

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Training and user manual inquiries
Inquiry Sub-Category	Technical Specifications
Description	Customers request detailed technical specifications of telecommunications equipment, including power requirements, network connectivity options, and compatibility with various protocols and standards.
Data Size	9,173 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

Could ____ get more ____ about ____ your telecom equipment?

Is it feasible ____ data ____ the technical ____ of ____ equipment?

____ it ____ to get more ____ insight into ____ tech ____ of the ____?

____ us ____ about the specific ____ of ____ communication ____?

Is ____ on the ____ specifications for ____ system?

Need to ____ more ____ your ____.

Can ____ us more ____ the technological aspects and ____ this ____ equipment?

Could you ____ more ____ the ____ hardware?

Can ____ provide me more ____ tech specifications ____ your ____?

Is it ____ much ____ about ____ telecom gizmo's tech ____?

____ give ____ a rundown ____ the technical ____ telecom gear.

Need ____ know about ____

What ____ details of ____ telecommunications ____?

Can you give me ____ of ____ telecom ____?

Do ____ want ____ on telco ____.

____ more ____ the phone system's ____ components?

I ____ to ____ what ____ technical specifications of ____ devices ____.

What technical ____ for ____ telephone devices?

Should I ____ tech ____ of your telecom ____?

____ about ____ technical features ____ telecom ____?

Are ____ able to ____ into the ____ specifications of ____ telecommunication ____?

What ____ you have ____ devices?

____ be ____ to give me ____ information about your ____.

May ____ the tech specs ____ your ____?

____ on the telecom equipment?

____ you ____ more about ____ system's components.

Do you want ____ on ____?

____ me the details ____ the ____.

I'm _____ seeing _____ about _____ phone systems.
_____ would like to learn more _____ of _____ telecom _____.
What _____ specifications of _____ telecom ____?
_____ know more about _____ technology of your _____?
_____ better understand _____ tech _____ for _____ devices.
I _____ to know about the _____ specs _____.
Do _____ about the _____ of your _____ gear?
Can _____ us more _____ equipment?
What about _____ of your _____?
_____ a description of your _____?
_____ possible _____ get more _____ the _____ of your telecommunications ____?
Are _____ the _____ for your telecom gear?
_____ like _____ more details on the _____ of _____ telecom equipment?
I was _____ if you could _____ more _____ on _____ telecom _____.
Tell me the _____ telecom _____.
_____ me with details _____ machinery?
There _____ need _____ on _____ hardware.
_____ gear _____ tech specifications?
Can _____ help tell me more _____ system's _____?
What _____ are on _____?
What are _____ qualifications for _____?
Do you _____ them telecom ____?
_____ with _____ regarding telecommunications ____?
_____ wondering if you _____ me know _____ your telecom _____ specifications.
Can you _____ me _____ about your _____ hardware ____?
_____ would like _____ information _____ the tech _____ your _____ equipment.
_____ about _____ details?
_____ more about _____ gear.
Is it possible _____ get _____ about _____ telecommunication _____ tech ____?
Should _____ about _____ details about _____ equipment?
_____ like _____ know _____ about _____ telecommunications machinery.
I need _____ about _____ telecom _____ specifications.
What _____ specifics _____ your _____ gear?
Is _____ possible _____ more details about the technological aspects _____ telecom ____?
_____ was wondering if _____ more _____ on your _____ hardware specifications.
Do _____ what the _____ of your telecom ____?
_____ data on _____ telecom _____.
Please _____ us _____ the telecom _____.
_____ tech _____ for telco stuff?
_____ us more information _____ telecommunication devices?
_____ it possible _____ information on _____ specifications of your _____ equipment?
_____ too much to ask _____ for _____ rundown _____ your _____ specifications?
Want _____ know _____ tech specifications _____ telecommunication devices?
Can _____ give me more _____ the _____ equipment?
How _____ the _____ of _____ telecom ____?
Can _____ provide more _____ of _____ telecommunications equipment?
_____ you able to give more _____ specifications?
_____ it _____ to _____ in-depth insight _____ a telecommunication _____ tech ____?
_____ like to _____ more about tech _____ your _____.
Do _____ want _____ give more _____ your telecom equipment's _____?

