

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Rate and tariff inquiries
Inquiry Sub-Category	Rate exemptions
Description	Customers inquiring about possible exemptions from certain rate charges, such as low-income or senior citizen discounts, and seeking information on eligibility criteria and application procedures.
Data Size	5,074 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

____ long does it ____ applications ____ rate reductions once ____?
 How much time ____ to ____ approved ____ rate reductions to happen?
 ____ long will ____ take ____ and implement ____ reductions?
 ____ time ____ applications to be processed ____ rate reductions.
 ____ time is needed ____ the ____ for the rate ____ be reduced?
 How ____ does ____ take ____ applications to be ____ and ____ to ____?
 How ____ take ____ be approved and the rate to be ____
 What ____ it ____ to be processed ____ reductions ____ be implemented?
 How long ____ the applications approved and ____ rate ____ take effect?
 ____ amount of time ____ the ____ implement applications ____ reductions?
 ____ lower rates or ____ around period ____ approved ____?
 ____ long does ____ take for ____ and the rate cut to ____?
 ____ long ____ approve applications and lower rates?
 ____ long does it take ____ applications ____ rates to be ____?
 ____ long ____ the ____ processing ____ and implementing ____ rates?
 How ____ does ____ take for ____ and the ____ to happen?
 ____ to ____ and cut rates ____?
 ____ much ____ does ____ get the ____ approved and the ____ to ____ effect?
 ____ time is ____ to ____ approved and ____ reductions to take effect?
 How long ____ it ____ for application ____ reduction?
 Can ____ tell ____ about ____ turn around ____ processing ____ reduction implementation?
 ____ does it take ____ applications to ____ processed and for ____ be ____?
 Between approving applications ____ implementing ____ typical duration?
 How ____ time should ____ take ____ reduced ____?
 ____ long ____ applications to be ____ and the ____ reductions to ____?
 ____ long ____ take ____ process applications and make ____?
 How long ____ applications ____ to ____ approved ____ the ____ reductions ____?
 Interested ____ how long ____ will ____ to ____ after approval.

____ long ____ it take for ____ applications and ____ ____?
 ____ it possible ____ tell me ____ long it ____ from ____ processing ____ ____ reduction ____?
 What is it that takes ____ ____ to ____ ____?
 ____ long does ____ take ____ applications to be approved ____ ____ ____ to ____ lowered?
 ____ ____ will app processing ____ ____ decreases take to ____?
 Application ____ ____ rate ____ ____ time to be processed.
 ____ much ____ ____ takes ____ ____ applications ____ be ____ ____ the rates to be lowered?
 What is ____ time ____ ____ to ____ reduction?
 ____ long ____ ____ for application ____ and ____ cut implementation?
 How much ____ ____ needed ____ application ____ and rate ____?
 Any idea ____ how long it would ____ ____ and ____ ____ down?
 ____ ____ provide an estimated period to complete ____ ____ apply ____ ____?
 How ____ time ____ ____ take ____ process ____ and ____ reductions?
 How long will you ____ to ____ ____ approved rate ____?
 Can ____ ____ us ____ ____ from application processing to rate reduction?
 How long it ____ for applications ____ ____ for the rate ____ ____ effect?
 What's ____ expected ____ to process applications ____ ____?
 How long is ____ necessary to ____ ____ to ____ ____?
 ____ ____ us the duration of ____ processing ____ ____ implementation.
 ____ ____ applications ____ cutting rates?
 How ____ ____ take ____ the ____ and rate reductions ____ ____ implemented?
 ____ approved, how ____ should it take to ____ ____ rate ____?
 ____ is ____ ____ to ____ apps ____ institute lower ____ after approval?
 How ____ ____ take ____ be ____ and for rates ____ be ____?
 ____ long does it take ____ ____ get ____ and the ____ ____ reduced?
 How ____ ____ it take for ____ ____ approved and ____ ____ rate cut to ____ into ____?
 How ____ for application ____ and ____ ____ ____ it be?
 ____ ____ the typical amount of ____ ____ applications ____ implementing rate ____?
 How ____ ____ it take ____ applications and ____ ____ to ____?
 ____ much time do ____ ____ ____ rate reductions?
 ____ ____ ____ does it take for applications and ____ ____ to ____?
 ____ long will it ____ for ____ applications ____ ____ rate ____?
 ____ ____ time is ____ for applications to ____ ____ for rate reductions to ____ ____?
 ____ ____ does it ____ ____ the applications to be ____ ____ rates to ____ slashed?
 ____ much ____ must it take for ____ applications to be approved ____ ____ ____ ____ place?
 ____ long ____ will take ____ the ____ to ____ approved and the rate ____ ____?
 Can you tell ____ ____ time taken ____ process ____ ____ implement ____ reduction?
 How long ____ it take ____ ____ to ____ processed ____ ____ reductions ____ ____ into effect?
 How ____ does ____ take ____ get the applications approved ____ ____ rate ____ to ____ ____?
 ____ ____ did ____ ____ take for ____ and rate reductions ____ be ____?
 ____ takes ____ while ____ ____ applications to be approved ____ for ____ ____ cut to ____ ____.
 How ____ does it ____ ____ the applications to ____ ____ and ____ ____ rate ____ ____ take effect?
 ____ long ____ it take for applications ____ ____ and then ____ the rate ____ ____?
 ____ you ____ ____ the ____ of the application processing ____ rate ____ ____?
 ____ ____ is it for the ____ to ____ approved ____ the ____ reductions ____ take ____?
 ____ ____ does ____ ____ for applications to ____ approved and for ____ ____ to ____ reduced?
 How long ____ ____ to ____ processed before ____ reduced ____?
 ____ there ____ time period ____ reviewing applications and ____ ____ ____?
 ____ ____ know the ____ for ____ ____ requests ____ lowering rates?
 It takes ____ to process ____ ____ ____ reductions.

How _____ it _____ to be approved and for _____ rate _____ to _____?

_____ periods will _____ applications _____ processed and _____ lowered?

What time _____ for _____ to be _____ and _____ be _____?

What _____ it take for applications to _____ processed _____ implemented?

How _____ takes _____ applications to _____ approved _____ to be reduced?

How _____ it take for _____ to _____ the rates to be _____?

_____ to know _____ long it takes _____ applications _____ low rates.

How long _____ to _____ applications and _____ rates?

_____ long _____ the _____ to _____ and rate reductions?

How _____ time does _____ applications to _____ approved and then the rates _____?

_____ give me an _____ taken from application _____ to _____ reduction?

How long is _____ rate _____ to happen?

How _____ will it take _____ applications _____ approved _____ the rate _____?

