

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Connectivity options
Description	Customers request information about the various connectivity options available for the telecommunications equipment, such as Ethernet, Wi-Fi, or Bluetooth.
Data Size	5,085 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Is Bluetooth available ____ this telecommunications ____ wireless ____ ?
____ telecommunications ____ support ____ for wireless data ____ ?
There is ____ question ____ it ____ possible to useBluetooth ____ for wireless ____ .
Does this ____ for the ____ ofBluetooth ____ wireless ____ of ____ .
____ it ____ to ____ the ____ features on ____ Telecommunications ____ .
____ it ____ useBluetooth for ____ transfer?
Is the device ____ access wireless ____ assistance ____ ?
Does your ____ equipment allow ____ to ____ the ____ ?
Do the ____ transfer option using ____ technology?
I'm wondering if ____ a way ____ wireless data.
____ there any chance ____ equipment ____ used ____ transfer data ____ Bluetooth?
____ to ____ via Bluetooth on ____ telecom equipment?
I'm not certain ____ the equipment ____ data ____ .
____ is ____ if ____ possible ____ on this device.
____ you transfer data ____ wireless?
Can ____ on this hardware ____ transfer ____ ?
____ there a ____ this equipment can be ____ using bluetooth?
____ know if it's possible to ____ bluetooth ____ on ____ equipment.
Is the ____ data viaBluetooth?
Does ____ transfer ____ data via ____ ?
____ sure ____ there is ____ for data ____ in this ____ .
____ on this ____ using a wireless method?
____ know if ____ a feature for ____ this telecom ____ .
____ it possible ____ on ____ device to ____ wireless ____ ?
____ is ____ question ____ the ____ equipment ____ Bluetooth ____ wireless communication
Is ____ to transfer ____ usingBluetooth ____ telecom ____ ?
Is there ____ chance ____ equipment can ____ used ____ the option of using ____ wireless technology?
Is it ____ on this ____ ?

Is _____ with _____ wireless _____ transfer _____ called Bluetooth?

_____ want to _____ if it's _____ use _____ features _____ my _____ Equipment.

_____ am unsure if _____ equipment has _____ data _____.

Does this _____ via Bluetooth?

I would like to _____ gear has _____.

_____ wondering if _____ way _____ use Bluetooth _____ data.

_____ was _____ if _____ use wi-fi with Bluetooth, for data use.

_____ be _____ move _____ on equipment?

Does _____ data transfer via _____ device?

_____ able to transfer _____ via Bluetooth?

I want to _____ if _____ capability.

Is it _____ to _____ telecom _____?

_____ is _____ question if the telecommunications _____ standard.

There's a _____ about _____ the telecommunications equipment _____ data _____.

_____ possible _____ device to access wireless data _____?

Are the devices capable of _____ with _____ help _____?

_____ know if _____ Bluetooth on this telecom gear?

Can _____ be _____ wireless _____ moving thing _____ Bluetooth?

Will the _____ permit me _____?

Can _____ tell _____ if it's _____ to use _____ on _____?

Does _____ transferring data via _____?

I want to _____ if _____ gear _____ bluetooth _____.

_____ be _____ are _____ data moving things called Bluetooth?

_____ it possible _____ his communication _____ to _____ or receive _____ with _____?

Does the _____ have _____ ability to _____ wireless _____?

_____ if it is possible _____ use the _____ your equipment?

_____ would _____ the telecom gear has a _____ capability.

Is there _____ the telecom _____ used for _____ transfer using Bluetooth?

_____ you _____ the telecom _____ has _____ capability?

I would _____ to _____ if there's a _____ to _____ Bluetooth _____.

_____ it _____ to use _____ bluetooth _____ on _____ equipment.

Is _____ device approved _____ via Bluetooth?

_____ capable _____ transferring data through a wireless _____?

I'd like to _____ telecom gear includes _____.

_____ a possibility _____ there is _____ for _____ transfer.

If you want _____ this telecom _____ you _____ to?

There _____ a _____ it is possible to enable Bluetooth _____ on _____ for _____ transfer _____.

Is this _____ equipment able to _____?

Is _____ any chance that this equipment can _____ used to _____ data using _____ of _____?

_____ am wondering if the _____ gear _____.

Is it possible _____ the _____ features on _____?

_____ wanted _____ know _____ there _____ a _____ use _____ connection for wireless _____.

Can you tell _____ possible _____ feature on _____ equipment?

Can the _____ a _____ on the equipment?

There _____ it _____ possible _____ enable Bluetooth capability on _____ device.

Is the _____ on _____ equipment _____?

Is it _____ supports wireless _____ transfer through Bluetooth?

I want _____ if it's _____ use the bluetooth _____ my _____.

There _____ a _____ about whether it _____ possible _____ for wireless data _____.

Can _____ me if _____ gizmo has Bluetooth _____ wireless?

Does the equipment offer the _____ for wireless _____?

Can _____ if _____ gizmo _____ capable _____ yappin' wirelessly?

I want _____ know _____ data transfer through Bluetooth.

_____ possible to send _____ information with _____ tool using _____ built-in _____?

Is _____ of accessing _____ data _____ the _____ of BLE technology?

_____ this gizmo _____ guts _____ communications?

Do _____ telecommunications _____ Bluetooth?

_____ equipment _____ use _____ Bluetooth to transmit data?

_____ this telecom equipment will _____ the use _____ the Bluetooth _____ wireless transmission?

I'm not sure _____ this _____ gear.

There is a question as _____ whether _____ capability on _____.

We need to _____ able _____ use Bluetooth for _____ in _____ unit.

_____ it _____ to use Bluetooth on this _____ transfer _____?

Do _____ it _____ to _____ the bluetooth features _____ my telecommunications _____?

_____ the _____ to access wireless _____ help of bluetooth?

Is it _____ that _____ feature that _____ to use it _____ communications?

_____ this _____ transfer data via Bluetooth?

I need to _____ if _____ to use _____ bluetooth feature _____.

There is _____ question _____ is possible _____ enable Bluetooth _____ wireless _____ data on _____ device.

_____ a question as to if it's _____ enable Bluetooth _____ telecom _____.

I'm _____ is _____ way _____ for wireless data here.

_____ is a question about whether _____ is _____ to _____ wireless _____ of _____ device.

Is it possible to _____ device _____ data _____?

Is _____ for wireless data _____ on this _____?

There _____ chance that _____ equipment will _____ for use _____ the Bluetooth _____.

There is a question _____ whether _____ data communication.

_____ use Bluetooth _____ telecom equipment?

Can I use Bluetooth _____ this _____?

Can you _____ if _____ is possible to _____ the _____ telephones?

I'm not sure if _____ a _____ bluetooth in _____.

_____ tell _____ if it's possible to _____ the Bluetooth _____ on _____?

_____ possible to send _____ using Bluetooth _____ this _____?

_____ the device have a _____ that _____ data _____?

_____ the _____ allow the _____ via Bluetooth?

_____ this _____ me to _____ via Bluetooth?

Is _____ to use Bluetooth _____ data _____?

There is a _____ about whether _____ on _____ for wireless data _____.

The question _____ if _____ possible to enable Bluetooth capability on this _____.

Do _____ if this _____ gear _____ a bluetooth _____?

There _____ a question _____ is _____ to _____ on _____ telecom _____.

_____ your _____ equipment _____ to use bluetooth?

Is _____ use the device _____ access wireless _____ help of Bluetooth?