_____ there _____ the _____ of your gear?
_____ it _____ to tell me more _____ components?
Do you know more _____ technical _____?
_____ about the _____ on _____ gear?
_____ you tell me _____ specifications of your _____?
_____ _____ question about technical specifications for your _____.
_____ _____ features of your telecom _____?
_____ it possible _____ a _____ look _____ the telecommunication _____ specifications?
_____ it _____ more _____ about _____ technical features of your telecom _____?
I want _____ know _____ about the _____ aspects _____ of _____ system.
_____ you want to _____ further _____ telecom _____ technical specifications?
_____ willing to provide additional _____ telecom equipment?
_____ I learn _____ technical dimensions _____ equipment?
Is it _____ tell me _____ about _____ specifications?
_____ you _____ some _____ on _____ equipment?
Will _____ be _____ to get further _____ about _____ device?
I need to know _____ technical specs _____.
Is it _____ for _____ get _____ information about your _____?
_____ you _____ what _____ specifications _____ your _____ gear are?
_____ would like to _____ the _____ specifications of your _____.
Do you _____ information about the _____ of _____ gear?
_____ my patience, are you _____ give me _____ specifications _____ those jacked-up _____?
Tell me _____ the technical specifications _____ your _____.
Can you _____ on the technical specifications _____ your _____?
_____ you give _____ information _____ your _____ equipment's technical _____?
I _____ know more information _____ tech specifications _____ your _____.
Can you tell me _____ specifications _____ have _____?
I would _____ to know _____ exact _____ phone _____.
_____ give _____ details on _____ technical specifications _____ your telecom _____?
Do _____ more information on how _____ gear _____?
_____ there _____ information regarding _____ telecom _____?
_____ us some information _____ specific specifications _____ communication _____.
_____ it possible _____ get more _____ technical requirements for _____ using _____ communication _____?
_____ it _____ share _____ telecom _____ details?
_____ information about your _____ equipment's technical specifications?
Inform me _____ information _____ machinery.
Do _____ know _____ about _____ technological _____ of _____ gear?
_____ more to _____ telecom gear's _____?
Can _____ me _____ of telecom gear you _____?
Is there _____ on telco _____?
_____ you provide _____ about the _____ of your _____ equipment?
_____ the specifics _____ in _____ equipment?
Do _____ have _____ information _____ the _____ specifications for _____ equipment?
Do you _____ any _____ on _____ specific _____ of _____ devices?
_____ you _____ more details on the _____ your telecom _____?
Immediate _____ of _____ on your _____.
Can I _____ the technical _____ telecom _____?
I would _____ to know _____ exact _____ of _____.
_____ you give _____ about your _____ gear?
Is there more _____ need _____ know _____ technical specifications _____ telecommunication _____?

_____ it _____ more _____ the _____ of the equipment?

I _____ to know _____ the _____ of your _____.

Is it too _____ to ask _____ breakdown _____ telecom device's _____?

_____ details _____ specific specifications of y'all's _____?

Do you have _____ the technical _____ for _____?

_____ know _____ the technical specifications of your _____ equipment.

_____ the _____ specifications of your telecom _____?

_____ am _____ you can give _____ for your equipment.

Want _____ know _____ information on _____?

_____ know _____ the tech specifications _____ telecommunication devices.

Want _____ learn more about your _____ devices.

_____ me about _____ specifications of your telecom _____?

_____ wondering if you _____ me _____ your telecom hardware.

What _____ the _____ of _____ telecommunications _____?

_____ have more info _____ the _____ for your telecom _____?

_____ ask _____ more about the _____ specs of _____ telecom _____?

What are _____ the technology for telecom _____?

_____ you _____ give _____ insight into your telecommunication _____?

_____ able _____ insight _____ the technical specifications of your _____?

_____ you help us _____ the phone _____?

_____ you _____ me _____ the _____ of the phone system?

Inform _____ information _____ telecommunications _____.

