

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Generation source mix disclosure
Inquiry Sub-Category	Nuclear energy reliance
Description	Inquiries regarding the proportion of electricity generated from nuclear power, as customers may have safety concerns or prefer alternatives due to the potential risks associated with nuclear energy.
Data Size	7,072 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How _____ you _____ energy for _____ electricity?

Is your _____ generation _____ on _____?

Are _____ power to _____ power?

Nuclear sources _____ probably _____ of your electric _____.

_____ think _____ electricity generation is _____ upon nuclear _____?

Are you reliant _____ nukes _____?

Do _____ how _____ electrical _____ on atomic energy sources?

_____ a _____ of _____ electric supply _____ from _____ energy?

_____ depend a great deal on _____ technology _____?

_____ a dependence on _____ generating electricity?

_____ the _____ your electrical _____ been attributed to _____?

_____ much reliance _____ there on _____ to generate _____?

_____ is _____ of _____ reliant on atomic _____ sources?

_____ much _____ depend _____ nuclear power in generation _____?

Do _____ really depend _____ using nukes _____?

_____ depend on nuclear _____ for _____ production of _____?

Do you _____ rely on _____ power _____?

_____ dependent on _____ to generate electrical _____.

Is your generation _____?

_____ you _____ most _____ your electrical power _____ nuclear _____?

Does _____ portion of your _____ come _____ atomic _____?

_____ dependent _____ nuclear _____ to generate the _____ output?

To _____ up _____ rely _____?

Are _____ on nuclear energy for _____?

Is your _____ from _____ sources?

_____ use _____ atomic power to produce electricity?

_____ you _____ a large portion _____ your electric supply _____?

What extent do you _____ in _____ electrical _____?

_____ on using nuclear energy _____ electricity?
 _____ is used in the _____.
 How _____ nuclear _____ you use _____?
 _____ electricity generation _____ on _____?
 Do _____ on _____ generate power?
 _____ on _____ nuclear plants to run the _____?
 _____ you _____ atomic power to generate _____?
 Nuclear power can _____ how _____ on it?
 _____ you _____ the _____ of electrical _____ dependent on _____ energy _____?
 _____ reliant on nuclear _____ to generate _____ outputs?
 _____ the _____ of _____ generation come _____ nuclear sources?
 _____ is your _____ of _____ in _____ electricity?
 Does a good _____ electric _____ come _____ resources?
 _____ you're reliant on _____ power _____ electricity?
 _____ use _____ lot of nuclear power _____ electricity?
 Do _____ depend _____ power for _____?
 Nuclear power for _____ how much _____ it.
 Are _____ on nuclear _____ generating _____?
 _____ do you rely on _____ power?
 _____ dependent _____ you _____ energy for _____ power?
 _____ know _____ a large portion _____ generation is _____ nuclear sources?
 _____ you _____ your _____ from nuclear-generated sources?
 _____ electricity is dependent on _____ power?
 _____ you _____ nuclear energy _____ electricity needs?
 Is _____ possible _____ how _____ the _____ depends on atomic energy _____?
 _____ reliant _____ be on _____ watt?
 Are _____ electricity _____ mostly _____ on _____?
 _____ significant _____ of _____ electricity generation attributed _____ power?
 Are _____ reliant _____ nuclear _____ for _____?
 Is _____ true _____ you depend on _____ for _____?
 _____ guys _____ watt-generating nukes?
 Are you getting most _____ electric _____ sources?
 What level _____ power _____ you have?
 Are _____ power plants to _____ electricity?
 When _____ generatin' power, _____ you ever thought _____ your _____?
 _____ rely on nuclear energy _____?
 Do _____ a _____ nuclear technology to _____ power?
 _____ you _____ on _____ plants _____ generate electricity?
 Are you _____ on _____ power _____ electrical output?
 Did _____ big portion of your electric _____ atomic _____?
 How _____ ya'll on _____ nukes?
 Do _____ rely _____ provide electricity?
 Are _____ sources _____ supplier of your _____ supply?
 _____ you _____ depend _____ power _____ electricity?
 Is _____ electricity _____ is mostly dependent on _____?
 Are _____ dependent _____ energy _____ electricity?
 _____ on being able to use nuclear _____ produce _____?
 What _____ your _____ nukes _____ juice, _____?
 What is your _____ on _____?
 How _____ on the nuclear _____ for electricity?

_____ primarily your electric supply?

Do you always _____ electricity?

Is _____ mostly _____ nuclear?

How _____ nuclear energy _____ produce electricity?

_____ is used _____ electrical power.

I _____ to _____ how much electricity _____ power.

Are _____ reliant _____ power _____ electricity?

_____ large _____ of your _____ come from _____ resources?

How _____ do _____ power _____ generate electricity?

_____ depend so _____ on _____ for electricity?

_____ on _____ energy _____ make electric production?

_____ use nuclear power _____ output?

Is _____ lot of _____ supplied by _____ energy?

Nuclear _____ you rely on it _____ power _____.

Does _____ of _____ from using atomic resources?

_____ you dependent _____ atomic power to generate _____?

_____ degree of dependence _____ nuclear _____ for _____ electricity?

Are you _____ on _____ for _____ production?

_____ on Nuclear _____ for electricity?

What level of dependency _____?

_____ you dependent on _____ nuclear power _____?

_____ reliance _____ you _____ atomic power to produce _____?

Is _____ generation _____ reliant on _____?

_____ you _____ nukes to _____ power?

_____ there a significant _____ your _____ supply from _____?

Does _____ amount of your electric _____ come from _____?

_____ your nuclear _____ primary source _____ electric supply?

_____ you heavily dependent _____ power _____ generating _____?

_____ you _____ of your electrical production _____ on _____ energy _____?

_____ you heavily _____ power _____ nukes?

_____ you _____ the use _____ nuclear technology for _____?

Do _____ nuclear power _____ lot _____ electrical output?

_____ you reliant _____ the _____ nukes for _____?

_____ power _____ you _____ on to generate electricity?

_____ you _____ on _____ for juice?

_____ energy toGenerate electrical power

_____ your generation of _____ reliant _____?

Do _____ a lot of your _____ energy?

_____ use _____ nuclear _____ dependent on electricity _____?

_____ nuclear for your electricity generation?

Is there a lot of your _____?

_____ you dependent _____ to generate _____?

_____ are _____ on nuclear _____ generating _____?

_____ reliant on nuclear _____ to _____ your _____?

_____ you reliant on _____ to _____?

_____ generating electricity?

_____ generation is mostly _____ nuclear.

Is _____ important _____ you _____ generating _____?

