

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle specifications and features queries
Inquiry Sub-Category	Vehicle Dimensions and Weight
Description	Customers inquire about the overall size, dimensions, and weight of a vehicle, including length, width, height, and curb weight, to ensure it fits their parking space or meets towing requirements.
Data Size	5,043 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

____ specific information regarding ____ clearance ____ highest point above ____.

information about vertical ____ road ____ to ____ point ____

____ about the ____ over ____ road's ____ to ____ point elevated over the ____?

Does anyone ____ any ____ on ____ clearance ____ a ____ the surface?

____ on clearance from ____ to uppermost spot?

Information on the vertical clearance ____ the ____ surfaces ____ the ____ above ____ should ____ anyone.

____ clearance from the ____ the highest point above ____.

What ____ the ____ regarding the ____ clearance from ____ to the ____?

Specific ____ the vertical clearances ____ the ____ surface ____ highest place ____.

____ give ____ information on ____ clearance from the ____ to ____ above the ____.

It's ____ have ____ about the vertical ____ the road's ____ the ____ above.

____ about ____ from ____ road surface ____ highest ____ above pavement are required.

____ like ____ about the clear ____ over the ____.

____ pertaining to ____ clearance from road surface ____ highest ____.

I ____ about ____ vertical clearance ____ the road ____ above the ____.

Information about vertical clearance ____ surface to ____ is good.

____ information ____ on ____ road ____ point above it is great.

____ the ____ road ____ to the highest spot above pavement.

Is there any ____ the ____ from the ____ to ____ out ____?

What ____ the vertical clearance ____ road to the topmost area ____?

It's good to ____ about the ____ from ____ surface ____.

____ in the vertical ____ of the road ____ pavement.

____ data ____ clearances from street ____ uppermost spot?

____ detailed information ____ highest ____ over ____ roadway?

____ there ____ on ____ clearance from the street ____ uppermost ____ available?

What ____ for ____ clearance from ____ road to ____ location?

Specific information ____ on the ____ point above ____ is a ____ thing.

Information ____ the ____ clearances from the ____ the highest ____ is ____.

The _____ vertical clearance _____ the road surfaces to _____ highest point _____.
 _____ information _____ the _____ from the _____ surface to Highest Point _____.
 What _____ regarding the vertical _____ from the _____ the _____ over _____ pavement?
 _____ me _____ clearance from _____ road _____ the highest place above?
 _____ there data about the _____ the street to _____?
 _____ there _____ information about vertical clearance _____ the _____ to _____ elevated _____?
 _____ know the _____ the _____ surface to its _____ point above.
 Specific information _____ clearances from _____ road's _____ to the _____ helpful.
 It _____ what the vertical clearances _____ road's surface to _____ place.
 What _____ are available _____ from the _____ to the topmost _____ over _____?
 Is _____ anything _____ highest elevation _____?
 Information about vertical _____ from _____ road _____ to _____ pavement.
 _____ vertical _____ from the _____ to the _____ location _____ pavement?
 Please tell _____ more _____ height _____ the roadway.
 _____ on the _____ to the highest spot above _____ pavement.
 Is _____ any _____ about the _____ road's _____ point elevated over?
 _____ about _____ highest elevation _____ the _____?
 What _____ are available for measuring _____ clearance _____ surface to _____?
 Can you _____ clearance from the road surface to _____ highest _____?
 _____ for _____ from the _____ to the topmost location.
 _____ tell me if _____ clearance _____ the road's surface _____ a _____ up _____ the air?

