

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Emergency service interruptions or outages
Inquiry Sub-Category	Gas meter problems
Description	Customer encounters issues with their gas meter, such as a malfunctioning reading, damaged or broken equipment, or problems accessing the meter. They require assistance from the company to resolve the meter-related issues.
Data Size	5,029 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Can't read ____ the ____ gas metre accurately?
 ____ have difficulty ____ the readings on ____ natural gas ____?
 ____ aren't readable ____ gas meter ____ a problem.
 ____ you ____ to read ____ flawed ____ gas ____ figures?
 ____ the ____ the ____ gas ____ being hard to ____?
 Is ____ hurting the ____ on my broken ____?
 The ____ gas meters ____ be ____.
 The ____ meter is ____ problem, the ____ are ____.
 Do ____ have ____ reading ____ natural gas unit's ____?
 It is ____ to read ____ gas ____ numbers.
 It's a ____ to ____ gas unit's ____.
 ____ may be prevented by ____ natural ____ gauge.
 Are ____ trouble ____ interpreting ____ gas meter numbers?
 Do ____ difficulty ____ accurate figures ____ natural gas ____?
 It's ____ to read numbers ____ a ____ natural ____.
 ____ is ____ readings ____ the faulty natural gas meter.
 Natural gas ____ the number was ____.
 ____ to read ____ numbers ____ a faulty natural gas ____.
 A problem ____ natural ____ meter is ____ numbers ____.
 ____ numbers on the ____ gas metre ____ be ____.
 ____ number ____ by unreliable natural ____ gauge?
 Is the ____ unreadable ____ the faulty ____ meter?
 Is ____ determine the correct readings from ____ metres?
 ____ you getting ____ flawed ____ gas ____ figures?
 Is ____ for you to ____ the ____ faulty natural gas ____?
 ____ gas ____ faulty and can't ____ the ____ accurately.
 ____ natural ____ meter appears ____ numbers.
 ____ it hard for you ____ out ____ true readings from ____ meter?

_____ gas meter number _____ be _____.

Number _____ because _____ faulty _____ gas _____

The _____ hard to _____ on a faulty _____ gas _____.

Is it difficult _____ the _____ readings from _____ natural _____?

Can't _____ gas metre _____

_____ are _____ natural _____ meters, _____ how _____ I read them _____?

_____ hard _____ determine _____ readings from a faulty _____?

Can't make out _____ broken numbers on _____?

Can't _____ numbers correctly on _____ gas meter?

_____ gas meters _____ faulty, _____ can you _____ accurately?

Are _____ not _____ read natural gas figures from _____?

_____ difficult _____ read _____ on the faulty natural gas _____

_____ you think _____ is difficult _____ determine _____ from _____ faulty natural gas _____?

_____ is a _____ reading faulty natural _____.

Are _____ numbers _____ the _____ readable?

It's difficult to read _____ meter numbers.

_____ on a broken natural gas meter?

_____ gas meters _____ flawed, how _____ read them _____?

_____ numbers are _____ read _____ natural gas meter.

There _____ be _____ unreliable _____ metres.

The _____ gas meters _____ so _____ I read _____ correctly?

It's _____ read _____ unit's figures.

_____ have _____ accurately reading the _____ meter numbers?

Is it _____ correct _____ from _____ faulty natural _____ metre?

_____ faulty _____ gas _____ figures?

There may _____ an issue _____ the data from _____ display.

It is _____ easy to read _____ a _____ gas _____.

Do you have _____ on a _____ meter.

_____ there accuracy issues _____ figures _____ natural _____ meter?

Is _____ number unreadable _____ meter _____ faulty?

_____ number _____ the natural _____ is malfunctioning?

_____ you able to _____ at the broken _____?

Are _____ reading _____ natural gas unit's _____?

_____ is an _____ exact data from a _____ display.

Are you able _____ bad _____ numbers?

Did _____ reading the _____ meter numbers?

Did you _____ understanding the _____ numbers?

The faulty _____ meter _____ making _____ hard _____ read _____.

_____ natural gas _____ are malfunctioning but _____ can I _____?

Something _____ the readings off _____ natural gas _____.

_____ trouble understanding _____ gas meter _____?

The natural _____ read correctly.

_____ it _____ get precise readings from _____ natural gas _____?

_____ gas _____ have _____ reading the numbers.

Do _____ have _____ natural gas _____ figures?

_____ trouble _____ figures for natural gas?

Are _____ having challenges reading _____ figures?

Is _____ difficult for you _____ determine precise _____ gas meter?

