

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Technical troubleshooting and support
Inquiry Sub-Category	Software Updates
Description	Queries regarding software updates for telecommunication equipment, including steps to perform updates, compatibility issues, and resolving any errors or bugs.
Data Size	5,029 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ upgrading _____ network infrastructure require _____ hardware investments _____ to updated _____?

Is the network _____ going _____?

_____ an upgrade _____ network infrastructure _____ for more _____?

_____ an _____ to _____ network infrastructure _____ more _____?

_____ we _____ more hardware and _____ software to _____ our networking _____?

Do _____ need additional _____ the upgrade of _____?

Does _____ network infrastructure _____ equipment _____ just new software.

Does _____ upgrade _____ infrastructure imply more _____ installations?

Are _____ any _____ upgrade of the network infrastructure?

_____ there an _____ of network infrastructure _____ more hardware _____?

Can we _____ expenses for new _____ updating _____ network _____?

_____ we _____ to _____ equipment while we _____ our _____?

Does _____ sense to _____ in _____ upgraded _____ for _____ network infrastructure?

_____ the _____ need additional hardware _____ updates?

_____ an _____ infrastructure need new _____?

_____ networking system will require the _____ of _____ and _____.

How likely _____ it that _____ infrastructure _____ buying _____ equipment than just _____ software?

_____ we _____ to _____ on _____ junk if our _____ can keep _____ new Firmware?

Does _____ upgrade _____ the network _____ need _____ just the _____ installements?

Should _____ expect _____ to _____ hardware in _____ enhance the network _____?

Does _____ upgrade of network infrastructure _____ hardware investment _____ a _____?

Is the _____ infrastructure upgrade _____ and _____ Firmware?

Is _____ upgrade _____ network _____ require _____ than _____ the newest software?

Will the _____ required to _____ our network setup?

_____ the network _____ require _____ or just _____ updates?

_____ investment _____ add-ons when _____ upgrade our _____ setup?

_____ we need to _____ in _____ devices on _____ upgrade _____ network _____?

_____ of _____ might require more equipment _____ just the new _____.

Does an _____ network infrastructure require hardware investments _____ a _____?

Does _____ upgrade _____ Infrastructure _____ for more _____ and _____?

_____ have to purchase new hardware and _____ to _____ our _____?

Will we need _____ hardware _____ we upgrade _____?

_____ the _____ network infrastructure _____ hardware?

_____ upgrade _____ the _____ need more _____ just a software upgrade?

Does _____ upgrade of the _____ infrastructure have to _____ equipment _____ latest _____?

_____ we _____ more _____ the network _____?

_____ the network _____ need more hardware or _____?

Will upgraded _____ new _____?

Do _____ need to purchase _____ to _____ network?

_____ the _____ upgrade _____ of new _____ or _____ firmware updates?

Does an _____ of _____ network infrastructure _____ just _____ software?

_____ the _____ infrastructure demand _____ hardware?

_____ the _____ our _____ require us to buy more _____?

Can we _____ an _____ hardware _____ upgrade our network infrastructure?

_____ extra hardware _____ for network _____?

Can an _____ of _____ infrastructure _____ and installations?

_____ an upgrade _____ network _____ more _____ than _____ the latest versions _____ the _____?

_____ upgrade _____ network infrastructure need _____ along _____ a new _____?

Is _____ of _____ infrastructure _____ for _____ hardware _____ software?

Does _____ network infrastructure _____ hardware?

Does _____ of the _____ more _____ simply the newest software?

_____ an upgrade of _____ hardware investments?

_____ an upgrade of the _____ equipment _____ just the _____ installation?

Does an upgrade of the _____ more _____ than _____ patch?

Will _____ have to _____ and install _____ versions _____ software to _____ our _____?

_____ upgrade of _____ infrastructure _____ hardware?

_____ it necessary _____ networking system with _____ hardware _____ versions _____ software?

Does _____ upgrade _____ network _____ need _____ than simply the new _____?

_____ an upgrade _____ network _____ call _____ hardware installations?

_____ hardware _____ needed for _____ upgrades?

Do _____ need to buy _____ equipment if we _____ infrastructure?

Will new hardware _____ network _____?

Will we need to _____ hardware when _____ infrastructure?

_____ it _____ added devices to upgrade our network _____?

Does an _____ of the network infrastructure _____ new software

When _____ the network's _____ we _____ in more hardware?

_____ upgrade of the _____ infrastructure needs _____ equipment than just the _____?

_____ upgrade _____ network _____ more hardware and updates?

_____ an upgrade of network infrastructure need _____ a _____?

_____ infrastructure _____ equipment than just _____ newest software.

_____ an _____ network infrastructure necessitate _____ investment?

Will _____ upgrade _____ network _____ need _____?

Is it _____ upgrade _____ and install latest _____?

Does _____ upgrade of network infrastructure need hardware investments _____?

_____ upgrade _____ network infrastructure _____ hardware _____ with a new firmware?

Does _____ network _____ upgrade need _____?

_____ an _____ of network _____ require _____ hardware _____ updated _____.

Should we expect _____ need to _____ new hardware and _____ enhance _____?

_____ the network infrastructure require buying new _____ installing _____?

_____ upgrade of the network infrastructure require more _____ than _____ latest _____?

Is _____ requirement _____ our network setup _____ updating _____?

_____ an upgrade _____ require _____ equipment than _____ installation of new _____?

_____ upgrade _____ additional hardware?

Is _____ infrastructure _____ need _____ and _____?

Do _____ to _____ more money _____ hardware for _____ upgrade?

Is _____ for _____ devices and updated software _____ the _____?

Does _____ upgrade _____ networking _____ call for _____ and _____?

_____ hardware be _____ to _____ network?

_____ more hardware to _____ our _____?

_____ we _____ need of more _____ upgrade _____ network _____?

_____ in _____ hardware and upgraded firmware _____ network infrastructure?

_____ we have _____ in _____ devices on our _____ setup _____?

_____ upgrade of _____ infrastructure need more equipment or more _____?

_____ we have to _____ our _____ infrastructure with _____ and _____?

_____ an upgrade of _____ more _____ than the new _____?

Will _____ new hardware?

_____ infrastructure need more _____ investment?

Will new _____ be needed _____ the _____?

Is _____ a _____ for _____ upgraded network infrastructure?

Shouldn't we _____ for _____ new hardware along _____ updates to _____ infrastructure?

Are _____ hardware _____ improving our _____?

_____ to buy additional hardware and _____ the _____ to _____ our _____?

_____ we need to _____ new hardware _____ updated _____ our network _____?

_____ network infrastructure _____ new hardware and _____ new firmware?

Will _____ put _____ extra _____ to _____ our network infrastructure?

Are we _____ have _____ purchase additional hardware _____ our networking system?

Does _____ network _____ upgrade _____ hardware or _____ firmware?

Will we _____ to _____ in _____ we _____ network infrastructure?

_____ require additional _____ to upgrade _____ infrastructure?

_____ we need to _____ new _____ or install _____ software _____ network _____?

_____ an _____ infrastructure _____ along with a new firmware?

Does _____ upgrade of network infrastructure call _____?

_____ an _____ of _____ infrastructure need _____ a new software?

Is _____ required _____ in added devices _____ we _____ network _____?

Has _____ of network infrastructure _____ more _____ and _____?

_____ will _____ involve buying more _____ and installing _____ software.

Do we have _____ more _____ update _____ network infrastructure?

_____ of the network infrastructure demand more _____ than _____ new _____?

How _____ is it that an _____ infrastructure will require _____ more _____?

_____ want to _____ infrastructure's hardware, will _____ expenses on _____ of the updated _____?

_____ an _____ the _____ infrastructure require _____ equipment _____ more _____ of latest _____?

Does _____ upgrade of _____ Call _____ and software?

Is it _____ devices while the network _____ and updated?

_____ new hardware _____ due _____ network _____?

Does an upgrade of the network infrastructure _____ firmware _____?

_____ the network infrastructure _____ more _____ than just _____ software?

_____ we need more _____ in equipment _____ of _____ network _____?

An upgrade _____ network infrastructure might _____ just the _____ versions _____ software.

Will _____ require new _____?

Does _____ our _____ require _____?

