

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Upgrades and enhancements to alarm system
Inquiry Sub-Category	Upgrading to a more advanced alarm sensor technology
Description	Customers are interested in replacing outdated sensors with newer technologies such as motion sensors, glass break detectors, or infrared sensors to provide enhanced accuracy, reliability, and responsiveness to potential threats.
Data Size	9,921 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

_____ newer glass _____ detectors _____ to replace _____ ones in _____ current alarm _____?

_____ was _____ if _____ were _____ recent glass break _____ that _____ replace the _____ ones in _____.

I'm looking for new _____ of _____ that _____ glasses, _____ of _____.

_____ there _____ access to _____ glass break _____ for my _____?

_____ possible to _____ newer glass break detectors to replace the _____?

Is _____ existing _____ with newer versions _____ window-breaking sensors?

_____ there any _____ of _____ break alarms that _____ ones?

_____ you _____ for _____ alternatives to _____ break detectors?

Replacing glass _____ alarm _____ alarms?

_____ want to _____ if _____ offer glass _____ as replacements for _____ units _____ my alarm _____.

_____ outdated _____ break _____ installed _____ my alarm system.

_____ have new glass _____ a replacement?

Do you _____ recent _____ break _____ that _____ can _____?

_____ you have anything _____ than the _____ window _____ detectors _____ for _____ security _____?

_____ anyone heard of glass break _____ that _____ be used _____ sensors _____ a _____ alarm _____?

Is _____ to _____ older _____ break detectors _____ units?

_____ in _____ a replacement for the _____ glass _____ units _____ home protection _____.

_____ are _____ to _____ window alarms.

_____ replace the obsolete _____ break sensors in my _____ system?

_____ are _____ glass break _____ in my _____ setup.

_____ better _____ sensors for _____ alarm system?

_____ my _____ home security system _____ breaking sensors?

Is new glass _____ with my _____?

I am _____ have _____ newer glass _____ compatible _____ my alarm system.

_____ looking for _____ break detectors.

_____ option to replace the glass _____ in _____ system?

I _____ out an _____ glass _____ detector.

_____ you have glass break detection _____ that _____ ones _____ system?

____ have anything ____ window break detectors ____ my ____ setup?
 Can ____ swap my ____ break ____ for newer ____?
 Is ____ of ____ outdated glass ____ detectors ____ more ____ ones in ____ security ____.
 Is there an updated ____ break ____ replace ____ models?
 I'm wondering if ____ are ____ glass ____ detectors ____ can replace the ____ in ____.
 Can I ____ in my alarm system ____ modern ____?
 ____ I ____ my ____ system ____ use modern glass ____?
 Should I ____ newer ____ break ____?
 Is it ____ to ____ of glass break ____ on ____?
 ____ it possible to find ____ break ____ system?
 Looking for replacements ____ break ____?
 Looking ____ for obsolete ____ detectors, ____ suggestions?
 ____ replacements for ____ outdated glass break detectors?
 Is ____ any updated options ____ out ____ old glass ____?
 I'm looking ____ replacements ____ break ____.
 Is my alarm ____ compatible with ____?
 Do ____ new models of window ____ to ____?
 Has ____ a glass break ____ that can replace ____ pre-existing ____ configuration?
 Should I ____ the ____ break detectors ____ alarm ____?
 Replacing ____ with new ones?
 Is ____ a chance ____ finding more ____ glass ____ to replace ____?
 Do ____ more advanced glass ____ detectors as replacements ____ older ____ system?
 Is it ____ find ____ break detectors ____ system?
 ____ wonder if I could ____ obsolete ____ break ____ more advanced ____ you ____.
 ____ there a replacement ____ detectors?
 Is it possible to ____ glass ____ to ____ the ____ ones ____ setup?
 Are there ____ modern options ____ replace ____ my alarm ____?
 ____ there ____ update ____ break detectors?
 Can I replace ____ alarm system's ____ detectors ____ newer ____?
 I need ____ there ____ any better glass break ____ alarm ____.
 ____ there any way ____ replace ____ in my alarm ____?
 ____ there a ____ of finding more advanced ____ the ones ____ already ____?
 ____ a chance of ____ more ____ glass ____ detectors for ____ security ____?
 Is ____ home security system ____ with ____ sensors.
 ____ my newer glass ____ detectors compatible ____ system?
 ____ there an ____ to outdated glass break ____ my ____?
 ____ if it ____ possible to get ____ break sensors for my ____.
 Is ____ possible to swap ____ glass ____ ones here?
 I wanted ____ break ____ for more advanced options.
 Is it possible ____ upgrade to ____?
 ____ it possible ____ get more advanced ____ break ____ as ____ my ____?
 Is it ____ that ____ detectors can replace the old ones ____?
 Is ____ possible ____ new versions of ____ alarms?
 ____ don't ____ if ____ can swap ____ obsolete glass ____ sensors ____ options.
 Is it ____ that ____ models ____ glass break alarms can ____ ones?
 Is it possible ____ upgrade ____ replace ____ in my ____ setup ____ break ____?
 How ____ replacements ____ obsolete glass ____?
 Is ____ install ____ glass break ____?
 ____ there a ____ replace the ____ break sensor ____ my ____?
 Can ____ break detectors ____ my ____ system?

