

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive Parts Retailers
Inquiry Category	Clarification on product specifications
Inquiry Sub-Category	Material composition
Description	Customers inquire about the material composition of a part, such as whether it is made of aluminum, steel, or plastic. They want to understand the durability and quality of the product.
Data Size	8,703 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive Parts Retailer" customer inquiry. (Purchased data will not be masked.)

_____ in understanding _____ reliable products manufactured using _____ tend _____ be.

How reliable are _____ from _____?

Is there _____ and dependability _____ items _____ with _____ materials?

_____ it possible _____ and _____ products to become created _____?

Do _____ have _____ information _____ how well _____ do _____ with _____ materials?

_____ insight into _____ dependability _____ dependability of products _____ with _____ materials?

_____ type _____ material-based goods are _____.

_____ long _____ products made _____ certain _____?

_____ interesting _____ products made _____ special-type materials last _____ time.

_____ on _____ long well-made _____ will last?

Is _____ possible for _____ dependable goods tend _____ be _____ they are _____ from specific kinds _____ raw

Do you _____ long the _____ specific _____ will _____?

What _____ the _____ performance and _____ materials?

_____ some idea of the _____ products _____ with specific materials?

_____ made _____ special stuff _____ very _____?

I want _____ know _____ long _____ parts _____ specific _____.

_____ tell _____ about the dependability of _____ that _____ materials?

_____ like to _____ lasting these parts are.

Is there _____ guarantee _____ parts _____ using different _____ material _____ long time?

_____ am interested _____ how reliable _____ long- lasting _____ types _____ products _____.

_____ in the _____ of some product _____?

_____ information about _____ what _____ expect from certain _____?

_____ lasting are _____ specific materials?

_____ tell me if certain materials are _____ to _____.

_____ there an estimate _____ reliability _____ of items _____ are _____ certain materials.

Do you know if _____ to _____ products that will _____?

Do items built _____ materials have _____?

_____ it true that items _____ specified _____ have better longevity _____?

_____ the trustworthiness _____ quality of products made from _____ appreciated.

I am _____ about _____ longevity _____ using _____ materials.

Do you _____ information on _____ products with certain _____?

What can be said _____ using different materials?

_____ some materials perform _____ of _____ and longevity?

I want _____ know how enduring _____ product _____ on its _____.

Does _____ know how long- _____ with specific _____ can _____?

_____ it _____ to _____ estimate on the _____ level _____ produced using _____ materials?

_____ products made with materials that are _____?

_____ like _____ know if _____ with _____ last long.

Do _____ well certain _____ endure?

How do _____ certain materials _____ time?

I _____ longevity _____ dependability of some items.

What type _____ long- _____ products tend _____ with?

_____ a _____ know if products made with _____ endure _____ time.

I need to know _____ and _____ of _____.

Can _____ tell _____ lasting products manufactured _____ specific _____ tend _____ be?

_____ that items _____ tend to last longer?

_____ are _____ manufactured with _____ materials?

How _____ products _____ with different _____?

I'm _____ materials are used to make _____ or _____.

There is _____ to _____ products _____ with special _____ over time.

Is _____ into _____ dependability _____ items made with _____ materials?

Is it possible _____ endurance and trustworthiness _____ of _____ supplies?

I _____ know _____ certain _____ make long _____ products or not.

_____ to know your opinion _____ the trustworthiness _____ selected materials.

Is _____ about the longevity _____ reliability _____ certain _____?

_____ have _____ information about _____ reliability and resilience _____ products _____ materials?

_____ interested in knowing _____ longevity of _____ using _____ materials.

Can _____ be _____ to determine _____ resilience _____ products using _____?

I want to _____ parts make _____ specific _____.

_____ know how reliable and enduring _____ when they are _____ using _____?

Is _____ to _____ information _____ the _____ qualities _____ constructed _____ select material options?

_____ there _____ about _____ well-made items _____ last _____ time?

Some people _____ like to know _____ products _____ special-type _____ endure _____.

_____ do products _____ with _____ in terms of _____ lifespan?

_____ built _____ specified _____ have longer lifespans _____ other _____?

Do you _____ if certain _____ used to _____ something _____?

How do _____ materials _____ longer?

Is it possible to get _____ level _____ produced using _____ materials?

I need _____ know _____ of _____ produced _____ particular types.

I would _____ manufactured with certain material _____ are.

_____ would like to _____ lasting products made with _____ materials _____.

_____ that _____ with specified _____ have better longevity?

Wondering about the _____ material-based _____.

_____ me _____ products made _____ materials endure over time?

What _____ the relationship between _____ specific material _____?

