

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Power outage reports and updates
Inquiry Sub-Category	Outage updates
Description	Customers requesting real-time updates on the status of power restoration in their area.
Data Size	8,929 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Have _____ what _____ all these blackouts across _____ ???
_____ the origin _____ these _____ blackouts _____ this point?
Have _____ been able to _____ of _____ the power _____ areas?
Has _____ origin _____ widespread _____ been discovered?
_____ there any _____ caused the _____ cuts?
_____ anyone _____ there were frequent _____ cuts?
_____ find out what's causing _____ yet?
_____ figured out what's _____ these _____ failures?
Have _____ able to _____ the reason _____ blackouts?
_____ triggered the frequent _____ in several areas.
Does the _____ blackouts _____ found as _____ now?
Did _____ find _____ what caused electrical _____ throughout _____?
_____ been _____ find the cause of all _____ multiple areas?
Did _____ find _____ of _____ recent _____ outs?
Do _____ what is _____ power _____ poof?
Is _____ possible that _____ the reason _____ this?
Did _____ caused _____ those issues?
_____ they _____ the cause of _____?
_____ any word on the _____ these _____ failures?
_____ the source for _____ power going _____?
Did _____ figure _____ what's going _____ power going _____ everywhere?
_____ you _____ about why we're _____?
Do _____ know _____ source of the _____ power _____ area?
_____ know what _____ the power _____ multiple locations by _____?
_____ all these massive _____?
Are _____ of the _____ all _____ in the area?
_____ they _____ the _____ of _____ these outages _____?
_____ is the cause _____ blackouts in different _____?
What _____ all _____ the _____?
As _____ origin _____ the widespread _____ cuts been discovered?
Did investigators _____ happened _____ the electrical _____?
What _____ power losses _____ regions?

Did ____ discover what ____ the ____ multiple locations?
 What is ____ of ____ power failures ____ regions?
 What's ____ all the ____ problems ____?
 Did they ____ power failures ____ multiple locations by ____?
 Are there any ____ on the ____ electricity ____?
 Have they come up ____ for the ____ failures ____?
 ____ the cause of ____ outage?
 Did you ____ source ____ the recent power ____?
 So ____ what's ____ the power ____?
 Have ____ discovered ____ source ____ power cuts ____ our area?
 ____ find out what ____ numerous ____ disruptions?
 They haven't ____ out why ____ many power ____.
 Have ____ able to ____ reason behind ____ various power ____?
 Is there ____ word ____ the power losses?
 ____ that they have ____ cause of ____ blackouts?
 ____ what ____ to all those ____.
 Is there ____ were huge power cuts?
 Did you find out ____ hell ____ are ____?
 Is it possible ____ determined ____ led ____ all these ____?
 ____ you aware ____ what's making ____ go ____?
 ____ is ____ of power ____ across ____ regions?
 Are ____ aware ____ the ____ recent power failures?
 ____ caused ____ the power failures ____ areas ____?
 ____ you ____ all these power ____?
 Why ____ having widespread ____ already?
 Is anyone ____ figure ____ what's causing these ____?
 ____ blackouts in different areas ____?
 Can you ____ of ____ electrical disruptions ____ been found?
 ____ out what ____ all ____ power ____.
 ____ the power losses to ____?
 Is it possible that the ____ determined ____ the ____?
 Find out ____ the ____ go off in several ____.
 What made ____ in different ____?
 What ____ all these power losses happening at ____?
 It ____ that ____ of multiple ____ disruptions has ____ found.
 ____ these outages?
 Is ____ word on the root ____ the ____?
 Y'all want to know ____ behind ____?
 Have they ____ reason for ____?
 Have ____ of all of them ____ power ____?
 What ____ to this series ____?
 Is they ____ of what ____ this ____ widespread ____?
 ____ caused ____ power to go out?
 Have you ____ out ____ the power ____ everywhere?
 Do you know ____ many ____ power cuts?
 What is ____ some regions?
 ____ has multiple ____ experienced frequent ____?
 ____ now, ____ the power ____?
 So, has anyone figured ____ power ____?
 ____ they ____ out ____ caused ____ these ____ to go ____?

Did _____ what _____ them _____ down?
 _____ those bozos _____ up _____ a _____ for all the blackouts?
 Is there a reason behind _____ cuts _____?
 Is _____ a _____ the intermittent _____ failures _____ multiple _____?
 _____ find _____ what _____ problems all over?
 Have you figured _____ makes the power _____?
 _____ authorities _____ out _____ to the _____ incidents?
 Have they found _____ cause _____?
 _____ they _____ source _____ the _____ shortage?
 What _____ outage?
 Is there _____ of the cause _____ cuts?
 What _____ blame _____ cuts happening?
 Is _____ behind the _____ found?
 What's _____ reason _____ the _____ in _____ regions?
 Did you _____ the culprit for all _____ power _____?
 _____ tell me the cause _____ these _____?
 _____ track down _____ electrical disruptions?
 There's a question _____ what _____.
 Have _____ found out _____ so _____ disruptions?
 _____ the cause of the _____ in _____ areas?
 Have the authorities been _____ to determine _____ in _____?
 _____ what caused the power _____?
 What _____ big _____?
 What triggered _____ losses?
 Find _____ contributed to _____ black outs _____ areas.
 _____ do _____ know what's _____ failures?
 Did anyone understand _____ so many places _____?
 _____ possible that they _____ what _____ power failures in _____ areas?
 I couldn't _____ out _____ many _____ without power.
 _____ you find _____ why the hell _____ are _____ blackouts _____?
 Did _____ the root cause _____ electrical _____ been found?
 _____ they _____ reason behind _____ power _____?
 _____ out _____ cause of the power _____ several areas?
 _____ figure _____ we're having blackouts?
 Has the _____ these _____ been _____?
 Do you _____ any _____ on the root of _____?
 Someone wants _____ what's _____ the _____ losses _____ different _____.
 _____ clues _____ the cause of _____ power cuts?
 _____ investigators _____ what caused _____ multiple _____ disruptions?
 Is _____ on _____ cause _____ the _____ power cuts?
 Do you _____ as to why _____ losing _____?
 _____ they _____ able _____ determine _____ caused _____ power failures?
 Did _____ find _____ what _____ power _____ out in multiple _____?
 Did _____ find _____ cause _____ the _____?
 Did they find _____ caused _____ cuts?
 Have they _____ out _____ for _____ blackouts?
 Did they _____ the cause _____ the _____ several _____?
 _____ determined _____ reasons _____ similar _____ blackouts?
 _____ to find _____ cause of _____ the power _____ across _____ areas?
 Have _____ figured out _____ we keep _____ power _____?

