

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Technical support for alarm system
Inquiry Sub-Category	Battery replacement and power issues
Description	Providing guidance on replacing batteries in alarm system components, troubleshooting power-related issues, and ensuring that the system has an uninterrupted power supply.
Data Size	6,975 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

____ motion sensor keeps losing power, what ____ ____ ____ ____ ?

I ____ ____ motion sensors ____ dropping.

I have ____ sensor that has ____ ____ ____ .

____ sensor loses ____ often.

I have ____ detector that ____ some ____ drain ____ ____ .

There is ____ ____ about ____ ____ loss ____ ____ motion sensor.

What ____ the ____ ____ the ____ ____ conking out?

____ do my motion ____ ____ power ____ ?

____ my ____ sensor ____ ____ powered off?

____ there any ____ ____ ____ ____ the power to go down in ____ ____ sensor?

____ advice ____ ____ might ____ causing ____ motion sensor to stop ____ ?

____ loss ____ ____ motion ____ what ____ the reason?

Do ____ ____ is ____ ____ continuous power drain in the ____ ____ ?

What is ____ root cause ____ my motion sensor ____ ____ ____ ?

Does the ____ detector have ____ ____ ____ ?

I have a ____ ____ ____ ____ my motion detector.

Why ____ ____ sensor ____ in ____ ?

____ does ____ sensor decline ____ ____ ?

I ____ ____ if there is ____ ____ my motion ____ ____ power.

My ____ ____ is ____ ____ regularly.

____ ____ reason ____ ____ motion ____ is constantly losing power?

What in the ____ is gone wrong ____ ____ ____ ?

____ don't ____ why my ____ ____ ____ power consistently.

What ____ cause the ____ power ____ ____ my ____ ?

Can ____ explain why ____ ____ sensor's ____ ____ dropping?

Is there ____ reason ____ ____ loss ____ motion sensor ____ ?

what is going ____ ____ my ____ ____ ?

The ____ ____ has ____ ____ power.

Is _____ a reason _____ my _____ loses _____ ?
Why did _____ power _____ frequently?
_____ cause the _____ to lose _____?
_____ has a power _____.
_____ my _____ power very frequently?
_____ does _____ sensor go _____?
_____ no idea why _____ sensors _____.
What could _____ causing the _____ in my _____?
The _____ is _____ frequently.
I _____ lost _____ motion detector several _____.
_____ need to know _____ motion detector _____ power.
Why _____ motion _____ losing _____?
What causes _____ to work?
My _____ loses power _____.
I'd like _____ why my _____ sensor keeps _____ source.
_____ causes my _____ sensor _____?
_____ a _____ motion sensor always _____ power?
There _____ been frequent _____ loss _____ the _____.
_____ could be causing _____ to lose _____ motion _____?
My _____ sensor is _____ more _____.
What _____ be the _____ of _____ power loss _____?
_____ my _____ Sensor lose _____?
_____ motion sensor die so _____?
What causes my motion _____?
_____ wondering _____ my _____ sensor _____ losing power.
_____ detector _____ what _____ happening in the world?
_____ seems _____ the _____ sensor dies _____.
_____ is _____ the lost power _____ detector.
What is _____ to _____ power so much?
I _____ my _____ sensor _____ dying.
Does _____ know _____ motion _____ work?
Unreliable motion sensor _____ it.
Why does _____ motion _____?
_____ could possibly cause _____ power _____ sensor?
_____ don't know why _____ power so frequently.
_____ causes my _____ to _____ power?
_____ do _____ motion sensors _____ losing _____?
Any idea as _____ my _____ losing power?
_____ does my _____ lose _____ repeatedly?
Why does _____ lose _____?
There's a _____ my motion _____.
_____ is _____ motion sensors _____ dyin'.
_____ answer _____ my motion sensor keeps _____ power?
_____ does the _____ give _____ power?
_____ lost power in _____ sensor.
_____ is _____ my motion sensor _____ problems?
What's the _____ of _____ sensor _____ power frequently?
I don't understand why my _____.
There could be a cause _____ constant _____ in _____.
I _____ a _____ is _____ power.

I have ____ motion sensor ____ has ____ power ____.
 ____ idea ____ my sensor is losing ____?
 ____ is the ____ lost power ____ my ____?
 There might ____ with my ____.
 Why ____ the motion ____?
 What ____ leading ____ power drain in ____ detection ____?
 I have a motion ____ lost ____.
 ____ a motion ____ lost power frequently.
 ____ causes ____ motion ____ to be ____?
 What ____ my ____ to be ____?
 ____ my ____ to malfunction?
 I'm having ____ in my motion ____.
 I need ____ causing my motion sensor to ____.
 ____ need ____ on ____ is causing ____ motion sensor ____ lose ____ frequently.
 There's ____ loss ____ my ____ sensor.
 Why ____ motion ____ energy?
 ____ there ____ why my motion sensor loses ____?
 Any idea ____ to ____ motion ____ losing power so ____?
 ____ sensor's power decreasing?
 What could ____ sensor's ____ loss?
 I wonder why ____ my motion ____ dropping.
 What ____ the ____ my motion sensor ____ power ____?
 ____ motion sensor ____ what ____ it?
 ____ a constant power loss ____ motion detector.
 ____ a motion ____ that is ____ so often.
 ____ causes ____ my ____ sensor?
 ____ understand why my ____ dies.
 ____ could ____ the ____ of my motion sensor ____ power ____?
 There ____ frequent loss ____ power ____ motion sensor.
 ____ come ____ in ____ detector is so bad?
 Is ____ a ____ my ____ isn't working?
 Motion ____ what is ____?
 ____ no ____ to why ____ motion sensors keep ____.
 I ____ know ____ is ____ drain ____ my detector.
 ____ have ____ with my motion sensor ____.
 What ____ cause my sensor ____?
 What caused ____ power ____ motion ____?
 ____ does ____ sensor have less ____ it used ____?
 Why don't ____ detection ____ sufficient ____?
 ____ happening to my ____ sensor ____?
 Why ____ the ____ sensor dying ____?
 ____ does my sensor ____?
 ____ my sensor loses power?
 ____ anyone ____ my motion sensor ____ its ____ source?
 What is ____ reason ____ sensor keeps ____?
 ____ clue as to ____ the ____ sensors keep ____?
 ____ clue why ____ keep dyin'.
 ____ motion ____ dies ____ to time.
 ____ do my motion sensor ____?
 I ____ motion detector ____ has ____ power ____ it.

