

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Fashion and Apparel Retailers
Inquiry Category	Inquiries on product materials and care instructions
Inquiry Sub-Category	Fabric durability
Description	Customers want to know how well the fabric will hold up over time, how prone it is to pilling or stretching, and if it is suitable for the intended use, such as for athletic wear or formal attire.
Data Size	5,122 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Online Fashion and Apparel Retailer" customer inquiry. (Purchased data will not be masked.)

_____ made _____ fibers retain _____ more easily than natural _____ on _____ market _____?

_____ synthetics _____ to _____ issues?

Is _____ able to retain _____ natural equivalents?

Is _____ more likely to _____ than _____?

_____ there _____ differences in _____ synthetic and _____ retain _____?

_____ synthetic _____ odors _____ than natural alternatives?

_____ synthetic _____ better _____ naturally-sourced clothes?

_____ fabrics more prone _____ holding _____?

Do _____ bad _____ longer?

Is _____ fiber clothing _____ odors _____ natural ones?

Does _____ fabric _____ odors _____ materials?

_____ fabrics that are made _____ retain _____?

_____ I expect _____ made _____ artificial _____ on to _____ more than natural _____?

Does _____ clothes more _____ odor retention?

Is _____ of artificial fibers _____ odor retention?

_____ of artificial _____ retain odors _____?

_____ synthetic _____ retain _____ than natural _____?

Is synthetic _____ odor?

Clothes _____ fake _____ absorb _____ more _____ earth-friendly ones.

_____ seems to hold _____ better than _____.

Is _____ clothes _____ to _____ than natural _____?

Clothes _____ smells _____ quickly _____ Earth- friendly ones.

_____ made _____ materials _____ odors fast?

_____ clothing hold on _____ odors?

Does _____ capture the scent _____?

Is there _____ difference _____ how _____ keep _____ naturals ones?

_____ odors unlike nature-produced _____.

Can artificial _____ onto odors _____ alternatives?

Is _____ that synthetic materials easily _____ to _____ options _____ market?

Is synthetic _____ natural fabrics?

Are _____ made with artificial _____ odor retention than _____?

_____ fiber _____ odors _____ than _____ options?

Do clothes _____ fiber retain _____ better _____ natural _____?

Clothes of fake _____ smells much _____ than _____.

Synthetic _____ clothes may _____ more _____ odor retention _____ options.

Do garments _____ artificial fibers _____ odors better _____?

Do _____ fabrics _____ odors _____?

_____ contrast _____ nature-produced materials, _____ cloth _____.

_____ odors more easily than their _____ counterparts?

_____ at keeping odors longer than natural _____?

_____ synthetic fibers _____ stinky _____ natural _____?

_____ fibers hold onto _____ than today's natural _____?

_____ odors more than _____ options.

_____ apparel _____ of synthetic _____ better _____ other choices on _____ market?

Is _____ more _____ to _____ odors?

Does synthetic _____ than natural _____?

_____ synthetic _____ more prone _____ hold _____?

_____ that _____ fibers in clothing _____ hold _____ more than _____ alternatives?

Does _____ more _____ than _____ materials?

Can _____ more than natural options?

Do clothes with _____ stink more than _____ offered _____?

_____ hold odors better than other _____ on the _____ today?

_____ synthetic _____ odors?

_____ from _____ fibers hold on to _____?

_____ clothing have odors _____ natural _____.

_____ clothing _____ out of synthetic _____ longer?

_____ synthetic fibers _____ better than _____?

_____ better at _____ smells?

Are clothes _____ of artificial _____ prone _____ retention?

_____ clothing trap odors _____ natural options?

Is it _____ retain smells compared to _____?

Are artificial _____ more _____ to odor _____ natural options.

_____ to _____ alternatives on the market, _____ odors better?

_____ artificial fibers used _____ garments _____ retaining smells?

Clothes _____ fake _____ absorb _____ than _____ ones.

Can _____ is made of _____ to hold _____ odors better than _____?

Is it _____ that artificial fibers _____ to natural _____?

_____ fabrics made _____ retain odours?

_____ fabrics made of _____ retain _____?

Synthetic _____ may be _____ keeping _____.

_____ with fake fibers absorb _____ quickly than _____.

_____ smells better than _____?

Does _____ clothes _____ smoothly than natural _____?

