

[Demo] NLP Dataset for Customer Service Automation

Company Type	Payroll Outsourcing Companies
Inquiry Category	Employee time and attendance management
Inquiry Sub-Category	Biometric Attendance Devices
Description	Questions related to biometric time and attendance devices, including setup, troubleshooting, and integration with the payroll system.
Data Size	5,103 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Payroll Outsourcing Company" customer inquiry. (Purchased data will not be masked.)

What _____ required _____ our _____ payroll system with _____ biometric time _____?
_____ to know how _____ integrate our _____ with the biometrics _____
How _____ we link _____ payroll _____ the _____ clock?
How are _____ to integrate our _____ with _____ new _____?
_____ unify payroll _____ time clocks?
How do you _____ these _____?
_____ are the _____ must _____ to make _____ payroll _____ compatible with _____ new _____ clock?
_____ we have _____ setup work with _____ clock devices?
_____ we hook _____ payroll system to the _____?
How can _____ make the _____ compatible with _____ time _____?
_____ we going _____ our payroll _____ a new _____ clock?
the _____ clock merging?
What are the steps we _____ to take _____ the new _____?
_____ the _____ required to _____ old _____ new bio-clocks?
What's _____ procedure to _____ system _____ a bio time _____?
How _____ connect our payroll system with _____ new _____?
What do we _____ to do _____ with the _____ time _____?
What steps _____ take to integrate old _____ new _____?
_____ payroll and _____ integrated?
Can _____ us how to integrate the _____ the _____?
_____ to get our _____ system compatible _____ the new _____?
_____ tell _____ how we can _____ payroll _____ with _____ time clock.
_____ payroll-biometric clock merging.
_____ procedure _____ combining payroll and _____?
_____ us how we can integrate our _____ with the _____?
_____ to _____ how to _____ the _____ Clocks _____ our payroll system.
_____ we link _____ our _____ infrastructure _____ time clock technology?
How _____ we _____ our _____ to the _____ time _____.
What _____ do we have _____ to _____ our current payroll system _____ the new _____?

_____ are _____ steps _____ payroll _____ with the new time _____?
 _____ tell us _____ to integrate _____ payroll _____ new time _____.
 What steps _____ we take _____ our _____ and _____ clock _____?
 How to combine payroll _____?
 How to _____ payroll setup _____?
 _____ our payroll _____ the new time-clocks, we _____ take steps.
 _____ do we get payroll _____ clock _____ work _____?
 Do _____ know how _____ can integrate the _____ with _____ time _____?
 How are we supposed _____ get _____ payroll _____ work _____?
 _____ should _____ do _____ to _____ payroll system with _____ clock technology?
 _____ do _____ integrate _____ payroll _____ with _____ new time clocks?
 How _____ the payroll-biometric clock _____?
 _____ can _____ payroll infrastructure be _____ clock technology?
 _____ are we supposed _____ our _____ system _____ the _____ clock?
 We _____ to connect _____ infrastructure _____ the new time _____.
 What _____ our _____ getting our _____ the new clock?
 _____ you _____ with _____ our payroll _____ with the new _____ clocks?
 _____ the steps we should _____ get _____ system to _____ the new _____?
 How _____ you integrate _____ system with _____ bio _____ tracker
 We need _____ know how _____ smoothly integrate the _____ system _____.
 We _____ integrate _____ old _____ with _____ new _____ time trackers.
 Can you _____ us _____ info _____ how _____ use the _____ system _____ the _____ clocks?
 _____ is _____ to combine old _____ system with _____ trackers?
 _____ be done _____ old _____ and new bio-clocks?
 Take _____ for _____ clock _____?
 How _____ you _____ with bio time _____?
 What _____ must we take in order _____ payroll system _____ clock _____?
 We _____ how _____ integrate _____ payroll system with _____ Biometrics _____.
 What steps _____ be _____ payroll system compatible _____ the _____ time clock?
 How _____ put _____ with _____ bio-clocks?
 What _____ must _____ taken to _____ our payroll system _____ new _____?
 How can our _____ system _____ with _____ time _____?
 _____ tell us how to integrate our payroll _____ clock?
 How _____ payroll _____ bio _____ clock?
 _____ payroll-biometric _____ merging?
 We _____ to make our _____ system _____ biometrics time clock.
 _____ can _____ our _____ system with _____ time clocks?
 Can _____ explain _____ to integrate payroll into _____?
 How do _____ connect our _____ infrastructure _____ time clock _____?
 How could we link _____ the _____ clock technology?
 _____ match our _____ payroll _____ our _____ time clock devices?
 We _____ know _____ to _____ our _____ system _____ the _____ time Clocks.
 _____ there information on _____ integrate _____ payroll system with _____?
 How _____ get our _____ system _____ new time _____?
 What is needed to _____ the old _____ the _____?
 _____ do _____ make _____ payroll setup _____ the _____ clocks?
 Do _____ need steps _____ sync _____ the new time _____?
 _____ do we integrate _____ old _____ the _____ time trackers?
 How _____ the _____ infrastructure _____ the _____ clock technology?
 What _____ steps that need _____ followed in order to _____ sure _____ the biometric time

Possible steps _____ payroll-biometric _____.

_____ the steps _____ in merging the _____ new clock?

How _____ we supposed to _____ our payroll _____ with _____ new _____?

How _____ infrastructure to the time clock _____?

_____ have we to do _____ make _____ payroll _____ compatible with _____?

How _____ be synchronized with the _____ clocks?

Are _____ any _____ need to take to _____ our _____ system _____ time _____?

What are the steps _____ take in order _____ integrate _____ payroll _____ with the _____?

_____ we connect our _____ infrastructure with the _____ technology?

We need information about _____ integrate _____ payroll _____ time clocks.

_____ steps that need _____ followed _____ sure our payroll _____ to the biometric time

_____ steps for _____ andbiometric clock.

_____ payroll-biometric _____ merging?

_____ do _____ connection _____ system to the new _____?

How to make a payroll _____ clocks?

Can you _____ us information _____ our payroll system with _____?

_____ payroll infrastructure with the _____ clock technology?

Can you _____ to _____ our _____ with _____ new time settings?

How _____ payroll infrastructure be connected _____ recently _____ technology?

_____ are some _____ steps _____ need _____ take to _____ our _____ system compatible with _____ new _____?

_____ know the process for _____ the payroll system _____ clock?

_____ to _____ our payroll system _____ the new time _____?

_____ payroll setup with _____ time _____?

How are _____ supposed _____ our payroll system to _____ new _____?

Some _____ need _____ be taken _____ payroll system with _____ new _____.

How _____ combined with bio _____ clocks?

_____ can _____ connect our _____ infrastructure _____ the new _____ clock _____?

How do we match _____ payroll _____ clock devices?

How _____ payroll and _____ time _____?

_____ can _____ payroll system with the new time clock?

How _____ payroll and bio _____?

_____ do I _____ payroll and _____ clocks _____ together?

What _____ to _____ payroll system compatible with the _____ time _____?

What are the steps we _____ take _____ payroll _____ the new time _____?

Is it _____ integrate the _____ pay _____ the new _____ trackers?

What _____ to _____ taken _____ make _____ payroll system _____ new clock?

What _____ the _____ payroll system with _____ time clock?

_____ are steps _____ take _____ integrate _____ payroll _____ the new time _____.

Can you _____ us know _____ to _____ payroll _____ install _____ time clock?

_____ to know the _____ combining payroll and _____ clocks.

_____ are _____ get our _____ system _____ the new time clocks.

Can you _____ know _____ to integrate _____ system _____ the new _____?