_____ news on _____ cause of _____ electricity disruptions?
_____ on the root of the _____ electricity _____?
Did investigators know _____ the _____ in _____ area _____?
What _____ to occur in different _____?
_____ would _____ know _____ of _____ electrical disruptions has been found.
Did _____ cause of the _____ down?
Have _____ able to locate _____ cause of _____ these _____?
Have they _____ point _____ what _____ power failures?
Have _____ discovered _____ for _____ the widespread power _____?
What _____ places _____ frequent power _____?
_____ investigators find out _____ the _____ here?
Why did _____ experience _____ loss _____ than usual?
Did you _____ out why _____?
Have you figured out why _____ are _____?
_____ anyone explain _____ multiple _____ experienced _____ power _____?
_____ they found the cause of _____ multiple areas?
_____ found the _____ of the _____ failures _____ zones?
What is to _____ widespread _____?
Is _____ why _____ many places have _____ frequent _____?
Did you _____ out _____ this.
_____ aware of why _____ off all over?
Did _____ finally _____ why _____ power?
_____ they _____ led _____ all _____ incidents?
So _____ you _____ out _____ the power _____?
Can _____ tell _____ if the _____ of _____ disruptions has been _____?
Did _____ cause of _____ in several areas?
Did you _____ out why _____ having _____ cuts?
_____ come _____ a _____ for all the power cuts?
_____ caused the power to _____ out _____?
They _____ this series of _____ outages.
Is _____ cause behind _____?
Are _____ aware _____ what triggered _____?
_____ you _____ culprit for _____ widespread power failures?
_____ anyone _____ what's _____ power failures?
_____ out what _____ the power _____ all the time?
They don't _____ what triggered _____ series _____ outages.
As _____ the origin of _____ blackouts _____ been _____?
_____ the power _____ spread _____ over?
_____ to _____ why there were so many power _____.
Have you _____ why the power _____ everywhere?
_____ the power cuts _____ all _____?
Have _____ come up with _____ power cuts?
Did you _____ there were _____ power failures _____?
They haven't _____ reason why _____ areas _____ without power _____.
_____ y'all _____ culprit for _____ widespread _____ cuts yet?
_____ these power losses?
_____ find the source _____ of the _____?
_____ triggered _____ series of widespread outages yet?
What _____ to the _____?
_____ you _____ source _____ the recent _____ in our area?

Did they _____ what _____ the various regions _____?
 _____ those bozos _____ come up with _____ reason for _____ failures?
 _____ what _____ these power failures.
 _____ they _____ to _____ the cause of the power _____?
 Have you _____ found _____ we're _____?
 _____ reason _____ the power failures?
 _____ find _____ caused _____ much electrical disruptions?
 _____ discovered the _____ of _____ outage?
 Can _____ tell _____ if the root cause of _____?
 _____ you _____ hell we keep having blackouts everywhere?
 Have you _____ to find _____ culprit _____ widespread Blackouts?
 _____ you _____ if _____ cause of the _____ been identified?
 _____ want to _____ if the _____ of _____ electrical disruptions _____ been _____.
 Is _____ a _____ all over?
 Did _____ find out what _____ so _____ electrical _____ the _____?
 _____ investigators _____ out _____ caused electrical disruptions _____ area?
 Have _____ discovered _____ reason _____ so _____ power failures?
 Do _____ the constant power shortages?
 _____ find _____ what caused all those _____ cuts in _____?
 Will they be aware of _____ caused _____?
 They haven't found _____ reason behind _____ the _____ different _____.
 _____ there a cause behind _____ go _____ in _____?
 What _____ causing the power _____ go _____ different _____?
 What is the reason _____ the _____ power _____?
 _____ cause of all the outages?
 Have you _____ upon _____ recent power failures?
 _____ find out _____ power _____ off?
 _____ what contributed _____ the blackouts in _____ areas _____.
 What _____ causing _____ failures _____ multiple _____?
 Have _____ identified the reason _____ all _____ power _____?
 _____ anyone _____ out why multiple places _____ cuts?
 _____ of the widespread _____ failures _____ as of _____?
 So do you know _____ all _____ happening?
 Is _____ currently a reason _____ electricity _____ knocked _____?
 _____ anyone _____ why several _____ frequent power cuts?
 _____ responsible for the _____ power _____?
 _____ known why so _____ were without _____?
 Has the origin _____ widespread power _____ been _____ of _____?
 Find _____ what contributed _____ all _____.
 _____ y'all found _____ of _____ the widespread _____ failures?
 _____ they _____ the _____ of _____ outs?
 What is _____ the electricity to _____ in _____?
 _____ all these _____ losses to occur at _____?
 _____ reason for _____ losses _____ different areas?
 Have authorities been _____ to _____ these incidents?
 _____ you _____ culprit _____ all of the _____ yet?
 _____ possible that _____ authorities have determined _____ these incidents?
 _____ any _____ about the _____ of the _____ cuts?
 Have _____ able to _____ the _____ those area-wide _____ cuts?
 Is it _____ many _____ experienced _____ disruptions?

