

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub-Category	Compatibility and Connectivity
Description	Customers seek information regarding the compatibility of the smartphone with different networks, operating systems, and accessories, as well as the availability of various connectivity options.
Data Size	5,109 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Is _____ all major networks and operating _____?

Does _____ smartphones work on _____ networks and _____?

Can _____ used on _____ networks and _____ systems?

_____ all networks and operating _____?

Can the smartphone _____ all _____?

_____ phone be _____ on _____ carriers _____ operating systems?

_____ this phone _____ networks and _____ systems?

_____ wondered if _____ was _____ to use the device _____ the main _____.

_____ it possible _____ this _____ to _____ to the big _____ or _____?

Can _____ phone _____ across _____ carriers and in _____ options.

_____ the _____ on _____ networks and operating _____?

Is it _____ the _____ network _____ operating _____ on _____ mobile device?

_____ for the phone _____ work with all _____ operating _____.

_____ the phone _____ with all _____ networks _____ operating _____?

_____ networks _____ operating _____ work on smartphones?

Does _____ phone work _____ carriers and _____ OS _____?

_____ possible that _____ smartphone _____ work with all _____ popular _____?

Is it _____ popular networks and operating systems?

Does the phone _____ all _____ or _____ systems?

Is _____ mobile device _____ to _____ all popular _____ and _____?

Can a _____ device _____ to _____ all popular _____ operating _____?

Do _____ of _____ major networks _____ with the _____?

_____ possible for the Smartphone _____ work _____ popular operating _____ networks?

_____ it's possible to use _____ device _____ main _____ and OS.

_____ device work with _____ operating _____?

_____ it _____ for a smartphone to work _____ popular _____?

Is _____ smartphone _____ with _____ popular _____?

_____ smartphones compatible with networks _____?

____ the ____ major networks ____ OSs?
 ____ it possible to ____ a ____ OSs?
 Would ____ major ____ and OSes?
 ____ all major networks ____?
 ____ phone ____ all operating systems ____?
 ____ systems could ____ supported by this phone.
 ____ phone ____ used ____ all carriers and ____?
 ____ the ____ major carriers and ____ options?
 ____ this phone ____ on all ____?
 Is ____ phone ____ to all the ____ or the ____?
 Is ____ possible to run ____ network ____ operating system ____ the ____?
 Is it ____ phone across major carriers and in ____.
 Do the ____ networks ____ operating ____ work ____ the ____?
 Do all major ____ and operating ____ the ____?
 ____ possible to use a mobile device ____ use ____ popular ____?
 Can ____ mobile ____ be used to ____ networks ____ OS's?
 ____ the phone ____ across the major ____ also ____ the ____ options?
 ____ the ____ on major ____?
 Does this phone run ____ operating ____ on ____?
 Does the ____ work across ____ major ____ operating ____?
 ____ the ____ on ____ networks and ____ systems?
 ____ to use the ____ on major ____ in ____ OS options?
 Does the ____ the ____ network and ____ systems?
 Does ____ match all ____ networks ____ operating ____?
 ____ phone ____ on ____ carriers and various operating system ____?
 Is it possible ____ this phone ____ any ____?
 Is ____ the phone ____ used across all ____ and choices of ____?
 Does ____ phone ____ with ____ popular ____ systems ____ networks?
 Is the ____ able to ____ with ____ operating systems?
 Are ____ and ____ compatible ____ smartphone?
 Is ____ to use ____ access all popular ____ and ____ systems?
 Do ____ on all ____ and operating ____?
 Will I be ____ all of the ____ used network ____ phone?
 Can the ____ be used on ____ carriers ____ options?
 ____ this phone be used ____?
 ____ it ____ the Smartphones ____ work ____ all of the ____?
 ____ have ____ phone on ____ carriers ____ OSs?
 ____ the phone ____ support for all ____ operating ____?
 ____ smartphones ____ the major networks?
 Will I ____ the ____ to use my phone ____ popular ____ operating ____?
 ____ it ____ for a ____ to work ____ popular operating ____?
 Is it ____ the ____ to ____ with ____ the popular ____?
 Is ____ a phone ____ with all popular ____ systems?
 ____ to use my ____ on every network and ____?
 ____ it ____ for the ____ work ____ all of ____ popular ____?
 Can ____ phone be ____ carriers in ____ operating ____?
 Is ____ able to work with ____ operating ____?
 ____ the ____ work ____ top networks ____?
 Is it ____ phone ____ all top ____?
 ____ the ____ used across multiple carriers and ____?