Where ____ I find ____ break ____ my security system?

____ there ____ glass ____ for ____?

Where can ____ for my outdated ____ break ____?

Do ____ glass ____ detectors work ____ current ____ system?

____ to upgrade ____ old glass-breaking detectors ____ ones?

Has there any ____ replace ____ glass ____ detectors?

Older ____ alarms ____ able to ____ newer options.

Is there ____ detector that ____ replace the ____ ones?

Where ____ find ____ for my old glass ____?

____ I ____ for the ____ glass break ____ in my ____ system?

Is ____ possible to get ____.

____ there ____ alternatives ____ outdated ____ break sensors?

____ to upgrade my ____ system to use ____ detectors.

Replacing ____ glass break detectors ____ is ____ newer ones.

____ need ____ replace ____ glass break sensors ____ setup.

____ glass ____ for outdated alarms?

____ need new ____ detectors to ____ old ones ____.

Do ____ have ____ newer ____ compatible with ____ alarm system?

I need ____ old glass ____.

____ there an ____ glass break ____?

____ there any new ____ smash-detectors ____ will ____ old ____?

I would ____ to replace ____ old glass ____ alternatives.

Is there ____ upgraded ____ replace the glass ____ sensors ____ alarm ____?

Has ____ a glass break ____ that ____ suitable for ____ old-fashioned ____ in a pre-existing ____?

____ my ____ glass ____ sensors with ____ advanced options from ____?

____ older units ____ alarm ____ should ____ with ____ break detectors.

Is it possible ____ swap older glass ____ used here?

Do you have ____ the ____ break sensors?

____ the ____ glass break ____?

Is ____ glass break ____ out ____ that is ____ my ____ system?

Would ____ be possible to find ____ advanced ____ detectors in ____?

____ there ____ replacement for ____ glass ____?

Are the ____ replacements?

____ newer options ____ window ____?

____ option ____ changing out ____ glass break sensors in ____ home security ____?

Do ____ have any ____ break ____ to ____ out ____ old ____?

____ there ____ chances of ____ more ____ glass break detectors to ____ ones ____ security system?

Is ____ any updated ____ break detectors that ____ switch ____?

____ would ____ switch my glass ____ an updated model.

I want to know if there are ____ break detectors ____ the ____ alarm setup.

____ looking for ____ to replace my old ____ break ____.

I ____ to ____ old ____ detector

____ smash-detectors are needed to upgrade ____ equipment.

Can I get ____ better ____ my old one?

I need ____ detectors ____ my ____.

Do you ____ there are ____ glass break detectors that ____ the old ____ my ____?

____ is ____ replacing outdated glass break ____ my ____ system with more ____.

____ models ____ glass break ____ replace older ____?

____ can ____ find ____ glass break sensors that ____ suitable ____ setup?

Older glass ____ can be ____ ones in ____ alarm ____ here.

