____ easily access _____ Natural _____ Statistics _____ by _____ Regulator.

_____ a good _____ to check my _____ for regulators.

_____ we able to see _____ natural gas used _____?

_____ see older _____ of natural _____ used by _____ regulators?

How can one _____ use _____ metrics regarding _____ natural _____?

_____ there a _____ quickly _____ older _____ consumption data?
 _____ if _____ process has _____ created _____ quickly _____ surveys regarding _____ natural gas consumption?
 Regulators _____ have _____ retrieve previous _____ usage records.
 The regulators are looking _____ an _____ method for _____ statistics.
 Is _____ records _____ for regulators?
 Is _____ a _____ regulated entities _____ past _____ on natural _____ consumption?
 _____ have mandated _____ historical statistics _____ gas _____ easily accessed.
 _____ regulators have _____ simpler _____ find previous gas _____?
 Are historical _____ gas _____ easily accessed _____ regulators?
 Is it _____ regulators _____ gas usage records?
 I am _____ there _____ an _____ for easy _____ of Natural _____ Statistics _____ by Regulators.
 Does the regulators _____ way to _____ gas usage _____?
 Do we _____ a _____ to easily _____ past _____ consumption _____?
 _____ have _____ way _____ me _____ see the old _____ use statistics?
 Do _____ a simple _____ to get _____ records?
 How _____ person easily _____ metrics relating to regulated _____?
 Is it possible _____ regulated entities _____ easily _____ information _____ gas _____?
 _____ it feasible to quickly _____ of _____ gas consumption _____?
 The _____ are looking _____ an efficient _____ to _____ gas _____.
 When _____ it be possible _____ older _____ of natural gas used _____?
 _____ might _____ interested in _____ method for easily _____ gas _____ statistics
 How _____ regulators _____ past natural _____?
 _____ it possible to get _____ correspond with regulators demands?
 I'm _____ if there's a _____ older natural gas _____ statistics _____ by _____.
 _____ methods _____ entities can use _____ retrieve _____ data on natural _____ consumption?
 _____ if an efficient _____ for _____ old natural gas _____ figures _____ be _____ up by _____.
 Is anyone _____ streamlined _____ quickly _____ necessary surveys _____ past natural gas _____?
 _____ simpler way to recover gas usage _____?
 _____ you help _____ bodies _____ historical _____ gas _____ data?
 _____ a easier _____ retrieve past gas usage _____?
 Do regulators _____ process _____ retrieve _____ usage records?
 I'm _____ if an efficient _____ for easy _____ gas _____ be set up by _____.
 Is _____ easy _____ get earlier regulatory _____ consumption _____?
 How can one easily _____ pertaining _____ usage?
 How can one _____ previously sought _____ regulated natural _____?
 _____ there an _____ through _____ regulatory _____ archived information _____ previous levels _____ natural _____ can be _____?
 _____ provide _____ way _____ regulators to _____ get past _____ gas _____ data?
 _____ regulators are looking _____ easily find old _____ statistics.
 Can _____ get access to the _____?
 _____ found _____ way _____ quickly view the old gas _____?
 Is it possible _____ past _____ gas _____ data quickly?
 Are _____ able to _____ past gas _____ for _____?
 I am wondering _____ there _____ an _____ method for easy _____ of _____.
 The _____ have _____ if there is _____ way _____ gas _____ info.
 Do regulators _____ a hassle-free _____ past gas _____?
 _____ it _____ to easily _____ old natural gas _____ request _____?
 Regulators are _____ an efficient _____ to _____ consumption statistics.
 How _____ one use previously _____ metrics _____ gas _____?
 _____ we get _____ records _____ regulatory natural gas _____?
 How _____ get _____ data _____ natural gas usage?

Is there _____ through _____ regulatory mandated information on previous _____ natural _____ can be _____?

How _____ easily access previously sought-after metrics _____ usage?

_____ old regulatory _____ about natural gas usage?

Do you think _____ access older _____ gas consumption statistics?

_____ there _____ way _____ retrieve past gas _____ figures for _____?

_____ regulators are _____ an _____ for _____ access to old natural _____ consumption _____.

_____ find _____ data _____ natural gas _____?

_____ are looking _____ an efficient _____ access old natural gas _____.

_____ an efficient _____ access natural gas consumption statistics.

The _____ looking into _____ method to easily _____ gas consumption _____.

_____ it possible to obtain older records _____ data?

There is an _____ method _____ easy access _____ old _____ gas _____ the _____.

_____ possible to _____ old gas _____ quickly as _____ by _____?

Are _____ getting _____ records of _____ gas consumption?

_____ can one _____ access previously _____ metrics _____ natural _____ usage?

_____ am _____ about an efficient method for easy _____ older _____ Consumption _____ requested _____.

The _____ for a quicker way _____ dig up _____ consumption _____.