_____ the _____ meter are unreadable.

_____ you help _____ read _____ natural gas unit's _____?

The _____ is _____ reading _____ numbers.
 Natural gas _____ a problem _____ the _____ numbers.
 _____ for you _____ determine the readings _____ faulty _____ meter?
 Natural _____ accurate number interpretation.
 There are faulty _____ meters _____ I read _____ numbers _____?
 _____ hard to _____ on the faulty _____ gas meter.
 Is _____ number _____ faulty gas _____?
 Is the _____ natural _____ metres _____?
 The numbers on _____ gas _____ are _____ easy to _____.
 Would _____ be _____ to read _____ gas meter _____?
 _____ gas meters, how can you _____ them in _____ way?
 _____ you trouble interpreting _____ meter _____?
 There are issues with _____ on _____ broken _____
 _____ on the _____ meters _____ be read _____.
 Is _____ effecting the _____ on my broken _____?
 I wonder _____ the _____ gas meter is _____.
 A question about the _____ meter _____.
 _____ natural _____ meter is a _____ numbers are _____.
 _____ is prevented by _____ unreliable natural _____ gauge
 _____ have _____ reading _____ figuring out the broken gas _____?
 _____ find out _____ the _____ natural gas meter.
 _____ able _____ read the _____ from _____ faulty natural gas _____?
 _____ faulty gas _____ unreadable _____?
 Because the _____ how can you _____ them?
 _____ unable to get reliable _____ natural _____ instrument?
 There _____ a _____ meter.
 Are the _____ gas meters _____?
 _____ natural gas meters can't _____ correctly.
 Is the _____ unreadable _____ faulty _____?
 The _____ gas meters _____ but _____ read them correctly
 _____ numbers on the dumb _____?
 There _____ issue _____ from the broken natural _____ display.
 _____ with unreadable _____?
 Natural _____ metres _____ and _____ weren't readable.
 The natural gas _____ faulty so _____ I _____ correctly?
 The _____ numbers are _____ to _____.
 _____ numbers correctly on the _____ meter.
 natural _____ showing unreadable _____
 _____ the _____ this broken _____ gas machine messed _____?
 _____ is _____ to _____ broken _____ meter numbers.
 _____ faulty, but how can you _____ them _____?
 The _____ on _____ gas _____ be _____ to read.
 _____ natural _____ be read properly.
 It's _____ understand faulty _____ numbers.
 _____ the number unreadable from _____ meter?
 _____ difficult _____ understand _____ faulty _____ meter _____.
 _____ number unreadable because _____ the _____ natural gas _____.
 Natural _____ are _____ and _____ the numbers.
 Accurate _____ interpretation is hampered _____ unreliable _____.
 Is _____ meter making _____ difficult to _____ numbers?

Is ____ faulty ____ accurate reading ____ numbers?
 It is ____ read ____ numbers ____ the ____ that are ____.
 ____ meters ____ malfunctioning, ____ how do you read ____ numbers?
 ____ you ____ read ____ gas ____ figures?
 There is ____ gas ____ that is preventing ____ number ____.
 The ____ gas ____ is ____ interpretation.
 Is ____ natural ____ gauge ____ interpretation?
 You ____ the ____ on ____ natural gas meter.
 Is ____ to ____ figures ____ natural gas meter?
 Is ____ the natural ____ meter ____ working?
 ____ number unreadable, ____ faulty ____ gas ____?
 ____ there accuracy issues with interpreting ____ broken ____ meter?
 The ____ gas meter ____ preventing ____ reading of ____.
 ____ gas ____ were malfunctioning ____ unreadable.
 ____ interpreting ____ a ____ natural gas ____.
 The natural gas ____ are ____ trouble ____ numbers.
 ____ read ____ at the ____ meter.
 The numbers on ____ faulty ____ to read.
 ____ information on the broken ____ meter ____ read.
 ____ to read the faulty ____ gas ____?
 ____ an issue ____ precise ____ from a broken natural ____.
 ____ see the ____ numbers?
 ____ the broken gas ____ numbers ____.
 It is possible ____ with interpreting figures ____ broken ____ meter.
 ____ it ____ to make out accurate figures ____ gas ____?
 The ____ gas meters ____ how ____ read them?
 There ____ faulty ____ gas ____ how ____ you read their ____?
 Are ____ having ____ figures on ____ gas meter?
 Are you ____ reading ____ natural ____ unit's ____?
 ____ the ____ the numbers unreadable?
 ____ broken gas meter ____ read ____.
 Can't you ____ the broken ____ dumb ____ meter?
 The ____ hard to ____ the natural gas ____ problem.
 ____ gas meters ____ but how can ____ read ____?
 ____ you ____ with the ____ on ____ natural gas ____?
 Is ____ with interpreting ____ on a broken ____?
 ____ problems ____ figures on ____ broken ____ gas meter?
 The natural ____ but ____ do I ____ them correctly?
 ____ natural ____ meters ____ and can't ____ the numbers ____
 ____ gas ____ with numbers not ____.
 ____ natural ____ meters ____ do I read it ____?
 Is it difficult ____ read numbers ____?
 It ____ not ____ to ____ the correct figures on ____ meter.
 ____ unreadable due to ____ faulty ____ metre?
 Are ____ not able to ____ the ____ the ____ gas ____?
 Is it ____ to ____ the true ____ faulty gas ____?
 The natural ____ meters ____ faulty, ____ can ____ read ____.
 ____ understand the ____ readings ____ the damaged ____ for natural gas ____?
 The ____ gas meters ____ faulty, ____ do I ____ correctly?
 Can't read ____ in ____ meter?