_____ a _____ to _____ estimate on the reliability and _____ of _____ certain materials?

_____ know _____ long-lasting _____ parts are made from.

I _____ more about the _____ and longevity _____ items _____ with _____ types.

I ____ appreciate your ____ the ____ of products ____ selected ____.
 ____ there ____ information ____ how ____ the products ____ specific material?
 I'm wondering if ____ can tell ____ the ____ of ____ using ____.
 I ____ to know ____ trustworthy products ____ from ____.
 What can you ____ the ____ of ____ from specific materials?
 Does anyone ____ an idea ____ long ____ can last?
 ____ to ____ how long-lasting ____ using certain materials are.
 Is there ____ data about the dependability ____ goods ____ certain ____?
 I ____ know ____ the ____ certain items.
 ____ you ____ about the ____ and dependability ____ items made ____ specific materials?
 Do ____ durable certain products are when they're ____ materials?
 Is it possible ____ materials ____?
 ____ there any ____ on ____ reliable ____ enduring products ____ they are ____ using certain ____ materials?
 ____ anyone ____ if ____ types of material will ____ long time?
 ____ there any information on how ____ with ____ can be?
 ____ lifespan and reliability ____ produced ____ certain materials?
 ____ me how ____ products become when ____ are made ____ specific ____ or materials?
 ____ there ____ about ____ reliability ____ from specific materials?
 I'm interested ____ learning how ____ lasting certain ____.
 How do ____ certain ____ fare ____ the long ____?
 ____ goods make ____ of materials?
 ____ about how sturdy and consistent ____ become ____ made ____ specific ____?
 Is there a guarantee ____ using ____ materials ____ long time?
 How ____ if they ____ specific ____?
 How ____ with certain materials ____?
 ____ made ____ certain materials ____ long-term ____.
 ____ want to know ____ the ____ are when they're manufactured ____ of ____.
 ____ to ____ how ____ reliable ____ are when they're ____ particular ____ of materials.
 ____ are the expected lifespan and ____ with specific ____?
 ____ manufactured using certain ____ fare?
 One ____ if products ____ with special-type materials endure ____.
 ____ you ____ well ____ will do when made ____ certain ____?
 ____ can I ____ on ____ made from ____ materials?
 What ____ said about longevity ____ for ____ different material ____.
 ____ understand how long-lasting and reliable ____ types ____ tend to ____.
 How ____ a product ____ specified ____ last ____ to others?
 Is there ____ goods ____ using select types?
 How long ____ lifespan ____ goods ____ with ____ materials?
 How do ____ types and ____ performance of ____?
 ____ trustworthiness and ____ aspects of ____ created using certain ____?
 ____ like ____ products made ____ special-type materials endure.
 ____ the expected lifespan of ____ with ____ materials?
 How ____ are ____ specific materials?
 ____ are ____ using particular types of materials, what can ____ their ____?
 ____ you tell ____ how long items ____ using specific ____?
 Do you ____ how ____ products ____ when ____ are created ____ materials?
 How ____ products ____ from ____?
 ____ am wondering ____ specific ____ goods ____.
 ____ products become when ____ created ____ specific materials?
 Is ____ any ____ on ____ long-lasting products ____ specific ____?

_____ like your _____ the quality and trustworthiness _____ made _____ selected _____.

Why _____ parts made _____ last _____ long?

_____ for you to _____ how long- lasting _____ dependable goods _____ to _____ are made from _____ kind of

_____ tell us the _____ trustworthiness aspects _____ items _____ using certain _____?

_____ manufactured _____ certain materials, what can _____ tell _____ its dependability?

Is _____ possible _____ have better _____ built _____ specified materials?

Did _____ know how _____ lasting and _____ to be if _____ made from _____ raw materials?

Is _____ information _____ products with _____ tend to be?

_____ tell me a _____ about _____ dependability of _____ made _____ materials?

I want _____ specific _____ or materials _____ trustworthy.

Can you give us _____ reliability and _____ of products _____?

Is it _____ the _____ and _____ aspects of _____ constructed using _____?

Your expertise _____ the _____ and _____ of products crafted _____ materials _____.

Do we _____ the dependability levels _____ using _____ types?

How _____ lasting and dependable _____ tend _____ are made _____ specific kinds of _____?

I want _____ know more _____ the longevity _____ trustworthiness of _____ items _____.

_____ tell me how _____ items _____ using _____ materials _____?

Is _____ about dependability levels _____ using select types _____ materials?

_____ it possible to provide insights _____ the _____ of _____ with _____ materials?

How long _____ specified _____ is _____ compared to other products?

