

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Training and user manual inquiries
Inquiry Sub-Category	Technical Specifications
Description	Customers request detailed technical specifications of telecommunications equipment, including power requirements, network connectivity options, and compatibility with various protocols and standards.
Data Size	6,791 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ documentation available _____ the power _____ of _____ devices?
 _____ the energy _____ systems been _____?
 _____ wondering _____ you _____ anything _____ outlining telecommunications gear's voltage _____.
 Is _____ any _____ of _____ estimations _____ phone _____?
 _____ there _____ documentation about _____ power _____ for _____ devices?
 Are there _____ written materials _____ of _____ devices?
 Do _____ have _____ power _____ your telecom gear?
 Does _____ have _____ information about the electricity _____ equipment?
 Do _____ know which _____ explain _____ demands for your _____?
 Do _____ have _____ about the energy _____ your _____?
 _____ you _____ telco hardware _____ specifications at _____?
 _____ have _____ documentation showing power _____ for _____ gear?
 Can _____ give me _____ on power _____ for _____?
 _____ any _____ power _____ for your telecom devices?
 Do _____ have any _____ power needs _____ device?
 _____ get records that _____ guidance _____ for utilizing _____ gear?
 _____ there _____ official documents _____ the _____ of your telecommunications _____?
 I _____ telecom products' _____ usage.
 Do you _____ consumption of _____?
 Are there _____ official _____ the energy _____ your _____?
 _____ get _____ showing guidance power for _____ your _____ gear?
 Are there records _____ the _____ needs _____ telephone _____?
 _____ able _____ any documents _____ specifications for your communication _____?
 Do _____ that _____ out your power needs _____ devices?
 _____ you show me _____ thirst _____ comm devices?
 _____ you have _____ the power _____ of your _____?
 Is _____ any _____ to _____ needs?
 _____ have documents detailing the power _____ equipment?

_____ a _____ your _____ power requirements?
 _____ power needs shown _____ the _____?
 _____ document regarding the energy _____ of _____ telecommunications _____?
 _____ any _____ specifying the power requirements for _____?
 _____ documents can you _____ about the _____ demands _____ your _____?
 I _____ know if there _____ a file documenting _____ telecommunications.
 _____ any documentation specifying power needs for _____?
 Is _____ possible _____ acquire _____ guidance power for utilizing _____?
 _____ any _____ explaining the energy demands of your _____?
 Is _____ a _____ records _____ supply for telecommunications?
 Do you _____ documentation _____ the _____ needs _____ your _____ devices?
 Do _____ have any _____ requirements _____ your devices?
 _____ have records showing _____ needs for _____ phone _____?
 _____ get records _____ guidance _____ for using _____ gear?
 _____ be documents _____ the telecom _____ draw.
 Any _____ power specifications for _____ communication _____ be _____?
 _____ find out _____ about _____ voltages?
 _____ electricity requirements _____ telecom gizmos?
 _____ have _____ documentation on how _____ power _____ gadgets _____?
 _____ tell _____ the power _____ are for my telecom _____?
 _____ there _____ written record of power _____ phone _____?
 Do _____ have _____ energy needs _____ your telephones?
 _____ your _____ have _____ available?
 _____ you _____ any _____ regarding the telecomm _____ usage?
 _____ you _____ explaining _____ use of your phones?
 _____ documentation that _____ telecom device _____ requirements?
 _____ you _____ document _____ the _____ requirements of your telecom _____?
 I need _____ electricity usage of _____
 _____ for _____ requirements for your devices?
 _____ documentation _____ the power _____ of your _____?
 _____ you give _____ some information _____ the _____ your devices?
 _____ tell _____ the _____ power in your telecom devices?
 Do you _____ detailing the _____ your telecom _____?
 _____ you _____ any documentation _____ power requirements for _____?
 _____ you have any paperwork _____ requirements _____ your telecommunication _____?
 Do you have _____ detailing _____ your _____ devices?
 Documentation _____ power needs _____ gear _____?
 _____ detailing the _____ requirements for your equipment?
 _____ there any _____ requirements of your telecom _____?
 _____ possible _____ learn _____ power _____ for your telecommunications _____?
 _____ energy usage _____ your comms _____ documented?
 _____ you _____ on the electricity _____ of _____ telecom _____?
 Do you _____ the _____ specifications for _____ telephone _____?
 _____ a _____ about _____ energy needs _____ your _____ tools?
 Do _____ have _____ explaining _____ power _____ specifications for _____ phones?
 _____ you tell us how much _____ required for _____?
 _____ you know _____ there _____ Telco hardware _____ at hand?
 I _____ know if _____ is evidence regarding _____ instruments.
 _____ power _____ for _____ telecommunication _____?
 Is there any written _____ power _____ for _____?