The ____ gas ____ has _____.
 ____ you ____ reading flawed ____ unit's data?
 ____ meter ____ displaying numbers that are ____.
 It isn't easy ____ determine precise readings from _____.
 ____ gas ____ faulty but how ____ read ____ correctly?
 Is ____ to ____ read ____ gas ____?
 ____ the number ____ to the ____ gas device?
 Unreadable ____ figures?
 ____ faulty ____ gas ____ hard to ____.
 ____ the ____ on ____ broken gas ____?
 ____ you ____ obtaining reliable readings with ____ natural ____ instrument?
 ____ are ____ with ____ numbers on ____ metres.
 Do ____ difficulty ____ the ____ the faulty ____ meter?
 ____ unreadable natural ____ meter is _____.
 ____ you having ____ getting ____ your ____ gas instrument?
 ____ gas ____ are malfunctioning, but ____ read ____ accurately?
 ____ gas metres were ____ numbers weren't ____.
 ____ having ____ obtaining ____ readings ____ your natural gas measurement ____?
 Do you ____ figure ____ the ____ readings ____ the ____ natural ____ gauge?
 There ____ faulty ____ and how ____ read them accurately?
 It is ____ determine ____ readings ____ natural gas meter.
 ____ you ____ trouble ____ out the accurate ____ the ____ gauge for ____ gas ____?
 ____ the unreliable ____ gas gauge ____ accurate ____?
 ____ interpreting ____ on a ____ gas ____?
 ____ to determine the ____ readings from ____ faulty natural ____?
 ____ natural gas ____ preventing ____ number interpretation.
 ____ on this ____ are ____ readable.
 The natural gas meters ____ working, ____ them correctly?
 The ____ gas meters ____ flawed ____ how do I ____?
 The ____ are flawed, ____ can I ____ accurately?
 Is ____ to determine precise ____ a ____ gas meter?
 ____ unreadable, ____ faulty ____ gas ____!
 ____ faulty ____ gas meters ____ not ____ read ____.
 ____ are faulty ____ do you ____ them correctly.
 You ____ a faulty gasmetre, ____ you ____ reading ____?
 The unreliable ____ gauge ____ interpretation
 Is the ____ because ____ natural gas meter?
 Natural ____ metres ____ were ____ readable.
 The ____ meters ____ faulty, but how ____ numbers accurately.
 There may ____ an issue ____ the ____ broken natural ____ display.
 ____ natural ____ meters are ____ but how ____ I ____ them ____?
 It is difficult ____ on a faulty ____
 ____ it possible ____ have issues interpreting ____ a ____ gas ____?
 The natural ____ meters ____ faulty, but ____ do ____ read ____?
 ____ gas numbers on ____ faulty meter ____ to ____.
 ____ the ____ on a faulty ____ meter?
 Are ____ able to ____ accurate figures ____ the ____ gauge?
 Is ____ possible ____ accurate figures ____ a faulty natural ____?
 ____ it difficult ____ read numbers ____ gas ____?
 The natural ____ not readable _____.

_____ to _____ faulty gas meter _____.

_____ a _____ reading faulty natural _____ unit's figures?

A _____ natural gas _____ display _____ have _____ reading _____ data.

There are _____ gas _____ how _____ you _____ numbers?

_____ meter's numbers _____ readable.

_____ gas meters _____ read _____.

Natural _____ unreadable?

_____ hard _____ faulty _____ meter numbers.

Are _____ having _____ reading _____ unit figures?

Is _____ hard for you to _____ natural _____?

Is _____ hard to get _____ faulty _____ gas meter?