Is a _____ percentage _____ your electricity _____ attributed _____?

_____ you _____ dependent _____ nuclear energy _____ your _____?

_____ there levels of _____ on _____ in _____ electricity?
 _____ you _____ nuclear power _____ to produce _____?
 How _____ of _____ dependency _____ nuclear power?
 Is _____ possible that _____ depend on _____ generate _____?
 _____ nuclear power _____ rely on to _____ electricity?
 Is your _____ from _____ generated _____?
 Are you dependent _____ nuclear _____ output?
 _____ you dependent _____ energy _____ electricity _____?
 _____ is _____ of dependence _____ nuclear _____?
 _____ you reliant _____ by nukes?
 Can you tell _____ if _____ mostly dependent _____ nuclear?
 _____ the majority _____ your electrical _____ nuclear sources?
 _____ majority of your _____ be due _____ sources?
 How _____ of _____ electrical _____ atomic energy sources?
 _____ is used _____ create electrical _____.
 Is nuclear _____ of _____ production?
 Are your electricity _____ on _____?
 _____ you _____ upon _____ energy for _____ electricity generation?
 Do _____ energy for _____ generation?
 Are you _____ power _____?
 _____ you reliant on _____ nukes for generating _____?
 _____ your electrical supply _____?
 _____ sources _____ large part of _____ electricity _____?
 _____ much of _____ production is dependent _____ atomic energy sources?
 _____ much _____ do you _____ on _____ to produce?
 _____ you heavily dependent _____ energy _____?
 _____ know how much _____ electricity _____ from nukes?
 _____ dependent _____ atomic power _____ generate _____?
 Are _____ on nuclear _____?
 How _____ you depend _____ nuclear _____ for _____ production?
 Do you _____ level _____ dependence _____ nuclear _____ for electricity _____?
 _____ generation _____ reliant upon nuclear _____?
 _____ lot of _____ supply derived from nuclear _____?
 Are you _____ atomic _____ to _____ electricity?
 _____ dependent _____ nuclear _____ for generating electricity?
 _____ is used in _____?
 _____ there _____ lot _____ reliance _____ nuclear energy _____ electricity?
 _____ do you depend on _____ power _____ produce _____?
 _____ a lot _____ your electricity _____ nuclear power?
 _____ your electricity comes _____ nuclear.
 Do _____ power a _____ for _____?
 Can _____ tell _____ about _____ on _____ for juice?
 Do you _____ a lot of reliance _____ electricity?
 How _____ your dependency _____ nukes _____?
 How much _____ power do _____ generating _____?
 Are _____ using nukes _____ power?
 How much _____ you rely _____ produce electricity?
 _____ mainly use _____ energy for _____?
 _____ on atomic _____ for electricity?
 _____ you sure if a _____ of _____ electricity generation _____ power?

Are you ____ on ____ power?

____ use ____ energy to ____.

____ a ____ of ____ due to nuclear power?

____ you think a significant ____ of ____ to nuclear power?

Do ____ think your ____ generation is dependent ____?

____ mostly dependent on nuclear?

Are ____ on ____ for ____ electricity

Are you really ____ nuclear ____ generate ____?

Are ____ dependent ____ technology for ____?

____ you heavily ____ on ____ your electricity?

Is nuclear ____ significant ____ power supply?

____ dependent ____ ya'll on ____?

Do ____ lot ____ your electricity generation ____ from ____?

____ nuclear energy for ____ power?

Can ____ bulk of your ____ attributed ____ sources?

____ you ____ on using ____ to make electricity?

Do ____ have ____ high level ____ dependence ____ power ____ electricity generation?

How much ____ you ____ on nuclear ____ electricity?

Do ____ on ____ energy for your ____?

____ depend ____ nuclear ____ electricity production?

____ your electricity generation ____ dependent on nuclear ____?

____ dependent ____ electricity using ____ power?

How dependent ____ your electricity ____?

Are ____ extremely reliant on ____?

____ use to produce electricity.

____ dependent ____ atomic energy ____ electricity?

Nuclear ____ generating electrical current ____ dependent on how ____.

____ energy ____ used ____ generate ____.

Are ____ dependent ____ using nuclear ____ your ____?

____ the ____ of your ____ come ____ nuclear energy?

Are ____ very reliant on ____ up?

____ do ____ rely ____ energy sources for your electrical ____?

How ____ nuclear power ____ use ____?

Are you ____ nukes to ____?

____ you ____ get your ____ nuclear sources?

I'm ____ dependent ____ be ____ watt.

How dependent ____ on ____ power ____?

Are ____ reliant ____ of ____ technology to ____ power?

Can ____ majority ____ electrical ____ to atomic sources?

Are you heavily dependent ____ power ____ electrical ____?

When making ____ possible, is it ____ on ____ provision?

____ your ____ generation ____ on ____?

____ power ____ to ____ electricity.

____ a reliance ____ power for ____ electricity?

Do ____ if a ____ of your ____ generation ____ nuclear ____?

____ depend so ____ nuclear energy to ____ up?

Do ____ use nuclear power ____?

Will ____ of ____ electrical ____ be caused ____ nuclear ____?

____ on generating power ____ nukes?

What extent ____ rely ____ power?

_____ primarily use _____ create power?
 Do you _____ a lot _____ energy _____ make _____?
 _____ you depend _____ nuclear _____ plants to _____?
 _____ you _____ rely on _____ electricity?
 _____ are you on _____ power _____ current?
 _____ are you _____ nuclear power _____ electricity?
 Can _____ tell me _____ much _____ my electrical _____ on _____ sources.
 _____ your _____ generation attributed _____ power?
 Would your _____ upon _____ energy?
 Are your _____ sources _____?
 Did _____ in generating electrical current?
 _____ you know _____ dependent ya'll _____ on _____?
 Is _____ generation _____ on nuclear?
 Did _____ depend on atomic _____?
 _____ you _____ on _____ power _____ electricity?
 Are you dependent _____ to _____?
 When making electrical _____ what _____ nucleonic provision like?
 _____ a _____ of your electric _____ from _____ atomic resources?
 _____ you _____ upon nuclear _____ to _____?
 _____ rely _____ on _____ of _____ technology to generate power?
 _____ idea how _____ be on _____?
 _____ energy is _____ produce electricity.
 _____ you _____ on _____ lot for generating electricity?
 _____ of _____ is created by _____ power?
 _____ you _____ on _____ for Generating _____?
 You _____ much nuclear _____ to _____?
 Is _____ possible that you _____ on _____ electricity?
 Nuclear energy is _____ generating _____.
 How _____ you depend on _____ produce electricity?
 _____ atomic power used to generate _____ you?
 _____ you _____ nuclear energy _____ production?
 How _____ on atomic _____ for _____?
 _____ much do _____ nuclear power _____ electricity?
 _____ electricity generation is dependent _____ nuclear?
 How _____ nuclear power _____ generating _____?
 _____ you _____ on _____ for electric _____?
 _____ you _____ nuclear power for _____?
 Can _____ determine how much _____ your _____ on _____ energy _____?
 _____ your electrical _____ upon _____ energy?
 Did _____ big part _____ electricity _____ come from _____?
 _____ power is _____ power.
 _____ you _____ using _____ energy _____ generate _____?
 _____ on nukes _____ generate electricity?
 How _____ of _____ supply _____ nuclear sources?
 Are _____ on nukes to _____?
 _____ you rely on _____ power needs?
 Are you _____ on _____ to give you _____?
 _____ your _____ dependent on nuclear?
 Nuclear power _____ electricity _____.
 Can _____ majority _____ your electrical needs _____ nuclear source?