_____ a cause for _____ blackouts _____?
 _____ found the _____ of _____ black _____ in _____ areas?
 Find out what _____ to _____ power _____ areas.
 _____ you figure _____ why we're _____ cuts?
 Is _____ a culprit _____ all _____?
 Did _____ to _____ power outage?
 Have _____ the culprit _____ the widespread power _____ yet?
 Do _____ the root cause _____ these electrical _____ been _____?
 _____ the _____ failures in _____ now?
 _____ are _____ causes _____ going out across affected _____?
 _____ are there _____ widespread _____ cuts?
 _____ there a cause _____ multiple zones yet?
 Have _____ to _____ the _____ the area-wide blackouts?
 _____ they _____ caused the power _____?
 _____ what _____ those power cuts.
 Did investigators locate what _____?
 _____ they determined _____ for _____ area-wide _____ yet?
 _____ you _____ out why the _____ are _____ blackouts all _____ place?
 _____ there _____ cause _____ the blackouts _____ several areas _____?
 Have you _____ to determine the _____ of _____ area-wide _____?
 Have they _____ the _____ these _____?
 _____ investigators able _____ determine what _____ electrical _____?
 Have authorities _____ what led to _____ incidents?
 _____ there _____ evidence _____ origin _____ these widespread blackouts?
 Is _____ chance that _____ of multiple _____ disruptions has been _____?
 _____ do _____ know what _____ of _____ outages yet.
 Is there _____ why _____ blackouts _____?
 Is anyone aware _____ these _____ failures?
 Did they know _____ series _____ disruptions?
 What's to _____ for _____ frequent _____?
 _____ there _____ cause _____ the _____ multiple areas?
 Is it _____ cause of electric _____ recently?
 Blackout _____ have been discovered _____.
 _____ you _____ why the hell we _____ experiencing _____ over?
 Did _____ discover _____ we _____ all the _____?
 _____ you found _____ yet?
 _____ haven't figured out _____ there have _____ power _____.
 Is there _____ reason why _____ power cuts?
 _____ the cause _____ widespread _____ outages yet?
 What _____ power losses _____ happened _____?
 Have _____ figured _____ have been frequent power _____?
 Have authorities _____ able to _____ what led _____?
 _____ the reason _____ so _____ power _____?
 _____ you _____ source of _____ recent power _____?
 _____ know what's _____ these _____ shortages?
 Do _____ clue as _____ we lose power all _____?
 Did you _____ making the _____ go _____ everywhere?
 Were _____ able to _____ caused numerous _____?
 _____ you find out _____ yet?
 Is it _____ pinpointed what _____ the _____ failures?

_____ are the _____ for the _____ the _____ regions?
 Is it _____ know _____ led _____ these incidents?
 _____ possible _____ those _____ the _____ behind all these blackouts?
 Have _____ out what's _____ power _____ all around?
 Have _____ ever found the culprit for _____ power _____?
 _____ anyone _____ why _____ places experienced power cuts?
 Did _____ find _____ cause _____ disruptions?
 _____ causing all _____ out?
 As _____ has the origin of _____ power cuts _____?
 Did _____ whaddaheck was _____ blank-outs?
 What _____ root of _____ now?
 What's the _____ cuts?
 Is _____ possible that _____ the cause of _____ the power _____ multiple _____?
 _____ there a _____ of _____ blackout across _____?
 _____ we _____ source for _____ electrical chaos _____ our area?
 Were you _____ why _____ hell we are having _____ everywhere?
 _____ out why the hell we _____ experiencing blackouts?
 I wonder _____ they _____ all _____ outages yet.
 Have _____ figured out _____ is _____ to _____ the time?
 What triggered _____?
 _____ any _____ on the cause of _____ cuts?
 _____ out why _____ places experienced frequent power _____.
 _____ you _____ them all happen?
 _____ you find _____ why _____ many _____ were _____ electricity?
 They don't _____ what _____ the _____ of _____ yet.
 _____ tell me _____ the _____ power shortages?
 Is _____ the power _____ poof _____?
 _____ they found the _____ of _____ power _____ in _____?
 Have _____ found _____ reason behind the blackouts _____?
 _____ there _____ leads on what's _____?
 _____ origin of _____ widespread _____ found _____ this moment?
 Did you discover _____ for _____ widespread power _____ yet?
 Have _____ able _____ of those area-wide power _____?
 Is the _____ of the widespread _____?
 Is _____ possible _____ they _____ what _____ all the _____ cuts?
 _____ they _____ cause of the _____ outages by _____?
 Did you find _____ source of _____ cuts?
 _____ found _____ source of the recent _____ in our _____?
 _____ what caused _____ electrical disruptions _____?
 _____ find _____ cause of _____ the power failures _____ multiple _____?
 Did they _____ out _____ these outages?
 _____ they _____ reason behind _____ blackouts in different _____?
 Is anyone _____ power failures?
 Have the _____ been _____ what led to the _____?
 _____ started _____ losses experienced together?
 _____ know what's _____ go poof _____?
 _____ caused _____ incidents in _____ locations?
 If _____ of _____ disruptions has been found, _____ tell me?
 Is it possible _____ caused _____ blackouts?
 Have _____ decided _____ reason for _____ area-wide _____?

Have _____ cause of the _____ going _____?

As _____ now, does _____ origin _____ the widespread _____ cuts _____ _____?

Has the _____ the widespread _____ found yet?

_____ the _____ different places?

Is there _____ the recent _____ multiple zones?

_____ uncover the source _____ recent power _____?

Did they _____ of _____ failures?

Why _____ these power _____ happening _____?

_____ they _____ what caused all these _____?

_____ anyone _____ out why _____ power _____?

_____ the authorities been able to _____ different locations?

_____ they find out _____ all those _____ in _____ regions?

What is _____ the _____ areas?

_____ information on _____ root _____ disruptions?

Do we _____ what _____ the frequent _____ regions _____?

What's the reason _____ across _____ regions?

_____ know _____ there were _____ many _____?

Did _____ find _____ caused _____ of the area?

_____ know the _____ of the chaos _____ various _____?

_____ the _____ cause of _____ found?

_____ you find _____ made _____ black out all _____?

_____ to know _____ there is any _____ cause of _____ blackouts.

Did _____ the _____ power going off?

_____ the _____ different parts of the country?

Is _____ authorities _____ determined what _____ the different incidents?

_____ anyone _____ causing _____ constant power failures?

Find _____ what caused _____ blackouts _____ several _____.

Did they find _____ what _____ the _____ in _____?

_____ been able to _____ the _____ the widespread _____ problems?

_____ find _____ what _____ electrical disruptions?

Did _____ what made _____ over happen?

_____ find out _____ caused _____ trouble?

_____ are the reasons _____ power losses _____ different _____?

_____ what _____ recent power failures _____ several areas _____.

_____ they _____ out what _____ all _____ to go _____?

Found, _____ was the cause of _____?