____ motion sensor ____ power ____.
 ____ root cause ____ my ____ sensor ____ frequently ____ unknown.
 ____ my ____ lose ____ so many times?
 The ____ is dying more ____.
 ____ my motion ____ always stop ____?
 ____ come ____ is ____ power?
 Is ____ reason why the power ____ motion sensor ____?
 ____ would ____ to know ____ motion sensor ____ loses ____.
 ____ motion ____ malfunctioning often?
 How to fix ____ low ____ problem on ____?
 ____ my ____ to lose power?
 ____ why motion ____ keep ____.
 Why does ____ sensor ____?
 Something ____ be ____ cause ____ frequent ____ in ____ motion sensor.
 My motion ____ why?
 ____ isn't ____ motion ____ working?
 ____ electricity ____ my motion ____?
 Why ____ power ____ the sensor?
 What ____ cause the ____ in ____ sensor?
 ____ keep dyin', ____?
 ____ my motion ____ troubles?
 I can't ____ why my motion ____ turning off.
 Is ____ for the ____ in my ____ detector.
 ____ ideas on ____ root cause ____ my ____ sensor ____ frequently?
 ____ the motion sensor ____ conkin' ____?
 What is causing ____ periodic ____ of ____ power ____ motion ____?
 Why ____ there ____ for sensor?
 ____ sensor always dead?
 ____ my ____ lose electricity ____ times?
 How ____ sensor is ____ power ____?
 ____ motion detector loses ____ at ____.
 I have a ____ keeps ____ power ____.
 Why ____ motion ____ Losin' Power?
 The ____ sensor ____ several times.
 What causes ____ motion ____ lose ____?
 There ____ mysteries ____ motionsensor ____.
 ____ come ____ sensor ____ power?
 ____ the ____ my ____ sensor losing ____?
 ____ is a ____ power loss.
 ____ won't ____ give me enough ____?
 Do you ____ has ____ power loss?
 Why ____ motion ____ losing ____ so ____?
 ____ there ____ reason ____ sensor has trouble?
 ____ have been having issues ____ motion sensor.
 What ____ the ____ sensor losing power?
 ____ root ____ is of my motion ____ losing power frequently.
 ____ is ____ the motion detector.
 ____ the ____ of my motion ____ not ____?
 ____ causes ____ motion sensor to ____?
 ____ the ____ of ____ losing in my ____?

Why do ____ motion ____ electricity ____?
____ unreliable motion sensor power.
____ motion ____ power regularly.
What causes ____ to turn ____?
____ it ____ loss of power ____ sensor?
How ____ my motion ____ power ____?
____ detector has ____ power on ____.
The motion ____ power ____.
____ won't work?
What's ____ on with ____?
____ does my ____ lose ____?
What's ____ crummy ____ in my ____?
____ this in ____ detector?
Power ____ my motion ____.
____ want to know why the motion ____.
It ____ like ____ motion ____ is ____.
____ Motion Sensor lose power ____?
____ could be causing my ____.
I don't know why ____ loses power ____.
There ____ be a reason ____ the ____ motion sensor.
There ____ to unreliable motion ____.
Motion ____ dyin ____
Do I have ____ sensor?
____ the motion detector ____?
____ want to ____ cause ____ my motion sensor losing power frequently.
my ____ power
____ could my ____ lose ____?
____ to know ____ motion sensor ____ power.
Any ____ caused my ____ sensor ____ power frequently?
____ no clue as ____ keep dyin'.
____ loss ____ battery in motion ____?
____ sensor getting powered ____?
____ a motion ____ to stop ____?
I ____ to know what's ____ the ____ drain in ____.
How ____ correct the ____ issue on ____ motion ____?
What ____ recurrent ____ of power in my motion ____?
____ loss in my motion ____ be the ____.
____ idea on ____ root cause of ____ motion ____ working ____?
____ there ____ reason my ____ working?
____ wonder ____ motion ____ keeps dying.
What causes ____ sensor ____?
____ there a ____ frequent power loss ____ motion sensor?
____ is ____ my motion ____ to ____ getting ____ off?
____ are keeping ____.
Why ____ the motion ____?
There ____ an issue ____ the ____ my ____ detector.
What ____ of frequent ____ losses in ____ sensor?
____ is causing ____ frequent issue of lost power ____?
____ having my motion ____ lose ____ frequently?
Are ____ able ____ me why ____ motion sensor ____ power?

_____ did the _____ sensor _____ power?

There is _____ motion sensor _____ frequently.

_____ lost power in _____ detector.

_____ motion detector _____ dyin', what _____?

What _____ cause _____ detector's lost power?

_____ causing my _____ to _____?

_____ the power loss _____ my _____ to _____?

_____ motion detector _____ constant _____ loss.

_____ looking _____ on what might _____ my motion _____ to _____.

_____ my sensor to _____ power _____ often?

_____ the cause of _____ the _____?

What's _____ my _____ power consistently?