____ you ____ nuclear ____ for ____ of ____ power?
 ____ you ____ large ____ of your electric supply ____ atomic resources?
 Are ____ reliant ____ energy ____ electricity ____?
 Are ____ very reliant ____ nuclear ____ production?
 How ____ do ____ depend ____ power ____ your electricity ____?
 ____ is ____ importance ____ power ____ electricity generation?
 ____ you dependent ____ to supply ____?
 ____ is ____ of dependence that ____ nuclear power?
 ____ majority of ____ electrical ____ by nuclear sources?
 How ____ depends on ____ in generating ____?
 Do you ____ on ____ power?
 ____ heavily dependent on ____ for ____?
 ____ lot of dependency on ____ energy for ____?
 Do ____ depend ____ on ____ for electric ____?
 ____ you ____ upon nuclear ____ plants ____ electricity?
 Does a lot ____ electricity ____ come ____ nuclear ____
 Is your ____ supply ____ nuclear ____?
 ____ your ____ mostly generated ____ nuclear ____?
 The amount ____ energy ____ need ____ power is ____.
 Are ____ reliant ____ nuclear for ____?
 ____ it ____ measure how ____ is reliant on ____ energy sources?
 ____ you need so ____ energy to ____?
 How much ____ rely on to ____ electricity?
 ____ a ____ on nuclear power.
 How ____ dependence do you ____ power for ____?
 ____ much ____ that ____ atomic power?
 ____ you often ____ nuclear ____ for ____?
 ____ a portion of your ____ supply come ____?
 ____ you tell ____ you rely ____ nuclear energy?
 ____ much of ____ by nuclear energy?
 ____ much do ya'll ____ on ____?
 ____ is used ____ electrical power.
 Are ____ for most ____ your electricity generation?
 ____ it dependent on ____ power ____ current?
 Nuclear ____ utilized in ____.
 ____ power comes from Nuclear ____?
 Is generating ____ upon ____?
 ____ if ____ lot of ____ generation is attributed to ____ power?
 Nuclear ____ in ____ current is dependent on how ____ you ____.
 ____ percentage of your electrical ____ energy sources?
 Do ____ know ____ of ____ power in generating electricity?
 Is ____ that you're reliant ____ to generate ____?
 Should you ____ for ____ electricity?
 Are you dependent ____ for ____?
 Is ____ the majority ____ generation?
 Do you ____ a ____ of reliance on ____ production?
 ____ if ____ rely ____ reactors.
 ____ you ____ much ____ power ____ electricity?
 Can ____ me what ____ is on ____ for ____?
 The ____ to which ____ on atomic ____ for ____.

_____ much _____ rely on _____ for _____?
 Is your _____ generated from _____?
 Are you _____ energy for _____.
 _____ you _____ on _____ to generate _____?
 _____ primarily _____ nuclear energy to _____ power?
 Do _____ depend _____ atomic _____ electrical _____?
 _____ you _____ on nuclear power _____ electricity?
 Is there a _____ on _____ power in _____ electricity?
 _____ of your _____ needs be _____ by _____ sources?
 Do you know if a _____ electricity _____ comes from _____?
 _____ rely a lot _____ nuclear power _____?
 How _____ of your electrical _____ on atomic _____.
 _____ power _____ big part of _____ generation?
 _____ mostly _____ nuclear power?
 How much _____ do _____ upon to produce _____?
 Are you _____ a lot of _____ attributed _____ nuclear power?
 Are _____ upon nuclear _____ generating _____?
 How much is _____ dependent _____ nuclear _____ for _____?
 _____ you rely _____ on _____ energy _____ power _____?
 Are you dependent _____ nuclear _____?
 Is _____ power _____ majority _____ your _____?
 Has most _____ electrical _____ been attributed _____ nuclear _____?
 Are _____ on _____ power plants _____ your power?
 Do _____ for generating electricity?
 How much of your _____ production _____ sources?
 _____ of your _____ come _____ atomic _____?
 Do you rely _____ on _____ for _____?
 _____ you reliant on _____ for _____?
 _____ you _____ how much _____ depends on _____ sources?
 Are you _____ the power _____?
 How much of _____ on _____ energy?
 Is your _____ power for _____?
 _____ you _____ mostly from nuclear-generated sources?
 When _____ current _____ possible, _____ is reliant on nucleonic _____?
 How _____ are you _____ power _____ production?
 Do you primarily _____ to _____ electrical _____?
 _____ you _____ nuclear energy _____ energy?
 Are you very _____ nuclear _____?
 _____ you dependent on _____ to _____ electrical _____?
 _____ much dependence _____ nuclear _____ is _____?
 _____ degree of dependence on _____ for electricity?
 _____ have _____ lot of electricity generation _____ sources?
 _____ your electric _____ nuclear?
 _____ dependent _____ using nuclear power?
 _____ majority _____ your electricity _____ dependent on _____?
 Is _____ generation mostly _____ nuclear?
 _____ use nuclear energy _____ produce _____?
 How _____ do _____ on nuclear _____ in your _____ generation?
 _____ is _____ nuclear power to generate _____?
 The level _____ on _____ power _____.

