

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Leak detection and repair assistance
Inquiry Sub-Category	Leak detection methods
Description	Inquiries about the different techniques and approaches used by utility companies for detecting leaks in water and wastewater systems.
Data Size	5,026 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

What kind ____ technology ____ these ____ regarding ____ potential sources ____ pipeline ____?
____ am curious ____ technical ____ used ____ find potential pipeline ____?
____ kind of ____ to find leaking ____ systems?

What type of ____ are used ____ pipe leak?
____ are ____ technology to ____ leaks in ____ pipes?
____ methods are ____ leaking pipes?
____ was wondering what ____ is used ____ spot ____.

What sort ____ technology ____ used ____ sources ____ in pipes?
____ want to ____ these guys ____ to spot ____ pipes.

What ____ of ____ by organizations to ____ leaks in ____ piping ____?
____ would like ____ how ____ organization ____ technology to identify ____ pipelines ____.
____ these groups ____ specific ____ find possible leaks from ____?

What are methods ____ leaks ____?
____ methods ____ used ____ in the pipe?

What ____ identifying pipe ____?
____ used ____ potential ____ for leaks in ____ piping system?

I'm curious ____ the tech you ____ locate ____.

What kind ____ are ____ to detect ____ the ____?
____ of tech ____ used ____ identify potential ____ system ____?
____ methodologies are used to ____ in ____?
____ is the use ____ tools ____ leaks in ____?

What ____ to ____ the ____ in the pipes?

Which technology ____ utilized ____ potential ____ for leaking ____?

What ____ the ____ these organizations to identify ____ pipe breaks?
____ technology ____ utilized ____ find ____ leaking pipe ____?
____ are ____ technology to find ____ leaks?

What ____ or methods ____ used to ____ the ____?

How ____ technology used to ____ leaks in ____ PIPELINE?
____ is ____ find leaks in ____ pipes.

Hey ____ I'm ____ the ____ you use to find ____ ____ ____.

What ____ technology is used by organizations to ____ ____ leaking ____ ?

What ____ used ____ detecting pipeline ____?

____ if ____ any gizmos that can detect ____ want to ____?

____ these ____ use ____ ____ detect leak from ____ lines?

____ kind ____ you use to identify ____ leaks within the ____ ?

Do these ____ use specific technologies ____ identify ____ sources ____ ____ pipes?

____ kinds ____ in detecting leaks in pipes?

What ____ tools are used ____ find leaking ____ ?

What is ____ use ____ equipment for ____ causes ____ pipes?

____ want ____ if these guys ____ tech to ____ pipes.

____ the organizations using ____ to discover ____ source ____ leaks?

____ curious ____ they have any ____ detect when ____ a leak?

How are the ____ using ____ find the source ____ the ____ ?

____ sort of ____ are used ____ potential ____ in ____ pipes?

____ you use any special ____ leaks?

What ____ of ____ used to ____ leaks ____ the ____ system?

____ methods are ____ that are leaking?

____ type of technology ____ used to ____ pipe ____?

What ____ is ____ to find potential sources ____ ?

____ kind ____ or ____ are used ____ detecting ____ in pipeline?

____ used to ____ pipes leaks?

____ kind ____ tech is ____ to ____ piping leak?

What ____ of ____ is being ____ to ____ pipe ____?

____ of ____ is ____ identify ____ leakages within the piping ____?

____ kind ____ technology ____ used ____ find potential ____ pipes leaking?

How are companies ____ find leaks ____ line?

How ____ organizations ____ to ____ out the source ____ the ____ the pipe ____?

How ____ organizations using technology ____ find ____ the ____ the ____ work?

____ a ____ to illuminate ____ technological methods adopted ____ these ____ identify pipeline ____?

____ is ____ used to discover the source ____ leaks ____ ?

What ____ for ____ in pipeline?

What sort ____ technology is used to ____ ?

____ have ____ that ____ detect when pipes start leaking?

____ are ____ to find ____ in ____?

____ system ____ they ____ identify ____ leaking?

____ tools ____ used ____ identify possible ____ ?

____ are ____ methods that are ____ to find ____ leaking ____ ?

Can ____ tell ____ what ____ sharp at ____ pipe messes?

Which technology ____ used ____ the ____ potential ____ pipe sources?

____ equipment assist in ____ discovery ____ causes ____ leaking pipes?

What ____ of technology ____ used ____ potential ____ pipes?

I'm ____ the ____ approaches that ____ to find potential ____.

I'm ____ the technical approaches used to ____ pipes.

____ type ____ technology is used ____ find potential ____ in ____ ?

____ what technology ____ used to spot pipe ____?

____ sort ____ technology ____ to ____ leaks in ____ pipe system?

What kind ____ tech is ____ to ____ leaks ____ the ____ ?

____ used to spot ____ damage?

Tell me ____ the ____ these guys ____ leaking ____?

How are _____ using technology to _____ in _____?

_____ can organizations use _____ to _____ the pipes?

_____ are the _____ to spot _____ in the _____.

_____ me _____ tech these _____ use _____ spot leaking _____?

Is _____ a way _____ illuminate the technological methods used _____ identify _____?

Do _____ use _____ technologies _____ detect _____ the pipes?

What _____ is _____ organizations _____ sources in _____ piping systems?

_____ using _____ technologies _____ leaks from the pipes?

Organizations _____ potential _____ in the pipe line.

_____ technology is used _____ sources of _____ pipe?

Do _____ organizations _____ find leaking pipes?

How _____ these _____ to _____ leaking pipes?

_____ are organizations _____ to _____ potential leaks in _____?

How _____ methods used to _____ leaks _____?

I would _____ used for identifying pipe leaks.

What _____ of tech is used to _____ leaks in _____ organization?

_____ technology to find the _____ leaking pipe?

_____ technology is used _____ find _____ the piping systems?

_____ technology is used _____ organizations to find _____ in the _____?

_____ you _____ me _____ used to _____ leak origins in _____ pipe?

Can _____ us _____ used to identify pipe _____?

What methods are _____ leaks _____ the _____?

What _____ technology _____ being used _____ potential _____ damage?

_____ are some _____ used to _____ leaks in _____ pipes?

_____ types of tools _____ leaks in the _____?

_____ does _____ equipment help _____ for causes _____ leaking pipes?

_____ is _____ used _____ detect _____ pipe damage?

_____ gizmos that detect when pipes will leak?

What tools _____ used for _____ in _____?

I would like to _____ more about _____ by _____ identify _____ leaks.

Do _____ the tech _____ use to spot _____?

_____ the _____ used for detecting _____ pipes?

_____ do _____ organizations use technology _____ leaking _____?

Which _____ are _____ leaks in _____ pipes?

_____ are _____ to _____ potential leaking _____ sources?

_____ it _____ possible _____ leaks, what _____ the tools or techniques _____?

I _____ to know the methods _____ leaks.

Is _____ groups using _____ to _____ leaks from _____?

What _____ are _____ potential leaks in _____ pipelines?

How are _____ technology _____ find the _____ leaking pipe _____?

_____ used _____ detect leaks in a pipeline.

_____ of tech is used to identify _____ piping _____?

_____ are organizations _____ technology to _____ the _____ of _____ pipes?

_____ technology _____ used to _____ for leaks in the _____ systems?

What are _____ specific technologies _____ companies _____ identify _____ of leaks _____ their _____?

