

[Demo] NLP Dataset for Customer Service Automation

Company Type	E-commerce Marketplaces
Inquiry Category	Product information and specifications requests
Inquiry Sub-Category	Technical Specifications
Description	Customers seek information about the technical specifications of a product, such as operating system compatibility, power requirements, or connectivity options.
Data Size	5,125 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "E-commerce Marketplace" customer inquiry. (Purchased data will not be masked.)

Are _____ before _____ such _____ printers, scanners, _____ through USB port(s)?
 _____ you _____ on _____ for connecting printers/ cameras _____?
 Is _____ advisable to have drivers on _____ before _____?
 _____ drivers _____ to _____ to connect cameras, printers _____ scans _____ ausb _____?
 _____ you _____ drivers _____ a printer, camera, _____ other device _____ ausb _____?
 _____ to _____ if the camera _____ needs _____ before _____ it over ausb _____.
 If _____ want to _____ for _____ printers _____ drivers be installed?
 Need _____ 4 connecting _____ or scanning _____ a port _____ device?
 _____ cameras _____ via theusb _____ how _____ drivers in place?
 Can _____ tell me _____ the _____ for the printers and _____ required _____?
 _____ you need _____ connect to a camera, printer, _____ device _____?
 Before establishing _____ via _____ port, one needs _____ appropriate drivers
 Need drivers 4 for _____ to a _____ or _____ device _____ on _____
 _____ you need _____ printers to the usb _____?
 Should drivers _____ installed _____ ports for _____ andScanners?
 Is _____ drivers required _____ connect cameras, printers, or _____ devices.
 Does the drivers have to be installed _____ the _____?
 _____ there _____ for _____ connect printers/scanners/cameras to _____ thingy?
 Is it necessary _____ drivers to _____ to _____ port to _____ units and _____ devices?
 Is it _____ to _____ drivers in _____ you _____ cameras and _____ interface?
 Are drivers needed _____ connecting printers, _____ scanning _____ ports?
 _____ know if the drivers _____ scanner, and _____ necessary when _____ via _____?
 Is _____ necessary to _____ drivers _____ the _____ camera, _____ scanning _____ to _____ via _____?
 _____ you _____ drivers for connecting cameras, _____ andscanners _____?
 _____ drivers need _____ before using _____ port to _____ printers, and _____ devices?
 _____ you _____ the _____ orprinter _____ drivers before putting _____ over _____ cable?
 Can anyone tell _____ if _____ drivers for cameras, _____ and _____ are _____?
 I want to _____ any drivers before _____ put it _____ device.

____ needs ____ drivers ____ printers to cameras through theusb ____
 Can you ____ me ____ I ____ plugging ____ cameras and scanning ____ theusb ____?
 Is ____ idea ____ prior ____ connecting printers/cameras to ausb?
 Do the drivers ____ to ____ required ____ using ____ cameras, printers, ____ scanners?
 Do ____ know ____ the drivers ____ the ____ printers, ____ scanner ____ required ____ via ____?
 ____ needed ____ connecting printers, cameras, and ____ through ____ port
 Is it necessary ____ have ____ to ____ cameras, ____ or ____ with theusb ____?
 ____ many drivers are ____ to ____ cameras, or whatever you ____?
 Can ____ me ____ drivers for the ____ and scanner are required when ____?
 ____ many ____ are required ____ printers, cameras, ____ and so ____ ausb?
 Does the ____ required in order to ____ the ____ to ____ cameras, printers, ____?
 Are ____ a ____ camera, or ____ device ____ can use ausb port?
 Before using ____ or ____ are suitable drivers needed?
 How ____ are needed ____ connect ____ scans, and ____ need through theusb ____?
 When connecting ____ does anyone ____ drivers for ____ scanner, ____ cameras ____ required?
 If the drivers for ____ printers, ____ are ____ ssusb?
 ____ necessary to have ____ in order to ____ printers ____ machines ____?
 ____ you ____ to ____ theusb ____ printing ____ and other devices, is ____ necessary ____ drivers installed?
 ____ if the ____ for the ____ cameras are required ____ connecting ____ susb?
 For use ofUSB ____ with peripherals, ____ needed?
 Driver ____ may be ____ using theusb ports ____.
 ____ drivers need to ____ using the port to ____ printers ____?
 Need drivers ____ to ____ camera, printer, or scanning device ____ a ____?
 ____ you tell ____ needs drivers before ____ put ____ over theusb cable?
 Do you ____ for ____ to a ____ scanning device ____ aUSB device?
 How ____ are ____ to connect ____ cameras, ____ whatever else you ____ protocol?
 How ____ drivers ____ needed ____ cameras, scanner, or ____ else through ____?
 Need ____ connecting ____ a camera,printer or scanning ____ ausb ____?
 Before ____ port ____ a ____ and camera, ____ suitable drivers ____?
 ____ have ____ with you when connecting ____ to ____?
 How many ____ are ____ cameras, ____ scans through ausb ____?
 Do I have ____ before ____ use ____ to ____ a printer, ____ camera?
 Is ____ necessary ____ have drivers in order to ____ devices like ____ cameras ____ port?
 How many ____ for ____ printers, ____ and ____ devices with ____?
 ____ you need drivers ____ camera,printer, ____ scanning device from ausb ____?
 ____ drivers are ____ connecting ____ cameras, and ____ to ausb?
 ____ it ____ idea to ____ proper driver ____ when connecting printers/cameras ____ ausb?
 Does ____ to ____ used before ____ port to ____ printers, or ____ machines?
 ____ linking a ____ using theUSBport, ____ there ____?
 Do drivers ____ be ____ and scans through ____ port?
 When ____ external ____ withusb ports, ____ requirements ____ required?
 Plugging in ____ using theusb ____ need ____ so.
 ____ I ____ to ____ drivers if I ____ use ____ port to ____ printer, scanner, ____ camera?
 Is it necessary ____ installed to ____ theusb ports ____ printers ____?
 ____ want to use theusb ports for ____ printers andScanners, ____ it ____ installed?
 ____ be installed if ____ to use theusb ports ____ connecting ____?
 I ____ a question ____ which drivers ____ for ____ in cameras ____ port.
 Need drivers to ____ or scanning ____ via ____ port?
 Does the ____ need to be installed ____ theusb port ____ connect ____?
 Is there a ____ install ____ printers, ____ andscanners ____ use newusb?

