

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Technical support for alarm system
Inquiry Sub-Category	Sensor placement and configuration
Description	Offering advice on optimal sensor placement to maximize security coverage, explaining the function of different types of sensors, and assisting with on-site configuration to optimize system performance.
Data Size	5,066 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ sensors should I _____ protect my _____ and _____ from potential _____?

What _____ options for windows, _____?

What sensors _____ buy _____ make _____ my _____ and _____ are _____?

_____ sensors _____ window/door protection?

Which _____ will keep _____ safe?

Which _____ recommended for _____ and door _____?

_____ fancy sensors will keep outsiders _____ windows?

Which are _____ sensors _____ use to protect _____?

Which sensors _____ to protect my _____ doors _____ break-ins?

_____ out what types of _____ will work in _____ doors _____ windows _____ potential break-ins.

_____ it _____ to _____ which _____ to secure windows and _____?

What _____ detectors _____ I use for _____ windows?

How should _____ be _____ break-ins?

What sensors _____ windows _____ broken _____?

What _____ window and door _____?

I _____ some advice on optimal _____ for _____ entryways.

_____ want _____ are any recommended _____ or _____ security sensors.

Which types _____ sensors _____ best _____ windows and doors?

The _____ windows _____ doors?

_____ door and _____ should I _____?

_____ sensors _____ my windows _____?

What sensor should _____ buy to protect _____ break-ins?

_____ is recommended _____ and door _____ using specific _____.

Is _____ suggestion for sensor _____ door protection?

_____ the _____ that can deter _____ and _____.

Do you _____ any ideas _____ what kind _____ home's _____ and doors?

How _____ and doors against _____?

Which sensors _____ the _____ doors _____ being _____ into?

I don't ____ what type of ____ to ____ on ____ ____ .
____ of detectors should ____ in ____?
____ could be ____ doors and windows from ____?
____ the ____ and ____ from break-ins?
____ Sensor ____ protect windows ____?
Which ____ can ____ doors and ____ from ____?
Should windows ____ be secured ____?
What type of ____ is the ____ for protecting ____?
____ sensors ____ to ____ my doors and windows ____?
I want to know ____ of sensor ____ for ____ home's ____.
____ sensors should ____ window protection?
____ type of ____ best ____ window ____?
Which ____ should be ____ secure ____?
____ the ____ that ____ deter ____ break-ins.
____ sensor ____ keep out ____ bad guys from my ____?
I would ____ guidance ____ to ____ my windows.
Which sensors help ____ broken into?
____ options for windows ____ doors ____?
Which ____ security ____ I buy?
____ sensors ____ be best ____ home entry points?
Applying ____ types ____ recommended for ____ windows ____ doors.
What types of sensors ____ my windows ____?
____ types of sensors should I ____ doors?
____ know ____ of electronics to put ____ doors and windows ____ break-ins.
What are ____ types of ____ I should ____ my ____ and ____?
____ the sensors that ____ deter ____?
____ for ____ and doors?
Is ____ sensor ____ should ____ for ____ and door ____?
Security sensor ____ doors?
Can ____ some sensors that ____ to ____ windows and ____ break-ins?
Which sensors safeguard ____ windows ____ doors ____ broken ____?
What ____ of ____ should I use ____ windows?
Which sensors ____ protect doors and ____ outsiders?
Do ____ sensors ____ be used ____ window and door ____?
____ there ____ detect ____ access into ____ & doors?
____ you ____ the types of ____ use ____ protect my windows and ____?
____ to ____ what ____ of ____ are ____ for ____ my home's windows and ____.
What ____ used for ____ and door security?
Which sensors ____ doors ____ windows ____ from ____?
____ types of ____ should ____ windows and doors?
____ door/window sensor for prevention?
Can ____ tell ____ about the types ____ sensors ____ windows?
____ want to ____ which type of sensors ____ securing ____ home's ____ doors.
How ____ sensors ____ doors ____?
____ sensors that could be ____ to guard ____ doors?
____ sensors ____ and ____ secure?
To ____ window and ____ safety ____ use specific ____.
Which ____ against break-ins ____ monitoring doors ____?
Do you ____ any advice on which ____ sensors ____ windows and ____?
Is ____ of sensor ideal for ____ windows ____?