_____ can I easily _____ gas consumption _____?

_____ find past data _____ gas use?

Is _____ quicker way _____ get old _____ information?

I _____ simple _____ to check _____ use _____ for regulators.

_____ wondering if there is _____ to easily get _____ Natural _____ Consumption _____ by _____.

_____ be done _____ get _____ natural _____ data approved by _____?

_____ access to old _____ information quickly?

I _____ is a way _____ regulators to easily _____ Natural _____ figures.

_____ way _____ view _____ natural gas usage data?

_____ retrieve _____ gas consumption numbers for regulators?

Is it easy _____ find _____ gas _____ statistics?

Do regulators have _____ to find _____ data on _____?

Is _____ possible _____ get the old _____ statistics _____?

_____ there a _____ can _____ natgas _____ info quickly and _____?

_____ a _____ to retrieve _____ gas usage records?

_____ are looking into _____ way _____ access natural _____ statistics

_____ easy is it to get _____ gas _____ past?

_____ we have _____ way to easily _____ consumption _____ regulators?

_____ a way _____ earlier requested regulation-linked NG consumption _____?

_____ it possible to _____ old natural _____ usage _____ demanded _____.

_____ that a streamlined process _____ recover _____ natural _____ consumption statistics.

Does an _____ which regulatory-mandated archive _____ on _____ gas consumption is readily accessed?

How _____ we easily _____ older _____ data for _____?

_____ could _____ in a way to _____ old _____ gas consumption _____.

I _____ wondering _____ efficient _____ for easily viewing _____ gas consumption figures _____ going _____ be set _____ regulators.

_____ it _____ easily _____ old _____ data _____ natural gas usage?

_____ way to _____ requested _____ details in _____ more _____ way?

Is _____ a _____ way _____ on natural gas usage?

_____ are _____ efficient way to easily _____ gas _____ statistics

Is there _____ for regulators to _____ old _____ statistics?

_____ anyone aware _____ streamlined _____ for accessing surveys _____ past natural _____?

I _____ wondering if _____ was a way _____ easily _____ Consumption _____ requested _____ regulators.

How do _____ usage _____?

The authorities have _____ streamlined process _____ natural _____ statistics.

I _____ wondering _____ there _____ way _____ get the older _____ Gas Consumption _____.

What _____ regulators _____ past natural _____?

Is it _____ for regulated entities _____ easily _____ past _____ natural _____?

Does an expedited process _____ where _____ information on _____ levels _____ gas _____ easily be _____?

_____ can _____ easily _____ past _____ of _____ gas use?

_____ regulators are _____ efficient _____ old natural gas consumption statistics.

Is _____ possible _____ retrieve past _____ needed by regulators?

Regulators _____ into _____ method _____ easily _____ gas _____ statistics

I _____ wondering _____ procedure for easily viewing older _____ gas consumption figures _____ set _____ the _____.

_____ it possible _____ obtain past _____ of natural _____ usage _____ regulators' _____?

_____ are looking into _____ method to _____ old natural _____ statistics.

Is there _____ to _____ gas usage figures that _____?

I _____ wondering _____ is _____ easy access of _____ statistics requested by the Regulator.

Do _____ have a _____ way to _____ previous _____?

_____ have a _____ to get _____ usage records?

_____ regulators to _____ old natural gas consumption _____ quickly?

Can the historical statistics on _____ gas _____ accessed _____?

Does an _____ process _____ through _____ regulatory mandated information on previous _____ consumption _____ easily _____?

When _____ data _____ natural gas usage, how can _____ easily _____?

_____ do _____ of natural gas?

_____ are searching _____ efficient _____ to _____ access natural gas usage _____.

_____ am _____ if _____ a _____ easily view older Natural Gas _____ Statistics _____ the Regulator.

Is _____ a _____ to _____ natural gas _____ by regulators?

I _____ to _____ old gas _____ history for regulators.

Is _____ possible to easily access the _____ natural _____ the _____?

How _____ metrics for regulated _____ gas usage?

Is there a streamlined procedure _____ getting historical _____?

_____ gas consumption statistics readily _____ to _____?

The regulators _____ into _____ method to _____ see _____ natural gas _____.

Does an _____ process exist _____ which regulatory-mandated _____ gas consumption can _____?

_____ is a _____ for easy _____ of _____ Gas Consumption statistics _____.

_____ there an expedited _____ which regulatory _____ on previous _____ natural gas _____ is _____ accessible?

_____ quickly obtaining older _____ of _____ gas consumption data.

How _____ is _____ to _____ older regulatory data _____ gas usage?

The _____ requested a _____ retrieving previous _____ consumption statistics.

How _____ the metrics pertaining _____ natural gas usage?

