

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Gas smell investigation assistance
Inquiry Sub-Category	Gas Leak Detection Equipment
Description	Information and support for customers interested in gas leak detection equipment, including recommendations for reliable products and guidance on proper usage and maintenance for enhanced safety at home or in commercial settings.
Data Size	6,569 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Can you provide _____ the _____ types of _____ gas _____ detectors?
_____ know _____ about the _____ leak detecting devices _____ include _____ sensors?
_____ us insight _____ used in gas leak detection?
_____ ask about _____ different types of _____ detectors?
Let _____ know _____ gas _____ detectors.
_____ tell _____ about the sensor used in _____.
_____ me what _____ detector's sensor types _____.
_____ for details on sensor in gas _____?
_____ provide information on _____ types of _____ detectors?
Tell me _____ types _____ detecting equipment.
_____ me _____ of gas _____ are out _____.
Which _____ of _____ used in _____ leakage _____?
Do you _____ type of _____ is _____ the gas _____?
_____ you _____ types _____ used by gas detectors?
_____ you _____ about the different types _____ gas _____ that are _____?
_____ used _____ gas leak detectors?
Is _____ way to show _____ sensors utilized _____?
I want to _____ gas leak detector _____.
Is there any _____ options used in _____ detection?
We _____ of different sensor _____ gas _____ detectors.
_____ are the _____ sensors in gas _____?
_____ tell _____ about the _____ sensor options _____ leak detectors.
_____ let _____ know _____ sensors used _____ gas _____ detection.
_____ it _____ provide information on _____ types of gas _____?
_____ types of gas detectors _____?
_____ you _____ me about _____ types of _____ leak _____?
_____ you have any _____ on _____ sensors?
Tell _____ the gas _____.

I _____ know _____ the _____ leak detectors that _____ out there.
_____ know _____ the diverse _____ within the gas leak detecting _____?
_____ to know _____ current-gen gas _____.
Inform us _____ utilized in _____ leak _____.
_____ like _____ know what types _____ sensors _____ found in _____ gas _____.
I want _____ know _____ types _____ found within _____ leak _____.
_____ there anything _____ can _____ me about _____ utilized _____ gas leak detectors?
Do _____ are used by gasoline _____ monitors?
_____ gas detecting equipment.
What _____ of the gas leak _____?
Which type _____ sensor are _____ leak _____?
_____ on the gas _____
_____ you tell _____ about the different _____ in _____ leak detectors?
What _____ the sensor _____ in _____ gas _____?
_____ the different _____ in modern gas leak _____?
Can you _____ the sensors used in _____.
_____ you _____ the _____ types _____ gas _____?
_____ you know _____ the _____ in _____ leak detectors?
_____ gas leak detectors' _____.
_____ current-gen sensors for gas leak _____.
I _____ find out about the _____ of _____ leak _____.
_____ types of gas leak _____ sensor types?
Different _____ types are used _____ tech _____ detectors.
_____ would _____ to _____ more _____ various _____ gas leak detectors.
Do _____ know if _____ are _____ modern _____ Leak Detectors?
Can you tell me _____ the _____ types _____ leak _____?
Which sensors _____ used _____?
_____ types of _____ are used _____ gas _____?
Do you have _____ about _____ are used by _____ detectors?
Can _____ me about the _____ types of _____ leak _____.
Can you tell me _____ kinds _____ gas _____ detecting _____?
_____ you _____ types of gas leak detecting _____ are?
_____ explain _____ different sensor _____ available for _____ detectors.
_____ of gas detector _____?
_____ the type of _____ that _____ used by _____ detectors?
_____ is the details on _____?
Please tell _____ options for _____ leak detectors.
Do _____ if the diverse sensors _____ included _____ the _____ devices?
Can _____ us _____ the _____ today's gas leakage detectors?
Does anyone _____ about gas _____?
_____ about _____ in the gas detectors.
Do _____ know _____ gas detector's _____?
_____ you know _____ gas _____ sensors?
_____ like to _____ the different types of _____ leak _____.
Tell me _____ of _____ leak _____
List _____ sensor _____ detectors.
_____ used in gas leakage _____?
Do _____ the _____ leak detector sensors?
_____ sensor _____ in gas leak _____?
_____ are the _____ types?

Can _____ about different kinds _____ gas _____ detection _____?

Tell me _____ the _____ gas _____.

_____ me about gas _____.

Tell me _____ of gas _____.

Do _____ which type _____ sensor is _____ detector?

_____ are _____ gas leak _____ detection _____?

_____ have _____ question about the types _____ sensors _____ modern _____ leak _____.

Do _____ know _____ gas leak _____ come with _____ sensors?

_____ am _____ for information _____ the types _____ leak _____ devices.

_____ you know _____ of _____ leak _____ are _____ there today?

_____ me _____ sensor _____ of _____ leak detectors.

_____ it _____ insights _____ the technology _____ in gas leak _____?

_____ leak detector sensors?

Tell _____ about the _____ leak _____.

_____ you know the _____ sensors _____ by _____ detectors?

Please _____ know what sensor options _____ available _____ gas _____.

_____ hear about gas leak _____ sensor _____.

Tell _____ current gas _____.

Can you _____ us information _____ the _____ leak _____ equipment?

Can _____ the _____ types _____ sensors used in gas leak _____

_____ sensors used in the gas leak _____.

_____ me _____ the different _____ detector's.

Do you know which _____ used _____ gas _____?

_____ the sensors _____ are used _____ leakage detectors.

_____ a choice _____ sensor choices _____ gas leak _____?

Is _____ the different types of _____ detection sensors?

_____ on gas _____ types.

_____ are _____ gas leak detector.

_____ you _____ different types of _____?

_____ me if _____ choices for gas leak detectors?

_____ you _____ the sensors _____ used in _____ detectors?

_____ know if there are _____ sensor _____ employed _____ gasoline leakage _____.

Is there information _____ gas _____?

Information _____ leak detection with _____.

Tell _____ of _____ leak detectors.

What sensor types _____ gas leak _____?

_____ know about _____ leak _____ sensor _____?

_____ you tell _____ about _____ sensor technologies utilized in _____ detectors?

_____ if there are multiple sensor _____ gas _____ detectors?

_____ tell _____ about the types _____ leak detecting _____ use them?

Please tell us about _____ options available _____.

