| | |
|-----------------------------|--|
| Company Type | Cable and Satellite TV Providers |
| Inquiry Category | Installation and set-up assistance |
| Inquiry Sub-Category | Signal or reception problems |
| Description | Customers may seek assistance with poor signal quality, loss of channels, or troubleshooting issues related to their satellite or cable connections. |
| Data Size | 8,855 paraphrases |
| Want to buy data? | Please contact nlp-data@qross.me via your business email address. |

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

_____ is _____ HD stations resulting in _____ and freezing screens _____ programs?

Some _____ interference _____ causes _____ interruptions.

_____ some HD _____ to experience intermittent _____ during _____?

There _____ HD _____ glitch _____ freeze.

_____ are experiencing constant dropouts _____ unknown sources _____ during broadcasts.

Do _____ why _____ HD _____ my shows.

_____ problem with _____ causing _____ freezes and dropped connections?

Tell me _____ the intermittent _____ HD stations.

_____ are responsible _____ intermittent signal _____ screens, _____ watching high definition television?

Due _____ unknown _____ of _____ some _____ are experiencing _____ dropouts and _____.

Is the _____ of _____ HD _____ disruptions _____?

_____ know why there _____ on certain _____ stations?

What _____ reason _____ seeing so _____ on certain _____ stations?

_____ intermittent disruptions _____ frozen display on _____ stations.

_____ dropouts and frozen _____ on certain _____ stations?

_____ an _____ issue on some HD _____ to _____ and sudden interruption.

Is _____ with HD _____ causing _____ and _____ on _____ stations?

What is the cause _____ programs on _____ HD _____?

Can _____ let me know why _____ interrupt _____?

What causes _____ stations _____ have continuous _____ frozen _____ when _____ show is _____?

Did you _____ disruptions like frozen screens _____ HD _____?

Why _____ interference causing disruptions like _____ channels?

_____ there a _____ certain HD _____ disruptions _____ I'm trying _____ watch?

_____ are _____ HD _____ freezing up _____?

_____ a show _____ played on certain HD _____ there _____ continuous _____.

Why _____ disruptions _____ dropouts and _____ screens _____ channels _____ by interference?

_____ do _____ HD _____ my shows?

Is _____ cause of _____ repetitive _____ service disruptions?

_____ recurring _____ to something _____ with certain HD _____?

_____ behind inconsistent _____ freezes while _____ on _____ definition stations?

_____ elements are to blame for _____ when _____ definition _____?

_____ elements _____ involved _____ intermittent _____ issues when viewing _____ definition _____?

Is it _____ cause _____ intermittent _____ and frozen _____ HD _____?

Is it because of _____ channels?

The _____ are _____ and disruptions _____ to unknown sources _____ broadcasts.

_____ elements _____ responsible _____ intermittent signal issues when _____ definition _____?

What tends _____ certain _____ stations leading _____ and frozen screens _____ a show _____ playing?

_____ frequent drops _____ frozen screens on some _____.

Is _____ HD _____ causing freeze _____ interruption on _____ stations?

Does _____ what's causing _____ HD channels?

_____ frequent _____ and frozen _____ on _____ high definition _____.

_____ losing _____ on some high-def _____?

_____ know why some _____ are _____?

Is _____ specific reason for _____ channels to _____ frequent _____ screens?

There _____ that _____ disruptions for _____ high-def _____.

Tell _____ makes certain _____ stations _____.

When tuning _____ these _____ the screens _____ interrupted _____.

_____ channels are _____ their _____ caused _____ unknown sources of _____.

_____ is causing interference on HD _____ which _____ to _____?

_____ sources _____ interference causing _____ HD _____ to experience constant _____.

_____ have been _____ disruptions and frozen _____ stations.

_____ to _____ why _____ HD stations _____ intermittent _____ during shows.

Why are there _____ HD _____?

Which elements _____ signal _____ like _____ when watching high definition _____?

_____ dropouts and frozen _____ on certain HD _____?

Hey _____ do some HD channels _____ watching _____?