_____ holds _____ better than natural _____.

_____ it true that fake _____ garments keep _____?

Is _____ that _____ of synthetic _____ holds odors better than _____ materials?

Will _____ up _____ to _____ naturals?

_____ retain odors better _____ naturally-sourced _____.

_____ artificial fibers _____ garments retain _____ than _____ alternatives?

Is it _____ easily _____ odors in _____ to _____ choices on the _____?

Clothes made from _____ fibers _____ more quickly _____.

Is _____ retained by _____ made _____ fibers?

_____ clothing _____ odors more _____ than _____ clothes?

_____ more prone _____ odors than natural _____?

Is _____ smelly _____ natural options?

_____ retention _____ a _____ of synthetic clothing.

Is _____ fiber _____ better _____ odors?

_____ synthetic clothes _____ naturally-sourced clothes?

_____ it _____ that _____ fibers _____ more than organic _____?

_____ cloth _____ prone to _____ unlike _____ materials.

Are synthetic _____ more _____ making _____?

Are synthetic fiber _____ at _____ unpleasant odors _____ natural _____?

_____ clothes _____ fibers _____ susceptible to odor retention?

Is _____ textiles keep _____ longer?

Synthetic fabric garments _____ tendency to retain smells _____.

_____ I _____ clothing made _____ to _____ onto odors _____ natural options?

Why _____ fabrics stink more _____?

_____ synthetic _____ keep _____ easily than natural-sourced _____?

_____ artificial _____ clothes stink more than what's _____?

_____ cling to _____ easier than _____.

_____ made _____ fake fibers absorb smells _____ Earth- friendly _____.

_____ odors _____ than natural options?

_____ synthetic fabric _____ a higher _____ retain _____?

_____ there any _____ synthetic _____ natural ones _____ how they retain _____?

_____ synthetic material more?

_____ synthetic fibers retain _____?

Are _____ clothes _____ are _____ artificial fibers more _____ retention?

Does _____ have any differences _____ garments retain odors?

Do synthetic clothes _____ equivalents?

_____ clothing _____ of synthetic _____ on to _____ longer?

_____ garments _____ more?

Is _____ difference in how synthetic garments _____ odors _____?

Is synthetic fabric _____ likely than _____ odors?

_____ artificial _____ more prone _____ retaining _____ than _____?

Are synthetic _____ to causing _____?

_____ synthetic clothing _____ more easily _____ natural _____?

Do garments made _____ retain _____ as natural alternatives?

_____ synthetic fibers have _____ better odor retention _____?

Are clothes _____ prone to _____ than _____ available options?

_____ in the way synthetic _____ retain odors _____ ones?

_____ synthetic _____ odors?

_____ fibers in _____ retain _____ more easily _____ natural _____.

_____ fake _____ absorb smell quicker than Earth-friendly _____.

_____ that apparel made _____ hold odors better _____ other alternatives?

Do _____ made _____ retain odors _____ efficiently _____ natural alternatives?

_____ clothes made from _____ fibers _____ prone _____ odor _____ options?

Is it _____ that synthetic _____ odors better _____ choices on _____ today?

