

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Requesting historical usage data
Inquiry Sub-Category	Equipment performance evaluation
Description	Customers experiencing equipment malfunctions or inefficiencies may request historical usage data to identify patterns, diagnose problems, and evaluate the performance of gas-powered appliances or HVAC systems.
Data Size	8,639 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Is it ____ to ____ records for diagnosing ____?

Does ____ exist for monitoring ____ equipment issues?

I need ____ analyze equipment ____ could you ____ me ____ data?

Can we ____ for ____ issues?

____ any old records available ____ helping ____ gear?

____ there old ____ records that ____ get to diagnose ____?

____ want ____ usage records ____ me diagnose equipment ____.

____ you have earlier usage data that I ____?

____ get ____ old usage records ____ the broken ____?

Is ____ to ____ usage ____ for hardware malfunction?

Is it ____ to ____ earlier usage ____ equipment ____?

____ it ____ to identify equipment issues through ____?

____ usage logs that can ____ locate equipment ____?

____ vintage usage ____ fault diagnosis?

Do ____ history of use ____ faulty machinery?

Can ____ know if they have ____ broken equipment?

____ records available ____ diagnose malfunctioning?

____ buy older ____ order to diagnose ____ devices?

____ historical usage reports to ____?

Need ____ to ____ damaged machinery?

____ possible ____ identify ____ malfunction ____ past usage records?

Can I get the ____ to ____ the ____?

Is it possible ____ old use ____ equipment ____?

____ one ____ historical ____ data to ____ gear ____?

Is ____ possible ____ device ____ with ____ usage archives?

____ chance old usage ____ are ____ find equipment ____?

____ order to fix broken ____ I ____ records?

____ possible to request past usage ____ find ____.

Do you _____ usage documents _____ analyze _____ equipment?
 Can _____ get _____ data for _____ ?
 _____ possible to _____ earlier _____ records for _____ failure _____.
 _____ accessing previous utilization _____ help _____ ?
 _____ available _____ diagnose malfunctioning machines?
 Can _____ usage _____ see if the device _____ malfunctioning?
 _____ historical usage _____ help diagnose _____ ?
 _____ gear breaks down is _____ to _____ the past _____ ?
 Is it _____ to _____ old usage _____ equipment _____ ?
 Is it possible _____ request historical _____ to _____ malfunctioning?
 Do _____ me archaic _____ that I can _____ what's broken?
 _____ historical _____ logs for faulty equipment.
 Is _____ okay _____ request historical _____ equipment problems?
 Is _____ data helpful _____ diagnose equipment _____ ?
 I _____ see _____ usage records _____ equipment problems.
 _____ usage _____ could _____ used to _____ diagnose _____ defects.
 We would _____ previous _____ data _____ equipment repairs.
 _____ the past _____ records _____ to _____ malfunctioning gear?
 I _____ okay to _____ for _____ usage data on _____.
 _____ get _____ to _____ out what went wrong _____ the device?
 _____ am wondering _____ I can get _____ to _____ problems.
 Is _____ possible _____ historical usage logs _____ equipment.
 _____ older _____ data on faulty parts?
 Is there _____ logs that can _____ equipment _____ ?
 _____ old records available _____ fix _____ ?
 Can _____ get _____ to check _____ records _____ wrong with my equipment?
 I'm wondering if I can _____ to _____.
 _____ usage logs _____ possible _____ find _____ issues.
 Can _____ record be used to identify _____ ?
 _____ me know _____ records for fixin' broken _____ ?
 Should _____ archives be _____ detect device _____ ?
 _____ I request historical _____ to investigate _____ ?
 Was _____ request _____ usage data _____ hardware malfunctioning?
 Do _____ want _____ to analyze broken _____
 _____ like _____ analyze equipment _____ were to supply me _____ earlier _____ data.
 Could old usage _____ be _____ ?
 _____ know if there is _____ chance _____ getting previous data _____.
 Is _____ possible to recover old _____ data _____ ?
 _____ old _____ records available _____ malfunctioning machines?
 Is _____ possible _____ usage data for equipment _____ ?
 Can I use _____ to _____ equipment problems?
 _____ a request for _____ to diagnose _____ problems?
 _____ vintage _____ data _____ for fault _____ ?
 Can _____ usage logs to _____ equipment problems?
 Is _____ to _____ data to _____ equipment issues?
 _____ usage _____ might help _____ equipment _____.
 Should _____ usage logs _____ check _____ malfunction?
 Do I need the old _____ records _____ ?
 _____ be able _____ me archaic _____ understand my broken stuff?
 _____ any chance _____ past use data _____ diagnose _____ ?

