

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Network equipment recommendations and compatibility
Inquiry Sub-Category	Network troubleshooting
Description	Customers facing connectivity or performance issues may contact customer support for troubleshooting assistance, seeking guidance on identifying and resolving network equipment-related problems affecting their internet connection.
Data Size	6,259 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

How ____ I ____ if ____ hardware ____ causing ____ connection speeds?
 ____ know ____ network performance ____ be attributed ____ my ____ hardware setup.
 ____ my gear ____ a ____ connection?
 ____ could I find out ____ existing hardware affects ____ ____?
 ____ a reduced ____ due ____ poor ____?
 ____ wonder if ____ caused ____ my gear.
 ____ my ____ slowing ____ the ____?
 Is my ____ slow ____?
 ____ it comes to ____ velocity, ____ do ____ identify ____ devices?
 I want to know if ____ my ____ slow.
 ____ want ____ if the hardware ____ slowing things ____.
 ____ it possible that my ____ my connection ____?
 Can ____ lagginess ____ to ____ gadgets?
 I ____ to know ____ causing snail-paced net.
 ____ slower ____ could be connected to my ____?
 ____ like ____ if my hardware ____ impairing the efficiency ____ my ____.
 If hardware causes ____ tell?
 Can you ____ present ____ setup ____ a decline in connection ____?
 ____ Is my ____ behind ____?
 How ____ make sure that ____ does ____ connections?
 Is current ____ blame ____?
 Can ____ confirm ____ speeds are due ____ my ____?
 ____ I check if my ____ blame ____ slower ____?
 Hardware ____ slow connection?
 Is ____ a ____ internet?
 ____ have ____ whether my current ____ setup contributes ____ decline in ____ speed?
 Is it possible ____ poor ____ my equipment?
 How can ____ see if ____ existing ____ speeds?

____ the ____ speed affected ____ equipment?
 Can ____ hardware ____ slower?
 My ____ hardware ____ slower connection ____.
 ____ it ____ to the ____ network velocity how ____ identify ____ current ____?
 Is ____ stuff making ____?
 ____ my devices ____ slower ____?
 ____ comes ____ reducing network ____ do I ____ my ____ devices?
 ____ slow ____ due to ____ hardware?
 Does ____ current ____ have ____ sluggish internet speeds?
 ____ can I figure out if ____ speeds?
 Does ____ equipment affect ____ speed?
 Is my stuff ____?
 How ____ I ____ role ____ my devices ____ it comes ____ the reduction ____ velocity?
 ____ I ____ if my current ____ is affecting ____?
 Can you ____ if ____ is my ____ slowing ____?
 Is the ____ system ____ the ____?
 I am ____ to ____ if ____ my speed.
 ____ lagginess ____ result of gadgets ____?
 ____ slow ____ are due ____ my ____ I check?
 ____ need ____ poor network performance ____ be ____ my ____ hardware setup.
 Is ____ hardware at fault ____?
 ____ check if slow speeds ____ because ____ my ____?
 I ____ know ____ hardware affects ____.
 ____ my ____ the slow ____?
 Is ____ way to determine ____ equipment ____ me ____?
 Could ____ connections ____ to ____ hardware?
 How ____ if ____ impacts speeds.
 ____ possible ____ speeds ____ a result of my ____?
 Can ____ check if the ____ to ____ hardware?
 ____ setup slow down ____ connections?
 ____ tell me if ____ current ____ is ____ the efficiency ____ my ____?
 How ____ find ____ is affecting speeds.
 ____ possible that ____ is the culprit of ____ connection?
 ____ if ____ present ____ contributes ____ a decline in connection speed?
 ____ this system ____ connections?
 ____ equipment ____ connection speed.
 Is ____ making ____ internet ____?
 ____ know ____ poor network ____ is due to ____ current hardware ____.
 Is ____ my ____ is to blame ____ speeds?
 ____ current ____ may be to ____ for the ____.
 Can ____ my hardware is ____ efficiency of my connection?
 ____ to ____ in network ____ I know if my current devices ____ playing a ____?
 ____ performance be attributed to my ____ setup?
 Are ____ hardware ____ down?
 Is ____ possible to check ____ causes ____?
 ____ my ____ gear the ____ the slow ____?
 I want ____ if ____ is ____ a snail-paced ____.
 ____ it possible that ____ is causing the ____ connection?
 ____ possible ____ gear causes ____ internet?
 ____ slower ____ connected to ____?

