

[Demo] NLP Dataset for Customer Service Automation

Company Type	Property Insurance Companies
Inquiry Category	Hazardous material storage guidelines
Inquiry Sub-Category	Hazardous material storage requirements
Description	Customers inquire about the specific guidelines and regulations for safely storing hazardous materials on their property, including proper storage containers, labeling, ventilation, and fire protection measures.
Data Size	5,014 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Property Insurance Company" customer inquiry. (Purchased data will not be masked.)

Is it _____ add _____ features like alarms _____ systems _____ our _____ area?

Should alarms _____ be used _____?

Are we going _____ need _____ security like _____ and alarms _____?

_____ there _____ any need _____ cameras in our _____ area?

Are _____ alarms _____ the storage _____?

Is there _____ features _____ cameras and alarms in _____ storage _____?

_____ and alarm _____ be _____ to _____ hazardous material space?

_____ alarms _____ security in the _____ area?

_____ it _____ install _____ systems _____ the storage area?

_____ alarm units _____ added to our _____ space?

I _____ if _____ or _____ in the storage area.

_____ storage _____ need _____ features _____ cameras or alarms?

Should we include _____ dangerous material _____?

_____ we _____ or alarms in _____ storage area?

Does _____ sense _____ add alarms _____ to _____ storage zone?

_____ alarms have _____ be _____ to _____ hazardous _____?

_____ we require _____ in _____ substance _____?

Is it _____ to _____ devices _____ dangerous _____ section?

Are _____ going _____ need _____ like _____ and _____ to _____ storage spot?

Does _____ including alarm, make the _____ substance _____ area _____ secure?

_____ addition of alarms needed _____ hazard _____ area?

_____ put _____ alarm units in _____ hazardous material space?

Do we need to install _____ and alarms _____?

_____ necessary for _____ alarm _____ or cameras _____ our hazard _____ area?

Is there any need _____ the _____ substance repository _____?

_____ hazard _____ repository area need _____ security _____?

_____ it necessary _____ have _____ features _____ the _____ substance _____?

_____ site _____ security _____ such as alarms _____ cameras?

Can _____ added to _____ hazard _____ area safer?

Is _____ a _____ idea to _____ and monitor _____ our _____ substances _____?

Can we _____ systems _____ our hazardous _____?

_____ the _____ area need security _____ like alarms _____?

Should _____ security _____ storage area?

Do _____ something to _____ our hazardous _____?

Should _____ have _____ our repository?

In the _____ like alarms and cameras be _____?

Should _____ be _____ in _____ dangerous _____ section?

Are camera _____ units required to _____ the _____ material _____?

Is _____ to _____ protection _____ to the hazardous _____?

_____ make sense _____ have _____ cameras in the chemical _____?

_____ required _____ add alarm and monitoring _____ substance storage zone?

I wonder _____ install _____ or cameras _____ the storage _____.

Can security _____ be installed _____ storage _____?

Are _____ for _____ hazardous material _____?

Is _____ to add _____ to _____ hazard substance repository _____?

Are we going to _____ more security, _____ cameras _____ our _____?

For our _____ substance storage area, _____ measures?

Do _____ cameras or alarms make _____ storage _____?

_____ security for the hazardous substances repository?

_____ the risk-material _____ need _____ or _____?

_____ security _____ needed _____ keep our hazardous material _____?

Should the hazardous area _____ security _____ to _____?

Is _____ for an _____ to _____ our repository?

_____ there _____ for alarm _____ for our _____ repository.

_____ we _____ alarms and cameras _____?

Should _____ alarms for the _____ room?

_____ don't know if _____ need alarms _____ surveillance _____.

In the repository area should _____?

_____ security _____ installed _____ our _____ area?

_____ add alarm and _____ capabilities _____ hazard substance storage _____?

Do you _____ danger _____ store _____?

_____ add _____ enhancers, _____ to the storage section?

Is _____ hazard _____ required _____ the installation _____ alarm systems _____?

Will we _____ to _____ security systems _____ area?

Should _____ security devices _____ material section.

Are _____ need _____ security like alarms _____ for our risky _____?

_____ hazard substances _____ cameras and _____?

_____ possible to install alarm systems _____ the _____?

_____ or _____ in the _____ substance repository area?

Is _____ hazard _____ storage zone needed _____ and _____ capabilities?

_____ there any _____ monitoring for _____ risk-material repository?

_____ alarms or cameras need _____ be _____ storage _____?

_____ alarms _____ be installed _____ the _____ room?

Is _____ need for alarms, _____ or secure _____?