What _____ of _____ to _____ potential sources of _____ in _____ piping _____?

What _____ the _____ or _____ used by _____ possible pipe ruptures?

_____ used to _____ the leaking _____ the pipeline?

What organizations are _____ technology _____ find _____ pipes?

_____ you _____ us _____ the _____ used for _____ pipe leaks?

Do these _____ any _____ find leaks _____ PIPE lines?

_____ these groups use technology _____ sources _____ the lines?

_____ or tools _____ used to detect _____ in _____?

What _____ are used _____ detecting _____?

Someone wants _____ know _____ high-tech keeps them _____ detecting _____.

What methods _____ you use _____ in the _____?

I'm _____ methods used _____ identifying pipe _____.

Do _____ use any _____ to _____ the PIPE lines?

What sort of technology _____ to find _____?

_____ methods are _____ for _____ leaks _____?

Which methods _____ used _____ leaks _____ a pipe _____?

I'm curious _____ have any gizmos that _____ pipes _____ leak.

_____ high-tech _____ help _____ causes of leaking pipes?

I'm _____ to _____ use for _____ down those _____ leaks.

_____ of methods are _____ detect _____ in _____ pipelines?

_____ of technology _____ used _____ finding _____ in _____ pipes?

I am _____ in the _____ for _____ those pipe _____.

There are _____ technology to _____ potential _____ in _____ line.

How _____ using technology _____ the _____ of _____ the pipeline?

Do _____ specific technologies _____ sources _____ from pipes?

Are _____ groups _____ specific technologies to _____ potential _____ from _____?

_____ type _____ tech _____ to _____ leaks _____ the piping system?

What _____ or methods are _____ detect leaks _____ a pipeline?

Which technology _____ used by _____ to find _____ leaks?

_____ you _____ me _____ technology is used _____ spot _____ damage?

I was wondering _____ they _____ gizmos that _____ when _____ leak?

How _____ find leaking pipes?

How are organizations _____ to locate _____ in the _____ work?

How do utility _____ technological _____ detect and _____ potential pipe _____?

When _____ to _____ pipe _____ what _____ the tools or _____ used?

_____ kind of systems _____ find _____ of pipe leakage?

What sort _____ locate _____ points of pipe leak?

What _____ technology is used _____ in the _____ system

I'm _____ about _____ guys use _____ down those _____ leaks.

I want to _____ about the nifty _____ for _____ leaks.

Do they _____ to _____ leakages _____ PIPE lines?

_____ these _____ any _____ technologies _____ findLeakages _____ PIPE lines?

_____ is the technology _____ these _____ locate _____ of leakages?

_____ is the _____ companies _____ locate sources _____ leak in their _____?

_____ you use _____ specific technologies _____ leaking _____?

What _____ is used _____ potential pipe leaks?

I'm curious about _____ tech _____ pipe leaks.

_____ these _____ use specific _____ find the _____ of leak _____ lines?

_____ ways _____ used _____ in pipes?

I was wondering if you _____ tell _____ the _____ in _____ pipe.

I'm _____ the _____ to hunt down those pipe _____.

_____ tech these guys _____ to spot _____ pipes?

What methods _____ used _____ find _____?

_____ kind _____ tools _____ methods _____ for detecting leaks in _____?

_____ is _____ when _____ leaking pipe?

____ sort ____ technology is used ____ organizations ____ ____ sources in ____ piping ____?
 ____ you ____ use ____ technology ____ identify ____ leaks?
 ____ are ____ used to ____ leaks ____ pipes?
 ____ you ____ specialized ____ find ____ leaks?
 Which technology ____ used ____ looking ____ potential ____ ____ source?
 What ____ of ____ ____ to find ____ piping?
 ____ ____ used ____ ____ for potential leaking pipes?
 What ____ the ____ to find leaking ____ pipe?
 What ____ of ____ are ____ these organizations ____ ____ possible ____ of pipe leak?
 ____ used ____ pipe leakage?
 Does ____ use ____ technologies ____ ____ leaks in the ____?
 Which ____ used ____ detect leaks ____?
 What ____ technology is ____ to ____ potential leaks ____ the ____?
 ____ you give ____ information ____ ____ to identify pipe leaks?
 ____ are ____ technology ____ find potential pipes ____?
 What ____ tools ____ used by ____ organizations ____ it comes to identifying ____ ____?
 Can anyone tell ____ involved in ____ potential ____ damage?
 ____ ____ tech is used ____ potential leaks ____ piping ____ used ____ your organization?
 How ____ these ____ technology ____ potential leaks in ____ pipes?
 When ____ comes ____ identifying possible pipe ____ what ____ techniques ____ ____ by ____ organizations?
 What are the ____ used by these ____ pipe leaks?
 What technology is ____ find ____ the ____?
 What ____ are ____ to ____ in the ____?
 What is ____ method for ____ pipes?
 ____ these ____ methods to ____ leaks from PIPE ____?
 ____ organizations ____ technology ____ potential sources ____ leaks ____ piping system?
 What type ____ technology ____ to find potential ____ the ____?
 ____ am curious ____ technology these ____ use to spot ____.
 ____ to ____ have gizmos ____ detect when pipes start to ____.
 What types ____ tools ____ detecting leaks in pipes?
 What methods ____ used ____ leaks ____ a pipe?
 ____ ____ is used ____ potential ____ within the piping system ____ ____ your organization?
 Can you ____ on ____ technological ____ used ____ these organizations ____ identify ____ pipes?
 ____ are organizations using ____ out ____ source of ____ pipes?
 ____ to ____ if they ____ gizmos ____ detect ____ decide to leak.
 When looking ____ potential sources for ____ used ____ these organizations?
 How ____ organizations ____ technology ____ find potential ____ leaks?
 ____ kind ____ used ____ potential leaks within the ____ system?
 Can ____ me ____ the technology ____ is ____ identify leak origins ____ pipe?
 ____ curious ____ they have ____ can detect when ____ to ____?
 ____ sort of technology ____ by organizations to find ____ ____?
 ____ are used for ____ leaks in ____?
 ____ utilized ____ spot leaks in the ____?
 Which type ____ is ____ potential leaks in ____ system?
 ____ are used by ____ looking for ____ pipe?
 What ____ using ____ the ____ of leaks in the PIPELINE?
 ____ technology ____ used ____ locate ____ in the ____ system?
 ____ of ____ to find ____ leak sources ____ the pipes?
 I wanted ____ know ____ had ____ how these companies used technological ____ to ____ possible ____ leak.
 What ____ used to ____ potential sources ____ piping systems?

____ technology is used to ____ potential ____ for ____ in ____?

What are ____ are used for detecting ____ in ____?

What ____ and techniques are used ____ to identify ____?

____ is ____ these organizations to find ____ for leakages?

What ____ of tech is ____ identify ____ leak ____ the ____?

How are the ____ using technology ____ pipes?

____ organizations use technology to find out ____ into their ____?

Can ____ tell us about the ____ to ____ deal with ____?

____ the methods used to detect leaks in ____?

What ____ is used ____ to find sources ____ leaks ____ pipes.

Any ____ technology ____ used ____ spotting pipe damage?

____ is ____ potential leaking pipe sources?

What ____ and tools ____ by ____ when ____ comes to identifying ____ pipe ____?

I ____ to ____ tech ____ guys ____ spot leaking pipes.

