

[Demo] NLP Dataset for Customer Service Automation

Company Type	Wealth Management Firms
Inquiry Category	Investment portfolio performance analysis
Inquiry Sub-Category	Account statement discrepancies
Description	Resolving inquiries regarding inaccuracies or discrepancies in investment portfolio statements, including missing or incorrect transactions, balances, or performance metrics.
Data Size	5,538 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Wealth Management Firm" customer inquiry. (Purchased data will not be masked.)

_____ actions should _____ when _____ or _____ performance data?

If _____ is faulty _____ what _____ we _____?

Which _____ be _____ when there is incomplete or _____ ?

_____ to _____ with _____ or _____ statistics.

What is _____ way _____ deal _____ false statistics?

What if _____ performance data _____ missing _____ turns _____ ?

_____ there _____ actions for _____ with inaccurate or _____ ?

How _____ absent _____ be addressed?

What _____ if the _____ are _____ absent?

_____ need to _____ taken _____ there _____ inaccuracies/misinformation within _____ .

What _____ be considered _____ there are _____ or _____ metrics?

_____ one handle missing or _____ ?

_____ be taken when _____ with _____ are not present?

_____ possible _____ the _____ if performance data is _____ missing?

Are _____ recommendations _____ addressing unreliable _____ ?

What _____ the steps _____ numbers?

What _____ taken if there _____ discrepancies in _____ ?

How _____ you handle _____ information?

How _____ performance data _____ ?

_____ faced _____ or _____ performance _____ what are recommended _____ ?

What _____ be _____ missing/inaccurate performance _____ ?

What steps should be taken _____ with _____ that _____ ?

_____ unreliable or _____ data?

_____ steps should be _____ to _____ inaccurate _____ numbers?

_____ one do when _____ with _____ missing _____ wrong?

_____ be _____ if there _____ inaccurate or _____ data?

It's _____ do _____ the performance data _____ missing.

_____ steps _____ inaccurate or absent performance numbers?

What should one _____ they _____ performance data?
 _____ would _____ do if _____ data goes _____ turns _____ wrong?
 _____ should _____ when performance data _____?
 There are steps _____ be taken _____ with incomplete _____.
 _____ you tell us what _____ the performance data _____?
 How _____ we _____ or omissions in _____?
 Are there _____ steps you _____ performance data _____ or inaccurate?
 What can _____ do with _____?
 Is _____ to advise the necessary steps _____ is _____ or _____?
 How _____ you _____ to _____ data?
 Recommendations about _____ absent performance _____?
 What _____ done _____ get _____ data _____?
 Are there _____ be taken if _____ data _____ found _____?
 Measures _____ be taken _____ upon bad _____.
 Is there _____ how to _____ inaccuracies or _____ data?
 _____ one do _____ faced _____ data?
 Do you know _____ to do _____ missing _____ inaccurate?
 _____ actions _____ to _____ when calculating incomplete _____ performance metrics?
 Possible _____ faulty performance _____?
 _____ don't know what to do _____ performance _____ missing _____ is _____.
 Faced with _____ or _____ data, what should _____?
 What _____ we do when _____ a _____?
 What can _____ about _____ or _____ performance _____?
 _____ should _____ taken when there are _____ data.
 _____ there's flawed or _____ what to _____?
 I _____ like _____ know _____ to handle _____ performance _____.
 Recommendations _____ how _____ performance data?
 What should be _____ metrics?
 How _____ you respond _____ inaccurate _____.
 _____ should be done if _____ is _____?
 What _____ you _____ if _____ performance data _____ out to _____?
 _____ there _____ action for missing/incorrect figures?
 What _____ when _____ inaccuracies within performance statistics?
 _____ are taken _____ with _____ statistics?
 There are _____ the presence _____ faulty _____ absent _____.
 How should _____ respond to _____?
 What's the _____ when _____?
 _____ do _____ flawed performance figures?
 What should _____ do when _____ performance _____?
 _____ performance data goes _____ or _____ out wrong, _____ you _____?
 How should _____ if _____ is a _____ performance _____?
 _____ be _____ performance numbers that are incorrect?
 _____ I _____ performance data _____?
 If _____ goes _____ or turns _____ what _____ you do?
 How _____ respond _____ is discrepancies _____ results?
 _____ actions _____ be _____ in relation _____ or inaccurate performance _____?
 Actions _____ dealing _____ wrong _____?
 Actions for _____ with absent _____?
 _____ do when _____ are flaws _____ performance _____?
 _____ they _____ with _____ false statistics?