 _____ details about the _____ the _____?
 _____ a description of _____ above _____.
 _____ on _____ clearance from the _____ surfaces to the _____ point _____ something to be _____.
 Specific _____ vertical clearance on _____ road surface to _____ highest point _____.
 It's possible _____ inquire _____ clearance _____ the _____ surfaces _____ highest point _____ pavement.
 Any _____ highest elevation _____?
 _____ let me know _____ the height over _____?
 _____ is information regarding vertical _____ from _____ surface _____ above pavement.
 I _____ like to _____ about _____ the _____ up to _____ most _____ position.
 What _____ are in place _____ vertical _____ from _____ road _____ the _____ area _____?
 I need _____ the clearance from the _____ surface to _____.
 Information on the _____ from the road _____ the _____ above _____ to look out _____.
 Would _____ able to give _____ clearance _____ the road to the _____ point?
 _____ about vertical _____ on the road _____ a _____ point _____ be _____.
 What _____ are available _____ the road to _____ location?
 It's good to _____ what _____ vertical _____ from _____ surface _____ Point.
 I need some information _____ from _____ road _____ the highest point _____.
 Can you please _____ about the vertical clearance _____ the _____ to the _____?
 What specifications are in _____ road to _____ topmost _____ over pavement?
 _____ for vertical clearance _____ road _____ the topmost _____ over the pavement?
 _____ about vertical _____ from _____ road to _____ topmost _____ over the _____?
 Specific _____ about vertical clearance _____ the _____ a highest _____ above _____ is _____.
 What are the _____ clearance measured _____ to the topmost location _____?
 Specific information _____ vertical _____ the road _____ maximum _____ above _____ needed.
 _____ clearance from _____ road to _____ topmost _____ pavement?
 Can _____ there is from the road surface _____ the _____ elevation?
 Specific information _____ clearance on _____ road surface to _____ point _____ is _____.
 What do _____ know about _____ road's surface to _____ higher _____?

Is there _____ you can tell _____ the _____ road's _____ a _____ point?
 _____ you tell _____ the clearance _____ the _____ the highest point _____?
 _____ need a _____ of the vertical _____ of the _____ surface _____.

Can _____ give me _____ the clearance from the _____ surface _____ the highest _____ pavement?
 Information on _____ vertical _____ the _____ surface _____ highest spot _____ pavement
 Specific _____ on the vertical clearances _____ the _____ to _____ highest _____ above _____.

_____ on the _____ clearance _____ road surfaces _____ the _____ point above _____ to be _____ about.
 _____ clearance from the road _____ to the _____ point above pavement is _____ look _____.

Can _____ details about _____ clearance over _____ road's _____?
 Information on vertical _____ from the _____ surfaces to _____ highest _____ to be particular _____.

It is possible to _____ the _____ from _____ road _____ to the _____ point _____ the _____.
 _____ you be able _____ clearance from the roadway to _____ point _____ pavement?

I _____ about _____ up to the most raised position.
 Can you tell _____ how _____ available from _____ surface to _____ peak _____?

_____ you _____ the level _____ clearance over the road's surface to _____?
 _____ you tell _____ about the clear height _____ to _____ position?

Information about _____ clearance _____ surface to _____ highest point _____ important.
 Would you _____ able _____ tell _____ the _____ from _____ the highest point?

Is there any _____ about vertical _____ measured from _____ over _____?
 I need information regarding the _____ from _____ highest _____.

Any _____ the highest _____ roadway?
 Is there _____ information _____ clearance from _____ to the highest _____ above _____?

What specifications _____ about vertical _____ from _____ to the _____?
 Any details about _____ highest _____?

Knowing the _____ clearances _____ the _____ surface _____ the highest _____ above _____.
 Can _____ tell me about the _____ from the _____ above _____ pavement?

Can you _____ clearance _____ road above the pavement?
 _____ of vertical measure _____.

_____ shows the _____ clearance _____ road _____ to _____ highest points _____ pavement.

Can _____ how much _____ exists _____ the _____ surface to _____ peak?
 _____ for _____ clearance from the _____ to the _____ location over _____?

Information on the _____ clearance from _____ road surfaces _____ the _____ is something that _____ asked _____.

Details of _____ street _____ pinnacle?
 I am _____ about _____ vertical _____ from the _____ surface _____ point above the pavement.

Information on the vertical _____ road _____ the _____ point _____ pavement _____ to be questioned about.
 Can you _____ more _____ clear height _____ roadway?

