

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Information regarding scheduled maintenance
Inquiry Sub-Category	Outage notification
Description	Customers seeking information about planned power cuts or outages in their area. They want to know the duration of the outage and if any alternative arrangements will be made to supply power during that time.
Data Size	6,542 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Any _____ we'll experience another _____ because of _____ system checks _____ ?
_____ there _____ problems _____ up due _____ close-by system _____ ?
How long before we're _____ in _____ because of _____ routine _____ electricity _____ ?
Is there _____ outage due _____ inspections _____ us?
Do you _____ will cause the next _____ out?
Is there a time _____ might encounter an _____ ?
_____ losing _____ again because of _____ system checks? _____
_____ there a time _____ will _____ a power _____ from _____ checks?
Could you _____ me when _____ next routine _____ will _____ failure?
There _____ power failure for _____ .
Will there be any _____ failures as _____ result of _____ ?
Do you _____ we _____ a _____ failure due to _____ ?
Is _____ downtime because _____ by system _____ ?
Will there be _____ for _____ ?
Can _____ routine system _____ will cause a power outage?
Are _____ a power _____ caused _____ routine _____ nearby?
_____ there be any _____ near future due _____ proximity inspections?
_____ will be blackouts _____ routine checks in _____ future?
_____ we _____ have _____ black _____ of nearby checks?
_____ the next power _____ will be _____ the _____ checks nearby?
_____ are likely when the next system _____ .
Is the _____ to routine system _____ ?
_____ will _____ experience another power failure _____ of _____ ?
Will _____ be an _____ outage due _____ routine _____ ?
_____ our electricity will be gone _____ play _____ systems _____ ?
_____ have another black out caused _____ ?
How long _____ take _____ be disrupted _____ routine _____ in this _____ ?
Power outage _____ check?

_____ are upcoming _____ for check-ups on _____ grids?
 _____ you know _____ next power _____ by routine _____ maintenance?
 Are you _____ of _____ next _____ as _____ of routine system _____?
 As a _____ standard on-site _____ any _____ power cuts?
 _____ when _____ checks will cause another _____ outage?
 _____ system _____ nearby so when is the next black _____?
 When can _____ next _____ failure _____ system checks nearby?
 When our _____ will _____ next as you _____ around _____ nearby?
 Are _____ aware of _____ check _____ will cause _____ power _____?
 _____ when the _____ check will result in _____ power _____ nearby?
 Will _____ upcoming black-out due _____ system inspections?
 _____ aware _____ the next _____ that _____ in a _____ out?
 I'm _____ about _____ the _____ check will result in _____ failure.
 _____ be any upcoming power cuts _____ a _____ checks?
 Should _____ know when _____ next _____ will be _____ of _____?
 Does _____ know _____ will stop as _____ guys play _____ nearby?
 _____ there _____ power cuts _____ near future for _____?
 _____ you know _____ we should expect to _____ electricity _____?
 There are routine checks _____ which _____ cause _____.
 I'm curious about upcoming _____.
 Is _____ upcoming _____ from close-proximity system tests?
 Have _____ power _____ due to routine grid maintenance?
 Do _____ outage will occur because _____ routine checks _____?
 Do _____ when routine _____ will cause a _____?
 I would _____ to _____ when _____ disappear as _____ around with systems _____.
 _____ long will _____ power cut _____ there are system tests _____?
 Do _____ estimation _____ black-out due to _____ system inspections?
 _____ experience another black _____ of routine _____ near us?
 Know when we _____ have _____ black _____ checks?
 _____ projected _____ for when _____ system _____ will _____ a power failure?
 _____ of _____ we might _____ power failure _____ of regular _____ checks nearby?
 What do _____ the upcoming _____ to standard _____ inspections?
 Do _____ there will be _____ for _____?
 _____ there _____ for when _____ system checks will cause _____ power _____?
 With all of your _____ next black out?
 _____ give _____ an _____ of when the next routine _____ in _____ power failure?
 How much _____ will _____ take _____ power disruption _____ to routine _____ area?
 _____ immediately when the _____ goes _____ again _____ of these _____.
 _____ you _____ system _____ will cause _____ power out?
 Have _____ about the _____ power _____ because _____ routine _____?
 _____ the estimated time for _____ power _____ caused by _____?
 _____ estimate of _____ might experience a _____ due to _____ inspections nearby?
 _____ all _____ silly _____ checks _____ when is the _____ scheduled _____ guys?
 We _____ have another black out _____ nearby _____.
 Are _____ the _____ check will cause a _____ out?
 What time should _____ expect _____ loss of _____ routine _____?
 Will there _____ power failures soon _____ result of _____?
 _____ you know when _____ will _____ a _____ of power?
 _____ know _____ next _____ will result _____ a power failure.
 When might _____ black _____ by nearby _____?

_____ there _____ idea _____ we'll _____ another black _____ because of routine _____ ?
 Do you know _____ another _____ due to routine _____ maintenance?
 _____ don't _____ when there will _____ another _____ outage _____ of _____ .
 Can _____ tell _____ what time _____ should expect a _____ due _____ nearby?
 Are _____ aware _____ the _____ power outage _____ routine _____ maintenance?
 _____ is the next power _____ reviews?
 Have you _____ when _____ next power _____ due to system _____ ?
 _____ you _____ if _____ blacking out is _____ to _____ system _____ ?
 Do you _____ when _____ system check _____ cause _____ ?
 You _____ a close _____ check-ups _____ the electricity grid, _____ how _____ before _____ left in _____ ?
 Is there _____ when we can _____ power _____ due to _____ ?
 When _____ we _____ due to routine system checks?
 _____ before our area _____ to maintenance testing?
 I'm _____ when _____ out due _____ routine system maintenance.
 _____ outage _____ the next system _____ done.
 _____ know when routine checks will _____ power _____ ?
 We _____ know when _____ should _____ a loss _____ electricity due _____ routine checks _____ .
 _____ will we see _____ power _____ due _____ checkups?
 _____ any projected _____ of _____ the system _____ will cause a _____ ?
 Is there _____ outage _____ system evaluation?
 Is there _____ on _____ check _____ result in _____ power cut?
 _____ can we _____ a _____ check _____ cause _____ power _____ ?
 When would _____ another power loss _____ frequent _____ ?
 We need _____ know when _____ electricity _____ as _____ guys play _____ with _____ .
 When _____ we going to lose _____ because _____ the _____ ?
 _____ you tell _____ expect another power _____ to routine maintenance?
 _____ was wondering _____ clue about _____ blackouts from _____ proximity system _____ .
 routine _____ close by, when will _____ occur?
 _____ about _____ face a power failure _____ routine _____ .
 _____ you _____ will run out _____ power due to _____ inspections?
 Do _____ when the _____ goes _____ of _____ system checks?
 Is _____ a chance _____ have _____ black out _____ routine _____ ?
 _____ timing of _____ next _____ electricity disruption _____ by close-by _____ check-ups?
 Are _____ going _____ have another _____ out because _____ ?
 _____ you _____ might experience a _____ due _____ regular system maintenance _____ ?
 _____ about the _____ outage due to routine _____ maintenance _____ ?
 When _____ have another _____ out _____ checks?
 Are _____ going _____ have _____ out _____ by _____ checks?
 We would like to know _____ we should _____ of _____ checks _____ .
 _____ possible _____ we'll experience _____ because of _____ system checks?
 Will _____ be _____ for check-ups _____ the local electrical _____ ?
 Does _____ have _____ when _____ routine system _____ will result _____ a _____ failure?
 Does anyone _____ there _____ be _____ black-out due _____ inspections?
 _____ we have another black _____ by _____ ?
 When _____ the _____ due to boring _____ reviews _____ ?
 Do you _____ when _____ next _____ will cause _____ power _____ ?
 Do you _____ will cause a power outage?
 _____ about _____ upcoming power _____ to system _____ ?
 _____ there _____ we'll face _____ cut from routine inspections?
 Expecting _____ outs _____ a result _____ equipment checks?

