

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Car heater not working properly
Inquiry Sub-Category	Noisy operation
Description	Customers experience unusual noises, such as rattling, squeaking, or banging, when their car's heater is in use. These noises may be a result of a loose or worn-out heater component, such as a blower motor or fan belt, that requires repair or replacement.
Data Size	8,061 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Is _____ the _____ mechanisms within _____ automotive climate _____ unit like _____?

Is _____ for automotive _____ have complex fixes?

Is _____ repair work related _____ air conditioning units?

Does the _____ AC _____ to be _____?

Is _____ parts _____ an _____ A/C need big fixes?

Major _____ to _____ automotive _____ control units _____.

Is _____ repair _____ the internal _____ of an autoclimate _____?

_____ fixing _____ within an _____ controller involve _____ repairs?

Is it common for the internal _____ major repairs?

_____ it normal for _____ in _____ to need comprehensive repairs?

Is _____ common _____ climate _____ components to be extensively _____?

Is there _____ for _____ inner _____ of _____ controls?

_____ it happen _____ parts in _____ units _____ repair?

Do auto _____ conditioning and _____ systems like _____ repair _____?

Does _____ the climate controls often _____ servicing and _____?

_____ normal for these _____ climate _____ need maintenance?

_____ it _____ for major _____ to be done to _____ conditioning _____?

_____ there _____ large-scale _____ for _____ inner workings of _____ car's _____ conditioning _____?

_____ fixing problems _____ auto _____ involve repair work?

Is _____ make major _____ on the inner _____ of _____ controllers?

Is it _____ air _____ internal repairs _____ widespread?

_____ normal for internal parts _____ AC _____ need _____ jobs?

_____ normal for these auto _____ systems _____ substantial _____ work _____ out?

Does my car's climate control _____?

Is _____ lot _____ work done _____ the _____ of _____ climate control unit?

_____ the internal _____ of automobile _____ units involved _____ frequent _____?

_____ often _____ need maintenance on the _____ the vehicle _____ controls?

Is it _____ for _____ large-scale _____ internal components _____ an auto _____?

____ it ____ the AC's internals ____ need ____ fixing?
 Do ____ heating ____ a lot ____ repair ____ their interior parts?
 ____ common for ____ to ____ required for the inner ____ this car's ____?
 ____ it ____ car ____ controls ____ have ____ repairs done?
 Is it common for ____ required on ____ inner workings ____ heating and ____ on ____ like ____?
 Is it ____ for ____ work ____ inner ____ climate systems?
 ____ much ____ the inner mechanisms of ____ automotive ____ control units?
 Is it ____ for ____ thermostat ____ parts ____ be ____?
 Is it ____ for comprehensive ____ done for the mechanical components inside ____ and ____?
 ____ not uncommon ____ an automotive ____ to need ____ internally.
 ____ uncommon ____ in the ____ AC to need ____ fixing?
 Does the ____ HVAC ____ get ____?
 Is ____ lot ____ the internal ____ the ____ climate control unit?
 ____ it ____ for ____ of the ____ to need extensive ____?
 Do ____ air ____ and ____ to ____ one often involve ____ repair ____?
 Is it normal for ____ climate ____ need ____?
 Do ____ heating and cooling ____ need ____?
 Is it ____ that ____ vehicles ____ their AC units ____?
 ____ it normal to perform large ____ on ____ of these ____ systems?
 ____ face ____ work on their AC units?
 Is ____ for these auto ____ have ____ to their inner mechanisms?
 Is it ____ the ____ components of ____ climate ____ units?
 Significant fix-ups are usually needed ____ the ____ of ____.
 Does the internal ____ automotive climate ____ need ____ repairs?
 ____ think it is ____ on an automobile's air conditioning ____?
 ____ have ____ their ____ units fixed very often?
 ____ auto ____ conditioning and heating systems ____ this one ____ repair ____?
 ____ it common for ____ automobile's air ____ to ____ major ____?
 ____ repairs are ____ for ____ internals ____ climate control system in ____.
 ____ lot ____ vehicles have to ____ their AC ____ fixed ____?
 Is it necessary for ____ for the internal ____ auto heating ____ systems?
 ____ it necessary ____ major repairs ____ controls?
 ____ to ____ repairs on ____ automobile's air conditioning ____ internals?
 Do these ____ of auto ____ need ____ of ____?
 Is ____ a lot of ____ fixes ____ the ____ the ____ on cars like mine?
 Is ____ the climate control unit ____ car ____ have major ____ done?
 ____ common ____ the ____ mechanisms of an ____ control unit to ____ frequently?
 ____ it ____ carry ____ repairs on ____ inner mechanisms ____ the auto ____ systems?
 Are large-scale repairs ____ workings ____ the ____ HVAC system?
 ____ usual to perform ____ on an ____ air ____ unit's ____?
 ____ the ____ AC ____ go ____ repairs regularly?
 ____ it ____ common ____ an automotive ____ to need repairs ____?
 Do significant ____ the ____ mechanisms ____ controls happen often?
 Is ____ not ____ an automotive climate system ____ significant ____?
 ____ repairs ____ automotive ____ control units ____?
 ____ it happen often that ____ unit ____ repairs?
 Do ____ it ____ be normal ____ an automotive climate system ____?
 Is ____ for ____ on ____ inner ____ car climate controllers?
 How ____ it for the ____ of ____ to need work?
 Is ____ common ____ repair ____ internal components ____ climate ____?

Is it common ____ internal ____ AC ____ extensive repairs?
 ____ common ____ the ____ parts of the vehicle ____ controls ____ need ____.

How frequently do automotive ____ components ____?
 ____ commonplace for the climate ____ in cars ____ major ____?

Is ____ climate control units ____ repairs internally?
 ____ it ____ the ____ AC's ____ to need extensive ____?

Isn't it ____ the ____ components ____ need big fixes?

Internal mechanisms ____ an ____ climate ____ prone to ____ repair.

Is it common ____ thermostat unit part ____?
 ____ it ____ climate ____ inside ____ car to need major ____?

Is the ____ the ____ components of an ____ unit ____ extensive?

Does this ____ of ____ need ____ repairs?

Is ____ common ____ a ____ conditioning unit ____ major repairs ____?

Can serious repairs ____ done ____ the ____ mechanisms ____ the ____?

How ____ internal ____ this car ____ control unit repaired?
 ____ common for the ____ in the ____ to need ____?

Is ____ normal ____ carry out work ____ inner ____ these ____ climate ____?

Is it ____ climate ____ to be extensively ____?

Is the maintenance ____ the ____ systems ____?
 ____ for automotive ____ controls to have ____ fix-ups?
 ____ heating ____ systems usually ____ a ____ of repair ____ their interior ____?

Would it ____ a ____ like this ____ require ____ internally?
 ____ car's heating, ventilating, and air ____ system ____ needed ____?
 ____ normal for ____ control units ____ to ____ complete repairs?
 ____ it usual ____ thermostat unit ____ be refurbished?

Is it necessary ____ repairs to ____ mechanical ____ the car HVAC ____?

Is it ____ for ____ controls ____ have repairs?

Do the ____ units usually ____ major ____?

Is ____ the AC ____ in vehicles?

Repairs ____ an auto ____ often be substantial.

Do these types of ____ need ____ lot ____?
 ____ unusual for large-scale ____ be required for ____ inner ____ this ____ system?
 ____ these automotive climate ____ need ____ lot of ____?

Does ____ happen ____ to ____ the ____ the climate ____ units?
 ____ normal for climate ____ cars to ____ repaired?

I ____ to ____ if significant repairs are necessary ____.

____ the ____ climate ____ typically need large ____?
 ____ there ____ repairs ____ for ____ inner ____ of this car's ____ ventilating, ____ air ____ system

Does the ____ apparatus within the ____ need ____ and ____?

Is there always ____ for the ____ automotive ____ controls?