What ____ the types of ____ I should ____ my ____?
 ____ alarm systems be ____ window door ____?
 Which ____ stop people ____ into ____?
 ____ like ____ know what kind of ____ are best ____ securing ____.
 Which ____ for ____ doors to deter break-ins?
 ____ I protect ____ and window ____ break-ins?
 What ____ of sensor should ____ use to ____ and ____?
 ____ devices ____ installed ____ our windows?
 What ____ of ____ are best for securing ____ windows?
 I need ____ know what types ____ electronics to ____ in ____ and windows ____.
 There are ____ window/door ____?
 I ____ like to ____ more ____ best sensor choices ____ windows.
 Which sensors should ____ for window ____?
 ____ would ____ which types ____ sensors ____ break-ins at my ____ and ____.
 What ____ of ____ the ____ for protecting ____ and doorways?
 ____ there ____ ideal ____ that protects ____?
 There ____ some sensors that ____ used ____ guard windows ____.
 Which sensors stop break-ins ____?
 Which ____ are ____ for windows ____ doors to ____?
 ____ there ____ sensors ____ be suitable ____ windows and ____ against break-ins?
 Which ____ I use to protect ____?
 What ____ of ____ on ____ and windows?
 ____ can ____ to ____ doors and windows?
 ____ keep ____ out ____ my home?

 Someone ____ appropriate door/window ____ options
 ____ sensors for windows ____ needed?
 ____ protected ____ best sensors?
 Can you ____ me ____ types of sensors prevent ____ my ____?
 ____ there are any recommended window/door security ____?
 Which ____ outsiders ____ doors and windows?
 Can there ____ recommended ____ security ____?
 Do ____ types ____ stop break-ins ____ my windows?
 Suggest ____ sensors ____ window and ____ break-ins?
 Which sensors can ____ to ____ doors ____ windows ____?
 ____ door/window ____ options ____ should be ____.
 ____ be ____ sensors ____ and doors?
 ____ sensors ____ used ____ window and ____ safety?
 What ____ of sensor ____ use to ____ windows ____?
 ____ ways of ____ to windows and ____?
 ____ type of ____ the ____ protecting the windows and ____?
 What ____ types ____ and ____?
 ____ suggest something ____ can be used to ____ windows and ____?
 ____ would ____ advice ____ sensor choices for protecting ____ windows.
 Which ____ against ____ by monitoring ____ doors and ____?
 ____ door/window sensor options ____ be used for ____.
 ____ preventing break-ins, ____ for ____?
 Is ____ a window ____ security ____ is recommended?
 ____ there any ____ sensor ____ protect ____ and ____?
 ____ type ____ sensor is the ____ use for ____ windows ____?

_____ types for _____?

_____ is _____ door/window sensor options.

_____ fancy _____ will keep _____ my _____ and doors?

_____ sensor types for window _____.

Which sensor is _____ to _____?

_____ you suggest _____ can protect windows and _____?

What _____ detectors _____ use to safeguard _____?

_____ type of _____ for doors and _____?

Suggest _____ sensors _____ deter window and _____.

Which _____ used for _____ deter break-ins?

_____ are some _____ protect windows and _____ being _____ into.

Which sensor _____ should be used _____ Doors?

_____ sensors be used for _____.

Which devices _____ keep those who want to _____ doors?

_____ sensors _____ windows and _____ from _____?

Which _____ keep people away _____ doors _____?

Suggest the _____ used _____ deter window, _____ break-ins.

How _____ I _____ and door _____ break-ins?

_____ sensor _____ need _____ protect my _____ and doors from _____?

_____ sensor _____ available _____ and doors?

There _____ door/window _____ options that need _____ be _____.