What _____ we do _____ make _____ system _____ with the new _____?

How _____ make our _____ setup compatible _____ the new _____?

_____ there steps for _____ payroll _____ new time clocks?

What _____ the steps _____ be taken _____ the payroll system with _____ new _____?

_____ can we make _____ existing payroll _____ work _____ the _____ time _____?

_____ make _____ payroll _____ sync _____ the new time clocks?

How could _____ the _____ the new time _____ technology?

How _____ payroll system to the new _____?

Can _____ out the procedure _____ and bio time _____?

_____ our payroll system with the _____ clock, what _____ have _____ follow?

_____ is the procedure to integrate a _____ tracker?

_____ some information on _____ to integrate payroll _____ new TimeClock _____?

_____ payroll _____ to be _____ together with _____.

_____ link up _____ infrastructure with the time clock _____?

_____ of old _____ system _____ bio _____

To get our payroll _____ with _____ time-clocks, _____ need _____ steps.

How _____ you connect _____ system with the _____?

How _____ payroll _____ be blended with _____ new _____?

There _____ to take for _____ of our payroll _____ clock.

How do _____ payroll and _____ to be _____?

_____ tell us how to _____ our _____ the new _____?

To get our _____ compatible _____ clock, _____ will we _____ do?

_____ need to _____ how to integrate _____ the Biometrics time _____

How do you _____ payroll _____ bio _____?

_____ order to _____ our _____ to work with the new clock?

Can you provide _____ to integrate our _____ system with _____ clocks?

Do we _____ put _____ with new bio-clocks?

What are _____ steps _____ to _____ payroll system with _____ clocks?

Can you give _____ guidelines _____ system with the new _____?

_____ of our payroll system with _____ something _____ to know.

_____ change _____ setup _____ bio clock?

_____ do we _____ our _____ infrastructure with time _____?

How _____ we _____ payroll infrastructure with _____ added time clock _____?

We need _____ to _____ the _____ system _____ the Biometrics _____ clock.

_____ are _____ steps _____ are _____ our payroll system with _____ clock _____?

How are we _____ to _____ our payroll _____ with _____?

_____ do _____ get our payroll _____ align _____ the _____ devices?

_____ can we integrate our payroll _____ new _____ clock _____.

Can _____ tell _____ do _____ integrate _____ system with the new _____ clock?

Can you _____ to combine _____ and bio _____?

To make _____ payroll _____ compatible with _____ time-clocks, we _____ take _____.

How do we _____ our _____ connected _____ the _____ time _____?

_____ needs to be _____ to integrate _____ bio-clocks?

_____ we need _____ do _____ order to make our _____ compatible _____ new _____?

_____ we reconcile _____ setup _____ the timeclock device?

How do we _____ our _____ the _____ time clock?

_____ combining payroll _____ bio time clocks?

_____ do you do to _____ payroll with the _____?

_____ we going to _____ payroll _____ the _____ time clocks?

How _____ payroll _____ these clocks?

_____ payroll setup _____ time _____

_____ us information _____ how to _____ the _____ with _____ time clock?

There are _____ take to _____ our _____ with _____ time clocks.

_____ do we _____ payroll system for the new _____?

How _____ an old _____ system with _____ trackers?

How _____ link up _____ with the recently added _____?

_____ you tell _____ how _____ and payroll time _____?

We need _____ know _____ to integrate _____ Biometrics time Clocks.

____ you give ____ guidelines ____ integrating ____ payroll ____ the ____ clock?
 What ____ we take ____ our payroll system ____ time clock?
 Can ____ a ____ the procedure for ____ payroll ____ bio ____ clocks?
 What steps will ____ to integrate ____ system and ____?
 The ____ we ____ to ____ order ____ sure ____ payroll system is ____ to the biometric ____
 ____ with the ____ is something ____ need to know about.
 What ____ the steps ____ have to take ____ to ____ payroll system ____ to ____ biometric time?
 ____ are our ____ to ____ with ____ time clocks?
 ____ we going to ____ the ____ system to ____ the ____ clock?
 ____ steps ____ to ____ old payroll and new bio-clocks?
 How ____ we get our ____ to ____ with ____?
 We need to ____ how ____ payroll ____ with ____ Biometrics ____ clock.
 ____ the ____ system ____ the ____ time ____ something ____ need to know.
 To ____ payroll ____ work ____ the new ____ will have ____ take many
 How can ____ clock ____?
 ____ would we ____ payroll ____ the new bio-clocks?
 ____ are the ____ we ____ take ____ order ____ integrate ____ system and the ____ clock?
 ____ align our current ____ with the ____ time clock devices?
 ____ our payroll system to ____ with the ____ time-clocks, we'll ____ steps.
 ____ steps are needed ____ to integrate ____ and ____ bio-clocks?
 New bio-clocks need ____ with ____ payroll.
 ____ should we ____ sync ____ with the new ____?
 How do ____ our ____ with the new ____ technology?
 Can you tell us ____ use ____ time clocks to integrate ____?
 How ____ we ____ setup ____ work with the time clocks?
 ____ steps ____ to integrate our ____ system ____ the ____ time ____?
 How do ____ payroll ____ with the new ____ clock ____?
 What ____ in order ____ make our payroll system ____ new ____?
 How ____ payroll ____ integrated?
 ____ steps can we take ____ compatible with the ____ time ____?
 ____ can we integrate ____ payroll ____ with ____ timeclock?
 How ____ we link our current ____ the new ____?
 ____ steps ____ we ____ to take ____ payroll system ____ new time clock?
 What are our next ____ make ____ the new clock?
 ____ is ____ to ____ system with ____ time tracker?
 How do ____ get our ____ setup ____ match our ____
 ____ can ____ merged with bio ____?
 What ____ we must ____ integrate ____ system ____ the new time clock?
 ____ can we do ____ payroll ____ compatible with the ____ clock?
 ____ need to know how to combine ____ the ____ clock.
 How ____ you combine current ____ clock?
 The ____ of ____ payroll ____ Biometrics time Clocks ____ something ____ to know.
 ____ you tell us ____ how ____ integrate our ____ the ____ timeclocks?
 Can you ____ how to use ____ payroll ____ to ____ new biometric time ____?
 How do we ____ payroll ____ align with the new ____?
 ____ can ____ connect ____ payroll system ____ the new ____?
 How ____ we supposed to get ____ payroll ____ clocks?
 ____ to ____ payroll setup compatible ____ bio ____?
 ____ steps ____ we take to ____ system ____ with the ____ time ____?
 The steps for ____ merging _____.

Is _____ integrate our _____ pay system with the _____ trackers?

What are _____ taken in merging our payroll _____ with _____?

_____ can _____ make sure _____ payroll _____ is connected _____ the time _____?

_____ we do _____ integrate _____ new bio-clocks?

Can you _____ us _____ on integrating _____ payroll _____ the _____ time _____?

The current _____ should _____ with _____ time clocks.

_____ are _____ steps _____ get _____ with the new clock?

How _____ get _____ current _____ setup _____ match our _____ clock?

_____ do we connect _____ payroll to _____ clock?

What steps are needed in order _____ new _____?

_____ existing payroll _____ to _____ with the newtime _____.

Can you _____ me _____ on how _____ integrate _____ payroll _____ the _____ time _____?

How _____ our payroll _____ with new _____?

Combining payroll _____ and _____ clock: _____?

How do I _____ old _____ new _____?

What are _____ with _____ our _____ system with _____ time clock?

What _____ steps we _____ take _____ to make _____ our payroll system is _____ to _____ time?

What will _____ need _____ do _____ get _____ payroll _____ with the new _____?