Do automotive climate ____ units ____ of ____?
 ____ for ____ climate systems to need large-scale ____?

Is ____ true ____ automotive ____ units often ____ extensive ____?

Does ____ workings of automobile air ____ units require ____?
 ____ wonder ____ automotive ____ control ____ extensive repairs.
 ____ to perform repairs on an automobile's ____?

The ____ car AC ____ may need ____.

____ it ____ normal ____ climate system ____ this to need ____?

____ it common for parts ____ cars to need ____ repairs?

The inner ____ of ____ involved in frequent repair ____.

____ it ____ that ____ components ____ A/C needs big fixes?
 How ____ do these ____ climate ____ maintenance?
 Is it ____ for automotive ____ units ____ repairs internally?
 Is ____ true that ____ internal ____ of ____ auto ____ of repairs?
 ____ climate controls' internal ____ servicing and repairs?
 Is there ____ lot of repair work done ____ of ____ systems?
 Is ____ to ____ required for this ____ HVAC system?
 ____ it ____ for ____ automotive ____ system to ____ significant repairs done ____?
 Is ____ typical for a vehicle ____ unit ____?
 ____ repair common for ____ internal ____ an automobile ____ control ____?
 Are major fixes ____ a climate control ____ cars?
 ____ common for ____ repairs ____ required for ____ inner workings of ____ car's ____ system?
 I ____ if ____ frequent complex ____ automotive ____ control systems.
 ____ it uncommon to fix the ____ climate ____?
 I ____ if large-scale ____ inner workings of this car's HVAC ____.
 ____ it ____ for the climate ____ in ____ require ____ repairs?
 ____ it common ____ internals of an ____ air conditioning ____?
 Does ____ of car ____ unit ____ major repairs ____?
 ____ it ____ for internal parts ____ units to ____ of ____ work?
 Do ____ control units need ____ internal ____?
 ____ common for the ____ of this ____ AC ____ fixing?
 ____ usually significant fixes ____ the inner ____ of ____ climate ____?
 Does ____ often ____ in this automotive AC ____ need ____ fixing?
 ____ it ____ do ____ on the climate controllers?
 Is the internal ____ of ____ automotive ____ serviced ____ repaired?
 ____ internal component in an auto ____ need ____ fixes?
 Is ____ normal for ____ occur on ____ of automobile climate ____?
 Does ____ apparatus of the ____ climate ____ demand a lot ____?
 ____ extensive ____ common option ____ internal climate control ____?
 Does ____ internals of ____ climate control system ____ fixes?
 ____ type of ____ AC unit may ____.
 Does ____ workings of air conditioning ____ a ____ frequent repair ____?
 ____ it common ____ the vehicle ____ need maintenance?
 Is it common ____ repairs to ____ for ____ inner ____ of this ____?
 Is ____ that the ____ components ____ A/C need big ____?
 Major fixes are often ____ for the internals ____ like this.
 ____ it necessary for large-scale ____ to be done ____ HVAC systems?
 ____ to conduct repairs ____ the car climate ____?
 ____ it ____ for an ____ air ____ to have ____ repairs ____?
 Is it fairly ____ for ____ in ____ to need ____?
 Is ____ much ____ interior ____ automotive heating and ____ systems?
 ____ automotive ____ and cooling systems ____ parts repaired?
 Is ____ the car ____ to have ____ repairs?
 Do ____ heating ____ cooling systems ____ to ____ their interior ____?
 Do ____ auto ____ and ____ systems ____ one ____ significant repair work ____?
 How ____ is it for the ____ of the ____ to ____?
 ____ serious ____ to the ____ mechanisms of car ____ controls?
 ____ it ____ to repair problems ____ auto ____ controller?
 I ____ if large-scale ____ required ____ of ____ car's air conditioning system.
 Do these automotive ____ large ____ maintenance?

Do ____ inner workings ____ and cooling unit on ____ to ____ require ____?

Significant fix-ups usually occur ____ the ____ climate ____.

____ repair work on ____ internal components of ____ automotive ____ control unit ____?

Is ____ inner mechanisms ____ automotive ____ controls ____?

____ cooling system have notable repairs?

Does ____ automotive climate controls ____ of ____ repair?

Are ____ fixes on ____ the ____ and cooling ____ on cars like mine?

Is it common ____ climate ____ unit in ____ repaired?

Is ____ normal ____ carry out repairs ____ these ____ climate systems?

____ significant repair ____ involve ____ problems ____ climatic controller?

____ you believe it ____ typical ____ vehicle ____ to ____ refurbished?

____ an automobile's air ____ unit ____ repaired like this?

Is ____ usually necessary for ____ like mine?

____ automotive climate control ____ to have major ____?

Does ____ a regular basis that ____ undergoes extensive ____?

Isn't ____ common for ____ parts ____ units ____ need ____ repair?

Is ____ normal ____ major ____ be ____ on the ____ mechanisms ____ controllers?

Do major repairs ____ control units ____?

____ climate control units ____ extensive repair?

Is it normal for ____ units ____?

Is ____ usual to fix air ____ of ____?

Are ____ repairs necessary for ____ components ____ and air-conditioning system?

Is ____ large scale ____ to ____ required ____ the ____ heating and ____ system?

____ often do automotive climate ____ internal components ____?

____ auto air conditioning and heating systems ____ this ____ lot ____ work ____?

Is ____ inner ____ climate controls normally ____?

Is ____ customary to ____ air conditioning internals ____?

____ the car's ____ ventilating and ____ conditioning ____ large-scale repairs?

Does ____ happen a lot ____ an ____ AC ____ repairs?

Is ____ for ____ internals ____ this AC ____ need extensive ____?

Does the ____ apparatus ____ often need ____ and fixing?

Is ____ internal climate control in ____ need ____ repairs?

Is ____ work on the ____ an ____ climate control unit ____?

Does ____ often that an ____ undergoes extensive ____?

____ it true ____ climate ____ units often ____ repairs?

Is ____ normal to ____ major ____ air ____ unit?

Is it ____ internal ____ of ____ climate ____ be repaired?

The ____ automotive climate control ____ might ____ prone to extensive ____.

____ it necessary ____ repairs ____ the ____ components in ____ car heating ____ cooling ____?

____ often ____ we need to fix the ____ automotive ____ control ____?

The ____ of ____ climate control ____ may ____ repair.

____ normal for internal ____ in an ____ significant repair?

____ climate ____ units ____ have ____ repairs?

____ the ____ unit have to ____ major ____?

Should ____ inner ____ the heating ____ cooling unit on ____ similar ____ mine ____?

Do ____ think ____ normal ____ an ____ climate system ____ need significant repairs ____?

Are ____ control ____ usually repaired on ____ mechanisms?

Major fixes are sometimes ____ internals of a climate ____.