_____ there a _____ interference causing _____ on _____ channels?

Is there _____ reason behind _____ screens in _____?

_____ may _____ a _____ for _____ signal _____ on some HD _____.

_____ is interference _____ HD _____ be cut off all the _____?

_____ it possible that _____ HD _____ frozen screens _____ a show is _____?

_____ for interruptions on _____ HD channels?

_____ do some _____ have interference issues that _____ and freeze _____?

HD _____ glitch _____ is _____ problem?

Why are some _____?

Are _____ aware _____ the reasons _____ dropped signals _____ high-definition _____?

_____ what _____ certain HD _____ intermittent freezes.

_____ HD _____ have dropouts and disruptions _____ unknown _____ of interference _____.

_____ screen freezes _____ are caused by interfering _____ signals

_____ is _____ caused by HD _____ freeze and _____.

_____ HD _____ are _____ screen _____ and _____.

_____ the reasons for the _____ signals _____ sudden _____ glitch in high-definition _____?

Is there _____ causing _____ like frozen _____ on HD _____?

There _____ an _____ interruption issue on _____ stations _____ leads _____ continuous _____ sudden interruptions.

Some _____ have _____ and _____ screens.

Is there _____ reason why _____ HD _____ and freezing _____?

_____ HD channels might stop _____ suddenly _____ still _____ if something is _____.

_____ some high-def programs _____?

_____ a reason _____ frozen _____ in high Definition _____?

_____ some HD _____ have _____ signals and freezes _____ screenings?
 The _____ channels freezing and _____ one _____ watch a _____.
 I'm curious as _____ why _____ selected HD stations.
 Is there _____ for interference _____ frequent dropouts and _____ HD channels?
 _____ the _____ the sudden interruptions on specific _____?
 _____ with some HD _____?
 I _____ know why I _____ many disruptions on _____.
 Why do _____ HD stations _____ trouble _____ program _____?
 _____ there _____ causing _____ channels to _____?
 What is the _____ of _____ on _____ leading to programs _____?
 Some HD stations _____ issues, _____ dropouts and _____.
 What's _____ dropouts and frozen screens on _____?
 Repeated freeze-ups _____ signal _____ select HD _____ caused _____ interference.
 Can _____ explain why _____ the stupid HD _____ interrupt _____?
 What are _____ elements that cause _____ when _____ definition _____?
 There _____ on HD stations _____ frequent _____.
 Why _____ having trouble?
 _____ cause _____ screen _____ and signal dropouts _____ HD _____?
 _____ dropouts _____ impacting watchability for high-definition channels' _____.
 The causes _____ dropouts _____ phrase disruptions _____ of _____ channels' _____.
 What causes _____ disruptions _____ watchability for _____ shows.
 Is there _____ what _____ programs frequently?
 What _____ HD stations _____ have inconsistent signals _____?
 There _____ and frozen displays _____ certain HD _____.
 There is _____ on a _____ HD stations _____ leads to _____ and sudden _____.
 _____ are _____ with _____ and signal _____ on _____ HD stations.
 _____ know what _____ certain HD _____ to cause _____ dropouts _____ frozen _____ show is playing?
 _____ it possible _____ explain the _____ of interference that _____ HD channels?
 Is there _____ with _____ causing freezing and _____?
 Is there _____ these darn _____ keep glitching _____ turning _____ images?
 _____ stations _____ a lot, what's _____?
 _____ do some _____ freeze when _____ them?
 When _____ on certain _____ channels, what _____ reason _____ the _____ distortions?
 The _____ and _____ when _____ try to watch _____ show.
 What is going on with _____ screens _____ HD _____?
 Why _____ some HD stations have _____ that _____ and _____ during _____?
 _____ do _____ stations have _____ during the program _____?
 _____ intermittent _____ frozen displays _____ certain HD stations.
 _____ some HD channels _____ frozen screens and _____?
 _____ interrupted _____ when tuning in _____ high-def?
 Why _____ these _____ crash when one _____ to _____ a _____?
 _____ the _____ of _____ dropouts _____ frozen screens on _____ stations?
 _____ do shows _____ high-definition stations _____?
 _____ because _____ screen _____ and signal _____ on _____ HD stations?
 What is _____ cause _____ the _____ screens _____ HD _____?
 _____ are _____ drops _____ on some HD stations.
 Is _____ that interference causes _____ on _____ HD _____?
 _____ certain _____ channels experience disruptions and _____ while I watch?
 _____ dropouts _____ on some _____ stations are _____ by _____ some stations.
 _____ into a few _____ broadcasts, why _____ the screens _____?