_____ drivers _____ camera, printer, or _____ device _____ have a connection _____ ?
 Before using _____ with a printer or camera, _____ ?
 Is _____ required _____ using _____ to connect cameras, printers, _____
 How _____ drivers _____ connect printers and cameras _____ ?
 _____ you _____ to _____ for cameras, printers, _____ printers _____ ?
 Before using a usb port _____ are suitable _____ ?
 _____ to _____ to a camera, printer, _____ via the usb port?
 Does _____ have to be _____ to connect _____ printers, _____ other devices
 I don't _____ if _____ have to install drivers _____ connect _____ printer, _____ or camera _____ .
 Does _____ be required _____ using _____ port to connect cameras, printers, _____ ?
 _____ drivers _____ to connect _____ scanners through the usb port?
 _____ have _____ used _____ connect cameras, printers _____ through the usb port?
 Do you need _____ add _____ device to the port?
 If _____ to connect _____ to _____ it a _____ drivers on hand?
 What driver requirements _____ required when _____ peripherals?
 _____ tell me if _____ drivers _____ printers, scanning _____ cameras _____ required when _____ via _____ ?
 _____ it _____ for drivers _____ be installed if _____ to _____ for connecting printers _____ ?
 _____ the _____ be _____ the usb _____ to connect cameras, printers and scanners
 Does _____ drivers _____ to _____ used _____ using _____ cameras, printers, and scanners?
 There _____ a _____ drivers _____ printers to connect via usb
 Is the drivers _____ use _____ port _____ cameras, _____ or scanners?
 _____ there a requirement _____ install on my _____ to _____ new usb thingy?
 _____ a good idea to _____ proper driver for printers/cameras that _____ ?
 _____ using _____ with usb ports what driver _____ needed?
 _____ required _____ connecting _____ like cameras _____ printers through _____ port?
 _____ me if the _____ the printers, _____ and cameras are _____ when _____ ?
 _____ many _____ are _____ printers, cameras _____ scans _____ usb port?
 For connecting _____ printers, cameras, _____ to the usb _____ drivers required?
 _____ driver _____ add _____ printer, camera, _____ scanning _____ to _____ port?
 _____ using peripherals _____ ports, _____ are needed?
 _____ it better to _____ a proper _____ connecting _____ to usb?
 _____ the _____ required when _____ via _____ for _____ scanner, and _____ ?
 _____ drivers 4 _____ connect _____ scanning device _____ port on usb device
 I want to _____ the camera _____ drivers _____ it _____ the usb cable.
 _____ you think drivers are _____ the usb _____ for _____ printers _____ ?
 Before using _____ port _____ a printer/scanner/camera, _____ suitable _____ ?
 _____ you _____ drivers _____ to _____ camera, printer, or scanning _____ on a _____ ?
 _____ drivers for _____ to _____ or _____ device with _____ on _____ device?
 Before _____ a printer, scanner, camera, are _____ drivers essential?
 Before connecting _____ and _____ to _____ is _____ a _____ to _____ a few _____ ?
 _____ 4 _____ connecting _____ printer, or _____ device with a port on _____ ?
 How _____ drivers are _____ to _____ cameras, scans, _____ with _____ ?
 _____ usb, is it a _____ to install drivers?
 Do you _____ drivers _____ or cameras via _____ ?
 _____ drivers need to _____ use _____ cameras, printers _____ via _____ port?
 _____ is needed for using usb ports _____ ?
 _____ you _____ if _____ printers, scanners, or _____ via the usb standard?
 Is _____ to _____ to connect printers, scanners, and _____ to _____ ports?
 _____ the _____ have to be required _____ printers _____ with the usb _____ ?
 How _____ connect _____ cameras, scanners, and so on _____ usb?

Is it ____ for ____ be installed ____ you ____ theusb ports for ____ ____ ?

When using external ____ what driver ____ needed?

____ driver requirements are ____ useusb ports ____ ?

____ don't know if I ____ to ____ before ____ connect a ____ scanner ____ camera ____ port.

How ____ drivers ____ needed for connecting printers, cameras ____ ?

Are ____ drivers ____ external devices ____ or cameras on aUSB ____ ?

____ to use theusb port for ____ yourprinting ____ devices, are ____ ?

____ drivers required if ____ theusb port ____ connecting ____ and scanning ____ ?

____ camera,printer or scanning device to theusb ____ ?

____ drivers to ____ with cameras, printers or printers ____ ?

____ want ____ which ____ necessary ____ plugging ____ cameras ____ scanning at theusb port.

How ____ are ____ connect ____ cameras, and other things ____ ?

____ many drivers are ____ connecting printers, cameras and ____ to ____ ?

Should ____ be ____ before connecting ____ to ausb?

Does ____ drivers have ____ be required to ____ theusb port ____ scanner?

Do ____ drivers need ____ be required before using ____ port ____ cameras, ____ ?

Were the ____ connecting ____ printers, cameras, and ____ machines to ____ ?

____ are needed for ____ and other electronics with ____ ?

I ____ to ____ are ____ for ____ in ____ and scanning at ____ port.

What ____ are ____ ports with ____ ?

Will ____ hand be a ____ printers/cameras to ausb?

____ anyone know if ____ the printers, scanner ____ cameras ____ connecting ____ susb?

Need drivers to add a ____ camera, ____ scanning ____ ?

____ drivers ____ connecting ____ a camera ____ printer ____ ausb ____ ?

____ the ____ in order to use theusb port to connect ____ ?

____ have ____ be used to connect ____ theusb port?

____ the ____ required ____ connecting the printers, cameras, ____ machines ____ theusb ____ .

Is ____ best ____ have ____ on hand ____ printers/cameras to ____ ?

Does the drivers need to be used ____ connect ____ printers, ____ ?

Is ____ necessary ____ drivers to ____ installed for ____ for connecting ____ ?

How ____ are ____ to connect ____ and ____ ausb?

____ required when ____ ports with peripherals?

____ you ____ for ____ cameras, andscanners via ____ standard?

Need ____ for connecting ____ camera,printer, or ____ device ____ port ____ a ____ device?

Is it necessary to have drivers ____ port to ____ cameras, ____ ?

Does ____ drivers have to be ____ before ____ to connect cameras, ____ devices?

____ using theusb ____ with a ____ drivers essential?

____ have ____ any ____ I want to connect ____ printer, scanner, or ____ to ausb ____ ?

Do you ____ or ____ device via a port ____ ausb device?

How many drivers ____ needed ____ connecting ____ through ____ port.

____ needs ____ be ____ for cameras ____ that ____ connecting viausb.

Do ____ drivers ____ cameras, orscanners ____ theusb standard?

Is it wise to ____ before ____ to ____ ?

Need ____ connecting a ____ printer or ____ device to ____ ?

____ anyone ____ me ____ for the ____ scans and ____ are required ____ connecting ____ susb?

____ the ____ need to be required ____ theusb port ____ cameras, ____ or ____ devices ____ others?

Is it essential ____ to be installed in ____ port for connecting ____ and ____ ?

