

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Guidance on energy-saving tips
Inquiry Sub-Category	Renewable energy options
Description	Customers seeking information on incorporating renewable energy sources, such as solar or wind power, into their homes or businesses.
Data Size	6,695 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ are the steps involved in _____ energy options _____ wind _____ at _____?
_____ solar/wind at home?
_____ I get some _____ energy _____ go _____ house?
How can _____ at home?
Is it possible to describe _____ options at home.
_____ add _____ power to your home.
Integrating renewables _____ s _____ w i n d _____ residences _____ that is involved.
What is _____ of _____ and _____ at home?
How _____ you incorporate _____ wind power at _____?
_____ can _____ renewable _____ my home?
_____ you _____ me _____ how to _____ or wind _____?
_____ you implement renewable _____ like _____ wind _____ a home?
_____ in green electricity with solars and _____.
There _____ to adopt _____ at _____.
_____ homeowners _____ to incorporate _____ and _____ power?
_____ to find clean solar or _____?
Do _____ any _____ to incorporate solar _____ power?
I want to _____ if _____ have _____ breakdown _____ the process _____ energy at _____.
_____ do homeowner _____ and _____?
Do _____ know how _____ use sun _____ wind _____ home?
_____ involved in _____ renewable _____ like s _____ l _____ r, w _____ into residences?
How _____ use the sun and _____ electricity?
_____ you implement renewable _____ options _____ and wind _____ a _____?
_____ and _____ be added to _____ properties.
There _____ ways _____ renewableenergy _____.
How do you plan to incorporate _____ your _____?
_____ do _____ solar/wind energy?
_____ can _____ use solar _____ power at home?
_____ solar _____ wind _____ the home?
_____ is the process of _____ at home?

It is possible _____ solar/wind _____.
 _____ use renewable sources _____?
 How _____ methods _____ your house?
 How can _____ eco-friendly _____ in _____?
 _____ one _____ solar/wind at _____?
 What's _____ you _____ energy?
 _____ like s _____ l a r and w _____ n d _____?
 There _____ embracing wind _____ solar _____ options.
 Do _____ to use _____ at home?
 _____ can _____ wind and solar _____ in my _____?
 How _____ install _____ options inside _____?
 How to _____ options inside _____?
 Steps _____ use _____ home
 Residential _____ or _____ be _____.
 How _____ I _____ of the process to _____ energy at _____?
 _____ do _____ integrate solar/wind _____?
 _____ is required _____ solar _____ energy?
 Adding _____ wind power to _____?
 _____ to use _____ solar power _____?
 _____ I _____ wind and solar power _____ house?
 I _____ the process _____ incorporate solar/wind _____ my house.
 _____ to _____ or _____ power at home?
 _____ steps _____ embracing _____ options?
 _____ use solar or _____ power in _____?
 Can you _____ I can make _____ renewable power?
 How _____ I able to _____ energy _____ home?
 _____ or _____ be included at _____ home.
 _____ to _____ energy at _____.
 _____ in learning _____ to use solar _____ in my house.
 _____ cleaner _____ or _____ at home?
 _____ including solar/wind _____ home?
 How _____ I _____ the sun _____ wind in _____ that _____?
 _____ are _____ methods _____ solar/wind _____ home.
 _____ you _____ me _____ process of incorporating _____ energy _____ my _____?
 _____ do _____ eco-friendly _____ in a _____?
 _____ you able to _____ exact _____ of _____ or wind _____ at _____?
 _____ do _____ energy _____ like _____ or wind power _____ home?
 Solar/wind _____ should be _____.
 _____ about solar _____?
 What is _____ process of _____?
 _____ must _____ to _____ solar/wind energy?
 _____ renewables _____ s _____ l a _____ and w i n _____ into _____.
 _____ the process _____ going solar/wind.
 Steps are _____ energy options?
 _____ based _____ of green _____?
 _____ you use _____ in _____ home?
 _____ like sun and wind turbine at my house, what _____?
 solar _____ wind energy can _____ in my _____.
 If I want renewable _____ and wind _____ what should I _____?
 _____ incorporating solar/wind energy?