____ it ____ for major ____ on ____ air ____ unit to be ____?

____ that the ____ of ____ A/C need big fixes.

Is it _____ work on _____ components of _____ automotive climate _____?
 _____ and cooling systems usually repaired _____ parts?
 _____ it _____ the internals in an _____ to _____ repairs?
 Does _____ happen frequently that an automotive AC _____?
 Are significant repairs _____ the climate _____ unit _____ this _____?
 Is _____ make repairs _____ the _____ of the car climate _____?
 Does _____ automotive _____ control _____ major _____ internally?
 _____ it be _____ an _____ climate system to _____ internally?
 does this type of _____ unit _____?
 Is it _____ repair _____ on the inner _____ climate systems?
 Is _____ common for the _____ in _____ need extensive _____?
 How frequently do _____ auto air conditioners _____ to _____?
 It might be true that _____ in _____ auto _____ need _____.
 _____ it true _____ in an _____ big fixes?
 Is _____ heating and _____ systems _____ interior parts?
 _____ the automotive _____ control _____ often _____?
 _____ work on automobile _____ conditioning _____ the inner _____?
 Do automotive climate control _____ to _____?
 Is it not _____ for _____ climate _____ cars _____ repairs?
 Is _____ common _____ climate control unit in _____ have _____ done?
 _____ it normal _____ an _____ climate system _____ internal _____?
 _____ automotive _____ require a lot of _____ repairs?
 Is _____ controls _____ significant repairs?
 _____ fixing a problem _____ controller involve _____ repair jobs?
 _____ it _____ a climate control _____ have repair work _____?
 Is the inner _____ an _____ air _____ unit _____ repair work?
 Is _____ control unit often needed _____ major _____?
 Is the _____ conditioning _____ in frequent repair work?
 Isn't _____ for _____ parts to be refurbished?
 _____ automotive _____ control _____ need extensive repairs?
 _____ an _____ that often needs extensive _____?
 _____ it _____ that the internal components of _____ this need _____?
 _____ there a _____ of _____ the _____ mechanisms within _____ automotive _____ unit?
 _____ automotive heating and _____ systems need _____ repair _____ parts?
 _____ it _____ for _____ controllers to be _____?
 _____ there _____ large-scale repairs required _____ the _____ of the _____ cooling system?
 _____ it normal for an _____ climate system _____ done _____?
 _____ large-scale _____ necessary for the _____ this _____ air _____ system?
 Is repair work on the internal _____ control _____ lengthy?
 _____ automotive heating and _____ get a lot _____ interior _____?
 Does _____ automotive _____ cooling system _____ undergo mechanical _____?
 _____ normal to _____ the inner mechanisms of _____ auto climate systems?
 Is it _____ for _____ thermostat _____ to be _____?
 Is it normal _____ have _____ done to the internal _____ cars?
 Is it customary _____ air conditioning _____ be _____?
 _____ internal _____ of the automotive climate _____ need _____?
 _____ it common _____ climate _____ in _____ car to _____ significant _____ work?
 Is _____ control _____ to extensive internal repairs?
 Is it _____ for _____ system to need _____?
 _____ it typical _____ an _____ system _____ need repairs _____?

_____ be _____ for an _____ to need repair work done _____?
 _____ inner workings of automobile air conditioning _____ frequent _____?
 Does _____ inner workings _____ make up frequent _____ work?
 _____ common _____ fix _____ internal components _____ the Climate control _____?
 Does this _____ frequently that _____ undergoes _____ repairs?
 _____ it true that the _____ components _____ A/C _____ repairs?
 Is it _____ for the internal mechanisms _____ control _____ be _____?
 Significant fix-ups _____ the _____ of _____ climate controls.
 Is _____ these automotive climate systems _____ large-scale _____?
 _____ common _____ it _____ parts of _____ controls to need work?
 _____ there _____ required for this _____ heating, ventilating and air _____?
 _____ it _____ to perform large repairs on _____ automobile's _____?
 Is it _____ units' internal parts to _____?
 Do _____ systems usually _____ a lot of _____?
 _____ normal _____ the inner mechanisms _____ these auto _____ systems.
 Is _____ of repair for the _____ mechanisms _____ an _____ unit?
 Is _____ to be necessary _____ car _____ controls?
 _____ it rare _____ parts _____ the _____ control _____ cars to _____ major repairs?
 Is there _____ for _____ repairs _____ temperature controls?
 _____ common is it _____ the inner parts _____ the _____ temperature _____?
 Is _____ normal to do _____ repairs _____ the _____?
 Was it usual _____ parts to be _____?
 _____ vehicles have a lot _____ work on _____?
 _____ it common for _____ control unit _____ car _____ have major _____?
 Is there a _____ internal _____ climate control units?
 _____ it typical _____ internal _____ of _____ automobile _____ to be fixed?
 I wonder if _____ internal parts _____ units _____ substantial repair.
 _____ necessary to _____ large-scale _____ for the _____ of an _____ HVAC _____?
 Is _____ to _____ needed for the internal components _____ HVAC systems?
 Does this happen frequently that _____ unit _____?
 _____ automotive _____ control _____ to have _____ repairs?
 Is it _____ the _____ components of an auto _____ this _____ lot _____?
 Is _____ normal _____ do a _____ repair _____ the auto climate _____?
 Is it _____ fix _____ internal _____ climate _____ units?
 Is _____ to _____ internal mechanisms of these _____ systems?
 _____ it _____ for _____ in an automotive climate _____ unit to _____ repair?
 Is _____ a lot of work _____ for the _____ automotive climate _____?
 Is _____ for the internal _____ of the _____ in cars _____ need _____?
 _____ the _____ often need _____ repairs?
 _____ my car's _____ control unit often _____?
 Is _____ automotive _____ control _____ prone to _____ repairs?
 _____ air conditioning units part _____ repair _____?
 Did _____ need extensive internal repairs?
 _____ automotive _____ systems need _____ lot _____ scale maintenance?
 _____ you _____ it's normal for an automotive _____ internally?
 The _____ units are subject to frequent _____ work.
 _____ that the _____ of an auto A/C _____ repairs?
 Do these types _____ devices require lengthy _____?
 _____ it common _____ an automobile's air _____ unit's _____?
 _____ it possible that _____ units _____ extensive _____?

Is _____ for _____ repairs _____ the internal _____ the climate _____ units in _____?

Is _____ lot _____ intensive fixing _____ their _____ units _____ vehicles?

There are _____ fix-ups for _____ mechanisms _____ climate _____.

_____ the automotive climate control _____ extensive repair _____ inner _____?

_____ a lot _____ required for this car's heating, _____ and _____ system?

Are major _____ often _____ the inner _____ the _____ and cooling _____ on cars _____ to _____?

Is _____ the internal mechanisms _____ the _____ units to _____ repaired?

_____ a lot of _____ thermostat unit parts?

Wouldn't _____ be _____ for _____ automotive _____ system _____ need _____ internally?

_____ automotive climate control _____ repairs _____?

_____ climate _____ units sometimes _____ repairs?

How often _____ the _____ components _____ automotive _____ need major _____?

Do _____ climate control units _____?

_____ controls usually _____ repairs?

Is it common _____ climate control unit to _____ repaired?

Is _____ car _____ conditioning internals _____?

Does _____ internal automotive _____ controls _____ servicing and fixing?

Isn't it _____ that _____ internal _____ need _____ fixes?

Is _____ internal _____ in AC units _____ significant repairs?

How _____ internal _____ in the automotive _____ need repairs?

How often does a _____ unit _____ major _____?

_____ think the internal components _____ auto A/C _____ fixes?

_____ unit undergoes extensive _____ often?

_____ needed _____ the internals of _____ climate control _____ in _____?

_____ customary _____ extensively _____ the internal components _____ climate control _____?

_____ customary _____ car _____ conditioning insides?

Is _____ normal _____ vehicle _____ unit parts to _____?

_____ it _____ common practice _____ internal components _____ climate control units?

_____ common for the _____ functions _____ climate control _____ to be _____?

Is it very common for _____ climate _____ unit _____ my _____ done?

_____ internal apparatus within the automotive _____ controls _____ much _____?

_____ the _____ climate control _____ to need _____ repairs?

_____ normal to conduct _____ on _____ controllers' inner mechanisms?

_____ automotive _____ usually _____ large-scale maintenance?

_____ it _____ for large-scale repairs _____ the internal _____ of _____ auto _____ and cooling system?

Did _____ automotive _____ often _____ extensive repairs?

_____ it _____ for cars to _____ for _____ internals?

The _____ of _____ control system in a car _____.

Does the inside of _____ automotive _____ demand _____ servicing _____ fixing?

_____ is _____ for _____ inner parts of _____ vehicle _____ controls _____ maintenance?

Is _____ necessary _____ repairs to be done _____ components of _____ ventilating, _____ air conditioning

_____ lot of repair _____ inner _____ of _____ auto climate systems?

_____ AC systems _____ often _____ major _____?

Is _____ normal _____ climate control in _____ have _____ repairs?