____ I get ____ detector ____ my alarm system?
 Should ____ my current ____ break ____ with ____ ones?
 Is there ____ alarm ____ glass ____?
 Is it ____ to ____ glass break ____ in ____ alarm ____?
 Are there ____?
 Are ____ glass break ____ with my ____ alarm ____?
 Replacing ____ in ____ newer glass ____ detectors ____ a possibility?
 ____ is a ____ of finding ____ advanced ____ break detectors in _____.
 I ____ offer ____ break detectors as ____ the older units ____ my alarm system.
 Is it ____ to upgrade and replace outdated ____ detectors _____.
 ____ want to ____ my ____ glass ____ for a new ____.
 ____ there ____ updated ____ detect-ors?
 Is it ____ to ____ glass break ____ replace the ones ____ have?
 Can ____ upgrade my existing alarm ____ break ____?
 ____ need ____ upgrade the ____ break ____.
 ____ can I ____ replacements for ____ outdated ____ break ____?
 I ____ if I can ____ glass ____ detectors ____ my alarm ____.
 ____ you ____ devices that can ____ the obsolete ____ in my security ____?
 Is there ____ of ____ that ____ replacing ____ sensors in a pre-existing alarm configuration?
 ____ I ____ old glass ____ detectors in my alarm ____ modern ____?
 Are ____ newer window-breaking sensors ____ home security ____?
 Is ____ a ____ option for ____?
 Do ____ offer ____ break detectors ____ better ____ older ____ in ____ alarm system?
 ____ have ____ break ____ to replace my current ____?
 ____ was ____ if ____ were new models ____ alarms that could ____ broken ____ than the _____.
 ____ glass ____ detection ____ can replace ____ in ____ security system.
 ____ are newer ____ detectors that ____ be ____ the outdated ____ in my alarm ____.
 ____ you ____ glass break detectors ____ can ____ out?
 I ____ alarm system ____ use modern glass-breaking ____.
 ____ to ____ my obsolete ____ break sensor ____ more advanced ____.
 Is ____ any ____ glass break ____ my alarm ____?
 Seeking ____ alternatives to replace ____?
 ____ have ____ to ____ detectors that are compatible ____ my ____ system?
 Can I change the ____ detectors in ____ modern ones?
 Is there ____ the outdated ____ break ____?
 Do I ____ newer ____ break detectors that ____ system?
 Should I replace ____ glass ____ my alarm ____?
 ____ I ____ newer glass ____ that will ____ my security setup?
 ____ there ____ way ____ old-fashioned ____ in ____ alarm configuration with glass ____?
 ____ glass ____ alarms?
 Is ____ better glass break ____ available ____ my ____?
 Is ____ possible ____ upgrade my ____ detectors ____ latest technology?
 Are ____ offering more advanced glass ____ detectors ____ replacements ____ units ____ system?
 ____ updated ____ break detectors accessible ____ existing alarm ____?
 ____ searching ____ alternative and ____ to replace the ____ detection units ____ my current ____ unit ____.
 Is ____ to ____ the glass break detectors ____ my ____ system?
 Are ____ break detectors ____ my ____ setup?
 Is it possible ____ get newer ____ sensors ____ security ____?
 ____ possible to have ____ latest ____?
 ____ can I ____ glass break sensors that ____ for my ____?

Is _____ any new _____ glass break _____ with _____ setup?
 _____ new _____ of window _____ detections?

Is _____ possible _____ upgrade the old glass-breaking _____ alarm _____ with _____?

Where can I _____ the _____ glass _____ detectors _____ are in my _____?

Where can I _____ old glass break _____?
 _____ can _____ for the outdated glass break _____?

Got _____ glass _____ sensors for _____?
 _____ new glass _____ to replace older _____?
 _____ I _____ break detectors?

I want _____ my _____ system's glass _____ newer ones.
 updated _____ of _____ break _____ compatible with _____
 _____ glass break detectors _____ outdated _____ in my alarm setup?
 _____ it possible _____ replace the _____ glass _____ in _____ alarm setup?

Are _____ break detectors updated _____ to be used _____?

Is it _____ upgrade _____ break _____ for my _____?

Is there _____ recent _____ break _____ replace the _____ ones _____ my alarm _____?
 _____ there _____ better _____ the _____ glass _____ on my current setup?
 _____ way to _____ alarm system's glass break detectors?
 _____ want to know _____ my alarm system _____ newer glass _____.

Where _____ I find _____ newest _____ break _____ are _____ my security _____?
 _____ you _____ any new _____ for _____?
 _____ it possible _____ upgrade _____ outdated units in my alarm setup with _____ updated _____?
 _____ looking _____ broken glasses _____ than the ones _____ currently using.
 _____ newer window alarms _____ offered?

Is _____ any recent glass break _____ that can _____ to _____ the _____ alarm setup?
 _____ possible _____ break detectors that are compatible _____ my alarm _____?
 _____ any replacements _____ obsolete glass _____?

Can I upgrade the _____ detectors _____ my _____ with _____?

Is it possible _____ switch _____ in _____ configurations with _____ break _____?

