

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Troubleshooting gas-related equipment
Inquiry Sub-Category	Carbon Monoxide (CO) Detection
Description	Customer inquiries regarding carbon monoxide detection and seeking information on appropriate measures to prevent, detect, and respond to potential CO leaks or hazards.
Data Size	5,031 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

_____ are the _____ a _____ monoxide leak?

Carbon _____ may _____ sign.

What should _____ when you _____ have a carbon _____ leak?

If _____ think _____ will _____ a _____ what should you _____ of?

There are a few signs _____ monoxide _____.

What should _____ if you _____ a potential _____ monoxide _____?

CO warning _____ could _____?

When it is _____ to _____ a _____ carbon _____ are signs _____ can look _____.

_____ carbon monoxide's symptoms?

_____ indicators _____ leak _____ gas?

_____ any possible _____ of _____ carbon monoxide _____?

_____ indicators about _____?

There are a _____ things that you _____ is _____ to _____ a _____ monoxide leak.

_____ should check _____ symptoms _____ carbon _____.

There _____ of signs to _____ regarding carbon monoxide _____.

_____ monoxide problems?

How to _____ symptoms _____ gas _____?

_____ for _____ carbon _____ leaking?

_____ question about whether there _____ CO leak _____.

There _____ few _____ of a carbon _____.

_____ you think _____ have a _____ monoxide leak, what _____ be _____ out _____?

Any _____ of _____ leaking?

_____ we tell if _____ a carbon _____ leak?

The _____ danger from _____?

There could be signs _____.

Any _____ escape?

_____ evidence _____ a carbon monoxide _____.

_____ should _____ out for if _____ will _____ a _____ monoxide leak?

_____ are some _____ possible _____ have a carbon monoxide leak.

_____ have _____ monoxide clues?
 _____ there _____ symptoms of carbon _____?
 _____ warning _____ for _____ leaks?
 _____ some signs you _____ look _____ there is _____ carbon monoxide _____
 _____ symptoms _____ carbon monoxide _____.
 _____ you _____ have a carbon monoxide _____ should _____ out for?
 When a potentially fatal _____ is _____ certain _____ that _____ look for.
 _____ are _____ things _____ can look out _____ when _____ is _____ leak.
 danger signs for _____?
 _____ for CO _____?
 _____ telltale signs _____ a _____ carbon monoxide leak.
 _____ you _____ you have a _____ what _____ you look for?
 _____ the _____ carbon monoxide.
 The signs _____ a carbon _____?
 There are _____ signs _____ can look _____ when you _____ monoxide _____.
 Consider _____ symptoms _____ carbon _____.
 _____ there any _____ escaping?
 There are _____ signs _____ when there is a _____ a _____ monoxide _____.
 _____ it's _____ to have _____ potentially fatal _____ monoxide _____ signs you _____ look _____.
 _____ can look for _____ might _____ a carbon monoxide _____.
 _____ leaks _____ have _____ cues.
 What do _____ know _____ symptoms _____ carbon _____ exposure?
 _____ do you know _____ hazard is imminent?
 _____ signs of carbon _____?
 _____ signs that _____ can _____ when _____ is _____ leak _____ carbon monoxide.
 There _____ signs that you can look for _____ monoxide _____.
 _____ identify any signs _____ monoxide _____?
 There can _____ signals _____ CO _____.
 _____ to _____ signs _____ a potential carbon monoxide _____.
 _____ if you have _____ monoxide problems.
 There are _____ can look _____ for when _____ is possible to _____ carbon _____.
 _____ you _____ you'll suffer _____ carbon monoxide _____ you watch out _____?
 What do the symptoms _____ potential _____ monoxide _____?
 There _____ indicators of a _____ monoxide leak.
 There are _____ that _____ a carbon _____.
 _____ to detect Carbon _____ leaks.
 _____ sign to _____ for _____ carbon monoxide poisoning?
 _____ are _____ signs that you _____ look _____ a _____ carbon monoxide _____.
 _____ do _____ leak signs?
 _____ certain _____ you can look for that _____ a _____ leak.
 _____ symptoms _____ carbon _____ leaking.
 The _____ to _____ carbon monoxide _____?
 What evidence _____ a problem _____?
 _____ CO signs _____ an _____ on?
 What _____ to look _____ about carbon _____ poisoning?
 _____ detecting carbon _____ leak?
 _____ some _____ you can look for _____ you find _____ leak.
 If _____ think you'll _____ carbon monoxide leak, what _____?
 _____ should you look _____ for _____ get a _____ monoxide _____?
 _____ are signs _____ leak.

