

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Notification of construction activities
Inquiry Sub-Category	Potential disruptions
Description	Customers want to know about any anticipated disruptions or inconveniences during the construction, such as road closures, traffic diversions, or temporary interruption of gas supply.
Data Size	11,332 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Can _____ interruptions _____ gas supply _____ construction is _____ place nearby?

_____ gas gaps because _____ construction?

_____ anticipate _____ service _____ due to _____ nearby?

_____ gas _____ be _____ construction?

During the _____ project, there _____ pauses _____ my _____ service.

_____ there _____ gas when _____ is construction going on?

There _____ projects _____ affect the gas _____.

_____ I expect gas _____ go out _____?

If construction _____ by, _____ the gas _____ affected?

Any effects _____ gas _____ from _____?

_____ might affect _____ natural _____ service.

_____ supply is _____ construction _____

_____ interruption in _____ occur during construction?

_____ the construction _____ my natural _____ going to be _____?

_____ it possible _____ supply _____ disrupted while construction takes _____?

Gas disruptions _____ to local _____.

Is _____ gas service affected _____?

_____ gas _____ might _____ affected _____ construction projects.

_____ gas supply _____ due to _____ construction.

_____ construction is taking place, _____ expect a _____ interruption _____ supply?

Is there a possibility _____ gas _____ nearby _____?

_____ a possibility of gas _____ during _____?

Is _____ a chance _____ a gas _____ construction?

Construction _____ supply to _____ disrupted.

Did _____ impact _____ service come from _____?

_____ interruptions happen because _____ work _____?

When _____ close to _____ there _____ breaks _____ my _____ access?

Is there _____ gas _____ to construction?

_____ about _____ availability during adjacent _____.
 _____ is _____ may affect _____ service.
 Gas is _____ off _____ while they _____ around _____.
 Can I anticipate a _____ construction?
 Is the gas _____ constructions _____?
 _____ possible for gas _____ while they're working?
 _____ supply affected _____ local _____.
 _____ will _____ affect _____ service?
 _____ a chance _____ gas disruptions _____ activities?
 _____ I _____ brief _____ with the _____?
 Is gas _____ to _____ off due _____ mess next _____?
 _____ building operations _____ a loss _____ gas _____?
 _____ is affected by _____ nearby.
 As _____ the _____ gas _____ Tanks.
 Is it possible _____ gas to _____ nearby _____ is _____ built?
 There _____ be _____ construction _____ continues?
 _____ I expect _____ to go down _____ nearby?
 Is _____ chance of _____ in _____ areas?
 When they _____ by me, are _____ expected _____ access?
 Will _____ get _____ when _____ mess happens?
 The upcoming _____ could affect _____ access _____ natural _____.
 Is _____ a chance _____ interruptions while _____ area _____ built?
 I _____ about _____ other construction.
 Is _____ any chance that my _____ cut _____ they _____ their shenanigans _____?
 _____ I be _____ gas _____ to construction?
 _____ is _____ door that could affect my _____.
 Local construction _____ gas supply.
 Will the _____ supply _____ disrupted _____ construction _____?
 What _____ might construction have _____?
 There _____ be _____ supply _____ to nearby _____.
 Is there _____ chance _____ disruptions during nearby _____?
 Will _____ interrupted due to _____?
 _____ possible that _____ will be _____ interruptions _____ gas _____ area is _____ constructed?
 _____ be interrupted due _____ nearby?
 _____ there be short-term _____ the nearby _____ is being _____?
 There _____ be _____ of _____ while the construction _____ taking _____.
 Can I count _____ my _____ service?
 Short term loss _____ supply _____ building operations.
 _____ my natural _____ service _____ be affected _____ construction?
 There's construction _____ what _____ gas?
 _____ gets _____ the _____ of gas, _____ is _____?
 My gas service will _____ because _____ the building _____.
 Work _____ cause _____ breaks in the _____ line.
 The gas _____ could be _____ nearby _____.
 There can _____ gas _____ because _____ nearby _____.
 _____ it possible that local _____ gas _____?
 _____ construction _____ my gas _____?
 _____ project may _____ in my _____ service.
 Should _____ prepared for _____ near _____?
 Is my _____ going _____ be _____ up during _____?

Should _____ be prepared _____ gas _____ due _____ construction _____ ?

_____ gas _____ tank _____ work _____ in _____ way.

_____ place, what happens _____ gas?

_____ in the gas _____ due _____.

Will there _____ gas _____ because _____ ?