Does _____ upgrade of _____ infrastructure _____ hardware and updated _____?

_____ an _____ of the _____ infrastructure need _____ equipment _____ newer _____?

_____ an upgrade _____ network _____ more _____ investment?

Does _____ the _____ more equipment _____ just the latest editions _____ software?

_____ we need _____ buy more hardware _____ our _____?

upgrade _____ infrastructure _____ hardware?

_____ an _____ to our network _____ additional _____?

Does _____ upgrade _____ network infrastructure require more _____ than _____ new _____?

Is _____ of _____ network infrastructure _____ more equipment than _____ the _____?

Do _____ need _____ in added _____ upgrade _____ network setup?

_____ to invest in _____ equipment when _____ upgrade _____ infrastructure _____ perform firmware _____?

Is new _____ network upgrades?

_____ likely is it _____ an _____ demand buying _____ besides installing _____ firmware updates?

Is _____ need _____ acquisitions of _____ hardware _____ updating of the software _____?

Is an upgrade of network infrastructure _____ and _____?

Should we invest _____ more _____ for our _____ infrastructure?

_____ need _____ hardware in order to _____ upgraded?

Updating _____ network _____ demand buying new hardware _____ firmware.

Is _____ good idea to _____ in _____ hardware _____ firmware for _____ network _____?

_____ we expect to _____ to purchase new hardware _____ enhance _____?

_____ in added _____ required when we upgrade _____ network _____?

Will _____ in more hardware _____ we upgrade our _____?

Should we _____ a _____ hardware _____ order to enhance _____ network?

Does _____ upgrade _____ network infrastructure require more _____ latest _____?

_____ we expect _____ to _____ enhanced _____ new hardware and _____ of firmware?

Does improving _____ more _____?

Will _____ hardware be _____ in order _____ network _____?

Do we _____ to _____ hardware _____ a _____ upgrade?

Does _____ of a _____ infrastructure _____ for _____ hardware _____ software?

Does an _____ of _____ network _____ require more _____ just _____ newest _____?

Is a _____ infrastructure upgrade going _____?

_____ it possible to upgrade the network _____ extra _____?

_____ we _____ more hardware _____ install newer _____ in order to _____ system?

_____ additional _____ hardware when updating our network infrastructure?

Does _____ upgrade _____ network _____ call for _____ installations and _____?

_____ we have _____ on hardware _____ our network _____ keep up _____ new _____?

_____ the _____ buying _____ are required _____ improve our network?

_____ upgrade of the network _____ more equipment _____ of software?

Does _____ of our network _____ more hardware _____?

Will _____ purchase hardware _____ addition to _____ software _____ upgrade our network _____?

_____ to _____ the network _____ with more equipment than _____ newest _____?

_____ shell _____ more money for _____ when we upgrade _____ network?

_____ infrastructure need _____ hardware _____ firmware?

_____ need _____ spend _____ hardware _____ we _____ upgrade the network?

_____ an _____ of the _____ infrastructure required _____ newer software?

Is it _____ get additional hardware and _____ newer _____ our _____?

_____ necessary to upgrade the _____ infrastructure with _____ and _____?

_____ an _____ of the network infrastructure _____ equipment than _____?

Do we _____ more hardware when updating our _____?
 _____ upgrade _____ the _____ need more _____ than just the _____ versions?
 _____ it necessary to invest _____ devices _____ renovation as _____ firmware installation?
 _____ required to invest _____ new equipment _____ the upgrade _____ the _____?
 Does _____ upgrade _____ infrastructure Call for more _____ installations?
 _____ items _____ well as installing advanced firmware on _____ the _____?
 Do _____ require _____ to upgrade the _____?
 _____ we upgrade _____ infrastructure, should _____ purchase _____ hardware and _____?
 _____ to _____ in more hardware _____ upgrade our _____ infrastructure?
 _____ to upgrade our _____ infrastructure's _____ will there be added expenses on _____?
 Will an _____ infrastructure need _____ hardware?
 _____ hardware be _____ upgrade _____ infrastructure?
 _____ we _____ hardware and install _____ to update _____ network infrastructure?
 _____ there _____ an upgraded _____ infrastructure will _____ buying _____ than just _____ newer updates?
 _____ it necessary to _____ hardware _____ upgraded _____ infrastructure?
 Will Upgrading our network infrastructure _____ installing newer _____?
 _____ of _____ network infrastructure involve _____ equipment than just the _____ versions _____?
 Is _____ upgrade of _____ infrastructure _____ more hardware _____?
 _____ any extra requirements for new _____ upgrade our _____ setup?
 There is _____ that an upgraded _____ infrastructure will _____ buying _____ than _____ newer _____.
 Should we _____ networking system _____ hardware, _____ versions of software?
 While enhancing _____ setup _____ firmware, should we _____ funds _____ equipment.
 Does _____ more _____ than _____ the newest software?
 _____ upgrade _____ network infrastructure need _____ investments along _____ a _____?
 _____ an _____ the _____ infrastructure require _____ equipment than just the _____ software?
 If _____ want to _____ network _____ hardware _____ will there _____ added _____?
 _____ to invest in more devices _____ network _____ as well _____?
 Does _____ of network _____ require hardware investments along with _____?
 _____ it _____ upgrade the _____ or _____ the latest _____?
 _____ an _____ of _____ need _____ new firmware _____ hardware?
 Is there _____ need _____ additional devices during _____ updates _____?
 Does _____ upgrade of the network _____ the _____ firmware installations?
 Is network _____ upgrade _____ additional _____ updated _____?
 _____ an upgrade _____ the _____ infrastructure need _____ the newest _____ the software?
 Will _____ infrastructure _____ new hardware?
 _____ the need for _____ new hardware and updating _____ software _____ our _____?
 _____ we _____ to _____ network infrastructure _____ extra hardware?
 We _____ if _____ need _____ purchase more _____ network upgrade.
 _____ an updated _____ need _____ equipment?
 _____ more hardware or _____ the _____ to _____ our network?
 _____ the network infrastructure need _____ equipment _____ the current _____ of software?
 Is _____ network upgrade _____ to demand _____ hardware _____ firmware _____?
 When _____ our _____ infrastructure _____ we need _____ in _____ hardware?
 _____ an _____ of the network infrastructure _____ more _____ just _____?
 _____ upgrade of network _____ hardware investment?
 _____ we have to invest _____ hardware _____ network infrastructure?
 Will updating _____ infrastructure _____ hardware and updated _____?
 Is it necessary _____ infrastructure with _____ updated firmware?
 Does _____ of the _____ infrastructure require _____ than _____ latest versions of _____.
 _____ to spend _____ money on hardware _____ network infrastructure?

Purchasing _____ hardware _____ top of _____ software may _____ required _____ improve _____ network _____.

_____ networking _____ require additional hardware _____ newer _____?

Is _____ upgrade of network _____ hardware and _____ software?

_____ want to _____ network infrastructure's _____ be added expenses _____ updated Firmware?

If _____ want to upgrade _____ we _____ extra hardware?

Will _____ demand investment for added _____ upgrade _____ setup?

Is an _____ the _____ required _____ than just _____ latest installation?

Will _____ need _____ hardware to upgrade _____?

Does an _____ of _____ network _____ than _____ does the _____ software?

Is _____ network infrastructure upgrade _____ and updated _____?

Does _____ upgrade of the _____ involve more _____ just _____ software?

Do we _____ hardware _____ network?

_____ upgrade our networking system with _____ software?

_____ upgrading _____ require _____ equipment _____ just the latest software?

Will _____ more hardware _____ software _____ to upgrade our _____ system?

Does _____ of the network infrastructure requires _____?

Is an _____ network infrastructure _____ for _____ hardware and _____?

Is the network upgrade _____ hardware _____?

_____ of network infrastructure _____ more hardware and _____?

Will _____ be _____ purchases for _____ network _____?

_____ we _____ to invest _____ more hardware _____ upgrade the _____?

_____ the _____ need _____ hardware and _____?

Does an upgrade _____ the network infrastructure need _____ the _____ software?

_____ there _____ in added devices _____ we upgrade our _____?

Will upgrading _____ network infrastructure _____?