____ HD ____ are always ____ ____ ____ out, why?
 Any information ____ causes ____ programs to ____ ____ frequently?
 Why are ____ channels ____ problems?
 Is there ____ reason ____ causes ____ some HD channels?
 There ____ and dropped connections ____ to the interference with ____ .
 ____ causing the HD channels ____ playing ____ show only still ____ .
 ____ are frequent dropouts and ____ screens on some ____ ?
 ____ dropouts ____ disruptions ____ watchability ____ some high-definition channels.
 Do ____ know what causes ____ to ____ continuous ____ ?
 ____ freezing ____ frequent ____ on ____ due to ____ with ____ signals?
 Is ____ known the root ____ HD ____ ?
 ____ do these HD ____ and turning into ____ while I ____ ?
 ____ are ____ and frozen ____ few HD stations.
 Why are ____ HD ____ freezing ____ ?
 ____ frozen ____ are caused ____ on some ____ stations.
 Why do I ____ many disruptions ____ certain ____ ?
 ____ is interference ____ causes disruptions ____ broadcasts.
 HD ____ having ____ and ____ frequently.
 ____ is ____ cause ____ dropouts and frozen screens ____ stations?
 ____ about ____ causing freezing ____ and cut-offs on ____ .
 Is ____ possible ____ causes ____ like ____ dropouts and frozen ____ on ____ ?
 ____ tuning ____ a few ____ broadcasts, ____ do ____ screens ____ ?
 ____ that leads to ____ interruptions on ____ stations?
 I ____ know ____ some ____ stations have intermittent ____ shows.
 ____ do some ____ have interference issues, leading ____ freezes ____ broadcasts?
 ____ explain ____ of ____ that causes ____ certain HD channels?
 There are constant screen ____ the ____ signals ____ .
 ____ you ____ certain ____ are experiencing continuous interference?
 ____ does interference ____ dropouts and frozen ____ HD ____ ?
 ____ are constant ____ freezing images ____ cut-offs on high-definition ____ .
 Wondering ____ with ____ signals ____ and interrupted broadcasts?
 ____ channels ____ experiencing ____ freezes frequently.
 What are the ____ periodic distortions experienced ____ viewing ____ HD ____ ?
 ____ is ____ on some HD ____ frequent ____ and freezes screens.
 HD stations ____ interference
 ____ are ____ interrupted HD signals on ____ .
 What ____ be the cause ____ periodic distortions ____ viewing programs ____ certain ____ .
 Is ____ a ____ screens and frequent ____ high-definition broadcasts?
 ____ stations have interference issues ____ cause ____ dropouts ____ freezing ____ during ____ .
 Is ____ specific reason ____ channels ____ experience disruptions ____ screen freezing?
 When tuning ____ a ____ are screens interrupted ____ ?
 ____ keep ____ signal on my ____ shows?
 ____ is happening ____ screens on some ____ stations?
 ____ reason ____ screen freezing ____ dropouts on some ____ channels.
 ____ you wondering what ____ HD ____ to ____ and ____ ?
 ____ out why I'm ____ so many ____ on ____ stations.
 What ____ of ____ high-def programs?
 ____ an ____ issue on a ____ stations that ____ continuous screen ____ sudden ____ .
 ____ do some ____ stations ____ my ____ .
 Is ____ reason that certain HD stations experience ____ frozen ____ a ____ playing?

_____ dropouts _____ freezes _____ be caused by interference _____ HD stations.

Is _____ reason for frequent _____ on certain _____?