_____ easiest method _____ get historic _____ natural gas _____?

_____ regulators _____ to retrieve gas usage records?

The regulators _____ interested in _____ method for _____ getting _____ natural _____

_____ possible _____ quickly obtain old _____ gas consumption?

How can we _____ access older _____ natural _____?

Can _____ get _____ old _____ consumption statistics quickly?

_____ am _____ there _____ an efficient way _____ access _____ natural gas _____.

_____ there a way to _____ earlier requested _____ consumption _____?

Any streamlined _____ earlier _____ regulation-linkedNG consumption _____?

Is _____ access older _____ gas consumption _____ by regulators?

Regulators _____ an efficient _____ to _____ natural gas consumption _____.

_____ regulators might _____ the _____ of getting older _____ gas consumption _____.

The _____ there _____ a simple _____ grab _____ gas consumption info.

Is _____ a _____ get past _____ data for regulators?

_____ am _____ there is _____ way for _____ to _____ get _____ Natural gas _____ figures.

I wonder if there _____ method for easy access _____ Natural Gas Consumption _____.

Is it _____ quickly _____ gas consumption statistics _____ regulators?

Do _____ have an _____ way to retrieve _____?

_____ have a _____ to _____ gas usage records?

_____ am wondering if _____ efficient _____ viewing older natural gas _____ figures _____ by the _____.

The _____ there be _____ streamlined process _____ natural _____ consumption statistics.

How can _____ of natural _____ in line _____ of the regulators?

I'm _____ need of _____ check my old _____ use history _____.

_____ have a _____ to quickly _____ the old _____ use _____?

Can _____ old data on _____ use?

_____ there _____ to access past data _____ gas usage?

_____ efficient way to get _____ consumption information _____ regulators?

I am wondering if _____ procedure _____ viewing older _____ gas consumption _____ be _____ by the _____.

How _____ get past records _____ natural gas usage _____ demands?

I am wondering _____ way _____ view _____ natural _____ consumption figures will _____ set _____ regulators.

_____ can we easily obtain _____ natural _____ usage?

_____ regulators be _____ to access _____ gas _____ effectively?

Is it _____ to get the _____ gas usage _____?

Is it _____ regulators have _____ simpler _____ for _____ usage records?

There _____ way to retrieve _____ gas _____ regulators.

The regulators _____ into a better _____ old _____ consumption statistics.

I am _____ a way _____ easily access older Natural Gas _____ Statistics _____ regulators.

How _____ check past natural _____?

Is _____ possible _____ to easily retrieve past _____ on natural _____?

_____ can we _____ obtain regulatory _____ natural gas _____ requested?

Any _____ find _____ requested regulation-linked NG consumption _____?

_____ are _____ into an _____ way to easily find _____ usage _____.

Is it _____ to _____ related to regulated _____?

_____ we have an _____ for _____ past _____ consumption _____?

How can I _____ records of natural _____ that _____ with the _____ of _____?

_____ regulators _____ data on _____ gas use?

Do regulated _____ specialized methods _____ retrieving past data _____ consumption?

The regulators _____ into _____ method to easily get _____ consumption _____.

_____ bodies _____ you _____ provide a quick _____ easy _____ historical natural gas _____.

_____ expedited process exist through which regulatory mandated _____ natural gas _____ can be _____?

Can I _____ find _____ consumption _____?

_____ it _____ get past _____ of natural _____ usage that _____ the demands _____ regulators?

Is a simple _____ in _____ for _____ to get _____ gas _____?

_____ to _____ see older natural gas _____ statistics _____ regulators asked _____?

_____ for regulated entities to _____ the _____ on _____ gas usage?

_____ for regulated entities _____ easily retrieve _____ on natural gas _____?

_____ are _____ way _____ easily _____ old natural gas consumption statistics.

_____ can _____ do to access _____ use?

_____ regulators _____ looking _____ efficient _____ easily obtain _____ gas consumption statistics.

_____ we have _____ way _____ gas usage statistics _____ regulators?

Does _____ process exist where regulatory-mandated _____ of _____ of natural gas _____?

Regulatory _____ want _____ streamlined method _____ retrieving _____ natural gas _____ data.

There _____ method for easy access of _____ figures _____ by regulators.

_____ is the _____ way _____ obtain historic statistics of _____ ?

Regulators might _____ method _____ easily _____ older _____ consumption statistics

Is _____ a _____ to quickly _____ the old _____ ?

When authorities request older _____ on natural _____ can _____ procure _____ ?

_____ I easily obtain _____ past natural _____ use?

It is _____ by _____ that _____ provide _____ streamlined method to _____ historical _____ consumption _____.

_____ regulators _____ into _____ way to _____ old natural gas _____ data.

_____ want _____ know if there is _____ simple _____ for _____ gas consumption _____.

_____ an expedited process _____ which _____ information on previous levels _____ consumption is _____ ?

_____ it _____ get past _____ natural gas usage that _____ requirements?

_____ possible _____ quickly get _____ records _____ natural gas _____ data?

Regulators _____ looking _____ way to easy _____ gas _____ statistics.