_____ is _____ upgraded network _____ will demand buying _____ equipment besides _____ updates?

_____ it necessary _____ upgrade _____ the _____ infrastructure _____ more equipment _____ just _____ new software?

If we want to upgrade _____ will _____ be _____ expenses on top _____ the _____ firmware?

Is _____ for _____ upgrade _____ the network infrastructure to _____ than just the _____ installed _____?

_____ an _____ infrastructure _____ investments along with a new _____?

_____ we need to _____ additional _____ or upgrade the software _____?

Will _____ upgraded _____ infrastructure _____ more _____?

Does _____ upgrade _____ the _____ infrastructure need _____ have _____ or newer _____?

_____ have _____ acquire _____ hardware and _____ of _____ upgrade our networking system?

What _____ an upgraded network infrastructure will require buying _____ than _____ installing _____ firmware _____?

Does a network _____ need hardware _____ new firmware?

Will an upgrade of _____ hardware and _____?

Will _____ infrastructure _____ necessitate _____ hardware?

_____ it likely _____ need to _____ more _____ the network?

Does the improvement _____ network _____ require _____ more hardware?

_____ to purchase _____ hardware _____ updated _____ to upgrade our _____ infrastructure?

Upgrading _____ network's _____ and _____ updated _____ requires _____ hardware.

_____ network _____ need more _____ and updated _____?

_____ the _____ changes demand _____?

_____ new hardware be required _____ an _____?

_____ upgrade of network infrastructure _____ for _____ installations?

_____ to _____ and install newer versions _____ upgrade our networking system?

Will _____ upgraded network infrastructure _____?

Is _____ necessary _____ invest in hardware _____ the network?

_____ upgrade of the _____ need more equipment than just _____?

____ we need ____ upgrade our ____ system ____ and software?
 ____ we ____ to buy ____ hardware and ____ updated ____ update ____ network?
 ____ upgrade of ____ infrastructure require hardware ____ along ____ a ____.
 ____ we have to invest ____ more ____ for updating ____?
 ____ we want ____ upgrade the network, are ____ to ____ hardware?
 ____ we upgrade the ____ infrastructure, ____ to ____ more hardware?
 Is the ____ of our ____ infrastructure ____ involve ____ hardware?
 ____ of the ____ may require more equipment ____ software.
 ____ need ____ additional ____ when ____ the network infrastructure?
 Will an upgraded ____ infrastructure ____ upgrade?
 Will ____ to ____ new ____ and ____ new software for our ____?
 ____ of the network infrastructure need more equipment than ____?
 ____ updating ____ network infrastructure demand ____ of ____ hardware ____ software?
 ____ we ____ additional ____ to upgrade ____ network ____?
 The ____ network infrastructure ____ more ____ than just ____ latest ____ of ____.
 Maybe an ____ of the network ____ than ____ the ____ software?
 How likely ____ upgraded network infrastructure will demand ____ more ____ than ____ installing ____?
 Can we ____ more ____ new ____ we upgrade ____ network infrastructure?
 ____ it ____ us ____ upgrade our network infrastructure with ____ and ____?
 ____ upgrade ____ the network ____ require more equipment ____ the ____ software?
 ____ need ____ the upgrade of the network?
 What is the chance ____ upgraded ____ infrastructure will ____ equipment than ____ installing ____?
 ____ to purchase ____ hardware ____ order to upgrade the ____?
 ____ network infrastructure upgrade need more equipment ____?
 If we want ____ upgrade ____ hardware, ____ additional expenses on ____ of updated ____?
 Will ____ be necessary to ____ new ____ software ____ our network ____?
 Will ____ network ____ hardware ____ be upgraded?
 ____ our network infrastructure ____ involve purchasing more ____ updating ____.
 ____ we going ____ have to ____ additional ____ and ____ versions ____ software ____ our networking system?
 ____ need to invest ____ more hardware ____ to upgrade ____?
 ____ upgrade of ____ need investments ____ along with ____ new installation?
 ____ chance that an ____ will ____ more equipment than just ____ updates?
 Is it ____ network and install ____ firmwares?
 ____ an upgrade ____ infrastructure require ____ equipment than the new ____?
 Does ____ network ____ hardware investments together ____ new firmware?
 Is ____ a need ____ of new hardware along ____ the ____?
 Does ____ of our network ____ more ____?
 Upgrading ____ network ____ will ____ hardware and installing ____ software.
 ____ a network ____ upgrade ____ more ____?
 Is an ____ network infrastructure necessary for more ____?
 ____ it take ____ hardware to upgrade ____?
 Does an ____ the network ____ more equipment ____ newsoftware?
 ____ of ____ infrastructure may ____ more equipment ____ just the new ____.
 Do ____ need ____ invest ____ network infrastructure upgrade?
 ____ an ____ of ____ network infrastructure require more equipment ____?
 ____ an upgrade of the network ____ require ____ equipment ____ just a ____?
 ____ upgrade of ____ infrastructure call ____ hardware ____?
 ____ we need more ____ improvements?
 Do ____ think ____ upgrade of ____ infrastructure ____ more ____ or newer ____?
 Does ____ the network ____ requires more equipment ____ the ____ recent ____?

Will new _____ required for the _____?

Should we _____ to _____ hardware _____ order _____ enhance _____ network infrastructure?

Is _____ update _____ software _____ purchase additional hardware to _____ the _____?

_____ it _____ to _____ our _____ infrastructure _____ hardware and installing new _____?

Should we expect _____ need _____ of _____ hardware, as _____ as updating _____?

_____ require purchasing more hardware to _____?

Do we _____ in _____ equipment when we upgrade _____?

_____ we _____ more _____ for the _____ upgrade?

Does an _____ of _____ more _____ or _____ of new software?

There is a chance _____ an _____ demand _____ more equipment than _____ newer _____.

_____ in our _____ require additional hardware investment.

_____ a chance _____ upgraded network infrastructure _____ buying _____ equipment besides _____ firmware updates.

_____ it _____ for _____ invest _____ and upgrade our network setup?

_____ we need more _____ our _____ infrastructure?

_____ to upgrade _____ infrastructure _____ more _____ just the latest software?

_____ we _____ the _____ infrastructure's hardware _____ well, will _____ be added _____?

Is there _____ of _____ infrastructure _____ for _____ hardware?

_____ the _____ of _____ network _____ more equipment _____ latest installation of software?

Do an _____ of _____ call for _____ hardware _____?

_____ need _____ purchase additional hardware and install _____ software _____ our _____?

Do _____ of network infrastructure call _____ hardware _____?

_____ an _____ the _____ infrastructure _____ equipment than _____ the newest software?

Does _____ upgrade of network _____ for _____ software?

_____ we _____ invest more hardware to _____ our _____?

Does an upgraded _____ for _____ hardware and _____?

_____ an upgrade of _____ infrastructure _____ equipment than _____ the latest _____?

Does _____ require _____ more _____ or updating _____ improve _____ network?

Will an _____ network infrastructure require _____ new _____?

_____ it necessary to _____ hardware on top of _____ the software _____?

_____ updating our network infrastructure do _____ in additional _____?

_____ we need to invest _____ more _____ upgrade _____?

Will _____ network infrastructure be upgraded _____ new _____?

Will we see _____ in added devices _____ setup?

_____ an upgrade of network _____ and installations?

_____ true _____ an upgrade of the _____ infrastructure _____ more _____ than _____ software?

_____ we need to buy _____ install updated _____ network?

_____ for us _____ upgrade _____ network setup besides _____ the _____?

Should _____ expect _____ need acquisitions _____ new hardware to _____?

_____ it likely that we will _____ to _____ upgrade _____ network?

_____ we _____ upgrade our _____ as well, _____ we _____ to pay _____ expenses?

Is it possible _____ infrastructure with _____ updated firmware?

_____ upgrade _____ infrastructure need more hardware _____ updated _____?

_____ an upgrade _____ call for more hardware and _____?

What _____ the _____ that _____ infrastructure will _____ more _____ just installing _____ updates?

_____ you mean that _____ upgrade of the _____ infrastructure _____ equipment _____ latest _____?

Will _____ demand investments in added _____ our _____ setup?

Should we invest in more _____ for _____ network _____?

Does an _____ of the _____ need _____ the newer _____?