_____ old usage logs _____ issues?

Can _____ records be _____ to identify _____?

Could _____ records _____ equipment problems?

_____ it _____ to get _____ usage records _____ equipment _____?

The chance _____ past _____ to diagnose _____?

_____ it possible _____ receive historical usage _____ help _____ issues?

Can _____ historical usage _____ for _____ diagnosis _____ faulty _____?

Can we _____ the old _____ equipment _____?

Can we ask _____ logs _____ equipment issues?

Is it _____ to _____ to _____ out equipment problems?

_____ about historical _____ reports for _____?

_____ utilization _____ helpful for hardware _____?

_____ could give me earlier _____ data _____ equipment _____.

I wonder if past utilization _____ used _____ diagnose _____.

_____ you _____ old _____ of faulty _____?

_____ to use past usage logs to _____?

_____ it _____ look _____ before equipment failure analysis?

Is there _____ old _____ to _____ problems?

Can I _____ old _____ to _____ out _____ with my _____?

I want to _____ me _____ that I can _____ out _____ broken.

_____ we get _____ logs _____ device malfunction?

_____ it _____ find old usage _____ fix equipment _____?

_____ getting _____ help with _____ issues?

Can I access past usage _____ for _____?

Need _____ data _____ find damaged _____?

I _____ if _____ get previous records _____ equipment.

Should I seek _____ for _____?

Is it _____ data when investigating _____ defects?

_____ old _____ records help _____ equipment _____?

_____ previous usage data _____ trouble shooting?

_____ read _____ usage records _____ equipment problems?

_____ historical usage _____ for malfunctioning _____?

_____ use data ok _____ equipment _____?

_____ get _____ logs to diagnose _____ issues?

_____ order to _____ equipment _____ can usage _____ be _____?

Can _____ look at _____ logs _____ equipment issues?

It _____ to request _____ operational _____ to diagnose _____ gear.

Is _____ ok for me to request _____ problems?

_____ faulty _____ activity might be _____.

_____ if _____ to ask for _____ records when gear _____.

Is it okay _____ historical _____ for equipment _____?

Is _____ reports _____ identify machinery _____?

_____ you _____ past usage docs _____ broken equipment?

_____ the _____ problems _____ diagnosed _____ records?

We can _____ the _____ usage logs to _____.

Is _____ to get vintage _____ fault diagnosis?

Is it _____ to recover old _____ problems?

_____ I get _____ usage _____ to _____ equipment problems?

Do _____ use reports _____ identify machinery _____?

Is _____ to _____ historical _____ data _____ malfunctioning gear?

_____ it _____ historical _____ to investigate equipment malfunctioning?

I _____ to _____ problems, _____ you _____ me _____ usage data?

Is it possible _____ past usage _____ to find _____?

_____ about the _____ to _____ malfunction?

Is _____ possible to access _____ usage records _____ potential _____?

Is there _____ usage _____ faults?

_____ could _____ in _____ equipment issues.

Is there older _____ can _____ to _____ equipment malfunction?

Can I _____ some _____ fix _____?

Is it _____ look at _____ records _____ part _____ equipment failures _____?

Can I _____ old _____ fix _____?

_____ it possible _____ look at _____ records _____ part _____ failure analysis?

Is _____ to get _____ data for equipment _____?

_____ I buy _____ to diagnose malfunctioning _____?

_____ okay to request _____ usage logs _____ faulty equipment?

_____ if there are _____ reports for fixing _____?

_____ can _____ diagnose equipment problems

Is _____ use _____ to _____ fault?

When gear fails, is _____ for past _____?

Is it possible to _____ for the _____ breaks _____?

Do you know _____ I _____ get _____ data _____ analyze _____?

_____ it okay _____ request _____ usage _____ on faulty _____?

Is _____ way of _____ prior utilization _____ that malfunction?

Is it _____ find past usage records _____?

_____ possible to _____ historical data to _____ faulty _____?

_____ ask for past _____ data to _____ equipment _____.

Should _____ ask _____ records to _____?

_____ it acceptable to ask _____ past use _____ issues?

_____ equipment _____ requesting usage records?

Is _____ to find _____ usage _____ for equipment _____?

I need _____ equipment _____ and could _____ me _____ usage _____?

Is there _____ get old records _____ fix _____?

_____ usage logs _____ to _____ identify _____ malfunction?

_____ usage _____ help diagnose _____?

_____ outdated utilization _____ in addressing _____ problems?

_____ am _____ if I can _____ past _____ for _____.

Do _____ chance to give _____ records so _____ can _____ out what's _____?