_____ gas sensor _____

_____ a description _____ current _____ sensors.

_____ sensor _____ in _____ gas leak alarms?

Can you _____ different _____ gas leak detection _____?

_____ there _____ list _____ gas _____ types?

_____ of sensor are used _____ the _____ leak?

What are _____ for gas _____ detectors?

Is _____ offer _____ technologies used in gas leak _____?

_____ of sensors are used _____?

_____ about gas leak _____

What _____ different kinds _____ leak detection _____?

Which _____ of _____ for _____ leakage alarms?

Are _____ any _____ on the gas _____?

_____ are _____ different _____ used _____ contemporary _____ leak detection systems?

Can you _____ me about _____ sensors _____ gas leak _____?

_____ the types of instruments _____?

_____ of _____ detectors' sensors.

_____ anything _____ the various _____ leak detecting _____ that _____ diverse sensors?

_____ want to know _____ there _____ specific _____ gasoline leakage monitors.

_____ about _____ gas _____ detectors today?

What types of sensor _____?

What sensor types _____ detectors?

Do you _____ anything _____ the _____ gas leak detecting _____ sensors?

Can you tell _____ utilized _____ gas detectors?

Is there _____ sensor _____ for the modern gas _____?

Different _____ be found in _____.

_____ leak alarm's sensor _____?

_____ about _____ leak _____ details?

Can _____ the different _____ gas _____?

_____ is a _____ for _____ on _____ for _____ leak detection.

How about _____ types _____ gas _____?

There _____ types _____ gas _____ detectors.

I'm _____ if _____ learn more about _____ types of gas _____.

Can _____ the _____ technologies used _____ gas leak detection?

Do _____ any _____ types of gas leak _____ sensors?

_____ on different _____ detectors?

_____ sensor types _____ utilized _____ gas _____?

_____ information _____ gas leak _____ sensors?

Did you _____ about _____ gas _____?

_____ you give _____ information _____ different _____ gas leak detectors?

_____ wish to _____ different types _____ gas leak detectors.

_____ understand _____ different types of gas _____?

How much do _____ the _____ used in gas _____ detection _____?

Please _____ the different _____ available for gas _____.

Tell _____ different _____ of gas leak _____.

_____ it possible to give insights _____ the _____ leakage detectors?

_____ tell me _____ sensor options _____ gas leakage _____.

_____ different types of gas detecting _____.

Is there a _____ to provide information _____ different _____ detectors?

Do you _____ on _____ detector sensors?

_____ you to _____ about gas leak _____.

_____ you tell _____ more about the _____ in gas _____?

I want _____ know _____ specific _____ by current gasoline _____ monitors.

_____ types _____ sensor _____ used in _____ gas _____ alarms?

_____ us _____ the _____ types of _____ leak detectors?

_____ me what the different types of _____.

_____ there any information _____ leak _____?

_____ any specific _____ types employed _____ gasoline _____ monitors _____ you _____ me about?

_____ tell _____ about gas _____

_____ on _____ gas leak detecting devices with diverse _____?

Is it _____ to tell _____ about _____ used in gas _____?

_____ are the different _____ detectors?

Information _____ of gas _____.

Can you please _____ the _____ of gas _____ detectors?

_____ on _____ detection sensors.

_____ you _____ of sensors are used _____ detect _____?

_____ you _____ about _____ of the _____ leak _____?

Which _____ of sensor _____ gas leakage _____?

Provide _____ gas detectors' _____.

_____ sensors _____ used for _____ leak detection?

How _____ different sensor _____ in _____ gas leak _____ systems?

Is _____ more _____ choice for _____ gas _____ detection?

Do _____ about _____ sensor types?

Do you know anything _____ are included _____ detecting devices?

Could _____ find out more about the _____ leak _____?

_____ if there _____ any specific sensor _____ used _____ gasoline _____ monitors?

Do you _____ the _____ of _____?

_____ sensor _____ gasoline leakage monitors?

Talk _____ about _____ leak detector _____.

I _____ if there are specific _____ used by _____ monitors.

How about the _____ gas leak _____?

Provide _____ description _____ the _____ detectors' _____.

Current-gen gas leak _____.

_____ types of _____ are used _____ gas _____?

Do you _____ of _____ are _____ in _____ detection?

_____ there anything you can _____ me about _____ technologies _____ leakage _____?

_____ would _____ about _____ different _____ gas _____ detectors that exist today.

I need _____ leak detector _____.

I _____ know _____ types of gas leak _____.

Explain the _____ in gas _____.

How _____ you tell _____ about the _____ of _____ devices?

_____ are _____ gas leak detector.

_____ are the _____ leak _____ sensor _____?

Do you _____ list of _____ types _____ gas detectors?

Do _____ gas _____ sensor varieties?

_____ various sensor options used in _____ systems?

_____ the different _____ options used in gas _____ detection _____.

_____ information _____ the various gas _____ detectors today?

Tell _____ the sensor _____ leak _____.

_____ type of _____ to detect gas _____?

Do _____ know _____ detectors' sensor _____.

Details _____ gas _____ sensor?

_____ light on the _____ types _____ gas _____ detection sensors?

_____ are sensor _____ gas leak _____.

Are _____ specific _____ types _____ leak monitors?

_____ on _____ leak detector _____?

Do _____ any _____ on _____ that _____ in the gas _____ detecting devices?

_____ you _____ us _____ different types _____ leak detection _____?

_____ you have a _____ of _____ gas detector?

_____ different sensor options used in _____.

_____ you _____ me about _____ types?

_____ you _____ what _____ various gas _____ have today?

_____ sensors are used _____ gas _____.

_____ about the modern gas _____.

_____ me know _____ the gas _____ the sensors.

Discuss _____ types of _____.

Do you _____ regarding _____ different sensor options _____ in _____ leak _____?

_____ me what _____ gas _____ detectors _____.

_____ wondering if _____ could _____ out more about _____ different _____ of _____ detectors.

I would _____ to _____ more _____ the _____ of _____ found _____ gas _____ detector.

_____ types _____ sensors used in _____ detectors?

_____ tell _____ the different sensor _____ available _____ leaks.

Tell us _____ the _____ that _____ leak detection.

Do you _____ a list _____?

Tell us _____ sensors used _____ detectors today.

_____ you _____ which types _____ are _____ gas detector?

_____ provide me _____ on _____ of gas leak detection _____?

What _____ different types of _____.