____ want to use ausb ____ to connect yourprinting and scanning ____ necessary ____ to ____ ?

____ think ____ is ____ good idea before ____ printers/cameras to ausb?

____ it necessary ____ have drivers in ____ connect ____ via ____ ports?

Do you know _____ camera _____ drivers _____ you put _____ over _____ ?
 _____ is the required _____ for _____ ports _____ peripherals?
 When connecting _____ is _____ a _____ idea _____ drivers on hand?
 _____ the drivers _____ to _____ in _____ to use _____ to connect _____ printers, _____ ?
 When _____ connect _____ printers _____ ausb _____ about putting drivers in _____ ?
 Need _____ for _____ a camera,printer, or scanning _____ a _____ on _____ ?
 _____ looking for drivers for cameras, _____ usingUSB?
 _____ or cameras _____ ausb, _____ a good idea to have a _____ ?
 _____ it wise _____ have drivers _____ before _____ to ausb?
 _____ printers, cameras, and scanning _____ ports are the _____ ?
 How _____ drivers _____ needed _____ printers, _____ scanner, _____ whatever _____ need through _____ protocol?
 Before using theusb _____ with a _____ important?
 Is it _____ be installed _____ use _____ port _____ connecting printing _____ devices?
 Does _____ need _____ be required _____ port to connect cameras, _____ ?
 Do you need _____ for _____ printers, or printers _____ ?
 Should _____ brought _____ connecting printers/cameras to _____ ?
 Do you _____ drivers _____ to a camera,printer, _____ from _____ port?
 _____ know _____ the _____ orprinter needs _____ drivers before putting _____ over _____ device.
 Do _____ drivers need _____ to _____ connect cameras, printers, andscanners?
 _____ it _____ good _____ to have _____ driver _____ connecting printers _____ cameras to _____ ?
 Do _____ driver _____ cameras and _____ with theusb interface?
 Do _____ drivers _____ to connect _____ scanning device with a _____ on aUSB _____ ?
 _____ the _____ that _____ installed _____ for _____ the _____ cameras, and _____ machines to _____ ?
 _____ in cameras, scanning _____ port, _____ ?
 _____ the drivers _____ to be _____ using theusb _____ to _____ or _____ equipment?
 _____ there _____ requirement _____ drivers before _____ devices like printers, _____ through _____ port?
 What _____ requirements _____ required _____ usingUSB _____ peripherals?
 _____ needed for _____ with peripherals
 _____ it possible _____ drivers _____ connecting cameras or printers _____ interface?
 Do drivers _____ used _____ use _____ to connect cameras,printers and _____ ?
 _____ drivers need _____ used _____ you use the port _____ cameras, _____ or other _____ ?
 _____ printers/cameras _____ ausb, should you have _____ you?
 _____ a _____ drivers _____ and printers that _____ viausb
 How many drivers are needed to _____ printers, _____ or _____ ?
 _____ many drivers _____ needed to _____ theusb port _____ cameras _____ scanner?
 _____ printers/cameras _____ is it a good idea to _____ a _____ ?
 If _____ to _____ theusb ports _____ connecting _____ is _____ important _____ drivers _____ be installed?
 If you want _____ use theusb _____ for connecting _____ units and _____ for drivers _____ installed?
 _____ want _____ use _____ ports _____ connect printers andScanners, _____ drivers _____ installed?
 Is _____ drivers _____ like printers and cameras _____ use theusb _____ ?
 _____ is a need _____ on _____ and _____ that _____ viausb
 _____ necessary for _____ be installed _____ you _____ to _____ ausb port to _____ and scanning _____ ?
 _____ know if _____ camera _____ needs _____ you put it over _____ device?
 _____ drivers _____ be _____ before using _____ port _____ connect cameras, _____ or _____ devices?
 _____ drivers for connecting to _____ or scanning _____ on _____ ?
 _____ to connect a printer, camera, _____ whatever you need _____ connection?
 _____ about putting drivers in place _____ using ausb _____ connect _____ ?
 Need drivers _____ printer, _____ that uses _____ port?
 _____ I _____ connect a printer, _____ camera with _____ do _____ have _____ install drivers first?
 _____ you _____ use theusb port _____ printing _____ and other devices, do _____ install drivers?

____ you need drivers ____ and cameras ____ theusb ____?
 Which ____ required for ____ the ____ cameras, ____ machines to ____ ports?
 How ____ for connecting ____ cameras, scanning and other ____ ausb?
 ____ port ____ a printer or camera, are ____ required?
 ____ needs ____ be ____ when using ____ for ____ and printers.
 ____ you ____ for drivers for ____ printer, ____ device that ____ use ____ port?
 ____ needed ____ link ____ port?
 What ____ are ____ to use ____ port ____ peripherals?
 Do ____ have to ____ used ____ connect ____ ausb port?
 ____ connecting printers, ____ and scanning machines ____ drivers required?
 ____ many drivers are needed ____ cameras, ____ scanning with ____?
 ____ ausb should ____ have drivers with you?
 ____ or printers with ____ interface, ____ about ____ drivers ____ place?
 ____ the ____ the printers and ____ are ____ when ____ a susb connection?
 Can ____ me if ____ before putting ____ over theusb interface?
 ____ to install ____ theusb ____ to use printing units ____ devices?
 ____ drivers important if ____ to ____ theusb port for connecting ____ units ____?
 Do ____ how many drivers are needed ____ connecting ____ and ____ ausb?
 Can ____ tell ____ for the ____ and cameras ____ required when connecting ____ susb?
 Does the ____ be ____ before using the ____ to ____ cameras, ____?
 Drivers could ____ required ____ using theusb ____.
 ____ drivers for connecting to ____ device using ausb ____?
 Can anyone tell ____ if ____ drivers for ____ printers, ____ and ____ are ____ via ____?
 Are ____ to ____ the printers, cameras, and scanning ____ theusb ____?
 Does the drivers ____ to ____ before ____ the port to ____ cameras, ____?
 ____ the ____ have to ____ installed before ____ the ____ connect ____ or scanner?
 Before ____ theusbport, ____ there ____ for ____ printer and ____?
 ____ the ____ have ____ used ____ connecting cameras, printers, ____ other ____ devices ____ theusb ____?
 ____ it ____ to ____ drivers ____ cameras, ____ to use ____ newusb thingy?
 ____ drivers ____ used before using ____ a printer?
 Is the drivers ____ before ____ port ____ cameras, ____ andscanners?
 Do ____ need ____ driver for ____ printers and ____ with ____?
 Are ____ required ____ cameras, ____ and scans ____ theusb ____?
 ____ for drivers ____ peripherals like ____ scanners, or cameras via ____?
 Is ____ way to put drivers ____ you connect ____ via theusb ____?
 Do you ____ to use for ____ or ____ that ____?
 ____ don't know ____ I need ____ install ____ I connect a ____ scanner, ____ to a ____.
 ____ a ____ drivers to ____ the printers/scanners/cameras to ____ thingy?
 Before connecting ____ to ____ a ____ idea to ____ driver with them?
 I need ____ which ____ required for ____ cameras and ____ theUSB port.
 Does anyone know if ____ for ____ printers/scanners/cameras with ____?
 ____ have ____ need ____ for ____ scans, ____ cameras on theUSB port.
 Does the ____ need ____ be ____ before ____ port ____ or other electronic devices.
 Is ____ drivers to be installed ____ use ____ to connect printing ____ and other ____?
 ____ it necessary for ____ to ____ in ____ to use ____ to ____ printers ____?
 Need drivers ____ to ____ or scanning ____ to ____ port?
 ____ the ____ need to be ____ port ____ connect ____ printers, or scans?
 ____ you need ____ printers/cameras via ____?
 ____ the ____ to be used before ____ the ____ to ____ cameras, ____ or ____?
 ____ drivers ____ a camera,printer or scanning device ____ a ____ device?

Before _____ it _____ good idea to _____ in drivers?

_____ many drivers are _____ to connect _____ cameras _____ scanning machines _____?

Before _____ printer or camera with a usb _____ drivers _____?

_____ many _____ are _____ to connect printers, cameras, _____ whatever _____ need through _____?

Should _____ on _____ to connect _____ cameras to a usb?

Are _____ for _____ the _____ and scanning _____ the usb ports?

_____ driver requirements are required _____ use _____ ports _____?

_____ may be needed for using _____ with _____.

Drivers need to be _____ connection for _____ printers

Do the _____ need _____ be _____ the usb port to _____ or scans?

_____ needed to _____ cameras using the usb port.

_____ drivers _____ be required _____ using _____ to _____ cameras, printers, or scanners?

_____ drivers _____ be used for connecting cameras, _____ scans _____ port?

Before connecting printers/cameras to a usb, _____ have a proper _____?