_____ dropouts _____ frozen screens _____ result of _____ some HD _____.

_____ it _____ channels have _____ interruptions?

Are you _____ of the _____ of _____ signals _____ high-definition channels?

_____ is causing interference on _____ stations that _____ off?

_____ disruptions _____ on certain HD _____ the cause.

_____ you know _____ certain HD channels _____ freezes _____ I'm _____ to _____?

There have _____ of _____ HD stations _____ and _____ screens.

Why _____ the screen _____ HD _____?

Can you _____ why _____ HD _____ keep _____ and turning _____ images _____ watch them?

_____ on some HD stations that is _____ dropouts _____.

_____ HD stations are _____ trouble _____ signals and _____.

I'm _____ why I'm _____ many _____ disruptions _____ stations.

Is _____ with HD _____ causing freezing _____ interruption _____ certain _____?

Some _____ with inconsistent signals _____ disruptive freezes.

Is _____ a reason why some HD _____?

_____ certain HD stations _____ continuous _____ screens when a _____ playing?

_____ intermittent disruptions and _____ on specific _____ station.

When _____ into the _____ broadcasts, _____ interrupted frequently.

Something could be _____ HD _____ stop _____ suddenly.

_____ some _____ stations causing dropouts and frozen _____?

Is _____ for interference to _____ freeze-ups _____ select HD _____?

Who _____ inconsistent _____ freezes while _____ programs on _____ stations?

Which elements _____ issues, like dropouts, _____ high definition programs?

There is a _____ disruptions _____ certain HD _____.

_____ stations glitch _____ lot, what _____?

Why _____ some HD _____ I _____?

HD _____ experiencing _____ freezes and _____.

_____ is the _____ screen freeze on certain _____?

I don't _____ I'm seeing _____ annoying _____ on HD _____.

_____ you _____ why there are frequent dropped signals _____ errors _____ channels?

_____ why I _____ many disruptions on certain _____ stations.

_____ a _____ about interference in _____.

_____ causing the dropouts _____ screens on some _____?

_____ possible _____ cause _____ screens and _____ dropouts when a _____ is playing?

There's interference _____ stations _____ programs to _____ off _____ the _____.

Why are some _____?

_____ causes of dropouts _____ phrase _____ on _____ channels.

_____ are _____ causing disruptions _____ def programs?

_____ certain HD channels _____ freezes?

_____ is _____ that causes _____ freeze-ups on _____ stations.

_____ and _____ screens occur on _____ HD stations due _____.

Some _____ channels are experiencing _____ disrupted _____ to interference during _____.

Some _____ interference _____ which _____ to dropouts and _____ screens.

_____ is an issue _____ a few _____ stations _____ leads _____ freezes and _____.

_____ dropouts to _____ watchability for _____ channels' shows.

_____ do certain _____ having interference issues _____ lead to dropouts and _____?

HD _____ glitch _____ what's _____ interference?

_____ responsible for _____ inconsistent _____ freezes when _____ definition shows?

There are _____ and freezes _____ HD stations _____.

_____ channels constantly crashing and _____ tries _____ watch _____ show _____ a reason _____ HD _____ dropouts and _____ screens?

There _____ an _____ on _____ few HD _____ leads to _____ and _____ interruptions.

Frequent _____ and _____ screens _____ watching _____ are _____ interference on _____ HD _____.

_____ been an interruption _____ on a _____ HD stations that _____ to _____.

Why do _____ HD _____ I'm watching it?

_____ a cause _____ the _____ freeze-ups on _____ stations?

_____ the cause _____ HD service interruption _____?

Do _____ know why _____ HD channels _____ screen _____?

I _____ know _____ HD stations freeze _____.

Some _____ experience interference _____ leads to _____.

_____ causing the intermittent freezes _____ certain _____ stations.

_____ screen freezing _____ dropouts on a few _____ channels.

_____ HD channels are _____ up _____ freezing the _____.

_____ what's _____ constant signal _____ such _____ freezing _____ and program _____ on high-definition _____.

Some HD _____ are _____ with _____ signals and _____.

The periodic _____ while _____ certain HD _____ might _____ by something.

