

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	New service connection requests
Inquiry Sub-Category	Alternative energy options
Description	Customers express interest in exploring alternative energy options, such as solar or wind power, and seek information on the feasibility, benefits, and processes involved in connecting these sources to the electricity grid.
Data Size	5,067 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

What is involved _____ turbine _____ the _____ grid?
_____ are steps _____ wind turbine with electrical _____.
How _____ we connect _____ to _____ electrical grid?
What's needed for _____ turbine _____ the _____ grid?
_____ I _____ a _____ generator connected?
How _____ to my electricity supply system.
Tell _____ what you need _____ windmill to _____ lines.
_____ details are _____ for _____ power grid _____ wind _____?
_____ steps are taken to _____ a _____ grid?
How _____ you _____ connecting _____ windmill _____ power network?
Can a wind _____ the electric _____?
I want to know _____ turbine to the _____.
I'd like _____ process of connecting a _____ the electric _____.
Is _____ a _____ for connecting _____ windmill _____ the _____?
_____ is _____ for connecting a _____ to _____ power _____?
How can you _____ a _____ turbine to _____?
_____ are _____ to link wind _____ with _____ electrical _____.
Tell _____ how _____ wind _____ to _____ grid _____ done.
_____ needed for connection of _____ turbine
I _____ know _____ to _____ electric _____ for _____ wind turbine.
What are the requirements _____ wind turbine _____ grid?
When connecting _____ I want to know what _____.
_____ wind _____ can be _____ to the _____.
_____ grid _____ be connected to _____
_____ about the _____ electricity?
The electricity _____ be _____ wind turbine.
_____ you get a windmill to join _____?
How can _____ wind turbine _____ the _____ grid?

_____ connects a windmill _____ electricity?

What information _____ for _____ connection for _____ wind turbine?

_____ know how _____ connect a _____ to the power _____?

Tell _____ attaching a _____ an electrical _____ is done.

How are _____ connected _____ grid?

I _____ like _____ know about connection _____ the _____ grid _____ a _____.

What can _____ the wind turbine and _____?

Is there _____ need _____ when _____ a _____ the power network?

_____ do _____ up a _____ to _____ grid.

_____ needed on _____ power grid _____ for a _____.

_____ steps need to _____ taken to _____ wind turbine _____?

What _____ connectin _____ to _____ now?

I _____ know about connecting _____ wind turbine _____ electric _____.

_____ a _____ turbine get _____ the _____.

_____ electricity _____ could _____ connected to a _____

_____ steps _____ grid _____ for a wind _____.

_____ connecting a _____ turbine _____ lines.

_____ can _____ be connected _____ an electrical _____?

_____ are things we _____ do to _____ into _____ systems.

_____ do you _____ a wind _____ to _____ grid?

_____ can we _____ connect _____ wind _____ to _____ power grid?

The electric grid _____ for a _____ something _____ want _____.

_____ hook a _____ turbine up _____ the power _____?

What's involved _____ linking _____ and _____?

_____ the _____ a windmill to _____ grid?

Know _____ incorporating _____ into _____ grid?

What _____ connect _____ wind _____ to the power grid?

How _____ you connect _____ the grid?

How does _____ windmill _____ electrical _____?

What _____ to connect _____ to the power _____?

What should we _____ to integrate _____ turbines _____?

_____ has _____ connected to the _____ grid.

_____ a _____ turbine _____ the energy supply?

_____ I hook _____ a _____ turbine to _____ grid?

How _____ connect _____ wind turbine to _____ network?

What is _____ connecting _____ turbine to _____ electric _____?

_____ are _____ for _____ grid connection for _____ machines.

How can _____ be connected to _____ existing _____?

_____ required to connect _____ windmill _____ the _____?

_____ the _____ for _____ a wind turbine to _____ electric _____?

Can _____ what's necessary _____ connecting a _____ to the _____?

What can _____ to connect _____ turbine to the _____?

How _____ you explain _____ process of _____ a _____ turbine _____ grid?

How _____ wind turbine connect _____ grid?

There are steps _____ wind turbine _____ grid.

Details required _____ a _____ grid _____ a _____ turbine.

connecting _____ wind _____ grid

Is there _____ we need for _____ systems?

An _____ grid _____ connected to _____ turbine.

_____ do _____ your windmill _____ the _____?

What needs _____ be done to _____ my _____ to _____ ?

How _____ wind _____ to _____ connected.

How do _____ a windmill connect _____ electrical _____?

_____ can the _____ be hooked _____ to the _____?

Is it _____ link a _____ electricity supply?

_____ how to _____ a _____ turbine _____ the grid.

_____ it possible to _____ what's _____ a windmill _____ the power _____?

_____ is _____ to connect a wind _____ the _____.

The _____ is _____ of _____ connected to _____ turbine.

_____ to _____ wind _____ with an _____ network?

_____ can _____ connect to _____ electrical grid?

_____ how _____ turbine _____ attached to the electrical grid.

How _____ you _____ to a grid?

Steps _____ a _____ turbine _____ an _____ network?

_____ needed when connecting a windmill _____ power _____?

_____ that jazz about _____ windmill to _____?

How _____ you _____ a _____ grid _____ a _____ turbine?

_____ should _____ to _____ a wind turbine _____ the power _____?

_____ to _____ a _____ turbine with the grid.

How _____ network connected _____ windmill?

_____ me _____ wind _____ is put on the _____.

Can _____ tell _____ the steps for _____ turbine to _____ power _____?

There is _____ needed _____ to the grid.

How should _____ be _____ to _____ power _____?

_____ wind turbine connected to _____ power grid?

_____ the requirements for connecting _____ wind turbine _____ power _____?

How is it _____ a wind _____ can be _____?

_____ to _____ what happens _____ connecting a _____ the power grid.

Details _____ a power _____ connection _____ wind turbine

What are the steps _____ connect a _____ grid?

Details _____ for _____ power _____ for a wind _____.

_____ do _____ connect a _____ to the electric grid?

_____ want to _____ how _____ turbine _____ connected to _____ electric grid.

_____ electric network _____ connecting _____ windmill?

I have _____ connecting a _____ the electric grid.

_____ do _____ link _____ to the grid?

_____ we link a _____ turbine with _____ electric _____?

Let me know _____ I _____ windmill to _____ power _____.

How _____ you tie a _____ electrical _____?

There are _____ needed _____ power _____ for _____ wind turbine.

I would like to _____ on _____ connecting _____ to _____ grid.

Are _____ steps _____ with electrical network?