Any ____ specifying ____ devices' ____ ?
Is ____ that shows the power supply ____ ?
____ for phone ____ ?
____ there a paper explaining ____ demands of ____ ?
Is ____ any ____ showing the ____ of your ____ ?
____ you ____ papers ____ power demands for your ____ ?
I am ____ materials ____ voltage specifics.
____ there ____ written about ____ electricity ____ of your ____ ?
What is ____ requirements ____ gizmos?
____ you have ____ power usage ____ your telephones?
____ you ____ provide ____ document about power requirements ____ devices?
Is ____ the energy ____ of ____ phone tools?
____ information regarding ____ telecommunication voltages?
____ the ____ device power ____ ?
____ tell us ____ much electricity your comm ____ need?
Do you ____ documentation ____ device ____ ?
Can we ____ records that show the ____ telecom ____ ?
____ there any ____ material ____ electricity ____ your equipment?
____ get documentation ____ the ____ of your equipment?
Have telecom ____ ?
Do ____ know if ____ are ____ specifications in the ____ ?
____ power requirements for telecom ____ ?
Is there a ____ about ____ power ____ for ____ ?
____ know ____ power demands ____ your telecom gadgets ____ ?
____ there any ____ regarding ____ for ____ devices?
Do you ____ anything written about ____ demands ____ ?
____ illuminate the ____ requirements ____ telecom equipment?
____ you ____ much power our ____ products require?
Do ____ have ____ about the power usage ____ for ____ ?
____ there be any ____ material detailing ____ of ____ equipment?
____ find records ____ show ____ utilizing your ____ gear?
____ laying out ____ power requirements for your devices?
Do you ____ papers ____ demands ____ your gadgets?
____ you show me ____ requirements for ____ telecom ____ ?
Is ____ document ____ requirements for your ____ ?
Do you ____ about ____ the devices?
____ any doc detailing telecomm ____ electricity ____ ?
____ comms ____ have ____ documented ____ consumption?
Do you ____ any ____ explaining ____ of ____ devices?
Is ____ any ____ that shows how ____ devices consume?
Have power ____ your ____ available?
Do you ____ documentation ____ shows ____ needs ____ your telecommunications ____ ?
____ I access ____ about ____ demands ____ telecommunications gadgets?
Do you know the power usage specifications ____ ?
Are there ____ showing the ____ of your ____ ?
The power ____ things?
Is ____ device ____ found?
Is ____ electricity ____ of your ____ equipment detailed ____ a ____ ?
____ information ____ cellphones?
Are ____ details ____ devices?

_____ info for phone _____?

Do you _____ the energy _____ of _____ devices?

Do _____ documentation that explains _____ consumption of _____ devices?

Do you have _____ relating to _____ equipment?

_____ detailing telecommunications _____ voltage _____?

Do you _____ a written _____ of energy _____?

_____ showing device power needs?

Are _____ power _____ for _____?

Can you _____ us _____ power _____ telecom products _____?

Any documents _____ for _____?

Is _____ that _____ the _____ use of _____ telecom _____?

Do you _____ power demands _____ your _____ gadgets _____?

_____ you have _____ relating to _____ usage _____ for your telephone _____?

Looking _____ hardware's _____ information.

Is it possible _____ receive _____ power _____ telecommunications products?

Do _____ have _____ the energy needs _____ your _____?

Do _____ papers explaining _____ demands of _____ gizmos?

_____ you have _____ telecom _____ wattage _____?

_____ have any information _____ needs for your _____?

_____ you have documentation detailing the _____ your _____?

_____ have _____ explaining _____ power _____ of your gadgets?

_____ the power requirements _____ your equipment?

Is _____ for your _____ in the paperwork?

_____ documentation regarding power _____ for your _____ gear?

Are there _____ regarding the _____ of _____ equipment?

_____ a document outlining telco _____ specifications _____ point?

Is _____ possible _____ suitable records _____ guidance _____ utilizing _____ telecom gear?

Do _____ have _____ of _____ demands of _____ telecommunication devices?

Can _____ get records _____ show _____ power for _____ telecom _____?

Does _____ equipment have anything in writing?

_____ get documentation relating to _____ needs of _____ equipment?

_____ for _____ outlining _____ gear's _____ specifics.

_____ you have any documentation _____ to telecom _____?

_____ there any _____ power of phone instruments.

Were there any written _____ how much power _____?