_____ want to know _____ products _____ types _____ trustworthy.

Is it _____ to _____ me how long- lasting _____ can _____ if _____ are crafted _____ specific kinds of _____

_____ it possible to know how _____ last _____ if _____ are made _____?

_____ to _____ quality and trustworthiness of _____ from selected materials.

When products _____ with _____ materials, _____ you know how _____?

Is _____ to _____ endurance and _____ of _____ made _____ certain supplies?

How durable _____ items _____ other _____?

I'd like _____ know _____ products _____ with _____ materials _____.

_____ you _____ long these parts _____ specific stuff will _____?

_____ curious _____ longevity of items _____ using _____ materials.

How _____ products with certain _____?

_____ be _____ longevity _____ products constructed using different materials?

Is _____ true _____ built from _____ last better?

Can you _____ me how long _____ made with _____ materials _____?

How _____ when _____ manufactured using certain materials?

Do _____ and _____ products _____ when they are _____ using specific types _____?

I need _____ help on _____ trustworthiness _____ quality _____ made _____ selected _____.

_____ a _____ made from specified materials _____ to other _____?

_____ let _____ public know _____ reliability _____ resilience of products _____ use _____ materials?

What research is _____ on _____ long _____ from _____ materials is _____ to _____?

_____ reliability and lifespan _____ goods made _____ materials?

Can you _____ about _____ dependability _____ products that are _____ specific _____?

_____ long time goods?

Is _____ of products using certain materials?

I want _____ know if _____ materials are _____.

I'm interested _____ knowing _____ long- lasting _____ certain _____ and _____.

_____ know _____ materials are _____ to make _____ that _____ long?

Do _____ know how _____ and enduring _____ when made _____?

_____ endurance _____ trustworthiness of _____ crafted using certain _____ disclosed.

I _____ know _____ long lasting _____ reliable _____ types of _____ are.

I _____ long- lasting _____ reliable certain _____ of _____ to be.
 I'd _____ to know how _____ a _____ is.
 How _____ made from _____ are?
 _____ durable material-based goods _____.
 I _____ love to _____ more _____ the _____ and _____ of items _____ certain materials.
 _____ evidence _____ about how long _____ made from _____ to last?
 _____ possible that _____ made _____ materials _____ over time?
 _____ it _____ for you to tell me _____ goods _____ to _____ they are _____ from specific _____ of
 Can _____ me _____ materials _____ used to make longer-lived _____?
 _____ there any idea of _____ sturdy _____ products become when _____?
 _____ reliable are _____ certain _____?

_____ want _____ how long _____ certain _____ are.

_____ us about _____ dependability _____ products made from certain _____?

_____ to know the _____ of _____ from different _____.

_____ how long _____ depend on the quality of products _____?

Is _____ to tell _____ about how _____ and dependable _____ be if they are made from particular _____.

How _____ products _____ certain materials?

_____ tell me about the performance _____ are _____ using _____ materials?

_____ to know more _____ the _____ of items made _____ materials.

_____ you _____ to _____ if _____ made _____ special-type materials last _____?

What should _____ certain materials _____ it _____ to _____ quality?

_____ know about how _____ last _____ made with certain _____?

Wondering _____ product _____ a long time?

_____ items do over _____ they _____ made from _____ supplies?

_____ want to _____ you think of the _____ of _____ from selected _____.

Can _____ know _____ the reliability of _____ that _____ certain _____?

I _____ know how long _____ certain _____ products are.

_____ it _____ sturdy and _____ products _____ with specific materials?

_____ can I _____ on _____ made with specific _____?

_____ that items built from _____ have _____ lives?

_____ any _____ on how sturdy and _____ become _____ created _____ certain _____?

Is it possible to _____ durability by _____ manufactured _____?

Do _____ from specified materials _____ lives than _____?

_____ know if certain _____ are _____ to _____ last longer.

What _____ exists about how _____ from specified materials _____.

_____ want to know _____ certain _____ of materials _____.

What about the _____ goods _____ using _____ materials?

Want to _____ about the _____ and _____ product _____?

What types _____ tend _____ reliable and _____ lasting?

_____ you _____ anything _____ become _____ they are made using certain materials?

_____ long a product _____ from specified materials _____ expected _____ topic of _____.

Can you give us _____ into the _____ materials?

I _____ question _____ the longevity and _____ of _____.

What _____ the _____ and reliability _____ materials?

_____ curious _____ to the _____ of items _____ using _____ types.

_____ durable and reliable _____.

_____ possible _____ you to _____ me how long- lasting and _____ certain _____ are _____ they _____ made _____ certain _____ materials

How _____ these parts made from _____?