_____ fake-fiber garments _____ long?

____ synthetic fiber ____ better at ____ unpleasant ____ than ____ options?
 Do ____ artificial ____ than what's offered today?
 Is ____ that ____ materials hold odors ____ the market today?
 ____ the ____ more by fabrics made ____ fibers?
 ____ it possible to ____ of artificial fibers ____ hold on ____ than ____ alternatives?
 Do garments ____ of ____ fibers retain ____ alternatives?
 ____ traps ____ odors ____ natural options.
 ____ garments ____ from artificial fibers retain ____ alternatives?
 Can ____ fibers ____ onto odors more ____ natural alternatives?
 Is ____ of artificial ____ to ____ than natural options?
 Synthetics ____ cling ____ than naturals.
 ____ synthetic fabrics better ____?
 ____ it ____ odor clings to ____ materials ____?
 ____ synthetic ____ hold odors?
 Will ____ cling ____ better than ____?
 Is ____ that ____ synthetic materials ____ hold ____ in comparison to ____ choices on the ____?
 ____ synthetic clothing easier ____ smell ____ eco ____?
 Is ____ made from ____ fibers hold odors?
 Does synthetic ____ odors ____ than ____ ones?
 Is ____ for ____ fibers ____ retain ____?
 Does synthetic ____ cling ____?
 ____ clothes retain ____ natural equivalents?
 ____ fibers make ____ better ____ natural alternatives.
 ____ synthetic ____ capture aromas easier ____?
 Can clothes ____ retain smells?
 Synthetic ____ a higher tendency to ____ natural ____.
 Does ____ smells better than ____?
 Are ____ fibers ____ likely ____ than organic options?
 Is clothes made ____ to ____ odors?
 ____ may contain more ____ natural options.
 ____ made of ____ fibers able to ____?
 Do ____ fabrics ____ than their ____?
 ____ synthetics ____ smells ____ easily than ____?
 Do synthetic clothing ____ a ____ tendency ____?
 Is synthetic fabric ____ retain smells ____ natural ____?
 ____ artificial ____ likely to retain odors than ____?
 Can ____ fabric garments retain ____ than ____?
 ____ wonder ____ synthetic fabrics ____ odors ____.
 Synthetic cloth is prone ____ to nature-produced ____.
 ____ garments ____ at trapping ____?
 ____ for synthetic ____ to ____ aromas nowadays?
 Are ____ fabrics ____ vulnerable ____?
 Is ____ capture aromas with ____?
 ____ fabric garments have a ____ to retain ____ alternatives.
 ____ true ____ clothes with artificial fibers ____?
 Do ____ trap ____ than ____ fabrics?
 Synthetic ____ prone to ____ odors ____ nature-produced materials.
 ____ true that ____ made ____ synthetic ____ has a ____ odor hold than ____?
 Does ____ clothing ____ odors ____?
 Is ____ likely than ____ to retain smells?

Do synthetic fiber _____ than _____ options?

Synthetic _____ odors longer _____.

_____ are _____ in _____ synthetic garments _____ odors compared _____ naturals _____.

Are _____ of _____ more _____?

_____ retain odors _____ easily _____ naturally-sourced clothes.

_____ make it easier to keep _____?

_____ clothes _____ be more _____.

Does _____ have a _____ tendency to _____ to _____ alternatives?

Do _____ fiber _____ smells?

Is _____ made of artificial fibers _____ odors?

Today, _____ clothing _____ aromas more _____?

Do synthetic _____ garments tend _____ natural alternatives?

_____ of fake _____ absorb _____ than Earth-friendly ones.

_____ fabric _____ have a higher _____ to _____ odors?

_____ clothes with artificial fibers _____ than what's _____?

_____ synthetic _____ worse than natural _____?

_____ fiber clothes _____ trap unpleasant _____ to natural _____.

Synthetic fiber _____ be _____ to trap unpleasant _____ to _____.

Is it _____ that _____ apparels _____ better than other _____ the _____?

_____ synthetics hold _____ better than _____?

Can the _____ fibers _____ retain _____?

_____ smells more _____ natural fabrics.

_____ fabrics that are artificial _____?

Can a _____ made of artificial fibers _____ natural _____?

Is synthetic _____ more likely _____?

Is there any _____ in the _____ ones retain _____?

Are clothes _____ prone to smell _____ natural ones?

_____ it _____ clothes _____ artificial materials retain odors?

_____ clothes made with artificial fibers _____ prone _____?

_____ artificial fibers _____ at _____ odors _____ natural _____?

_____ made _____ fake fibers _____ better than Earth-friendly _____.

_____ it _____ that fake fibers _____ smells quicker _____?

Are the artificial _____ more prone to _____?

_____ clothes _____ fibers _____ smells quicker than Earth _____.

Is _____ true _____ fibers _____ smells _____ than _____ ones?

Is it possible that _____ fibers _____ to smell?

_____ fiber clothing may _____ odors _____ options.

Is synthetic _____ than natural _____?

Is _____ to retaining smells _____ nature?

_____ synthetic _____ store _____ well?

_____ fabric _____ hold _____ than other _____.

_____ synthetic _____ odors than _____ clothes?

_____ clothing able _____ odors longer?

Synthetic fabric _____ odors _____.

_____ synthetic _____ likely to retain smells _____ alternatives?

_____ stink _____ as natural fabrics?

Is _____ fiber _____ prone to odor retention _____?

_____ fabrics made _____ artificial fibers _____ retain _____?

_____ synthetic fiber _____ better at trapping _____ than _____ natural _____?

Synthetic fabric garments _____ higher _____ retain _____ natural alternatives.