_____ monoxide leak?

CO _____ possible _____?

_____ symptoms _____ CO gas _____?

_____ you _____ for that might indicate _____ monoxide leak.

_____ to _____ leakage signs?

_____ could _____ signs of _____.

Recognizable _____ carbon monoxide _____?

_____ symptoms associated with carbon _____?

_____ should _____ watch _____ you get _____ carbon monoxide leak?

_____ are certain signs that _____ look _____ it's _____ for _____ monoxide leak.

There _____ that _____ CO gas.

_____ monoxide _____?

Evidence of _____?

_____ to look at _____ symptoms _____ carbon monoxide _____.

There are signs _____ can use to _____.

_____ you believe _____ will get _____ monoxide _____ you look out for?

_____ signs of _____ CO?

_____ are certain signs _____ can look _____ you _____ potentially _____ monoxide leak.

There _____ things _____ can _____ for that _____ suggest a carbon _____.

_____ signs to _____?

_____ of _____ monoxide exposure.

There _____ signals _____ CO _____.

_____ possible to have _____ potentially fatal _____ monoxide leak, there _____ certain _____ should _____.

There are some _____ look _____ is _____ have a carbon monoxide _____.

There are _____ signs _____.

What _____ you watch _____ if _____ you are _____ get _____ carbon _____ leak?

_____ carbon monoxide _____ are _____?

_____ be _____ carbon monoxide _____?

_____ note of _____ of carbon _____.

Concerning _____ indicators?

_____ be _____ out for if _____ believe you have a _____?

_____ for _____ symptoms _____ monoxide leak.

There are a _____ symptoms _____.

_____ are the _____ related _____ exposure _____ monoxide?

There _____ signs that you _____ that indicate _____ carbon monoxide _____.

_____ of _____ poisonings.

_____ any recognisable cue _____ monoxide _____?

_____ might _____ monoxides symptoms.

_____ are _____ that _____ indicate potential carbon _____.

If you believe you'll get a _____ leak, _____ be _____?

_____ few signs that _____ can look for _____ is a _____ a carbon _____ leak.

How _____ spot _____ signs?

Useful _____ carbon monoxide _____?

There are _____ for CO _____.

_____ are some _____ you should look for _____ is _____ to have _____ monoxide _____.

_____ of _____ monoxide exposure?

The warning _____ poisoning.

_____ are certain things _____ you _____ look _____ carbon monoxide leak.

_____ eye _____ you think you have _____ carbon monoxide leak?

CO warning _____?

_____ the _____ for carbon _____ exposure?
_____ monoxide leaks could _____ detected _____ .
_____ look _____ if you believe you _____ get a _____ monoxide _____?
What _____ signs of _____ monoxide _____ .
There _____ some signs that you can _____ for when _____ .
_____ you _____ for _____ indicators?
_____ of carbon _____ leak?
There _____ certain _____ you _____ look _____ it _____ to have _____ potentially _____ carbon monoxide leak.

_____ is some evidence _____ may indicate _____ monoxide _____ .
The _____ potential _____ monoxide _____ .
What _____ should _____ look _____ I get _____ poisoning?
_____ signs _____ CO _____ there?
There are _____ of carbon _____ .
_____ do I _____ for when _____ carbon _____ poisoning?
_____ of _____ leak?
There _____ you _____ look for that _____ a _____ monoxide leak.
What _____ signs _____ CO _____?
There are _____ clues _____ monoxide problem.
There are some _____ you can look for _____ to potentially have _____ .
Can _____ of carbon _____?
_____ think _____ have a carbon Monoxide leak, _____ should _____ for?
Is there any _____ that _____ for about carbon _____?
_____ signs.
signs _____ monoxide?
_____ there be _____ CO leak?
If _____ a carbon monoxide _____ should you look out _____?
There are some _____ that _____ carbon _____ .
There _____ certain signs _____ can _____ when _____ is _____ potential carbon _____ leak
There are _____ of _____ .
_____ are _____ hints _____ monoxide leak?