____ a lot ____ your electricity ____ comes ____ ____ sources?
 ____ nuclear power ____ ____ of ____ electricity generation?
 Do you ____ rely ____ nuclear ____ for ____ ____?
 Are you ____ ____ ____ power?
 ____ ____ ____ rely on nuclear power ____ ____?
 ____ ____ is ____ ____ generating electricity.
 Should nukes ____ ____ upon ____ ____?
 Are ____ ____ supplies ____ from nuclear-generated ____?
 ____ ____ tell ____ how much ____ ____ electrical production is dependent ____ atomic ____?
 ____ your ____ supplied by ____ ____?
 ____ ____ of your power ____ ____ on ____ power?
 Are ____ dependent ____ ____ energy for ____ ____?
 ____ you ____ ____ ____ of nuclear power plants to generate ____?
 Are ____ heavily reliant ____ ____ power ____ ____?
 Are ____ ____ nuclear power ____ ____ electricity?
 Do you depend heavily ____ ____ use ____ nuclear ____ to ____ ____?
 Are ____ ____ ____ watt-generating nukes?
 ____ ____ ____ depend on nuclear electricity?
 Your dependence ____ nukes ____ ____ ____?
 Are you ____ on ____ ____ for ____ ____ needs?
 Are ____ ____ on nuclear ____ ____ generating ____?
 ____ ____ ____ current ____ possible, ____ important ____ reliance on nucleon provision?
 ____ ____ the amount of electrical ____ ____ relies ____ atomic energy ____?
 Do ____ ____ rely on ____ ____ for ____ output?
 Are ____ ____ dependent on ____ for ____?
 ____ you ____ on ____ ____ with ____ power?
 Do you ____ on ____ ____ in the ____ ____ electricity?
 ____ Nuclear energy ____ ____ ____ of your electric ____?
 Are your ____ ____ ____ contingent ____ nuclear ____?
 ____ the ____ of your electric ____ ____?
 Are ____ ____ reliant ____ ____ power ____ generate power?
 ____ ____ ____ on nuke-generated watt?
 ____ ____ have a high ____ on nuclear ____ in your ____ ____?
 ____ making electrical ____ ____ ____ how crucial ____ reliance on ____ provision.
 ____ ____ wonder about your ____ ____ when ____ comes ____ generatin' power?
 ____ making electrical current generation ____ how ____ is ____ ____ nucleonic ____?
 ____ ____ ____ on ____ power ____ generating energy?
 Do you ____ ____ dependence ____ ____ ____ in generating electricity?
 ____ ____ of ____ ____ do you ____ on?
 ____ extent are you ____ on nuclear power ____ ____ ____?
 ____ you rely ____ ____ ____ power?
 What ____ of dependence ____ you on nuclear power ____ ____ ____ ____?
 Are ____ ____ ____ on nuclear ____ ____ your electricity needs?
 ____ you ____ upon ____ nukes ____ produce ____?
 Do you ____ ____ ____ your electrical ____ ____ nuclear energy?
 Are there ____ that you ____ ____ ____ electricity?
 Is ____ majority of ____ electric ____ supplied by ____ ____?
 ____ dependent ____ ____ be on ____ watt?
 ____ want to ____ how reliant you ____ on ____ ____.
 ____ ____ ____ of your ____ supply come from ____ atomic ____?

____ extent are ____ dependent ____ atomic power ____ ____ .
 ____ you ____ ____ lot of your ____ generation ____ ____ nuclear power?
 Do you ____ more ____ ____ to ____ power?
 Do ____ rely a lot on ____ ____ electricity?
 ____ ____ primarily ____ nuclear energy ____ ____ power?
 ____ ____ on ____ ____ for electricity.
 Do you ____ ____ of ____ electrical production ____ reliant ____ atomic ____ sources?
 Is ____ electric supply ____ ____ nuclear ____ ?
 ____ you ____ much on atomic ____ to ____ ____ ?
 Is ____ ____ generation ____ ____ nuclear?
 How much do you depend ____ ____ power ____ ____ ____ ?
 ____ ____ use ____ power ____ ____ electrical output?
 ____ you ____ ____ nuclear ____ to generate ____ current?
 Are ____ significant proportion ____ ____ ____ attributed ____ nuclear power?
 How ____ are you on ____ ____ with ____ ____ ?
 ____ ____ dependent on nuclear ____ ____ power?
 ____ you dependent on ____ Nuclear power plants ____ ____ ____ ?
 ____ ____ on nukes ____ ____ folks?
 Does a ____ ____ of ____ electric supply come ____ ____ ____ resources?
 ____ is the amount of ____ power you ____ ____ ____ ?
 How much ____ ____ reliant ____ ____ energy to ____ electricity?
 ____ a significant portion ____ your ____ generation ____ from ____ ____ ?
 ____ you think ____ ____ generation is dependent ____ ____ ?
 How ____ ____ atomic ____ ____ main source ____ electricity?
 Will ____ be dependent ____ ____ ____ to ____ electricity?
 Do you ____ ____ atomic ____ ____ generate ____ ?
 Is your ____ ____ ____ nuclear energy?
 ____ ____ ____ amount of dependence on atomic ____ ____ electricity?
 ____ you know how ____ of your electrical production ____ ____ ____ ____ ?
 ____ you ____ ____ on nukes ____ ____ power?
 Are ____ ____ on the atomic ____ ____ ____ energy?
 How much ____ ____ ____ on ____ power for electricity ____ ?
 Are ____ reliant on ____ ____ ____ electricity?
 ____ you ____ on ____ power ____ ____ needs?
 ____ you mainly source your electric ____ ____ ____ ____ ?
 nukes ____ juice, what's ____ ____ ?
 ____ ____ ____ much of ____ ____ comes ____ atomic ____ ?
 Are your ____ generation ____ reliant ____ ____ ?
 How much ____ ____ ____ comes ____ a ____ plant?
 Are ____ ____ sources the ____ ____ ____ electricity?
 ____ you ____ ____ nuclear energy for ____ ?
 ____ you dependent ____ using ____ power plants to ____ ____ ?
 Is Nuclear ____ ____ contingent ____ electricity ____ ?
 ____ ____ ____ amount of ____ ____ do ____ ____ rely ____ ?
 ____ ____ ____ electricity generation mostly ____ ____ ____ power?
 ____ ____ ____ would ____ ____ know ____ dependent ya'll ____ on nuke-genned ____ .
 ____ ____ ____ important is the ____ of nucleonic ____ ____ ____ current ____ ?
 Are ____ ____ ____ dependent ____ nuclear ____ for ____ ____ ?
 Do ____ ____ ____ a ____ ____ on ____ nukes ____ generate power?
 ____ ____ ____ you rely ____ ____ ____ much ____ ____ atomic power ____ ____ ____ electricity?

