

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Alarm system false alarms or notifications
Inquiry Sub-Category	Compatibility issues with smart home devices
Description	Customers seek assistance in resolving compatibility issues between their alarm systems and other smart home devices, such as voice assistants, home automation systems, or security cameras that may interfere with alarm notifications.
Data Size	5,068 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ some _____ equipment disrupt _____ burglar _____ ?
_____ devices block current _____ ?
_____ gadgets interfere with _____ mechanisms?
Is _____ a chance _____ machinery _____ disturb _____ deterrents?
Is it _____ spy _____ interfere _____ burglary _____ measures?
_____ burglar deterrents _____ be affected if more _____ introduced.
Does _____ objects _____ anti-theft _____ ?
Does _____ equipment _____ deterrent _____ ?
Is _____ capable _____ disrupting _____ measures?
_____ gadgets _____ affect _____ deterrents
The security _____ with _____ deterrents.
_____ the warnings _____ people _____ break _____ nullified _____ spy equipment?
Is it possible that spying _____ potentially _____ ?
Some _____ gear _____ with _____ prevention _____ crimes.
Is _____ able to _____ theft _____ measures?
_____ equipment _____ prevention methods?
_____ anti-theft protocols could _____ by the integration _____ security _____.
_____ security devices disrupt _____ ?
_____ gadgets be harmed _____ spy _____ ?
_____ certain _____ devices _____ systems?
_____ of surveillance tools _____ the _____ mechanisms?
_____ deterrents can _____ interfered with _____ devices.
Do _____ tools that _____ track people affect _____ anti-burglary _____ ?
Can _____ anti-theft _____ be _____ surveilling _____ ?
Can adding a _____ affect _____ effectiveness _____ measures?
spy _____ could _____ deterrents.
spy tools _____ devices
Is _____ a chance that spy _____ with _____ ?

_____ equipment _____ affect previous theft _____.

_____ tools affect _____ devices?

Does _____ antitheft equipment?

spy _____ could _____ with _____ deterrent _____

_____ spy equipment interfere _____ against _____?

The effectiveness of break-in _____ hampered _____ presence _____ systems.

Monitoring _____ affect the burglar _____.

_____ possible that the determmng mechanisms _____ be _____ installation of _____?

Does _____ tools affect _____?

Do _____ objects _____ anti-theft _____?

Can the current _____ additional surveillance devices?

_____ of the deterrent be _____ by _____ machinery?

Our _____ be _____ by the _____ of extra spy _____.

Is the _____ security _____ affected by _____ monitoring devices?

Is _____ possible that _____ gadgets _____ affect _____ mechanisms?

Can _____ a device _____ existing _____?

_____ equipment might disturb _____ of _____.

Can _____ break-in deterrents?

_____ security _____ interfere _____ deterrents.

_____ tools can disrupt _____ of _____.

_____ the _____ affect the _____?

Anti-theft _____ by certain monitoring _____.

Is _____ surveillance _____ affect defenses?

_____ devices interrupt current _____?

Is _____ gear _____ for _____?

Could spy _____ affect _____?

Is _____ anti-burglar measures _____ by _____ use _____ surveillance _____?

_____ spy machinery disturb _____?

_____ surveiller _____ anti-burglary mechanisms?

_____ that the current thief-repelling _____ might not _____ as effective _____ the _____?

_____ possible to disrupt _____?

_____ the _____ measures _____ the use _____ surveillance tools?

Can _____ mechanisms be affected _____?

Is _____ for burglar _____?

Is it _____ that _____ current anti-burglary measures?

Is the _____ setup going _____ by _____ tools?

_____ use of _____ affect anti-burglar _____?

_____ spy _____ affect the fight _____?

_____ security _____ interrupt break-in _____?

Do _____ snooping _____ interfere with _____?

_____ of security gear _____ the _____?

_____ the _____ surveiller tools _____ measures?

Monitoring _____ could _____ harm to existing _____.

Is the _____ of the _____ by _____ machinery?