Checking _____ is _____ down.

_____ my _____ a negative effect _____ speeds?

_____ equipment _____ down the _____ speeds?

Has _____ current _____ sluggish internet speeds?

Do I have _____ way _____ out _____ slowing me down?

Is _____ causing me _____?

How _____ I _____ doesn't cause _____ connections?

Has my _____ connection _____?

_____ my hardware _____ the _____?

_____ want to _____ if _____ speeds _____ related to _____.

Did _____ gear _____ the _____?

I wonder _____ the _____ for the _____ is _____.

_____ current hardware setup _____ network _____?

I'm curious _____ poor network _____ be attributed _____ my _____.

_____ my hardware _____ role in _____ internet?

_____ you tell me if my _____ slowing _____?

_____ wondering _____ network _____ be attributed _____ my current hardware setup.

_____ the _____ are connected to my hardware.

Tell me if _____ my _____ causing _____ slow.

_____ it _____ that _____ gear is _____ blame _____ communications?

_____ how to determine if _____ network _____ be blamed _____ current hardware _____?

_____ have _____ hardware _____ that may be to _____ for _____.

_____ it _____ poor internet is due _____ my _____?

Has my current _____ connection?

Are the connection _____ current hardware?

Could _____ determine _____ my _____ the efficiency of my connection?

I _____ know _____ my current hardware _____ internet _____.

Is my stuff _____?

How do _____ figure out _____ role of _____ it comes _____ network _____?

How _____ my hardware _____ speeds.

Does _____ connection speed?

Is _____ problem with my _____ due to _____?

Can _____ a decrease in _____?

_____ can I _____ my hardware _____ slowing down the _____?

_____ the _____ connections connected _____ my _____?

Do _____ any _____ on determining _____ hardware _____ contributes _____ a decline _____ connection _____?

Is my _____ for _____ connection?

_____ I _____ if slow speeds _____ to _____ hardware?

_____ you tell me how _____ assess if _____ affects _____?

_____ you _____ if my _____ hardware _____ impairing the _____ my connection?

_____ need _____ know _____ hardware _____ is _____ blame for poor _____ performance.

_____ speeds may _____ a result _____ current hardware.

_____ my equipment hurts _____.

_____ it possible _____ my _____ hardware affects _____ connection _____?

_____ want to _____ if _____ connections.

_____ my _____ a _____ sluggish _____ speeds?

_____ would like _____ if your hardware _____ of my connection.

_____ you tell _____ if it's my hardware _____?

_____ I _____ if _____ causes sluggish _____?

_____ my _____ slow connection?

Is _____ the net to _____?

_____ setup _____ my connection?

_____ my _____ hardware have _____ on _____ speeds?

_____ hardware _____ my internet?

_____ be _____ to gadgets _____ use

Slower _____ might be _____ hardware.

_____ traced back _____ gadgets _____ own?

_____ my _____ is slowing things _____?

I would _____ if my hardware _____ to _____ speeds.

Is it _____ Hardware _____?

_____ the _____ slower _____ my current _____?

_____ hardware causing _____ connection _____?

Could _____ me if _____ hardware affects _____?

Is _____ me down?

Does _____ current _____ something to _____ with _____ speeds?

_____ is _____ with connection _____?

_____ current setup _____ the _____ down?

_____ know if _____ causes speed _____?

Could _____ be _____ with my _____?

_____ am _____ whether _____ equipment slows _____.

Is it possible that _____ problem with _____ connection _____?

Is _____ setup _____ connect?

Is my internet _____ my _____?

_____ my _____ blame for _____ internet?

Can lagginess _____ traced _____ I use?

_____ my equipment _____ down...

Is _____ to check _____ slow speeds are due _____?

I _____ know how to identify _____ of _____ in _____ reduction in _____.

Can _____ determine if my _____ setup contributes _____ in _____ speed?

How _____ I _____ the _____ current devices _____ the reduction of network _____?

_____ bad _____ cause network speed _____?

I wonder if _____ of my _____.

_____ my hardware making _____?

Does _____ setup _____ connection down?

Do I _____ to check _____ my _____ to blame _____?

_____ equipment making _____ slow?

Is _____ my _____ slow speeds?

If _____ attributed to _____ current hardware setup?

_____ determine if hardware _____ causing slow _____?

_____ it _____ my _____ the culprit for _____ slow connection?

_____ current hardware impairing _____ my connection?

_____ to know if _____ slowing down.

_____ you give _____ advice _____ determining _____ setup contributes _____ a decline _____ speed?

I _____ to _____ if my hardware _____ for slower _____.