How _____ do you depend _____ for?

_____ you dependent _____ energy to produce electricity?

How _____ on _____ power?

Do _____ heavily _____ for electricity?

_____ you depend on _____ provide _____?

Can _____ me how much of my _____ atomic _____ sources?

_____ you get all your _____?

Do _____ think _____ lot _____ your electricity _____ comes _____ nuclear _____?

Do you _____ to generating _____?

How _____ dependent on atomic _____?

Do you usually _____ nuclear _____ electricity?

Do the majority _____ generation _____ from nuclear _____?

_____ mostly rely _____ for generating power?

_____ nuclear power _____ electrical power?

_____ it _____ your electrical needs _____ due _____ nuclear sources?

Are you _____ nuclear energy for _____?

Will _____ be _____ nukes _____ electricity?

_____ know _____ level _____ dependence on nuclear _____.

Are _____ on _____ energy _____ electricity?

_____ of _____ production depends _____ the atomic _____ sources?

_____ you _____ power in electricity _____?

Nuclear power _____ electricity, _____ much _____ you _____ on _____?

_____ of _____ on nuclear energy to produce _____?

_____ you dependent _____ technology _____ make _____?

_____ you _____ using nuclear _____ electrical power?

_____ the _____ to which you rely _____ atomic _____ electricity?

_____ you _____ mainly on _____ sources _____ your _____ supply?

Is _____ a _____ of _____ electric _____ by nuclear _____?

Are _____ nuclear sources _____ main source _____ your _____?

Are there _____ of _____ on _____?

Do _____ depend upon _____ generate _____?

_____ using atomic power _____ generate electrical energy?

_____ dependent _____ electrical energy via _____ power?

What extent _____ you _____ nuclear _____ electrical current?

_____ your electricity _____ nukes?

_____ is it _____ atomic power _____ electricity?

_____ you dependent on _____ plants _____ electricity?

Do you _____ mostly _____ nuclear sources for _____?

Are _____ reliant _____ to produce _____?

_____ much do _____ depend on _____ for _____?

_____ your electric supply _____ from using _____ resources?

What is _____ dependence _____ watt?

Is there a _____ your _____ generation attributed _____?

_____ your electric _____ largely _____ nuclear _____?

_____ power _____ generate _____.

What's _____ dependence _____ nukes _____ juice, _____?

Should you _____ on _____ to _____?

_____ your electricity _____ on Nuclear?

_____ power _____ used to _____ electrical _____.

Are _____ on _____ Electricity?

What is your _____ of _____ power _____ generating _____?
 Are you heavily _____?
 Do you depend _____ nuclear energy _____?
 What amount _____ dependence _____ on _____?
 _____ much of your _____ comes _____?
 Do you know _____ of _____ electric supply _____ nuclear energy?
 Is nuclear _____ important _____ generation?
 _____ how _____ power is needed _____?
 _____ electricity generation _____ on _____?
 _____ nukes to generate power.
 Is _____ true that you rely _____ power _____?
 _____ power _____ dependent on _____?
 _____ you _____ nuclear power _____ get _____?
 _____ you _____ power _____ generate electrical _____?
 _____ a lot _____ on nuclear _____ for electricity?
 _____ upon nuclear energy _____ electricity?
 Are _____ your electricity _____ to nuclear power?
 Do you _____ if a _____ part _____ your _____ from _____ energy?
 Do _____ depend _____ nuclear _____ for _____ electricity?
 Do you know if _____ your electric _____ from _____ resources?
 Do _____ use _____ to supply _____?
 Are you aware _____ generation _____ from nuclear power?
 _____ mostly use nuclear _____ electricity?
 _____ much _____ you _____ atomic _____ to produce _____?
 _____ so _____ on nuclear technology to produce _____?
 _____ your _____ generation _____ on _____?
 What _____ is dependent _____ nuclear power?
 _____ sure you _____ significant portion _____ electric supply from nuclear _____?
 Do you _____ your electricity _____ on _____?
 _____ are _____ on _____ electricity?
 _____ you dependent on using nuclear _____ plants _____?
 _____ much _____ you rely on _____ making electricity?
 Are _____ nuclear-generated sources _____ your _____?
 Is _____ on _____ generating electricity?
 Is it _____ nukes for _____?
 _____ much _____ your _____ supply come from _____?
 Is _____ generation _____ on _____?
 You depend _____ atomic power _____?
 _____ upon atomic power to produce _____?
 Are _____ your _____ source of _____?
 _____ power for your electricity?
 Are _____ dependent _____ nuclear power _____ electric _____?
 _____ much electrical _____ atomic _____ sources?
 _____ on atomic power to _____?
 How _____ electrical _____ dependent _____ atomic energy sources?
 _____ much _____ on nuclear power for _____?
 How much _____ nuclear energy for your _____?
 Does _____ amount _____ electricity come _____ using _____ resources?
 _____ you usually rely on _____?
 _____ source mostly from _____ sources?

_____ is the _____ nuclear power dependence _____?
 _____ you _____ lot _____ power for electricity?
 _____ you have _____ high degree of _____ on _____ for _____?
 How _____ do _____ rely on _____ energy _____ up?
 _____ of _____ production relies on atomic energy _____?
 _____ your electric _____ from nuclear-generated sources?
 _____ lot of your power from nuclear _____?
 _____ you _____ if _____ of your _____ supply comes from _____?
 _____ mostly _____ nuclear energy for _____?
 _____ nucleo-electricity as much _____ possible?
 Do you really need that _____ to _____?
 _____ you _____ upon using _____ power to _____?
 _____ is the level _____ nuclear power for _____?
 _____ highly _____ upon electricity generation?
 Should _____ depended on _____?
 _____ your _____ supply _____ Nuclear Sources?
 _____ depend on _____ power for _____?
 _____ you _____ much on _____ power to _____ electricity?
 _____ on using atomic _____?
 _____ is _____ power in generating _____?
 Are you _____ dependent on _____.
 _____ generation dependent _____ nuclear reactor?
 Is _____ power _____ heavily dependent _____?
 Do _____ lot on nuclear _____ for _____?
 You rely _____ juice, _____?
 _____ most _____ your electrical needs _____ attributed _____?
 Do you _____ on the _____ technology _____ power?
 _____ lot of your _____ power come _____ resources?
 Nuclear _____ might _____ the main source of _____.
 Should _____ on _____ to _____ grids?
 Do you rely too _____ nuclear energy _____?
 _____ you _____ heavily _____ for electricity?
 _____ you rely on _____ power _____?
 _____ reliant _____ the _____ of nuclear _____ get power?
 Do you typically _____ nuclear _____ to _____?
 Do _____ for your electric supply?
 Are you _____ dependent _____ nuclear _____ for _____?
 What is _____ of _____ power on _____ current?
 Do _____ a dependence on _____ electricity generation?
 _____ dependence _____ nuclear energy _____ produce electricity?
 _____ a large amount of your _____ supply come _____?
 Are you _____ on _____ for _____?
 _____ so much on nuclear energy for _____?
 _____ the level of dependence on _____ power.
 Can _____ me _____ dependent _____ are _____ atomic power for _____?
 _____ you tell me _____ electrical _____ depends _____ energy sources?
 _____ you use _____ power to _____?
 What _____ dependence _____ nuclear power?
 When _____ current generation _____ how important is _____ on _____.
 _____ a _____ part _____ power generation come from _____?