How _____ does _____ to process _____ approved rates?

What _____ take for _____ to _____ processed and _____ reductions to _____?

How _____ for _____ applications to _____ approved _____ their rate _____ be reduced?

There is _____ frame to _____ rates confirmed.

_____ you _____ long _____ for _____ to be approved _____ for _____ reductions to take _____?

How _____ does it _____ applications to be _____ in order _____ rate reductions _____ effect?

_____ time _____ needed _____ the applications to be _____ and _____ rate _____ to _____?

How long _____ takes _____ implement _____ rate reductions?

What _____ process applications and cut _____?

How long _____ it _____ process apps _____ rates?

_____ there _____ estimated time for application _____ reductions?

How long _____ take _____ to _____ and the rate to be _____?

How _____ do it _____ for _____ for the rate cut _____ take _____?

How long _____ it _____ to review applications _____?

How _____ for the applications _____ be approved and _____ to _____ reduced.

What is the _____ to _____ and _____ after approval?

How long before _____ application is _____ the _____?

_____ time taken _____ to be processed _____ rate _____ to happen?

_____ long does _____ take to _____ applications and implement _____?

How long is _____ for _____ implementation?

_____ you _____ how long it will _____ applications and _____ prices?

How long _____ take for _____ approved and for the rate reductions _____.

_____ application processing and _____ reduction implementation.

How long does _____ take _____ beprocessed _____ reductions _____ be implemented?

_____ much time _____ it take for _____ application _____ for the rate _____ to take _____?

_____ much time does it _____ for _____ be _____ for _____ reductions to take _____?

How _____ it take for applications _____ approved and for _____ rate _____ to _____?

_____ long _____ be approved and for rate reductions to _____?

_____ it _____ process applications _____ rate _____?

How _____ time _____ it for _____ be _____ rate reductions to _____?

How _____ does _____ take for the applications _____ get approved _____ for _____ reductions _____ place?

How _____ it _____ for _____ applications to _____ approved _____ for the _____ to _____ put _____ place?

_____ will _____ and rates lowered?

_____ estimated _____ for _____ and implementing _____ rate _____ is not _____.

_____ much _____ it _____ to _____ applications and implement lower _____?

How long _____ it for _____ to _____ processed _____ rates?

_____ applications _____ and rates lowered?

_____ long _____ application _____ and rate reduction _____ required?

What is _____ timing _____ process apps _____ institute _____ after _____?

_____ does it _____ for applications _____ processed and rate _____ to _____?

_____ is _____ timescale _____ processing _____ reducing rates?

_____ process app and _____ confirmed?

_____ applications be _____ rates lowered?

_____ long _____ we take _____ review _____ implement rate _____?

It _____ time _____ the applications to _____ approved _____ for _____ reduced.

Can _____ estimation _____ the _____ taken from _____ processing _____ rate reduction?

_____ does _____ take _____ to _____ approved _____ the rates to _____ discounted?

How long will _____ and institute _____ rates?

_____ does _____ get the applications _____ and the _____ lowered?

_____ tell _____ the _____ of _____ processing and _____ reduction implementation.

Application processing _____ reduction _____ should _____ some _____.

How _____ does it take _____ get _____ and the _____?

_____ would it _____ to process _____ rates?

What is _____ time _____ applications _____ implementation _____ approved _____ reductions?

_____ time it _____ applications _____ processed and for rate _____ to _____?

Do _____ have a _____ for reviewing _____ applications and _____?

_____ does it take for applications _____ and rate _____ into effect?

_____ much time is _____ process _____ cut rates?

_____ is _____ timetable for _____ applications _____ implementing _____ rates?

It takes _____ to be _____ and for rates _____.

Time _____ to _____ approved?

_____ will it _____ for the _____ to _____ approved _____ the rate cut _____?

What is the _____ time _____ and _____ rates?

How _____ does _____ approve applications, _____ reducing rates?

How long will _____ the _____ and _____ rate reductions _____ take effect?

_____ long _____ take _____ my application _____ be processed and rates _____?

_____ take for applications to be approved _____ the _____ to be put _____?

How _____ it take to _____ approved _____ for _____ reductions _____ effect?

_____ it take _____ process _____ and _____ reduced rates.

How long _____ you think _____ take _____ apps _____ rates?

How _____ it be to _____ apps _____ rates?

_____ it _____ take _____ approve _____ and lower rates?

How much _____ must _____ take _____ applications _____ approved and _____ the _____ be _____?

How _____ does _____ take for applications _____ be _____ to begin?

What is _____ expected timetable _____ and lower _____ after _____?

How _____ before rates _____ decrease if _____ approved?

How long it takes _____ be _____ rate reduction to _____ effect?

How long does _____ take _____ applications _____ implementing _____?

How long will it _____ to _____ the rates?

How _____ does it _____ the _____ to _____ approved and for _____ reductions to _____ place?

_____ you know how _____ it _____ processed _____ rate reductions _____ be implemented?

How _____ it _____ for _____ to _____ processed _____ rate reductions _____ be _____?

How long does it take _____ applications _____?

_____ me the _____ time from _____ to rate reduction?

_____ it take for _____ to _____ processed _____ reductions to _____ in?

The _____ for application _____ rate _____ should be _____.

How much time will _____ take _____ application to _____ and _____ lowered?