Do clothes made _____ fibers _____ more _____ is available _____?
 _____ clothes made _____ stink more _____ what's available _____?
 _____ artificial _____ more prone to _____ retention _____ options?
 _____ fabric _____ odors longer _____ natural materials _____?
 _____ to natural alternatives, does artificial _____ better?
 Is it _____ synthetic _____ easily _____ in comparison _____ choices on the _____?
 _____ synthetics _____ more odors _____?
 Is _____ a difference in _____ garments _____ naturals _____ retain _____?
 There are _____ textiles _____ odors _____.
 The synthetic _____ odors better _____ naturally-sourced _____.
 Is it true that apparel _____ hold _____ to other choices?
 _____ fiber _____ trap _____ more _____ natural options.
 _____ possible that _____ artificial fibers _____ onto smells?
 _____ synthetic _____ more _____?
 _____ fibers _____ odors _____ than natural ones?
 Is synthetic fabric _____?
 Can _____ better than _____ alternatives?
 _____ synthetic clothes keep _____ than naturally-sourced _____?
 Do _____ clothes _____ odors more _____ natural-sourced _____?
 _____ clothing _____ odors.
 _____ there a _____ how odors _____ in synthetic _____ and natural _____?
 Does the _____ out of _____ fibers _____ to _____?
 Synthetic _____ more odors than _____.
 _____ synthetic fabrics _____ than natural alternatives?
 Synthetic _____ clothes are _____ to trap _____ natural alternatives.
 I _____ if clothing made _____ artificial _____ better than _____ alternatives.
 _____ odors _____ be retained easily _____.
 _____ synthetic _____ capture _____ efficiently?
 Is _____ possible _____ fibers _____ clothing can hold onto _____ natural _____?
 Is it possible _____ made of _____ hold _____?
 _____ prone to _____ nature-produced materials.
 _____ true that _____ materials _____ odors in _____ on the market today?
 _____ clothes made of _____ quickly?
 Synthetic _____ can _____ aromas _____ easily _____ eco _____.
 Synthetic fiber clothes _____ more likely _____ than natural _____.
 _____ synthetic _____ smells?
 _____ clothes made _____ synthetic _____ more easily _____ natural alternatives?
 Is _____ possible _____ clothes made of _____ retain _____ more _____ than _____?
 _____ cloth has _____ tendency _____ keep _____?
 Does it make _____ for _____ made of _____ more _____ natural alternatives?
 _____ made _____ artificial fibers able _____ onto smells?
 Synthetic fiber _____ odors more than _____ options.
 _____ keep bad smells?
 Do _____ garments retain _____ than the _____ market's _____ ones?
 _____ clothes be better _____ trapping _____ smells than natural _____?
 _____ fabric _____ odors _____ than natural _____?
 Do _____ garments make bad _____?
 Does synthetic fabric _____ than _____ nowadays?
 Do artificial fibers _____ clothes more _____ odor retention _____?
 _____ fabrics _____ more _____ natural ones?

_____ in clothes _____ better than natural alternatives _____.

Are _____ more _____ to _____ smells than _____ fibers?

_____ Synthetic _____ more _____ prone?

_____ of _____ materials _____ to retain odors?

_____ any _____ how synthetic _____ retain odors versus naturals _____?

_____ might keep odors _____.

Is it true _____ synthetic apparel _____ to other options on _____?

Is synthetic garments _____ to _____?

Synthetic fiber _____ odors better than _____.

_____ possible for _____ artificial fibers _____ hold on _____ odors?

_____ fabrics stink more _____ natural _____?

_____ fiber clothes _____ better than natural _____.

Do _____ artificial _____ more than what _____ today?

Synthetics _____ trap _____ than _____.

Can _____ of _____ fibers _____ smell?

Does synthetic _____ retain _____ than natural _____?

Can _____ made of artificial _____ odors _____ than natural _____?

_____ made of _____ fibers able to _____?

_____ made from synthetic _____ to odor retention _____ natural _____?

_____ clothes _____ effective _____ keeping odors than natural _____?

Is _____ that _____ garments retain odors differently _____?

_____ fiber clothing _____ effective _____ odors?

There _____ with artificial _____ that _____ more than _____.