How _____ we _____ payroll setup to the _____ devices?

What _____ best way _____ combine payroll _____ with bio _____?

Can _____ give us information _____ how we _____ our _____ system _____ timeclocks?

_____ is a need _____ how to integrate our _____ the Biometrics _____.

How can we _____ our _____ infrastructure _____ new _____?

_____ can _____ old _____ with the latest bio time _____?

_____ we _____ to get _____ system _____ work _____ new time clock?

_____ new bio-clocks be integrated?

Can _____ about how _____ our _____ system with _____ new timeClock?

What _____ the steps involved in merging _____ existing _____ system _____?

We have _____ steps _____ get _____ payroll _____ compatible with _____ time-clocks

_____ combine our _____ infrastructure with _____ new _____ clock technology?

Can _____ tell _____ to integrate _____ system with _____ timeclocks?

How _____ our _____ with the time _____ devices?

_____ we _____ up _____ payroll _____ with the _____ clock technology?

_____ change _____ bio time clocks

_____ is _____ for _____ payroll and bio time _____?

_____ steps _____ to make _____ system _____ with _____ new time clock?

How _____ we _____ our _____ payroll infrastructure _____ a _____ technology?

_____ we _____ setup with _____ new clock devices?

_____ up our _____ infrastructure _____ time clock technology?

What steps _____ to integrate _____ payroll _____ new _____?

We need _____ to _____ our _____ system with the _____.

_____ give _____ information _____ to _____ our payroll system _____ new time clock?

How do we connect _____ current payroll _____ clocks?

_____ you provide us _____ how to _____ payroll system _____ the _____?

How _____ be _____ biometric clocks?

_____ are the _____ the _____ system _____ the new time _____?

_____ we _____ our current payroll _____ new time clocks?

_____ combine current payroll and _____?

How can _____ our _____ with the _____ time clocks?

How _____ we make _____ biometric _____?

How _____ put the _____ with new _____?

What _____ actions to _____ payroll _____ compatible _____ the _____ clock?

_____ we supposed to connect _____ payroll to _____?

_____ do you combine _____ current payroll _____ clocks?

_____ integrate _____ old pay system _____ latest _____ time trackers?

To _____ our payroll _____ compatible with _____ we _____ have to _____.

_____ do _____ change _____ payroll setup _____ match _____ time _____ devices?

_____ the payroll-biometric _____ to merging.

How _____ integrate _____ system _____ bio _____ trackers?

What steps should _____ taken _____ old _____ new _____?

_____ do _____ align _____ setup with the new _____ devices?

_____ you give _____ on _____ integrate the payroll _____ time clocks?

Can you _____ to _____ bio _____ to _____ files?

Are there _____ payroll _____ bio _____ clocks?

_____ to _____ setup with bio _____.

Steps _____ clock _____ combined?

_____ us information about integrating our _____ system _____ timeClocks?

_____ set _____ payroll setup _____ these new time _____ devices?

_____ can we do to _____ payroll infrastructure with _____ technology?

Can _____ how _____ integration our payroll _____ the new _____?

_____ steps _____ be followed in _____ our payroll system _____ new _____?

_____ you _____ how we can connect _____ tracker _____ files?

What are _____ to _____ our payroll _____ work with the _____ clock?

Can _____ me _____ on _____ for combining _____ and _____ time clocks?

How _____ combine payroll _____ bio _____?

How can we integrate _____ with _____ new _____ tracker?

Steps _____ payroll-biometric _____?

_____ you _____ the payroll system _____ to _____ new time _____?

_____ you _____ us instructions on _____ to integrate our payroll _____?

Do you have _____ on _____ to _____ our _____ system _____ new _____?

_____ give us _____ integration of _____ with the new _____ clock?

_____ steps _____ must _____ our payroll _____ to be _____ with the new clock?

_____ the integration process for our payroll _____ time clocks?

_____ for payroll-biometric _____?

_____ will we _____ our _____ with the _____ clock?

How do we _____ our _____ new time _____?

How do _____ make the _____ system _____ the new _____?

How do _____ system compatible with _____ new _____ clock?

We need _____ to _____ our payroll _____ with _____ Clocks.

How _____ change payroll _____ bio _____?

_____ we _____ our payroll infrastructure _____ connect with _____ clock _____?

Can you _____ information _____ how to integrate _____ system _____ new _____?

_____ us _____ information about _____ integrate _____ system with the new time _____?

_____ are _____ steps we must take to make _____ the new _____?

How _____ we _____ our _____ to _____ time clock _____?

What _____ the _____ take to _____ our _____ system compatible with the new _____?

What steps _____ to integrate our _____ with _____ clock?

How do _____ system with the _____ clock?

_____ have _____ details on _____ combine _____ and _____ time clocks?

_____ sync _____ payroll system with _____ time clock?

How ____ we link ____ the new clocks?

What do the ____ merging ____ payroll ____ new ____ clock involve?

To put our ____ together ____?

____ of ____ payroll system ____ time Clocks ____ something ____ to know about.

____ can we ____ our payroll with ____ time clock ____?

What ____ steps ____ merging ____ payroll ____ with the new ____ clock?

____ can ____ link ____ payroll system ____ the new ____?

____ do ____ connect our ____ infrastructure with ____ technology?

How ____ sync our ____ with new time clocks?

____ you give us ____ integrate ____ payroll system ____ the ____ times?

____ do we blend the ____ with ____ new ____ clocks?

____ need to ____ how ____ our ____ with biometrics time ____.

How ____ we get the ____ to connect ____ time ____?

What ____ will ____ have to follow ____ payroll ____ with ____ clock?

How ____ we get ____ and ____ work together?

How do ____ the ____ system with the ____ biometric ____?

So ____ do ____ payroll ____ clocks?

____ there ____ information ____ how ____ integrate ____ payroll system ____ the new ____?

What ____ steps ____ be followed ____ to integrate ____ with the new ____?

How ____ into bio ____ clocks?

How ____ I ____ the ____ with ____ bio time tracker?

Can ____ give us ____ how to integrate ____ the ____ clocks?

What ____ to make our payroll ____ with ____ clock?

____ it ____ to ____ old ____ system with ____ latest bio time ____?

____ you tell ____ how ____ the payroll ____ install the ____ clocks?

How ____ you connect ____ system ____ time clock?

Can ____ give us ____ information ____ integrate ____ system with the ____ timeclocks?

____ is the procedure ____ get old ____ with ____ time ____?

____ get our payroll system to work ____ have to take ____.

Is there ____ system and new time clock?

What are the steps ____ make ____ compatible ____ time clock?

____ tell us how to ____ system ____ the new time ____?

How do ____ get ____ current payroll setup ____ time ____ devices?

We ____ info ____ to ____ with the new timeclocks.

How to ____ payroll ____ to ____ time ____?

We ____ to ____ steps are ____ in merging our ____ system ____ clock.

How to ____ clock to ____?

How could ____ payroll infrastructure ____ the time ____ technology?

What ____ link up our ____ infrastructure ____ time ____ technology?

How ____ get the payroll ____ with new ____ clocks?

Do ____ have a plan to combine ____ biometric ____?

What is the ____ to integrate ____ system ____ time ____?

____ you give me a ____ of ____ to ____ time clocks?

____ we sync the ____ system ____ new time ____?

____ steps ____ put our payroll ____ with new ____?

____ are the ____ to take in ____ the payroll system with ____ clock?

How are ____ supposed to ____ the ____ with the ____?

____ you ____ us about ____ process ____ combining ____ and bio ____?

____ there any ____ to ____ the ____ system and ____ clock?

Does anyone know ____ to put ____ with ____?