_____ is _____ question _____ possible to enable the Bluetooth _____ on this _____.

_____ is if it's possible _____ this device.

_____ use Bluetooth _____ data on this _____?

_____ if the telecom _____ capabilities.

Do _____ have _____ data _____ system that uses _____?

_____ am _____ it's possible to use _____ bluetooth _____ on _____.

Is _____ possible to _____ without wires?

Is _____ possible _____ use _____ this equipment to _____?

If _____ is _____ question about if _____ to _____ capability _____ this telecom _____.

_____ a question _____ if _____ is possible to _____ device.

Do _____ it is possible to transfer _____ bluetooth _____ this _____?

_____ to _____ data on this _____?

I'm not sure if _____ to _____ in this _____.

Is _____ chance that _____ will allow _____ use of theBluetooth _____ wireless _____?

_____ it true that _____ has _____ that let _____ use _____ for wireless _____?

Is the device able _____ data _____ the _____ ofBLE _____?

I don't _____ if it's _____ in this _____.

_____ device support wireless _____ transfer _____?

Is _____ capable _____ via wireless?

Is _____ data _____ possible _____ this _____?

Can _____ tell me if _____ is _____ way _____ transfer _____ Bluetooth?

_____ the _____ equipment _____ withBluetooth _____ data _____?

Can _____ be used _____ transfer data _____?

_____ there _____ data transfer _____ device?

There is a _____ telecommunications _____ supportBluetooth for wireless _____.

_____ the device able _____ a data transfer _____ a _____?

_____ it possible _____ use Bluetooth _____?

Is it possible _____ wireless transfer _____ this _____?

Can _____ gear be used _____ a wireless _____?

There is _____ telecommunications _____ wireless communication with _____ standard.

_____ it possible that there's _____ wireless _____ thing _____.

_____ it possible for the _____ access _____ with the _____?

_____ a _____ as to _____ the telecommunications _____ bluetooth for data _____.

_____ it possible to _____ built-in _____ sending or receiving information _____ device?

_____ possible _____ equipment can _____ transfer data using _____ option of using the _____ wireless _____?

_____ question _____ whether the telecommunications equipment _____ for _____ communication

There _____ question _____ is _____ to useBluetooth _____ this device.

Is the _____ able to transmit a _____ a _____?

_____ want to know _____ use the bluetooth features _____ equipment.

_____ compatible with bluetooth?

There is _____ whether it is _____ to _____ device

I am _____ there _____ for data transfer _____ equipment.

_____ it possible to enableBluetooth on _____ of data.

_____ possible _____ equipment to useBluetooth _____ wireless data transmission?

_____ is _____ question _____ it _____ possible to enableBluetooth _____ this _____.

I _____ there is a way _____ for wireless data.

I was _____ was possible _____ wi-fi _____ data use.

_____ I _____ Bluetooth to transmit data _____?

_____ it _____ move data _____ equipment usingBluetooth?

_____ have _____ option _____ using Bluetooth for wireless transmission _____?

I _____ wondering if there _____ way to _____ for _____ data.

_____ this telecom _____ compatible _____?

_____ me _____ I _____ the bluetooth features in _____ Telecommunications Equipment?

Is it possible that _____ moving _____?

_____ device approved _____ useBluetooth _____ data _____?

_____ there a chance _____ the telecom _____ be _____ data through _____?

_____ was wondering _____ a way _____ use Bluetooth _____ data

There is a _____ it's _____ to useBluetooth _____ telecom _____

_____ we use _____ transfer _____ on _____ telecommunication equipment?
 _____ it possible _____ your _____ a feature _____ use the _____?
 There _____ a _____ it is possible _____ the device.
 _____ it _____ to _____ the _____ Bluetooth _____ or receiving _____ with his _____ tool?
 I want _____ know _____ is _____ in _____ telecom gear.
 _____ this telecom _____ bluetooth protocol?
 _____ this Telecom _____ be _____ to _____ using _____ wireless way?
 _____ it _____ this gizmo hasBluetooth for _____?
 _____ _____ about _____ it is possible _____ useBluetooth _____ wireless transfer _____ data _____ this device.
 _____ am _____ if _____ can useBluetooth _____ this telecom _____.
 Can _____ if it's _____ to _____ the bluetooth _____ my equipment?
 _____ it possible that this _____ data transfer _____?
 _____ there any _____ that this equipment could _____ to _____ option ofBluetooth?
 _____ a _____ to _____ data _____ with this equipment?
 Is it _____ for _____ to transfer _____?
 I want to know _____ it's _____ on this _____.
 I am _____ sure _____ there _____ aBluetooth _____ transfer _____ equipment.
 _____ the device _____ of _____ data _____ assistance ofBLE?
 There is _____ it is possible _____ enableBluetooth capability on this _____ want it.
 There is _____ question if _____ possible to _____ this _____.
 _____ a _____ data _____ thing calledBluetooth?
 _____ would like to _____ the _____ includes a _____ capability.
 _____ the data be transmitted _____ usingBluetooth _____ equipment?
 There _____ a _____ compatibility of _____ equipment with theBluetooth _____.
 _____ if it's possible _____ useBluetooth on _____ gear.
 Can _____ device _____ transfer with _____?
 It _____ have _____ data moving _____.
 _____ has the wireless data moving _____ calledBluetooth?
 Can you _____ if _____ possible _____ use _____ bluetooth _____ in your _____?
 _____ there _____ chance _____ this equipment will _____ theBluetooth protocol?
 _____ this _____ can _____ used _____ data using the option ofBluetooth?
 _____ is _____ as _____ whether _____ not it _____ possible to enableBluetooth _____ device.
 _____ is _____ question if _____ enabled _____ wireless transfer _____ data on this _____.
 _____ has _____ ability to transmit _____ transfer in a _____ mode?
 I want _____ if _____ possible to _____ your equipment.
 _____ this telecom device make _____ with _____ protocol?
 Is _____ moving thing called _____?
 _____ there _____ chance _____ telecom equipment _____ it _____ use theBluetooth _____ for wireless _____?
 _____ this _____ make data _____ protocol?
 Can the _____ a data _____ using _____ wireless _____?
 I _____ like _____ if _____ telecom _____ includesBluetooth capability.
 _____ it got _____ data _____ thing called _____?
 _____ a _____ to use bluetooth _____ equipment?
 _____ you tell me if it is _____ use _____ electronics?
 _____ the _____ have _____ transmit _____ data transfer in a wireless _____
 _____ possible for _____ device _____ access wireless data _____ help _____?
 Is _____ a _____ will allow it for _____ protocol?
 Is _____ chance _____ this _____ will allow use _____ protocol?
 _____ that there's a _____ data _____ called Bluetooth?
 _____ a _____ possible to enableBluetooth on the _____.

Is it possible to use _____ access wireless data _____?

I don't know if _____ in _____.

_____ we _____ on this _____ for _____?

Does this _____ data transfer _____?

_____ want _____ if the telecom _____ has _____ capabilities.

Do _____ know if it _____ to _____ bluetooth _____ your _____ equipment?

Are _____ able _____ data transfers?

_____ this equipment _____ the option of _____ wireless _____ transfer?

_____ this _____ have _____ to make wireless _____?

I _____ there was _____ way to _____ theBluetooth _____ wireless _____.

_____ question about whether the _____ equipment _____.

I was _____ it _____ possible to use _____ withBluetooth for _____ in _____.

Is it possible _____ his communication tool through _____ built-inBluetooth?

Is it _____ that _____ has _____ wireless data moving _____?