Do _____ if my _____ is _____ a _____ net?

_____ need _____ the hardware affects _____ issues.

_____ it possible _____ my _____ hardware _____ affecting my _____?

_____ me if _____ my _____ causing _____.

Is _____ my _____ is to blame _____ connection?

I _____ to find _____ my hardware is _____.

I _____ like _____ know if _____ hardware _____ slower _____ speeds.
 _____ can I check if _____ ?
 Is my _____ my _____ ?
 My equipment may _____ .
 How do I _____ if _____ current _____ playing _____ role _____ the _____ of _____ ?
 How _____ find _____ if hardware _____ .
 _____ lagginess be _____ back _____ I _____ ?
 Is _____ possible that _____ connections _____ by _____ equipment?
 _____ lagginess _____ gadgets I use?
 Is _____ effectiveness of my _____ ?
 Is _____ network speed _____ poor _____ ?
 How _____ my _____ devices are doing when it comes to _____ ?
 Is my _____ making _____ ?
 _____ my hardware slowing _____ ?
 Are _____ hardware _____ my _____ ?
 _____ my _____ gear _____ slower connections?
 Can _____ my hardware _____ speeds?
 _____ wonder _____ are _____ to my hardware.
 _____ equipment _____ connection speed?
 Can _____ see _____ the slow _____ due _____ my _____ ?
 _____ can _____ do _____ if hardware _____ sluggish connections?
 I'm not _____ if poor _____ performance can _____ current _____ setup.
 _____ it's my _____ that is causing the _____ .
 Can _____ tell me _____ hardware setup contributes _____ decline _____ connection _____ ?
 _____ causing delays?
 _____ may be _____ to _____ ?
 _____ like _____ poor _____ can be _____ my current hardware setup.
 _____ want _____ know _____ poor _____ performance is _____ result of my current _____ .
 Is my hardware _____ ?
 _____ like to _____ my existing _____ my connection speeds.
 Is _____ hardware the culprit _____ sluggish _____ ?
 Is _____ hardware _____ snail-like internet?
 Is it possible _____ hardware I _____ causes _____ slow _____ ?
 _____ it _____ that slow speeds _____ because _____ my _____ ?
 _____ possible that the slow connection is _____ current _____ ?
 Does _____ hardware make _____ ?
 I would _____ to know how _____ determine _____ current _____ blame for poor _____ performance.
 When it comes to _____ network _____ identify the roles _____ devices?
 _____ there any way _____ my hardware _____ speeds?
 _____ know if _____ my _____ snail-paced net.
 _____ it _____ reducing network velocity, how _____ know what my current _____ ?
 _____ can _____ the hardware slows _____ ?
 Is it _____ the slow _____ my hardware?
 _____ want _____ my _____ are causing the slow _____ .
 _____ do I _____ if _____ current devices play _____ in _____ velocity?
 I _____ if _____ causes slow connection _____ .
 Slower _____ be linked _____ hardware.
 _____ my _____ for slow speeds?
 When it _____ to the reduction _____ network _____ how _____ I _____ the role _____ ?
 _____ wondering if _____ network _____ can be attributed to _____ .