_____ possible that _____ equipment _____ affect the effectiveness _____ burglar deterrents?

_____ gadgets cause _____ mechanisms _____ fail?

_____ that some spy gear could interfere _____.

_____ warnings against burglars

_____ it _____ that theft prevention measures can _____ by _____?

_____ the _____ by surveilling tools?

____ the anti-burglary ____ be ____ by ____ use of ____ tools?
 ____ more ____ compromise ____ anti-burglary ____?
 Maybe ____ gear ____ with the prevention of ____.
 ____ new ____ existing security systems?
 ____ devices can ____ current ____.
 Is there ____ chance ____ could ____ anti-burglary measures?
 ____ disrupt the current barriers?
 ____ objects ____ be able ____ disarm the ____.
 Monitoring ____ existing ____ prevention methods.
 Does ____ objects ____ setup?
 ____ surveillance gear affect ____ ?
 ____ the use of ____ tools ____ measures?
 ____ security equipment ____ deterrent ____?
 Will ____ cause ____ my anti-burglar gadgets?
 ____ spy ____ may interfere ____ measures.
 Will existing ____ devices ____ interfered ____?
 ____ anti-burglary ____ disrupted ____ the use ____ surveillance tools?
 Will the ____ be ____ by ____ use ____ security ____?
 Is the current ____ systems interfered ____ equipment?
 ____ on anti-theft ____ affected by ____ tools?
 ____ the ____ setup be ruined by ____ of ____?
 Will ____ prevention methods?
 ____ the anti-burglary ____ be compromised by ____ use ____ ?
 ____ present anti-theft protocols ____ disrupted ____ the ____ monitoring gear.
 ____ equipment damage theft ____ methods?
 Some ____ may ____ prevention of home invasions.
 ____ the ____ used to surveil ____ anti-burglary mechanisms?
 Is ____ tools bad ____ ?
 ____ it possible that ____ could ____ the ____ mechanisms?
 ____ could ____ thieves are deterred
 Can ____ interfere ____ deterrents?
 Does ____ antitheft systems ____ effective?
 Monitoring ____ could ____ anti-theft ____.
 ____ mechanisms ____ be hampered ____ of surveillance tools.
 ____ security ____ interfere ____ deterrents?
 ____ it possible ____ interfere with break-in ____?
 ____ theft prevention ____ could be ____ monitoring ____.
 Is it ____ to compromise ____ measures with ____ ?
 ____ the use of ____ hinder ____ ?
 Can security ____ deterrent?
 Some ____ gear ____ interfere with the prevention ____.
 ____ well ____ deterred could ____ affected by ____ cameras.
 Is ____ monitoring equipment ____ sabotage theft ____ ?
 spy equipment ____ against ____
 Is it ____ products interrupt or ____ current ____?
 ____ it ____ the ____ be disrupted by the installation of some ____ ?
 ____ obstruct ____ break-in deterrents?
 Is ____ eavesdropping device capable of ____ ?
 Will ____ installed ____ tools ____ the existing ____ ?
 Spying ____ could ____ established ____ .

_____ are _____ may interfere with break-in _____.

Our _____ might be disrupted by the integration _____.

Are _____ mechanisms affected _____ surveilled _____?

Can the effectiveness of _____ be _____ addition _____ devices?

_____ may _____ anti-theft systems.

Should _____ monitoring _____ sabotage _____ methods?

Will the _____ interfere _____ the existing _____ systems?

Will the equipment _____ the _____?

Adding _____ change how _____ are _____.

Is _____ that _____ measures _____ hindered by the use _____?

Is it _____ that _____ disrupt _____?

Will _____ warnings _____ ruined by _____ spy equipment?

Monitoring equipment _____ some _____ prevention _____.

_____ if _____ equipment could _____ theft prevention _____.

_____ may disrupt the _____ mechanisms.

_____ effectivity of established _____ be _____ by the _____?

_____ it possible _____ additional _____ could compromise _____ measures?

Will _____ setup _____ ruined by the use _____?

_____ it _____ the surveillance gear could affect _____ defense _____?

Is _____ gear interfering _____ the prevention _____?

_____ spying _____ able _____ disturb _____ deterrents?

Will _____ damaged by your _____ stuff?

There are _____ burglars, but _____ equipment stop _____?

Will _____ existing warnings?

_____ systems interfere _____ break _____ deterrents?

Will _____ ruined _____ snooping tools?

_____ any eavesdropper devices capable _____?

_____ possible to use _____ diminish the _____ of _____ measures?

Is spy _____ the _____ of _____?

Will the warnings against _____ nullified by _____?

Is it possible _____ thief-repelling systems _____ be _____ by the use _____?

_____ it _____ anti-burglary _____ are hampered by the _____ surveillance _____?

_____ it _____ that the _____ thief-repelling systems _____ not _____ offset by _____ current _____?

_____ possible that _____ of the _____ could be _____ the _____ of some _____?

_____ the equipment _____ with _____ systems?

_____ are certain _____ impact anti-theft systems.

Is _____ gear _____ for the _____?

Do _____ equipment _____ theft prevention _____?

_____ prevention methods _____ be disrupted _____ monitoring _____.

_____ equipment _____ against criminals?

_____ it _____ that _____ gadgets _____ undermine existing _____ mechanisms?

Is _____ measures hampered _____ surveillance tools?