_____ planet-friendly power _____ houses?

_____ involved in integrating renewable energy like s _____ a r and w _____ ?

_____ domestic _____ via means such _____ sun _____ wind.

Tell _____ I _____ to _____ to bring _____ electricity with solars _____ .

_____ how to use _____ power _____ like solar and _____ in my _____ .

_____ want to know _____ solar or _____ for my _____ .

_____ want _____ breakdown _____ the _____ solar/wind energy _____ my house.

_____ embracing _____ energy?

Are there _____ add _____ power?

Introducing _____ domestically...

Add renewable _____ like _____ to _____ .

_____ can _____ get some green _____ house?

_____ steps _____ solar in the house?

_____ are _____ to renewable _____ home.

_____ solar/wind _____ at home.

_____ required _____ incorporating solar/wind _____ ?

_____ do _____ incorporate renewable energy _____ like _____ wind _____ home?

_____ home-based _____ of _____ energy is _____ .

How do _____ renewable _____ solar/wind?

_____ like a breakdown of _____ process _____ incorporating _____ my house.

_____ Solar/wind elements domestically.

_____ use _____ sources at _____ residence.

_____ wind power to _____ house.

_____ ways _____ get _____ solar or _____ at home?

How _____ adopt a _____ wind option?

_____ either _____ or wind power _____ ?

_____ can homeowners choose _____ wind?

There _____ energy like solar/wind for domestic use.

How _____ use _____ at the _____ ?

Add solar/wind _____ to _____ ?

You _____ or wind power _____ your _____ .

How _____ I _____ eco-friendly _____ to _____ ?

_____ are _____ embrace _____ energy options.

Are you able to _____ process _____ solar _____ wind _____ home?

What should I _____ renewable _____ as wind and sun at _____ ?

Where do _____ begin to _____ solar or _____ ?

_____ how to _____ green electricity _____ and wind.

There _____ procedure for introducing _____ .

I'm _____ learning _____ to _____ power sources like solar and wind _____ .

_____ the steps to use solar or _____ ?

How _____ green _____ and wind into homes?

_____ tell _____ bring _____ electricity with _____ and winds.

Tell me how _____ winds _____ get green _____ .

_____ integrate _____ like solar/wind at home?

How _____ renewable energy _____ your _____ ?

How _____ solar or wind _____ my house?

_____ measures to _____ wind power.

I am looking _____ breakdown _____ to incorporate solar/wind energy options _____ .

_____ wonder how to _____ solar _____ wind _____ my _____ .

_____ you _____ me the exact _____ solar or _____ energy _____ home?

_____ to _____ renewable _____ sources?
_____ embrace solar/wind _____?
_____ _____ wind power at home
_____ _____ to use _____ at my _____ what _____ I need to _____?
The _____ to _____ energy _____?
_____ for _____ solar or _____?
The _____ process _____ possible.
_____ solar/wind _____ includes the _____.
What _____ include solar/wind energy?
_____ use wind _____ power in my house?
What are _____ steps _____ at _____?
transitioning _____ domestic _____ through _____ such _____ sun and _____
Can you _____ how _____ power sources like solar _____ into _____ house?
_____ incorporate green _____ my house?
Adding _____ power to the _____.
_____ is it _____ integrate _____ wind and solar at _____?
_____ you _____ describe _____ process _____ going solar/wind?
_____ procedural requirements _____ solar/wind _____ for domestic usage.
How _____ wind _____ at home?
_____ there a _____ incorporate solar and _____ options?
Is _____ way _____ include solar or wind _____?
How _____ put solar _____ in _____ home?
_____ energy, _____ and wind, into homes?
_____ you _____ renewable energy _____ as solar or wind _____ home?
Is there _____ for _____ or wind energy into _____?
_____ possible _____ clean solar or _____ at home?
_____ to use _____ power _____ my house?
_____ you incorporate renewable _____ options such as _____ or _____?
_____ include solar/wind _____ at _____.
_____ a breakdown of the _____ for _____ energy _____ house.
_____ we implement _____ options _____ solar and wind _____ our _____?
_____ renewable _____ like solar/wind _____ used at _____?
What _____ process _____ to solar or _____ power?
_____ do I incorporate the _____?
_____ required in adding _____?
_____ you explain _____ to _____?
_____ a procedure _____ elements domestically...
_____ be used for domestic _____.
Can _____ give _____ a description _____ process _____ incorporate solar/wind _____ my _____?
_____ can _____ wind or solar power _____?
_____ are steps _____ can be taken to _____ homes.
_____ power to residential properties
_____ there a _____ to include solar _____ options _____ home?
I _____ like _____ know _____ to integrate renewable power _____ and _____ into _____.
_____ me how _____ bring _____ with _____ and wind.
_____ want _____ breakdown of the _____ for incorporating solar/wind _____.
Are _____ steps to adopt _____ your _____?
Can you talk _____ solar/wind?
What _____ do _____ I want _____ and _____ power _____ my _____?
How _____ integrate green energy, _____ solar _____ into _____ homes?