____ technology used ____ discover the source ____ the PIPELINE?

____ kind ____ is used to ____ potential ____ the piping _____.

____ are the tools ____ by these ____ to identify ____ leaks?

How ____ organizations using technology to find ____ of leaks ____?

What type ____ to ____ possible sources for ____ the piping ____?

____ they use ____ to ____ possible leaks ____ pipes?

____ interested in ____ approaches used to ____ pipelines ____?

____ are ____ organizations using ____ to ____ leaks ____ the ____ line.

____ the ____ and ____ that these organizations ____ to identify ____?

____ curious ____ technology you use for hunting ____ pipe _____.

____ sort ____ technology is used ____ find potential ____ leaking ____?

I'm interested ____ you ____ hunting down the ____ leaks.

Which ____ are ____ detect leaks in ____?

I'm ____ they have anything ____ detect ____ pipes ____ leak?

Let me ____ what the tech ____ guys ____ pipes.

____ kind ____ is used ____ locate ____ points of ____ leaks?

____ curious if ____ have anything ____ when ____ decide ____ leak.

What kind ____ is used ____ potential ____ the piping system?

____ and methods are used ____ detecting ____ in ____ pipe?

I'm curious ____ technical ____ are used to ____ pipeline ____?

What kind ____ systems are ____ find ____ that ____ leaking?

How are technological ____ locate possible ____ leak?

What ____ methods that ____ used ____ spot ____ pipes?

How are technological systems ____ to find ____?

____ to ____ potential leaks in the ____ line?

Which technologies ____ for potential ____ pipe?

What ____ of ____ do you ____ leaks in the ____?

How ____ organizations ____ to uncover ____ of leaks in the ____?

What ____ are used ____ leaking ____?

____ tell ____ more about the technological ____ used ____ organizations to ____ pipes?

____ type of ____ is ____ to ____ potential ____ leaking piping ____?

What tools ____ used ____ in the pipe?

____ is used by these organizations when ____?

____ system used ____ leak?

____ you ____ what ____ used ____ identify and deal ____ leaks ____ pipes?

____ kind of methods are used ____ detect ____?

_____ tell me about the _____ that is _____ to _____ and _____ leaking _____?
 _____ curious about _____ technology you use _____ detecting _____.
 _____ advanced technological practices used to _____ prevent _____?
 _____ you _____ guys use tech to spot _____?
 _____ kind _____ technology is used to find the _____ in _____?
 What kind of technology _____ used _____ these companies _____ of _____ in _____?
 _____ are employed _____ detect leaks _____?
 _____ information on what _____ of _____ is used _____ spot _____?
 _____ there to detect _____ in _____?
 _____ kind _____ technology is _____ leak _____ the piping system?
 _____ technology is _____ to detect _____ in _____ pipe _____?
 _____ are some _____ find pipe _____?
 Can you _____ me _____ the tech _____ used _____ with _____ in _____?
 _____ are _____ to detect leaks in a pipeline?
 What _____ of _____ used by _____ find leaking pipes?
 _____ methods are used to _____.
 What _____ of _____ are _____ to _____ leaks _____ a pipeline?
 I don't know about _____ spot leaking pipes.
 How _____ high _____ discover potential _____ of leaking pipes?
 What kind of _____ used _____ spot _____ damage?
 Do _____ groups use _____ to find leakages _____?
 The organizations _____ using technology to find _____ line.
 _____ is _____ by organizations to _____ pipe sources?
 What are the _____ used _____ these _____ it comes _____ pipe _____?
 What _____ tech is used to look for _____ leaks _____?
 _____ it possible that _____ groups _____ specific _____ to find _____ from _____?
 What type of _____ is _____ organizations _____ leaks _____ pipes?
 What _____ to locate _____ pipes?
 _____ use technology _____ find potential _____ leaks in _____.
 _____ are organizations _____ to _____ potential _____ in the _____?
 Do these _____ technologies to _____ leaks _____ PIPE _____?
 _____ it _____ that these _____ use specific _____ to find _____ of _____?
 _____ you _____ about the _____ used to _____ leaking _____?
 _____ have any gizmos that detect _____ decide to leak.
 _____ are _____ are used to _____ leaking in _____ pipes?
 What _____ pipe slippage?
 _____ specific technologies _____ find leaks _____ the pipes?
 How _____ used _____ organizations to _____ possible _____ of pipe leak?
 Do _____ specific technologies to _____ leaks _____ lines?
 _____ curious about the technical _____ used to _____.
 When _____ comes _____ possible pipe leaks, _____ or techniques are _____ these _____?
 _____ are _____ to _____ leaking pipes?
 _____ used _____ leaks _____ the pipes.
 What _____ and _____ are _____ for detecting _____ in _____?
 What kind _____ technology _____ by _____ to _____ leaks in _____ pipes?
 What _____ the _____ spotting pipe _____?
 Let _____ know _____ you _____ tech these _____ use _____ spot leaking _____.
 What _____ is used to identify _____ leaking within _____ piping system _____?
 _____ tools used to _____ leaks _____?
 _____ curious _____ the _____ you use to find _____.

Is it _____ these guys use _____ spot _____ pipes?

Can you _____ about _____ used _____ identify _____ origins in your pipes?

I'm curious if they _____ any _____ that _____ leak _____.

_____ curious _____ gizmos that _____ when pipes start leaking?

_____ are _____ tools and techniques _____ by _____ it _____ to _____ pipe ruptures?

What methods are employed _____ pipe?

How _____ help these _____ find possible causes _____ pipes?

What _____ of _____ used _____ organizations to _____ potential _____ leaks in _____ pipes?

Do _____ know _____ use to spot leaking pipes?

_____ are the _____ used to detect _____?

_____ the methods that are _____ detect _____ in the _____?

Is _____ utilized for identifying _____?

_____ are the _____ that are _____ to detect leaks _____?

_____ curious if they have _____ detect _____ pipes _____ to _____?

What kind of _____ find possible _____ in _____ system?

_____ technologies _____ used to locate possible _____ of _____?

_____ use specific technologies to _____ leak _____?

Are _____ using _____ to _____ the source of _____ the _____?

What sort _____ technology is _____ sources _____ leaks _____ the pipes?

I want _____ the organization _____ to _____ pipelines linkages.

_____ systems _____ find possible _____ of pipe leak?

Does _____ technologies to findLeakages from _____ lines?

_____ are organizations using technology _____ of _____ the PIPELINE?

What types _____ is used _____ sources _____ leaks _____ the piping _____?

_____ type _____ being _____ to find leaks _____ the _____ systems?

I was _____ if you _____ the technology used _____ in _____ pipe.

What _____ are _____ to find _____ for _____ in _____?

_____ they use specific technologies _____ sources _____ pipes?

_____ you tell _____ about _____ tech _____ use to _____ with _____ in pipes?

_____ any specific _____ used _____ find potential _____ lines?

I'm not _____ use to spot _____ pipes?

_____ organizations using technology _____ out _____ source of _____ in _____ PIPELINE?

Which technology is _____ searching _____ leaking _____?

Do _____ certain _____ to findLeakages _____ PIPE lines?

How does _____ organizations find out _____ causes _____ pipes?

_____ interested _____ tech _____ use for _____ down pipes.

How _____ methods used to detect _____ in _____?

What _____ tools _____ techniques used _____ these organizations _____ comes to _____?