Is artificial _____ more _____ to _____ retention _____ natural _____?

_____ of artificial fibers hold onto _____ than the _____ alternatives?

_____ synthetic fabrics susceptible _____?

Do synthetic _____ retain _____ than _____?

Synthetic _____ hold _____.

_____ made _____ artificial fibers _____ more than _____ made _____ fibers?

Does _____ clothing _____ more odors _____ natural _____?

_____ clothes made from _____ hold up _____ smells?

_____ fibers absorb _____ more quickly than Earth-friendly _____.

_____ synthetic fabrics _____ likely _____ odors?

Clothes _____ absorb smells more quickly than _____.

Synthetic fiber _____ may be _____ trapping _____ natural _____.

Were _____ likely _____ hold odors?

Does _____ clothing _____ aromas easier _____?

_____ retain odors more easily _____ natural _____.

Is it possible that _____ smells _____?

_____ clothing traps odors more _____.

Does clothing _____ odors longer?

These _____ made _____ artificial fibers _____ smells?

_____ clothing _____ have odors _____ than _____ options.

_____ the _____ made from _____ fibers _____ longer?

_____ made with _____ fibers _____ worse than _____ with _____ fibers?

_____ fiber clothing _____ likely to trap _____ options.

_____ made _____ fake fibers absorb smell _____ than _____.

_____ synthetic fabric _____ more _____ natural alternatives?

When compared _____ alternatives, can _____ made _____ artificial _____ odors?

_____ fabrics _____ odors longer than _____?

____ synthetic clothes ____ odors more efficiently ____ ____ ?
 ____ true that clothing ____ of synthetic ____ better than other options ____ market ____ ?
 The ____ cloth is ____ keeping ____ ?
 ____ synthetic ____ more ____ retain ____ than natural alternatives?
 Do ____ garments ____ smells?
 Is synthetic ____ odors longer?
 Synthetic fibers are ____ retain odors than ____ .
 ____ odors longer than natural materials these ____ ?
 ____ fabric can hold ____ natural ____ today.
 Does ____ fabrics ____ hold ____ ?
 Is it ____ fibers in clothes ____ more ____ what ____ offered ____ ?
 Does synthetic clothing ____ aromas ____ eco ____ ?
 ____ there a higher ____ synthetic ____ ?
 Is ____ likely to ____ odors than ____ fabrics?
 Is it true ____ clothes with ____ fibers stink ____ ?
 ____ fabric ____ higher ____ retain smells ____ natural fabrics.
 Does synthetic ____ natural alternatives?
 ____ retention odor greater ____ synthetic ____ ?
 Are ____ fibers ____ prone ____ retention ____ to natural ____ ?
 ____ capture aromas better ____ fabrics?
 ____ fiber clothing ____ to hold ____ to ____ ?
 Clothes ____ fibers ____ smells ____ .
 ____ it ____ apparel made of ____ materials can easily hold ____ to ____ on the ____ ?
 Do ____ clothes retain odors ____ natural ____ ?
 ____ true ____ synthetic clothes hold ____ than other choices on ____ ?
 ____ it true that ____ apparel ____ hold odors ____ on the ____ ?
 Is artificial ____ more likely ____ compared ____ alternatives?
 Is it ____ clothes ____ artificial fibers hold onto ____ ?
 ____ days, do clothes made ____ artificial ____ hold ____ ?
 Synthetic fabric ____ hold odors ____ .
 There are ____ in ____ garments ____ odors ____ to natural ____ .
 ____ might keep odors ____ .
 ____ of artificial fibers to ____ onto odors more than ____ alternatives?
 ____ synthetic ____ odor-prone?
 ____ wonder if artificial fibers will hold ____ natural ____ .
 Can I ____ artificial ____ hold onto odors better than ____ ?
 ____ textiles ____ keep ____ longer.
 ____ clothes ____ from artificial fibers ____ ?
 ____ are clothes ____ fibers that hold onto ____ .
 Is ____ true that ____ easily hold odors ____ other choices ____ the ____ ?
 Is it ____ that ____ hold ____ odors more than ____ natural alternatives?
 Does synthetic ____ hold odors ____ ?
 ____ clothes ____ artificial fibers ____ to ____ odors these days?
 Does ____ made ____ fibers hold ____ smell ____ ?
 ____ made from ____ fibers holding ____ ?
 Do synthetic clothes retain ____ ?
 ____ artificial ____ than natural alternatives?
 Do ____ with ____ better than organic ____ ?
 Synthetic cloth ____ tendency ____ keep odors ____ materials.
 Is it possible ____ to ____ odors more ____ alternatives?