Is it true that the _____ components _____ an _____ need _____?

_____ it possible _____ AC unit undergoes extensive _____?

Is extensive repair _____ automotive climate control unit _____ this?

_____ air conditioning _____ heating systems _____ one _____ a _____ of repair work _____?

Do _____ fixes for _____ of _____ climate _____ system in _____?

Is _____ repairs _____ the _____ workings of _____ car's air conditioning _____?

____ it ____ lot to fix the ____ components of ____ ?
 Is it ____ for a ____ a car ____ need repair ____ ?
 Is the climate ____ in cars ____ major ____ ?
 ____ it normal for ____ repairs to ____ place ____ the ____ of ____ ?
 I wonder if ____ repairs ____ the ____ workings of ____ heating ____ on my cars.
 ____ automotive ____ units ____ internal repairs?
 ____ major repairs are ____ for ____ temperature controls.
 ____ it necessary ____ large-scale repair ____ components of ____ auto ____ cooling system?
 ____ the ____ units need major ____ internally?
 Is the ____ within automotive ____ serviced ____ fixed?
 ____ climate control units ____ repairs?
 Are ____ repairs ____ required for ____ inner ____ HVAC system?
 ____ it normal ____ control units ____ to ____ repairs?
 Sometimes fixing ____ within an ____ climatic ____ jobs.
 Is ____ normal ____ serious ____ performed on ____ mechanisms of automobile climate ____ ?
 Do the ____ systems like this one involve ____ of ____ work?
 Is it ____ control units need ____ repairs ____ ?
 ____ it ____ for ____ internal ____ of climate control ____ to ____ repairs?
 Is the internal apparatus ____ controls frequently ____ ?
 ____ on ____ internal components of ____ automotive climate control ____ ?
 ____ it ____ for ____ internals of ____ automotive AC to ____ ?
 ____ it ____ like this require extensive repairs?
 Is there a ____ jobs ____ the ____ climatic ____ .
 Is ____ workings of ____ conditioning ____ involved in ____ ?
 ____ normal to do ____ the ____ mechanisms ____ the auto ____ systems?
 ____ a ____ for ____ climate ____ cars to need ____ repairs?
 ____ it ____ to ____ conditioning inside of ____ car?
 Do the ____ conditioning and heating systems ____ to ____ one ____ significant ____ ?
 Is ____ units prone ____ repairs?
 Is ____ often ____ for ____ temperature ____ be repaired?
 Is the ____ climate ____ units ____ internally?
 Do automotive ____ and ____ usually ____ significant repairs ____ their ____ ?
 Does fixing problems with an ____ a lot ____ ?
 ____ it common ____ parts ____ AC ____ to need ____ repair?
 How ____ parts ____ the automotive climate ____ need ____ ?
 Is it ____ repairs on the ____ car climate controls?
 ____ the ____ control in ____ common for ____ ?
 Is there ____ a ____ for large-scale ____ the ____ an auto heating ____ cooling ____ ?
 Do ____ cooling systems go ____ lot ____ repair?
 Are ____ repairs ____ for ____ inner ____ car's air conditioning ____ ?
 Do ____ vehicles have ____ with ____ unit repairs?
 ____ normal for these ____ climate ____ be repaired?
 Is ____ on the ____ components of the climate control ____ ?
 ____ to ____ heating ____ cooling unit on cars similar ____ mine?
 Is it common ____ in cars ____ require repairs?
 ____ normal ____ climate control unit ____ to need repair work?
 ____ inner workings of air ____ subject ____ repair work?
 ____ common for the ____ control in ____ to ____ large ____ ?
 Does ____ happen often that ____ automobile ____ repairs?
 Do automotive ____ and cooling ____ typically ____ ?

Does _____ conditioning system have _____ mechanical _____?

_____ it normal to do _____ on _____ air conditioning _____?

Is _____ necessary for large-scale repairs _____ be performed on _____ internal _____ of _____ system?

_____ for car climate control units _____ need _____?

Is _____ for serious _____ be _____ on _____ internal _____ of automobile _____ controls?

Is it normal for _____ AC _____ need extensive _____?

Does the _____ control units _____ repairs _____?

_____ and cooling systems _____ have significant _____ their _____ parts?

Does _____ of the _____ often _____ servicing and repairs?

_____ it normal for an _____ to _____ done on _____ inner mechanisms?

_____ internal _____ of _____ automotive climate _____ need repair?

Is _____ necessary for large-scale _____ to _____ done _____ of auto HVAC _____?

Is it _____ for parts _____ the climate _____ repairs?

_____ frequently do automotive _____ control units _____?

_____ the _____ units likely to need _____ repair?

Does _____ done on the _____ of an automotive _____ unit _____ extensive?

_____ often do _____ components _____ climate _____ need to _____ repaired?

Does _____ happen to _____ internal _____ in an automotive _____?

Is _____ normal _____ internal _____ the climate _____ cars to need repairs?

Is it possible to _____ repairs _____ air _____ unit?

Do automotive _____ cooling _____ have _____ of work done _____ their _____?

_____ the _____ control unit _____ internal _____?

_____ automotive climate control _____ need _____ of repair?

_____ the _____ internal components _____ an automotive Climate _____ unit _____ extensive?

_____ a lot of _____ components of _____ climate _____ units?

Is _____ common for _____ parts of _____ units _____ repairs?

Do large _____ jobs involve _____ an auto _____?

Does _____ the climate controls _____ servicing and fixing?

_____ car _____ conditioning internals _____?

Does _____ inner workings of _____ conditioning _____ involve frequent _____?

Is _____ common _____ internal parts _____ units _____ need _____ repair?

_____ common is _____ the inner _____ of these _____ controls _____ maintenance?

_____ common _____ for _____ climate _____ unit in _____ to have _____ work done?

_____ it normal to _____ comprehensive repairs _____ the _____ control _____?

_____ normal for _____ the inner mechanisms of _____ climate controllers?

Would you _____ it's _____ for _____ parts to be _____?

_____ it _____ frequently that an _____ is repaired?

_____ it common for _____ units to _____ large repairs?

Does the automotive heating _____ system _____ fixes?

Do auto air conditioning _____ one have _____ of repair _____ internally?

_____ for internal parts in AC _____ substantial repairs?

Is it _____ for _____ unit in my _____ to _____ work?

_____ climate control _____ often need _____?

Is _____ for the _____ control _____ to need major _____?

Was it common _____ thermostat unit _____ refurbished?

_____ there a lot _____ to the _____ control _____?

_____ automotive _____ units _____ extensive repairs?

Are _____ this _____ climate controls prone to serious _____?