There are newer _____ break alarms _____ can be used _____.
 _____ anyone have _____ glass _____ for my alarm _____?

I need _____ break _____ are newer than _____.
 _____ glass _____ detector _____ my _____ system?

Is _____ glass breaks for _____ alarms _____?

Is there _____ breaks for _____?

Is _____ alarm for swap?
 _____ possible to _____ my alarm _____ with new _____ detectors?

Can _____ get new glass break _____ for _____?
 _____ there any _____ to replace the _____ glass _____?

Is _____ the old glassbreaking detectors in _____ alarm _____.
 _____ break detectors _____ replace the _____ ones in my setup?

I _____ to find contemporary replacements _____ break _____.
 _____ it possible _____ switch _____ glass break _____ ones?
 _____ there any newer _____ of _____ detectors compatible _____ setup?

There _____ newer _____ window _____ that _____ used _____ upgrade old equipment.
 _____ there an _____ to _____ outdated _____ break _____ on the _____?

Is it possible to get _____ for _____ security _____?
 _____ detection devices _____ obsolete ones in my _____ security _____.

Is it possible _____ glass break sensors _____ system?

Do _____ glass _____ for my alarm system?

Is it _____ get _____ sensors for my _____?

I _____ swap _____ old _____ break _____ for an updated _____

_____ I _____ system with newer glass _____ detectors?

My _____ home protection _____ outdated glass detection _____ and I'm _____.

Is _____ possible _____ glass _____ detector for _____ old _____ system?

_____ a fresh glass _____ throw out _____ old ones in _____.

The window break detectors that I _____ for _____.

I'm _____ of _____ and advanced _____ the _____ glass detection _____ in my _____ protection unit.

Where can _____ find _____ glass _____ the older ones?

_____ need to swap _____ my _____ glass _____ for _____ ones.

Are _____ upgraded alternatives that _____ replace the obsolete _____ break _____ system?

Is _____ possible _____ find _____ detectors _____ suitable to _____ old-fashioned sensors in _____ alarm configuration?

Can I find _____ new _____ to replace _____ break _____?

Is there any _____ glass break _____ switch with?

_____ replace the glass break _____ alarm system?

Do _____ updated _____ for changing _____ the _____ sensors in _____ home security setup?

_____ glass break detection devices _____ obsolete ones?

I _____ any newer _____ break detectors _____ alarm system.

_____ updated _____ of _____ break alarms that can replace _____.

_____ any newer _____ break sensors _____ out the _____?

Can the _____ glass-breaking _____ alarm system _____ modern ones?

_____ find _____ break detectors that _____ sensors in a _____ alarm configuration.

I'm _____ need of _____ advanced solutions _____ replace _____ glass _____ my home _____ unit.

Are _____ newer window _____ detectors for _____ setup?

_____ want _____ out the outdated glass break _____ security system.

Is _____ get updated _____ break detectors _____ my _____ setup?

_____ it possible _____ the glass break _____ system _____ newer options?

Looking _____ models _____ alerts.

_____ anyone _____ to the _____ break sensors on my _____ setup?

Is there _____ replace glass _____ detectors _____ are _____?

I wonder if _____ have _____ the _____ break _____.

_____ smash-detectors _____ be used to upgrade _____ equipment?

_____ any new _____ of _____ smash-Detectors?

_____ the glass break _____ you offer replacements _____ the _____ in _____?

_____ time for an _____ old glass _____ detectors.

_____ I get _____ detectors to _____ old ones?

_____ there _____ recent glass break _____ can _____ old _____ my alarm setup?

I would _____ to _____ my glass _____ with _____ updated _____.

_____ to get better, _____ window _____?

I'm _____ for alternatives to replace _____ my _____ home protection unit.

_____ for _____ sensors to replace my _____ ones.

Is _____ new options to _____ break detectors?

_____ I _____ newer _____ compatible with my alarm _____?

_____ there _____ chance of _____ the outdated _____ detectors _____ advanced ones?

Older window _____ options _____ be _____ ones.

Are _____ contemporary replacements _____ glass _____?

_____ my alarm _____ compatibility include _____ detectors?

Is _____ break detector that _____ work in my _____?

Can _____ upgrade my _____ detectors to _____ ones?

Did you _____ any _____ glass break _____ throw _____ the _____ my alarm?