Should _____ of _____ hardware _____ with _____ to _____ our network infrastructure?

Is it _____ that an upgraded _____ demand _____ than just installing _____?

Is upgrading _____ going _____ require new _____?

_____ an upgrade _____ infrastructure need _____ have _____ hardware and _____?

Do _____ to _____ in _____ to _____ the network?

Will the _____ require _____ hardware purchases or _____?

Does the _____ upgrade _____?

Does _____ upgrade of the _____ infrastructure _____ the new installed _____?

Should _____ invest _____ more _____ with an _____ to the _____?

_____ we have _____ buy _____ hardware when _____ upgrade the _____?

Does _____ upgrade _____ network infrastructure _____ equipment than new _____?

_____ hardware _____ required to _____ network infrastructure?

_____ the network infrastructure _____ updated software?

_____ an upgrade of _____ more hardware and _____?

_____ we need _____ buy _____ hardware to upgrade _____?

_____ it necessary to upgrade _____ as well _____ hardware?

_____ need more _____ when _____ upgrade the _____?

Is _____ upgrade of network _____ more _____ and software?

_____ the network upgrade require _____ hardware purchases _____?

Will _____ network _____ buying _____ hardware and updating our _____?

_____ the network _____ new _____ purchases?

Will _____ to a _____ infrastructure _____ new _____?

Is it necessary _____ to have additional _____ and _____?

Is an _____ of the _____ infrastructure _____ just the new _____?

Are we going to _____ invest _____ devices _____ upgrade our _____?

_____ our _____ infrastructure and installing _____ firmware _____ additional _____.

_____ network infrastructure _____ additional hardware?

Does _____ upgrade _____ network infrastructure _____ more hardware _____?

_____ network _____ new hardware?

_____ upgrade _____ the _____ require more _____ just the newest software?

_____ an _____ of the network _____ for _____ than _____ latest versions of the _____?

_____ we need to _____ and install _____ software to _____ system?

_____ the network infrastructure _____ for _____?

Is it _____ to _____ hardware _____ the _____ our network backbone?

Do _____ to buy more _____ to _____ network?

_____ upgrade of the network infrastructure _____ equipment _____ just the _____?

_____ an _____ the _____ require _____ equipment than just the _____ update?

_____ we need _____ invest _____ devices _____ a network _____ upgrade?

_____ it necessary to invest in _____ update _____ our _____?

Do you know if _____ expensive _____ gadgets _____ network?

Does an _____ of the _____ necessitates more _____ than just _____?

Should an _____ network _____ hardware?

_____ of network _____ call _____ hardware and software?

Does _____ upgrade _____ for more hardware and _____?

_____ is _____ that an _____ demand _____ more equipment besides _____ newer software.

_____ want to _____ there be added expenses on top _____ updated firmware?

_____ to _____ in more hardware _____ to _____ network infrastructure?

_____ it demand investment in _____ when we _____?

_____ required _____ the _____ install the latest firmware?

_____ our network infrastructure _____ buying _____ hardware and _____ new _____?

_____ we _____ to acquire _____ install newer software _____ our network?

_____ it _____ upgraded _____ will _____ buying more equipment _____ installing newer software?

Do ____ need to ____ in equipment ____ upgrade ____ our ____ system?
 ____ an upgrade of network infrastructure ____ updated ____?
 ____ the ____ network infrastructure need ____?
 ____ an upgrade ____ the network ____ equipment ____ just the ____ versions ____ software?
 Does ____ upgrade ____ infrastructure need more equipment than ____ newest ____?
 ____ expect the need ____ of new hardware ____ firmware ____ our network infrastructure?
 Will there be ____ expenses if ____ network ____ too?
 ____ we want ____ the network, ____ to spend ____ hardware.
 Do ____ to purchase more ____ upgrade ____ infrastructure?
 Does ____ upgrade of network ____ require ____ investments alongside ____?
 ____ we need ____ purchase ____ hardware to ____ our ____?
 ____ an ____ of the network ____ more equipment than ____ new ____
 ____ an upgrade ____ network infrastructure ____ more equipment ____ just ____ latest ____?
 ____ the need ____ hardware ____ the network infrastructure ____?
 Is updating our ____ to require buying ____ hardware ____ new ____?
 Does ____ make sense to ____ hardware ____ firmware for ____ network ____?
 Does an ____ of ____ network ____ need ____ equipment ____ software?
 If we want to ____ our ____ infrastructure's hardware ____ there ____ expenses ____ top ____ the updated ____?
 ____ network ____ call for more ____ and software?
 does an ____ of network infrastructure ____?
 Is an ____ the ____ more equipment ____ just new ____?
 ____ of the ____ infrastructure ____ more equipment than just ____ fixes?
 Is ____ the ____ infrastructure required ____ than just software?
 ____ upgrade ____ network ____ than simply the latest versions ____ the software?
 Will we ____ to buy ____ install ____ software ____ order ____ update our ____?
 Will ____ need ____ invest ____ hardware ____ to upgrade ____ network infrastructure?
 ____ upgrade of ____ require more ____ or newer ____?
 ____ it require more hardware ____ our ____?
 ____ we ____ invest more ____ hardware to upgrade ____?
 ____ we need ____ in ____ equipment ____ the ____ of ____ network system?
 ____ want ____ upgrade our network infrastructure ____ will there be ____ costs ____ top ____ firmware?
 ____ to ____ new ____ and ____ software to update our network ____?
 Do ____ think that an ____ the ____ infrastructure ____ more ____ just ____ newest ____?
 Is ____ to ____ new hardware purchases?
 ____ an ____ of ____ need ____ hardware ____ updated software.
 ____ of the network infrastructure need more ____ than ____?
 ____ there ____ upgrade the network and ____ latest firmwares?
 When ____ network's ____ we need more hardware?
 There is ____ an ____ network ____ will require buying more ____ newer software.
 ____ it ____ network ____ demand new hardware ____?
 ____ network infrastructure ____ hardware and updated Firmware?
 Does an ____ infrastructure need ____ hardware ____ software?
 ____ it ____ to invest in ____ hardware ____ network?
 Will ____ need ____ buy ____ hardware ____ install updated software ____ update ____?
 Are we required ____ invest ____ the network?
 ____ we required to buy ____ for our ____?
 Do we ____ to ____ in more hardware ____ network ____ to ____?
 ____ we need to ____ in ____ to ____ network?
 Does an upgrade ____ require a ____ investment?
 Does ____ network infrastructure ____ more equipment ____ just current ____?

Do ____ upgrade of ____ infrastructure ____ hardware ____ software?

Will ____ need new hardware ____ to ____ network ____?

Does an upgrade of ____ infrastructure ____ investments ____?

____ upgrade of network ____ require ____ investment along ____ firmware installation?

Do ____ need ____ invest more in hardware ____ order ____?

Will new hardware be ____ to the ____?

____ expect to ____ to ____ new ____ to enhance ____ network infrastructure?

____ hardware during the upgrade of our ____?

____ it necessary ____ invest ____ additional equipment ____ we upgrade ____ infrastructure and ____?

____ upgrade of ____ calls for more ____ and ____ installations?

If ____ want to upgrade our ____ there be ____ on expenses?

____ there ____ that ____ upgraded network ____ buying more ____ just installing newer updates?

____ upgrade our networking system with ____ and ____?

Do ____ have to ____ in ____ to ____ network infrastructure?

Do ____ need ____ hardware ____ network infrastructure upgrade?

____ network ____ upgrade needs ____?

Does an ____ of ____ infrastructure Require ____?

____ for more hardware to update ____ infrastructure?

____ an ____ infrastructure call ____ more hardware investment?

Will ____ updates require ____?

____ upgrade ____ the ____ need more equipment than just the ____?

____ it ____ hardware to ____ our network?

____ require ____ more hardware ____ software to ____ our ____?

____ it necessary ____ and ____ software to improve ____ network?

Will it ____ we upgrade our network setup?

____ need ____ in ____ hardware ____ updating the network?

Do you think an ____ the network ____ more installations of ____?

Does ____ of ____ infrastructure ____ hardware ____ along ____ a ____ firmware?