Is _____ for _____ mobile _____ to work _____ all _____ networks?

_____ possible that major networks _____ are _____ by this _____?

_____ the phone _____ used in _____ carriers _____ in the _____?

_____ networks and operating systems _____ with _____ mobile _____?

Is _____ phone _____ with _____ systems?

Can you use _____ to operate all popular _____?

_____ the phone _____ across _____ carriers and _____ OS?

Can the mobile _____ work _____ systems?

_____ it possible for the _____ popular network _____ operating systems?

_____ the _____ be used _____ both major _____ and _____ system _____?

Is _____ to work _____ all popular _____ and operating _____?

Can the smartphone _____ networks?

Is it _____ for _____ work _____ all popular _____ systems?

Can _____ run all _____ systems on _____ network?

_____ phone _____ various networks/OS?

_____ the phone be _____ on all _____ choices?

_____ phone work on _____ range of _____?

_____ major networks _____ operating systems work _____ phones?

Will this _____ work _____ the big _____?

_____ it possible _____ use _____ to operate all _____ network _____ operating system?

_____ to use the _____ on all the popular _____?

_____ phone be _____ on _____ and also _____ OS options?

_____ it _____ phone _____ work on all _____ networks and _____ systems?

Does the phone work _____ major _____ and _____?

Is _____ for _____ Smartphone _____ all the other networks?

_____ able to _____ to the _____ networks or _____?

_____ be on _____ carriers _____ OS's?

_____ work on _____ or systems?

Can the _____ all major carriers _____ systems?

_____ phone able _____ work on the _____ and _____?

_____ possible _____ with all operating systems?

_____ the _____ able to work with _____?

Can _____ phone be _____ across major _____ and _____.

_____ the phone _____ with all of _____ networks _____?

Does the Smartphone work _____?

_____ phone work _____ all networks _____?

Is _____ phone _____ with _____ networks and _____?

_____ the smartphones _____ of the popular _____?

Phone compatible with _____ top _____?

_____ it possible for the cellphone _____ operating systems _____?

It's possible _____ to _____ all popular networks.

Are _____ to connect to the big networks _____?

_____ the _____ work with _____ the _____?

All major _____ and operating _____ supported _____ this _____?

Can _____ with _____ popular networks and operating _____?

Can the _____ be used _____ major _____ the OS _____?

Can the phone _____ major _____ and the _____ option?

_____ work on all operating _____ and _____?

_____ the phones _____ of the _____ networks?

_____ be used on _____ systems and networks?

_____ this phone work in _____ networks and _____?
 Do all _____ networks _____ on the phone?
 _____ Smartphones work _____ all of _____?
 Can _____ be _____ across _____ carriers as _____ in _____ system options?
 Is it _____ a smartphone to work _____ popular _____ and _____?
 Is _____ possible _____ use my phone on _____ used _____ and _____?
 _____ all the _____ operating systems _____ the mobile device?
 Can _____ phone work _____ operating _____?
 _____ work with all _____ on the network?
 Can _____ phone _____ used across _____ carriers _____ operating _____ choices?
 Does this _____ all major _____ operating _____?
 Will _____ phone _____ all major _____ systems?
 Does the phone _____ all _____?
 Does the _____ with _____ or operating _____?
 Will _____ phone work _____ carriers _____ selection?
 Will _____ phone _____ for _____ carriers and _____?
 Is it possible _____ use a _____ operate all _____ operating _____?
 _____ that _____ with _____ top networks?
 Can _____ be _____ with all _____ network and operating _____?
 Does the _____ all the _____?
 _____ the _____ compatible _____ all major _____?
 _____ work _____ all of _____ different systems?
 Is the phone _____ and operating _____?
 Is _____ possible _____ phone to work _____ all _____ and networks?
 _____ capable _____ to all _____ big networks or OS?
 Will _____ work with _____ of _____ operating _____?
 Is _____ compatible _____ all _____ networks?
 _____ my _____ be _____ to use all _____ the _____ network _____ OS's?
 _____ that _____ phone can work with _____ systems and networks?
 Does _____ major networks and _____ the phone?
 _____ darn _____ may be _____ support major _____ systems and _____.
 Do the _____ networks _____ smartphones?
 Is it _____ for the Smartphone _____ with all _____?
 _____ to use the device _____ popular operating systems _____?
 _____ the smartphone work on _____ of a _____ network?
 _____ phone to work _____ all _____ network _____ operating systems.
 _____ all _____ and the _____ with the phone?
 Is _____ possible for _____ to _____ on all _____ systems?
 Will _____ be able _____ my _____ on _____ of _____ network _____ OS's?
 _____ is possible to _____ the _____ device to _____ all _____ networks _____.
 _____ the phone _____ used _____ major carriers _____ also _____ OS _____?
 Is it possible to _____ mobile _____ with _____ popular _____ and _____?
 Is _____ possible _____ to _____ all the other networks and _____?
 Can I _____ my _____ all of the _____ OS's?
 _____ phone _____ with all major carriers _____ operating _____?
 Does the _____ work _____?
 Is _____ Smartphone _____ with all popular _____ operating _____?
 _____ it _____ to use this phone _____ all _____ options?
 _____ possible for _____ to _____ with _____ operating systems?
 _____ the _____ work with all _____ and operating _____?

