

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Car engine not starting
Inquiry Sub-Category	Dead Battery
Description	Inquiries related to the car's engine not starting due to a dead battery, which may be caused by leaving lights on or a malfunctioning alternator.
Data Size	6,911 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Did ____ go wrong ____ electrical system or ____ just ____ out of power ____ when I ____ in ____?

Did ____ lose ____ started ____ car, or ____ it an issue?

Is the ____ system ____ or did ____ drain ____ turned on ____?

____ wonder ____ wrong with the ____ system ____ it passed out ____ started the ____.

Did ____ fail when I started ____ car ____ did ____?

I was ____ if ____ went wrong with ____ electrics, or ____ I turned on ____.

____ the ____ malfunctioning or ____ lose power ____ I started the ____?

____ electrical system ____ or ____ lose power ____ turned on ____ ignition?

As ____ as ____ turned ____ my ____ did the electrical ____?

Do you think there ____ with ____ it ____ drained ____ starting up?

____ engine did the electrical system fail or ____ run out ____?

Is there a ____ electrical ____ is it ____ a loss of ____ when ____ key?

Is it ____ there ____ power when ____ turned ____ key in ____ vehicle, or ____ the ____ system ____?

I wondered if ____ electrical ____ malfunctioned or ____ as soon as ____ turned on ____.

____ there a shortage of energy ____ I ____ key, ____ the ____?

Did ____ system fail or ____ when ____ on the ____?

Is it ____ the electrical circuitry, ____ is it ____ power when ____ the ____ key?

I ____ if ____ was ____ malfunction ____ the ____ system ____ drained all its ____ as soon as I ____ to ____ the ____

Is ____ electrical ____ is it just ____ power when ____?

The electrical ____ or it ____ have ____ out of power ____ turned on the ____.

____ was wondering ____ there were ____ issues with my car's ____ or ____ it ____ when ____ the key.

Did the ____ lose ____ when ____ key or was ____ issue?

Is it an ____ or is it powerless ____?

____ that there ____ enough power when I turned ____ key, ____ there ____ wrong ____ electrical system?

Did the ____ malfunction ____ it ____ power ____ I tried ____ the engine?

Was ____ a shortage ____ used ____ key, or ____ electronics malfunction?

Is ____ with my car's ____ or ____ just ____ enough ____ after ____ it up?

Is ____ car's electrical system malfunctioning or ____ lose power ____ it ____?

____ if ____ is ____ wrong ____ my car's electrical ____ or ____ I ____ power when I ____ the engine

Was _____ malfunction in _____ electric _____ it just exhaustion _____ turning _____ key?
 Was _____ system malfunctioning, or _____ it _____ when _____ tried to _____ the engine?
 _____ something _____ wrong with the _____ or _____ just ran out _____ power when I started my _____.
 Is _____ a problem with the electricals, or _____ that _____ just _____?
 _____ there a chance of _____ power loss _____ I _____ my key?
 _____ was _____ there was an issue with the _____ I _____ the _____ when I _____ turn _____ key.
 _____ went wrong _____ when I started _____ car?
 _____ there an _____ fault or was _____ after _____ used _____?
 _____ was _____ went _____ the electricals or if _____ suddenly _____ I turned _____ car on.
 _____ electrical circuitry have _____ or did _____ power _____ you use the _____?
 I _____ there wasn't _____ power _____ I _____ the _____ in my _____.
 I'm _____ if something _____ wrong _____ my _____ electrical system _____ power when I switched on _____ engine
 _____ turning _____ the ignition key, was there _____ with the _____ circuitry, _____ did it _____?
 _____ there _____ shortage of energy _____ used _____ key _____ electronics malfunctioning?
 I _____ electrical system _____ or just ran _____ I turned on _____ engine.
 Did the electrical system _____ out _____ when I revved up _____ engine?
 _____ wondering _____ electrical system lost _____ when _____ to turn the _____.
 Is there _____ with the electrical circuitry, or _____ it just _____ when _____ key?
 I wonder if _____ was a _____ of power when _____ switched _____ or _____ something wrong _____ car's _____
 _____ the electrical system _____ did it fail _____?
 _____ electrical system _____ when I started the car.
 I _____ an issue with _____ electrical system _____ lost power _____ tried to turn the _____ in my _____.
 I was _____ if the _____ ran _____ of _____ tried to start _____.
 _____ an _____ car's electrical system, or _____ it _____ power when I _____ key?
 _____ was _____ if _____ was _____ issue with the _____ system _____ if I _____ power _____ I tried _____.
 I wonder _____ an _____ occurred or if it _____ I _____ on _____.
 I want _____ a _____ electrical _____ or if it drained all _____ power when I tried _____ start _____.
 I'm _____ if _____ a problem _____ my _____ electrical _____ if _____ was _____ loss of _____ when I
 _____ was _____ there _____ malfunction in the electrical system, _____ it _____ all _____ power when I tried _____ engine.
 Was _____ malfunction in _____ electric system, _____ was _____ just _____ of power after _____ the _____?
 There _____ an _____ malfunction or it _____ after _____ the key.
 I was _____ if something _____ wrong with the _____ stopped working after _____ the _____ in the _____.
 Did _____ fail, or did _____ lack _____ I _____ car?
 _____ wondered if there was _____ issue _____ that caused _____ power _____ I used the _____.
 Did _____ system _____ all the power when _____ tried _____ the engine?
 Does _____ any issues _____ its electrical _____ it _____ lose power _____ I _____ the key?
 Did _____ system _____ or lose _____ started my car?
 _____ my car lose _____ the key, _____ it just lose electrical _____?
 Is _____ electrical _____ lose power when _____ started the car?
 _____ after starting the car, _____ electrical issue, or _____?
 Was _____ power problem when I _____?
 _____ my _____ malfunctioning or just _____ when I _____ the key?
 _____ could be _____ it could _____ just powerless after _____ key.
 _____ know if the _____ malfunctioned or _____ it _____ power after _____ turned _____ the _____.
 _____ it _____ malfunction in _____ system or just a _____ after turning _____?
 I _____ wondering if _____ a problem with the _____ if it _____ lost _____ when using _____ ignition _____.
 What _____ the _____ electricals, _____ of _____ the beginning _____ the engine?
 _____ there was _____ with the _____ or _____ died _____ ignition.
 _____ electrical _____ or _____ may have drained all the _____ I tried _____ the engine.

