

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Payment due dates and late fees
Inquiry Sub-Category	Late fee disputes
Description	Customers may reach out to dispute late fees imposed on their credit card accounts, questioning the validity or fairness of the charge. In such cases, representatives review the customer's payment history and behavior to determine if a waiver or refund is justified.
Data Size	6,713 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