_____ old usage _____ help locate equipment _____?

_____ for older usage data _____ parts?

Is it possible _____ historical _____ data _____ hardware?

Is it _____ to _____ appliance _____ logs _____ identify _____?

Can we _____ past usage _____ for _____?

Could _____ in order to diagnose malfunctioning _____?

_____ me historical usage _____ fixing breakdowns?

_____ a _____ to inspect _____ machines?

Is it possible _____ consumption _____ for _____ problems?

Can _____ past usage _____ to _____ if equipment _____?

_____ I _____ older usage data _____?

There may _____ a _____ to get _____ faulty _____ activity.

_____ it _____ to _____ historical usage _____ in _____ diagnose _____ equipment?

_____ chance of having previous data _____ issues?
 Should _____ ask _____ usage _____ to find _____ issues?
 _____ requesting past _____ data _____ diagnose things?
 _____ we use prior _____ logs _____ correct _____?
 _____ it _____ to request _____ logs _____ equipment?
 _____ data _____ find equipment faults?
 _____ it _____ to ask _____ usage logs to _____ diagnose _____?
 Old _____ log may help _____.
 We _____ use _____ usage _____ device malfunction.
 _____ possible to investigate _____ records as part _____ equipment _____?
 Do you _____ usage reports _____ breakdowns?
 It _____ possible to _____ past usage _____ identify _____ issues.
 Monitoring _____ equipment _____ may _____ possible _____ old usage _____.
 _____ able to give me earlier _____ data _____ can _____ equipment problems.
 Can _____ be obtained _____ fault _____?
 _____ I use past use _____ equipment _____?
 _____ possible to receive _____ usage data _____ help _____ fault?
 Can _____ prior _____ logs to _____ device _____?
 Can we get _____ usage logs _____ look _____?
 Is _____ older usage _____ can help identify _____?
 _____ it permissible to _____ historical _____ logs for _____?
 _____ obtaining _____ utilization information _____ hardware _____?
 Is _____ for _____ records _____ be requested to _____ issues?
 Can _____ usage _____ help _____ problems?
 _____ I _____ records _____ broken equipment?
 Could I _____ consumption _____ diagnose malfunctioning devices?
 Is _____ possible to get past _____ identify _____?
 Is _____ usage data _____ to _____ diagnose _____?
 _____ gear breaks _____ is it doable _____ past _____?
 Older _____ reports could _____ to _____ problems.
 _____ it possible _____ obtain _____ usage _____ for _____ problems?
 Can _____ usage _____ for _____ problems?
 _____ there _____ usage _____ available _____ monitoring _____ fixing equipment?
 Is it _____ to get _____ records for _____?
 _____ view _____ records to see _____ equipment malfunction?
 _____ records _____ to _____ fix gear?
 Got historical _____ reports _____?
 _____ is a _____ old _____ could _____ equipment issues.
 Can _____ past usage record _____ to _____ issues?
 Have _____ found historical usage _____?
 _____ older reports accessible _____ machinery _____?
 _____ it _____ to _____ old _____ data when _____ malfunction?
 _____ historical _____ help diagnose _____ failures?
 _____ there a way _____ request _____ usage _____ to _____ problems?
 Historical usage data might _____.
 Are _____ reports _____ identify machinery _____?
 _____ if I can get _____ fixing equipment.
 Old usage _____ can _____ issues?
 _____ way to _____ prior _____ records _____ machines that fail?
 _____ it _____ inquire about _____ records when gear _____?

Is it possible to identify _____ equipment malfunction _____ ?

_____ be _____ I get previous _____ on _____ issues.

_____ usage _____ be of use to diagnose _____.

Does _____ sense to look _____ earlier _____ as part _____ failure _____ ?

_____ old use _____ for _____ ?

You might _____ to get _____ recordings of _____.

Is it _____ to _____ for past _____ to _____ problems?

_____ receiving _____ data help _____ equipment _____ ?

_____ we _____ the old _____ to _____ issues?

_____ recordings _____ device activity are _____ obtain.

Can _____ records in order _____ diagnose malfunctioning _____ ?

Are _____ usage _____ for equipment _____ ?

Is _____ to _____ for _____ data on faulty _____ ?

Needs _____ to _____ out damaged _____ ?

I want to _____ if you'll _____ me _____ records so _____ can _____ ?

Could _____ diagnose equipment problems?

Have _____ able _____ recordings _____ faulty device activity?

_____ possible _____ obtain prior usage _____ to _____ device _____ ?

_____ I get _____ old usage _____ to _____ equipment _____ ?

Can I request _____ for _____ ?

_____ we _____ past _____ logs to determine _____ ?

Is it _____ identify potential equipment _____ by _____ records?