Was my _____ after _____ or was _____ malfunctioning?

When starting _____ is _____ a _____ juice?

_____ something happen _____ the electrics when _____ car?

No _____ after starting _____ electrical issue _____ low battery?

I _____ the electrical _____ passed out _____ the car _____ it went _____.

_____ electrical _____ is acting up or if my _____ working.

_____ the electrical _____ malfunctioning or _____ after _____ was started?

_____ electric _____ or it _____ powerless after turning the _____.

When I _____ the key _____ my car, _____ system lost _____.

Maybe _____ is an _____ malfunction or it is _____ powerless _____?

_____ was wondering if there was a malfunction in _____ the _____ was cut _____ to start the _____.

Is there _____ problem _____ the _____ is it _____ loss of _____ when turning _____ the _____?

Did the electrics _____ or _____ suddenly die _____ turned _____ car?

Are there a sudden _____ with _____ or _____ of _____ at _____?

_____ a _____ circuit, or is it just _____ loss of _____ when using the _____?

_____ wanted to know if there was a malfunction in the _____ if it drained _____ the _____.

I wondered _____ happened _____ the _____ the _____ when _____ the car.

Is _____ a problem _____ electrical _____ loss of power when using the key?

_____ system causing _____ power _____ ignition?

Did the _____ fail _____ turned _____ in the _____ or did it just _____?

_____ the car lose _____ when _____ turned _____?

Was _____ electric fault, or _____ it _____ I _____ my keys?

_____ an _____ with the electrical setup or is it _____ out _____ while _____ up?

Did something go _____ with the electrical system when _____ the key _____ run out _____?

I'm not _____ something has _____ my car's electrical system or if there _____ when I _____

The electrical system _____ have malfunctioned _____ power when _____ the ignition.

_____ there a _____ with _____ car's _____ just _____ enough juice after starting _____?

_____ malfunctioned, or it _____ have drained _____ the power as _____ tried to _____ the _____.

Something _____ gone wrong _____ my _____ system, _____ perhaps _____ a loss _____ power _____ I _____ on the _____.

Did the _____ system fail _____ it _____ power _____ started _____ vehicle?

When I _____ on the _____ the electric system _____ out of _____?

_____ system ran out _____ when I _____ the ignition _____ was _____ cause?

Do you think _____ wiring _____ a _____ of _____ starting the _____?

Is it _____ problem _____ the electrical circuitry or _____ it _____ a _____ power _____ you _____?

Is there _____ electric malfunction causing power loss after _____ key, _____ caused _____?

Did _____ or did it _____ run _____ when I turned _____ the engine?

_____ car's electrical system _____ power when _____ key?

_____ turned on the ignition, did _____ electric system _____ out of _____ that _____ cause?

_____ was wondering _____ something went wrong _____ or _____ there was _____ of energy _____ used the _____.

_____ was wondering _____ electrical system _____ if it _____ power when _____ switched on _____.

_____ soon _____ on the ignition, _____ the _____ or _____ it lose power?

_____ a sudden problem with electrics, _____ a _____ at _____ beginning of _____.

Is _____ possible _____ my car's _____ it died suddenly?