There _____ add solar/wind _____ home.

Steps _____ taken to _____ solar _____.

_____ do you incorporate _____ methods like _____?

_____ you _____ me how _____ can _____ to renewable power _____?

_____ are _____ requirements for _____ solar/wind power in _____.

How _____ I _____ to wind _____?

I need a breakdown _____ in my house.

_____ to _____ wind and solar _____.

How can _____ bring _____ to my _____?

_____ involved in integrating renewable energy _____ o l _____ w i _____ into residences?

How _____ I integrate _____ into _____?

_____ can we integrate _____ homes?

How to _____ options in _____?

_____ need _____ rundown on _____ to integrate _____ energy.

_____ possible to _____ solar _____ wind power _____ home?

How _____ or wind energy be used _____?

If _____ to use renewable energy _____ wind at _____ residence, what _____ I _____?

Introduce sustainable alternatives _____ breeze _____ powers?

How _____ wind or solar?

How to _____ power to _____?

What are _____ to _____ or solar _____?

_____ need _____ breakdown of _____ process _____ solar/wind energy.

How do you _____ energy _____?

_____ do I add _____ at my home?

Do you have any _____ home?

How do _____ inject some _____ house?

How _____ like _____ incorporated into the home?

To adopt _____ for _____ usage, _____ the procedural _____.

What do _____ need to _____ get renewable _____ at _____ of _____?

_____ to _____ in play

How can _____ solar or _____ power to _____?

_____ you _____ energy _____ the homes?

Ways _____ renewable energies: _____?

What steps _____ to _____ renewable energy _____ home?

_____ I _____ solar _____ wind _____ my house?

_____ I _____ green energy _____ my _____?

How _____ or _____ at home?

There are _____ integrate green _____.

What _____ the _____ home _____ systems?

_____ add green energy to _____?

_____ use the _____ at home.

_____ be done _____ include solar/wind _____?

_____ steps in embracing solar/wind _____?

_____ to _____ wind and _____ here?

_____ possible to _____ energy _____ indoors.

How can we _____ or _____ power _____ our _____?

_____ to solar or _____ at home?

_____ ways to _____ or _____ power here.

_____ can _____ do with _____ or _____?

Ways _____ solar _____ wind power _____?

_____ to wind or solar power _____?

_____ am _____ in learning _____ to _____ renewable power _____ like _____ into my _____.

How _____ wind _____ solar _____ in your _____?

_____ renewable energy at _____?

_____ includes _____ solar/wind _____ domestically.

_____ procedure _____ introducing _____ elements.

What is involved in _____ like _____ o l _____ i _____ d _____

How _____ planet friendly _____ homes?

How can you _____ wind _____?

_____ to put eco-friendly _____ a _____?

How can _____ solar _____ wind _____?

Steps _____ make use _____ power?

_____ to renewable _____ of power _____ home?

_____ incorporate the sun or wind _____ life?

How _____ started _____ solar _____ wind power at _____?

What are _____ solar/wind _____?

Is there steps to _____?

How _____ you include _____ in your house?

_____ a _____ incorporating solar or wind _____ options _____ home?

Please _____ procedural requirements _____ using _____ power for _____.

Adding eco-friendly alternatives _____ something _____ should _____ in _____ setting.

_____ do I use _____ or wind _____ to _____?

_____ should _____ to incorporate _____ or wind _____.

How _____ you _____ renewable _____ solar or _____ at _____?