_____ if _____ cause _____ the disruptions has been found?

Is _____ the _____ Blackouts yet?

Is _____ a reason _____ series _____ widespread outages _____?

Has _____ origin _____ the _____ blackouts been _____ so _____?

Find _____ to the widespread power failures _____ several _____.

_____ behind _____ failures or not?

Is _____ any news _____ the _____ the multi-area _____?

_____ those bozos figured out _____ reason _____ all _____?

Did anyone discover _____ power _____?

Did _____ cause _____ the outages yet?

What _____ reasons for power losses _____?

_____ cause _____ the power issues by now?

Why are _____ cuts _____?

Is there _____ the _____ of the ongoing electricity _____?

Have you ____ out why so many ____ power ____?

Is there ____ go ____ everywhere?

What's ____ power ____?

____ investigators find ____ what caused ____ electrical ____?

____ they ____ the cause ____ those ____?

Is the ____ of ____ found ____ now?

Did ____ why we're ____ power ____?

Were you able to ____ out ____ the ____ blackouts?

____ have an update on ____ caused ____ massive ____?

____ you ____ out ____ having ____ cuts?

Has anyone ____ to find ____ what caused ____?

Is ____ a ____ so ____ experienced electricity shut ____?

____ to explain ____ the ____ experiencing power outs everywhere?

I ____ like to ____ all these ____ failures.

____ you ____ causing us ____ lose ____ all the ____?

Have ____ located the ____ of ____ the ____?

Have the ____ what ____ incidents?

____ why there are ____ many ____.

Did ____ know ____ caused ____ cuts?

Why ____ so many regions experience ____ black ____?

Did you ____ why ____ were so ____ power ____ places?

What is causing the ____ go out ____?

____ origin ____ the ____ blackouts known at this ____?

It's not ____ power cuts.

They ____ know ____ this series ____ downtime.

____ know the ____ of ____ area-wide ____ cuts?

Is ____ any ____ yet ____ of these power ____?

____ you ____ out why ____ don't ____?

Have ____ discovered why we ____ time?

Did ____ out ____ was ____ outages?

Did they find ____ areas?

Did they ____ out what ____ all ____ in multiple ____?

Have ____ found ____ of ____ area-wide power ____?

Are ____ of what ____ to ____ frequent outages in ____?

____ widespread ____ and any progress ____ identifying the root ____?

____ the ____ failures ____ different places now?

Have authorities ____ able to ____ the various ____?

____ the cause of all the ____ different ____?

Did ____ identify ____ caused the ____?

____ the massive ____?

Have ____ figured ____ what's causing the ____?

Do ____ source of ____ power disruptions in ____ area?

____ it ____ what ____ this series ____ widespread ____?

What's behind the power ____?

____ the ____ these events ____ found?

What ____ reason ____ losing ____ the time?

____ causing ____ these power ____?

What is ____ massive outages?

Are you ____ why ____ is ____ off ____?

Did ____ out ____ lights to go out across ____?

So ____ are ____ having widespread ____ ?
 ____ power losses that ____ concurrently?
 ____ you currently ____ why electricity is ____ out ____?
 Did they find ____ power ____?
 Were they able ____ out ____ these issues?
 ____ you find out what's ____ power ____?
 Have ____ out why we're ____?
 ____ it possible that they have ____ reason ____ these ____?
 Did ____ cause of all ____ across ____ areas?
 Did ____ find ____ problem ____ yet?
 ____ they find the ____ these ____?
 Did ____ what caused the ____?
 Has the ____ failures ____ discovered?
 Have ____ found ____ culprit for ____ the widespread ____?
 ____ you finally ____ out ____ lose power all ____?
 ____ behind ____ power failures?
 Have authorities ____ to ____ incidents?
 ____ they find what ____ the ____ to ____ in different ____?
 Will ____ confirm if the root ____ of ____ has ____?
 Can ____ on ____ factors behind the ____ disruptions already?
 Found, what ____ reason for ____ failures?
 ____ the root of ____ ongoing electricity disruptions?
 Have you ____ able ____ we are losing ____?
 ____ investigators able ____ identify what ____ in ____ electrical ____?
 ____ figured out ____ outages ____ happening.
 ____ is ____ the power ____ already?
 By ____ what ____ failures in multiple ____?
 What's causing all ____?
 Do ____ source ____ recent power losses?
 ____ they ____ of the power going ____?
 ____ causing ____ electrical ____ different areas?
 ____ you know ____ cause of ____ power ____?
 Do ____ know ____ causing ____ cuts?
 ____ been ____ to ____ the culprit for all ____ them ____ cuts?
 ____ you able ____ root cause of the disruptions has ____?
 Have you ____ been losing ____?
 Are ____ aware ____ of the recent power ____?
 Can anyone ____ why multiple places ____ cuts?
 ____ origin ____ the ____ been found?
 Do ____ know where to ____ blank-outs?
 ____ you tell ____ if ____ root cause ____ electrical disruptions ____?
 Is there a ____ behind ____ without ____?
 Has ____ origin ____ blackouts ____ yet?
 What ____ go out ____?
 Did ____ discover ____ the ____ losses?
 Do you know ____ the power to ____?
 Have you been ____ find the ____ area-wide ____?
 ____ there any ____ on ____ the massive power ____?
 Were they able ____ cause ____ the ____?
 ____ out ____ lights to ____ out?

_____ that _____ found _____ caused all _____ power failures across _____ areas?

Why _____ having _____ cuts?

_____ it possible _____ have _____ led to these different _____?

_____ found _____ cause _____ those area-wide power _____?

_____ know _____ were so many power _____ across various _____?

_____ led to the _____ incidents?

_____ they find _____ of all the _____ failures?

We _____ know what _____ the frequent _____ across _____.

Is _____ a reason _____ outs?

Have you _____ out the _____ all _____ failures yet?

I _____ what is _____ poof everywhere?

_____ it _____ to _____ of _____ widespread power outages?

Did _____ what the _____ yet?

Did anyone figure out _____ places _____ frequent _____?

_____ able to _____ reason _____ all _____ power _____ in different areas?

Have _____ figured _____ the power _____ poof _____?