Is the _____ gasmetre not _____ to read?

Unreadable numbers, _____ natural _____!

_____ decipher the numbers _____ faulty _____ gas meters.

Can't _____ the correct _____ faulty natural gas _____

The natural gas _____ faulty _____ how _____ read their _____?

Do you have _____ on _____ broken _____ meter?

_____ decipher _____ numbers _____ faulty _____ meter?

_____ help _____ faulty natural gas _____?

_____ you having trouble reading _____ figures?

_____ gas _____ faulty, _____ do _____ read them correctly.

Are you having accuracy _____ figures on _____ meter?

I _____ know if I can _____ on the _____ natural _____.

_____ a hard _____ precise readings from the _____ natural _____ meter?

_____ you _____ trouble _____ flawed natural gas _____?

It's hard _____ a _____ gas _____.

_____ meter has unreadable _____.

Natural _____ meters are _____ read the _____ correctly.

_____ natural _____ can't be _____ read.

_____ there _____ issue _____ figures on _____ gas meter?

Please _____ reading _____ natural _____ unit's _____?

Is _____ number _____ natural gasmetre.

_____ natural _____ meters _____ unreliable, _____ read them correctly?

Are you _____ difficulties reading _____ unit's _____?

A _____ natural _____ meter can make _____ numbers _____.

Is the number unreadable due _____ the _____.

Do _____ it _____ to decipher _____ accurate _____ from the _____ for natural _____?

Is _____ preventing accurate numbers _____?

Are you unable to decipher _____ readings _____ the _____ for _____?

The number is _____ gas _____ is malfunctioning.

The _____ gas meters _____ faulty, _____ read _____ numbers accurately?

_____ hard _____ determine precise readings _____ a _____ natural gas _____?

_____ gas meter has _____ aren't _____.

Couldn't _____ meter correctly?

Natural gas meters _____ how _____ read _____ numbers _____?

_____ gas meter _____ to _____ numbers?

The natural _____ meter _____

_____ is hard to read _____ gas meters _____.

Is there _____ problem _____ interpreting _____ on a _____ natural _____?

The _____ on the faulty _____ meter _____ be _____ read.

Are you _____ getting reliable readings _____ natural _____ instrument?

The _____ gas meters _____.

_____ unreadable with the faulty natural _____?

_____ gas metres _____ faulty, _____ weren't readable.

_____ you _____ hard _____ the accurate readings from the damaged _____ natural _____?

There _____ interpreting figures on a _____ gas _____.

It is _____ to read on _____ meter.

_____ inability _____ precise measurements _____ malfunctioned gas tracker _____ questions.

It's _____ read the _____ the faulty _____ meters

_____ faulty _____ preventing the _____ reading of numbers?

Can't _____ the _____ dumb _____ metres?

_____ gas meter _____ be _____ to read.

_____ gas _____ can be _____ how do _____ them correctly?

_____ may be prevented by _____ faulty gas _____.

_____ natural gas meters are flawed, _____ read their _____?

_____ can't be read correctly.

Are you having trouble interpreting figures _____?

Natural _____ are _____ how do _____ read their _____?

A _____ meter _____ correctly.

Is it _____ read and read _____ meter _____?

A _____ gas meter is _____.

Are you _____ getting reliable readings _____ your _____?

_____ shows unreadable numbers.

_____ it difficult to determine _____ from _____ gas meter?

Natural gas _____ flawed _____ readable.

_____ natural gas _____ has _____.

Can't find _____ figures _____ faulty natural gas _____.

_____ it difficult _____ correct reading from the _____ natural _____?

_____ struggling _____ read the inaccurate _____ meter _____.

_____ natural gas meter figures _____ made _____.

Is reading _____ numbers _____ metres _____?

The _____ gas meters are faulty, _____ how do _____?

_____ not able to _____ figures from _____ natural _____ gauge?

Difficult _____ read the _____ gas _____?

_____ accuracy issues with _____ figures on _____ natural _____.

Natural gas meters _____ how _____ read _____ numbers?

Difficulty _____ numbers _____ gas _____?

_____ were faulty, _____ numbers _____ readable.

Can't _____ numbers _____ the _____ gas _____?

_____ gas meters _____ faulty _____ do I _____ the numbers _____?

The _____ have unreadable _____.

_____ reliable _____ gas gauge _____ accurate _____ interpretation?

_____ the numbers on the _____?

Natural _____ are malfunctioning _____ the _____ in an _____ way.

_____ read _____ broken gasmetre _____?

The _____ gas meters are faulty _____ how do _____.

The _____ meter _____ a _____ with _____ numbers.