Link _____ wind turbine _____ grid?

_____ do _____ the windmill _____ the grid?

What _____ do to _____ a wind _____ my electricity _____?

Can you _____ me _____ required to _____ windmill _____ our _____?

Can _____ explain how _____ hook up _____?

How _____ wind generator _____ electric _____?

_____ you _____ how to _____ turbine _____ the electric grid?

How are _____ steps _____ link _____ wind turbine _____?

____ do ____ turbine ____ sources get ____?
 How to connect a ____ a ____?
 How about ____ to the power ____?
 Take a look ____ power ____ grid.
 How can a ____ linked ____ the electric ____.
 ____ are the things ____ need ____ connect a ____ to ____ ____?
 How ____ electric system ____ generator.
 ____ needed for ____ power ____ connection ____ the wind ____.
 ____ do ____ up ____ windmill to the ____?
 ____ was ____ about ____ process ____ connecting ____ wind ____ the electric grid.
 How do ____ a windmill ____ the ____?
 ____ me ____ I can connect ____ to the ____.
 How ____ get a wind ____ connected ____ network?
 How ____ you ____ a ____ to the ____ grid?
 ____ are ____ a grid ____ for a ____ turbine.
 Tell ____ what's needed ____ to the power ____.
 ____ a wind turbine ____ a ____?
 ____ does a wind ____ the ____ grid?
 ____ is needed ____ the windmill to ____ lines?
 ____ to ____ a ____ and electric grid.
 ____ to ____ electric grid for a wind turbine ____ what ____.
 ____ would like to know ____ on ____ connected to the grid.
 How ____ one link a ____ to ____?
 What ____ you need ____ a wind ____ grid?
 ____ can be ____ with ____ power grid.
 ____ me what is required when connecting ____ windmill ____ power ____?
 ____ wind ____ to connect ____ the grid.
 What can be done ____ connect ____ turbine ____ the ____?
 ____ a wind ____ connected ____ the electric grid?
 ____ me the ____ to take to connect ____ wind ____ to ____?
 ____ connect to ____ electrical grid?
 ____ about ____ windmill ____ power?
 ____ me how it is ____ connect a wind ____.
 ____ to ____ a wind ____ with ____ grid
 ____ would like ____ know what ____ on ____ connecting a ____ turbine ____ an ____.
 There are ____ wind turbine with ____ network.
 Can you ____ us about ____ of connecting ____ turbine ____ the ____?
 ____ do you attach ____ to ____ grid?
 I ____ know about ____ of ____ to the electric grid.
 I want ____ know ____ the ____ between ____ wind ____ the ____ grid.
 ____ to connect ____ wind turbine ____ electric ____.
 The ____ turbine has ____ up.
 There are steps to ____ electric ____ wind ____.
 ____ we ____ a wind ____ the power network?
 ____ a wind ____ connected ____ electrical ____.
 ____ a windmill ____ electric network?
 ____ the ____ connecting a wind turney ____ power lines.
 ____ can be connected ____ electricity ____.
 Is ____ hook-up ____ windmill on an electric ____?
 ____ connect a ____ turbine to my ____ system?

_____ was _____ connection to _____ for a wind turbine.

What _____ you think _____ connecting a windmill _____ our _____?

There _____ questions regarding _____ onto _____.

How _____ is it _____ connect _____ wind _____ power _____?

_____ are _____ that need _____ be done _____ a _____ to _____ grid.

What's the _____ wind turbine _____ the power _____?

How _____ a _____ linked to a _____ grid?

_____ a wind _____ to the _____.

_____ the connectin' a windmill _____?

_____ do you _____ a wind turbine _____ network?

Can _____ tell _____ how _____ a wind turbine's _____.

_____ in connecting wind _____ and _____.

_____ turbine _____ to the power grid?

The electricity _____ capable of _____ to _____ turbine.

_____ to be connected to _____ wind turbine.

How to install _____ turbine _____ power _____?

integrate _____ into _____ systems

What _____ to be _____ place _____ a _____ to the _____?

_____ do _____ windmill to the _____?

What _____ we be _____ integrate wind _____ electrical _____?

_____ link _____ turbine with the electrical _____.

_____ do _____ connect a wind _____ to my _____?

I _____ to _____ connecting a _____ turbine _____ the grid.

Attempts to _____ a wind _____ the _____.

I _____ know the _____ connecting a wind _____ the electric _____.

What _____ necessary for connecting _____ windmill to _____?

The _____ need to _____ connected to _____ grid.

_____ turbine _____ be _____ the electricity _____.

_____ can a _____ be _____ into the _____?

_____ know the _____ of a grid connection _____ wind _____?

_____ you _____ wind turbine _____ the power grid?

What _____ connection _____ windmill to _____?

How _____ I connect the _____ the _____ grid?

_____ take to connect _____ to our _____ network?

_____ you connect a wind _____ the power _____?

_____ happening with linking wind _____.

_____ connecting a _____ to electricity?

What _____ order to integrate _____ turbine _____ electrical systems?

_____ share the process _____ attaching _____ the electrical grid.

Do _____ an _____ needed when connecting _____ to the power _____?

How to _____ wind turbine _____ the power _____?

_____ are _____ for _____ a _____ to _____ electric grid.

_____ it possible _____ hook _____ windmill _____ the _____ line?

_____ are _____ link a wind turbine _____ electrical _____.

How does _____ windmill _____ grid?

_____ do _____ connect _____ wind _____ to the electric _____?

_____ connectin _____ to electricity today?

_____ are _____ to _____ power _____ to a wind _____.

How _____ wind _____ get _____ up to the _____?

I would _____ to _____ the process _____ attaching _____ wind turbine _____.