_____ reliant are you _____ power in _____ of _____?

_____ you _____ on _____ to generate electrical output?

_____ use _____ energy for generating _____?

_____ rely on _____ to generate _____.

_____ dependency on nukes _____?

Are you _____ on _____ atomic _____ electrical energy _____?

Is our _____ nuclear?

_____ dependent on _____ for _____ energy?

_____ need nuclear power for _____?

Are _____ dependent _____ generating electricity?

How much _____ energy _____ you _____ electricity?

How much _____ you rely on _____ up?

Do _____ lot _____ your _____ come _____ using _____ resources?

_____ to determine how _____ production depends _____ atomic energy sources?

Are you dependent _____ generating _____?

You _____ power _____ electricity.

Do _____ depend _____ energy _____ electricity?

Nuclear _____ is how much you depend _____.

Do _____ need _____ use nuclear power _____ electricity?

Are you reliant _____ nuclear _____ for _____ needs?

Nuclear _____ is your _____ source _____?

Is _____ electric supply _____ sources?

_____ of a dependency is nuclear _____ electricity?

_____ on the use of nuclear _____ plants to _____?

_____ you heavily _____ nuclear power for your _____?

_____ you dependent _____ nuclear energy _____?

Nuclear _____ electric _____?

_____ percentage _____ generation is dependent on _____?

_____ you _____ a _____ nuclear energy _____ generating electricity?

_____ heavily reliant on _____ generating _____?

Are _____ primarily _____ on _____ energy _____?

Does a _____ of your _____ comes from _____?

Will you be dependent _____ generating _____?

_____ depend _____ on atomic power _____?

Are _____ reliant _____ nuclear for _____?

_____ on nukes _____ generate Electricity?

_____ so reliant on _____ for _____?

_____ you getting _____ your _____ supply from _____ sources?

What _____ you _____ on nuclear power _____ electricity?

_____ you _____ depend on nucleo-electricity _____?

Are _____ on _____ for your _____?

_____ you _____ on _____ for _____ Electricity?

Do you _____ power to _____?

_____ dependent _____ nuclear _____ to make _____?

Are _____ on nuclear _____ to give you _____?

_____ do _____ feel _____ atomic power _____ electricity?

Do _____ nuclear _____ production of electricity?

Is your _____ reliant _____?

_____ you need nuclear _____ electricity _____?

Are _____ reliant _____ nukes to _____ power?

____ your ____ generation ____ on nuclear ____?
 ____ you reliant on ____ power ____ produce power?
 ____ what ____ do you ____ on ____ power for ____?
 ____ a big part ____ your ____ generation ____ sources?
 ____ dependent on ____ power ____ electrical ____?
 Can you tell ____ about ____ for juice.
 ____ do you feel ____ atomic ____ electricity?
 ____ on atomic power?
 ____ may be ____ part of your ____ supply.
 ____ you dependent ____ atomic ____?
 ____ dependent ____ the use of atomic ____ to ____ energy?
 ____ your electricity generation's ____ nuclear?
 Are ____ dependent on ____ nukes?
 ____ huge portion of ____ electric ____ using atomic resources?
 ____ usually source ____ supply ____ nuclear-generated sources?
 How dependent are nuclear ____?
 What ____ dependence on ____ energy for ____?
 How much do you ____ for ____?
 ____ nuclear power a significant ____ of ____.
 ____ on atomic power for ____?
 Are you ____ being ____ to generate ____ nukes?
 ____ about reliance ____
 ____ you reliant on generating ____?
 Do ____ need nuclear ____ generate ____?
 ____ nuclear power to generate electrical current?
 ____ much ____ reliant on ____ generate electricity?
 Are ____ rely on ____?
 ____ your ____ dependent on nuclear ____?
 ____ you ____ on ____ energy for ____.
 How ____ should ____ on ____?
 ____ generation ____ electricity ____ upon nuclear ____?
 Are ____ nuclear ____ source ____ electric supply?
 Do you depend ____ on ____ for ____ electricity?
 ____ you ____ on using nuclear ____ plants to ____?
 Is ____ electric ____ primarily supplied ____?
 How much dependence ____ it on ____ electricity?
 ____ is used ____ electricity.
 ____ nuclear power ____ electricity production?
 Is ____ electric ____ from nuclear-generated ____?
 ____ are ____ of ____ nuclear power?
 ____ you ____ nuclear power for electrical current?
 ____ on ____ for electricity?
 Are ____ main ____ electric supply?
 How ____ do you rely ____ power ____ electricity?
 ____ depend ____ nuclear energy ____ electric ____?
 ____ power produces ____ how much do ____ it?
 Is ____ of ____ electrical supply ____ from ____ energy?
 Are ____ going to ____ on ____?
 ____ amount is ____ on atomic ____?
 ____ much of your ____ from ____ atomic ____?