_____ involved in merging _____ existing _____ system with _____ new _____ clock?

How can payroll _____ merged with _____?

_____ you _____ we _____ integrate _____ payroll system with the new _____?

How do we _____ sure _____ payroll setup _____ time _____ devices?

_____ tell _____ to _____ and bio time clocks.

How to _____ system with _____ bio _____ tracker?

_____ you offer us _____ about how _____ with the _____ timeClocks?

What _____ do we need _____ take _____ system with _____ technology?

_____ steps for _____ clock _____

_____ old payroll and _____ bio-clocks _____?

_____ should we _____ to have _____ payroll _____ with _____ new clock?

_____ we _____ to get _____ payroll _____ with the new clock?

Is it _____ to _____ up our payroll infrastructure _____ the _____?

How _____ we _____ our _____ setup _____ timeClock devices?

_____ could the payroll _____ be _____ to _____ recently _____ clock _____?

_____ integrate an old payrolling system _____ bio time _____?

_____ steps _____ merging our payroll system _____ time clocks?

_____ are the steps we _____ order to integrate our payroll _____ clock _____?

_____ a _____ for _____ and bio time clocks?

How _____ linked with _____ clocks?

_____ you _____ us about _____ integrate the payroll _____ the _____ time _____?

_____ can our current _____ system be _____ with _____ clocks?

What _____ our _____ to get _____ payroll _____ to _____ new clock?

_____ steps _____ merging our payroll system with _____ new _____?

_____ do we _____ new bio-clocks.

What _____ be _____ integrate old payroll _____ bio-clocks?

_____ to know _____ the payroll system _____ the Biometrics _____ Clocks.

How do we get payroll _____ biometric _____?

_____ are we _____ to _____ payroll system _____ work with the _____?

Do you need steps to sync _____ system _____?

_____ are _____ expected to get our _____ to work _____ time _____?

Can you _____ us _____ how _____ our payroll system _____ new time _____?

_____ I _____ new bio-clocks integrated?

_____ steps _____ get our payroll _____ compatible _____ new time-clocks.

_____ can _____ our current payroll _____ to the _____?

_____ need to _____ how _____ integrate _____ payroll _____ with the _____ time _____

How _____ our _____ system _____ with the _____ clock?

What are the _____ merging _____ system with the new _____?

_____ steps we _____ to _____ in order _____ payroll system with _____ new clock technology?

How are we _____ system compatible _____ the _____ clock?

_____ can we do _____ the _____ pay _____ with the latest _____?

What _____ integrate payroll with these _____?

Can _____ to _____ payroll in our new TimeClock _____?

Can you _____ us _____ how _____ integrate _____ payroll system with _____?

_____ can we integrate _____ with _____ time _____ technology?

_____ you _____ us how _____ combine _____ time clocks?

_____ you tell _____ the _____ of _____ payroll _____ the new time _____?

How are _____ supposed _____ get our payroll _____ to use _____?

_____ to _____ to _____ our payroll system with the _____ clock.

How are old payroll _____?

_____ do the steps _____ the payroll system _____ new _____ clock?
 The payroll _____ has _____ merged _____ time clock.
 _____ for _____ an old payroll _____ with a _____ time _____.
 What _____ steps _____ will _____ to _____ payroll system compatible _____ the _____ time _____?
 _____ combine _____ payroll infrastructure with the time _____?
 How _____ connect _____ payroll _____ new time clock?
 Can _____ how we can integrate the _____ system _____ new _____?
 I _____ to _____ how _____ combine _____ time clocks.
 _____ do we make _____ payroll _____ is _____ upcoming time _____ devices?
 _____ our payroll system with _____ Biometrics _____ Clocks is _____ to know.
 _____ you _____ to _____ payroll system with the new timeclocks?
 We _____ on how _____ integrate our payroll _____ new _____.
 Do you _____ payroll-biometric clock _____?
 How _____ connect our _____ infrastructure with _____ clock tech?
 _____ we connect the payroll _____ the new _____?
 _____ link our payroll system _____ new clocks?
 How _____ payroll _____ bio-clocks to work _____?
 _____ are we supposed to _____ our payroll _____ connect _____ clock?
 _____ to smoothly integrate _____ payroll system with _____ time clock?
 What steps _____ be taken _____ integrate _____ new bio-clocks?
 _____ to integrate a payroll _____ a _____ time tracker.
 _____ you _____ us _____ information _____ to _____ our _____ with the new _____ clock?
 _____ there _____ payroll together with new bio-clocks?
 How _____ we sync _____ system with _____ new _____?
 We need _____ know how to _____ with _____ Biometrics time _____.
 How _____ our payroll system connected _____ new _____?
 _____ will _____ connect _____ payroll _____ to _____ new time _____?
 _____ we do to link our _____ new time _____?
 _____ existing payroll infrastructure _____ the _____ time clock technology?
 _____ are steps that must _____ taken _____ sync _____ new time clocks.
 _____ payroll with _____ clocks?
 Is there _____ for payroll-biometric _____?
 How _____ unify payroll _____ clocks?
 I need _____ know _____ for _____ and bio _____ clocks.
 _____ do we connect _____ existing _____ the _____ time clock technology?
 _____ you _____ us _____ connect _____ time tracker to _____ files?
 _____ need _____ some _____ in order _____ sure _____ payroll _____ is connected to the _____ time
 _____ need to know how we can integrate _____ payroll _____.
 How could we _____ our payroll _____ after _____ technology?
 _____ provide us _____ information about how to _____ our _____ the _____ timeClocks?
 We need _____ to use _____ Biometrics _____ Clocks with _____ payroll _____.
 _____ we _____ to _____ the payroll _____ with _____ new _____ clock?
 Can _____ information _____ how to integrate our _____ with the _____?
 What _____ process to _____ our _____ the _____ time clocks?
 How do _____ payroll-biometric _____ to _____?
 _____ can we _____ payroll _____ recently added time clock _____?
 What are the steps _____ system with _____ clocks?
 _____ we _____ our payroll system _____ new clock?
 _____ do _____ old pay _____ with bio time _____?
 _____ will need to be _____ order _____ integrate _____ the new clock?

How do _____ match our _____ to _____ new time _____?

How _____ we use our _____ infrastructure to connect _____ clock _____?

How _____ we connect _____ payroll infrastructure with _____ new _____?

How _____ biometric clocks be integrated?

_____ do _____ the old _____ with _____ time tracker?

What is the process _____ system _____ time trackers?

_____ we get the payroll _____ to connect _____ the _____?

Need steps to _____ sync with the _____ time _____?

How do we _____ systems _____ work with the _____?

_____ is _____ to integrate old payroll system _____ tracker?

Can you tell _____ to connect bio _____ to _____?

_____ you _____ us _____ we _____ integrate the payroll _____ the _____ clocks?

How do _____ get our payroll _____ new _____ clock devices?

How could we _____ up our _____ with _____?

_____ are needed _____ make _____ payroll _____ compatible _____ new clock?

_____ are we _____ to _____ to _____ new time clock?

The _____ system _____ to _____ merged with the _____ time _____

_____ that _____ to be taken _____ old payroll with new _____.

_____ you give _____ description of how _____ combine payroll _____?

How do _____ our _____ together _____ the _____ bio-clocks?

_____ to _____ old payroll, _____?

Can you _____ us guidelines to _____ our _____ the new _____?

What _____ do _____ have _____ take _____ integrate our payroll system _____?

Is _____ process _____ integration of our payroll system _____?

What _____ the _____ our _____ to the new time clock?

