

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Meter tampering or unauthorized usage reporting
Inquiry Sub-Category	Billing discrepancies due to meter tampering
Description	Customers observe significant discrepancies between actual energy usage and the calculated bill, suspecting meter tampering or incorrect readings leading to inaccurate billing.
Data Size	7,440 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ the steps taken by _____ Suppliers to ensure _____ meter _____ is _____ _____?

What _____ companies _____ protect _____ meter manipulation?

_____ the _____ power companies to _____ meter tampering?

Does the _____ detection of meter _____?

_____ measures been put in _____ to _____ someone _____ the meter.

_____ suppliers _____ sure _____ tampering _____ prevented.

How can _____ detect _____ of _____?

_____ it possible _____ electricity _____ have _____ and prevent _____ tampering?

Which _____ can identify and _____ foul _____?

_____ companies required _____ take _____ order to find _____ and _____ meter tampering?

_____ steps are _____ electricity suppliers to ensure _____?

_____ about the steps _____ stop meter _____?

_____ by power _____ to _____ alterations on meters?

_____ are _____ taken by _____ to prevent cheating on _____?

_____ trace and prevent false _____ on _____?

How do electricity _____ that there _____ at _____ tampering?

AreElectricity _____ able _____ illegal energy _____?

How could power _____ with _____?

Measures _____ by _____ to prevent _____ tampering.

_____ procedures _____ prevent foul _____ on the _____?

Can _____ me _____ keep any _____ messing _____ the meters?

_____ the detection _____ meter _____ ensured _____ energy _____?

_____ energy _____ meter tampering?

_____ do _____ providers limit _____?

_____ you _____ me _____ you _____ any _____ from messing _____ the _____ meters?

_____ that electricity _____ detect _____ stop attempted _____ tampering?

_____ measures _____ put _____ place to detect instances of _____?

Electric _____ make _____ nobody _____ with _____.

Electricity _____ taken measures _____ tampering _____ their _____.

How ____ power ____ sabotage ____ units?
 ____ identify and prevent foul ____ meters?
 ____ power ____ prevent ____ on the ____?
 Electric ____ have ____ stop ____.
 Measures taken ____ to ____ tampering.
 Please tell ____ electricity ____ prevent ____.
 Electricity Suppliers take ____ to ____ meter ____.
 ____ supplier have ____ illegal energy adjustments?
 ____ energy companies ____ tampering?
 Is ____ possible ____ electricity providers ensure ____?
 Which procedures ____ play ____ meters?
 ____ must ____ and stop meter ____.
 ____ suppliers have ____ detect illegal ____.
 ____ are ____ to detect ____ prevent meter ____?
 ____ measures are put ____ place ____ instances of ____ manipulation?
 Which ____ used to identify foul ____ meters?
 Steps ____ to ____ meter tampering?

 Electricity suppliers make sure they _____ tampering _____ meter.
 _____ catch and _____ manipulation
 _____ detecting _____ preventing meter tampering
 _____ do Electric Companies make _____ tampering with their _____?
 Provide _____ how _____ providers identify _____ meter tampering.
 _____ suppliers to catch and prevent _____ from tampering _____ the _____?
 Electric companies _____ with _____ meters
 Measures to _____ and avoid _____ implemented _____ electricity _____.
 _____ do _____ suppliers _____ against _____ tampering?
 _____ providers _____ tampering with the _____.
 _____ ways will electric _____ stop false _____?

There ____ steps ____ power ____ to end ____ tampering.
 ____ tell me ____ to keep cheat from messing with ____?
 What ____ do ____ have ____ place ____ potential ____ of meter manipulation?
 How do ____ prevent ____?
 ____ electric utilities ____ prevent ____ fraud?
 What are the steps ____ by ____ tampering
 ____ you tell me ____ you guys keep any ____ with ____?
 Power utilities ____ in ____ stop ____ alterations ____ meters.
 ____ are electric companies ____ identify and ____ tampering ____?
 ____ do ____ catch people ____ on ____?
 Are there ____ place to stop ____ fraud?
 Electricity suppliers ____ and ____ meter tampering.
 Electricity ____ that ____ is detected ____ prevented.
 ____ measures ____ use ____ stop meter ____?
 ____ and stop meter ____
 What ____ be taken to ____ meter tampering?
 ____ way energy providers ____ meter ____?
 What ____ taken ____ prevent ____ detect meter ____?
 ____ been put ____ out ____ someone ____ messing with the meter.
 ____ providers implementing measures ____ detect and ____ tampering?
 ____ power companies are ____ steps ____ meter ____.
 Electricity ____ taken measures ____ meters.
 ____ electricity providers find ____ stop ____ at ____ tampering?
 ____ electricity ____ implement measures to ____ prevent meter ____?
 ____ it ____ electricity providers ____ and detect ____ at meter ____?
 How ____ their meters safe?
 ____ there anything ____ can do to detect and ____?
 ____ taken against ____ tampering ____ suppliers.
 ____ are ____ to catch ____ tampering with the ____?
 ____ power companies take in ____ to find ____ if there is a ____ meter?
 The ____ that ____ use ____ stop meter ____.
 Please provide information ____ how ____ meter ____.
 Measures to ____ prevent ____ tampering ____ implemented by ____.
 How ____ companies ____ meter manipulation?
 ____ do ____ make ____ harder to ____ the ____ units?
 ____ catch ____ who mess with the ____?
 ____ do ____ and detect ____ tampering?
 Measures are ____ to ____ and prevent meter ____.
 How ____ Suppliers use ____ to stop ____?
 ____ power companies supposed to ____ to ____ tampering?
 Electricity ____ that ____ are ____ tampered ____.
 There ____ that can be taken to prevent ____.
 ____ taken by ____ power ____ stop ____ tampering?
 ____ you ____ quickly how you keep any ____ electric meters?
 Electricity Suppliers ____ make sure that ____ detected and ____.
 Do electricity ____ to ____ illegal ____ adjustments?
 ____ do electricity ____ take ____ stop ____ tampering?
 electricity ____ have ____ to ____ and ____ meter ____
 ____ procedures can help identify ____ meters?
 ____ there ____ to prevent and ____ by ____ suppliers?

_____ are electricity _____ supposed to _____ prevent _____ with _____ meter?
 What _____ measures _____ detect possible _____ meter tampering?
 How _____ suppliers _____ against _____ meters?
 _____ steps are _____ to _____ manipulation?
 _____ suppliers _____ themselves against _____ with _____ meters?
 How _____ energy providers _____ the _____?
 How _____ make sure _____ tampering is _____?
 _____ are the things _____ to _____ meter fraud?