_____ to repair an automobile's _____ unit's internals _____ one?

_____ for an _____ air _____ unit's internals to _____ fixed?

____ car ____ unit need ____ be repaired ____?
 ____ necessary ____ have comprehensive ____ the ____ inside a car ____ and cooling ____?
 ____ necessary for ____ controls like mine?
 Is there ____ for ____ climate controls?
 ____ happen frequently that ____ AC ____ to be ____?
 The internal mechanisms ____ climate ____ are ____ extensive repair.
 Does it ____ that ____ automotive AC unit undergoes extensive ____?
 Does the internal ____ in the ____ controls ____ and ____?
 ____ significant repairs often needed for ____ climate ____?
 Is it ____ to carry out extensive ____ on ____ of the ____?
 ____ might ____ true ____ internal components ____ auto A/C need ____ fixes.
 Is ____ control ____ prone ____ need ____ repairs?
 Does ____ problems ____ an ____ climatic controller involve ____ lot ____?
 ____ of air ____ may be involved in frequent ____.
 ____ internal mechanisms of ____ automotive ____ control unit to ____ repaired?
 ____ air conditioning and heating ____ similar ____ a lot of internal ____?
 ____ the internal ____ the automobile climate ____ repaired?
 ____ the ____ heating ____ cooling system ____ lot ____ mechanical fixes?
 Is it common for ____ AC's ____ extensive ____?
 ____ normal ____ to repair the ____ of the climate control ____?
 Is it normal ____ perform ____ repairs ____ the ____?
 How ____ is needed on ____ parts of ____ vehicle ____?
 Sometimes the ____ control ____ need ____.
 Are ____ repairs ____ the ____ workings of ____ heating and cooling ____?
 ____ it involve substantial repair ____ an ____ climatic controller?
 ____ it ____ normal to ____ major repairs ____ an ____ unit?
 ____ there much work ____ the AC ____ in ____?
 ____ car air conditioning ____ regularly?
 ____ it common for ____ parts in ____ need serious ____?
 Is ____ for an automotive climate ____ to ____?
 ____ automotive climate ____ usually need ____?
 Do ____ air conditioning ____ heating ____ this ____ require ____ work internally?
 Do large-scale ____ the internal components ____ auto HVAC ____?
 ____ it ____ for an automotive climate system to ____?
 ____ there ____ lot of repair ____ on ____ automobile climate controls?
 Is ____ common for ____ air conditioning ____ be ____?
 ____ normal ____ an AC unit ____ undergo ____ repairs?
 ____ for major repairs to be ____ on ____ conditioning ____ of an ____?
 Is ____ uncommon for ____ parts of ____ units ____ need ____?
 ____ true that ____ this auto ____ need big fixes?
 ____ customary ____ car ____ conditioning internals ____ be fixed?
 Is it ____ for car ____ conditioning ____?
 ____ it normal ____ automotive climate control ____ repair ____ their inner ____?
 Is the repair work ____ of ____ control unit always ____?
 ____ it ____ large-scale ____ to be required for ____ car's ____ and air ____?
 ____ the car's ____ and ____ conditioning system ____ required ____ repairs?
 ____ it common for ____ internal ____ climate control to ____ major ____?
 ____ it ____ for an ____ to need ____ internally?
 ____ it ____ the inner parts of these temperature ____ to ____?
 ____ the ____ often need significant ____?

Do automotive _____ need repair on _____ interior parts?

The inner mechanisms _____ automotive climate controls _____ significant _____.

Is it _____ to _____ out _____ repairs _____ the inner _____ climate systems?

Do the _____ units _____ extensive _____?

Is _____ true _____ cars encounter intensive _____ their _____ units?

_____ often do internal components _____ control need _____?

How common _____ vehicle temperature controls _____ significant _____?

_____ the climate control _____ usually _____ on _____ mechanisms?

_____ to repair the inner _____ of the auto climate _____?

Is it _____ in _____ units to need a _____ of _____?

Major _____ are usually needed for _____ the _____ control system _____.

Does _____ automotive HVAC system _____?

_____ inner workings _____ a car air conditioning _____?

Is it common for _____ control units _____?

_____ the automotive _____ a lot of _____ repairs?

_____ it _____ to _____ out _____ of _____ work on these _____ climate _____?

Does _____ apparatus _____ the automotive _____ demand a lot _____?

Do _____ climate control units _____?

_____ you _____ that an _____ unit _____ extensive _____ often?

_____ car's climate _____ unit _____ need _____ repairing?

_____ repairs _____ the internal mechanisms _____ climate control _____ be required?

_____ car's climate _____ typically need extensive _____?

How _____ internal _____ of _____ climate control need _____?

_____ repair _____ inner mechanisms of the _____ systems?

Does _____ internal apparatus of _____ controls require _____ servicing and _____?

Is _____ parts of _____ units to need substantial _____?

_____ usual for _____ climate _____ units _____ extensively repaired?

_____ necessary _____ significant repairs _____ for car _____ controls?

Should _____ conditioning internals be _____?

_____ it common for _____ climate control _____ to have _____ repair _____?

_____ this _____ AC _____ need major repairs?

_____ automotive climate controls demand a _____ of work?

_____ necessary for _____ to be done _____ components of auto _____ and _____ systems?

Is there _____ of _____ repairs for the inner _____ system?

_____ fixing _____ auto _____ controller _____ a lot _____ work?

Is it _____ for _____ controllers' inner _____ be repaired?

_____ are usually _____ the internals _____ climate control _____ like this unit.

_____ the automotive climate _____ servicing _____ repairs?

_____ type _____ car _____ unit _____ big repairs?

_____ it _____ climate controllers to have major _____ on their _____?

_____ in _____ auto _____ controller involve large-scale repairs?

Is the _____ of _____ climate _____ this car _____ be repaired?

_____ it _____ the internals _____ automotive AC to need _____?

_____ it _____ that _____ systems _____ need extensive repairs?

Does _____ car's _____ control _____ require _____ repairs?

Is _____ to _____ done on a climate control _____ car?

Is _____ for comprehensive _____ mechanical _____ in a car _____ ventilating, and _____ system?

_____ repair work _____ the inside _____ climate _____ unit usually _____?

Is _____ normal for repair _____ on _____ auto _____ control unit to _____ extensive?

_____ commonplace to fix _____ internal _____ of _____ climate control _____?

Do _____ control _____ usually _____ extensive _____?

_____ are _____ components _____ climate control that _____ repair.

Is it necessary _____ to be done _____ components _____ HVAC systems?

Is _____ not common for _____ in _____ need repair?

Is _____ for the _____ mechanisms _____ the auto _____ be repaired?

Is _____ that _____ often need extensive repairs?

_____ car climate _____ units _____ repairs?

_____ this _____ of _____ AC _____ usually _____?

Do _____ climate control _____ require _____?

_____ the _____ air _____ system _____ lot of _____ repairs?

_____ the inner workings of _____ automobile _____ involved _____ frequent repair _____?

Major fixes _____ often _____ for _____ internals _____ control system _____ car.

_____ vehicle _____ unit parts to be refurbished?

Is _____ that AC systems _____ this _____ repairs?

_____ the automotive _____ systems typically _____?

Is there _____ repair to the _____ mechanisms of _____ climate _____?

_____ normal for _____ climate systems to need _____ scale _____?

Do automotive climate _____ extensive _____ of _____ repairs?

Fixing problems _____ an _____ climatic _____ can _____ involve _____ jobs.

_____ climate _____ units require major _____?

_____ for internal parts in AC units _____ significant _____?

Is it common _____ perform _____ repairs _____ unit?

Is there _____ internal _____ the automotive _____ control units?

_____ and cooling _____ a _____ of repair on _____ parts?

_____ the automotive AC unit _____ frequently?

_____ auto air conditioning and heating _____ usually need significant _____?

_____ it normal for _____ internal _____ climate control _____ to _____ repaired?

_____ normal _____ repairs _____ be _____ on such car _____ controllers?

_____ units need large repairs?

Is _____ common _____ internal _____ an automotive _____ control unit to _____?

Is _____ automotive climate control units _____ need _____?

_____ it _____ climate control in _____ to need _____ repairs?

_____ it happen a lot when _____ repairs?

Is _____ climate _____ often _____ repairs?

_____ normal _____ cars _____ conditioning internals to _____ repaired?

_____ the _____ of the climate controls demand _____ servicing _____?

Do _____ of AC _____ repairs?

Does my _____ unit _____ extensive repairs?

_____ for comprehensive _____ the internal mechanisms of climate _____ cars?

Is _____ typical for _____ to _____ the _____ of _____ climate controls?

Is it common _____ repair _____ conditioning _____?

Is it usual _____ unit parts to _____?

Is _____ normal _____ repairs _____ done _____ the inner _____ of _____ climate controllers?

_____ for the internals _____ the AC _____ extensive repairs?

Does _____ of car AC _____ repairs?

Are _____ units often _____ repairs?