Is there going _____ disruptions near _____ ?

Some _____ the _____ supply.

Can _____ gas _____ while the construction _____ on?

_____ my _____ bad _____ of the construction?

Is there a _____ of gas service _____ ?

_____ supply _____ be affected by _____.

Is the _____ disrupting my _____ ?

Are there occasional gaps _____ you work near _____ ?

Will the _____ supply _____ construction _____ ?

Can I _____ short breaks in gas _____ ?

_____ I expect _____ go out when _____ nearby?

During _____ construction _____ gas _____ be _____ ?

Is _____ work _____ my _____ service?

_____ gas supply will _____ nearby.

_____ problems _____ gas service because of _____ construction?

_____ are possible gas _____ to nearby _____.

Can _____ be _____ in _____ gas _____ the construction _____ on?

_____ building operations cause a _____ ?

Is there _____ possibility _____ short-term _____ service _____ construction?

_____ could be gas _____ to _____.

_____ there _____ of _____ interruption in _____ supply due _____ nearby construction?

Maybe there _____ breaks _____ the gas supply _____.

_____ to _____ construction, will my _____ be _____ ?

There _____ possibility of gas _____ disruptions _____ construction.

Any _____ my gas will be _____ when _____ start _____ ?

_____ building _____ gas supply?

_____ is _____ to _____ gas _____ during ongoing construction _____.

_____ there be _____ interruption in _____ supply during _____ ?

The construction _____ gas _____.

Due to the _____ my _____ service _____ interrupted _____ ?

Are _____ during _____ construction?

_____ construction _____ close to the _____.

Is gas _____ be _____ the _____ door happens?

_____ area _____ being _____ may there be _____ interruptions?

While they construct _____ cut off _____ gas.

There _____ a possibility _____ temporary _____ during _____.

Can _____ be short _____ gas supply _____ to _____ ?

How about _____ bit while they build?

_____ there be a temporary interruption _____ gas _____ construction _____ going _____ ?

_____ know if I need _____ loss of natural _____ due _____ the construction _____.

_____ I _____ the gas supply to _____ is going on?

_____ may _____ temporary gas disruptions.

_____ the _____ project, there _____ be short _____ in _____ service.

There is _____ chance _____ outage due to _____.

Is _____ off _____ they _____ here?

_____ the _____ affect _____ gas _____?

Is it _____ be _____ due to construction?

_____ chance _____ short-term gas _____ while _____ area _____ being built?

_____ there _____ chance _____ will lose _____ during construction?

My gas _____ be _____ construction.

_____ am _____ if _____ construction will affect _____ gas _____.

How _____ the _____ gas supply?

_____ in the gas _____ work

Should I anticipate _____ construction?

Possible _____ due _____ ongoing construction _____.

_____ I be left high and _____ without _____ make _____ commotion around _____?

Will _____ in supply due to _____?

Is the _____ while _____ taking place?

_____ my gas service _____ this _____?

When _____ build _____ there _____ to be breaks in _____ access?

Will _____ gas interruptions _____ the _____ being built?

Possible _____ of _____ service?

_____ upcoming construction, _____ planned _____ interruptions?

_____ the supply _____ to the local _____?

There _____ of _____ gas _____ the construction period.

_____ there _____ gas interruptions during _____?

Could _____ access _____ gas _____ during construction?

Do you expect gas _____?

During the _____ period _____ interruptions.

_____ supply _____ disrupted _____ of local _____?

Will _____ be _____ off _____ construction?

Is _____ disruption to _____ service during _____?

_____ they build by _____ there expected breaks _____ natural-gas _____?

Can I _____ gas _____ disruptions due _____?

_____ be _____ to nearby work?

There may _____ the upcoming _____.

Is _____ of _____ breaks _____ gas supply because of _____?

_____ build _____ by me, _____ be breaks in _____ gas access?

There may be _____ supply _____ construction _____.

_____ interruptions _____ gas when the _____ is _____ constructed?

_____ if _____ access _____ gas _____ be disrupted during the upcoming construction _____.

_____ there any _____ when _____ is _____ on?

Is my access _____ going to get _____ during _____?

Is _____ gas availability?

_____ disruptions expected due _____ construction _____.

_____ a construction _____ there could _____ pauses in my _____.

Do _____ have _____ for _____ term _____ natural _____ because they _____ something outside?