_____ motion _____ has a _____.

Is there _____ the frequent power loss _____ motion _____?

_____ a motion _____ lose power?

Why does _____ electricity _____?

_____ is _____ lost power _____ my _____?

_____ as _____ why _____ sensor keep _____.

_____ are the _____ of _____ motion sensor _____?

_____ any cause _____ the constant _____ loss _____ my _____?

Why _____ detection _____ sufficient energy?

I am wondering _____ there _____ advice on _____ motion sensor to _____.

What causes _____ be _____?

_____ does my _____ die?

Is the _____ power loss _____ sensor due _____?

_____ there _____ reason _____ sensor loses _____ frequently?

I need advice _____ what might be _____ the _____ my motion _____.

_____ sensor _____ lose power?

Is there _____ reason _____ my _____ loses power?

_____ on with _____ motion _____ not working?

_____ is causing the _____ drain?

_____ cause _____ the crummy power _____ my detector?

_____ is causing _____ power _____ drain _____ my _____?

Is _____ a cause _____ the continuous power _____ me _____?

_____ the _____ sensor _____ off?

_____ causing the loss _____ power _____ motion _____?

_____ problems with my motion _____

Why _____ my motion _____?

_____ is a motion _____ power _____.

Motion _____ clue why.

Do _____ know _____ my motion sensor's _____?

I _____ motion _____ that _____ loses _____.

_____ might be causing _____ to _____ work?

What is the cause _____ sensor _____ consistently?

_____ like to know _____ my _____ sensor _____ power.

_____ I possibly cause _____ power loss _____ motion _____?

_____ why _____ in my _____ sensor is dropping?

What is _____ frequent power _____ motion sensor?

They _____ no clue _____ motion _____.

_____ detector might _____ frequently.

There ____ continual power ____ my ____.
 ____ is a frequent loss ____ my Motion ____.
 ____ a reason ____ sensor ____ not ____?
 ____ have an ____ with lost ____ in ____ motion ____.
 ____ can't ____ my ____ sensor keeps losing ____.
 Is ____ cause of the ____ loss ____ sensor?
 ____ motion sensor that is losing ____ so ____?
 ____ my ____ sensor fail ____?
 What causes ____ sensor ____ down?
 Why isn't ____ device keeping ____?
 ____ the ____ sensor ____ functioning?
 ____ have ____ clue as to why ____ sensors ____.
 Any ____ as ____ cause ____ my ____ sensor ____ power frequently?
 ____ sensor ____ loses power.
 ____ in the world when ____ keeps dyin'?
 ____ there ____ the lack of power in ____?
 ____ motion ____ not last?
 What ____ my motion sensor ____?
 ____ motion ____ may suffer ____ power ____.
 ____ the ____ motion sensor shutting ____?
 ____ is ____ the issue ____ my ____?
 ____ know ____ causing the power drain ____ detector?
 ____ is happening to the ____ my ____?
 ____ is ____ power loss ____ motion ____.
 What ____ be causing ____ malfunction?
 What is ____ my motion ____ lost ____?
 ____ a ____ issue with ____ power ____ my motion ____.
 How ____ I fix ____ on ____ motion ____?
 ____ the motion sensors ____ work?
 Can anyone ____ in my motion detector is ____?
 My motion ____ power ____.
 ____ power in ____ detector.
 What is ____ my ____ power?
 ____ there a ____ sensor isn't ____?
 What ____ causing ____ to ____ working?
 What's going ____ with ____ of my ____?
 Why ____ sensors ____ lose ____?
 Why is ____ detector ____?
 Do ____ have ____ clue as ____ why ____ losing power?
 What might ____ causing ____ to ____ power regularly?
 ____ come my detection ____ will ____ retain ____?
 ____ does ____ motion ____ fail ____ frequently?
 ____ Motion ____ lose power?
 Why ____ my sensor ____ so ____?
 I have a ____ that ____ a ____ loss ____.
 ____ there a ____ for ____ lack ____ in my ____ sensor?
 There's ____ drain ____ my ____.
 ____ causes my ____ power ____?
 ____ sensor ____ of power frequently.
 ____ not ____ what's causing ____ sensor to ____ working.

_____ motion sensor die _____?

_____ motion detector _____ power.

_____ frequent power loss _____ my sensor?

_____ could be the _____ of power _____ sensor?

What _____ wrong with _____ dead _____?

What is the _____ loss _____ my _____?

Why _____ my _____ device _____ energy?

Why _____ my motion _____ no _____?

_____ do _____ why the power in my _____ sensor _____?

_____ power in _____ motion detector.

What _____ loss in my _____?

What _____ the _____ power loss in _____ sensor?

_____ there a _____ my sensor is _____?

What _____ the cause _____ crappy _____ the detector?

_____ on what's _____ motion sensor to stop _____.

_____ dumb motion _____ die?

_____ sensor _____ powered up.

_____ is _____ motion sensor _____ conkin'?

_____ sensors keep _____?

My _____ always dying.

There is _____ with lost _____ my motion _____.

_____ my motion _____ to _____?

_____ makes _____ sensor _____?

_____ a problem with _____ in _____ detector.

_____ keep dyin'?

What is _____ with _____ motion _____?

_____ my sensor keeps losing power.

_____ a motion _____ and it _____ getting _____ off.

_____ does the _____ functioning?

_____ was wondering what _____ causing the _____ my _____ detector.

_____ need advice _____ what _____ motion sensor _____ run out _____ regularly.

_____ there _____ reason _____ the power losing _____ sensor?

I have a motion detector _____ an _____ power _____.

What _____ the _____ issue?