The numbers of _____ meters are _____ to _____.

_____ you _____ the accurate readings _____ the damaged gauge _____ natural _____?

The _____ gas _____ is _____ problem _____ unreadable numbers.

____ it hard ____ determine ____ from ____ natural gas metres?
 ____ having difficulties reading ____ Natural ____ Unit's ____?
 ____ it been ____ read ____ decipher ____ gas meter numbers?
 ____ easy to read the numbers ____ gas meter.
 Is there ____ reading ____ natural gas meter?
 ____ the number ____ the ____ gas ____?
 There are ____ meters and how ____ read ____?
 ____ having difficulty ____ reliable readings for your ____?
 Interpretation ____ figures on ____ meter has accuracy ____?
 ____ meter is ____
 ____ you ____ gas meter numbers?
 ____ but how do I read the numbers ____.
 ____ the faulty ____ interfering with the ____ of ____?
 Natural ____ meters are ____ read ____ numbers accurately.
 Are ____ having ____ flawed natural gas ____?
 ____ are ____ gas meters, ____ you read their ____ correctly?
 ____ sure ____ the ____ off ____ broken natural gas sentinel ____ correct.
 The number on ____ faulty ____ hard ____ read.
 Do you ____ accurate figures ____ a faulty ____?
 Natural ____ are ____ but how ____ their numbers correctly?
 Natural gas ____ are ____ numbers aren't ____.
 Are you ____ viewing flawed ____ unit's ____?
 Can not ____ the ____ at ____ meter.
 ____ an issue ____ the figures ____ the broken ____ meter?
 ____ natural gas ____ faulty, ____ how ____ read them Accurately?
 ____ issues ____ reading numbers on ____ gas ____.
 ____ is difficult ____ the inaccurate gas ____.
 ____ you find ____ hard ____ readings ____ faulty natural gas meter?
 Is the ____ meter's ____?
 ____ any issues ____ on a broken ____ meter?
 ____ it ____ precise ____ from the faulty ____ meter?
 ____ hard ____ the ____ readings off the ____ gauge ____ natural gas ____?
 Ain't ____ broken ____ gas machine wrong?
 ____ you ____ it ____ to ____ precise ____ a faulty natural gas ____?
 There are difficulties in reading ____ metres.
 ____ gas meters are ____ but ____ read them?
 The ____ the ____ meter appear ____.
 ____ having difficulty ____ flawed natural ____ unit's ____?
 Are you not ____ to read the accurate figures ____?
 Natural gas ____ is unreliable, ____
 ____ to read and decipher the broken ____?
 Numbers ____ a faulty natural ____!
 ____ natural gas meters are ____ difficult ____.
 ____ might be ____ issue with ____ data from ____ broken ____ gas ____.
 It ____ hard ____ read ____ decipher broken gas ____.
 It's ____ to ____ gas metering ____.
 Natural gas ____ unreliable, preventing ____?
 ____ on ____ natural gas ____ are not readable ____.
 Natural ____ metres have numbers ____ be ____.
 Can't ____ gasmetre ____?

Is _____ meter unreadable?

Do you _____ it hard _____ determine _____ from the faulty _____?

Problems with the _____?

It's _____ to _____ the _____ from the faulty natural _____.

_____ there _____ numbers on unreliable gas _____?

_____ you _____ to read _____ decipher the _____ meter _____?

Natural gas meters _____ faulty _____ read _____ accurately.

Is _____ difficult _____ determine the true _____ from _____ faulty _____?

_____ you _____ read _____ of _____ faulty natural gas gauge?

_____ natural _____ meters _____ not flawless, but _____ can _____ read _____?

Accuracy issues with _____ figures _____ a _____ gas _____

_____ the faulty _____ meter _____ accurate _____ of _____?

_____ meter _____ faulty and the _____ unreadable.

_____ problems _____ faulty _____ gas unit's _____.

_____ gas metres _____ malfunctioning _____ numbers _____

Can't _____ on _____ gas meters?

_____ are unreadable numbers _____ the _____.

_____ gas meters are _____ you read them _____?

Natural gas _____ but how _____ read their _____?

Accurate number _____ be _____ by _____ unreliable natural _____.

_____ natural gas _____ are _____ do you _____ them correctly.

_____ the _____ a busted gas _____?

Do you _____ hard to decipher _____ accurate _____ damaged gauge _____ gas _____?

Is the _____ natural _____ numbers interpretation?

Can't _____ the _____ natural _____ correctly?

Difficult _____ read the _____ meters.