_____ be _____ supply disruptions _____ nearby work?

Will there _____ any _____ with my _____ local _____ plans?

_____ know if _____ will _____ my gas _____ they start _____ nearby.

_____ need to prepare for _____ of _____ gas _____ to the _____?

_____ disruptions _____ due _____ nearby work?

Is _____ possibility _____ gas disruptions _____ workers?

Will there _____ interruption _____ gas supply _____?

Will _____ supply problems _____ local _____?

I worry ____ gas ____ due _____.
 Construction ____ gas ____?
 Is ____ going ____ short-term ____ interruptions ____ nearby area is being ____?
 I'm wondering if my ____ service ____ be messed _____.
 ____ will ____ construction ____ natural ____ availability?
 Can ____ short ____ in my gas ____ during ____?
 ____ a loss of ____ supply during the ____?
 Will ____ pauses in my gas ____?
 ____ a chance of gas ____ construction ____.
 Should I expect ____ the ____ is ____?
 Due to construction work, ____ I expect ____?
 There may ____ a ____ affected ____ construction projects.
 Could ____ be ____ by construction?
 Is the ____ supply ____ be interrupted ____ to ____?
 Can ____ interruption ____ my gas supply ____ is ____ nearby?
 I'm ____ I should ____ prepared for ____ interruptions _____.
 ____ my natural gas distribution?
 ____ gas being ____ construction?
 ____ gas disappear ____ construction ____?
 Will ____ have ____ during ____?
 I ____ access to ____ gas ____ disrupted during ____ upcoming ____ work.
 There ____ supply disruptions ____ to ____.
 Is there any ____ gas ____ being interrupted ____?
 There ____ chance of gas ____ the nearby _____.
 I wonder if ____ be ____ for gas _____.
 Is ____ gas ____ going ____ be disrupted ____ development ____?
 Is ____ possible for ____ disrupted during ____ work?
 Are ____ supply disruptions ____ construction?
 ____ be any ____ with the gas ____ there's ____ on?
 ____ gas ____ construction?
 Is ____ of gas service ____ during this ____?
 There ____ be gas ____ due to ____ work.
 ____ they do ____ will the ____ supply ____ affected?
 ____ a loss of gas ____ are working?
 Should ____ for gas interruptions due to ____?
 My gas supply could _____.
 ____ expect ____ gas service as a result of ____ construction ____?
 Possibly gas supply disruptions _____.
 There is ____ possibility ____ disruptions _____.
 ____ expect ____ interruption in gas ____ during ____ work?
 Is ____ supply ____ takes place?
 There is ____ may cause gas _____.
 ____ cause temporary ____ in the gaz _____.
 Gas supply ____ by ____ construction _____.
 During ____ area, should ____ be prepared ____ gas ____?
 Is ____ that there will be ____ interruptions ____ nearby area ____ built?
 ____ chance of ____ gas interruptions when ____ area ____ being ____?
 Is the construction ____ to ____ any interruption ____ my ____?
 ____ gas supply disruptions happen ____?
 ____ be any disruptions in my ____ of ____ project?

_____ supply disrupted _____ nearby work?

Will _____ problems _____ my gas connection _____ a _____ of _____ plans?

Will _____ now _____ the construction?

_____ going to _____ my natural gas _____?

_____ cut off _____ while they build _____.

_____ the _____ supply _____ to construction?

_____ I _____ gas _____ construction?

_____ gas _____ occur _____ local works?

_____ about _____ due to _____ construction.

When _____ gas supply be adversely affected?

What _____ happen to my _____ is _____ nearby?

While _____ nearby-zoned area _____ constructed, _____ short-term disruptions in _____?

_____ construction _____ could affect gas _____.

Will _____ access to _____ gas _____ disrupted _____ construction _____?

_____ expect brief gas _____ construction?

_____ the construction _____ could _____ interruptions?

When they build _____ to _____ there _____ in my _____?

_____ they're _____ nearby, can _____ expect a loss _____?

_____ construction, will _____ supply be _____?

Will there _____ due _____ local construction?

Can we expect _____ during _____?

Gas supply _____ construction.

_____ next _____ my gas service.

_____ be _____ supply interruptions due _____.

_____ it possible for gas _____ to _____ because of _____?

Can _____ interruptions in gas _____?

_____ projects _____ an effect on the _____.

During _____ gas _____?

When _____ build close by me, are _____ access?

Will _____ to _____ with gas _____ due _____ construction?

There _____ be _____ due to _____ nearby.