Did ____ know ____ is caused by ____ system tests?
 ____ we can expect another powerout due ____ routine ____ maintenance.
 ____ you tell ____ when we'll ____ of ____ due ____ inspections?
 Know ____ black out ____ occur ____ of nearby ____?
 ____ a neighborhood power ____ occur ____ to ____?
 Do ____ when we ____ power ____ because ____ system ____?
 ____ time should ____ a loss ____ to ____ checks ____ performed nearby?
 Do ____ the next power failure ____ routine ____?
 Tell ____ when we lose power ____ system ____.
 ____ an outage due ____ regular ____ happening near us ____.
 I ____ know when our power ____ go out ____.
 Are ____ of the ____ check ____ leads to a ____?
 Are you ____ the ____ checks ____ power failure?
 When will there ____ the next ____ checks nearby?
 ____ is a ____ next routine ____ check will ____ power failure.
 Do ____ know ____ the ____ check ____ causes ____ power failure?
 ____ when the next ____ will ____ in ____ power failure.
 Are ____ another power ____ to frequent inspections?
 ____ will there ____ another power outage ____ Inspections?
 Will ____ any power ____ soon due ____ inspections?
 Know when ____ next ____ might be caused ____?
 Is ____ blackout ____ regular checks ____ in?
 Do ____ know ____ the ____ will go ____ again ____ system ____?
 ____ when ____ a black out because ____ nearby ____?
 Do you ____ system checkup ____ cause ____ power ____?
 Do you ____ routine check ____ in a ____ cut?
 ____ you ____ if ____ a ____ due to standard ____ inspections?
 I ____ idea ____ power will ____ out ____ for system ____.
 When ____ power outage ____ on ____ checks nearby.
 ____ it possible ____ might have ____ close-by maintenance operations?
 ____ anyone ____ when the ____ routine ____ will ____ a ____ blip?
 When could there ____ due to ____ inspection?
 Will ____ be ____ the near future for ____?
 There will ____ due to routine grid ____ here.
 Power ____ next system check is done.
 ____ the dark again ____ of your close ____ checks on the electricity ____?
 ____ long will ____ take for a ____ to happen ____ of ____?
 ____ know ____ next power outages ____ routine grid maintenance?
 Do ____ when we will ____ yet another power ____ your routine ____?
 Is there more ____ of close-by ____?
 ____ you tell ____ might ____ power ____ due to system ____ nearby?
 When ____ the next ____ going ____ happen ____ all ____ silly ____ checks ____?
 ____ anyone know ____ the next ____ system ____ going ____ cause ____ failure?
 Can ____ tell us when we ____ loss ____ electricity ____ to ____ nearby?
 Is there ____ date ____ cut-off ____ by ____ safety ____ tests?
 ____ will the ____ power go ____ due ____ checks?
 ____ wondering ____ there ____ blackouts soon due to usual ____.
 Does ____ know when our ____ gone as you ____ with ____ nearby?
 Did ____ we'll ____ through ____ outage because ____ your testing ____ here?
 I ____ know ____ we ____ power ____ due to routine ____ maintenance.

Are there _____ on the next _____ out _____ tests?

How long _____ we're left _____ because _____ routine _____ on this electricity grid?

_____ another black _____ is caused by nearby checks?

How _____ before there is a _____ system _____?

How long before _____ are left in _____ dark _____ close _____ the electricity grid.

Is _____ for routine checks?

When will the _____ be, with all _____ system _____?

When _____ might _____ another black _____ to nearby _____?

_____ another loss _____ electricity _____ the _____ is close by?

Power is _____ to _____ out _____.

What about the _____ blacking _____ nearby system _____?

Is _____ an estimation for _____ system inspections?

Do you know _____ we can _____ to routine _____?

There's a chance we'll _____ out _____ of routine _____.

_____ outage be caused _____ routine _____ nearby?

routine check _____ by _____ the soonest black _____?

_____ there _____ information _____ the _____ outage due _____ regular _____ nearby?

_____ black outs _____ routine _____?

There's _____ of _____ from upcoming system introspection _____.

I'm curious _____ the next _____ caused _____ maintenance.

_____ tell _____ when we _____ experience _____ power _____ due to _____?

Is _____ an _____ on when the next _____ will _____ in _____ failure?

As you play around _____ nearby, _____ when _____ will disappear?

_____ you tell me _____ experience a power failure _____ to _____?

_____ you _____ if _____ future _____ outages for check-ups?

Do _____ know when a _____ out _____ be _____ checks?

Are there upcoming _____ for _____?

When's the next power _____ silly system checks _____?

_____ there more _____ because of _____ evaluation?

_____ there be _____ soon because of _____?

I'm wondering _____ there's _____ power cut _____ of system _____.

Are there _____ times _____ system _____ to _____ the _____ to go _____?

_____ want _____ know when the _____ will _____ you _____ play around _____ nearby.

Have _____ heard about _____ next _____ of _____ system _____ nearby?

_____ there _____ of close-by system evaluation?

Can _____ tell me _____ regular _____ may cause _____ failure?

_____ there any chance we'll experience _____ black _____ system _____?

When _____ next power _____ to routine _____ nearby?

How long _____ we're left in the _____ because of _____ close _____ check-ups _____.

_____ will _____ upcoming _____ close proximity system _____.

As _____ result _____ standard _____ there be any upcoming _____?

There _____ likely to be a _____ due _____.

When's the next _____ failure due _____ system _____?

_____ when we _____ power failure due _____ system maintenance nearby?

_____ outage likely when the _____.

_____ you _____ the _____ power _____ of system checks?

Any information on _____ system _____?

Do _____ know if _____ due _____ inspection near us?

_____ so we don't know when _____ will go _____.

Does _____ know _____ we might _____ an _____ close-by _____?

Is there _____ face a power _____ nearby routine _____?

estimate _____ the _____ blacking out _____ by _____ system _____

Will there be _____ failures _____ the near _____ to the _____?

_____ about _____ we'll face a _____ from _____ inspections.

Are _____ next system _____ that _____ a power problem?

Does _____ when _____ next _____ will happen _____ system checks?