_____ about connectin' _____ windmill _____ now?
 _____ connect the wind turbine to _____ grid?
 _____ you get the windmill _____ to the _____?
 How does _____ connect _____ the _____ network?
 What _____ we _____ do _____ turbines into electrical systems
 I _____ what goes on when _____ wind turbine _____ grid.
 Is _____ a way _____ link a _____ the power _____.
 How _____ get a wind _____ the power _____?
 _____ connecting _____ turbine to _____ power grid?
 _____ is required for _____ to _____ to the grid?
 What do _____ think is required _____ a _____ to _____ ?
 You _____ to _____ a _____ to _____ grid.
 _____ there _____ need to do to _____ turbine into _____?
 A _____ up on electrical lines.
 _____ a wind turbine to connect _____ the power _____?
 How _____ connections _____ turbine to _____ power _____?
 How do _____ generators _____?
 _____ want to know _____ wind turbine is _____ electric _____.
 Can you tell me what's _____ windmill _____ network?
 _____ are _____ going to _____ a windmill _____ the _____?
 What _____ you _____ to link a _____ to _____ electric _____?
 _____ is a _____ turbine hooked up _____?
 Do you _____ what _____ when _____ windmill _____ the _____ network?
 I _____ to connect a wind _____ electric grid.
 There are _____ onto utility _____.
 How to _____ Wind turbine _____ network?
 A _____ turbine and electricity _____.
 _____ can _____ connected _____ the wind turbine
 _____ know about attaching _____ to the electrical _____.
 _____ am curious about what happens _____ connecting _____ turbine _____ grid.
 _____ about attaching the wind _____ to _____ power _____.
 Steps _____ a wind _____ to _____?
 _____ turbine can be _____ a _____.
 _____ should _____ turbine _____ linked _____ network?
 _____ can _____ connect a wind _____ to the _____?
 Steps to connect a _____ with _____?
 _____ for the _____ grid _____ for _____ machines.
 Tell _____ how a _____ connected to _____ grid.
 Is it _____ to link _____ wind _____ the _____?
 A _____ connected to _____ power network.
 How could a _____ energy generator _____ connected _____?
 _____ you explain _____ connection _____ a _____ turbine _____ the electric _____?
 _____ me how _____ attach a _____ to _____ grid.
 There are steps _____ wind _____ and electric _____.
 _____ an _____ grid be _____ with a _____ turbine?
 _____ for information _____ wind _____ into _____ grid.
 _____ a _____ turbine be _____ electric grid?
 How _____ windmill to _____ grid?
 _____ are you _____ to _____ wind energy _____?
 I _____ like _____ know how _____ wind turbine _____ to the _____.

_____ up _____ windmill to the electric grid?

Can I _____ a _____ the _____ supply system?

What do _____ to connect _____ wind _____ with _____ electric _____?

How _____ get a wind _____ the _____ grid?

What _____ to _____ a wind _____ to _____ grid?

_____ do wind _____ to _____ energy supply?

Is _____ a _____ turbine with the electric grid?

What is _____ to electricity _____?

How can the wind turbine _____ the _____?

_____ needed when connecting _____ windmill _____ our power _____?

_____ you _____ me how to _____ turbine _____ electrical grid?

_____ would like _____ know _____ a _____ turbine _____ to _____ electric grid.

_____ wind turbine _____ a _____?

Let me _____ of attaching a _____ to the _____.

How do you _____ join _____ grid?

_____ does _____ to the electrical _____.

_____ do you _____ wind turbine _____ the _____ grid?

_____ are needed _____ power _____ wind turbine

_____ you integrate _____ turbine into _____?

_____ are _____ for a power _____ wind turbine?

Do _____ have _____ information on the _____ of grid _____ wind _____?

_____ process of attaching _____ wind turbine to _____ grid.

_____ need to _____ steps _____ grid connection for _____ wind _____.

_____ up a _____ to an electrical grid?

Let me know how _____ is to _____ power lines.

_____ you hook up _____ windmill to the _____?

How _____ linking _____ grid done?

_____ would like _____ know _____ into connecting _____ wind turbine _____ electric _____.

_____ tell me _____ of connecting a _____ turbine?

The _____ connect _____ wind turbine

I am interested in _____ a _____ to _____ electric grid.

How _____ a _____ turbine in _____?

Can I _____ turbine connected to _____ grid?

There are steps to _____ electric _____ and _____.

There are _____ connect the _____ turbine _____ the _____.

How can a _____ be _____ a _____ network?

How _____ the _____ and electric _____?

There is _____ a wind turbine _____ the electrical _____.

What _____ used _____ connect _____ turbine to the _____?

What do I need to _____ power _____?

_____ up a windmill to the _____ grid?

What _____ you have to _____ to connect _____ turbine _____ electric _____?

Tell me _____ the _____ of _____ wind turbine _____ a _____.

_____ does _____ wind turbine get _____ the energy _____?

How _____ turbines connected _____ grid?

_____ does wind _____ the grid?

What _____ involved in _____ a _____ turbine _____ to _____ grid?

_____ needed to _____ to the _____?

_____ involved with _____ turbine _____ grid.

How _____ wind _____ to the electrical grid?

Is _____ need to know when _____ windmill to _____ power _____?

How can _____ connect _____ wind turbine _____ system?

_____ want _____ how to get connected _____ grid _____ a wind _____.

There _____ steps _____ a _____ turbine with _____ grid.

How _____ join _____ system and _____?

_____ about the process _____ getting a _____ on _____ grid.

_____ wind _____ be linked to the power _____?

_____ process _____ attaching a _____ turbine _____ electrical grid.

_____ my wind _____ be connected _____ electric grid?

_____ can one connect _____ wind _____ to the _____?

How _____ I connect a _____ generator like mine _____?

_____ there _____ a wind turbine to be connected to _____?

_____ can _____ wind turbine interact with _____?

_____ one hook _____ a windmill _____ the _____ grid?

Is _____ a _____ for connecting _____ wind turbine _____ electrical _____?

How _____ turbine in the _____

How _____ wind turbine with the _____.

How do _____ wind _____ generator to the _____?

_____ do one _____ a wind turbine _____ a _____?

When connecting a _____ turbine _____ the _____ to _____ what goes _____.

How _____ connect _____ the grid?

What _____ be done _____ a _____ power network?

_____ there a procedure _____ wind turbine _____ the electric _____?

Do _____ an idea _____ the process _____ connecting _____ to _____ grid?

How do you _____ to a _____?

_____ to get _____ grid?

_____ do we connect the _____ the _____ network?

hooking _____ wind _____ on electrical _____

_____ for connecting _____ to the electric grid?

A wind _____ can _____ the _____ grid.

I _____ to _____ what the _____ is to _____ for a _____.

How does _____ to the _____?

I _____ to _____ procedures for _____ a wind _____ to the _____.

_____ you _____ what is _____ a windmill to _____ power network?

How do _____ windmill to _____?

Details are _____ for a power _____ a _____.

What _____ have to _____ to _____ wind turbines _____ systems?

_____ we _____ wind turbine _____ the grid?

_____ me about the process _____ a _____ the grid.

_____ a grid with _____ turbine?

_____ you able _____ to connect a wind _____ grid?

_____ you _____ connecting _____ wind turbine to the _____ grid?

Can _____ how the grid _____ a wind turbine _____?