Did _____ lose _____ when ignition _____?

_____ car's _____ fail when I turned _____ or did it _____?

It was _____ was _____ power when _____ on the engine, _____ there was _____ wrong with _____ car's

_____ the electric system running _____ power _____ I _____ ignition?

_____ I _____ to start my car, _____ system _____?

Did the electrical _____ fail _____ power drain _____ on _____ car?

When _____ tried _____ use _____ in my _____ the _____ system _____ power.

There could be trouble with _____ or _____ have _____ after _____.

_____ happened _____ the _____ system _____ I started _____ car?

_____ the _____ is _____ juice when _____ turn the key.

No power _____ electrical issue, _____ low battery?

_____ you think _____ problem with the electricals, _____ was _____ just _____ while _____?

I don't _____ what _____ my _____ a loss _____ power when I switched the engine

I _____ to _____ the _____ if it lost power when _____ started the _____.

I don't know _____ malfunctioned _____ lost power as I _____ on _____ ignition.

The _____ system _____ out _____ when I _____ on _____ ignition, _____ I don't _____ what _____ problem.

_____ a problem _____ electrical _____ or _____ the loss of power when _____ use the _____?

_____ wonder _____ there _____ a malfunction in the _____ system _____ it _____ all _____ the power when _____ tried _____ start _____.

Did _____ the _____ or _____ it possible that there _____ enough power when _____ turned _____?

_____ turn the _____ the _____ system malfunctioning?

_____ the _____ system _____ was _____ just that I turned on _____?

_____ it _____ wiring or the _____ juice when _____ car?

Is there a problem with the _____ it _____ a loss _____ power when you _____?

I was wondering if something _____ wrong _____ system or if _____ went _____ I _____ key.

_____ the electrical system fail, or _____ there _____ enough _____ turned _____ key in my car?

Is there _____ sudden problem _____ or _____ of _____ at _____ engine _____?

_____ that there wasn't _____ when I _____ the _____ my _____ but what happened _____ the electrical _____?

_____ the electrical system _____ or did it _____ the ignition?

Was it _____ that there _____ power _____ I turned the key in _____ was _____ just _____?

_____ happen to _____ car's electricity, _____ did it _____ suddenly _____?

_____ an electric malfunction or _____ powerless after _____ key?

Do you know _____ it _____ faulty _____ a _____ of _____ when _____ car?

When I _____ on _____ engine, _____ system ran _____ of _____.

Wrong _____ system _____ in ignition?

_____ it _____ that an _____ cause power _____ after _____ the key?

_____ wondering _____ there was a loss _____ power when I switched _____ the _____ something wrong _____ car's

_____ am _____ is _____ up or _____ my ignition just stopped being _____.

_____ the electrical _____ I tried to _____ my _____?

I wonder if it _____ that _____ wasn't _____ power when _____ key _____ my _____.

_____ the car's _____ lost _____ when I _____ the key.

I _____ was a malfunction _____ or _____ it _____ all _____ power as soon _____ I _____ to start the

I don't know _____ wrong with _____ car's electrical _____ there was _____ of _____ when _____ on

_____ electrical system _____ out when _____ the vehicle?

_____ if it _____ electric malfunction or _____ after turning _____ key.

I'm _____ system is acting up _____ the _____ just stopped being _____.

Is _____ an _____ or was _____ powerless after _____ my _____?

_____ electrical system malfunction _____ I tried _____ my _____?

_____ a problem with _____ electrical system, or is it _____ the _____ use _____ ignition key?

_____ don't know _____ with _____ car's electrical _____ or _____ I _____ power when _____ switched _____ the engine

_____ there _____ the electrical _____ or is _____ lost power when it _____?

_____ I started _____ car, _____ system _____ or do it _____ power?

I _____ if the electrical system failed or _____ out _____ I turned on _____.

_____ a problem with the _____ or _____ it just the _____ when using the _____?

Was there _____ shortage _____ energy _____ used the _____?

_____ system fail _____ did it _____ power when _____ the car?

Is there a _____ my _____ electrics _____ it just _____ juice after turning _____ starter?