____ an ____ of the ____ infrastructure necessitates more ____ than just ____?

Do you ____ an ____ network infrastructure requires ____ than just ____?

____ advanced ____ installations alongside ____ network demand purchasing ____ hardware ____?

Do ____ invest in more ____ for ____ upgrade?

Does ____ upgrade ____ the network infrastructure ____ more ____?

____ there ____ need ____ acquisitions of new ____ with ____ our ____ infrastructure?

Does ____ more ____ updating the ____ improve the network?

____ the ____ more equipment is ____ our network structure.

Does ____ hardware and ____ the ____ improve our network?

Will our network ____ need ____?

____ upgrade of ____ network infrastructure require more equipment ____ installed ____?

How ____ is ____ an upgraded network ____ require ____ more equipment besides ____ installing ____?

Does an upgrade ____ more gear than ____ the ____ software?

Is it ____ more ____ during infrastructure updates ____ changes?

____ necessary ____ invest in new ____ of our network system?

____ we ____ upgrade ____ network, will we need ____ spend ____ on ____?

Do ____ to add more ____ to ____ network?

Will ____ demand ____?

____ we ____ to purchase ____ hardware and ____ to improve ____ network?

If ____ to upgrade the ____ we ____ invest in more ____?

____ upgrade of ____ for ____ hardware and software.

Will ____ demand ____ in more ____ when ____ our ____ setup?

Does _____ infrastructure need _____ hardware and _____?

Is an _____ of network infrastructure _____ for _____ and _____?

Is _____ of the network infrastructure necessary _____ hardware _____?

Will _____ network _____ new purchases _____?

_____ upgrade of network _____ needs more hardware _____?

When _____ upgrade our network _____ do we _____ hardware?

_____ upgrade _____ network _____ require more equipment than just _____ software?

_____ an upgrade _____ network infrastructure require _____ equipment _____ just _____ recent _____ installs?

Does an _____ require _____ equipment _____ just the _____ software?

_____ we _____ buy _____ during _____ upgrade _____ our network system?

Do we _____ invest in _____ we _____ network infrastructure?

Are we required to _____ more _____ our _____ infrastructure?

Does _____ of _____ network infrastructure need more _____ installs of _____ software?

Do _____ have to _____ equipment _____ want to _____ our _____ infrastructure?

_____ investment _____ additional devices to _____ our network _____?

Are we _____ to _____ equipment _____ our _____ infrastructure?

Is it necessary _____ purchase more _____ upgraded firmware _____ network infrastructure?

Does an _____ of network _____ hardware and _____?

_____ of _____ network _____ requires _____ or _____ installations of new software?

_____ an _____ the _____ infrastructure require more _____ and _____?

Should _____ expect _____ to _____ new _____ along with updating _____ enhance _____ network infrastructure?

We _____ our network _____ but are there _____ added requirements _____?

_____ an upgrade of _____ require more _____ than _____ the latest _____ software?

_____ an _____ of _____ network infrastructure need hardware investments _____ firmware?

_____ an _____ of _____ network _____ need _____ equipment than _____ newest software?

We _____ know _____ need _____ purchase _____ hardware for _____ network _____.

Is there _____ hardware while _____ upgrade our network _____?

Will buying _____ hardware and _____ be _____ update our _____ infrastructure?

Is an _____ infrastructure _____ for more _____?

_____ an _____ of the network _____ require _____ equipment _____ the _____ software?

_____ need to _____ additional hardware _____ the _____ to _____ our network?

Will _____ upgrade _____ network infrastructure _____ additional hardware and _____?

_____ need new hardware _____ our network _____?

We don't _____ we _____ hardware _____ our network upgrade.

_____ have to _____ in _____ devices if _____ our network _____?

Does _____ of _____ infrastructure require _____ improved software?

Do _____ need _____ updating _____ network?

Does _____ of _____ need more equipment _____ is new _____?

_____ a _____ infrastructure _____ more _____ just the new software?

_____ new hardware _____ required _____ we upgrade _____?

Updating _____ network _____ will likely _____ hardware and updating _____.

_____ we _____ purchase additional _____ top of _____ to improve our network?

_____ we _____ additional _____ for _____ when we _____ our network _____?

_____ of network _____ call for more _____ installation?

Does _____ of the _____ infrastructure require _____ equipment _____ just _____.

_____ an upgrade _____ network infrastructure _____ more _____ updated installations?

Is _____ possible to upgrade our network _____ hardware _____?

_____ we need _____ more hardware _____ we upgrade _____?

_____ the _____ of the _____ infrastructure required _____ equipment _____ the _____ software?

Are we going _____ hardware _____ we upgrade _____?

When we _____ our network infrastructure, _____ need _____?

_____ we purchase _____ hardware _____ software to improve _____ network?

_____ have to acquire _____ in order _____ improve our network?

_____ the upgrade of _____ infrastructure _____ new _____?

_____ new hardware _____ upgrade _____ network infrastructure?

Will we _____ to _____ hardware and _____ software _____ our _____ infrastructure?

_____ our _____ infrastructure need _____ hardware _____ we _____?

_____ we need _____ more hardware and _____ our network infrastructure?

If _____ to upgrade the _____ will we have _____ money _____?

_____ an _____ of network _____ required for more _____?

Does _____ of the _____ need _____ equipment than simply _____ software?

Do _____ need _____ hardware _____ network infrastructure?

_____ updating our network infrastructure _____?

Does an _____ of the _____ equipment or _____ of _____ software?

Does _____ upgrade _____ hardware investments along with a _____?

Does _____ upgrade _____ the _____ infrastructure _____ just the most recent _____ installation?

_____ hardware _____ upgrade our network infrastructure?

Does an upgrade of _____ network _____ need more equipment than _____?

_____ we _____ more _____ update the network _____?

Does _____ upgrade of the _____ infrastructure require more _____ most recent _____?

_____ of the network _____ for more equipment _____ the new _____?

Does an _____ of _____ infrastructure require _____ than the _____?

Will new hardware be _____?

_____ we have to invest _____ if _____ our _____ infrastructure?

Does _____ upgrade _____ the _____ infrastructure _____ more equipment than _____ the software?

Will _____ required _____ network upgrade?

_____ we _____ upgrade our network infrastructure's _____ will there be _____ added _____ top _____ updated _____?

Is an _____ of _____ infrastructure needed _____ hardware _____?

_____ new _____ be _____ for an _____ infrastructure?

Does an upgrade _____ the _____ need _____ equipment _____ software.

_____ firmware installations _____ revamping the _____ demand purchasing _____ hardware as _____?

Does _____ the _____ infrastructure need _____ or _____ of latest software?

Should we _____ acquisitions of new _____ updating firmware _____ enhance our _____ infrastructure?

Does an _____ of _____ more equipment and newer _____?

_____ we _____ to _____ new hardware _____ new firmware?

Do _____ need to invest _____ in _____ update _____ infrastructure?

Will _____ network _____ demand new hardware _____ Firmware _____?

When we _____ we _____ to invest _____ more hardware?

Do an _____ of _____ need _____ along with _____ firmware?

Is _____ to invest in extra devices _____ network _____ as _____?

_____ updating _____ and purchasing more _____ are _____ to improve _____?

_____ need _____ more equipment _____ we want _____ upgrade our _____ infrastructure?

Does _____ upgrade _____ infrastructureRequire _____ equipment than the newest _____?

Will the networkupgrades _____?

_____ upgrade _____ the network infrastructure _____ equipment than just the _____?

Has _____ upgrade _____ infrastructure _____ for more _____ software?

Should _____ expect _____ to _____ hardware _____ order to enhance our _____?

_____ of _____ require more _____ than just a new version of _____?

Will _____ to invest _____ devices _____ we upgrade our _____?

_____ infrastructure upgrade demand new _____?

_____ alongside revamping _____ network demand purchasing _____ hardware items?

_____ upgrade of _____ network _____ hardware and software?

Will we _____ to upgrade the network infrastructure?

_____ make sense _____ purchase _____ hardware _____ the software _____ our network?

_____ upgrade _____ the network _____ require _____ gear _____ the new software?

_____ need to _____ more hardware _____ network upgrade?

_____ an _____ network infrastructure _____ hardware _____ along with _____ new _____?

Will _____ demand new hardware _____ only firmware _____?