_____ power _____ be _____ inside houses?

_____ a question _____ how _____ renewable power sources into _____.

There are procedural requirements _____ adopting _____ like _____.

_____ trying to figure out _____ solar/wind energy _____ my _____.

_____ there a way to _____ and _____ homes?

_____ do homeowners deal _____ solar?

_____ ways to install renewable _____.

How _____ I get _____ or wind _____ at _____?

How _____ incorporate _____ or _____ power?

_____ solar or wind _____

How to _____ power at _____?

_____ can _____ and _____ used _____ home?

I _____ breakdown of the process to _____ energy _____ my _____.

Is _____ in integrating renewables _____ s _____ l _____ r _____ i n _____ residences?

_____ required _____ incorporatesolar/wind _____?

_____ do I _____ solar _____ home?

Can _____ give _____ process of using _____ or wind energy _____?

_____ energy _____ may _____ used _____ home.

If I want wind _____ at _____ should I _____?

I _____ to know how to _____ renewable _____ like _____ and _____ into _____.

How _____ at your home?

_____ to use solar/wind _____?

How _____ include solar/wind _____ at _____.

Tell _____ how to make _____ solar _____ winds.

_____ ways to use _____ or wind _____ home?

_____ am curious about _____ process _____.

_____ it _____ to use _____ like solar at _____?

_____ or wind energy at _____?

How _____ I _____ of renewable energy _____ meet my household's _____?

There _____ steps _____ clean _____ or wind energy.

Can _____ tell me how _____ can _____ to renewable _____?

_____ you _____ a description _____ the _____ of incorporating _____ or _____?

Integration of _____ like _____ l _____ r and _____ i n _____ into _____ involved.

How _____ solar or _____ indoors?

_____ I use _____ or _____ energy _____ my home?

How can _____ add wind _____ home?

_____ solar/wind energy _____ is _____?

How can _____ or wind energy in _____?

Are _____ solar _____ wind at home?

_____ use of _____ possible?

Tell _____ how _____ can _____ green _____ and winds.

Do _____ have any _____ on _____ to use sun or _____?

Adding planet-friendly _____ options _____?

What is _____ renewables _____ a _____ a r and i n d _____ homes?

Are _____ ways _____ add _____ or wind _____ my _____?

_____ to _____ or wind _____ indoors?

How can I _____ solar _____ home?

_____ solar/wind _____ the house.

I need a _____ of _____ process for _____ house.

How _____ I _____ solar or _____ meet my household's _____?

How do _____ to my _____?

_____ to embrace solar/wind _____ options?

_____ renewable energy at your _____?

_____ there _____ process of _____ renewable sources at _____?

How to _____ planet _____ power _____?

Please tell us _____ for _____ power.

Can you _____ me tips on _____ to use _____ at _____?

_____ process to _____ solar/wind _____ home?

How _____ I _____ renewable sources like solar _____?

I _____ like _____ know _____ to _____.

_____ use solar/wind at your _____?

_____ and _____ energy _____ home

Integrating _____ s _____ l a r _____ I _____ d into _____ something.

_____ we _____ solar _____ wind _____ home?

_____ add _____ solar power?

_____ you add _____ to _____ home?

Steps are taken to _____ power _____.

_____ the _____ solar at home?

_____ procedure of _____ solar/wind _____ included...

How do _____ clean solar or _____ energy _____?

How _____ residential solar _____ wind?

How _____ incorporate solar or _____?

_____ solar or _____ power _____ home?

_____ can I _____ energy to power _____ home?

How do I find _____ solar or _____?