Can _____ more about _____ tech specifications of _____?

_____ you have _____ knowledge of the _____ of y'all's _____?

Can _____ me a _____ specifications of your telecom gear?

_____ me more _____ the technical specifications _____ telecom _____.

_____ your telecom _____ specifications are.

Can you tell _____ telecom _____?

_____ you have more _____ equipment?

Can _____ more _____ the _____ system's specific components?

Can _____ about the _____ system's specific components?

Did _____ for _____ telecom equipment?

Is _____ possible _____ in-depth _____ into _____ device's tech specs _____ your company?

Is _____ more _____ your _____?

_____ want to _____ your telecom _____ technical _____.

_____ possible _____ provide more specific _____ the _____ of this particular _____ system?

I _____ on the _____ of your telecom equipment.

_____ tell _____ the specific _____ equipment?

_____ know _____ tech specifications for the telco _____.

Do _____ the tech specifications _____ your telecom _____?

_____ a question _____ tech _____ of _____ telecom gear.

_____ more information about the _____ specifications _____ your gear?

I would _____ to request _____ details _____ telecom _____.

_____ possible _____ in-depth _____ the telecom device's tech specifications?

_____ know _____ tech specifications of your equipment.

_____ read _____ about _____ telecom gear?

_____ I ask about _____ specifications _____ devices?

_____ info _____ your telecom _____ specifications.

Is there more _____ about _____ specifications _____ telecommunications gear?

_____ you _____ more details _____ the technical specifications _____?

_____ me _____ what _____ specifications of your _____ are.

_____ possible to _____ information about _____ of _____ telecommunications equipment?

_____ are _____ equipment details?

Do _____ insights _____ the specific _____ of y'all's communication _____?

_____ possible _____ get _____ information on your _____ equipment?

_____ more about the gear's _____.

_____ give us _____ insight into the _____ communication devices?

_____ questions _____ your equipment specifications?

Do _____ have _____ information _____ specifications of your _____?

_____ us _____ about the technical _____ your device?

Tell _____ more about _____ specifications.

Can you _____ the _____ specifications _____ your equipment?

Tell _____ specifics _____ machinery.

Can _____ others know _____ the _____ equipment?

Are _____ willing _____ details of _____ jacked-up _____ gadgets?

_____ more _____ on your _____ specifications.

Can _____ tell us _____ telecom equipment?

I _____ details about _____ phone systems.

Would _____ be possible _____ detail about _____ technical features _____ equipment?

Would it be possible _____ get _____ the _____ the equipment?

_____ possible _____ get more data about _____ technical _____ communication equipment?

What _____ your telecom equipment?

_____ have more _____ about the technical details of _____?

_____ tell me _____ telecom equipment.

_____ can you tell me _____ features _____ telecom equipment?

What _____ you tell us _____ specifications _____ your _____ devices?

_____ me know _____ the specific _____ features _____ your _____.

_____ parameters for your telecom _____?

Would you like to _____ more _____ on the _____ telecom _____?

_____ you _____ me _____ telecom equipment?

I'm _____ details _____ the phone _____.

Learn _____ for telecommunications devices.

Is _____ description of _____ tech _____ for your _____?

_____ you _____ the specific _____ y'all's communication _____?

_____ me _____ their _____ specifications, _____?

_____ that much _____ for _____ on your telecom _____ tech _____?

_____ are the details on _____ features _____ equipment?

_____ you tell _____ the telecom _____?

Do you _____ on the _____?

_____ any information _____ your _____ equipment specification?

_____ you _____ to provide further _____ telecom equipment?

Can _____ tell _____ more about your _____ hardware _____?

_____ interested in _____ details about _____ telecom _____.

Would it _____ possible _____ information on _____ of your _____?

Do _____ want to provide _____ technical specifications _____ equipment?

Is _____ more technical information I need _____?

_____ you give _____ info about your _____ advanced _____ is?

_____ are _____ main details of _____ for _____ telecom _____?

Want to _____ your tech specifications _____ devices.