_____ out _____ carbon _____ leaking.

_____ watching for _____ you suspect you have _____ carbon _____ leak?

_____ suggest _____ gas threat?

_____ few things that _____ can look _____ that suggest _____ monoxide _____.

_____ are _____ you can look for _____ could _____ a carbon _____ leak.

_____ are _____ that _____ can look _____ there is a possible _____ leak.

_____ things you _____ when there is a _____ carbon _____ leak.

_____ indications of _____ monoxide.

There _____ certain signs _____ you _____ for when _____ a _____ monoxide _____.

_____ we _____ checking for signs _____ carbon _____?

Carbon monoxides symptoms _____.

You _____ of carbon monoxide.

_____ can _____ spot _____ monoxide?

_____ carbon _____ is _____ for the _____.

When _____ to _____ fatal carbon monoxide leak, there _____ certain _____ that _____ can look out _____.

_____ signs _____ poisoning _____ CO.

_____ are _____ leak _____.

_____ you _____ what to look _____ for _____ you _____ get a _____ monoxide _____?

There are signs that could _____ carbon _____.

_____ you _____ out _____ if you think _____ can get _____ monoxide _____?

There _____ a _____ to look _____ when _____ is _____ carbon monoxide _____.

The _____ Monoxide?

There _____ some indicators of a _____.

_____ possible signs of _____.

Symptoms _____ a _____ gas _____ identified.

There _____ certain signs to _____ is _____ to have a carbon _____.

_____ carbon Monoxide?

There _____ you _____ for _____ a possible carbon _____ leak.

_____ signs _____ watch for _____ I get carbon _____?

_____ certain _____ that you should look _____ if _____ monoxide leak.

_____ of carbon _____?

_____ the _____ monoxide leaking.

_____ are some _____ the symptoms _____ carbon _____?

Some symptoms _____?

The symptoms of _____ monoxide _____.

There _____ signs that you _____ look _____ in _____ potential _____.

Symptoms _____ carbon _____ leak _____ looked _____.

_____ for CO?

If _____ a potential carbon monoxide leak, _____ you watch _____ for?

_____ carbon monoxide _____ could be _____.

_____ indications of a _____ leak.

There _____ signs that _____ can _____ for when _____ to have _____ carbon monoxide _____.

There are _____ signs _____.

Are _____ indications of _____?

Identifying _____ symptoms?

What _____ you _____ for if _____ carbon monoxide leak?

Does anyone _____ how _____ spot _____?

_____ with CO _____ threat?

_____ look for _____ carbon monoxide leak?

_____ concerned about _____ carbon _____ leak, _____ should you look out _____?

There _____ a possible carbon _____ leak.
_____ you tell _____ the signs _____ carbon monoxide leak?
_____ are _____ you _____ look for that _____ monoxide leak.
Something _____ warning _____?
warning _____ CO?
_____ are _____ signs _____ can _____ for when _____ potential fatal _____ monoxide leak.
There _____ few _____ look for _____ there is a _____ monoxide _____.
_____ possible _____ a carbon monoxide _____ are certain _____ to look _____.
There _____ signs to _____ for _____.
_____ indicators?
_____ for _____ monoxide
_____ you _____ the signs _____ carbon _____?
What _____ the _____ of _____ carbon monoxide?
_____ are _____ signs _____ for to _____ potential carbon monoxide leak.
_____ are some things that _____ when it's _____ have a _____ monoxide leak.
_____ watch out for if you _____ a carbon Monoxide _____?
_____ signs that may _____ monoxide _____.
_____ there CO _____?
_____ there _____ of _____ carbon monoxide _____?
_____ check _____ symptoms of carbon _____.
_____ to look _____ monoxide leaks.
Any _____ a potential _____ carbon _____?
_____ signs _____ I look for when _____ carbon _____?
_____ you _____ a _____ monoxide hazard?
_____ warning indicators?
Symptoms of leaking _____ seen.
The signs of _____ possible _____.
_____ there is _____ potential carbon _____ leak, there _____ certain signs _____ you _____.
_____ a few signs you _____ look for _____ is a _____ carbon _____.
There _____ that _____ is leaking.
What _____ poisoning by carbon monoxide?
_____ watch out for during _____ poisoning?
_____ for _____ carbon monoxide _____.
_____ danger _____ CO.
_____ some _____ symptoms of _____ monoxide?
If _____ suspect a carbon _____ leak, _____ you look _____?
There _____ of _____ that you _____ when there is a possible _____ leak.
warning _____ to _____?
_____ carbon monoxide exposure.
_____ a _____ carbon _____ leak?
_____ signs?
How _____ symptoms of carbon _____?
What could _____ of _____ carbon monoxide?
There _____ signs _____ look for if _____ fatal carbon monoxide leak.
_____ like to _____ what _____ look for about _____ poisoning.
_____ are _____ signals to _____.
_____ be a carbon _____?
_____ it is _____ to have a potentially _____ leak _____ some signs that _____ look _____.
_____ are dangers _____ monoxide.
There _____ of _____ leak of _____.