_____ of _____ network infrastructure need more _____ than _____ the latest _____ software?

_____ an upgrade _____ the network infrastructure required _____ equipment _____?

Will it require _____ our network setup?

Does an _____ of the network _____ equipment than _____ the _____?

Should we invest _____ more _____ for our network _____?

Do _____ have to _____ more _____ upgrade our network?

Do _____ need new _____ our network _____?

Do we _____ to upgrade the network _____?

Upgrading our _____ require _____ hardware

Does _____ upgrade _____ network _____ requirement more equipment _____ software?

_____ network infrastructure _____ more equipment than just _____ software?

Is _____ necessary _____ additional _____ and upgrade _____ to improve _____ network?

_____ an _____ of _____ infrastructure need _____ investment _____ hardware?

_____ there _____ more devices during _____ renovation as well _____ firmware installation?

Upgrading _____ network _____ require _____ investments than updating the _____.

Does an _____ the _____ infrastructure call for _____ equipment than _____?

_____ the network _____ upgrade _____ hardware and updated _____?

_____ it _____ to _____ by purchasing _____ hardware _____ installing new software?

Is it necessary for _____ network _____ to _____ equipment _____ just new _____?

_____ an upgrade of the network infrastructure _____ more _____ installed _____?

Is _____ upgrade _____ network _____ that _____ more _____ or newer _____?

Does _____ our network require _____ of _____?

Implementing advanced firmware installations _____ revamping _____ network _____ items.

_____ an _____ of _____ infrastructure require _____ than _____ a new _____ installation?

Upgrading our _____ require _____ along with _____ versions of _____.

Will _____ infrastructure _____ a new _____?

Is _____ upgrade _____ network infrastructure _____ for more _____ software?

_____ network _____ upgrade _____ more _____ updated firmware?

Will _____ need to _____ to upgrade _____ infrastructure?

Is _____ for more devices to _____ updates and firmware _____?

_____ need to _____ more on _____ to _____ network infrastructure?

Does an upgrade of _____ need _____ equipment as the _____?

Does a _____ equipment than _____ the _____ software?

_____ not know if _____ need _____ hardware _____ our network upgrade.

_____ we _____ to _____ equipment in order _____ the _____ infrastructure?

Does _____ of the _____ infrastructure required _____ than _____ new software?

Does _____ upgrade of the _____ more _____ and installations?

_____ the _____ for _____ hardware and updated firmware?

Is it necessary _____ more hardware and _____ the _____ in _____ backbone?

Does _____ upgrade of _____ infrastructure _____ more _____ installation?

_____ we expect _____ for new hardware _____ our network?

Does _____ upgrade _____ the _____ infrastructure require _____ just the _____ software.

____ an ____ of network infrastructure call for ____ ____ ____ ____ ?
 ____ ____ ____ the network infrastructure ____ more hardware and ____ ?
 Doesn't ____ upgrade ____ network ____ call ____ more ____ and ____ ?
 ____ we going ____ ____ ____ hardware ____ install newer software ____ upgrade our ____ system?
 ____ ____ ____ enhancing the network setup, ____ we allocate funds for ____ ____ .
 ____ ____ upgrade of the network ____ require more ____ ____ just ____ software ____ ?
 Is ____ ____ need ____ acquisitions of new ____ ____ with updating ____ ?
 Should ____ invest in ____ ____ alongside upgraded ____ for ____ network ____ ?
 Does an ____ ____ the ____ infrastructure require ____ equipment than ____ the ____ version ____ ____ ?
 Do ____ ____ more hardware in ____ ____ upgrade ____ network ____ ?
 ____ ____ upgrade ____ ____ network ____ really ____ ____ equipment than just ____ newest software?
 ____ ____ upgrade ____ the ____ infrastructure ____ more equipment than ____ ____ versions of software?
 Does ____ upgrade ____ network infrastructure need hardware ____ ____ ____ firmware?
 Is updating ____ network ____ demand buying ____ ____ and ____ ____ software?
 ____ ____ upgrade ____ the network ____ need more ____ than just ____ versions ____ software?
 ____ ____ ____ of ____ infrastructure need ____ hardware and ____ installations?
 Do ____ ____ additional hardware ____ ____ upgrade of ____ ____ infrastructure?
 Does an upgrade ____ network ____ more ____ ____ updated ____ ?
 ____ ____ our network ____ do we need to ____ in ____ ____ ?
 If ____ ____ ____ our network ____ hardware as well, will ____ ____ ____ expenses?
 ____ ____ ____ the network infrastructure might need ____ equipment ____ just ____ new ____ .
 ____ an upgrade ____ ____ network infrastructure need ____ equipment ____ only ____ ____ versions ____ software?
 Is it ____ to ____ additional ____ ____ top of updating the ____ ____ ____ our ____ ?
 ____ ____ upgrade ____ network ____ demand more hardware ____ updated ____ ?
 Will we need to ____ in ____ ____ ____ ____ our networks?
 ____ ____ upgrade ____ the network infrastructure ____ more ____ ____ just the ____ installations?
 ____ a network upgrade need more ____ than ____ ____ ?
 Is it ____ ____ additional ____ and ____ ____ software ____ ____ to ____ our network backbone?
 Do ____ need to purchase ____ equipment ____ upgrade ____ ____ ?
 Does ____ upgrade of ____ network ____ ____ ____ than ____ the newsoftware?
 Can we expect to ____ ____ ____ ____ updating our network ____ ?
 ____ an ____ of ____ network ____ ____ more ____ than just new ____ software?
 ____ there an additional requirement for new ____ ____ while ____ ____ our ____ ____ ?
 ____ we ____ the ____ for acquisitions ____ ____ hardware ____ addition ____ ____ the firmware?
 Does the upgrade ____ ____ ____ ____ more ____ and installations?
 Is ____ ____ to ____ our ____ ____ with ____ hardware ____ updated firmware?
 ____ are ____ ____ that ____ upgraded ____ ____ will ____ buying ____ equipment ____ just installing newer software?
 Do ____ ____ to ____ ____ more hardware to ____ ____ network infrastructure?
 Will ____ ____ purchase extra ____ ____ upgrade our network?
 ____ ____ upgrade ____ network infrastructure necessary ____ ____ hardware ____ updated installations?
 If we want ____ ____ network ____ ____ there be ____ expenses ____ top ____ the updates?
 ____ ____ need to ____ ____ more devices and ____ software during ____ network ____ ?
 Can ____ upgrade of network infrastructure ____ ____ ____ software?
 ____ we ____ to ____ ____ hardware and ____ ____ software for our ____ infrastructure?
 Does ____ ____ ____ ____ require hardware and a ____ firmware?
 ____ it necessary for ____ to buy ____ ____ in ____ to ____ ____ network?
 ____ we ____ ____ extra hardware in order to ____ ____ infrastructure?
 Does ____ upgrade ____ the ____ infrastructure need ____ ____ than the ____ ____ ?
 Does ____ ____ ____ network infrastructure ____ more hardware and ____ ?
 Will ____ need to acquire ____ ____ and install ____ software ____ we ____ ____ ____ system?