_____ are the _____ used to _____ leaks in _____?

_____ methods _____ used to detect _____ pipes.

_____ some of the methods used to _____?

_____ techniques _____ detect leaks _____ the pipes?

_____ do these _____ systems _____ possible points of pipe _____?

_____ of technology _____ to _____ potential leaks in _____ systems?

What tools and _____ by _____ it comes _____ possible pipe leaks?

_____ you _____ technology to _____ leaks?

_____ are organizations using technology _____ find _____ in _____?

Tell _____ about the _____ guys use _____ spot _____.

I'm curious if they _____ way _____ to leak?

What kind of _____ used to _____ leaks in _____?

_____ the tools and _____ used _____ leaks _____ a pipeline?
 Are specific _____ to _____ potential _____ of _____ the pipes?
 _____ methods or _____ are _____ to _____ the _____ the pipeline?
 What _____ of tech is used to _____ potential _____ in _____ system _____?
 I _____ sure what tech these _____ spot _____ pipes.
 _____ about _____ use to find those _____ leaks.
 How are the _____ discover _____ source of _____ leaks _____ pipe work?
 _____ tell _____ what _____ involved in spotting pipe _____?
 How are _____ the source of the leaking _____ work?
 What _____ techniques are used for _____ the _____?
 How are methods _____ leaks _____?
 _____ are the tools _____ these _____ identify pipe _____?
 What are _____ used _____ find the _____ the pipeline?
 _____ of technology _____ used to detect potential _____ the _____ your organization?
 How _____ organizations using _____ to _____ in _____.
 _____ tech the people _____ for hunting _____ those _____ leaks.
 _____ curious _____ the _____ use for hunting _____ those pipe _____.
 I'm _____ how _____ approaches _____ used _____ potential pipeline breeches.
 How are _____ organizations using _____ find _____ pipes?
 _____ organizations _____ technology to locate and prevent _____?
 _____ are _____ to find _____ leaking?
 What type _____ technology _____ to _____ the pipes?
 _____ they use _____ technologies to _____ leak sources _____ pipes?
 What is the _____ to find leaks _____?
 What _____ using technology to _____ the _____ of _____?
 What _____ of _____ used to _____ possible points of _____?
 _____ technology is used _____ organizations _____ find potential leaking _____?
 How _____ using technology to find _____ of _____ pipe _____?
 _____ to spot leaks _____ pipes?
 _____ does high-tech equipment help these organizations _____ pipes?
 How about _____ technology _____ use to _____ leaking _____?
 I'm curious about _____ potential _____ in the pipe.
 _____ kinds _____ technological systems _____ used _____ locate points of _____?
 I'm curious if they _____ any _____ that can _____ leak?
 _____ ways are _____ in a pipeline?
 What _____ used _____ pipe leak?
 Which _____ is used for _____ pipe _____?
 What _____ involved in _____ potential pipe _____?
 Are they _____ technologies _____ leak _____ the pipes?
 What are the methods _____ leaks in _____?
 Do _____ to find _____ leaking pipes?
 When _____ possible pipe ruptures, what _____ or techniques are _____ organizations?
 What type _____ systems _____ used to _____ points of _____?
 What methods are _____ to find _____ leaks _____?
 _____ technology _____ find potential _____ for _____ in pipes.
 _____ organizations use technology to find _____ the _____.
 I'm curious _____ tech you use in _____ down _____.
 _____ equipment help _____ organizations _____ of leaking pipes?
 _____ methods are _____ to _____ pipe _____?
 I want _____ know if they have any _____ to spring _____.

_____ of technology is _____ to _____ leaks _____ the _____?
 How are _____ methods to detect _____?
 _____ are the organizations doing _____ find _____ in _____?
 What sort _____ technology _____ used _____ look _____ leaks in _____?
 How _____ organizations use _____ find _____ in _____?
 _____ are organizations using _____ to _____ of _____ in _____ pipe work?
 _____ is _____ to _____ possible _____ in the _____ line.
 What _____ technology is _____ leaks _____ the piping system?
 _____ kind of _____ keeps you _____ sharp _____ detecting _____?
 _____ sorts of _____ used to detect leaks _____?
 I'm _____ the _____ tech _____ use to _____ down _____ leaks
 I'm curious if _____ have _____ detect _____ are about _____ leak?
 _____ of technology is _____ by _____ find _____ leaks in _____ system?
 What are _____ methods used _____ the _____ the pipeline?
 _____ methods or tools are used _____ leaks _____?
 How _____ being used _____ find _____ source of _____ PIPELINE?
 Some methods _____ detect leaks _____.
 What _____ of _____ or _____ used to find _____ the pipeline?
 I was wondering _____ could _____ about the _____ used to identify _____ your _____.
 What _____ of _____ are _____ locate _____ points of pipe _____?
 What about _____ technology these _____ leaking pipes?
 _____ sort of technology is _____ leaks in the _____?
 _____ is _____ specific technology _____ by _____ companies to locate _____ in _____?
 _____ used _____ these _____ to effectively locate _____ of _____ their pipes?
 How _____ organizations using technology _____ in the _____?
 _____ methods used to detect leaks _____ a _____?
 _____ about _____ you use _____ hunt down _____ pipes.
 Organizations _____ the source _____ leaks _____ the PIPELINE.
 What _____ to locate _____ leaking from the _____?
 _____ to _____ if they have _____ gizmos _____ can detect _____ pipes decide _____.
 Do _____ use specific _____ leak from pipes?
 _____ method are _____ for _____ leaks _____ pipe?
 _____ tools _____ used by these _____ to _____ pipe leaks?
 How does _____ organizations find potential causes of _____?
 What _____ is _____ to identify _____ leaks _____ piping system?
 _____ are _____ using _____ to find _____ in pipes.
 _____ are the _____ used _____ detecting _____ in _____ pipes?
 What sorts of technology is _____ leaks _____ the _____?
 _____ organizations find _____ in the _____ with _____?
 _____ to find leaks _____ pipes?
 _____ the _____ technology to _____ leaking pipes?
 _____ there _____ that these organizations use to find sources _____?
 What type of technology _____ to _____ damage?
 _____ kinds of tools _____ are used _____ leaking _____?
 What _____ of _____ is _____ potential piping leaks?
 _____ is used when looking _____?
 _____ are organizations _____ technology to _____ leaks?
 What _____ detect _____ messes?
 _____ are these _____ technology _____ identify _____ pipes?
 What _____ of technology is used to _____ possible _____?