We _____ to _____ how to integrate _____ payroll _____ Biometrics _____.

I _____ to _____ to combine _____ and bio time _____.

How do we get _____ payroll _____ work _____ time _____?

_____ to fix _____ setup with _____?

How can _____ infrastructure to _____ time clock _____?

_____ it possible _____ our _____ system _____ be integrated with _____ latest bio _____?

We need _____ the old _____ the _____ bio _____ tracker.

How _____ get old _____ new bio-clocks _____ work _____?

How can _____ up our payroll _____ time _____?

_____ to have our _____ system work _____ the time _____?

To _____ payroll system compatible _____ the new _____ will _____ take _____ steps.

There _____ make our payroll _____ the new time _____.

_____ our existing payroll infrastructure to _____ the _____ time clock _____?

_____ there a _____ for integration _____ payroll _____ the _____ time clocks?

_____ do we connect _____ system _____ time clock?

_____ how to _____ our payroll system with _____ times?

_____ required _____ to integrate our _____ system _____ time clock?

Can you please _____ us how _____ integrate _____ payroll system _____?

What _____ must we take _____ make _____ payroll _____ with _____ clock?

How _____ payroll setup _____ the timeclock devices?

How do we update _____ with _____ devices?

How _____ the _____ the time clock technology?

There _____ steps _____ for _____ of the _____ the new _____ clock.

How _____ integrate _____ payroll system _____ time trackers.

_____ do _____ set up the payroll with _____ new _____?

Is ____ possible ____ put the payroll ____ ____ ____ bio-clocks?

How ____ unify ____ ____ bio time ____?

What are ____ steps we ____ ____ take in ____ ____ ____ our ____ system to ____ ____ the ____ clock?

How ____ ____ payroll, ____ bio-clocks ____ integrated?

____ ____ the steps ____ ____ to take ____ ____ ____ our ____ system with ____ new clock ____?

____ ____ ____ our payroll together with ____ new bio-clocks?

Can ____ explain to ____ ____ combine payroll and bio ____ ____?

____ ____ combine payroll ____ ____ bio ____ clocks.

What steps ____ ____ ____ take to ____ our payroll system ____ ____ ____ new clock?

____ ____ we integrate ____ old ____ ____ the new bio ____ trackers?

Can you give ____ information ____ how ____ ____ our payroll system ____ ____ ____?

____ ____ we ____ our ____ to ____ ____ time clock devices?

What are the ____ ____ to ____ payroll system compatible with ____ ____ ____?

What ____ the ____ towards merging ____ ____ system ____ ____ new time ____?

____ payroll setup ____ ____ merged ____ ____ timeclocks.

We have ____ ____ ____ our payroll ____ ____ connected ____ the ____ time

The procedure to ____ ____ ____ with ____ time trackers.

____ ____ to ____ ____ you know ____ to integrate ____ ____ system with ____ biometric ____ clock.

____ ____ ____ our payroll system to ____ time clock?

What are the ____ ____ that must ____ taken to ____ ____ ____ with ____ new ____?

How ____ ____ make sure that ____ payroll setup ____ compatible ____ ____ ____ time ____ devices?

____ you tell ____ ____ integration process ____ ____ payroll ____ ____ the new time clocks?

There ____ ____ ____ take ____ ____ ____ payroll system ____ the new time clocks.

Can you ____ us information on how ____ can ____ ____ system with ____ ____ ____?

How do ____ get ____ current payroll ____ to work ____ ____ ____ devices?

What are ____ steps ____ getting ____ payroll ____ ____ be ____ with ____ ____ clock?

How do we ____ our payroll ____ ____ ____ new time ____ ____?

What ____ ____ ____ to take to ____ ____ ____ the new time clock?

How can ____ combine ____ ____ ____ time ____?

____ ____ are the ____ ____ that ____ ____ ____ make our ____ system ____ with ____ new time clock?

What ____ ____ be followed ____ order ____ integrate ____ payroll system ____ ____ new ____?

What ____ the procedure ____ get old ____ ____ ____ time tracker?

____ ____ can ____ ____ the payroll system ____ be ____ ____ the ____ clock?

____ ____ are the ____ ____ ____ merging the ____ system with ____ new ____ clocks?

____ ____ will ____ have ____ ____ to have our payroll ____ ____ ____ the ____ clock?

How ____ ____ payroll ____ ____ with bio ____?

____ ____ you provide us ____ information ____ how ____ integrate ____ payroll system ____ ____ ____?

____ ____ are ____ ____ ____ get the ____ ____ to work with ____ new clock?

What are ____ steps ____ ____ ____ take in order to integrate ____ ____ ____ with ____ new clock?

____ ____ unify ____ setup ____ bio time ____?

How can ____ ____ ____ be ____ ____ ____ new time clock technology?

____ ____ could ____ ____ our payroll infrastructure to the recently ____ ____ ____?

How ____ ____ ____ payroll with ____ time ____?

Is it ____ ____ ____ ____ pay system with ____ ____ bio ____ tracker?

We ____ ____ to ____ ____ to ____ the ____ system with the ____ ____.

Can ____ give us ____ ____ about how ____ integrate the payroll system ____ ____ ____ ____?

Can we connect ____ ____ infrastructure with ____ ____ clock ____?

How do we get the payroll ____ ____ ____ ____ devices?

To ____ ____ payroll system compatible ____ the ____ time-clocks, ____ have ____ ____ steps.

The ____ system need to be ____ ____ ____ ____ time ____.

_____ would like to _____ the payroll _____ new time clocks.

How _____ you _____ payroll-biometric _____?

_____ need _____ how _____ our _____ system with the new _____ clock.

_____ steps _____ put our payroll together with _____?

_____ how to integration the _____ system with the _____ time _____.

_____ a procedure _____ merging _____ and bio _____ clock?

What steps _____ integrate _____ bio-clocks?

How _____ payroll _____ with bio _____ clocks?

What _____ need to _____ integrate the payroll system with _____?

_____ for payroll-biometric _____ to _____?

_____ steps _____ to take _____ make _____ payroll system _____ with _____ new time clock

There are _____ to _____ integrate _____ payroll system _____ new time _____.

Can _____ give us _____ how _____ integrate _____ payroll _____ the new _____?

The _____ Payroll-biometric _____ merging?

What _____ the steps _____ integrate our payroll system with _____?

_____ need _____ integrated with old _____.

How _____ we _____ and biometric _____?

To _____ our _____ work _____ new clock, _____ are the steps?

_____ you _____ an old payrolling system _____ time _____?

To get _____ system compatible _____ the _____ we'll _____ take many

How _____ we _____ system into _____ new clock _____?

How _____ the procedure _____ and _____ time clocks?

_____ do we get _____ payroll system _____ with _____ time _____?

How _____ we _____ to _____ time clock technology?

The _____ for _____ clock _____

_____ use our _____ payroll infrastructure to connect _____ new time _____?

_____ steps _____ take _____ payroll system with _____ new clock?

The existing payroll _____ merged with the new _____.

Can _____ give _____ some information _____ integrate _____ system with the _____ timeClocks?

_____ the _____ our _____ system with new time clocks?

_____ link our payroll _____ with _____ clock technology?

_____ to add _____ bio _____ clocks?

We need _____ how to _____ our _____ the _____ time Clocks.

Can _____ for merging _____ and _____ time clocks?

_____ need _____ to get our _____ in _____ with the new clock?

What are _____ steps that _____ to _____ to integrate _____ payroll _____ the new _____?

How _____ we align _____ current _____ the _____ time _____ devices?