_____ there a _____ link _____ wind _____ with the _____ grid?

How _____ wind turbine _____ the _____?

How do _____ the electrical _____?

How can _____ turbine _____ the grid?

I _____ to _____ what _____ wind turbine _____ connected to the _____.

What _____ connect a _____ to _____ power network?

_____ you _____ me what _____ when _____ a windmill _____ power network?

How ____ you ____ a ____ turbine ____ a power ____?

____ you ____ me about ____ for ____ wind turbine.

How ____ you ____ process of connecting ____ the grid?

How ____ I connect ____ wind ____ electricity supply?

How ____ i connect a wind ____ network?

____ do you connect ____ wind turbine ____ the ____?

How can ____ generator ____ be ____?

____ there an electric ____ for ____ a ____?

The ____ be linked up ____ wind turbine.

Something ____ required to ____ wind turbine ____ the ____.

____ windmill hook-up on the ____?

How ____ windmill ____ to ____ grid?

How ____ wind ____ into the ____ system?

____ the ____ a windmill ____ electricity?

To link ____ wind ____ with ____.

____ need ____ know what ____ when ____ turbine is ____ to ____ grid.

____ to connect ____ with ____ grid?

I ____ to ____ how to ____ power ____ grid.

____ happening ____ the ____ turbine ____ grid?

____ do we ____ to ____ to the grid?

How ____ wind ____ connected ____ grid?

____ there ____ you ____ tell me ____ connecting ____ to ____ power network?

____ required to connect ____ wind ____ the electric ____.

____ wind turbine ____ connected to the electric ____.

____ do we connect ____ generator ____ the grid?

How do ____ procedure of ____ turbine to ____ electric grid?

____ can we ____ to integrate wind ____ the ____?

Please ____ me ____ required ____ connect ____ windmill ____ the ____ lines.

____ on how to incorporate wind power ____.

How ____ wind ____ be ____ to ____ power grid?

I ____ know what ____ when ____ turbine to a power ____.

____ you ____ to link ____ with the electric grid?

The ____ the electric ____ a wind turbine ____ something I ____.

You ____ connect a ____ the electric ____.

____ want to know about a connection to ____ turbine.

There ____ steps ____ a ____ turbine ____ a electric ____.

What is the ____ turbine to ____ power grid?

____ we ____ a ____ turbine ____ the power grid?

How do ____ a wind ____ with ____ Electric ____?

Let ____ what is ____ to ____ my ____ the ____ lines.

How can the wind ____ linked ____ my ____?

Can you show me ____ process ____ a ____ turbine to ____?

____ a wind energy generator ____?

How ____ I get a ____ to ____ electrical ____?

____ you ____ connect a ____ electricity?

____ for the connection ____ a ____ the electric grid?

____ to ____ done ____ integrate wind turbine ____ electrical ____?

Steps to ____ an ____ wind ____.

____ want ____ know ____ wind power into ____ grid.

Can ____ tell me about incorporating ____ the ____?

_____ i connect a wind energy generator _____ ?
 _____ have _____ question _____ to the _____ grid for a _____ turbine.
 _____ me how to _____ the _____ the _____ lines.
 _____ are _____ that _____ taken to connect _____ wind turbine _____ the _____ network.
 _____ is _____ for the windmill _____ to the _____ ?
 _____ to connect a wind _____ grid
 _____ joining _____ wind _____ electric system.
 _____ do we do to _____ turbine to _____ grid?
 _____ involved _____ linking _____ wind turbine _____ ?
 _____ to link a _____ turbine with _____ electric grid.
 How _____ a wind _____ to the grid?
 _____ do I connect a wind _____ network?
 _____ needed in order to _____ a _____ grid?
 Please tell _____ attaching the _____ turbine to _____ .
 How _____ windmills _____ connected to _____ ?
 _____ for _____ power grid connection _____ wind _____
 To _____ wind turbine to the power _____ ?
 _____ are steps to _____ a _____ electric grid.
 _____ does it mean _____ to electricity nowadays?
 How _____ turbine _____ grid?
 _____ me _____ necessary when _____ a windmill _____ our _____ network?
 How _____ a wind turbine to _____ ?
 Can you _____ the _____ of _____ grid _____ for _____ turbine?
 _____ does _____ take _____ integrate _____ turbine into electrical _____ ?
 _____ what's _____ to _____ the windmill _____ the power _____ .
 _____ wind _____ into electrical _____ we need to ask.
 _____ ways to _____ a wind _____ power network?
 Is _____ anything _____ can _____ about _____ a _____ to our power _____ ?
 _____ needed _____ power grid connection _____ turbine
 There are steps _____ wind _____ electrical _____ ?
 _____ are a _____ turbine _____ the _____ ?
 Wind turbine _____ a _____ ?
 _____ power _____ get connected?
 _____ needed for _____ windmill _____ connected to _____ power network?
 What _____ the requirements for _____ turbine _____ systems?
 _____ connecting a wind turbine _____ the electric _____ would _____ happens.
 There _____ required for connecting _____ windmill _____ grid.
 electricity grid _____ connected _____ turbine
 How do you explain _____ of connecting _____ turbine _____ grid?
 _____ wind _____ needs _____ connect to _____ .
 What's _____ linking the _____ turbine and _____ ?
 How can _____ get a _____ generator _____ to _____ ?
 The process _____ attaching a wind _____ an _____ .
 _____ are wind turbine _____ power _____ ?
 What does _____ mean _____ a wind _____ the _____ grid?
 Steps _____ connecting _____ wind _____ the _____ ?
 _____ to connect a _____ power grid?
 _____ get _____ wind turbine _____ be connected to the _____ ?
 How do _____ link _____ the _____ grid?
 Can _____ be linked to _____ grid?

How ____ join ____ generator ____ system?

____ can a windmill ____ hooked ____ to ____ grid?

What ____ do ____ need to ____ connect a wind turbine ____?

How ____ process ____ connecting ____ to the electric grid?

____ would you ____ turbine to ____ power grid?

____ tell ____ about ____ process ____ connecting a wind ____ the ____ grid?

How do ____ turbine with ____ power grid?

____ wind ____ needs ____ be connected with the ____.

Tell me ____ how a ____ is ____ grid.

____ electricity ____ be linked ____ the ____ turbine.

____ do ____ get ____ windmill to be connected to ____?

____ a ____ turbine be hooked ____ to the ____?

____ me ____ the ____ of attaching a wind ____ a ____.

I am ____ sure ____ to ____ turbine to ____ electric ____.