Can the _____ with all _____ networks _____ operating _____?

Can this _____ be _____ networks _____?

_____ I be able to use _____ on _____ the _____ network _____ systems?

Does the phone _____ netwks?

Does this phone _____ platforms?

_____ the phone _____ all _____ networks _____ operating _____?

_____ all major _____ operating _____ on the cellphone?

Does the _____ with _____ major _____ and _____ choices?

Will the _____ work _____ operating systems?

Does _____ phone support _____?

Is it possible for the phone _____ all _____?

Does _____ the major networks _____ the phone?

Can the _____ be _____ carriers and in _____?

_____ smartphones compatible _____ all _____ and operating systems?

Is it _____ the phone to _____ with _____ the _____?

_____ all networks _____ system work on _____?

_____ support all major _____ and operating _____?

Can _____ be _____ on _____ carriers _____ OS choice?

Will this phone _____ the _____ operating systems?

_____ the _____ work with _____ and operating _____?

Is this _____ the different networks _____ systems?

Is _____ found _____ network _____ operating systems?

Can this _____ used _____ networks _____ operating platforms?

Does _____ on all the systems _____ network?

_____ major _____ with the smartphones?

_____ the smartphone be used with _____ other _____ and _____?

_____ device be _____ on the major _____ and _____?

_____ a _____ device work _____ networks and _____?

Can _____ phone _____ by _____ carriers _____ OS choices?

Does this phone _____ leading _____ platforms?

_____ possible _____ the mobile _____ for all popular _____?

_____ the _____ be _____ across major carriers _____ various operating _____?

Do _____ operating systems work on the _____?

Does _____ on major _____?

_____ it possible _____ the _____ across _____ carriers and _____ choices?

Does _____ work on _____ carriers _____ OS options?

Is it _____ a cellphone _____ the popular operating _____?

_____ used on any large network _____ OS?

Can the _____ on _____ networks _____ OS?

Can the _____ be _____ and in OS _____?

It's possible _____ the _____ work _____ all _____ networks.

_____ device able _____ work with _____ popular _____ systems _____ networks?

Will _____ operating _____ on this _____?

Does _____ phone _____ in all _____ systems?

Does _____ device _____ on _____ the _____ networks?

Can _____ device be used _____ OS platforms?

_____ thesmartphone _____ all networks.

Will this _____ work in _____ systems?

_____ that _____ phone supports major networks and _____?

_____ Phone fit _____ major networks _____ operating _____?

Is _____ to _____ the phone across major _____ and also _____ system _____?

Do _____ and operating system _____ the smartphones?

Does this _____ work _____ many _____?

Will I _____ my _____ all _____ widely _____ networks and OS's?

_____ it possible _____ device to _____ networks and operating systems?

Will the _____ major _____ OS?

_____ a phone _____ all _____ and _____?

Does this _____ networks and _____?

Can this _____ on _____ and OS?

_____ major networks and _____ systems _____?

_____ smartphone _____ to work _____ all _____ and operating systems?

Do _____ operating systems work with _____ device?

_____ phone _____ to be _____ major _____ and _____ the OS choices?

_____ phone support both _____ carriers and _____?

Is _____ the _____ with all _____ operating systems _____ networks?

Can _____ phone be _____ major carriers and _____ the _____?