The cause _____ intermittent disruptions and frozen _____ HD _____.

Do you know what _____ HD _____ to experience continuous _____ and frozen _____ show _____?

_____ possible that _____ like frequent _____ on certain HD channels?

_____ stations _____ interference _____ cause constant dropouts _____ freeze _____ during _____.

When tuning in _____ few high-def _____ the _____ interrupted.

_____ issue _____ stations has caused _____ freezes and sudden interruptions.

There _____ on _____ HD stations _____ and freezing _____ while _____ programs.

_____ are _____ and phrase disruptions that _____ some high-definition _____.

When tuning into these _____ broadcasts, _____ screens interrupted _____?

_____ you aware of the _____ and _____ program malfunction in _____ channels?

What _____ HD _____ to _____ freezes _____?

There _____ a _____ of _____ disruptions _____ displays on _____ stations.

_____ HD stations have interference _____ to constant _____ and _____ screens _____ broadcasts?

_____ are _____ and disruptions impacting _____ channels' shows.

_____ is an _____ issue _____ HD stations, what _____ it?

_____ dropouts and _____ screens _____ some _____ stations.

Is _____ possible _____ stations _____ continuous dropouts and frozen _____ when _____ played?

_____ was _____ I was seeing _____ many disruptions _____ stations.

What _____ causing interference _____ HD _____ causes _____ dropouts and freezing _____?

_____ do _____ stations have _____ that lead to _____ and _____?

There is _____ interruption issue on _____ stations _____ freezes.

How _____ on HD stations are _____ time _____ of interference?

Why _____ some HD _____ interference _____ leading _____ dropouts _____ screens?

_____ freezes on high _____ channels?

_____ an interruption _____ a _____ HD _____ leads to _____ screen freezes.

_____ was _____ resulting _____ of select _____ broadcasts.

HD _____ what's the problem?

What _____ reason for _____ on certain _____ channels?

_____ have _____ idea why these _____ programs _____ and turning _____ images?

There _____ an _____ a few _____ leads to continuous screen _____.

My _____ freeze _____ cut out, _____?

_____ certain HD stations _____ dropouts _____ when _____ show is playing?

Which _____ are _____ for _____ like dropouts and freezing _____ high _____ programs?
 _____ selected HD broadcasts.
 _____ why these HD programs keep _____ and turning _____ images while _____ watch _____.
 HD channels crash _____ a _____ tries _____ a show.
 _____ are _____ causing disruptions in _____?
 _____ is _____ interference resulting in _____ HD broadcasts.
 _____ a _____ of _____ HD _____ interruptions?
 _____ is _____ cause _____ on _____ channels?
 Is _____ why certain _____ stations _____ and _____ screens when _____ is playing?
 _____ and _____ whenever one _____ to _____ a _____ is a mystery.
 _____ you know what causes _____ and _____ program malfunction _____ high-definition _____?
 Is it possible _____ explain _____ source _____ that causes disruptions _____?
 What _____ causing _____ the _____ programs to cut off?
 _____ interfering with _____ causing freezes?
 Did _____ know _____ interference _____ disruptions _____ and frozen screens on _____?
 _____ it _____ some _____ stations _____ plagued by inconsistent signals _____?
 When _____ into _____ broadcasts, why _____ constantly interrupted?
 There is _____ results in _____ HD broadcasts.
 Some _____ dropouts and frozen _____.
 _____ disruptions and frozen _____ HD _____ is the _____.
 It appears _____ interference _____ some HD _____ and _____ screens.
 _____ possible _____ interference _____ disruptions like frozen screens _____ certain _____?
 Do you know _____ certain HD channels _____ and _____?
 _____ come _____ losing _____ high-def _____ experiencing frozen screens?
 _____ possible that interference _____ and _____ on some _____ channels?
 _____ are unknown _____ interference that _____ some _____ to experience _____ dropouts.
 What _____ the reason _____ interruption on _____?
 Tell _____ why some _____ stations _____ freezes _____ shows.
 The causes _____ and _____ watchability for some high-definition _____.
 Is _____ a _____ some _____ channels _____ and freezes while I'm _____ to _____?
 _____ there a reason for _____ and frozen screens _____?
 There is a _____ dropouts _____ a _____ HD channels.
 Some _____ channels _____ experiencing dropouts and disruptions _____ of _____.
 _____ aware of the factors _____ to _____ dropped _____ high _____ channels?
 There _____ interruption _____ on some HD _____ that leads to _____ interruptions.
 How come some _____ freeze _____ watching _____?
 _____ need to know _____ HD _____ keep _____ during _____.
 _____ cause _____ disruptions and _____ displays on _____ HD stations?
 _____ causes _____ on _____ channels?
 Something _____ streaming _____ channels.
 What _____ to _____ certain HD channels?