_____ do _____ use _____ at _____ house?

_____ domesticizing solar/wind elements _____.
 _____ I supposed to add green _____ to _____?
 Solar _____ be added to _____ home.
 I need _____ of _____ to incorporate solar/wind energy options _____.
 Is it possible to add _____ alternatives _____?
 Are _____ to incorporate solar _____ energy options at home?
 Tell me _____ add _____ electricity _____ and winds.
 How should I _____ solar _____ wind _____ my _____?
 _____ it possible _____ solar/wind _____ home?
 _____ was _____ about the process _____.
 _____ include _____ or _____ power in our homes?
 _____ planet friendly _____ be used inside _____?
 Solar _____ and _____ power _____ added _____ residential properties.
 What _____ the _____ to integrate _____ into _____?
 _____ and wind _____ the home?
 How can I _____ or _____ in _____ home?
 _____ for clean _____ energy at _____
 _____ are _____ renewable _____ to residential properties.
 _____ are steps _____ embracing _____.
 How can _____ of renewable _____ energy in my _____?
 How _____ switch to _____ or _____ at home?
 Is _____ a _____ for incorporating _____ wind _____ home?
 Are you _____ to _____ the _____ incorporating solar _____ energy _____ at _____?
 _____ possible to include alternative _____ own house?
 How _____ adopt _____ or _____?
 How _____ or _____ energy at home.
 How about using _____ wind power _____?
 How do _____ at _____?
 What _____ the _____ s o l a _____ and _____ i n d _____ homes?
 _____ can I do _____ solar _____ in my _____?
 _____ renewable sources like _____ a r and _____ n d into _____ is something.
 What _____ to _____ solar/wind?
 Home-based _____ energy _____ possible...
 _____ possible to install _____ or _____ at _____.
 _____ tell _____ about _____ of incorporating solar/wind _____ my house?
 How _____ I use the _____ of the _____ home?
 Solar _____ can be used _____ my _____ setup.
 How about _____ home?
 What can I do _____ and _____ my home?
 _____ sources _____ at _____ requires a procedure.
 _____ to use solar _____ wind energy in _____ house?
 _____ how to _____ electricity through solars and _____.
 Do you _____ the exact _____ incorporating _____ or _____ home?
 _____ done _____ solar or _____ power at home?
 _____ I _____ energy to meet _____ household's power _____?
 Home use _____ green energy _____.
 Including solar/wind _____ home?
 Do you _____ the _____ of incorporating solar or _____ energy _____?
 How _____ I use _____ for my _____?
 I _____ wondering how to _____ solar or _____ power _____.

____ do you incorporate ____ friendly ____ houses?
 ____ a ____ process to ____ solar/wind energy at my ____.
 ____ can ____ solar ____ power at home?
 Are ____ steps ____ use solar/wind ____?
 Ways to ____ renewable sources ____?
 ____ is ____ to ____ solar/wind ____ in my house?
 ____ process ____ be home-based.
 ____ steps ____ embracing solar/wind ____ options?
 How do ____ incorporate renewable ____ like ____ or wind power ____?
 How ____ renewable ____ options such ____ solar ____ wind power?
 ____ I ____ into my house?
 Ways ____ use ____ energy: ____?
 ____ wanted ____ know the ____ of ____.
 How ____ you ____ energy ____ solar and wind into ____?
 ____ you give me ____ of ____ to ____ energy ____ my house?
 If I want renewable energy ____ sun and ____ my ____ what ____?
 ____ or wind power?
 Can you tell ____ how ____ can ____ or wind ____ for ____?
 How ____ power options inside ____?
 ____ to ____ wind and ____ home.
 I would ____ to ____ to ____ solar ____ wind ____ for my ____.
 ____ do ____ solar/wind at the ____?
 ____ is it ____ add ____ in a household?
 ____ you get clean ____ wind ____ at your ____?
 I ____ know how to ____ power for my ____.
 Green energy ____ at home.
 Do ____ any advice ____ use sun ____ wind ____ at home?
 Solar ____ wind ____ can be ____ home.
 ____ do you ____ or ____ at home?
 I ____ to know ____ add ____ or wind ____ my ____.
 What ____ I ____ to ____ solar ____ wind ____ home setup?
 ____ can we ____ renewable energy options ____ and ____?
 ____ is ____ to ____ sources like ____ at home?
 ____ in ____ solar/wind energy ____?
 ____ I use ____ sun or wind ____ my home?
 ____ steps to bring ____ with solars ____ winds.
 How to ____ renewable ____ at ____?
 How ____ we transition ____ solar ____?
 ____ possible to get clean ____ wind ____ at ____?
 ____ solar or wind ____ at ____ house?
 Is ____ to solar ____ power at home?
 Can ____ about the ____ of ____ energy at home?
 ____ you able to ____ breakdown ____ incorporate solar/wind energy options?
 ____ do ____ add solar ____ at home?
 ____ sustainable methods ____ solar at home?
 How ____ energy options ____ or wind ____ incorporated ____ home?
 Is ____ a ____ get ____ or wind ____ home?
 Take ____ for ____ or wind ____ home?
 ____ procedure of domesticizing ____?
 ____ there ____ to ____ solar or ____ power.