How _____ needed to connect printers, cameras, _____ to _____?

_____ it necessary for _____ to _____ if you wish _____ the usb _____ for _____ printers _____?

I _____ to know _____ the _____ any _____ drivers before _____ it over _____ device.

_____ many drivers are _____ for connecting printers, _____ so _____ with _____

Does _____ to _____ the usb port to connect cameras, _____ or _____ devices

Need _____ for _____ scanning _____ to connect _____ the usb port?

Do _____ drivers _____ the cameras _____ are required when _____ usb connection?

_____ requirement for drivers for _____ cameras and scanners to _____?

_____ a _____ a camera, printer, or other _____ that _____ a usb _____?

Drivers are _____ using _____ with _____ peripherals

_____ and _____ machines to the usb _____ are the _____ required?

_____ connecting _____ printers _____ a usb, is _____ a _____ to install drivers?

_____ need to _____ to _____ printers, _____ scans via the usb _____?

_____ use the usb port to _____ cameras, printers _____ scans?

_____ the drivers _____ to be _____ to _____ the usb _____ to connect _____ printers, _____ scanning _____ to _____?

Before using _____ port _____ printer, scanner, and camera, _____ essential?

Is _____ a _____ requirement _____ using external _____ with _____?

_____ are needed to connect _____ or _____ through a usb connection?

Is _____ a _____ to have a few _____ kit _____ printers/ _____ to a usb?

How _____ drivers _____ required _____ connecting _____ you need through the usb connection?

_____ many _____ connecting printers, cameras, scanning, or _____ need through _____ connection?

When _____ with peripherals, _____ driver _____ is _____?

_____ many _____ are needed _____ printers, _____ and scanning machines _____ port

_____ drivers _____ are installed required for _____ printers, cameras, _____ machines _____ the usb _____?

Is it necessary _____ have pre-installed _____ to the usb port?

_____ to know _____ needs any _____ I _____ it over the usb cable.

_____ the _____ the printers, scanner, _____ cameras when _____ via _____?

_____ the drivers _____ installed before using the usb _____ to _____ cameras, _____ or _____?

_____ not sure if I need _____ for _____ printers/scanners/cameras _____.

How _____ drivers _____ needed for connecting _____ scans _____ the usb _____

Can _____ be brought in before _____?

_____ many drivers _____ printers, cameras, or whatever you _____ connection?

Does _____ to be _____ using the usb _____ to connect _____ printers, _____ scanner?

_____ many drivers _____ for connecting printers, _____ on with _____?

_____ the _____ need to _____ required _____ use the usb _____ to _____ printers, or _____ to others?

I _____ know _____ the _____ for _____ printers, scanner, _____ cameras are _____ when _____.

Does _____ need to be _____ to _____ cameras, _____ or other _____ to _____?

Is there _____ requirement _____ drivers for _____ scanners, _____ ports?

_____ anyone _____ drivers for _____ printers, scanner, _____ cameras are _____ connecting via _____?

_____ the _____ need _____ before using the port _____ printers, orscanners?

_____ connect _____ scanner, or camera using ausb _____ do I need to _____ drivers _____?

How _____ drivers are _____ to use _____ port _____ cameras and _____?

Should _____ and cameras _____ driver _____ hand to _____ ausb?

_____ drivers for a printer, camera, _____ device that _____?

Do drivers need to _____ connect _____ printers and _____ ausb _____?

Is it _____ to connect the _____ to _____?

_____ a good _____ a _____ driver on _____ connecting printers/cameras to ausb?

_____ you need _____ for _____ camera, printer, or scanning device _____ port?

Is _____ to _____ for connecting _____ scanning, _____ cameras _____ theusb ports?

_____ know _____ required _____ connecting via _____ for _____ printers, scanner, and cameras?

Does _____ drivers need _____ theusb _____ for connecting cameras, printers, or _____?

If _____ to _____ ausb port _____ connecting yourprinting and _____ devices, _____ it _____ install _____?

_____ know _____ the drivers _____ the _____ scanner, _____ required when connecting _____ ssusb?

Is there a requirement _____ to _____ printers/scanners/cameras _____?

_____ connecting _____ ausb, is _____ a good idea to have _____ for _____?

_____ it possible _____ drivers _____ when _____ cameras and printers _____ interface?

Is _____ have _____ drivers _____ connecting printers, _____ and _____ to USB _____?

_____ drivers are _____ for usingusb _____ peripherals?

Is _____ for drivers to _____ printers and _____ theusb _____?

_____ the _____ required to connect the _____ and scanning machines _____?

Does _____ to _____ used before _____ theusb _____ to connect _____ or _____ devices?

_____ tell me _____ for the printers _____ cameras are _____ when _____ via _____?

_____ before _____ external devices like printers, _____ cameras through _____ port?

_____ theUSB port _____ a _____ are suitable drivers _____?

When connecting _____ via theusb _____ how about putting _____?

Does the _____ to _____ required _____ using the _____ cameras, _____ andscanners?

Need drivers for _____ a camera,printer _____ device _____?

Do printers, cameras, _____ drivers for _____ theusb port?

Is _____ necessary _____ installed if you want _____ use _____ port _____ and scanning devices?

I _____ the camera orprinter _____ drivers _____ I put it _____.

Before _____ the USB port _____ a _____ camera, are _____?

_____ drivers are _____ to _____ cameras, scans, _____ you need through theusb _____?

How _____ required _____ printers, cameras,scanners and _____ with ausb?

Is _____ required _____ using _____ connect cameras, printers, orscanners?

Before _____ printers/cameras _____ is _____ a good idea _____ a proper _____ for them _____?

_____ use theusb ports _____ connect _____ andScanners, is it _____ drivers _____ be installed?

Should drivers 4 _____ to _____ camera,printer, or _____ using _____ port on ausb _____?

_____ proper driver for printers/cameras before _____ them to ausb?

_____ anyone know if _____ drivers for _____ and _____ when _____ via ssusb?

Are you _____ drivers _____ a camera, printer, _____ scanner _____ can use _____?

Is _____ requirement _____ drivers to _____ the _____ and _____ theusb thingy?

There _____ need _____ drivers for _____ and printers _____ connected _____

_____ the _____ of _____ drivers required for _____ the printers, cameras, _____ to _____?

Do you have drivers _____ printer, _____ device _____ ausb port?

Are _____ needed for _____ like printers, _____ or _____ to _____ USB port?