____ there a ____ wind ____ to the electric grid.

____ grid ____ be connected to ____ wind ____

What ____ about ____ windmill ____ electricity nowadays?

Want ____ how to incorporate ____ into ____ grid?

____ do ____ the grid for ____ wind ____ generator?

Could you ____ process ____ connecting ____ turbine to ____ grid?

How ____ connection ____ wind energy generator to ____?

____ are steps to ____ wind ____ to ____ power ____.

____ windmills connect to the ____?

A ____ be connected ____ electric grid.

How can I ____ generator ____ electric ____?

____ want to know ____ on when ____ a ____ to ____ grid.

The ____ be connected to ____ turbine.

how do ____ wind turbine ____ electric grid?

There ____ wind turbine to a power ____.

How ____ I connect a wind turbine ____?

Steps ____ link ____ and ____ network?

How ____ a wind ____ generator ____ gridconnection?

____ there ____ way ____ connect a ____ to the electric ____?

Got ____ power ____ the grid?

____ are ____ required to connect ____ wind turbine ____ the ____.

____ what ____ need to ____ to get my ____ into ____ power ____.

____ may have ____ to the grid.

Now ____ about connectin a ____?

Can ____ a ____ turbine ____ the ____ grid?

____ get ____ turbine ____ grid?

____ to ____ wind turbine to the ____ grid?

There ____ link ____ turbine ____ electrical network.

____ is ____ process of connecting a ____ turbine to ____?

____ turbines into ____ systems?

____ a wind ____ to ____ grid, I want ____ know.

____ link wind turbine with electrical ____

____ one ____ up ____ windmill to ____ grid?

____ can ____ connect ____ wind energy generator with ____?

How ____ wind ____ connected ____ the electricity ____?

____ it possible for a ____ be connected to ____ electric ____?

Linking _____ grid _____ involved.
 _____ the connection _____ windmill to _____?
 _____ about connection _____ the electric _____ for a _____ turbine.
 Tell _____ about _____ a _____ turbine on _____.
 _____ to _____ a wind _____ the _____.
 _____ process _____ connecting a wind turbine to _____ grid?
 How can _____ wind turbine _____?
 _____ steps to _____ wind turbine with the electrical _____?
 _____ me _____ attaching the wind _____ to the _____.
 What do we need to _____ integrate _____ electrical _____
 How is it _____ to _____ a wind _____ power _____?
 I _____ know how _____ electric _____ for a _____ turbine.
 _____ is _____ to _____ a wind turbine _____ electric _____.
 _____ are _____ steps for connecting a _____ turbine _____ a _____?
 Is _____ a _____ connecting _____ wind turbine to _____ electric _____?
 Do _____ what _____ needed _____ connecting a _____ to the _____?
 What needs _____ to _____ wind _____ into electrical _____?
 _____ the _____ a wind turbine to the power _____.
 _____ is required for _____ the electric grid.
 _____ connection _____ a wind _____?
 _____ do you _____ the process of _____ a _____ a _____?
 _____ should _____ to connect _____ windmill _____ power lines.
 _____ can _____ the _____ to a wind _____
 _____ can connect the _____ to _____ wind _____.
 What _____ we do _____ connect _____ power network?
 We _____ know _____ we _____ wind _____ into electrical systems.
 _____ link _____ energy generator to the _____?
 What do _____ to _____ turbine with the _____ grid?
 _____ wind _____ to _____ network?
 _____ a wind turbine with an electrical _____
 _____ would _____ wind _____ connected to _____ grid?
 What is _____ a _____ turney to _____ power line?
 The _____ can _____ to a _____ turbine.
 It is _____ with a wind turbine.
 Integrating wind turbine _____ is _____.
 _____ do I _____ windmill _____ the power _____?
 How _____ the _____ to the _____?
 What is the _____ wind _____ to an electric _____?
 How do you _____ a _____ turbine _____ grid.
 I _____ to know what _____ wind turbine is _____ to _____.
 Is connecting a _____ grid involved?
 There are _____ link a _____ turbine to _____.
 _____ connect a wind _____ to _____ power _____.
 How _____ you _____ a _____ turbine with the _____?
 _____ how to connect _____ wind turbine to _____ electric _____?
 _____ do we need to _____ to put _____ turbines _____?
 _____ for connecting a _____ turbine to the electric _____.
 _____ do _____ connect _____ windmill _____ the electric _____?
 _____ will _____ energy _____ be _____ to the grid?
 _____ connected to my electricity supply system?

Possible _____ to _____ electrical network.

_____ into _____ grids?

Tell _____ the _____ of _____ turbine _____ the grid.

How do _____ a wind _____ an electric _____?

How _____ a wind energy _____ a _____.

_____ the process _____ linking _____ electricity grids.

_____ there _____ steps to _____ with electrical network?

_____ the steps to get _____ turbine connected _____ electric _____?

windmill _____ to _____ network _____?

We don't _____ to do to integrate wind _____ systems.

The details _____ power grid connection _____ a _____.

How _____ a _____ the grid?

_____ about connecting _____ wind turbine to _____ grid.

_____ a _____ turbine be connected _____ the _____ grid?

_____ you _____ a _____ to a _____?

I _____ to know _____ process of connecting _____ the electricity _____.

The wind _____ needs to be _____ grid.

How _____ wind _____ generator connected to _____?

How _____ you connect a _____?

What should _____ connect my _____ power lines?

_____ like to _____ the _____ to _____ grid for a _____ turbine.

_____ put a _____ turbine in a _____?

How _____ a _____ be _____ the electrical _____?

In _____ to connect _____ turbine to _____ what _____ required?

How connect _____ to _____ grid.

How does a _____ on _____?

How do _____ wind _____ generator to a _____?

_____ like to _____ a wind turney _____ power _____?

Details _____ the _____ for wind turbines

How can _____ to the _____?

How is _____ wind _____ to _____ network?

_____ difficult _____ to connect _____ turney to power _____?

_____ you _____ a _____ to the _____ grid?

_____ what _____ when _____ wind turbine to the electric grid.

_____ you hook _____ a windmill to _____ electrical _____?

_____ are _____ to connect _____ wind turbine _____ a _____?

_____ can _____ connected _____ a wind _____

Details are _____ a power _____ for _____ wind _____.

How _____ you _____ a _____ to _____?

Can you _____ us _____ required _____ connecting a windmill to _____?

A _____ turbine _____ electricity grid can _____.

_____ about the wind _____ the _____?

How _____ wind turbine connect _____ grid?

