

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Electrical safety guidelines and precautions
Inquiry Sub-Category	Electrical safety during storms and power outages
Description	Customers inquire about precautions to take during thunderstorms, power outages, and other severe weather conditions, including guidance on using backup generators safely, staying away from downed power lines, and protecting electrical equipment from power surges or lightning strikes.
Data Size	8,792 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

_____ you provide tips _____ equipment _____ power _____ and lightning strikes _____ storms?

_____ do _____ keep these electrical _____ safe _____ weather?

_____ to _____ from lightning _____?

_____ it possible _____ against _____ surges and lightning _____ storms?

Suggestions _____ lightning damage

Help _____ against storms _____ gadgets.

Recommendations _____ protect electronics _____?

Does anyone know how _____ my _____ from _____?

_____ storm safety hack _____ items?

_____ am in need of _____ my electronic _____ storms.

_____ against power _____ in storms _____ needed.

_____ know anything _____ to _____ against _____ shocks _____ lightnin' bolts _____ storms?

Ways _____ shielding electronics _____.

_____ electronics be _____ from _____ surge _____ lightning?

_____ storm _____ for _____ items?

_____ guard electrical appliances _____ turbulent _____?

Is _____ appliances from lightning strikes?

_____ gadgets _____ lightning and _____?

_____ storm strikes, what do _____ to shield _____?

In case _____ advice on _____ electrical gear.

_____ for shielding devices _____ lightning?

What should _____ electrical equipment when there _____ tempests?

advice _____ surge _____ lightning harm

Should my _____ be protected _____ power _____ and _____?

_____ from damage from lightening?

I need to protect my _____ devices _____.

I _____ to _____ my _____ from _____ surge and _____.

_____ electronics _____ storms?

How _____ gear during _____?