_____ devices _____ affect the _____ system.

_____ gadgets have a negative impact _____?

_____ the warnings _____ the _____ be _____ by _____ equipment?

anti-theft mechanisms _____ be _____ gear.

_____ gadgets affect _____ mechanism?

_____ any surveillance _____ the current barriers?

_____ the _____ of _____ affect anti-burglary _____?

Is _____ anti-burglary setup _____ the _____ of _____ tools?

Will ____ anti-burglar ____ be damaged ____ spy ____?
surveillance ____ anti-burglary ____
____ equipment ____ sabotage theft prevention ____.

Is it possible that ____ gear ____ affect ____ burglar?
____ the ____ tools ____ the ____ systems?

Is ____ possible ____ impacted by spy tools?
____ the equipment could hinder the defense of ____?
____ surveillance ____ affect the prevention of break-ins?

Effective ____ deterrents ____ be hampered ____.

Are ____ capable ____ theft ____ measures?

The ____ might ____ disrupted by ____ integration of extra ____.
____ products ____ with ____ current ____ of detecting and preventing ____?
____ the ____ used to ____ the anti-burglary ____?

Is there ____ way ____ offset by the surveillance instruments?
____ anti-theft ____ may be impacted ____ devices.
____ spy ____ the deterrent ____ effective?

Is ____ impact ____ spying tools ____?
____ the ____ setup ____ by the ____ surveillance tools?
____ it possible ____ devices will disrupt ____?

The anti-burglar ____ may ____ hampered ____ tools ____ to monitor ____.
____ eavesdropper devices able ____ prevention measures?

It's possible ____ spy ____ could ____ with the ____.

Are ____ anti-burglar ____ by the use ____ surveilled ____?
____ setup ____ ruined by ____ use of surveillance ____?
____ anti-burglar ____ be compromised by ____ spy ____?
____ the anti-burglar ____ hindered ____ the ____ used ____ them?
____ protocols ____ by the integration of extra ____?
____ surveillance tools affect the anti-burglary ____?
____ the use of the surveillance tools?
____ spy gadgets will affect existing deterrent ____?

Is ____ possible ____ there ____ be interruption of existing ____ with ____ installation ____ equipment?

Is ____ tools ____ anti-burglar ____.
____ devices may interfere ____ deterrents.

Does ____ equipment ____ systems?

The ____ mechanisms ____ be ____ use ____ the surveillance tools.

Could ____ cause problems ____ theft ____?

Is ____ the current ____ might be ____ by surveillers?
____ it ____ spy ____ will undermine warnings against ____?
____ equipment ____ affect existing ____ methods
____ certain ____ a problem with ____?
Does ____ affect anti ____?
____ the ____ be wrecked by the ____ the ____ tools?

Adding surveillance devices ____ affect ____ of ____ security ____.

Is ____ that monitoring ____ can ____ burglar prevention ____.
____ devices ____ used ____ the deterrents?
____ make ____ measures harder?

Is spy gear ____?
____ prevention methods could be ____.

anti-theft ____ can be ____ surveilling ____.

____ spy gear work ____?

Are _____ affected _____ use of _____ tools?
 _____ the current Burglary _____ disrupted or _____ surveillance _____?
 _____ machines _____ affect the _____ effectivity?
 Security _____ affect anti-theft _____.
 _____ devices can interfere _____ break-in _____.
 _____ the products _____ methods _____ detecting and preventing _____?
 Is our _____ anti-theft _____ disrupted by the _____ of _____?
 _____ the _____ interfere with the _____?
 _____ it possible _____ hampered _____ the use of surveillance tools?
 _____ equipment _____ prevention techniques.
 Is it _____ spy _____ affect existing warnings _____?
 Is it _____ devices _____ tricks?
 Is the _____ by _____ tools?
 _____ current anti-theft _____ might be _____ of _____ monitoring gear.
 Monitoring equipment may _____ methods.
 Is _____ affected by _____ tools?
 Do _____ disrupt _____ current barriers?
 _____ spy gadgets will _____ existing deterrent mechanisms?
 _____ the use _____ surveilling _____ anti-burglary _____?
 _____ make anti-burglar _____ harder?
 Current burglary prevention methods _____ disrupted by _____ use _____.
 Is _____ might compromise the current anti-burglary _____?
 _____ if _____ could _____ with the prevention of _____ ins.
 I wonder _____ some _____ gear might _____ of break-ins.
 It's _____ the determmng mechanisms _____ be _____ the _____ ssurg.
 Is _____ gear _____ anti _____ systems?
 _____ can _____ anti-theft devices
 _____ spy _____ existing warnings?
 There are theft prevention methods _____ disturbed _____.
 Do _____ stuff will _____ with my _____ gadgets?
 _____ gear _____ the _____ of break-ins?
 _____ it possible that spy _____ may interfere _____ the _____?
 _____ anti-theft _____ may _____ by _____ monitoring devices.
 Can _____ anti-theft devices _____ effective?
 _____ anti-theft mechanisms _____ by _____?
 Is _____ possible that additional devices _____ measures?
 Will _____ monitoring equipment _____ to _____ prevention methods?
 Will spy equipment make _____ against _____?
 Anti-theft systems _____ be _____ monitoring _____.
 _____ spy gear _____ deterrent _____?
 Will _____ systems _____ the _____?
 _____ more cameras _____ current anti-burglary _____?
 _____ it possible that the _____ could _____ defenses?
 _____ equipment block warnings _____?
 There _____ monitoring _____ may _____ anti-theft systems.
 Is the effectiveness _____ existing security _____ by _____?
 Might our _____ disrupted by _____ integration _____ extra _____?
 _____ use _____ tools affect anti-burglar _____?
 The _____ by the use of _____ tools.
 Is _____ that surveillance products _____ or _____ burglar prevention _____?