I would like to _____ more _____ the tech _____.

_____ want _____ know about the tech _____ your _____.

Is it _____ to provide _____ information about _____ aspects and capabilities _____ telecom _____?
_____ additional _____ about _____ features _____ your telecom gear?

Is _____ possible for _____ to _____ the _____ dimensions of _____?

_____ more details on _____ technical features of _____?

_____ technical _____ your _____ gear?

Can _____ please provide _____ information _____ telecom _____?

_____ there _____ information you can _____ technical specifications of your _____?

Tell _____ more _____ qualifications.

_____ much to ask _____ more _____ on _____ gizmo's tech specs?

Can you _____ people _____ specific _____ details?

_____ you _____ to _____ more _____ your device's specifications?

I _____ to know _____ telecom _____ details.

_____ possible to give more specifics _____ the technological _____ telecom system?

_____ wish to _____ more _____ the _____ specifications _____ telecommunications equipment.

Do you _____ information about the technical _____ gear?

_____ about your _____ specifications?

_____ the specifications for _____ gear?

_____ I learn _____ about the _____ gear?

Is it _____ get additional _____ about _____ of _____ communications _____?

Can you _____ me learn _____ the components _____ system?

Can _____ check _____ your _____ gear's _____?

Do you _____ more _____ technological _____ particular telecom system?

_____ know more about the technical _____ of _____ device.

_____ on _____ features of the _____?

_____ you _____ details _____ your equipment?

_____ could _____ a _____ specifications of your telecom gear.

What _____ you know _____ technical features of _____ equipment?

_____ would _____ to know the _____ of the _____.

Can I find _____ more _____.

_____ it _____ on the _____ requirements of the communication equipment?

_____ like to know _____ the tech specifications _____ your _____.

Want _____ read _____ your _____ for telecommunication devices.

I _____ to _____ the tech specifications of _____ equipment.

_____ you give _____ more _____ about _____ technical specifications _____ telephones?

Tell _____ about the tech _____.

_____ would _____ request additional technical details regarding _____.

_____ like to _____ specifications _____ your equipment.

_____ you _____ the _____ of those _____ gadgets before _____ lose my patience?

_____ details on the technical specifications _____ be great.

_____ details _____ the _____ features _____ your _____ equipment?

_____ your telecom gear.

_____ me what the _____ telco stuff.

Do _____ want _____ provide further information on the _____ equipment?

_____ about your telecom equipment?

Do you _____ know _____ technical features of _____ gear?

_____ it possible for me _____ the exact _____ gear?

_____ it possible _____ you _____ tell me _____ about _____ components?

Can you _____ information _____ the technical _____ of your _____?

Question mark, _____ us _____ the _____ of this particular _____ system?

How about _____ more _____ your _____ gizmos?

_____ I know _____ technical _____ of _____.

I would _____ technical _____ telecom equipment.

I _____ to know _____ your telecom gear's _____.

Do you _____ regarding _____ specific _____ of _____ communication devices?

_____ me know if I _____ get _____ technical specifications of your _____.

_____ need more _____ regarding the _____.

_____ I _____ the technical details _____ your telecom _____?

What _____ the specifications _____ phone _____?

_____ able _____ give me _____ information about your _____?

Do _____ have _____ regarding the _____ specifications _____ your _____ devices?

There _____ on your telecom _____.

Are _____ more details on _____ of _____ telecom _____?

Allow _____ know _____ the telecommunications _____.

_____ you give more _____ about _____ technical _____ your _____?

May I _____ information _____ your _____?

_____ you _____ more about _____ component?

_____ you _____ learn _____ about the _____ system's components?

Can I learn more _____?

I was _____ tell me _____ about _____ hardware's specifications.

_____ your _____ gear's specifications.

Can I find out _____ the technical _____ gear?

Is _____ give more information into _____ technical _____ of your _____?

_____ us about the _____ specifications of _____?

Can _____ give me information _____ technical _____ equipment?

_____ it _____ for _____ access further information about _____?

Can _____ more _____ your _____ equipment?

