

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Equipment malfunction troubleshooting guidance
Inquiry Sub-Category	Generator Troubleshooting
Description	Assistance with diagnosing and resolving problems with backup generators, including inspecting fuel levels, checking battery connections, and troubleshooting mechanical or electrical malfunctions.
Data Size	5,046 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How do I check _____ in _____ backup _____?

How _____ find _____ much gas is _____ the generator?

How can _____ fuel _____ of my generator _____?

I'm _____ find a _____ to _____ if _____ generator is _____ out of _____.

Will you _____ check the fuel level _____ my _____?

How can _____ the fuel _____ in _____?

Let me _____ about the _____ to _____ my _____ fuel _____.

_____ need _____ help _____ my _____ generator's fuel levels.

_____ I _____ out my _____ fuel _____?

How _____ know _____ fuel _____ for _____ generator?

_____ looking for a way _____ if _____ generator's _____ up or _____.

_____ the generator's level of _____?

_____ to find _____ way _____ whether _____ fuel levels _____ my _____ are low.

Is _____ to _____ the _____ levels of my _____ source?

I _____ trying to _____ a way _____ the _____ has high or _____.

Is it possible _____ determine if _____ enough _____ in _____?

_____ it _____ to _____ the _____ level _____ fuel?

_____ know how much _____ left in my _____?

How do I _____ the _____ fuel in _____?

How _____ the fuel _____ on _____ for backups?

_____ can _____ see how _____ is _____ in my _____?

What can _____ check _____ in my generator?

_____ do _____ what the _____ levels _____ for _____ generator?

How to _____ fuel _____ in the _____ use for _____?

What _____ the _____ analyzing the gas _____ backup _____?

I am _____ to find _____ to know _____ the fuel _____ in _____ going _____ or _____.

_____ check for _____ on the generator _____ I use _____ backups?

_____ can _____ see the fuel levels _____ use for _____?

I have _____ and _____ can I _____ levels?
 How do I _____ generator's _____?
 Is _____ a _____ to _____ backup _____ fuel?
 I _____ use for _____ so how can I check _____ for _____?
 _____ a _____ that _____ use for _____ and _____ see fuel levels?
 Can you _____ me some advice _____ my _____?
 Is there _____ simple _____ to _____ my _____ power source's _____?
 _____ wonder how to verify _____.
 How do I _____ sure my _____ enough _____?
 _____ need _____ advice _____ fuel _____ my generator.
 What should _____ for when inspecting _____ fuel _____?
 I'm wondering if I _____ confirm _____.
 _____ there a _____ check _____ gas?
 I _____ a generator that _____ use _____ do _____ the fuel levels?
 _____ me determine the _____ in my generator?
 _____ you know how to _____ fuel in _____?
 The procedure _____ monitor _____ backup unit's fuel _____.
 I have a _____ I use _____ I _____ how much fuel _____?
 I'm _____ to find _____ way _____ backup generator runs _____ of _____.
 _____ my _____ power source's fuel _____?
 _____ do I _____ the _____ in my generator?
 What _____ the procedure _____ in a generator?
 I _____ know _____ is in my _____ power gear.
 Is _____ a way _____ find out my _____ power _____?
 _____ there _____ way to _____ how much _____ in the _____?
 How can we _____ how _____ in my _____?
 _____ you tell _____ how _____ check my _____?
 I would like _____ examine _____ of _____ power source.
 _____ to confirm _____?
 How do _____ know if _____ have _____ fuel _____ my _____?
 I _____ the _____ levels on _____ generator _____ use for _____.
 _____ like _____ know _____ to check _____ generator _____.
 I _____ know _____ left in my backup generator.
 I _____ I use for backups and how _____ I see _____ amount _____ fuel _____?
 I'm _____ way _____ know _____ fuel levels are high _____ low.
 How _____ generator's fuel?
 I'm _____ to find a way _____ how _____ left _____ generator.
 How to find _____ how _____ is left _____?
 _____ check the fuel _____ the _____ I use _____ backups?
 How _____ verify fuel levels _____?
 Is it _____ tell if _____ is enough petrol in _____?
 _____ help _____ the _____ fuel in my _____.
 Need assistance _____ determining _____ remaining fuel _____.
 _____ tell me _____ to check _____ level _____ generator.
 I'm trying to find _____ know _____ the fuel _____ in _____ low.
 How _____ I find _____ of _____ generator?
 _____ I _____ to _____ my backup generator's _____?
 Please help _____ to _____ at _____ capacity _____ auxiliary _____ source.
 Is it possible _____ know the _____ power source?
 _____ how _____ measure my generator's _____?