_____ might _____ interested in _____ a method _____ getting _____ natural gas _____.

_____ there a _____ to quickly _____ old _____ of _____ consumption?

_____ method for _____ natural _____ statistics might be of interest to _____.

Is _____ a way _____ find _____ consumption details?

_____ expedited process _____ in _____ on previous _____ consumption can be accessed?

_____ anyone have _____ find earlier requested _____ details?

Is _____ to _____ natural gas consumption statistics?

_____ a _____ easily _____ past _____ consumption statistics for regulators?

Regulatory _____ for a _____ method to _____ historical natural _____.

_____ possible _____ easily _____ older _____ consumption statistics asked for by _____ ?

_____ I be _____ obtain _____ records _____ natural gas usage?

_____ wondering if a _____ easy access of old Natural gas _____.

I _____ if there _____ method for easy _____ old Natural _____ Consumption statistics _____ by _____.

_____ historical _____ on natural _____ easily accessed _____ regulators?

How can _____ easily _____ records _____ past _____ usage?

I am _____ efficient method for easy _____ of _____ Gas _____ Statistics requested _____ Regulators.

_____ regulators have a _____ past _____ usage records?

I am _____ if _____ is an efficient _____ easy _____ natural _____ consumption _____ requested by _____.

I am wondering about an _____ for _____ of older _____ requested _____ regulators.

_____ there _____ regulated entities _____ past _____ on natural gas use?

Is _____ to access _____ sought after _____ pertaining to regulated _____ ?

regulators _____ into an _____ method to _____ access _____ usage _____

Is there a _____ entities _____ data _____ natural gas consumption?

_____ am wondering _____ easy _____ for _____ viewing older _____ gas consumption _____ will _____ up by the _____.

Is _____ a way for _____ to get _____ data?

Is _____ a _____ quickly _____ old gas _____ statistics?

Is _____ easier for _____ find old _____ on _____ use?

I am wondering _____ way to _____ view _____ gas consumption _____ will _____ up by _____ regulators.

Is _____ a _____ to easily retrieve _____ consumption _____ regulators?

_____ possible to _____ natural _____ data _____ by regulators?

How _____ the regulatory authorities ensure _____ access to _____ on _____ gas usage?

Is it _____ a simpler process _____ retrieve _____ usage records?

_____ on natural gas intake _____ accessed _____ regulators?

_____ are _____ into an _____ method _____ easily get _____ gas _____ statistics.

_____ for regulated entities _____ obtain past _____ on natural _____ consumption?

_____ a streamlined approach exist for _____ requested _____ ?

I am wondering if an efficient _____ be set _____ view older _____ gas _____ figures.

Regulators _____ quicker way to dig _____ old _____ consumption _____.

____ can ____ get earlier ____ of requested natural ____ consumption ____?
 Can ____ get ____ old ____ consumption statistics?
 ____ they easily ____ on natural gas ____?
 ____ regulators ____ at an ____ way ____ natural ____ usage statistics.
 I'm ____ if there is ____ easily view ____ Gas Consumption ____ requested ____.
 ____ we ____ an ____ way ____ gas consumption statistics?
 ____ for regulated entities to easily retrieve ____ natural gas ____?
 Regulators are ____ a ____ easier ____ gas usage statistics.
 ____ the easiest ____ access historic natural ____ data?
 ____ possible ____ old ____ statistics by regulators?
 Regulators are ____ at ____ efficient ____ to ____ access natural ____.
 ____ possible to retrieve earlier records of ____ consumption ____.
 What ____ do to access ____ natural ____ effectively?
 There is an ____ for easy access of ____ by ____ Regulators.
 Regulators are looking into a ____ natural gas ____.
 ____ specialized methods ____ use ____ quickly retrieve past data on natural ____?
 What ____ the ____ efficient way to ____ of our ____ use?
 ____ it ____ to ____ gas ____ figures ____ regulators want?
 The ____ be ____ a method ____ getting ____ gas consumption statistics.
 ____ there a ____ for the ____ natural ____ consumption ____ be ____ accessed?
 ____ there ____ expedited process ____ regulatory-mandated information on previous ____ natural gas ____ accessible?
 The ____ interested in ____ method ____ older natural gas consumption ____.
 The ____ are ____ into ____ efficient method for easily ____ gas ____.
 How ____ it be ____ earlier regulatory natural gas ____?
 Regulators looking into ____ efficient way ____ access ____ natural ____.
 Is it ____ for regulated ____ to ____ past ____ natural gas ____?
 When ____ request old ____ data ____ natural gas usage, ____ it?
 ____ there an efficient way ____ regulators to ____ natural gas ____?
 There ____ for easy ____ older Natural Gas ____ Statistics ____ by Regulators.
 Do you ____ is a ____ past gas ____ figures?
 Regulators ____ searching for an efficient method ____ access old ____.
 ____ we ____ get older ____ about natural ____ usage?
 ____ regulators ____ looking ____ way ____ easily find ____ gas consumption statistics.
 Regulators are ____ an efficient ____ to ____ natural ____ statistics.
 ____ regulators want to know ____ is ____ process for ____ gas consumption ____.
 ____ it possible ____ past records ____ gas ____ which correspond ____ the ____ demands?
 ____ asking ____ a quicker way to dig ____ consumption numbers.
 ____ regulators are ____ method ____ easily access old ____ gas ____ data.
 Is there a ____ for ____ records of ____ gas ____?
 The ____ might like a ____ get older ____ statistics.
 Is ____ older records of natural gas consumption ____?
 What ____ to ____ the past usage of ____?
 The ____ there ____ a ____ process in place ____ grab ____ consumption info.
 Is ____ possible ____ older natural ____ that regulators request?
 ____ an expedited process exist ____ regulatory-mandated information on ____ gas consumption ____ readily ____?
 ____ there ____ way ____ natural gas usage data ____ by ____?
 The ____ know ____ a simple ____ to ____ past gas consumption info.
 ____ it possible ____ quickly access ____ natural ____ statistics?
 Is ____ possible to obtain past records ____ usage ____ line ____?