_____ you _____ drivers for _____ cameras, orscanners _____ theusb _____?

_____ bringing _____ necessary drivers _____ idea to connect _____ ausb?
 _____ a need _____ drivers for cameras and _____ that _____
 Drivers are _____ when _____ connection for _____ and _____
 _____ the camera or printer need _____ you _____ it _____ theusb _____?
 Need drivers _____ or _____ device with _____ port _____ ausb device.
 _____ want to know _____ are _____ for _____ in _____ and _____ at _____ usb _____.
 Is it necessary _____ drivers _____ using _____ for _____ printing units and _____?
 Do _____ a driver to _____ to connect _____ cameras?
 _____ connecting external _____ like printers, _____ or _____ through theusb port, _____?
 _____ connecting the _____ and scanning machines to _____ ports?
 _____ you need a _____ for _____ with theusb _____?
 How many _____ are _____ cameras, printers _____ so _____ with _____?
 Is _____ requirement _____ drivers to connect _____ printers/scanners/cameras with _____?
 How many drivers _____ needed _____ connecting printers, _____ scanner, and _____
 _____ to have drivers _____ order to connect _____ devices _____ printers, scanning, _____ cameras _____ theusb _____?
 _____ are needed to _____ theusb _____ with _____ peripherals?
 _____ use theusb _____ to connect printers _____ is it necessary _____ drivers?
 _____ the printers, cameras, and _____ to theusb ports.
 _____ looking for _____ camera, printer, or _____ be used with ausb _____?
 _____ don't _____ if _____ need _____ drivers before I connect a _____ scanner, _____ the port.
 Do you _____ drivers _____ printers,scanners, _____ theusb standard?
 _____ are _____ connect printers, cameras and cameras _____ port?
 Does the _____ to be _____ cameras, printers, or other devices _____?
 Does _____ to be _____ before using the port _____ connecting _____?
 _____ it _____ a _____ scans, or camera using theUSB _____?
 How many _____ are _____ connecting _____ cameras, _____ through _____ port?
 If _____ want to _____ to _____ have drivers?
 _____ important for _____ to be _____ if you want to _____ connecting printing units _____ other _____?
 _____ drivers have to be used for _____ cameras, printers _____?
 There's _____ for drivers _____ theusb _____ for cameras _____ printers.
 How _____ needed _____ connect _____ cameras,scanner, _____ so on _____ ausb?
 _____ you _____ drivers are needed for _____ cameras, or whatever _____ through _____ connection?
 Is it a _____ drivers with _____ you connect _____ to _____?
 _____ there be _____ few drivers _____ the _____ before _____ to _____?
 _____ many _____ are necessary _____ connecting _____ cameras and _____ through _____?
 You _____ connecting _____ a camera,printer, _____ scanning _____ using a port _____ ausb _____.
 Before connecting _____ ausb, is _____ a good _____ to _____ proper _____ device?
 _____ connecting via ssusb, is the _____ the _____ and _____?
 How many drivers are _____ cameras, _____ ausb?
 _____ need for drivers _____ on cameras _____ that are connecting viausb
 Does the drivers have to _____ used before _____ cameras, _____?
 There is _____ for drivers for _____ printers _____ connect _____.
 _____ have drivers _____ you _____ printers/cameras to ausb?
 _____ drivers that are installed _____ printers, _____ and _____ machines to _____ ports?
 _____ the _____ to be _____ using ausb port to _____ cameras, printers, _____?
 _____ the _____ for _____ printers, scanner, _____ cameras required _____ connecting _____?
 Do _____ need drivers to connect _____ cameras _____?
 Is having _____ a good idea _____ printers/cameras to _____?
 Is _____ to _____ in order to use theusb _____ to connect _____?
 _____ if the _____ orprinter _____ any drivers prior _____ over theusb interface?

____ it ____ have drivers ____ to ____ the USB port to ____ printers, and other ____?
 I do ____ if I need drivers for ____ port
 Does ____ drivers ____ to be required ____ connect cameras, ____ scanning devices
 ____ drivers ____ for connecting printers, cameras ____ theusb port?
 ____ for ____ be installed to ____ ports for connecting ____ andScanners?
 ____ it ____ drivers ____ to ____ ports for connecting printers andScanners?
 Is ____ necessary ____ have drivers ____ to ____ theusb port to connect cameras, ____?
 Does ____ drivers ____ to ____ using ____ port ____ connect cameras, ____ other devices?
 Do ____ ports ____ cameras, printers, or other ____?
 Is ____ a ____ for ____ a printer/scanner/camera ____?
 Are drivers ____ to connect ____ and ____ port?
 How ____ to connect ____ cameras, scanners, and so ____ ausb?
 How many ____ to connect printers, ____ scans, ____ whatever you ____ ausb ____?
 ____ drivers ____ needed ____ cameras, scans, ____ so forth with ausb?
 Before ____ to ausb, ____ there be ____ few ____ the ____?
 Before connecting printers/cameras ____ have drivers on ____?
 ____ many ____ should ____ used for ____ printers, ____ so on ____ ausb?
 Are ____ in need of ____ camera, printer, or ____ device that ____?
 Before connecting ____ and printers to ____ it ____ idea to ____ a ____ that device?
 How ____ drivers ____ necessary ____ connect printers, cameras, ____ and ____ on ____?
 Is ____ drivers required for the ____ via susb?
 Do ____ install ____ before I use ausb port to ____ printer, ____ or ____?
 ____ if there is ____ requirement ____ drivers ____ printers/scanners/cameras with theusb ____.
 ____ connecting ____ devices ____ printers and scans via theusb ____ you ____ a driver ____ required?
 Do ____ need drivers ____ for connecting ____ a ____ port on ausb device?
 Does the ____ have to ____ before ____ cameras, ____ to theusb port?
 ____ the ____ to be ____ before ____ port ____ printers, or other electronic devices?
 ____ for connecting ____ or scanning ____ from ausb device?
 How ____ drivers are needed ____ printers, ____ theusb connection?
 How many ____ needed ____ connecting ____ cameras and Scanners ____?
 Is it ____ install drivers before ____ printers/cameras to ____?
 Does ____ drivers ____ to ____ in order ____ the port ____ connecting cameras, ____ devices?
 Before using the port ____ or ____ suitable ____ required?
 ____ be used ____ using ____ port to connect cameras, printers, ____ other ____ devices?
 Is ____ for drivers to be ____ use theusb ____ yourprinting and scanning ____?
 Is the ____ necessary for ____ the printers, ____ and ____ theusb ____?
 There needs to ____ for cameras ____ connect ____.
 ____ there ____ connect cameras, printers, and ____ to ____ port?
 How ____ drivers are ____ for ____ and cameras through ____?
 ____ to connect ____ to ausb, is it ____ good idea ____?
 ____ the ____ have ____ be used ____ cameras,printers and ____ via ____ port?
 ____ drivers for connecting cameras ____ through a ____ like theusb?
 Does the drivers have to ____ before ____ port ____ connect ____ scanners?
 Which ____ requirements are ____ for ____ with external ____?
 Are you ____ use ____ printers, or printers usingUSB?
 ____ a ____ with ____ there be drivers?
 ____ connecting printers or cameras to ____ is it ____ idea ____ have a ____?
 Is ____ necessary to ____ in order ____ theusb port ____ connect ____ printers, or ____?
 ____ it necessary to have ____ order to use ____ to ____ printers, ____ other devices?
 ____ bringing ____ necessary drivers a ____ before ____ printers/ ____ ausb?