_____ you _____ what's _____ the power _____ go?

_____ you _____ why _____ knocked _____ everywhere?

_____ it _____ what triggered this _____ disruptions?

What _____ the _____ different places?

_____ information about the _____ of _____ cuts?

There _____ ongoing electricity disruptions _____ root of it?

Did anyone figure _____ so _____ have frequent _____?

_____ authorities been _____ to _____ out what _____ the incidents _____?

Have _____ figured out _____ so _____ people were _____?

Have _____ out _____ some places _____ frequent power _____?

Did _____ get to the _____ we _____ having _____ cuts?

It _____ why _____ many regions _____ shut down.

Was _____ of the _____ found?

Have _____ to _____ the cause of _____ power failures yet?

Did they discover what _____ the _____ out at _____?

_____ what _____ the power failures _____ multiple locations?

_____ out what contributed _____ being _____ in several _____.

Were they _____ to _____ the cause _____ all _____?

Did _____ what _____ making the _____ go poof _____?

Did the _____ what led _____ all _____?

Have _____ the cause of the _____?

What sparked _____?

Did _____ find _____ the power _____?

_____ of the source _____ this disruption?

Did _____ know _____ all these _____?

Is _____ reason behind all _____ blackouts _____ areas?

Do they know _____ the _____?

_____ we _____ triggered _____ outages across several regions?

_____ they _____ the reason _____ similar _____ failures yet?

Do _____ know _____ there _____ power outs?

Did _____ all these black outs?

Does anyone _____ why _____ have _____ power cuts?

Were _____ find out what _____ multiple regions?

Find _____ caused _____ power to go _____ places quickly.

What are the _____ power _____ in _____ ?
Did _____ what caused _____ disruptions?
Are _____ frequent outages in several areas?
_____ you _____ able _____ locate _____ for all the _____ power _____ ?
_____ what _____ all _____ power failures _____ multiple regions?
_____ you discovered the _____ those area-wide _____ ?
_____ was the cause of _____ ?
Have _____ found _____ cause of _____ across _____ areas?
_____ to _____ for _____ the _____ cuts?
Quickly, find _____ contributed to _____ power _____.
_____ out why _____ were _____ many blackouts.
What _____ all the power _____ to occur _____ ?
_____ discovered _____ cause of the _____ power _____ yet?
_____ they _____ out _____ the power _____ multiple locations?
_____ it _____ that they've located what _____ all _____ ?
_____ the reason _____ area-wide _____ determined?
They _____ reason for all _____ power failures _____.
_____ why we're having _____ power _____.
Has _____ figured _____ continuous power failures?
Did _____ what _____ power cuts across the country?
Was _____ the blackouts _____ found?
Find _____ what _____ the electricity to _____ in several _____.
_____ caused all _____ the power _____ to _____ ?
_____ it possible _____ know _____ triggered all _____ frequent outages?
I _____ if the root cause _____ disruptions has _____.
Have _____ why the _____ blackouts _____ occurring?
_____ they aware _____ caused this _____ of widespread _____ ?
_____ out _____ is _____ power to _____ out?
_____ triggered all _____ losses at the _____ time?
_____ discovered what's behind the _____ ?
_____ electricity _____ out in multiple areas already?
_____ the lights _____ out all _____ ?
_____ found the reason _____ power _____ in _____ places?
_____ anyone _____ out why _____ places _____ frequent power _____ ?
_____ have a clue as to _____ the _____ we _____ experiencing _____ ?
Have y'all figured _____ what's _____ the _____ ?
_____ discovered _____ cause _____ all their widespread _____ yet?
What _____ the _____ power _____ to _____ at the _____ time?
_____ there a cause _____ the _____ zones _____ ?
_____ discover _____ caused these _____ ?
_____ they decided _____ reason for _____ ?
_____ they _____ reason _____ similar _____ power cuts _____ ?
_____ anyone _____ causing _____ power failures in _____ regions?
_____ it _____ to identify the reason _____ failures?
_____ what _____ the power outage by _____ ?
Did investigators find out _____ electrical _____ ?
_____ in figuring out _____ so many mass blackout incidences?
Do you _____ constant _____ shortages?
_____ out why _____ are having power cuts?
_____ there a reason _____ so _____ electricity interruption?

Are ____ any developments on ____ root of ____?

Have you ____ out why ____ goes poof ____?

____ you ____ these black outs?

____ they discover what ____ failures across many ____?

Did ____ find ____ why there ____ so ____?

____ found ____ what led ____ these incidents?

Y'all know ____ power failures?

____ the ____ of ____ power cuts?

____ they ____ what caused all ____?

It is ____ known why ____ experienced ____ shut ____.

____ out ____ caused ____ power failures?

Why ____ power cuts?

____ are ____ why multiple ____ have experienced ____ cuts.

____ any ____ on why ____ power failures?

____ you know anything ____ cause ____ all these ____ blackouts ____?

Did ____ confirm ____ root ____ the ____ disruptions?

____ behind the ____ losses across ____?

____ able to find ____ these blackouts?

____ out ____ to all ____ failures.

____ you ____ out ____ made ____ all over?

Did ____ discover ____ all these ____ yet?

Did you find ____ happen all ____?

____ the origin of the ____?

Has anyone been ____ to ____ what ____ power failures?

____ is ____ the ____ outs?

Is ____ they have located the ____ all the ____?

____ you ____ reason why ____ losing power all ____?

Find ____ caused ____ those power ____.

Did ____ know what ____?

____ been ____ to ____ out ____ caused ____ lights ____ go out?

____ the authorities figured ____ what ____ the different ____?

____ the ____ widespread power cuts ____?

____ they aware of ____ there ____ so many ____?

____ they ____ caused ____ the problems?

What triggered ____?

____ you ____ root cause of ____ the electrical disruptions ____ found?

____ they found out ____ there were ____?

____ what caused electrical ____ in the ____?

They ____ to find ____ for ____ power outages.

Have ____ figured ____ why places ____ frequent ____ cuts?

____ investigators able to ____ what caused ____?

____ anyone ____ what ____ the power ____?

Did you ____ out the ____ of the ____?

We ____ power cuts already ____?

Did ____ find out what ____ to ____ area?

Did ____ why ____ power went ____ in ____ places?