____ can I determine ____ my existing ____ speeds?
 ____ hardware ____ sluggish ____?
 Are ____ machines ____ down ____?
 ____ you tell me if ____ hardware ____ slowing ____?
 I need to know ____ hardware ____.
 ____ slower connections ____ my hardware?
 Can my ____ be traced ____ the gadgets ____?
 ____ there a method for determining if ____ connection ____?
 ____ current hardware ____ an influence ____ internet ____?
 ____ that my hardware is ____ for my slower ____?
 ____ it ____ if ____ hardware setup ____ to a decline ____ connection ____.
 ____ can I ____ out ____ my hardware ____ a ____ connection?
 ____ connections be ____ my hardware?
 ____ slower ____ connected to ____ hardware?
 ____ it comes to reducing network ____ do ____ the ____ of ____ current ____?
 ____ possible that poor ____ is ____ by ____ equipment?
 ____ to ____ if ____ slow speeds are ____ my hardware.
 ____ I want to ____ if ____ gear ____ weak connection?
 ____ equipment ____ connection speed?
 ____ out if ____ network performance can ____ my current hardware setup.
 Does ____ setup ____ linkage ____?
 Do you have ____ for assessing if ____ speeds?
 ____ checking ____ see ____ my ____ slows ____ speed...
 ____ diagnose if ____ hardware ____?
 ____ can ____ if ____ causes ____ connections?
 Can ____ figure ____ if faulty equipment ____ me ____?
 I'm ____ my ____ is ____ down.
 Is my ____ hardware ____ efficiency of ____?
 Is ____ system at fault ____ lagging ____?
 I ____ my hardware ____ down.
 How ____ I ____ a hardware ____ down?
 I ____ like ____ know ____ my ____ my connection speeds.
 Is my ____ hardware ____ connection ____?
 Is ____ possible ____ to see if ____ me down?
 Does ____ time to connect?
 ____ there, ____ the weak connection is due to ____ junky ____?
 ____ hardware causes ____ connections how can ____?
 ____ equipment might ____ connection ____.
 ____ know ____ my current ____ slows down the ____.
 ____ know how ____ current devices when it comes ____ network ____.
 Does my hardware have ____ speeds?
 ____ can ____ to determine if hardware ____ sluggish ____?
 Is it ____ my ____ making my ____ slow?
 Can I ____ slow speeds ____ to ____?
 ____ you ____ me determine ____ existing hardware is ____ my ____?
 Is ____ existing hardware ____ my connection?
 ____ if ____ hardware is causing slow ____?
 Is ____ bad ____ my internet ____?
 Is ____ hardware ____ of slower ____ speeds?
 Is it possible ____ hardware is causing ____?

I want to ____ if it ____ hardware ____ snail-paced net.
 Can ____ my hardware ____ speeds?
 Do ____ have ____ methods for assessing ____ hardware ____ connection ____?
 ____ slowing Internet?
 How can I figure ____ hardware ____?
 ____ the slow connection?
 Do ____ need to ____ if slow ____ are ____ my ____?
 ____ devices causing sluggish ____?
 ____ need ____ if my existing hardware affects ____.
 I ____ know if my ____ affects ____ speeds.
 Can I ____ out if speed ____ related ____?
 ____ determine ____ hardware ____ slower connections?
 I don't ____ my existing hardware is ____.
 ____ related to ____?
 ____ you ____ me ____ my hardware setup contributes to ____?
 ____ wonder if slower ____ due ____ my ____.
 Can ____ hardware ____ to ____ speeds?
 ____ I ____ if the speeds ____ because ____ hardware?
 Can ____ tell me if ____ slowing things ____.
 ____ my devices ____ issues?
 Tell ____ it's my ____ the snail-paced ____.
 I need help ____ current ____ setup ____ to ____ poor network ____.
 ____ can I ____ sure that ____ doesn't cause ____?
 ____ connection ____ to my hardware?
 ____ identify faulty ____ that ____ slowing me down?
 ____ need ____ on whether my ____ setup ____ to the ____ speed.
 Can ____ the ____ slowing things down?
 Is ____ possible ____ is ____ result of my ____?
 ____ my hardware ____ internet speeds?
 Do ____ to determine if poor ____ performance ____ to my ____ setup?
 Is ____ hardware ____ my ____?
 Is ____ possible that my ____ blame ____ communication?
 ____ my ____ that's ____ down?
 ____ my hardware ____ slow ____?
 Is it the ____ that ____ the ____?
 ____ my hardware making ____?
 ____ is ____ that the poor ____ is ____ gear.
 Slower connections ____ be ____ my ____.
 Is ____ hardware ____ to ____?
 ____ see if my ____ down...
 What ____ I ____ identify ____ role ____ my devices in the ____ velocity?
 ____ messes up connection ____?
 ____ current ____ the ____ a slower connection?
 Is ____ that ____ hardware is causing my ____ issue?
 Does my ____ up ____ connection?
 Does ____ hardware play a part ____ slowing ____?
 Is my ____ for slowconnection?
 Is ____ system ____ blame ____?
 Does my hardware have ____ to do ____?
 Is there any ____ assessing if my ____ affects ____?

Is my _____?

How _____ I _____ if _____ hardware is making _____ slow?

_____ my _____ for this snail-like internet?

My _____ the _____ slow?

Is my current _____ efficiency of _____?

Does my _____ speeds _____?

Is my _____ slower connections?

I _____ to know _____ my _____ is _____ connections.

Can I _____ affects _____ issues?

How can _____ make sure that hardware _____?

Is it possible that _____ slow _____ due _____?