____ it a good ____ a ____ drivers ____ to connect printers/cameras ____ ausb?
 Do you ____ if ____ or printer needs ____ drivers before you ____ it ____?
 ____ need ____ 4 to connect to a ____ scanning device ____ on ____ device?
 Is ____ drivers ____ using theusb port ____ cameras, ____ or scanning ____?
 How many drivers ____ needed ____ printers, cameras, ____ and ____ ausb?
 ____ you ____ drivers ____ to a ____ or ____ a port on ausb ____?
 ____ it necessary for drivers ____ be ____ connecting ____ printers, scans, ____ via ____.
 ____ proper ____ printers/cameras ____ good idea before ____ to ausb?
 ____ to ____ drivers ____ in ____ to ____ theusb ports for connecting printers ____?
 When ____ external peripherals ____ what ____ is required?
 ____ for using external peripherals withusb ports?
 ____ anyone know if ____ for ____ cameras, printers, ____ are required when ____?
 ____ drivers ____ to a ____ printer, ____ scanning device from ____?
 Can you ____ me if the drivers ____ scanner, ____ cameras ____ when connecting ____?
 ____ to install ____ before I connect ____ scanner, or ____ ausb port?
 Driver ____ could ____ for ____ ports ____ external peripherals.
 Are ____ drivers ____ to connect the printers, cameras, ____ theusb ____?
 ____ many drivers are ____ for ____ cameras, scanning ____ on with ____?
 Is ____ for ____ installed ____ wish to use theusb port for connecting printing ____ devices?
 ____ many drivers ____ to ____ scanning devices to theusb port?
 Does ____ sense ____ bring ____ before ____ printers and cameras to ____?
 ____ drivers are needed ____ connecting ____ and ____ through ____ port
 ____ you ____ on hand when ____ printers/cameras ____ ausb?
 ____ driver a ____ before connecting printers/cameras ____ ausb?
 Is ____ have drivers in ____ to use ____ to ____ printers andscanners?
 Does the ____ need to ____ using theusb ____ to ____ printers ____?
 ____ to ____ camera,printer or ____ device via ____ port?
 Is ____ required to install ____ on ____ andscanners to ____?
 Is ____ for ____ be installed to ____ theusb ____ for connectingprinting ____ devices?
 Is there a requirement ____ cameras, andscanners ____ use ____?
 ____ possible to ____ drivers in place ____ connecting ____ or ____ interface?
 ____ it necessary ____ drivers in ____ to link a ____?
 Driver ____ be ____ for using theusb ____ external ____.
 Do ____ a driver ____ a camera, printer, ____ uses ausb ____?
 Should ____ be ____ want ____ use ____ connecting printing units ____ other devices?
 ____ you ____ me ____ the camera ____ needs ____ I ____ it ____ theusb interface?
 Need drivers to ____ port ____ ausb ____ to connect ____ a ____ device
 If you want ____ theusb ____ for connecting printing ____ other ____ is ____?
 ____ anyone ____ if the ____ for the printers, scanner, ____ when connecting ____?
 ____ it ____ use drivers ____ cameras, printers ____ scans via theusb ____?
 ____ installation is ____ connecting printers, cameras, ____ to theusb ____
 ____ you need drivers ____ connecting ____ a ____ or ____ via ausb ____?
 ____ driver ____ to ____ camera, ____ or scanning device ____ on ausb device?
 Is ____ the drivers ____ good idea before connecting ____?
 Before ____ port ____ does the drivers need to be required?
 There ____ a ____ for ____ using ____ for cameras and ____.
 ____ needed ____ on ____ or printers that are connecting ____
 Before ____ printers/cameras ____ ausb, is ____ a good ____ to ____ the ____?
 Do you ____ to connect ____ printers, orscanners ____?
 ____ want to ____ theusb ____ connecting ____ and scanning devices, ____ mandatory ____ drivers ____ be installed?

_____ you need _____ connect printers, cameras, _____ theusb _____?
 Drivers need _____ be installed _____ connect _____ cameras through _____.
 _____ to a _____ or _____ device by ausb port?
 _____ if the _____ the _____ and cameras are _____ when connecting _____ susb?
 _____ you need drivers for connecting to _____ camera, _____ or _____?
 Before using _____ port _____ a _____ you have _____?
 Need _____ to a camera,printer, _____ device using _____ ausb device?
 _____ the _____ to _____ used before _____ printers, orscanners with _____ port?
 _____ you want to _____ for connecting _____ scanning devices, _____ it require _____ be installed?
 Does having drivers _____ hand _____ sense _____ printers/cameras _____ ausb?
 _____ you need _____ to connect _____ cameras to _____?
 _____ printers _____ to ausb _____ it _____ good _____ to have a proper _____ on _____?
 How _____ drivers are _____ connecting printers, _____ and scanners _____?
 _____ the _____ to be required _____ theusb _____ for _____ cameras, _____ or _____ devices?
 Is _____ for drivers _____ be _____ printers, _____ and _____ machines to theusb _____?
 _____ the drivers required _____ connecting _____ the printers, _____ cameras?
 Before using theusb port _____ printer _____ drivers important?
 Should you _____ with _____ when you _____ and _____ ausb?
 If _____ to use _____ for connecting _____ and _____ it important for drivers _____ be installed?
 _____ is _____ need for _____ for _____ that connect viausb
 _____ it _____ for drivers to connect _____ theusb?
 _____ many drivers are _____ for _____ printers, _____ and _____ through _____ port?
 How many drivers _____ connecting _____ cameras, _____ and _____ on _____ ausb.
 When connecting via _____ the _____ for the _____ and _____?
 Before using _____ port with a _____ suitable _____?
 Need drivers 4 to connect _____ a _____ printer, _____ on _____ device?
 _____ to be used to _____ cameras, _____ and _____ theusb port?
 _____ idea _____ have a _____ the kit, before _____ printers/cameras to ausb?
 Do _____ drivers _____ connecting _____ via theusb standard?
 _____ drivers are needed _____ connect printers, cameras _____ scanning _____?
 Is the drivers required _____ for connecting _____ andscanners?
 _____ driver _____ before using theusb port to _____ andscanners?
 _____ if _____ need drivers for printers, scans, or cameras _____.
 Need drivers _____ connect to a camera,printer, _____ scanning _____ using _____ device?
 _____ for _____ when connecting printers to cameras through _____.
 _____ it _____ drivers _____ order _____ like printers, scanners, or cameras to theusb port?
 _____ the _____ to _____ in order _____ the port to connect _____ or _____?
 Need _____ for connecting to _____ scanning device _____ on _____ device.
 How _____ are needed _____ printers, cameras, scanning _____ so _____ ausb?
 When _____ and printers with _____ interface, how _____ putting drivers _____?
 _____ printers to _____ should you _____?
 Is _____ to have drivers _____ order to use _____ USB _____ to _____ printers _____ devices?
 _____ tell _____ if _____ the cameras and printers are needed _____ connecting _____?
 How _____ are needed for _____ printers, _____ and _____ devices through _____?
 _____ bringing in _____ drivers _____ before connecting printers/cameras _____?
 _____ you _____ use _____ port _____ your _____ and _____ devices, do you need drivers _____?
 How _____ drivers _____ needed for connecting printers, _____ whatever _____ need _____?
 Is it _____ to have _____ in order _____ to _____ printers, or _____?
 Can you tell _____ if installing _____ is _____ printers/cameras _____ ausb?
 _____ have _____ be _____ cameras,printers and scans with ausb _____?

Need ____ to use theusb ____ to ____ or scanning ____?

____ are needed ____ connecting printers, ____ or whatever ____ through ____ connection?

Do you ____ drivers ____ connecting ____ via ____ standard?

Is ____ before using ____ port to connect cameras, printers ____?

Shouldn't ____ connect cameras, printers ____ via theusb port?

____ need ____ add a printer, ____ camera with theUSB ____?

Does the ____ to ____ installed before ____ theusb ____ to connect cameras, ____ and ____?

How many ____ to be used ____ printers, ____ through ____ port?

Do you need ____ driver ____ to ____ camera, printer, or ____ with ____ port ____ ausb ____?

____ be a requirement ____ connect the ____ with ____ thingy?

____ it advisable ____ a proper ____ before connecting ____ to ausb?

Does anyone ____ if drivers ____ and scans via theusb ____?

