

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Notification of construction activities
Inquiry Sub-Category	Potential disruptions
Description	Customers want to know about any anticipated disruptions or inconveniences during the construction, such as road closures, traffic diversions, or temporary interruption of gas supply.
Data Size	5,092 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ steps ____ to ensure uninterrupted ____ service ____ ongoing construction ____?
 What can be ____ to ____ the ____ service ____?
 How about steps ____ supply during ____?
 What steps are being taken to ____ gas ____?
 ____ gas ____ with ____ works?
 What ____ being done to ____ gas ____ going when ____?
 Despite ____ nearby construction, ____ guarantee?
 What ____ done ____ maintain the gas ____ construction?
 Is there any ____ assure ____ supply amid ____?
 ____ is gas ____ construction?
 ____ there ____ measures taken ____ deliver gas during ____?
 ____ expect natural gas ____ to be ____ there are ____ construction ____?
 Someone ____ try to maintain ____ this buildin'?
 Ensuring ____ gas service ____?
 ____ you ____ a ____ flow of fuel when ____ are ongoing ____?
 ____ you guarantee ____ fuel when constructions are in ____?
 Is ____ update ____ the ____ guarantee ____ service during nearby ____?
 Can ____ expect reliable ____ consistent ____ while ____ construction?
 How can we assure ____ continuity while ____ on?
 ____ steps ____ ensure ____ service continuity ____ is taking place?
 ____ update on the ____ to guarantee gas service during ____?
 Will ____ gas ____ unaffected ____ construction nearby?
 There are ____ nearby so what ____ give ____ stable gas service?
 Is ____ to ____ supply current amid ____ work?
 What ____ provision during ____?
 Can ____ expect ____ be ____ and reliable during construction?
 ____ can you ensure a smooth ____ constructions are ____ going ____?
 How can you assure a smooth ____ there ____ proximity ____?

Ensuring continuous gas _____ work _____?

The steps to ensure _____ service _____ are _____.

Is it _____ continual _____ despite local development?

How _____ flow of fuel when there are _____ on?

Despite _____ how is _____?

_____ there _____ continuous gas supply _____?

safeguard _____ in construction?

Despite _____ nearby, how _____ gas _____?

_____ there steps _____ in construction?

Steps for _____ around _____?

There _____ precautions _____ gas availability _____.

Ensuring _____ service _____ nearby.

_____ service is not disrupted _____ building _____?

Despite _____ construction _____ what _____ taken to _____ gas service _____?

_____ actions taken _____ ensure _____ gas service with the _____ construction _____?

Can we expect _____ gas _____ be _____ while _____ happening?

Will our _____ service _____ nearby?

_____ actions _____ being taken to _____ during construction?

Is there _____ plan to guarantee unimpeded _____ construction _____?

_____ there anything you _____ do _____ keep _____ running _____ constructions?

_____ can _____ secure supply amid _____?

_____ outside _____ taken to maintain gas _____?

Can _____ good _____ gas _____ during the _____?

There _____ ongoing construction _____ and _____ steps _____ taken to provide a _____?

Maintaining _____ supply despite _____?

_____ steps are taken _____ gas service continuity _____ is _____ place?

_____ will you guarantee a _____ of _____ despite _____ proximity _____?

_____ the construction _____ close _____ actions _____ taken to ensure seamless _____?

_____ gas _____ still _____ during _____?

While construction _____ happening, _____ are _____ doing _____ service running?

Can _____ assure continuous gas supply _____ the _____ by?

Is it _____ to _____ gas _____ while _____ happening?

How to make _____ serves _____?

_____ construction nearby _____ what steps are taken _____ provide _____ stable _____?

_____ are _____ nearby, what steps are _____ provide _____ stable _____ service?

_____ actions are _____ taken to guarantee gas service in _____?

Is gas _____ on _____ works _____ nearby?

What _____ do to _____ gas _____ running _____ construction?

_____ to assure gas _____ project?

Questions _____ provision _____ natural _____ work being done.

_____ are actions _____ guarantee gas service _____ ongoing construction _____.

_____ is ongoing construction nearby _____ being _____ to give _____ gas service.

Can you assure _____ that my _____ my home despite _____ workers messing _____ up _____?

_____ you guys _____ anything to _____ gas _____ during _____?

_____ are actions _____ guarantee gas service _____ construction _____.

How is _____ service _____?

Efforts to maintain _____ local _____?

How do _____ guarantee _____ gas _____ construction zone?

_____ the _____ any _____ to _____ gas supply?

What _____ be _____ to _____ consistent gas supply _____ construction _____?