Does _____ work _____ of _____ networks?

_____ major networks _____ operating _____ might be _____ this _____.

Do _____ major networks and _____ the smartphones?

Is _____ able _____ work _____ all _____ operating systems?

Will _____ use _____ phone on _____ the popular OS's _____ networks?

Will this _____ work across _____?

_____ all major _____ the smartphone?

Can the _____ support _____ networks and _____?

It's possible for _____ phone _____ work _____ systems and _____.

_____ this _____ work across various _____ and _____?

Will _____ phone _____ operating systems?

Are _____ network _____ a Smartphone?

Is it possible for _____ operating systems and _____?

Can the phone be _____ carriers _____ the _____ choices?

_____ the phone _____ all operating _____?

_____ the phone _____ used in major _____ OS _____?

_____ phone possible _____ work _____ operating systems?

Can _____ work on all the networks _____?

Are _____ major networks _____ operating _____ with the _____?

Do _____ major networks and _____ the Smartphone?

_____ work _____ major networks?

_____ be on _____ and OSs?

_____ possible that the _____ work _____ all popular _____?

Is it _____ to _____ all the _____ and operating systems?

Will this phone work _____?

_____ phone _____ on all _____ the _____ operating systems?

_____ phone _____ all _____ operating systems?

_____ smartphone work with all _____ network _____ operating _____?

Can _____ mobile device work _____ all networks _____?

_____ the _____ with top _____ and OSes?

Can the _____ used across _____ in different operating _____ options?

_____ the phone support all _____?

_____ phone be _____ major carriers _____ system options?

Can the _____ in all carriers and _____?

Can _____ phone on _____ networks/OS?

Will I _____ able to use my phone _____ used _____?

_____ with all operating systems?

_____ the _____ networks _____ with the _____?

_____ major networks and operating systems work _____?

Is _____ possible for _____ to work _____ all popular _____?

Could the _____ device _____ to operate all _____?

Do _____ the major networks _____ on _____ phone?

Is it _____ for _____ to _____ with _____ the _____ and _____ systems?

_____ work with all _____ networks?

_____ phone work _____ carriers _____ operating systems?

Can _____ across major _____ and OS options?

_____ phone _____ key network _____ operating systems?

_____ the _____ across carriers and _____ OS options?

Do _____ smartphones work _____ top _____?

_____ the phone _____ across major carriers and _____ operating _____?

_____ all major networks _____ systems _____ with _____ smartphone?

_____ to have a phone _____ on all _____ and _____?

Are the phone _____ of connecting _____ or the _____?

Does _____ phone support _____ carriers _____ OS _____?

Do _____ phones _____ top _____ OSes?

It is possible to use the _____ all _____ networks _____.

The _____ able to work _____ all _____ other _____ and _____ systems.

Is it possible _____ the _____ work with all _____ popular _____?

Can _____ used _____ major _____ different operating system options?

_____ the phone _____ to _____ on major _____ and _____?

_____ the phone work with _____ systems and _____?

_____ to work _____ all operating systems and _____?

All _____ netwks are _____ with _____?

_____ compatible _____ all of _____ major networks?

_____ phone _____ on multiple networks _____?

_____ wonder if it is possible _____ this _____ on the _____ of the OS.

Does _____ work _____ a _____ of networks _____ OS?

_____ networks _____ with the _____ device?

_____ the _____ be used across _____ carriers _____ OS?

_____ the _____ networks and operating systems _____ the _____?

_____ the smartphone _____ networks?

_____ be _____ in major carriers _____ various _____ system options?

_____ the phone go on all _____?

Will the _____ top _____ OSes?

_____ the _____ work on _____ networks and operating _____?

_____ it _____ to operate _____ the popular network _____ on the _____?

Will the phone _____ compatible with _____?

_____ the _____ to work with _____ popular operating _____?

_____ the _____ all _____ systems and _____?

Is _____ compatible _____ the systems _____ major network?

_____ the _____ compatible _____ the popular networks and _____?

Does this phone _____ major _____ OS platforms?

Is _____ possible for _____ smartphones _____ operating systems and networks?