_____ have trouble _____ the _____ meter numbers?

_____ hard _____ read the numbers _____ the _____ gas _____.

_____ numbers of _____ natural gas meters _____ difficult _____ read.

_____ could _____ an _____ with reading _____ from a _____ natural _____ display.

Is _____ meter not _____ correctly?

_____ natural _____ meters are faulty, they _____ the _____ in an _____.

Are _____ in _____ natural _____ unit's figures?

The natural gas _____ flawed, _____ read _____ numbers correctly?

It is _____ for you to _____ precise _____ faulty _____ meter.

There are _____ gas meters, _____ you read _____?

_____ hard _____ determine _____ from _____ faulty natural gas _____.

_____ it difficult _____ make sense of _____ readings from _____ gas _____?

The natural _____ and _____ to read.

_____ us _____ faulty _____ unit's figures?

_____ is _____ to understand _____ faulty _____ numbers.

_____ having difficulties _____ gas _____ figures?

_____ you _____ trouble reading _____ figures?

_____ the information on my _____ meter _____ hard _____?

_____ gas meters but _____ can I read _____ accurately?

Do _____ have _____ the broken gas _____?

Is _____ numbers on _____ gas metres?

_____ natural gas _____ are _____ and how _____ I read _____?

_____ read _____ gas meter's _____?

It's _____ determine precise readings _____ the _____ gas _____.

_____ to _____ the numbers _____ a faulty gas _____.

There are _____ natural _____ meters, but how _____ their _____?

_____ difficulties _____ on _____ gas metres

There _____ difficulties reading the _____ gas _____.

_____ you have difficulty _____ readings from _____ gauge _____ natural gas _____?

_____ you _____ read the _____ on _____ busted _____ meter?

_____ is not _____ read _____ number _____ a _____ natural gas _____.

Are _____ having _____ reading flawed _____ unit's figures?

_____ difficult _____ numbers on a faulty natural _____.

Can you _____ the _____ at _____ gas _____?

Is it _____ determine precise readings from _____ gas meter?

Are you not _____ readings on _____ gas _____ instrument?

The _____ the _____ metres aren't _____.

The natural _____ not _____.

The information on my _____ seems to _____ difficult _____.

_____ gas _____ not reading _____.

_____ readings from _____ gas sentinel are _____ sound.

_____ with the numbers _____ gas meter.

Is _____ hard _____ you to _____ readings _____ the faulty natural _____?

The _____ metres can't _____ read _____.

It _____ read the _____ faulty natural gas meters.

There _____ be _____ gas metres.

_____ natural gas unit's figures?

Natural _____ malfunctioning, _____ unreadable.

It _____ difficult _____ the faulty _____ meter's numbers.

Are you unable to _____ from a _____?

Can't _____ the correct figures _____ a _____ natural _____.

_____ numbers _____ natural _____ meters _____ be _____ correctly.

I don't _____ off this _____ natural _____ are correct.

_____ decipher the accurate readings from the _____ gauge _____ consumption?

Is the gas meter _____ of _____?

It's difficult _____ broken gas _____.

_____ have difficulty _____ flawed _____ gas unit's _____?

The _____ gas _____ a problem _____ unreadable _____.

_____ you _____ reading and understanding _____ meter numbers?

Is _____ natural _____ unreadable, the _____?

_____ meter displays unreadable _____.

It is _____ to understand _____ the faulty _____ meters.

_____ you _____ understand the _____ the damaged gauge _____ natural gas _____?

The _____ gas _____ are _____ but _____ the numbers _____.

Is _____ readable _____ this _____ up _____ metre?

There are numbers on _____ meter _____.

_____ you can't read _____ the natural gas _____?

_____ faulty _____ making it difficult to _____ numbers?

Do _____ have _____ reading _____ interpreting the broken _____?

_____ this messed-up gas meter _____ not _____.

The faulty gas _____ the _____ of numbers.

_____ that you cannot read _____ figures _____ gas gauge?

The numbers _____ difficult _____ the _____ is a problem.

