_____ there be an _____ security _____ after _____.

Will there _____ more precautions put _____ incident?

Supplemental security measures should _____ put _____ a result _____ incident.

_____ there _____ security _____ information leak?

_____ you _____ your _____ this hack?

_____ the data hack _____ to _____?

_____ there be security enhancements because of _____?

Enhancement _____ protections after _____?

_____ this unfortunate data beach _____ additional _____ measures by _____?

Are _____ security features after _____?

_____ planning _____ your _____ features due to _____ breach?

_____ to step up security after _____?

There might be plans for _____ the data _____.

Will there _____ more security _____ the _____?

Following _____ is _____ precautions being considered?

Is _____ protocols following this unfortunate data breach?

_____ extra precautions _____ after the data _____ incident.

_____ you going _____ security after this _____?

_____ you plan on enhancing your _____ features _____?

Will _____ violation _____ improvements _____?

_____ actually _____ step up _____ after this?

_____ the breaching _____ improved _____?

_____ there _____ chance _____ tighter _____ now that _____ happened?

_____ any improvements _____ to _____ future _____?

Are ____ going to ____ more ____ hack?

____ we ____ more security when there ____?

____ be ____ measures ____ the ____ of the data leak?

There is a ____ of tighter ____ now ____.

____ the ____ breach incident ____ precautions being ____?

____ we ____ as a result?

____ security ____ after this incident?

____ extra security features ____ the ____?

Is it possible to ____ measures ____ data ____ incident?

____ any extra ____ being taken ____ the ____ breach ____?

____ it ____ that you're ____ step up ____ after ____?

The ____ might result in ____.

____ you ____ enhancing ____ features as a ____ of ____ breach?

Is there ____ tighter ____ now that it ____?

Is ____ of ____ security measures ____ to ____ data breach ____?

____ protections after ____ data ____?

____ possible for ____ to expect ____ security ____ the wake of ____?

Will there be ____ features ____ data breach event?

____ going to be enhanced following ____ breach?

Are ____ considering ____ security ____ this?

Is there ____ chance ____ to tighter security?

____ possible ____ more ____ added due to ____ data breach.

There could be ____ security ____ in ____ to ____.

____ be any ____ security features ____ in response to ____ breach ____?

Is this ____ going ____ measures?

____ additional ____ features ____ result of this incident?

In ____ this ____ any ____ on ____ security?

Is ____ chance of ____ now that it ____?

____ there be ____ added ____ in response to ____ breach?

There ____ be more security ____ data breach.

Can ____ to ____ an ____ in security ____ this breach?

Is ____ any expectation of enhanced ____ the ____?

There ____ further security enhancements ____ of the data ____.

As a ____ data breach ____ there ____ more ____ features?

Is ____ that this ____ data breach ____ prompt ____ protective ____?

____ the data breach resulting ____?

Is there ____ features ____ to ____ attack?

Will ____ be ____ implemented ____ this data breach event?

____ this ____ lead ____ improved ____?

Does ____ hacking ____ safeguards ____ added?

____ protective ____ will be enhanced following ____ data ____ situation?

Is there more ____ features ____ due ____?

____ may ____ safeguards put ____ place after ____ data ____.

____ we ____ features after ____ incident?

____ are security features that ____ added ____ result of ____ breach.

Will there ____ security ____ in place as ____ of ____?

____ be ____ features introduced in response ____ this event?

____ be other safeguards ____ in place ____ this ____?

Will ____ be more ____ as a result of ____ incident?

____ it possible that ____ stronger ____?

_____ data breach prompt _____ measures?

Is _____ going _____ be _____ measures due to this _____?

Will there _____ after the data breach?

_____ there be any additional _____ result _____ this event?

Are we _____ enhanced security _____ the _____ of the _____?

_____ be more security _____ after _____ theft?

_____ there _____ being _____ after the data _____?

Is _____ precautions being _____ data breach incident?

Can we _____ security features _____?

Increased _____ the _____ breach?

_____ of protections after _____.

Enhancement of _____ data _____.

Is there _____ security _____ breach?

_____ after a _____?

Will there _____ other _____ put _____ place _____ this?

_____ it possible _____ additional _____ be _____ due _____ this incident?

_____ we expect _____ due to _____?

There could _____ security _____ implemented due _____ incident.

now that this happened, is there _____?

Is there any plan _____ security _____ the data _____?

There _____ plans for more _____ as a result _____ breach _____.

_____ planning to _____ more _____ after _____ hack?

_____ more security measures _____ the data _____?

Should _____ be put in _____ because _____ the _____?

Will there be additional _____ of this?

Are there additional _____ following _____?

What _____ security _____ that _____ added due to the _____?

_____ we _____ safety _____ after this catastrophe?

_____ an increase in security _____ wake of the _____?

_____ plan to add _____ after the _____?

There _____ security _____ planned due to the _____.

_____ features _____ likely _____ be _____ after this _____.

_____ security measures _____ be put in _____ due to _____?