_____ long a product _____ materials _____ last compared _____ others?

_____ to know how long-lasting _____ stuff are?

What _____ lifespans _____ goods produced with different _____?

Is _____ on _____ well-made _____ for _____ long time?

Is _____ information _____ the dependability levels _____ certain types?

_____ be said about _____ for different _____ of _____?

I want _____ longevity and trustworthiness _____ items _____ using certain _____.

_____ you know how _____ made from _____ stuff _____?

_____ you _____ certain _____ are used for _____ lasting _____?

I _____ know the _____ of items _____ materials.

_____ you _____ me _____ long items _____ types will last?

_____ it possible to expect _____ by _____ components _____ particular _____ and _____ only?

_____ want to know _____ the _____ of goods _____ specific _____.

_____ there _____ guarantee that _____ manufactured using specific _____ will last _____?

_____ durable are _____ material-based _____.

_____ do _____ are manufactured with _____ materials _____ in the _____?

How does _____ distinct types _____ performance _____ manufactured goods?

_____ understanding _____ long- _____ certain types of products are.

Is _____ knowledge of _____ products _____ when _____ with certain materials?

_____ know how _____ and enduring products become, _____ using _____ types _____ materials?

Is _____ you _____ how long- lasting and _____ goods _____ if they _____ from _____ kinds _____ raw materials?

_____ there any clue about _____ reliability of _____ produced _____.

_____ like _____ know _____ products with _____ material are.

Would _____ to know _____ special-type materials _____ a _____ time.

_____ reliable are specific _____.

Can _____ me the _____ with specific materials?

How _____ and _____ are certain _____?

Is _____ possible _____ estimates _____ the _____ and reliability of _____ produced _____ materials?

_____ possible items _____ from specified _____ better longevity?

Could _____ endurance and _____ of items _____ with _____ supplies?

_____ about _____ performance of _____ particular types _____ materials?

Wondering what specific _____ goods _____.

How _____ and _____ are _____ when they _____ manufactured _____ materials?

Is _____ to tell _____ endurance _____ trustworthiness _____ using certain supplies?

Wondering _____ specific _____ are _____.

_____ you tell me _____ are used _____ make _____ that are _____?

Is there _____ about how well-made _____ time?

I _____ to know _____ are reliable.

_____ it _____ to share _____ how long- lasting _____ dependable _____ can _____ if _____ from certain kinds _____ raw materials

_____ it _____ extended durability by purchasing _____ using _____ materials?

I _____ of items manufactured using _____ types.

I'm _____ and long lasting _____ types are.

I _____ in _____ more _____ the _____ and trustworthiness _____ items _____ with _____ materials.

_____ it _____ to reveal the _____ trustworthiness aspects of _____ supplies.

_____ would like _____ know _____ products _____ with _____ endure _____ time.

_____ reliable _____ made from _____ materials?

_____ reliable _____ from certain material?

Can _____ me if _____ made with _____ will _____?

_____ the _____ and dependability of items _____ specific _____?

_____ it possible _____ products _____ materials last long?

_____ the lifespan of _____ made _____ specific _____?

_____ long is _____ lifespan _____ goods _____ using certain _____?

How do products manufactured _____ in _____ of _____ longevity?

_____ to _____ more _____ the trustworthiness and longevity of _____ with _____ materials.

How long a _____ materials is _____ to _____ compared _____ others?

_____ you _____ and enduring products become _____ with specific types _____?

What _____ and _____ of certain materials?

Is _____ provide information about _____ durability of _____ constructed _____ options?

How do materials make _____?

_____ expected _____ and reliability _____ goods produced with _____?

_____ interested _____ how durable _____ certain types _____ products are.

_____ you _____ us _____ the _____ of the _____ with certain _____?

When a product _____ manufactured _____ of materials, _____ can you _____ dependability?

_____ the lifespan for _____ using specific materials?

_____ know _____ products with certain _____ do?

Is _____ lasting _____ out of certain materials?

_____ the _____ and _____ products made with different materials?

_____ any _____ on how _____ and consistent products _____ made _____ specific _____?

_____ would like to _____ if _____ used _____ make _____ that _____ more.

I'd _____ to know more _____ the _____ of _____ certain materials.

How _____ materials?

There are long _____ and reliability _____ made _____ specific materials.

_____ want _____ know how _____ lasting products _____ certain _____ be.

_____ it true _____ constructed from _____ materials _____ better _____?

Do _____ reliable and durable certain _____ of _____?

Is _____ possible to _____ information _____ of _____ with certain material options?

_____ knowing how _____ long _____ certain types _____ products are.

How reliable _____ item?

Do _____ items _____ if _____ made from certain supplies?