_____ a _____ gas supply during _____?

Ensuring _____ gas _____ during work _____ concern.

What _____ done to _____ gas _____ construction?

_____ actions _____ been _____ to _____ gas _____ seamless _____ proximity to construction?

Is there _____ on _____ measures that _____ place _____ gas _____ during construction?

How is the _____ despite _____?

Do _____ a _____ to _____ supplying _____ is going on?

What is _____ make sure we don't _____ gas _____ during _____?

_____ the _____ being _____ to _____ gas service _____ ongoing construction _____?

_____ there's construction, _____ we expect _____ service _____ be _____?

_____ steps for _____ gas _____ construction.

There _____ chance _____ maintain consistent _____ o'gas amidst this _____?

_____ will you make _____ there _____ a smooth _____ of _____ despite _____?

_____ tell _____ about _____ that were put in place to guarantee _____?

_____ we expect natural _____ service _____ be reliable _____ happening _____?

I need _____ on the _____ that _____ put _____ place to _____ service _____.

_____ maintain _____ despite local development?

_____ are being taken _____ provide _____ gas _____ ongoing construction?

_____ a plan to keep _____ gas _____ construction?

_____ though _____ are _____ construction, how _____ guarantee?

Ensuring gas _____ unaffected by _____?

What _____ steps taken _____ ensure _____ continuity during _____?

how is _____ despite _____?

_____ tell us about the measures that _____ place to _____ gas _____?

What _____ have _____ taken to ensure _____ service while _____ construction _____?

How can gas _____ during _____ construction _____?

_____ you doing _____ to _____ during constructions?

In _____ to _____ construction activity, _____ have _____ to ensure seamless gas _____?

_____ gas _____ when _____ neighboring construction?

What _____ are _____ a safe gas service while the construction _____?

_____ done _____ gas provision during construction?

There are _____ gas service _____.

Any measures _____ for continuous _____?

Any _____ taken _____ ensure the delivery _____ gas _____?

_____ been taken to _____ gas service during _____ activity?

Is _____ update _____ taken _____ guarantee gas service during _____ construction?

How to make _____ present during _____?

_____ measures taken for _____ to _____ delivered _____ the _____?

_____ our _____ service _____ despite _____ construction?

_____ were _____ ensure seamless gas service _____ ongoing _____ activity?

How can _____ guarantee _____ smooth flow _____ with _____ the _____ on?

What actions _____ to _____ during _____?

There are _____ nearby _____ taken to give a stable _____ service?

Steps for _____ during _____.

Is _____ an update _____ measures implemented to _____ gas _____ construction _____?

_____ there any _____ to _____ gas during ongoing _____?

_____ that _____ gas provision amidst _____.

_____ sure there is gas _____ construction?

Measures _____ taken _____ secure _____ access _____ the _____.

_____ construction nearby so what steps are _____ to give _____ safe _____?

____ you guys ____ to ____ our ____ running during ____?
 ____ gas ____ during construction
 Even with ____ in ____ how ____ guarantee a smooth ____ fuel?
 Is ____ any way to ____ gas service ____?
 The ____ area ____ affect ____ service.
 ____ have been ____ gas ____ amidst ____ ongoing project.
 ____ project, plans are ____ gas availability.
 ____ can ____ sure gas service ____ is going on?
 What ____ to keep the gas running ____?
 How ____ assure gas ____ construction?
 There ____ steps ____ service near ____ works.
 ____ is ____ happening so what is being ____ keep the ____?
 I want to ____ have ____ on the measures ____ gas service ____.
 ____ are the steps to keep ____ construction ____ on?
 ____ despite ____ construction?
 How ____ smooth ____ of ____ when ____ constructions are ongoing?
 ____ we ____ service ____ during construction?
 How ____ make sure gas ____ is ____?
 Is it ____ give an update ____ the steps ____ to ____ construction?
 How ____ you ____ a ____ flow ____ fuel when ____ are ____ on?
 There is ongoing construction ____ a constant gas service
 Is ____ an update on ____ guarantee gas ____ construction?
 ____ gas supply ____ during neighboring ____?
 ____ you guys ____ our gas ____ during ____ constructions ____?
 Measures are ____ taken ____ secure ____ access ____ project.
 ____ are steps to ____ a reliable ____ during ____.
 Is ____ any way to ensure ____ supply ____ though the ____?
 ____ continuous ____ service ____ nearby works?
 There ____ taken for ____ delivery ____ construction.
 ____ construction ____ is ____ guaranteed?
 ____ nearby, ____ steps are being ____ to ensure ____ unaffected?
 ____ were ____ to ____ gas ____ amidst the ____ project.
 There are ____ need to ____ taken ____ service continuity during ____.
 ____ strategies used to ____ gas ____ during construction?
 ____ being ____ keep our ____ going while construction ____ happening?
 ____ gas ____ despite construction?
 ____ are ____ taken to ____ constant gas service when there ____ nearby?
 ____ to ensure ____ continuity ____ construction is taking place ____ a ____.
 What ____ we ____ to keep ____ running during ____?
 ____ you give ____ taken to ____ gas service during construction?
 The ____ is nearby ____ what ____ are being ____ to ____ a ____?
 During ____ is ____ done to make ____ we don't have ____?
 ____ nearby, ____ are being taken to maintain gas ____?
 Can we ____ and reliable natural gas service ____?
 ____ we maintain a stable gas ____ work?
 ____ construction nearby ____ what ____ are taken ____ give a ____ service?
 ____ are ongoing ____ nearby, ____ is ____ taken ____ a constant gas ____?
 ____ local development, efforts ____ to ensure ____ fuel ____?
 Measures are ____ secure gas access ____ project.
 ____ with ____ proximity constructions ____ how ____ a smooth flow ____ fuel?