Is _____ aware of a streamlined _____ surveys _____ to past _____ gas _____?

Is anyone _____ a _____ process _____ devised to _____ access necessary _____ about _____ consumption?

How can _____ access _____ metrics _____ to _____ gas usage?

Does an _____ information _____ previous levels _____ natural _____ consumption _____ be accessed?

_____ there is an efficient method _____ easy access _____ gas consumption statistics _____ the _____.

_____ we easily _____ regulatory data on _____ usage?

Is it _____ easily _____ past _____ stat _____ regulators?

_____ we easily obtain _____ data for _____ usage?

_____ there a _____ quickly view the _____ stats?

Can _____ get access _____ old gas consumption _____?

_____ there a _____ to easily _____ records _____ gas use?

Is it _____ records _____ requested _____ gas consumption statistics?

Any way _____ regulation-linked NG consumption _____ more easily?

_____ do we _____ natural gas usage _____ authorities?

Is there _____ entities _____ easily _____ the _____ on natural _____ consumption?

Does _____ expedited _____ exist through _____ on _____ levels _____ natural _____ consumption _____ accessed?

Is _____ find earlier request _____ NG consumption details?

Do _____ have _____ method for _____ gas consumption _____?

I _____ wondering _____ efficient procedure _____ easily viewing older Natural _____ will _____ set _____ the regulators.

Regulators _____ way _____ dig up their old gas consumption _____.

The _____ way _____ easily get older _____ gas consumption _____.

_____ a _____ procedure _____ obtaining _____ related to natural gas _____?

_____ wondering _____ they _____ find old data on natural _____.

There _____ method _____ easy _____ older natural _____ consumption _____ requested _____ the regulators.

Is it possible for regulated _____ about natural _____ usage?

_____ wondering _____ the regulators will _____ up a _____ easily view _____ natural _____ figures.

_____ I _____ the old _____ gas _____ statistics that _____ for?

I _____ wondering _____ an _____ way to get _____ natural gas _____.

I am _____ if _____ way to _____ old _____ gas consumption _____ requested by the _____.

_____ have _____ to retrieve past gas consumption _____?

If there _____ method for easy _____ of _____ consumption _____ requested by _____ regulators.

I am asking if _____ efficient _____ natural gas consumption _____ be set _____ by _____ regulators.

Regulators are looking _____ a _____ quickly _____ gas usage _____.

I'm wondering _____ procedure _____ easy _____ older _____ consumption _____ be set up by _____ regulators.

The _____ looking _____ to easily retrieve _____ gas _____ statistics.

Which _____ authorized _____ of requested statistics on _____ usage as deemed essential _____ regulatory authorities?

The regulators _____ looking _____ a _____ to easily _____ old _____ statistics.

Is _____ easy way _____ access _____ consumption statistics?

There is _____ the regulators _____ easily access _____ natural _____ statistics.

_____ possible to find _____ requested regulation-linked NG _____?

How could _____ easily get _____ of _____ statistics?

Does an _____ process _____ which _____ archived information on _____ levels of _____ gas _____ readily _____?

Regulators look _____ an _____ to easily _____ gas consumption _____.

_____ quicker _____ to find _____ gas consumption numbers _____ want.

The authorities requested a _____ retrieving _____ previous _____ statistics.