_____ can _____ see the levels _____ my generator _____ I _____ for _____?
_____ the fuel levels of the generator _____ for _____?
_____ any _____ on monitoring the _____ in my _____?
Please _____ me guidance regarding _____ to _____ fuel levels.
_____ have a generator which _____ use for backups, _____ check _____?
_____ want _____ see _____ generator's _____ levels.
How _____ my generator's _____?
_____ have _____ I _____ for _____ how _____ I check the fuel _____ it?
Is _____ with fuel?
Guidance is _____ on _____ capacity of _____ power _____.
How to _____ back-up _____?
I don't _____ can verify _____ fuel.
How _____ determine _____ a _____ generator?
_____ to _____ in _____ backup generator.
_____ is _____ process _____ gas in a _____ generator?
_____ have a generator for _____ want to _____ levels.
I don't _____ how _____ fuel levels.
How can I _____ out _____ fuel is _____ generator _____ backups?
_____ can I _____ fuel?
I _____ on _____ levels of my generator.
I _____ your _____ assessing _____ generator's _____ level.
How can I see the _____ use for backups?
I need _____ how _____ juice is _____ in my _____.
_____ my backup power _____?
_____ like guidance _____ monitor my backup unit's _____ levels.
How _____ the backup _____ level?
_____ keep track of _____ my _____ generator.
I own a _____ that _____ for backups, _____ see _____ fuel in it?
Can _____ the _____ of fuel in _____?
I don't _____ the _____ levels in my _____.
_____ can I know _____ of the _____ I _____ for _____?
I want _____ how _____ juice is left _____ my _____.
Can I _____ fuel _____?
How _____ I see _____ my generator?
_____ question _____ how to check _____ backup _____ gas.
How to _____ fuel _____?
How _____ the fuel _____ the generator _____ use to _____?
_____ can _____ determine _____ juice is left in _____?
_____ you _____ check the generator gas?
Is it _____ to see _____ of _____ left _____ generator?
I am not _____ to check _____.
_____ to _____ I have enough fuel _____ generator.
_____ trying to find _____ way to _____ if _____ in my _____ generator are _____ or _____.
_____ any _____ levels in my _____?
Please _____ me how to _____ fuel _____.
I have _____ backup generator, _____ can _____ fuel?
_____ see _____ levels from the _____ I use for _____?
_____ verify _____ Gens' fuels?
_____ it _____ to see _____ generator's _____ levels?
How _____ I _____ the amount _____ in _____ generator?

_____ gauge my _____ source's fuel _____?
 _____ there _____ to _____ in my generator?
 _____ like to _____ fuel.
 I'm _____ to _____ my backup _____.
 _____ a way to _____ the _____ from the _____?
 _____ know how _____ check the fuel _____ the generator that _____ use _____.
 _____ help me _____ generator's _____ levels?
 _____ provide _____ examining the fuel capacity _____ auxiliary power _____.
 I _____ in examining the _____ of _____ power source.
 I _____ to find _____ of my generator.
 _____ do I _____ do _____ verify my generator's _____?
 _____ advice on how _____ check the _____ level _____ generator.
 _____ of _____ to _____ my backup _____ fuel levels.
 Is _____ possible to know _____ have enough petrol in _____?
 Monitoring fuel in _____ something I want _____.
 _____ am I _____ the backup _____?
 _____ there _____ to _____ levels _____ my emergency power source?
 _____ you _____ how to _____ the backup gensets _____?
 I'm trying to _____ way _____ if _____ fuel levels in _____ generator have _____ up _____.
 Please _____ me how _____ check the fuel _____.
 _____ possible to _____ fuel levels _____ a backup _____.
 _____ can _____ see the _____ of _____ generator's _____?
 _____ you _____ me _____ to _____ gensets gas?
 _____ for _____ to _____ out if _____ fuel levels in my _____ are _____ down.
 _____ need to _____ fuel is left in _____ backup _____.
 How _____ the _____ levels _____ the generator?
 _____ a _____ backups and _____ can I check the fuel level?
 Is it possible _____ determine the _____ of _____ within _____?
 I'm _____ to find _____ know _____ fuel _____ my backup generator _____ stable.
 Is there a _____ to measure _____ source's _____?
 I _____ to verify _____.
 How _____ see _____ much juice _____ backup?
 _____ have _____ that I use _____ backups, _____ I know _____ level?
 _____ don't _____ to _____ out _____ much gas _____ left in _____ generator.
 How to _____ fuel _____?
 I _____ looking _____ way _____ know _____ the fuel levels _____ my _____ are _____ or _____.
 _____ confirm _____ backup generator's fuel?
 How _____ I check the _____ in _____?
 _____ help _____ the _____ fuel in my _____.
 I _____ generator I _____ for backups, how _____ check _____ levels?
 _____ advise the procedure _____ fuel _____ the backup _____.
 _____ do not know _____ to _____ fuel _____ in _____ generator.
 What _____ do _____ see how much gas _____ in _____?
 I wanted to _____ the _____ levels _____ my generator.
 Help _____ the procedure _____ backup unit's _____ levels
 How _____ I _____ eye _____ the _____ fuel?
 _____ with _____ procedure _____ monitor my _____ fuel levels.
 _____ check fuel levels in _____ backup _____?
 _____ you _____ I can check my _____ fuel _____?
 _____ should I _____ how much juice _____ left _____ backups?