_____ equipment will _____ burglars.
 _____ of _____ burglars' deterrent disturbed _____ spying machinery?
 _____ spy _____ have an adverse _____ mechanisms?
 Will _____ anti-burglary _____ the use of _____ tools?
 Is _____ anti-burglary _____ surveilling tools?
 Is it _____ additional devices can compromise _____?
 Current _____ being interfered _____ by security _____.
 Do _____ tools _____ you _____ the anti-burglary mechanisms?
 _____ affect anti-burglary _____?
 _____ break-in deterrents can _____ security devices.
 _____ possible _____ be an interruption _____ existing _____ mechanisms with _____ installation of _____ cameras?
 _____ equipment _____ make theft prevention _____.
 _____ gear _____ anti-theft mechanisms?
 _____ that surveilling tools _____ affect the prevention _____?
 Monitoring _____ theft prevention.
 _____ the _____ anti-burglar measures be _____ additional _____?
 _____ surveilled _____ affect anti-theft _____?
 Is _____ anti-burglar _____ hampered _____ monitoring _____?
 _____ surveillance equipment _____ to _____ mechanisms?
 Is it possible _____ more _____ impair the _____ of _____ deterrents?
 _____ the _____ measures be compromised _____ devices?
 _____ it _____ machines could affect _____ burglars' deterrent _____?
 _____ surveillance _____ the current _____ methods?
 _____ possible _____ monitoring _____ can disrupt _____ prevention of _____?
 Is _____ setup going _____ by surveillance tools?
 _____ it _____ to compromise the anti-burglary measures?
 Our current _____ protocols may be _____ the integration _____ gear.
 Is there a way _____ systems can _____ offset _____?
 Security _____ may _____ deterrents.
 _____ the _____ anti-burglary _____ be compromised _____ additional _____?
 _____ setup _____ ruined by _____ of surveillance tools.
 _____ it possible _____ anti-crime _____ will be disrupted _____ some _____?
 Is _____ tools _____ foil measures to prevent _____?
 The anti-theft systems _____ be _____ devices.
 Is _____ anti-burglary _____ by surveillance _____?
 _____ possible that spy machinery _____ deterrents?
 Is _____ a way that _____ current _____ be offset _____ instruments?
 _____ obstruct theft systems?
 Does _____ use _____ tools _____ mechanisms?
 _____ monitoring _____ disrupting _____ of crime?
 _____ will possibly _____ theft prevention _____.
 _____ is possible that _____ gear _____ with the prevention _____.
 How could _____ gadgets _____ mechanisms?
 Our _____ anti-theft protocols might be disrupted _____ gear.
 Security _____ may _____ current _____.
 _____ the _____ of extra surveillance gear _____ disrupt _____ protocols?
 Will _____ equipment _____ warnings _____?
 _____ gear affect _____ theft _____?
 Is spy _____ against criminals?
 _____ monitoring equipment going _____ affect _____?

Security ____ may ____ deterrents.

Do ____ for ____ affect ____ measures?

Is the anti-burglary setup going to ____ of ____?

____ setup could be ____ by ____ use ____ tools.

____ existing deterrent mechanisms?

____ equipment could ____ methods ____ theft ____.

____ may disrupt ____ prevention ____.

____ interruption ____ determining mechanisms by ____ presence ____ burglar ____

be ____ by surveillance ____.

Monitoring ____ has the potential to disturb ____.

____ devices impact the anti-theft ____?

____ impact ____ gear ____ burglar deterrence?

Monitoring ____ used to disarm ____.

Monitoring ____ might sabotage ____ methods.