Can _____ me a _____ about the _____ of my _____?

_____ there a _____ documenting _____ for telephones?

_____ power needs?

_____ you _____ that explains the _____ usage specifications for _____ telephone _____?

Do _____ any _____ the _____ requirements for your _____?

Is there _____ for _____ of your _____?

Is _____ your power needs _____ telecom devices?

_____ there _____ evidence about _____ for phone instruments?

_____ on the electricity demand _____ comm devices?

_____ you have _____ information about _____ electricity usage _____ device?

_____ way _____ find _____ consumption of your telecom devices?

Can _____ tell _____ the _____ demands _____ my telecom _____?

_____ there _____ energy _____ for your telephone tools?

Has _____ comms _____ energy _____ documented?

_____ possible to get information _____ power _____ your _____?

Any docs _____ power _____?

Have any _____ about the _____ demands _____ telecom _____?

_____ you know any papers that explain _____ power _____?

_____ power _____ for phone _____?

_____ information _____ the _____ needs of _____ devices?

_____ documents illuminating _____ power requirements _____ your equipment?

_____ are documents that illuminate the _____ equipment

Is _____ showing _____ appetite of your phone?

_____ like to _____ the _____ requirements _____ telecommunication devices.

_____ there any _____ the power needs of _____?

_____ any information _____ the power _____ your _____?

Is there any _____ power _____ for your _____?

_____ written _____ about _____ phone instruments?

_____ would _____ to know _____ of _____ telecommunications equipment.

Seeking _____ power _____.

Do you _____ any _____ on _____ power _____ your _____ devices?

I _____ for your _____ devices.

_____ written about _____ electricity demands of _____ equipment?

_____ be _____ about _____ wattage draw.

_____ information _____ use?

_____ detailing power needs _____ telecom _____?

_____ have paperwork _____ the power requirements _____ your _____?

Documentation _____ device power _____.

Can we get _____ showing guidance _____ for _____?

Is _____ any _____ calculations for phone instruments?

_____ information _____ required _____ voltages?

Do _____ information on _____ power _____ of your _____ gadgets?

_____ you _____ written _____ the electricity demands for _____ telecom _____?

_____ about how _____ devices consume?

Is there any written _____ for your _____?

Are _____ any documents specifying _____ communication equipment?

Do _____ any papers on _____ power _____ gadgets?

Do _____ have _____ documentation _____ power requirements for _____?

_____ information about electricity requirements for your _____?

Do _____ have _____ official _____ concerning the _____ demands _____ your _____?

_____ possible to get _____ about _____ power _____?

Do _____ know _____ telecom gizmos _____ requirements?

Do you _____ documentation about _____ telecom _____ requirements?

Are the _____ of your _____?

Can I _____ about required _____?

_____ a _____ showing _____ necessary power supply for _____?

Any documentation _____ power _____?

Can _____ about power _____ for your _____ devices?

I want _____ if _____ is _____ evidence _____ power _____ for phone _____.

Do _____ have any documents showing _____ telecom _____?

_____ there _____ about required telecommunication _____?

Have _____ energy consumption of _____ documented?

_____ want to know if there is _____ about _____ instruments.

Can _____ give us _____ information on the _____ your _____?

