

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Engine Misfires
Description	Inquiries regarding the check engine light being triggered by engine misfires due to problems with ignition coils, spark plugs, or the fuel system.
Data Size	5,029 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Is the _____ light on due _____ ignition _____?

The light up check engine _____ faulty _____.

_____ check engine _____ up because _____ a _____?

_____ Engine _____ on because _____ broken coil?

Does _____ Check _____ come from _____ coil?

Someone _____ if the check _____ light _____ malfunctioning coil.

_____ check engine _____ signaling _____ with the ignition _____?

Is the _____ to a _____ in _____ ignition _____?

Is _____ Check _____ on _____ a bad coil?

Someone is _____ check _____ light _____ of a _____ ignition coil.

There _____ a _____ up _____ engine is due _____ a faulty ignition _____.

_____ like _____ check _____ light is _____ by a faulty _____ coil.

The _____ engine light _____ the faulty _____ coil.

Is this _____ issue?

_____ question, is the _____ engine _____ signaling a _____ the ignition _____.

_____ be a _____ of an issue with the coil _____ car.

A question is _____ as to _____ check engine _____ on due _____ instrument _____.

_____ asking _____ the light _____ due to a _____ coil.

_____ light _____ on and is it because _____ a _____?

A faulty ignition coil _____ blame _____ lit up _____.

The _____ glow _____ my ignition coil.

There is a _____ igniter.

The check _____ light _____ a _____ ignition coil.

_____ the check _____ light a consequence _____ ignition _____?

_____ check engine _____ that _____ car has an _____ with _____ ignition coil.

_____ lit _____ check engine _____ have _____ caused by _____ faulty _____.

Does the check engine light are _____?

The _____ engine _____ by _____ faulty ignition coil.

Someone wants _____ the _____ due to _____ malfunctioning ignition coil

____ it possible that ____ light ____ is ____ to ____ faulty coil?
 ____ check engine ____ is ____ telling ____ that the coil is ____?
 ____ to do ____ a bad coil ____ engine has ____ on?
 ____ to know if the ____ tells me ____ there is ____ faulty ignition ____.
 ____ indication might be ____ faulty ____.
 ____ ignition issue ____ light ____?
 ____ wondering if a malfunctioning ____ cause of the check ____.
 The Check Engine ____ but is it ____ a bad ____?
 It's ____ the check engine light signaling ____ with ____ ignition ____?
 ____ if ____ check engine light is due ____ the ____ coil.
 ____ engine may ____ lit ____ by a faulty ____.
 ____ check ____ light may be malfunctioning due ____ problem.
 There's a ____ engine ____ I would like ____ know ____ it ____ a ____.
 ____ the ____ check engine indicator ____ a problem ____ coil?
 ____ is a question about the ____ light ____ a ____
 ____ to know if the check engine ____ ignition coil.
 ____ the check ____ saying the fault is ____ the ____?
 Is ____ check ____ indication related ____ ignition?
 ____ check ____ indication caused ____ igniter?
 ____ an ____ with the ignition coil ____ the ____.
 ____ checked ____ a ____ ignition coil?
 ____ because of a bad ____ light ____ on?
 ____ the ____ engine ____ a ____ of a malfunctioning ____?
 ____ you ____ if ____ check engine light is ____ faulty coil?
 ____ has ____ on, ____ is ____ because of ____ bad coil?
 ____ check ____ come ____ a faulty ____?
 ____ check ____ light ____ because of a ____ coil?
 ____ like to know if ____ light ____ indicator ____ faulty coil.
 ____ to ____ the ____ engine light ____ on due to ____ coil problem
 ____ know if the ____ is telling ____ that the ignition ____ is ____?
 ____ the ____ coming from ____ bad ____?
 ____ asked ____ check ____ light was due ____ the ____ coil.
 The engine ____ is on because ____ ignition coil.
 I wonder if ____ light ____ due ____ faulty coil.
 ____ check engine light ____ be ____ by a ____.
 Is the illuminated check ____ related ____ a ____?
 ____ the check engine ____ sign ____ a bad ____?
 There's a ____ engine ____ a bad coil?
 The check engine ____ up ____ a faulty ____.

The check _____ light _____ be telling you _____ is _____.

_____ coil to _____ for the _____ light _____ on?

Is the _____ blame for _____ engine _____ malfunctioning?

Is _____ a _____ coil that causes _____ light?

_____ engine light is _____ be _____ by _____ faulty _____ coil.

I would like _____ engine light _____ the _____ with my _____ coil.

A _____ is _____ check engine light _____ bad _____?

Does _____ up _____ to a faulty coil?

_____ a _____ on because of a bad coil?

_____ the _____ engine _____ because _____ has _____ faulty coil?

_____ from the bad ignition coil.

A _____ is asking _____ the _____ light is because _____ malfunctioning _____.

_____ check engine _____ due _____ a faulty ignition _____.

There is _____ question _____ the _____ engine light _____ because of _____ coil _____

_____ the engine has a _____ on _____ the _____?

Did _____ check _____ go on _____ of _____ bad _____?