Is _____ possible to _____ old _____ records _____ work?

Is _____ available _____ equipment problems?

_____ breaks down, _____ it _____ to ask _____ records?

_____ available to identify _____ faults?

I wonder if old _____ records _____ diagnose _____.

Is it _____ to _____ data on faulty _____ ?

_____ old _____ records available _____ diagnosing _____ ?

Can _____ to find _____ issues?

_____ I ask _____ old records _____ find out what's _____ ?

_____ usage _____ for hardware issues.

Can _____ diagnose malfunctioning gear?

_____ there any _____ records _____ to help _____ gear?

_____ to get vintage _____ data _____ fault diagnosis?

Is it possible _____ previous _____ equipment repairs?

Is _____ to get _____ usage _____ solve _____ issues?

We could request _____ usage _____.

_____ usage _____ be requested _____ diagnose _____

I _____ earlier usage data so _____ issues.

can we _____ for _____ issues?

Do _____ need _____ records to _____ malfunctioning _____ ?

_____ data for _____ problems _____ requested.

Is it possible _____ at _____ usage records _____ analysis?

It's _____ old usage _____ equipment diagnosis.

_____ past _____ asked for when gear _____ ?

_____ I _____ to _____ for past use data _____ identify _____ ?

Monitoring _____ fixing _____ issues _____ require old _____.

It _____ be possible _____ older recordings _____ devices.

Is older _____ to _____ problems?

Could earlier usage _____ part _____ failure analysis?
 Is _____ possible _____ get _____ records _____ fix _____ gear?
 Is it _____ if I _____ old _____ for _____ parts?
 Can _____ ask for _____ usage _____ figure out _____ ?
 _____ it _____ request old usage _____ in order _____ problems?
 _____ utilization records have access _____ gear?
 It might _____ access _____ logs _____ order to diagnose _____.
 _____ getting outdated _____ help _____ hardware _____ ?
 Is it possible _____ earlier usage _____ failure _____ ?
 _____ possible _____ usage logs to _____ equipment issues?
 Can _____ get the old _____ records in _____ diagnose _____ ?
 _____ find old use data _____ issues?
 _____ I get the old _____ to _____ broken _____ ?
 I _____ usage _____ investigate equipment _____.
 _____ request historical consumption _____ to investigate _____ ?
 _____ wanted _____ diagnose malfunctioning devices, _____ I get older _____ ?
 _____ older usage details _____ figure _____ damaged machinery?
 Need _____ usage details to _____ ?
 Need the _____ details _____ figure _____ machinery?
 I want to _____ I _____ equipment faults _____ records.
 Is _____ appropriate to _____ info for fixing _____ ?
 Does asking _____ past _____ data _____ issues?
 _____ possible to _____ use data when _____ equipment _____ ?
 _____ breaks _____ you _____ to _____ for past records?
 _____ it feasible _____ usage _____ for equipment issues?
 _____ past _____ to _____ broken equipment?
 _____ usage _____ possible to _____ diagnose equipment faults?
 Is _____ old _____ for equipment problems?
 Do _____ usage _____ to _____ device malfunction?
 Is there previous _____ data _____ ?
 Could _____ get _____ consumption _____ malfunctioning devices?
 Do _____ for fault diagnosis?
 It could _____ that _____ logs help _____ issues.
 _____ breaks down, is _____ possible _____ get past _____ ?
 Is _____ me _____ ask _____ older _____ data on _____ parts?
 Is _____ to _____ for old _____ data on _____ ?
 Is _____ usage _____ available _____ find _____ ?
 _____ old usage _____ to _____ machinery?
 _____ I _____ for _____ records to fix _____ ?
 Are _____ usage records available _____ problems?
 Can they _____ records for _____ the broken _____ ?
 _____ old _____ logs could help _____ .
 Can I _____ records _____ that are _____ ?
 _____ any chances _____ give me _____ records so _____ my _____ stuff?
 It's possible to _____ old _____ fixing _____ .
 _____ possible _____ old _____ records for fixing equipment _____.
 _____ feasible to look at earlier usage _____ equipment _____ ?
 Can _____ usage logs _____ find equipment _____ ?
 _____ possible to request _____ for a faulty equipment _____ ?
 Can _____ me know _____ old records for _____ the _____ ?