_____ newer glass _____ sensors _____ for _____ security _____?
 _____ I replace my old-fashioned alarm _____ break _____ with _____?
 Is there _____ of finding _____ advanced _____ break _____ in _____ security _____?
 I _____ if you _____ more advanced _____ break detectors as _____ the _____ units _____ system.
 I need to _____ old-fashioned _____ system's glass _____ better _____.
 _____ there any way _____ replace the _____ in my home _____?
 _____ I _____ glass breaking detector _____ my alarm system _____ ones?
 _____ it possible to upgrade _____ glass breaking _____ modern _____?
 _____ searching for _____ and _____ replace _____ outdated glass detection _____ that _____ for my _____ protection unit.
 Do you _____ glass _____?
 Is there a _____ the old ones in my _____ setup?
 Where _____ glass break _____ that _____ compatible with my _____ system?
 _____ for _____ of alarms _____ broken glasses _____ the _____ I use now.
 Could I get newer glass _____ setup?
 I _____ to swap _____ my _____ glass _____ detectors _____ newer _____.
 Is _____ alternative _____ the old _____ break _____?
 Is there a _____ finding _____ advanced _____ detector _____ security system?
 _____ my current _____ compatible _____ newer glass break _____?
 An updated _____ is _____.
 Are there any _____ to replace _____ old glass _____ in _____?
 Are there upgraded _____?
 Where _____ get _____ break _____ that are _____ with _____ current _____ system?
 Are newer _____ use in my _____ system?
 _____ am _____ for _____ break sensors to _____ old ones.
 _____ like to _____ old glass _____ in my alarm _____.
 _____ compatible with modern _____ break detector?
 Looking _____ replacements _____ obsolete _____ break _____?
 I'm _____ if _____ have _____ modern _____ break detectors _____ my _____ system.
 _____ upgraded _____ break detectors to _____ the old _____?
 Is _____ possible _____ break detectors _____ are _____ in my alarm _____.
 New _____ break _____ are _____?
 Is _____ possible to _____ in _____ existing alarm setup?
 _____ to _____ my old alarm _____ glass _____ with newer ones.
 _____ new _____ to replace _____ old glass break _____.
 Will I be able to _____ for more _____ options?
 _____ I get new glass _____ to _____ old ones?
 Do _____ have _____ new _____ smash-Detectors _____ upgrade _____ equipment?
 _____ like _____ switch my _____ with an updated _____.
 Can I _____ newer _____ break _____ set up?
 I need _____ glass _____ sensors in my alarm _____.
 _____ glass _____ detectors in _____ alarm _____ are _____.
 Is it possible _____ glass _____ the security system?
 _____ glass breaking _____ in _____ system can be _____.
 Are _____ recent glass break _____ replace the _____ my _____ setup?
 _____ there _____ glass breaks _____ old _____ here?
 _____ can I _____ replacements for the _____ glass _____ my _____ system?
 _____ recent versions _____ sensors _____ home security system?
 Is _____ changing the _____ break sensors _____ my home security _____?
 Is it _____ for me to _____ glass break detectors _____ outdated _____ in _____ security _____?
 Any _____ break detectors I _____ use?

Do you _____ break detectors?

_____ to _____ the outdated _____ in _____ setup with upgraded _____ detectors.

_____ alarms should be _____ replacement.

I _____ to _____ detection units _____ my _____ protection unit uses.

Do you know if there _____ glass _____ can _____ antiquated ones _____ my alarm _____?

_____ an upgrade to the _____ break _____?

Do _____ to swap my _____ glass _____ sensors _____ more _____?

Is there _____ glass _____ detectors I _____?

Do you _____ glass break detection devices _____ can _____ the older _____?

_____ anyone recommend _____ glass break _____?

_____ we _____ replacements _____ obsolete glass break detectors?

_____ I _____ to the modern _____ break _____?

Looking for alternative _____ advanced _____ to _____ outdated _____ units utilized by my current _____.

_____ need fresh _____ my old glass break _____.

Is _____ an _____ option to _____ glass break _____ in _____ system?

Is _____ possible to _____ to _____ in _____ alarm setup?

_____ you _____ glass break _____ devices that can _____?

Where can _____ the _____ glass break sensors?

Is _____ possible _____ glass break _____ that _____ replacing old-fashioned sensors _____ a pre-existing _____ configuration?

Where _____ find _____ replacements for _____ older _____ break _____?

I need _____ if _____ any _____ glass _____ that can replace _____ old _____.

I'm looking _____ a new _____ will _____ broken _____ than the _____ ones.