 _____ reason _____ interference causing _____ loss _____ some HD channels?
 Some _____ disrupted due to _____.
 _____ screen freezing and dropouts _____ HD _____ is _____.
 _____ these _____ and turning _____ still images while I watch _____?
 Why do some HD _____ interference _____ that cause dropouts _____?
 _____ a reason _____ some HD channels _____ interferece?
 _____ selected HD broadcasts are being _____ by _____.
 _____ for disruptions like frequent _____ frozen screens on _____ channels?
 Can you _____ these HD _____ glitching and turning _____ still _____ watch them?
 Is it interfering _____ signals that _____ interruptions?
 dropouts and phrase _____ impact watchability _____ high-definition _____
 Frequent _____ on selected high-definition networks _____ be _____ distortion
 _____ the cause of _____ HD programs frequently?
 Some HD _____ are _____ and _____ of _____ sources of interference.
 _____ are constant screen freezes _____ that _____ caused by _____ HD signals.
 _____ are some HD _____ freezes more _____?
 _____ stations _____ dropouts and freezing _____.
 _____ channels _____ disrupted displays, _____ are caused by unknown sources of _____.
 _____ dropouts _____ occurring on some HD stations _____.
 _____ causes of _____ and phrase disruptions impact _____ high-definition _____.

_____ do certain HD _____ have interference issues, _____ and _____ during _____?

_____ are _____ factors causing disrupted _____?

Is there a reason _____ on _____ stations?

There were intermittent _____ and frozen displays _____.

Perhaps something is _____ the HD _____ playing _____ or _____ still _____?

_____ was interference _____ selected HD broadcasts.

_____ of _____ broadcasts are being caused _____.

_____ freezing _____ are caused by _____ on HD _____.

Why _____ some _____ have intermittent signals _____ during _____ screenings?

The _____ issue on _____ few _____ leads _____ continuous _____ freezes _____ interruptions.

There _____ disruptions caused _____ certain HD _____.

I wonder _____ there _____ interruptions on specific _____.

_____ stations have _____ issues that _____ dropouts and _____ screens.

What caused sudden _____?

_____ is _____ interference _____ HD stations that causes dropouts _____?

_____ is _____ of _____ interruptions _____ specific HD channels?

Which elements _____ signal _____ dropouts and freezing _____ while watching _____ programs _____?

_____ is a cause _____ and _____ displays _____ some HD _____.

_____ causes HD programs _____ frequently?

What _____ interruption on certain HD channels?

_____ HD _____ have interference _____ leads to _____ and _____ screens during _____.

Is _____ a _____ frozen screens and frequent dropouts _____?

Something might _____ the _____ they stop playing _____.

Is _____ interfering with _____ signals _____ frequent interruptions?

When tuning _____ a few _____ broadcasts, _____ constantly?

Which _____ are responsible for _____ when viewing _____ in high _____?

_____ it _____ that _____ on certain HD channels?

constant screen freezes _____ are caused _____ with _____ signals.

Some _____ interference which _____ program interruption.

_____ the _____ of _____ on _____ stations _____ to _____ cutting off _____ the time?

_____ know why certain HD _____ have _____ freezes.

Why _____ stations experience _____ and _____ screens when _____ show is _____?

How _____ I keep losing _____ while _____ shows _____?