Building _____ cause _____ of gas supply.

During _____ project, _____ there _____ brief breaks _____ gas service?

_____ there _____ that gas _____ be disrupted _____ construction?

While _____ is going on _____ I _____ my gas supply?

Will the _____ my _____ gas _____?

_____ will _____ be disrupted?

_____ wondering if _____ disruptions due to local works.

Are _____ gas interruptions _____ construction?

Is _____ chance of interrupted gas _____ construction _____?

_____ is a chance that _____ gas _____ be cut off _____ around.

Can _____ of _____ during construction?

Will _____ with gas _____ to the construction?

While _____ here, gas will be _____ a _____.

_____ there _____ supply interruption _____ to construction _____?

_____ it _____ that it will lose _____ construction?

When there is _____ will _____ my gas?

_____ disruptions expected while construction work _____.

When _____ will the gas supply _____?

Am I _____ to _____ to _____ gas during this _____?

_____ the _____ to be disrupted _____ construction?
 There _____ supply affected by _____.
 _____ may _____ gas interruptions _____ amidst _____ construction _____.
 Can _____ any loss _____ gas _____ working?
 _____ could _____ brief stops in my _____ during _____ project.
 _____ don't _____ as work gets in the way.
 _____ my _____ gas service _____ be messed _____ during _____ construction work?
 There might be _____ the construction.
 There _____ be _____ the _____ supply during the _____.
 _____ need _____ for short term breaks in _____ gas because _____ build _____?
 Is _____ cut _____ while _____ construct?
 _____ availability _____ affected by construction.
 _____ I expect _____ in _____ gas supply _____?
 _____ there _____ of _____ interruptions due _____ construction work?
 My _____ service _____ be disrupted _____ of _____.
 Will _____ cause a loss _____?
 Any impact _____ from _____ construction?
 _____ a chance of _____ gas _____ during _____ period.
 _____ the gas supply.
 _____ close by _____ affect _____ supply.
 _____ construction _____ what _____ the gas?
 _____ I expect gas disruptions _____?
 Is _____ chance of _____ in gas _____ the _____ is being _____?
 _____ might _____ gas interruptions _____ the _____.
 _____ shortages _____ during the construction?
 _____ service _____ be disrupted _____ construction.
 _____ impact _____ on _____ service?
 Should _____ for gas interruption _____?
 Any disruptions _____ gas _____ would be _____ the building work _____.
 _____ it possible to expect _____ disruptions _____ work?
 _____ will occur due to _____.
 _____ projects affect _____ supply?
 _____ it possible _____ disruptions _____ construction?
 Is _____ possible for gas _____ the nearby _____ is being _____?
 _____ there _____ gas _____ due _____ nearby work?
 _____ there a _____ short-term gas _____ when the _____ being _____?
 Is _____ to _____ for a _____ natural gas _____ the project?
 _____ interrupt gas _____ work?
 Will I have _____ contend _____ during _____ construction?
 _____ will _____ to ongoing construction work.
 _____ close by, will the _____ supply be _____?
 _____ possible _____ supply _____ be interrupted due to work _____?
 My _____ might _____ to the work _____ door.
 _____ some construction nearby and _____ my _____?
 _____ planned gas interruptions _____ construction?
 _____ we expect _____ in our gas _____ construction?
 Will _____ operations _____ interruption _____ gas supply?
 There _____ be _____ supply _____ due to _____.
 _____ my _____ service disrupted during _____?
 Can construction close _____ affect _____?

Should _____ prepared _____ a short interruption _____ supply due _____?

_____ be _____ disruption to my _____ during construction?

When they construct _____ are there _____ in _____ natural-gas _____?

They might _____ off _____ bit _____ build.

Will _____ my gas _____?

Is it possible _____ disruptions _____ to _____ works?

_____ will be _____ that mess happens next _____?

The _____ my natural gas service _____ be messed _____.

Will _____ get gas _____ construction?

_____ there _____ chance of temporary _____ outage _____ to _____?

_____ the construction _____ disruptions?

There _____ gas interruptions during _____ construction.

There _____ of gas shut-offs _____ to _____.

Are any _____ to _____ service _____ the _____ work _____ door?

_____ closeby, can _____ a _____ interruption?

_____ possible that there will _____ short-term gas disruptions while _____ area _____?

_____ around here _____ cut off the _____ a _____.

_____ I expect _____ supply _____ construction is _____ place?

_____ gas supply be affected when _____ is _____?

During _____ construction, _____ be gas _____?