Please help me understand how _____ gas _____ a _____.

Your backup _____ has _____?

_____ have _____ for backups and how _____ I _____ its levels of _____?

Is _____ know _____ there _____ enough petrol _____ the _____ mechanism?

How much _____ in the _____?

How do _____ of _____ in my backup _____?

Is _____ check _____ fuel level in _____ generator?

_____ to check fuel _____ in _____.

_____ to know _____ to monitor fuel _____ my _____.

_____ know _____ to measure _____ fuel _____ my genset?

_____ on how _____ check fuel in _____ generator.

_____ help _____ fuel level _____ my generator.

How _____ see _____ fuel _____ when using _____ for backups?

How can I _____ the _____ generator?

How _____ I check the _____ levels _____ backup _____?

What _____ the backup fuel?

_____ measure my _____ fuel?

I'm _____ to find _____ way _____ tell if the _____ generator are _____ low.

How _____ know _____ is _____ in my backup?

_____ help _____ check the fuel levels _____ my _____.

Can _____ figure out the fuel _____ backup generator?

_____ see _____ fuel _____ in _____ generator that _____ use for backups?

I'm trying _____ find _____ levels in my _____ generator are high _____.

Fuel _____ verification _____ generator should be _____.

_____ a _____ how do _____ find the _____ levels?

How _____ for _____ levels _____ the generator I use _____?

_____ have a generator _____ use for backups and can't _____ the _____.

_____ I see my _____ fuel _____?

_____ looking for advice on _____ generator's _____.

How _____ figure out _____ much _____ is _____ in _____ generator?

Do you know _____ level _____ my backup generator?

_____ I verify _____ levels in my _____?

_____ I _____ at _____ generator's _____ level?

_____ the procedure to _____ gas in _____ backup _____?

_____ any info _____ fuel in _____ generator?

_____ generator for backups, _____ can I check for _____?

_____ an _____ way to _____ my emergency power _____ fuel _____?

_____ what I do _____ check _____ fuel _____ in my _____?

_____ guidance _____ how to monitor _____ fuel levels

_____ to _____ levels in _____ backup _____.

_____ can _____ generators fuel?

_____ fuel in my generator.

I need _____ advice _____ my generator _____.

Is _____ way _____ my _____ fuel.

_____ about _____ fuel level _____ backup _____?

_____ need _____ the _____ to monitor my _____ unit's _____ levels.

I _____ assessing _____ generator's _____ levels.

How do _____ the _____ of _____ in my _____?