____ chance ____ usage ____ show ____ issues?
 ____ I ask ____ records ____ fix machines?
 Is ____ usage ____ available for equipment ____ ?
 Should historical ____ be given to help ____ ?
 Are old ____ records available ____ be ____ repairs?
 Past utilization records can be ____ .
 Can ____ records to identify equipment ____ ?
 Historical ____ data may ____ detecting ____ faults.
 ____ old records ____ fix malfunctioning ____ ?
 ____ it ____ to ____ usage data on faulty ____ ?
 ____ past ____ to diagnose equipment?
 ____ I ____ old data ____ machines?
 Can ____ usage ____ requested to ____ faulty equipment?
 Is ____ obtain vintage ____ data ____ fault diagnosis?
 Do you require ____ of use ____ machinery?
 ____ logs could ____ to ____ equipment issues.
 Is it possible to ____ data for ____ ?
 Does anyone ____ a ____ for past use ____ issues?
 Would you ____ willing ____ me earlier usage ____ equipment ____ ?
 For ____ issues, is ____ possible to ____ records?
 ____ you have ____ usagereports ____ breakdowns?
 ____ old usage ____ fix ____ problems?
 ____ it ____ usage records to ____ equipment problems.
 Is there a way ____ get ____ equipment ____ ?
 ____ it ____ for me ____ request past ____ to ____ equipment ____ ?
 ____ data could be used ____ defects.
 Need ____ information ____ out damaged ____ ?
 It ____ to ____ earlier usage records ____ equipment ____ analysis.
 ____ it possible to get ____ broken machines?
 There ____ get prior utilization records for machines ____ .
 Is there any old usage ____ determining ____ ?
 ____ to get older consumption ____ to diagnose ____ .
 Was it ____ ask ____ usage records to ____ ?
 ____ possible to ____ previous ____ gear breaks down?
 ____ usage ____ could possibly be used to ____ .
 ____ old ____ records ____ fix equipment faults?
 Is ____ okay to ____ past ____ data ____ find ____ ?
 Can ____ use ____ usage ____ to check ____ device ____ ?
 ____ for diagnosis of malfunctioning gear?
 Is ____ capable ____ diagnose ____ gear?
 Can you give me ____ for diagnosis?
 I wonder if I can ____ historical consumption ____ .
 ____ permissible ____ request historical usage ____ diagnose faulty equipment?
 ____ may be possible to ____ logs in ____ to ____ .
 There ____ a ____ of ____ past use ____ issues?
 Does ____ utilization information ____ address ____ issues?
 ____ it ____ to get old usage ____ for ____ ?
 Can I ____ usage ____ to ____ the ____ equipment?
 Can ____ for ____ records ____ fix ____ ?
 ____ to ask for older ____ faulty parts?

_____ you ask _____ usage _____ for _____ equipment?
_____ take old _____ data to _____ problems?
_____ was wondering _____ I _____ consumption logs to check _____.
Can _____ see _____ records _____ equipment?
_____ if it _____ possible _____ vintage _____ data for fault _____.
Can _____ obtained of _____ activity?
Can I _____ usage _____ identify _____ problems?
_____ it possible to grab _____ usage data _____?
Can _____ get them _____ check _____ see what's wrong _____ my _____?
Do you _____ past _____ documentation _____ equipment?
old _____ help find equipment _____.
_____ might be possible _____ at _____ usage records _____ equipment _____.
Any _____ logs can help with _____?
_____ old usage _____ available for _____ and _____?
_____ possible to _____ old _____ data when _____ trouble?
_____ earlier _____ so _____ can figure out _____ problems.
_____ you require _____ of _____ to _____ faulty _____?
Old usage _____ equipment problems.
Could I acquire _____ consumption records _____?
When _____ breaks down, _____ it possible to _____?
_____ old _____ to be used for equipment _____?
_____ is possible _____ get _____ recordings of _____ device _____.
_____ they _____ us old records _____ broken _____?
Is it _____ historical _____ to _____ with equipment malfunction?
You may be _____ older recordings of _____.
_____ I check _____ usage records _____ see _____ malfunctioned?
Is _____ request _____ usage logs for _____ diagnosis of _____?
_____ usage _____ hardware failures could _____.
_____ want _____ past _____ to analyse broken equipment?
_____ wonder _____ records can _____ to fix equipment issues.
_____ acquire old consumption records to diagnose malfunctioning _____.
Can we _____ prior _____ logs _____ device _____?
Can _____ ask for old usage _____ diagnose _____?
_____ sense _____ request historical usage _____ in order to _____ equipment?
_____ I view _____ to _____ equipment malfunction?
Is _____ see past _____ records _____ equipment problems?
Can I _____ usage _____ equipment problems?
It's possible to _____ earlier _____ records for _____.
_____ equipment problems to be _____ with usage _____?
_____ I ask for _____ equipment problems?
_____ details _____ figure out _____ machinery?
Maybe old records _____ fix malfunctioning _____.
_____ the _____ usage records to diagnose _____ problems.
_____ it _____ for _____ problems _____ diagnosed _____ usage records?
_____ may _____ helpful in _____ equipment issues.
Is _____ available to _____ malfunctioning _____?
_____ possible to get prior _____ records _____ faulty _____?
I would like _____ analyze equipment problems _____ usage data.
I am wondering if _____ can request _____ equipment _____.
_____ past usage documents _____ look at _____ broken _____?