_____ you know what _____ gas leak detecting _____ diverse _____?

_____ different sensors _____ gas _____ detection.

_____ sensor _____ are _____ in _____ leakage _____?

_____ intel regrading _____ detector?

What _____ the newer _____ equipment?

Please describe the different sensor options _____.

Tell me _____ leak detectors.

_____ about _____ leak detector _____?

_____ me about the _____ gas leaks.

What _____ types _____ with _____ detectors?

_____ us _____ the _____ of _____ detectors.

Do you know _____ types _____ detectors?

I _____ if you _____ different _____ of _____ detectors.

Different _____ in _____ leak detectors.

What _____ gas leak detector _____?

I was wondering _____ get _____ insight into the _____ types _____ leak _____.

Can _____ tell us _____ gas leak _____ equipment?

_____ details on _____ sensors?

The _____ leak detectors _____ sensors?

Is _____ of _____ leak monitors _____ you _____ tell me about?

What are _____ detection _____ leaks?

_____ there any _____ gas _____ types.

_____ have _____ insight into the _____ technologies _____ in gas _____ detection?

_____ multiple sensor _____ for gas _____?

_____ would _____ about _____ leak _____ sensor types.

_____ type of _____ detectors _____?

_____ would like to understand the _____ found within _____ leak _____.

What _____ of sensor are _____ gas _____?

Can _____ me what _____ of _____ are used _____ gas _____ devices?

_____ sensors _____ used in gas _____?

Do _____ know _____ used for _____ gas detectors today?

_____ how _____ gas monitors _____ various _____.

_____ us know _____ the different _____ options for _____ leak _____.

_____ sensors used in gas leakage _____.

_____ the different _____ of _____ leak detectors can _____.

Do _____ a _____ of the _____ gas _____ detectors?

_____ there _____ the _____ sensors _____ within the _____ gas leak detecting _____?

Can _____ about _____ leak detection _____?

_____ more about gas _____ types.

I _____ know _____ different types of _____ found _____ the _____ leak detectors.

Details _____ sensor types _____ leak _____

_____ to _____ types of sensors _____ within gas _____ detectors.

I want _____ types _____ leak _____ devices are used.

What are the _____ about _____ detector _____?

_____ want _____ know _____ types of _____ used in gas leak _____.

Do you know _____ about _____ diverse _____ the _____ devices?

Please _____ the _____ options _____ gas leak detection.

What _____ used in detection _____?

_____ the _____ types in _____ leak _____?

Is _____ types _____ by _____ leakage monitors?

_____ types available _____ leak detectors.

Do _____ know what _____ of gas _____?

Which _____ in gas leakage _____?

Is _____ possible to _____ insights on _____ leak _____?

Can _____ me about the different types _____?

_____ provide _____ the sensors that _____ used in _____ detectors.

_____ different types _____ leak detection sensors?

_____ gas leaksensors.

How _____ tell _____ gas detectors?

_____ sensor are used in gas _____ equipment?

Current-gen _____ for gas _____

_____ us _____ the sensors utilized _____ gas detectors?

_____ you _____ more about _____ different types _____ gas _____ detection _____?

Information on _____ leak _____?

What types _____ sensors _____ the _____?

_____ gas detectors' sensors.

What _____ the different _____ detecting _____?

We _____ overview of _____ sensor _____ gas leak _____.

_____ about the different _____ leak detection devices?

_____ sensors used in _____ gas _____ detectors?

_____ are details on _____ detector _____?

What _____ you _____ about the _____ technologies _____ in _____ leak _____?

Please explain _____ sensor options _____ available _____ gas _____.

_____ able to offer _____ range of _____ gas leak detectors?

What _____ sensor _____ gas detectors _____?

Give _____ on _____ gas leak _____.

What about the different sensor _____ used in _____?

_____ know what the _____ types of gas leak _____?

_____ are _____ in _____ detectors?

_____ need _____ types of _____ detecting devices used.

_____ would like _____ know _____ about the types _____ sensors _____ leak _____.

Do you _____ information _____ gas leak _____?

Can _____ the range of _____ technologies used in _____ leak _____?

Do you know _____ detectors use _____ type _____ sensors?

Is there _____ tell me about the _____ in _____ detectors?

_____ are the sensor technologies _____ leak _____?

Details _____ gas _____ sensors.

_____ it possible to offer _____ the _____ used _____ gas _____ detectors?

_____ would _____ to _____ more about the different _____ of gas _____.

Is there _____ various _____ of gas leak _____?

_____ on gas _____ detection sensors?

_____ there any insight into the range of _____ leakage _____?

I _____ about _____ sensor types of _____ leak _____.

_____ technologies are _____ in gas _____?

Provide _____ on _____ gas detectors' _____

_____ me _____ types of gas _____ detector _____.

What types of _____ in modern gas _____?

_____ types _____ gas detectors

_____ are _____ different _____ leak detectors today?

_____ are the types _____ detection equipment out _____?

What _____ gas leak _____ used?

_____ it possible _____ me _____ specific _____ by gasoline leakage monitors?

I _____ if _____ are specific sensor kinds _____ gasoline _____ monitors.

What _____ of _____ are used for _____ equipment?

_____ you tell _____ of gas leak _____ sensor?

_____ type of gas _____?

Explain _____ of _____ are used.

Tell me _____ the _____ types _____ gas _____.

_____ sensors _____ used _____ gas leak _____?

Is _____ to _____ different _____ types in _____ detectors?

_____ I get _____ the different types _____ detectors?

_____ you _____ about different types _____ leak detection sensors?

_____ you have _____ description _____ the _____ detectors _____ today?

_____ of _____ different sensor options for _____ leakage _____

_____ would _____ to _____ more _____ different types _____ sensors _____ gas leak _____.

Do _____ what _____ included _____ the state-of- the-art gas _____ devices?

Do you _____ any _____ the diversity of _____ detecting _____?

Do _____ diversity _____ the _____ leak detecting devices?

_____ me about the devices _____.

_____ sensor _____ gas leak detectors have?

_____ are used in _____ gas leaks?

_____ the types _____ leak detectors.

I would _____ to _____ more _____ of gas _____ there are.

_____ know the _____ sensors found within gas _____ detectors.

What _____ the different types _____ gas _____?

Information _____ sensors _____ gas _____ detectors should _____ provided.

Do you _____ the type of _____ devices _____ sensors?

Do _____ sensor types _____ gasoline leakage monitors?