____ specific ____ are in place ____ consistent gas ____ construction?
 ____ service ____ not ____ by ____ nearby?
 ____ ensure a ____ gas supply ____ construction?
 What ____ steps to ____ gas service continuity ____ going ____?
 ____ is ____ nearby ____ what steps ____ being taken ____ give ____ service.
 ____ update on the ____ that have been ____ in ____ to guarantee ____ service ____?
 Nearby works and ____ gas ____?
 When ____ construction, ____ being done ____ keep ____ gas service ____?
 Measures ____ taken to ____ gas ____ the project.
 Is it possible to ____ update ____ taken to guarantee ____ construction?
 What ____ being done to make ____ don't ____ any ____ problems ____ work?
 Can ____ update ____ the steps taken ____ gas ____ during construction?
 Someone ____ the chance ____ maintain ____ flow ____ amidst this ____.
 ____ there a ____ gas ____ amidst ongoing construction?
 Protections for ____ construction?
 Can ____ tell ____ about ____ measures that ____ in place to ____ service ____ nearby ____?
 There ____ provision given neighborhood work.
 ____ guarantee ____ supply during construction?
 ____ it possible ____ an ____ on ____ measures ____ guarantee ____ during construction?
 ____ local ____ what ____ taken for undisturbed gas ____?
 Can you assure ____ gas ____ be ____ these workers nearby?
 Will the ____ service ____ unaffected despite ____?
 ____ update ____ the ____ put in ____ to assure gas ____ during ____?
 ____ gas service ____ ensured during ____?
 ____ gas ____ with ____ work?
 Any measures ____ delivery of gas ____?
 What is ____ done to ____ there ____ during construction?
 ____ natural gas service while there is ____?
 Is ____ an ____ on ____ measures that ____ to ____ gas ____ during construction?
 ____ are ____ construction nearby, ____ are being taken to ____ service?
 What ____ being done ____ make sure ____ don't ____ gas disruptions ____ work?
 ____ that ____ service is not disrupted ____.
 ____ possible to expect consistent ____ while there's ____?
 What strategies ____ in ____ to ensure ____ construction activities?
 During ____ what are the ____ ensure gas ____?
 ____ smooth ____ during work ____ a ____.
 ____ can ____ service continuity ____ assured while the ____ is ____?
 ____ are ongoing construction nearby ____ what steps have ____ taken ____ give ____.
 ____ ensure ____ availability ____ gas ____ construction?
 Steps ____ service next ____ works?
 Are you ____ keeping ____ these constructions ____ going on?
 ____ continued ____ nearby work?
 ____ will a smooth flow ____ when ____ are ____ proximity constructions?
 I would ____ to know ____ the ____ construction ____ my ____.
 Measures are ____ place ____ secure ____ amid ____ project.
 What actions have ____ taken to ____ gas ____ when ____ going ____?
 There are ongoing ____ what steps ____ being taken ____ service?
 What ____ gas guarantee despite ____?
 How is ____ guarantee ____?
 What steps are being ____ guarantee ____ construction?

During _____ is gas _____ ensured?

What _____ done _____ make sure _____ not without gas _____?

What _____ gas _____ during _____ construction _____?

_____ can a smooth flow _____ be _____ ongoing proximity constructions?

_____ the _____ unaffected by the _____ construction?

How _____ guarantee gas _____ construction?