Is ____ a chance that ____ gear ____ prevention?

Does ____ hamper ____ antitheft ____?

____ it ____ surveillance gear could affect ____ defense ____?

Is ____ mechanisms affected ____ tools?

____ tools can ____ devices

____ it ____ that ____ might hinder existing ____ mechanisms?

____ affect the prevention of ____.

Is it ____ that ____ gear ____ interfere with ____?

____ it ____ measures can be hampered by ____ of surveillance ____?

Our anti-theft ____ by the integration ____ extra surveillance ____.

Is surveilling ____ for ____?

Monitoring ____ theft ____ techniques.

Your ____ might mess with ____.

____ the new ____ interfering ____ systems?

____ are disrupted ____ undermined by surveillance products.

____ possible ____ the ____ thief-repelling ____ might ____ offset ____ the ____ of the ____ instruments?

Does any ____ current barriers?

____ introducing more monitoring ____ affecting ____ of burglar ____?

____ measures hampered ____ tools?

Monitoring ____ to disarm ____ theft setup.

____ can be ____ surveillance gear.

____ wonder ____ gear ____ interfere ____ the prevention of ____.

____ could interfere with ____.

I ____ some ____ gear could ____ with ____ prevention ____ break-ins.

Is ____ that spy machinery could ____ effectiveness?

The spy gear ____ deterrent ____.

Do ____ devices affect anti- ____?

____ it possible ____ tools ____ impact anti-theft ____?

Current burglar ____ methods ____ disrupted by the ____ surveillance ____.

____ tools ____ disrupt ____ prevention methods

____ the ____ going to be ____ tracking tools?

There ____ that ____ disrupt deterrents.

____ monitoring devices ____ systems?

The ____ of burglar ____ could ____ affected by ____ monitoring equipment.

Does ____ sabotage deterrent ____?

____ it ____ devices ____ break-in tricks?

_____ the _____ the deterrent be _____ by _____ machines?
 Is the _____ existing security _____ by surveillance _____?
 Is the effectiveness _____ the security systems?
 _____ tools affecting anti-theft _____?
 Does _____ anti-theft systems?
 Is _____ device able _____ measures?
 _____ spy equipment capable _____ against _____?
 _____ additional devices _____ measures?
 _____ spy stuff mess with _____?
 _____ interfere _____ the deterrents.
 Is it possible _____ gear _____ interfere _____ break-ins?
 Is _____ anti-burglar measures affected _____?
 _____ it possible _____ surveillance _____ may _____ the _____ mechanisms?
 _____ disrupt deterrents.
 _____ measures hindered by _____ tools?
 Will spy _____ warnings _____?
 Will your _____ ruin _____ gadgets?
 The effectiveness of _____ be _____ interference of _____ systems.
 Is _____ gear _____ mechanisms?
 Is _____ of _____ impeded by _____ systems?
 Monitoring _____ cause theft _____ to _____.
 _____ spy machinery _____ deterrents?
 Will my anti-burglar gadgets _____ affected _____?
 The effectiveness _____ break-in _____ be _____ by the _____ systems.
 Should _____ devices be _____ by _____?
 Is it possible _____ introducing more monitoring _____ effectiveness _____ deterrents?
 Is spy _____ warnings _____ burglars?
 Is _____ burglar deterrent _____ by _____?
 Monitoring tools can _____ methods _____.
 Is _____ gear hinders burglar _____?
 _____ it _____ that _____ gadgets _____ hamper _____ mechanisms?
 Is it possible _____ machinery _____ disturb _____?
 Does _____ of security _____ deterrent effect?
 _____ impact anti-theft systems?
 _____ device impact _____ systems?
 _____ monitoring equipment affect _____ theft _____?
 Is _____ possible that _____ be offset by the use of _____.
 _____ might be _____ by _____ instruments.
 Is it possible _____ devices _____ theft _____ measures?
 _____ could _____ disrupted _____ some surveillance equipment.
 Is _____ going _____ by your spy stuff?
 Does _____ anti-theft mechanisms?
 Will _____ gadgets be _____ by _____ spy stuff?
 Is _____ for _____ mechanisms.
 _____ tools _____ anti-theft _____?
 Is it _____ that _____ deterrent _____ could _____ disrupted with _____ some cameras?
 Is anti- _____ affected by _____?
 _____ monitoring _____ for the burglar _____?
 It _____ that _____ current thief-repelling _____ might be _____ of surveillance instruments.
 _____ the anti-burglary _____ going to _____ ruined by _____ use _____?

Is it ____ for additional cameras ____ anti-burglary ____?

Does the use ____ surveillance ____ deterrence ____ crime?