_____ possible _____ an estimated _____ to complete app processing & _____ ?
 _____ long _____ process applications _____ apply reductions?
 _____ you _____ me _____ from application processing to _____ reduction implementation?
 How long _____ it _____ for the _____ to _____ the rate _____ reduced?
 _____ long is it _____ approving applications _____ implementation _____ rate _____ ?
 How much time must _____ take _____ applications _____ be _____ the _____ to be _____ ?
 How long _____ the _____ to be _____ and for the _____ to take _____ ?
 _____ you tell _____ about the _____ processing to rate _____ ?
 How _____ does _____ take _____ processing _____ rate reduction _____ happen?
 _____ long do applications _____ reductions take _____ ?
 _____ can _____ take _____ to be approved and _____ to be reduced?
 How _____ application _____ and _____ take?
 How long _____ application is processed _____ go _____ ?
 _____ long is it _____ applications and _____ ?
 _____ long _____ to get _____ approved and the rate _____ ?
 What is _____ expected _____ to process apps _____ lower _____ ?
 What are _____ timelines for processing _____ introducing _____ ?
 _____ does it take _____ the applications _____ be approved, and _____ to _____ effect?
 _____ frame _____ applications _____ approved reductions?
 _____ long does it _____ an _____ approved _____ for rates _____ be reduced?
 How long _____ it _____ for _____ to _____ for rate reductions _____ take _____ ?
 _____ long will it _____ applications and rate _____ be _____ ?
 How _____ it take to _____ slash rates?
 How _____ it _____ take to _____ implement rate _____ ?
 _____ should _____ processed before reduced _____ are implemented?
 How much _____ to process applications _____ rate _____ ?
 What are the _____ processing _____ and _____ rate _____ ?
 Time _____ lower _____ rate for _____ ?
 How long it _____ applications _____ be approved _____ the rate _____ to be _____ .
 _____ is needed for applications _____ be _____ reductions _____ be put in place.
 How _____ to process applications _____ ?
 Can you _____ long it takes _____ application processing _____ ?
 Time _____ for approved _____ ?
 Timing _____ process apps _____ cut _____ ?
 How long will _____ take _____ process _____ reductions _____ ?
 _____ long _____ between _____ applications _____ implementing rate reductions?
 _____ does it take for applications to _____ for rate to _____ ?
 Rate _____ implementation _____ application _____ a while.
 _____ it possible for you to _____ estimated _____ to _____ app processing _____ ?
 Is _____ possible _____ provide an estimated period to _____ apply _____ ?
 What _____ expected time _____ process apps and _____ cheaper _____ ?
 _____ the expected _____ to process _____ institute _____ rates?
 How much _____ does it take _____ and _____ ?
 _____ long _____ you think it _____ to _____ rate _____ ?
 How _____ does _____ take _____ approve applications _____ lower _____ ?
 _____ time _____ for _____ to _____ and then _____ rate to be reduced?
 _____ does it take _____ to _____ approved _____ implemented with _____ rates?
 _____ long it takes _____ the _____ approved and _____ ?
 _____ long until _____ processed _____ the _____ are reduced?
 _____ my application _____ my rates go down?

How long ____ it ____ the applications to ____ and ____ to ____ lowered?
 ____ is ____ time ____ process apps and lower rates?

It takes a while ____ applications ____ rate ____ to take ____.

How much ____ do ____ and rate ____ implemented?

How long ____ to ____ and ____ lower rates?
 ____ long ____ it to review applications ____ make ____?

How much time does the ____ take ____ implement ____?

____ frame ____ apps and ____ rates?

How ____ you think it will ____ from ____ to rate ____?

What ____ will ____ applications ____ processed and ____?

____ long does it ____ for ____ rate reductions ____ be ____?

____ takes ____ to ____ processed ____ the ____ reductions to be implemented?

____ it ____ for application processing and rate ____ take ____?

How ____ it take ____ application processing ____ reduction ____?

____ time frame ____ be ____ and ____ rates lowered?

How ____ time ____ take for ____ applications ____ be ____ for the rates ____ go ____?

____ long does ____ applications ____ be ____ and rates ____ be lowered?

____ long can you ____ around ____ from application processing to ____ implementation?

How ____ does the ____ take for applications ____ to ____?

____ am ____ learning ____ it takes to ____ implement lower rates.

What ____ time ____ application processing and ____ reduction?

____ does ____ take ____ the applications to ____ approved ____ the ____ be lowered?

Let ____ know how ____ it ____ approve ____ and ____ rates.

What ____ frame to process and ____?

____ long should applications ____ and ____ implemented?

How ____ do ____ think it ____ take for ____ to be ____?

____ long ____ the applications to be approved and for the ____?

____ enough for ____ to be processed ____ reduced rates?

____ long do ____ to ____ and ____ rate reductions?

What are ____ timelines ____ and using reduced ____?

What time ____ it take ____ the ____ be ____ and ____ to be put in ____?

____ long ____ for applications to ____ approved ____ the rates ____ be lowered?

If ____ approved how ____ the ____ decrease?

Before ____ much time is ____ process applications?

How ____ applications ____ rates ____ processed?

How much ____ takes ____ to be ____ and ____ to take effect?

How ____ it going to take ____ implement ____ reductions?
 ____ to process ____ cut ____

How ____ will ____ application take ____ be processed ____ lowered?

How ____ time ____ for the ____ to be approved and for ____?

What ____ of ____ to process applications and ____ rate ____?

____ there a time frame ____ reviewing ____ rate ____?

____ time frame ____ processing applications and ____ rates?

What ____ to process apps and ____ lower ____?

How ____ it take ____ the ____ be ____ the ____ to be lowered?

How ____ it ____ to ____ rate ____ once approved?

How much time does ____ for ____ application ____ be ____ for the ____ to ____?

____ is there ____ applications ____ rate reductions?

____ long ____ to process apps and cuts ____?

____ long ____ it ____ to be approved and ____ lower rates ____?

How much _____ is _____ for _____ be _____ and _____ rate _____ to happen?
 _____ time is it _____ the _____ to be approved and _____ reduced?
 _____ long _____ you _____ process _____ and apply _____ reductions?
 _____ to review applications _____ cuts?
 Can you _____ me _____ process apps _____ cut _____?
 _____ and cut rates?
 The time it takes _____ reductions to be implemented _____ unknown.
 _____ much _____ until the application is _____ rates _____?
 _____ are the _____ times _____ apps _____ institute lower _____ after _____?
 Is _____ possible _____ give an _____ time to complete _____ processing _____?
 Is _____ an estimated _____ processing _____ and implementing _____ reductions?
 How _____ take for _____ be approved and for _____ cut?
 Can _____ me about the processing _____ to _____ reduction?
 What _____ the time _____ for application _____ reduction?
 _____ it for _____ to _____ approved _____ reductions to take effect?
 _____ it _____ applications to make rate reductions?
 Can you tell _____ long it _____ to approve _____?
 What _____ does it _____ for _____ applications _____ the rate reductions to be _____ in _____?
 How long _____ it take for _____ approved and for the rate _____?
 _____ and reduce rates?
 The _____ processing applications _____ implementing _____ rate reductions
 _____ to be approved _____ for the _____ cut to take effect?
 _____ long does it take for _____ to _____ and _____ to _____?
 _____ long does the _____ take _____ and rate _____?
 How _____ for applications to _____ and _____ rate reductions to take _____?
 How long does _____ approved and the reductions to take _____?
 How long _____ it _____ to _____ applications _____ reductions?
 Can you tell _____ when the _____ from _____ rate _____ be?
 Can _____ give _____ advise on _____ from _____ to rate reduction?
 Time _____ of approved applications?
 How long until _____ processed and _____ lowered?
 Can _____ long _____ to _____ and implement lower rates?
 It takes some _____ applications _____ be approved _____ for the _____ to _____.
 _____ will it _____ rate reductions to be _____ place?
 Can you tell us about the _____ processing _____?
 _____ does it take _____ applications to _____ approved and for _____ to _____?
 How long does it _____ applications to _____ the _____ to _____ down?
 How _____ my application _____ and rates _____?
 How _____ and approved rate reductions _____ implemented?
 _____ rate _____ take to be _____?
 How _____ do _____ process applications and make _____ reductions?
 How long does _____ for _____ to _____ rate reductions?
 Time for reviewing _____ cuts.
 How _____ it _____ approve _____ and implement _____ rates?
 _____ it _____ for applications _____ be approved _____ the rate _____ to _____?
 What's _____ to process _____ and _____ lower rates?
 How much _____ for application _____ and _____ implementation?
 How long _____ my application _____ and _____ reduced?
 _____ much time _____ process _____ and _____?
 Do you _____ will _____ implement approved rate reductions?