_____ am interested in _____ the fuel _____ of _____ power _____.

_____ need to _____ the _____ level.

What ____ the ____ ways ____ check ____ gas ____ the ____ genset?
 ____ is the ____ for ____ in ____ backup generator?
 ____ have a ____ and ____ get ____ fuel levels?
 I ____ advise ____ my backup ____ levels.
 ____ it possible ____ fuel levels ____ a ____ generator?
 The ____ generator ____ fuel ____ checked.
 What ____ for ____ gas ____ a backup generator?
 ____ monitoring in ____ backup ____?
 ____ the fuel ____ a backup ____.
 ____ I able to ____ generator's fuel ____?
 What ____ I ____ to ____ backup ____?
 ____ looking ____ a ____ to ____ my generator ____ running ____ of fuel.
 I have ____ generator that I use ____ backups, how ____ much ____ in it?
 I'm ____ way ____ know ____ the ____ levels in my ____ low.
 How ____ check ____ fuel quality?
 Do you have ____ assessing ____ generator's fuel ____?
 ____ need ____ know how ____ check the ____ my generator.
 What ____ process of ____ in ____ backup generator?
 ____ the procedure ____ inspecting the ____ in a ____?
 What should I do ____ level ____ my ____?
 How can I check on ____ in ____?
 ____ there any ____ to know ____ left in ____ generator?
 ____ best ways ____ monitor ____ in my ____ generator?
 ____ a generator ____ use for ____ how can I ____ fuel levels?
 Can you ____ me ____ to ____ generator's ____ levels?
 ____ provide ____ how to monitor my ____ fuel ____.
 How ____ figure out ____ in ____?
 I'm looking to ____ a ____ to know ____ fuel ____ in my ____.
 I have a ____ the fuel levels?
 Please ____ level verification ____ a backup ____.
 ____ tell ____ how ____ fuel levels on my generator?
 ____ to ____ the fuel ____ a ____ I use for ____?
 ____ it ____ my ____ power source's fuel ____?
 ____ me how to look at the ____ capacity ____ source.
 ____ you ____ suggestions ____ monitoring ____ in my generator?
 Help ____ the remaining fuel ____.
 Please tell ____ to ____ at the fuel ____ of ____ source.
 I'm ____ a ____ fuel levels in my ____ are low.
 ____ there ____ fuel level ____ backup ____?
 What ____ examining gas ____ a backup ____?
 ____ can I ____ the ____ my generator?
 How should I ____ fuel ____?
 ____ find a ____ know whether the ____ levels in my ____ up ____ down.
 ____ need your help finding the ____ way ____ gas ____ backup ____.
 How ____ fuel ____ I ____ in ____ generator?
 ____ I determine the ____ levels ____ backup generator?
 ____ know any ____ on ____ fuel ____ my generator.
 How ____ check ____ fuel ____ of ____ generator?
 How ____ fuel ____ my generator?
 Is ____ way to ____ amount of ____ the generator?

____ need ____ how ____ monitor ____ levels ____ my backup unit.
 ____ you know how ____ check ____ levels ____ backup ____?
 ____ a fuel ____ backup generator.
 I'm looking ____ to ____ if ____ fuel levels ____ generator ____ up or ____.
 I have ____ generator, ____ how ____ the ____ levels?
 Can ____ tell me ____ to check ____ my ____?
 ____ can ____ the ____ in ____ generator that I ____ backups?
 ____ is the procedure for inspecting ____ generator.
 Can you ____ me ____ assessing ____ levels?
 I ____ I use for backups and ____ see the ____ fuel?
 ____ of fuel ____ the generator that I use ____?
 ____ need ____ remaining fuel ____ my generator.
 ____ backup ____ fuel ____ be seen?
 I have ____ generator that ____ use ____ but ____ can I ____ the ____?
 ____ check out ____ fuel?
 ____ determine the amount of juice ____ my ____?
 ____ information about ____ fuel in ____ generator?
 How can ____ the levels ____ the fuel ____ use ____ back up?
 ____ about the ____ check ____ my ____?
 Please tell ____ how ____ check ____ capacity ____ auxiliary power ____.
 ____ a generator ____ I use ____ backups, ____ I ____ to see ____ levels?
 I ____ figuring ____ a way to ____ levels ____ a backup ____.
 Is ____ to check the fuel ____ the ____ I use ____?
 Did ____ measure ____ genset's fuel?
 ____ check ____ fuel ____ of ____ generator?
 ____ way to check ____ backup's ____?
 How ____ make sure ____ has enough ____?
 How ____ the ____ level in ____ backup ____?
 ____ to ____ the ____ generator that ____ use for backups?
 ____ can I ____ juice ____ in my backup?
 ____ can I ____ much fuel ____ in ____ I ____ for backups?
 I have ____ generator ____ I use for ____ check ____ fuel levels?
 ____ need ____ on how ____ backup unit's fuel levels.
 I'm trying to ____ a way ____ is ____ out ____ gas.
 How ____ I ____ on ____ fuel in ____ generator?
 ____ help ____ out the ____ of ____ auxiliary power source.
 ____ you have ____ procedure for ____ in ____ backup generator?
 ____ I see ____ fuel ____ in the ____ I use ____?
 ____ me ____ to ____ the fuel ____ in my ____.
 What ____ fuel check ____ backup?
 Any ____ to ____ much ____ in my backup power ____?
 ____ procedure to ____ unit's fuel ____ is unclear.
 How ____ the fuel ____ in ____ backup ____
 ____ there ____ for ____ level verification ____ the backup ____?
 I need ____ the fuel ____ my generator.
 Can you ____ to ____ my genset's ____.
 How do I ____ sure I ____ enough ____?
 I ____ levels of my generator.
 ____ need help ____ monitoring ____ unit's fuel ____.
 What ____ best ____ check the gas ____ the ____ genset?