_____ it _____ to _____ obtain _____ natural _____ consumption _____ for regulators?

Are _____ natural gas _____ statistics _____?

Is _____ process that _____ easily _____ natural gas consumption _____?

There _____ an efficient _____ regulators to _____ natural _____ consumption _____.

_____ there _____ to quickly get old _____ natural _____ ?
 _____ would _____ to know how to _____ gas usage _____ regulators.
 _____ mandated that historical _____ gas _____ accessed easily.
 Does anyone know if _____ process has _____ quick _____ necessary _____ past natural gas _____ ?
 Is it possible to get past _____ of _____ usage _____ ?
 _____ an _____ exist through which regulatory mandated _____ previous _____ natural gas _____ is _____ accessible?
 _____ need a _____ check _____ gas use _____ regulators.
 _____ there _____ way to _____ of natural gas consumption _____ ?
 _____ way _____ get _____ usage figures that the _____ need?
 I wondering _____ an efficient _____ for easily viewing _____ be set _____ by the _____.
 _____ am _____ if _____ is _____ way to easily _____ natural _____ consumption _____ requested by _____ regulators.
 What is the easiest _____ get _____ natural gas _____ ?
 _____ we _____ easily retrieve past _____ statistics _____ the regulators?
 _____ it _____ for regulators _____ find old _____ on _____ use?
 Is _____ to get _____ records _____ requested natural _____ ?
 _____ are _____ into _____ efficient _____ to _____ gas consumption statistics.
 _____ regulators have _____ to retrieve gas usage _____ ?
 _____ looking into a way to _____ old _____ consumption _____.
 I _____ way _____ the old gas use _____ regulators.
 _____ an _____ method for _____ access of old Natural gas _____ requested _____.
 Is it _____ obtain _____ natural _____ usage that align _____ regulators?
 Do regulators have a _____ get _____ gas _____ ?
 Can we get _____ usage _____ from _____ ?
 Is _____ a way for regulated entities _____ natural _____ use?
 I am _____ if an _____ for _____ older _____ gas consumption _____ will be _____ by _____ regulators.
 Does _____ a _____ way to retrieve _____ usage _____ ?
 _____ there _____ methods regulated entities can _____ quickly retrieve previous _____ consumption?
 The _____ you to provide a streamlined _____ access _____ gas consumption _____.
 A _____ approach to finding _____ regulation-linked NG consumption _____.
 What _____ easiest _____ access the historic natural _____ statistics?
 _____ an efficient method _____ easy _____ of older _____ statistics requested _____ the _____.
 How can _____ obtain regulatory _____ on _____ usage?
 _____ regulators _____ looking into a _____ old natural gas consumption _____.
 The regulators are _____ procedure _____ older natural _____ consumption figures.
 _____ regulators are _____ into _____ efficient method to easily access _____ natural _____.
 _____ it _____ to easily retrieve _____ data on _____ usage?
 _____ am _____ if _____ efficient _____ for easy access _____ older natural gas consumption statistics requested _____.
 _____ authorities requested that _____ be _____ retrieving the previous _____ gas _____ statistics.
 _____ way to retrieve prior _____ usage records?
 Is there _____ method _____ regulated entities can _____ past data on _____ ?
 Can I get _____ gas consumption _____ ?
 What _____ the easiest _____ to _____ natural _____ statistics?
 Is it _____ easily _____ gas consumption statistics _____ by _____ ?
 _____ possible for _____ easily see old _____ gas _____ statistics?
 Is _____ quickly retrieve past natural gas consumption _____ ?
 I _____ wondering if _____ is a _____ for _____ to _____ older Natural _____ Statistics requested _____ Regulator.
 _____ the _____ of _____ gas consumption statistics easy _____ ?
 Is _____ expedited _____ through which _____ previous _____ gas consumption is accessible?
 The _____ asked _____ a _____ process _____ grabbing past _____ consumption information.
 Is _____ to _____ gas consumption _____ for _____ quicker?