Integrating _____ energy _____ o _____ a _____ and w _____ n _____ residences is _____.

_____ a process for incorporating solar _____ in your _____?

_____ do _____ green energy to _____ house?

There are ways to _____ like _____ and _____.

_____ or _____ power to _____ house?

_____ steps do _____ to use solar/wind _____ home?

How can _____ use of _____ or _____?

Tell me _____ to get green electricity _____.

There _____ a home-based _____ of _____.

How to _____ planet-friendly _____ options _____.

Is there _____ process _____ using _____ at _____ residence?

Transitioning to _____ power at _____?

Can _____ tell me what I need _____ to _____ to _____?

_____ solar/wind _____ in a _____?

There is a procedure _____ sources like _____.

Steps _____ incorporate _____ and wind _____?

How _____ solar _____ energy _____ in the home?

The steps _____ use _____

I _____ a breakdown _____ of incorporating solar/wind _____ into _____.

_____ am _____ about the _____ energy options _____ my house.

_____ to add some green energy to _____?

_____ embrace solar and _____?

_____ steps _____ needed in order _____ energy options in _____?

There _____ be steps _____ incorporate _____ wind _____.

What steps are _____ to _____ energy _____?

_____ or _____ should be _____ the home.

_____ solar _____ wind energy _____ used at _____.

How _____ solar _____ home?

_____ should I do _____ I want renewable energies _____ as _____ and _____?

What _____ of going _____?

What _____ you _____ include solar _____ wind power _____?

Ways _____ put _____ into _____?

_____ tell me the _____ of _____ solar _____ wind energy _____ home?

What _____ to _____ wind _____ solar _____ in a home?

How to add _____ house?

There are _____ requirements _____ using _____ for _____ usage.

_____ want _____ the _____ to incorporate solar/wind _____ options _____ my house.

_____ to _____ how to _____ solar or wind _____ power my _____.

Ways _____ put renewables _____ solar, _____.

_____ required with incorporating solar _____?

_____ a _____ to _____ solar/wind _____ domestically.

_____ to _____ energy indoors?

_____ to _____ solar power _____?

_____ the _____ way _____ include solar _____ wind _____ a home?

How can _____ or _____ at home?

How about _____ solar _____ wind _____?

_____ could we _____ solar/wind _____?

_____ steps can _____ take _____ green energy into _____?

_____ explain _____ procedural requirements _____ power _____.

_____ do you _____ renewables?

_____ can _____ use _____ from _____ sun _____ wind in my _____?

_____ can I include wind _____?

How _____ make use of _____ or wind power _____?

What do _____ to _____ green energy _____ house?

_____ involved _____ integrating _____ into residences?

_____ I get solar _____ power my home?

_____ the _____ wind and solar?

How _____ incorporate planet friendly _____.

How _____ you incorporate _____ solar _____ wind at _____?

_____ there a _____ incorporate _____ energy in _____ home?

Steps for _____ clean _____?

What _____ involved _____ renewable resources such _____ r and w i n _____ homes?

Integrating renewable resources _____ a r and _____ d _____ residences _____ involved.

How _____ using solar _____ in _____?

_____ to know a breakdown of _____ process _____ incorporating _____ at _____.

_____ me _____ steps _____ bringing _____ green electricity.

_____ want to _____ to integrate _____ wind _____ my house.

Can _____ how to _____ or _____ energy options _____ home?

_____ some ways to _____ alternatives.

_____ do _____ power at home?

_____ can give _____ breakdown of the _____ to _____ solar/wind _____ at my _____.

What _____ to use renewable _____ at _____?

Including solar/wind _____ home.

How to use _____ at _____?

_____ have _____ question _____ wind power at home.

How about solar/wind _____?

_____ use _____ or wind _____ home?

_____ the best _____ solar or _____ power to my _____?

How to install _____ home?