_____ kind of _____ are _____ for _____ windows and _____?

_____ window and _____ security, _____ sensors _____ use?

I _____ guidance on _____ to _____ my windows and _____.

What are the _____ window and _____?

_____ sensors _____ my windows _____ doors from _____?

Can you _____ sensors _____ can _____ protect windows and doors _____?

What _____ of _____ windows _____ doors in my home?

_____ you use _____ security _____?

_____ know what _____ should be _____ to _____ windows?

Which _____ recommended _____ window _____ door security?

Which sensors _____ be _____ out of windows?

How do you _____ alarms?

I'm _____ door/window sensor options _____.

Should _____ deploy detectors on _____?

Do _____ have _____ types _____ and _____ security?

_____ used _____ windows and door _____?

_____ choices _____ protecting _____ windows _____ something I would appreciate _____ guidance _____.

What Sensor _____ use _____ protect _____ windows _____ doors?

_____ the best _____ sensor _____ protecting windows?

_____ will help _____ my _____ and _____ safe?

What _____ the kinds of _____ that _____ and _____?

I _____ know _____ types of sensors stop _____ my _____ and _____.

_____ need _____ know what _____ of electronics should _____ my _____ windows _____ prevent break-ins.

_____ important to _____ to ensure window _____ safety.

_____ to find _____ of electronics _____ use in _____ windows and doors to _____.

_____ sensor that will _____ break-ins?

Which _____ types need _____ applied _____ secure _____ and _____?

_____ types of _____ I _____ protect my _____ and windows?

I don't know what kind of _____ are _____ and _____.

What types _____ sensors _____ I use _____ my windows _____?

Which sensor _____ the _____ door _____?

What sensors _____ against _____?

I'd _____ what _____ of sensor is _____ for _____ my _____ doors.

_____ sensors are _____ windows _____ doors?

_____ best window/door protection?

Window-break _____ can be _____ sensors.

I _____ to _____ types of electronics to _____ my _____ and windows _____.

_____ sensors _____ windows _____ doors from being _____ into?

Which _____ keep my windows _____ from _____ broken?

_____ sensors _____ prevent break-ins _____ windows _____?

I would like to know what _____ the _____ and doors.

_____ type _____ sensor _____ be used _____ secure _____ and _____?

_____ you suggest _____ that will _____ windows _____ doors _____?

_____ sensors _____ for _____ and door _____?

_____ need to find _____ types of _____ I _____ use in _____ and windows to _____.

_____ should be _____ securing doors and windows?

What _____ I _____ and windows?

_____ sensors are best for securing windows and _____ my house.

Is _____ my _____ doors with different types of _____?

What _____ detectors _____ be used _____?

What sensors are _____ to protect _____ from _____ broken _____?

_____ there _____ best sensor _____ protect _____ doors?

Are _____ best _____ protect _____ doors?

_____ sensors that _____ be _____ to protect _____ and doors?

_____ sensors _____ the _____ for _____ protection?

Which _____ best window/door _____?

What type _____ sensor is _____ window _____ protection?

Is _____ for door and window security?

_____ of _____ types _____ recommended _____ windows and doors.

Which _____ protect _____?

_____ the _____ sensor options.

_____ type of sensor _____ best _____ windows and doorways _____?

Which _____ can be _____ secure _____ windows from _____?

_____ of sensors do _____ to protect my windows _____?

_____ sensor types _____ window security?

_____ types _____ we use to secure windows _____?

_____ sensor _____ for the _____ of _____.

What types of sensors are _____ at _____ windows _____?

Is _____ a _____ idea _____ secure _____ and doors _____ certain _____ of _____?

Which _____ of sensors _____ the break-ins at _____?

What sensors keep my _____?

Should I _____ door _____ system?

_____ window and door _____ sensors.

_____ sensors _____ windows _____ from criminals?

_____ kind _____ devices protect _____ doors?

_____ need _____ find out _____ of _____ in my doors and windows _____ break-ins.

Which type of _____ would _____ ideal for _____ doorways?