_____ you _____ telecomm device electrical usage?

____ it possible ____ information about the ____ telecommunication ____.
 ____ any available ____ detailing telecomm ____ usage?
 ____ documentation ____ power ____ for your ____?
 ____ that shows how ____ your ____ devices use?
 ____ have any ____ the energy use ____ your ____?
 Do you ____ any documentation illuminating ____ requirements ____ equipment?
 ____ there ____ documentation about power ____ telecom ____ available?
 Is ____ documentation on ____ electricity consumption ____ telecom ____?
 Can you ____ me ____ much ____ devices need?
 Could ____ any documents specifying power specifications ____ communication ____?
 Do ____ have ____ electricity requirements for your ____?
 Do ____ have ____ paperwork outlining power ____ devices?
 Do ____ know ____ telecom ____ electricity?
 ____ there any ____ power ____ for ____ telecommunication devices?
 Any ____ relating ____ power ____?
 Is ____ documentation ____ requirements for telecom ____?
 Can ____ an ____ much ____ your comm devices need?
 Do you ____ to explain ____ device power ____?
 Any ____ on ____ requirements for ____?
 I am searching ____ information ____.
 ____ there any written ____ levels of phone ____?
 ____ would ____ to ____ there is written ____ about power estimates ____.
 Any ____ your ____ appetite?
 Is ____ a file ____ power ____ the telecommunications ____?
 ____ for documentation on ____ requirements for ____ devices.
 ____ you tell ____ electrical demands of ____ devices?
 ____ that ____ your ____ needs ____ devices is needed.
 ____ there ____ to back up power estimates ____?
 Is ____ anything ____ about the ____ demands ____ telecommunications ____?
 Do you have ____ the ____ needs of ____?
 Is there any documentation ____ shows ____ electricity ____?
 ____ any paperwork ____ the power ____ for your ____?
 ____ your ____ devices' power ____ be ____?
 Is there any written ____ about how much ____ telecom ____ need?
 There ____ about power ____ telecom devices.
 How ____ power ____ your ____ gear?
 ____ information ____ electrical demands of ____ telecommunications gadgets?
 Is ____ that ____ guidance power for using your ____ gear?
 Are ____ for telecom ____ outlined?
 ____ there ____ the power needs for ____ devices?
 ____ to get power requirements for ____ products.
 Is ____ any ____ about your ____ for telecom ____?
 Is there ____ documents that illuminate ____ your ____?
 ____ you share ____ for your communication ____?
 Is ____ written evidence ____ power ____ for phone ____?
 Did ____ find ____ documents illuminating ____ requirements ____ your ____ equipment?
 ____ documentation ____ power requirements ____ devices?
 Did ____ power ____ for phone ____?
 ____ the device power ____?
 Do you ____ relating ____ power needs ____ your ____?

Is there any ____ for ____ power ____ your ____?

____ there any written ____ power ____ phone instruments?

____ we be able ____ acquire ____ guidance ____ for ____ telecom gear?

____ information regarding ____ power needs of your ____?

Do you have written information ____ electricity ____ of ____?

____ possible to share documents ____ the ____ for your ____?

____ any written ____ about your ____ equipment's ____ demands?

Do ____ have ____ to show the ____ needs of ____?

Do you have records ____ energy ____ of ____?

____ have ____ your telecom gadgets?

Do ____ know ____ about the ____ for ____ phone systems?

Is it possible to ____ written evidence ____ phone ____?

Documentation ____ power requirements for ____.

____ you have a ____ that ____ you how ____ your ____ take?

Is ____ documentation about the power ____ telephone systems?

Can ____ insight into ____ electricity demands ____ your ____ devices?

Is ____ any ____ detailing ____ demands of ____ devices?

Is ____ to ____ about your telecommunications gadgets ____?

____ showing electricity ____ telecom products.

Are ____ written materials ____ the energy ____ of ____ telecommunication ____?

____ give me ____ the ____ requirements for my telecom ____?

____ documentation ____ the power ____ your telecommunications devices?

____ requirements do your ____ have?

Is there ____ documentation on ____ power ____ for ____?

____ telecom ____ power info.

____ may be a ____ for telecommunications apparatus.

Do ____ know the ____ for ____ devices?

Can we find ____ show the ____ of ____?

Is ____ for the telecom ____ requirements?

____ you ____ on ____ needs for my devices?

Do ____ have ____ specifying ____ for ____ equipment?

Do you ____ the power ____ of your ____?

Do ____ have a ____ list of the ____ of ____?

____ need information ____ of ____ products.

____ you have ____ documentation to ____ energy consumption ____ your ____?

____ possible to ____ documents ____ telecommunication devices' power ____?

I ____ data pertaining ____ electricity ____ telecom ____.

Was the ____ your ____ documented?

____ you ____ any documents ____ needs for ____ devices?

Is ____ file that ____ the ____ for ____ telecommunications equipment?

____ anyone know ____ power needs ____ equipment?

____ the power needs ____ telecom ____?

____ you ____ information ____ the ____ needs of ____ devices?

____ you ____ any paperwork with ____ power requirements ____?

____ to ____ any documents ____ power requirements for your ____ devices?

____ you have any documents ____ the power ____ communication ____?

____ it possible ____ you ____ specifying ____ telecommunication devices' power requirements?

Is ____ for ____ obtain ____ regarding the power needs of ____?

____ have any documentation that ____ consumption ____ your devices?

Are there ____ papers ____ power ____ your ____ gadgets?

I _____ if _____ any paperwork outlining the power requirements _____.

_____ any documents specifying _____ specifications for _____ equipment.

The _____ of your _____ equipment _____ be _____.

_____ you _____ to find power _____ for _____?

Is the _____ needs _____ devices _____?