____ high tech keeps ____ guys ____ at detecting ____ ?
 What kinds ____ are ____ for ____ in pipes?
 I ____ like ____ uses technology to ____ potential Pipeline linkages.
 I would ____ to know about the tech ____ leaking ____ .
 ____ are ____ organizations using ____ the ____ leaks in the ____ work.
 ____ any gizmos ____ can detect when ____ decide to leak.
 I ____ the ____ involved in spotting ____ damage.
 What ____ technology ____ used by ____ leaks in the piping ____ ?
 What ____ the techniques or ____ organizations to ____ leaks?
 I ____ the methods ____ for ____ pipe leaks.
 ____ methods are utilized ____ leaking from the ____ ?
 ____ these ____ technology to find ____ the lines?
 Let ____ what tech ____ guys use ____ spot ____ .
 ____ tech is used ____ potential leaks ____ used by ____ organization?
 ____ are ____ methods ____ used for ____ leaks ____ pipes?
 ____ is ____ by organizations to find ____ in pipes?
 What methods ____ being ____ leaks ____ the pipe?
 ____ high-tech equipment ____ to ____ potential causes ____ pipes?
 ____ organizations finding leaks ____ using technology?
 How are ____ find ____ the source of ____ leaks?
 ____ are the ____ these organizations ____ comes ____ identifying possible ____ leaks?
 What ____ of ____ are used ____ pipe leak?
 ____ the ____ you use ____ find ____ pipe leaks!
 How are the ____ using technology ____ the ____ of ____ leaks ____ pipe ____ ?
 Which ____ or methods ____ used for ____ in ____ ?
 ____ high-tech equipment ____ these organizations ____ discovering ____ leaking pipes?
 ____ that these ____ use when ____ comes to identifying possible ____ ?
 ____ are organizations using technology ____ leaks ____ ?
 ____ high-tech equipment ____ in discovering ____ of leaking ____ ?
 There ____ methods used ____ leaks in apipeline.
 ____ technology is ____ to ____ leaking ____ ?
 ____ there ways to ____ in ____ pipes?
 ____ are the gadgets used ____ finding ____ ?
 ____ need ____ what technology is involved in ____ .
 How ____ used to ____ leaks in the ____ ?
 ____ used ____ find ____ from apipeline?
 ____ are the ____ used by ____ organizations to ____ leaks?
 ____ kind of ____ used by ____ organizations ____ locate ____ leakages?
 ____ organizations using ____ to find ____ source of leaks ____ pipe ____ .
 ____ of technology is used ____ organizations to find leaks ____ ?
 ____ are ____ used to detect ____ the pipe?
 I am curious ____ organization uses ____ potential ____ linkages.
 What are the ____ utilized to ____ pipe leak?
 Do you know how these guys use ____ ?
 What methods ____ utilized ____ in ____ ?
 I ____ about the ____ use ____ hunting down ____ leaks.
 What kind ____ tech ____ to identify ____ system ____ ?
 Is ____ discover ____ source ____ leaks in ____ PIPELINE?
 ____ of systems ____ used by ____ organizations ____ pipes?
 How ____ equipment help these ____ discover possible ____ pipes?

What are _____ or techniques _____ these organizations _____ breaks?
 What kind _____ tech is _____ leaks in _____ piping _____ by your _____?
 _____ kind _____ used _____ identify any potential leaks within _____ system?
 What _____ or tools _____ leaks in the _____?
 What tools _____ methods _____ used _____ leaks _____ pipes?
 I _____ interested _____ the _____ approaches used to find _____?
 _____ tools or _____ used to _____ in a pipeline?
 _____ interested _____ you use for _____ pipe leaks.
 _____ methods used _____ pipes that are leaking?
 _____ technology _____ these organizations when looking for _____ pipe?
 What _____ of _____ systems _____ used to find points _____?
 I'm curious about _____ technical approaches _____ find _____.
 Can _____ me _____ the technical _____ to _____ potential _____ breeches?
 _____ is a tech _____ to spot leaking _____.
 Do they _____ to find _____?
 What methods are used _____?
 What _____ for _____ leaks _____ the pipes?
 _____ we know _____ used _____ identifying pipe _____?
 What _____ is used for finding _____ the piping _____?
 What are the _____ that _____ used _____ leaks _____ pipes?
 What types _____ are _____ to _____ possible _____ of _____ leak?
 _____ use specific technologies _____ from the pipes?
 _____ tech _____ guys _____ spot _____ pipes?
 I want _____ know _____ methods used _____ pipe _____.
 _____ is used _____ leaking pipe _____ these organizations?
 I'm curious _____ the _____ to spot leaking _____.
 _____ if _____ any gizmos _____ can detect when pipes decide _____ spring _____?
 What techniques are _____ detect _____?
 _____ using _____ the source _____ leaks in the PIPELINE.
 _____ they have any _____ that detect when pipes _____ spring _____?
 _____ possible _____ tell me the methods used _____ identifying _____?
 _____ types _____ used _____ find pipes leaks?
 Which _____ is used by _____ to _____ leaking _____?
 Are _____ organizations using advanced technological _____ to _____ leaks?
 When _____ comes _____ identifying _____ ruptures, _____ are the _____ by these _____?
 _____ are employed to _____ from the pipeline?
 _____ technology _____ used _____ find possible leaks _____ the piping system?
 I'm _____ about _____ tech _____ you _____ hunting down _____ pipe leaks.
 _____ these _____ specific technologies to find _____ PIPE _____?
 Is _____ possible to illuminate the _____ methods _____ by these _____ pipeline _____?
 What _____ used to find _____ leaks?
 Do they use _____ to find potential _____ from _____?
 What sort of _____ to detect _____ the _____?
 What kind _____ to find leak _____ in _____ piping _____.
 _____ is being used _____ leaks in the _____.
 I'm _____ about the technical _____ pipelines breeches.
 What _____ of _____ is _____ spotting possible _____ damage?
 _____ technology is _____ leaking pipe?
 How _____ the _____ to _____ pipe leaks?
 _____ type of _____ are _____ to find _____ leaks _____ piping _____?

What kinds of _____ are _____ detect _____ in _____?

I'm _____ they _____ any gadgets that _____ when _____ to leak.

Do _____ specific technologies _____ potential _____ leaking pipes?

What sorts _____ used to find _____ piping system?

_____ methods _____ utilized _____ the leaking from _____?

What _____ of _____ do you _____ find _____ in _____?

Do they use technologies _____ find potential _____?

What _____ used in detecting _____ in _____?

_____ tell _____ that is used to _____ leaks _____ the pipes?

_____ many _____ systems _____ to locate possible points of _____?

How do _____ technology to _____ of leaks in _____?

_____ need info on _____ involved in spotting _____.

_____ tell me about the technological methods _____ leaks?

_____ about _____ the _____ approaches are used _____ find _____ breaches.

What _____ the _____ find pipe _____?

What type of _____ is _____ detect _____ in _____ system?

How _____ the _____ using technology _____ source _____ the _____ leaks?

What methods and tools are _____ detecting _____?

How are organizations _____ to find the _____ pipe _____?

_____ am not sure _____ these _____ use to spot _____ is?

_____ the _____ you use for hunting _____ pipe leaks.

_____ kind of tech _____ used _____ system leaks?

_____ is _____ locate potential sources _____ leaking pipe?

_____ using _____ to _____ source of leaks in _____ work?

I _____ to _____ had _____ ideas _____ the companies _____ technological _____ to _____ a possible pipe leak.

Do _____ know what _____ these _____ spot leaking _____ is?

_____ techniques _____ used by _____ when _____ comes to _____ pipe ruptures?

_____ you _____ technology to _____ leaks _____ the _____?

What _____ technology _____ used _____ find _____ for leaks in the _____?

I'm curious _____ they have _____ can _____ pipes decide to _____ leak.

How _____ technology _____ in the pipe line?

_____ curious _____ technical _____ used _____ find potential pipelines breeches?

_____ are used for _____ leaks _____?

_____ if _____ have something that _____ detect when _____ to _____?

_____ very curious _____ the _____ find those pipe leaks.

_____ are organizations using _____ find _____ in the _____?

_____ of high-tech equipment _____ discover causes _____ leaking pipes?

What are _____ used _____ pipes?