_____ the interference _____ on _____ stations?

_____ any reason why certain _____ freezes when I try to _____?

_____ distortions experienced while _____ programs _____ HD channels _____ mystery.

There _____ issues _____ constant _____ freezing screens in HD stations.

_____ screen to freeze on _____?

There are constant _____ and _____ connections _____ HD signals.

HD _____ and glitch, _____ the _____?

I'm _____ as _____ I'm _____ so many _____ on _____ stations.

Is _____ possible that _____ stations cause continuous dropouts _____ when _____ is _____?

I want _____ certain HD stations _____ freezes.

Is _____ possible to explain _____ interference _____ on _____ HD channels?

_____ the cause _____ freezes and sudden interruptions on _____ stations?

There's _____ issue _____ a _____ stations that _____ screen _____ sudden interruptions.

_____ channels are experiencing _____ and disrupted displays _____ by unknown _____.

_____ HD channels experience _____ and disrupted displays due _____ sources of _____.

_____ a _____ about interference causing _____ of selected _____.

Frequent dropouts and _____ screens are _____ by _____ on _____ stations.

Tell _____ some HD stations _____ frozen _____ during _____.
 _____ a _____ is _____ certain _____ stations there _____ continuous _____ and _____ screens.
 Why does _____ cause dropouts _____ frozen screens _____?
 Frequent screens and _____ by interference _____ HD _____.
 _____ you know what _____ HD _____ experience continuous interference?
 What _____ for certain high-def _____?
 Is there _____ reason why _____ experiencing screen freezes _____?
 Which elements _____ intermittent _____ dropouts and _____ you _____ programs in _____ definition?
 Which _____ intermittent signal _____ and freezing screens, _____ watching some _____ definition _____?
 _____ is causing the _____ on _____ stations _____ result _____ programs _____ off _____ the _____?
 On _____ HD _____ are _____ interruptions.
 Is interference on _____ HD _____ and freezing _____?
 Is the _____ HD signals causing freezes _____ stations?
 _____ elements _____ responsible for intermittent signal _____ and _____ screens, _____ while watching _____ in high definition?
 _____ programming to be _____ on _____ stations?
 Some _____ are _____ interference _____ lead to dropouts _____ screens.
 There _____ an _____ on several HD _____ screen freezes and _____ interruptions.
 Constantly _____ and _____ are _____ by _____ with the _____ signals.
 What _____ the _____ of _____ dropouts _____ frozen _____ on _____ stations?
 _____ elements _____ in intermittent signal _____ when watching _____ programming?
 Which _____ to blame _____ intermittent signal _____ when _____ high _____?
 _____ are _____ reasons why _____ programs _____ disruptions?
 What _____ the _____ signals _____ screen freezes _____ dropped connections?
 _____ what's causing HD _____ freeze _____ some stations?
 Is there _____ why _____ are disrupted _____?
 Is it _____ certain _____ experience frequent _____ freezing screens?
 _____ HD _____ having trouble.
 Are _____ dropouts _____ frozen screens on _____ caused by _____?
 There _____ broadcasts when _____ high-def _____.
 The freezing and frequent _____ caused _____ with HD signals.
 _____ making the HD _____ stop playing _____ only _____ images.
 _____ you explain to me _____ stations _____ shows?
 _____ why certain HD _____ screen freezes and _____?
 _____ able to _____ why _____ channels are _____ up?
 _____ why I _____ many _____ on selected HD stations.
 Which _____ cause intermittent _____ like dropouts _____ screens, _____ high definition _____?
 Is this _____ with _____ signals causing _____ and interruptions _____?
 _____ of _____ signals on _____ could be _____ source _____ distortion.
 _____ HD channels _____ experience frequent dropouts and _____.
 Do _____ is causing _____ channels _____ have _____ freezes and dropout?
 _____ are freezing _____ a _____ to watch a show.
 _____ do certain _____ freeze _____ shows?
 The interference on _____ dropouts and freezing _____.
 Is it _____ causes _____ interruptions?
 _____ the periodic distortions _____ while _____ programs on certain _____ channels?
 HD _____ sometimes _____ the _____?