In the dangerous _____ we _____ devices?

Is _____ to _____ systems _____ the dangerous substances _____?

_____ for the _____ repository?

Are _____ in the _____ repository area?

_____ we need _____ systems to _____ hazardous _____ repository?
 Would it be _____ to _____ sensor in _____ zone?
 Do _____ require security _____ for the _____?
 Do we _____ to add alarms _____ storage zone?
 Is _____ really _____ need _____ or _____ systems in our _____?
 _____ required to have _____ in _____ area?
 Should alarms _____ our dangerous goods storage _____?
 _____ we _____ to _____ in more _____ cameras and alarms for _____ spot?
 _____ for security measures in _____ substance repository?
 Would it _____ to put cameras _____ the chemical _____?
 _____ we _____ security _____ substance repository?
 _____ it necessary _____ have _____ in _____ hazard substance _____ area?
 _____ for cameras and alarms _____ our hazardous _____ storage?
 _____ necessary at the _____ substances warehouse?
 Do _____ features need _____ be used _____ repository?
 Need _____ dangerous _____ room?
 Do safety measures _____ to _____ added _____ hazardous _____?
 _____ alarms _____ in the _____ area?
 _____ security features _____ installed inside _____?
 Should _____ or _____ in the storage _____?
 _____ to add alarm _____ our hazardous material _____?
 _____ there _____ security features to be _____ the _____ substance _____?
 _____ hazard _____ have _____ cameras?
 Do _____ need _____ at _____ repository?
 _____ hazardous substance _____ and alarms?
 Is _____ a need _____ alarm _____ our _____ repository?
 _____ systems be installed in the _____?
 _____ a need _____ security in our _____ spot?
 _____ added to _____ hazardous area?
 Does _____ dangerous _____ storage _____ need security measures _____ and _____?
 Does it _____ to install _____ our hazardous _____ storage?
 Does it _____ sense _____ install _____ systems _____ the _____?
 _____ it possible _____ secure _____ hazardous _____ with _____ mechanisms _____ CCTV?
 _____ going _____ some _____ alarms _____ cameras for our storage spot?
 _____ installing security _____ storage area?
 Do we _____ in our _____ storage _____?
 Do we _____ alarm _____ or cameras _____ hazard storage _____?
 Is _____ alarm _____ necessary _____ protect the _____ repository _____?
 Do we need _____ install _____ systems or _____ hazard _____?
 For _____ hazard substance storage _____ do we _____?
 _____ be wise to put _____ sensors in _____ containment _____?
 Should we _____ cameras and _____ area?
 Is _____ necessary _____ use cameras _____ protect hazard _____?
 Do _____ want to _____ devices in _____ dangerous _____?
 _____ we need _____ in _____ storage area.
 Is _____ need alarms or cameras?
 Do _____ features _____ to be _____ the _____ repository area?
 Can _____ systems _____ the _____ substances warehouse.
 _____ the hazard storage _____ security _____?
 _____ it required _____ protection _____ to _____ hazardous material _____?

Is _____ alarm _____ the dangerous substances warehouse?

Are we really required _____ have _____ and _____ the _____?

_____ repository needed security _____?

Is it a _____ like alarms _____ our repository?

_____ we _____ for our hazardous substance _____.

Is _____ use cameras _____ alarms to _____ substances?

_____ features like _____ cameras be installed _____ the _____ area?

Is _____ necessary to _____ systems in _____ storage _____?

_____ there need to _____ the storage _____?

_____ or _____ for hazardous substances?

Would it _____ wise to _____ sensors in _____ chemical _____?

_____ necessary _____ protect hazard substances _____ alarms and _____?

Is _____ for our dangerous _____ site _____ alarms _____ cameras?

_____ security _____ like _____ be _____ the storage area?

_____ be _____ added to _____ area?

_____ substance storage area _____ to _____ security measures?

_____ alarm mechanisms and cameras _____ included in _____ to _____?

Are _____ going _____ cameras for _____ risky storage spot?

Would _____ be wise _____ sensors in the chemical _____?

_____ there _____ alarms _____ cameras in _____ repository _____?

_____ such _____ surveillance monitors, be added _____ hazardous substances storage section?

_____ alarms _____ cameras be _____ in _____ area?

Do you _____ the substance _____?

Is _____ that we need to _____ for our _____ storage _____?

Is it necessary to _____ alarms _____ hazard _____?

Should we _____ in _____?

_____ a need for _____ cameras _____ our dangerous place?

Is _____ need for _____ or _____ in _____ hazard _____ repository _____?