Have ____ found the ____ for all ____ them ____?

____ you ____ me ____ the ____ cause ____ electrical disruptions has ____ found?

____ any ____ about what ____ cause these ____ cuts?

Did ____ cause of ____ power outages?

____ to ____ for ____ these power ____?
 ____ a ____ behind ____ power ____ in multiple zones?
 Did they ____ the events in several ____?
 ____ why we're ____ power cuts.
 ____ you aware of ____ source ____ the recent ____ area?
 ____ there an ____ factors behind the multi-region ____ outages ____?
 ____ investigators able to ____ caused ____ electrical disruptions?
 ____ out what's going on ____ the ____?
 ____ discover ____ so many blackouts?
 ____ is causing ____ the ____ going ____?
 ____ determined the reason ____ similar ____ power ____?
 ____ it possible that they ____ caused ____ the ____?
 Have ____ able ____ find the ____ the blackouts?
 What made ____ over ____?
 Did ____ find ____ in multiple ____?
 Did ____ what ____ this all ____?
 Is it ____ that ____ have ____ cause ____ the blackouts?
 ____ it ____ that they have located ____ caused ____ these ____ to ____?
 What ____ behind ____ the power ____?
 ____ the cause ____ numerous electrical ____?
 Did they ____ cause of ____?
 Did y'all discover the ____ all ____ power ____?
 What ____ massive power losses ____?
 ____ they ____ the ____ power losses by now?
 ____ figured out why ____ have had frequent ____?
 ____ learn why ____ losing ____ all the time?
 What's ____ for ____ power ____?
 ____ power ____ that occurred simultaneously?
 Did ____ find ____ the ____ these ____ power failures?
 ____ it possible ____ they ____ found ____ all these ____ across multiple areas?
 Have they ____ out ____ area-wide power failures?
 ____ found the ____ of these ____?
 ____ like ____ know ____ there's any ____ finding the ____ of all these ____.
 ____ you ____ if ____ root ____ of the ____ has ____ found?
 Have ____ found ____ reason behind all the ____ areas?
 Is it possible ____ they ____ what caused ____ power failures ____?
 ____ cause of the ____ different ____?
 ____ different areas to ____ power ____?
 ____ figured ____ is causing us ____ lose power?
 ____ you confirm if the ____ of ____ disruptions was ____?
 ____ all these ____ losses?
 ____ origin of ____ widespread power ____ been found.
 ____ behind the power ____?
 Has ____ of the ____ power ____ been ____ yet?
 Did you discover ____ recent power ____?
 Is there ____ behind ____ power failures?
 Did ____ figure ____ hell we're having power ____?
 Have ____ determined ____ for ____ power blips?
 Have ____ understood ____ the ____ poof?
 ____ they ____ a clue ____ caused all the power ____?

_____ causing _____ power _____ in different areas?
 Is _____ possible _____ they have _____ caused all _____ problems?
 Did _____ the culprit _____ all _____ widespread _____ failures?
 Is _____ a _____ for _____ area-wide _____?
 I _____ to _____ the _____ failures.
 Are you aware of _____ source _____ failures _____?
 Is it possible _____ the cause _____ power _____ across _____ areas?
 Have _____ bozos _____ cause _____ all _____?
 _____ discovered _____ cause of _____ the widespread power _____?
 _____ authorities gotten to _____ bottom _____ what _____ all _____ incidents?
 _____ you _____ the culprit for _____ of _____ blackouts?
 _____ is _____ all the power _____ different _____?
 _____ figured out _____ hell we keep experiencing _____?
 Have _____ found the reason for _____ cuts?
 _____ found out _____ there _____ many problems?
 Find out _____ caused _____ those _____.
 If _____ electrical disruptions _____ been found, could you confirm _____?
 They _____ pinpointed _____ caused _____ failures.
 _____ there _____ causes discovered _____ affected _____?
 _____ news _____ the _____ of the _____ electricity disruptions?
 _____ they _____ those power cuts?
 _____ figured out what _____ electricity to go _____?
 _____ they _____ caused the _____ failures?
 Have they _____ reason for area-wide blackouts _____?
 Find what _____ all _____ power _____.
 _____ anyone _____ some places _____ had _____ power cuts?
 _____ anyone figured _____ places had frequent _____ cuts?
 _____ known _____ many _____ are without electricity?
 _____ been able to _____ led _____ the incidents?
 _____ the reason _____ for all _____ power failures.
 Did _____ find out _____ the power _____ go _____?
 Have they figured _____ why _____ so _____ cuts?
 _____ discover the source _____ outs in our area?
 _____ you discover what _____ the _____?
 How come _____ power _____ already?
 Did _____ know _____ caused all _____ power _____ regions?
 Have they _____ the _____ for _____?
 What causes _____ losses in _____?
 What _____ all _____ different places?
 Is it _____ located the cause of _____ the power _____ multiple _____?
 _____ have yet _____ figure _____ the reason _____ power _____.
 _____ know _____ triggered all these _____?
 Have they _____ the _____ power failures in _____ of _____ country?
 Is _____ triggered _____ series of _____ outages yet?
 Have _____ able _____ find cause of _____ area-wide _____?
 What's causing _____ intermittent _____ areas?
 Did you _____ the power _____ all _____?
 _____ authorities determined _____ led to _____ in _____ locations?
 Find _____ contributed to _____ power outs _____.
 Is the _____ power failures _____?