Do ____ clothes ____ more ____.

____ synthetic ____ garments ____ better than ____ natural counterparts?

Is ____ made from artificial fibers ____ prone ____ retention ____ ____?

____ synthetic ____ more prone ____ odors?

Do fake-fiber ____ bad ____?

____ possible that clothes ____ of artificial ____ onto smells?

Is it ____ of synthetic ____ holds ____ than alternatives?

Synthetic textiles might ____ odors ____.

____ a question ____ synthetic clothes ____ odors ____ easily than ____ equivalents.

____ any ____ in how ____ retained in ____ garments and natural ____?

____ market's ____ of ____ ones has some ____ in how ____ retain ____.

____ synthetic fabric more likely ____ retain odors ____?

____ synthetic ____ better at keeping ____?

Does ____ garments keep ____ smells ____?

____ fake-fiber garments keep ____?

____ clothes ____ from artificial ____ odors.

Is synthetic ____ keeping odors ____?

____ fabrics ____ different than ____ fabrics?

____ synthetic clothes hold ____ better than ____ clothes on ____ today?

____ odors more easily ____ naturally-sourced ____?

____ synthetic ____ more ____ to retain ____ than natural ____?

____ more prone ____ odors?

Do clothes ____ from ____ odors ____?

Is synthetic ____?

____ clothes ____ are made ____ hold onto odors?

____ more ____ to have odors?

Did synthetic ____ more ____ than ____ equivalents?

Did ____ fibers ____ to odor retention than ____ options?

____ true that apparel made ____ materials ____ holds ____ in comparison ____ choices?

____ may hold ____ longer than natural materials ____.

____ made ____ artificial fibers hold ____?

____ with artificial ____ retain ____?

____ in synthetic clothing could ____.

There are ____ about ____ are more odor ____.

____ that synthetic apparels ____ better than ____ on the market?

Does synthetic ____ hold ____?

Clothes ____ from ____ fibers ____ smells faster than ____.

Are clothes made ____ to ____ odors?

____ fibers more ____ to odor retention ____ options?

Do ____ fabrics ____?

Is ____ fibers ____ prone to ____ currently ____ natural ____?

Is ____ for odors than ____ clothing?

____ the ____ bad smells longer?

Does ____ odors in ____ natural materials?

Synthetic ____ clothes ____ better than ____ ones.

Are ____ fabrics ____ to ____?

Is clothes made ____ materials ____ to ____ quickly?

____ with fake fibers absorb smells more ____.

____ cling to odors ____ easily ____.

Is artificial ____ to odor retention than ____ available ____?

These days, _____ clothes made _____ fibers _____ smells?
 Synthetic fiber _____ might _____ trap odors _____ options.
 _____ fibers _____ odors quicker than Earth _____ ones.
 Is artificial _____ to retain _____ compared to _____?
 _____ clothes _____ of artificial _____ capable _____ smells?
 _____ synthetic _____ keep odors _____?
 Is artificial _____ prone _____ odors _____ to natural _____?
 Is synthetic fabric _____ natural _____?
 _____ odors more efficiently than natural _____?
 Is _____ a difference between _____ how odors _____ retained?
 Is clothing _____ from _____ fibers more _____ to _____?
 Is artificial _____ smells compared _____ natural alternatives?
 _____ it true _____ other choices on the market today?
 _____ textiles capable of keeping _____?
 _____ garments more _____ natural alternatives?
 Is synthetic _____ more prone _____?
 _____ odors better than _____ clothes
 _____ clothing _____ from synthetic _____ to odors?
 I wonder if _____ made _____ materials _____ quickly.
 Clothes _____ artificial _____ can _____ to odors.
 Synthetic fiber _____ easy to _____ unpleasant smells _____ natural _____.
 _____ synthetic clothes _____ effectively than _____ clothes?
 _____ synthetic _____ likely to retain odors compared _____?
 _____ retain _____ better than _____ clothes
 Are _____ more _____ natural _____?
 I _____ know _____ made of _____ fibers will hold _____ more than _____.
 Synthetic _____ retain odors more _____.
 _____ it possible _____ artificial fibers could _____ odors more than _____ alternatives?
 _____ that _____ made from _____ fibers can _____ on to _____?
 _____ there an _____ smell _____ synthetic _____?
 _____ it possible that clothes _____ fibers _____?
 _____ clothes made _____ artificial fibers _____ better _____ what is _____?
 Are _____ created _____ artificial fibers more _____ to _____?
 Do _____ clothing _____ than _____ fabrics?
 _____ artificial _____ more _____ retain odors _____ natural alternatives?
 _____ fiber clothes _____ at trapping _____ natural options?
 Is it true _____ made _____ materials _____ odors _____ than _____ choices?
 Is _____ clothing more _____ options?
 _____ clothes with artificial _____ is available today?
 _____ it _____ clothes _____ of _____ retain smells quickly?
 _____ do _____ of artificial fibers hold up _____?
 _____ synthetic clothing capture _____ aromas _____ fabrics?
 Can man-made threads hold _____?
 Is _____ made _____ more prone to _____ retention _____ natural _____?
 Do clothes made with _____ more _____ organic _____?
 Does _____ odors longer than _____?
 _____ synthetic _____ retain odors _____ equivalents.
 _____ days do _____ out _____ artificial _____ hold _____ smells?
 _____ of fake fibers _____ smells more quickly _____.
 _____ retain odors _____ easily _____ naturally-sourced _____.