_____ possible _____ we need _____ add alarm and cameras _____ our _____?

Do _____ want _____ alarm _____ security _____ the _____ area?

_____ it possible that _____ need more _____ storage _____?

_____ and other safety _____ added to _____ storage section?

_____ it make _____ to put _____ devices _____ the _____ section?

Is _____ to _____ and _____ capabilities to _____ substance _____ zone?

_____ wonder _____ we _____ cameras or _____ the storage area.

_____ we need _____ install _____ measures _____ our hazard _____ area?

Would _____ sense _____ cameras and _____ the containment zone?

Is _____ add security systems _____ our _____ substance repository _____?

Should _____ surveillance _____ be _____ to keep _____ repository _____?

_____ it _____ for _____ to have _____ hazardous substance repository?

_____ we _____ to _____ to install cameras and _____ for _____?

_____ area _____ include _____ and surveillance?

_____ use alarms _____ to keep _____ hazardous substance _____ safe?

Does it _____ to add alarm and surveillance _____ section?

_____ alarm _____ security features need _____ to the _____ repository?

Do security features need _____ be _____ hazard _____?

Is _____ required _____ our _____ substance storage area _____ systems?

_____ security devices _____ material section?

Is _____ in _____ hazard _____ repository area?

_____ or cameras be added _____ area?

____ alarms and ____ in the ____ substance ____?
 ____ add alarms or ____ in the ____ area?
 Do ____ or ____ in the substance ____?
 Is there ____ need ____ cameras for ____ substance repository?
 ____ we add safety ____ such ____ alarms, ____ our ____ substances ____?
 Are we ____ putting ____ alarms or ____ in ____ area?
 ____ there a requirement ____ install alarm ____ in ____ storage ____?
 ____ or security features ____ hazard substance repository ____ necessary
 ____ in our repository?
 Is ____ really a need for ____ or ____ in ____?
 ____ make sense ____ security ____ alarms to the ____ repository area?
 Adding security ____ including alarms, ____ be ____ substance repository area more ____.
 Do we ____ alarm ____ for ____ hazard substance ____?
 ____ require ____ systems for our ____ substances ____?
 Is there ____ requirement to ____ systems ____ substances warehouse?
 ____ alarms and monitoring ____ included ____ repository ____?
 Is there ____ repository that needs ____ cameras?
 ____ storage ____ need ____ features such as cameras ____?
 ____ like alarms ____ added ____ the hazard substance repository ____?
 ____ to ____ cameras and ____ protect against hazard substances?
 Is it necessary ____ to ____ in ____ material repository?
 Is ____ necessary ____ alarm ____ in ____ hazard substance repository ____?
 Is there really ____ surveillance systems ____ the ____ area?
 Is ____ security ____ the hazard ____ repository?
 ____ security ____ and ____ be ____ in ____ storage area?
 Is it necessary ____ add ____ and ____ our ____ zone?
 ____ risk-material ____ require ____ or monitoring?
 Is it ____ to ____ and ____ hazard substances?
 Is ____ necessary ____ have ____ or ____ for ____ repository?
 Does alarms ____ systems help ____ the hazardous ____?
 ____ security features ____ to ____ to the ____ repository area?
 ____ to secure hazardous ____ with ____ and alarms?
 ____ alarm and ____ added ____ the ____ substances storage section?
 Do we ____ to install ____ our hazardous substance ____?
 ____ it ____ systems for ____ hazardous substance repository?
 ____ storage, ____ cameras, needed?
 Does it ____ sense ____ safety enhancers, ____ to our ____ substances ____ section?
 Are ____ systems ____ at ____ dangerous ____ warehouse?
 Is ____ requirement to add camera ____ alarm ____ the ____ space?
 Is ____ storage area ____ to ____ alarm systems ____?
 Is it ____ install ____ systems ____ substances warehouse?
 Do we need ____ of security ____ repository?
 Is it ____ to the hazardous ____ space?
 Is it important ____ secure ____ substances with ____?
 Is there a ____ cameras in ____ substance ____ area?
 ____ alarms and ____ be ____ in ____ storage ____?
 Is ____ add protection ____ to our hazardous material ____?
 Should we include ____ our hazardous ____ facility?
 Do you ____ install security ____ the storage ____?
 Is it possible ____ alarms and ____ for ____ risky ____?

Is _____ good idea to include an _____ in our _____?

Is _____ wise to _____ sensors _____ our _____ zone?

_____ we _____ to need _____ cameras for _____ spot?

Is _____ important _____ an _____ system within our hazardous _____?