_____ I _____ if the _____ genset's gas _____ good?
_____ a backup generator _____
_____ have a generator _____ I _____ for backups, _____ it?
I need advice on how to _____ generator.
Please tell me _____ level verification _____ generator.
_____ to _____ check backup Gen fuel.
_____ have _____ that I _____ to _____ can _____ the fuel levels?
I _____ to _____ the _____ of _____ generator.
How _____ I know _____ is enough _____ in my _____?
_____ would _____ to know _____ check the generator _____.
_____ use a generator for backups, _____ can _____ fuel _____?
_____ it possible _____ there _____ enough _____ in our electricity _____ mechanism?
_____ I confirm _____ in my _____?
_____ question _____ levels _____ my generator.
I _____ advice _____ checking fuel _____ for my _____.
How can _____ check _____ in _____ backup generator?
How _____ we know how _____ is left _____?
_____ how _____ fuel level in my generator.
_____ need _____ looking at _____ capacity _____ my _____ power source.
_____ to check fuel _____ in _____.
How _____ I check _____ backup _____?
The _____ level _____ my _____ generator _____ be checked.
_____ want to _____ my backup _____ is _____ out _____ fuel.
Can _____ observe _____ energy in _____ engine?
How _____ I _____ level of _____ in the generator _____ backups?
_____ I _____ fuel levels _____ a generator?
_____ fuel _____ in backup _____
_____ am _____ for _____ to _____ if the fuel level in _____ generator is _____.
_____ have _____ generator that I _____ and how _____ I _____ for fuel _____?
_____ I _____ if fuel is _____ generator?
_____ use a _____ for backups _____ know the _____ levels?
I _____ attempting to find a _____ to know _____ the _____ my _____ high or _____.
Please suggest a procedure _____ in _____ backup _____.
_____ necessary to _____ the remaining _____ backup generator.
_____ like to check _____ levels _____ my generator.
Will it _____ verify _____ fuel?
_____ want _____ if my backup generator _____ running _____ fuel.
_____ it _____ to _____ if there _____ petrol within the _____?
What is the _____ way _____ the gas of _____?
_____ to find a _____ know _____ fuel levels are up _____ down.
_____ there _____ way to see the fuel _____ my _____ source?
_____ am _____ to _____ way to _____ the fuel _____ in _____ generator.
What should I _____ to _____ generator's _____ level?
_____ know _____ levels _____ fuel in the generator?
How do _____ levels in _____ generator?
What is _____ to check _____ gas?
_____ need _____ about how _____ my _____ unit's _____ levels.
Do you have any advice _____ fuel _____?
Can _____ tell _____ how _____ can assess _____ fuel _____?
Can I see _____ fuel in _____?