What _____ vertical clearance _____ the road's surface to _____?
 Is _____ any information regarding the _____ measured from _____ surface _____ location _____?

Can you _____ the height _____ road _____ above _____ pavement?
 I'm _____ some information _____ the clearance _____ road surface to _____.

Is _____ the clearance from _____ street _____ uppermost spot _____?
 I was wondering _____ you _____ tell me _____ clear height _____.

_____ you tell me _____ about _____ height over _____.

What specifications _____ clearance from _____ road to the _____ over the _____.
 _____ there _____ information you _____ provide _____ clearance over _____ surface to _____ point?

_____ if vertical clearance _____ road _____ to top _____ over pavement are _____?
 _____ are available regarding the vertical _____ road _____ area over _____ pavement?

Information about _____ vertical _____ the _____ surface _____ highest _____ above pavement is _____.

I would like _____ from the _____ to the _____ point.
 Do you have any _____ on clearance from _____ the _____ the _____?

What about vertical clearance _____ road _____ to topmost _____ ?
 _____ good to _____ what _____ the road's _____ to the highest _____ above.
 _____ vertical _____ the road _____ to the _____ above pavement _____ information
 Information about the vertical _____ the _____ highest point _____ the pavement _____ interest.
 _____ information on the vertical _____ the road surfaces _____ the _____ above _____.
 _____ you _____ some _____ about _____ road's vertical clearance?
 There _____ a point elevated _____ that you _____ provide information _____.
 Is there any _____ regarding vertical clearance _____ road's _____ to _____ ?
 Specification _____ vertical clearance from the _____ to _____ ?

_____ know the clearance from _____ to the highest _____ pavement.

I _____ some _____ about _____ from _____ road surface _____ the _____ place _____ pavement.

I would _____ details _____ clear height _____ the road up _____ its _____.

Information _____ clearance from _____ surface _____ the highest point.

_____ know _____ vertical clearances from the _____ surface _____ above.

_____ any _____ to _____ vertical clearance _____ road _____ location over pavement?

_____ information _____ the _____ from the road's surface _____ the _____ a plus.

_____ on _____ clearance _____ the _____ surfaces _____ highest point above pavement are things _____ look _____.

Can _____ me details _____ the road's _____?

Information _____ the _____ clearance _____ the _____ to the highest _____ pavement

_____ would you _____ us about _____ the _____ the highest _____ the pavement?

_____ us information about _____ clearance over the _____ surface _____ higher _____?

_____ on vertical _____ from the _____ surface to _____ above _____.

I _____ to know _____ clearance _____ road _____ to the highest point above _____ pavement.

Information _____ the _____ clearance _____ surfaces to the _____ point _____ is something to _____ attention to.

What _____ available _____ from the road to the _____ location _____ pavement?

Can _____ the _____ clearance above the pavement?

Can you _____ me _____ the clearance _____ road surface _____ highest _____ above _____ pavement?

_____ me _____ over _____ to its most raised position.

_____ specifications _____ regarding vertical _____ from the _____ to the _____?

I _____ information _____ the clearance _____ the road _____ highest _____ above _____.

_____ is information regarding the vertical clearances _____ to _____ highest _____.

Specific _____ vertical _____ on the road surface _____ a _____ nice.

I need information _____ of the road _____ pavement.

It _____ useful _____ know _____ vertical _____ the road _____ to the _____ point _____.

Can _____ precise _____ clearances _____ the _____ surface to the _____ peaks?

Information on _____ vertical clearance from _____ highest _____ above pavement is _____ needs to be _____.

Information on the _____ clearance _____ the _____ point _____ pavement is something _____ look out _____.

Do you have _____ information about vertical _____ surface _____ elevated _____?

_____ the _____ surface to a point higher _____ in _____ air?

_____ tell me _____ vertical _____ on _____ surface _____ point in the elevated area?

_____ about _____ highest _____ over the _____?

Information _____ vertical clearance from _____ road surface _____ the highest _____ above _____ pavement _____ to _____ inquired _____.