How can I _____ wind _____ to _____ grid?

_____ is connecting _____ turbine _____ the electric grid _____?

_____ required in _____ to _____ a _____ to _____ power grid?

_____ on the power grid _____ for _____

_____ the required for connecting a _____ the _____ grid?

How _____ you _____ turbine to the electric _____.

_____ anything _____ for _____ wind turbine into electrical _____?

There are steps to connecting a _____.

_____ you know _____ windmill to the electrical grid?

Can you _____ me _____ needed when _____ windmill to the _____?

I would like _____ know _____ on _____ connecting _____ wind _____.

_____ requirements for connecting a _____ to the _____?

How _____ your wind _____ the electric _____?

details _____ grid connection for wind _____

How _____ it possible _____ link a _____ a power _____?

How _____ a wind energy _____?

How _____ wind _____ connected to the electrical _____.

How does a _____ get _____?

What needs to _____ done _____ integrate _____ systems

_____ for _____ power _____ connection to _____ turbines.

How might _____ wind _____ be _____ to _____ power _____?

How _____ the _____ turbine _____ the electrical _____?

_____ process of connecting a _____ turbine to the electric _____?

_____ windmill _____ connected to the electricity _____?

There _____ steps _____ connecting a _____ electric grid.

How _____ a _____ work with the _____?

What is required _____ windmill _____ our _____ network?

_____ should a _____ be connected to a _____?

Tell _____ what I need to connection _____ the _____.

_____ me _____ to connect my _____ power lines.

_____ do _____ turbines into _____ systems?

_____ to _____ windmill to _____ power grid?

The electric _____ can _____ linked _____ wind _____.

Integrating wind _____ systems, _____ do we _____?

Someone _____ to know _____ connect _____ wind turbine _____ grid.

how _____ connect _____ generator

I _____ to know _____ goes _____ when connecting a _____ to _____

_____ turbine connect to the _____ grid?

_____ windmill can _____ to the _____.

Tell me what I _____ to _____ with _____ power _____.

The _____ can connect _____ the _____.

Integrating _____ turbine into electrical _____ is _____ we _____ know _____.

_____ know what _____ on _____ a _____ turbine is connected _____ the power _____.

Whatabout connectin _____ electricity _____?

_____ wind _____ electric grid need _____ connected.

_____ connection for wind turbines.

I don't _____ what _____ on when _____ a wind _____ grid.

_____ me how the _____ attached _____ the _____ grid.

How _____ a wind turbine to the _____.

_____ link _____ turbine with electrical _____.

Need _____ integrating _____ into the _____?

How could _____ be _____ to _____ power grid?

hooking _____ turbine _____ electrical lines.

_____ what I have _____ to _____ my _____ connected to the _____.

How does _____ wind turbine be _____ the _____?

How _____ a _____ plugged _____ the _____ grid?

How _____ have _____ turbine _____ the power grid.

_____ connect wind _____ with electrical _____?

Is it _____ up _____ to the _____ grid?

What needs _____ done _____ a _____ a power network?

_____ for connecting _____ wind _____ to the _____?

How do _____ connection _____ wind turbine _____ the _____?

Can you _____ the _____ a _____ connection for _____ wind _____?

What is _____ needs to _____ the grid?

Link _____ turbine with the _____.

Steps to connect _____ turbine _____ network?

I _____ to _____ the electric _____ wind turbine.

_____ link _____ with the power grid?

_____ would like _____ know what's _____ when connecting _____ to _____ power _____.

_____ you hook _____ windmill _____ the power _____?

_____ the procedure for _____ a _____ turbine _____ the _____?

Is it _____ to _____ wind turbine _____ grid?

_____ wind turbine is connected to a grid.

What _____ connect a _____ turbine _____ the electric grid?

_____ is required _____ a wind _____ to _____ power _____?

_____ do _____ a wind turbine with the _____?

_____ electric _____ connection _____ a wind _____ is _____ to know.

_____ of attaching a _____ to the _____ grid

_____ are the steps to link _____ the _____ grid?

_____ can a wind _____ be connected _____ electrical _____?

What needs to _____ when connecting _____ windmill _____ our _____?

What _____ a wind _____ with the electric grid?

_____ electric grid connection _____ a wind turbine _____ I _____ know _____.

I _____ to know about the connection _____ for a _____.

What _____ we _____ to do to _____ wind _____ systems?

_____ to _____ a wind _____ electrical network?

_____ connecting a wind _____ to _____ power _____?

_____ are steps _____ link _____ wind _____ electrical network.

_____ we _____ connect a windmill to _____ grid?

Can a _____ turbine _____ with the _____?

How _____ a windmill _____ the _____ grid?

_____ turbine in grid?

How _____ turbine _____ with _____ electrical grid?

How _____ join _____ generator and electric _____?

How _____ I get a _____ join _____ grid?

Wind turbine _____ electrical systems, what _____ to _____?

_____ can _____ electric grid _____ linked to _____ turbine?

_____ do _____ a _____ generator _____ electric system?

How does one _____ to _____ grid?

Tell me how _____ wind _____ is _____ to _____.

_____ happens _____ you _____ a wind _____ the _____ grid.

There is an electricity _____ a wind turbine.

_____ you _____ needed when connecting _____ windmill to _____ power _____?

_____ can a _____ into the grid?

_____ the process of _____ wind _____ the grid.

A _____ turbine could _____ to _____.

Looking _____ info _____ incorporating _____ power _____ grid.

_____ know about the connection to the _____ grid for _____.

What is _____ connection _____ a _____ nowadays?

_____ you tell me the _____ for _____ wind turbine?

_____ you _____ us what is _____ connecting a _____ the _____ network?

_____ on _____ connecting a _____ electricity?

Tell me _____ like _____ connect a _____ turney to _____ power _____.

_____ link _____ power _____ a wind turbine.

Tell _____ what _____ to connect my _____ to _____ power _____.

_____ do you explain the _____ of _____ to _____ electricity grid?

_____ info about incorporating _____ into the _____.

_____ I connect _____ turbine with _____ electric grid?

_____ to _____ a _____ turbine _____ the _____.

There's a _____ linking _____ turbine _____ the electric _____.

How _____ I have _____ wind turbine _____ my _____?

_____ you _____ wind turbine to _____?

What _____ we need _____ connect _____ wind turbine with _____?

Tell me _____ needs to _____ my windmill _____ the _____ lines.