Is it possible _____ of _____ gas _____ in line with _____?
_____ there _____ way _____ find _____ earlier requested regulation-linked NG _____?
Do regulators _____ a simple way _____ get _____?
I _____ know how _____ get old _____ from _____ regulators.
_____ wondering if there is an efficient _____ easy access of older _____ regulators.
_____ there _____ to easily _____ gas consumption statistics _____ by regulators?
Is it _____ to see older natural gas _____?
The _____ a simplified process _____ used to retrieve _____ natural _____.
_____ it possible to _____ access _____ gas consumption _____ regulators _____?
_____ into _____ way to easily find natural gas _____.
_____ simpler _____ to find earlier _____ regulation linked NG _____ details?
How _____ make use _____ gas use?
_____ am wondering _____ a way to easily get _____ Consumption _____ by the Regulator.
_____ bodies _____ you to provide _____ streamlined _____ for _____ gas _____ data.
_____ am wondering if an _____ method _____ for _____ access _____ Natural _____ Consumption Statistics.
_____ wondering _____ efficient procedure for _____ viewing _____ will be set by the regulators.
_____ it possible _____ access metrics _____ to regulated _____.
How can older _____ usage _____ accessed easily?
_____ get older _____ of requests for natural gas _____ data _____?
Is it possible to _____ gas _____ figures _____?
_____ method _____ easily _____ consumption _____ is being looked into _____ regulators.
_____ easily retrieve past _____ consumption info _____ regulators?
_____ it possible _____ get _____ records _____ natural gas consumption _____?
_____ asking for _____ quicker way _____ digging _____ old _____ numbers.
How _____ use _____ gas usage _____?
_____ efficient method _____ access _____ natural gas _____ statistics _____ into by regulators.
Is _____ retrieving previous _____ usage _____ easy for _____?
I am _____ if _____ is a _____ easy access to old Natural gas _____.
Is _____ access old _____ consumption statistics requested by regulators?
_____ I _____ look up the _____ natural _____ consumption _____?
Is _____ streamlined _____ to get older _____ gas _____ by the _____?
_____ authorities requested that there _____ a streamlined _____ natural _____ statistics.
The _____ a streamlined _____ to retrieve _____ consumption statistics.
How _____ we _____ older _____ on _____ gas usage when _____?
I am _____ if _____ is a way for _____ to _____ old _____.
_____ are _____ an _____ method _____ easily _____ natural gas consumption statistics.
How can one _____ access _____ metrics _____ natural _____ usage?
I am wondering _____ is an _____ method for _____ access _____ Gas Consumption _____ by _____
_____ there _____ approach for _____ requested regulation-linked NG consumption _____?
A method for easily _____ older natural _____ of interest _____.
_____ a _____ regulated entities to retrieve past _____ natural _____ use?
The regulators _____ looking into methods to _____ gas _____.
Is there _____ natural gas usage data approved by _____?
The _____ to know how _____ past _____ consumption _____.
_____ historical statistics _____ gas _____ be _____ easily by _____?
_____ look _____ easily access old natural _____ consumption statistics.
_____ am _____ if an efficient _____ easily _____ natural gas consumption _____ will be _____ regulators.
_____ there a _____ to quickly _____ records _____ natural gas _____ data?
Regulators _____ be _____ in _____ natural _____ consumption statistics _____.
Regulators are _____ at _____ to easily _____ natural _____ statistics.

The regulators are _____ an _____ method to _____ gas consumption _____.

I _____ there _____ an efficient method _____ easy access of _____ figures requested _____ regulators.

How can _____ easily retrieve _____ records _____ natural _____?

_____ authorities _____ streamlined process _____ natural _____ consumption statistics.

_____ regulators _____ if there _____ a way to grab _____.

Regulatory _____ request _____ you provide a _____ historical natural _____ data.

_____ possible _____ natural _____ consumption statistics that regulators _____?

_____ wondering _____ an _____ easily viewing _____ gas _____ figures will be set up by the _____.

I need a _____ old gas use _____ regulators.

I am curious _____ there is _____ efficient _____ Natural Gas _____ Statistics requested _____ the Regulator.

_____ am _____ there is _____ for _____ access of the _____ Natural Gas Consumption Statistics requested _____.

I _____ if an _____ easily viewing older natural gas _____ will be _____ the _____.

Regulatory _____ want _____ method of accessing historical natural _____.

_____ if there is _____ for easy _____ the old Natural _____ Consumption figures _____ by _____ regulators.

_____ is _____ way to _____ get _____ Natural Gas Consumption statistics demanded _____ regulators.

The regulators _____ a _____ access old _____ gas usage statistics.

Do regulators _____ way to retrieve _____ records?

_____ been possible to see older figures _____ used _____?

_____ regulators are _____ into _____ to easily _____ natural _____ consumption statistics.

_____ can one _____ previously sought-after metrics _____ gas usage?

_____ need _____ way to quickly view the _____ statistics.

Is there _____ way _____ retrieve natural gas _____ regulators?

What's the _____ way to get _____ natural _____?

Do regulators _____ procedure _____ retrieving gas _____ records?

The _____ are _____ a method to easily _____ older _____ gas _____.

I _____ wondering _____ there _____ an efficient _____ to _____ older Natural _____ Consumption Statistics _____ the _____.

_____ easily locate _____ past natural _____ usage data?

What _____ the _____ way to find _____ earlier requested _____?

_____ there a _____ entities to quickly _____ previous _____ on _____ consumption?

Regulators _____ looking at _____ to _____ natural gas _____ statistics.

The regulators _____ simple _____ grab past _____ consumption information.

Should _____ be able _____ of natural _____ that regulators are _____ in?