Power outage _____ next _____ check.

_____ failures for check-ups _____?

When can _____ a _____ cut due _____ checks?

I don't know _____ out because of _____ system _____.

_____ you _____ anything _____ the _____ outage _____ system checks?

Are _____ of _____ next _____ a power failure?

_____ you _____ next _____ out from _____ system checks?

_____ tell me when _____ next routine _____ will _____ to _____ power _____?

_____ there _____ we might run _____ an _____ during close-by maintenance _____?

How long _____ left _____ the _____ again _____ of _____ close routine check-ups _____ this electricity _____?

_____ there an _____ next _____ because of _____ review plans?

What time _____ our electricity _____ guys play _____ with _____ nearby?

Is _____ idea when _____ experience another _____ place because _____ checks?

_____ there more outages _____ up because _____ the _____?

_____ know _____ we _____ another black out _____ to checks?

_____ want _____ know _____ routine system check _____ result in _____ power _____.

Is there _____ on an upcoming _____ to standard _____?

Is there a _____ when _____ might _____ outage _____ a _____ operation?

_____ there any information _____ the _____ check _____ cause _____ power cut?

_____ the next power _____ due to routine system _____?

It's _____ get hit by _____ due to those _____ nearby.

_____ any blackouts soon due to _____?

_____ you tell me _____ be without power _____ maintenance nearby?

Do you _____ next _____ caused _____ nearby system tests?

I'm _____ there's _____ estimate _____ subsequent outages _____ of _____ plans.

_____ may _____ power outages _____ check-ups on _____ grids.

The next potential system _____ could _____ inspections.

_____ aware _____ next _____ outage _____ to grid maintenance?

We might _____ black _____ by nearby _____.

_____ know about _____ next _____ will cause _____ power cut?

_____ might be _____ to regular inspections _____ again.

Is _____ possibility _____ another black out _____ system checks _____ proximity?

_____ going _____ lose _____ because _____ these systems checks?

_____ the next routine system _____ will result _____ a _____ failure?

_____ long _____ occurs because of _____ system tests?

Do _____ about _____ system check _____ to a _____ failure?

Did _____ know _____ suffer _____ yet _____ outage when you test _____?

Is _____ possible that the _____ outage will be _____ routine _____?

Is _____ we _____ face a malfunction from nearby _____?

_____ all of _____ silly system checks nearby, _____ is _____?

Is _____ chance that _____ will _____ another blackout _____ of _____ checks?

_____ is a _____ for check-ups _____?

_____ anticipate another temporary loss of _____ of _____ inspections?

We _____ to know _____ our _____ will stop _____ systems nearby.

____ time should ____ expect ____ electricity ____ routine checks nearby?
 Will ____ any ____ because of the ____ inspections?
 ____ for our next ____ disruption ____ by routine inspection?
 Has ____ an upcoming black-out due ____ inspections?
 ____ will our ____ of maintenance testing?
 Are ____ the next blacking out ____ tests?
 When will the ____ failure ____ of routine ____ nearby?
 When ____ a ____ electricity because of system ____?
 Is ____ an ____ might ____ a power failure ____ of ____ system checks?
 ____ possible ____ we ____ experience ____ power ____ because of ____ inspections nearby?
 Is ____ a chance ____ face a power ____ routine ____?
 ____ the ____ power ____ by regular maintenance?
 ____ is ____ next ____ goes down due ____ maintenance?
 ____ system check will cause a power ____?
 ____ as a result of standard ____ equipment ____?
 ____ there any ____ for when ____ system checks will ____ off?
 ____ coming up because of ____ system evaluation?
 ____ to have ____ black ____ because of nearby ____?
 We ____ we ____ expect ____ loss of electricity due ____ routine ____ performed nearby.
 How ____ before we're left ____ the dark again due to your ____ routine ____?
 I want to ____ power because of ____ system ____.
 ____ when ____ have another ____ caused by checks?
 Do ____ know ____ expect a loss of ____ due ____ checks?
 ____ you ____ about ____ next power ____ due ____ system checks?
 ____ will there ____ electricity because of ____ checks?
 Does ____ know ____ next routine system ____ result in ____ failure?
 I want ____ there will ____ any blackouts ____ inspections.
 ____ you aware of ____ next system check ____ blackout?
 During ____ maintenance operations, when ____ expect ____?
 Do ____ when a ____ check ____ be ____ out?
 Does anyone know when ____ yet another ____ to your ____?
 ____ anyone heard ____ an ____ black-out ____ standard ____ checks?
 ____ our electricity ____ disappear ____ you guys play ____ systems nearby.
 Will ____ be ____ power failures for ____ the ____ electrical ____?
 Is there any projections ____ will cause the power ____?
 Does anyone ____ estimation of an upcoming ____ standard ____?
 ____ can we expect ____ black ____ thanks to your ____?
 routine ____ nearby, ____ can ____ next black out?
 Can you ____ next power ____ will be due ____ checks ____?
 ____ is ____ power out scheduled ____ you guys with ____ silly ____ nearby?
 How ____ will ____ there to ____ a ____ cut because of ____ system ____?
 When could ____ expect more ____ due ____ frequent ____?
 Did you know ____ outage ____ be ____ to system ____?
 You ____ system checks nearby ____ when ____ next power outage?
 Is ____ that the ____ system check ____ result in ____?
 ____ until there is a ____ cut ____ test?
 Does anyone ____ upcoming black-out because of ____ system ____?
 Routine ____ checks are ____ can ____ expect ____ next power ____?
 There is a ____ our electricity ____ next ____ you guys ____ around ____.
 ____ we'll experience ____ blackout because of ____ checks.

Will ____ be a ____ failure ____ ?

Can you ____ us when ____ anticipate ____ loss of electricity ____ ?

When should we ____ next system ____ to cause ____ ?

____ until ____ will be ____ power cut because ____ system ____ ?

When would ____ power outage due ____ frequent ____ ?

When will ____ power ____ because of ____ ?

____ the ____ the power goes down ____ to ____ maintenance?

Can you ____ us when ____ another ____ failure ____ to ____ ?

Tell me when ____ power ____ because ____ checks.

Do ____ know when a ____ will ____ down?

____ you figured out ____ will be ____ of system checks?

____ a result of ____ equipment checks, are ____ blackouts?

____ me ____ we ____ be without ____ due to regular system ____ ?

Do you know ____ about ____ because ____ standard ____ inspections?

____ will our power come ____ maintenance?

____ silly ____ checks are ____ when is ____ next ____ out?

How long ____ we're ____ dark ____ due ____ your ____ checks ____ the electricity grid?

____ you tell ____ out ____ power because of routine ____ ?

Do you ____ when the ____ checks ____ cut?

Do you know ____ a ____ check will ____ ?

____ will ____ disruption ____ for regular ____ assessments?

____ want to know ____ the ____ power ____ be ____ checks nearby.

____ might the ____ black ____ be caused ____ checks?

When could ____ another power ____ because ____ frequent ____ ?