_____ and approved _____ could take _____ while.

How _____ does it take for the applications to be approved _____ for _____?

How _____ it take for applications to _____ reductions to take _____?

_____ long does _____ take for _____ to be _____ make rate _____?

How _____ did _____ to process apps and _____?

_____ does it _____ for rate reduction _____ application _____?

How long _____ I _____ to _____ and _____ rate reductions?

How _____ time _____ take for the _____ approved _____ the rate _____ to take place?

How _____ do _____ and rate _____ take to _____?

_____ the _____ to process and institute lower _____ approval?

_____ does _____ to process applications _____ rate reduction?

A time _____ to process _____ rates _____?

_____ specify the duration _____ application _____ rate _____.

The time for _____ and _____?

How _____ to process and implement _____ reductions?

The length of _____ between _____ applications _____ implementing _____ unknown.

How long _____ take _____ applications _____ and the rate _____ reduced?

How much _____ is _____ and rate _____?

How long _____ the _____ and _____ reduction _____ take?

How much time _____ takes _____ applications to be _____ the _____ reductions to _____ in _____.

How _____ taking _____ before applying reduced rates?

Can you _____ estimate _____ application processing to rate reduction?

_____ much time does _____ take for _____ to _____ processed _____ for _____ happen?

How _____ should applications _____ how long _____ rates be _____?

_____ does it take _____ be _____ and for lower rates _____ take _____?

_____ wanted _____ how _____ took to approve _____ and _____ rates.

What _____ it takes _____ and _____ rate reductions?

Processing applications and _____ can _____ a _____ time.

_____ much time is needed _____ applications _____ to _____ reductions?

_____ it take _____ applications _____ be approved, and _____ to be reduced?

_____ long will _____ processed and _____ lowered?

_____ timelines _____ apps and _____ lower _____ after approval.

_____ long is _____ before applications _____ approved _____ rates are _____?

How long _____ take to review _____ reduce _____?

How _____ it _____ my _____ is processed and _____ are _____?

_____ applications are _____ long before rates _____?

Can you _____ the _____ takes to _____ lower rates?

How long _____ takes _____ process applications _____ reductions?

How _____ it takes for the applications to be approved _____?

What is _____ typical _____ between approving _____ and _____?

_____ long does it _____ for applications _____ be _____ for _____ to _____?

_____ you _____ to approve applications and _____ rates?

_____ long _____ take for _____ be approved _____ rate reductions to take _____?

What _____ time from _____ processing to rate reduction implementation?

Do you _____ how long it _____ approve _____ implement _____?

_____ much time it takes for the _____ approved and _____ rate reductions _____ put _____?

_____ long for application _____ and _____ reduction _____?

How _____ it take _____ applications to _____ rate _____ to take effect?

_____ long _____ application is processed and _____?

_____ long _____ take to _____ the _____ and cut _____?

Is there a duration ____ application processing ____ ____ ____ ?

How ____ does it ____ for ____ applications to ____ rate reductions ____ place
 ____ long ____ applications be processed before reduced ____ ?
 ____ time ____ application processing ____ approved ____ reductions?

How much time ____ it ____ to be ____ rate reductions ____ take ____ ?
 ____ of time ____ my application is ____ are lowered?
 ____ does it ____ applications ____ processed and ____ reductions to take place?

How ____ it ____ applications to be ____ rate cut to take ____ ?
 ____ long ____ it ____ for applications to be ____ and ____ reductions ____ ?

How much time does ____ take ____ applications ____ be approved ____ the rates ____ ?
 ____ you tell us ____ long ____ will take ____ application ____ rate ____ ?

How ____ to process and ____ for rate ____ ?
 ____ is ____ to ____ apps and institute lower ____ ?

How long ____ takes ____ be approved ____ the ____ reductions to be ____ .

How much time does it ____ for applications ____ be reduced?
 ____ much ____ will it take ____ application ____ processed ____ lowered?
 ____ long does it ____ for applications ____ approved ____ ?
 ____ do you ____ it will take ____ processing ____ rate reduction ____ ?

What ____ the ____ takes for ____ be approved ____ to be reduced?
 ____ long will it take to ____ & ____ discounted ____ ?
 ____ it will ____ to approve applications and implement lower ____ .
 ____ takes for ____ and for the rate reductions ____ be put in place?
 ____ long does it take ____ an application ____ approved ____ reduction ____ take effect?
 ____ does ____ takes for applications ____ and rate reductions ____ be ____ ?
 ____ long does ____ take ____ applications ____ processed ____ to reduce the ____ ?
 ____ long ____ will take to implement decreased ____ approval.
 ____ specify the length ____ processing ____ rate reduction ____ .
 ____ much time ____ it ____ application ____ be processed and ____ rates to ____ ?

Is it ____ to tell ____ the ____ time ____ application ____ to ____ implementation?

What time ____ it take ____ the ____ be ____ for ____ reductions to ____ ?

Do you know ____ long it ____ to ____ applications ____ ?

How ____ is the ____ between approving ____ rate ____ ?
 ____ there ____ to ____ apply rate reductions?

How much ____ does it ____ to ____ approved, ____ rate to be ____ ?

Time ____ lower ____ for applications ____ ?

What's ____ to process and ____ lower ____ approval?

Can ____ tell me ____ to ____ applications ____ lower rates?

What ____ projected ____ apps ____ institute lower rates after ____ ?

How long should the ____ reductions ____ be implemented?

____ much time does it ____ for ____ to ____ approved ____ the ____ to ____ ?

How ____ does it take for ____ application to be ____ rate ____ ?

How ____ it takes ____ be ____ rate reductions ____ take effect?
 ____ what ____ the expected ____ to process ____ and ____ rates?
 ____ much time is ____ the ____ be approved ____ to take effect?
 ____ it ____ for applications to ____ and ____ their rate to be ____ ?

What ____ applications ____ processed ____ lowered?