_____ about the technical approaches _____ find _____ breaches.

_____ curious if _____ have _____ can _____ when _____ start leaking.

_____ that _____ organizations use _____ to identify sources of pipe _____?

_____ curious _____ tech you use for hunting _____ those _____

What _____ of _____ is _____ potential leakages in _____ system?

Do _____ use _____ find _____ leaking pipes?

Which technology _____ organizations to _____ potential leaking pipe _____?

What _____ used _____ pipe leaks?

_____ curious about the technical approaches _____ used _____ finding _____.

_____ you tell _____ about _____ technology _____ to _____ origins in _____ pipes?

I'm _____ about _____ you _____ find pipes that are _____.

What _____ find _____ leaks in the pipes?

What kind of technology _____ locate _____ leaks in _____?

What are the _____ used _____ detecting _____ line?

How do these _____ to identify _____?

What _____ technology is used to _____?

How does _____ equipment _____ organizations find _____ causes of _____?

What are the gadgets _____ leaks?

_____ used _____ spot leaks in _____?

I'm wondering if _____ can detect when pipes _____ to _____.

_____ about the _____ approaches _____ to find potential _____ pipes.

What _____ utilized to identify potential leaks in _____?

_____ is _____ when looking _____ source of leaking _____?

_____ organizations using technology _____ detect _____ in the pipes?

_____ any gizmos _____ detect when pipes start to _____?

_____ know _____ the technological methods used _____ these organizations to _____ leaking _____?

What _____ of _____ used for detecting _____ apipeline?

_____ are used to _____ leaks _____ the _____ systems?

Which _____ are used _____ in _____?

_____ tell _____ about the methods _____ identify pipe leaks?

_____ of technology _____ used to _____ sources _____ in the piping _____?

How _____ using technology to _____ the _____ of _____ pipes?

What kind of methods _____ detect leaks _____?

_____ using _____ look for _____ leaks _____ the pipe line?

What _____ of methods _____ used _____ leaks _____ apipeline?

_____ use any _____ technologies to find _____ PIPE lines?

_____ technology is used _____ find _____ leaking pipe?

What types of gadgets _____ leaks?

What are the _____ used by these organizations _____ it _____ pipe _____?

_____ if they have _____ gizmos that detect when pipes _____.

Does _____ the _____ specific technologies to _____ PIPE lines?

_____ kind _____ are used _____ detect leaks _____ the _____?

What _____ used to _____ in _____?

_____ there _____ used to find potential leaks from _____?

_____ the tools _____ for detecting leaks _____ the pipe?

_____ methods and _____ are _____ to _____ the pipe?

What _____ of technology _____ find potential _____ leaking pipes?

_____ kind of _____ to _____ in piping systems?

Can you tell _____ tech _____ used to identify _____ deal with _____?

_____ kinds of _____ are used _____ in _____ pipes?

_____ you tell me what _____ is _____ pipe _____?

_____ organizations use _____ to _____ leaks _____ pipe line?

What _____ used _____ these _____ locate _____ of leakages _____ their pipes?

What _____ utilized by _____ organizations _____ comes to _____ possible pipe leaks?

I'm curious if _____ have _____ that _____ detect _____ pipes _____?

Which _____ used to _____ leaking pipe _____?

_____ used _____ locate potential leaking _____?

Do they _____ technology to _____?

I _____ curious _____ the _____ you _____ to find those _____.

Do these groups _____ specific _____ to find _____?

What _____ of systems are _____ find possible _____ leak?

_____ any specific technology _____ groups use _____ leaks _____ PIPE lines?

Do _____ use _____ technologies _____ find leaks _____ lines?

What _____ of technology are _____ to find _____ of _____?

How does _____ aid _____ discovery _____ causes _____ leaking pipes?

_____ technology _____ to _____ possible points _____ pipe leak?

Organizations _____ to _____ source _____ leaks _____ the PIPEline.

_____ organizations _____ discover _____ source of leaks _____ the _____ work.

Do _____ know what _____ tech _____ guys _____ leaky pipes _____?

_____ it comes _____ possible _____ ruptures, what _____ techniques _____ used _____ these organizations?

How about the tech _____ and _____ the pipeworks?

_____ tech is used to _____ potential _____ the _____ system that your _____?

I'm curious _____ they have _____ gadgets that _____ when _____ to _____?

What sort _____ to find sources _____ leaks in _____?

What methods _____ detecting _____ in pipeline?

_____ are using technology _____ find the _____ in the _____ work.

_____ tell _____ about _____ tech _____ to identify _____ deal with leaks in _____?

_____ of technology is used by _____ organizations _____ find _____?

Which technology is _____ organizations _____ for leaking pipe?

Can you _____ more about _____ methods utilized _____ pipe _____?

Which technology _____ the organizations to look _____?

_____ high-tech _____ organizations find leaking pipes?

_____ methods and tools _____ to _____ a pipe?

Do these _____ specific _____ to _____ leaks _____ pipes?

The _____ find potential leaks in _____ pipe line.

Do the groups use _____ look _____ from PIPE _____?

Which _____ are _____ for _____ the pipe?

_____ organizations _____ technology to find _____ of leaks _____ pipes?

What kind of tech _____ used to _____ piping _____?

How _____ tech these guys use _____ pipes?

_____ are _____ detect _____ in _____ pipes?

_____ do _____ technology _____ leaking pipes?

_____ these groups _____ technologies _____ find potential leak _____ lines?

_____ does high-tech _____ these organizations to _____ of _____ pipes?

_____ do _____ organizations _____ points of _____ leaking?

_____ equipment _____ find causes for leaking pipes?

Do _____ groups use specific technologies _____ for leaks _____?

_____ technology is _____ to _____ potential _____ in the _____ used _____ your _____?

What kind _____ technology is _____ leaks in _____ piping _____?

Which _____ is used _____ find _____?

How _____ equipment help these _____ causes _____ pipes?

What _____ the _____ used to detect _____ in the _____?

I'm curious _____ they _____ gizmos _____ decide to leak?

I'm curious _____ they _____ that _____ detect when pipes _____ leak?

How _____ organizations find _____ leaks in _____ pipe _____?

What _____ are _____ detect pipes leaking?

Can you _____ us _____ the _____ to _____ and deal with _____?

_____ methods used to detect leaks in _____ pipes?

What sort of technology _____ used _____ organizations _____ leaks _____ pipes?

_____ are the _____ leaks in _____?

_____ confused about _____ these guys _____ to _____ leaking _____.

What _____ the methods used by _____ pipe _____?

_____ was _____ if you _____ the technology used to _____ origins _____ pipelines.

I'm curious _____ they _____ gizmos that detect when _____ leak.

What sort _____ technology is used _____ leaks _____ the _____ system?

_____ used to _____ leaks in _____ pipes?

What sort of technology _____ used _____ in _____?

What are _____ used _____ spot _____ leaks _____ the _____?

_____ groups use specific _____ find potential _____ leak from _____ lines?

What _____ is used to _____ piping _____ leaks?

_____ the techniques and tools _____ by these organizations _____ it comes _____?

Are _____ methods used to _____?

How _____ high-tech _____ these organizations _____ the causes of _____?

_____ are organizations _____ to _____ possible pipes _____?

_____ curious _____ technology you use for _____ pipes.

How _____ identify leaking _____?

What _____ used _____ detecting _____ in _____?

How are the organizations _____ technology _____ source _____ leaks?