_____ questioning if the check engine _____ is _____ ignition coil.

_____ if the _____ engine _____ due to _____ malfunctioning coil

Light _____ a malfunctioning ignition coil.

The question is, _____ check _____ bad _____ coil? "

_____ it _____ of a _____ coil _____ has a _____ on?

_____ a question on _____ the _____ is on because _____ a coil _____.

There's a question, _____ check _____ a _____ a _____ the coil?

Is the check engine _____ because there's _____?

There _____ a _____ the _____ engine light _____ on because of an _____.

Does the _____ indicate _____ is wrong _____ the _____?

_____ a _____ if _____ engine light _____ due to _____ coil problem.

_____ check _____ light _____ I would _____ know if _____ a _____ coil.

There is _____ question, is the _____ signalling _____ ignition _____?

Has the check _____ light _____ malfunctioning coil?

There's _____ the _____ light signaling a problem _____ ignition coil?

_____ engine _____ might be _____ a bad _____.

_____ the check engine _____ on _____ of _____ faulty _____?

I'd like _____ the check _____ light _____ me a _____ coil.

_____ the _____ engine light _____ about the fault _____ coil?

Is the _____ light _____ to a _____ ignition _____?

_____ question _____ if the _____ engine _____ signals a problem with _____.

I'd _____ to _____ means a faulty ignition coil.

_____ light on because _____ bad coil?

_____ the _____ light a _____ of _____ the ignition coil?

_____ a malfunctioning _____ the cause _____ the _____ light?

_____ it _____ a _____ that the engine light _____ on?

I'd like to know _____ engine _____ tells _____ that _____ faulty _____ coil.

_____ ignition coil is _____.

_____ lit _____ a result _____ faulty ignition.

The _____ engine light _____ a _____ the car is _____ an _____ with _____ coil.

What is the _____ on: ignition _____?

There _____ question as to whether _____ on _____ an instrument coil _____.

_____ malfunctioning _____ may have caused the _____ light _____ flash.

The check _____ light _____ by the _____ coil.

_____ know _____ the check engine light is _____ to _____ coil.

There's a question _____ the _____ signalling _____ with _____ coil.

_____ it be _____ light is due to _____ faulty _____?

Is _____ check _____ light coming _____ faulty _____?

I _____ the check engine _____ is a sign _____ a faulty _____.

_____ the _____ engine indication a _____ faulty _____?

Was _____ check engine _____ by _____ ignition coil?

There's _____ check engine _____ but is _____ telling _____ that _____ ignition _____?

_____ is a _____ whether _____ engine light is _____ due _____ a coil _____.
 _____ chance _____ the _____ engine _____ is a sign _____ problem with the _____ coil.
 Does the check _____ light _____ on _____ to _____ malfunctioning _____?
 Does the _____ a bad _____?
 Is _____ bad _____ the _____ that the engine _____ light _____?
 _____ coil _____ reason for _____ engine light on.
 _____ the faulty coil _____ for the _____ engine _____?
 _____ is _____ engine _____ but _____ it _____ you that the coil _____ vehicle _____ malfunctioning?
 _____ lights up _____ to faulty _____?
 Is _____ check engine light _____ coil issue?
 _____ is a _____ of if _____ engine _____ is on _____ instrument coil _____.
 I wonder _____ on because _____ a bad coil?
 _____ engine light signaling _____ problem with the _____?
 _____ check engine light is _____ sign _____ have _____ problem with _____ coil.
 A lit _____ might _____ faulty ignition.
 _____ check _____ light might have _____ triggered by _____ coil.
 _____ ignition _____ malfunctioning?
 _____ engine light _____ or _____ on due _____ instrument coil problem.
 Is the _____ engine _____ telling me _____ is malfunctioning?
 There _____ a _____ whether the _____ is on _____ of an _____ problem.
 _____ want _____ know if _____ engine _____ a faulty ignition _____.
 _____ check engine light _____ malfunctioning coil?
 The check _____ light _____ have been triggered _____ a _____.
 _____ queries if the _____ engine _____ to _____ malfunctioning coil.
 there _____ as to whether the check _____ light is _____ due _____ an _____
 I'd _____ to know _____ is _____ to a faulty _____ coil.
 _____ check _____ light _____ a sign of _____ with _____ ignition coil.
 _____ like to know _____ engine _____ a faulty ignition _____.
 Is _____ engine light signifying _____ the ignition _____?
 Someone asking _____ check _____ light _____ due to _____ coil
 _____ is on because of _____ instrument coil _____.
 Is the check _____ light telling _____ my _____?
 _____ show a problem with the _____.
 _____ engine for _____ fault?
 Is the _____ engine _____ telling me _____ a _____ with _____ ignition _____?
 _____ malfunctioning _____ to the faulty ignition coil.
 _____ wondering _____ check engine _____ is _____ to a _____ with the _____.
 There _____ check engine _____ and _____ a malfunctioning _____ coil.
 _____ question _____ the _____ engine light is on _____ instrument coil problem.
 Does _____ check _____ mean _____ the _____ coil _____ malfunctioning?
 Is _____ engine _____ after a faulty _____?
 Check _____ it ignites due _____ coil fault.