How ____ take for ____ reduction implementation to begin?
 ____ it take to ____ applications ____ implement ____ reductions?

Time frame ____ implement ____ reductions?
 ____ much ____ for ____ to be ____ and rate reductions to ____ ?

_____ does _____ take for the applications _____ approved _____ the rate _____ to _____ ?
 How _____ before _____ ensues if _____ approved?
 Time to _____ cut _____ confirmed _____ ?
 What _____ timelines _____ processing applications and _____ ?
 _____ apps and to cut _____ ?
 _____ does _____ take _____ applications to _____ approved _____ for _____ to be put in place?
 _____ much time _____ applications _____ be approved _____ rate to _____ reduced?
 _____ long _____ it take to process _____ application _____ my _____ ?
 What _____ the expected _____ process _____ and make _____ ?
 How _____ applications and implementing reduced rates?
 What is _____ time frame for _____ applications _____ implementing _____ ?
 How _____ takes for applications _____ and rates _____ reduced?
 _____ tell me how long it takes to _____ ?
 _____ before _____ begins once applications _____ approved?
 _____ is _____ duration _____ application processing and rate _____ ?
 How long _____ take _____ the _____ to _____ and _____ the _____ to start?
 How long _____ my _____ is _____ and _____ ?
 What _____ will _____ processed _____ rates _____ ?
 _____ you _____ time _____ application processing to rate reduction?
 What is the time _____ processing _____ reduction _____ ?
 How long until _____ is _____ rates are _____ ?
 _____ to _____ approved applications.
 How long _____ it take _____ applications _____ to _____ rate _____ ?
 How long does it take for _____ be _____ reductions _____ ?
 _____ long _____ application is processed _____ my rates _____ .
 How long will _____ for application _____ Implementation?
 How long _____ for application processing _____ rate _____ ?
 _____ takes _____ be approved and the rate reductions _____ put in place.
 _____ should applications be reviewed and rate _____ ?
 _____ much _____ does _____ take for _____ applications to _____ approved and for the _____ ?
 _____ to process _____ reduce _____ ?
 Can you tell me _____ the _____ application _____ rate reduction _____ ?
 _____ time _____ it take for _____ to _____ approved _____ the _____ to _____ reduced?
 _____ much time _____ needed _____ the applications to be _____ the _____ take effect?
 Application _____ and approved rate _____ need time _____ .
 How long _____ application _____ processed _____ the _____ lowered?
 _____ it _____ applications to be _____ and the _____ be reduced?
 What _____ applications _____ processed _____ reduced?
 _____ for rate reduction _____ application _____ ?
 _____ you _____ an estimate _____ time _____ application processing _____ rate reduction?
 Between approving applications _____ implementing rate _____ it?
 How _____ does it take _____ applications _____ cuts _____ take effect?
 How _____ will it _____ process _____ and _____ approved rate _____ ?
 _____ you _____ a _____ processing approvals _____ reducing rates?
 _____ long does _____ take _____ to _____ and for _____ to fall?
 How _____ shall _____ rate reduction _____ ?
 How _____ should _____ be _____ applications and _____ rates?
 Wait time _____ and approved _____ ?
 How _____ will _____ for _____ applications _____ implementing reduced rates?
 _____ does _____ take _____ the applications _____ processed and the rate _____ happen?

____ you tell me ____ it takes ____ implement ____ ?
 How ____ application ____ take ____ rate ____ implementation?
 What is the ____ time ____ process applications and ____ ?
 ____ long it ____ for ____ to ____ and ____ to ____ lowered?
 ____ long to implement ____ are approved?
 ____ much ____ does it take for ____ to ____ to be ____ ?
 How long ____ for ____ and ____ approved rate reductions?
 How ____ it take for reviewing ____ and ____ cuts?
 How ____ does ____ take ____ applications to ____ for rates ____ lower?
 ____ long ____ it between the ____ applications ____ implementation of ____ reductions?
 ____ apps and ____ rates per chance?
 If ____ how long ____ have to review ____ and ____ ?
 ____ long does ____ take for the applications ____ and for ____ reduced?
 ____ much ____ it take ____ to be approved and rate ____ effect?
 ____ long will ____ for ____ to ____ and rate reductions ____ happen?
 How ____ will ____ process apps and to ____ ?
 ____ applications to be processed ____ for ____ reductions ____ occur.
 ____ long does it take ____ applications ____ be ____ be reduced?
 How ____ it ____ for applications ____ be processed ____ rate reductions?
 It takes ____ be ____ and the rate reductions to ____ .
 ____ is the expected time ____ process ____ institute ____ rates, ____ ?
 How long ____ it ____ to ____ applications ____ cuts?
 ____ much time is required ____ to ____ approved ____ reductions to ____ ?
 ____ is ____ for processing ____ requests ____ lowered rates?
 ____ timelines for rate reduction implementation ____ application ____ ?
 ____ long ____ take for applications ____ and ____ to be reduced.
 What ____ the expected time ____ apps and institute ____ ?
 How ____ time it takes ____ and ____ to take place?
 How ____ will approved applications ____ ?
 How ____ is it to ____ cut ____ ?
 ____ much time is ____ applications and ____ reductions?
 How ____ time ____ take to get ____ and ____ rate to ____ reduced?
 How ____ does ____ take for ____ to be ____ rate reductions ____ take ____ ?
 How long ____ it take for ____ to be ____ for ____ ?
 ____ anticipated ____ processing applications and implementing reduced ____ ?
 ____ know how ____ it takes to ____ applications and ____ .
 ____ the expected timetable to ____ rates after approval?
 ____ apps ____ cut rates?
 How ____ it ____ for the applications ____ and ____ the ____ be reduced?
 ____ long to implement rate ____ ?
 ____ long ____ it take ____ application processing and ____ reduction ____ ?
 What is the time ____ and ____ rates?
 ____ long ____ to approve applications and ____ ?
 ____ does the ____ for ____ reductions to take effect?
 How ____ does it ____ the ____ be ____ for the ____ be lowered?
 ____ is ____ application processing and ____ timetable?
 How long ____ it ____ to ____ applications ____ use ____ ?
 Can ____ tell ____ how long ____ from application processing to ____ ?
 ____ processing ____ rate reduction implementation.
 How long does it ____ for applications ____ be ____ and ____ ?

_____ are approved _____ before rates _____?

What is the expected _____ institute _____ rates?

_____ does it take _____ to _____ processed and reduced _____?

How long does _____ applications _____ approved and _____ to be implemented?

_____ until my application _____ and the rates _____?

_____ takes time _____ applications to _____ rate _____ to _____ place.

_____ processing time _____ rate _____?

_____ is _____ timetable _____ processing applications _____ cutting _____?

I want to know _____ long _____ takes _____ rates.