_____ hardware _____ responsible for the _____?

_____ my _____ the _____ of the connection?

_____ hardware _____ down _____ internet?

_____ can I detect _____ slower _____?

I _____ like _____ gauge _____ hardware is effecting _____.

Can _____ to _____ if my current setup contributes _____ decline in _____?

_____ current hardware have anything _____ do with _____?

_____ hardware _____ internet speeds?

Is the _____ for _____ gear?

_____ hardware causing snail-paced _____?

_____ connection speeds _____ my current hardware?

_____ possibly _____ linked to slower _____.

_____ poor _____ performance _____ be _____ my current hardware _____ need _____ advice.

_____ you _____ if it's my _____ slowing things _____?

Can you _____ how to determine _____ setup contributes _____ decline in connection speed?

_____ I figure _____ if _____ hardware is _____ my connection _____?

_____ am wondering if my _____ is _____ slow _____.

Is _____ possible to _____ if my _____ sluggish connection _____.

How can _____ be traced _____?

_____ it my _____ that's slowing _____.

_____ to know _____ my _____ is affecting _____.

_____ if _____ hardware _____ speeds

Does _____ equipment _____ myconnection _____?

Can lagginess _____ traced _____ gadgets _____?

_____ my _____ slowing the _____?

_____ if my hardware is _____.

I _____ to _____ hardware _____ affecting _____ efficiency of _____ connection.

_____ whether _____ present hardware setup contributes to _____ decline _____ speed?

_____ be the cause of _____ connection speeds.

_____ me _____ it's my hardware causing _____ down.

Is _____ the gear _____ slow _____?

_____ network _____ be attributed _____ my current _____ setup _____ me know.

How _____ figure _____ if _____ causing slow connections?

Is _____ traced to the _____?

Will my _____ gear be _____ reason _____?

_____ my current _____ the _____?

How can I _____ hardware _____ slowing down my _____?

_____ equipment affect _____ connection _____?

How _____ if my _____ affecting _____.

Is _____ possible to _____ if _____ affects _____ connection _____?

Is there _____ know _____ equipment _____ me down?

_____ my setup _____ connection?

_____ check if _____ are down to _____ hardware?

I _____ to know if _____ is responsible _____ poor _____ performance.

_____ do _____ determine the _____ when it _____ to the _____ network velocity?

Please advise if _____ performance _____ attributed _____ current _____ setup.

Slow _____ related to my _____.

_____ current equipment cause _____ speeds?

Has my _____ connection?

_____ that is causing _____ slow connection?

_____ would _____ to _____ if _____ performance can be _____ on my current _____.

_____ to _____ network velocity, _____ I know the role of _____ current _____?

_____ my _____ connection speeds?

_____ hardware related to _____?

_____ hardware slowing down _____ speeds?

Is _____ speeds _____ my _____?

Is _____ that _____ current _____ is _____ slow connection _____?

_____ it comes _____ reducing network _____ how do _____ if my current _____ a _____?

I _____ poor network _____ can _____ blamed _____ current hardware setup.

_____ the _____ down _____ connection?

I want to _____ hardware _____ a decline _____ connection speed?

_____ help _____ determine if my hardware _____ is _____ to _____ decline _____ connection _____?

_____ current gear the reason _____?

_____ my _____ impede _____ connection?

Do _____ how _____ determine if _____ can be _____ to _____ current hardware setup?

I _____ your help to _____ my current _____ to blame for _____ performance.

Does _____ current _____ the slow _____?

_____ my stuff _____ speed _____ internet?

It is _____ poor connections _____ caused _____ my _____.

_____ hardware making my _____?

_____ wondering if the _____ network performance _____ to _____ hardware setup.

Is _____ my _____ that _____?

_____ reason _____ slow connection _____ my current _____.

_____ you _____ whether _____ setup contributes to _____ decline _____ connection speed?

_____ possible that my _____ the cause _____ poor _____?

Is it _____ things down?

_____ my hardware is affecting speeds.

_____ to see if _____ equipment _____.

How can _____ if _____ hardware _____ connection speeds?

_____ it possible _____ poor connections _____ by my _____?

Is the CURRENT _____ lagging _____?

_____ you know _____ hardware causing _____ snail-paced net?

Is _____ equipment _____ downconnection _____?

_____ if my _____ slow speeds.

_____ current _____ slow the connection _____?

Can _____ hardware _____ slower _____?

_____ current hardware cause _____?

_____ I figure out _____ current hardware _____ affecting _____ speeds?

_____ down my internet?

_____ online velocity impaired by _____?

_____ know if hardware _____ slower _____?

Is it _____ that is _____ the _____?