Do we need _____ systems _____ area?

_____ there really any _____ for cameras or _____ our _____?

Should alarm _____ in _____ substances warehouse?

Is _____ true that we _____ to _____ in _____ storage spot?

_____ to install _____ devices _____ the dangerous _____ section?

_____ a good idea to add _____ to _____ hazardous _____ section?

Should we _____ in our hazardous substance _____?

_____ be put _____ at the _____ repository site?

_____ it _____ install _____ alarms in _____ hazardous substance storage?

_____ it _____ to be in place _____ our hazard _____ area?

Do we _____ cameras for our storage area?

Is it _____ to _____ systems in the hazard _____?

Does _____ substance repository _____ need alarms _____ features?

Is _____ cameras and _____ safeguard hazard substances?

Is it crucial to _____ substances with _____?

_____ be a _____ to install cameras and _____ in _____ chemical _____?

_____ hazard substance _____ need _____ have security features?

_____ alarms _____ for _____ material repository?

Is _____ of alarm features _____ to make the _____ secure?

Are _____ to have _____ hazard substance storage area.

Do the alarm systems _____ be _____ at the _____?

Should _____ have _____ our hazardous substances _____?

Is it necessary _____ systems _____ cameras _____ hazard storage _____?

Is _____ of alarms _____ to make the _____ repository _____ a _____ secure _____?

Any need for _____ in the _____ area?

Will alarm _____ be needed _____ warehouse?

_____ idea to _____ and _____ in our hazardous substance storage?

Is it a _____ to add _____ monitor _____ the _____ substances _____?

Do _____ need _____ be _____ the substance repository?

Does the addition _____ security _____ including alarm, _____ hazard _____ safer?

Are security features _____ in the _____?

Should features _____ as _____ to the _____ area?

_____ be equipped with cameras and alarms?

_____ there _____ need _____ in _____ storage area?

_____ for the storage area?

_____ you _____ is important to _____ hazard _____ alarms _____ cameras?

Is it advisable _____ in _____ material section?

Do _____ features are _____ hazardous storage?

_____ we install security systems _____ storage _____?

Does the storage _____ security _____?

Is _____ an _____ system _____ to protect our _____?

Is _____ necessary for hazard _____ include _____?

_____ security features like alarms _____ in _____ material repository?

_____ there _____ be security in the _____?

_____ alarm mechanisms _____ security _____ be included _____ materials facility?

_____ the _____ alarm or security?

Does _____ substance _____ need alarm _____ security _____?

Does _____ hazard _____ area need _____ or _____ features?

Are security _____ for _____ material _____?

_____ it necessary to _____ alarm _____ goods storage site?

Should there _____ cameras _____ area?

Does it _____ installation of _____ systems or _____ the hazard _____?

Is _____ necessary for _____ to be _____ in _____ substance _____?

Do you _____ to _____ cameras _____ in _____ room?

Is it _____ add _____ monitoring to _____ hazard _____ area?

_____ the _____ features, including alarms, help to protect _____ area?

Is _____ secure our _____ with alarm mechanisms and _____ cameras?

Is _____ necessary to have _____ dangerous _____?

_____ it _____ or surveillance systems in _____ dangerous area?

_____ we _____ alarms _____ security _____ the storage area?

Does our hazard _____ like alarms or cameras?

_____ systems _____ be in our hazardous substances _____?

_____ alarms necessary _____ the _____ area?

Can _____ like _____ or _____ be installed _____ the _____ area?

_____ it possible _____ safety enhancers, _____ surveillance monitors, to _____ substances storage section?

_____ or cameras be installed _____ hazard storage _____?

_____ security features _____ alarms be _____ to _____ storage _____?

Do we _____ security _____ for _____ material repository?

Is it _____ use alarms _____ cameras _____ hazard _____?

_____ good idea _____ add _____ monitors to our _____ substances storage section?

Should _____ and monitors be added _____ hazardous _____?

_____ there _____ need _____ alarm or _____ the hazard substance _____ area.

_____ need _____ at _____ hazardous substances repository?

Is _____ necessary to install security _____ the _____ area?

Do _____ have to _____ for _____ hazard _____ storage area?

Do we _____ security _____ hazardous substance _____.

Is the hazard storage area _____ we install _____?

_____ a _____ substance storage area, _____ we _____ measures?

Do _____ systems _____ be installed _____ dangerous substance _____?

_____ we _____ alarm systems for _____ repository?

Should _____ mechanisms and _____ be _____ in _____ facility to _____?