There ____ actions necessary when there ____ inaccuracies ____ ____ ?

When ____ or ____ what should we do?

____ to fix ____ data?

Actions ____ performance metrics?

____ can be done ____ data ____ perfect?

How ____ you ____ statistics?

____ should I ____ with ____ figures?

____ handle ____ or missing performance ____?

There are actions ____ are errors ____ statistics?

How ____ discrepancies ____ performance ____?

____ steps ____ to ____ in the ____ of ____ absent data?

____ any ____ dealing with incorrect ____?

What ____ one do ____ faced ____ incorrect ____?

____ should be ____ with ____ metrics?

Ways ____ misleading/lacking results.

____ an action for ____ with ____ or absent ____?

____ do ____ handle discrepancies/omissions ____ measurements?

How ____ fix ____ data ____.

____ best way ____ handle ____ performance measurements?

____ are ____ need ____ be ____ in the ____ of ____ data.

____ correct problem ____ metrics?

There ____ steps required if ____ faulty ____ data pertaining ____.

What should one do ____ faced ____ missing ____?

Is ____ for ____ incorrect or missing statistics?

____ should ____ do after ____ performance ____?

What should ____ if ____ have ____ performance data?

____ should actions be ____ faulty metrics?

____ plan ____ go awry?

Actions ____ deal with ____ performance ____?

____ handle ____ performance measurements?

Which measures should ____ when ____ or incorrect ____ data?

What can ____ when there ____ missing or ____?

What ____ be ____ to deal ____ performance ____ are ____ or ____?

What ____ when figures ____ up?

____ this performance data ____ missing ____ turns ____ wrong, ____ do we ____?

____ course ____ because ____ missing/incorrect figures?

____ do ____ inaccurate ____ missing performance data?

How to ____ or ____?

____ should we ____ stats?

____ know ____ steps to take when ____ adding ____?

____ to correct ____ metrics.

How ____ you fix ____ data ____?

What ____ be done ____ performance ____?

____ are ____ that must be ____ metrics in the data?

How do we ____.

____ there are ____ should we take?

____ within ____ need actions ____ be ____.

Measures ____ taken ____ over ____ performance figures.

____ there ____ you can ____ with inaccurate ____ absent statistics?

What steps should we ____ there ____ with ____?

_____ suggestions as _____ deal with _____ or wrong _____?
 _____ should one _____ performance data?
 _____ if there are issues _____?
 There are _____ be _____ to deal _____ or _____ statistics.
 What _____ the _____ taken _____ are faulty metrics?
 _____ be done _____ data isn't _____?
 How best to _____ with _____?
 _____ concerning unreliable or _____?
 Do _____ think _____ should _____ to _____ data?
 Fix _____ data _____?
 _____ can be _____ with _____ false _____?
 What _____ recommended _____ deal _____ inaccurate or _____ numbers?
 There _____ are necessary when _____ information _____ performance statistics.
 How should _____ respond to missing _____ performance _____?
 _____ we do if _____ data?
 Should we deal _____ errors _____?
 Measures _____ be taken _____ one _____ flawed _____.
 How can _____ performance numbers _____ there?
 What _____ you _____ is flawed?
 What _____ one do when _____ is _____?
 When there are _____ actions _____ be _____?
 What _____ you do _____ numbers don't _____?
 _____ need _____ be taken _____ stumbling over _____ figures.
 Actions _____ erroneous or _____ statistics?
 _____ with the _____ statistics?
 _____ to deal with _____ performance _____?
 _____ to correct _____ failures?
 What _____ be _____ to ensure _____ data _____ accurate?
 What _____ there are _____ or _____ performance data?
 _____ one do _____ is missing _____ inaccurate _____ data?
 If performance data _____ to _____ can _____ give _____ necessary _____?
 What should _____ do _____ incorrect _____ data?
 What should _____ done when there _____ performance _____.
 Ways of _____ results.
 What do _____ performance _____ goes _____ or _____ wrong?
 What can _____ is incorrect?
 _____ for faulty _____ information?
 _____ should we _____ data?
 Is _____ steps _____ with _____ statistics?
 There are _____ necessary when _____ performance statistics.
 _____ should one _____ find performance data?
 _____ steps _____ taken to deal _____ incorrect _____ absent _____?
 Actions _____ be taken _____ deal with _____ statistics?
 _____ should an individual _____ data?
 Are _____ any actions _____ dealing _____ wrong _____?
 What do you _____ flawed performance _____?
 _____ is _____ response to _____ data?
 Is _____ any guidance about _____ performance data?
 _____ of action, _____ or incorrect _____?
 What _____ need to be looked _____ incomplete or _____?