Can _____ about _____ Telecom gear?

Would _____ possible to _____ more _____ communications equipment?

_____ it _____ for me _____ about your telephone _____?

Is it _____ for _____ acquire more information _____ device?

_____ know more _____ your _____ equipment?

Would _____ to _____ data about technical requirements _____ this communication _____?

Can _____ clarify what specific _____ the phone _____ provider's _____?

It _____ be great if _____ give _____ tech specifications _____ communications system.

_____ be possible to _____ more information _____ telecom _____?

What are the _____ details in _____ equipment?

_____ to know what _____ features are _____ provider's devices.

_____ you have more _____ the _____ features _____ your _____?

_____ you provide me _____ information _____ your _____ hardware _____?

I'm _____ in _____ technical details _____ telecom _____.

How _____ is _____ telecom _____ and can you give _____ about _____?

Do _____ know _____ the _____ specifications _____ the telecom _____?

_____ that _____ request _____ technical details for _____ equipment?

_____ how technical _____ telecom equipment _____?

Can _____ help me with _____ phone _____ components?

Is _____ possible _____ show the _____ telecom _____?

Would it be _____ you _____ give more detailed _____?

Would it be _____ regarding _____ of your equipment?

_____ have detailed _____ on _____ telecom _____?

_____ about _____ the features of _____ telecom _____?
 _____ know about the telecom _____ specifications.
 Is there _____ learn _____ the specifications of _____?
 _____ was _____ in your _____ specifications.
 _____ more _____ the _____ qualifications.
 _____ details _____ your _____ equipment's _____ features?
 _____ know the technical _____ of your telecom _____.
 I want _____ specifications of your _____.
 Can _____ tell me _____ capabilities of this particular telecom _____?
 What _____ the _____ for your _____?
 _____ me more _____ telecom _____?
 Is _____ I can learn _____ equipment?
 _____ it possible _____ additional information regarding _____ specifications _____ equipment?
 Is _____ possible _____ more data on _____ using this _____ equipment?
 _____ you _____ additional _____ telecom equipment?
 Can _____ tell _____ more _____ specifications _____ your telecommunications _____?
 Can you let _____ about _____ specifications _____ your telecom _____?
 Tell _____ more _____ the _____ right?
 _____ to _____ about your telecom _____.
 _____ know _____ specifications _____ your _____ gear?
 _____ the _____ specifications of y'all's _____?
 _____ more _____ know about your telecom gear?
 Is _____ more _____ on the tech _____ your _____?
 _____ to learn _____ about _____ specifications _____ devices?
 _____ more information on your _____?
 _____ asking for _____ the _____ systems.
 _____ you know the _____ features _____ telecom _____?
 _____ it _____ give _____ information about _____ of this particular telecom system?
 _____ I ask _____ of your equipment?
 _____ details _____ the _____ machinery.
 _____ like to know _____ tech features _____ telecom equipment
 _____ love to know more about the _____ telecom _____.
 Can _____ me what _____ system's specific _____?
 Is _____ too much _____ ask for a _____ of your _____?
 Any chance _____ breakdown _____ specifications of your telecom _____?
 _____ me more _____ machinery
 Do _____ the _____ specifications _____ your telecom equipment?
 It would be interesting _____ know _____ the _____ of your _____.
 I would _____ to _____ tech specifications _____ your _____.
 _____ needs info _____ your _____.
 Obtain details _____ telecom _____.
 _____ you clarify what tech _____ in _____ system provider's _____?
 _____ need _____ your telecom hardware.
 _____ me about _____ equipment technical specifications?
 _____ be possible _____ get additional _____ your _____ equipment.
 I _____ like _____ about _____ specific specifications _____ your _____ gear.
 How _____ sharing _____ information _____ the _____ and _____ of _____ particular telecom _____?
 What _____ know about _____ technical _____ of your telecommunication _____?
 I would _____ learn _____ about the tech _____ equipment.
 _____ me about _____ equipment.

_____ for explicit details _____ phone systems.

Can _____ more information _____ device's specifications?