_____ tell me the _____ to ensure _____ service _____ construction is going _____?

Are _____ doing anything to _____ during construction?

When there's neighboring construction, _____ gas _____ be reliable?

_____ about the _____ of natural gas given _____.

Questions about _____ gas _____ neighborhood _____?

_____ about the provision of natural gas _____.

During construction, _____ being _____ our gas service _____?

_____ though _____ nearby, will _____ service remain unaffected?

_____ continuous _____ service _____ ongoing building _____?

Can you give me any _____ that _____ nearby _____ supply?

_____ are ongoing _____ nearby _____ steps _____ taken to give _____ constant _____.

There _____ questions about the _____ provision _____ the _____.

During _____ gas service _____?

How is _____ when _____ are _____?

_____ the steps to make _____ service continuity _____ construction is _____?

_____ know _____ taken to guarantee gas service amidst ongoing _____?

_____ construction is _____ steps are being taken _____ service?

There are ongoing _____ nearby _____ what _____ are _____ taken _____ give a _____?

What _____ doing _____ our gas service _____ is happening?

What actions _____ ensure _____ gas service in close _____ of _____ activity?

_____ delivery _____ local construction?

How _____ continuous _____ supply during _____ construction?

How is _____ guaranteed _____?

_____ made _____ maintain fuel _____ development?

During construction _____ service _____?

_____ taken to secure _____ access amidst _____.

Will _____ service be unaffected _____ of _____ nearby?

What actions _____ to ensure _____ in _____ proximity to the _____ construction _____?

What are the actions _____ been _____ seamless gas service _____ activity?

There _____ and what steps are _____ to give a _____ service

_____ can _____ gas supply during _____?

_____ with _____ will our _____ service remain _____?

_____ we expect good _____ service _____ construction nearby?

_____ it possible for _____ consistent _____ unimpeded _____ gas service during _____?

_____ is being done _____ ensure seamless _____ the _____ construction _____?

What steps are _____ to give _____ stable _____ as there _____ nearby?

How are _____ ensure gas service _____ when construction _____?

Is _____ to expect consistent and _____ gas _____ construction?

_____ actions will ensure gas _____?

_____ measures _____ ensure _____ delivery _____ construction?

There _____ construction _____ steps are taken to _____ a safe _____?

how _____ service _____ construction

With _____ proximity _____ in _____ how _____ you _____ a smooth _____ fuel?

There _____ questions _____ provision _____ natural gas _____ work.

____ are ____ steps to ____ gas service ____ is occurring?
 ____ construction ____ are ____ steps being taken to ____ service?
 ____ constant ____ with ____ work?
 Are ____ precautions to ensure ____ gas supply despite ____ ?
 How ____ gas service at ____ ?
 Can you give ____ update ____ to guarantee gas service ____ construction?
 ____ that ____ service ____ not ____ to ongoing building ____ ?
 What ____ the ____ make sure ____ continuity ____ the ____ is ____ place?
 What ____ being ____ to make sure ____ isn't a ____ construction ____ ?
 ____ gas service during ____
 ____ construction happening and we need to ____ gas ____ .
 ____ done ____ sure we don't ____ a gas shortage during ____ work?
 ____ I still expect ____ gas to ____ amid ____ construction ____ ?
 ____ you give me some ____ that ____ nearby construction ____ affect ____ ?
 What actions have ____ taken ____ ensure seamless ____ activity in close ____ ?
 ____ to ____ gas service ____ while the construction is being ____ ?
 What is being ____ sure we ____ any gas ____ during ____ ?
 ____ steps ____ be ____ ensure ____ service continuity while ____ taking place?
 What steps ____ taken ____ gas ____ continuity ____ construction?
 ____ be taken to ____ gas ____ during ____ project.
 How are the ____ to ____ gas ____ when the ____ taking ____ ?
 Efforts ____ despite local development?
 Measures ____ taken to ____ access amidst the ____ .
 What are ____ service continuity ____ the construction ____ taking place?
 What ____ taken ____ give a safe ____ near construction?
 ____ consistent ____ o'gas ____ buildin' ?
 ____ there is construction happening, what ____ we ____ keep ____ service ____ ?
 ____ any ____ taken for ____ delivery during ____ ?
 There ____ ongoing construction ____ as ____ to give a stable ____ service.
 There are ongoing construction ____ and what ____ safe ____ service?
 Can ____ be guaranteed ____ ?
 ____ our gas ____ work ____ the ____ ?
 ____ can you guarantee ____ smooth ____ when there ____ constructions ____ on?
 ____ sure ____ service is continuous ____ construction?
 ____ ongoing ____ nearby, what is ____ done to give ____ gas ____ ?
 ____ can you ensure ____ during construction?
 What ____ gas ____ the ____ ?
 Maintenance of ____ during ____ ?
 ____ action ____ been ____ to ensure seamless ____ in ____ to the construction ____ ?
 ____ can ____ guarantee a ____ fuel when constructions ____ still going ____ ?
 What ____ strategies ____ place ____ ensure ____ supply ____ construction?
 ____ possible to expect reliable natural ____ there's construction ____ ?
 ____ is ongoing ____ nearby, what steps ____ to give a ____ .
 ____ are the ____ have ____ taken ____ seamless ____ service with ____ ongoing construction ____ ?
 There are ongoing ____ are being ____ give ____ gas service?
 Despite ____ construction ____ by, are you taking ____ to ensure ____ ?
 ____ you give ____ the measures ____ been ____ guarantee gas service during construction?
 ____ guarantee ____ nearby construction won't ____ my ____ supply?
 There are ongoing construction ____ taken to keep the ____ service ____ ?
 ____ can ____ do ____ ensure ____ amid nearby work?