_____ there _____ much _____ exists from _____ road _____ to the peak elevation?

_____ point out vertical _____ from the _____ of the roads _____?

I _____ like _____ know _____ from _____ road to _____ highest _____ above _____ pavement.

_____ you have _____ the clearance over _____ surface _____ point elevated over _____ road?

_____ are the specifications about _____ clearance _____ the road _____ location?

_____ anything you can tell me _____ height _____ roadway?

What _____ exist _____ clearance _____ road _____ the top _____ location?

_____ are some _____ vertical clearance _____ to _____ location over pavement.

_____ you _____ the vertical _____ the _____ to a point higher _____ the _____?

_____ known about highest elevation _____?

_____ you _____ is a clearance over the roadway _____ a _____ higher _____?

It's good _____ clearance on the _____ surface to _____ highest _____

_____ vertical clearance _____ the _____ surface _____ the _____ spot above pavement

_____ you _____ me _____ much space there _____ surface to _____ elevation?

It is _____ about the _____ clearance _____ the road surfaces to the _____ above _____.

The _____ on _____ from the road _____ to the _____ above _____

Can you tell _____ the _____ clearance _____ road surface to _____ point higher _____ the _____?

_____ the _____ surfaces _____ the highest point _____ the pavement is _____ can be _____ about.

Any specifics _____ elevation _____ a _____?

Can _____ tell me _____ clearances _____ from the _____ the _____ to _____ apexes?

_____ give _____ about clear height over _____ road?

Highest elevation _____ Any _____?

_____ know _____ the _____ clearance _____ on the _____ surface to _____ point higher up _____ the _____?

_____ there _____ about vertical clearance _____ surface to _____ elevated _____?

Information on _____ the road surfaces to _____ point above _____ is _____ that _____ asked about.

Can _____ me some _____ about the _____ height over _____?

_____ the vertical clearance on _____ road _____ highest _____ above _____ is good.

_____ are the specifications regarding the _____ clearance from _____ topmost _____ over _____?

_____ information you _____ give _____ about _____ clearance over _____ surface to a higher _____?

What specifications _____ there _____ clearance from _____ the top _____ the pavement?

Is _____ about the _____ elevation over _____ roadway?

It's _____ to _____ the vertical _____ on _____ a point above _____.

_____ you tell _____ the _____ clearance _____ road above _____ pavement?

It's _____ vertical _____ from the road's surface to _____ above.

_____ there _____ info you can _____ the _____ over _____ road's surface _____ point?

What data can _____ about the _____ in the _____ from _____ to _____ point _____?

_____ height over the _____ to its most raised _____.

Can you _____ more about _____ height over the _____ up _____?

I _____ about the _____ from _____ surface to the _____ point.

It's worth asking _____ from the road surfaces _____ point above _____.

_____ possible to _____ me details _____ clear _____ to its _____ raised position?

_____ there _____ you _____ about _____ the road's _____ to a high point?

Any _____ of _____ elevation _____ road?

Can _____ clearances _____ the _____ surface to a point _____ it?

_____ provide me _____ more information about _____ height over _____?

_____ information relates _____ the vertical _____ from the road _____ to _____ pavement.

Information about _____ the road _____ to _____ highest place _____ pavement.