Can _____ tell me if _____ materials _____ long-lived products or _____?

Do _____ how long a product _____ specified _____ is _____ to _____?

I want to _____ how _____ made _____ certain _____ be.

_____ it possible to explain _____ endurance and trustworthiness _____ of _____?

_____ reliable _____ products _____ on _____ materials?

I _____ to know _____ the _____ trustworthiness of _____ types of materials.

_____ give us _____ and _____ of items _____ from specific materials?

Can _____ tell me about _____ of _____ made using _____?

I _____ to know _____ reliable _____ durable _____ when _____ using certain materials.

_____ you give us _____ about _____ of _____ specific materials?

Products _____ with certain _____ to _____ and be more _____.

Is _____ possible _____ make long- _____ products _____ specific _____?

_____ you tell me _____ the _____ use certain materials?

_____ if _____ made with _____ materials _____ last _____ long _____.

_____ how _____ certain products are when they're _____ using _____ materials.

Do you _____ how reliable _____ made using _____ materials?

I _____ to know if specific _____ and _____.

Seeking _____ about _____ quality, what should _____ expect _____?

_____ if specific material goods _____.

_____ the _____ goods _____ with different materials?

_____ materials _____ and durable?

I am _____ about the _____ and _____ of _____.

_____ is _____ it is made from specific _____?

What _____ said about the _____ products _____ with different _____?

_____ long-lasting _____ with material types?

_____ are the expected _____ of _____ produced with certain _____?

I _____ how reliable products are manufactured _____.

I want _____ know _____ reliable _____ products are.

How do products _____ materials _____ in _____ of their _____?

Is it _____ the _____ aspects of items crafted using _____?

Does anyone _____ any _____ on how _____ consistent _____ become _____ with specific _____?

I _____ know if _____ types of _____ reliable.

How _____ product _____ materials is expected _____ last _____ comparison _____ other products?

_____ are _____ from specific stuff?

I _____ to _____ the _____ and _____ of items _____ with certain _____.

Is _____ into the _____ resilience of _____ made _____ specific materials?

Do items _____ from specified _____ have _____ others?

Is _____ information _____ how long items will _____ made _____ certain supplies?

What kind _____ to be _____ specific material?

Can _____ me _____ long the _____ specific stuff will _____?

_____ that products _____ with special type _____ last?

How trustworthy _____ made _____ materials?

_____ it _____ that _____ specified materials have _____ lifespan?

_____ have an _____ of how _____ products _____ those things _____?

_____ would appreciate _____ the quality and _____ of products _____ from _____.

_____ to know more _____ longevity and _____ items made _____ certain _____ materials.

_____ in _____ how _____ and reliable certain _____ are.

_____ the lifespan _____ made with different materials?

_____ enduring are _____ when _____ made using _____ types or materials?

_____ to know how reliable _____ durable the _____ are when _____ certain _____.

I _____ like _____ the longevity of items _____ materials.

Is there information _____ of _____ constructed with _____ options?

I want _____ know if _____ made _____ will _____ time.

I would like _____ longevity and _____ made with _____ types _____ materials.

_____ would _____ to _____ how long- lasting _____ are.

Can _____ me _____ longevity of _____ from _____ materials?

_____ are _____ made with _____ materials?

_____ longevity _____ for products built with _____ material _____?

_____ and dependable goods _____ be if they are _____ from _____ kinds of raw _____ could _____ about _____?

Are _____ the dependability _____ of items _____ with specific _____?

How do _____ materials perform _____ time?

_____ want _____ specific types are _____.

What _____ the _____ and _____ of material _____?

How do products _____ from _____ materials _____ of _____ dependability?

I _____ to learn _____ about the _____ items made with _____ materials.

_____ items built with _____ materials _____ longer lifespans _____?

_____ type _____ products tend to _____?

_____ can products made _____ particular _____?

_____ tell me _____ material _____ tend to be _____ long-lasting _____?

Do you _____ any information about _____ durability of _____ certain _____?

There are _____ of items produced _____ certain _____.

_____ of _____ to last longest?

Is _____ the _____ of _____ manufactured using certain materials?

Do _____ know how _____ and enduring _____ become _____ they are made _____ materials?

_____ there any knowledge _____ with certain materials are?

_____ products made from _____ materials do _____ terms _____ their _____?

_____ items made _____ certain _____ last?

What _____ the _____ lifespan _____ reliability _____ materials _____ manufacturing?

I _____ to _____ materials _____ used to make products _____ last longer.

_____ it possible _____ make products _____ that _____ last long?

_____ tell me the _____ dependability _____ items made _____ specific _____?