_____ a _____ your _____ coming from nuclear energy?
 Are you _____ nuclear power _____?
 _____ much _____ comes from _____ power?
 _____ you _____ nuclear power _____ make _____ output?
 Are _____ heavily _____ on nukes _____?
 _____ it your _____ on _____ power _____ generate _____?
 Is nuclear power _____ main _____ your _____?
 _____ sources _____ largest source of _____?
 _____ you rely on _____ power _____ electricity production?
 Do _____ mainly nuclear _____ your electric _____?
 _____ substantial part of _____ supply _____ from atomic _____?
 _____ you _____ that your electricity _____ dependent on _____?
 _____ you _____ on _____ to generate electrical power?
 _____ your _____ sources _____ main _____ electric?
 _____ of nuclear energy _____ you rely _____ power _____?
 _____ very _____ on generating power _____?
 _____ large part of _____ come _____ using atomic _____?
 How _____ a _____ do _____ have _____ atomic power?
 _____ a lot _____ supply come from atomic resources?
 _____ of electricity mostly _____ nuclear?
 What _____ your _____ nuclear _____ for generating _____ current?
 When making _____ generation _____ it _____ rely _____ nucleonic provision?
 How _____ of _____ electricity _____ nuclear _____?
 How _____ are _____ on _____ power for _____ production?
 _____ you using nuclear _____ supply?
 _____ dependent _____ energy for generating _____?
 Is your _____ supply _____ nuclear _____?
 Do _____ rely _____ power plants _____ generate _____?
 Are you dependent _____ atomic power _____?
 Are you reliant _____ technology _____ generate power?
 _____ much of your _____ atomic _____?
 _____ your electric supply _____ nuclear-generated _____?
 Do _____ depend on _____ power _____ make _____?
 Nuclear _____ electricity _____ something you depend _____.
 Are _____ heavily _____ on nuclear power _____?
 _____ you have _____ on _____ for juice, _____?
 Do you _____ nuclear _____ power?
 _____ electrical supplies mainly _____ sources?
 _____ you heavily _____ nuclear energy _____ electric _____?
 _____ anyone _____ how dependent ya'll are _____?
 _____ you _____ so much on using _____ generate _____?
 _____ energy to make power?
 _____ using _____ to generate electricity?
 Does _____ in _____ lot of _____ electric supply?
 Nuclear _____ in electricity _____.
 _____ upon nukes for generating _____?
 _____ reliant _____ on using _____ power to produce _____?
 _____ you _____ on the nuclear _____ plants _____ electricity?
 _____ nuclear power _____ you _____ on?
 Do _____ depend _____ power?

Are ____ electric ____ mainly ____ sources?
 ____ depend on ____ for generating ____?
 ____ on ____ for electricity production?
 ____ you heavily dependent on ____ your ____ needs?
 Do you ____ on ____ use ____ nuclear ____ for ____?
 Do ____ use nuclear energy ____?
 ____ much of ____ reliance is ____?
 How much ____ do ____ rely ____?
 Are ____ dependent ____ energy ____ Electricity?
 Is ____ a significant ____ your electric ____?
 ____ much is ____ on nuclear ____ up?
 Are ____ generating power with ____?
 ____ your reliance on ____ power ____ generating ____?
 Is a ____ of ____ derived from nuclear ____?
 ____ you rely on ____ use of ____ generate ____?
 How much ____ depend on ____ power ____ of ____?
 Are ____ reliant on using ____ to make ____?
 Are you so ____ energy ____ your ____?
 Do you depend on ____ technology ____?
 Are ____ very ____ upon nuclear ____ generate ____?
 Did a ____ your ____ supply come from ____?
 ____ much reliance ____ have on ____?
 ____ your ____ dependent ____ nuclear?
 Do you rely ____ with ____?
 How ____ ya'll ____ nuke ____ power?
 What is ____ on ____ electricity?
 Is ____ energy ____ for ____ electricity?
 ____ your ____ rely ____ nuclear?
 ____ you depend ____ power ____ electricity generation?
 ____ the ____ of ____ you ____ on atomic power for ____?
 ____ much ____ power ____ rely upon?
 Are you ____ the ____ of ____ technology to ____?
 Did ____ energy to produce ____?
 Do ____ use ____ energy ____ production?
 How ____ dependence ____ nuclear power ____ generating ____?
 Are you ____ upon ____ generating electricity?
 ____ on ____ for ____?
 ____ reckon ____ generation ____ mostly dependent on nuclear?
 ____ you think ____ of ____ electrical needs ____ attributed ____ nuclear ____?
 Are ____ to make power?
 Nuclear energy is ____.
 ____ a large ____ electric supply derived from ____ energy?
 ____ you think your ____ on ____?
 Should ____ depend on ____ for ____?
 ____ much ____ electrical output depends on ____ energy ____?
 How ____ rely on nuclear ____ in your ____?
 Do ____ rely ____ nucleo-electricity?
 Do ____ derive most ____ your electric supply ____?
 ____ large ____ of ____ electric supply ____ from ____ resources?
 Which ____ of ____ are you ____?

_____ you _____ how much of _____ electricity generation _____ attributed _____ _____ ?

Do _____ depend on _____ use _____ to _____ power?

_____ is _____ electricity _____ upon nuclear _____ ?

_____ much of _____ electrical production _____ on atomic _____ ?

Are _____ on _____ energy for _____ significant portion _____ supply?

What _____ of _____ comes _____ power?

_____ you _____ a lot _____ electric _____ with _____ energy?

Is _____ important _____ rely _____ nucleonic _____ to make electrical _____ _____ ?

Is _____ supply from _____ ?

Is electricity _____ nuclear _____ ?

Is there _____ significant _____ by nuclear energy?

_____ you _____ on _____ for _____ electricity?

_____ think _____ significant _____ your electricity generation is due to _____ ?

_____ your _____ supply mostly _____ sources?

_____ much _____ you reliant on _____ energy to _____ ?

_____ want _____ know _____ reliant _____ are on atomic _____ electricity.

How much _____ the _____ on atomic _____ sources?

nuclear _____ is _____ to _____

_____ you estimate _____ of your _____ production depends _____ sources?

_____ depend _____ power generating electrical _____ ?

When making electrical current _____ possible, _____ is _____ reliance _____ provision?

Are your electricity _____ upon _____ ?

Is _____ possible _____ measure _____ relies on atomic energy?

_____ to _____ nukes for electricity?

Is _____ of your electricity generation _____ ?

How _____ you _____ on _____ in generating _____ current?

_____ a _____ portion of _____ electrical _____ come from _____ ?

Can you _____ much of my electrical _____ relies _____ ?

Can _____ me _____ much of my electrical _____ on _____ ?

Is it possible to _____ much _____ production _____ on _____ energy sources?

Do _____ heavily _____ nuclear energy to _____ ?

Is nuclear _____ of electricity?

Is your _____ on _____ in _____ ?

Are _____ reliant on _____ for _____ production?

Are _____ of electricity highly _____ on _____ ?

_____ is your _____ on _____ power _____ produce _____ ?

_____ nuclear energy toGenerate electrical _____

_____ much _____ rely on nukes _____ power _____ ?

_____ of your electricity generation coming from _____ sources?

Nuclear _____ be _____ to _____ power.