Is _____ any _____ of window-breaking sensors _____ with _____ existing home _____?

Are you _____ to _____ glass break detectors?

_____ it _____ better glass _____ sensors to replace old _____?

_____ old-fashioned alarm _____ glass _____ be replaced by _____ alternatives.

Is it possible to _____ obsolete _____ break _____ more _____ from you _____?

Has anyone _____ a way _____ replace my _____?

Is _____ updated models _____ glass break detectors?

Is _____ more advanced _____ break _____ to _____ the older ones in _____ security _____.

_____ want _____ switch my _____ glass _____ with _____ model.

_____ want to replace _____ break sensors _____ newer ones _____ my _____.

Can I _____ old _____ detector _____ my _____ system _____ a modern _____?

Modern _____ archaic _____ detectors _____ there?

_____ it _____ to _____ obsolete _____ break _____ devices in _____ security _____?

Do _____ offer _____ glass _____ detectors _____ for _____ older units?

_____ out my alarm _____ glass break detectors with _____?

Are _____ options to _____ the obsolete _____ break _____ in _____ system?

Are _____ better glass _____ sensors _____ alarm system?

_____ offer glass _____ detection _____ that _____ replacements _____ obsolete _____ in my _____ system?

_____ detectors _____ are suitable for replacing old-fashioned sensors _____ an existing alarm configuration?

Should I _____ newer _____ break _____ for my _____ system?

Are _____ new _____ that _____ be _____ to upgrade equipment?

_____ I swap _____ obsolete _____ break _____ for better _____?

_____ there _____ recent _____ break _____ that _____ the archaic ones in _____ setup?

Is it _____ upgrade _____ the outdated _____ in _____ existing alarm setup _____ glass break _____?

_____ alternative _____ outdated glass _____ sensors on my _____ setup?

I want _____ upgrade _____ alarm system _____ detectors.

_____ glass _____ be used in my alarm system?

Where can _____ models _____ alarms _____ broken _____ better than older _____?
 _____ we replace _____ antiquated glass _____?
 _____ find more advanced _____ break detectors to _____ in my security _____?
 Can I _____ outdated glass break sensors _____?
 _____ need _____ upgrade my _____ detector.
 I _____ change _____ glass break _____ in my security _____.
 I'm wondering if _____ can _____ my alarm system.
 _____ new _____ replace glass break _____?
 _____ need to swap _____ old _____ break detector _____ an _____.
 _____ possible to _____ newer _____ for my _____ alarm system?
 I need _____ glass break _____ in my _____.
 _____ my old glass _____ sensors _____ newer ones?
 Is it possible _____ new window _____ old _____?
 _____ want to _____ old _____ with a _____ model _____ smash-Detectors.
 Has anyone _____ a _____ detector that _____ be _____ to replace _____ fashioned _____ in a _____?
 _____ my old _____ with _____ updated _____ is needed.
 _____ anyone _____ glass _____ for their alarm system?
 Can _____ my obsolete _____ for newer, more advanced _____?
 Is there a _____ break _____ can replace _____ ones _____ alarm setup?
 _____ suggestions for _____ replacements _____ obsolete _____ detectors?
 _____ my existing _____ system compatible with _____ sensors?
 The _____ glass break _____ need _____.
 Is there a newer _____ that _____ compatible _____ my _____ alarm _____?
 _____ an _____ to _____ older units _____ alarm _____ you offer glass _____ detectors?
 Is _____ a _____ replacing _____ glass break _____ advanced ones _____ the _____ system?
 _____ alternatives _____ the outdated _____ break sensors.
 _____ would _____ to _____ broken glass sensors for more _____.
 Do you _____ glass break detectors _____ the _____ units _____ alarm _____?
 _____ there newer _____ breaks _____ here?
 _____ possible to upgrade _____ replace outdated _____ break _____ alarm setup?
 _____ there more recent _____ of _____ with my security _____?
 Is it _____ to upgrade my glass _____ to the newer _____?
 _____ for _____ upgrade _____ old glass _____ detectors.
 _____ there _____ to outdated glass _____?
 I would like _____ if _____ have _____ modern glass _____.
 Are _____ break _____ compatible _____ current alarm system?
 Can I _____ newer glass _____ current security _____?
 _____ it _____ to _____ and _____ outdated glass break _____ in _____ alarm _____?
 _____ modern replacements for _____ detectors.
 I need newer window _____ obsolete _____.
 _____ am looking for _____ of alarms _____ detect broken _____ old ones.
 Is it possible to _____ for _____ glass _____?
 Is it _____ to _____ break _____ for my alarm _____.
 You know, _____ window _____ detectors for _____ security _____?
 It is _____ a new glass _____ mine.
 Is _____ to upgrade _____ glass break detectors _____ my _____ setup?
 Is there any recent _____ that could be _____ replace _____ old _____ alarm setup?
 _____ there a modern _____ to replace _____ in _____ alarm system?
 Is it _____ that _____ have _____ to _____ glass _____?
 _____ break detector that can _____ old-fashioned sensors in _____ alarm?

