_____ we expect more call _____ data _____ areas?

_____ call _____ data _____ improve _____ areas soon?

When there _____ fast _____ busy _____?

_____ possible _____ occupied _____ to boast _____ reception and zippier _____?

_____ will _____ strength and downloads be _____ places?

Is it possible to expect faster _____ during _____?

_____ you expect _____ connectivity during _____?

_____ be better internet _____ at _____ venues?

_____ we are _____ we _____ better call quality _____ faster _____ speeds?

_____ the _____ getting decent _____ fast _____ in busy spots?

_____ will _____ locations _____ quality and speedier data?

There _____ be _____ and _____ in busy places.

_____ data in _____ areas soon?

Is there _____ improve _____ reception _____ boost data speed during _____?

When _____ quality and _____ internet _____ in busy areas?

There _____ time when busy _____ will _____ superior _____.

_____ fast _____ occur _____ busy _____?

_____ crowded _____ when _____ the _____ data speeds improve?

_____ better _____ connections _____ busy times yet?

_____ will _____ be better _____ downloads _____ busy places?

_____ clear connections _____ swift web access?

When _____ connections are _____?

We _____ quality and faster _____ in busy _____.

_____ when will _____ and quality _____?

There's something _____ up getting _____ internet at _____ places.

Will busy _____ provide _____?

_____ there _____ for enhancing call quality _____ speeding _____ data in _____?

_____ to call clarity and _____ rates where it's _____.

Can _____ expect to see _____ call _____ and faster _____ busy _____?

When will _____ locations _____ better _____ quality _____ data?

_____ there _____ improved call quality _____ data _____ in _____ areas _____?

Is _____ better _____ and _____ internet _____ busy venues?

_____ we expect faster internet and _____ quality _____?

_____ we improve call _____ data _____ areas?

_____ there _____ improvements to _____ in busy _____?

Quality _____ data speeds _____ increase _____.

We _____ improve call quality _____ data _____ areas.

_____ data speeds be _____ busy _____?

_____ you _____ you _____ expect superb connections during _____?

_____ is faster and _____ at crowded _____?

When will _____ connections _____ at busy places?

When will _____ in _____ areas?

_____ improve call quality and data _____?

During _____ hours, _____ you _____ connections?

_____ ever have decent calls and _____ in _____?

Better connections _____ be _____ in busy places.

_____ expect better calls and _____ busy times?

Can occupied areas offer _____ voice _____?

How _____ data in crowded _____?

_____ zones, _____ phone signal improves?

____ you expect ____ great ____ peak ____?
 When ____ strength and downloads be ____ places?
 ____ the service ____ at ____ venues?
 ____ quality ____ speeds improve ____ overcrowded areas?
 ____ anticipate better call clarity ____ faster internet _____.
 ____ there ____ plan for ____ call ____ or ____ up ____ in ____ zones?
 Call ____ and ____ be upgraded for congested ____.
 Have you heard of ____ and ____ data ____ hours?
 ____ an ____ to call clarity and ____ planned ____?
 ____ can we ____ enhanced voice ____ and data speeds ____?
 ____ call ____ in crowded spots?
 Are ____ to get decent ____ quality and ____ these ____ spots?
 Could ____ a ____ to ____ phone ____ increase data ____ during ____ times?
 ____ not ____ to ____ calls and ____ internet at crowded ____.
 ____ data ____ clarity ____ at crowded spots?
 ____ busy ____ will there be better ____ internet ____?
 How ____ can we ____ quicker network performance?
 Do ____ call ____ and ____ speed ____ improve in ____ areas?
 There is a ____ and ____ internet in crowded ____.
 ____ fast data in ____ spaces?
 How ____ will calls in ____ more ____?
 Why isn't it possible ____ get decent ____ fast data ____?
 When ____ amidst ____ spots?
 When can ____ better connections ____?
 ____ holding ____ getting decent call quality and ____ data ____?
 ____ call quality and data ____ in ____?
 ____ there a ____ better ____ and ____ in busy areas ____?
 ____ busy locations ____ quality and better data?
 ____ will ____ locations ____ better call ____ faster data?
 How soon can we ____ better ____ and ____ speeds ____?
 ____ we anticipate better ____ and data speeds ____?
 When ____ increase in ____ areas?
 How soon ____ we enjoy ____ voice ____ data ____?
 When we're in ____ can we expect ____ call ____ speeds?
 ____ speeds increase ____ spots, ____ will ____ be improved?
 ____ possible ____ call quality and faster ____ crowded areas?
 Can we ____ call quality ____ areas?
 ____ data ____ call clarity ____ better at ____?
 Will call ____ and data ____ in ____ in the ____?
 How ____ until phone signal improves & ____ in ____?
 ____ soon can ____ enjoy ____ data speed ____ busy ____?
 ____ the upgrade ____ call ____ and speed planned ____?
 ____ finally get ____ call quality ____ faster data in ____?
 ____ finally get decent call ____ in those ____?
 When ____ better ____ quicker ____ to packed ____?
 There are plans ____ speeding ____ data in ____ zones _____.
 ____ there an ____ to call ____ data ____ for ____ places?
 When can ____ expect ____ data ____ we're ____ areas?
 ____ busy areas ____ able to ____ better ____?
 ____ data is ____ calls clearer ____ crowded ____?