_____ we want to upgrade _____ network _____ hardware _____ there be additional _____ associated _____ ?
 _____ want to _____ our network infrastructure's hardware, _____ additional costs _____ of the updated _____ ?
 Will _____ need to _____ hardware in _____ upgrade the _____ ?
 _____ an _____ the network _____ calls for _____ hardware _____ ?
 Is it _____ upgrade our _____ hardware and newer _____ ?
 Is _____ necessary _____ additional hardware _____ update _____ to improve the _____ ?
 _____ advanced _____ installations along with _____ network demand purchasing supplementary _____ .
 _____ infrastructure upgrade _____ hardware and updated _____ ?
 _____ investment _____ be _____ on _____ upgrade of our _____ setup?
 _____ the _____ as much equipment as new software?
 _____ think _____ upgrade will demand new hardware _____ ?
 Is _____ to _____ additional equipment while _____ network infrastructure?
 Does _____ of _____ more equipment than just _____ installation of technology?
 Will _____ be required to _____ our _____ ?
 _____ an _____ the network infrastructure _____ or _____ installations _____ newer software?
 Implementing advanced _____ alongside revamping _____ demand purchasing _____ hardware _____ be _____ .
 _____ we _____ our network infrastructure's hardware, _____ additional expenses _____ of _____ current updated
 firmware?
 Is it _____ installations _____ revamping the _____ for supplementary hardware?
 _____ upgrade of _____ call for more hardware and _____ ?
 Are _____ to need _____ invest _____ more hardware _____ upgrade _____ ?
 Is _____ new hardware purchases or _____ updates?
 Has an _____ the _____ infrastructure required _____ more _____ latest software?
 Is it _____ buy _____ in _____ upgrade the network?
 _____ an _____ of _____ more equipment than just the newest _____ ?
 What _____ likelihood _____ upgraded _____ infrastructure will _____ buying more equipment than just _____ ?
 _____ demand new equipment?
 Does an _____ of the _____ infrastructure _____ equipment _____ most _____ firmware installation?
 Does _____ network infrastructure _____ equipment than _____ the newest _____ ?
 _____ the _____ require additional hardware and _____ firmware?
 Is _____ necessary to _____ our _____ with _____ newer software?
 _____ we _____ to _____ of _____ hardware to enhance _____ network?
 _____ it _____ for _____ purchase _____ for the network upgrade?
 _____ upgrade _____ network infrastructure with more hardware _____ newer _____ ?
 _____ the upgrade of _____ infrastructure _____ hardware and _____ ?
 Does _____ infrastructure _____ for more hardware _____ software?
 _____ the upgrade _____ requiring _____ equipment _____ the new software?
 Will _____ invest _____ more _____ when we _____ network's infrastructure?
 If we want _____ upgrade _____ network _____ will there be additional _____ top _____ updated _____ ?
 Adding more hardware _____ be _____ to upgrade our networking _____ .
 Will _____ and newer software _____ to upgrade our _____ system?
 _____ upgrade of _____ require _____ equipment than just _____ newest software?
 Purchasing _____ the software may _____ required _____ improve our _____ .
 Does an _____ of _____ equipment than just the _____ firmware _____ ?
 _____ there more hardware _____ for _____ ?
 Will Upgrading the _____ demand _____ ?
 _____ be needed for our _____ upgrade?
 Is it _____ infrastructure with _____ hardware _____ updated software?
 Will we _____ to _____ install newer software to upgrade _____ ?
 Is it _____ our _____ system _____ more _____ and _____ software?
 Do you _____ network _____ requires _____ hardware and installations?

Do _____ invest _____ new _____ during _____ upgrade of our _____ system?
 _____ it necessary to _____ new hardware and _____ updated _____ infrastructure?
 _____ of _____ might require more _____ than _____ the new software.
 Does an _____ network infrastructure _____ equipment than a _____?
 Does the network _____ hardware
 Do we _____ out _____ for _____ if _____ want to upgrade _____ network?
 Does _____ our network infrastructure _____ hardware?
 Do we _____ to put _____ hardware to _____ network's _____?
 _____ the _____ of network infrastructure require _____ software?
 _____ necessary _____ purchase _____ hardware for _____ network upgrade?
 _____ need more hardware _____ network _____ to _____ upgraded?
 _____ we need _____ new _____ when we _____ our network?
 If we _____ upgrade _____ network infrastructure's _____ there _____ added expenses _____ updated _____?
 _____ you think an upgrade of _____ network infrastructure _____ more _____ software?
 _____ updating _____ network _____ the purchase of _____ hardware?
 Do you _____ an _____ network infrastructure _____ more _____ than just the _____?
 Are _____ required _____ more _____ to upgrade our _____?
 Does _____ upgrade _____ the _____ require _____ equipment than just newer _____?
 _____ we expect _____ expenses for _____ we _____ our network infrastructure?
 _____ an _____ infrastructure require more _____ and installations?
 _____ the _____ of the network infrastructure _____ more _____ the _____ installation?
 _____ new hardware _____ required in _____?
 Do we _____ new _____ the upgrade of _____ network system?
 _____ hardware be required when _____?
 Does Upgrading _____ infrastructure _____ hardware _____ along with a _____ firmware _____?
 Does an _____ need hardware investments, as _____ as _____ firmware?
 Is _____ network _____ need _____ hardware _____ firmware?
 _____ invest _____ in new _____ upgrade of our network system?
 Do _____ more hardware when we _____ network _____?
 Is it _____ to acquire _____ and _____ upgrade the networking _____?
 _____ it _____ purchase additional hardware and update _____ to _____ our _____.
 Do we _____ to fix _____ network _____?
 _____ wonder if an _____ network infrastructure requires more equipment _____ just _____.
 _____ the network _____ upgrade need _____ hardware and _____?
 Does an _____ of the _____ infrastructure call _____ hardware _____?
 _____ the network _____ hardware purchases or _____ updates?
 Does the _____ of _____ network _____ more hardware _____?
 _____ it possible to upgrade the network _____ equipment than _____?
 Do we need _____ in order _____ upgrade _____ network?
 _____ to purchase _____ hardware _____ improve our network?
 Do _____ have _____ more hardware _____ we _____ network infrastructure?
 Does an _____ of _____ infrastructure need _____ installations?
 Do _____ need to _____ more equipment in _____ infrastructure?
 Will upgraded _____ need _____?
 _____ an upgrade _____ the _____ infrastructure _____ than just _____ new software?
 _____ more _____ the upgrade of _____ network system?
 _____ an _____ network _____ hardware investments as well?
 _____ necessary _____ the _____ and _____ the latest firmware?
 _____ it necessary _____ update the _____ purchase _____ hardware to _____ network?
 _____ an _____ of network _____ call _____ an _____ of _____ installations?

Will new _____ required _____ the upgrade of _____ ?

_____ a network infrastructure _____ additional _____ firmware?

_____ it _____ for _____ infrastructure to have additional _____ software?

_____ tell _____ if fixing _____ network _____ new gadgets?

Does an _____ network infrastructure _____ hardware investments with _____ ?

_____ advanced _____ installations _____ revamping the network _____ additional _____ items?

_____ we _____ hardware and _____ updated software _____ update _____ network infrastructure?

_____ upgrade of _____ needs more equipment _____ the newest software?

Does an _____ new hardware investments?

Will _____ our _____ require new hardware?

_____ possible that _____ network infrastructure will demand _____ new _____ ?

Do _____ need _____ our _____ infrastructure _____ more hardware and _____ ?

Does an _____ requires more equipment than just the _____ ?

_____ you think an _____ of the network _____ equipment _____ the _____ installation?

_____ there _____ need _____ of _____ with _____ firmware to enhance the network infrastructure?

_____ there _____ to improve _____ network infrastructure?

_____ to _____ the network _____ more _____ and updated software?

_____ upgrade of the _____ infrastructure _____ more equipment than _____ newest _____ ?

Will _____ to _____ and install _____ firmware to _____ our _____ infrastructure?

Updating our _____ infrastructure _____ installing new _____ hardware.

Does _____ our _____ involve _____ more _____ ?

_____ system will _____ additional hardware and newer _____ .

_____ a chance that an _____ infrastructure _____ buying _____ than just installing _____ software?

_____ an _____ of network infrastructure _____ more _____ and _____ ?

Does _____ upgrade _____ the _____ infrastructure _____ equipment _____ just the installation _____ ?

_____ there more _____ for an upgraded _____ ?

Will we _____ to purchase extra hardware and install _____ ?

Does _____ demand _____ purchases?

_____ we need to _____ in _____ when we upgrade _____ ?

Should we _____ more hardware _____ upgraded _____ our network?

_____ want to upgrade our network _____ will _____ be added _____ of _____ updated Firmware?

Does _____ upgrade of _____ infrastructure required _____ versions of the software?

_____ to add more _____ to _____ the network's _____ ?

Is it _____ to _____ hardware _____ install _____ to _____ our _____ infrastructure?

Should we _____ more hardware with the _____ firmware _____ ?

_____ of the network _____ along with a new update?

_____ we expect to need to _____ new _____ in _____ our _____ ?

_____ of _____ infrastructure may _____ more hardware _____ software.

_____ upgrade _____ network _____ more hardware or _____ installations?

_____ update of _____ need hardware _____ along with _____ firmware?

_____ upgrade _____ the _____ infrastructure _____ more _____ than the latest _____ installation?

Upgrading _____ networking system will _____ additional _____ along _____ .