____ it ____ to get more ____ sensors?
 I ____ an ____ break ____ to replace my ____.
 ____ newer glass shatter alarms ____ my existing ____?
 I'm ____ of alternatives ____ the outdated ____ detection ____ home protection unit.
 ____ there any updated ____ glass ____ detectors I ____ swap ____?
 Is it time for ____ of ____ break ____?
 Is ____ newer ____ replace ____ break sensors in my ____?
 ____ it possible ____ upgraded glass ____ detectors for ____ current security ____?
 Is ____ home ____ compatible ____ of window-breaking sensors?
 ____ you have ____ glass break ____ I can use?
 Can I upgrade ____ breaking ____ in ____ system with ____ ones?
 I ____ in ____ of ____ to the ____ glass break ____.
 ____ in ____ new models of alarms that ____ glasses better ____ outdated ____.
 ____ updated glass break sensor ____ for my security setup?
 ____ a new ____ smash-detectors that ____ be used ____ upgrade old ____?
 ____ new type of glass ____ that can ____ sensors in ____ pre-existing alarm ____?
 Is ____ a new ____ detector ____ my security setup?
 ____ want ____ switch ____ glass break ____ with ____ models.
 Are there any ____ break detectors that ____ old ones ____ my ____?
 ____ you provide ____ glass ____ replace the older units in ____ system?
 Is it ____ the ____ break detectors ____ my alarm ____.
 ____ swap ____ old glass break detection.
 Looking ____ to ____ broken-glass ____.
 Can ____ a new ____ my existing security set-up?
 Is new ____ for ____ alarms ____?
 ____ looking ____ solutions to ____ the outdated glass ____ units in my protection ____.
 Any ____ of glass break detectors ____?
 Do updated ____ glass ____ exist?
 ____ guys have ____ My ____ is outdated.
 Is there an ____ the ____ sensors in my alarm ____?
 Do modern replacements ____ glass ____?
 ____ newer ____ of shatter ____ for my set-up?
 ____ you ____ any ____ glass ____ detectors ____ I can ____?
 Is ____ to ____ glass break ____ replace ____ outdated ones ____ my ____ setup.
 I am looking ____ glass ____ that ____ to ____ my current ____.
 ____ am ____ fresh ____ to replace my ____ glass break ____.
 ____ you have ____ newer ____ archaic window ____ detectors?
 I want to change ____ glass ____ in ____ setup.
 ____ any ____ glass break detectors that can replace ____?
 I want ____ outdated glass ____ sensors ____ home security setup.
 I am looking for ____ the outdated ____ detection units used ____.
 ____ break ____ swapped ____ units in the alarm configurations ____ here.
 ____ find replacements for outdated glass ____?
 Where can ____ replacements ____ glass ____ sensors?
 ____ possible to replace ____ older ____ in my ____ glass break detectors?
 ____ offer ____ break detection ____ can replace the older ____?
 ____ I ____ the ____ break sensor in ____ alarm system ____?
 Does ____ know ____ replacements ____ glass break ____?
 ____ there ____ for me to find ____ glass break ____?
 Can I ____ the old ____ in ____ system?

_____ any _____ to the outdated glass _____ sensor on _____ ?
 _____ replacement _____ old glass break detector _____ .
 _____ you have _____ break _____ devices that _____ enough _____ obsolete ones?
 _____ it possible _____ find _____ advanced glass _____ to _____ outdated ones?
 _____ glass-breaking detectors in my alarm _____ need _____ be _____ ?
 Where _____ I find new glass _____ that _____ with _____ system?
 Can I _____ in my alarm system?
 Is there _____ way _____ replace _____ detectors.
 _____ might make _____ models of _____ break _____ older ones.
 Is _____ a chance _____ break detectors to replace _____ ones?
 _____ alarm system's glass break _____ ?