_____ there _____ chance an _____ malfunction _____ power loss after _____ my _____?
 _____ electricals _____ when _____ car, or _____ it just the power?
 Is there _____ my _____ did it just lose power when _____ turned the _____?
 _____ I _____ the electric _____ run _____ of _____ when _____ turned on _____ ignition?
 _____ car's electrical system _____ failed or _____ power _____ it.
 I _____ if _____ electricals, or _____ it _____ when I _____ on my car.
 Was the electrical system _____ or _____ it _____ when _____ on _____?
 _____ the electrical system _____ it lost _____ when I turned _____ the _____.
 I wonder _____ system malfunctioned, _____ lost _____ when I _____ on _____ ignition.
 I wonder if the _____ is _____ of _____ when _____ key.
 Did _____ system fail or _____ it malfunctioning when _____ on _____?
 _____ problem arose with the _____ or did it _____ drain _____ starting _____?
 _____ electric system _____ power when _____ turned on _____ ignition.
 _____ in the electric _____ or _____ power problem after turning the _____?
 _____ wonder _____ the electric _____ ran _____ I _____ on the ignition, _____ if it was caused by _____.
 As I turned on _____ did the _____?
 When _____ the _____ can the electrical _____?
 _____ not sure if _____ went _____ the _____ system or if _____ just _____ of power when _____ turned the _____
 There is _____ of an electric _____ power _____ after _____ key.
 I _____ know _____ the problem is _____ system or _____ was a loss of _____ when _____ switched _____
 _____ if the electrical _____ malfunctioned _____ it _____ power _____ turned it on.
 _____ if it was a malfunction _____ the _____ system or if _____ all _____ power _____ as _____ to start _____ engine
 Was _____ a shortage _____ or something went wrong with _____ electronics?
 Do _____ there was _____ problem with _____ did they simply drain _____?
 _____ malfunction that explains why _____ lost charge?
 Did _____ electric _____ just _____ of power when _____ turned _____ ignition?
 I was _____ if the _____ power when I _____.
 _____ something went _____ the electricals, _____ maybe it _____ as _____ on _____ car?
 _____ was wondering _____ there was _____ problem with the _____ or if it _____ just _____ power _____ I _____ to _____.
 Was there a _____ used the key?
 Is _____ problem with _____ electrical circuitry or is it _____ power _____ using the _____?
 _____ to know if _____ system _____ power when _____ my car.
 _____ know if _____ wrong _____ my car's electricity or _____ died suddenly _____ starting.
 _____ there wasn't enough _____ when I turned the _____ my _____ it something else?
 I _____ what went _____ with my car's electrical _____ if I lost _____ I switched _____.
 When _____ to turn _____ my _____ power _____ out and _____ if _____ was _____ issue with the electrical system.
 _____ know if something _____ to _____ I _____ my car.
 Do I _____ electrical system malfunctioned _____ if it lost _____ on the _____?
 _____ it just powerless after _____ key _____ turned _____ was _____ electric _____?
 I wondered if something went _____ electrical _____ or _____ just _____ of power when I _____.
 _____ there _____ problem _____ electricals, _____ could _____ have _____ been drained while _____?
 _____ or lack of _____ at the engine _____ is what is _____.
 _____ there _____ a problem _____ the electricals, _____ did _____ just drain while _____ up?
 I want to know if _____ went _____ or _____ it died _____ I turned _____.
 _____ if something went wrong _____ electrical _____ or _____ it just _____ out of _____ turned _____ key.
 _____ did _____ when I _____ the ignition, or did _____ simply run out of _____?
 _____ if _____ electric fault _____ or _____ it was just powerless _____ my _____.
 The electric system may _____ failed _____ tried to _____.
 No _____ after _____ car, could _____ an _____ issue?
 It _____ possible _____ enough _____ when _____ turned the _____ my vehicle, but did anything happen _____ the _____?

Is it possible _____ there's an _____ it _____ after _____ key?

I _____ if something _____ awry in the _____ if _____ suddenly _____ when I turned _____.

_____ the _____ in my _____ power when _____ the key?

_____ happened to my _____ die after starting?

_____ the electrical system _____ working _____ I _____ the _____?

_____ was wondering _____ happened _____ the _____ if it died as I turned _____.

_____ was _____ if the electrical system _____ or if _____ out _____ power when _____ to _____ car.

Did _____ car's _____ system _____ or lost power _____ I _____?

_____ wonder _____ electrical system _____ acting up _____ ignition _____ stopped being useful.

A sudden problem with _____ or lack of _____ of _____?

There could _____ sudden problem with electrics, _____ of _____ engine start.

_____ car's electrical system malfunctioning _____ was _____ malfunctioning _____ turned the _____?

Was it _____ that occurred or was _____ just _____ turned _____ my _____?

I _____ wondering _____ electrical system ran _____ power _____ when _____ tried to start _____ car.

_____ electrical _____ ran _____ of _____ as I _____ on the _____.

_____ my car _____ when _____ turned the _____ was it _____ the _____ system?

The _____ failed _____ power when I started the _____.

_____ a problem with the _____ circuitry, _____ was it just _____ of power when _____?

_____ know _____ my _____ electrical _____ lost power when _____ turned the _____.

_____ my _____ malfunctioning or was _____ just _____ when _____ turned _____ key?

_____ you think _____ was a problem with _____ or did _____ were starting?

_____ was wondering if the _____ system ran out of power when _____ the ignition _____ because _____.

_____ drain while _____ car?

_____ an _____ issue _____ a _____ of _____ when I used the _____?

_____ wondered _____ was a malfunction _____ electrical system _____ if it _____ all its _____ tried _____ start _____ engine.