Is _____ use bluetooth _____ telecom gear?

_____ Telecom gear _____ used _____ using a wireless _____?

Is _____ possible _____ information via Bluetooth _____ equipment?

There _____ as _____ if _____ possible to enableBluetooth capability _____ this _____.

Can I _____ a wireless data _____ device?

Do I have _____ option _____ with _____.

Do _____ device _____ a _____ transfer option _____ technology?

Will _____ able to _____ data _____ in a _____ mode?

_____ this telecommunications equipment _____?

_____ you _____ it's _____ capability on this _____ device?

_____ it possible _____ for _____ in this unit?

_____ is a _____ that _____ telecom _____ will _____ it _____ of theBluetooth protocol _____ wireless _____.

_____ you tell me if _____ possible to _____ data _____ this _____?

Do the _____ technology?

_____ possible to useBluetooth for _____ of _____ from _____ equipment?

Is this _____ to _____ wireless?

There _____ a _____ as _____ enableBluetooth _____ this device _____ use in wireless data.

_____ question _____ posed _____ possible to _____ on this _____.

_____ to _____ the telecom gear _____ Bluetooth capability.

Can you _____ if the bluetooth _____ can _____ my _____?

Is _____ that _____ will allow _____ for use of theBluetooth protocol _____ wireless _____?

Does _____ equipment _____ use _____ Bluetooth for _____ transmission of _____?

_____ is a _____ regarding _____ it's possible to _____ this _____.

_____ it possible _____ on _____ telecom device?

_____ was wondering _____ there _____ to _____ Bluetooth for data

There _____ a question _____ it is possible _____ this device.

Is it possible _____ wireless transmission of _____ from _____?

Is it _____ to _____ transfer _____ this unit?

_____ the data _____ sent _____ a _____ link _____ the _____?

I want to send or _____ his communication _____ built-inBluetooth?

Can _____ it's possible to use _____ bluetooth feature _____ equipment

_____ was _____ if _____ is any way to use _____ use.

Does _____ telecom gear _____ a Bluetooth capability?

If _____ hasBluetooth _____ communications, how _____?

Does _____ data via wireless?

_____ it's possible to _____ in this gear.

_____ is _____ question if it's _____ to useBluetooth on _____.

Is _____ will allow it for use _____ theBluetooth protocol _____ transmission?

_____ a question _____ whether the _____ equipment _____ with _____ standard.

_____ if there's _____ Bluetooth feature _____ the telecom _____.

_____ a chance _____ will be _____ to transfer _____ the _____ of bluetooth?

Is it possible _____ this _____ can make _____ with _____?

_____ a question about whether _____ equipment support bluetooth _____.

_____ you think the telecom _____ allow it for _____ protocol _____ transmission?

_____ is _____ question about whether _____ not it _____ possible _____ enableBluetooth _____ a _____.

There is _____ question _____ or _____ to enableBluetooth on _____.

Is there _____ this equipment _____ allow it for _____ of _____?

Is it true _____ device supports _____ throughBluetooth?

Is _____ possible _____ me to _____ sending or _____ information _____ his _____ tool?

_____ this _____ data _____ via bluetooth?

_____ to useBluetooth _____ this product?

_____ it's possible to enableBluetooth on _____ transfer _____ data

_____ is a _____ about if it's _____ enable _____ device

I'm not sure _____ a _____ forBluetooth in _____.

I don't _____ there's a function forBluetooth _____.

_____ to transmit _____ usingBluetooth?

_____ know _____ in this telecom gear.

Is there _____ of _____ to transmit _____?

Is there _____ that this equipment will _____ used _____ transfer _____ of _____?

I _____ to know if _____ telecom _____ has _____ forBluetooth.

Is there _____ the telecom _____ will _____ for _____ theBluetooth protocol?

If _____ is a _____ if it's possible to enableBluetooth _____ this _____.

_____ want to _____ if _____ is possible _____ useBluetooth _____ this _____.

Can you tell _____ possible to transfer wireless _____ via _____ this _____?

Can _____ phone _____ data _____ with _____ protocol?

Is the _____ compatible withBluetooth _____ communication?

Will _____ be _____ send data _____ this device

Can you _____ me if _____ device _____ throughBluetooth?

It's a _____ if _____ possible to _____ this _____

Is the device _____ of _____ wireless _____ with _____

Can _____ use _____ on _____?

_____ device approved to transmit _____.

_____ this equipment have the _____ usingBluetooth for _____ transmission _____?

Does _____ device allow _____ transfer _____?

There _____ a _____ it's _____ to enable _____ this device.

_____ a chance that _____ be used to _____ data using _____ Bluetooth _____ communication _____?

Can _____ case that _____ a _____ data _____ thing calledBluetooth?

_____ this gizmo _____ for wireless communications, _____ it?

_____ is _____ question _____ to allowBluetooth on this telecom _____.

Is _____ a _____ to _____ data _____ on _____ equipment?

_____ is _____ question _____ it _____ possible to enableBluetooth on _____.

Can this _____ make _____ transfer _____ theBluetooth _____?

I _____ know if it is possible _____ bluetooth feature _____.

Is _____ a way _____ data _____ on _____ equipment?

_____ send _____ information with his communication tool using _____ built-inBluetooth?

There _____ a _____ about _____ possible to enableBluetooth _____ device.

_____ is a question _____ possible _____ theBluetooth feature on _____ device.

Is _____ possible _____ data _____?

Is it _____ use theBluetooth _____ in this _____?

If you wish, _____ it is possible _____ enableBluetooth on _____ telecom _____.

Is _____ transfer data on this _____ Bluetooth?

_____ it _____ the bluetooth feature _____ your devices?

Can we _____ Bluetooth for _____ transfer _____?

Do _____ have _____ usingBluetooth with this _____?

_____ the device have a _____ transfer _____ works _____?

_____ we _____ Bluetooth on _____?

_____ it be compatible with the wireless _____?

_____ want _____ out _____ telecom gear _____ anyBluetooth capabilities.

I _____ know if _____ gear _____.

Can you tell _____ if there's a _____ to _____?

Is it _____ to _____ unit?

_____ me if wireless data can _____ viaBluetooth?

There's _____ about if it's possible _____ capability on _____.

_____ to _____ on this device.

_____ it _____ the _____ access _____ data through Bluetooth?

I _____ if _____ was _____ to use Bluetooth _____ data.

There is _____ regarding if it's possible _____ device.

_____ a _____ about if _____ possible _____ useBluetooth on _____ device _____ wireless transfer of _____

Does _____ allow for _____ viaBluetooth?

I'd _____ know if _____ telecom _____ of having aBluetooth capability.

_____ option _____ using Bluetooth on _____?

_____ to transfer data _____ device via bluetooth?

Is _____ a way to _____ for data _____?

Is it possible _____ transfer _____ on this _____?

_____ there _____ chance _____ equipment _____ allow it _____ use _____ theBluetooth protocol for _____?

Do you know if _____ possible to _____ features on _____?

I am wondering _____ useBluetooth to _____ this equipment.

I'm _____ in finding _____ if the _____ capability.

I want _____ if _____ gear _____ capabilities forBluetooth.

_____ it possible _____ gizmo hasBluetooth _____ for wireless _____?

_____ a _____ as to _____ telecommunications _____ Bluetooth _____ wireless data communication.

_____ you _____ if it's possible to _____ the _____ my equipment?

_____ it _____ that this _____ equipment will _____ use of theBluetooth _____ wireless _____?

_____ this device _____ transfer _____?

Is it _____ for the device _____ access wireless _____ Bluetooth.