_____ the _____ find leaking from the pipeline?

_____ don't _____ what _____ these guys use _____ pipes?

What _____ the technology _____ spotting _____?

_____ these _____ use _____ find leaking pipes?

What are the _____ using technology _____ potential _____ in _____?

_____ it _____ that these organizations _____ to find _____ of pipeline _____?

_____ these _____ use specific technology _____ find leakages _____ lines?

_____ kind _____ tools are _____ leaks in a pipeline?

_____ curious _____ nifty tech _____ folks _____ hunt down _____ pipe leaks.

_____ they _____ technologies _____ sources _____ leak from the lines?

_____ technology _____ used to _____ sources in the _____?

_____ used to find _____ leaking from _____ pipe?

_____ use specific _____ to _____ in PIPE lines?

_____ tools are _____ leaks _____ a pipeline?

_____ technology is _____ to find _____ for leaking _____?

What sort _____ technology _____ involved in _____ potential _____?

_____ tools are used to _____ leaks _____ pipes?

_____ technology _____ locate possible points of pipe _____?

_____ true that they _____ technologies to _____ of leak from _____ pipes?

_____ it _____ to _____ possible _____ what _____ tools and techniques used?

What type _____ is used to _____ potential _____ in _____?

_____ are the _____ used _____ leaks in the _____?

Which technology is _____ by _____ organizations _____ leak _____?

Are _____ methods utilized _____ identifying _____?

_____ types of technology are used _____ leaks _____?

do these groups use _____ leaks _____ lines?

Can you tell me about the _____ pipeworks?

What _____ technology _____ used _____ Pipeline leaks?

_____ does _____ them discover _____ causes of _____ pipes?

What type _____ used _____ locate _____ points _____ pipe leak?

_____ system used _____ detect _____?

_____ curious if they _____ gizmos that _____ decide _____ leak?

Which _____ is _____ to find potential sources _____?

_____ know what technology is involved _____ damage?

What types of technology are _____ by _____ to _____ ?
 _____ methods _____ used _____ leaks _____ the PIPELINE?

What are the _____ used by _____ to identify _____ ?
 _____ are _____ find _____ from the pipes?

Which _____ of _____ is used _____ in the piping _____ ?
 Do _____ have _____ questions _____ approaches _____ to find potential pipeline _____ ?
 _____ groups _____ technology to _____ PIPE lines?

What _____ are used by _____ organizations _____ ruptures?
 _____ use technology to find _____ in the _____ ?
 _____ use specialized _____ identify _____ pipes?

The organizations _____ find _____ leaks in the _____ .
 _____ curious _____ they have any gizmos _____ detect when _____ leak?
 _____ organizations _____ to discover _____ source of leaks _____ work?
 _____ type of technology is used to _____ for _____ systems?
 _____ techniques _____ these organizations to _____ possible pipe _____ ?
 _____ kind of _____ is _____ to identify potential leaks _____ system _____ your _____ ?
 _____ about the _____ that you _____ hunt down _____ pipe leaks.
 I'm _____ they have any _____ will detect _____ to leak?
 I _____ know _____ the _____ technology _____ identify _____ pipelines linkages.
 _____ organizations _____ possible _____ of pipe leak?
 _____ methods are available to _____ the pipeline?

What is the _____ used _____ companies _____ find sources _____ their _____ ?
 _____ the _____ to identify pipe _____ ?

What _____ used _____ leak in the pipes?
 _____ does high-tech equipment support _____ to discover _____ leaking _____ ?
 _____ tell me _____ the _____ used for _____ leaks?

How are _____ methods _____ detect leaks _____ used?
 _____ curious about the _____ you _____ to _____ down _____ .
 _____ type of _____ to _____ leaks in the _____ system?
 _____ technology _____ involved _____ spotting pipe damage?

What kind of _____ identify leaks _____ piping _____ used by your _____ ?
 _____ methods _____ to detect pipes _____ ?

Which technology _____ the organizations to locate _____ sources _____ ?
 _____ use _____ to locate potential sources _____ from _____ pipes?
 _____ want to _____ how the _____ identifying pipe _____ used.
 _____ technology _____ used to look for _____ pipe _____ ?
 _____ of technology is used _____ find _____ in the _____ ?
 _____ of technology _____ by organizations _____ locate leaks in _____ system?
 _____ the things used to find _____ ?
 _____ wonder if _____ guys _____ tech to _____ leaking _____ .

I _____ wondering _____ tell _____ the technology used _____ identifying _____ your pipes.
 _____ or techniques are _____ when it _____ to identifying pipe _____ ?
 _____ technologies are used to _____ sources _____ the _____ ?

What system _____ detect _____ ?
 How _____ organizations using _____ find _____ the pipe line.
 How _____ equipment _____ find causes of leaking pipes?
 _____ sort _____ technology _____ to _____ sources for leaks _____ pipes?
 _____ are _____ methods to _____ leaks _____ the _____ used?

What type _____ do _____ use _____ leaking pipes?
 Is _____ use specific technologies _____ identify sources of leaking _____ ?

What type _____ used to identify _____ leaks within _____?

_____ used for finding _____ leaking from _____ pipe?

Which methods _____ used to _____ pipe?

_____ type of _____ used _____ organizations to find _____ in the _____?

do _____ technologies _____ potential sources of leak from _____?

_____ organizations _____ technology _____ the _____ of _____ in _____ pipe work?

_____ organizations using _____ to _____ leaks in _____ pipes?

_____ the organizations _____ technology _____ the source of _____ the PIPEline?

I was wondering _____ me _____ technology _____ to identify _____ leak in _____.

Which technology _____ potential _____ pipe?

_____ tech _____ used _____ detect potential leaks _____ the piping system _____ by _____?

_____ these _____ use _____ systems _____ locate possible _____ of _____ leak?

_____ technology is _____ by _____ organizations when looking _____?

_____ are _____ or methods used for _____ leaks _____?

_____ of _____ used to _____ piping system leaks?

How are _____ organizations using technology to _____?

_____ technology _____ when _____ for leaking _____?

_____ technology _____ used by _____ companies to _____ sources _____ in their _____?

_____ are _____ to _____ leaks _____ pipes?

Which technology _____ the organizations _____ locate sources _____ leaks?

Do _____ groups _____ specific _____ find leaking PIPE _____?

Which _____ used _____ find leaks in _____ systems?

_____ kind of _____ are used _____ possible points _____ leak?

I _____ wondering if you could _____ used to identify _____ pipelines.

What are the methods _____ in _____?

What _____ used to _____ leaks?

When it comes to identifying possible _____ ruptures, _____ methods _____?

How _____ high tech equipment _____ the _____ of leaking _____?

_____ is used to _____ leaks in the piping _____?

_____ wondering what technology _____ in spotting _____ damage.

What _____ are used to find _____ the _____?

What type _____ technology are used _____ find _____ leaks _____?

_____ tell me about the _____ used to _____ and deal _____?

_____ kind _____ technology are used _____ points _____ pipe _____?

_____ are used _____ detecting leaks _____

_____ these organizations using technology _____ leaking _____?

_____ types of _____ used for detecting leaks _____?

What is the _____ used _____ leaks _____?

_____ methods _____ spot _____ in pipes?

What _____ are _____ for _____ leaks?

How are _____ using technology _____ the pipes

_____ the _____ technology to _____ PIPELINE leaks?

Technology is being _____ the _____ of _____ in _____ PIPELINE.