_____ deal with _____ stat?

_____ should _____ done _____ or incorrect performance data?

_____ do you do to _____ missing _____?

What _____ to _____ faulty performance _____?

What _____ firms _____ take when _____ don't _____ performance data?

_____ when figures go wrong.

There _____ steps _____ in _____ presence _____ or faulty _____.

_____ should be _____ one _____ across _____ performance figures.

The _____ course of _____ for _____?

_____ faced _____ flawed performance _____ to _____?

How _____ incorrect performance _____?

_____ there are missing or _____ performance data.

What can _____ if _____ data _____?

_____ happen with missing _____ statistics?

When _____ flawed performance _____ should _____ do?

What actions should be _____ when _____ performance _____?

What _____ be _____ if _____ data is _____?

What _____ to _____ and _____ statistics?

_____ performance data _____ found missing _____ do _____ any advice?

Strategies _____ misleading/lacking results.

_____ any actions _____ dealing _____ inaccurate or _____ statistics?

What are the _____ need _____ regarding incomplete _____ metrics?

Should _____ be _____ in _____ of faulty or _____ data?

_____ you _____ about _____ take if _____ is missing or inaccurate?

_____ encountered _____ missing _____ inaccurate _____ what actions should _____ taken?

_____ would _____ handle discrepancies in _____?

_____ to _____ unreliable _____ data?

_____ steps _____ taken _____ correct inaccurate or missing performance _____?

What _____ data is not correct?

The way _____ responding _____.

Procedures _____ performance data?

There are steps _____ taken _____ presence _____ faulty or _____ performance _____.

_____ should _____ stumbling across _____ figures.

_____ are _____ to use when there _____ incomplete _____ incorrect _____ data?

_____ should _____ when _____ with _____ data?

_____ done _____ the performance data goes _____ is wrong?

Actions _____ taken for _____ with incorrect _____ statistics.

Should there _____ steps _____ statistics?

What _____ deal with _____ or _____ performance numbers?

_____ should someone _____ when _____ don't _____ accurate performance _____?

What should one do _____ or _____ data?

_____ for _____ faulty _____ information.

Is _____ recommendations for addressing _____ data?

What _____ to _____ considered when _____ are incomplete or _____.

How _____ false _____ handled?

_____ discrepancies be handled?

When there _____ flawed or _____ to do?

There are actions necessary _____ is _____ in _____.

Should _____ taken to _____ with _____ performance statistics?

What _____ be done _____ there _____ inaccurate _____ data?

There are actions _____ are necessary _____ deal _____ performance _____.

What _____ be done if _____ performance _____?

How _____ to _____ in performance _____?

There _____ steps needed _____ are _____ or absent _____.

There _____ need to be _____ the presence _____ faulty _____ missing _____.

What should _____ about _____?

_____ can _____ done when _____ is unreliable?

There _____ steps _____ when confronted _____

_____ need to _____ taken when stumbling _____ figures.

What _____ must _____ taken _____ incomplete _____ inaccurate performance _____?

Do you _____ any _____ handling errors _____ performance _____?

_____ be done to find and _____ missing _____ inaccurate _____?

_____ do _____ there is a problem with _____?

_____ considered in _____ to _____ or inaccurate performance metrics?

_____ should _____ if the performance _____ goes _____ turns out _____?

_____ steps should be _____ when dealing with _____.

There _____ that need _____ taken _____ presence _____ faulty data.

_____ should _____ if there _____ or inaccurate performance _____?

_____ to fix _____ information?

There _____ actions _____ are necessary _____ seeing incorrect _____ in _____.

_____ should we _____ with _____ aren't there?

_____ steps should _____ dealing _____ or absent performance numbers?

_____ do if _____ data _____ accurate?

If performance _____ out _____ what do you do?

What _____ one _____ do not have accurate _____?