Do any ____ the ____ barriers?

____ the effectiveness of break-in ____ affected ____ the ____?

Is the ____ of ____ deterrents ____ systems?

____ the use of ____ anti-theft ____?

The effectiveness of break-in ____ will ____ by the ____.

Do ____ spy ____ disrupt ____ existing ____?

____ spy ____ to the antitheft ____?

____ spy ____ warnings ____ criminals?

____ effectiveness ____ deterrents ____ by snooping systems?

Is ____ systems might not be offset ____ surveillance instruments?

Will ____ effectiveness ____ be ____ by ____ use ____ surveillance systems?

There are certain ____ could sabotage theft ____.

____ the ____ by the use of ____ tools?

____ spy gear ____ systems?

____ current ____ protocols ____ the integration of extra surveillance ____.

Do monitoring devices ____?

____ system ____ by ____ monitoring devices?

____ the ____ setup ____ by ____ use of surveillance ____?

Is it ____ compromise the ____ anti-burglary measures.

security ____ can ____ deterrents

Is it ____ to ____ surveillance ____?

____ used ____ spy affect anti-theft ____?

____ anti-theft ____ affected by ____ gear?

Will ____ setup be ____ by ____?

Is ____ obstruction ____ deterrents ____ by surveillance ____?

____ devices ____ capable ____ theft prevention ____.

Is ____ caused by the surveillance systems?

____ the ____ security ____ mess ____ my deterrent ____?

Do any ____ gadgets ____ the ____?

Will spy ____ existing warnings ____?

Will the ____ installed ____ affect ____ security ____?

Is it possible ____ could be ____ interruption of ____ with the installation ____ snooping ____?

Current burglary ____ by the ____ of surveillance ____.

____ are interrupted ____ undermined ____ the ____ of surveillance products.

The spy gear ____ with ____ of ____.

Is ____ possible ____ the ____ could affect the ____?

____ spy equipment ____ antitheft ____?

Is ____ spy ____ going ____ my ____ gadgets?

Spy ____ can mess ____.

____ equipment could ____ of theft ____.

____ the deterrent be ____ by ____ spying machinery?

Security ____ can ____ deterrents

____ the effective break-in deterrent ____?

Is ____ effectiveness ____ break-in ____ hampered by ____?

Our ____ anti-theft ____ could be ____ the ____ of extra ____.

Will ____ monitoring ____ affect theft ____?

____ that the surveillance ____ could affect ____ defense against ____?

____ it possible that ____ compromise ____ measures?

Is it possible _____ the _____ affect the _____?

Is it possible _____ additional _____ could _____ the _____.

spy _____ interfere _____ deterrent _____

Will _____ break-in deterrents?

_____ for _____ cameras to _____ current anti-burglary measures?

Will spy _____ criminals?

_____ that _____ disrupt theft prevention measures?

_____ your _____ get in the way of _____?

_____ anti-theft mechanisms _____ by _____?

Might _____ gadgets _____ deterrent _____?

Does _____ devices _____ the _____?

Some spy _____ with _____ prevention _____.

Is _____ measures hindered _____ the _____?

_____ it possible _____ to _____ burglar deterrent?

Will certain monitoring equipment _____?

Could _____ gadgets _____ to deter _____?

Will _____ it harder to warn _____?

Are the _____ to block _____?

Is _____ could be an _____ of determmng mechanisms _____ the _____ some _____ equipment?

_____ to surveil impede _____ anti-burglary mechanisms?

_____ interfere with _____ systems?

_____ there any _____ that _____ existing theft _____ devices?

_____ it possible that _____ cameras _____ current _____ measures?

_____ possible that _____ anti-crime mechanisms will _____ some surveillance _____?

Monitoring _____ might disrupt _____.

Is it _____ the _____ used _____ surveilling can _____ prevention _____?

Is _____ devices _____ disrupt _____?

Is _____ impact _____ tools on _____?

Monitoring equipment _____ theft _____.

_____ monitoring equipment could affect the _____ of _____.

Is _____ gear _____ obstruction of _____?

Can _____ anti-burgy measures _____ by additional _____?

_____ break- _____ can be _____ by security devices.

Do _____ surveillance _____ the current _____?

_____ it _____ that _____ devices _____ disrupt _____ prevention measures?

_____ setup be destroyed by _____?

_____ it possible that some _____ will affect _____?

Are _____ mechanisms affected _____?

_____ anti-burglar measures _____ be hampered by _____ used _____ them.

Monitoring equipment could _____.

spy gear _____ mess _____.

_____ certain monitoring _____ for _____?

_____ it _____ spy gear may interfere _____?

_____ equipment _____ prevent warnings _____ criminals?

Are _____ anti-burglar measures hampered by _____ surveillance _____?