_____ occasional _____ breaks due to construction nearby.

Should _____ supply _____ to construction?

Are _____ chance _____ interruptions _____ the construction?

_____ likely to have a _____ gas _____ construction?

There _____ brief gas _____ with _____.

_____ have _____ in _____ during construction?

_____ nearby constructions _____ gas supply?

_____ interruptions due to construction.

Due to _____ gas _____ disruptions?

_____ there _____ short-term gas disruptions while the _____ is _____?

While they are constructing _____ gas be _____?

_____ expect gas interruptions _____ working?

There _____ a chance _____ gas failures due _____.

Will _____ in gas when the _____ area _____ constructed?

Can I _____ they are _____?

Any _____ on _____ the _____ construction?

There could _____ my _____ due _____ building work next _____.

What happens _____ gas when _____ is _____?

_____ any _____ of _____ interruptions _____ they are working?

Is _____ gas _____ to _____ interrupted by construction?

_____ there _____ gas _____ of nearby _____?

Will _____ gas supply?

There is _____ chance of _____ delays _____.

_____ the gas supply be disrupted _____?

_____ a nearby construction _____ could _____ be _____ my _____ service?

_____ my gas _____ by _____?

Will _____ phase _____ shortage of _____?

_____ could _____ occasional _____ breaks during _____.

Is _____ disrupted _____ work?

Can _____ occur due to _____?

____ the ____ project, could ____ be brief stops ____ my ____ ?
 ____ chance of brief gas ____ disruptions during ____ ?
 During ____ my ____ be disrupted?
 ____ count ____ disrupted gas service ____ to this ____ ?
 Any ____ on ____ service from ____ .
 Will I be ____ construction?
 ____ construction projects might ____ gas ____ .
 Is ____ chance of disruptions ____ my gas ____ ?
 Can ____ my ____ to ____ while the construction is going ____ ?
 ____ will be gas ____ while adjacent ____ ?
 ____ cause ____ breaks ____ the ____ supply.
 ____ there a chance ____ gas disruptions because ____ ?
 ____ nearby ____ impact ____ service.
 Can ____ expect ____ in ____ supply while construction is ____ ?
 ____ possible that ____ precious ____ gets messed with ____ ?
 There ____ due ____ nearby work.
 ____ my natural ____ affected by this ____ ?
 ____ natural ____ going to be ____ up due to ____ ?
 ____ anticipate ____ service disruptions ____ to ____ work?
 I don't ____ if ____ construction ____ my ____ gas ____ .
 ____ work will my ____ service ____ messed up?
 ____ problems ____ the supply due ____ construction?
 Can ____ anticipate short-term ____ service interruptions ____ work?
 Can ____ my gas ____ due to ____ construction project?
 Is there going ____ to ____ gas during this ____ ?
 Is ____ construction projects?
 ____ are ____ in ____ area ____ any issues with gas?
 Is ____ service interrupted ____ construction ____ ?
 There might be ____ during ____ nearby ____ .
 Can I ____ gas ____ while they are ____ ?
 I ____ like to ____ if ____ to ____ gas will be disrupted ____ construction ____ .
 Will ____ be disrupted by ____ development ____ ?
 Should ____ disruptions to my ____ construction ____ going on?
 There will ____ disruptions ____ work.
 Is there ____ gas ____ be cut off ____ their ____ nearby?
 ____ building ____ is ____ my gas ____ .
 ____ receive gas interruptions?
 ____ possible ____ loss of gas supply during construction?
 ____ gas ____ may ____ by construction.
 Due ____ disappear now?
 ____ nearby ____ the ____ supply?
 The ____ off a ____ the construction is going ____ .
 Will there be short-term ____ gas ____ the ____ being ____ ?
 It's ____ my gas will ____ cut ____ when ____ start their ____ .
 Will this construction project ____ my ____ ?
 Will my ____ during ____ construction project?
 Gas ____ off a ____ they build around ____ .
 ____ gets ____ a bit while they are ____ .
 ____ there ____ nearby construction, ____ to ____ gas?
 ____ to ____ when there's ____ ?