I have ____ generator, how ____ fuel level?
 I have a ____ I ____ for ____ can ____ see ____ of ____ in it?
 Is ____ possible to ____ level ____ the backup ____?
 What do ____ to ____ to verify ____ generator's ____?
 I ____ assistance ____ out ____ to ____ in a ____ generator.
 Can you ____ how ____ check ____ levels in my ____?
 I ____ know how to find the ____ in ____.
 ____ generator that I ____ can I check it for fuel ____.
 ____ I check the ____ level?
 Is ____ gauge my emergency power ____ level?
 ____ you ____ me how to ____ for ____?
 How ____ figure ____ how much ____ left in ____?
 How can ____ fuel ____ generator I ____ for backups?
 ____ find ____ of fuel in my generator is high ____ low.
 How ____ find ____ levels in ____ generator?
 ____ own ____ generator that I use ____ how can ____ fuel ____?
 ____ know how to ____ fuel levels ____ generator.
 ____ could I see my ____?
 I ____ generator ____ use for backups, ____ can ____ know ____ enough fuel?
 ____ trying ____ to ____ if ____ fuel levels are low ____ my generator.
 ____ to check the ____ levels ____ a generator ____ for ____?
 ____ find out if there is enough petrol in ____?
 ____ do ____ see ____ much gas is left ____ my ____?
 ____ are ____ tips for monitoring ____ my ____?
 How ____ much ____ is ____ in a backup ____?
 ____ the ____ to see ____ much ____ is ____ in my ____?
 ____ tell ____ how to check the ____ backup generator.
 What's the best ____ out how much gas ____ generator?
 I ____ to ____ if ____ fuel ____ generator are up or ____.
 ____ I ____ the backup generator's ____?
 How ____ much ____ is left in ____ generator.
 I'm ____ about ____ to ____ the ____.
 I'm ____ for ____ know ____ the ____ level ____ my generator is high ____.
 Can ____ my ____ fuel?
 Need ____ of fuel left in my ____.
 I want ____ much juice is ____ my ____.
 I ____ help ____ fuel ____ backup generator.
 How ____ fuel levels for ____ generator?
 ____ know ____ check the generator's fuel ____.
 To determine ____ fuel in ____.
 ____ supposed ____ check backup fuel?
 How to ____ fuel ____ the ____ I ____ for backups?
 ____ I supposed ____ backup fuel?
 How ____ monitor ____ in my ____?
 Is ____ possible ____ confirm my ____?
 ____ fuel ____ in a backup generator?
 ____ need ____ tips on ____ my generator.
 ____ you ____ me how to check the ____ my ____.
 ____ my ____ be confirmed?
 ____ there ____ way ____ assess ____ power source's ____ levels?

I _____ generator _____ I _____ to back _____ how _____ the fuel levels?
 I _____ backups and how can I tell _____ level _____ fuel in it?
 I _____ like _____ my _____ fuel.
 _____ there _____ to see _____ generator's _____ levels?
 In a _____ check fuel _____?
 I _____ that _____ use _____ backups, _____ tell the level _____ fuel in it?
 I _____ that I _____ but how do I _____ the _____ levels?
 _____ remaining _____ in my generator
 How _____ I _____ the _____ juice _____ in _____ backup?
 _____ you _____ fuel levels in _____ generator?
 _____ there _____ advice _____ monitoring _____ my generator?
 Which _____ to see _____ is _____ my backup?
 Please tell me _____ the _____ level on _____.
 How _____ find out _____?
 I would like to _____ how _____ gas
 _____ need your assistance _____ assessing _____ levels.
 _____ on _____ fuel _____ generator?
 _____ the best way _____ check _____ gas of _____?
 I _____ advice on _____ procedure _____ unit's fuel levels.
 _____ a generator _____ and I want to check _____ for _____ levels.
 I _____ wondering _____ can see my _____ fuel _____.
 Help me figure out _____ gas _____ in the _____.
 I _____ know _____ can check the generator for _____.
 Is it possible for _____ confirm _____ fuel _____?
 _____ have _____ I use for backups, how can _____ its _____?
 Is _____ possible _____ figure out _____ enough _____ in _____ electricity _____ mechanism?
 _____ do I _____ the _____ levels _____ generator _____ I use for _____?
 _____ I determine the _____ of _____ in my _____?
 I _____ generator that _____ use _____ backups and _____ can _____ see the _____?
 _____ need _____ on monitoring _____ my generator.
 I need _____ verify _____.
 _____ anyone _____ a _____ on _____ fuel _____ my backup _____ gear?
 _____ to see _____ generator's _____?
 How _____ see how much _____ has?
 How _____ the fuel level _____ backup generator?
 I don't _____ how _____ see _____ is left _____ generator.
 _____ need help _____ my _____ generator.
 _____ want _____ know _____ to _____ fuel in _____ generator.
 _____ your help _____ out the _____ way _____ verify gas _____ in _____ generator.
 _____ need _____ check _____ levels, I _____ it for backups.
 _____ don't know _____ see _____ levels _____ fuel in my _____.
 _____ do I find _____ levels _____ in the _____?
 _____ to check gas _____ in a backup generator.
 How _____ I _____ fuel levels of _____?
 How can I _____ fuel _____ the generator I _____ backups?
 _____ wish to _____ the _____ level.
 _____ do _____ look at _____ in _____ backup _____?
 How _____ for _____ backup generator?
 _____ have a generator _____ for _____ how can _____ check _____?
 _____ have a _____ and _____ do _____ its _____ level?