There _____ a _____ to whether or _____ can be _____ data transfer _____.

_____ it _____ to _____ data viaBluetooth on _____ device?

Is it _____ to access _____ with the assistance ofBLE _____?

I was wondering if _____ a _____ use _____ for _____

_____ to _____ data using bluetooth on this _____?

Will _____ be able _____ transmit _____ the device?

_____ wonder _____ gizmo hasBluetooth _____ communications.

_____ was wondering _____ there is a way _____ for _____

Could it _____ that _____ a _____ moving _____ calledBluetooth?

_____ have something _____ for data _____?

_____ device _____ a _____ transfer viaBluetooth?

Does _____ this telecom _____ has _____ Bluetooth capability?

_____ the _____ have _____ to access wireless _____ the help _____ technology?

_____ would like _____ know _____ the _____ gear has _____ chance _____ a Bluetooth _____.

I'm not _____ if there is a Bluetooth for _____

There is _____ about _____ possible _____ enable Bluetooth on _____ wireless transfer _____ data.

I don't know whether _____ transfer _____ this equipment.

_____ have something _____ move data?

_____ they _____ that is _____ data?

Is _____ that _____ is _____ data moving _____ called Bluetooth?

_____ gear be used to _____ data using _____?

_____ possible _____ transfer _____ on this hardware _____?

_____ allowed to _____ data via Bluetooth?

_____ there _____ that _____ equipment could be _____ transmission through bluetooth?

_____ use Bluetooth to transfer _____ this _____?

_____ be used _____ transmit _____ with _____ equipment.

_____ it possible _____ use the _____ your equipment?

Is _____ a way _____ wireless _____ in this _____?

Do you know _____ any Bluetooth?

_____ you tell _____ there's a _____ transfer wireless _____ via _____?

_____ this _____ able _____ make data _____ the Bluetooth protocol?

_____ I send data through Bluetooth _____?

There is _____ question about _____ enable Bluetooth _____ a telecom _____.

I would _____ to know _____ has any kind _____.

Is _____ chance _____ equipment _____ allow it to use _____ for _____ transmission?

Can the _____ make _____ data _____ using the Bluetooth _____?

_____ am _____ is a Bluetooth for data _____ this equipment.

_____ it has a wireless _____ thing called _____?

Is _____ possible for _____ to use Bluetooth for _____?

_____ device that _____ wireless data with _____ help of Bluetooth?

_____ have the _____ to _____ data via Bluetooth?

Can _____ device make _____ with the Bluetooth _____.

_____ possible _____ send _____ on this device?

Can I send data _____?

_____ the device _____ via Bluetooth?

I'm _____ to _____ the Bluetooth _____ for wireless data.

_____ capable _____ using BLE technology for wireless _____?

_____ a chance the telecom _____ allow _____ the Bluetooth protocol _____ wireless transmission?

Can _____ device be _____ transfer _____?

Is _____ option of _____ available _____ telecom _____?

_____ this device _____ via Bluetooth?

_____ is a _____ as _____ support Bluetooth for wireless communication.

There's _____ question _____ whether _____ telecommunications equipment _____ for wireless _____.

_____ a question _____ to _____ on the telecom _____.

_____ possible for the device to _____ of BLE technology?

_____ it _____ data through Bluetooth here?

_____ no guarantee that this telecom _____ will _____ it _____ use _____ the Bluetooth protocol _____.

_____ Telecom _____ be used _____ use Bluetooth?

Can _____ be _____ for _____?

If it's _____ enable Bluetooth _____ this device, _____ is _____.

_____ possible for the _____ to _____ wireless data with _____ of _____?

Does ____ device ____ of ____ viaBluetooth?

____ question about whether ____ to enableBluetooth ____ on ____ telecom device.

Is ____ possible for ____ to ____ data ____ the help ____ bluetooth?

____ possible to ____ to transfer ____ this unit?

Can ____ used for ____ transfer ____?

Is there ____ this equipment ____ used to transfer ____ the ____ Bluetooth?

____ this Telecom ____ data usingBluetooth?

Can you tell ____ if ____ Bluetooth guts ____?

____ have ____ calledBluetooth that moves ____?

Is it ____ to transfer ____?

Is ____ to transfer ____ on this ____ through ____?

____ it ____ wireless data ____ transferred ____ bluetooth on ____ hardware?

Can ____ that ____ data ____ thing ____?

Is ____ capable of using ____ with ____ help ____ technology?

Bluetooth ____ be ____ transmit ____ without wires on ____.

____ if ____ in this equipment.

____ a ____ about ____ or not it's ____ capability on this telecom ____.

There ____ a ____ about ____ or ____ the ____ equipment ____ bluetooth for ____.

____ wondered if ____ a ____ to use Bluetooth ____.

____ it ____ to useBluetooth on ____.

____ question ____ whether the telecommunications equipment ____ for ____ communication

Is thereBluetooth ____ on ____ device?

There is ____ question as ____ or ____ it's ____ on this ____ device.

I want ____ know ____ is ____ to ____ my Telecommunications Equipment.

____ there a way to ____ gear?

There is a ____ enableBluetooth on this device

____ want ____ know if ____ aBluetooth capability.

____ used to move ____ on ____ equipment?

I ____ know ____ the telecom gear ____ capability

Is ____ device approved to ____?

I was wondering if there ____ wi-fi withBluetooth ____ the location.

Does this ____ the ____ of ____ wireless data ____?

There ____ the telecommunications ____ supports ____ communication with theBluetooth ____.

There is ____ question as ____ whether the ____.

____ this ____ approved to ____ transfers ____?

There is a ____ whether or not it ____ possible ____ on ____.

____ it ____ for ____ to use Bluetooth ____ device?

____ know ____ possible to ____ wireless data viaBluetooth?

There ____ question ____ whether ____ equipment supports wireless ____ with theBluetooth ____.

____ it ____ to ____ transferring information on this ____?

There ____ a ____ it's possible to ____ in this ____.

Is ____ for this equipment to ____ used ____ transfer ____ using ____ option ____?

I am ____ if ____ is ____ to use the ____ your ____.

____ know if ____ device supports ____ data transfer ____ Bluetooth.

____ if ____ telecom gear has a ____ able to useBluetooth.

Is ____ transmit ____ with this equipment ____ wireless ____?

____ is a ____ if ____ possible ____ on this telecom device.

There is ____ if it ____ possible ____ this ____ to ____.

Can ____ data ____?

____ phone ____ include a feature to use ____?

_____ may _____ wireless _____ moving _____ called Bluetooth.

I was _____ there was _____ way _____ Bluetooth connection for _____

_____ the _____ have the ability to make a _____ mode?

There is a _____ possible to _____ the device.

I _____ wondering if there's a way _____ connection _____.

Is _____ device capable of using BLE _____ data?

Can _____ be _____ a wireless data _____ called Bluetooth?

I'm not _____ if there's _____ function _____ in _____.

_____ device approved _____ allow data _____?

I _____ know _____ there's _____ feature in _____ gear.

Can _____ used _____ Wireless Data Transfer device _____?

_____ to know if it is possible to _____ the _____.

_____ there _____ called Bluetooth _____ is moving _____?

Is _____ to _____ data on this _____?

_____ don't _____ there's any Bluetooth _____ this _____.

Can a telecom _____ data _____ protocol?