____ synthetic fabric ____ longer than ____ do?
 ____ artificial fibers ____ likely to retain ____ compared ____?
 Do clothes ____ artificial ____ stink ____ is offered?
 Are ____ than naturals?
 ____ fabrics more ____?
 ____ might ____ odors longer than ____.
 ____ fabric hold ____ odors?
 ____ synthetic clothes retain ____ more quickly ____?
 Does ____ retain ____ more ____ than naturally-sourced ____?
 Is ____ that synthetic fibers ____ odors more ____ natural ____?
 ____ it possible that ____ made ____ on to smells?
 Is synthetics ____ than ____?
 Do ____ fabrics stink ____ Natural ____?
 ____ clothes ____ odor susceptible?
 Does synthetic clothes ____ more ____ natural ____?
 Clothes ____ fake ____ absorb ____ more ____.
 ____ it ____ apparel made ____ synthetic materials easily ____ odors in ____ other choices ____ market?
 Is artificial ____ more likely to ____ to ____?
 ____ artificial ____ scent ____ than ____ now?
 Are ____ at ____ odors than ____ natural options?
 Are there ____ how ____ garments retain ____ to naturals ____?
 ____ made from artificial ____ more prone to ____ retention ____ options?
 ____ the synthetic ____ hold ____ to odors?
 Synthetic cloth ____ be ____ to ____.
 ____ synthetic ____ be more ____?
 Is ____ capable of ____ odors ____?
 Today, ____ aromas better?
 Is synthetic fabric better ____ than ____?
 ____ synthetic clothing stick ____?
 Synthetic ____ clothing may ____ not ____ odors ____ than ____ options.
 ____ thought ____ for keeping ____ longer.
 ____ with ____ absorb odors ____ than Earth-friendly ____.
 Do synthetics ____ naturals?
 Do ____ fibers ____ clothes stink ____ what is ____ today?
 Clothes ____ from ____ hold onto ____.
 ____ keep ____ smells longer?
 ____ that ____ fake ____ absorb odors ____ Earth-friendly ones.
 Were ____ clothes more ____?
 Nowadays, ____ keep odors ____?
 ____ fiber clothing traps odors ____ options.
 Is ____ for clothing ____ of artificial ____ to hold ____ odors ____?
 Is ____ fabrics ____ to holding ____.
 ____ made out of ____ absorb ____ more ____ Earth ____ ones.
 Do ____ fiber ____ odors?
 ____ clothing ____ of ____ fibers ____ in ____?
 ____ fibers ____ likely to ____ than natural alternatives?
 Synthetic ____ be prone ____ odors, ____?
 ____ fibers better ____ holding onto ____ natural alternatives?
 Is clothes ____ able ____ hold onto odors?
 I ____ of ____ fibers will ____ onto odors more than ____ alternatives.

_____ clothing retain odors more _____ clothes?

Synthetic textiles can _____.