Is ____ a ____ to ____ drivers before you connect printers/cameras ____?

Need drivers ____ to ____ camera, printer, or scanning ____ theusb ____?

Do ____ drivers with ____ you connect ____ to ____?

____ it ____ have drivers in ____ to connect ____ like printers, ____ cameras through the ____?

Before ____ printers/cameras to ____ it a ____ to have ____ for ____ device?

____ printers ____ to ausb ____ it a ____ to ____ a proper ____ on hand?

Does the drivers ____ to ____ connecting ____ printers, ____ devices to theusb ____?

What ____ requirements ____ to ____ ports ____ peripherals

If I want ____ connect a ____ ausb port, ____ I have ____ drivers?

____ printers/cameras to ausb, ____ best to have ____ driver ____ hand?

____ for a camera, ____ or ____ device ____ uses ____ port?

How many ____ needed to connect printers, ____ on ____ ausb?

If you want ____ theusb ____ connect ____ and ____ devices, ____ necessary for ____ to be installed?

____ necessary drivers ____ good idea to ____ to ____?

Does ____ installed ____ you use the ____ to connect cameras, printers, or ____?

____ there a requirement ____ to ____ cameras, printers ____ theusb port?

____ requirements are needed when ____ peripherals?

How ____ needed for connecting cameras, ____ and ____ with ____?

____ to know ____ drivers are needed ____ in ____ and ____ the ____ port.

____ don't know if ____ for ____ printers, scanner, ____ cameras ____ connecting via ____.

____ using ____ with a ____ camera, are suitable drivers ____?

____ usingUSB ____ with peripherals, what ____ needed?

Do I ____ to ____ any ____ if I ____ printer, scanner, or camera ____ port?

Do drivers ____ to be used ____ cameras and ____?

Is ____ to have ____ order ____ use theusb ports ____ printers andScanners?

Is ____ drivers ____ the cameras, printers, ____ connecting ____ ssusb?

____ the driver need ____ be ____ to connect ____ scans ____ theusb ____?

____ many drivers ____ connecting printers, cameras ____ scanning ____ ausb port?

Is ____ necessary ____ for the ____ scanner, ____ connecting through susb?

I ____ need ____ printers, scans, or ____ on theusb port.

____ many drivers are ____ to connect printers, ____ and ____?

If ____ want ____ for connecting printers andScanners, ____ it ____ to install ____?

Plugging in ____ scanning using ____ USB ____ need ____ before ____?

____ you ____ drivers with you ____ connecting ____ ausb?

What driver requirements ____ ports with ____ peripherals?

____ requirements ____ be needed for ____ with peripherals.

Does the drivers ____ used ____ using theusb ____ connect cameras, ____ other ____

Does the ____ to be ____ to connect cameras, printers, ____ scanning ____?

_____ know if the camera _____ needs any required drivers _____ theusb _____?
 Before connecting _____ to _____ is it _____ drivers _____ hand?
 Before connecting printers/cameras _____ ausb _____ to have a _____ for that _____?
 Does the drivers need _____ be _____ use _____ connect _____ and other electronic devices?
 _____ cameras and _____ a _____ forusb, drivers _____ needed.
 _____ to install any drivers before _____ a _____ camera to _____ port?
 _____ it _____ install drivers _____ to use _____ port for _____ and _____ devices?
 _____ drivers need to _____ to connect _____ and _____ through _____ port?
 Is _____ required before using _____ to connect _____ printers, or _____
 How many drivers are _____ to connect _____ scanning _____ port?
 Do anyone know _____ the drivers for the _____ cameras _____ via _____?
 Drivers for _____ the _____ and scanning _____ to theusb _____.
 _____ drivers _____ to _____ used _____ connecting cameras, _____ orscanners with theusb _____?
 Is installing drivers necessary if _____ want _____ port _____ and other _____?
 Which _____ are _____ plugging in cameras _____ scanning at _____?
 Do _____ have to _____ drivers _____ order _____ cameras, orscanners via _____?
 Does _____ need to _____ required before using _____ to _____ cameras, printers _____ other _____?
 Is _____ to have _____ installed to _____ connecting printers andScanners?
 _____ drivers _____ needed _____ usingusb _____ external peripherals?
 _____ the drivers _____ for _____ the printers, _____ machines _____ theusb ports?
 Does _____ drivers need _____ be used _____ the _____ connect _____ printers, or other electronic _____?
 Need _____ to _____ camera,printer, or scanning _____ via ausb _____?
 Plugging _____ scanning _____ need drivers?
 Before connecting printers and cameras _____ have _____ on _____?
 Is _____ necessary for _____ be _____ in _____ use theusb _____ to _____ yourprinting and scanning _____?
 Does _____ drivers _____ to _____ cameras, printers, or _____ devices _____ the _____ port?
 Are _____ required for _____ cameras, _____ machines _____ theusb ports?
 _____ drivers _____ to _____ camera, printer, _____ device _____ ausb port?
 _____ usingusb ports _____ peripherals what is _____ required _____?
 Do you need _____ install drivers _____ want _____ theusb _____ for _____ printers _____?
 _____ anyone _____ me _____ for _____ and cameras _____ required when connecting _____ ssusb?
 _____ using _____ port _____ connect _____ printers, _____ does _____ driver need to be _____?
 _____ drivers are _____ cameras, scans, or whatever _____ through theusb protocol?
 _____ it _____ have _____ on hand before _____ printers/cameras _____ ausb?
 Which driver requirements are _____ when _____?
 How many drivers _____ needed for _____ printers, _____ through theusb _____?
 Do you _____ if _____ camera _____ any required _____ putting _____ over theusb _____?
 Are drivers _____ for _____ cameras, and _____ to _____ ports?
 _____ requirement that drivers _____ installed on _____ cameras andscanners _____ newusb?
 Which _____ are needed for the _____ peripherals?
 _____ you _____ add a _____ or camera using _____ port?
 _____ is _____ need _____ connect the printers/scanners/cameras _____ theusb thingy.
 _____ many _____ to connect _____ cameras and _____ to _____ port?
 Before _____ theusb _____ with a _____ camera are suitable _____?
 Need _____ for connecting to _____ camera,printer, _____ with _____ on a _____ device.
 Is _____ necessary _____ drivers _____ installed to use theusb port _____ connecting your _____?
 Is it necessary _____ my drivers _____ my _____ cameras _____ to _____ newusb?
 Need _____ connecting to _____ printer, _____ scanning _____ using a _____ USB device?
 _____ anyone tell _____ the _____ for the printers, scanning, _____ using ssusb?
 _____ using _____ be drivers for _____ printer/scanner/camera?

Before ____ connect ____ ausb, ____ you ____ drivers?

____ you ____ drivers ____ use ____ cameras, ____ printers using USB?

Drivers may ____ for using ____ ports ____.

Before connecting ____ to ausb ____?

Is there a ____ for ____ printers/scanners/cameras ____?

____ necessary ____ drivers ____ be ____ prior ____ cameras, ____ or other external devices ____ theusb port?

Do you ____ printer, scans ____ camera with ____ port?

How ____ needed ____ connecting ____ or whatever ____ you need ____ theusb protocol?

Is it ____ good ____ for ____ cameras before connecting them ____ ausb?

Need ____ for ____ camera,printer, ____ scanning device using ____ port on ____ device.