_____ type of sensors _____ recommend to protect _____ and _____?

_____ fancy sensors will keep out the _____ doors?

_____ sensor _____ secure doors and windows?

Which _____ window/door protection?

Which types _____ sensors do _____ use to _____?

Which sensors should I _____ my _____?

What _____ the _____ and _____ be?

_____ sensor is _____ best _____ protecting _____ and _____?

_____ are _____ sensors for shielding my home _____?

_____ window and _____ safety a priority use _____.

I'm looking for _____ on _____ type of sensor _____ best _____ securing _____.

_____ sensors should be used _____?

_____ be installed _____ protect windows and _____ people out _____?

What should we _____ to protect _____ keep _____ of our _____?

_____ should _____ sensor _____ be for protecting _____?

Which _____ window/ door _____?

_____ trying _____ find appropriate _____ options.

Which devices _____ windows _____ doors _____ who want to _____?

_____ sensors _____ my windows _____ safe?

_____ want _____ learn _____ about optimal _____ for protecting my _____.

_____ windows _____ doors safe?

_____ options for protecting _____ and _____?

_____ sensors _____ recommended _____ protect _____ possible break-ins?

_____ sensor types _____ be applied to secure _____?

_____ with the _____ sensor _____?

_____ make my _____ doors safe from _____?

_____ kinds of detectors _____ be _____ and windows?

Which fancy sensors _____ outsiders _____ my windows _____?

Which _____ can _____ doors _____ invaders?

_____ types _____ should be put in _____ and _____?

Can _____ me about the _____ types _____ windows _____ doors?

What are the _____ sensors _____ protect _____ doors?

_____ can _____ to _____ windows _____ doors from break-ins?

_____ want _____ know what _____ of sensors are _____ securing the windows _____ home.

_____ of sensor are best _____ protecting _____ doorways?

What _____ the types _____ that _____ and windows?

_____ are _____ window/door protection _____?

_____ need _____ find _____ types _____ electronics to use _____ and windows _____ be safe.

_____ want _____ know _____ kind _____ are best _____ protecting my windows _____.

_____ prevent _____ and _____ break-ins?

What _____ should be used _____ windows _____?

_____ possible options _____ unauthorized access _____ and doors.

_____ need _____ use in my doors and windows to stop potential _____

What _____ can _____ to protect windows _____ break-ins?

_____ sure window _____ door _____ with _____.

_____ you suggest _____ to _____ protect windows _____ doors?

Which _____ should I _____ and _____ security?

_____ about sensor _____ for _____ doors?

_____ want _____ and doors to _____ from break-ins, what _____ I get?

_____ sensor _____ protecting _____ and doors?

_____ window _____ safety uses _____ sensors.

What _____ types of detectors that _____ windows?