_____ it _____ applications to _____ processed and approved _____ to take effect?

_____ long _____ it _____ the applications to _____ approved _____ the _____ reductions to _____?

_____ applications and implement _____ rates?

_____ long _____ need to process _____ apply rate _____?

What is the timetable _____ applications _____ the _____ rates?

Once _____ frame to _____ and _____ reductions?

_____ much _____ will _____ take _____ and apply reductions?

_____ it take for the _____ to _____ approved _____ for _____ rates _____ reduced?

_____ it take _____ approve applications and _____ lower _____?

_____ it takes for _____ be _____ and for _____ rate to _____ lowered?

How much _____ is _____ applications to _____ approved _____ reductions _____ occur?

_____ does it _____ implement applications and rate _____.

_____ long _____ rates _____ applications _____ approved?

_____ take to approve applications _____ lower their _____?

How _____ it take for the applications to _____ approved _____ rate _____?

How long until rates _____?

How _____ processing and rate _____?

How much _____ is needed _____ be approved and for _____ be _____.

_____ it _____ for _____ be approved and for the _____ cut?

How _____ does _____ take for applications to _____ rate _____ effect?

_____ time _____ it when _____ and _____ reductions implemented?

How _____ can it take _____ the _____ be approved _____ for _____ rate cut _____?

What's the _____ process applications _____ institute lower _____?

_____ the rates decrease _____ if _____ are approved?

How _____ applying rate reductions?

_____ much _____ for applications _____ for a rate cut _____ take effect?

What _____ the time _____ approve _____ and reduce _____?

_____ time does it _____ for _____ be approved _____ to _____ reduced?

_____ long is it expected _____ and implement _____ reductions?

How _____ will app _____ decreases _____?

How long _____ take _____ the applications _____ approved _____ for the _____ reductions to _____ place?

_____ the implementation _____ for _____ processing and _____ reduction?

_____ long _____ it take to _____ applications and _____ reductions?

_____ does _____ take to _____ applications _____ a lower rate?

_____ for _____ applications _____ cutting _____.

_____ lengths of _____ will be _____ lowered?

How _____ needed to process _____ for reduced _____?

_____ it take to process and _____ rate _____?

_____ it take to _____ implement cheaper rates?

_____ before _____ begin _____ if applications are _____?

How long _____ applying _____ rates?

_____ how much time is needed _____ applications?
 _____ long _____ the _____ to be approved _____ the rate _____ be _____?
 _____ long _____ it take _____ applications _____ be _____ and _____ rate to _____ cut?
 _____ long it _____ take for _____ approved _____ the rate _____ be reduced?
 _____ long does _____ for applications to be _____ and rates _____?
 _____ to lower rates? _____?
 _____ time _____ reviewing applications _____ rate _____?
 _____ will it take _____ reductions once they are _____?
 How _____ does _____ take to _____ applications approved _____ lower _____?
 _____ does _____ take _____ applications to be _____ for rate cut _____ take _____?
 _____ needed for the _____ to _____ approved and for _____ reductions _____ be put in _____?
 How _____ it _____ for _____ and approved rate _____ to _____ implemented?
 _____ long _____ application _____ and the rates _____ slashed?
 How long _____ my _____ processed _____ my _____ are _____?
 _____ application take _____ and lower my rates?
 How _____ between approving applications and _____ reductions?
 How _____ takes for _____ applications to be approved _____ reductions to _____ place?
 How _____ do _____ and _____ reduction take _____ implemented?
 How _____ should _____ take to process apps _____?
 How _____ will it take _____ applications to _____ and the _____ place?
 _____ much time _____ it take _____ the _____ and the rate reductions _____ put _____ place.
 _____ long _____ take for _____ to be _____ to be implemented?
 What _____ a typical duration _____ and rate _____?
 _____ lower _____ for _____ applications?
 _____ long does the process _____ rate reductions.
 I wanted _____ it takes to approve applications _____.
 Can _____ me _____ time _____ application _____ to rate reduction.
 _____ long will it _____ application _____ rates are lowered?
 _____ know how _____ it _____ approve applications and _____ them?
 How _____ does _____ for _____ to _____ then for the _____ to be reduced?
 _____ long does _____ for the _____ to _____ the rate _____ be reduced.
 _____ reduce _____ rates for approved _____?
 I wanted to know how _____ it _____ to _____ lower _____.
 _____ much _____ will _____ for the applications to be approved _____ to _____ reduced?
 How _____ for _____ processing and rate reduction _____?
 _____ long _____ it _____ to review _____ and _____ rates?
 _____ expected time to process _____ and institute _____ approval?
 How _____ do you _____ to _____ app _____ apply _____ rates?
 How much _____ does it _____ applications _____ for _____ rates to be reduced?
 _____ long _____ takes _____ to _____ approved and _____ the _____ reductions to take _____?
 Do you _____ a _____ for _____ approved _____ adjusting prices?
 How _____ the _____ be approved and _____ reductions take effect?
 How _____ does it _____ to _____ reduced rates?
 What is the expected time _____ the _____ institute _____?
 How much time _____ and cut rates?
 Please _____ the length _____ application _____ reduction implementation.
 How _____ it _____ applications to be processed _____ implement _____ reductions.
 _____ long would _____ to process _____ and apply _____?
 How much time until my application _____ processed _____?
 _____ time _____ to be approved and _____ rate _____ be reduced.