_____ vertical clearances from _____ surface _____ the highest point above is _____.

Is there _____ the clearance from _____ highest point over _____ pavement?
 _____ give _____ some _____ regarding the _____ road _____ to _____ highest place above the pavement?
 _____ tell _____ what the vertical _____ is above _____ surface?
 _____ there any information _____ clearance over _____ road's surface _____ ?
 Information _____ vertical _____ the road surfaces _____ above the pavement is _____ to be _____ on.
 I need some _____ about _____ clearance _____ road _____ to _____ highest _____ pavement.
 _____ vertical _____ from the road surfaces _____ the _____ above _____ is something to _____ interested _____.
 Can _____ tell me _____ there _____ a clearance _____ to _____ place _____ higher _____?
 Can you _____ precise measurement for _____ clearances _____ the _____ highest points?
 Is _____ any information on _____ from the _____ the highest _____ pavement.
 _____ specifications _____ out for vertical clearance from _____ topmost area _____ ?
 information _____ the vertical clearance _____ road _____ to the _____ above _____
 _____ vertical clearance _____ the _____ to the _____ pavement, what specifications are _____ ?
 Specific information _____ the _____ the highest point above is beneficial.
 What _____ the _____ the _____ the road to the _____ over _____ pavement?
 _____ on the _____ the road surface to _____ highest _____ the pavement.
 Specific _____ about _____ vertical _____ the _____ to Highest _____ above is important.
 _____ about _____ vertical clearances from _____ to _____ highest point _____ needed.
 Information _____ the vertical clearance _____ to _____ above pavement is important.
 _____ you _____ about the _____ the _____ surface to _____ highest point?
 The _____ clearance _____ road _____ to the _____ pavement is _____.
 _____ any _____ on the clearance from the _____ uppermost _____ ?
 Can _____ tell me _____ road to _____ higher elevation?
 _____ able _____ tell _____ the clearance _____ the _____ to _____ point above the pavement?
 I want _____ know _____ the clear height _____ the roadway _____ raised _____.
 Is _____ any _____ available on _____ clearance _____ to the _____ spot?
 _____ know about the clearance level over _____ road's _____ point?
 _____ there data _____ the _____ from the _____ the uppermost _____ ?
 _____ information regarding _____ the road _____ to _____ point above pavement _____ .
 I _____ on _____ clearance from _____ road _____ the highest place above _____.
 Can _____ a _____ for _____ from the road's _____ its _____ points?
 Information _____ clearance from _____ road surface _____ the highest _____ above _____ is something _____ for.
 There _____ information regarding the _____ clearance of _____ surface _____ spot.
 Can you tell _____ the _____ clearance _____ a point higher _____.
 Is there _____ much space there _____ from the _____ to peak _____ ?
 Can you tell _____ clearance _____ the _____ ?
 _____ specifications _____ out regarding _____ vertical _____ the road _____ the topmost _____ ?
 Can _____ provide me _____ about the clearance from _____ surface _____ the _____ above _____ ?
 Would _____ able to give us the _____ the _____ surface to _____ the road?
 What _____ do _____ have regarding _____ vertical _____ in _____ from _____ maximum _____ above the pavement?
 Can _____ tell _____ about any _____ over _____ to a _____ ?
 Can _____ give me _____ information _____ height _____ road?
 There is _____ vertical _____ road _____ to _____ highest point above _____ pavement.
 Specific information _____ clearance _____ the road surface _____ point above _____ needed.
 I would _____ some information _____ the _____ road surface _____ highest _____ above _____.
 What _____ are _____ place for _____ from the road to _____ over _____ ?
 Information on _____ vertical clearance _____ the road _____ the highest point _____ pavement is _____ .
 _____ possible to tell me _____ the _____ on the _____ surface to _____ area?
 _____ data is available _____ the vertical gap _____ street _____ street to a _____ point _____ ?
 What _____ is there about _____ elevation _____ the _____ ?

_____ you could give _____ about the _____ over the roadway.

Information about _____ vertical clearance _____ the road surfaces _____ above pavement _____ something _____ be _____

_____ vertical _____ the road surface _____ the pavement _____.

Do _____ know what the clearance _____ surface to an _____?

Do _____ have any _____ on the clearance from _____ spot?

I _____ about _____ from _____ road surface to the _____ above the _____.

Specific _____ regarding _____ vertical _____ the road's _____ to Highest _____ above is _____.

_____ you _____ more about clear _____ over the _____ to _____ position?

Can _____ information _____ the road _____ to the highest point?

_____ you _____ me about _____ clearance from the roadway _____ highest _____ above _____?

_____ the _____ level over _____ to an elevated location?

Is _____ on the clearance over _____ surface to a _____?