What's causing _____ in the _____?

_____ have _____ which keeps _____ off.

Got _____ motion sensors _____ dying?

my _____ keeps dying

_____ a _____ sensor _____ loses power?

_____ know _____ motion sensor _____ working?

_____ the _____ for _____ losing power?

There's a _____ powered off.

_____ electricity with _____ motion sensor?

What _____ my _____ sensor to _____?

There has _____ in my motion sensor.

There's _____ lost power in _____ detector.

Why _____ vanished from _____?

_____ know _____ sensor _____ its power?

How do _____ the power _____ in _____ motion detector?

_____ my sensor to _____ so _____?

Why is ____ motion ____ ____ ?
Why the power ____ sensor ____ ?
What ____ motion sensor to ____ ?
____ motion sensor's ____ problems?
____ is ____ of ____ power ____ in ____ motion sensor.
____ have a ____ and ____ power is ____ it.
____ the ____ my sensor keeps ____ ?
____ is ____ lost in ____ sensor.
There are ____ regarding ____ .
Why do my ____ ?
Why does ____ motionsensor ____ ?
____ know ____ motion sensor ____ losing its power ____ ?
Why do ____ sensor ____ frequently?
Where is the ____ of ____ loss ____ sensor?
I need advice ____ what ____ my ____ to stop ____ .
Motion ____ keep dyin', ____ don't ____ .
What ____ the ____ motion sensor ____ conkin' out?
I'm ____ a ____ drain ____ detector.
I ____ why my ____ keeps turning ____ .
____ is ____ sensor ____ so ____ ?
____ do ____ keep losing power?
____ dyin', is ____ why?
____ did ____ motion sensor ____ electricity ____ ?
What's ____ with ____ ?
____ the ____ of the lost power in ____ ?
How do I ____ sensor ____ power?
There ____ sensor ____ keeps losing ____ .
What could be ____ power so often?
____ wondering why ____ motion ____ turning off.
How do I know ____ sensor ____ power?
Why ____ stupid motion sensor ____ ?
____ do my motion ____ power ____ ?
My ____ losing power, what ____ cause?
____ be ____ on with my ____ ?
____ sensor failing?
____ have ____ the motion dead ____ ?
____ a cause ____ frequent ____ loss ____ my sensor?
There ____ a ____ the motion sensor.
I have ____ gets powered ____ .
____ sensors ____ dyin'.
There are ____ behind ____ sensor ____ .
____ is ____ of power to my ____ .
I ____ know why ____ dyin'.
____ power issues ____ the ____ sensor.
Is there a ____ sensor stops ____ ?
What is causing a ____ ?
My ____ losing ____
____ loses power.
I have a motion ____ loses ____ and ____ .
I ____ curious ____ why ____ loses power.

How ____ my ____ its power ____?

I have ____ and ____ in ____ keeps dropping.

____ for my motion sensor's low ____?

____ detection ____ keep enough energy?

____ understand why my motion sensor keeps ____?

What ____ reasons for ____ in ____ sensor?

____ wondering why ____ motion sensor ____ losin' ____.

____ motion ____ it loses power constantly.

Do you know ____ the me detection unit?

Why do I ____ motion ____ that ____ loses ____?

What is causing ____ to ____ its ____?

____ causes motion sensor ____?

____ cause the ____ power loss in ____?

____ may be causing ____ sensor to ____ power ____?

Why ____ in ____ motion sensor go ____?

____ is ____ cause ____ issues ____ motion sensors?

Do ____ the me detection ____ is ____ low ____ power?

A ____ has power ____.

What ____ sensor to malfunction?

Why ____ motion sensor's power ____?

____ did my ____ repeatedly lose ____?

____ sensors keep ____ why?

____ to ____ why my ____ losing its ____ source.

____ causes ____ sensor's ____?

Powers ____ with my ____?

I'd ____ know ____ might ____ causing ____ motion sensor to ____.

Is there ____ reason ____ my ____ loses power ____?

____ there a ____ my ____ sensor ____ losing its ____?

What ____ have ____ frequent ____ loss ____ my motion ____?

____ motion ____ repeatedly loses ____.

Is there ____ root ____ of ____ sensor ____ power ____?

____ is ____ my ____ sensor dropping?

____ don't know why ____ dyin'.

____ have ____ sensor that keeps ____ powered ____

There are ____ about the ____.

Is ____ cause of my motion ____ power so ____?

____ wrong ____ motion sensor?

I don't ____ my ____ device won't ____ enough ____.

____ cause for my motion ____ losing power ____ frequently?

____ is my ____ longer ____ electricity?

Why ____ sensor ____ continually?

I'm ____ to ____ out ____ is ____ my motion ____ lose ____ frequently.

Why ____ my ____ frequently?

____ the trouble with ____ motion ____?

____ stops working ____ what's wrong?

It ____ that ____ motion sensor ____.

____ is my ____ sensor ____ functioning?

____ a root cause ____ my motion sensor ____?

There is a lot ____ in my ____.

____ want ____ if there is ____ cause behind ____ sensor losing ____ frequently.

_____ my motion _____ lose _____.

_____ problems with the _____ drain in my _____.

_____ does _____ sensor _____ die?

What in the _____ is _____ with _____ _____?

_____ the _____ for the frequent _____ in my motion _____?

_____ you _____ causes my motion _____ stop working?

Why _____ this _____ a motion _____?

Is there _____ cause _____ drain in my _____?

_____ the _____ my _____ not working?

Why did _____ sensor _____ power?

_____ is _____ motion _____ a _____ battery.

Why is _____ motion _____.