_____ cues _____ carbon _____ poisoning?

If _____ think _____ have a _____ carbon _____ leak, what _____ you _____ _____?

What _____ the symptoms _____ you are _____ to _____.

_____ signs of _____?

_____ are _____ signs _____ there is a potential carbon monoxide leak.

_____ suggest CO _____ can be _____.

_____ are _____ things you can _____ for _____ is _____ possibility _____ monoxide leak.

What _____ of _____ exposure _____ you _____?

_____ signs _____ a CO _____.

There _____ few _____ that _____ for _____ it's _____ to have _____ carbon monoxide leak.

warning _____ of CO

_____ of warning for _____

_____ are _____ that you _____ for when there _____ a _____ monoxide _____.

_____ are _____ you should _____ when _____ is a carbon _____ leak.

What are _____ signs of _____?

danger _____ from _____ monoxide _____?

_____ are _____ that _____ look _____ when there _____ possible carbon monoxide leak.

Ok, _____ signs?

Look at _____ that _____ carbon _____ leaking.

Possible _____ of _____ problems.

There are _____ you _____ look for _____ there is a possibility _____ carbon _____.

signs _____ carbon monoxide _____?

_____ carbon _____ clues _____?

_____ are _____ can _____ for when there is _____ carbon monoxide _____.

_____ for _____ of CO _____.

What _____ if _____ get carbon monoxide _____?

Look _____ the _____ carbon _____ leaking.

What should _____ for in _____ monoxide _____?

A recognizable _____ monoxide _____?

Sign _____ carbon _____?

There are some _____ for when _____ carbon monoxide leak.

_____ are possible _____ of _____.

Are _____ carbon monoxides?

What signs should _____ look _____ to know _____ have _____?

CO _____ to _____ to?

_____ are _____ signs you _____ for when it _____ to _____ a potentially fatal _____ monoxide _____.

_____ are _____ few _____ look _____ to indicate a _____ monoxide leak.

There are _____ that you _____ out for _____ a potentially _____ carbon monoxide _____.

_____ want _____ signs _____ look for _____ regards to _____ monoxide poisoning.

_____ hints _____ carbon _____?

How can _____ identify a _____?

_____ look _____ monoxide poisoning signs?

_____ are certain _____ suggest a _____ gas _____.

_____ you _____ you _____ potential _____ monoxide leak, _____ should you _____ for?

When _____ is a _____ there are some _____ that _____ can look _____.

_____ are some signs you can _____ that _____ suggest _____ leak.

When _____ possible _____ a _____ leak, you should _____ certain signs.

_____ are _____ things _____ can look for _____ it is _____ a fatal _____ leak.

The _____ look for _____ leak?

_____ signs _____ monoxide?

_____ certain things _____ for _____ there is a carbon _____ leak.

_____ symptoms of carbon _____ is _____.

_____ symptoms of potential carbon _____.

What do _____ think _____ the _____ of _____ carbon _____?

What _____ the _____ exposure _____ carbon monoxide look _____?

_____ of _____ potential _____ monoxide _____

_____ we _____ for signs _____ carbon _____ leakage?

_____ for CO _____.

_____ the symptoms _____ you _____ monoxide?

_____ signs of carbon _____?

There _____ signs of a _____?

There are _____ can look _____ for _____ there _____ a _____ monoxide leak.

I _____ to _____ if _____ are CO _____.

There are _____ detect _____ carbon monoxide _____.

_____ monoxide is leaking _____ are _____ to look _____.

_____ tell _____ signs _____ CO escape?

_____ signs do _____ look for regarding _____?

_____ to detect potential carbon _____?

_____ some things _____ can _____ out for when _____ potential carbon _____ leak.

_____ signs of _____ monoxide?

Any _____ of _____ potential _____ monoxide _____?

_____ are a number _____ can look _____ there is a carbon _____.

In regards to _____ what signs should _____?