____ anticipate another ____ of electricity because ____ closeby ____ ?

____ we ____ an issue ____ close-by ____ operations.

Does anyone ____ when the ____ check will ____ a ____ ?

Are you aware of when ____ checks will ____ ?

____ you think ____ be upcoming power ____ for ____ ?

____ long ____ power cut because of ____ testing around ____ ?

____ for ____ the ____ checks will ____ power to go off?

When is ____ power outage ____ to ____ system ____ ?

Should ____ expect ____ due to routine ____ nearby?

____ heard about ____ outage due to ____ system checks?

Do you ____ a power ____ will happen ____ to ____ ?

____ there a time when it ____ maintenance ____ ?

Our next ____ may ____ caused ____ routine inspection ____ this ____ .

____ is ____ as to when ____ power outage might ____ regular ____ .

____ time when we'll have a ____ nearby ____ inspections?

____ of the next ____ to routine grid ____ around here?

____ you ____ when a blackout ____ because ____ routine ____ ?

____ our ____ shutdowns due to regular testing?

Will ____ be any power ____ due ____ usual ____ ?

____ there ____ estimate ____ future outages because ____ plans.

How ____ until ____ power ____ upcoming system tests?

____ these system checks will ____ to lose power?

Do you ____ will ____ upcoming blackouts ____ ?

Next ____ inspection will ____ please?

____ can we expect ____ loss ____ of closeby ____ inspections?

____ when ____ power ____ of ____ checks in the vicinity.

Do ____ have an estimate ____ the ____ checks ____ cause the ____ to ____?

Are there times ____ we might ____ another ____ checks?

____ is the ____ power go ____ due ____ maintenance?

Have ____ about the next ____ due ____ maintenance?

____ all ____ silly ____ nearby, ____ will the ____ power ____ happen?

Can ____ tell ____ when our electricity will ____ around ____ systems ____?

Power outage ____ system check ____?

____ an ____ on ____ upcoming black-out due to ____ inspection?

I ____ like to know when ____ due to routine ____.

Is ____ any ____ an upcoming black-out ____ system inspections?

Is there ____ outages because ____ system evaluation?

Please ____ me ____ we lose ____ again ____ these system ____.

____ periods ____ routine checks?

Is ____ an ____ to ____ us?

Can you ____ get another ____ failure ____ to routine ____?

____ long until ____ power cut ____ to ____ tests?

During close-by ____ when ____ we ____ an ____?

____ outage ____ when, ____ check.

Tell ____ these system checks cause ____ power.

____ might have another ____ out ____ nearby.

____ wonder ____ will ____ any blackouts soon due ____ usual ____.

There ____ a ____ outage from regular maintenance.

____ power will ____ down due ____ system ____?

Are ____ when ____ power ____ out again for those ____?

Does anyone know ____ will result ____ a blackout?

____ soon can ____ next power ____ due to system ____?

____ more incidents ____ of close-by ____?

____ you ____ me ____ power outage due to system maintenance ____?

Is there ____ see ____ outage during close-by maintenance?

When ____ will stop ____ guys ____ with systems nearby?

____ expect a ____ of ____ due to ____ checks nearby?

____ going to ____ outs ____ routine checks?

When ____ there be ____ neighborhood power ____ because ____?

I want to ____ the next power ____ grid ____.

I ____ to ____ we can ____ due to routine system ____.

Can ____ give us a ____ when ____ should expect ____ due to ____ checks ____?

____ checks will likely lead ____ power cuts?

I ____ an ____ on ____ upcoming black-out ____ to ____ system ____.

____ anything about the next outage ____ to ____ checks ____?

____ power because of these ____ checks?

Does anyone ____ an interruption due to regular inspections ____?

____ a time when ____ have ____ black ____ from nearby ____?

____ give me ____ estimation on the ____ to standard ____ inspections?

____ you tell ____ when ____ next scheduled ____ is ____?

____ it ____ we'll ____ another black ____ because ____ system checks?

____ don't ____ the power ____ out again ____ those ____ checks.

____ is the ____ outage for ____?

With ____ nearby, ____ will ____ next power failure be?

Do you ____ a black ____ occur ____ to ____ checks?

____ power ____ system checks?

_____ when we might _____ another black out _____ to _____ ?
 What _____ a _____ cut _____ close scheduled system tests?
 _____ you tell _____ we will experience another _____ failure _____ inspections?
 _____ we expect _____ power failure because of _____ ?
 With _____ silly _____ checks nearby, when _____ next black _____ ?
 When _____ the _____ power _____ go _____ due to _____ maintenance?
 I'd _____ to know when _____ black out _____ routine _____ maintenance.
 Is _____ a _____ we'll face a power _____ from _____ ?
 Do _____ when a systemcheck will cause _____ ?
 When _____ be _____ power failure _____ to _____ checks?
 There are _____ and _____ could _____ expect another power outage?
 _____ are _____ losing _____ due to _____ system checks _____ the _____ ?
 _____ long before _____ left in _____ dark again due _____ your _____ routine _____ on _____ .
 I'm wondering when _____ cut due _____ routine system _____ .
 _____ power go _____ with _____ your _____ system checks nearby?
 _____ more down _____ of _____ system evaluation?
 _____ tell me _____ our _____ go out for system _____ ?
 _____ there _____ interruption due _____ near _____ again?
 When _____ another _____ loss of electricity because _____ system _____ ?
 We _____ to anticipate another _____ loss _____ of _____ system _____ .
 _____ you _____ upcoming _____ due to routine system checks?
 _____ you _____ anything _____ next outage _____ to regular system _____ ?
 _____ thoughts about an _____ electrical _____ adjacent _____ mechanisms' tests?
 _____ there be _____ in the near future _____ check-ups _____ electrical _____ ?
 _____ maintenance operations, when _____ get an _____ ?
 _____ when _____ out might be caused by _____ ?
 _____ any upcoming _____ as a _____ of _____ equipment _____ ?
 Will _____ be any _____ failures for check-ups _____ the _____ ?
 Is _____ when the next _____ check will _____ in a _____ ?
 _____ am _____ about _____ the next _____ system _____ will result _____ failure.
 When are _____ going to _____ the checks?
 Do _____ when we might _____ black _____ because of _____ ?
 When _____ we expect _____ issue _____ to _____ inspections?
 When _____ black out _____ boring system _____ nearby?
 Is there _____ up _____ to _____ system evaluation?
 _____ you know _____ should expect _____ loss _____ electricity, due _____ checks _____ ?
 Is _____ information about the next _____ regular _____ checks nearby?
 _____ come because _____ close-by system evaluation?
 When _____ black _____ for _____ checks?
 I'm _____ sure when our power _____ out _____ system _____ .
 When _____ we losing _____ to _____ checks?
 When our _____ disappear next as you _____ around _____ any _____ ?
 There is _____ system _____ due _____ adjacent _____ .
 Is it _____ next power outage will _____ due _____ nearby?
 _____ projected _____ the system checks will cause a power _____ ?
 When _____ we _____ power failure _____ to frequent _____ ?
 When _____ power failure _____ routine system checks?
 Do _____ know _____ about _____ blackout due to _____ checks _____ ?
 _____ there _____ upcoming _____ routine checks?
 _____ might we experience _____ close-by _____ ?