_____ any paperwork _____ energy _____ of your _____ stuff?

_____ you know any _____ the _____ demands for _____ gadgets?

I _____ like to _____ is any _____ outlining _____ power _____ your devices.

Do you _____ hardware's _____?

_____ phone equipment?

_____ a written explanation _____ electricity _____ of your _____ equipment?

Do _____ records _____ the energy needs _____ telephone _____?

Do you have _____ explaining power _____ specifications _____?

_____ documentation about _____ power _____?

_____ have official documents _____ the _____ demands of _____ telecommunications _____?

Do _____ know _____ any official documents about the _____ of _____?

_____ it _____ to _____ about _____ requirements _____ your telecommunications products?

There are some _____ illuminate _____ requirements _____ your telecom _____.

Can you _____ about the _____ needs of _____?

Do you _____ you _____ electricity requirements _____ your _____?

_____ it possible _____ about the electrical _____ telecommunications gadgets?

_____ documentation about the _____ consumption of _____ telephones?

Is there _____ written _____ to _____ power _____ for _____?

Do any _____ requirements of _____ equipment?

Documentation to _____ telecom _____?

Is _____ any _____ regarding the _____ the phone _____?

_____ there a _____ to get information _____ power _____ for _____?

Is _____ for me _____ documentation _____ power needs _____ your equipment?

Is there any _____ of _____ telco hardware _____?

Do you have any _____ about _____ for _____?

_____ details _____ the _____ device?

_____ it _____ get _____ on power requirements for the _____?

Can _____ information _____ the _____ telecommunication _____?

Are there official _____ on _____ energy _____ devices?

_____ there _____ documentation on _____ power _____?

_____ there any _____ power estimates for _____?

Do _____ have _____ documentation _____ shows _____ your telecom gear?

_____ that shows _____ appetite _____ your telecom?

Do _____ have any _____ to _____ usage specifications _____ telephone systems?

_____ there any information _____ usage available?

_____ there _____ about _____ electricity _____ of _____ telecom devices?

Share any documents specifying _____ specifications _____.

Do you _____ explaining the power _____ phone systems?

_____ have any information _____ demands of _____ telecom gadgets?

_____ any _____ on _____ power requirements of _____ telecom _____?

_____ there any _____ the _____ of _____ telecom gadgets?

_____ outlining _____ gear's _____ specifics _____ you point _____ to?

Do _____ have records showing _____ for _____ tools?

_____ information _____ telecom _____ requirements?

Is _____ to support _____ for phone instruments?

Is _____ documents _____ power specifications for _____ equipment?
_____ you _____ able to _____ information _____ for your _____ products?
Do _____ have records _____ energy _____ telephone tools?
_____ you _____ documentation explaining your _____ needs for _____?
_____ there _____ doc that _____ needs?
_____ to get information _____ power requirements _____ products.
Do _____ description of the _____ of your _____ equipment?
Did you find any official documents _____ telecommunications _____?
_____ a file documenting the power supply _____ apparatus.
_____ need to _____ the power requirements _____ telecom _____.
Do you _____ any documentation _____ the _____ your _____ gear?
_____ have _____ documents _____ your _____ power requirements?
_____ material detailing the _____ demands _____ your telecom equipment?
_____ have any _____ on electricity requirements _____ telecom _____?
_____ you _____ documentation to explain _____ energy _____ of _____?
Are _____ insights into the _____ of _____ comm _____?
Do _____ detailing the power _____ of your _____?
_____ need _____ regarding electricity _____ products.
_____ have _____ justifying _____ power usage of _____ telephone systems?
Is _____ any _____ the power requirements _____ devices?
_____ you give me the power _____ devices?
Do you _____ official documents relating _____ demands of _____ devices?
_____ any documents on the power _____ equipment?
Are there any _____ device _____?
Is _____ power estimations for phones?
_____ there _____ device electricity use?
_____ you have _____ papers explaining the _____ telecom gadgets?
_____ a _____ details the power supply _____ telecommunications?
_____ how much power your gadgets _____ use?
Does the energy _____ of your _____ systems _____?
Do _____ have _____ the _____ requirements for your _____?
Share _____ specifying _____ specifications of your _____ equipment.
_____ have _____ information _____ telecomm device _____ use?
Do _____ information _____ telecomm _____ electricity usage.
_____ have any documentation _____ power needs for _____?
Is _____ information about the _____ required for _____ telecom _____?
Do you have documentation _____ the electricity _____?
Do _____ documents _____ telecomm _____ electricity _____?
Do you _____ documentation _____ power _____ your _____?
_____ there _____ written evidence pertaining _____ power _____ phones?
_____ there any _____ required _____ voltages?
_____ you have _____ about _____ needs _____ your phone _____?
_____ tell me the _____ requirements of _____ telecom _____?
Is _____ any _____ the _____ needs _____ your telecom _____?
_____ your _____ have power _____?
Do _____ have any _____ on power _____ devices?
_____ there _____ to _____ requirements for telecom devices?
_____ any available _____ telecomm device electricity _____?
Can _____ give _____ for the power _____ telecom devices?
_____ any written _____ detailing the energy _____ of _____?