_____ you _____ integration for our payroll system and _____ clocks?

_____ we get our _____ system to work with _____?

_____ you give _____ integrate our _____ system _____ the new time clocks?

How to _____ the old _____ system _____ tracker?

How _____ setup _____ reflect _____ time clocks?

_____ know how _____ can integrate our payroll _____ the _____ time _____?

There _____ to merging _____ clock.

_____ tell _____ the procedure for _____ payroll and _____ time _____?

The _____ system _____ employed biometric clocks _____ be _____.

How _____ set up our payroll system _____ with _____ clock?

_____ we _____ our _____ to match new _____ clock devices?

_____ are we supposed _____ our payroll systems _____ the _____ clock?

_____ to be done to get _____ payroll system _____ new _____?

_____ make _____ our _____ is connected _____ biometric _____ we _____ follow some steps.

What is the procedure _____ integrate _____ time _____?

_____ to combine _____ setup _____ clock?

What is _____ to _____ system and _____ clock _____?

Any _____ to integrate our old _____ the _____ bio _____ tracker?

Are _____ any _____ steps to _____ payroll system with our _____?

What _____ the _____ need to take in _____ our _____ system into _____ clock?

_____ give us _____ to _____ payroll system _____ the new timeclocks?

What _____ the _____ to _____ an _____ payrolling system _____ bio time _____?

How _____ get our _____ setup in line _____ the new _____?

_____ to integrate _____ payroll system with _____ what steps will _____ to _____?

_____ are the steps _____ the payroll _____ the new clock?

_____ are the _____ we _____ to _____ our payroll _____ compatible _____ the _____?

What should we _____ to _____ payroll system _____ new _____ clock?

What _____ that need _____ to have our _____ system _____ with the new time _____?

How are our _____ to _____ with _____ clocks?

_____ need _____ be _____ in _____ to _____ our _____ the new time clock?

_____ are the _____ that _____ to _____ make our _____ system compatible with the _____ time _____?

How do _____ get integrated?

_____ the steps needed _____ with new bio-clocks?

_____ the process _____ integrating _____ system with bio _____ tracker?

_____ do _____ integrate old _____ system with bio _____?

What _____ be _____ to integrate our payroll _____ with new _____?

How can we link _____ current _____ with _____ new _____?

Can _____ tell us how to _____ payroll _____ the _____ clocks?

_____ setup _____ with bio time clocks?

_____ would we link _____ our _____ infrastructure with _____ clock _____?

How _____ integrate _____ payroll _____ with _____ new clocks?

_____ we _____ to get the payroll system _____ with the _____ clock?

_____ we do to get _____ to match _____ new _____?

There _____ that _____ taken to integrate old payroll _____ new _____.

_____ get our payroll system _____ the new clock?

How _____ we _____ payroll _____ with the _____ devices?

How _____ we _____ our _____ system with the new _____?

_____ steps _____ we _____ take _____ our payroll _____ with the new clock?

What _____ aligning _____ current payroll setup _____ new time clock _____?

Taking _____ for payroll-biometric _____?

_____ you _____ to integrate the _____ the new clock?

_____ there any necessary steps to integrate _____ the _____ time _____?

_____ need _____ know _____ to _____ the payroll _____ with _____ clock.

To get our payroll _____ to _____ with _____ we _____ to _____ many

How can _____ be connected _____?

_____ can _____ system _____ bio _____ trackers be integrated?

Is _____ process _____ integrating our _____ and _____ time clocks?

There _____ a need _____ to integrate the payroll system _____ Biometrics _____.

What can _____ do to _____ current _____ with _____ clocks?

_____ steps are involved in merging _____ existing payroll _____ clock?

_____ do _____ integrate _____ and biometric clocks?

What _____ the steps _____ need _____ to _____ payroll system with the _____ clock?

What _____ we do to _____ our payroll _____ new _____?

____ do ____ integrate ____ system with ____ new ____ clocks?
 How ____ our old pay system ____ time trackers?
 ____ there ____ for ____ of our payroll ____ and new time ____?
 Can ____ tell us ____ can ____ our current payroll ____ with ____ new ____?
 Can you ____ information ____ how ____ the payroll ____ the ____ clocks?
 ____ there any ____ needed ____ integrate ____ payroll system with ____ new ____?
 Can ____ us ____ on ____ to ____ our payroll system with ____ time ____?
 How do ____ and biometric clocks ____?
 ____ procedure ____ integrate ____ old ____ system ____ a bio time ____?
 ____ do you connect our ____ system ____ clock?
 ____ to reconcile ____ and ____ clocks?
 ____ steps ____ to take to ____ our ____ system ____ new time clocks?
 ____ can we ____ our ____ payroll ____ to the ____?
 We ____ to know what the ____ for ____ payroll ____ with the ____.
 How do ____ our ____ to ____ new time ____?
 ____ are ____ to ____ payroll-biometric clock.
 ____ requirements for integration ____ our ____ and bio ____.
 ____ use ____ payroll ____ to connect with ____ new time clock ____?
 How can ____ payroll ____ linked ____ the ____ clock?
 ____ to combine ____ setup ____ bio ____ clock?
 Can you explain how ____ integrate ____ payroll ____ time clocks?
 ____ get our ____ to ____ compatible with ____ new clock, ____ our ____?
 ____ to us ____ how to ____ our payroll ____ new time clocks?
 ____ the steps ____ integrate ____ with new bio-clocks?
 ____ can we ____ current payroll infrastructure ____ the ____ clock ____?
 ____ you ____ how our payroll system ____ be integrated ____ time ____?
 How ____ link up ____ payroll infrastructure ____ time ____ technology?
 We need to ____ integrate ____ the Biometrics time Clocks.
 What actions ____ we take ____ make ____ compatible ____ time clock?
 Is ____ possible ____ the old pay ____ latest bio time ____?
 ____ do we ____ our payroll ____ to ____ with ____ new ____?
 ____ we ____ to connect ____ payroll ____ with ____ new time ____ technology?
 ____ us ____ on ____ to ____ our payroll system with the ____?
 To get our ____ be ____ the new ____ have to take ____
 ____ can ____ integrate ____ pay system with ____ new ____ time ____?
 Can ____ give us ____ regarding how to ____ our ____ new ____ clocks?
 ____ we connect the payroll system ____ the ____.
 What ____ we ____ to ____ to get our payroll ____ to ____ the ____ clock?
 The payroll system ____ be ____ with ____ biometric ____.
 ____ are ____ to take in order ____ make sure ____ system is connected to ____ time?
 Is ____ possible ____ integrate ____ old pay ____ bio time trackers?
 ____ there any ____ combining ____ payroll and bio ____?
 What are ____ involved ____ merging ____ system ____ the new ____?
 ____ how to integrate ____ with the new time clocks
 Integration of our payroll ____ with ____ Biometrics time ____ is ____.
 We ____ know ____ to integrate ____ system ____ the Biometrics ____ Clocks.
 ____ merging ____ and biometric clock?
 ____ do I get ____ biometric clocks to ____?
 What ____ we ____ to integrate ____ payroll system ____ the ____ time ____?
 Can ____ tell ____ about how ____ our payroll ____ with ____ clocks?

How could we _____ with the _____ time clock _____?

What _____ steps we need _____ in order to _____ with the new _____?

_____ you _____ us _____ information _____ to integrate our _____ system with _____ new _____?

To _____ our _____ system _____ compatible with the new clock _____ do?

_____ are our payroll _____ supposed to _____ with _____ time _____?

_____ will _____ integrate our _____ system into the _____?

_____ can we _____ system connect to _____ time clock?

Do _____ need steps to _____ to _____ time _____?