Is the check _____ a fault _____ the _____ coil?

Is _____ reason _____ the light _____ check _____ due to _____ faulty _____?

Is the check _____ light up _____ damaged _____?

_____ there a check _____ light telling _____ the _____ the _____?

_____ the check _____ light _____ after _____ faulty _____?

_____ a _____ engine light _____ could _____ a _____ coil.

Is _____ check engine light up _____ to _____ coil?

The _____ engine _____ have _____ lit up due _____ a _____ the _____.

_____ the bad coil _____ cause of _____ engine _____?

Is _____ on the coil _____ issue?

_____ to blame for _____ check engine _____?

There's _____ question: _____ the _____ engine light signalling _____?

The light up _____ engine _____ to a faulty _____.

_____ check _____ may _____ to do with the bad _____.

_____ if _____ engine _____ is _____ because of an instrument coil _____.

The _____ engine light _____ of a faulty _____.

It _____ that _____ check engine _____ a malfunctioning _____ coil.

A _____ coil is _____ the engine _____ on.

Is check _____ indication _____ faulty _____?

_____ lit check _____ possible _____ to _____.

Bad coil is _____ light _____?

I'd like _____ the _____ engine light _____ me that there's _____ with my _____.

_____ illuminated _____ engine indicator can indicate _____ faulty _____.

_____ faulty _____ the _____ the _____ indication?

The _____ could be the _____ of _____ ignition coil.

_____ bad coil may be the _____ the _____ on.

Is that the check _____ light is _____ because _____?

_____ check _____ a _____ car _____ have a problem with _____ ignition coil.

_____ check _____ light _____ when _____ coil is faulty?

Is _____ a problem _____ the _____ due _____ coil?

_____ because _____ a bad coil the check engine _____?

_____ a question: _____ there _____ problem _____ the ignition _____?

The _____ up _____ be due to _____ faulty _____.

There _____ check engine _____ is _____ telling _____ that _____ coil _____ malfunctioning?

_____ the faulty coil to _____ the _____ on _____?

_____ is a question, _____ the _____ engine _____ signaling a _____ the _____?

_____ the _____ light _____ an issue _____ ignition coil?

It's _____ that the _____ check _____ due to _____ ignition coil.

_____ there been _____ malfunctioning _____?

Is the _____ engine _____ ignition coil?

Is the engine light _____ from _____?

_____ a _____ ignition _____ cause the check _____ light _____?

_____ engine have a light _____ due to _____?

_____ may have been _____ because of _____ faulty _____ coil.

_____ question is if the check _____ light _____ a _____.

_____ check _____ light up _____ to a _____ problem?

Is _____ check engine _____ a _____ coil?

Is the checking _____ of a _____ coil?

There's a check engine light _____ I'm _____ coil.

Someone _____ questioning _____ the engine _____ is _____ to _____ coil.

_____ check _____ light mean the ignition _____ is _____?
 Is _____ engine light _____ me _____ the ignition _____ malfunctioning.
 _____ the check engine _____ a _____ with the _____?
 _____ a question: is the check _____ signaling _____ the _____ coil?
 The check engine light _____ to _____ malfunctioning _____.
 I _____ if _____ light _____ related to a bad _____.
 Is the _____ a sign _____ the _____ coil is _____?
 The check engine _____ could _____ triggered _____ a _____.
 The _____ engine light may be _____ an _____ the _____.
 _____ question if _____ check engine _____ a _____ with _____ ignition coil.
 _____ like _____ if the check _____ light _____ the sign _____ a _____ ignition _____.
 _____ a question as _____ whether _____ engine light _____ with the coil.
 Did the check _____ signal _____ of _____ coil?
 Is the check _____ indication _____ the _____?
 _____ check _____ is _____ sign of _____ faulty ignition _____.
 The check engine _____ is _____ it _____ to _____ problem?
 A _____ to whether the check _____ light _____ on _____ to _____ coil _____
 _____ wonder if the check engine _____ comes _____.
 _____ check engine _____ is it _____ ignition coil?
 _____ if the _____ engine light _____ a _____ coil.
 Maybe _____ engine _____ is on because _____ coil?
 The _____ light is _____ of the _____?
 Is _____ lit check _____ of _____?
 There _____ ignition _____ fail.
 The _____ light _____ due to the _____ coil.
 Is _____ the engine _____ with a _____ coil?
 the _____ engine _____ may _____ triggered _____ a _____ ignition coil
 _____ the check engine _____ up due _____ a _____?
 Is _____ a _____ coil?
 _____ coil caused _____ check _____ light?
 I'd like to _____ whether _____ engine light _____ about _____ ignition _____.
 _____ because of _____ coil that the _____ is _____?
 _____ check _____ light may _____ signaling a _____ with _____ ignition _____.
 It _____ check engine light is on due _____ problem.
 _____ there _____ ign _____ fault?
 There's _____ engine light, is it _____ ignition _____?
 _____ engine _____ up _____ be due to _____ coil.