_____ experiences _____ shutdown because of maintenance testing?
 _____ know _____ we _____ power _____ because _____ these system checks.
 _____ your silly system checks _____ next black _____?
 Can _____ tell me _____ out _____ power due to _____?
 _____ anyone _____ if there is _____ to regular _____ near _____?
 Is there _____ information about _____ from _____ tests?
 Can _____ me _____ the next power _____ caused by _____?
 _____ you know if _____ is _____ interruption _____ inspections _____ us.
 _____ there _____ estimate as to _____ might cause a power _____?
 _____ there a time when _____ a power _____ routine _____?
 Can _____ tell me when _____ next _____ be because of _____?
 When the electricity _____ you _____ play around _____ systems _____?
 _____ if _____ upcoming black-out due to system inspections?
 Are there any _____ times of _____ the _____ will _____ to _____ out?
 Do _____ when _____ power _____ can be _____ by routine _____?
 We _____ when we _____ expect _____ of _____ due _____ routine checks being _____ nearby.
 _____ is the _____ due to _____?
 _____ don't _____ when we'll _____ a power failure _____ checks nearby.
 We _____ when _____ will result in a power failure.
 Can you tell _____ when the _____ will result in _____?
 _____ when we may have _____ of _____ checks?
 Is _____ an _____ when we'll _____ black out because of _____?
 _____ anyone know if the next _____ system check will _____?
 Is there going _____ be upcoming _____ checks?
 When will _____ run _____ nearby routine checks?
 _____ next power out _____ by you _____ all _____ silly _____ checks _____?
 _____ there an interruption due to _____ again?
 Are there _____ for _____ coming _____?
 _____ soon will our _____ disappear _____ you _____ play _____ systems _____?
 When _____ our electricity _____ away _____ play around _____ nearby?
 _____ long is _____ until _____ cut because of system _____?
 Is _____ when we might _____ outage during _____ operations?
 With all your silly _____ nearby, when _____ blackout going _____?
 Are you aware that the _____ check _____ failure?
 How _____ before _____ in _____ again, due to _____ close _____ check-ups _____ electricity grid.
 Are _____ aware of the _____ that _____ grid maintenance?
 _____ the next power _____ out with _____ your _____ system _____?
 Tell _____ when _____ lose power _____ of these system _____.
 _____ electrical grids are anticipated to cause upcoming _____.
 Is _____ possible to _____ power outage due _____?
 _____ might _____ an issue during _____?
 _____ anyone tell _____ when the _____ routine _____ check _____ result _____ power _____ nearby?
 _____ power outage that is caused _____ routine grid maintenance?
 Do you know _____ a _____ check will _____?
 If there is _____ outage _____ regular _____ again?
 _____ there any projected _____ checks _____ cause the outages?
 Is _____ estimation on _____ black _____ due to _____ inspections?
 _____ have _____ idea _____ when _____ system _____ will cause the _____ failures?
 I _____ like _____ when _____ can expect another _____ to system _____.
 Can you _____ me _____ can expect another _____ failure _____ system _____?

_____ power cut happen _____ to system checks _____?

Is _____ of an _____ to inspections _____ us?

Will _____ be _____ blackouts _____ result of standard _____ checks?

We don't know when _____ will _____ gone as you _____ play _____.

When can _____ lose _____ because of _____ checks?

_____ there _____ for when _____ system checks will cause _____ power _____.

Can _____ us _____ we _____ expect _____ of _____ due to _____ being done _____?

When are we _____ to _____ because of system _____ the _____?

Are there _____ projections for _____ the _____ cause the _____ go _____?

When _____ system check _____ power failure?

_____ there _____ estimate of _____ outages because of _____.

Is _____ chance _____ an outage due _____ checks _____ us?

_____ we lose power again because _____ checks?

Is there _____ time when _____ might _____ issue _____ operations?

We _____ anticipate _____ temporary loss _____ electricity because _____ inspections.

Is there _____ about _____ outage _____ to regular system _____?

How _____ is a power _____ of _____ testing?

_____ me when we _____ power cut _____ to routine maintenance?

Will _____ be _____ power _____ soon, _____ the usual _____?

_____ long until _____ a _____ cut _____ of _____ here?

_____ don't know _____ might occur _____ maintenance operations.

Tell me _____ we _____ again _____ system checks.

_____ know _____ a blackout will _____ because of _____?

Do you have _____ time _____ upcoming _____ outs _____ occur _____ checks?

Do _____ when _____ will cause _____ malfunction?

_____ nearby can _____ the next _____ failure.

Does anyone have any _____ next _____ system check _____ in _____ failure?

Please _____ know when we _____ loss of electricity _____ of _____ nearby.

Do you _____ when _____ checks will _____ a _____?

How _____ will there _____ a power _____ of close _____?

_____ we'll _____ another black _____ because of _____ system _____?

Can you tell _____ experience another _____ out _____ checks?

Will there be any _____ failures _____ of _____?

_____ will _____ black _____ for regular checks?

_____ tell _____ when the next _____ check _____ a power outage?

_____ any projections for when the _____ checks _____ to go _____?

When is the _____ cut _____?

_____ any projected times _____ when _____ system checks will _____ the _____ go _____?

_____ there a _____ time _____ for _____ checks will cause _____ power _____?

I want _____ there _____ an interruption due to regular _____.

When _____ expect another _____ failure due _____ checks?

Are you aware _____ the next _____ will _____ caused _____ grid _____?

Do you _____ a _____ when we _____ expect _____ electricity due _____ routine _____?

When _____ area _____ shutdowns because _____ maintenance testing?

_____ upcoming _____ routine checks?

_____ more _____ because of _____ system evaluation.

Power _____ likely _____ system check takes _____.

_____ for _____ the system _____ will cause the electricity _____ go _____?

_____ you know when we _____ of _____ result _____ routine checks nearby?

Did _____ the _____ power _____ occur because of _____ checks nearby?

_____ the _____ power _____ happen _____ to system checks?

I'd like _____ the next routine _____ check will _____ power _____.

Are _____ to _____ when _____ power outage is _____ by _____ checks _____?

Do you _____ when we _____ a loss _____ electricity _____ to _____?

Is there a _____ when we _____ out because _____ checks?

_____ power going _____ all your silly system checks _____?

_____ is _____ another power outage _____ to regular _____.

The _____ system check _____ to a _____.

There are system _____ we expect the _____?

_____ routine checks?

Are _____ aware when _____ suffer through yet _____ power _____ due _____?

_____ me when _____ power goes out again _____ system _____.

Do you know when _____ check _____ a power _____?

There's _____ we'll _____ hit _____ a power outage due _____ system _____.

When can we _____ a _____ failure _____ system _____?

Can you let us _____ we _____ expect _____ electricity _____ to routine _____?

Can _____ me how long _____ there _____ a _____ cut _____ of _____?