_____ need security _____ substance depository?

_____ necessary to _____ security systems _____ the _____ storage area?

_____ hazard substance repository _____ may _____ features, like alarms _____.

Is it _____ good idea _____ cameras _____ alarms in _____?

_____ idea to _____ system within our facility for _____ goods?

Is it important _____ systems _____ substances warehouse?

_____ mandatory to _____ the dangerous substances warehouse?

_____ substance _____ area may _____ security features.

Do we _____ security systems _____ as _____ area?

_____ need for alarms _____ the _____?

_____ we going to _____ more security _____ and _____ for _____ storage _____?

_____ add _____ monitoring _____ alarm _____ to the hazard substance _____ zone?

Is _____ put alarm and _____ monitors in _____ hazardous _____ storage section?

_____ added to _____ repository?

_____ going _____ need _____ like alarms _____ cameras _____ our storage spot?

Is _____ really necessary to _____ systems in _____ dangerous _____?
_____ or cameras _____ added to _____ hazard substance _____ area?
_____ there a _____ cameras, or secure _____ storage?
_____ the _____ warehouse required to _____ systems?
_____ we _____ need _____ more security for our _____ spot?
Do _____ be implemented for our dangerous _____?
_____ it wise to put _____ sensors _____ the risk-prone _____?
Is it _____ secure _____ substances with _____ cameras?
Are _____ features a _____ for _____ hazardous _____?
_____ important _____ measures _____ an alarm system _____ hazardous goods facility?
Is there _____ need for cameras or _____.
Is _____ any need _____ or _____ features in the _____ area?
_____ me _____ importance of _____ an alarm system _____ our _____ hazardous goods?
_____ that we need _____ for our storage spot _____ alarms _____?
Is _____ a need _____ alarms or surveillance _____ spot?
_____ want _____ put _____ security _____ alarms in the storage _____?
_____ the _____ area needs _____ features like _____ and _____?
Are _____ security systems _____ substances _____?
Do _____ need _____ systems or _____ for our _____ area?
Is _____ hazard substance _____ for alarm or _____?
_____ need alarm _____ the _____ area?
_____ it important _____ alarm _____ at _____ substances warehouse?
_____ alarms and _____ be _____ in _____ storage _____?
Should we _____ the storage _____?
_____ need security _____ the hazardous _____?
_____ like alarms should be added to _____?
Is _____ necessary _____ alarm systems in _____ storage _____?
_____ surveillance _____ to keep our hazardous _____ safe?
_____ features in _____ hazard _____ repository _____ necessary?
_____ we need something _____ our _____ substance _____?
_____ it really necessary _____ alarms _____ in _____ hazardous stash spot?
Is there a _____ for security features _____ storage area?
Does the hazardous _____ monitoring?
_____ for a danger _____ store room?
We _____ know if security _____ required for _____ space.
_____ there a need for _____ in the _____.
Do we install _____ the dangerous _____?
_____ put security _____ alarms _____ the storage _____?
Should we _____ alarms in the storage _____?
_____ need for _____ and cameras _____ hazard storage?
_____ like alarms _____ the hazardous material repository?
_____ features _____ for _____ hazardous material _____?
_____ storage space require _____?
_____ safeguards _____ alarms be _____ repository?
_____ security _____ needed for our _____ of _____?
Does _____ to _____ systems at the dangerous substance _____?
Can _____ added to the _____ area _____ make _____ more secure area?
_____ there any need for _____ area?
_____ really _____ alarms _____ surveillance _____ be in _____ hazardous spot?
_____ precautionary elements _____ cameras and _____ the chemical _____ zone?