What is ____ all ____ different ____?
____ what caused all ____ failures?
Have they determined ____ of similar ____?
____ you discover the source ____ in our ____?
What ____ to ____ in different ____ already?
____ know ____ so ____ places experienced frequent power ____?
What is ____ for ____ across ____ regions?
____ reason why so many places are ____?
What ____ these massive ____ losses happening ____ the same ____?
____ is ____ of ____ power failures ____?
Did they find the ____ of the ____?
____ aware ____ these power failures?
Have ____ the reason ____ area-wide ____ failures?
____ know what's behind ____ shortages?
Did they ____ caused ____ the problems ____?
____ figure out why ____ are having blackouts ____ over ____?
____ figured out ____ making power ____ poof ____?
Is ____ any ____ about ____ the power cuts?
What happened ____ numerous area-wide ____?
____ you found ____ what's ____ the ____ poof everywhere?
____ find out what caused ____ disruptions ____ the area?
Did ____ find out ____ cause ____ disruptions?
There ____ no ____ on ____ root cause of ____ yet.
Did you ____ out ____ having ____ failures?
They ____ found the ____ all ____ failures yet.
____ you ____ causing the ____ to go off?
____ you ____ the culprit for ____ widespread ____?
____ it certain if the ____ cause ____ disruptions ____ been ____?
What's ____ of ____ power failures across ____ regions?
Is ____ a ____ there were ____ blackouts yet?
Have ____ found ____ of ____ power ____ across ____ areas?
____ a cause behind ____ lack ____ in multiple ____?
So ____ triggered this ____ widespread ____?
What caused this series ____?
____ wondering about ____ root of ____ ongoing ____ disruptions.
____ you know why ____ were ____ now?
Have ____ the ____ all ____ widespread power cuts?
____ you ____ source ____ the ____ power issues?
Have you been ____ all the widespread ____ failures yet?
____ you ____ what ____ causing ____ power ____?
What ____ behind ____ frequent ____?
____ any ____ root cause of multiple electrical ____ has ____ found?
____ they been able ____ what caused all these ____?
Has anyone ____ cause ____ power ____?
____ anyone ____ multiple places have ____ frequent power ____?
____ been ____ to find ____ cause ____ the power going ____?
____ out ____ caused the ____ blips?
Did they ____ caused the ____ to ____ in multiple ____?
____ would like an ____ these massive outages.
Is it possible ____ they know ____ all ____ power ____ areas?

_____ we figured _____ the power goes _____ ?
_____ there _____ behind all these _____ different parts of _____ ?
What _____ making _____ go _____ ?
Did _____ discover _____ caused _____ power _____ ?
_____ you _____ the reasons for _____ being knocked _____ ?
_____ y'all aware _____ culprit _____ widespread power failures?
Is there _____ for _____ these _____ ?
_____ there _____ to the cause _____ widespread power cuts?
_____ you know _____ these power _____ across _____ regions?
_____ blame for _____ cut?
_____ power _____ across different regions?
_____ out what _____ power to go out _____ quickly.
_____ able to _____ the _____ of all _____ power failures?
Did _____ find what made _____ ?
What _____ the _____ of _____ of the _____ ?
_____ investigators _____ out _____ to area-wide electrical _____ ?
Is _____ these widespread blackouts known _____ right _____ ?
Is _____ reason for the _____ failures _____ ?
Did _____ find out _____ the _____ occur _____ over?
_____ are _____ widespread _____ cuts?
I would _____ to _____ if there _____ any _____ on _____ of _____ blackouts.
_____ they _____ what caused _____ electricity to go _____ ?
What _____ all these massive _____ at the _____ time?
_____ investigators find out what _____ numerous electrical _____ ?
_____ that so many _____ experienced electricity power _____ ?
Have authorities _____ to _____ caused _____ incidents?
What triggered the _____ in _____ ?
_____ been able _____ the cause _____ area-wide blackouts?
Did _____ cause of _____ blackouts?
Do _____ anything about _____ of _____ ongoing _____ electricity disruptions?
_____ been able to _____ for all these _____ ?
_____ is _____ power _____ several regions?
_____ happened _____ led to these _____ ?
_____ anyone figured _____ many places _____ frequent power _____ ?
_____ anyone give _____ cause of _____ widespread power failures?
Did _____ find _____ source of the recent _____ ?
Did investigators find out _____ caused _____ electrical _____ ?
_____ cause _____ all _____ blackouts yet?
_____ me if _____ root _____ of multiple electrical disruptions has _____ ?
Did _____ made _____ power out all over?
_____ did _____ places _____ frequent power _____ ?
Did anyone _____ the _____ outage?
_____ find the source _____ the _____ ?
Did _____ what caused all _____ ?
_____ the electricity _____ off in different areas?
_____ you _____ the root cause _____ electrical _____ is found?
Did they know _____ the electricity _____ go _____ regions?
Is _____ what caused the _____ ?
_____ able to give _____ on _____ behind the power failures _____ ?
What _____ behind _____ power losses _____ ?

Find ____ contributed ____ widespread ____ failures.
 ____ able to determine what ____ all ____ incidents?
 Has anyone figured ____ what's causing ____ regions?
 ____ anyone ____ why ____ have experienced ____ cuts?
 Did ____ find out why ____ experiencing power ____?
 ____ been able ____ find the ____ of ____ outages?
 ____ find ____ what caused ____ power outages by ____?
 ____ the ____ cause ____ the electrical disruptions?
 ____ figured out what's ____ the power go ____?
 ____ out ____ to all ____ disruptions.
 Have ____ figured out ____ of ____ recent power ____?
 ____ all this ____ failures?
 Isn't it ____ you ____ out the ____ blackout situation?
 It's ____ known ____ many regions ____ outage.
 ____ you ____ out why ____ places have had ____?
 Did they know what ____ the electricity ____ out ____?
 ____ been ____ to determine the ____ of ____ area-wide ____?
 Have ____ figured out what's ____?
 ____ they been ____ to ____ led to ____ incidents?
 ____ you sure ____ we're ____ power ____ the time?
 ____ need to know ____ of ____ electrical ____ has been found.
 Did ____ were so many ____?
 Did you discover ____ causing ____?
 ____ causing ____ failures in ____ places?
 They haven't found ____ behind ____ outs.
 Have you found ____ those ____ wide ____?
 ____ is the ____ of ____ losses ____ different ____?
 What ____ the ____ power outage ____?
 ____ it known ____ so many ____ without ____?
 Is there ____ these power ____ in different ____?
 ____ find out ____ the electrical ____?
 Do they ____ for similar ____ yet?
 Did they discover ____ caused ____ power ____ multiple ____?
 ____ the cause ____ area-wide power problems?
 Is ____ pinpointed what ____ electricity to go off?
 They ____ reason ____ all of ____ power failures.
 What ____ the ____ of the ____?
 Did ____ the lights go ____?
 ____ you certain if ____ cause of the electrical ____?
 How come ____ continuous ____ across several ____?
 ____ power ____ happening across ____ regions?
 ____ there ____ reason why ____ frequent outages across ____?
 ____ out what's ____ these ____ outs?
 ____ any information regarding ____ causes of these ____?
 ____ there any ____ about ____ cause of the ____?
 ____ you ____ the ____ for ____ of them widespread ____?
 Did ____ what's ____ this?
 Have they ____ out ____ are happening?
 Did ____ the ____ yet?
 Is there ____ information on ____ of ____ electricity ____?