_____ the _____ might _____ gas _____ be messed up?
 _____ I _____ in _____ gas supply during construction?
 _____ there _____ in _____ due to local _____?
 Will _____ supply?
 _____ be brief gas _____ construction.
 _____ possibility of _____ disruptions due _____ construction.
 construction close _____ affect _____
 Is it possible _____ some gas _____ working?
 Is it possible _____ our _____ interrupted during _____?
 Nearby _____ gas supply _____ be disrupted.
 During the _____ nearby, should _____ be _____ for _____?
 Will gas _____ construction?
 _____ build around here, _____ may _____ cut _____ a _____?
 The gas is _____ to _____ temporarily _____ work.
 _____ construction _____ affect _____ supply?
 _____ expected to be disrupted _____ during _____.
 _____ with _____ gas _____ during construction?
 Can _____ to _____ off while they're _____?
 Is there _____ chance _____ service _____ construction work?
 Will there _____ supply _____ due _____?
 _____ constructions _____ my _____ supply _____?
 _____ next _____ might _____ gas service disruptions.
 Is _____ chance of interruption _____ due _____ construction?
 Gas interruptions _____ construction _____?
 Can _____ on _____ gas service _____ to _____ project?
 _____ gas _____ due to _____ construction?
 Is gas _____ of _____?
 Should _____ be _____ interruption of _____ during _____?
 Is _____ gas supply interruption _____ to _____?
 _____ about gas _____ due _____ neighboring _____.
 Due _____ local works, _____ disruptions?
 My gas service _____ due to _____.
 _____ nearby _____ affect my _____.
 The construction _____ cause _____.
 During a construction _____ may be _____ pauses _____ service.
 Can _____ expect _____ disruptions during _____?
 Building operations will _____ gas _____.
 _____ I prepare for _____ construction?
 _____ there a chance _____ a temporary _____ of _____ construction?
 _____ for gas _____ be _____ during the construction?
 _____ count _____ disruptions in my gas _____ due to _____?
 _____ be _____ disruptions _____ to _____ work.
 _____ there _____ chance of _____ gas _____ the _____ area is _____ constructed?
 Is the gas _____ do construction _____ by?
 _____ be disrupted while construction _____ underway?
 Should my gas supply be _____?
 _____ I _____ gas _____ during construction?
 _____ the gas supply?
 _____ are _____ plans _____ could _____ to minor disruptions _____ gas connection.
 _____ gas service _____ be _____ due to _____.

Will there _____ the upcoming _____?

Can _____ gas _____ while _____ is going on nearby?

I want to _____ if my natural gas _____ will _____.

Will there _____ during construction?

_____ it _____ supply _____ be interrupted _____ the construction is _____?

They're _____ nearby, can _____ a loss _____?

_____ we _____ gas service to _____ interrupted _____?

Can I _____ of _____ supply when _____ is _____?

_____ supply be _____ construction?

_____ gas _____ gets in _____ way?

Is there _____ chance _____ a _____ because _____ construction?

_____ be _____ nearby, will the gas _____ be _____?

_____ is construction nearby and _____ on _____?

My gas _____ be _____ due _____ building work next _____.

There might _____ occasional _____ the gas supply _____.

What _____ to _____ gas _____ construction?

Are _____ planned _____ during the _____?

_____ may be _____ pauses in my _____ service _____ construction _____.

_____ my _____ supply affected by _____?

_____ I plan for gas _____ disruptions _____?

_____ construction could _____ breaks _____ the gas _____.

_____ cause gas interruptions?

Should _____ expect gas _____ when _____ is _____?

_____ gas _____ by _____ close by?

Is _____ brief gas _____ the nearby construction?

Is _____ gas _____ affected _____ the _____?

_____ gas service _____ be disrupted _____.

_____ I expect _____ gas supply _____ construction _____ taking _____?

The _____ could be disrupted _____ construction _____ taking _____.

Will _____ be gas supply _____?

_____ disrupted due to _____ work?

_____ it advisable to _____ brief gas disruptions _____?

Will gas _____ occur _____?

_____ they possibly _____ gas _____ they're _____?

Will _____ the _____ of _____ gas?

If _____ is _____ my gas service _____ construction.

Is _____ disruptions due to local _____.

_____ the construction phase _____ disruptions in _____?

_____ construction will I _____?

The gas _____ might _____ because of the _____ door.

_____ the gas supply _____ be _____ off _____ construction?

_____ wondering if my access _____ natural _____ be _____ construction work.

Will _____ gas _____ by _____ construction?

_____ be a _____ gas supply?

_____ phase hurt my gas _____?

_____ construction close by, will the _____ be _____?

Is there _____ gas _____ interruption due _____ construction?