What ____ I ____ to ____ doors and ____ break-ins?
 Can ____ me ____ which ____ of ____ are ____ for my windows and ____?
 Which ____ keep my ____ and ____ safe?
 What ____ detectors ____ and door protection?
 ____ appropriate to protect ____ doors?
 ____ type of sensor ____ and door security?
 ____ types of sensors do ____ my ____ and ____?
 What ____ detectors should be ____ and windows?
 ____ should ____ to protect ____ windows?
 Do ____ know ____ type ____ sensors ____ windows and doors?
 I ____ to know what ____ sensors stop ____ my ____.
 Which ____ the ____ security sensors?
 What is ____ use for ____ my home's windows?
 What about sensors ____ windows ____?
 ____ the sensors to ____ door ____.
 Which type of sensor is best ____ doorways ____?
 I'd ____ know ____ kind of sensors ____ best ____ windows ____ doors.
 What ____ of ____ break-ins ____ my windows and ____?
 ____ my windows and doors?
 ____ are best for securing my ____ doors?
 Which ____ sensors ____ break-ins at ____?
 ____ the ____ deter ____ door break-ins?
 ____ sensors should I buy to ____ and doors more ____?
 ____ sensors give ____ protection?
 Which sensor ____ be ____ to ____?
 ____ you have any information on which ____ sensors ____ break-ins ____ windows ____?
 I ____ to know ____ electronics to use ____ my ____ to stop ____ break-ins.
 What types of ____ be ____ for doors ____?
 ____ you ____ something to protect windows ____ from ____?
 ____ of sensor should we ____ protect ____ doorways?
 ____ is a ____ door/window sensor ____.
 ____ out ____ types of ____ should use in my doors ____ to stop potential ____.
 ____ can protect doors ____ vandals?
 ____ know ____ of ____ best for securing ____ windows and doors?
 ____ sensors will ____ out ____ from my ____ doors?
 Which ____ of ____ should ____ use ____ windows and doors?
 What ____ best ____ to ____ and doors?
 Can we ask ____ sensor types ____ and ____?
 ____ to find ____ what ____ of ____ use ____ my ____ and windows to stop ____.
 ____ sensor options ____ protecting windows ____?
 How ____ sensor types ____ doors?
 ____ hear about optimal ____ choices for protecting ____ windows.
 ____ best sensors ____ defend ____?
 What kind ____ best for protecting ____ and ____?
 Which ____ will ____ intruders out ____ my ____ and ____?
 Which ____ should ____ used to secure ____ and ____ possible ____?
 What ____ of detectors ____ use for ____ and ____?
 Which ____ do I need ____ my windows ____ from ____?
 optimal ____ for protecting my ____
 Can you recommend ____ that can ____ guard ____ against break-ins?

_____ you _____ any sensors _____ are _____ for guarding windows and _____ ?
_____ types are recommended _____ be applied _____ windows and _____ ?
_____ and _____ sensors should _____ get?

Seeking appropriate _____

_____ would _____ if there are _____ choices _____ protecting my windows.
_____ type _____ sensor would _____ protect _____ and _____ ?

What _____ of _____ my _____ and _____ have?

_____ of sensors do you suggest _____ protect _____ windows _____ ?
_____ some sensors that _____ protect windows _____ doors against _____ ?
_____ tell me which types of _____ to use _____ my _____ .
_____ know _____ types of _____ stop _____ at my doors and _____ .

_____ the sensors to deter _____

_____ I make my windows _____ doors resistant _____ ?

_____ options for _____ access _____ windows _____ doors.

_____ protect my windows and doors from _____ ?

_____ systems should I purchase?

I need to _____ what _____ to _____ my windows and _____ potential break-ins.

Should _____ protected with a _____ ?

_____ that will help deter _____ break-ins?

_____ need guidance _____ optimal sensor choices for protecting _____ .

_____ sensors guard _____ break-ins _____ doors and _____ ?

Which _____ be _____ to protect my _____ and doors _____ ?

The window and door _____ sensors.

_____ the sensors that are _____ suited _____ deter _____ door _____ .

_____ need _____ out _____ electronics to use _____ my doors and _____ to deter potential _____ .

I _____ to _____ out what type of _____ should _____ used in my _____ break-ins.

_____ sensors to protect doors _____ ?

Can _____ tell _____ of sensors I _____ use _____ protect _____ and doors?

Possible _____ for detecting _____ access _____ doors?

Do you know _____ sensors _____ best _____ securing windows and _____ house?

Which _____ be _____ for windows _____ ?

There _____ sensor _____ for _____ and _____

I'm _____ door/window _____ .

Which sensors should be _____ windows _____ ?

Sensor types _____ security _____ windows _____ ?

Can you _____ me _____ sensors _____ use _____ my windows _____ doors.

_____ there _____ preferred type _____ to _____ my _____ and doors.

_____ of detectors should I _____ doors _____ windows?

What types _____ recommend _____ protect my windows?

What _____ sensors _____ windows _____ ?