_____ the process _____ solar or wind energy into _____?

What _____ renewable _____ as s o l a r _____ n d into _____?

_____ go solar/wind?

_____ do I get the _____ in _____ house?

_____ the _____ of going solar/wind?

Making _____ dwelling _____ eco-friendly sources _____ to follow certain _____

_____ to _____ and _____ into homes?

_____ steps are required _____ install _____ wind systems _____ a _____?

Do _____ have _____ steps for _____ solar/wind _____?

How can _____ energy from _____ and _____?

_____ to _____ solar or _____ power _____ your _____?

_____ I _____ wind _____ solar power at my _____?

I need to _____ incorporate solar/wind _____ into _____.

How _____ renewable energy to _____ power needs?

_____ how _____ add _____ power _____ properties.

_____ to include wind _____ in _____ home?

_____ and _____ powers, what _____ involved?

_____ for incorporating solar or _____ options _____ the house?

_____ want _____ use renewable energy _____ home, what _____ I _____ do?

How _____ I _____ green _____ to my house?

How _____ include _____ energy _____ your _____?

_____ add _____ power to your _____?

I have _____ question _____ process to incorporate _____ energy options _____.

_____ stages _____ install residentialrenewables?

_____ does _____ take to _____ a _____ alternative energy?

How _____ we _____ solar _____ at _____?

It's _____ solar/wind _____ at home.

_____ do _____ to use _____ or wind _____ for _____ house?

_____ it involved _____ renewables _____ o l _____ r a _____ and w _____ n _____ into _____?

_____ get renewable _____ in _____ house?

_____ to _____ energy alternatives.

_____ do _____ transition _____ solar or wind _____ home?

If I _____ renewable energy _____ as _____ and wind _____ should I _____?

_____ steps _____ embracing solar energy _____.

How _____ energy _____ solar or _____ power at home?

I _____ to _____ the _____ energy options at my _____.

I am _____ about _____ use _____ or wind _____ home.

Is _____ process of incorporating solar _____ at home?

_____ there _____ embrace solar/wind energy _____?

_____ I _____ wind or _____ energy _____ my house?

_____ the process to _____ renewable sources _____ home?

_____ to add _____ the house?

_____ add _____ power to your _____.

How _____ energy _____ your home?

_____ can _____ me how _____ to _____ power at home.

_____ to use _____ or _____ your home.

How _____ I _____ or wind _____?

_____ can you _____ at home?

Steps _____ embrace _____ energy _____?

_____ do _____ use wind or solar _____?

_____ possibility to install solar/wind _____ at _____.

What _____ taken to incorporate solar or _____?

I want _____ how to incorporate _____ energy _____ at _____.

I need _____ breakdown _____ the process _____ incorporate solar _____.

_____ solar energy _____ home?

Is _____ for incorporatingRenewables in _____?

_____ to _____ renewable energy in _____.

_____ do _____ add _____ power?

_____ renewables _____ o l _____ i n d into residences is _____.

_____ the _____ for _____ solar/wind energy into my home.

What's required _____?

The use _____ is possible.

How can _____ energy options _____ wind _____ be _____?

_____ do _____ transition to _____ power?

_____ you tell me about _____ adding renewable _____?

Steps to get _____ power _____?

_____ use renewable _____ at _____ house?

_____ can sustainable _____ like _____ indoors?

Can you show _____ sun and wind _____ home?

How _____ I make _____ or _____ in my home?

The _____ bringing _____ solar/wind _____ domestically.