Is _____ current _____ poor connections?

_____ it _____ that my equipment is _____ poor connection?

Has my current _____ internet _____?

_____ the hardware slowing _____?

Is _____ my _____ affected by my _____ hardware?

I _____ know if _____ hardware _____ causing _____ snail-paced _____.

_____ system to be _____ for lagging _____?

Is _____ my hardware _____ slow _____?

I would _____ if _____ existing _____ my connection speed.

_____ current _____ might be _____ slow connection speeds.

_____ making the speeds _____?

Is _____ current hardware a _____ internet _____?

_____ you tell me _____ to determine _____ current hardware setup _____ blame _____ poor _____?

How _____ the hardware _____ impacting the _____.

Is _____ gadgets I _____?

_____ my current _____ cause _____ to _____?

_____ current hardware _____ cause of _____ connection _____?

Is _____ the _____ the connection?

Is _____ issue due _____ hardware _____?

_____ the cause of slow _____?

_____ if slower _____ may be _____ my hardware.

Are _____ devices _____ down _____?

Is _____ hardware responsible _____ internet _____?

Does my _____ have _____ connection speed?

Does _____ hardware cause slower _____?

Can _____ see if it's slowing me _____?

_____ it possible to see if my _____?

_____ it _____ that my _____ behind the _____ connection?

Is the problem _____ connection _____ to the hardware _____?

_____ know _____ poor _____ can be traced to my _____ setup.

Is _____ possible _____ my _____ poor connections?

_____ find out _____ speed _____ are _____ by hardware?

_____ to see _____ existing hardware affects my _____ speeds?

_____ would like to know _____ the poor network _____ be _____ setup.

_____ possible to determine if _____ connections?

Is _____ hardware to _____ internet?

_____ my _____ the _____ speed?

_____ current _____ sluggish internet speeds?

_____ slow down the _____?

Do my _____ internet?

I _____ to identify _____ role of _____ in _____ network velocity.

_____ me how to _____ out _____ poor _____ performance can _____ to my current _____.

Can _____ see _____ behind the slow speeds?

Is _____ impaired by _____ now?

Did _____ hardware cause _____?

How can _____ determine _____ hardware setup _____ to _____ decline in _____?

_____ my _____ made _____ slow?

Is _____ connection is _____ by my gear?

Can you help me _____ hardware _____ contributes _____ a decline _____ speed?

I am _____ my _____ setup _____ for poor network performance.

Do _____ cause _____?

How can I _____ if _____ causes _____ slow _____?

_____ connections _____ to my hardware.

_____ poor _____ performance can be attributed to _____ hardware setup?

How _____ I _____ hardware _____ down?

_____ possible that _____ is impairing _____ efficiency of my _____?

_____ I _____ slow speeds are due _____?

Does _____ hardware affect _____ speeds?

_____ device _____ the internet to _____?

Is my _____ the _____ slowly?

Are _____ hardware _____ blame for _____?

_____ lagginess trace _____ to _____?

Can _____ to see _____ are caused by _____ hardware?

_____ not _____ equipment slows down.

_____ there _____ method _____ assessing if my _____ speeds?

Is _____ any _____ assessing if my existing _____ connection _____?

How _____ out if hardwares are _____?

Is the _____ connection issue _____ hardware?

_____ my device the _____ of _____?

I _____ know _____ my current _____ can be attributed _____ poor _____.

_____ should I assess _____ hardware _____ connection speeds?

_____ want to _____ hardware affects speed _____.

Do you know how to _____ if _____ for _____ network performance?

_____ can I do to _____ my _____ is _____ connection _____?

Slow _____ related _____ gear?

Is the current _____ lagging _____?

_____ connection speeds might be _____ my _____.

_____ issue _____ to my current _____?

Does my _____ hamper _____?

_____ it _____ making internet _____?

_____ the cause _____ slow _____ speeds?

_____ current hardware _____ the efficiency _____?

_____ see if _____ slows down.

I _____ see if _____ equipment _____ my speed.

Is the current _____ blame for _____ connections?

Is _____ blame for poor _____?

Was _____ slow speeds?

How _____ see _____ my _____ hardware is _____ my connection _____?

Can _____ determine whether _____ existing _____ impairing the efficiency _____ my _____?

Is it _____ that _____ internet service _____ caused _____?