_____ should be _____ if _____ performance _____ missing or is _____?

_____ happens _____ incomplete or _____ data?

Ways _____ with misleading/lacking _____.

What _____ in the _____ faulty _____ absent data?

_____ dealing with absent performance numbers?

Do _____ any guidance on handling _____ omissions _____ data?

_____ can _____ take if _____ have _____ missing performance data?

Should faulty _____ incomplete _____ details _____?

Measures _____ taken _____ stumbling _____ flawed performance figures.

_____ be _____ the _____ data is incorrect?

What _____ way to _____ faulty _____ information?

How to _____ discrepancies _____.

Should you _____ information?

_____ be _____ when faulty _____ are encountered?

There _____ that _____ necessary when _____ are _____ performance statistics.

What _____ if the performance _____ goes _____ or _____ to be _____?

How _____ handle _____ faulty _____?

What should be _____ to _____ absent _____ numbers?

_____ it possible _____ tell the _____ if _____ missing or inaccurate?

_____ actions _____ taken to correct _____ metrics?

What _____ are _____ with _____ numbers that are _____?

_____ to _____ to handle _____ or _____ information?

_____ deal _____ data issues?

I don't know _____ do _____ performance _____ goes _____ or _____.

_____ there _____ steps _____ can take _____ the performance _____ missing?

_____ on handling missing _____ incorrect _____?
 How _____ respond to the _____?
 _____ a _____ or missing data?
 _____ deal _____ or absent _____ data?
 Should actions _____ taken _____ error-prone _____?

How to deal ____ absent ____?
____ can ____ respond to ____ performance data?
____ should take ____ across ____ performance figures
____ performance ____ is ____ missing, can you ____ the ____?
What ____ done ____ the performance data ____ out ____ be ____?
What actions ____ consideration ____ incomplete or ____ metrics?

_____ need to be _____ to incomplete or _____ performance _____?

_____ are _____ when _____ are _____ information within performance _____.

_____ to be _____ to address _____ or _____ performance _____?

When faced with incomplete _____ what is _____ recommended _____?

What _____ done when the _____ incorrect?

_____ actions needed to _____ inaccuracies/misinformation within _____.

_____ you have _____ handling inaccuracies in _____ data?

There _____ steps _____ be taken _____ presence of _____ data.

Measures _____ stumbles across flawed figures.

Actions _____ dealing with _____ absent _____?

Any _____ handling _____ or _____ data?

_____ the _____ if _____ performance data is missing?

_____ do _____ performance data goes missing?

_____ deal _____ discrepancies in the _____?

What _____ if _____ is flawed _____ absent performance _____.

What steps should _____ dealing _____ unreliable performance _____?

What actions _____ considered _____ or inaccurate performance _____?

_____ missing or wrong performance _____ what _____ do?

_____ dealing with incorrect _____?

What do you do _____?

_____ faced with incomplete or _____ what measures _____?

What should _____ do _____ there isn't _____?

_____ data isn't _____ be done?

_____ steps _____ can take _____ relation _____ or _____ performance data.

What steps _____ when dealing with incorrect _____?

There _____ must be _____ in _____ presence of faulty or _____.

_____ facing incomplete _____ incorrect performance data, _____ measures _____?

_____ ideas _____ how _____ deal _____ or incorrect data?

What _____ recommended _____ with _____ absent performance numbers.

_____ taken _____ faulty metrics are encountered?

_____ should someone do _____ wrong performance _____?

_____ is inaccurate, what _____ be _____?

What should _____ you encounter _____ inaccurate data?

_____ deal _____ wrong _____ missing data?

What _____ you do _____ performance _____?

_____ performance _____ is found missing, _____ tell us what _____?

_____ actions _____ encounter incorrect information within _____ statistics.

_____ do _____ the _____ data _____ missing?

_____ do _____ performance data goes _____?

_____ ways in which _____ to misleading/lacking _____.

Any _____ how _____ handle missing _____ data?

Is _____ good idea _____ to missing/inaccurate _____ data?

What _____ one _____ by _____ or wrong data?

What _____ deal with performance _____ that _____ there?

_____ address unreliable performance variable _____?

How _____ deal _____ inaccurate _____ data?

_____ correct incorrect _____?

What _____ should be taken _____ are _____ in _____?

What _____ should _____ taken to _____ or incorrect _____ numbers?

There are steps _____ take _____ the _____ faulty _____ absent _____.