_____ of extra gear disrupting _____ anti- _____ protocols?

_____ it possible that _____ surveillance _____ interfere with the _____?

Security _____ be able _____ interfere _____.

Is _____ possible that _____ gear _____ affect _____?

_____ tools used to _____ affect _____ mechanisms?

Will my _____ burglar gadgets _____ damaged _____ spy _____?

Some _____ equipment _____ sabotage the _____.

_____ that _____ stop break-in tricks?

_____ warnings against _____ by spy equipment?

_____ disrupt the _____ in place _____ break-ins?

We _____ anti-theft _____ that might be _____ the integration _____.

_____ the _____ break-in deterrents hampered _____ surveillance _____.

Is _____ of spy _____ for anti-burglary _____?

_____ devices impact anti-theft systems?

Is it _____ there could be _____ interruption _____ existing _____ with the installation _____ some _____?

_____ the _____ of burglar deterrents _____ introducing more _____?

_____ it _____ existing determmng mechanisms could be _____ of some snooping _____?

Is _____ that _____ devices _____ compromise current anti-burglary _____?

_____ spy _____ prevention systems?

_____ security devices _____?

Is _____ break-in deterrents disrupted _____ systems?

Is _____ devices caused _____ spy tools?

Will the _____ affect _____ security _____?

_____ some cameras will disrupt _____ anti-crime mechanisms?

Is it possible _____ additional _____ can _____ measures?

_____ possible that _____ gear _____ burglar defense?

Current _____ be interfered with by security _____.

Does spy _____ systems

_____ monitoring devices _____ impact the _____.

Will some _____ sabotage _____?

_____ anti-burglar measures might be _____ the use of _____.

Is it possible that current thief-repelling _____ surveilled _____?

_____ it _____ monitoring _____ disrupt _____ burglar prevention methods?

_____ of burglar _____ be impaired _____ introduction _____ more monitoring equipment.

Is it _____ surveillance _____ hurt the burglar _____?

The present _____ protocols _____ be _____ by _____ integration of _____.

Is _____ possible that _____ disrupt the _____ mechanisms.

Could the _____ the prevention _____?

Do your _____ with deterrent _____?

_____ impede break-in _____?

Does _____ use _____ surveillance _____ anti-burglary mechanisms?

_____ be disrupted by the _____ of _____ security gear.

_____ anti-burglar measures _____ be hampered _____ surveillance tools.

_____ it possible that _____ machinery _____ deterrents?

_____ the effectiveness _____ burglar _____ the _____ of _____ monitoring equipment?

_____ present anti-theft protocols might be _____ integration _____ additional _____.

Can the tools _____ anti-theft _____?

Can surveillance systems _____?

Do your _____ gear get _____ the way _____?

_____ it _____ for surveillance _____ to _____ the _____?

_____ the _____ of _____ measures affected _____ the addition of _____?

Would the effectivity _____ burglars be _____ spy _____?

Do spy _____ deterrent _____?

_____ could change _____ of _____ prevention.

Do any _____ devices _____ with _____?

_____ possible that surveillance _____ interrupt _____ undermine _____ prevention _____?

_____ impact _____ prevention methods.

Is monitoring tools bad _____?

_____ monitoring devices interfere with _____?

_____ the _____ of _____ measures _____ the addition of _____ devices?

_____ anti-burglar _____ affected by the _____?

_____ it possible _____ mechanisms will be affected by _____?

Will that _____ my anti-burglar _____?

_____ the use of spy _____ anti-burglary _____?

_____ it possible for surveillance _____ deterrent?

Do _____ gear mess _____ deterrent _____?

I _____ if _____ spy _____ with my _____ gadgets.

Could spy _____ impact _____?

_____ is _____ interfere with _____ deterrents?

There are _____ monitoring _____ impact _____.

Is it possible _____ additional _____ anti-burglary _____?

_____ spy gear _____ interfere with _____.

_____ gear _____ deterrent systems

_____ it _____ certain monitoring equipment will _____ methods?

_____ the anti-burglary setup _____ to _____ ruined _____ monitoring _____?

Is spy _____ burglary deterrent _____?

Does _____ tools _____ the anti-burglary _____?

The _____ may _____ hampered _____ the use of _____.

Does monitoring devices _____?

Is _____ possible _____ anti-burglary mechanisms _____ hindered _____ tools?

_____ risk _____ additional devices will _____ anti-burglary measures?

Our current _____ be _____ the integration _____ extra _____ equipment.

_____ possible that _____ gear might affect _____?

_____ the _____ of _____ affected by the _____ machinery?

_____ current _____ protocols _____ be disrupted by the integration _____.

I _____ if spy gear could _____.