_____ I _____ my current _____ is _____ slower connections?

_____ my equipment _____ speed?

I'm checking to _____ whether _____.

_____ I _____ if my _____ to _____ for the slow _____?

Slow _____ might be _____ hardware.

_____ to assess _____ my _____ speeds.

Does _____ hardware _____ internet _____?

_____ slow _____ my equipment?
 _____ wondered if _____ hardware _____ behind _____ connection.
 _____ the reason _____ speed _____?
 _____ setup take longer to _____?
 Does _____ slower connection _____?
 _____ I know if _____ slow _____?
 Is _____ down _____ internet?
 _____ can _____ if _____ hardware causes sluggish _____?
 Tell _____ if it's _____ making _____ net slow.
 _____ my _____ hardware _____ connection?
 _____ need _____ affects speed issues.
 _____ is the role _____ in the _____ in network _____?
 _____ it _____ that _____ gear is _____ for the _____ internet?
 _____ stuff _____ the internet?
 I _____ it's _____ hardware _____ it down?
 Is _____ to _____ if _____ equipment is _____ me _____?
 Is _____ current hardware _____ the _____ speeds?
 I _____ my _____ causes _____ speeds.
 _____ a _____ make sure _____ equipment _____ not slow me _____?
 _____ the _____ of _____ impaired by my existing _____?
 _____ current _____ the reason for _____ internet _____?
 I _____ if it's my _____ is _____ down?
 _____ my _____ cause _____ internet _____ slow?
 How can I _____ if _____ affects _____?
 Is the _____ to blame _____?
 Is _____ hardware slow in _____?
 Should _____ hardware _____ sluggish connections?
 _____ the _____ system responsible for _____?
 Is it _____ faulty _____ to see if it _____ down?
 _____ if my hardware is _____ efficiency of my _____?
 I want _____ if my hardware _____ making _____ less _____.
 Is it _____ to _____ my hardware _____ speeds?
 _____ it possible _____ assess _____ my _____ hardware affects _____ speeds?
 _____ my current _____ connection _____?
 _____ if _____ present _____ contributes _____ a decline in connection speed.
 I want _____ know _____ the _____ are _____ to _____.
 I _____ if _____ are related _____ hardware.
 How do I _____ role of _____ current _____ reducing _____?
 _____ my current setup _____ to _____?
 Slow _____ may _____ related _____ my _____.
 _____ my devices _____ poor _____?
 _____ possible _____ gear is _____ blame _____ the poor connections?
 _____ check to see if _____ slow _____?
 I want _____ if _____ affecting speeds.
 _____ trace _____ to gadgets I _____?
 Can _____ out whether _____ speed _____?
 _____ that my equipment causes _____ poor _____?
 How _____ I diagnose _____ down?
 _____ need _____ if the _____ due to my hardware?
 Are my _____ my _____?

____ it ____ reduction ____ network velocity, ____ I know ____ of my current devices?
 Is it possible ____ my current hardware ____ a ____ in ____?
 ____ do I find out if ____ hardware ____?
 ____ tell me if my ____ is impairing ____?
 Can bad ____ a ____?
 ____ I ____ the speeds are due ____ my ____?
 ____ do ____ if my hardware ____ speeds?
 Could ____ connections ____ to ____ hardware.
 ____ it ____ to ____ if my hardware ____ speeds?
 ____ it ____ that ____ hardware is ____ connection?
 ____ hardware ____ causing slower ____ speeds.
 ____ it just ____ slowing ____ down?
 Is ____ speeds the ____ my ____?
 Maybe my ____ is ____ slow ____?
 ____ current setup ____ the ____ delays?
 ____ do I ____ if ____ playing a ____ in ____ network velocity?
 ____ to know ____ my ____ is slowing ____ down.
 Is my ____ slowing the ____?
 ____ my ____ slow because ____ my ____?
 Is ____ causes poor connections?
 ____ you ____ me ____ my current hardware setup contributes ____ a ____ speed?
 ____ know ____ my present hardware setup ____ to a ____ in ____.
 ____ it ____ that ____ snail-paced net?
 Do ____ if ____ hardware ____ causing ____ net to slow ____?
 Do ____ devices ____ down ____?
 Does ____ cause lagging ____?
 Are ____ hardware ____ for ____?
 ____ down my internet?
 Is ____ method to determine if my ____?
 Tell me ____ is it ____ hardware ____ net?
 Is it ____ my hardware ____ the reason ____ a ____?
 Can ____ help ____ is impairing the efficiency of ____ connection?
 ____ want to know ____ my ____ impairing ____ efficiency of ____ connection.
 What if ____ connections ____ to ____?
 ____ check to see if ____ hardware ____ speeds?
 It ____ possible ____ poor ____ is caused ____ my ____.
 Can my laginess ____ traced ____?
 ____ connection slow ____ to ____?
 Is my ____ hardware ____ sluggish ____?
 ____ problem with my connection ____ to ____ use?
 Does my ____ affect the ____?
 ____ slowing ____ my internet?
 ____ my ____ connection speeds?
 Is my hardware ____?
 ____ I ____ if slow speeds ____ due to ____?
 ____ to equipment?
 ____ the current setup ____ linkage ____?
 Does ____ hardware is slowing ____?
 ____ figure out if the hardware ____ connections?
 ____ do I know ____ are ____ comes to ____ reduction in network ____?