_____ good to _____ vertical _____ the road's _____ to Highest Point.

_____ regarding the highest elevation _____?

_____ is _____ the vertical clearance _____ surfaces to the _____ points.

_____ tell _____ about _____ vertical clearance _____ surface _____ highest _____ above the pavement.

_____ pavement _____ information about the _____ from the road surfaces.

Specific information relating to _____ on the _____ a highest _____ good.

Do you _____ of _____ the road _____ to an elevated _____?

_____ looking _____ some information about the _____ from the _____ to the _____ pavement.

You _____ be aware of the _____ from the _____ to _____ above _____.

_____ you provide us _____ information on _____ to the _____ point above the _____?

_____ point out any clearance over the _____ a _____?

Specific information _____ vertical _____ from the _____ Point _____ a must.

What specification _____ for _____ from _____ road _____ the _____ location _____ pavement?

Information _____ vertical clearance _____ the _____ surfaces to the highest _____ pavement _____.

_____ known _____ the highest _____ the road?

_____ is an _____ on the _____ from the road _____ to _____ highest _____ above _____.

_____ you give _____ more _____ regarding _____ clear _____ over _____ roadway?

_____ data _____ available on the _____ gap from _____ maximum _____ above _____?

_____ there _____ the clearance _____ roadway to the highest _____.

_____ me if _____ clearance over the roadway _____ place higher up?

Do you _____ idea of _____ clearance _____ road's surface to _____ elevated _____?

What specifications _____ out _____ clearance _____ road to the _____?

_____ is _____ the vertical clearance on the road _____ a _____ above the _____.

Information _____ the vertical clearance _____ to the highest _____ above _____

Information regarding _____ vertical _____ the road surface _____ the _____ pavement.

Is _____ any _____ clearance over the _____ surface to an _____?

What specifications are _____ vertical clearance from _____ to _____ location _____ pavement?

There's _____ the _____ the street to _____ uppermost _____.

_____ helpful to _____ the vertical _____ from the road _____ point _____ pavement.

Specific _____ regarding the _____ the _____ surface to the highest point _____.

Does there _____ on _____ clearance from _____ street _____ the _____?

_____ you _____ level over _____ road's surface _____ an elevated _____?

Information on the vertical _____ the road surface to _____ point _____ pavement _____ to _____.

I'm curious _____ clear height over _____ the most _____.

_____ you _____ info on _____ clear height _____ the roadway?

Information on the _____ clearance from _____ the _____ point _____ pavement _____ something _____ about.

Is there _____ me about _____ clearance _____ the _____ to a _____ point?

Any details on _____?

I need ____ info about ____ clearance ____ the ____ to ____ above the ____.
 What specifications ____ regarding ____ clearance ____ the ____ topmost location ____ pavement?
 Can you ____ the ____ the road's surface to a ____ higher up ____?
 ____ to know ____ vertical ____ on the road surface ____ a ____.
 Information on the ____ clearance ____ road ____ highest ____ is a thing to be ____ of.
 ____ vertical clearance from the ____ surface to ____ point above the ____.
 ____ us with information ____ the ____ from the road ____ highest point above ____?
 ____ want ____ more ____ clear height over ____ up to the ____.
 Information ____ vertical ____ road surfaces to the ____ is something we ____ be aware of.
 ____ vertical clearance ____ road ____ to the highest ____ is ____ to be interested in.
 ____ specifications ____ the clearance ____ to ____ topmost spot over the pavement?
 ____ about the ____ clearance of the ____ highest spot above ____
 ____ information ____ clearance on ____ road ____ to ____ point above ____ is ____.
 Specific information about vertical ____ a highest ____ is beneficial.
 Specific information about ____ on ____ road surface to ____ highest ____.
 ____ you see ____ the vertical ____ in the ____ from ____ maximum ____ above the pavement?
 Information on the ____ from ____ road ____ to the ____ above ____ an eye out for.
 Can ____ measurement of the ____ from the road ____ to ____ high ____?
 ____ like to ____ more ____ height ____ the roadway.
 Information ____ the vertical ____ the road surface to ____ above pavement ____ interested in.
 What ____ are ____ clearance ____ the road ____ topmost location over ____?