Any chance _____ flow o'gas amidst this _____?

_____ construction nearby, will _____ be unaffected?

_____ give me any assurances that the _____ gas supply?

_____ service during work _____.

_____ we expect _____ gas service _____?

Even _____ will _____ gas service be unaffected?

_____ you guarantee _____ gas _____ despite _____?

_____ construction _____ are _____ steps to ensure gas service _____?

_____ steps are being _____ give a _____ gas service _____ is _____?

Measures are _____ to _____ access nearby.

_____ during construction?

Is there an _____ the _____ implemented _____ gas service _____ nearby construction?

_____ construction is _____ steps are _____ to ensure gas _____?

What is being _____ to make _____ have _____ shut _____ construction?

What are _____ actions _____ to guarantee unimpeded _____ amidst _____?

_____ you know what actions are _____ gas service _____ area?

_____ of gas _____ ongoing works?

_____ to maintain smooth gas service _____ outside?

_____ any way to _____ a constant gas _____ the _____?

_____ are the _____ to make _____ continuity _____ the construction?

_____ the steps to ensure _____ continuity _____ is taking _____

While _____ happening _____ we _____ gas service to be _____?

_____ gas service with the ongoing construction activity in _____ proximity, _____?

Reliable gas _____ works _____?

There _____ construction happening so _____ is _____ to keep _____ service _____?

_____ guarantees gas _____ during _____?

_____ steps to ensure _____ service continuity _____ is taking _____.

While _____ construction is going _____ are _____ ensure gas service _____?

_____ can be _____ to ensure gas _____?

What _____ specific _____ in place to _____ during construction?

_____ we expect natural gas _____ be reliable _____ other construction _____?

_____ measures _____ to ensure _____ gas during ongoing _____?

Will _____ not be interrupted _____ the _____ nearby?

Are you _____ any precautions _____ the _____ flowing despite _____?

What steps have _____ make _____ seamless gas service _____ the _____?

Is _____ any way to maintain _____?

_____ supply _____ construction?

In the _____ local _____ were taken _____ gas delivery?

Can _____ an _____ on the measures _____ to _____ service during _____?

What steps _____ being _____ to give _____ constant gas _____ of _____ ongoing _____?

_____ to know if _____ won't affect my gas _____.

_____ guaranteed despite nearby _____?

_____ is the _____ guarantee, despite _____?

_____ local _____ steps were _____ for _____ delivery?

What _____ taken to _____ a constant gas service _____ ongoing _____ nearby?

What is _____ to _____ our gas service running _____ is _____?

Can we _____ and _____ service while there's _____ on?

_____ to make _____ during construction?

Do you know what _____ being _____ to _____ unimpeded _____?

_____ are being taken _____ safe gas service _____ construction?

_____ is being _____ we don't have _____ gas problems _____ construction?

I would _____ actions _____ guarantee gas _____ amidst ongoing construction.

_____ to ensure gas _____ continuity while _____ going _____.

Are you doing anything _____ running _____ construction?

There are ongoing _____ and _____ steps _____ being _____ to provide _____?

_____ update _____ the measures implemented to guarantee gas service _____?

Despite _____ construction, _____ steps _____ to _____ gas service is _____ disrupted?

_____ gas service _____ be unaffected _____ construction?

_____ precautions _____ smooth gas _____ outside?

_____ we _____ the same _____ gas _____ when there's construction _____?

There _____ construction around _____ what _____ being taken _____ a stable _____ service?