____ will the ____ strength and speed ____ busy ____?
 ____ we ____ for decent calls ____ speeds in ____?
 Data ____ crowded ____ when quality ____?
 Will ____ call quality ____ data ____ in ____ places?
 Can we ____ during crowded ____?
 ____ we ____ speeds in busy ____?
 Can ____ anticipate improved ____ and ____ speeds in ____?
 How ____ signal improve ____ becomes fast in ____ zones?
 Better calling service ____ faster ____ will ____ venues.
 ____ we ____ fast data ____ in ____?
 Will call ____ data ____ in ____ areas soon?
 ____ expect ____ communications during peak ____?
 How ____ call ____ data at peak hours?
 Will ____ and data ____ in populated ____?
 How ____ a ____ signal improves in ____?
 ____ be ____ phone and internet service ____ places?
 ____ better calling ____ internet services ____ busy places.
 ____ plans for ____ quality ____ speeding up data ____ crowded zones?
 ____ spots, ____ can ____ better voice and data coverage?
 When ____ active locations get ____ call ____ data?
 When ____ busy ____ have upgraded call ____ and ____?
 ____ want ____ quality ____ faster data speeds ____ areas.
 ____ is a ____ to call clarity and quicker ____ rates ____ it ____.
 ____ call ____ speeds ____ in crowded areas soon?
 ____ it not ____ better calls and faster ____ in ____ places?
 Can we improve ____ crowded places?
 ____ we ____ quality and ____ data in ____ areas?
 ____ we anticipate ____ call clarity and quicker ____ busy ____?
 When can we expect ____ in ____ areas?
 ____ can ____ call ____ faster ____ when we are busy?
 How soon ____ faster calls ____?
 Can we ____ better call quality ____ crowded ____?
 Can we ____ better ____ busy ____.
 ____ busy locations have upgraded ____ and speedier ____?
 ____ it possible ____ better calls and faster internet ____?
 ____ have better ____ quality ____ in crowded areas?
 Is ____ quality and faster internet ____ busy areas?
 Better ____ quality ____ data ____ are expected ____ busy ____.
 ____ we ____ improved voice coverage and data ____ places?
 When ____ data ____ get ____ spots?
 Can we ____ some ____ call quality and ____ busy ____?
 ____ will ____ and data ____ improve?
 ____ quality ____ improve in crowded areas.
 Can ____ anticipate faster data ____ in ____ areas ____?
 How long ____ the phone ____ improves and ____ fast in ____?
 In busy ____ can we ____ get ____?
 When the ____ and ____ are ____ at ____?
 ____ more ____ locations get ____ call quality ____ data?
 ____ decent call quality and faster data ____ these ____.
 How ____ better calls ____ faster ____ in crowded ____?

Can we _____ improvements in _____ clarity and internet _____?

Quality and data _____ crowded spots.

When _____ upgrade _____ call quality in busy _____?

_____ expect _____ voice _____ and faster internet _____ areas.

Do _____ any plans to _____ call quality _____ data in _____?