_____ all major networks and _____ with _____ mobile _____?

_____ possible to use _____ mobile device _____ all popular _____ OS's?
 Everyone's network _____ compatible _____ Smartphone?
 _____ the smartphones work _____ systems?
 _____ device work _____ popular network _____ operating systems?
 Can _____ phone _____ major carriers _____ as _____ OS options?
 Is _____ work with _____ the popular networks _____ operating systems?
 _____ smartphones _____ support _____ OSes _____ networks, _____?
 Do major network _____ this _____?
 _____ the smartphone _____ all of _____ systems of a _____?
 Does the _____ work on all _____ and _____?
 Do you know _____ the phone is _____ and _____?
 _____ the _____ be _____ with _____ popular operating _____?
 _____ it possible for the _____ work with _____?
 Can _____ cellphone work with all _____ operating _____?
 _____ the _____ be used in _____ major carriers _____ options?
 Is the phone _____ to connect _____ networks or _____?
 Is _____ possible _____ mobile phone to work _____ popular _____?
 The _____ be _____ to support the _____ operating _____.
 Is _____ possible to _____ a _____ operate all of _____ and _____ systems?
 Can the mobile device be used _____ popular _____ system?
 Do all major _____ smartphones?
 Can the _____ be _____ across major _____ as well _____ options?
 _____ the phone work _____ OSes?
 Will I _____ to _____ on all of _____ networks _____ OS's?
 _____ phone _____ critical networks and operating _____?
 _____ phone _____ carriers and OS's?
 _____ possible to have _____ on all _____ and OS's?
 _____ the _____ work _____ many _____ and _____ systems?
 _____ the _____ used _____ major carriers and _____ systems?
 _____ it be _____ to _____ a _____ all carriers and _____?
 _____ phone be used _____ different _____ operating system options?
 Is _____ to _____ mobile _____ to _____ all popular network and _____?
 _____ mobile _____ all the _____ systems?
 Are _____ and _____ supported by _____?
 _____ the _____ able _____ major carriers and OS choices?
 _____ on multiple _____ and OS?
 _____ phone work _____ networks _____ operating _____?
 Does the _____ with _____ major networks and _____?
 _____ know _____ all _____ networks and operating _____ are _____ the phone.
 _____ it _____ to _____ device to use all _____ networks?
 _____ work _____ every OS platform?
 _____ the _____ possible to _____ with all _____?
 Is it _____ use the _____ all popular _____?
 Is _____ the _____ on all the popular _____ systems?
 _____ the _____ all major networks _____ OSs?
 _____ this _____ able _____ to _____ large networks _____ the OS?
 _____ the phone _____ all _____ networks _____ systems?
 Is it _____ for _____ smartphones _____ work _____ operating _____?
 _____ it _____ for _____ to work _____ all operating _____ networks?
 Does the _____ all _____ and _____?

_____ phone be used _____ operate _____ popular networks _____ systems?

Can I use _____ phone on all _____ systems?

_____ possible that _____ can _____ on all _____ popular networks?

_____ phone to work on _____ of the operating _____?

Is the _____ compatible with all networks _____?

Is _____ possible _____ operate all _____ and _____ system from _____ device?

I wonder if _____ possible _____ device _____ used _____ and OS versions.

Is it _____ for the _____ to _____ networks _____ OS?

Does the smartphones _____ systems?

All _____ networks _____ systems may _____ the phone.

Does _____ networks and _____ work _____?

Do all _____ and operating system work _____?

Does this phone _____ multiple _____?

_____ the mobile device _____ all major networks _____?

Can _____ the mobile _____ popular networks and operating systems?

_____ phone _____ to be used _____ carriers and _____?

_____ phone be used across _____ OS choices?

Will my _____ be able _____ all of _____ OS's?

_____ all the _____ operating _____ compatible with the _____?

Does _____ work _____ a variety _____ platforms?

Can _____ used _____ both _____ carriers _____ in the OS _____?

_____ the _____ be _____ with all _____ systems _____ networks?

_____ smartphones _____ with all _____ and _____ systems?

Do major _____ and _____ have support _____?

Is it possible _____ work _____ the other networks _____ operating systems?

_____ phone supported all _____ networks _____ systems?

I _____ is possible _____ use this device _____ main networks _____ different _____ the OS.

_____ the _____ be _____ on major _____ and _____ different operating _____?

Are _____ major _____ compatible _____ the _____?

_____ it possible _____ on all the popular operating _____?

Does _____ work _____ carriers _____ different OS platforms?

Do all _____ operating _____ with _____ phone?

_____ the _____ work across _____ operating systems?

_____ the mobile _____ used to _____ all popular _____ OS's?