_____ be _____ for security in _____ and doors?

_____ is _____ to _____ sensor options.

_____ would like _____ optimal sensor _____ for _____ my windows.

_____ should _____ install to _____ windows and keep people _____ ?

_____ sensors _____ doors and windows?

_____ me which type _____ to _____ to _____ my _____ and doors?

_____ window and door safety _____ the _____ specific _____ .

Which _____ break-ins _____ and windows?

Which sensors keep my _____ .

Which _____ are _____ and doors?

_____ sensors prevent _____ at _____ and _____?
 _____ sensors _____ secure doors and windows _____ outsiders?
 _____ make _____ and door safety.
 Best sensor _____ and _____ from _____?
 Which sensor _____ recommended _____ windows and doors?
 _____ door/window _____ detectors _____ for _____ break-ins?
 What _____ sensors that _____ doors _____ windows safe?
 Which _____ and _____ protect _____ break-ins?
 What _____ the _____ type _____ sensor _____ windows and _____?
 What _____ is _____ home's windows and doors?
 What types of _____ place _____?
 How _____ doors and _____ break-ins?
 Which _____ out of _____ windows?
 It _____ to _____ window _____ safety _____ specific sensors.
 Which sensor types _____ be ideal _____ doors?
 Can you _____ what _____ types _____ sensors are for _____ doors?
 Which sensors _____ most _____ protection?
 _____ sensors has _____ window/door _____?
 _____ should _____ doors be _____ against _____?
 _____ appreciate _____ about optimal sensor choices _____ protecting my _____.
 _____ sensor types should _____ applied to _____ and _____?
 _____ you recommend _____ security _____?
 _____ sensor _____ for _____ and doorways?
 Can _____ type of _____ use for _____ windows and doors?
 Ensure door and window _____.
 _____ sensors _____ installed for _____ doors?
 Is it _____ to _____ the best _____ to _____ break-ins?
 I _____ which types of sensors _____ at _____ and doors.
 _____ windows _____ with sensor types _____.
 I need to _____ out _____ to _____ electronics _____ my _____ to _____ break-ins.
 What devices should be _____ to _____ windows?
 What _____ devices we _____ install to _____ the _____?
 _____ recommend _____ best types of sensors _____ windows _____ doors?
 Is _____ a _____ to _____ windows and _____?
 Protect _____ with the _____?
 _____ should I install _____ windows?
 Which sensors _____ recommended _____ secure _____?
 Which _____ windows and _____?
 Which _____ should _____ used for _____?
 _____ want to _____ which _____ of _____ break-ins at _____ windows and _____.

 Suggest the _____ used _____ window _____?

_____ sensors do _____ to keep _____ windows safe?

I would like to _____ pick _____ best _____ protecting _____ windows.

I _____ to _____ what type of _____ to _____ my doors _____ break-ins.

What _____ sensor options for _____ doors?

_____ sensors _____ keep out _____ from my windows _____?

Should _____ window and door _____?

_____ type of _____ best for windows _____?

Are some sensors _____ for guarding _____ against _____?

Which sensors should I use _____ protect _____?

_____ are recommended _____ windows and doors?

_____ protect _____ windows and _____?

What sensor _____ I _____ my _____ and windows?

_____ you protect _____ and _____ from _____ entered?

_____ type _____ best for _____ windows and doorways _____ thieves?

Is _____ suggest _____ sensors to _____ windows _____ doors _____ break-ins?

Which door _____ security sensors _____?

_____ are _____ to make _____ and doors safe?

_____ type _____ would be best _____ windows and _____?

_____ window _____ safety _____ using specific _____

_____ of sensor is _____ windows and doorways?

What _____ of sensor is appropriate _____ protecting _____?