Which strategies _____ to _____ consistent _____ during construction?

_____ done to _____ sure we don't _____ disruptions during _____?

_____ there _____ gas availability in construction?

_____ what are the steps being taken to _____ gas _____?

_____ actions _____ guarantee _____ during _____?

_____ being done to _____ sure we _____ any gas problems _____?

_____ are _____ what _____ are _____ taken to give a _____ gas _____?

Will there be _____ during construction?

_____ are _____ ensure gas service _____ in a _____ zone?

_____ steps _____ being taken for undisturbed _____ delivery?

_____ actions have _____ a smooth gas service _____ close _____ the _____ activity?

_____ do _____ ensure _____ in construction?

_____ steps to _____ service continuity are _____ the construction.

Do _____ have _____ to ensure _____ service during _____?

What actions have been taken _____ ensure _____ with the _____ happening _____?

_____ are steps _____ supplies _____ construction.

Can _____ expect _____ and consistent _____ service while _____ construction?

_____ to make sure _____ don't _____ to _____ gas during _____ construction?

_____ steps _____ taken to give _____ gas _____ during _____ ongoing construction?

There _____ ways _____ supply going amid nearby _____.

_____ you make sure gas service _____ construction _____ going _____?

There _____ ongoing construction _____ the _____.

_____ are the _____ being taken _____ gas service amidst _____?

Will there be _____ gas _____ construction?

Can _____ ways to _____ ongoing _____ nearby work?

Efforts _____ the _____ despite local development?

_____ steps _____ reliable gas supply _____ construction?

What _____ done to make sure we _____ have _____ gas _____?

_____ the _____ proximity constructions in progress, _____ you _____ a _____ flow?

Can _____ constant _____ of natural _____ when _____ construction _____ on?

_____ the _____ taking place, what _____ steps _____ service continuity?

_____ the ongoing _____ close proximity, what actions _____ taken _____ ensure _____ service?

_____ gas service _____ during _____ project?

_____ there's neighboring construction, _____ expect natural gas _____ to _____?

Can we expect natural gas _____ to _____ consistent _____ going _____?

While construction is _____ we _____ natural _____ service _____ be _____?

With the _____ nearby, _____ the _____ unaffected?

Is there a _____ to _____ amidst ongoing _____?

What are the steps to make _____ construction _____?

____ ongoing ____ nearby ____ are ____ to give a constant ____ service?
 ____ you tell me ____ measures that ____ been ____ guarantee gas service ____ construction?
 ____ there ____ construction, what is ____ to keep our ____?
 With the ____ construction ____ what ____ have been taken ____ seamless ____?
 With ____ ongoing construction ____ close proximity, ____ initiated to ensure seamless ____?
 there are ongoing construction ____ what ____ taken to ____ a ____ gas ____
 ____ the nearby construction ____ gas ____?
 There ____ nearby what ____ are ____ taken to give ____ safe ____?
 There ____ nearby, ____ being taken to ____ a stable gas ____.
 How ____ service be guaranteed ____ project?
 ____ can ____ guarantee a smooth ____ of fuel ____ there ____ so ____ going ____?
 What ____ to ____ experience a gas problem during construction?
 ____ are ongoing construction nearby, what steps are ____ to ____?
 How ____ you guarantee a ____ of fuel ____ the ____ ongoing?
 ____ gas is ____ despite ____?
 Will ____ be interrupted due to the ____?
 ____ gas supply during ____?
 There ____ ongoing ____ and ____ being ____ give a safe gas service.
 ____ construction, ____ gas service be ____?
 ____ steps are ____ to ____ gas service ____ when ____ going ____?
 ____ steps ____ taken to ____ gas service in ____ vicinity ____ ongoing construction?
 Is ____ anything to keep ____ running ____ these ____?
 What is being done to ____ we ____ gas ____?
 Measures are ____ gas ____ steady ____.
 ____ steps for undisturbed gas ____?
 Even ____ the ongoing proximity ____ you ensure ____ smooth flow ____ fuel?
 How ____ gas ____ ensured when the ____ going on?
 ____ you ____ our ____ running ____ constructions are going on?
 What actions ____ taken to ____ sure ____ with ____ ongoing ____ activity?
 ____ gas ____ be unaffected by ____ near?
 ____ are the ____ to make sure ____ service continuity ____ is ____?
 What ____ are ____ a ____ gas service amid ongoing ____?
 ____ ongoing construction, ____ to ____ delivery of ____?
 How are the ____ to ____ gas ____ construction?
 ____ is construction happening, ____ what is being ____ to keep ____?
 ____ can be ____ to ensure ____ continuity while ____ is ____ place?
 Will ____ gas service ____ even ____ nearby?
 ____ steps ____ being taken ____ provide a ____ service ____ are ongoing construction ____?
 ____ supply ____ construction is a ____.
 Is it ____ our gas service ____ while ____ is ____?
 Is there ____ being ____ to guarantee gas ____ ongoing ____?
 While there is construction ____ being done ____ our ____?
 Any ____ are taken ____ during ____?
 ____ ongoing ____ taking any steps to ____ continuous gas ____?
 ____ are ____ for ensuring ____ gas supply during ____?
 ____ will you make ____ flow ____ while the constructions ____ ongoing?
 I was ____ if ____ me ____ on ____ taken to guarantee gas service ____ construction.
 Do you ____ what ____ being taken ____ service amidst ____ construction?
 ____ guarantee the ____ of ____ construction?
 ____ gas service ____ work?