_____ are _____ you can look for if you have _____ potentially _____.

_____ are danger _____ monoxide?

_____ symptoms showing that _____ leaking.

Symptoms _____ CO gas threat?

_____ to look for if _____ a _____ monoxide leak.

There _____ carbon monoxide.

Any _____ hints?

_____ are a number _____ signs _____ you _____ look _____ to indicate _____ leak.

_____ wants _____ how _____ CO leaking signs.

What _____ you think _____ symptoms of _____ monoxide _____?

_____ possible _____ there _____ signs of _____ escape?

Take a _____ at _____ symptoms _____ monoxide _____.

_____ some _____ a carbon _____ issue.

_____ carbon monoxide _____ be examined.

_____ is possible to have a _____ monoxide _____ there _____ some things that _____ can _____.

_____ things _____ can look for when _____ is possible _____ carbon monoxide leak.

There _____ signs _____ escaping.

carbon _____ symptoms can _____?

_____ certain signs _____ CO _____.

Any signs _____ carbon _____?

There _____ signs _____ can _____ for _____ it's possible _____ have _____ carbon monoxide _____.

There _____ signs that _____ seen _____ is _____ carbon monoxide leak.

The symptoms _____ carbon _____.

There are _____ Monoxide.

_____ chance of _____ monoxide leak, _____ some signs you _____ look for.

There _____ certain _____ that _____ can look for _____ is a _____.

_____ Carbon Monoxide clues?

_____ are some _____ warning _____?
_____ signs for poisoning _____.
_____ are _____ signs you _____ look for _____ there is a _____.
_____ the possible symptoms of _____?
_____ are signs _____ detect _____ monoxide _____.
_____ get a carbon monoxide leak, what should _____ for?
There _____ signs _____ a _____ Monoxide _____.
There _____ signs to _____ carbon _____ leaks.
What _____ of _____?
_____ symptoms _____ you come into contact with _____?
_____ signs _____ monoxide?
_____ evidence supports _____ with _____ Monoxide?
Are there _____ clues?
Do _____ know _____ signs to _____ for _____ carbon _____?
_____ are _____ signs you _____ for _____ it _____ to have a _____ monoxide leak.
_____ detect _____ symptoms?
_____ there _____ signs _____ detect carbon _____?
_____ are signs _____ Monoxide _____ leaking.
Look _____ of CO _____.
_____ be signs _____ monoxide?
_____ there _____ monoxide _____?
There are _____ of a possible _____?
_____ could _____ signs of _____.
_____ could _____ signs to _____ monoxide leak.
There are certain _____ can look out _____ you _____ a potentially _____ carbon _____.
Is _____ any _____ CO _____?
How _____ monoxides symptoms?
There are _____ carbon _____.
_____ should you watch out for _____ you _____ get _____ carbon _____?
The symptoms of _____ examined.
What _____ you look _____ for _____ have a carbon _____ leak?
What signs should _____ watch out _____ poisoning?
Carbon _____ signs.
There are _____ of _____ leaking.
_____ the top _____ carbon monoxide _____?
_____ could _____ about _____ monoxide.
How _____ spot _____ leaking?
_____ want _____ there are _____ signs _____ a carbon monoxide _____.
There should _____ of _____ leak.
Are there _____ potential _____ monoxide leak?
There _____ some signs _____ can _____ for _____ is _____ carbon monoxide _____.
_____ are _____ a potential carbon monoxide leak.
How _____ signs _____ leaking?
_____ you _____ might get _____ carbon _____ what should you look _____?
_____ that the CO is _____?

Should _____ for signs _____ monoxide?
_____ of _____ monoxide leak?
_____ you can look _____ a carbon monoxide _____.
_____ a _____ symptoms of _____ leaking.

_____ signs to _____ of _____ monoxide leaks.

There are _____ things you _____ look for _____ a possible _____.

_____ think _____ might have _____ leak, what should you _____ out for?

There _____ things that you _____ when _____ is a _____ monoxide leak.

Clues _____ carbon _____?

Is there _____?

_____ think _____ will get _____ carbon _____ leak, what should _____?

_____ are the _____ a potential carbon _____?

Potential _____ of carbon _____?

There are warning _____ to _____.

_____ a carbon monoxide leak?

_____ signs to _____ for potential _____ monoxide _____.

Some _____ of CO _____?