_____ be losing power.

_____ is _____ of lost _____ my _____ detector?

_____ could _____ be _____ my motion _____?

_____ my motion _____ malfunction?

_____ less power in _____ motion _____.

_____ does _____ stop working.

_____ the _____ be with _____ motion _____?

_____ world is this _____ detector _____?

What _____ my motion _____?

_____ power from _____ gone?

Which causes the power _____?

_____ the cause _____ losing power?

_____ reason for my sensor's _____ of _____?

I have _____ which _____ power _____.

Power _____ motion sensor

How _____ my _____ keeps _____?

I _____ on what's causing _____ motion sensor _____.

There is a _____ out.

_____ causing this in _____?

What _____ the _____ wrong, my _____ detector?

Is _____ the _____ of _____ my motion sensor?

Any _____ what _____ my _____ sensor _____ power?

_____ idea why _____ motion _____ is _____?

What _____ causing my _____ to lose _____?

Why _____ motion _____ work anymore?

_____ the motion _____ losin'power?

_____ the power _____ in my _____?

What causes _____ power _____ motion sensor?

There is _____ reason _____ sensor continually loses _____.

_____ do _____ motion sensor _____ electricity _____?

What is the cause _____ power losing _____?

_____ my motion sensor not turning on?

_____ the _____ with _____ motion _____ getting _____ off?

_____ might be _____ with my _____?

What might _____ sensor to _____ so _____?

I _____ the _____ of power _____ my sensor.

There is _____ issue _____ the motion _____.

_____ is _____ my motion _____ to _____ power _____ more?

What _____ causing _____ lost _____ my _____ detector.

_____ be causing _____ motion _____ fail?

There _____ in _____ motion detector.

_____ have a motion detector _____ drain on _____.

_____ you have _____ insight _____ motion sensor is _____?

_____ have a motion _____ and _____ losing _____ source.

_____ do my _____ sensors _____ power _____?

_____ causing my motion sensors _____?

_____ need _____ idea on what's _____ power _____ in _____ detector.

_____ know what causes my _____ lose power.

power issues _____ my _____?

_____ the power in my _____?

_____ motionsensor _____ mysteries behind it.

_____ is _____ loss of power _____ motion _____.

_____ is _____ motion _____ that _____ loss.

_____ have _____ motion _____ loses _____ frequently.

_____ is causing _____ sensor _____ lose power _____ often.

What _____ on _____ the battery of _____ motion _____?

There _____ the power drain _____ the _____ detector.

_____ thingamajig _____ keeps turning off, any ideas _____?

_____ could possibly have _____ frequent _____ my motion sensor?

_____ a _____ power drain issues.

Do _____ know _____ my sensor _____ its _____?

_____ sensor keeps _____.

_____ looking for advice _____ may _____ causing my motion _____ to _____.

_____ losing _____ my _____ sensor.

I have _____ motion _____ that _____ dropping _____.

_____ like to know what's causing my _____ its _____.

What is causing _____ power _____ detector

_____ a recurring issue _____ lost power _____ detector.

I _____ why _____ sensor _____ dying.

_____ my sensor to _____ power?

What's the _____ of _____ sensor _____ its _____ source?

Is there _____ why my _____ losing power?

Why does my _____?

The _____ has _____ drain _____.

_____ caused my motion sensor _____?

_____ motion _____ keep dying.

Why _____ the _____ last?

Frequent _____ loss in _____ sensor could _____ the _____.

_____ might _____ causing _____ motion sensor to _____?

Why _____ malfunctioning so _____?

_____ does _____ sensor _____ dying.

_____ motion sensor _____ keeping _____.

Why does my motion _____?

_____ there _____ reason _____ loss of _____ in the motion _____?

_____ is the _____ loss _____ power in _____ sensor?

power loss _____ motion _____

_____ causing _____ motion detector's _____?

Is _____ a reason why _____ motion _____ frequently _____?

Power ____ with my ____ ?

There ____ power ____ my motion ____.

Why ____ sensor ____ so often?

Could there ____ reason ____ battery ____ of the detector?

____ is my ____ sensor ____ normally?

____ you ____ to explain why ____ power ____ my motion ____ ?

____ behind unreliable motion ____

Why ____ motion ____ not ____ properly?

What's the ____ my ____ its power source?

I ____ motion sensor ____ loses power ____.

____ want ____ what ____ causing ____ power drain in my ____.

____ my detection ____ retain ____ energy?

There were ____ motionsensor ____.

The ____ sensor ____ no ____ why.

The ____ of power ____ motion sensor ____ not ____.

What in the ____ wrong with my ____ ?

The ____ sensor keeps ____ source.

Why is ____ Motion ____ ?

____ in the ____ with my motion ____ ?

____ my motion ____ to ____ repeatedly?

Are you able to explain why ____ loses ____ ?

____ have a ____ that ____ getting ____ off.

Why does ____ continually ____ electricity?

____ there be ____ my ____ sensor?

____ root ____ my ____ sensor losing power frequently?

Why would ____ not retain ____ ?

____ why ____ motion sensors keep ____ ?

____ am in ____ of ____ on what ____ sensor to lose power ____.

____ don't know ____ my sensor keeps ____ its ____.

____ my ____ sensors ____ problems?

There are ____ motionsensor ____.

What causes ____ motion ____ to ____ ?

____ wonder if there ____ a ____ for the ____ loss ____ in ____.

What is causing ____ issue ____ ?

____ motion sensors keep dyin'?

What ____ with the world, ____ motion ____ keeps ____ ?

I ____ explain ____ my motion ____ keeps ____.

____ need ____ advice ____ is causing my ____ sensor to ____.

____ sensors ____ dyin', but ____ ?

What causes the ____ ?

A ____ keeps losing ____.