_____ want _____ if _____ malfunctioned when _____ to start my car.

Is _____ possible _____ the _____ system _____ power _____ turned the key?

_____ something happen to _____ I _____ started the _____?

I don't _____ electrical _____ acting up _____ ignition just quit _____ useful.

_____ just _____ the key, or could it have _____ malfunction?

Was _____ problem _____ drain of power while inputting _____ key?

_____ happen _____ the electricals when _____ started the car _____ they _____?

Is the electrical system _____ or did it _____ power when I tried _____?

_____ there a _____ with _____ setup or _____ it _____ to running out of _____ starting _____?

_____ I _____ the car, was there _____ with _____ system?

_____ think a _____ arose with _____ electricals, _____ just drained _____ starting?

_____ a malfunction in the electric system _____ just _____ failure _____ turning _____?

_____ electrical _____ out of juice _____ turn the _____.

_____ wanted to _____ the _____ system _____ or _____ all of _____ power when _____ tried to _____ the engine.

_____ wondering _____ something went _____ in the _____ it suddenly _____ as _____ on the car.

_____ it _____ wasn't enough _____ I turned the key in the car, _____ that _____ happened to _____.

I was _____ if there _____ a _____ the electrical system, _____ the _____ when I _____ to _____ the engine.

_____ want _____ the electrical system _____ if _____ ran out _____ power when _____ turned _____ the engine.

_____ if there was a malfunction in _____ electrical _____ if it _____ all _____ power as _____ I started _____.

_____ power drain _____ I _____ my _____?

Did there _____ a problem _____ my _____ or _____ it _____?

Did _____ to my car's _____ did it _____ after _____?

_____ the electrical system fail or _____ it _____ I _____ car?

I was _____ if _____ was something wrong with _____ ran _____ of power _____ the key _____ the car.

Did my car's _____ did I lose _____ turned _____ on?
 I was wondering if _____ electricity malfunctioned _____ starting.
 I _____ if _____ work when _____ the car.
 Is it possible that _____ enough _____ turned _____ in my car?
 I want _____ know if _____ or lost _____ I _____ my car.
 I _____ if it's a _____ car's _____ it's just _____ juice after _____ turn on
 _____ car's electrical system _____ have _____ when I _____.
 I was wondering _____ there wasn't enough _____ I _____ or if there _____ the _____ system.
 _____ want _____ if the electrical system _____ if it _____ out _____ power _____ I _____ the engine.
 _____ my _____ electrical _____ malfunctioning or _____ when I turned it _____?
 _____ there a _____ of _____ causing power _____ key is turned?
 Is _____ possible, or was it _____ after I _____ my _____?
 _____ there _____ with the _____ system, or was _____ loss _____ power when using _____ ignition _____?
 _____ a _____ of power _____ I put in the key?
 I _____ system _____ or lost power _____ I turned on the _____.
 _____ a chance of an _____ that _____ cause _____ after _____ my key?
 Did the electrical _____ did _____ power as I _____ start the engine?
 _____ happen _____ the electricals while I started _____?
 _____ my _____ lose _____ when I started _____?
 _____ possible that there _____ enough _____ I turned my key _____?
 _____ it a malfunction _____ the _____ system _____ a _____ turning the _____?
 _____ may be _____ of _____ malfunction causing power _____ after I turn _____.
 I don't know if something went wrong _____ system, _____ if _____ out _____ when _____ key in
 _____ there _____ the electric system, _____ is _____ just _____ problem with the _____?
 _____ if there is _____ electric _____ or _____ it is _____ after _____ key.
 _____ wondering if there _____ the _____ or if it _____ lost power when _____ to _____ the key.
 _____ if the electrical _____ or lost power _____ turned _____ ignition.
 _____ could have failed when _____ started _____ car.
 I _____ wondering _____ something went _____ a _____ of power when I _____ in the _____.
 Maybe there was _____ power _____ I _____ on _____ engine, or something _____ gone _____ with _____ system.
 I _____ something _____ wrong _____ the _____ system or if _____ stopped _____ when _____ turned the key.
 It _____ possible that _____ is _____ electric _____ or _____ is powerless _____ the _____.
 Is _____ failure with _____?
 _____ power after starting the _____ issue?
 Was it _____ shortage of _____ when _____ used _____?
 Did _____ system _____ I started the _____ did _____ lose power?
 _____ wondered if the electrical system _____ of _____ if it failed _____ I turned _____.
 _____ I started _____ car, did _____ electrical _____?
 _____ wonder if _____ an _____ malfunction or if _____ powerless after _____.
 _____ the _____ or did _____ not _____ when I started _____ car?
 I wonder if something has _____ with _____ car's _____ if there _____ a _____ of power _____ the
 _____ am _____ the electrical system _____ or _____ it _____ power _____ I _____ car.
 _____ was _____ if the electrical _____ decided _____ I started my _____.
 Did _____ electrical _____ or did _____ fail as _____ as _____ on _____ ignition?
 I wanted to _____ the _____ system _____ if it _____ the power _____ I _____ start _____ engine.
 Do _____ think that _____ problem _____ the electricals, _____ it _____ drain while starting _____?
 Did the electrical _____ malfunction or _____ that _____ the ignition?
 _____ was wondering _____ electrical _____ out _____ after _____ tried to start my _____.
 _____ possible _____ a _____ with the electricals, or was it just _____?
 Is _____ car's _____ system _____ or did it _____ started _____?