_____ monoxide leaks?

_____ is possible _____ a carbon _____ leak, _____ certain _____ you should look for.

Is _____ about _____ Monoxide?

_____ that say _____ gas _____?

What _____ watch out _____ believe _____ get a carbon _____ leak?

_____ think you have a possible _____ monoxide leak, _____ watch _____?

_____ certain signs _____ out _____ when there _____ possible carbon monoxide leak.

_____ leaking _____?

_____ Monoxide _____ possibly _____?

What _____ the _____ carbon monoxide leak?

Symptoms _____ CO gas _____ identified.

_____ warning _____ for CO?

_____ are _____ signs of _____ carbon _____?

What _____ you watch out for _____ going _____ carbon monoxide _____?

There might be _____ a _____.

_____ CO danger?

_____ for carbon _____ leaking?

There are _____ that you can _____ for _____ there is _____ of _____ monoxide _____.

There are certain _____ you _____ when there _____ carbon _____ leak.

You can look _____ when it is _____ carbon monoxide _____.

The _____ carbon _____ leaking?

_____ are _____ look for when there's a potential carbon _____.

There should _____ signs _____ detect _____.

_____ I _____ for _____ carbon monoxide _____?

_____ of leaking _____?

_____ CO _____ signs.

_____ danger _____ for _____ monoxide?

Carbon _____ symptoms should _____.

_____ signs _____ potential _____ monoxide leak.

What should _____ look out _____ they suspect _____ have _____ carbon _____?

_____ are some _____ that you _____ confirm a _____ monoxide leak.

There are _____ that _____ indicate _____.

_____ possible indicators _____ gas leaking?

_____ you _____ watching out for _____ you'll get a carbon _____?

There _____ certain signs _____ you _____ for _____ possible for a _____ monoxide _____.

_____ monoxide clues?

Warning _____ for _____.

Look ____ of ____ leaking.

There ____ a number ____ of ____ carbon monoxide leak.

____ of ____ carbon monoxide leak?

There ____ to detect possible ____.

____ Monoxide ____?

____ for when ____ have carbon monoxide poisoning?

____ of CO ____?

What should ____ look out for ____ a ____ leak?

Perhaps ____ monoxide ____?

Check the ____ monoxide ____.

Symptoms ____ is leaking.

____ carbon Monoxide leak?

____ signs ____ carbon monoxide ____?

The ____ for ____?

____ do you ____ if ____ are ____ carbon monoxide?

____ signs ____ CO danger.

Kind ____ carbon monoxide ____?

____ are signs ____ carbon ____ leaking.

There ____ signs to look ____ for ____ poisoning.

____ should ____ for ____ think ____ get a carbon monoxide ____?

____ CO escape?

____ are the ____ possible exposure ____ monoxide?

There ____ at ____ carbon ____ problem.

Symptoms of carbon ____ are ____.

____ are signs ____ monoxide leaks

symptoms of ____ monoxide ____

There are ____ carbon ____.

If ____ believe you'll ____ leak, what should ____ look ____?

The ____ danger.

Could be ____ monoxide ____?

____ few ____ a carbon monoxide leak.

What should you be ____ lookout for ____ you ____ you have ____?

____ some ____ that you can ____ for ____ a ____ monoxide leak.

Carbon ____ leak ____ be ____.

There are ____ of ____?

Could be signs ____?

____ sign to ____?

Is ____ signs ____ CO ____?

What about ____?

____ carbon ____ hints?

What ____ out ____ if you ____ you ____ carbon monoxide leak?

There ____ that ____ can look ____ suggest a carbon monoxide ____.

____ see signs ____ carbon ____.

____ are ____ telltale signs ____ exposure?

There are certain ____ you ____ for if ____ carbon ____ leak.

____ for signs of ____.

What can ____ out ____ have a carbon monoxide leak?

Potential ____ carbon ____?

____ a carbon ____ leak?

What evidence ____ monoxide ____?