_____ a _____ setup be disrupted _____ monitoring _____?

_____ possible for additional devices to _____?

_____ gear impede anti _____?

_____ they _____ with _____ theft prevention _____?

Can the effectiveness _____ be _____ by _____ systems?

Is _____ possible that _____ gear might interfere _____?

_____ monitoring _____ affect the _____ system?

_____ devices can interfere _____.

_____ the use _____ surveille _____ mechanisms?

_____ a chance _____ determinmg _____ be _____ by the presence _____ ssurg.

_____ possible for _____ to disrupt _____?

_____ additional devices _____ compromise current anti-burglar measures?

_____ it possible _____ be _____ interruption of _____ deterrent _____ with _____ installation of some surveillance _____?

_____ gadgets cause harm _____ deterrent _____?

_____ interfere with break-in _____?

Is it _____ equipment _____ existing _____ prevention methods?

Does surveillance tools _____?

_____ the effectivity of _____ be _____ by snooping _____?

_____ could _____ established deterrents.

____ the effectivity ____ burglars ____ by spy ____?
 Is ____ use of surveillance tools ____ anti-burglary ____?
 Can anti-theft ____ be ____ snooping ____?
 Is certain ____ to ____ systems?
 Is it possible that ____ could ____ an ____ of ____ installation ____ some surveillance ____?
 ____ the ____ gear ____ affect the burglar defenses?
 Is it possible to undermine ____ deterrents ____?
 ____ present ____ might be ____ by ____ integration of extra ____.
 Is ____ effectiveness ____ security ____ by the addition ____ surveillance ____?
 Is ____ possible that anti-burglar measures ____ by ____?
 ____ mechanisms ____ be affected by ____ surveillance ____.
 Do certain ____ an effect ____ the ____ systems?
 Our current ____ might be ____ by ____ integration of ____.
 Does the ____ of ____ hamper ____?
 Is ____ machinery ____ of ____ established burglars' ____?
 ____ spy ____ cause ____ with ____ systems?
 ____ the anti-theft ____ be ____ by ____?
 ____ current anti-theft protocols ____ be ____ the ____ extra ____ gear.
 ____ current ____ deterrent ____ affected by the surveillance ____?
 Is it ____ monitoring ____ could ____ theft ____ methods?
 ____ it possible that spy ____ can ____?
 Can ____ of surveillance ____ a difference ____ against break-ins?
 ____ it ____ that ____ current ____ systems may ____ by surveillance ____?
 Is ____ that anti-burglary measures can be ____?
 ____ it ____ that theft prevention ____ can ____ hampered ____ surveillance ____?
 ____ the ____ of ____ gear going to ____ the ____ anti-theft ____?
 ____ monitoring equipment make ____ prevention ____?
 Will the new ____ the ____ systems?
 ____ by the use ____ surveillance tools?
 ____ the ____ mechanisms be ____ the ____?
 ____ hamper deterrent systems?
 Monitoring ____ able to ____ anti-theft ____.
 ____ the ____ measures hindered ____?
 ____ it possible ____ the ____ to disrupt ____ deterrent?
 ____ effectiveness ____ security measures ____ by surveille devices?
 Does the ____ security ____ the anti-burglary ____?
 monitoring ____ may ____ theft ____.
 ____ think your spy stuff ____ mess up ____?
 Can spy ____ existing ____?
 ____ gear harm antitheft ____?
 Is ____ affecting ____ mechanisms?
 Is it ____ there could be ____ mechanisms with ____ installation of ____?
 ____ thief-repelling ____ offset ____ the use ____ surveillance instruments.
 Can security ____ with ____.
 ____ your spy ____ cause problems ____?
 Is ____ to ____ theft systems?
 ____ the anti-burglary ____ by the ____ used to ____?
 Monitoring ____ do ____ systems?
 Is the ____ existing security ____ the added ____?
 ____ anti-theft protocols ____ be ____ by the integration of ____.

____ the use ____ tools going to ruin ____ ?
 ____ anti-burglary setup doomed ____ use ____ surveilled tools?
 ____ anti-burglar ____ going ____ be affected ____ your ____ stuff?
 ____ it ____ spy gear could ____ with ____ prevention ____ ?
 ____ some ____ affect ____ anti-theft system?
 Will ____ away ____ against thieves?
 Are ____ capable of ____ prevention ____ ?
 ____ the use ____ affect ____ measures?
 ____ cameras impede ____ ?
 Can current ____ interfered ____ ?
 ____ can ____ methods of preventing ____ .
 Is ____ for surveillance ____ prevention measures?
 ____ monitoring equipment try to sabotage ____ ?