_____ it possible _____ use _____ this hardware _____ transfer _____?

_____ equipment allow you to use _____ bluetooth _____?

_____ you tell me _____ device _____ data transfer _____ Bluetooth?

Does _____ device _____ the ability to _____ wireless _____ assistance _____?

Is there _____ to use Bluetooth _____ in this _____?

_____ authorized to send data _____?

_____ transmit data _____ the option of using Bluetooth?

Is _____ possible _____ has a _____ data _____ called Bluetooth?

Is _____ this equipment will be _____ protocol for wireless _____?

There is a _____ if _____ to _____ on this _____.

There is a _____ as to _____ equipment _____ for data _____.

A _____ about if _____ capability _____ this device

_____ not _____ if the thingy has Bluetooth _____ for _____ wireless data _____.

I _____ to _____ the telecom _____ a _____ of _____ a bluetooth _____.

There _____ question _____ to _____ the telecommunications _____ supports Bluetooth for _____.

_____ I allowed to _____ via Bluetooth _____ this _____?

_____ it possible _____ telecom equipment _____ transmit _____ with the _____ of _____?

Is _____ device _____ of _____ via _____?

_____ it possible to _____ data via Bluetooth _____.

There _____ a _____ telecommunications _____ can support Bluetooth.

_____ capability is included _____ telecom _____?

_____ this _____ gear _____ used to _____ data _____ wireless method

_____ whether or not it's _____ to allow Bluetooth on this _____.

Is _____ a way to use _____ transmit _____?

If _____ has _____ capability, I _____ to _____ about it.

Do _____ device have _____ technology _____?

Does this _____ a Bluetooth _____?

Can _____ Bluetooth to _____?

_____ don't know if _____ feature for _____ this _____.

Does _____ transmit a _____ transfer in _____ wireless mode?

Is this device _____ data _____?

_____ bluetooth _____ be used on _____ telephone _____?

_____ wondering if _____ a way _____ Bluetooth for _____.

_____ we _____ data transfer?

There _____ question about if _____ possible to enableBluetooth _____ device.
 Do _____ the option _____ is _____ on _____ telecom equipment?
 _____ data _____ using _____ wireless link on _____ equipment?
 Is _____ to send _____ via _____ on _____ device?
 _____ the device _____ of _____ wireless _____ help ofBluetooth?
 I _____ to know _____ gear _____.
 Is there a thing calledBluetooth _____?
 _____ it's _____ to _____ on this _____ a question.
 _____ could be used to transfer data using the option _____?
 _____ question is posed _____ it is possible to _____.
 _____ allow _____ of data viaBluetooth?
 _____ device _____ the ability to _____ with the aid of _____?
 There _____ question as to _____ it _____ possible _____ enableBluetooth on _____.
 _____ a question of if _____ to enableBluetooth _____ device.
 _____ question _____ possible _____ on this device for wireless _____ of _____.
 _____ there any _____ data usingBluetooth?
 _____ know if _____ telecom gear _____.
 _____ the _____ support _____ transfer _____?
 _____ not sure if the thingy has _____ it _____ data _____.
 _____ telecom device _____ whether it's possible _____ enableBluetooth.
 _____ am _____ if _____ can _____ on this device.
 Is _____ possible for _____ telecom equipment _____ Bluetooth _____ wireless _____?
 There is a _____ possible to _____ on _____ use in _____ data
 _____ gizmo _____ wireless communications?
 I need _____ know _____ I _____ data _____.
 Can you _____ me _____ possible to _____ the _____ features in _____?
 _____ was wondering if _____ is _____ way to _____
 _____ it be that _____ a _____ device calledBluetooth?
 Is _____ possible _____ this _____ use Bluetooth for wireless _____?
 _____ question aboutBluetooth capability on this _____.
 _____ a chance _____ telecom equipment _____ allow for use of _____?
 _____ possible _____ for _____ transmission of data on _____ equipment?
 _____ was _____ the _____ connection could _____ used for wireless _____.
 _____ to enableBluetooth _____ this _____ for use in wireless _____?
 _____ a chance that this equipment could _____ transfer _____ using the option _____ wireless
 communication?
 _____ know if I will _____ useBluetooth _____ this product.
 I _____ to _____ if _____ is _____ the gear.
 Is it _____ send data viaBluetooth _____ device?
 Is a device _____ to _____ wireless _____ the help _____?
 I don't know if _____ feature in _____.
 Does this device have _____ via wireless?
 _____ about _____ this _____ chips _____ wireless communications?
 _____ is _____ if it is possible to _____ device
 Is it _____ send _____ receive _____ with _____ communication tool via _____?
 Can _____ telecom device _____ transfer with _____?
 Is it _____ to transfer _____ on this _____?
 Is _____ use Bluetooth on this telecom device _____?
 The telecommunications _____ may or _____ support _____ communication with _____.
 Do you have _____ way _____ the bluetooth _____ on _____?
 Is it possible _____ enableBluetooth _____ wireless transfer _____ data?

_____ be able to _____ transfers?

_____ wondering if it is _____ to use _____ my _____ Equipment.

Is the _____ with _____ data transfer _____?

There _____ no guarantee _____ this telecom _____ will _____ it _____ protocol.

_____ transmission of data _____ gear?

_____ to be transferred viaBluetooth?

Can _____ me if _____ use the _____ features of _____ Telecommunications Equipment?

_____ me _____ there is a _____ to use the _____ feature _____ my _____?

_____ wondering if _____ can _____ data _____.

_____ use _____ to send _____?

There is a _____ as to if it's _____ telecom _____.

Is this device _____ usingBluetooth?

There _____ a question about if _____ is _____ device.

Can _____ I can use _____ features on my _____ equipment?

Can you tell me if _____ bluetooth _____ on my _____?

_____ a _____ about if _____ possible _____ enableBluetooth _____ this telecom device

There _____ a _____ regarding _____ not _____ enableBluetooth on _____ telecom device.

Is _____ possible _____ usingBluetooth?

_____ this _____ that there's _____ data _____ thing calledBluetooth?

Do _____ think this telecom _____ for _____ of theBluetooth _____ wireless transmission?

There _____ question _____ the device's _____ wireless data with _____ help of _____.

_____ a question _____ whether _____ equipment _____ for data communication.

Is _____ to useBluetooth with _____.

Is there _____ way to _____ for wireless _____ device?

There is _____ question regarding whether _____ possible _____ device.

_____ be able to _____ data _____ on _____ device?

Can I _____ on _____ device?

There's a _____ about if _____ is possible to _____.

_____ it _____ use _____ data transfer _____?

_____ if _____ a way to _____ for _____ data.

Are _____ able _____ the bluetooth feature on _____?

_____ is a question whether _____ to _____ on _____ device.

_____ would _____ know if there _____ way _____ Bluetooth for _____ data.

_____ your _____ equipment _____ a feature _____ the bluetooth?

Is there a way _____ product?

I'm _____ there is _____ to _____ data use in this location.

CanBluetooth be used on _____ telecom _____?

_____ the telecommunications equipment supports wireless communication _____ standard.

_____ about if it's possible to _____ wireless _____ transfer.

There _____ question about _____ equipment _____ theBluetooth standard.

_____ any _____ the telecom _____ will allow use of _____ for wireless _____?

_____ to know _____ telecom _____ has anyBluetooth.

_____ am wondering _____ it's possible to _____ bluetooth _____ on _____ Telecommunications _____.

_____ possible _____ enableBluetooth _____ this device, _____ there _____ question _____ it.

Can this _____ with _____ protocol?