Is _____ documentation _____ electricity _____ your telecom devices?
_____ you _____ to explain power usage _____ your telephone _____?
_____ any information about telecomm device electricity _____?

Are _____ written _____ the energy _____ of _____ devices?

Do you have _____ for _____ needs _____ telecom _____?

Do you _____ paperwork _____ the energy _____ phone?
_____ the energy _____ your comms systems _____ documented?
_____ have _____ about the _____ of your telecommunications _____?
_____ are _____ docs _____ power needs?

Will _____ be any _____ material _____ the electricity _____ of _____?
_____ you _____ any information _____ needs _____ your equipment?

Do _____ documentation explaining _____ usage _____ telephone systems?

Do _____ have _____ the _____ needs of _____ phone _____?
_____ we _____ records that _____ guidance _____ for _____ telecom gear?

Does _____ written material _____ your telecom equipment?

Do you have information _____ electricity requirements _____?
_____ power _____ of _____ equipment _____ illuminated by documents.

Any _____ outlining power _____ for _____?
_____ you know _____ the _____ needs of your _____?
_____ you _____ regarding the _____ needs _____ these devices?

Is there any documentation _____ power _____ your _____?

What power information _____ provided _____?

Do you _____ doc telling _____ power _____ will consume?
_____ you _____ document _____ power requirements _____ my telecom devices?
_____ it possible _____ documentation about power needs _____?
_____ any _____ material discuss _____ demands of _____ equipment?

Do _____ have any _____ specify _____ power _____ for your _____?

Will _____ be _____ about required telecommunication voltages?
_____ have _____ on power _____ your devices?

Do _____ have any _____ information about _____ demands _____ your _____?

You _____ be _____ receive information _____ for your telecommunications _____.

Can _____ get records _____ guidance power _____ gear?
_____ there _____ the energy demands _____ your _____ devices?
_____ it possible _____ I get documentation _____ power _____ your _____?

Do you _____ any _____ regarding _____ for _____ gizmos?
_____ have _____ documentation showing _____ needs _____ telecom gear?
_____ me the _____ requirements of your telecom _____?
_____ there _____ power _____ for _____ are in place?

Do you _____ any papers about _____ telecom gadgets?

Tell me about _____ demands of _____?

Any _____ power needs _____?

Are there any _____ pertaining to the energy _____?
_____ power needs for _____ outlined?
_____ would like _____ outlining telecommunications gear's voltages.

Do you _____ about telecomm _____ electricity _____?

Do you _____ that shows _____ telecom's _____ appetite?

Can _____ let _____ requirements for your _____ devices?
_____ you _____ power usage _____ for _____ phone systems?

Have you documented _____ systems _____?

