

[Demo] NLP Dataset for Customer Service Automation

Company Type	Investment Firms
Inquiry Category	Transfer and rollover inquiries
Inquiry Sub-Category	In-kind transfers
Description	Customers inquire about transferring their investments in-kind, meaning transferring the actual securities rather than liquidating them, which can have potential tax implications.
Data Size	5,034 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Investment Firm" customer inquiry. (Purchased data will not be masked.)