_____ to ask for older _____ data _____ faulty _____?

Is _____ that I _____ consumption _____ to diagnose _____ devices?

_____ I get _____ from _____ past to _____?

_____ possible _____ ask past _____ records to _____ malfunctioning _____?

_____ love to _____ earlier _____ data to _____ problems.

_____ possible to _____ used data _____ equipment problems?

_____ outdated _____ information _____ tackle hardware _____?

I _____ I _____ request historical consumption logs _____ equipment _____.

_____ are ways _____ recordings _____ faulty device activity.

_____ we _____ usage _____ equipment repairs?

Could be possible to _____ older _____?

_____ use _____ used to identify _____ fault?

_____ it be possible for _____ to _____ operational _____ malfunctioning gear?

Do I _____ to _____ historical consumption _____ look at equipment _____?

_____ it possible _____ acquire old _____ to diagnose malfunctioning _____

Is _____ archives able _____ device _____?

_____ able _____ give _____ archaic records so that _____ out my broken _____.

I _____ like the _____ usage _____ help _____ broken _____.

Monitoring and repairing equipment _____ old _____ records _____ available.

_____ I find _____ use _____ impairments?

Is it possible for usage records _____ asked _____?

_____ possible to request historical _____ identify faulty _____?

_____ outdated _____ information helping to _____ problems?

Is there old usage _____ can _____ monitoring _____ equipment?

_____ usage _____ be _____ in detecting device _____?

_____ there is a chance of _____ use _____ to _____ issues?

Is it possible _____ get _____ to _____ problems?

_____ it possible _____ older consumption _____ to diagnose _____?

_____ usage _____ could help _____ equipment _____.

Need _____ details _____ repairs?

Any _____ usage _____ can be used _____ problems?

Should I _____ data _____ malfunction?

There _____ a chance _____ usage _____ can help _____ issues.

_____ to _____ old usage _____ on faulty parts.

_____ I _____ usage _____ to identify equipment _____?

Is it _____ ask for old _____ data _____ parts?

_____ consumption logs to check equipment _____?

Should _____ historical consumption logs _____ look _____ equipment _____?

_____ possible _____ retrieve old usage _____ repair equipment?

Is it _____ usage records _____ equipment help?

_____ obtaining outdated _____ beneficial for _____ hardware _____?

Is _____ possible to _____ old usage logs _____?

_____ it make _____ request usage _____ for _____ equipment?

_____ it _____ to procure prior usage _____ malfunctioning _____?

Is _____ possible _____ historical _____ data to diagnose _____?

Is the old _____ to _____ gear?

_____ usage documents _____ broken equipment?

Is it _____ the _____ records _____ diagnose equipment _____?

_____ to _____ consumption logs to check equipment problems?

Is it _____ to _____ using old usage _____?

Can _____ know the _____ records for fixin' _____ equipment?
 _____ would _____ to _____ usage records _____ fix equipment _____.

Did you _____ older _____ to figure _____ damaged _____?
 _____ I _____ consumption records _____ diagnose my malfunctioning _____?

I _____ you'll give me _____ records _____ I _____ figure _____ what's broken.

Can _____ get the old _____ fix _____?

Older _____ reports _____ used to _____ machinery _____.
 _____ be used _____ monitoring and fixing equipment _____?

Do you _____ details _____ figure out _____ machines?

Should _____ request _____ logs to _____ problems?
 _____ for _____ usage _____ for faulty parts?

Is _____ to use _____ information _____ hardware problems?
 _____ need earlier _____ data _____ that I _____ equipment _____.
 _____ possible to get old use _____ when looking _____.

Do _____ want _____ usage _____ to diagnose equipment _____?

Can _____ let _____ know the _____ fixin' broken _____.
 _____ to _____ recordings of _____ devices?

Can _____ use _____ prior usage logs _____ fix _____?
 _____ data could be _____ to diagnose _____.

Is _____ to see _____ old _____ records _____ equipment problems?
 Could _____ be _____ to get _____ recordings of _____?

Can _____ previous _____ data for equipment _____?
 _____ feasible to _____ for _____ when gear _____ down?
 _____ it possible _____ usage _____ for _____ of malfunctions?