_____ it _____ carry _____ substantial repair _____ the inner _____ the auto climate _____?

_____ it necessary for _____ for _____ the car _____ and air conditioning _____?

_____ serious _____ the internal mechanisms _____ the car's _____ controls _____?

_____ normal for _____ of _____ climate control _____ cars _____ have _____ repairs?

____ the automotive ____ control ____ usually ____ extensive repair?
 Does the ____ climate ____ demand ____ repairs?
 The ____ components ____ an ____ heating, ventilating, ____ air conditioning ____ need ____.
 Is it ____ internals ____ AC ____ need extensive repairs?
 Is ____ internal parts in ____ units ____ a ____ of work?
 Does fixing problems ____ auto climatic ____ a ____ work?
 ____ climate control ____ extensive repairs.
 ____ it ____ for vehicle thermostat ____ to ____ considerable ____?
 There ____ internal ____ automotive climate ____ unit that ____ be ____ frequently.
 ____ common is it ____ the vehicle ____ controls to ____?
 ____ it usual for ____ units ____ cars ____ be fixed?
 ____ climate controls' ____ apparatus demand a lot ____ fixing?
 Is ____ for ____ to ____ on their climate control ____?
 ____ to do ____ on ____ automobile's air conditioning unit?
 Is ____ necessity ____ car ____ controls to ____ repairs?
 ____ for car ____ have serious repairs on them?
 ____ it typical ____ a vehicle ____ unit part ____?
 ____ it ____ repair ____ inner ____ of an ____ climate system?
 ____ repairs ____ internal components ____ automotive climate control need?
 ____ a ____ repair to the internal components ____ and cooling system?
 ____ it normal ____ do ____ on the ____ mechanisms ____ the ____ controllers?
 Does ____ happen ____ the automotive ____ extensive repairs?
 ____ repair ____ on the internal ____ an ____ climate ____ unit ____ long?
 Do ____ repairs ____ car ____ controls ____?
 Do ____ climate control units ____?
 ____ the ____ control units ____ need extensive repairs?
 ____ it ____ for the ____ an automobile to ____ major ____ done?
 Does fixing problems ____ an auto ____ controller ____ a ____?
 ____ be repaired for air conditioning internals?
 How ____ it ____ the inner ____ of ____ vehicle temperature ____ need ____?
 Is it uncommon ____ of ____ in ____ require major repairs?
 Are the ____ control units usually ____ of ____?
 Is ____ common ____ internal parts of ____ climate ____ to ____ major ____?
 Does the ____ apparatus ____ automotive climate ____ need a ____ servicing ____?
 ____ large-scale ____ necessary for the ____ components of ____ heating, ____ and ____?
 There ____ components in an auto A/C ____ to ____.
 ____ it ____ for repair work to ____ done ____ inner ____ of ____ climate ____?
 ____ these ____ climate systems ____ maintenance?
 ____ the ____ control ____ often ____ major ____?
 Are there always ____ fix-ups for the inner ____?
 ____ climate control units ____ repairs internally?
 Is ____ a ____ for ____ repairs ____ the ____ components ____ auto ____ systems?
 ____ it normal for a ____ a car to ____ some ____ work ____?
 Does a ____ AC unit ____?
 ____ normal ____ have ____ repairs ____ the internal mechanisms ____ climate controls?
 ____ regular for ____ automotive ____ unit ____ extensive repairs?
 Major fixes ____ the ____ system in a car ____ needed.
 Is the ____ control ____ prone to extensive ____?
 ____ that the internal components of auto ____ big ____?
 Is the ____ usually ____?

_____ serious _____ on _____ mechanisms _____ automobile climate controls common?
 _____ work on the _____ of _____ control unit _____ extensive?
 _____ inner _____ conditioning _____ make for frequent repair work?
 Does _____ internal apparatus _____ the _____ controls demand _____ and repairs?
 Is _____ car air conditioning _____?
 Is _____ climate control unit's _____ workings _____ for _____?
 _____ it _____ for _____ parts _____ control in cars to _____ repairs?
 _____ the internal _____ of _____ car's _____ usually repaired?
 _____ the automotive _____ usually _____ extensive _____?
 Is _____ customary to repair _____ of _____ car?
 _____ it very _____ the _____ control in _____ major repairs?
 Is _____ repairs _____ workings _____ this car's air conditioning _____?
 Does the type _____ ac _____ repairs?
 _____ for large-scale _____ to be _____ for the internal _____ of _____ system?
 Is _____ extensive _____ work on _____ internal _____ of an _____ unit?
 Is _____ common _____ functions of a _____ control _____ in my car _____?
 Does _____ the internal components of an automotive climate _____ to _____?
 Is _____ large-scale repairs to _____ required _____ the _____ workings of _____ car's air _____?
 Is it _____ comprehensive _____ the _____ inside _____ heating and cooling system?
 _____ typical _____ the inner mechanisms of these _____ climate _____ be _____?
 Is _____ unit's inner workings _____ significant repairs?
 _____ it _____ for internal parts _____ AC _____ work?
 Is _____ customary for _____ to be repaired?
 _____ be needed for the internals _____ climate control _____ a _____.
 Is it normal for a _____ car to _____ work done?
 Is _____ a _____ of _____ done for _____ mechanisms in _____ automotive _____ control _____?
 _____ automotive _____ usually need repairs?
 Is it _____ for _____ air conditioning _____ to _____?
 _____ these types of auto _____ usually _____ repair?
 Is it common _____ internal parts _____ units to _____ lot _____?
 Is it _____ large-scale _____ to be required for _____ car's _____ conditioning _____?
 Does _____ of _____ controls demand _____ lot of _____ and repairing?
 Is there _____ complex _____ for _____ automotive _____ systems?
 _____ it _____ for internal parts _____ units _____ big repairs?
 Is it a _____ to _____ repairs _____ an automobile's _____ conditioning _____?
 _____ type of _____ unit sometimes need _____?
 Are _____ systems _____ this _____ repairs?
 Do _____ cooling systems _____ lot of _____ on their interior _____?
 Is the _____ of _____ automotive _____ unit _____ to _____ repairs?
 Major _____ are _____ for _____ a climate control _____ in cars.
 Does _____ happen for the _____ mechanisms _____ an _____ climate _____?
 Does this type _____ car _____ unit _____?
 Is it common _____ fix _____ internals of _____ conditioning _____?
 Is automotive _____ units _____ need major _____?
 _____ automotive climate control _____ internal _____ often?
 _____ internal _____ within the automotive climate _____ often _____ fixing?
 _____ it _____ cars' AC _____?
 _____ it normal for _____ repairs to take _____ on the internal _____?
 _____ it _____ for an _____ air conditioning _____ to be _____ this _____?
 Is it normal to _____ out major repairs _____ the inner _____?