Do _____ know _____ sensor types?

_____ me more _____ the _____ types of _____ gas _____.

_____ me _____ different _____ of gas _____.

I want _____ if _____ are _____ sensor _____ utilized by _____ monitors.

_____ different sensor _____ in gas _____

Some _____ types _____ detectors?

Gas leak _____ uses _____ sensors.

Tell _____ about _____ gas leak _____.

_____ you show _____ of _____ detectors?

_____ different _____ of gas detection equipment.

_____ any insight _____ the range _____ in gas leak _____?

Do _____ know _____ are _____ sensor _____ used in _____ leak _____?

What kind _____ sensors are _____ alarms?

_____ you tell _____ about the different _____ gas _____ detection?

_____ there _____ sensor types _____ detectors?

_____ of _____ used in _____ leak alarms?

_____ there any _____ the _____ sensor options _____ leak detection?

_____ gas detection devices

_____ you _____ about various _____ leak _____?

I would _____ to _____ more about different types _____.

_____ information _____ sensors that are _____ detect _____ leaks.

_____ me _____ gas _____ detectors _____.

What kinds of _____ used _____ gas _____?

What _____ the _____ things _____ are _____ leak detectors?

_____ sensor types _____ in the _____ gas _____?

Tell me _____ detectors there _____.

_____ are utilized in gas _____ alarms?

_____ anything to _____ about _____ gas _____ detector sensors?

_____ you have _____ information on the _____ types _____ detection _____?

Do you _____ if the _____ the _____ gas _____ detecting devices?

Which _____ instruments _____ to detect gas _____?

Do you _____ about _____ the state-of-the-art _____ leak detecting devices?

Is it possible to _____ on _____ types _____ gas _____ sensors?

Can _____ tell _____ about the _____ types of sensors _____ detector?

_____ you tell me _____ the different types of _____?

_____ share _____ the _____ types of gas leak _____?

Do _____ know _____ diverse _____ in _____ gas _____ devices look like?

_____ information on _____ in gas _____?

_____ me _____ the various types _____ equipment.

_____ you know _____ types of _____ used by gas _____?

_____ me about _____ technologies used _____ gas leak detectors?

What type of _____ used _____ detect _____?

Is there any _____ you _____ options used in gas _____ detection _____?

_____ there be multiple _____ for _____ leak detectors?

_____ sensor types work in gas _____

_____ about _____ different _____ gas detectors.

_____ the types _____ sensors that _____ detectors use?

_____ know anything about _____ sensors used _____ the _____ leak detecting _____?

Do you _____ about the sensor types _____?

Provide _____ about the gas _____ use the _____.

_____ you _____ us some information _____ gas leak _____ sensors?

_____ me the kinds _____ detectors.

_____ you _____ of _____ different types _____ leak detectors?

_____ of gas detectors _____ today?

Is _____ any specific type _____ gasoline _____ me about?

_____ types for _____ detectors

_____ you _____ the types of _____ detector sensors?

_____ tell us about the different _____ gas _____ sensor?

Please _____ me _____ the _____ in gas leakage _____.

Can _____ about the different _____ in _____ leak detectors?

Tell _____ about _____ of _____ detector.

_____ need _____ on current-gen _____ detection _____.

Different sensor _____ detectors.

_____ you _____ any information _____ the different sensor options _____ gas _____?

Do you _____ what _____ detecting devices have diverse _____?

Please _____ me _____ gas leak _____

Can _____ me the different _____ of gas _____?

Which _____ devices are used?

_____ there _____ gas leak detector _____?

_____ you tell me _____ of _____ gas leak detecting devices?

Can you tell _____ sensor _____?

Do _____ know _____ gas leak _____ that have diverse _____?

Different _____ types _____ gas detectors

Can _____ tell us _____ about _____ types of _____ detection _____?

Is _____ about the _____ sensor options _____ leak detection _____?

_____ you give _____ insight into _____ technology _____ gas _____ detectors?

Can _____ me the _____ that are used _____?

Do you know any _____ about _____ gas _____?

_____ of gas monitors today.

_____ you _____ some light _____ the _____ gas leak detectors?

_____ would like to _____ more _____ gas leak _____ that exist today.

_____ different sensor options for gas leak detection.

_____ me _____ about _____ technology used in gas _____.

_____ are _____ in the detection _____ gas leak?

Is it possible to _____ different sensor options _____ in gas _____.

Are _____ any _____ gas leak detecting _____ sensors?

A _____ detector uses _____ types.

_____ sensor are used in gas leak _____?

_____ you _____ about the different types of _____ used _____ leak _____?

_____ sensors are _____ in _____ detectors?

I _____ to know _____ gas _____ types.

_____ gas leak detectors' _____.

_____ are _____ technologies _____ gas leak alarm?

_____ are used in gas _____?

Please _____ about _____ gas leak _____.

_____ the _____ types of gas leak _____.

Do _____ about the sensors _____ leak detectors?

Information _____ current-gen _____ leak _____.

Please _____ us _____ sensor _____ in gas leakage _____.

Can you tell _____ types of gas leak _____?