Can we anticipate _____ calls _____ in _____ areas?

Is there any _____ to improve _____ or _____ crowded zones?

_____ will data and _____ areas?

When _____ we see _____ quality _____ data speeds _____ areas?

When can _____ better connections and _____ in _____?

_____ be _____ for _____ call quality or _____ in crowded zones?

In crowded _____ long _____ phone _____?

_____ call _____ data speeds _____ in crowded _____?

_____ will _____ upgrade to call quality _____ occur?

Is _____ and data speed for busy locations?

_____ do we expect _____ quicker _____ at busy _____?

Can we expect _____ speeds _____ better _____ in crowded _____?

Can _____ quality at crowded _____?

_____ speeding up data _____ zones?

_____ anticipate better call clarity and faster _____?

Can _____ and data _____ crowded spaces?

Can _____ call quality to _____ better _____ crowded _____?

_____ we _____ speeds _____ busy places.

_____ there _____ busy spots _____ connections?

_____ should _____ expect _____ downloads in busy places?

_____ quality and data _____ improve in _____ areas _____?

_____ we _____ calls and quicker _____ in busy _____?

How soon _____ calls in _____ zones?

Data speeds and quality _____.

_____ can we expect faster _____ speeds and _____ calls _____?

_____ be better _____ service and _____ internet _____ busy _____.

Enhanced _____ faster internet _____ expected _____ busy areas.

Will _____ data _____ in _____ areas?

Where _____ should it _____ clarity and faster _____ rates?

When we're _____ locations _____ we expect better _____ and _____ data _____?

_____ speeds _____ in crowded locations?

_____ can we expect faster data speeds _____ call _____?

Do we _____ call _____ and faster data _____?

_____ hope for better call clarity _____ internet at _____?

Is it _____ upgrade _____ and data speed _____ congested _____?

Is it _____ that we _____ anticipate improved call _____ spots?

Is _____ improved _____ quality and faster internet _____ areas?

There _____ be a time when _____ give _____.

When should we expect _____ connections _____ busy _____?

_____ busy places _____ better call _____?

Will _____ quality and _____ improve in _____?

_____ we finally _____ quality _____ faster data _____ these _____ spots?

Can we _____ improved _____ quality _____ quicker _____ in _____?

There _____ be an upgrade _____ clarity and _____ rates _____ busy.

_____ it possible _____ improve call quality _____ data _____ crowded _____ soon?

_____ wondering if there was any word _____ data _____ peak hours.

_____ call _____ faster _____ when packed _____.

It _____ calls and connections will _____ busy times.

_____ an _____ soon _____ will _____ voice _____ and fast _____ connections?

Is _____ upgrade _____ call clarity and _____ locations?

Can _____ improve call _____ and _____ we are _____?

When _____ take _____ amidst _____ spots.

Can we anticipate better _____ and _____ crowded _____?

When _____ we _____ connections at _____?

_____ be better calling service _____ internet at _____?

_____ you get _____ and quicker _____ in crowded _____?

Can _____ expect faster _____ call quality when we're _____ locations?

_____ busy _____ an upgrade to _____ and quicker data _____.

_____ busy places can _____ expect _____?

We should _____ and quicker _____ busy places.

_____ is a _____ to getting _____ and _____ in _____ places.

Will _____ strength _____ downloads in busy places?

_____ areas when can we _____ better _____ faster internet?

_____ expect a _____ at busy places?

_____ and _____ during busy times?

_____ busy spots can _____ some decent _____ quality?

_____ is _____ upgrade to call _____ better data rates _____ busy.

_____ data _____ and calls are clearer _____ crowded _____?

When _____ expect _____ connections at _____?

Can we _____ and faster data _____ in _____ areas?

_____ in _____ spots will improve.

_____ will _____ and _____ in crowded _____?

_____ upgrades _____ reception during busy _____?

_____ speeds going _____ increase _____ crowded areas?

_____ we predict call _____ in _____ spaces?

_____ it _____ enhanced _____ coverage and _____ speed in busy _____?

_____ we _____ downloads and better _____ at _____ places?

Quality and _____ will _____ crowded _____.

When will _____ and _____ speeds _____ in _____ spots?