_____ would _____ to _____ more _____ about your _____ specifications.

Do you _____ additional information about _____ specifications _____ your _____?

Do _____ specifications of your telecom gear?

_____ details about your _____ gear?

Are there more details _____ features _____ gear?

Are _____ more details _____ your telecom gear?

_____ of your telecom gear?

I _____ if you _____ more _____ about your _____ hardware.

I _____ like to _____ the _____ features _____ equipment.

_____ to _____ about _____ equipment's technical _____.

Please _____ us _____ telecom equipment.

_____ me _____ the telecommunications machinery.

Is _____ more _____ you can _____ about the _____ aspects _____ this _____?

Can _____ more _____ the technical specifications of _____ devices?

I want _____ about _____ systems.

_____ more _____ learn about _____ equipment?

Let _____ know the _____ your _____.

Do _____ have more information _____ of your _____?

_____ possible _____ more information _____ the specifications of _____ equipment?

_____ you have _____ telecommunications machinery?

What _____ specific details _____ communication _____?

_____ inform me _____ about _____ telecommunications _____?

_____ you _____ me _____ out more _____ the _____ system's _____ components?

_____ like to _____ about _____ tech _____ of _____ equipment.

_____ me _____ specifications _____ telecommunications.

_____ you _____ about _____ technological _____ and capabilities of this particular telecom system?

_____ about _____ telecom _____ technical _____?

_____ anyone _____ about the _____ system's components?

_____ more to _____ telecom gear?

_____ you able to _____ me _____ your hardware?

_____ give _____ info _____ specifications of your telecom gear?

_____ it _____ much _____ inquire _____ telecom _____ tech specifications?

_____ me of _____ the _____ machinery?

_____ tell me how _____ more _____ the _____ system's _____ components?

_____ you help _____ know more _____ the _____ specific _____?

_____ have the exact _____ your _____ equipment?

_____ me more about the _____ system's specific _____?

_____ any chance _____ a brief _____ of _____ technical _____ of your _____?

Can _____ know _____ equipment _____?

Can you tell me _____ tech _____ phone _____ provider's device?

_____ know _____ phone system's components?

_____ would _____ learn more _____ the _____ specifications of _____ telecommunications _____.

_____ was wondering _____ you _____ me more information _____ your _____.

Please _____ me _____ your _____ equipment's _____.

_____ possible to _____ in-depth insight _____ telecommunication device's _____ offered by your _____?

_____ any _____ regarding the technical _____ of _____ telecom gear?

_____ you _____ more _____ into the exact _____ your telecommunications gear?

_____ you _____ more _____ features _____ your telecom gear?

_____ the technical specifications on _____?

_____ the details involved _____ for _____ telecom equipment?

_____ I know the _____ telecommunications gear?

_____ you know if it's _____ in-depth insight _____ the _____ specifications _____ telecommunication device?

Please _____ me more _____.

_____ be _____ for you _____ tell us _____ about _____ of your _____?

_____ give _____ information about _____ specific _____ features _____ your _____ system provider's devices?

_____ me know if _____ for your _____ gear.

_____ us the _____ details.

Would _____ to give more information _____ the _____ of _____ equipment?

_____ interested in _____ specifications _____ your _____ equipment.

_____ it _____ to gain _____ the telecommunication _____ tech specifications?

_____ it be possible to get _____ about _____ requirements of _____?

Is _____ information you can _____ the technological aspects _____ capabilities _____ particular telecom _____?

Will you _____ us _____ specific telecom _____?

I _____ to know more about _____ the _____.

I'm looking _____ the _____ systems.

Please _____ information _____ the _____ equipment.

_____ it _____ the technical requirements for this communication equipment?

_____ would like _____ know the tech _____ equipment.

_____ you know what the technical _____ are _____?

Do you have _____ the _____ specifications of _____ telecom _____?

_____ get more data on the technical _____ for using _____ equipment?

_____ for _____ details about _____ systems.

Is there _____ tell me _____ the _____ aspects of _____ particular _____?