I ____ to know ____ something went wrong ____ it ____ died when I ____ on my ____.
 I don't ____ if ____ has gone ____ my ____ if ____ was ____ loss of ____ when I switched
 It's ____ that the ____ is malfunctioning, ____ that it ____ upon ____.
 Power draining while ____?
 I ____ if ____ electrical system ____ acting ____ the ____ just ____ working.
 I ____ know ____ the electrical system ____ I started the car ____ if ____ was ____.
 Was ____ or was it powerless ____ turning on ____?
 I don't know if ____ with ____ electrical system, or if I ____ power ____ I ____
 ____ the ____ system ____ of juice ____ I ____ the key?
 Did the power go out ____ or ____ happen ____ it?
 ____ don't know ____ electrical ____ acting up or the ____ just ____.
 Is it possible that an ____ after ____ turn my ____?
 ____ there an ____ fault or is it just ____ after ____?
 I ____ know ____ the electrical system lost ____ the car.
 ____ wonder ____ there was ____ shortage of ____ after ____ key.
 ____ there ____ issue with ____ electrical ____ or ____ it ____ to running out ____ during start ____?
 ____ a ____ the ____ it have simply drained while starting?
 Is ____ a ____ that an ____ could ____ turning my key?
 I ____ know if there ____ something wrong ____ my car's ____ or ____ is a ____ power when ____
 ____ it possible that there wasn't enough ____ I ____ the key ____ car, ____ was ____ else?
 Is ____ electrical ____ or lost power ____ started my ____?
 ____ a problem with ____ car's ____ or ____ not ____ turning ____ the ignition?
 What's ____ with the ____ or ____ of power ____ start?
 ____ with the ____ causing ____ loss of power when ____ put ____ key?
 Do you think there was a ____ with ____ was ____ just ____?
 I ____ if ____ car's electrical system lost ____ the key.
 Was ____ an issue ____ that I lost power when ____ tried to turn ____ key ____?
 ____ could be that ____ electrical ____ or ____ that I lost power ____ I switched on the ____
 I ____ know if the electrical ____ out ____ when ____ tried ____ the car.
 I ____ to ____ if there was a ____ electrical ____ it drained ____ power when I ____ start the ____.
 Did ____ electrical ____ power when I started my ____?
 ____ the ____ run ____ of ____ when ____ turned ____ the engine or ____ fail?
 Was ____ in ____ system, ____ power cut after turning the key?
 ____ the ____ system ____ I turned ____ the ____ or ____ it ____ out of ____?
 ____ the electrical system ____ started the vehicle?
 ____ want to ____ my electrical ____ acting ____ or ____ that ignition just ____.
 ____ happen ____ car's electricity or ____ it ____ suddenly?
 ____ there an ____ fault, ____ was it ____ after ____ turned ____ keys?
 ____ power after starting, ____ electrical ____ or ____ battery?
 I ____ wondering ____ something went ____ or ____ it died as ____ on my car.
 ____ if there was a ____ in ____ system ____ if it drained all the ____ as ____ to ____ engine.
 I ____ know if the ____ system ____ I turned on the ____.
 Is there anything ____ with my ____ electrical ____ it ____ power when ____ the ____?
 I'm ____ sure if there ____ problem ____ my ____ or ____ it's ____ not enough juice ____
 ____ if there ____ issue ____ the electrical ____ or if ____ power ____ I tried ____ the key.
 ____ power went off ____ turned ____ my ____?
 ____ was wondering if ____ was ____ the ____ system ____ if ____ all ____ power after ____ tried to start ____ engine.
 Did the electrical system have ____ issue ____ it ____ lose ____?
 Was the ____ working when I ____?
 I wondered ____ a ____ in ____ electrical ____ if ____ all of its power ____ I tried ____ the engine.

_____ with electrics, _____ of _____ at the engine start?

I _____ if the _____ system _____ out of juice _____ the key.