Fixing _____ auto climatic _____ can often involve _____ jobs.
 _____ it common _____ the _____ of these _____ temperature controls _____ need _____?
 _____ often _____ automotive heating _____ cooling systems have _____ parts _____?
 Is _____ common for _____ repairs _____ to _____ air _____ unit _____ an automobile?
 Is _____ normal _____ fix air conditioning _____ a _____?
 _____ it _____ necessary _____ temperature controls _____ have _____ repairs?
 _____ car _____ conditioning _____ for repairing?
 _____ automotive AC unit undergoes _____?
 _____ normal for major _____ to be performed _____ inner mechanisms _____ climate _____?
 _____ it normal for _____ climate _____ to be _____ the _____?
 _____ it normal for _____ parts _____ to need _____ repairs?
 Do _____ repair _____ AC _____ inside?
 Is _____ of _____ internal components of climate _____ units?
 Is there a lot of large-scale _____ for _____?
 Is _____ common for _____ automobile's _____ unit _____ have _____ done?
 Is it _____ fix _____ internal _____ of _____ climate control _____?
 _____ normal for car _____ to _____ serious repairs?
 _____ it normal for _____ functions _____ a _____ control _____ in my _____ be _____?
 Is it _____ to _____ on _____ internal _____ climate control _____ in cars?
 _____ climate control _____ need a lot _____ work?
 Are large-scale _____ for _____ inner _____ car's HVAC system?
 Is _____ air conditioning internals of a _____?
 Is it _____ AC _____ like _____ to _____ extensive _____?
 _____ the _____ components of _____ automotive climate _____ unit _____?
 Is the _____ climate _____ unit _____?
 Is _____ rare for _____ repairs to be _____ heating _____ cooling _____?
 _____ be needed _____ the _____ of _____ control system in cars.
 Is _____ for _____ climate control _____ cars to _____ repairs?
 Does _____ car's climate _____ need _____?
 _____ heating, ventilating, _____ air conditioning _____ need _____ scale repairs?
 _____ it normal for _____ control _____ internal components _____ repaired?
 _____ automotive heating _____ cooling _____ have _____ lot of repair _____ interior _____?
 _____ it typical _____ vehicle _____ unit _____ be _____ refurbished?
 _____ not uncommon _____ control in cars _____ need major repairs.
 Is _____ for the automotive AC _____ need _____?
 _____ it _____ to _____ repairs on _____ car _____ controllers' inner _____?
 The inner _____ of automotive climate _____ of significant _____.
 Do the auto air _____ and _____ systems like _____ internally?
 Is it common _____ these _____ of _____ to need _____?
 _____ normal _____ repair _____ done to a climate _____ unit _____ my _____?
 _____ many repairs _____ needed _____ the _____ of _____ automotive _____ control unit?
 _____ it happen _____ that an _____ AC _____ undergoes _____?
 _____ for _____ air conditioning internals _____?
 _____ cars have _____ their _____ units inside?
 _____ common _____ temperature controls to need _____ repairs?
 _____ for the automotive _____ system to _____ maintenance?
 Are large-scale _____ for _____ internal components of _____ heating, ventilating, _____ air _____ like _____?
 _____ normal _____ perform major _____ on _____ inner mechanisms of _____ climate _____?
 _____ it _____ for _____ climate _____ to _____ repairs internally?
 _____ there much repair _____ on _____ components of _____ control unit?

Do automotive _____ and cooling systems _____ on _____ parts?
 _____ it normal _____ the internal mechanisms of _____ units _____ cars _____ need _____?
 _____ air conditioning and heating _____ this _____ need significant repair _____?
 _____ climate control units need _____?
 _____ auto air _____ systems have _____ lot of _____ work?
 _____ climate _____ units need _____ internal repairs?
 _____ it uncommon for these _____ temperature _____ maintenance?
 _____ normal to _____ the _____ conditioning internals _____ a _____?
 Does _____ often _____ an AC _____ gets _____?
 _____ the automotive AC _____ go _____ repairs _____?
 Is it _____ the _____ mechanisms of the _____ units _____ need _____?
 There _____ automotive _____ systems _____ large-scale _____.
 Is it _____ for _____ parts in _____ need significant repairs?
 Is it commonplace for the _____ an automotive _____ control _____?
 Is there serious repairs on the _____ of _____?
 Does repairing problems in _____ auto _____ of work?
 Are large-scale repairs often required for _____ this car's _____ air _____?
 Isn't it true that the _____ need _____ fixes?
 I _____ if _____ climate _____ units _____ repairs.
 Does _____ type _____ car _____ significant repairs?
 Is _____ car's _____ unit often _____ repairs?
 _____ it normal _____ the climate _____ in cars _____ repaired?
 _____ work on _____ internal _____ of an _____ climate control _____ be extensive?
 Is it _____ to make _____ repairs for _____ mechanical _____ the car _____?
 _____ it normal for _____ control units to _____?
 Is _____ normal for automotive climate _____ to _____ major _____?
 Is there _____ that are _____ for _____ temperature _____?
 _____ often _____ AC _____ needs to be repaired?
 _____ the _____ apparatus in _____ automotive _____ controls _____ a _____ servicing and _____?
 _____ it _____ the _____ of an automobile _____ control to _____ repaired?
 Is it _____ inner _____ these temperature controls _____ need _____?
 _____ fixing the internal _____ of _____ control _____ normal?
 _____ the _____ of _____ automotive climate _____ unit _____ repair work done?
 _____ significant _____ the inner _____ automotive climate controls?
 _____ fixing problems _____ an auto climatic _____ jobs?
 _____ automotive _____ systems need _____ scale _____?
 _____ often do _____ parts of _____ control _____ major _____?
 _____ common _____ control in _____ to need _____ repairs?
 _____ control units _____ extensive repairs?
 _____ internal _____ AC units to need significant work?
 Does _____ climate _____ cars need major _____?
 _____ it _____ vehicle thermostat unit parts to _____?
 Does the internal apparatus _____ automotive climate _____ a _____?
 Is _____ not common _____ internal parts _____ to need _____?
 Is it a common practice _____ extensively _____ internal _____ units?
 _____ it normal for _____ automotive _____ to _____ internally?
 _____ this type _____ AC unit need _____?
 Is _____ cooling systems likely to _____ substantial _____ on their _____?
 Is _____ work _____ the _____ components _____ a _____ control unit _____?
 Is car air _____ involved _____?

Does the ____ climate ____ internal ____ a ____ servicing ____ fixing?

Is ____ control systems like ____ complex fixes?

Is large-scale ____ the ____ of this car's ____ system?

____ often ____ internal parts ____ AC ____ need substantial ____?

Is ____ climate ____ to be fixed?

Is ____ the ____ inside ____ a car ____?

____ the ____ climate controls ____ a ____ servicing?

Is ____ normal for ____ control in ____ repairs?

Is it usually ____ temperature ____?

Is there ____ lot ____ to ____ mechanisms ____ the car climate ____?

____ happen frequently that an ____ undergoes ____ work?

____ it normal ____ major repairs on ____ unit?

Does fixing ____ an auto ____ controller ____ work?

Is ____ customary ____ air ____ internals to ____ repaired.

____ fixes are ____ a climate control system in cars.

____ auto air ____ and heating systems like this ____ repair ____?

Is it ____ the climate control ____ car ____ have major ____ work ____?

Is ____ necessary for large-scale ____ for ____ components ____ an ____ system?

Is car ____ conditioning ____?

____ normal for an automotive climate ____ need repair ____?

Is ____ fix car ____ conditioning ____?

Do these ____ units ____ repairs?

Would it be ____ a ____ system ____ this ____ need ____ internally?

____ it a ____ repairs ____ the internal mechanisms ____ climate control ____ cars?

____ wonder ____ common with automotive climate control ____.

Is there ____ repairs ____ for this car's heating and ____?

____ normal for ____ climate controllers to ____ major repairs ____ inner ____?

____ climate control units ____?

____ the ____ control units usually need ____?

____ it normal for repairs ____ be ____ to ____ mechanisms ____ units in ____?

____ for vehicle thermostat unit parts ____ be refurbished?

Do ____ think ____ common ____ perform ____ an automobile's air ____ unit?

Do ____ automotive climate ____ maintenance on ____ scale?

Is ____ workings of automobile air conditioning units?

____ automobile's ____ conditioning unit to have major repairs ____?

____ possible to do ____ on ____ automobile's ____ conditioning unit?

____ fixes for the internals ____ climate ____ system in ____ car ____?

Do ____ control units need ____?

____ we often ____ internal ____ climate control units?

____ car ____ systems ____ large-scale maintenance?

Isn't it ____ the internal components ____ A/C need ____?

____ major repairs on ____ climate controllers happen?

Is ____ automotive ____ system often ____?

____ fixes are ____ for the internals ____ a ____ cars.

Is the ____ on the ____ components ____ an ____ climate ____ normally ____?

Is the ____ system's ____ commonly ____ for major ____?

____ it ____ automotive climate ____ have extensive repairs?

Does it ____ the AC ____ undergoes repairs?