Can _____ provide more _____ your _____?

You _____ the details _____ gear.

Did _____ have any _____ for _____ telecom _____?

_____ it possible _____ I _____ more _____ your _____ gear's _____ details?

What _____ you _____ your telecom _____ specifications?

_____ it possible to _____ details _____ specifications?

_____ you _____ any further _____ the _____ features _____ telecom gear?

Can you _____ details about the _____ features of _____?

How about _____ insights into _____ specifications of _____ devices?

_____ want _____ know the exact _____ the telecommunications _____.

_____ it _____ for _____ give _____ technical specifications _____ your telecommunications equipment?

Can _____ tell _____ about the _____ for your _____?

_____ would like to know _____ about _____ of _____ equipment.

_____ is _____ need _____ a _____ specifications of your telecom gear.

Tell _____ details _____ telecommunications product.

_____ tell me _____ about _____ equipment specifications?

_____ give _____ details _____ the telecommunications _____?

I would _____ know _____ about _____ of your _____.

_____ give us _____ your _____ specifications?

_____ technical _____ about your _____?

I would _____ to _____ present in _____ system provider's devices.

Tell me _____ have _____ your telecommunication gear.

_____ for more explicit _____ on _____ phone _____.

_____ in the _____ of _____ devices?

_____ some _____ specifications _____ your telecom devices?

_____ me _____ about _____ telecom _____.

I _____ be able to get _____ better idea _____ the _____ specifications _____.

I _____ to _____ the _____ machinery.

Tell _____ details _____ your _____ gear.

What _____ the main _____ in technology _____ your _____?

I _____ for _____ your telecom hardware.

Could you _____ more information _____ your _____ hardware _____?

_____ are the _____ of technology for your _____?

_____ it possible _____ you to _____ me _____ your _____ gear?

_____ to know _____ gear.

_____ you the _____ dimensions and capabilities _____ telecom _____?

Do _____ more about _____ hardware's _____?

Is there _____ the tech _____ of _____ gear?

_____ specific specifications _____ y'all's _____ devices.

_____ want to _____ what _____ tech features are _____ phone systems _____.

_____ find out _____ tech _____ for telecommunication devices.

_____ too much _____ ask _____ for a breakdown on your _____?

_____ provide more information _____ technological _____ particular telecom system?

_____ you _____ technical specifications _____ my _____ equipment?

Do you _____ any more _____ tech specifications _____ telecom _____?

_____ would _____ the specific telecom equipment _____.

_____ you provide more _____ into the _____ specifications _____ your _____?

I'm _____ details about the _____.

Is _____ say about _____ technological _____ of this _____ telecom system?

_____ more about your _____ equipment.

_____ explanation about _____ specifications is _____.

I want to know _____ technical specifications _____.

_____ us more _____ technical _____ your telecom gear.

Are _____ any specific _____ features _____ in your _____ devices?

Is it _____ me to _____ for _____ on _____ telecom gizmo's _____ specs?

_____ me a _____ about _____ gear.

_____ possible to get _____ data about _____ technical requirements _____?

How _____ the _____ features of _____?

Can I _____ the _____ of _____?

Would it _____ feasible _____ get more _____ about _____ for using _____ equipment?

Is it possible _____ I _____ your _____ specifications?

Is _____ more _____ can learn _____ the exact _____ your _____?

_____ would _____ to understand the _____ your telecom _____.

_____ it possible _____ further insight into the _____ your _____?

Are you able to _____ detailed _____ equipment?

_____ the specifications _____ the telecom _____?

_____ give us additional _____ on _____ technical _____ of _____ equipment?

A _____ specifications _____ your _____ gear is needed.

_____ there more _____ could _____ the technological aspects _____ capabilities _____ this particular telecom _____?

Do you _____ telecommunications _____?

I'm looking for detailed _____ for _____.

I _____ like _____ know your _____.

Let me _____ the technical _____ of _____ equipment.

Is _____ a _____ for _____ rundown _____ the _____ specifications _____ telecom equipment?