How _____ handle inaccurate _____ data?

How _____ person respond _____ performance _____?

_____ are measures _____ one _____ stumbling upon flawed performance _____.

_____ confronted _____ missing _____ wrong _____ what should be _____?

_____ there be steps _____ presence of _____?

_____ can _____ stumbling across flawed performance _____.

_____ are methods _____ responding _____ misleading/lacking _____.

_____ you handle _____ or missing _____?

_____ steps _____ confronted with incomplete/misleading figures.

_____ you do if _____ data _____ missing?

_____ are the _____ be _____ when _____ are faulty?

_____ should _____ person do _____ confronted _____ or wrong _____?

_____ needs _____ be steps _____ in _____ of faulty _____.

_____ correct wrong or _____

_____ can _____ me _____ handling inaccuracies in performance _____?

_____ should be taken _____ deal with performance _____ are _____?

If _____ goes missing or turns out to _____ what _____?

_____ fix missing performance _____?

What to _____ you face _____ absent performance _____.

What _____ be _____ correct performance _____.

_____ need to _____ taken _____ the _____ faulty data.

What _____ should be taken _____ faced _____ incomplete _____ incorrect _____?

Actions _____ correct _____ metrics?

How _____ one respond _____?

_____ we do if _____ is _____?

_____ be _____ there _____ missing _____ inaccurate performance data?

_____ handling incorrect statistics?

_____ steps should be _____ your performance _____ are _____?

Procedures _____ data?

What to _____ performance data _____ not _____?

If performance _____ missing or _____ wrong, what _____ we _____?

When confronted _____ performance data missing _____ one _____?

When _____ with incomplete _____ figures, _____ are steps _____.

What actions _____ take _____ problems _____ performance data?

What should _____ missing, false _____?

Actions _____ with _____ figures?

Is there any _____ dealing _____ absent statistics?

_____ actions should be _____ about incomplete _____?

What _____ plan when figures _____?

_____ there _____ actions for dealing _____ or _____ statistics?

_____ should _____ when _____ incorrect data is present?

How _____ to incorrect performance _____?

Appropriate course _____ figures?

Measures _____ be _____ upon _____ figures.

How should _____ incorrect performance _____?

_____ are _____ measures when there _____ incomplete or _____?

What can _____ confronted _____ incorrect performance _____?

Should _____ address _____ absent _____ data?

_____ to respond _____ to misleading/lacking _____.

What _____ are recommended to _____ absent numbers?

What actions ____ taken ____ with ____ or ____ statistics?
____ are steps ____ be ____ if ____ is missing.
____ do ____ you ____ performance data?
____ actions that should be ____ is ____ or inaccurate ____ data.
There ____ steps ____ taken when confronted with incomplete ____.
____ performance data ____ missing ____ inaccurate, can ____ advise ____?
What ____ taken to deal ____ data?
____ can ____ the performance data ____ perfect?
What ____ the ____ data is ____ or absent?
Should ____ deal with ____ absent ____?
There ____ to ____ with ____ information in ____ statistics.
What ____ recommended ____ or absent performance numbers?
What ____ confronted with missing ____?
There ____ necessary ____ there ____ in performance statistics.
____ should we ____ faulty ____?
____ should ____ deal with missing ____?
How ____ incorrect or ____?
____ should ____ taken to deal ____ performance numbers that ____?
What should ____ faulty metrics in data?
Suggestions for ____ absent performance ____?
What steps should ____ when ____ with wrong ____ absent ____?
Actions ____ incorrect ____ missing statistics?
____ should ____ about missing/inaccurate ____ data?
____ the best way to address ____?
____ there any idea on ____ to ____ or wrong ____?
There ____ that have to ____ taken when there ____ inaccuracies ____.
____ be ____ when ____ data is ____?
when ____ with flawed ____ performance ____
____ faced with ____ or ____ data what ____ do?
Are ____ steps ____ be ____ if performance ____ is ____ inaccurate?
There ____ confronted with ____ figures.
____ it ____ advise the ____ steps if performance data ____?
____ be taken if you ____ figures.
How ____ you ____ or missing ____?
____ there are bad ____ what ____ do?
There ____ steps ____ be ____ in the ____ flawed ____.
____ actions ____ taken to deal ____ or ____ statistics?
____ or missing data
____ fix missing or ____?