Is _____ to procure _____ logs _____ deal _____ device malfunction?
 _____ to get _____ info for fault diagnosis?

Might earlier _____ be _____ equipment _____ analysis?
 _____ usage archives _____ to _____ failures?

Can _____ usage _____ to check _____ malfunction?

Might it _____ to _____ operational _____ to diagnose _____ gear?

Could _____ past usage _____ to _____ equipment _____?

Past _____ records can possibly be used _____.

Is it _____ to _____ logs to _____ malfunction?

Is it _____ usage _____ for equipment diagnosis?

I was _____ if _____ could get previous _____ for _____.

I want _____ equipment _____ so _____ with earlier usage data?

Is _____ possible _____ get older _____ of faulty _____?

There may _____ requesting past _____ to diagnose issues.
 _____ wonder if past usage _____ be _____ to _____ equipment _____.
 _____ obtaining _____ utilization information useful _____ hardware _____?
 _____ am wondering if I _____ get _____ fixing _____ equipment.

Is it _____ I _____ old data _____ faulty _____?
 _____ is a _____ you _____ request _____ use _____ to diagnose _____.
 _____ we retrieve _____ use data _____ looking at _____?

I was _____ if _____ could be _____ to _____ malfunctioning _____.

I wonder _____ give _____ archaic _____ can figure _____ broken stuff?
 _____ logs a _____ way to _____ equipment issues?
 _____ it _____ to _____ historical _____ logs _____ help diagnose _____ equipment?
 _____ I _____ usage records _____ fix the equipment?
 _____ it _____ to address _____ problems _____ outdated _____ information?

____ usage ____ could help ____ issues.
 Can ____ old ____ to fix equipment ____?
 Can ____ use ____ data ____ repair?
 ____ it possible to ____ vintage ____ for ____?
 When ____ breaks, ____ ask for ____?
 Is ____ possible to ____ data when ____ equipment ____?
 When gear ____ down ____ it be ____ ask ____ records?
 Is ____ possible to ____ logs ____ fix ____ problems?
 Is ____ old use data to investigate ____?
 I want to know if ____ be used to ____.
 Older ____ faulty device ____ could ____ be ____.
 ____ I ____ usage records ____ correct equipment ____?
 Is ____ possible to ____ for past ____ breaks ____
 Can ____ old records ____ help ____ figure ____ what's ____ with ____ equipment?
 Can ____ old use ____ when ____ investigate equipment ____?
 ____ any ____ records ____ helping with ____ gear?
 Can ____ be ____ to diagnosis ____ gear?
 ____ we ____ the ____ data ____ investigate equipment issues?
 Is ____ if ____ ask ____ past ____ data ____ identify equipment ____?
 Is ____ to ____ historical usage logs ____ repairs?
 We ____ for ____ usage logs to ____ equipment ____.
 ____ it ____ obtain ____ usage ____ investigate device malfunction?
 Was ____ to ____ old ____ records to ____ malfunctioning ____?
 ____ wonder if ____ can be ____ fix equipment.
 ____ it ____ acquire ____ use logs ____ identify impairments.
 ____ equipment problems if I could get ____ data.
 Can old ____ help ____ failures?
 I don't know ____ you ____ I can figure out my ____.
 ____ old ____ records ____ diagnose malfunctioning devices?
 Can ____ look ____ equipment ____ in ____ usage ____?
 Is it possible to ____ use ____ when ____ problems.
 ____ possible ____ identify equipment ____ by accessing ____ usage ____?
 Is it ____ to get ____ usage ____ device ____?
 ____ I see ____ to ____ equipment ____?
 ____ I ____ past ____ data to ____ equipment ____ is ____ ok?
 Is it ____ to ____ usage ____ to look ____ problems?
 ____ past usage documents ____ equipment?
 ____ wonder if ____ can get ____ old ____ broken equipment.
 I'm ____ for ____ usage ____ analyze equipment ____.
 ____ I have a chance to get ____?
 Can I ask ____ records to ____ fix ____?
 ____ it ____ usage data on faulty parts?
 Is it ____ to ____ old data ____ issues?
 ____ wonder if ____ the ____ usage ____ to fix ____ equipment.
 Is ____ possible to access ____ usage ____ identify ____?
 One could ____ operational ____ malfunctioning gear.
 I ____ know if I can ____ logs ____ look for ____.
 I ____ know ____ I can request ____ to fix ____.
 ____ request historical ____ for ____ equipment?
 ____ usage ____ detecting device failures?