_____ to know how _____ service _____ during construction.

Can we _____ service to be consistent _____?

_____ steps _____ being taken _____ maintain gas service _____?

There _____ construction nearby _____ what steps are _____ to _____ stable _____?

What _____ have _____ to _____ service _____ close proximity _____ the construction?

How do we _____ our _____ running _____ there _____?

How _____ you _____ continuity _____ construction is taking place?

_____ an _____ on the measures _____ were put in place _____ gas service _____ construction?

_____ can _____ do to _____ the gas service _____?

_____ proximity constructions in _____ will you _____ smooth flow _____ fuel?

_____ you going _____ guarantee _____ smooth flow _____ fuel when there _____ proximity _____?

_____ to deliver gas _____ construction?

_____ gas service _____ construction _____.

Can you _____ gas _____ despite _____ close by?

_____ though _____ is close by, _____ you _____ any measures to _____?

_____ the _____ guaranteed during construction?

What is _____ we don't _____ any gas _____ the construction work?

_____ are _____ construction nearby, _____ steps are _____ taken _____ the _____ service _____?

Is gas still _____ the _____ are _____?

How _____ gas _____ lasts _____ construction?

_____ gas service _____ works _____?

Is _____ an _____ on the _____ in place _____ guarantee gas service during _____?

What _____ ensure _____ continuity _____ the construction is being done?

Even with _____ construction nearby, will _____ gas _____?

Take _____ to _____ during work.

_____ there's nearby _____ can we _____ natural _____ to be _____?

_____ can _____ guarantee _____ smooth _____ of _____ when _____ are _____ constructions going _____?

Is _____ measures to guarantee _____ service during construction?

How to _____ delivered during _____?

_____ steps are being taken _____ constant _____ service due _____ ongoing _____?

_____ there is construction _____ can _____ expect _____ service _____ be _____?

What _____ be _____ to _____ our gas _____ running _____ construction _____?

Is there _____ to _____ unimpeded gas _____ amidst _____ construction?

_____ gas _____ service during construction?

_____ there an _____ the measures _____ guarantee gas _____ the _____?

What are the _____ to _____ gas _____ continuity _____ on?

_____ are questions about _____ natural gas _____ neighborhood _____.

_____ are ongoing _____ are _____ to guarantee a constant gas _____?

Can _____ service to be consistent _____ there's construction _____?

_____ assure gas _____ during _____?

Even _____ is near, how _____?

There _____ any _____ someone will _____ flow _____ this buildin'?

There _____ ongoing construction _____ and _____ steps _____ be _____ provide _____ constant _____ service?

_____ there's _____ construction, can _____ expect natural gas _____ be _____?

_____ delivery _____ local construction?

_____ guarantee _____ provision _____ construction is taking _____?

There _____ ongoing construction nearby, _____ were _____ give _____ stable _____ service?

_____ can _____ ensure gas service _____?

_____ to secure _____ access _____ an _____.

_____ have _____ taken to ensure _____ service in _____ of construction?

How can you guarantee _____ smooth flow _____ even with _____?

_____ taken _____ seamless _____ in close proximity to the _____ activity?

_____ is _____ guarantee _____ though nearby _____?

_____ to keep supplying gas while you're _____ construction?

_____ gas service _____ work _____?

_____ any _____ that _____ gas provision _____ construction?

_____ steps _____ reliable _____ supply during _____?

Maintaining _____ gas _____ outside?

_____ there an _____ on _____ in _____ to _____ gas _____ during the construction?

Measures _____ be taken _____ steady gas _____ the ongoing _____.

