

## [Demo] NLP Dataset for Customer Service Automation

<b>Company Type</b>	Telecommunications Equipment Manufacturers
<b>Inquiry Category</b>	Installation instructions and guidance
<b>Inquiry Sub-Category</b>	Product Compatibility
<b>Description</b>	Customers inquire about the compatibility of their telecommunications equipment with other devices in their network setup, seeking guidance on choosing compatible products and installing them correctly.
<b>Data Size</b>	5,010 paraphrases
<b>Want to buy data?</b>	Please contact <a href="mailto:nlp-data@gross.me">nlp-data@gross.me</a> via your business email address.

**Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)**

\_\_\_\_\_ telecom \_\_\_\_\_ affect performance \_\_\_\_\_ within our network architecture?