When I _____ on the ignition, did _____ power _____ did it cause the _____?

_____ electric malfunction or _____ it _____ after you _____ the key?

_____ simply run _____ of _____ I turned on _____ ignition, or was _____ the cause?

_____ wondered if _____ decided to pass out _____ I started _____.

Is it _____ that the _____ key was turned?

I _____ to _____ if _____ malfunction in the _____ system _____ it _____ of the power when I _____ the engine

Did _____ or did it _____ out _____ power _____ turned it on?

_____ system _____ or was it lost power when _____ on _____?

_____ electrical system, _____ power in _____?

_____ my _____ electrical system malfunctioning, or just _____ turned the _____?

It was possible _____ the electrical _____ ran out _____ I turned _____ key _____.

Do you _____ there was _____ with _____ electrics, or _____ just _____ up?

_____ electrical _____ malfunctioned or _____ just run out _____ when I _____ the key in _____?

_____ to know if _____ system _____ or _____ it drained _____ its power _____ I _____ to _____ engine.

Did my _____ suddenly after _____ something wrong _____ it?

I _____ know if something _____ electrics or _____ it died when I _____.

Do you _____ a _____ arose _____ electrics, _____ was it _____ drained _____ starting _____?

_____ malfunctioning, or was _____ draining all the _____ when I _____ to _____ the _____?

_____ on the _____ the _____ system just run out of power, _____ the cause?

I _____ if the electrical _____ lost _____ started the car.

I _____ to know _____ something went wrong _____ the electrics _____ if _____ I _____ car.

Was _____ electric _____ or _____ just powerless _____ turning the _____?

_____ something _____ electrical system, or is _____ possible _____ enough power when _____ turned the _____?

_____ an _____ the electricity when _____ using the key?

_____ electrical system _____ power when _____ was _____ an _____ with it?

Was _____ problem _____ the electrical circuitry or was it _____ the loss _____ power _____?

_____ the _____ malfunctioned or if it lost power as _____ as _____ turned _____ the _____.

_____ electrical system lose power _____ it _____ was _____ an _____ with _____?

_____ was _____ with _____ car's electricity or if _____ died _____ after starting.

_____ the _____ system _____ or did it _____ power _____ after _____ turned _____ ignition?

Did _____ system lose _____ I started the _____?

I _____ know if _____ electrical _____ is acting _____ if _____ ignition _____ being _____.

_____ an issue with _____ electrical _____ just a _____ of running out _____ power?

_____ causing a loss of power when I _____ in _____?

_____ know what caused the _____ of power when _____ turned _____ the engine.

Was _____ possible that _____ was _____ enough power when _____ in my _____?

_____ the _____ faulty or _____ lose power when _____?

Did _____ with _____ electrical system or _____ it _____ suddenly after _____?

Is _____ possible that _____ wasn't enough _____ turned my _____ in _____?

Is _____ an _____ with _____ electrical system _____ I _____ my _____?

_____ there _____ with the electrical system, or _____ it _____ the loss of _____ when _____?

I _____ there is an _____ it is _____ powerless after _____ key.

Did the electric system run _____ I _____ it _____ or _____ by something?

_____ electrical _____ when _____ turned the key _____ did _____ just lose power?

Was it a problem _____ it _____ power when you use the ignition key?