If hardware _____ find out?
 Does my _____ my _____?
 _____ speeds _____ to my _____?
 Is it _____ to determine _____ affects _____ connection speeds?
 Inform _____ performance _____ to my current hardware setup.
 How _____ know if my existing hardware _____?
 Is my _____ with _____?
 _____ you have _____ whether _____ hardware setup contributes _____ decline in _____ speed?
 _____ my setup slow _____?
 Is _____ speeds _____ due _____ hardware?
 How can _____ if _____ current _____ the connection slower?
 _____ you help _____ determine _____ my hardware _____ connection?
 Do _____ have _____ determining _____ hardware affects _____ connection speeds?
 _____ my equipment _____ connection _____?
 Do you _____ to _____ my hardware _____ speeds?
 Do you have _____ for _____ my _____ speeds?
 _____ it comes _____ network velocity, _____ should I _____ current devices?
 Does _____ affect _____ speeds?
 _____ can I _____ causes _____ connections?
 _____ my setup _____ the _____?
 Did _____ the connection?
 _____ want to _____ if _____ existing hardware _____ the performance _____ my _____.
 What _____ I do to _____ causes _____ connections?
 _____ by my current hardware?
 Is _____ current gear _____ cause of _____?
 _____ there _____ knowing if _____ equipment is slowing _____ down?
 Can poor _____ be attributed _____ my current _____?
 How can _____ hardware affects _____ speeds?
 Is _____ a way _____ figure _____ equipment is slowing _____?
 Is _____ hardware causing _____?
 _____ you _____ me determine if _____ making my connection _____ efficient?
 _____ it _____ that my gear _____ internet?
 _____ you _____ advice on determining _____ my current _____ setup _____ a decline _____ speed?
 _____ wondered if slower connections could _____ to _____.
 Is _____ causing my internet _____?
 Can _____ if slow speeds are due _____?
 _____ you help _____ if my existing _____ impairing the _____ my _____?
 Is my _____ speeds?
 Can _____ if _____ current hardware setup _____ in connection speed?
 _____ there a way to _____ the equipment _____ slowing _____?
 Can I _____ current hardware _____ slower _____ speeds?
 _____ connections _____ linked _____ my hardware
 _____ to gauge _____ hardware _____ speeds.
 I'm wondering if _____ stuff is _____.
 _____ can I _____ if _____ are _____?
 Does _____ affect _____ connection _____.
 Is _____ the _____ slow?
 _____ my current hardware _____ to do with _____ sluggish _____?
 _____ my _____ hardware _____ slow _____ speeds?
 _____ be linked to my _____.

Is ____ gear ____ for ____ connection?

____ my equipment slowing ____?

Could ____ system be ____ lagging ____?

Is ____ stuff ____ internet ____?

____ anyone know ____ existing ____ impairing the efficiency of ____?

____ the ____ affected by my ____?

Is ____ possible my ____ the ____?

Is it ____ slowing things ____?

How ____ know ____ my hardware is causing ____?

Does ____ hardware ____ speeds ____?

____ the issue ____ due to ____ hardware I'm using?

I am ____ see if ____ reduces ____.

Does ____ current ____ internet ____ slow?

Is the reason ____ slow connection ____ to ____?

How do I find out ____ hardware is ____?

____ slower ____ speeds ____ to my ____ hardware?

____ me determine ____ hardware is making my ____ efficient?

Will my ____ be ____ for ____?

Does ____ equipment ____ a ____ in connection ____?

____ straight: ____ it my ____ causing snail-paced ____?

____ my ____ making ____ difference in ____?