What ____ the ____ ____ for ____ applications and rate ____?
 How long ____ process ____ and ____ ____.
 ____ long ____ applications and apply ____?
 How ____ it will ____ to process applications ____ ____ ____?
 ____ ____ it take for the applications ____ be ____ and ____ ____ ____ to take effect?
 Is it possible ____ tell ____ the time ____ from application ____ ____ ____ implementation?
 How long ____ you give ____ complete app processing ____ ____ ____?
 How ____ ____ to approve ____ and ____ them?
 ____ long ____ it ____ ____ and rate reductions to be ____?
 Application acceptance ____ rate ____ can take ____.
 How long ____ it ____ applications and approved ____ ____ ____ implemented?
 Time ____ rates ____ are approved?
 Can ____ tell me ____ the turnaround ____ from ____ to ____?
 How ____ should the ____ process apps ____ institute ____ rates?
 I ____ know ____ long ____ to approve applications ____ get lower ____.
 How ____ it take for applications ____ and ____ reductions ____ take ____?
 How long does ____ for ____ applications ____ and ____ the ____ to be ____?
 ____ does ____ to process applications and adjust ____?
 ____ does it ____ to get applications ____ and the rate ____?
 ____ much time ____ to process ____ applying reduced ____?
 ____ ____ estimated ____ for processing applications ____ rate reductions?
 What is the ____ application ____ and ____ reduction ____?
 I don't know ____ long ____ takes ____ approve ____ rates.
 ____ does ____ take for ____ be approved, and for ____ rate to ____?
 How long ____ to process ____ reduced rates?
 ____ much ____ does ____ to ____ approved ____ for rate reduction to take ____?
 ____ application processing ____ rate reduction?
 How long does it take ____ the ____ to ____ their ____ be ____?
 Is ____ an ____ of ____ processing and approved ____ reductions?
 ____ long ____ approved applications ____ and the rates ____?
 How ____ is the ____ processing ____ and ____ reduced ____?
 How ____ it ____ to process ____ and ____ reduction?
 ____ long ____ think ____ to complete app processing and ____ discounted ____?
 ____ much ____ is ____ for ____ to ____ and for ____ rate ____ take effect?
 ____ take ____ applications to ____ and for rate ____ to effect?
 ____ time does it take for ____ to ____ rate ____ be reduced?
 How ____ you think ____ will take ____ application processing ____ reductions ____ approved?
 ____ a while ____ applications to be approved ____ for the ____ be ____.
 How ____ is ____ process ____ and apply ____ reduction?
 How long do ____ think ____ take ____ applications and ____ rates?
 ____ frame to ____ rate ____ approval?
 ____ long ____ take for ____ be approved and ____ to happen?
 ____ much time ____ it take ____ be ____ and ____ rates to be ____?
 ____ processing applications and lower rates?
 ____ does it take ____ approve applications and ____?
 Is ____ long to ____ implement rate ____?
 How ____ will ____ for ____ to ____ approved ____ the rate to be ____?
 ____ time is ____ to ____ rate ____?
 The ____ time ____ takes ____ and rate reductions ____ be ____.
 How long ____ for ____ reductions ____ be implemented?

_____ it takes _____ applications to be _____ and _____ the rate _____ reduced?

_____ you give me _____ on the time _____ to _____?

How long does it _____ be _____ and _____ the _____ to _____ effect?

How long _____ take for _____ be processed _____ for _____ reductions _____ take _____?

How _____ is it _____ applications to _____ approved _____ rates to be _____?

Interested in _____ long it _____ implement decreased rates _____ approval _____.

How _____ process _____ rate reduction?

_____ long _____ takes for _____ approved and the _____ reductions _____ take place?

_____ long until _____ decrease _____ applications _____ approved?

It _____ for applications to _____ approved _____ for rate _____ to _____.

_____ will the expected timelines be to _____ and _____?

_____ does it _____ for _____ and for rate reductions to _____?

_____ takes some _____ for applications _____ processed and _____ rate _____ be _____.

How _____ for the applications to be _____ to _____ reduced?

Can _____ me _____ it takes to approve _____ and _____ rates?

_____ rates for _____ applications?

_____ there _____ time _____ to _____ processed before applying reduced _____?

How long might _____ take _____ implement _____?

_____ time does it _____ for _____ rate _____ to _____ implemented?

_____ much _____ we have to process applications _____?

The process for applications _____ long time.

_____ time does _____ take for _____ to _____ approved and _____ rate reductions _____?

_____ long for _____ reductions?

How _____ it takes _____ to be _____ to be implemented?

_____ is _____ approved rate reductions?

_____ and _____ reduction _____ are not known.

_____ does _____ for _____ to be processed _____ to implement rate reductions?

How _____ it _____ for applications _____ approved and for the _____ occur?

How long does _____ take _____ the applications _____ approved _____ for rate _____?

_____ long _____ you think it _____ for application _____ and _____?

_____ long _____ take for _____ to be approved and _____ effect?

How long is _____ between _____ applications _____ rate _____?

_____ can you _____ us about the _____ from _____ processing to _____?

How _____ would it _____ process _____ applying reduced _____?

_____ there a specific _____ processing _____ requests and _____ rates?

How long _____ get applications _____ the _____ reductions to take _____?

The _____ of _____ for _____ and rate _____?

How long will _____ take _____ approved _____?

How long _____ it take _____ to be processed _____ rate _____?

_____ much _____ will it take to _____ my application _____?

How _____ will _____ process application _____ approve rate _____?

Can _____ tell me how long _____ to rate _____?

How _____ take _____ PROCESS _____ and _____ approved rate reductions?

_____ it take to _____ rate reduction?

_____ takes time for the applications _____ approved _____ rate _____ take _____.

How much _____ is _____ process applications before _____?

_____ our applications take to _____ approved _____ rate reductions?

How _____ it take for _____ to be approved _____ for the _____?

_____ for _____ cutting rates?

Delay between _____ and rate _____ is _____ question.

Do you ____ the ____ duration for ____ requests ____ executing ____ ____?

What is the ____ processing ____ rate reductions?

How ____ do you take to ____ applications ____ reductions?

How long is ____ for ____ processing ____ implementation?

____ the expected ____ period to process ____ institute ____?

____ time is ____ to ____ applications and apply ____?

____ long ____ take ____ applications to be ____ and ____ rate ____ to ____?

How much time does it ____ be approved ____ the ____ to be ____ place?

____ it take ____ process ____ make reductions?

____ much ____ you take ____ process applications ____ rate decreases?

____ much ____ will it ____ to process ____ rate reductions?

How long does it ____ for ____ to ____ approved ____ the ____ take ____?

Time ____ to ____ and ____ rates ____?

____ tell us the ____ from application ____ to ____ implementation?

____ long to process ____ and ____

____ much ____ does ____ for applications ____ be approved ____ for ____ rate reductions ____ be ____ place.

____ does it ____ for applications to ____ the rate to ____?

How ____ will it ____ the applications to ____ rate reductions to ____?

____ time ____ for applications to be ____ and ____ reductions ____ be ____ is ____.

____ takes ____ while ____ applications to be processed ____ to ____ effect.

How long ____ it take for ____ applications ____ rate ____ be cut?

____ much ____ does it take ____ process apps ____?

____ long to ____ rate ____?

____ to take to ____ applications and make rate ____?

____ long ____ process takes for ____ rate reductions ____ be ____?

What period ____ be ____ and ____ lowered?

____ tell ____ about ____ times from application processing to ____?

What ____ to process ____ make rate reductions?

How long can ____ take for ____ and ____ implemented?

Can you tell ____ long from ____ rate reduction ____?

How long does it ____ for ____ applications ____ and the ____ to ____?

Time frame to ____ rate ____?

What ____ does it ____ to be approved ____ the rate ____ happen?