_____ used _____ production of electricity.

What _____ the _____ of dependence _____ for _____ electricity?

Are you _____ nuclear _____ electricity?

Is _____ possible that your _____ is _____ nuclear _____ ?

Do _____ rely _____ nuclear power _____ electrical output?

_____ much _____ you need _____ electricity?

Is the _____ of _____ supply _____ from _____ ?

_____ you reliant on atomic _____ electricity?

_____ dependence on nuclear power?

_____ you _____ technology to produce _____ ?

Are _____ using atomic _____ electrical energy?
 _____ you dependent on _____ to _____.
 _____ you _____ using atomic power?
 How _____ do _____ use _____ generate power?
 Do _____ heavily on _____ for electric _____?
 Are _____ power _____ generating power?
 Are _____ upon _____ make electricity?
 Did _____ depend _____ nuclear _____ generate _____?
 Is _____ energy _____ main _____ electricity?
 _____ a _____ of your _____ output _____ nuclear power?
 When _____ current generation _____ is it _____ to rely _____ the _____?
 Is _____ electricity generation _____ energy?
 _____ much _____ a _____ you have _____ atomic power for _____?
 How many _____ rely _____ for electricity?
 Are _____ lot of _____ generation _____ to nuclear _____?
 _____ you _____ on _____ in _____ electricity?
 Do _____ rely on nuclear _____ electrical output?
 Are _____ dependent _____ for _____ generation?
 Do you _____ nuclear power to _____?
 How _____ you depend on _____ for generating _____?
 Is it _____ nukes for _____?
 Do you _____ nukes to _____?
 Are _____ using _____ power _____ lot?
 _____ you _____ nuclear-generated sources for _____ electric _____?
 How much _____ depend _____ power _____ produce power?
 _____ me how much _____ electrical _____ atomic energy sources?
 _____ you dependent on _____ use _____ power _____ electrical energy?
 Do _____ using nuclear power _____ electricity?
 _____ of electricity contingent _____ nuclear _____?
 Is a _____ attributed to nuclear _____?
 How much do _____ on _____ get electricity?
 _____ rely upon _____ power _____ electricity?
 _____ dependent _____ use _____ nuclear power plants?
 Are _____ the use of _____ plants _____ electricity?
 _____ reliant _____ nuclear _____ for generating _____?
 _____ a _____ of your _____ generation _____ from nuclear _____?
 Do _____ much on nuclear energy _____ power _____?
 _____ you _____ nukes _____ generating power?
 Does _____ your electricity come from using _____?
 _____ greatly on _____ energy for electric _____?
 _____ making electrical current generation possible, _____ reliance _____ nucleonic _____?
 Nuclear power _____ be heavily _____ on _____ generate _____.
 Is _____ largely _____ generation?
 _____ you dependent on _____ power?
 _____ you _____ dependent _____ energy for _____?
 _____ generation of _____ dependent _____ nuclear?
 _____ considerable portion of _____ electric _____ come _____ atomic resources?
 _____ dependent _____ atomic _____ to generate _____?
 Are _____ reliant on _____ to _____?
 What _____ dependence on nuclear _____ to _____ current?

Do you rely _____ nuclear _____?

_____ you tell me how _____ electrical production _____ atomic _____?

Are _____ aware _____ much of _____ electricity _____ nuclear power?

_____ you _____ nucleo-electricity?

nuclear _____ electricity?

Is _____ true _____ of _____ energy to produce power?

_____ there _____ significant proportion of electricity _____ that _____ from _____?

_____ your _____ dependency when it comes to power?

Do _____ typically use _____ production?

Do _____ so _____ nuclear technology to _____ power?

Are _____ dependent on atomic _____ to be _____ generate _____?

Are you _____ nuclear energy _____?

Does _____ your electric _____ come from atomic _____?

_____ you _____ nuclear _____ to generate electricity?

_____ power generation mostly _____ on _____?

_____ nuclear dependency when it comes to generatin' _____?

_____ reliant _____ nuclear _____ for electricity?

What is it _____ on _____ for _____?

Is using _____ power for _____ dependent _____?

How much _____ your _____ nukes?

_____ nuclear power _____ you rely _____?

How _____ do you rely _____ in _____ generation?

Are _____ electrical energy with atomic _____?

What amount _____ you depend _____?

_____ your electric _____ come from _____?

How much _____ reliance _____ nuclear _____?

How much do _____ on nuclear _____?

_____ is _____ level of _____ on _____?

How much _____ atomic power _____?

How much depends _____ power _____?

Does the majority of _____ come from _____?

Do _____ power to generate electricity?

_____ you dependent upon _____ electrical _____ atomic _____?

_____ you rely _____ nuclear power _____ electricity?

_____ on _____ for _____ folks?

_____ you _____ most _____ your _____ supply _____ using atomic resources?

How much _____ a dependence _____ there?

Do _____ rely as _____ nuclear energy _____ produce _____?

How much do you _____ power _____ electricity _____?

Nuclear _____ is _____ depend on _____ electricity.

_____ your _____ generation be _____ nuclear _____?

_____ the _____ of _____ power for _____?

Do _____ use _____ energy for electricity?

How much _____ you _____ on for _____?

_____ rely on _____ electricity?

Is _____ generation reliant _____?

Do you _____ on _____ generating _____?

_____ we _____ on nukes _____ juice _____?

_____ you _____ nuclear _____ to _____ electricity?

Are _____ nuclear power plants _____ energy?

Are _____ upon generating electrical _____ power?

_____ you reliant _____ use _____ to _____ power?

Are you dependent on _____ power _____?

How reliant _____ feel _____ nuclear power _____ generation?

Are you very dependent _____ power _____ energy?

Are _____ atomic power _____ power needs?

_____ heavily dependent on nukes _____?

Does a _____ your _____ come from _____ resources?

_____ you dependent on _____ Energy _____?

How _____ you _____ atomic _____ to produce _____?

Are you _____ on _____ power _____.

Nuclear energy can _____ to _____.

What's your dependency on _____?

Do you typically _____ supply _____ sources?

_____ power in _____?

Nuclear power may be _____ significant _____ generation.

_____ a _____ part _____ your _____ come from _____ resources?

_____ the _____ of your _____ derived _____ atomic resources?

_____ dependent _____ use of nukes to produce _____?

Are you _____ on nuclear _____ needs?

How much nuclear energy _____ to _____?

_____ you rely on using _____ power _____ to _____?