_____ electric _____ of power when _____ turned on _____ ignition, _____ I don't know _____ issue.

_____ my car's _____ system malfunctioning or _____ power _____ turned _____ key?

_____ the key, does _____ electrical _____ fail?

I was ____ if the ____ system malfunctioned ____ drained ____ the ____ as ____ tried to ____ the ____.
 Is there ____ that an electric ____ cause ____ after turning my ____?
 ____ it ____ malfunction in ____ system ____ of power after turning ____ key?
 Is ____ an issue ____ setup or is ____ running ____ of power while starting ____?
 ____ with my ____ electrical ____ or ____ it ____ lost power when I ____ the key?
 ____ there an ____ fault after ____ keys?
 ____ if ____ electrical ____ ran ____ of ____ when I ____ to ____ my vehicle.
 Did ____ go ____ with the electrical ____ was ____ just run ____ when ____ turned the ____?
 I wonder ____ there ____ power ____ turned ____ key in ____ vehicle.
 ____ my ____ die ____ starting or did something ____ wrong with ____?
 ____ wondered if ____ was ____ with the electrical system ____ lost ____ when ____ started ____ car.
 ____ it possible ____ electrical ____ power when ____ the key?
 Is the ____ did ____ fail ____ started the car?
 ____ the ____ system out ____ power when I ____ the ____?
 I wonder if ____ electric malfunction ____ if ____ turning the ____.
 ____ the ____ electric system ran out of power, so ____ the cause of ____?
 ____ car's electrical ____ malfunctioning or does it ____ lose power ____ the ____?
 ____ know if the ____ system ____ when I tried to ____.
 I ____ wondering if my electrical ____ up ____ if ____ ignition ____ working.
 ____ was ____ my electrical system ____ acting up or ____ ignition ____ stopped ____.
 ____ turned on the ____ did ____ system ____ run ____ of power or ____ it something ____?
 ____ system ____ up ____ when I attempted to ____ my car?
 Do you ____ problem ____ electricals, or could it ____ just ____ while ____?
 I don't know ____ it's ____ electrics ____ not enough ____ after ____ turn on the ____
 ____ you think ____ was a problem with ____ or did ____ while ____?
 ____ turned ____ the ____ electrical system fail ____ did it simply ____ of power?
 I wasn't sure if something ____ the electrics ____ it ____ when I ____ on ____.
 ____ wondered if my ____ system ____ of power ____ I ____ start my ____.
 ____ power ____ an ignition?
 I ____ if ____ went ____ or ____ it died ____ I turned on my ____.
 ____ have no ____ the electrical ____ lost ____ when ____ started the car.
 ____ system fail when ____ on the engine or ____ run out ____?
 ____ something ____ the ____ started the car, or did ____ fail?
 ____ electrical system out ____ juice ____ I ____ key?
 ____ electrical ____ it lose power when I start the ____?
 I wondered ____ the electrical ____ ran ____ of ____ when ____ to start ____.
 ____ I ____ did the electrical ____ power ____ was ____ an issue?
 I want to ____ wrong with ____ electrical ____ or if ____ when ____ the car.
 Did ____ electrical ____ power ____ as soon as I turned ____ car?
 ____ electric system ____ given ____ life ____ I tried to ____ ride.
 ____ was wondering if something went wrong in ____ it died as ____ on.
 ____ electrical system malfunctioning or ____ when ____ turned ____ the ignition?
 I don't know what ____ going ____ my ____ electrical system or ____ loss of ____ I switched ____
 ____ an ____ or was it powerless after ____ on ____?
 ____ there a problem with ____ circuit, or is ____ of power when you ____?
 ____ like to ____ an ____ with the electrical system or if it lost ____ I started ____.
 ____ after starting ____ did something happen ____ the electricity?
 ____ wonder if the electrical ____ or if it just ____ of ____ when I ____ key ____.
 Did ____ system give ____ on ____ when I ____ start my ____?
 Did the electrical system ____ I ____ the car, ____ did it ____ out ____?

_____ started the car, did it lack _____ did _____ have _____ with _____ electricals?

Is _____ a chance _____ that can cause power loss after _____?

_____ to _____ electrical system when _____ in the ignition?

_____ an _____ or _____ it _____ powerless after turning the _____?

I am wondering if _____ of juice when _____ turn _____.

_____ if the _____ system failed or _____ power _____ I _____ my _____.

_____ gone wrong with _____ electricity when _____ in the _____?

_____ if something went _____ or if it ran _____ of _____ when _____ turned the key.

I wondered if _____ a _____ with the electrical system _____ power when I tried _____ engine.

_____ it possible that there _____ enough power _____ I _____ in the vehicle, _____ that the _____?

_____ electrical system _____ when I turned _____ key or did _____ simply _____?

Was there _____ energy _____ I _____ the key, _____ something wrong _____ the electronics?

_____ electrical system might have malfunctioned _____ to start _____.

I _____ know if my car's _____ went wrong _____ died _____.

Is _____ a problem with _____ electricals _____ is _____ just _____ starting _____?

Did something _____ or did it die _____ after starting?

_____ there a _____ with _____ electrical wiring, or is _____ just _____ of _____ using the _____?

I was wondering _____ something happened _____ just ran out of _____ when _____ turned _____ key.

I was _____ if _____ electrical system _____ I _____ my car.

_____ was wondering if _____ electrical system ran _____ when I _____ in the _____.

I wanted _____ if the _____ system _____ or _____ out of power _____ on _____ engine.

Is _____ a _____ with _____ electrical _____ or _____ it _____ loss _____ power when you _____ key?

_____ wrong with _____ or _____ of power _____ at the _____?

I _____ wondering _____ electric system ran out _____ tried to _____ my _____.

_____ was _____ if _____ electrical _____ ran out _____ power _____ turned _____ engine on.

_____ ran out _____ power when I turned on _____ caused _____ problem?

_____ was _____ if _____ happened _____ electricals _____ if it didn't have _____ I _____ the car.

_____ was _____ sudden _____ with _____ or _____ of power at the _____.

Is _____ in the electrical _____ or is it _____ of power _____ the ignition _____?

_____ I _____ turn _____ key in my _____ system lost power, _____ I wondered if _____ an _____ with _____ system _____ drained while _____ engine?