_____ make sure _____ door _____ using specific sensors.

_____ are used to _____ doors _____ windows _____ break-ins?

_____ to detect _____ access _____ and _____?

_____ you _____ any _____ window/door _____ sensors?

_____ need to find _____ what type _____ to _____ in my _____ and _____ to _____ break-ins.

_____ there Sensor types _____ and _____?

_____ to _____ doors _____ windows _____ break-ins?

_____ of _____ should _____ on doors and _____?

_____ you suggest something _____ would _____ windows _____ against _____?

Which sensors _____ and doors?

_____ sensors to _____ window, door break-ins?

What _____ that _____ windows and _____ safe?

Which _____ sensor is _____ for protecting _____ and _____?

Should _____ get _____ with window and _____ sensors?

_____ any recommended _____ door security _____?

What _____ best type of _____ use _____ windows?

What sensors do _____ need to _____ and _____ invaders?

_____ need to _____ of _____ to _____ in my _____ and windows _____ stop _____.

Which sensors do _____ windows and doors?

The _____ sensors to _____ from break-ins.

Securing windows _____ sensor _____?

_____ types _____ sensors _____ best _____ my windows and _____?

_____ the _____ window _____ door break-ins.

What _____ detectors should be _____ doors and _____?

Is _____ type _____ sensors that _____ break-ins at _____ and _____?

_____ sensor options for _____ doors?

I _____ to get _____ window and door security.

Use sensors _____ and door _____.

What _____ sensor _____ best _____ securing my home's windows _____?

What types of _____ windows _____?

Which are _____ sensor _____ protect _____ doors?

I _____ know more about _____ sensor _____ for _____ windows.

_____ are _____ for protecting _____ doors.

Which sensors _____ to protect _____ doors from possible _____?

Which _____ at windows and _____?

What type of _____ secure _____ windows and doors?

Someone _____ appropriate _____ options.

_____ ensure window and door _____ specific _____.

_____ window and _____ sensors should _____?

_____ to _____ the preferred _____ of sensors for _____ windows _____ doors.

_____ for windows, doors?

Which _____ should I buy to _____ my _____ and _____?

_____ be _____ for optimal _____ door protection?

What _____ be put _____ doors and windows?

What _____ of _____ be best _____ protecting _____ doorways?

There _____ door/window sensor _____ this.

There _____ Sensor _____ for _____ and _____

Which _____ my _____ windows safe?

The best _____ for _____ doors?

_____ sensors can be _____ secure doors _____?

_____ any suggestions on what kind _____ to protect _____ windows _____ doors?

Can _____ help _____ choose _____ of _____ for my windows and _____?

What are _____ best sensors _____?

Applying which sensor _____ to secure _____ and _____.

What _____ of sensors _____ for _____ my windows _____?

There are sensors _____ to _____ windows and doors _____.

_____ security _____ windows and doors _____?

Which types _____ sensors do _____ to _____ windows?

_____ of _____ is recommended for _____ windows _____ doors?

I _____ what optimal sensor choices _____ protecting _____.

_____ on how _____ window, door _____?

_____ to know what types _____ detectors _____ use _____ and _____.

I _____ know about optimal _____ my windows and _____.

_____ sensors _____ keep bad _____ out of _____?

_____ to defend _____ break-ins?

_____ sensor _____ my windows and doors _____ being _____?

Which _____ types are _____ for _____ and _____?

Should we apply _____ to _____ windows _____ doors?

Which sensors can _____ used _____ make _____ windows _____?

_____ don't know _____ use in my _____ and windows to _____ break-ins.

_____ types can be _____ to _____ windows and _____?

Seeking an _____ door/window _____ for _____.

_____ advice _____ preferred types of sensors for _____ and doors?

_____ measures keep _____ and windows _____?

_____ are _____ that can be _____ windows against _____.

_____ of _____ from being broken into?

Window and _____ should _____ specific sensors.

I would _____ information _____ sensor _____ protecting my _____.

Which _____ the _____ and _____?

_____ question _____ what _____ of _____ best for _____ my windows and doors.

_____ sensors _____ keep out people _____ ?

_____ for window _____ doors?

Which sensors _____ used to _____ windows _____ break-ins?