How ____ it ____ applications ____ and for rate reductions ____ be ____ place?

Can you ____ me the time ____ process ____ rate ____?

____ the expected time ____ process ____ apps and ____ the ____?

____ knowing ____ it takes to ____ rates ____ approval.

____ is ____ expected ____ to process ____ implement approved rate ____?

____ long does ____ to ____ applications ____ and the rates ____ be ____?

____ long does ____ take ____ be ____ for them ____ implement rate reductions?

____ processing ____ rate ____ implementation should it take?

How ____ take ____ and rate reductions to ____ implemented?

How ____ is needed to ____ applications ____ reduced rates?

How ____ applications and reducing rates?

____ long should ____ be processed and how ____ implemented?

I ____ how ____ it takes ____ approve ____ and ____ rates.

____ you ____ line for reviewing approved ____ and adjusting ____?

How long ____ it ____ process ____ and cut ____?

How much time is ____ for ____ to ____ and ____ to be ____?

Rate ____ and application processing ____ in ____.

What ____ period ____ be processed ____ rates ____?

How ____ do applications ____ approved ____ rate to be reduced?

Do you know ____ for ____ applications and ____?

How ____ it takes to ____ lower rates?

How long ____ process ____ and rate reductions?

How long ____ it to approve ____?

____ does it take for ____ to ____ for rates ____ be ____?

Is ____ to tell ____ the time ____ processing to rate ____?

____ much ____ is ____ to ____ reductions?

What is ____ it takes ____ applications to ____ and ____ rate ____ be ____?

____ it take for ____ to ____ approved and ____ be reduced?

How ____ will it take for approved ____ to ____?

____ for processing ____ implementing reduced ____?

How long does ____ for applications to ____ approved ____ for ____ be ____ into ____?

How ____ does ____ take ____ and ____ rates?

How ____ will ____ processed ____ rates?

How ____ it ____ for ____ application ____ be ____ and ____ the rate reductions ____ take ____?

____ long before ____ decrease, if ____?

____ does it ____ for ____ be ____ for rate ____ to be put in ____?

How much time does ____ for ____ to ____ and for the ____?

____ long do it ____ applications ____ be approved and for rate ____?

How ____ does it take ____ the ____ to ____ approved ____ the ____ to ____ put ____ place?

What's ____ expected time ____ process ____ and lower ____?

____ takes a while for applications ____ approved ____ rates ____ be ____.

____ processing and approved ____ reductions ____ take ____.

How long ____ take ____ applications for rate ____ to ____?

____ is required for ____ to be ____ and ____ rate ____ to take ____?

____ does ____ take for ____ and rate ____ to start?

____ timelines for processing ____ implementing lower rates?

____ the expected ____ to ____ apps and ____ rates?

____ applications be processed ____ lowered?

____ long ____ takes to ____ applications and implement ____ reductions?

____ does ____ take for ____ applications ____ be approved ____ reduced ____?

Can you ____ the ____ from application to ____?

____ processing ____ reduction ____ a while.

How ____ is ____ to be ____ and ____ the rate reductions to ____?

When ____ how much ____ is ____ process applications?

How long are ____ timelines for ____ and ____?

How ____ to approve and ____ the rates?

How long ____ it ____ be processed ____ to ____ rate reductions?

____ much ____ my application is processed ____ rates ____ lowered?

How much ____ is ____ for ____ to be implemented?

____ long for ____ processing and ____ implementation ____ be?

How ____ will ____ applications ____ processed ____ rate reductions to be implemented?

How much ____ will it ____ for applications ____ approved ____ rate ____ reduced?

How long does ____ take ____ rate ____ once ____?

____ will ____ take for apps and ____ rates ____ processed?

Time ____ for ____ applications and ____?

What ____ time ____ from application processing to rate reduction?

How much _____ take _____ process _____ and _____ lower rates?

How _____ for _____ and lower rates to _____ implemented?

_____ long does it _____ for _____ to _____ and _____ rate _____ be reduced?

_____ amount of time _____ to be processed _____ rate _____ to _____ implemented?

_____ you _____ a _____ frame _____ approved _____ and adjust prices?

What is the _____ to _____ lower rates?

_____ it _____ applications to be processed _____ implement rate _____?

How much time is _____ applications to _____ approved and _____ to _____?

_____ it _____ for applications to be _____ and _____ reductions to _____ place.

_____ long does _____ implement rate _____ after approvals?

How _____ time _____ take to _____ and cut _____?

What is _____ expected time _____ and institute _____ after _____?

_____ time frame _____ reviewing applications _____ implementing _____?

_____ for application processing and _____?

_____ you _____ me the _____ application processing _____ rate _____?

_____ process _____ make rate reductions?

_____ time frame _____ it _____ to process applications _____ rates?

_____ time does it take _____ to _____ approved _____ the rate _____ happen?

_____ approval, _____ the expected timelines _____ process _____ and _____ lower _____?

Can _____ the time _____ application processing to _____ of _____ reduction?

_____ long do you have _____ applications _____ reductions?

How _____ applications to be _____ to be implemented _____?

How long _____ applications _____ processed _____ rates lowered?

_____ there _____ time _____ process _____ and cut rates?

_____ long did _____ take to approve applications _____?

_____ time _____ for applications _____ approved and for the _____ cut to _____?

What _____ it _____ it takes _____ applications and _____?

_____ it _____ for _____ be approved _____ for rate reductions to _____ effect?

How _____ for _____ applications to be approved _____ to be reduced.

How _____ will _____ for app _____ and _____ decreases _____ begin?

_____ to _____ rates _____ applications _____ approved?

_____ to _____ apps _____ cut the rates?

How long _____ application _____ and rate reduction to _____?

_____ long do _____ have _____ process _____ and _____ rates?

_____ estimated time to _____ and implement rate _____?

_____ my application is processed _____ are lowered?

_____ will _____ take _____ process application _____ execute lowered rates?

How much time until my _____ is _____?

When _____ acceptance and _____ cut _____ is the _____?

What is _____ anticipated _____ for processing applications _____?

_____ does _____ process take for _____ and _____ be implemented?

How _____ is it for the _____ to _____ rate _____ happen?

How long does _____ take for _____ applications to be _____ reductions _____?

_____ to lower _____ rates _____ applications _____?

Before _____ rates, _____ long _____ needed to _____ applications?

Between _____ and rate _____ is the typical _____?

How much _____ it takes _____ to _____ approved _____ rate reductions to be put _____.

_____ much time does _____ take _____ approve _____ the _____?

_____ of application _____ rate _____ implementation, please?

How _____ it take for applications to _____ and _____ reductions?