_____ about the _____ dimensions of telecom _____?

Can you give me _____ the tech _____ equipment?

_____ I ask you _____ gear?

Can you _____ me _____ device's _____?

_____ more _____ exact specifications of your _____ gear?

Are you willing to _____ know the _____ gadgets before _____ patience?

_____ ya _____ me more _____ the _____ specific components?

Tell _____ of the _____ gear.

I want _____ details _____ phone _____.

_____ it be _____ get _____ the _____ requirements for use _____ this communication _____?

_____ get more info _____ the telecommunication _____ tech specifications?

_____ looking _____ the _____ about _____ systems.

_____ me _____ what _____ equipment's _____ specifications are.

I _____ like _____ know more about the _____ using _____ communication _____.

_____ specific information about _____ telecommunications _____?

I'm curious _____ the technical _____ your _____.

Is it _____ to _____ more information _____ the telecommunication _____ tech specs _____?

Do you have _____ of _____ tech _____ communications system?

Please tell me _____ specifications.

_____ it possible _____ you _____ give _____ detailed technical _____ equipment?

_____ you have any insights _____ specific specifications of _____?

_____ there _____ additional _____ on the technical _____ of your _____?

_____ what _____ tech _____ are for _____ stuff.

_____ want _____ tech specifications for your equipment.

Tell me _____ the specifications _____ your _____.

I _____ like more _____ telecom hardware _____.

_____ wish _____ about your telecom _____.

_____ know _____ more about _____ of your telecom gear?

_____ to get more _____ regarding _____ telecommunications equipment?

_____ what _____ features are included _____ phone _____ provider's devices?

_____ I _____ about the _____ specifications of your _____?

Do _____ have any _____ telecommunications _____?

Tell _____ the specific _____ of _____.

_____ you able to _____ more _____ about _____ and _____ this particular telecom _____?

Do _____ information _____ the _____ of y'all's communication _____?

_____ talk _____ the telecom equipment _____?

How _____ telecom equipment's _____?

_____ know details _____ telecom gear.

_____ would _____ know _____ tech _____ of your telecom _____.

_____ on _____ telecom gear.

Do _____ have _____ on _____ features _____ telecom gear?

Can _____ me _____ your telecom _____ specifications?

_____ like to know _____ certain _____ your equipment.

_____ you have _____ info on _____?

_____ your telecom gear.

I want _____ more _____ features of your _____ equipment.

What specific _____ are _____ your phone _____ device?

_____ I have more _____ gear?

Need information _____ your _____.

What are _____ of _____ telecom _____?

Is _____ to _____ in-depth information about the telecom _____ ?
_____ me more _____ tech features _____ telecom equipment.
Is it possible _____ give more _____ the _____ phones?
What _____ details of your _____ ?
_____ me what the _____ are _____ telecommunication gear.
Is _____ info _____ tech specifications _____ telecommunications equipment?
Is _____ possible _____ more _____ the technical _____ your telecom equipment?
_____ I know the _____ telecom equipment?
Is there more _____ about the _____ of _____ gear?
_____ to get _____ in-depth _____ the _____ specs offered by your brand or company?
_____ you want _____ give further _____ specifications of _____ telecom equipment?
Please tell _____ more _____ the _____ .
_____ it _____ collect more data on _____ technical _____ using this _____ equipment?
Can you _____ understand _____ components?
Can you _____ learn _____ about _____ system's _____ ?
_____ on your telecommunication hardware.
_____ have _____ information _____ the technical features _____ gear?
_____ you _____ me _____ of your telecom equipment?
Is there more _____ on the _____ equipment?
Is it _____ to request more _____ regarding _____ ?
Inform me of _____ the _____ ?
_____ about _____ equipment's technical details.
_____ it possible to _____ in-depth _____ on _____ tech specifications _____ device?
Can you _____ if _____ to get more _____ the _____ tech specifications?
Is it too _____ ask _____ your telecom _____ ?
_____ the _____ specifications of the communication _____ ?
Something _____ the telecom _____ .
Tell _____ the specifications _____ for your _____ .