Is ____ normal for an ____ system such ____ this ____ require ____?

Is it usual ____ climate control ____ be ____?

____ it usual ____ climate ____ their inner mechanisms repaired?
 ____ repair ____ related to ____ conditioning units?
 Is ____ normal ____ the Climate ____ cars ____ need ____ repairs?
 Do auto air conditioning ____ heating systems similar ____ this ____ a ____ ?
 ____ it normal to ____ the internal mechanisms ____ climate control ____ cars?
 Is ____ climate control unit prone to ____ ?
 ____ auto ____ and heating systems similar ____ one ____ significant repair ____ ?
 ____ automotive climate control ____ need ____ ?
 ____ automotive ____ units ____ lot of repairs?
 ____ climate control ____ major repairs ____ ?
 Are large-scale ____ the internal components of auto ____ cooling ____ ?
 Is it ____ that ____ automotive ____ unit ____ regularly?
 ____ automotive ____ control ____ repairs internally?
 Do many ____ fix ____ units inside?
 Are the ____ usually ____ on their internal ____ ?
 Did the ____ climate ____ have to ____ extensive ____ ?
 Is ____ a car ____ controller's inner ____ to be ____ ?
 ____ major repairs on ____ automobile's air conditioning ____ .
 ____ it happen ____ an ____ undergoes repairs?
 Ain't it ____ in an auto ____ need big ____ ?
 ____ automotive ____ units prone ____ repairs?
 ____ it ____ a ____ thermostat ____ part ____ be refurbished?
 Is the ____ of the climate ____ done ____ mechanisms?
 Is ____ carry out ____ on ____ inner mechanisms ____ the auto climate ____ ?
 ____ significant repairs required ____ unit?
 Is it normal ____ repairs ____ required ____ heating and ____ system?
 Does ____ happen a lot to fix ____ internal ____ the ____ ?
 Is ____ unusual ____ large-scale repairs to ____ required ____ conditioning system?
 Is the ____ control ____ often ____ internal ____ ?
 Is ____ normal for ____ internal ____ of the ____ to be ____ ?
 Is it ____ to require ____ the ____ mechanisms of ____ cars?
 ____ a lot of ____ their ____ units inside?
 ____ automotive climate ____ large-scale ____ .
 Is ____ typical ____ a ____ thermostat ____ to ____ refurbished?
 Does ____ within ____ climatic ____ involve ____ repair jobs.
 Do ____ to ____ repairs on ____ AC units?
 Do this ____ need major repairs?
 ____ do ____ need to fix the ____ vehicle temperature controls?
 Do ____ how frequently the inner ____ of ____ vehicle ____ need ____ ?
 Do ____ vehicles ____ have ____ AC ____ fixed?
 Is ____ automotive climate system ____ repairs inside?
 ____ these car ____ systems ____ a ____ maintenance?
 Is ____ common thing for ____ unit in my car ____ repair ____ ?
 Is ____ for ____ to be refurbished?
 Is it usual ____ thermostat ____ refurbished?
 Do ____ conditioning and ____ systems ____ this one tend ____ have ____ work ____ ?
 ____ for auto climate ____ to have substantial ____ on their inner ____ ?
 ____ air conditioning and heating ____ like ____ usually require ____ repair ____ ?
 Isn't it ____ the ____ of ____ need major repairs?
 ____ the ____ climate control units ____ ?

Is it common _____ control _____ cars _____ significant repair work _____?
 _____ for an automotive AC unit to _____ repairs _____ mechanisms?
 Do _____ heating and cooling systems usually _____ repairs _____?
 Is _____ normal _____ internals _____ AC to need _____ repairs?
 _____ the car's _____ significant repairs?
 _____ significant repairs usually _____ temperature _____?
 _____ car temperature controls to _____ significant repairs?
 Does the _____ within _____ climate _____ require a _____ of _____?
 _____ it _____ that _____ and cooling systems _____ repair _____ their interior _____?
 _____ normal to carry out repair _____ the inner _____ of _____ systems?
 _____ problems _____ climatic controller involve extensive repairs?
 How _____ it for _____ inner _____ temperature controls _____ be serviced?
 Is the _____ to _____ fixes?
 _____ common _____ make major _____ on an _____ air _____ unit?
 _____ it common for internal _____ AC units _____ massive _____?
 Is it normal for _____ internals in _____ fixing?
 _____ it _____ for _____ controllers to _____ major _____ to them?
 Is _____ normal _____ climate _____ to have their _____ repaired?
 Is the internal mechanisms of a climate _____?
 _____ and cooling systems undergo _____ of repair?
 Are there often _____ for _____ heating, ventilating and _____?
 Does _____ the _____ climate controls demand a lot _____ servicing _____?
 Is _____ to repair _____ internal _____ climate _____ units in _____?
 _____ there _____ on _____ of automotive heating and cooling systems?
 Is _____ serious _____ to _____ place on the internal mechanisms _____ climate _____?
 Is the internal mechanisms _____ this car's _____ controls _____?
 _____ it customary for _____ mechanisms of climate _____ in _____ to _____?
 _____ internal parts in _____ need large repair jobs?
 Is it normal to _____ the inner _____ systems?
 _____ it _____ repair _____ car _____ conditioning internals?
 _____ it _____ for major _____ to be _____ to _____ controllers?
 Does _____ type of _____ repairs often?
 _____ it _____ major _____ inner mechanisms of car climate controllers?
 Is it normal to _____ of _____ car _____ systems?
 _____ normal to _____ out significant _____ on _____ inner _____ of _____ climate systems?
 _____ it _____ common _____ the _____ to _____ extensive repairs?
 Is there any _____ fix-ups _____ the _____ mechanisms _____ controls?
 Is it true _____ the _____ components _____ major repairs?
 _____ it _____ for _____ automotive climate _____ to need _____ repairs _____?
 _____ it common for _____ parts _____ to _____ much repair?
 Does _____ internal apparatus of _____ climate _____ servicing _____ fixing?
 _____ there much repair _____ internal mechanisms _____ climate _____ unit?
 How _____ the _____ mechanisms _____ the automotive climate control _____ repaired?
 Isn't it true _____ internal _____ A/C like _____ need _____ fixes?
 _____ the _____ control units often need _____?
 _____ these types _____ air conditioners _____ extensive _____?
 _____ repairs required for the _____ workings _____ this _____ system?
 _____ common is it for _____ vehicle _____ to _____ maintenance?
 Do _____ climate systems _____ need _____?
 _____ for _____ internals _____ automotive AC to _____ extensive repairs?

_____ heating _____ systems subject to substantial _____ interior parts?

Is _____ a lot _____ repairs _____ for _____ unit in this _____?

Does it happen _____ the AC unit _____?

_____ it normal to carry _____ on _____ of _____ auto climate systems?

_____ claimed that the internal components in _____ need _____.

Is _____ for _____ units to be _____ fixed?

Does fixing _____ within an auto _____ big _____?

Is it _____ for the car _____ conditioning _____?

Does _____ in _____ controller involve huge repair _____?

Do _____ think it's _____ to _____ the internal components of _____?

Does _____ happen to _____ major repairs _____ an _____ air _____ unit's _____?

_____ normal _____ an automotive climate _____ to _____ major _____ internally.

Is it _____ for major _____ the inner _____ such _____ controllers?

_____ it possible that _____ climate control units _____?

Do you _____ fix _____ within _____ controller?

Is it _____ perform _____ repairs _____ an _____ air conditioning unit?

Is it normal to _____ work done _____ functions of _____ my car?

_____ automotive _____ control's internal apparatus _____ a _____ servicing _____ fixing?

_____ of auto air _____ usually _____ extensive fixing?

Do major fixes _____ internals _____ a _____ system happen _____?

_____ there _____ repairs _____ for _____ workings of this car's _____ system?

Does the _____ climate _____ unit _____ lot of _____?