_____ you _____ what made _____ lights _____ out all _____?
 Did investigators _____ what _____ the _____?
 Has _____ to explain _____ so many _____ have experienced _____ cuts?
 Have _____ who is _____ for _____ the widespread _____ failures _____?
 How _____ the _____ the _____ electricity _____?
 _____ you figured _____ we're losing _____?
 Were _____ able to _____ of _____ power _____ out?
 Find out what caused the _____ failures _____.
 Did _____ discover _____ outage already?
 How was the _____ network _____?
 _____ you _____ out _____ losing power all _____ time?
 Is there a cause _____ the _____ off _____?
 People are _____ why _____ places have _____ power _____.
 Is it possible that authorities _____ determined _____ all _____?
 What _____ to _____ losses?
 Do _____ know _____ caused _____ incidents _____ places?
 I would _____ to know if there _____ finding _____ cause _____ multi-area blackouts _____.
 _____ is _____ for the _____ happening?
 Do anyone _____ power outage?
 What _____ the electrical _____ in _____ areas?
 Did investigators find _____ what caused _____ lot _____?
 Is _____ knowledge about _____ huge _____ failures?
 _____ they find _____ the power goes _____?
 Was _____ to identify what _____ the _____ disruptions?
 Has _____ caused the power _____?
 _____ what _____ the outage?
 _____ is _____ blackouts?
 Have you found _____ source _____ these _____?
 _____ out what _____ all those power _____ areas.
 Have _____ the reason for _____?
 Find _____ contributed _____ the power failures across _____.
 Is _____ a _____ hell _____ keep experiencing power _____?
 I want _____ there _____ any _____ the cause _____ multi-area power failures.
 _____ origin _____ these widespread blackouts _____ been determined.
 What _____ all over?
 Did _____ cause of _____ disruptions?
 Is there _____ word on the _____ ongoing _____?
 They _____ to _____ why _____ are power disruptions.
 Did you _____ out _____ there _____ so _____ power _____?
 _____ you find _____ made the _____ over _____ happen?
 _____ you have _____ on what _____ these massive _____?
 Have _____ out what's going on _____ failures?
 Did _____ find _____ there were _____ losses?
 Did they _____ what _____ the _____?
 _____ was causing the power _____?
 _____ out what _____ responsible for all _____ cuts across _____.
 Does _____ why multiple _____ frequent _____ cuts?
 Is it possible that the _____ of _____ been _____?
 Find _____ what happened to _____ those _____.
 What is _____ cause _____ widespread _____?

Have _____ the cause _____ the _____ in _____ areas?
 _____ multiple places experience frequent _____?

Are _____ to find the _____ the outages _____ several _____?

What _____ the different _____ experience power _____?
 _____ these _____ outages?

Did _____ discover _____ cause _____ these _____?
 _____ find out _____ all these _____ outs in _____ areas?

Did _____ discover _____ cause of those _____?

Is _____ of _____ is causing the _____?

Is anyone aware _____ what's _____ these _____?

Did _____ find _____ cause of _____?

Have they _____ were so many _____ disruptions?

Did _____ were so _____ power failures?

Did they _____ to _____ of what happened _____ different _____?

Did they find _____ what _____ the _____ to _____ multiple _____?
 _____ find _____ cause of the _____?
 _____ come _____ widespread _____ cuts?

I _____ to know _____ is _____ power _____ everywhere.

Is there _____ the _____ of the _____?

Is it _____ that _____ caused the power _____ go _____?
 _____ there any knowledge on why _____ power _____?
 _____ massive emergencies?

Did _____ what _____ power outages in multiple _____?

Who _____ responsible for the _____?

Find out _____ the cause _____ power cuts.
 _____ they _____ all those _____ failures?

Did _____ discover _____ the _____ was _____ the power _____?
 _____ found the _____ the blackouts?

Did _____ find _____ these _____ power cuts?

Quickly find out _____ all _____ failures.
 _____ anyone _____ an update _____ the power failures?
 _____ it possible _____ they have _____ what caused _____?

Did _____ caused the numerous area-wide _____ disruptions _____?
 _____ they find _____ what caused _____ power _____?

So _____ experience _____ power cuts?
 _____ there any _____ on _____ these widespread blackouts?

Have _____ able to find _____ these power cuts?
 _____ the source of _____ recent _____?
 _____ places _____ frequent power cuts?
 _____ all these massive power _____ to _____?
 _____ out what led to _____ disruptions in the _____?

Did _____ find _____ were _____ power failures now?

Have you _____ find _____ for the widespread power _____?
 _____ they _____ the cause of the _____ in _____ yet?
 _____ of _____ losses _____ different regions?

Why _____ we _____ cuts?
 _____ causing _____ across several regions?

Is _____ able _____ what is causing _____ failures?
 _____ you found out _____ losing power _____ time?
 _____ that they have located what _____ failures in _____ areas?

_____ find the _____ of all _____ ?
_____ anyone discovered the cause _____ ?
_____ cause _____ the power cuts?
_____ possible _____ located the _____ of _____ these blackouts across _____ areas?
Have _____ bozos _____ to _____ the _____ all this?
Did investigators find out what _____ disruptions?
_____ it _____ we _____ triggered all _____ frequent outages?
What _____ discovered across _____ affected _____?
_____ you come _____ reason _____ keep experiencing blackouts?
What triggered _____ happened concurrently?
As of _____ origin of these _____ failures _____ been _____?
Is it possible _____ have found the _____ cuts?
Did _____ why there were _____ problems?
Have they figured _____ were _____ blackouts?
Did they _____ cause of _____ ?
_____ you know _____ behind all of _____ failures?
_____ they _____ able to _____ behind all of _____ ?
_____ a _____ why so _____ regions _____ power out?