_____ tell _____ of sensors _____ used in _____ leak detectors?

_____ are the different types _____ a _____ leak _____?

_____ about _____ of gas _____ detectors

Which sensor ____ are ____ in ____ gas ____ detection ____?
____ of ____ are used in ____ detection ____ gas ____?
What kinds of sensors ____ in ____ leak ____?
What kind ____ devices are ____ leak ____?
Do ____ the ____ of sensor used ____ detectors?
____ specific types ____ gasoline leak monitors that ____ me ____.
____ are used ____ the modern gas ____ detectors?
____ you know which ____ are ____ in ____ gas detector?
____ it ____ to tell ____ about specific kinds ____ leakage ____?
Do you ____ kind ____ are used ____ gas ____?
Can ____ us about ____ different types ____ sensors ____ are ____ in ____ detectors?
____ would ____ to know ____ gas ____.
Is there any ____ can give ____ gas ____ detection ____?
____ understand what ____ sensors are found within gas leak ____.
Information on gas ____?
____ of ____ the ____ detectors use?
____ anything about ____ sensor types?
Do ____ types of ____ that work?
____ gas monitors use ____.
Please tell me about ____ different ____ options ____ available for ____.
____ to ____ the different sensor ____ in gas detectors?
____ on ____ various ____ leak detector ____?
____ you tell ____ about ____ different technologies ____ leak detection?
____ the ____ types ____ the gas ____.
Tell ____ the sensor used in gas ____.
____ it ____ tell me about ____ of gas leak ____.
Information ____ types available ____ gas ____?
____ the sensors ____ in gas ____.
The ____ various gas leak ____.
Information on ____ current-gen ____ leak ____.
Tell me about ____ different ____ of ____.
Is it ____ give ____ into ____ technologies utilized ____ gas ____ detectors?
Is ____ to ____ about specific types ____ leak monitors?
____ it ____ give ____ into ____ various technologies ____ gas leak detectors?
____ more about ____ different ____ of gas ____ detectors?
Provide ____ about ____ current ____ detectors' ____.
____ a ____ of ____ sensor ____ for gas leak ____.
____ information ____ are used ____ gas leak detectors.
Can ____ tell us ____ of technologies ____ gas ____ detectors?
____ you tell ____ the ____ sensors ____ the state-of-the-art ____ leak ____ devices?
____ you ____ the types ____ leak detecting ____ used?
Can you speak ____ different ____ of gas ____?
Do you ____ there ____ any specific ____ kinds ____ by gasoline ____?
Tell ____ the types ____ sensor
____ you ____ me about the ____ types?
Inform us ____ sensor ____ gas ____ detectors.
____ about ____ types ____ leak detection ____?
____ about ____ detector sensor ____.
____ you tell ____ about the ____ technologies used ____ leakage ____?
Take ____ the modern-day ____ varieties.

Do ____ know ____ are ____ the ____ the-art gas ____ detecting devices?
 ____ are ____ different ____ of gas detectors?

Do ____ the types of gas detectors ____?

Can ____ about the sensor types ____ detecting devices?

Is ____ more ____ choice when ____ to modern gas leak ____?

Please ____ me ____ the ____ options ____ gas detector.
 ____ you ____ the types of ____ used ____ gasoline leak ____?

What ____ the ____ sensor ____ used ____ gas ____ detection?
 ____ tell ____ about the various ____ utilized ____ gas ____ detectors?
 ____ the types ____ gas leak ____.
 ____ types ____ gas detectors?
 ____ to know ____ about ____ different types of ____ leak ____ the market.
 ____ any information about the different ____ leak ____?
 ____ you tell me about ____ different types ____ use?
 ____ us insight ____ the range of technologies ____ in gas ____?
 ____ you know ____ gas ____ sensor ____?
 ____ me ____ detecting gadgets.
 ____ you have ____ on ____ sensors included ____ the ____ leak detecting ____?
 ____ have information ____ some of the ____ detectors?

Tell me ____ types ____ the ____.

What sensor ____ in ____ detectors?

Is there ____ information ____ gas leak ____ sensors?
 ____ give ____ on ____ types ____ gas leak detecting devices?

What ____ types ____ used ____ gas ____ equipment?

I need ____ if ____ specific sensor kinds ____ gasoline leak ____.
 Which ____ of gas leak ____?
 ____ type of ____ being used to catch ____?
 ____ types ____ gas leak sensors.
 ____ the ____ types in gas ____.

Do ____ know ____ of gas ____ detecting ____ incorporate diverse ____?

Provide information about ____.

Is it possible ____ into ____ various technologies ____ in ____ detection?

Do you have any ____ about ____ types ____ leak ____?

Can you ____ about the different ____ detectors used?

Information ____ sensors

What types of ____ detectors use ____?

____ there any specific sensor kinds ____ by ____?

____ there any ____ about ____ various ____ in ____ leak detectors ____?

Is ____ any specific sensor ____ employed by ____?

____ are ____ detection ____ for ____ leak?

Do ____ many ____ gas leak detecting ____ there ____?

Is there anything ____ the ____ in gas leak detectors?
 ____ like ____ about ____ of ____ used in gas leak detecting ____.
 ____ kinds ____ sensors ____ used in ____ alarms?
 ____ about ____ gas sense ____.
 ____ know anything ____ the various ____ leak ____ sensors?

Is ____ any kind of sensor ____ gasoline ____ you can ____ about?

Can ____ me about ____ in ____ gas detectors?

info about ____ available for ____

What can ____ us ____ different ____ of ____ leak detection ____?

_____ me about the _____ sensor _____.

What _____ gas leak _____ equipment?

_____ give _____ the types of _____ leak detecting equipment?

Please _____ an overview of _____ different _____ options _____ leak _____.

_____ are the sensors _____ are used in _____?

Can _____ tell me _____ of gas leak _____ devices _____?

_____ me about _____ types.

_____ there _____ technologies utilized in gas leakage _____?

_____ you _____ details _____ the _____ options used _____ leak detection systems?

_____ you _____ into _____ range _____ sensor technologies _____ in gas _____ detectors?

Were there details _____ gas _____?

I _____ to _____ about _____ sensor _____.

_____ it possible _____ different gas _____?

Is _____ possible to _____ the _____ used _____ gas _____.

_____ me about _____ types _____ leak detecting devices.

_____ there any information _____ of gas leak _____?

Please give _____ the _____ options _____ leak detectors.

I'm looking for information on _____ types _____.

_____ me _____ the sensor options available _____ leak _____.

_____ what you know _____ gas _____.

Tell me _____ the gas _____.

_____ on the _____ detector's _____.

I _____ like to _____ the _____ types of _____ are _____ gas _____ detectors.

Tell me _____ gas _____ detectors' _____.

_____ it _____ offer insights _____ the _____ technologies utilized in gas _____?

Do you _____ type of sensor _____ gas _____?

_____ more about _____ of sensors in _____ leak detectors?

_____ you have any _____ into _____ range _____ used _____ gas leak _____?

Can you _____ the _____ types of _____ detection sensors?

Can _____ me _____ different types _____ in gas leak detectors?

_____ know _____ detector's sensors.

info _____ types

What _____ types are _____ high-tech gas _____?

Is there _____ way to _____ information _____ different types _____ detectors?

Do you have _____ regarding _____ gas _____ detectors?

_____ are different _____ options _____ in gas _____ detection _____.

Do _____ about the _____ leak _____ with diverse sensors?

I would like to _____ about gas _____.

_____ are the _____ leak alarm's _____?

_____ you _____ anything _____ gas leak detection devices?

The _____ types are _____ in _____ gas _____ detectors.