_____ are faulty _____ can't read _____ numbers correctly.

_____ is _____ the faulty natural gas _____ numbers.
 Do you _____ reading flawed _____ gas _____?
 Are _____ difficulties _____ gas unit's figures?
 There _____ question regarding _____ displaying unreadable numbers.
 The _____ on unreliable _____ be hard _____ read.
 The _____ on _____ gas meter is hard _____.
 The gas _____ reading _____.
 _____ read _____ gas _____ numbers?
 There _____ be accuracy _____ with _____ a broken _____ meter.
 _____ faulty gas _____ keeping _____ from _____ the numbers?
 _____ Natural gas meter _____?
 Is the faulty _____ unreadable?
 Are you having _____ flawed _____ unit's _____?
 _____ unable _____ the numbers _____ natural gas gauge?
 You can't _____ the _____ on _____ broken _____.
 Is it difficult _____ understand the _____ natural gas _____?
 _____ is _____ to _____ the faulty _____ gas _____.
 Problem interpreting figures _____ a _____?
 _____ find _____ natural gas unit's figures _____?
 A _____ meter _____ hard to _____.
 _____ you having _____ looking at flawed natural _____?
 Natural gas meters _____ I _____ them?
 Even though _____ natural gas _____ are faulty, how _____ read _____?
 _____ the _____ unreadable with _____ natural gas _____?
 _____ the number _____ meter malfunctioned?
 The numbers on the _____ be _____ properly.
 _____ unreliable, preventing accurate _____ interpretation.
 _____ faulty natural _____ a hard time _____ read.
 _____ meters for _____ gas _____ faulty, _____ do you _____?
 _____ you have trouble _____ the _____ readings off the _____ consumption?
 Can't _____ those numbers _____ dumb _____.
 _____ gas _____ is not reading _____.
 _____ are faulty natural _____ but how _____ you _____ accurately?
 A gas meter _____?
 _____ you having trouble _____ readings _____ your _____ measurement _____?
 The _____ meters _____ but how do I read _____?
 Natural _____ meters _____ numbers weren't _____.
 _____ it possible _____ readings _____ natural gas sentinel are _____?
 Difficult to _____ natural gas meters.
 It's difficult _____ on a _____ natural _____ meter.
 The _____ meters _____ unreliable, how _____ read them?
 _____ be difficult to determine _____ readings from the _____.
 _____ is difficult _____ meter numbers.
 _____ is a problem due _____ unreadable numbers.
 _____ gas _____ but how _____ you read them?
 Is _____ read numbers on unreliable _____?
 _____ read _____ numbers _____ a faulty gas meter.
 The _____ at the _____ meter _____.
 The natural _____ in an accurate way.
 _____ you read _____ numbers _____ gas meter?

_____ gas _____ can't read the numbers _____.

Is _____ problem to _____ figures _____ broken _____ gas meter?

_____ gas meter's number may _____.

_____ difficulties reading flawed _____ gas unit's _____?

Are _____ comprehending _____ natural gas unit's _____?

_____ natural gas meters _____ do _____ read the numbers _____.

_____ are _____ reading _____ unreliable _____ meters.

Natural gas meters _____ can't _____ numbers accurately.

Is _____ number _____ faulty natural _____?

The _____ my _____ meter is _____ to read.

It's difficult _____ understand the numbers _____ meters.

Is it hard _____ you _____ figure _____ readings from _____ gas _____?

It's _____ read _____ gas meter _____.

_____ number of the _____ natural gas _____ difficult _____.

Are you _____ able _____ the _____ a natural _____ gauge?

It's difficult _____ gas unit's _____.

_____ hard to read _____ numbers.

_____ you _____ the precise _____ the faulty _____ gas meter?

_____ a problem _____ the faulty _____ unit's figures?

The natural _____ meter may _____.

Natural gas meters _____ you _____ them accurately?

_____ accurate figures on the _____ natural _____ meter.

The _____ broken _____ gas _____ are not sound.

_____ difficult to _____ the _____ faulty natural gas _____.

_____ you _____ reading flawed _____ gas _____ figures?

The _____ is failing to read _____.

_____ having difficulties reading _____ gas figures?

_____ unreadable, _____ faulty _____ gas metres.

Is it difficult _____ the _____ readings _____ the faulty _____?

The _____ is problematic as the _____ are _____.

_____ gas _____ are _____ and can't read _____ correctly.

Can't decipher _____ faulty gas _____.

_____ gas meters _____ faulty _____ can _____ read them _____.

The _____ gas _____ faulty _____ do I read _____ numbers _____?

The _____ gas _____ has _____

_____ it _____ precise _____ the faulty natural gasmetre?

Is it _____ to read _____ numbers _____ unreliable _____.

A _____ gas _____ to read the _____?

Natural _____ number unreadable.

_____ read _____ on the _____ gasmetre

The _____ on _____ gas metre _____ hard _____ read.

_____ it possible that _____ readings _____ gas sentinel are _____?

_____ you _____ to _____ the broken _____ numbers?

Is _____ a _____ with _____ broken gas meter?

_____ a _____ gas meter _____ unreadable _____.

Is it _____ to determine _____ readings of the _____?

The _____ the natural gas _____ readable.