____ is the ____ my ____ sensor ____ off?

____ a constant power loss ____ detector.

____ sensor ____ losing power ____ ?

Is ____ any ____ my ____ keeps losing ____ ?

Is ____ root cause behind my motion ____ often?

Why does my ____ ?

How ____ my ____ problems?

We ____ the motion ____ keep ____.

How ____ my ____ dead?

_____ in the world is _____ with my _____ detector.

What _____ on with _____ in _____ motion sensor?

_____ motion detector have a _____?

_____ any clue _____ to _____ motion _____ dying?

_____ the cause of _____ my _____ detector?

Why _____ my _____ dead?

_____ does my _____ lose power _____.

My _____ sensors aren't _____ to _____.

_____ is a _____ sensor _____ keeps _____.

What is _____ with the _____ loss in _____?

_____ continual _____ sensor could be caused.

What is causing _____ power drain in _____?

_____ can _____ motion _____ power frequently?

_____ causing _____ in _____ sensor?

Why is _____ going down?

_____ me why the power _____ my sensor _____?

_____ cause of the _____ loss in _____ detector?

_____ does the _____ sensor keep _____?

_____ causes the _____ sensor _____ not _____?

Why _____ my _____ electricity?

_____ loss _____ my motion sensor - _____?

_____ you _____ my _____ sensor _____ working?

What is the _____ sensor?

I _____ why _____ motion thingamajig keeps _____ off.

_____ is _____ my _____ power loss?

Why _____ motion sensor always _____?

Why _____ motion sensor _____?

_____ is my sensor _____ the _____?

_____ is _____ the losing _____ in _____ motion detector?

_____ causes the _____ sensor's _____?

The _____ power loss.

_____ worried _____ cause of my _____ sensor losing _____ frequently.

_____ do _____ Motion sensor _____?

_____ for _____ power drain in the motion _____?

_____ are power problems with _____.

What _____ in _____ world that _____ motion _____ keeps _____?

_____ is the cause _____ power _____ the motion _____?

_____ come my _____ sensor _____ out _____?

I _____ advice on _____ causing _____ motion sensor _____ power.

_____ motion _____ keep losin power?

_____ is a _____ sensor _____ sometimes.

What could _____ caused _____ power _____ in _____?

What is _____ root _____ sensor losing power a _____?

I do not _____ sensors _____.

_____ is getting _____ off.

What _____ causing _____ to lose _____ consistently?

I _____ as to why _____ motion _____ losing _____.

_____ you have _____ knowledge _____ why _____ sensor is _____ power?

I'm _____ to figure _____ my _____ sensor is losing _____.

_____ there _____ reason _____ does not work?

I _____ know why my _____ keeps _____ its _____.
 _____ don't _____ why motion _____ keep _____.
 What could _____ my _____ malfunction so often?
 I'm _____ why _____ sensor doesn't _____.
 Is _____ frequent power _____ in _____ motion _____?
 What _____ the _____ for frequent _____ my sensor?
 _____ with the motion _____?
 _____ motion _____ has trouble _____.
 Is there _____ advice _____ what's _____ my _____ sensor _____ run out _____?
 _____ having _____ lose power frequently.
 _____ could cause _____ loss _____ sensor?
 _____ sensor constantly dies.
 _____ a _____ sensor that _____ loses _____.
 I need _____ know _____ motion _____ loses power _____.
 _____ does my stupid _____.
 There may _____ a cause for _____ loss _____ sensor.
 Why _____ motion _____ dying _____?
 I was _____ my _____ always dead.
 _____ sensors stay _____ why.
 _____ motionsensor _____ mysteries _____ them.
 _____ motion _____ power loss.
 _____ lost power _____ my motion detector.
 What could _____ be _____ frequent power _____ my _____?
 I'm _____ a problem _____ drain _____ the motion _____.
 Do you know why _____?
 Why _____ the _____ keep _____?
 There is _____ that _____ off.
 What _____ motion _____ is getting powered off?
 _____ a _____ sensor _____ losing power.
 _____ my motion _____ constantly _____ power?
 What _____ the _____ why my _____ constantly loses _____?
 There _____ clue why _____ sensor _____.
 _____ need advice on _____ is _____ sensor to _____ power _____.
 _____ the _____ my motion sensor _____?
 _____ is the _____ cause of _____ sensor _____ working?
 What could _____ to _____ often?
 _____ are _____ behind _____ motionsensor _____.
 What causes _____ go off?
 _____ has some issues with _____.
 There are power _____ motion _____.
 There were _____ with _____ motion _____.
 _____ my motion _____ power problems _____?
 The _____ sensors keep _____ no _____.
 What _____ cause of the _____ my _____ detector?
 What causes _____ power _____?
 _____ got a _____ that _____ losing its _____ source.
 What _____ my sensor _____ power _____?
 What _____ causing _____ motion sensor _____?
 _____ my motion sensor _____?
 Do _____ causing the _____ power drain _____ my _____ unit?

_____ sensors keep _____?

I _____ motion sensor and _____ power _____.

_____ a low power _____ with my _____.

_____ the motion _____ problems?

My _____ powered off.

What _____ my motion _____ not to _____?

_____ caused _____ frequent power _____ in my sensor?

Why _____ the _____ losing _____?

_____ doesn't _____ detection device _____ energy?

_____ it _____ for _____ motion sensor to _____ power _____?

_____ has _____ from the _____?

_____ do the _____ frequently?

Why do my _____ lose _____?

There is a motion _____.

_____ you _____ my _____ sensor to lose power?

Why does _____ motion sensor _____ use it?

Is _____ a _____ the motion _____ not _____ work?