_____ to combine _____ with bio _____?

What _____ that have to be _____ to _____ sure our _____ is connected to _____ time?

How _____ we get our _____ payroll system _____ our _____ time _____?

_____ payrolling _____ be _____ with bio time tracker?

How _____ we get _____ system _____ with _____ time clocks?

What _____ the ways _____ integrate _____ with _____?

What _____ we have to take in _____ our _____ with _____ clock?

_____ know how _____ fit our payroll system with the _____.

What are the steps _____ be taken _____ payroll _____ time clocks?

_____ connect _____ payroll _____ with the new _____ clock technology?

_____ information about _____ integrate our _____ system with _____ new _____.

_____ steps of _____ merging?

_____ you provide _____ information about _____ integrate our _____ with _____ time clock?

We need _____ how _____ integrate the _____ with the _____.

We _____ to _____ our Payroll system with the _____ time _____.

What _____ do _____ have _____ take to _____ system and time _____?

_____ there steps _____ sync _____ payroll _____ with the _____ time _____?

There are steps _____ for the payroll system _____ new _____.

What _____ the _____ we combine _____ payroll system _____ new time clock?

_____ could we _____ our _____ new bio-clocks?

_____ are we _____ to connect with _____ clock _____ our payroll _____?

_____ should _____ system be integrated _____ bio _____ trackers?

_____ combine payroll with _____ time _____?

_____ you _____ guidelines on how to _____ our payroll _____ the _____?

Can _____ tell us _____ to combine _____ payroll and _____?

_____ do _____ reconcile _____ payrolling system _____ time trackers?

_____ we _____ to integrate the _____ system and _____ system?

How to _____ setup _____ time clocks?

_____ for _____ integration?

How _____ to get the _____ system to work with _____?

What _____ to _____ taken for integrating old _____ new _____?

How to _____ bio time _____?

How _____ we get _____ to _____ new time clock?

_____ to _____ payroll setup _____ time _____

Do you _____ steps to _____ the payroll _____ time _____?

_____ steps are we _____ our payroll _____ work with _____ new _____?

_____ are _____ we need to take _____ order _____ payroll _____ new clock _____?

How do we connect our _____ payroll _____ the _____ technology?

How _____ the _____ to the new time?

How _____ unify _____ bio _____ clocks?

How are we _____ our _____ system compatible _____ new time _____?

How _____ we _____ the payroll _____ work _____ our new _____?

_____ there _____ way _____ put _____ with new bio-clocks?
 _____ procedure _____ a _____ system with a _____ time _____.
 How _____ pay system with the _____ time tracker?
 _____ current _____ setup with bio time _____?
 _____ need to be taken in _____ to make _____ payroll _____ new _____ clock?
 _____ do _____ integrate old _____ bio-clocks?
 _____ and biometric clocks to _____?
 How _____ the _____ system with the _____ time _____?
 _____ our _____ be put together _____ new _____?
 _____ to incorporate our old pay _____ the latest _____ tracker?
 _____ can we _____ the recently _____ technology to _____ payroll infrastructure?
 _____ can _____ our payroll together _____ bioclocks?
 _____ are the steps we need _____ follow _____ integrate _____ payroll _____ new _____?
 _____ you _____ us _____ on how to integrate our _____ time _____?
 _____ we _____ do _____ get _____ payroll _____ to be compatible _____ the new _____?
 What _____ be done _____ payroll with new _____?
 The _____ system _____ to be _____ with _____ timeClocks.
 How _____ we make the payroll _____ with the _____?
 _____ is the procedure _____ the _____ with bio _____ tracker?
 Can you _____ some _____ about _____ the _____ system to _____ the _____ time clocks?
 What steps _____ taken _____ integrate old payroll _____?
 We _____ can _____ our payroll system with the _____ time _____.
 Integration of the _____ system _____ the _____ time _____ is something _____.
 How should _____ link up _____ payroll _____ clock technology?
 What _____ be done to _____ with new _____?
 If there are steps _____?
 _____ any _____ for payroll-biometric _____ merging?
 Can you tell _____ we _____ integrate _____ payroll system _____ new _____?
 Can _____ tell us how _____ integrate _____ payroll _____ the _____?
 _____ do _____ payroll system _____ with the _____ time clocks?
 How _____ connect _____ with the _____ time clock?
 In _____ payroll _____ with _____ new _____ what are the _____ we need to _____?
 _____ integration of _____ old pay system _____ the _____ trackers _____?
 Steps _____ payroll-biometric clock _____?
 How _____ the biometric _____ integrated?
 _____ we make our payroll system _____ with _____ time _____?
 We need to know _____ to _____ our payroll system _____.
 How do _____ make _____ compatible _____ our _____ time _____ devices?
 How do _____ payroll _____ bio _____ clocks?
 There are _____ for _____ clock _____.
 _____ payroll system has to _____ merged _____ the _____.
 What are _____ for combining _____ and bio _____?
 _____ to integrate old _____ new bio-clocks?
 _____ are _____ supposed to _____ payroll system with _____ clocks?
 _____ would _____ the procedure _____ payroll and _____ time clocks?
 How _____ we _____ to get our payroll system _____ new _____?
 How to get _____?
 _____ the process _____ the payroll system _____ new clock?
 How _____ you combine current _____ setup _____ clocks?
 _____ need _____ sure _____ our payroll system is _____ the _____ time

In order to ____ sure ____ payroll system ____ to ____ time, ____ need to ____ steps.
____ information on how ____ integrate the ____ with ____ timeClocks.
There ____ for ____ clock ____.
To ____ payroll system compatible with the new time-clocks, ____
____ integrate ____ with bio ____ trackers?
How ____ we make ____ current payroll setup ____ with ____ new ____?
____ to ____ our payroll together ____?
How were ____ supposed ____ connect ____ payroll ____ to ____ new ____?
____ we do ____ current ____ setup with ____ new ____ clock devices?
____ steps ____ we ____ to ____ our ____ compatible with the new ____?
How do we ____ setup to work ____ new ____?
Can you explain ____ payroll ____ bio timeclocks?
How ____ blend ____ bio time ____?
____ to take ____ to ____ payroll ____ compatible with the ____ time-clocks
____ to integrate our old ____ system ____ latest ____ trackers?
____ get ____ payroll ____ to ____ with the ____ what ____ the steps?
Can you ____ combining ____ and bio time ____?
Combining ____ system ____ biometric clocks?
____ do ____ system with the new ____ technology?
What about integrating ____ with ____ latest bio ____ trackers?
____ of ____ pay system with ____ latest bio ____?
How should ____ payroll ____ with our new ____ clocks?
How ____ payroll setup ____ our new time ____ devices?
____ we ____ to integrate an ____ payrolling system with ____ tracker?
How ____ we supposed ____ payroll system working with our ____?
How do ____ integrate ____ bio-clocks?
How ____ setup ____ work ____ new time clock devices?
____ you integrate payrolling system ____ bio ____?
____ any necessary ____ the integration ____ the ____ system and ____ clock?
Can you ____ us ____ can ____ our ____ with the ____ timeclocks?
____ steps ____ to ____ old payroll ____ new bio-clocks.
How ____ we align our payroll setup ____?
____ are the steps we'll have ____ payroll ____ with the ____ clock?
How can ____ the ____ to work ____ the ____ time ____?
Can ____ integrate our payroll system ____ new clock?
What ____ procedures for ____ payrolling system with ____ time tracker?
steps ____ payroll-biometric ____?
____ we ____ to connect ____ payroll ____ to ____ new ____ clock?
How ____ we connect up our payroll ____ with ____?
What can ____ do ____ put our payroll ____ bio-clocks?
____ to merge our payroll with new biometric ____?
How ____ link our ____ with ____ timeclock devices?
____ do you ____ old ____ system ____ time tracking?
____ do ____ match our ____ with ____ new time clock ____?
How ____ we ____ sync with the new ____ clocks?
Is there ____ steps ____ system ____ new time clock?
We ____ to integration ____ payroll system with the Biometrics ____.
Can you ____ information on ____ to ____ our payroll ____ with ____?
What ____ the ____ associated with ____ the new time clock?
____ need ____ how to ____ system with ____ Biometrics timeclocks.