_____ the _____ of _____ a _____ turbine _____ the electric grid?

_____ steps to _____ a _____ turbine to _____ grid.

_____ want to _____ what _____ takes _____ a wind _____ to _____ grid.

Do you _____ about the steps _____ grid connection for _____?

How _____ you _____ a _____ to an _____ grid?

_____ a windmill _____ electric line?

How _____ the _____ turbine in _____ grid?

What is the _____ for connecting _____ turbine _____?

Can _____ explain _____ needed when _____ the power network?

_____ does _____ take to _____ a _____ with the _____?

Is _____ possible _____ link a _____ the electrical _____?

_____ do to connect _____ wind turbine _____ the _____?

_____ wind _____ connected _____ grid?

What can _____ connect _____ wind _____ the grid?

_____ turbine with the grid?

_____ me what _____ is _____ to attach _____ wind _____ the electrical _____.

The _____ grid _____ connected _____ a wind _____.

How can _____ link _____ wind _____ the _____ grid?

details needed for _____ power grid _____

_____ do _____ need to do _____ put _____ turbine into _____?

It _____ possible _____ link _____ turbine to _____ grid.

_____ details on _____ power _____ the _____?

How _____ wind generators _____ connected _____?

_____ to know _____ a windmill to the _____ network.

What _____ the _____ a windmill

I want to know _____ on when _____ is connected _____.

What _____ to hook up that windmill _____ power _____?

What's _____ in connecting _____ and _____?

I _____ know what _____ on _____ a wind _____ to the electric _____.

_____ do _____ a wind _____ the power network?

How should a wind _____ be connected _____?

_____ to _____ electrical network with _____ wind turbine.

_____ don't _____ to connect a _____ generator to _____ grid.

What details _____ the power grid to _____ turbine?

_____ needed to connect a _____ turbine _____ electric _____?

_____ involved with connecting the wind _____?

I want _____ about the connection _____ the electric _____ wind _____.

What is _____ connecting a _____ the _____

I _____ to know _____ process of _____ to the electrical _____.

What is _____ linking the _____ the grid?

_____ wish to _____ what goes _____ a wind turbine to _____.

_____ connecting _____ turbine _____ the _____ grid, I want to know _____.

_____ a _____ turbine connected to the _____.

There _____ to be a power _____ turbine.

How do windturbines get _____?

I want to _____ happens _____ wind _____ to the _____ grid.

Tell _____ is _____ connect the wind _____ the power _____.

Something is _____ connecting a _____ to our _____.

How _____ one link _____ with _____ grid?

_____ can _____ have _____ turbine connected _____ the _____ supply?

How do _____ link a _____ turbine with _____?

What is _____ to _____ wind _____ to a _____?

How _____ you connect _____ grid with _____?

How _____ wind turbine link _____ grid?

_____ link a _____ with the grid?

How _____ connect _____ - _____ network _____?

_____ take to link _____ wind turbine with _____ power _____?

_____ involved _____ a _____ turbine and _____?

_____ you _____ a wind turbine _____ the _____ grids?

_____ want to _____ is involved in _____ turbine to the _____.

How does a _____ generator _____ connected _____ the _____?

_____ needed _____ grid _____ wind turbines

_____ is _____ for the electricity grid _____ be connected _____.

_____ connects _____ turbine _____ grid?

_____ can you connect a wind _____ grid.

_____ like _____ know _____ connection to _____ electric grid for _____ wind _____.

_____ steps _____ connect a wind turbine _____ the _____.

Details needed _____ power _____ wind turbines.

Is _____ anything _____ needed _____ connecting a _____ power network?

How _____ the wind _____ electric _____ joined?

How do _____ connect the _____?

There are _____ to _____ network with _____ turbine.

Tell _____ the _____ attaching a wind _____ to the _____.

When _____ a _____ turbine _____ the electric _____ do _____ do?

_____ would _____ be connected to _____ power network?

_____ to happen to integrate wind _____ systems?

_____ me _____ is needed to connect _____ windmill _____ power _____.

_____ do _____ a wind turbine with the _____?

_____ you _____ me _____ needed to _____ turbine to the grid?

How might a wind _____ the _____ grid?

How to _____ power _____ with _____ wind _____?

_____ connect _____ wind energy _____?

_____ can _____ do to _____ windmill _____ the _____ network?

How _____ turbine to _____ power grid.
_____ about _____ windmill to the _____?
How can the _____ be connected _____?
_____ are _____ to _____ to _____ wind turbine into _____ systems?
How _____ turbine _____ connected to an electric _____?
_____ does one link a _____ to _____ grid?
How do _____ Wind _____ with the _____ grid?
_____ want _____ about connecting _____ turbine to the _____ grid.
_____ to connect _____ to power _____?
_____ want _____ know what _____ when a _____ turbine _____ to _____ grid.
How will I _____ a _____ generator _____ the _____?
What is happening with _____ grid?
_____ you _____ wind _____ with _____ grids?
_____ a procedure _____ wind generator _____ electric system?
_____ do you get _____ link to _____ power grid?
_____ want to _____ what _____ the wind turbine _____ connected _____ the _____.
Can you give _____ of _____ grid _____ for a _____?
_____ when _____ turbine is _____ the electric grid?
How _____ a wind turbine be _____ power _____?
What _____ the steps _____ connection _____ wind turbine?
Steps _____ link wind _____ to _____
_____ for connecting _____ turbine _____ the _____ network
What _____ process _____ windmills and _____?
_____ does _____ windmill to _____ grid?
_____ hook up a _____ turbine?
There _____ some _____ for _____ a wind _____ to _____ grid.
_____ want to _____ what happens when _____ wind _____ to _____ grid.
_____ tell _____ the process _____ attaching a wind _____ grid.
_____ to _____ wind turbine connected to _____?
_____ would like _____ steps of _____ connection for a _____.
_____ do _____ wind _____ in _____ grid?
Need some _____ on incorporating _____ the _____?
_____ linking _____ wind turbine and _____?
_____ you _____ the _____ for _____ a wind turbine _____ grid?
How do you _____ to a power _____?
_____ does _____ connect to the _____?
_____ what is _____ to connect a _____ to our power _____?
How _____ a wind _____ to the power _____?
_____ a _____ turbine be LINKED to the _____?
_____ going _____ connect a _____ turbine to the _____?
How do _____ a _____ a power grid?
What are the _____ connecting _____ windmill _____ power _____?
Can _____ link _____ turbine to _____ electric _____?
_____ are the _____ to connect a _____ turbine _____ network?
_____ to _____ a wind turbine to the _____.
How _____ connect a _____ turbine to the _____?
_____ should one link a _____ to _____ grid?
How do you _____ the _____?
_____ it possible _____ wind turbine to _____ electrical _____?
There are _____ connect an _____ grid and _____.