_____ have a motion _____ it's _____.

_____ know why _____ sensor loses _____.

_____ this motion sensor _____ power.

_____ is _____ power drain _____ my motion detector?

I have _____ motion sensor _____ loses _____ basis.

I have _____ motion detector, what _____ going _____?

I was wondering if _____ sensor losing power frequently.

What is the _____ motion _____ losing power _____?

_____ is causing the _____ motion _____?

_____ causing lost _____ in the _____?

Is there a _____ power loss _____ my _____?

_____ has _____ sensor _____ juice?

_____ is _____ of power _____ in _____ Sensor?

Power _____ a motion _____

_____ you know _____ is leading to _____ drain _____ unit?

What _____ my _____ to have _____?

What _____ causing this _____ with my _____?

_____ is _____ reason why _____ motion _____ losing its power _____?

_____ does _____ motion sensor _____ electricity _____?

_____ are mysteries _____ motion sensor _____.

I want to know _____ motion _____ power.

Any _____ sensor _____ off?

_____ have _____ sensor _____ my _____ keeps dropping.

_____ is _____ motion _____ malfunctioning?

The motion _____ power a _____.

I _____ know why _____ conkin' out.

Why _____ my _____ sensor _____ so _____?

_____ sensors _____ stay on.

_____ you _____ what is _____ the _____ power drain _____ me _____ unit?

_____ is _____ detector to lose _____ occasionally?

What's _____ a _____ detector?

Why _____ the power in _____ dropping?

_____ a _____ sensor _____ getting shut off.

_____ no _____ sensors keep dyin'.
 I _____ causing _____ motion sensor to _____ working.
 What is the _____ my _____ sensor _____?
 _____ motion sensor _____ lost _____ consistently.
 Why _____ sensor _____ dead?
 I wonder if there are _____ problems _____.
 _____ sensor keep _____ clue.
 _____ don't know _____ motion sensor _____ its power _____.
 _____ sensor I use _____ out.
 There could be a _____ for the _____ motion _____.
 Is the _____ power in my _____?
 What _____ power _____ in my _____?
 _____ don't _____ why my _____ sensor always _____.
 _____ does my _____ sensor have _____?
 How _____ my _____ sensor _____?
 Why _____ motion sensor _____?
 _____ am _____ is _____ the power drain _____ my motion _____.
 _____ are some _____ behind _____ motion sensor _____.
 What is the _____ of my motion _____?
 Can _____ tell _____ why the power _____ keeps _____?
 How _____ sensor's _____ problems occur?
 _____ is _____ my motion Sensor?
 What _____ the cause _____ in my sensor?
 Power _____ with _____ sensor?
 _____ a _____ that _____ a _____ battery.
 What _____ my sensor _____?
 _____ is _____ still _____ juice?
 _____ it _____ the crappy _____ in my detector?
 Is _____ my sensor constantly loses _____?
 _____ is _____ losing electricity _____ frequently?
 What _____ the _____ for _____ sensor keeping conkin' _____?
 _____ causing the _____ to _____ in _____?
 _____ sensor _____ have _____ problems.
 _____ fix the low _____ issue in _____ sensor?
 Why _____ I _____ a motion _____ that constantly _____?
 _____ mysteries _____ unreliable motionsensor _____.
 _____ know _____ is causing my motion _____ its _____ source?
 _____ sensor _____ problem _____ power.
 What _____ my sensor to _____?
 _____ it because _____ motion _____ power?
 _____ ideas _____ my _____ thingamajig _____ off?
 _____ there _____ motion sensor to lose power _____ often?
 _____ root cause of my motion _____ not known.
 _____ in my motion sensor _____ dropping.
 _____ is _____ sensor _____ power _____?
 _____ sensor keeps _____ off.
 What is _____ sensor _____ lose _____.
 I'm trying to _____ motion _____ to _____ off regularly.
 I _____ like to _____ why _____ motion _____ keeps _____.
 Can you _____ why the _____ in _____ keeps going _____?

_____ issue is lost power _____ my _____.

_____ sensor _____ conkin' out!

Any _____ as _____ motion _____ keep _____.

I _____ a _____ detector and I _____ having _____ with _____.

_____ as _____ my sensor _____ off?

_____ could be causing _____ fail?

_____ cause of _____ in my motion sensor?

What's _____ lost _____ in the _____?

How _____ detector _____ a crummy _____?

_____ have _____ that _____ some power drain.

I _____ on what's causing _____ motion _____ power regularly.

_____ it _____ my motion _____ losing _____ so often?

_____ is _____ on with _____ loss _____ my detector?

_____ of _____ in the motion detector _____ recurring.

_____ is _____ sensor having _____ problems?

Do you _____ motion _____ doesn't have _____?

_____ my motion _____ not _____?

I have _____ motion _____ is causing it _____ malfunction.

_____ is dying _____ and more.

what causes _____ to _____?

_____ motion sensor is losing power frequently.

_____ there _____ root cause _____ motion _____ losing power _____?

_____ caused my _____ sensor to _____ frequently?

_____ to _____ the motion _____ power _____?

What causes _____ sensor?

What could possibly _____ my _____ to _____?

_____ clue as to _____ sensors _____.

I _____ know why _____ motion _____ conkin' out.

_____ can't figure _____ my motion _____ keeps _____ power.

_____ reason that my motion _____ keeps losing _____?

_____ sensor won't keep _____.

_____ of power _____ my motion detector _____ issue.

What _____ motion _____ stop functioning?

There _____ issue with the _____ in the _____.

Power _____ my motion sensor, _____ the _____?

_____ sensor is _____ power _____ frequently.

_____ need to _____ if there _____ a root _____ behind _____ motion _____ losing _____.

Why _____ my _____ sensor no _____?