Is _____ possible for _____ entities to easily _____ gas _____?

_____ wondering if the regulators _____ set up _____ efficient _____ for easily _____ natural gas _____.

Regulators might be _____ in a method _____ getting _____ consumption _____

Is _____ possible for regulators _____ see _____ consumption statistics _____?

There are methods _____ can use to quickly _____ natural gas _____.

How _____ one easily _____ to regulated _____ usage?

_____ the regulators ask for a _____ to grab _____?

_____ expedited process exist whereby regulatory-mandated _____ levels of _____ gas consumption _____?

_____ can I _____ obtain past records _____ gas _____?

I'm wondering if _____ efficient _____ will be _____ up _____ the regulators _____ easily _____ older _____.

A method _____ easily access _____ natural _____ statistics _____ looked into _____ regulators.

Is _____ a way _____ easily retrieve past data _____ natural _____?

Is it _____ to get _____ consumption data _____?

Is _____ possible _____ access the _____ gas usage data _____?

_____ if _____ procedure _____ easily viewing old _____ gas consumption figures _____ set up _____ regulators.

_____ I _____ the old natural _____?

Is _____ to easily _____ older _____ from the regulators?

Any streamlined _____ for _____ old _____ gas usage data _____?

Is _____ possible _____ get quick access _____ the _____ gas _____ ?

The _____ are looking _____ ways to easily _____ natural _____ .

Does an _____ process _____ information _____ of natural gas consumption is easily _____ ?

The regulators _____ interested in a _____ to _____ old _____ statistics.

The regulators _____ be interested _____ using _____ method _____ gas consumption _____ .

I'm _____ if there is _____ way _____ to _____ access _____ gas consumption _____ .

_____ there _____ way to get old _____ data?

_____ requested a streamlined process _____ retrieve _____ gas consumption _____

I'm _____ if _____ is an _____ method for _____ access _____ Gas Consumption _____ regulators.

_____ there _____ through _____ information on _____ of natural gas consumption can be accessed?

_____ find _____ data easily on _____ gas _____ ?

_____ old natural gas _____ available for _____ ?

_____ there a _____ usage figures that the _____ want?

Regulators _____ into _____ way to _____ access _____ gas usage _____ .

_____ regulators _____ to easily access natural gas usage statistics.

Regulators _____ looking _____ method to easily access _____ gas _____ .

_____ wondering if a _____ easily _____ older _____ consumption figures _____ be _____ up by the _____ .

_____ able to _____ figures _____ natural gas used by _____ ?

_____ get old _____ gas usage _____ approved by the _____ ?

_____ the easiest way _____ access _____ statistics of _____ gas _____ ?

_____ regulators _____ in a _____ to _____ get older _____ gas _____ statistics.

Is _____ for _____ to _____ gas usage records _____ ?

_____ wondering _____ is a way _____ easily get old _____ figures requested _____ .

_____ way _____ access historical natural gas consumption data.

_____ into _____ way to _____ access _____ natural gas _____ statistics

_____ there a way for _____ entities to _____ on _____ gas _____ ?

People _____ be _____ to find _____ usage data _____ for _____ .

_____ in _____ information on previous levels _____ natural gas consumption is readily accessed?

The _____ are _____ efficient _____ for _____ natural gas consumption statistics.

_____ is the _____ way to _____ statistics of _____ use?

Is _____ possible _____ find _____ use data easily?

I need a way _____ old _____ the regulators.

How _____ I get _____ records of _____ gas _____ correspond with _____ the _____ ?

Is it _____ past _____ usage _____ requested by officials?

I _____ wondering _____ there _____ a _____ for the regulators to _____ old Natural _____ .

_____ authorities _____ streamlined _____ retrieve past natural gas consumption statistics.

_____ we easily _____ regulatory data _____ natural _____ usage?

The _____ method to _____ access natural gas consumption statistics.

How can _____ easily access _____ pertaining to _____ ?

_____ it possible for _____ old _____ gas _____ statistics?

_____ asked about a simple process to grab _____ .

Does an _____ process _____ where regulatory-mandated _____ previous _____ of _____ consumption _____ readily _____ ?

Is _____ possible _____ records of _____ gas usage _____ line with _____ ?

_____ an _____ process exist _____ regulatory mandated information on _____ natural gas _____ readily accessible?

_____ for finding _____ regulation-linked NG consumption _____ ?

Regulators may _____ way _____ easily _____ old _____ gas consumption statistics.

Regulators are looking _____ an efficient method _____ view _____ gas _____ .

_____ it _____ for regulators to see _____ natural _____ statistics quickly _____ ?

Are _____ access _____ natural gas _____ effectively?

_____ looking _____ a _____ to easily _____ natural _____ statistics.

_____ the easiest method _____ historic statistics _____ natural _____ use?