_____ a _____ upgrade _____ for _____ areas?

_____ expect _____ quality and faster data speeds _____ times?

_____ we _____ quality and better _____ speeds _____ areas in _____ near future?

Can we expect _____ better _____ busy areas _____ the future?

Will _____ coverage and _____ rapid _____?

_____ better call _____ and quicker data _____ hours?

Can you _____ peak hours?

Quality and _____ will _____ crowded spots.

Is _____ for _____ upgrade _____ call clarity _____ speed _____ congested locations?

We _____ better _____ and _____ data speeds _____ busy _____.

_____ occupied places offer superior _____ and _____?

_____ expect improved call quality _____ better data _____ in _____?

_____ expect improved _____ and faster _____ busy areas in the _____?

Is an _____ to _____ clarity _____ data speed plans _____?

Will call _____ speeds rise _____ areas?

In _____ can we improve _____?

Is _____ possible for an _____ clarity _____ data rates _____ busy?
 _____ possible to _____ call quality and _____ data _____ crowded _____?
 _____ come _____ difficult to _____ better _____ faster internet _____ places?
 network _____ speed and _____ when _____?
 _____ busy areas, _____ we _____ improved _____ quality _____ faster _____?
 _____ can you get _____ quality and fast _____ busy _____?
 Can _____ calls _____ speeds in crowded zones?
 _____ data speeds _____ in crowded _____.
 What _____ preventing _____ from _____ better _____ and faster internet _____ ?
 Is _____ improve call _____ data when crowded?
 _____ occupied _____ provide _____ reception and _____ browsing?
 Will we be able _____ improve _____ data _____ areas?
 _____ quality _____ improve in crowded spots?
 How _____ Faster _____ in _____ ?
 Can call _____ and _____ be _____ crowded areas?
 _____ expect _____ signal strength and quicker downloads _____ areas?
 Will improved _____ internet at _____ spots happen?
 When _____ data speeds _____ in _____ ?
 _____ in busy areas, _____ expect _____ data speeds and _____ call _____?
 How _____ you _____ better _____ internet at _____ places?
 _____ expect better call quality and better _____ in _____ the _____?
 Can _____ data and call _____ in busy _____?
 Can _____ improved _____ quicker data in busy _____?
 Is _____ a plan to _____ reception _____ increase data _____ peak _____?
 Can _____ better _____ and _____ network performance?
 _____ is not easy to get decent _____ fast _____ busy _____.
 When _____ see _____ data speeds _____ areas?
 We _____ expect better _____ data speeds in _____ areas.
 Call quality and _____ in _____ be _____.
 _____ there a plan _____ improve _____ data _____ peak times?
 An upgrade _____ call _____ and _____ data _____ it's _____?
 _____ there _____ to increase _____ quality _____ speed data in _____ ?
 Can we _____ call quality _____ data _____ locations?
 _____ will _____ speeds _____ in _____ spaces?
 How _____ signal improves and _____ fast in crowded _____ ?
 Why _____ to _____ better _____ and faster internet _____ crowded places?
 Is it _____ call _____ in crowded areas when?
 There _____ upgrade _____ clarity _____ speed _____ for congested locations.
 There are _____ for increasing _____ quality and speeding _____ .
 Can _____ for improved calls _____ better _____ by _____?
 Can we _____ quality and _____ speeds in crowded _____ ?
 Can we expect better _____ speeds in _____ areas?
 _____ it possible _____ expect _____ calls and _____ busy times?
 _____ should we _____ better call _____ data _____ busy areas?
 _____ easy to _____ better _____ and faster internet _____ areas.
 _____ a plan to _____ phone reception _____ data _____ peak times?
 Increased _____ during busy times?
 _____ can _____ busy _____ any word on _____ improvements?
 _____ predict _____ data in busy areas soon?
 There should _____ upgrade _____ call quality _____ in busy _____.

Can _____ at crowded areas?

_____ we _____ better _____ busy areas?

Is _____ to increase call _____ and _____ data in _____?

Expect _____ will ensure supreme _____ and quick mass _____?

What _____ the _____ and _____ crowded spots?

How soon will _____ in crowded _____?

_____ be _____ on call quality and speeds _____ spots?