_____ can I _____ monitor _____ in _____ backup generator?
 I _____ way to _____ if the fuel levels _____ backup generator are _____ or _____.
 I have _____ that _____ for backups, but how _____ I _____ the _____ of fuel _____?
 _____ need _____ assessing _____ fuel levels.
 _____ don't know how _____ levels _____ my generator.
 _____ I confirm the _____ generator's _____?
 _____ do I _____ sure the _____ generator _____ enough _____?
 I _____ checking _____ tanks for _____ power source.
 I _____ generator that I _____ how can _____ how much _____ is in _____?
 _____ on how to monitor _____ unit's _____ levels.
 _____ is a question _____ how to _____ generator's _____.
 What _____ do to verify _____?
 _____ a generator that _____ use _____ backups and _____ to see _____ levels.
 How _____ I see _____ of fuel _____ generator _____ use _____ backups?
 fuel levels _____ gear?
 _____ some _____ the _____ capacity of _____ auxiliary power source.
 How _____ check _____ fuel _____ a generator?
 _____ there a _____ to find _____ how much _____ in _____ backup?
 _____ to check _____ of _____ generator?
 _____ want to find _____ how to _____ my _____.
 _____ tell me _____ to look at _____ power _____ capacity.
 I _____ how _____ generator's fuel.
 Please _____ understand the _____ capacity _____ my _____ power _____
 _____ I get confirmation _____ fuel _____?
 What is _____ generator fuel level?
 I _____ a _____ backups, _____ the fuel levels?
 _____ a _____ know _____ fuel level of my emergency _____?
 _____ trying to determine _____ my backup _____ has _____.
 _____ is _____ of evaluating _____ in a backup _____?
 _____ can _____ level _____ the generator that I use _____ backups?
 _____ it possible _____ emergency power source's _____ levels.
 Is _____ possible _____ backup _____ fuel?
 How can I find out the levels _____ fuel _____ use _____?
 _____ the residual fuel in my _____.
 Need _____ out what's left _____ generator.
 _____ a generator that _____ for _____ how _____ I _____ fuel levels?
 _____ it _____ to know if there is _____ in _____ electricity _____?
 _____ help _____ capacity _____ my auxiliary power source.
 _____ to check _____ for the generator I _____ up?
 _____ have _____ generator that I _____ for _____ how can _____ find _____ fuel _____?
 _____ know _____ to see _____ juice _____ left _____ my backup.
 _____ the _____ levels in my generator?
 _____ to _____ the _____ of _____ the generator?
 How can _____ check _____ levels?
 How to _____ generation _____?
 I have _____ that I use for backups _____ see _____ fuel levels.
 _____ trying to _____ the _____ in my _____.
 Want to know _____ measure _____ fuel in _____?
 I need to _____ measure my _____.
 I need _____ analyzing _____ fuel _____ my auxiliary power _____.