_____ can _____ solar and _____ home?
 _____ and solar at _____?
 _____ procedural requirements for adopting _____ solar/wind power.
 There are _____ to _____ homes.
 How do _____ solar _____ power?
 Are there _____ to _____ wind?
 _____ you able _____ give a _____ of incorporating solar _____ wind energy _____ home?
 It's possible _____ domestically.
 What are _____ stages of _____?
 _____ of _____ domestic _____ elements.
 _____ to _____ energy indoors?
 There _____ take _____ solar and _____ at home.
 _____ are _____ solar _____ windpower here.
 How to _____ power _____ the _____?
 What's _____ in integrating renewable _____ s o l _____ w _____ d _____ homes?
 Do you have a _____ of the _____ solar/wind energy _____?
 _____ can sustainable _____ like _____ be implemented _____ home?
 What steps _____ to be _____ installing renewable _____ in _____?
 How do _____ and _____ into your _____?
 _____ introduction _____ solar/wind elements _____ of _____ procedure.
 Can _____ tell _____ the _____ wind _____ solar energy at _____?
 _____ can _____ some green _____ into _____ house?
 _____ solar/wind elements
 What _____ to install _____ options in _____ house?
 The _____ at home.
 _____ with the _____ of solar/wind _____?
 _____ know how to integrate renewable _____ sources _____ solar _____ my house.
 I am _____ in learning _____ to _____ renewable _____ like _____ into my _____.
 What _____ needed _____ and wind systems _____ a home?
 What _____ must be _____ to _____ renewable _____ like _____ home?
 Some steps _____ solar/wind energy options.
 Including solar/wind _____ the _____?
 How _____ I _____ solar or _____ home setup?
 _____ solar/wind elements _____.
 _____ tell me about _____ renewable power indoors?
 What's required _____?
 _____ I _____ clean solar _____ energy?
 _____ can _____ introduced domestically.
 _____ the process for integrating renewable _____ solar/wind _____?
 _____ adopt _____ energy at home?
 _____ an _____ about _____ to incorporate _____ wind energy at home?
 How do _____ renewable _____ solar _____ wind power _____ your home?
 _____ want _____ how _____ integrate renewable power _____ like solar _____ wind into _____.
 Are _____ incorporate wind _____ solar power _____?
 _____ to _____ how _____ use solar or _____ at home.
 What _____ taken _____ get renewable _____ at _____?
 How _____ incorporate solar/wind _____?
 _____ want to know how _____ or _____ for my _____.
 _____ power be used at my house?
 _____ are the _____ of _____?

_____ ways to _____ into homes.

_____ to integrate _____ energy, _____ solar _____ into homes?

Can you give _____ a _____ of the process _____ my _____?

_____ you include _____ friendly power _____ inside _____?

How _____ learn to use _____?

How _____ I _____ solar _____ in my _____?

What _____ I do _____ wind and _____ my home?

_____ about _____ energy at _____?

What _____ to _____ and solar?

How _____ I get _____ green _____ to _____?

_____ about including _____ at the _____?

How can I add _____?

_____ involved _____ using solar and wind at _____?

How _____ energy _____ like solar _____ wind _____ be _____ in _____ settings?

_____ domesticizing the _____ elements.

_____ do _____ do to _____ sun or wind _____?

What _____ done _____ include _____ energy?

_____ use renewable sources at _____?

_____ should _____ solar or _____ power in _____ house?

Including solar/wind _____ in _____.

If _____ renewable energies like sun and wind _____ I _____?

How can _____ use _____ renewable resources in _____?

There _____ procedural _____ using _____ power for domestic _____.

_____ needed to implement renewable energy _____ homes?

What is involved _____ integrating renewables like _____ o _____ a _____ and _____ n _____ residences?

_____ do _____ to _____ power at my _____?

Do you _____ instructions _____ to use sun _____ wind _____ home?

Are there _____ solar _____ wind?

_____ you _____ a description of how to _____ solar _____ wind _____?

How _____ you integrate _____ solar _____ home.

If I _____ energy _____ solar _____ at my _____ what should _____ do?

_____ can I incorporate _____ solar _____ my _____?

_____ use solar/wind _____ home?

_____ can _____ use _____ wind options?

_____ or _____ be added in my _____.

If _____ renewable energies such _____ my residence, what should _____ do?

How _____ you _____ options _____ solar _____ wind in _____ home?

What _____ can _____ to integrate _____ our homes?

_____ get _____ power at home?

Adding _____ alternatives _____ in _____ setting what is _____?

_____ can I make use _____ energy in _____?

_____ domestically involves...

_____ of _____ sources _____ residence

I _____ to _____ solar/wind _____ at my house.

_____ fit planet-friendly _____ options into _____?

_____ add _____ green energy _____ my house?

_____ I _____ to _____ renewable _____ house, what steps should _____ take?

_____ add solar/wind _____ to _____ properties.

How _____ solar or wind at _____?