_____ may _____ the gas supply during the _____.

_____ are construction issues _____ the _____ this _____.

_____ are constructing around _____ gas be _____ off?

The gas _____ to be _____ during _____ construction _____.
 _____ get gas _____ during _____?
 _____ there _____ be _____ my _____ service due to this _____?
 _____ are gas _____ to construction _____.
 _____ I be _____ for _____ cuts _____?
 Is the _____ because _____ construction?
 Can _____ affect gas _____?
 _____ I expect gas _____ while they're _____?
 _____ gas supply be _____ construction _____?
 _____ there _____ supply _____ to construction?
 Should _____ expect a gas _____ construction?
 Building _____ might _____ short-term loss _____.
 Can _____ expect _____ loss of gas _____ working _____?
 _____ projects _____ gas supply.
 _____ want to _____ if I _____ gas interruptions _____ working.
 There _____ a _____ interruptions near _____ construction site.
 Gas _____ can _____ due _____ local _____.
 _____ be _____ during construction?
 _____ there any disruptions _____ service _____ of the _____ work _____ door?
 _____ there a chance _____ disruptions _____ activity?
 Will my gas _____ due to _____?
 Is _____ interrupted during _____?
 _____ building operations cause _____ term _____ gas _____?
 _____ operations _____ cause a loss _____ gas supply?
 _____ supply might be disrupted while _____.
 Will gas _____ be _____?
 _____ there _____ of _____ interruptions during construction _____?
 Will my gas supply _____ interrupted _____ of _____?
 _____ I expect _____ when _____ working?
 Will _____ construction lead _____?
 Is _____ going _____ disappear _____?
 Can _____ interruptions _____ working close by?
 _____ for local _____ to cause _____ disruptions?
 _____ of gas disruptions during _____?
 _____ there be short-term gas _____ the nearby _____ built?
 The _____ close _____ to disappear.
 Is there a _____ of _____ gas _____ working?
 _____ anticipate _____ breaks due to _____?
 _____ it likely _____ gas _____ interrupted during construction?
 There may _____ in the gas supply _____ of _____.
 Can _____ our gas service during construction?
 _____ a _____ gas interruption _____ construction?
 _____ going to _____ as _____ result of _____?
 _____ possible for the _____ supply _____ interrupted while the _____ is _____?
 _____ I be _____ disruptions _____ the construction?
 Will there _____ short-term gas disruptions when _____ constructed?
 _____ any _____ of _____ disruptions while the _____ is _____ built?
 _____ happen to my _____ service during _____ construction _____?
 Is it _____ loss of _____ they're working?
 I _____ worried about _____ availability _____ of _____.

_____ there going to _____ short-term gas _____ the _____ is being _____?
 _____ nearby _____ might _____ gas _____ disruptions.
 _____ the _____ construction _____ gas supply to be _____?
 _____ may _____ temporary breaks in the _____.
 _____ supply _____ by nearby _____?
 _____ there _____ to _____ during the construction phase?
 _____ my gas _____ lost _____ build-out?
 _____ there _____ expected gas supply _____ the _____?
 _____ I be _____ disruptions due to construction?
 _____ gas _____ be _____ due to _____?
 Are there any disruptions _____ my _____ service due _____?
 Can I expect _____ temporary interruption _____ gas _____ to _____?
 There _____ gas disruptions planned _____.
 _____ possible that _____ off _____ they start their _____ nearby.
 _____ operations _____ the _____ supply.
 _____ they _____ around here, will _____ cut off _____?
 During the _____ project, can _____ pauses in my _____?
 Will _____ my gas _____ in any way?
 Is there _____ chance _____ interruption _____ the construction _____?
 _____ may _____ gas _____ during construction.
 Will _____ because of _____?
 Can _____ gas _____ interrupted _____ work?
 _____ interrupt the gas supply?
 _____ gas service _____ due to _____?
 _____ there _____ supply disruptions due to _____ construction?
 _____ I expect _____ disrupted _____ construction?
 _____ there _____ my _____ gets shackles during _____?
 _____ gas supply is _____ construction _____.
 Is there a _____ pause _____ my _____ service _____?
 Will gas disappear as _____?
 _____ anticipate _____ service due _____ construction?
 I _____ what _____ to my gas when _____.
 Is it _____ supply to _____ disrupted _____ construction _____ going on?
 _____ risk of gas _____ during _____.
 _____ any disruptions _____ my gas supply _____ construction phase?
 Is there _____ chance of _____ interruptions _____ they're _____?
 _____ there _____ of _____ service _____ due to construction?
 _____ I be _____ for gas _____ to _____?
 Is _____ any chance _____ interruptions _____ the area is being _____?
 _____ gas supply affected _____?
 Can _____ to _____ be _____ by upcoming construction?
 _____ be _____ in the midst of _____ construction?
 _____ be _____ interruption _____ to construction.
 While nearby _____ is _____ in my gas supply?
 _____ a _____ of _____ service _____ due to _____ work?
 There _____ disruptions _____ service due to _____ nearby construction.
 Can _____ be _____ my gas supply _____ construction?
 What _____ to my _____ during _____?
 _____ there _____ issues with supply _____ to _____?
 Is it possible for _____ to _____ construction _____?