Is _____ possible to _____ on the telecom _____?

_____ there _____ the telecom equipment _____ for use of _____ protocol?

There _____ regarding the ability to _____ this _____.

Would _____ use the _____ feature on _____ phone equipment?

_____ it possible _____ the device _____ wireless _____ with help _____?

Can you _____ it's _____ use _____ on my Telecommunications _____?

_____ was _____ there _____ a way _____ use the _____ connection for _____

_____ it possible that _____ device _____ wireless data transmission?

_____ data _____ using wireless _____ on the device?

_____ wondering _____ is _____ way to _____ the Bluetooth connection _____ wireless _____.

I'd like _____ know if _____ telecom _____ of _____ aBluetooth capability.

Is _____ use Bluetooth _____ telecom device?

Is it possible _____ wirelessly _____ this _____?

_____ it possible _____ the device _____ access wireless _____ assistance of _____?

There is _____ if _____ possible to _____ this _____

_____ you _____ me if it _____ use _____ Bluetooth _____ on my _____?

There _____ question if it is _____ this telecom _____ you wish.

_____ able to send _____ this device?

_____ if it has the _____ called Bluetooth.

Does your _____ equipment _____ ability to _____ the _____?

Is it _____ equipment will allow it _____ use _____ theBluetooth _____ wireless _____?

_____ your phone equipment _____ the _____?

_____ device _____ for _____ transfer?

There _____ question about if it is possible _____ on _____.

_____ this _____ have _____ to _____ data viaBluetooth?

_____ we _____ Bluetooth for _____ transfers _____ equipment?

_____ the _____ the _____ data viawireless data transfer _____ or bluetooth?

I would _____ to know if _____ gear _____ ability _____.

Is _____ a wireless _____ Bluetooth?

I want to _____ the telecom _____ has _____ useBluetooth.

Does this _____ viaBluetooth?

_____ it _____ to _____ bluetooth _____ on _____ telephone equipment?

_____ we use Bluetooth _____ transfer _____ hardware?

_____ am not _____ for data transfer in this equipment.

_____ device _____ of _____ wireless _____ with _____ help ofBLE technology

Do we _____ the _____ for transferring?

I want to _____ it's _____ to _____ the _____ on your _____.

Does _____ device _____?

_____ a _____ about _____ it's possible _____ enableBluetooth _____ on this _____ if _____ want it.

I _____ there was a _____ to use _____ for data _____.

_____ the telecom device _____ transfer _____ protocol?

_____ they _____ calledBluetooth that moves _____?

_____ not sure _____ there _____ in the _____.

_____ am unsure _____ there _____ data transfer

_____ it _____ for this _____ equipment _____ useBluetooth _____ data transmission?

_____ like to know _____ telecom _____ includes _____ capability.

_____ be used _____ data transfers _____ equipment?

Can _____ built-in connections ofBluetooth _____ or _____ information with my _____?

Can _____ make data transfers _____ theBluetooth _____?

_____ wondering if I _____ data _____ on this _____.

_____ the device _____ wireless data with the _____ technology?

_____ it possible to _____ to transfer _____ hardware?

_____ to use the _____ withBluetooth?

_____ device _____ to transfer _____ viaBluetooth?

I want _____ know _____ telecom gear _____ any _____.

____ it possible that ____ called Bluetooth that ____ wireless?
 ____ was wondering ____ was ____ to ____ the ____ features ____ my telecommunications ____.
 If ____ possible to enable Bluetooth on this ____ it.
 ____ we use ____ to ____ data on ____?
 ____ is a question ____ device's ____ to ____ data ____ in a wireless ____.
 ____ it ____ to the ____ moving ____ called Bluetooth?
 Is the ____ using a wireless connection?
 ____ this device have the ____ to ____?
 Is ____ able to ____ data ____?
 Can you ____ me ____ transfer data via Bluetooth?
 ____ question regarding whether the ____ bluetooth for wireless ____
 Is ____ send ____ receive information ____ communication ____ through the built-in ____?
 Can this ____ to ____ data using ____ Wireless ____?
 ____ was ____ if there ____ way to use ____ data
 There's ____ it's possible to enable Bluetooth ____ a telecom ____.
 ____ if there ____ a ____ to ____ for wireless data ____.
 I was ____ if ____ is a ____ connection ____ data use.
 Is ____ possible that ____ telecom equipment ____ for the ____ the Bluetooth ____ transmission?
 ____ it permissible for this ____ via Bluetooth?
 ____ it's possible to ____ telecom ____ is a question about.
 ____ is ____ question ____ if ____ is possible ____ use Bluetooth on ____.
 ____ equipment ____ with Bluetooth for ____ transfer?
 ____ we ____ to ____ data?
 Is ____ possible to ____ Bluetooth ____ device?
 Can we ____ to transfer info ____?
 Is it feasible ____ bluetooth ____ on ____ telephones?
 ____ question about whether ____ supports Bluetooth for ____ communications.
 Is this ____ compatible ____ Bluetooth ____ wireless ____?
 Do ____ a thing ____ that ____?
 Can this Telecom ____ be ____ data with a ____?
 I'm ____ to ____ telecom gear has any Bluetooth ____.
 Is ____ a ____ data wirelessly with ____ equipment?
 ____ you know ____ this telecom gear ____ Bluetooth ____?
 I ____ if there's bluetooth ____ telecom ____.
 There ____ a question ____ to whether ____ on this device ____ wireless ____ of ____.
 There ____ on if it is ____ on ____ device.
 Does ____ device ____ wireless transfers?
 ____ I be ____ to ____ data on this ____?
 Can ____ connection of bluetooth ____ send ____ receive ____ with my ____ tool?
 ____ to use the ____ of using Bluetooth ____ data ____?
 Is ____ option to ____ Bluetooth on ____?
 ____ I use Bluetooth ____ transmission?
 ____ a ____ this equipment can ____ used to ____ data ____ the option ____ using the Bluetooth ____?
 Is there a chance ____ will ____ use ____ for wireless ____?
 Can you ____ know ____ it's possible ____ use ____ bluetooth features ____ my ____?
 Is this ____ compatible ____ via Bluetooth?
 ____ is a ____ is possible ____ use Bluetooth on this ____.
 ____ not sure if ____ a Bluetooth ____ the equipment.
 ____ do ____ if there is a Bluetooth ____ transfer in ____.
 Can ____ use Bluetooth ____ on this telecommunication ____?

There is ____ question ____ possible to ____ on ____ device.

Does ____ telecom ____ bluetooth?

Is ____ to transfer ____ through Bluetooth on ____?

Can you ____ can be ____ to ____ data?

____ is ____ question ____ whether the telecommunications equipment supports ____ the device ____ of ____ technology to access ____.

Is ____ capable ____ wireless data ____?

Is ____ a ____ to ____ on this equipment ____?

I ____ if ____ a Bluetooth ____ telecom gear.

Is it ____ usingBluetooth?

____ if it ____ possible ____ enableBluetooth capability ____ the telecom device.

____ it possible ____ transmit ____ this telecom gear?

Is it possible ____ use wireless ____ Bluetooth ____?

There is ____ if ____ for this ____ to enableBluetooth.

____ was ____ if there ____ a way to ____ wi-fi ____ use ____ this location.

Can this ____ used ____ transfer ____ wireless technology?

Is ____ option of ____ telecom equipment?

Do ____ know if ____ wireless data transfer ____?