_____ you _____ any documentation regarding the _____ your telecom _____?

____ you know something ____ the power ____ ____ gadgets?
 ____ possible to ____ the power demands ____ telecom gadgets?
 Does ____ device ____ available?
 ____ use of your ____ systems been ____?
 ____ possible ____ understand the ____ demands of ____ gadgets?
 Do you ____ showing ____ power ____ telecom equipment?
 Do ____ have a written ____ of the ____ of ____?
 ____ get details ____ the ____ of ____ telecommunications gadgets?
 Do ____ relevant information on ____ device electricity ____?
 Have you got ____ information ____ how much ____?
 ____ to ____ any documents ____ your ____ devices power requirements?
 ____ documents ____ how much power your equipment ____?
 ____ a description of the electricity consumption ____?
 Do you ____ the power ____ your equipment?
 Can you ____ about the ____ your telephone ____?
 ____ documentation ____ device power ____?
 ____ need ____ data ____ shows electricity ____ of telecom ____.
 ____ you ____ any ____ of telecomm device electricity?
 ____ you have ____ regarding ____ needs for telecom ____?
 ____ you have any information ____ requirements for ____ devices?
 ____ you ____ power ____ for your ____?
 Have you ____ anything ____ energy ____ your ____ devices?
 Do ____ document outlining the ____ requirements for ____ telecom ____?
 ____ a document ____ the power requirements ____ devices?
 Please ____ the power demands of ____ gadgets.
 Does any ____ demands of the telecom ____?
 How much ____ products ____ give us that information?
 Can you ____ documents specifying ____ my equipment?
 ____ explain the power ____ specifications ____ your telephone ____?
 Is it possible ____ acquire records ____ show ____ gear?
 ____ you know the electricity ____ gizmos?
 Do ____ have ____ the power ____ of your ____?
 Is there ____ the amount ____ need ____ your phone junk?
 The power requirements for ____ devices ____ be ____.
 Is there ____ of ____ at the moment?
 Do you ____ any ____ describes ____ electricity ____ of ____ telecom ____?
 ____ you ____ power requirements for your devices?
 The ____ needs ____ telecom devices can ____ outlined ____.
 Is ____ a ____ outlining ____ power ____ your devices?
 I'm looking ____ materials ____ voltages.
 ____ power ____ outlined ____ your telecom devices?
 Have ____ your comms ____ energy ____?
 ____ you tell ____ the electricity usage of ____?
 Is ____ possible to get ____ the ____ demands ____ your ____?
 Do you ____ requirements for your devices?
 ____ requirements for ____ telecom ____?
 Can ____ tell ____ electricity consumption of ____ device?
 Is ____ docs ____ power needs?
 ____ you how much power ____ gadgets ____ consume?
 ____ you have ____ documentation explaining the ____ of your ____?

Do you have any _____ relating _____ device _____ ?
 _____ you _____ records showing _____ energy _____ of _____ phone _____ ?
 Is _____ evidence _____ power _____ for phone instruments?
 _____ I get _____ the _____ of your gadgets?
 _____ you _____ any papers explaining the _____ demands _____ ?
 _____ you have _____ required _____ requirements for _____ telecom _____ ?
 _____ it possible _____ see the _____ demands _____ phones?
 Do you have anything _____ power _____ equipment?
 _____ you have any paperwork showing _____ energy _____ company?
 Do you _____ documentation _____ usage specifications _____ your _____ systems?
 Do you know _____ requirements _____ need _____ telecom _____ ?
 _____ information _____ for phone _____ ?
 Do _____ on how _____ power your telecom _____ need?
 Is _____ the power _____ for telecom _____ ?
 _____ your comms systems energy _____ ?
 Do you have any documentation _____ usage _____ ?
 _____ there any papers _____ the power demands _____ ?
 I _____ like _____ know _____ power requirements _____ the _____ .
 _____ any documentation detailing telco _____ energy _____ at _____ ?
 _____ you have a description _____ telecom _____ needs?
 Do _____ have information on _____ ?
 _____ documentation explain the _____ usage specifications for _____ ?
 _____ you have any documentation _____ your devices?
 Do you _____ records outlining the _____ telephones?
 _____ you _____ explain the power _____ specifications for your _____ systems?
 Is _____ to _____ electrical demands _____ your telecommunications _____ ?
 Documentation about power _____ ?
 _____ there _____ that shows power _____ telecom gear?
 _____ you _____ any information _____ your telecom gizmos?
 Can you let _____ know what _____ you _____ your _____ ?
 Do _____ have any _____ the _____ of _____ phones?
 Do you _____ detailing the _____ your gadgets?
 _____ there _____ document that _____ the power _____ your _____ ?
 There should be _____ outline telecom _____ .
 _____ there any _____ evidence _____ for _____ ?
 Is there _____ power _____ for your gadgets?
 There is _____ needs for _____ telecom gear.
 Do you have any _____ the _____ for your _____ ?
 Materials detailing _____ voltage _____ could _____ me to?
 Can you _____ us insight _____ how _____ in your _____ ?
 _____ you _____ information on electricity requirements _____ telecom _____ ?
 Can you give me _____ list _____ devices?
 _____ power needs for _____ gear is _____ .
 Can we _____ records _____ guidance _____ telecom gear?
 _____ you give me the documentation on _____ for _____ ?
 Is there _____ detailing telco _____ specifications at _____ ?
 Need _____ on _____ hardware's _____ .
 _____ documents _____ the power requirements _____ your equipment?
 Is _____ feasible to get _____ on power requirements _____ ?
 Do _____ documentation for _____ usage specifications for _____ systems?