____ look ____ usage logs to ____ equipment problems?
 ____ way ____ get ____ utilization records for ____ machines?
 Is ____ possible to see ____ usage ____ issues.
 I'd like to know ____ can give ____ records so ____ out ____ broken ____.
 Do you ____ history ____ use ____ inspect ____ machinery?
 ____ tell me the ____ of ____ inspect faulty ____?
 How about requesting ____ malfunctioning ____?
 Is ____ possible ____ request ____ operational information to ____?
 Can ____ using usage records?
 ____ would like ____ know ____ you'll give me archaic ____ I ____ my ____.
 Does ____ utilization records ____ the ____ to ____ gear?
 ____ old ____ able ____ machinery problems?
 ____ it possible ____ get ____ usage records ____ equipment ____.
 ____ chance you'll give ____ archaic records so I ____ what's ____?
 ____ it possible ____ request ____ usage logs ____ diagnosing ____?
 Do you ____ past use data to diagnose ____?
 Should ____ documentation be ____ broken equipment?
 ____ earlier usage data ____ problems.
 ____ you ____ the old ____ fixin' ____ the broken equipment?
 ____ it ____ to retrieve ____ usage records ____ fix ____?
 Is it appropriate to request ____ equipment ____?
 I'm ____ if the old ____ can ____ equipment problems.
 Has it ____ to request ____ usage ____ hardware ____?
 When investigating ____ can ____ retrieve ____?
 What ____ wanted ____ usage ____ for hardware ____?
 ____ to access previous usage data for ____?
 ____ possible ____ procure prior ____ to ____ device malfunction?
 I ____ old usage ____ to ____.
 Is ____ possible to ____ at ____ records ____ equipment ____ analysis?
 ____ reports allow ____ to ____ defects?
 Need ____ info ____ find ____ machinery?
 ____ possible ____ old records for ____ gear?
 Is it ____ to ____ old usage ____ issues.
 ____ possible to ____ old ____ data for fault ____?
 You may be able ____ so ____ can ____ broken stuff.
 ____ possible to acquire old consumption ____ to ____ malfunctioning ____?
 I ____ it is ____ to get ____ data ____ fault ____.
 Is ____ possible to ____ usage logs ____ out malfunctioning ____?
 Is ____ possible to ____ old usage ____ to ____?
 Is ____ possible ____ earlier ____ analyzing equipment failure?
 Can ____ use ____ usage records ____ find ____?
 I ____ if ____ could request historical ____ for ____.
 Is ____ help fix equipment issues?
 Does old usage ____ find ____?
 Can I ____ to ____ the ____?
 ____ get ____ usage data ____ trouble?
 ____ could be ____ to locate equipment ____.
 I ____ usage records to ____ equipment faults.
 Can ____ usage ____ to solve ____ issues?
 ____ historical ____ data help ____ equipment ____?

_____ may be _____ to find equipment _____.

Is _____ okay to _____ historical usage _____ diagnose _____?

Do _____ old consumption _____ diagnose _____ devices?

We _____ past _____ logs to identify _____.

_____ records allow for the _____ malfunctioning gear?

I _____ to _____ if _____ can fix _____ defects.

Can you get _____ devices?

_____ to get older _____ of _____ malfunctioning?

I _____ can get old consumption _____ diagnose malfunctioning _____.

I want to _____ I _____ get _____ records for _____.

_____ possible to get old _____ records _____ equipment?

_____ need _____ usage _____ analyze broken equipment?

_____ usage _____ be _____ to _____ equipment?

Do _____ usage data is _____ for _____ diagnosis?

_____ wonder if _____ for _____ data _____ faulty parts _____ ok.

Is _____ appropriate _____ ask for _____ data on _____ parts?

_____ old _____ for equipment issues?

_____ investigating equipment trouble can _____ data?

_____ if I could acquire old _____ diagnose _____ devices.

_____ usage _____ be ordered _____ equipment _____?

Could _____ for _____ data to diagnose _____ malfunctioning?

_____ permissible to _____ for _____ usage data on _____?

_____ to recover old use _____ when _____ at _____ problems?

_____ would like _____ usage data _____ that I can _____ equipment _____.

Am _____ able to _____ historical consumption logs _____?

_____ we _____ to help with device problems?

Should _____ request _____ logs _____ investigate equipment _____?

_____ usage _____ to _____ damaged machinery?

_____ chance _____ for _____ use data to _____ issues?

Historical _____ be of _____ to diagnose malfunctioning _____.

_____ the old _____ to fix _____ equipment.

_____ are old _____ that _____ used to monitor _____ fix equipment _____.

_____ a chance _____ use data to diagnose _____?

Can _____ use _____ previous usage _____ repairs?

_____ possible to get _____ old usage records to _____?

_____ I _____ data to _____ broken _____?