There _____ issues with _____ figures on _____ gas _____.

_____ cannot _____ the natural gas _____ precise way.

Natural gas _____ are _____ how _____ you read _____?

Do _____ trouble _____ the numbers _____ faulty gasmetre?
 _____ poor legibility _____ the information _____ my _____ meter?
 _____ you getting difficulties _____ unit's figures?
 _____ be unreadable numbers on the _____.
 The numbers _____ gas meter _____.
 _____ bad _____ the information on my _____ meter?
 _____ difficult to know the _____ the _____ natural gas _____?
 The numbers on _____ messed up.
 _____ natural _____ meters are faulty and _____ numbers correctly.
 _____ it _____ to _____ true _____ from the _____ gas device?
 _____ are not readable correctly _____ gas metres.
 Natural gas _____ were _____ readable.
 _____ cannot _____ numbers _____ a _____ meter.
 _____ to read _____ gas _____ on _____ faulty meter.
 Can you read _____ numbers _____ the _____?
 The _____ gas _____ are malfunctioning, _____ how _____ I _____ numbers?
 _____ meter read _____?
 _____ decoding the _____ meter numbers?
 Ain't _____ this _____ natural gas sentinel _____?
 The _____ faulty so _____ you read them?
 The numbers _____ the _____ aren't read _____.
 _____ natural _____ is preventing _____ interpreting.
 Are _____ difficulty _____ flawed _____ gas Unit's _____?
 It is _____ precise _____ from a faulty _____ gas _____.
 _____ you determine precise readings from _____ faulty _____?
 Do you have _____ interpreting broken _____ meter _____?
 _____ the _____ meter making it impossible _____ read _____?
 Is _____ unreadable _____ the _____ meter is faulty?
 The broken _____ can _____ hard to _____.
 Is _____ information on my _____ not _____ legible?
 Are you _____ to get _____ your _____ gas _____ instrument?
 _____ faulty _____ how _____ I read them accurately?
 _____ how do you read their numbers?
 How can _____ read the numbers _____ gas _____?
 _____ natural _____ meters _____ faulty, _____ how _____ I read _____ correctly?
 _____ can't _____ out the _____ figures on _____ natural _____ meter.
 _____ the number unreadable as a _____ the _____ gas _____?
 _____ faulty gas meter _____ good _____?
 The faulty _____ meter _____ are _____.
 The _____ are flawed, _____ I read them _____?
 I _____ help _____ reading faulty _____ unit's _____.
 _____ faulty natural _____ meter makes _____ hard _____ numbers.
 _____ possible the _____ the gas meter _____ unreadable?
 _____ numbers on a faulty _____ gas meter.
 _____ a challenge to _____ numbers.
 _____ information _____ my _____ gas metre _____ to read?
 _____ meters _____ malfunctioning, _____ can _____ read them correctly?
 Is _____ natural _____ displaying _____ numbers.
 The _____ faulty natural gas _____ be _____ read.
 _____ meters are _____ how can you _____ them _____?

Is it _____ determine _____ from the faulty gas _____?
 _____ hard to _____ faulty gas _____ numbers.

When _____ natural gas meters are _____ read _____?

Is it difficult _____ readings from _____ faulty _____ metre?
 _____ to read the number _____ natural gas _____.

A _____ is difficult to _____?
 _____ faulty _____ may be _____ it hard _____ read _____.
 _____ having difficulties reading _____ natural _____ unit's _____.

It's _____ to _____ the _____ on the _____ meters.

Is the _____ flawed _____ meter?
 _____ gas _____ preventing accurate numbers _____?

It's hard to _____ the numbers _____ natural _____.

Are you _____ able _____ read the _____ on _____ gas _____?

Do _____ have a _____ out _____ readings _____ damaged gauge for natural gas _____?
 _____ are _____ natural _____ meters, _____ read the numbers correctly?
 _____ gas meters are malfunctioning, _____ read them correctly.
 _____ number interpretation _____ due to _____ gas gauge.

Is it _____ to _____ numbers on _____ messed _____?
 _____ unreliable _____ gauge is _____ accurate _____ interpretations?
 _____ be _____ to read _____ a faulty natural gas _____.

Are _____ unable to _____ the Natural Gas _____?

The _____ gas _____ be _____ reading.

It _____ determine precise readings _____ the _____ meter.
 _____ unreliable _____ of _____ gas is _____ accurate number _____.
 _____ unreliable _____ gas _____ preventing _____ number _____?
 _____ read bad _____ numbers.
 _____ unreliable natural gas gauge _____?

Is it _____ to _____ accurate readings _____ the faulty natural _____?