Potential _____ can _____ detected _____ some signs.
 _____ me how _____ carbon monoxide?
 _____ are _____ that you can look for when _____ is a _____.
 The possible signs _____ a _____?
 Maybe _____ are _____ monoxide leaks.
 _____ signs _____ look out _____ when _____ comes _____ carbon _____ poisoning?
 _____ the symptoms of _____?
 _____ there danger _____ carbon monoxide _____?
 I want _____ CO leakage signs.
 _____ are symptoms that _____ gas _____.
 warning _____ poisonings.
 _____ signs _____ for poisoning with _____.
 _____ certain _____ look _____ when there is a _____ monoxide leak.
 _____ possible _____ detect signs of _____.
 If _____ think you'll _____ carbon monoxide _____ you check _____?
 _____ signs _____ can look _____ when _____ is a potential _____ leak
 I don't know what _____ to _____ monoxide _____.
 _____ signs that _____ can look for when _____ a _____ of _____ monoxide.
 There are certain _____ for when _____ a chance of _____ carbon _____.
 There are _____ number of _____ that _____ can look _____ a _____ monoxide _____.
 The CO _____ might _____ symptoms.
 There are a few _____ you can _____ a carbon _____.
 There _____ dangers _____ carbon monoxide _____.
 If you think _____ might _____ monoxide _____ what _____ you _____ watching _____?
 Symptoms _____ a danger from _____?
 _____ to be _____ escaping?
 _____ are _____ that suggest _____ CO gas _____?
 _____ of _____ monoxide _____.
 _____ at _____ symptoms of _____ monoxide _____.
 _____ of _____ carbon _____ leak?
 Possible _____ CO _____ leaking?
 What should you _____ for if _____ carbon monoxide _____?
 _____ are _____ to _____ Carbon _____ leaks.
 Any _____ CO _____?
 _____ there evidence of _____?
 If you _____ you have a _____ monoxide _____ watch for?
 There _____ any _____ Monoxide?
 Scary _____ monoxide problems?
 Any _____ carbon _____ leaking?
 danger signs _____ to _____?
 _____ you _____ for when a potentially fatal carbon _____ is possible.
 _____ we look _____ carbon _____ leaks?
 What should you watch _____ if you _____ you _____ leak?
 What _____ you watch out _____ get a _____ monoxide _____?
 _____ you think you'll get _____ carbon _____ leak, _____ should _____ be _____?
 The _____ monoxide leak.
 There _____ signals _____ poisoning.
 There _____ some signs _____ look _____ for _____ could indicate _____ carbon _____ leak.
 _____ any carbon monoxide _____?
 Could be _____ of _____?

_____ you tell _____ of a _____ monoxide leak?

_____ are certain _____ you can _____ for when _____ is _____.

When _____ is a _____ certain signs can _____ seen.

Are _____ symptoms _____ monoxide?

Symptoms suggesting _____ gas _____?

_____ can _____ detect _____ monoxides _____?

There _____ danger signs _____ problems.

What _____ be the _____ a carbon _____?

Some _____ carbon _____ leaking.

What is the _____ problem with carbon _____?

_____ certain signs _____ you should look _____ for _____ potential carbon monoxide _____.

_____ are _____ of _____ carbon _____ leak.

What _____ warning _____?

_____ of Carbon _____?

What _____ the common _____ carbon monoxide _____?

_____ the _____ of carbon _____.

_____ certain signs to _____ for _____ possible to _____ a potentially _____ monoxide _____.

What _____ aware _____ you suspect _____ have _____ carbon monoxide leak?

_____ a _____ of _____ that you can look for _____ possible to _____ a _____ leak.

_____ some signs that _____ can _____ for _____ there _____ carbon monoxide leak.

_____ be signs _____ carbon _____ leak.

_____ for _____ poisonings.

There can _____ of _____.

When there is a potential _____ leak there _____ signs _____ can _____.

There _____ a _____ gas threat?

_____ you _____ carbon _____ symptoms?

_____ of carbon _____ are _____.

Some _____ detect carbon _____?

_____ will get a _____ leak, _____ should you be _____ for?

_____ that _____ suggest CO _____?

There can _____ detect _____ monoxide _____.

There _____ signals _____ to _____ poisonings.

There _____ that you can look _____ if there _____ carbon _____ leak.

Is it _____ to identify _____ indicate a _____?

There are certain _____ can _____ a carbon _____ leak is _____.

There is evidence _____ suggest _____ monoxide _____.

Can _____ tell _____ a carbon monoxide _____.

_____ at _____ indicate carbon monoxide _____ leaking.

_____ for CO leak?

_____ should _____ watch _____ for _____ you _____ you have a _____ monoxide _____?

There are _____ can _____ for if there _____ leak.

There _____ signs _____ if there is _____ leak.

There _____ certain _____ you _____ look _____ you experience _____ monoxide leak.

Look for _____ escaping.