____ you tell ____ of my telecom equipment?
 ____ records showing energy ____ for ____ devices?
 Is ____ any ____ power requirements?
 ____ there any documentation ____ explains your ____ telecom ____?
 Do ____ any ____ related ____ telecomm device ____ usage?
 ____ there a document ____ needs of ____ equipment?
 ____ would like ____ about the power ____ telecommunications equipment.
 ____ sharing the ____ for your communication ____?
 Is ____ that ____ power ____ for your devices?
 Do you have ____ about ____ power ____ your ____?
 Do ____ have any information ____ how ____ devices ____?
 Are ____ energy ____ your devices?
 ____ you ____ any documentation ____ your ____ needs?
 Is there ____ your ____ gadgets?
 Do ____ have requirements for ____ telecom ____?
 Do you ____ documentation on power needs ____?
 Is it ____ access information ____ the electrical ____ your ____?
 Are ____ records ____ energy demands of ____?
 ____ about ____ power needs ____ equipment?
 ____ there power needs ____ devices?
 ____ any ____ about the power needs ____ your ____?
 Is ____ anything ____ the power ____ devices?
 ____ give ____ a ____ detailing the power requirements for ____?
 Is it possible ____ access ____ electrical ____ of ____ telephones?
 Got any ____ power your ____ consume?
 Do you have any paperwork ____ explains ____ requirements ____?
 Are ____ materials detailing the energy ____ your ____?
 ____ power usage specifications ____ all your ____ systems?
 ____ any doc ____ telecomm device ____?
 Do you have any ____ showing ____ power ____ your ____?
 ____ there power ____ your ____ devices ____?
 ____ any paperwork detailing ____ energy ____ of your telecom ____?
 ____ have ____ needs for ____ devices outlined?
 Do you ____ documentation ____ of your devices?
 Does any written ____ electricity demands ____ equipment?
 ____ you have documentation that shows ____ telecom ____?
 ____ to ____ telecom device ____?
 Is there a ____ power ____?
 ____ there any evidence regarding ____ phone ____?
 ____ there ____ for ____ power needs ____ phones?
 Is ____ information on the ____ of telecom ____?
 Is ____ information on the electricity ____ of ____?
 ____ there a ____ of power ____ for ____?
 Is there ____ show power ____ for ____ devices?
 There ____ any ____ that ____ device ____ requirements.
 ____ you have any ____ outlining ____ requirements ____ your ____?
 ____ documentation that ____ telecom device ____?
 Do ____ have ____ of the ____ demands of ____ telecommunication ____?
 ____ there ____ about required ____.
 Is ____ any documentation ____ telco ____?

_____ you have _____ documentation _____ the _____ of your _____?
 Do you _____ any documentation showing the power _____?
 _____ the _____ needs _____ your telecom _____?
 Do you _____ records _____ needs _____ telephone tools?
 _____ any _____ illuminating the power requirements _____ equipment?
 Do you have any _____ in _____ equipment?
 _____ you have _____ showing telecomm device _____?
 _____ there _____ power needs for telecom _____?
 Did _____ know _____ the _____ demands _____ your _____ explained in papers?
 _____ any written _____ the power of _____ phones?
 _____ any _____ illuminating _____ requirements of your equipment?
 Need _____ telecom _____ power.
 _____ have a description _____ the _____ for your _____ gizmos?
 I _____ wondering _____ there _____ file documenting the _____ for _____.
 Is _____ way to _____ the electricity _____ of _____ telecom _____?
 _____ want _____ know what the power _____ your telecom _____.
 _____ there any _____ the power requirements _____ device?
 Can _____ me the _____ for your telecom _____?
 Is _____ a _____ showing _____ power needs of _____?
 _____ energy consumption _____ the _____ systems _____ documented?
 Will there _____ outlining the power _____ your _____?
 _____ have any _____ detailing the power _____ for _____?
 Can _____ us know how much _____ is in _____?
 _____ power _____ are there?
 _____ have written information _____ the energy _____ your telecommunication _____?
 Should you _____ documentation _____ specifications for _____ telephone systems?
 Can _____ read about the _____ of _____ telecommunications _____?
 Do you _____ documentation _____ needs for telecom _____?
 _____ there _____ power requirements for your _____?
 Do _____ specifying power requirements _____ your _____?
 _____ documents _____ the power specifications _____ equipment?
 _____ have _____ information about _____ device _____ usage?
 _____ there any _____ materials on the energy _____ devices?
 Is _____ documentation showing _____ needs _____ gear?
 Does _____ documentation explain the _____ usage _____ systems?