_____ there _____ time when _____ black out _____ nearby inspections?

I _____ to know _____ we _____ expect _____ cut _____ to _____ system maintenance.

Is there more downtime _____ evaluation?

Can _____ another temporary _____ of electricity _____ of _____ system _____?

Next system _____ power outage?

_____ an _____ of _____ we might experience _____ power _____ because _____ regular system _____?

_____ chance we'll experience another _____ out _____ of _____ checks?

_____ you _____ will be a next power _____ to _____ grid _____?

_____ it _____ there _____ be _____ outages because _____ close-by _____ evaluation?

_____ to know _____ can _____ another _____ failure due to routine _____.

Can you tell me _____ expect _____ black out _____ maintenance?

Have you heard _____ next _____ due to _____ checks?

_____ any chance we'll _____ another power _____ routine _____ checks?

When can we _____ another power outage _____?

Is there anything you _____ me about the _____ due _____?

_____ you _____ when a _____ check _____ cause another power _____?

_____ to know when we _____ a power failure _____ maintenance.

_____ you _____ when _____ lose power _____ because of _____ checks?

Do _____ when the power _____ out _____ for _____ system _____?

_____ an _____ during _____ maintenance operations.

There _____ an outage _____ regular _____ near us.

Do you _____ when the _____ check _____ in _____ power outage?

Is there _____ time _____ might _____ an _____ during _____ maintenance operations?

Is _____ subsequent outages because _____ nearby _____ plans?

_____ might there _____ an _____ during _____ operations?

_____ a estimate on _____ upcoming black-out due _____ standard _____?

_____ you _____ anything _____ blackout because of _____ system checks?

_____ will _____ power failure due to boring system _____?

When are _____ power because _____ system checks?

_____ there going _____ blackouts _____ due to inspections?

When _____ another _____ occur _____ to _____ inspections?

_____ our power _____ for system checks nearby?

When _____ the _____ power cut _____ to _____?

Could _____ when we _____ expect another _____ failure because _____ routine _____?
 During close-by maintenance _____ when _____ issue?
 _____ long _____ our _____ shuts down due _____ maintenance _____?
 _____ we'll _____ hit by a power _____ due to _____ checks _____.
 How _____ before _____ the dark _____ your _____ check-ups on _____ electricity grid?
 Are _____ blackouts for _____?
 _____ you know _____ checks cause us to _____ again?
 Next system check _____ cause _____.
 _____ guys _____ all the _____ checks nearby, _____ is the _____ out?
 Will _____ be any blackouts soon _____ result of _____?
 _____ is the _____ to _____ lost _____ because of _____ system _____?
 When is _____ next power blip _____?
 _____ outage _____ the _____ check _____ next.
 The _____ potential _____ shut down _____ inspections?
 Is _____ a chance we'll _____ because of _____ system _____?
 _____ expect a power outage _____ to _____ checks?
 Do you _____ our power _____ for system checks?
 How long will _____ before _____ next power disruption _____ in _____ area?
 _____ going to be future power _____ checks?
 _____ to _____ when _____ should anticipate _____ electricity because of routine _____ nearby.
 I _____ when we'll experience another black _____ system checks.
 We might experience _____ out _____ routine _____ checks.
 _____ there _____ the _____ black-out because of standard _____ inspections?
 _____ you know of _____ on an _____ due to _____ inspections?
 _____ you _____ me when _____ the _____ due to system maintenance?
 _____ possible that we'll face a _____ cut _____ nearby _____?
 _____ your _____ system _____ nearby, when's the next _____?
 Is there upcoming _____ outs _____?
 _____ will there _____ system _____ outage?
 Are _____ checks coming?
 Can you tell us _____ we _____ expecting _____ of electricity _____ to _____?
 During _____ operations, when might there _____?
 _____ there more _____ up due to close-by _____?
 _____ you _____ play _____ nearby, _____ when our electricity will _____ gone?
 _____ of _____ equipment _____ will there _____ any future _____ cuts?
 Do _____ know _____ we _____ of electricity _____ to routine checks _____?
 _____ know when _____ anticipate a loss _____ to routine checks?
 Do you _____ we _____ a _____ electricity due to routine _____ nearby?
 _____ likely _____ next system _____.
 _____ disruption _____ soon _____ assessment?
 Is _____ hint about _____ blackouts from _____ system _____?
 _____ you _____ system check that could _____ a power _____?
 Are _____ projections _____ checks will cause the blackouts?
 _____ straight _____ goes _____ again because of the system _____.
 Is _____ any _____ the next _____ to _____ system checks _____?
 When our electricity _____ next as _____ play around _____ systems _____?
 When _____ will suffer _____ outage _____ to your routine testing _____?
 Is _____ power outs for _____?
 _____ know _____ the next _____ system _____ is going _____ result in a _____?
 _____ a _____ that we'll have another _____ because _____ system checks?

_____ when power _____ again because of _____ system _____.
 _____ power _____ for check-ups soon?
 _____ routine _____ will result in a _____ cut?
 During close _____ operations, when can _____ an _____?
 _____ a _____ power _____ to routine system checks.
 _____ me when the system checks _____ power.
 _____ to routine system checks _____ can we expect _____?
 _____ when regular _____ checks will _____ power failure?
 Any _____ power failure because of regular _____ inspections nearby?
 There _____ a _____ blackouts from _____ tests.
 When the _____ checks will _____ power _____ go _____?
 When could _____ expect _____ out _____ to frequent _____?
 How _____ we're left _____ the dark _____ because _____ your stupidly _____ routine check-ups _____ this _____?
 _____ likely _____ the _____ system check occurs.
 _____ a chance _____ experience another _____ of system _____?
 _____ don't _____ when another _____ outage might _____ due _____.
 Do _____ have _____ an upcoming black-out _____ to system _____?
 Power _____ likely _____ next system check _____.
 When _____ the next _____ due to routine _____?
 _____ you _____ of _____ next blacking _____ caused _____ nearby system _____?
 _____ might _____ during close-by maintenance?
 _____ heard about _____ power _____ due to system checks _____?
 Have you heard about _____ next _____ because _____ nearby?
 _____ to be _____ power cuts soon because _____ regular _____?
 Will _____ power failures _____ due to _____?
 _____ you think _____ on-site equipment _____ will lead _____ blackouts?
 _____ you know _____ a _____ due to routine _____?
 Any idea of _____ might have an _____ operations?
 _____ we might have another _____ because of _____?
 Are _____ aware _____ next _____ by routine system checks?
 Is there _____ time when _____ will face _____ outage from _____?
 _____ have a blackout _____ regular _____?
 _____ may _____ outages because _____ evaluation.
 _____ it possible _____ our _____ will disappear _____ guys _____ around with systems _____?
 Standard on-site _____ will likely lead to _____?
 _____ any upcoming power _____ as _____ standard on-site checks?
 _____ know if there is _____ due to _____ near _____?
 Do _____ know _____ a black _____ might _____ by nearby _____?
 Do _____ system _____ going _____ cause a power failure?
 Will there _____ as a _____ of _____ inspections?
 _____ the _____ happen due to system _____ nearby?
 When is the _____ black _____ scheduled by _____ with _____ system _____ nearby?
 Will _____ any power _____ soon _____ to _____ inspections?
 Are _____ of _____ system check that _____ cause _____ blackout?
 _____ you _____ we could _____ another _____ because of nearby _____?
 We _____ when the _____ will go out again _____.
 We might experience _____ black out because _____ checks _____.
 _____ you aware _____ system checks will _____ another _____?
 When are _____ going _____ lose _____ of _____ checks?
 _____ you _____ next black _____ to _____ system checks?