If _____ believe you have a _____ leak, what should _____?

_____ of CO poisoning.

_____ are _____ carbon _____ clues?

When it _____ possible _____ a _____ carbon _____ there _____ signs _____ you can look for.

_____ think _____ get a _____ leak, what _____ you look for?

How _____ signs _____ CO _____?

Carbon _____ symptoms _____ be _____?

How to _____ signs?

What should _____ watch out for _____ believe _____ carbon monoxide _____?

_____ recognize _____ leaking signs?

_____ there _____ CO escapes?

There _____ things _____ can _____ for when there _____ carbon _____ leak.

There are some signs _____ look for _____ it's _____ fatal _____ monoxide _____.
_____ danger _____?

Check _____ the _____ carbon _____ leaking.

_____ that indicate a _____ gas?

_____ about _____ monoxides?

What _____ out _____ it's a _____ monoxide leak?

_____ possible to _____ that _____ a CO _____ threat.

_____ there be _____ of _____ leak?

Should _____ for _____ carbon monoxide poisoning?

If _____ a possible carbon monoxide leak, _____ should _____ watch _____?

There _____ that _____ be _____ carbon monoxide leaks.

_____ evidence _____ may _____ a problem _____ carbon monoxide.

_____ are certain signs _____ you _____ look _____ when _____ is a _____ leak.
_____ leak signals?

Any _____ monoxide leaks?

_____ to _____ of carbon monoxide.

_____ that indicate _____ CO gas?

_____ signs of _____ leaking.

_____ signals _____ poisonings.

_____ are some _____ to _____ when there _____ carbon monoxide leak.

_____ look _____ if you think you _____ a _____ leak?

Possibility _____ leak?

There are some _____ to _____ when _____ is _____ carbon monoxide _____.

_____ signs _____ CO?

The symptoms of _____ leaking should _____.

_____ you'll get _____ carbon monoxide leak, what should _____?

_____ are _____ carbon monoxide _____.

_____ to _____ symptoms _____ carbon _____ leaking.

There _____ you can look for _____ could _____ a _____ carbon _____ leak.

_____ the carbon monoxide symptoms.

_____ be _____ of _____ Monoxide.

The signs _____ Carbon _____?

_____ suggest a _____ threat?

_____ are some _____ look for _____ a potentially fatal _____ monoxide leak.

_____ you _____ might have a carbon _____ leak, what _____ for?

_____ warning indicators are _____?

_____ you can _____ for if there _____ a carbon monoxide _____.

_____ should you watch out _____ case of a _____?

Should _____ looking _____ signs _____ detect _____ monoxide leaks?

_____ for _____ CO _____ threat?

_____ signs do _____ for _____ poisoning _____ carbon monoxide?

Can _____ to detect _____ monoxide?

There _____ Monoxide _____

Can _____ if signs _____ escape?

_____ should you _____ for _____ you may have _____ carbon _____ leak?

What _____ the symptoms _____ exposure?

_____ clues _____ carbon monoxide leak?

The signs to _____?

The carbon _____?

Is _____ recognisable cues _____ monoxide _____?

There are _____ signs that _____ to have _____ monoxide _____.

There's signs _____?

There are signs that _____ can _____ have a carbon monoxide _____.

Could _____ monoxide signs _____?

_____ Monoxide _____ evidence?

_____ out _____ signs of carbon _____.

When _____ is _____ of a carbon _____ are _____ that you can _____ for.

_____ tell if there _____ monoxide?

If _____ believe _____ may _____ carbon _____ should you look out _____?

What _____ I look _____ poisoning _____ carbon _____?

Are _____ symptoms _____ CO gas _____?

When _____ to have a _____ carbon _____ leak, _____ look for some _____.

_____ should _____ an eye on if _____ think _____ carbon _____ leak?

_____ clues for carbon _____?

_____ certain _____ can _____ out _____ when there _____ a _____ monoxide leak.

There are a _____ indicate _____ potential _____ monoxide _____.

What _____ a _____ carbon monoxide leak?

A _____ Monoxide _____ be _____.

_____ of a _____ carbon monoxide leak.

If _____ believe you will _____ should _____ look out for?

_____ we _____ of carbon _____ leak?

_____ signs of _____ problems

_____ are _____ possibly _____ carbon _____ leaks.

_____ be signs of _____.

There are _____ that _____ for _____ there is _____ potentially fatal carbon _____.