I would ____ to ____ the ____ in ____ generator.
 I ____ a generator ____ use for ____ how can I ____ ____ ?
 ____ if the generator has ____ ?
 ____ to check the ____ fuel ____ in ____ generator.
 ____ I ____ fuel levels on ____ I ____ for backups?
 Any ____ on keeping ____ on the ____ in ____ ?
 I'm trying ____ a ____ if ____ levels in my ____ generator ____ low.
 ____ to ____ whether ____ backup ____ running out of fuel.
 I have ____ generator that ____ for backups, ____ see ____ levels ____ fuel ____ ?
 I use a generator for ____ I ____ levels?
 How ____ I ____ fuel levels ____ generator?
 How ____ see ____ amount ____ gas left ____ the ____ ?
 I ____ some ____ the remaining fuel ____ my ____.
 I need your ____ out ____ to verify ____ in ____ generator.
 ____ for a way ____ know ____ fuel ____ in the ____ up or ____.
 ____ monitor ____ a backup generator.
 ____ I check ____ generator's ____ levels?
 I ____ how ____ check the ____ generator's ____.
 ____ I ____ the levels of fuel ____ the generator ____ use ____ ?
 I ____ like to ____ how to ____ fuel ____ generator.
 I ____ monitoring fuel ____ generator.
 I have a ____ which ____ use ____ backups and ____ I ____ the ____ ?
 ____ I ____ generator's fuel?
 ____ like ____ the backup generator's ____.
 ____ fuel ____ my backup ____ is something ____ in.
 Is ____ possible to determine ____ amount ____ petrol ____ our ____ ?
 How can ____ fuel level?
 ____ wondering how ____ the ____ level in ____ generator.
 ____ there ____ way ____ verify ____ amount of ____ a generator?
 I ____ to know ____ the ____ in ____ generator.
 I ____ a generator that ____ for backups, but can ____ see ____ fuel ____ ?
 Can ____ fuel level ____ ?
 ____ determine if ____ exists enough petrol in the ____ ?
 ____ do ____ out the ____ levels of my ____ ?
 ____ help with ____ the fuel ____ my generator.
 ____ examining the ____ of ____ auxiliary power source ____ required.
 How ____ check ____ fuel ____ for ____ use for backups?
 I want to ____ to ____ fuel.
 How to ____ the ____ with ____ generator ____ use ____ backups.
 ____ regarding ____ procedure ____ my backup unit's fuel levels.
 What do I ____ the ____ level?
 Monitoring ____ backup generator?
 I'm ____ find ____ way ____ know if ____ in my ____ are low.
 ____ can I ____ much ____ I ____ in my generator?
 ____ can I ____ out how ____ gas is ____ the ____ ?
 I'm trying ____ find ____ to know if ____ fuel ____ in my ____ up or ____.
 What is ____ measure ____ genset's ____ ?
 ____ need help figuring ____ what ____ left in my ____.
 ____ can I ____ fuel levels.
 I ____ like to ____ my backup ____ running ____ of ____ .

Please tell me _____ fuel capacity _____ my auxiliary _____.
 _____ how to _____ fuel levels in my _____.
 _____ check _____ on the generator?
 What _____ best way _____ see _____ gas _____ in my generator?
 I _____ guidance on _____ fuel _____ auxiliary power source.
 Will it _____ is enough petrol within the backup _____?
 Can _____ tell me _____ my _____ levels?
 _____ can _____ see _____ fuel _____ the generator that I _____ to _____?
 _____ will I _____ my generator's _____?
 _____ it possible to _____ generator's _____ level?
 _____ there _____ to _____ how much gas is _____ the _____?
 I _____ for _____ the fuel capacity _____ my _____ power source.
 _____ know _____ fuel levels in my generator?
 _____ with the procedure _____ monitoring my _____ fuel _____.
 _____ want _____ the _____ see _____ much _____ is _____ in my backup.
 _____ fuel _____ in the generator?
 Please _____ how to _____ fuel in the _____.
 I'd like to _____ how _____ fuel.
 _____ I _____ the _____ of _____ in my backup?
 Know _____ level _____ in a backup generator.
 Can _____ to _____ gas in the backup generator?
 Need _____ determining _____ fuel _____ my _____.
 I _____ know _____ to check _____ fuel _____ of _____ generator I _____ for _____.
 I need _____ in determining _____ fuel _____ in _____.
 I wonder _____ I _____ check _____ fuel _____ my _____.
 _____ can we _____ to check _____ of _____ generator?
 What _____ best _____ how _____ gas is in my _____?
 _____ have a generator _____ I use _____ to _____ the levels of fuel in _____.
 _____ want _____ fuel _____ my backup power source.
 _____ want to _____ Gen's fuel.
 I have _____ I _____ for _____ how can _____ see _____ levels _____ fuel?
 _____ how I check _____ generator _____ levels?
 Can you tell _____ how _____ check _____ fuel level _____?
 _____ have _____ and _____ I find _____ fuel levels?
 Is _____ a way _____ inspect the _____?
 _____ do _____ the backup generator's fuel _____?
 _____ guidance regarding _____ procedure to monitor my backup _____.
 _____ me _____ advice _____ assessing _____ generator's fuel levels?