_____ we have to _____ order to _____ our network?

Would _____ the _____ hardware items?

Can we _____ infrastructure _____ and updated firmware?

Does _____ upgrade _____ the _____ infrastructure require _____ equipment _____ just the _____ ?

Will updating _____ new hardware and newer _____ ?

_____ need to spend more money on hardware _____ ?

_____ network _____ requirement for more _____ and installations?

Will buying _____ and installing _____ demand _____ our network _____ ?

_____ the network _____ more _____ or more installations _____ latest software?

Are we going _____ more _____ newer software _____ networking system?

Do _____ need _____ to _____ the network's _____?

_____ network infrastructure _____ more hardware _____ installations?

_____ upgrade of _____ infrastructureRequire _____ investments along _____ new firmware?

Does _____ upgrade _____ need _____ and software?

_____ hardware _____ for the network _____?

_____ network upgrade _____ more _____ purchases?

_____ advanced _____ along _____ revamping the _____ demand _____ supplementary hardware _____.

_____ we want to _____ network infrastructure's _____ will _____ be _____ expenses?

Does _____ upgrade _____ network _____ hardware _____ a new Firmware?

Is _____ any _____ an upgraded network infrastructure will require buying _____ updates?

_____ the _____ infrastructure dependent on _____ equipment than _____ the _____ software?

_____ an _____ of _____ network infrastructure _____ hardware?

Does _____ make _____ additional hardware _____ update the software _____ improve _____?

Does the upgrade of the _____ infrastructure _____ equipment _____ software?

_____ need additional _____ and new software?

_____ network upgrade _____ hardware purchases _____ just updates?

_____ we expect to _____ to _____ in _____ to _____ our network _____?

Do we _____ to _____ we _____ our network infrastructure?

Does _____ upgrade _____ network _____ hardware _____ together _____ a _____ firmware?

_____ there _____ need _____ more devices during _____ firmware changes?

_____ acquire additional hardware and _____ software _____ upgrade _____ networking system?

Updating _____ networking system _____ purchase of additional _____ newer _____.

_____ for us _____ acquire _____ hardware _____ install newer _____ of _____ to upgrade our _____ system?

_____ an upgrade to _____ new hardware?

Will _____ hardware _____ for _____ network infrastructure?

Is it necessary _____ upgrade _____ infrastructure _____ firmware updates?

_____ it necessary _____ to _____ more hardware to _____ the _____?

_____ new hardware _____ required _____ of the _____ infrastructure?

_____ network infrastructure require _____?

_____ to _____ our network infrastructure's _____ too, _____ be added expenses on _____ updated firmware?

Does _____ upgrade _____ the _____ infrastructure need _____ investments?

_____ of _____ infrastructure require more _____ than a _____ installed software?

Is an upgrade _____ the _____ infrastructure _____ just _____ software?

When we update _____ network infrastructure, _____ we _____?

Is it _____ additional hardware _____ install _____ of _____ to upgrade _____ system?

_____ upgrade to the network _____ require a _____?

Is updating the _____ and _____ additional _____ to _____ network?

_____ demand new hardware.

Does _____ infrastructure _____ new hardware?

Should we _____ more hardware _____ firmware _____ our _____?

_____ need _____ new hardware _____ install updated firmware?

Will new hardware _____ required _____ network?

Does the _____ the network infrastructure _____ than _____ the _____ installed _____?

_____ upgrade of _____ network infrastructure _____ more _____ than _____ new _____?

_____ expect to need acquisitions _____ new hardware to _____?

Is _____ hardware needed _____ the _____ infrastructure?

_____ expect _____ need for acquisitions _____ new hardware _____ to _____ our network _____?

Will the _____ new _____ purchases?

Does an upgrade _____ more hardware and _____?

_____ of _____ hardware and updating _____ the software to enhance _____ network _____?

When updating our _____ and installing _____ do _____ need to _____ hardware?

Will new _____ required due _____ network _____?

_____ to _____ network, _____ we _____ to spend more hardware?

Will _____ required when the network _____?

_____ installing newer software be required to _____ system?

_____ network _____ to be upgraded with _____ hardware?

Will _____ to _____ more _____ order _____ upgrade the network _____?

Should _____ invest _____ firmware for our network?

_____ network upgrades _____ new _____?

_____ think that _____ upgrade of _____ network infrastructure requires _____ equipment _____?

Does an _____ the network infrastructure _____ just _____ Firmware installations?

_____ an _____ of _____ network _____ just the newest versions _____ the software?

_____ of _____ network _____ may need _____ and software.

_____ it _____ buy additional _____ the software _____ improve the network?

Do we _____ to invest in _____ for upgrade _____?

_____ new _____ be _____ to update our _____ infrastructure?

_____ a _____ network _____ new hardware?

Do _____ need to _____ more _____ on hardware _____ network _____?

_____ upgrade of the _____ infrastructure _____ hardware investments _____ a new _____?

_____ the upgrade of _____ network _____ more _____ than _____ the _____ installations?

_____ an _____ the _____ infrastructure require more _____ than _____ the new _____?

_____ an upgrade _____ the _____ really _____ more _____ than just _____ newest _____?

_____ invest in more hardware _____ firmware _____ infrastructure?

Does an _____ network infrastructure _____ more _____ and _____?

Will updating our _____ infrastructure require buying _____ hardware _____?

_____ you _____ an upgrade of _____ infrastructure needs more _____?

_____ we _____ a _____ of new hardware _____ updating our _____ infrastructure?

Will _____ demand _____ hardware?

Will _____ need _____ when we upgrade _____ infrastructure?

_____ upgrade going _____ new hardware purchases?

The upgrade of the _____ infrastructure _____ require _____ equipment _____ latest versions _____.

Does _____ mean buying _____ our network?

_____ an upgrade to the _____ require more _____ just the _____?

Should we _____ to need to _____ new _____ our _____?

Does _____ infrastructure _____ more hardware _____?

_____ and _____ the software may _____ needed _____ our network.

Does _____ upgrade _____ call for more _____?

_____ an upgrade _____ need _____ and a new update?

Will _____ demand investment in add _____ we _____ setup?

_____ acquisitions _____ hardware and _____ the _____ to enhance our network?

Does _____ upgrade _____ infrastructure require hardware _____ along with _____?

Is there _____ during a network _____?

Will new hardware be _____?

Updating _____ network infrastructure _____ more hardware and _____ software.

Will _____ network upgrade demand _____ hardware purchases, _____?

Will _____ network _____ call _____ more _____ and installations?

_____ upgrade of _____ require _____ equipment _____ just _____ latest installations?

Does an upgrade _____ infrastructure need more _____ than just the _____?

_____ an upgrade _____ network _____ along _____ a _____ firmware installation?

_____ the upgrade _____ the network _____ need _____?

_____ _____ to invest more _____ upgrade our _____ infrastructure?

Is _____ going _____ demand _____ purchases?

_____ _____ to purchase more hardware _____ order to upgrade _____?

Does an upgrade of _____ require more _____?

_____ _____ need _____ hardware and updated firmware?

Will _____ of _____ network infrastructure _____ hardware?

_____ _____ of network infrastructure call _____ more hardware _____ installations?

Does an upgrade _____ than just the _____ software?

_____ demand investment _____ for us _____ upgrade our network _____?

Will we _____ additional hardware and _____ firmware to _____ our _____?

Does an _____ need _____ equipment than just latest _____ software?

_____ an upgrade _____ network _____ more equipment _____ just _____ newest software?

_____ a need _____ invest _____ additional devices _____ network renovation _____?

_____ upgrade of _____ infrastructure calls for more _____ and _____?

_____ we _____ expenses _____ new hardware _____ we _____ our network?

Will _____ new _____ to _____ networks?

_____ we expect _____ to purchase new _____ in _____ to _____ network?

Will updating _____ infrastructure require _____ to _____ and install _____ software?

Can _____ spend _____ money on new _____ when updating _____ network _____?

Does an upgrade _____ infrastructure need hardware _____ as _____ new _____?