I _____ to know _____ causing the _____ drain _____ the _____.

The _____ issues _____ sensor?

Will there _____ in the motion detector?

How do _____ motion _____ power _____?

There is _____ loss _____ power in my _____.

_____ do _____ lose power _____ often?

What _____ be _____ with my _____?

The _____ has some _____.

What is causing _____ motion _____ a _____?

I _____ why my _____ device _____ retain _____ energy.

_____ with my _____ sensor?

What _____ power _____ my motion _____?

_____ sensor keeps _____ powered _____.

What _____ with _____ motion sensor?

_____ power _____ are caused _____ something.

_____ sensor _____ longer work?

The _____ sensor _____ loss.

_____ detector has power _____.

_____ you know _____ caused _____ motion _____ to lose _____?

Mystery about unreliable _____.

The _____ power has _____ mysteries _____ it.

_____ loss in the _____?

I have a _____ sensor _____ loss _____ frequently.

Why isn't my detection _____ of _____?

_____ might _____ the cause _____ motion _____ losing power?

There could be _____ loss in _____ sensor.

Is the _____ power _____ motion _____ a problem?

_____ causes my motion sensor _____ so _____?

Is there a reason my _____ is _____?

Why does _____ power?

Power problem _____ sensor?

_____ causing _____ issues _____ motion sensor's battery?

_____ motion _____ that _____ power very frequently.

What _____ my _____ lose power?

What _____ going on _____ my _____?

What is _____ my motion _____?

Why does _____ die _____?

_____ unreliable motionsensor power.

I don't understand _____ is always _____.

_____ are some _____ problems _____ sensor.

_____ wondering _____ causing the power _____ my _____.

_____ motion _____ not working?

What _____ this _____ in _____ detector?

_____ with _____ sensor

There might _____ cause _____ the _____ loss _____ my _____ sensor.

I wonder why _____ out.

_____ the cause of _____ my detector?

What is _____ cause _____ the _____ power loss _____?

I _____ advice on _____ causing _____ power in my _____ down.

_____ motion _____ lose power?

_____ is the cause _____ sensor _____?

What _____ sensor to _____?

_____ the frequent loss _____ power in my _____?

_____ has my _____ power?

The _____ power regularly.

_____ is the motion _____ longer _____?

_____ frequent power losses.

_____ wondering _____ is _____ reason for _____ power _____ in my _____ sensor.

_____ motion sensor _____ always dead.

_____ be the _____ for frequent _____ my sensor?

Why _____ my _____ sensors _____?

_____ sensor _____ go out?

Any ____ on ____ cause of ____ sensor ____ power frequently?
Why ____ motion ____ losing electricity ____?
Why ____ motion ____ electricity?
Why did ____ lose ____ so ____ times?
____ motion ____ won't ____ up.
____ for ____ sensor not working?
The unreliable ____ has ____.
____ mystery why motion ____ dyin'.
____ is the cause ____ power loss ____ my ____.
____ having ____ trouble with ____ power drain ____ motion ____.
____ is the ____ power loss in ____ detector?
Why ____ the ____ dies?
____ sensors keep ____ what's ____?
What's ____ lost power ____ motion ____?
What causes my motion ____ to ____?
____ about why ____ motion ____ loses ____.
Is there ____ reason ____ the ____ lose power?
____ my motion ____ to ____?
Do ____ causing the ____ drain ____ my ____ unit?
____ there a cause for ____ motion ____ frequently?
Any idea on the ____ of ____ malfunctioning ____?
____ is the cause of ____ in the ____.
Why ____ motion ____ power?
What ____ sensor to turn ____?
____ motion detector may ____ constant ____.
I ____ to ____ why ____ motion thingamajig keeps ____.
Is there a ____ the ____ power?
____ could be causing ____ power ____ my sensor?
I don't know what's ____ the ____ my ____.
A motion detector with ____.
Why is ____ working?
I'm ____ advice ____ what's ____ motion sensor ____ run out ____ power.
I have ____ it ____ turning off.
____ is causing lost ____ my ____.
____ motion ____ has ____ loss
____ come ____ motion ____ doesn't ____?
____ does the ____ my ____ continue?
What is ____ my ____ problems?
____ it have ____ do with my motion ____ constantly ____?
____ does my ____ stop ____?
There ____ been ____ of power in ____ motion ____.
____ the loss of ____ my ____ detector?
____ the ____ of power ____ the motion ____?
Why ____ motion ____ electricity continuously?
What ____ my ____ be ____?
____ why ____ sensor loses power ____.
____ come ____ losing power constantly?
____ a ____ sensor that ____ power so ____.
____ keep ____ motion sensor ____ off.
____ do ____ lose ____ multiple times?

What's happening with _____ in _____?

I _____ a _____ keeps losing _____

_____ an explanation for _____ motion _____ losing power _____?

_____ dyin' _____ one knows why.

_____ you _____ motion _____ doesn't work?

_____ come _____ motion _____ is always _____?

Is the _____ loss _____ motion _____?

What _____ cause of _____ losses _____ my _____ sensor?

_____ can I fix _____ low power _____ sensor?

_____ stupid _____ keeps dying.

_____ the sensor _____ juice?

_____ you _____ the motion sensor's _____ keeps _____?

Can _____ tell _____ what's causing the _____ detector?

How _____ my _____ sensor _____ power _____?

I want to _____ why my _____ power _____.

How come _____ loses power _____?

Why is _____ sensor _____ juice?

What _____ this _____ loss in _____?

_____ sensor that keeps conkin' _____.

_____ is _____ cause _____ my sensor _____?

_____ do my _____ sensor _____ electricity?

_____ has sensor kept _____?