Can you _____ information on _____ gas leak _____ devices?

_____ information _____ different _____ of gas leak detection equipment?

Let _____ know _____ gas leak _____ use _____ sensors.

Do _____ which sensors are _____ detectors?

_____ sensor _____ can _____ used _____ gas _____ detectors.

_____ kind _____ sensor _____ gas leak alarms?

_____ about gas _____ detector _____.

_____ need you to _____ me _____ gas _____.

Is _____ any info _____ gas _____?

_____ provide _____ the _____ used in _____ leak detectors.

_____ know about modern _____ gas _____ sensor _____.

_____ you know what _____ used _____ detectors are?

_____ about the various _____ for _____ leak detectors.

_____ me _____ the different _____ detector sensors.

_____ there any information _____ the _____ of _____ used _____ leak detectors?

_____ give us _____ different types _____ gas _____ detection sensors?

_____ are _____ sensors in _____.

Details on _____ gas _____.

_____ need to _____ sensor types.

_____ sensors are used _____ modern gas leak _____?

Can you explain the _____ that _____ in _____?

_____ what the _____ leak _____ are.

_____ list of gas sensor _____?

Is it possible to find _____ types for _____?

What kinds _____ are _____ in _____ leak _____?

_____ know _____ of _____ are _____ by the gas detectors?

_____ about _____ types of gas _____?

_____ gas detectors' sensors.

_____ would _____ learn more _____ the different _____ of _____ found within _____ detectors.

I am _____ the _____ of _____ leak detecting devices.

There's different sensor _____.

I would _____ get _____ idea of _____ types _____ leak detectors.

_____ you tell _____ the _____ used _____ gas detectors?

Which _____ sensors _____ used in _____ leak _____?

Are _____ able to _____ us about _____ range of _____ used _____?

_____ various technologies used _____ gas _____.

_____ about the sensors _____ leak _____

Please _____ me more about _____ leak _____.

When _____ comes to _____ gas _____ detection, _____ there _____ sensor _____?

_____ different _____ used today.

Do _____ sensor types.

_____ leak detector's _____ should be provided.

_____ about the different _____ gas leak detectors _____ exist _____.

When it _____ to _____ Leak Detectors, _____ choices?

_____ the gas leak _____ today?

What are _____ sensor _____ today?

_____ have any information on _____ gas _____ detecting _____ used?

Provide _____ the sensors that _____ in gas _____.

_____ you _____ any knowledge on _____ of _____ detection sensors?

_____ anything about _____ types of _____ detection sensors?

_____ on _____ detectors' sensors.

Information about the _____ that _____ gas leakage _____.

_____ you _____ us what _____ sensors are _____ gas _____?

Please _____ the _____ in gas leak detectors.

Information about the _____ gas _____.

Do _____ know what _____ types of _____ leak _____ include?

Is _____ any _____ sensor types?

Do _____ know _____ about the _____ gas _____ devices?

_____ like to know about _____ types _____ found _____ gas leak _____.

_____ sensors _____ to detect _____ leak?

Please _____ the _____ sensor _____ available for gas leak _____.

_____ the current-gen sensors _____ gas _____.

Can you _____ us about _____ in _____ gas leak detectors?

_____ type _____ used in _____ of gas leak?

_____ kinds _____ are used _____ leak detection?

Explain the _____ kinds _____.

_____ have _____ gas leak _____ today?

What _____ sensors are used _____ detect _____?

_____ of _____ is _____ in _____ detection equipment today?

_____ the sensors of the _____.

_____ in modern gas _____?

Which kind _____ used _____ detection of _____ leaks?

Tell me _____ detectors _____ varieties.

Can _____ tell _____ sensor in _____ gas detector?

_____ have _____ knowledge of the _____ leak detection sensors?

What _____ know _____ gas sensor _____?

_____ different sensor types _____ the _____?

Do _____ know the _____ sensor that _____ by _____ detectors?

Do _____ have any _____ of technologies used in gas _____?

_____ about _____ sensors in _____ detectors?

_____ of sensors are used _____ alarm?

_____ about _____ kinds of gas leak _____.

The _____ gas leak detectors.

Which _____ are _____ in modern _____ detectors?

_____ about the gas _____.

_____ know _____ sensors are _____ for within _____ gas leak _____ devices?

Tell me _____ different _____ used in _____ leak detectors.

_____ tell _____ the different sensor _____ used in _____ leak detection _____?

Do you _____ which type _____ sensor _____ used _____?

_____ of sensors _____ used in _____ new _____ detectors?

Do you have _____ on the _____ detector _____?

How do _____ detectors _____ with _____ types?

What types _____ leak _____ sensors?

_____ it possible to give some _____ types of _____ leak _____?

Can you tell _____ types _____ in gas _____ detectors?

_____ different sensor options _____ in gas _____ detection _____ described.

_____ tell me _____ types.

Is there _____ on the _____?

_____ what _____ leak _____ are

Do you _____ the _____ of _____ are used _____ detectors?

What type of sensors _____?

Which types _____ used for _____?

_____ you have any insight _____ of technologies _____ in gas _____?

_____ describe the _____ gas detectors?

Can _____ us insight into the different _____ in _____?

_____ you _____ tell _____ about _____ range of technologies utilized in _____ leak _____?

Can _____ information _____ what types _____ gas _____ devices are out _____?

When it _____ to _____ gas leak detector, _____ sensor _____?

Does _____ types of _____ sensors?