____ like to know ____ telecom gear ____ capability

Is ____ equipment will allow the use ____ theBluetooth ____ for wireless ____?

Is it ____ transfer data ____ wireless ____ this ____?

____ me if it's possible ____ use ____ bluetooth ____ on ____ communications ____?

____ device allow data ____?

____ a wireless data ____ option ____ this device?

____ that ____ allow ____ to ____ viaBluetooth?

____ it be ____ there's ____ wireless data ____ known ____?

Can ____ gear ____ used to transfer ____ wireless method?

____ support data transfer ____ Bluetooth?

____ would ____ know if ____ device supports ____ data ____ throughBluetooth.

____ there any chance ____ telecom equipment ____ use of ____ protocol?

____ there ____ calledBluetooth that ____ data ____?

____ wireless ____ transference ____ possible ____ this ____?

____ the device have ____ to ____ thewireless data transfer ____ wi-fi or ____?

Do ____ know ____ device ____ approved to transfer ____?

Is it ____ to ____ Bluetooth on ____ equipment ____?

There's ____ question ____ to ____ to enableBluetooth ____ this device.

Are the devices ____ wireless ____ the help ofBLE ____?

I ____ sure ____ equipment ____ for data transfer

Does your ____ equipment have ____ allows you ____ use ____?

____ is ____ question regarding whether the ____ equipment ____ data ____

Is there ____ way ____ useBluetooth ____ telecom ____ data transfer?

Can ____ be used ____ on this ____?

Is ____ device approved to ____?

There is a ____ about ____ it's possible ____ capability on ____.

____ to know if the telecom ____ has ____ capability.

____ gear include aBluetooth ____?

Is ____ transfer ____ on ____ equipment?

Is ____ possible to useBluetooth ____ on ____?

Is it possible to ____ via ____ on ____ equipment?

____ it ____ moving thing calledBluetooth?

Is _____ chance _____ the _____ equipment will allow _____ use _____ theBluetooth _____ wireless transmission?
 _____ a question _____ to _____ on this device.
 _____ curious _____ the telecom _____ has _____ capability.
 Is it _____ to _____ equipment?
 I _____ wondering if _____ way _____ use wi-fi _____ data use in _____
 _____ is a _____ to whether or _____ it's _____ to _____ this _____.
 _____ device _____ allow _____ transfer _____.
 _____ it _____ use _____ for wireless data on _____?
 I don't know _____ to use _____ this telecom _____.
 _____ there a chance _____ equipment can be used to _____ of _____?
 I don't _____ the _____ has _____ possible Bluetooth _____.
 _____ device compatible with _____ technology that uses _____?
 _____ I _____ Bluetooth _____ transfer data on _____?
 There _____ question _____ whether it's _____ to _____ capability on _____ telecom _____.
 _____ is _____ question about whether it's possible _____ the _____.
 _____ question _____ whether it is possible _____ useBluetooth _____ this device for _____ transfer _____.
 Does _____ device allow data _____?
 Do _____ if the device _____ data viaBluetooth?
 If _____ possible _____ enableBluetooth on this _____ there _____ a _____ about _____.
 I _____ wondering _____ a way _____ use _____ connection for _____ data.
 _____ the _____ to _____ data viaBluetooth?
 _____ there a _____ to _____ data _____ wires using _____?
 _____ is a question about if _____ possible _____ enableBluetooth _____ telecom _____.
 _____ this _____ use _____ Bluetooth for wireless transmission _____ data?
 Will it be _____ on your equipment?
 There is _____ as to _____ or not _____ device can be used _____
 Can _____ confirm _____ this _____ has _____?
 There is a question _____ it is _____ this _____ if _____ want.
 _____ telecom _____ has _____ capability?
 I want to _____ if the _____ option.
 Do _____ this telecom gear has _____ Bluetooth _____?
 _____ this _____ haveBluetooth guts _____ communication?
 _____ device have _____ capacity to access _____ the help _____ bluetooth?
 Is it possible _____ this _____ usingBluetooth?
 There is _____ or _____ telecommunications equipment supports theBluetooth _____.
 Does _____ support _____ via wireless?
 Will _____ possible to send _____ on the _____?
 _____ want to know if it's _____ features _____ telecom equipment.
 _____ device access _____ data with assistance _____?
 _____ question about whether _____ possible _____ on _____ telecom _____.
 _____ it possible to _____ Bluetooth _____ transfer in _____?
 Is it _____ the hardware usingBluetooth?
 There's a _____ about _____ it's _____ to _____ on _____ telecom _____
 Is _____ device _____ for data _____?
 _____ is _____ whether the telecommunications equipment supportsBluetooth _____ wireless _____
 _____ a question as _____ if _____ enableBluetooth _____ this device
 _____ there _____ device that _____ data with _____ ofBLE technology?
 Can this _____ device _____ using theBluetooth _____?
 Is _____ possible _____ the telecom equipment _____ allow _____ of _____ for _____?
 Is _____ possible for this _____ use _____ transfer?

_____ was wondering if there was _____ for this _____.

Is _____ device _____ accessing _____ with the assistance of BLE _____.

_____ approved to transfer data _____?

There is _____ question _____ is possible to _____ device.

Is _____ a _____ data moving _____?

_____ is _____ question as to _____ or not it's _____ enableBluetooth _____ on _____.

_____ we useBluetooth _____ information?

_____ is _____ about if _____ possible to useBluetooth for wireless _____ device.

Is _____ device able _____ access wireless _____ ofBLE technology.

I was _____ was _____ to _____ for data usage in _____ location.

Can _____ use _____ to _____ data?

Is _____ possible to transfer data on _____?

_____ possible to transfer _____ a wireless connection on _____?

_____ if it is possible to _____ capability on _____.

Is it _____ wireless _____ transfer _____ here?

_____ if there _____ a way _____ use _____ withBluetooth _____ data uses.

Can I _____ Bluetooth _____ data _____ this _____?

_____ a _____ about _____ possible to useBluetooth _____ this device.

_____ possible to enableBluetooth _____ this _____ if _____ desire it?

Is this equipment compatible _____ bluetooth?

I'm _____ sure if _____ aBluetooth feature _____ the _____.

_____ the _____ equipment _____ for wireless data communication?

Is _____ to send stuff _____?

_____ of connecting _____ the _____ network with the _____ of Bluetooth?

Are _____ possible to _____ bluetooth _____ the _____ equipment?

_____ this equipment _____ use of _____ wireless data _____?

_____ question about if _____ possible _____ on _____ device.

_____ access wireless _____ with the aid _____ technology?

Is _____ for _____ data _____ on this _____?

_____ tell me if _____ gizmo _____ yappin' _____?

Is _____ device _____ data viawireless data transfer _____ wi-fi _____?

_____ don't know if _____ a _____ telecom gear.

_____ question about whether _____ to enableBluetooth on _____ device for _____ data

Can _____ use Bluetooth _____?

Do we useBluetooth _____ on _____?

_____ tell _____ if _____ doable to _____ bluetooth _____ on _____ telephone equipment?

_____ a _____ about _____ the telecommunications _____ supports _____ for _____ communications.

_____ wanted _____ know _____ the telecom _____ has anyBluetooth _____.

Is it possible _____ useBluetooth _____ this _____.

Is _____ possible _____ data on _____ equipment _____?

Is it _____ useBluetooth _____ transfer in _____?

If you _____ you can _____ to _____ on _____ telecom device.

Can _____ me if the _____ be _____ Bluetooth?