Do we _____ security _____ our substance _____?
 _____ we _____ to need _____ the substance _____?
 _____ alarms or security _____ installed _____ the _____ area?
 Is there any need _____ or monitoring _____?
 Is it necessary to add _____ the substance _____?
 _____ essential _____ cameras _____ to secure hazard substances?
 Would _____ sense to _____ cameras _____ the chemical containment _____?
 I'm curious _____ should _____ cameras or _____ in the _____.
 _____ it mandatory to put _____ alarm _____ in the _____?
 _____ you tell me about _____ importance _____ an alarm system into _____?
 _____ need some type of _____ the storage _____?
 _____ it necessary to add _____ features, including _____ the hazard _____ safer?
 Are _____ we need to _____ in _____ and _____ for _____ spot?
 _____ we _____ cameras and alarms _____ hazardous _____ storage?
 _____ really necessary _____ alarms or surveillance in _____ spot?
 _____ systems make _____ hazardous substance repository safe?
 Do security _____ need _____ be _____ for _____ storage _____?
 _____ systems help keep _____ substance _____ safe?
 _____ it _____ put sensors and cameras _____ containment _____?
 _____ storage area need _____?
 Is _____ we _____ more _____ like _____ cameras for _____ storage spot?
 Are _____ cameras _____ storage?
 _____ a _____ for our hazardous _____ repository?
 Is _____ wise _____ install _____ and _____ in a _____ zone?
 Do alarm _____ need _____ be installed _____ warehouse?
 _____ we have to install security _____ area?
 Is _____ really _____ have alarms or cameras _____ spot?
 Is _____ necessary _____ alarms _____ systems in _____ hazardous spot?
 Does _____ substance repository _____ the _____ of _____ or _____ features?
 _____ there a need for alarms _____ for _____?
 Is _____ area _____ or security?
 Should _____ devices be _____ the _____ section?
 Is _____ for cameras _____ alarm features in _____ area?
 _____ need extra _____ for our _____ substance _____?
 _____ a need _____ alarm or security features to _____ hazard substance _____?
 Is it necessary for _____ to _____ or cameras?
 Does _____ hazard substance _____ or _____ features.
 Is _____ for _____ surveillance _____ the storage area?
 Is the dangerous material section _____ we _____?
 _____ require the _____ of alarm _____ cameras _____ our hazard storage _____?
 Does _____ hazardous _____ or surveillance?
 Should _____ area have _____ cameras _____?
 _____ we _____ security for _____ hazardous _____?
 Should alarms _____ surveillance systems be _____ our _____ repository _____?
 _____ alarms or _____ the storage area?
 Should _____ features _____ the _____ area _____ in place?
 _____ it necessary _____ have _____ systems _____ a _____ substance _____?
 Should _____ alarms _____ in the repository _____?
 Should _____ and surveillance _____ added _____ the _____ storage section?
 _____ it _____ we _____ to add _____ cameras for our _____?

Are security _____ for _____ area?

Is _____ appropriate for us _____ install cameras _____ hazardous _____ storage?

Is there _____ any need _____ alarms in _____ zone?

Is _____ crucial to safeguard _____ and alarms?

_____ it _____ add _____ systems in _____ hazard _____ repository area?

Should _____ like _____ the repository?

_____ we add _____ enhancers in _____ substances _____ section?

Do security _____ need to _____ taken _____ repository?

_____ it _____ to _____ alarm and _____ for our _____ substance storage _____?

Do _____ install _____ for the hazard substance _____ area?

_____ there _____ a _____ for alarm _____ dangerous place?

Do we _____ security _____ or _____ our storage area?

Is _____ add alarms or _____ to _____ hazardous area?

Do _____ additional security _____ hazardous substance _____.

_____ systems _____ other security _____ for the substance _____ area?

_____ the _____ need to _____ alarm and monitoring capabilities?

Should _____ and _____ in the hazardous substance _____?

Is _____ a good _____ cameras in our hazardous substance _____?

Do _____ install alarm or _____ security _____ area?

Are _____ to need _____ security, like alarms and _____ spot?

_____ it _____ to add _____ monitoring to our _____ substance _____.

Is it _____ idea to put _____ and surveillance _____ in the _____?

_____ install _____ devices in the _____?

_____ the hazardous substances repository?

Is it _____ idea to put _____ or _____ in _____.

_____ measures be needed _____ materials zone?

Do _____ have _____ install _____ systems _____ the _____ area?

_____ we going _____ need _____ extra _____ like alarms _____ cameras _____ our small _____?

_____ it _____ to _____ monitoring and _____ hazard substance storage _____?

Does _____ or surveillance _____ keep _____ repository _____?

In our _____ area, _____ we _____ alarm _____ cameras?

_____ it _____ alarm or security features to _____ hazard _____ repository _____.

Is it _____ install security cameras or _____ area?

_____ there a requirement _____ to _____ alarm _____ in our _____ storage _____?

_____ we _____ some sort _____ security _____ hazardous substance _____?

_____ alarms _____ added _____ hazardous substances storage _____?

_____ it _____ to protect hazard _____ cameras and _____?

_____ need _____ have security measures in _____ substance _____?

_____ alarms and cameras?

_____ systems be _____ for our _____ substances _____?

Is _____ necessary _____ include _____ hazard _____ repository area?

_____ it _____ good idea _____ and monitors _____ our _____ storage section?

Should _____ add _____ such as _____ monitors, _____ the hazardous _____ storage _____?

Will alarms and _____ needed _____ hazard _____?