Did you _____ we might _____ another black _____ caused _____?
 Is _____ a time _____ have _____ power _____ nearby routine _____?
 When will we _____ electricity because _____ closeby _____ inspections?
 Do _____ know when system _____ power interruption?
 _____ you tell _____ when _____ another power _____ to _____ inspections?
 _____ there _____ any _____ soon after the _____?
 Is there any idea when we'll _____ power _____ checks?
 _____ you _____ us know when _____ loss of electricity due to _____?
 _____ potential _____ shutdown will be _____ to adjacent _____.
 routine _____ close by _____ of the _____ go _____?
 When can we _____ again because of _____?
 Tell me _____ the power _____ off _____ of the _____.
 _____ you aware _____ system check that _____ a power _____?
 When is the next _____ regular _____.
 What _____ the _____ time for _____ power disruption after _____?
 Do you know _____ caused _____ checks nearby?
 Is _____ a time when we _____ a _____ failure _____ nearby _____?
 As you _____ nearby, do _____ when our electricity will _____?
 _____ we _____ a _____ out _____ of checks nearby?
 As you _____ around _____ nearby, _____ will our electricity _____?
 When _____ next _____ out for _____ checks _____?
 _____ a _____ when we'll face _____ from nearby _____?
 _____ system check likely _____ cause _____?
 _____ be the next power _____ to routine _____ checks?
 I would _____ to _____ about _____ next _____ by routine grid _____.
 When _____ expect another _____ screen because _____ routine _____?
 If _____ is an _____ to _____ near _____ again?
 _____ more _____ time _____ to close-by system _____?
 _____ the _____ out due to _____ system _____ nearby?
 _____ we _____ black out _____ to nearby checks?
 Is _____ regarding _____ next black out _____ system checks _____?
 Is there _____ blackouts from _____ system tests.
 _____ there more _____ coming _____ to close-by system _____?
 Next routine _____ cut _____?
 Next system _____ outage?
 _____ the next _____ regular maintenance?
 How _____ we're left in _____ again _____ of _____ close _____ checks on _____ grid.
 _____ outage _____ there _____ a next system _____.
 _____ close-by maintenance operations is _____ a chance _____?
 I want _____ know _____ can expect another _____ maintenance.
 _____ you know when a _____ outage is _____ nearby?
 _____ these _____ checks cause _____ to lose power _____.
 _____ may be a scheduled _____ soon.
 _____ likely when _____ system _____ occurs.
 Do _____ a _____ check will cause a _____?
 _____ long _____ we're left _____ the dark again, _____ stupid _____ on this electricity grid.
 _____ there be any power _____ usual _____ proximity inspections?
 _____ there be _____ Blackouts _____ due _____ the _____ inspections?
 _____ any projections _____ when _____ system checks _____ cause _____ go out.
 Do you _____ the _____ routine _____ result in _____ power _____ nearby?

_____ is the _____ next power _____ caused _____ routine inspection in this _____?
 _____ estimate _____ when _____ experience a power failure _____ to regular _____ nearby?
 _____ estimates _____ upcoming black-out due _____ standard system inspections?
 _____ there is an interruption due _____ happening _____ us _____?
 Are you able _____ when we _____ expect a _____ routine _____ nearby?
 Are _____ prepared _____ the next _____ out _____ nearby _____ tests?
 _____ know if the _____ blacking _____ is _____ by nearby _____?

 _____ is the _____ large _____ to boring _____ reviews nearby?
 Know _____ we will have _____ of _____ checks?
 Is _____ that _____ next power outage will come _____ way _____ checks _____?
 _____ you aware of the _____ grid maintenance _____ here?
 _____ there be a power _____ are _____ around here?
 Power outage _____ next _____ is done.
 _____ will there be _____ power _____ of _____ tests _____ here?
 _____ there any _____ when _____ routine _____ will cause a _____ failure?
 _____ possible when next _____?
 We want to know _____ off _____ you guys _____ around _____ nearby.
 _____ anyone know _____ power will go _____ again for _____?
 _____ you _____ when _____ routine system check _____ a _____ outage nearby?
 _____ will our area _____ shutdowns due _____ maintenance testing?
 There _____ be an outage _____ regular _____ us.
 _____ be a power _____ for _____.
 Expecting any upcoming _____ as _____ of standard _____ equipment _____?
 Is _____ an _____ as _____ we _____ experience _____ power failure because _____ regular _____?
 Did you _____ should _____ loss of _____ because of _____ nearby?
 _____ don't know when the _____ out again _____ system _____.
 _____ there _____ another power outage, _____ frequent inspections?
 _____ you know if a _____ outage _____ caused _____ nearby?
 Have _____ the next black out _____ system _____?

When _____ next system _____ to cause _____ power _____?
 _____ could _____ a clue about _____ from _____ system _____.

Are you _____ of _____ next system _____ cause a _____?

When _____ there _____ another _____ outage due _____ frequent _____?

Are _____ aware of the _____ black out because _____?

_____ to _____ when _____ expect a loss _____ electricity due to _____ being _____ nearby.

When _____ the _____ shutdowns because of _____?

_____ you know _____ through _____ another power outage _____ to your _____ here?

Know when we _____ black _____ because of _____?

Know _____ we _____ another black _____ from nearby _____?

We don't _____ might get _____ power outage _____ maintenance.

_____ you aware _____ the next _____ will _____ a _____?

_____ know _____ we might _____ a _____ due to _____ checks?

Will _____ power _____ in the near _____ check-ups?

Is there a time when we _____ a _____ inspections.

Can you _____ me when _____ next _____ result in _____ power _____?

Do _____ an estimation _____ an _____ black-out _____ system inspections?

Have _____ heard anything about the _____ outage due _____?

Do you know _____ a black out?

_____ you _____ when _____ through _____ another power _____ because of _____ routine _____?

Is there _____ we can expect _____ power _____ to _____ maintenance?

_____ there _____ power _____ for check-ups in the _____ future?

_____ there an _____ for subsequent outages because _____.

I need _____ know when we can expect _____ due _____.

I _____ to know _____ we can _____ another _____ failure due _____ system _____.

When _____ we _____ a _____ failure from _____?

Did you _____ about _____ due to standard _____?

_____ will _____ lose electricity _____ you guys _____ with _____ nearby?

When can _____ expect _____ power failure _____ to _____?

_____ be any _____ failures soon due to _____?

_____ likely when _____ system check?

There is a _____ our _____ will _____ you _____ around with _____ nearby.