Give ____ of ____ sensors.
____ there ____ into the range ____ in today's ____ leakage detectors?
Do you know ____ about ____ are ____ gas leak detecting ____?
____ would love to know more about ____ found in gas ____.
____ you ____ on ____ types ____ gas leak detecting equipment?
In gas leak detection, ____?
Do you recall ____ gas ____ detectors?
____ on ____ sensors
____ me ____ more ____ leak detector's sensors.
____ any ____ on the ____ leak detecting devices?
Can ____ us a bit about ____ types ____ sensors?
Information ____ types ____ gas leak ____ should ____ given.
Can you tell ____ different types ____ leak ____?
Is ____ any ____ on the diverse sensors ____ the ____ detecting ____?
Information ____ in ____ leak detector.
____ are ____ kinds of ____ can tell me about.
____ you know anything ____ sensors ____ in the ____ detecting devices?
____ sensors ____ for ____ leak detection?
What ____ do ____ on ____ leak detector ____?
____ there ____ intel ____ gas ____ types?
____ have any ____ about which ____ detectors are used?
Can ____ tell ____ sensors ____ used ____ gas leak detecting devices?
Let us ____ about the ____ types ____ gas ____.
tell me ____ different ____ gas ____.
____ to know ____ the new ____ gas ____ differ.
What types of sensor ____ gas ____ detection ____?
____ what ____ gas ____ detectors have.
____ types of equipment ____ leak detection?
____ gas leak ____ sensors
____ describe ____ different ____ options ____ gas leak ____.
I want ____ about the ____ leak ____.
Which ____ are ____ gas detectors ____?
Do ____ know ____ the gas ____ detector ____?
____ sensor types in ____
Let ____ know ____ types in ____ detectors.
____ there ____ about ____ types?
Do ____ know ____ types ____ are used for ____ detectors?
____ there a way ____ outline the gas ____?
____ what ____ of ____ used in gas detector?
Is there ____ sensor types ____ leak detectors?
____ types of gadgets ____ used to catch ____?
____ there a ____ to tell about ____ options used in ____ systems?
What ____ are used for ____ detection?
____ an ____ of the sensor options for ____.
How ____ the ____ options used ____ detection systems.
Tell ____ of gas ____ sensor.
Is it ____ list sensor ____ in ____?
____ the ____ leak detector sensors.
____ leak detectors use ____.
____ you ____ the ____ in gas ____?

_____ about _____ types available for _____.

What sensor _____ used _____ new _____?

_____ kind _____ sensors _____ in gas _____?

What are _____ used _____ the _____ detector?

Give _____ types _____ leak detectors.

Do you _____ any _____ on _____ of _____ detection sensors?

Do you have _____ various gas leak _____?

Do _____ information on _____ for _____ leak detection?

Tell me _____ different _____ gas _____.

_____ offer insight into the technologies utilized _____ leak _____?

_____ which sensors are used for _____?

_____ information on the sensors _____ gas leak _____ devices?

What _____ of sensors are _____ leakage _____?

_____ of _____ are _____ for new gas _____?

Which are _____ types _____ detectors?

Is _____ the sensor types _____ gas detectors?

Inform _____ the sensors _____ are used _____ detectors.

_____ any specific _____ types _____ by gasoline leak _____?

What _____ sensor technology between new _____ gas _____?

Explain _____ gas monitors

Do you _____ what _____ sensors _____ utilized in _____?

Let _____ know _____ various _____ of _____ detector's sensor.

Can _____ tell _____ technologies utilized in _____ leakage _____?

Do you _____ any information about _____ types _____ equipment?

_____ us insight _____ the _____ technologies used _____ gas leak detectors?

_____ know _____ are specific types _____ sensor employed by _____ monitors?

There are different _____ monitors _____ you _____ tell _____ about.

_____ are _____ gas leak detectors and _____?

Is there _____ than one sensor choice _____?

_____ kind _____ in gas leak _____ equipment?

What _____ can _____ the different _____ in _____ leak detection systems?

Can _____ tell us _____ different _____ of _____ instruments?

Do _____ kind of sensors _____ gas detectors?

_____ the different _____ options _____ gas leak detection?

_____ any _____ regarding the _____ sensor options used _____ gas leak _____?

Do _____ have information _____ gas leak detectors?

_____ you _____ what the _____ in _____ leak detecting devices _____ like?

Any intel _____ types _____ gas _____?

Can _____ provide _____ on different types _____ detection _____?

Information on _____ of _____ detectors _____ be _____ by you.

_____ was _____ about _____ leak _____ sensor _____.

Different sensor _____ in _____

In high-tech gas _____ different sensor _____ work?

The _____ various gas _____ detector _____?

_____ about the sensors _____ in _____ detectors.

_____ tell me _____ detector's sensor _____.

_____ me _____ the types _____ sensors.

_____ it Possible _____ list _____ in gas detectors?

_____ information on sensor in _____?

_____ have a _____ of sensor _____ gas detectors.

Can ____ tell me ____ are different sensor types ____ ?

What ____ detectors ____ types of sensors?

____ of the different ____ gas leak ____.

____ you ____ me ____ sensors ____ in gas ____ today?

____ gas leak detector sensors?

Which ____ of sensors ____ gas detectors?

Tell me about ____ detect gas ____.

What ____ the various sensors ____ ?

How ____ utilized in ____ today?

Please tell us ____ sensor ____ for ____ detector.

What ____ of ____ are being used to ____ ?

____ us ____ the range of technologies ____ in today's ____ leak ____?

____ you know ____ the ____ in gas ____ detecting ____ are ____ of?

____ the ____ sensor ____ used ____ the gas leak detection ____.

____ latest detectors for ____ leak?

____ tell us about ____ used in ____ detector.

What ____ are used ____ gas ____?

Do ____ know what sensors ____ gas ____ today?

Can ____ tell ____ about the sensors ____ detector?

Can you ____ about the ____ kinds ____ gas leak detectors?

____ tell us about ____ of ____ leak detection ____?

____ you ____ there are specific ____ kinds ____ leakage monitors?

You can ____ me about ____ of gasoline ____.

____ it possible to ____ types of ____ detectors?

Tell me ____ detector's sensors.

Are ____ many sensor ____ it ____ to ____ leak detectors?

I want ____ the ____ sensors ____ in ____ gas leaks.

Is it possible to tell ____ sensor ____ by ____ monitors?

Are ____ gasoline ____ monitors you can tell ____ about?

____ information ____ different types of gas ____ detectors?

Is there any specific ____ used ____ monitors?

____ detection equipment uses what kind ____?

Do ____ types ____ gas leak detectors' ____?

Does modern gas ____ multiple ____?

Want to ____ more ____ the sensors in ____?

____ gadgets ____ detect gas.

____ different ____ types for ____ detector.

____ different ____ of gas leak ____?

____ there ____ you can give me ____ the different ____ detectors?

Tell ____ sensor ____ gas detector.

Do ____ know ____ the sensors ____ used ____ detectors?

____ current ____ detectors' sensors ____ provided.

____ there ____ gas sensor ____.

I would like ____ know ____ different types ____ sensor ____ gas leak ____.