_____ as alarms be added _____ repository?

_____ we _____ use security _____ substance repository?

_____ need _____ security _____ the hazardous substances repository?

_____ hazard storage _____ need _____?

Adding _____ alarms, is necessary to _____ the _____ substance _____ safe?

_____ make sense _____ monitoring and _____ capabilities _____ the hazard substance _____?

The _____ should we _____ security _____?
 In _____ area _____ and cameras _____ installed?
 _____ we need _____ install _____ in _____ hazardous _____ storage?
 _____ it possible _____ we _____ to _____ like alarms _____ cameras _____ storage spot?
 _____ hazardous material repository may need _____ features _____.
 _____ tell me about _____ importance of incorporating an _____ hazardous goods _____?
 Does _____ storage _____ or surveilllements?
 _____ security measures _____ the substance _____?
 _____ there any need to _____ alarm systems _____ dangerous _____?
 _____ put in security _____ for _____ storage _____?
 _____ it necessary to add _____ monitoring to _____ storage _____?
 Is it _____ to _____ an _____ the _____ substances warehouse?
 Should _____ in _____ storage area.
 _____ there _____ for _____ features in _____ hazard substance repository?
 _____ there a requirement _____ to install _____ cameras _____ the hazard _____ area?
 Is _____ necessary _____ alarm systems or _____ hazard _____ area?
 Should _____ added _____ the hazard substance repository?
 _____ cameras be added to _____ hazard _____ repository?
 Is it _____ to use _____ and _____ hazard substances?
 Would _____ make sense _____ and cameras in _____ zone?
 Do alarm systems _____ be installed _____ substances _____?
 _____ the _____ or surveillance added?
 Is it _____ to add _____ and monitoring _____ substance _____?
 Is _____ necessary _____ have alarm systems _____ storage _____?
 _____ it _____ to add _____ like _____ to _____ repository?
 _____ it _____ for _____ to _____ alarm systems in our _____?
 _____ we have _____ in the substance _____?
 _____ it necessary _____ systems at a _____ warehouse?
 _____ security features in _____ hazard substance repository _____?
 Should safety _____ as alarms, _____ the hazardous _____ section?
 Should we _____ systems _____ storage area?
 _____ required to _____ security for _____ dangerous materials _____?
 _____ necessary _____ us to _____ security systems for _____ substances _____?
 _____ it be possible _____ secure our _____ materials facility _____?
 _____ include alarms _____ make _____ substance repository area more secure?
 _____ may _____ for alarm and _____ in substance _____.
 Do _____ want _____ install _____ in the storage _____?
 Is it _____ add _____ in _____ substance storage zone?
 _____ necessary to have _____ and cameras _____ the _____ storage _____?
 _____ for storing hazardous substances?
 _____ it make sense to _____ security features _____ in the _____?
 _____ required _____ security _____ for the hazardous _____ repository?
 _____ a need for _____ alarms _____ hazard storage?
 Do we _____ for our hazardous substance _____?
 Will security _____ be _____ storage?
 Is there _____ need _____ add security features _____ repository?
 Do we _____ alarm _____ or cameras _____ area?
 Would _____ systems be necessary _____ substances _____?
 _____ need monitoring _____ our _____ repository?
 Is the risk-material repository _____?

Is there ____ a need ____ in the hazardous ____?

Should there ____ security cameras or alarms ____?

Does the hazard ____ alarm or ____?

____ us to ____ alarm systems or cameras in ____ area?

____ alarm features ____ added ____ the ____ repository area?

____ alarms and monitoring ____ substance storage zone?

Should ____ be added ____ storage section?

Is ____ we need to install alarms and ____ for ____?

Should ____ and alarm ____ be ____ to the ____?

Is it necessary to ____ alarm and ____?

____ we have cameras ____ hazardous substance storage?

Do ____ need ____ systems in ____ hazardous ____?

Are ____ and ____ necessary ____ site?

Are alarm or ____ features ____ the ____ repository ____?

Need ____ a danger ____ store ____?

____ it ____ hazard ____ storage zone to have ____ monitoring?

____ needed in the storage ____?

Is ____ necessary ____ the hazard substance repository ____ security ____ including ____?

____ repository need an alarm ____?

Do ____ a ____ to ____ our repository?

____ installing cameras or alarms ____ a good ____?

____ have a ____ area, ____ do we need security ____?

____ really ____ need for alarm systems ____ our ____?

Is it ____ safeguards ____ storing hazardous ____?

____ it necessary to ____ alarm or ____?

Is ____ of alarm ____ or cameras ____ in ____ storage ____?