_____ tell us _____ we _____ integrate _____ system _____ new time clocks.

_____ can _____ use our existing _____ to _____ new _____ clock technology?

What's the _____ for merging the payroll _____ the _____?

_____ you give us _____ our payroll _____ with timeclocks?

_____ are the _____ we _____ take in merging _____ the _____ time clocks?

_____ integrate _____ clock?

How can we link _____ with _____ new _____?

How can we _____ pay _____ the bio _____ tracker?

Can you _____ the procedure for _____ payroll and _____?

_____ there _____ meld our payroll _____ new clocks?

_____ can _____ get _____ system _____ sync with the new _____?

How can _____ use _____ time clock technology _____ to _____ payroll _____?

_____ it _____ old pay _____ with the latest bio _____ tracker?

_____ we _____ old payroll _____ new _____?

_____ do we _____ and biometric _____?

_____ we connect our _____ system _____ the _____ clocks?

Are _____ necessary _____ for _____ integration of our payroll _____ new _____?

_____ could we link up the time clock _____?

Can you tell us how we _____ integrate the _____?

_____ you tell _____ how to integrate _____ the _____ TimeClock _____?

_____ payroll _____ compatible with _____ new time-clocks, we have _____ steps.

How-to guidelines _____ merging _____ payment _____ and _____ biometrics _____?

_____ to _____ clock?

Steps for _____ clock?

_____ can you _____ about _____ our _____ system with _____ time clocks?

_____ can we do to _____ up our _____ with _____ time _____?

Is _____ a procedure for _____ and _____ clocks?

_____ do _____ connect our payroll _____ to _____ time clock?

To _____ system to _____ with the new _____ will _____ to _____ steps.

To _____ system to _____ with _____ new _____ what are the _____?

There are _____ that _____ be _____ to sync payroll _____ new _____.

_____ we put our payroll _____ bio-clocks?

Is there any _____ combining _____ bio _____ clock?

How _____ clocks be combined?

Integrating _____ pay _____ with bio _____?

_____ could _____ our _____ system with _____ time _____ technology?

_____ get our _____ to _____ new time clock devices?

What _____ taken _____ payroll-biometric _____ merging?

What _____ integrating _____ payroll system with bio _____ trackers?

_____ payroll system _____ with _____ new time clocks?

_____ steps _____ combine the payroll _____ new time clock?

_____ can we _____ to _____ payroll _____ the new time _____ technology?

To _____ our payroll _____ the new _____ we'll _____ take many

Can you _____ use _____ payroll system _____ the new _____ clock?

Can you give _____ integrate _____ payroll _____ with timeClocks?

Combining _____ and _____ clocks: process _____?

How _____ payroll _____ bio time _____?

_____ give me _____ how _____ integrate our _____ with the new _____?

Are there _____ steps _____ need to _____ to _____ our _____ and _____?

How _____ we _____ biometric clocks to _____ together.

_____ do _____ get the _____ setup to work _____ the _____?

_____ to merging _____ payroll _____ clock?

What _____ our _____ getting _____ system to _____ with the _____ clock?

What can we _____ old _____ and new _____?

_____ are _____ to take _____ integrate _____ payroll _____ the _____ time clocks?

What steps _____ required _____ old payroll with _____?

What is the _____ old payrolling _____ with a _____ tracker.

_____ we get our _____ system _____ work with _____ clocks?

Can you give _____ how _____ integrate our _____ the new _____?

How to _____ payroll _____ clocks?

_____ for a payroll-biometric _____?

Can _____ breakdown _____ steps for _____ system with _____ time clocks?

We _____ integrate _____ system with the new _____.

_____ put _____ with new bio-clocks?

_____ is the _____ for integration _____ bio time tracker?

How do _____ adjust _____ setup to work _____ devices?

Can _____ give _____ guidelines on integrating the _____ the new _____?

How _____ a way to combine _____ and _____ clocks?

_____ should we _____ get the payroll _____ compatible _____ clock?

Is _____ a process for _____ system with the new _____?

_____ will _____ steps for _____ merging.

What _____ should we _____ taking _____ system _____ with the _____ time clock?

Steps for _____?

_____ you give _____ information on how _____ payroll system with _____ clocks?

What is needed to _____ setup work _____ the _____?

What _____ the _____ we need to _____ to integrate _____ system _____ technology?

What _____ the _____ merging our payroll _____ with the _____?

Can _____ us how we _____ with _____ new clock?

_____ should _____ our _____ to _____ with the _____ time clock?

How do _____ connect _____ system _____ the new _____?

_____ change payroll _____ time clocks?

How _____ we _____ the _____ infrastructure with _____ technology?

There are steps for _____ system to _____ connected to _____.

Can you give us _____ our _____ system with _____ time clock?

_____ we _____ get our _____ system to _____ compatible with the _____ clock?

_____ do _____ payroll compatible with _____ new clock _____?

_____ match _____ payroll setup with the new _____ devices?

_____ needed _____ mix the _____ pay setup _____ the _____ clocks?

_____ provide _____ about how _____ our payroll _____ with the _____ timeclocks?

Can you _____ the _____ combining _____ bio time _____?

_____ let us know how _____ integrate _____ system _____ the _____ timeclocks?

_____ do _____ have to take _____ integrate our _____ new time clock?

_____ did we link our _____ with the _____?

_____ let us _____ integrate our current payroll _____ the new time _____?

_____ to add _____ time clocks _____ setup.

How could we _____ our _____ infrastructure _____ the _____ time _____?

_____ can _____ payroll together _____ the new bio-clocks?

_____ you _____ us how we can integrate our _____ clocks?

How _____ payroll-biometric clock _____?

_____ do we _____ the payroll setup work _____ new _____?

Can you ____ us how ____ incorporate ____ payroll system ____ ____ ____ ?

What ____ the ____ get ____ system ____ be compatible ____ the ____ clock?

____ payroll ____ connected with ____ ____ clocks?

What will ____ to ____ our ____ new clock technology?

____ are ____ steps needed ____ merging our payroll system ____ ____ ____ clock?

____ do ____ sure that ____ payroll setup ____ with our biometric ____ devices?

____ for getting our ____ system to ____ with the new ____?

Are ____ steps ____ to take to ____ our ____ system with ____ clock?

What ____ need to take ____ the ____ system ____ new time clocks?

In order to integrate ____ system with the ____ we ____ have ____ .

How ____ link up our payroll with ____ ?

____ we get ____ system to ____ with the new time ____?

____ do we ____ our ____ system ____ work ____ the new time ____?

We ____ how to integrate ____ system with the ____ time ____.

Can you ____ to integrate our ____ our ____ timeClocks?

Can ____ tell me ____ process ____ combining ____ bio ____ clocks?

____ steps ____ needed to ____ the payroll system ____ new ____ clock?

____ get our payroll system to ____ clocks?

How are we ____ the payroll ____ to work ____ time ____?

____ do you ____ payroll ____ compatible with ____ clocks?

____ us details on ____ payroll and ____ time clocks?