Is _____ to _____ bluetooth on _____ telecom _____?

Does this device _____ via _____?

I'm _____ sure _____ a Bluetooth function _____ telecom _____.

_____ to use bluetooth _____ send _____?

Can _____ to transmit _____ on _____?

_____ there something _____ that is _____?

_____ if the data can _____ transmitted viaBluetooth?

Does _____ know _____ this _____ has anyBluetooth _____?

_____ is a question _____ the _____ theBluetooth standard.

_____ the device able _____ transfer in _____ mode?

_____ was _____ there was a _____ use _____ with wireless data.

Is it _____ that _____ may _____ data transfer _____?

_____ it _____ use _____ option of usingBluetooth for _____ data _____?

Is there a _____ on _____ equipment?

_____ don't _____ gear _____ a _____ of having aBluetooth capability.

Is the _____ able _____ access _____ with _____ help _____ technology?

Is _____ use a bluetooth _____ the _____ equipment?

_____ they _____ calledBluetooth that's moving _____?

_____ it _____ to _____ bluetooth _____ stuff?

_____ a question about _____ it is _____ enableBluetooth on the _____.

Is _____ chance this telecom equipment will _____ for _____ wireless transmission?

_____ to _____ telecom gear has a possibility _____ having _____ Bluetooth _____.

_____ it _____ data _____ thing _____ "Bluetooth"?

Is there a _____ equipment _____ be used to _____ data, _____ the _____?

_____ about if _____ possible to enableBluetooth on _____ device.

_____ device capable of accessing _____ the aid _____?

Is it _____ to _____ the bluetooth _____ equipment?

Could _____ device access wireless data with _____?

_____ it possible to _____ data on this _____?

I'm not _____ there's anyBluetooth _____.

Is there _____ this _____ equipment _____ for _____ of theBluetooth _____ for wireless _____?

If _____ this telecom _____ there _____ a question.

_____ the _____ able to _____ wireless data with the _____.

Does the device have _____ using a _____ mode?

_____ am _____ I get the _____ of _____ with _____ product.

Will I _____ via Bluetooth on the _____?

Does _____ ability _____ access _____ data _____ the help ofBluetooth.

I _____ wondering _____ there is _____ way _____ withBluetooth for data _____.

_____ it _____ to _____ transmit data _____ this equipment?

_____ equipment _____ for _____ of Bluetooth _____ data transmission?

Can we _____ transmit _____?

Is there _____ chance the _____ will _____ protocol for wireless transmission?

There _____ a _____ about if it's _____ this device.

_____ if the telecom gear _____ aBluetooth _____.

_____ the device _____ accessing wireless _____ the help _____ bluetooth?

I'm not _____ if there's a _____ this _____ gear.

_____ this _____ data transfer?

Does _____ the _____ to transfer _____ wirelessly?

_____ like _____ know if there's _____ feature forBluetooth _____ this _____.

_____ am wondering _____ a _____ to use _____ Bluetooth connection _____ wireless _____.

_____ device allow _____ to _____ throughBluetooth?

_____ a _____ as to if it's _____ to enableBluetooth _____.

_____ the device capable of _____ wireless _____ with _____ of _____?

Is it _____ to _____ this telecom _____?

_____ is _____ about _____ it is possible _____ capability _____ this telecom device.

_____ your _____ feature that _____ it to _____ the bluetooth?

Do _____ this _____ gear has _____ capabilities?

Is ____ device permitted ____ data ____?

Is it ____ use the option of ____ transmission ____ data?

____ if ____ telecom gear ____ anyBluetooth capability.

____ use Bluetooth to transfer ____ on ____ device?

I ____ it's ____ useBluetooth in telecom gear.

I am ____ if ____ equipment has ____ transfer.

____ it possible ____ data through wireless ____ this ____?

____ wireless ____ transfer ____ done ____ this ____?

____ not ____ if there is ____ transfers ____ this equipment.

Would ____ be ____ to ____ bluetooth feature ____ equipment?

____ to ____ on this ____ to transfer data?

____ is a ____ about if ____ possible ____ this ____ device.

____ telecom ____ to transfer data via wireless?

There's ____ whether ____ telecommunications equipment supportsBluetooth for ____

____ of accessing ____ data with the ____ ofBLE technology.

I was wondering ____ possible to ____ for ____ data.

____ to use bluetooth for ____ this unit?

Is it ____ this telecom equipment?

____ possible ____ telecom equipment ____ allow ____ protocol for wireless transmission?

Can this telecom ____ include ____?

It's a question about ____ it's ____ this telecom ____.

Can ____ tell ____ it is possible to ____ your equipment?

____ is a question ____ if ____ to ____ on this ____.

Is ____ possible to useBluetooth ____ transmission of ____ telecom ____?

I'm wondering if this ____ wireless ____ transfer ____.

____ that is ____ wireless data?

____ is ____ of ____ or not ____ possible ____ on this device.

There ____ a question about if ____ possible to ____ this ____.

____ you know ____ have ____ calledBluetooth?

The ____ is ____ enableBluetooth ____ this device for ____ transfer of data

____ a ____ whether it's possible ____ enableBluetooth ____ device if you want.

Can this ____ gear ____ to transfer data ____ wireless ____

Is ____ a way ____ send data ____ device?

Is ____ device ____ to ____ wireless ____ with ____ help ____ technology?

Is it possible for the telecom ____ data ____?

I ____ if ____ telecom gear ____ a ____ of being able ____ use ____.

Is ____ that the ____ can ____ to transfer data using ____ option ____?

Bluetooth ____ be ____ for ____ data ____.

____ the device ____ a ____ uses the bluetooth standard?

Can ____ if ____ to transfer wireless data through ____?

Can it ____ that ____ is wireless ____ moving ____?

____ your phone equipment ____ an option ____ the ____?

____ there any chance ____ telecom ____ will allow it ____ use ____?

____ am wondering if ____ a way ____ for ____

____ is ____ is possible to enableBluetooth ____ telecom device

Do the ____ the ____ transmit ____ transfer ____ a wireless mode?

Can I ____ move ____?

____ device ____ with ____ data ____ technology that uses ____?

Can ____ device use ____ protocol ____?

____ any ____ allow ____ the ____ of theBluetooth protocol for wireless transmission?

_____ telecom _____ of using a wireless technology called Bluetooth?

Is the telecommunications _____?

Can _____ use the Bluetooth protocol to make _____?

Does this _____ data _____?

Can _____ gizmo have Bluetooth _____ communication?

_____ support Bluetooth?

I don't _____ if _____ a way to _____.

_____ to know if it's possible _____ use the _____ features _____ telecommunications _____.

_____ is a question as to _____ or not it _____ enable Bluetooth _____.

There _____ it can be enabled _____ this device _____ wireless _____ data

Is _____ capable of accessing _____ technology.

_____ have _____ ability to access wireless _____ the _____ of Bluetooth?

Can it be _____ a _____ moving thing called _____?

Is _____ chance that _____ equipment could _____ used _____ sending _____ bluetooth?

_____ you _____ me _____ is possible _____ the bluetooth _____ on _____ equipment?

_____ it _____ to _____ data via _____ this gear?

Is it _____ for the _____ to _____ access _____ data?

I'm interested in _____ if _____ telecom _____ includes _____.

_____ it _____ for _____ unit _____ for wireless transfer?

I was wondering _____ was _____ use _____ with Bluetooth for _____ in this _____.

Is it _____ they _____ that is moving _____?

Is _____ possible _____ comes with _____?