_____ know what _____ to integrate wind turbine into _____ systems.

_____ wind _____ into electrical systems is _____ we _____.

_____ integrate _____ turbine into _____ electrical systems?

_____ can you _____ wind turbine work _____ grid?

Integrating _____ into _____ is _____ that _____ to be done.

_____ are the things _____ integrate _____ turbines into _____ systems?

How can the wind _____ to _____ network?

_____ can you _____ a _____ generator?

There are _____ link wind turbine _____.

_____ wind turbine _____ to electrical _____?

_____ can you connect _____ wind turbine _____ grid?

There are _____ to connect _____ turbine _____ network.

What will it _____ a _____ turbine to _____ grid?

How _____ wind _____ turbine into _____?

I _____ know _____ when _____ a wind _____ a grid.

How _____ a windmill _____ electrical grid?

How _____ wind _____ electric system.

_____ me how _____ a wind _____ the electric grid.

How can _____ turbine be linked to _____?

How _____ turbine connected _____ energy _____?

What is _____ required _____ connecting a _____ grid?

_____ do we _____ to _____ integrate wind turbine's into _____?

_____ electricity _____ connect _____ a _____ turbine.

_____ anyone know _____ to _____ wind turbine _____ the _____?

_____ do _____ get _____ turbine _____ the grid?

I _____ like to know _____ happens when you _____ a wind _____.

What _____ for a windmill _____ connect _____ grid?

I _____ happens if _____ wind _____ is connected _____ the grid.

How _____ you _____ turbine in _____?

How can _____ turbine be _____ my _____ system?

You _____ turbine _____ the grid.

The _____ connected to a wind _____.

How do _____ turbine with _____ electric grid.

_____ needed for a power grid connection _____.

What do _____ to connect a windmill _____?

_____ is _____ for _____ a _____ to _____ grid.

_____ want _____ what happens when _____ a wind turbine _____ the _____.

Want _____ more _____ incorporating wind _____ into the _____.

What _____ connecting _____ turbine to the _____ grid?

Inform _____ what I need _____ my _____ to _____ lines.

Let me _____ what's _____ to _____ windmill to the _____.

What _____ I do to get _____ lines?

Steps _____ wind _____ with _____ system?

_____ be linked to the electricity _____.

_____ tie a _____ the grid?

_____ you incorporate wind _____ into _____?

_____ information on _____ wind _____ into _____ grid.

_____ wind turbine connect _____ the _____ grid?

_____ windmill to electric _____?

How _____ link _____ wind _____ to _____ grid?

_____ do wind _____ get _____?

How _____ a wind _____ have a grid connection?

_____ is the procedure for _____ windmill to _____?

_____ bring a wind _____ to _____ grid?

_____ can _____ connect a wind energy _____ a _____?

_____ required to connect the windmill to _____.

There are _____ to connecting a _____ turbine _____.

_____ interested in _____ of attaching _____ wind _____ to the _____.

_____ regarding _____ power _____ the grid.

_____ wind _____ be _____ to the electricity _____.

What is involved with _____ a _____ grid?

_____ required to _____ a wind turbine _____ the _____?

Steps _____ with the electrical network.

Details are _____ connection of _____ wind turbine.

_____ can _____ turbine _____ connected to the _____ supply _____?

Could you tell _____ about _____ process _____ wind _____ to the _____?

Please _____ me about _____ process _____ a _____ to _____ grid.

What details _____ for a _____ for wind _____?

The _____ may need _____ connect to _____.

Do you know what's _____ a _____ power network?

_____ hard _____ connect _____ wind turney to _____ lines?

_____ to _____ a wind _____ to power lines?

How can I connect a _____ energy _____ mine _____?

_____ of _____ turbine _____ grid

How _____ wind energy _____ get connected to _____?

The windmill has _____ hooked _____ to the _____.

What _____ required in order to _____ to _____ grid?

_____ it _____ need _____ connect _____ wind _____ to _____ electric grid?

_____ something _____ need _____ to integrate wind _____ into electrical _____?

_____ are steps to _____ wind _____ with _____ electrical _____.

How do _____ connect a _____ turbine _____ power _____?

_____ it _____ like to connect a _____ to power _____.

Can _____ tell me about the steps of _____ wind _____?

_____ a _____ to _____ a wind _____ with an electric _____?

How do you link _____ power grid?

What do you know _____ a _____ turbine to _____?

_____ can _____ wind turbine be connected _____ an _____?

How would _____ the process _____ connecting a wind _____ the _____?

_____ is _____ connecting wind turbine _____?

_____ you make _____ link _____ a _____ turbine and _____ grid?

Working _____ lines _____ a wind _____.

_____ know _____ when _____ wind turbine _____ to the electric grid

What does _____ to _____ wind _____ the electric grid?

How do you _____ a _____ connect to _____ network?

What _____ in connecting the wind _____?

_____ needs to _____ power grid connection _____ wind _____.

Can _____ explain the _____ for _____ wind turbine?

How can you _____ a _____ to _____ grid?

_____ is _____ a wind turbine _____ the electric grid.

_____ turbine be linked to the _____ grid?

What do _____ to _____ to make _____ turbine _____ electrical _____?

What do you _____ to _____ to _____ electrical grid?

_____ do you link _____ to a _____?

_____ do you link _____ turbine with _____ grid.

_____ what it is _____ to _____ to the power lines.

_____ in _____ to connect a wind turbine _____ grid?

How is it _____ to _____ a wind _____ grid?

Is _____ procedure _____ connect _____ wind turbine to _____ grid?

_____ is _____ connect _____ wind turbine _____ the grid?

How can I _____ wind turbine _____ the _____?

_____ it _____ we _____ do _____ wind turbine into electrical systems?

Integration _____ turbine _____ electrical systems, _____ we need?

What is _____ process for _____ wind _____ a _____?

_____ to electric grid _____ wind _____

How _____ turbine to the _____ network?

_____ should you _____ a _____ turbine _____ power network?

It's _____ a _____ turbine and electric _____.

_____ wind _____ to energy supply?

_____ the procedure _____ connecting _____ wind turbine _____ grid?

Could you tell _____ about _____ process _____ connecting _____ wind _____ to _____?

Was _____ for _____ wind _____ to the electric grid?

How _____ a power _____ with a _____.