____ you know ____ sensor information for ____?

____ me ____ gas leak ____

There ____ used in gas ____

____ are ____ of gas ____ detector ____.

____ comes ____ Leak Detectors, are ____ multiple ____ choices?

____ get ____ better ____ of ____ different ____ gas leak detectors?

_____ me about _____ current _____ detectors' _____.

_____ it possible _____ insight into the _____ technologies used _____ detectors?

_____ know _____ are used by gas detectors?

_____ me about _____ types _____ detector

Is _____ list of _____ sensor _____?

_____ the _____ sensors _____ gas monitors.

_____ of the _____ gas detectors.

Provide _____ of _____ sensor _____ for _____ leakage detectors.

Which kinds _____ leak _____ are _____?

Please give _____ overview _____ sensor options _____ leak detection.

Do you _____ sensors _____ used _____ gas detectors?

_____ gas detector's sensor _____.

_____ would like to _____ if _____ sensor _____ used by _____ monitors.

Are _____ able to _____ types _____ detectors?

Are _____ sensors utilized _____ outlined?

I need _____ about the _____ detector _____.

Which types _____ are _____ in gas _____?

Do _____ any information _____ types _____ gas leak _____ equipment?

Is _____ to _____ insights _____ various technologies utilized _____ gas _____ detectors?

I want to _____ the _____ of _____ leak detection _____.

Is _____ to _____ the _____ used in _____ detectors.

_____ tell me _____ used in _____ leak _____ today.

Can you _____ the differences between _____ types of _____?

Do _____ know about _____ of _____ detector's sensor?

_____ anything _____ kinds of _____ leak detection sensors?

_____ more about the range of technologies _____ in gas _____?

_____ types of sensors are _____ detection?

_____ sensor _____ gas detecting _____?

_____ used in gas _____ detectors?

Tell _____ gas _____ sensors.

Are you _____ to _____ about _____ different _____ leak detectors?

_____ about the sensors _____ detection.

Do you _____ leak detection sensors?

Is _____ you could _____ me about _____ different _____ options _____ leak _____ systems?

There _____ sensor _____ modern gas leak _____.

Do _____ know anything about the various _____ leak _____?

_____ about _____ that can _____ gas.

_____ have details on _____ different sensor _____ used _____ leak _____ systems?

What _____ the latest gas _____?

_____ can _____ me about specific sensor types _____ gasoline _____.

What kinds _____ sensors _____ used _____ gas _____?

What _____ types in _____ detectors?

Which sensor _____ are _____ gas _____?

_____ you _____ information about the _____ of gas _____ work?

Can _____ the _____ of gas _____?

_____ you specify sensor _____ detectors?

I _____ like to _____ there are different sensor _____.

_____ of _____ are used in gas _____?

_____ you have any _____ kinds _____ gasoline _____ monitors that _____ can _____?

_____ about _____ gas leak _____?

Can you give _____ the range of _____ used _____ gas _____?

Can _____ me what _____ gas _____ detecting devices are _____?

Can _____ about the _____ types of gas _____?

You _____ on _____ types _____ gas leak detectors.

I _____ a question about _____ types _____ detecting _____.

What _____ the _____ on _____ gas _____ sensors?

I _____ know about the different _____ leak detectors _____ today.

_____ of gadgets _____ used to _____ leaks?

Which _____ used in detection _____?

_____ us _____ the sensors that _____ used in gas _____.

_____ leak _____ what sensors?

_____ there _____ information regarding the _____ of _____ detectors?

Tell me about _____ sensor options _____ leak detection _____.

There are _____ the _____ leak detectors.

_____ you know the _____ of _____ gas detectors?

_____ you tell _____ about _____ sensor options _____ in gas _____ systems?

Do _____ sensors are _____ in _____ leak detecting devices?

_____ you know _____ there _____ specific _____ types _____ gasoline _____ monitors?

_____ are the sensors used _____?

_____ about _____ different sensors in gas _____ detectors?

_____ me _____ the _____ used _____ the gas leak _____.

How about the _____ options _____ are _____ in _____ systems?

_____ tell us _____ about the technologies utilized _____ detectors?

_____ are _____ types _____ leak detection equipment _____ uses _____?

Information _____ gas leak _____.

_____ the _____ types in the _____?

_____ is the _____ types in gas leak _____?

I _____ about the types of _____ devices.

_____ information _____ gas leak detectors.

Do _____ any insight _____ the technologies used _____ detectors?

Is _____ to _____ information on _____ different _____ of _____ leak _____?

_____ a description _____ the _____ options for gas _____ detectors.

What are _____ leak detection _____ sensor _____?

Explain _____ various electronics _____ in _____.

Can you _____ insight _____ utilized in _____ leakage detectors?

_____ know _____ sensors are included _____ the _____ gas leak detecting _____?

Is _____ give _____ the range _____ technologies utilized _____ gas leak _____?

Inform about _____ types _____ gas _____.

Information _____ various gas _____?

Can _____ about the different _____ in _____ leak detectors?

_____ the _____ gas leak detection.

Do _____ know _____ gas detectors use which _____ sensors?

_____ what types _____ sensor are used for _____?

_____ types _____ gas _____ instruments?

Know the types _____ available?

Do you have _____ list _____ types _____ gas _____?

Please tell us _____ different _____ for gas _____ detector.

_____ know about gas _____ type.

Please _____ about the sensor _____ the _____ leak _____.

_____ are _____ used _____ gas detectors?

Do you _____ anything about _____ incorporated _____ state-of- _____ gas leak _____ devices?
_____ it possible to talk _____ in gas leak _____ systems?
_____ you _____ of _____ of gas leak detectors?
What _____ of _____ are used _____ gas _____?
What _____ the _____ types _____ gas _____?
_____ about the different sensor _____ for gas _____?
_____ information _____ sensors _____ gas leak detectors?
Do _____ know _____ about the _____ within the _____ gas _____ detecting _____?
Can _____ more _____ the _____ used in gas leak _____?
Information _____ leak _____ sensors?
Explain the _____.
Tell _____ gas detector's sensors.
_____ about _____ available for gas _____?
Can _____ about the _____ kinds of _____ used in _____ leak _____?
_____ are used _____ detection of _____?
_____ me know _____ the _____ gas detector.
Which types of _____ are _____?
_____ about sensor _____ leak detectors
I want to _____ the types _____ gas _____ detecting _____.
_____ you give _____ information _____ types _____ leak detecting devices?
I _____ to know the _____ of _____ in _____ leak _____.
Which _____ of _____ used _____ gas leaking _____?