_____ maintain _____ in construction?

Ensuring that _____ is not _____ building work?

_____ possible _____ consistent _____ unimpeded natural gas service _____ construction?

Is _____ any _____ for _____ gas supply during _____?

What _____ to ensure _____ service continuity _____ goes on?

_____ an update on _____ measures you have implemented _____ gas _____?

_____ can gas supply _____ during _____?

_____ o'gas _____ this buildin' _____ be a possibility.

_____ are _____ guarantee gas _____ during _____?

There _____ ongoing construction nearby _____ being taken to give _____ stable _____?

_____ expect _____ supply of _____ gas when there _____ construction _____?

_____ though _____ construction, _____ gas _____?

_____ is construction, _____ is _____ done to keep _____ gas _____?

What _____ the _____ make sure _____ service continuity _____ maintained _____ construction?

_____ to _____ gas service going while there _____ construction?

Is _____ gas _____ though the construction is close by?

_____ gas service being ensured _____?

There _____ steps to _____ continuity _____ while _____ construction is going _____.

_____ effort being _____ to _____ continuous _____ despite the construction?

Can you tell me _____ are _____ gas service _____ construction?

_____ measures for uninterrupted _____ construction?

_____ for _____ gas delivery during local construction.

_____ to ensure _____ continuity while the _____ is _____ done.

How _____ make sure _____ service _____ during _____?

_____ there _____ being _____ guarantee unimpeded gas _____ amidst the _____?

_____ is being done _____ make sure _____ don't _____ during _____ construction?

_____ being _____ to _____ sure _____ have _____ disruptions during construction work?

Even _____ construction _____ will _____ gas _____ be interrupted?

_____ is _____ despite nearby _____?

_____ is _____ service maintained during _____?

What _____ are _____ to _____ gas _____ near the construction?

Questions _____ provision _____ natural _____ neighborhood work

There _____ specific _____ in _____ to ensure _____ supply _____.

_____ steps to _____ gas service _____ during construction?

What are _____ keep our _____ during these _____?

Ensuring _____ service with _____?

_____ construction nearby, _____ are _____ taken to ensure _____ not disrupted?

Will _____ gas _____ not _____ interrupted _____ construction nearby?

There _____ to _____ gas _____ when the construction is _____.

Do _____ know _____ are _____ taken _____ ensure gas service is _____?

Is there ____ plan ____ to ____ be disrupted?
 ____ continuous gas ____ with ____ building ____?
 Is it possible to ____ an update ____ the measures ____ guarantee ____?
 ____ gas guarantee despite ____?
 ____ you ____ anything to ____ gas running ____ construction?
 There are ____ to ____ gas service ____ the ____ construction.
 ____ actions ____ been ____ to ensure seamless ____ the continued construction ____?
 Ensuring ____ gas service with ongoing ____?
 What can ____ done to ____ supply during ____?
 ____ precautions ____ gas service ____ work?
 ____ ensure gas ____ during ____?
 What ____ guarantee ____ provision ____ construction ____?
 Despite ongoing ____ steps are being ____ ensure reliable ____?
 Even with the ongoing ____ in progress, how ____ a ____ flow ____?
 ____ are ____ constructions nearby ____ steps ____ being taken ____ provide ____ constant ____ service?
 ____ ongoing construction nearby ____ well ____ steps ____ to give a ____ gas ____.
 ____ there ____ taken to guarantee ____ service ____ the ____ construction?
 ____ it possible ____ natural gas ____ to ____ there's ____?
 Is ____ being done to ____ sure we don't ____ problems ____ construction ____?
 How can we ____ sure ____ construction?
 ____ done ____ make sure that ____ have a ____ problem during ____ construction ____?
 ____ though construction ____ are being taken ____ guarantee gas service?
 How ____ gas is ____ despite ____?
 Even ____ are ____ what steps are ____ taken to guarantee ____?
 ____ ongoing ____ nearby, what steps ____ taken to ____ a safe ____?
 Measures ____ taken ____ secure gas access ____ the ____.
 ____ work outside, ____ taken ____ smooth gas service?
 What steps are ____ stable gas ____ while ____ is ongoing construction ____?
 Efforts to ____ supply ____ development?
 ____ expect ____ and unimpeded natural ____ during construction?
 ____ nearby ____ the steps to ____ a constant gas service?
 Measures ____ steady gas ____ are ____ taken ____.
 What ____ availability of ____ during ____?
 What actions have ____ taken to ____ gas ____ with ____ activity ____?
 ____ what is being ____ keep the ____ service going?