_____ are the _____ and _____ used to _____ in _____?

Organizations _____ technology _____ find possible _____ in _____.

_____ technology _____ by the organizations when _____ pipes?

_____ are _____ technology to _____ pipes?

_____ technology _____ used by organizations _____ possible _____ in the _____?

_____ was _____ technology involved _____ spotting potential _____ damage.

_____ technology _____ utilized _____ for possible leaking _____ sources?

What are the tools _____ are _____ leaks in _____?

I'm _____ sure what technology _____ leaking pipes.

What _____ methods that are used _____ find _____?

_____ groups _____ any specific _____ to _____ from PIPE lines?

Do _____ use _____ tech _____ pipe _____?

How _____ high-tech equipment _____ these organizations _____ discovering _____ of _____?

_____ organizations locate _____ points _____ pipe leaks?

What about _____ used to _____ and _____ with leaks _____?

I'm _____ if _____ have any _____ that detect _____ pipes decide _____?

_____ kinds of _____ are _____ pipes leaking?

_____ kind _____ technology _____ used to _____ leaks _____ piping system?

What kind _____ tech is _____ detect potential leaks within _____ of _____?

How _____ to find the _____ of leaks in the _____

Which _____ is used by the _____ leaking pipe _____?

_____ organizations using technology _____ find _____?

_____ is _____ technology used by _____ companies _____ of _____ in _____ pipes?

What type of _____ used to detect _____ the _____?

_____ does _____ help these organizations _____ potential _____ behind _____ pipes?

_____ kind of tech is _____ piping system leaks _____ your _____?

_____ curious as _____ nifty _____ you _____ for _____ down pipe _____.

Which _____ are used _____ these organizations _____ it comes to identifying _____?

Can anyone _____ technology _____ to detect _____ damage?

_____ use technology to _____ potential _____.

What _____ the _____ to see _____ in _____?

_____ curious _____ they _____ that can detect when pipes _____?

_____ do high-tech equipment _____ discover _____ causes _____ leaking _____?

What _____ do _____ use _____ leaks in _____ pipe?

Which _____ is _____ when _____ leaking pipes?

What _____ of _____ used _____ detect leaks _____ line?

How _____ organizations using _____ to _____ source _____ pipe _____?

_____ are used for detecting leaks _____ apipeline?

_____ guys _____ tech to spot _____?

How _____ high-tech _____ help _____ the causes _____ leaking pipes?

_____ sort of technology _____ for leaks in the piping _____?

_____ are the _____ to _____ leaks in _____ pipes.

I'm _____ sure _____ these guys use _____ leaking pipes _____?

_____ the groups _____ specific _____ to find _____ lines?

Is it _____ shed _____ light _____ the technological _____ used _____ identify _____?

_____ types of _____ used for detecting leaks _____ pipes?

_____ the tools _____ to _____ leaks in the pipes?

I'm curious _____ you use _____ leaks.

What kind of technology _____ sources _____ the piping system?

I am _____ they have _____ gizmos _____ when pipes _____ to _____?

_____ wondering if they _____ any _____ that _____ detect when _____?

_____ are the methods _____ from the pipe?

How do high-tech _____ of potential _____ of _____ pipes?

Do these _____ use _____ technologies _____ from PIPE _____?

How _____ these _____ using technology _____ leaking _____?

_____ technological systems are _____ possible points _____ pipe leaking?

Which _____ are utilized _____ for _____ leaking pipe?

_____ organizations using technology _____ find _____?
 _____ _____ to spot leaking pipes?
 _____ of technology _____ to find potential _____ in _____?
 Which technology _____ used _____ potential _____?
 _____ used to find potential _____ pipes.
 _____ of _____ are used _____ locate possible points _____ pipe _____?
 _____ of tools are used for detecting _____?
 _____ some _____ that are _____ detecting leaks _____ pipes?

 _____ uses _____ to find _____ sources _____ leaks in the _____?
 How _____ locate possible points of _____?
 What methods are _____ for _____ leak _____?
 Is there _____ technological _____ used to _____ pipeline _____?
 Which _____ is used _____ companies _____ sources of leaks _____ pipes?
 _____ of technology is used by organizations _____ the piping _____.
 _____ techniques _____ used by these _____ identify possible _____?
 Can you tell me about the _____?
 _____ not sure how _____ guys _____ tech _____ leaking pipes.
 _____ know if _____ had _____ ideas on how _____ companies used _____ methods to _____ possible _____ pipe.
 What technology is _____ possible _____ leaks _____ the piping _____?
 What _____ are used for _____?
 How are organizations using _____ find _____ line.
 What _____ are _____ these _____ to find possible _____ of _____?
 What _____ is used to _____ the pipe system?
 I'm curious _____ the _____ for pipe _____.
 What ways _____ used _____ leaking?
 What are _____ leaks _____ pipes?
 _____ there methods _____ for _____ leaks?
 _____ are methods _____ to _____ leaking _____.
 _____ the _____ these _____ when _____ comes _____ identifying possible pipe leaks?
 How are the _____ using technology _____ leaks _____ the PIPELINE?
 What _____ some of _____ tools _____ techniques _____ by _____ to _____ leaks?
 Which technological _____ used to _____ possible _____ leaking?
 _____ some methods _____ detect _____ in a pipeline?
 _____ the methods _____ to locate the _____ the pipeline?
 _____ are organizations _____ to detect _____?
 _____ are _____ to locate points _____ pipe leak?
 How _____ high-tech equipment help _____ of leaking _____?
 I'm curious _____ know _____ they _____ any gizmos _____ can _____ when _____ leak.
 Do _____ use specific technologies _____ leak _____ pipes?
 I'm curious _____ to find potential pipeline _____.
 What technology _____ to find _____ pipes?
 _____ techniques _____ tools _____ by these organizations _____ comes _____ identifying pipe _____?
 What are _____ techniques used by _____ to identify _____?
 _____ are organizations doing to _____ leaks _____?
 _____ methods _____ used _____ detect _____ pipes?
 What kind _____ methods are used _____ a _____?
 I _____ to _____ the methods _____ identifying _____ leaks.
 _____ these _____ use specific technologies to find _____ from the _____?
 Which _____ when _____ potential leaking pipe

_____ are _____ to _____ pipes that are leaking?

I'm curious _____ technical _____ used to find _____.

What type _____ used to find _____ pipes?

What methods are _____ these organizations _____ it comes _____?

What tools _____ used for _____ leaks _____ a pipeline?

What types _____ are _____ for _____ the pipe?

What kind of tech is _____ potential _____ in _____ system _____ uses?

_____ type _____ used to identify potential _____ within _____ by your organization?

_____ systems _____ by these organizations _____ points of pipe _____?

_____ want to know what _____ to _____ damage.

How are these _____ using _____ sources of _____ in _____ pipes?

I want _____ know _____ uses _____ identify potential pipeline _____.

Do _____ groups _____ technologies _____ find _____ of _____ from the _____?

_____ technology _____ used by these _____ for sources for _____?

Which _____ used to find _____ in _____?

Which _____ of technology _____ find _____ in the piping systems?

_____ use specific _____ find potential _____ of leak _____ the _____?

What _____ tools _____ techniques used _____ identify pipes _____ are leaking?

What _____ some of _____ detect _____ in the pipe?

How are _____ the _____ of _____ PIPELINE using technology?

_____ methods to _____ leaks _____ pipes used?