_____ on-site _____ checks are expected _____ result _____ upcoming _____?

Is there _____ chance _____ have another power _____ system _____?

_____ may _____ outage due _____ near us again.

When _____ occur due _____ regular system checks?

_____ have a _____ out _____ by nearby checks?

There could _____ due _____ inspections near us.

Do _____ a _____ happens because of routine _____ nearby?

Next _____ power _____ likely?

_____ routine checks will go _____?

Do _____ when our power will _____ for those _____?

Should _____ an estimation _____ upcoming black-out _____ standard system _____?

_____ interruption for _____ network _____?

Is it _____ that the _____ system check will _____ in _____?

_____ there _____ upcoming _____ check-ups on _____ local electrical grids?

_____ can we _____ power _____ during a checkup?

Do _____ know _____ the next _____ check will cause _____?

I'd like _____ know _____ we can _____ another power cut _____.

When our power will go _____?

Is ____ possible ____ another black out ____ routine system ____?

____ will the next ____ be ____ to routine ____ nearby?

When ____ next power shortage ____ maintenance?

Do ____ know anything about ____ next ____ due ____ grid ____?

Please let ____ when we should expect a loss ____ checks ____.

____ you ____ we ____ expect another black out ____ of ____?

If ____ is an ____ regular inspections happening ____ again?

I am ____ about the next ____ caused ____.

____ would we expect ____ power ____ because ____ frequent ____?

Is there ____ a power failure from nearby ____?

____ you tell ____ when ____ next ____ check ____ in ____ power loss?

I ____ to know ____ an outage during close-by ____ operations.

____ tell me when ____ can ____ another ____ due to ____ system ____?

____ long will ____ for ____ next power failure due to ____ this ____?

____ to ____ is an ____ due to ____ inspections near us.

____ you know when ____ routine ____ lead to a power ____?

There is a ____ we will ____ hit ____ a power failure ____ nearby.

____ if there ____ be future power ____ for ____ on ____ grids?

____ you aware of ____ next system check ____ cut?

Is there ____ when ____ power ____ from nearby routine checks?

____ heard of ____ power failure ____ to ____ system checks?

Did ____ know ____ a ____ out ____ caused by nearby ____?

Standard on-site ____ checks ____ expected to ____ upcoming ____?

Is there any information ____ the ____ regular ____ checks?

____ next black out ____ for ____ checks?

____ tell me when the next ____ system check will ____?

____ can we expect ____ power failure because ____ routine ____?

Do ____ there will be a ____ out caused ____?

There ____ cuts ____ on the local electrical ____?

____ if there ____ upcoming black-out because of standard system ____?

When ____ the ____ power ____ to regular ____.

Did ____ know ____ outage ____ to system checks?

Do ____ when we ____ expecting a ____ due to routine checks ____?

____ you ____ of an upcoming ____ of ____ inspections?

Does anyone have any ____ when ____ routine system ____ will ____ a ____?

When will ____ one be, ____ all ____ silly ____ nearby?

When can ____ power outage due ____ inspections?

I would like to know when ____ due ____ maintenance nearby.

____ you know ____ might ____ a black out ____ checks?

____ will ____ another black out ____ system checks?

____ there ____ chance of ____ interruption due ____ inspections near ____?

Will ____ blackouts ____ checks soon?

Are there ____ for when ____ checks ____ cause ____ blackouts?

Are there more problems coming ____ of ____?

____ any ____ on the ____ black-out due to standard ____?

When are ____ lose ____ again because ____ these ____ check?

____ blip due to maintenance?

____ would we ____ another ____ outage because ____ frequent ____?

Are ____ any ____ for check-ups?

Do you ____ anything about ____ next ____ regular system ____ near?

When ____ the next power ____ maintenance?

____ know ____ our power will ____ again for ____ checks?

Are ____ any projected ____ for ____ the system ____ will ____ go out?

Is there an ____ caused ____ routine ____ maintenance?

____ may ____ failures for ____ soon.

____ you know when the ____ caused by ____ checks?

____ you ____ of the next ____ check ____ cause a ____?

How long ____ cut happens because of ____?

____ could ____ a next ____ network assessments.

Are ____ aware ____ system check ____ leads to ____ outage?

____ am wondering how ____ until ____ a power ____ of ____ tests.

____ our ____ will go off as ____ play with ____ nearby.

____ black ____ for checks?

Do you ____ when ____ checks will cause ____?

Expecting ____ upcoming ____ outs ____ result ____ standard equipment ____?

The upcoming ____ could ____ due ____ system ____.

Do you know an ____ black-out due to ____?

Can you ____ me ____ the system ____ go ____ due ____?

As ____ of standard ____ be any upcoming ____ outages?

____ all the ____ system ____ is the next ____ scheduled?

When ____ the next outage ____ to boring ____?

____ want to ____ losing ____ again because of these system ____.

____ there be any power ____ near ____ due to ____?

Do ____ know when the ____ power ____ occur ____ of ____?

Will there ____ in the near future ____ to ____?

Will ____ be any power ____ a ____ frequent inspections?

____ there any ____ the next outage ____ system ____ nearby?

____ you tell us when ____ another power ____ due ____?

Will ____ any ____ for check-ups on the ____ electrical ____?

There may ____ more ____ because ____ system ____.

Have ____ heard ____ about ____ black-out due to standard ____?

Next ____ shutdown due ____ inspections?

I don't know ____ the next ____ will ____ power failure.

____ like ____ when ____ can expect another ____ out ____ to ____ maintenance.

Do you ____ when ____ will cause another ____?

Do ____ that ____ on-site ____ checks will ____ future blackouts?

Do ____ know when the next ____ cause ____?

____ likely ____ next system ____?

____ know anything about the ____ black out ____ checks?

Have you heard ____ next ____ because ____ regular ____ nearby?

Have you ____ of the ____ failure ____ checks?

Do you ____ when we ____ expect ____ loss ____ routine ____ being ____ nearby?

____ a system check will ____ a power ____?

____ will the next power ____ due ____ routine ____?

____ there upcoming power failures for check-ups ____?

____ know ____ routine ____ will ____ a power cut?

____ to know ____ we should ____ loss ____ electricity ____ routine checks.

____ there more ____ up ____ of close-by ____ evaluation?

Will there ____ power cuts ____ due ____ nearby ____?

Is there ____ it might ____ during ____ operations.

With ____ your ____ nearby, when ____ the next blackout ____?

Is ____ a ____ that ____ another ____ because ____ routine system checks?

Is there ____ projections for ____ the system ____ the ____ to ____?

Will ____ be any upcoming blackouts ____ close ____?

I would like ____ know ____ experience ____ power ____ to regular ____ maintenance.

Is ____ possible ____ is an ____ for subsequent ____ adjacent review ____?

____ information ____ next ____ of regular system checks nearby?

How ____ before the ____ shutdowns ____ of ____ testing?

Are there ____ cuts for ____?

Does ____ know when the next ____ system ____ in ____ cut?

When ____ out ____ maintenance checks?

Is there ____ problems due ____?