____ you think alarms ____ be ____ storage area?

____ it make ____ to install ____ systems at ____ substance ____?

In ____ do ____ need ____ measures?

____ there ____ need for alarms or ____ area?

Is ____ necessary to make ____ repository area a ____ area?

Would ____ sense ____ sensors and ____ in the ____ zone.

____ it necessary ____ substance repository area to ____ security ____?

Is it ____ idea ____ security cameras ____ in the storage ____?

____ and monitor be ____ hazardous substances storage ____?

In the hazard ____ repository area, ____ added?

In the ____ should alarms ____?

Does ____ security systems for the ____ storage area?

____ make sense ____ cameras ____ alarms in hazardous substance ____?

Is ____ installing cameras ____ alarms ____ our ____ substance ____?

____ there a need for ____ the ____ area?

____ alarm ____ or cameras in ____ storage area?

____ cameras ____ alarms for our ____ substance repository?

Are ____ put in ____ alarm and cameras ____ storage spot?

Do we need ____ area?

____ it make sense ____ install ____ in ____ risk-prone chemical ____ zone?

____ cameras ____ alarms ____ in ____ area?

____ you think we ____ put ____ more ____ like ____ and ____ for our ____?

____ alarms necessary ____ order ____ hazard ____ repository area a ____ secure ____?

Is it wise to ____ cameras ____ our chemical ____?

Is it ____ to ____ alarm ____ our ____ material space?

We ____ a hazard ____ storage ____ do ____ security measures?

Is it ____ hazard ____ with alarms, ____?

Can ____ measures like ____ alarm ____ be ____ our space?

____ systems need ____ be ____ hazardous substances repository?

Should alarms and ____ be ____ to the ____?

____ it ____ for us to install alarm ____ storage ____?

Does the ____ substance storage ____ need ____?

Is there ____ security features like alarms in ____?

____ have ____ and monitoring in ____ hazard ____ storage zone?

____ on ____ in security or ____ the storage area?

Can alarms ____ to the ____ substance repository ____ safer?

____ it ____ to add alarm ____ capabilities to ____ substance storage ____?

____ alarms ____ surveillance ____ be added to our ____ section?

____ alarm systems ____ the storage ____.

Is adding ____ protect ____ repository area?

____ required ____ camera and alarm units in our ____?

____ be ____ to put cameras ____ sensors ____ containment zone?

Adding ____ including alarms, ____ be ____ to make ____ hazard substance ____ area ____ secure ____.

____ alarms ____ the hazardous area?

Is the ____ repository ____?

____ adding alarms ____ to the hazard ____ is required?

____ we have security ____ area?

____ alarm and ____ capabilities ____ our hazard substance ____ required.

Are ____ have an ____ for our repository?

Does our ____ substance ____ measures such ____ alarms?

Is ____ any need ____ add ____ to the hazard ____ storage ____?

Are ____ systems ____ need to monitor ____ repository?

Do you think ____ install ____ storage area?

____ install ____ the dangerous section?

____ alarm ____ monitoring capabilities ____ added ____ hazard substance ____ zone?

Do we need ____ or ____ in ____ area?

Should alarms ____ to ____ area?

____ there security ____ that ____ our hazard substance storage ____?

Does ____ substance ____ need to ____ alarms and ____?

Can you tell ____ about ____ including an ____ facility for hazardous ____?

____ and ____ monitors ____ added to the hazardous ____ storage ____?

____ addition of ____ features, ____ necessary to make ____ substance ____ area safer?

Is ____ a ____ alarm systems at the dangerous ____?

Should alarms and ____ be ____ in ____ storage ____?

Are we going to ____ for our ____ storage ____?

____ have a ____ substance storage ____ do we ____ measures?

Should we ____ monitor security in ____ storage ____?

Does ____ substance ____ alarm or ____?

____ storage ____ alarms or surveillance?

____ install security features like ____ in ____ storage ____?

Should we ____ our repository?

Is ____ necessary ____ add monitoring ____ alarm capabilities to ____?

There could be a need ____ alarm ____ area.

Is it necessary ____ alarms to ____ zone?

_____ to _____ alarms and _____ in our _____ zone?

Are _____ features a _____ the hazardous _____?

Is _____ alarm and monitoring capabilities _____ substance storage _____?

_____ alarms and _____ monitors _____ to the hazardous substance _____?

Is _____ necessary _____ add camera _____ hazardous material space?

_____ be installed in the _____ section?

Do you _____ for _____ material store _____?

_____ substance _____ area needed to have security _____?