_____ fabrics _____ more _____ to holding _____.

There _____ be _____ retention _____ in _____.

Is _____ a _____ odor in _____?

Do _____ fabrics _____ more _____ fabrics?

Synthetic clothes _____ prone?

_____ clothes retain _____ better?

Do _____ make _____ smells _____ longer?

There could be more _____.

_____ made from artificial fibers hold onto _____?

Is _____ prone _____ retaining odors _____ natural alternatives?

Are _____ fibers _____ susceptible to _____ currently available _____ options?

_____ it true that _____ of _____ materials _____ odors _____ other options?

synthetic _____ have a _____ tendency to _____.

Synthetic fibers _____ better _____ alternatives.

Will _____ up to smells _____?

_____ synthetic _____ hold _____ than _____ ones?

Does _____ odors _____ than natural _____?

Synthetic _____ may retain odors more _____.

_____ synthetic _____ retain _____ than natural _____?

_____ artificial _____ stink more than _____ is offered?

_____ clothing _____ odors efficiently?

_____ more than naturals?

_____ fiber clothing better than natural _____ at _____?

_____ possible that artificial fibers _____ clothing will _____ onto _____ alternatives?

Do clothes _____ fibers _____ more _____ what _____ available?

_____ synthetic _____ odors _____ than _____ materials?

Is clothes _____ from _____ odor retention than _____ options?

Does synthetic _____ smells more than _____?

_____ fibers _____ odors quickly?

_____ the _____ fiber garments _____ odors _____?

Do _____ odors better _____ naturally-sourced _____?

Is artificial fibers _____ odor _____ than _____ options?

Does _____ fiber clothing _____ longer?

_____ fabric _____ hold odors longer _____.

_____ synthetic clothes _____ odor-prone?

_____ synthetic clothes keep odors more _____ natural _____?

_____ odor in synthetic clothing?

_____ clothes _____ artificial fibers _____ than those _____ with natural _____?

_____ the scent retain _____ fibers?

Are fake-fiber garments _____ smells _____?

_____ synthetic _____ more _____?

Does synthetic _____ aromas better _____?

_____ fabric _____ to hold odors _____ natural materials?

_____ compared to natural alternatives on the market _____ retain _____?

_____ days, can _____ from artificial _____ hold onto _____?

Is _____ fibers _____ prone to odor _____ than _____?

_____ synthetic _____ odors longer _____ traditional _____?

Do synthetic _____ more easily than _____?

_____ synthetic fabrics _____ to stink _____?
 Is it _____ clothing made of artificial fibers to _____ more _____?
 Clothes made _____ fake _____ absorb _____.
 _____ made of _____ for odors than natural _____?
 _____ fake fibers _____ odors faster than _____ ones.
 I _____ an increase _____ retention odor in _____ clothing.
 Are synthetics _____ at trapping _____?
 _____ made of _____ materials able _____ retain _____ quickly?
 Synthetic _____ clothing _____ be _____ effective at _____ odors _____ options.
 _____ synthetic fabrics _____ prone to _____?
 _____ it _____ for _____ made of _____ materials _____ smells quickly?
 Clothes of fake fibers _____ compared _____ Earth-friendly _____.
 Do the clothes _____ more?
 _____ synthetic _____ better _____ trapping _____?
 _____ of fake _____ absorb smells _____ friendly ones.
 Is _____ textiles _____ at keeping _____?
 Is _____ clothes more _____ to _____?
 _____ synthetic fibers more _____ to _____ retention _____ natural _____?
 _____ I expect _____ made _____ artificial fibers _____ hold _____ as _____ as natural _____?
 Are synthetic-based _____ more _____ trapping _____?
 _____ retain odors _____ than _____ fabrics?
 Clothes made _____ fake _____ absorb _____ quicker _____ Earth-_____.
 _____ synthetic _____ retain _____ as _____ as _____ equivalents?
 _____ synthetic fabric _____ more _____ natural _____?
 Do _____ retain odors more easily _____?
 _____ clothes _____ odors more _____ than naturallysourced _____?
 Is it _____ clothing _____ odors better than _____ on _____ market?
 _____ made _____ fake _____ more quickly than _____ fabrics.
 Is _____ that _____ easily holds odors in comparison _____ on _____ market _____?
 _____ it _____ that _____ odors _____ than other fabrics on _____ market?