_____ it _____ of _____ that _____ suffer gas gaps?

_____ gas _____ off _____ work around _____?

Is there _____ supply interruption due _____ construction?

During construction, _____ I _____ for _____?

_____ I _____ gas _____ they _____ busy?

_____ there be _____ the construction?

_____ it _____ that _____ be cut _____ when they _____ their _____ nearby?

_____ possible that _____ can be disrupted _____ activities?

Should I expect _____ in my _____ is being _____?

_____ there _____ be gas disruptions _____ to local _____?

_____ a _____ of gas _____ happen because of _____?

_____ near _____ gas supply _____ it?

_____ gas _____ be _____ construction happens nearby?

There _____ plans _____ gas _____ during _____.

_____ if I can _____ gas _____ while _____ working.

_____ gas _____ from _____ construction?

_____ there be _____ with _____ of local _____?

Shouldn't _____ be _____ gas disruptions _____?

The _____ service will be disrupted _____ of the _____.

_____ on _____ service by _____ nearby?

_____ of _____ due to construction?

When _____ nearby, _____ I _____ a loss _____ gas?

_____ it possible _____ gas _____ be _____ while _____ work?

_____ we expect our gas _____ interrupted _____ construction _____?

_____ am concerned _____ gas availability amid _____.

_____ I _____ disruptions _____ gas due _____ work?

_____ my access _____ gas _____ neighboring construction work?

Is my natural _____ be unreliable during _____?

_____ the gas _____ will affect _____.

_____ gas _____ while they _____ close by?

_____ disruptions to my gas _____ will _____ by _____ building work _____?

What _____ to my _____ construction _____ close?

Is there any chance _____ the _____ period?

Problems with _____ gas service _____ caused _____ the building _____.

_____ construction there are _____.

_____ there _____ interruptions of gas _____ is taking _____?

_____ cause any _____ to my gas service?

_____ construction is _____ this area, _____ there _____ issues _____ the gas?

Gas _____ can _____ local works.

_____ gas service _____ during _____ construction?

There may be disruptions to my _____ the _____ door.

Can _____ gas supply _____ construction is taking place?

_____ ongoing local _____ cause small disruptions for my gas _____.

What _____ when there's construction _____ me?

_____ the gas supply be _____ construction?

Local _____ have _____ affect on the _____ supply.

_____ a chance that I _____ cut _____ my _____ they start their _____ nearby.

_____ be _____ interruptions during this _____?

_____ gas supply _____ due _____ work _____?

Should I prepare _____ intermittent _____ gas due _____ construction project?

_____ be _____ disruptions with _____?

There is a _____ of temporary _____ construction period.

_____ close by, will gas _____ be _____?

_____ is likely to be gas _____ disruptions _____.

_____ interruptions expected amidst ongoing _____.

_____ I expect _____ to _____ supply _____ construction _____ taking place?

When there's _____ going _____ there be _____ the _____?

Will _____ be any _____ for _____ connection during _____ development _____?

When they build close by _____ gas access?

_____ am wondering _____ I _____ ready _____ during construction.

_____ supplies be disrupted _____ work _____?

_____ a chance of gas _____ due _____ work?

_____ the gas line due _____?

_____ know if I should be _____ during construction.

Is _____ be disruptions in my _____ supply _____?

_____ it _____ lose gas supply _____.

_____ nearby construction, _____?

Can _____ expect gas _____ be interrupted _____?

_____ the upcoming construction work affect _____ to _____?

Is _____ interruption _____ construction?

Gas interruption _____?

Will _____ next _____ my access _____ natural gas?

Will _____ short-term loss of _____ from building _____?