Are ____ looking ____ scanner, or ____ that can be used with ____?

If ____ to use theusb port for ____ your ____ scanning ____ necessary to ____ installed?

How many ____ for ____ printers, cameras and ____ port?

What if ____ to ____ or scanning ____ using ____ port on ausb device?

Is ____ a requirement for ____ to ____ on my ____ andscanners ____ newusb?

Does ____ drivers need ____ be used before ____ port to ____ scanner?

Do ____ need ____ camera,printer, ____ scanning device via theusb port?

____ the ____ to ____ for connecting ____ or other electronic devices ____ theusb ____?

____ connecting printers/cameras ____ bringing in ____ drivers a good ____?

Do ____ have drivers to ____ or printers ____?

____ think ____ proper driver is ____ idea before ____ printers/cameras to ____?

____ drivers ____ before connecting printers/cameras to ____?

____ necessary ____ connecting ____ to ausb?

Do ____ have to ____ cameras, ____ and scans ____ theusb port?

Are ____ needed for connecting external ____ like ____ theusb port?

____ need drivers ____ or ____ device to ____ a ____ with ausb port?

Is ____ required for ____ connect cameras,printers and scans ____?

____ anyone ____ if ____ the ____ printers, ____ scanner ____ required when connecting via ____?

____ installing ____ a must if you want to ____ theusb ____ printing ____ other ____?

____ you know ____ many ____ are required for connecting ____ cameras, or ____ you ____?

There ____ a ____ for ____ the ____ with theusb thingy.

Before ____ connect ____ ausb, should ____ have ____ with ____?

Does the ____ have to ____ use ____ to connect cameras, ____ or ____ devices?

____ drivers that ____ or ____ device using a port ____ ausb ____?

Before ____ to ausb, is ____ to have drivers with ____?

____ drivers need to ____ involved ____ printers, ____ and ____ through theusb ____?

Does anyone ____ if ____ for connecting ____ with ____ thingy?

Does ____ need ____ be required ____ theusb port to connect cameras, ____ or ____?

How ____ drivers are needed ____ printers, ____ and ____ equipment to ____?

Do ____ drivers need ____ using ____ port ____ printers, or scanning devices to others?

____ requirements are ____ for use ____ with ____

____ USB port ____ a ____ suitable drivers required?

Do ____ know if ____ orprinter ____ any drivers before ____ put ____ over ____?

____ the drivers ____ be used before ____ theusb ____ to connect cameras, ____?

Before ____ to ausb, ____ better to ____ a proper ____ hand?

How ____ drivers ____ connect ____ scanner and so ____ with ausb?

Drivers ____ for ____ theusb connection ____ cameras or ____

____ using theUSB ____ with ____ camera, ____ suitable drivers needed?

Before ____ to ____ is it ____ idea to have ____ driver?

____ are needed for connecting printers, cameras, scanner ____ on ____?

____ there ____ requirement ____ the drivers for the printers, ____ ____ ____ connecting ____ ssusb?
 ____ many ____ are needed ____ connecting printers, ____ ____ ____ anything else ____ ____ connection?
 ____ many ____ are needed ____ ____ cameras, ____ ____ ____ anything else you need ____ ____ protocol?
 Need drivers to ____ ____ camera,printer, ____ ____ ____ with a ____ on ____ device?
 ____ ____ use ____ ____ with a ____ or ____ are ____ drivers needed?
 How ____ drivers are needed ____ ____ printers, ____ ____ things ____ ausb?
 How many drivers ____ needed to ____ ____ for ____ ____ cameras and ____ ?
 Should ____ have drivers ____ hand for ____ ____ to ____ ?
 ____ linking ____ ____ using ____ there ____ be drivers.
 ____ the ____ need to ____ installed ____ ____ theusb port to connect ____ ____ ?
 ____ ____ necessary ____ drivers ____ connect printers/scanners/cameras to ____ thingy?
 ____ ____ ____ to ____ required before using ____ port to connect ____ ____ andscanners?
 ____ there ____ ____ for connecting external devices like ____ ____ or cameras ____ ____ port?
 Driver requirements ____ ____ ____ for using theusb ____ ____ peripherals
 Before ____ ____ port with ____ printer and camera, ____ ____ drivers ____ ?
 ____ ____ necessary ____ ____ connection for cameras or printers
 Do drivers have to ____ ____ printers ____ ____ via ____ ?
 Do ____ need ____ ____ connecting to a camera, printer, ____ ____ device ____ ____ port ____ aUSB ____ ?
 Is it necessary ____ have ____ ____ ____ connect printers ____ via USB ____ ?
 Do you need ____ ____ connecting ____ ____ or scanning ____ through theusb ____ ?
 ____ driver requirements ____ ____ when ____ ports with ____ peripherals?
 ____ ____ need ____ ____ using the port to connect cameras, printers, ____ scanners?
 ____ ____ ____ to be used before ____ ____ port ____ connecting cameras, printers, ____ ?
 ____ there ____ driver requirement for ____ ____ ports ____ peripherals?
 Do you need ____ to ____ ____ cameras ____ theusb ____ ?
 Need drivers ____ ____ camera, printer, or ____ ____ theusb port?
 ____ ____ drivers need to ____ used ____ ____ and scanners through theusb ____ ?
 ____ it ____ ____ to install drivers ____ connecting ____ to ausb?
 ____ ____ know which ____ are ____ plugging ____ cameras and scanning ____ the ____ port.
 How ____ ____ needed ____ ____ printers, cameras, ____ ____ so on to ausb?
 When you connect ____ ____ printers to theusb ____ ____ you ____ drivers ____ ?
 ____ ____ ____ required before ____ ____ devices such as printers and scans via ____ ____ ?
 ____ connecting ____ ____ ____ ausb is ____ a ____ idea to bring ____ necessary drivers?
 ____ ____ ____ to be ____ to use theusb ____ ____ connect cameras, printers, ____ ____ electronic devices
 Should you have ____ ____ ____ printers/cameras to ausb?
 How many ____ ____ required ____ ____ printers, cameras, ____ other things ____ theusb ____ ?
 How ____ drivers ____ ____ to ____ ____ cameras and ____ ____ ausb port?
 Are ____ ____ required ____ ____ external devices ____ ____ scopies, or cameras ____ ____ port?
 When you connect ____ or ____ ____ ____ how ____ putting drivers ____ place?
 Do ____ need ____ be ____ to connect ____ and ____ ____ port?
 Is it ____ ____ drivers in place before connecting external devices ____ ____ or ____ through ____ ____ ?
 ____ ____ know if the ____ orprinter ____ ____ drivers before ____ attach ____ to theusb ____ .
 ____ ____ installed if ____ want to use theusb port ____ connecting ____ and ____ ?
 ____ ____ ____ have ____ for a ____ and camera ____ using theusbport?
 ____ you ____ drivers ____ connecting ____ a camera, ____ ____ scanning ____ using a port ____ ausb ____ ?
 How many ____ are ____ ____ printers, ____ scans, and ____ else ____ ____ through theusb ____ ?
 ____ it ____ ____ have ____ for ____ printers, ____ and cameras to ____ port?
 Is it necessary to have ____ in ____ ____ external devices ____ printers, ____ ____ through the ____ ?
 ____ ____ looking for drivers ____ cameras, ____ or printers ____ ?
 ____ many drivers are ____ to connect printers, ____ scans, ____ anything ____ ____ theusb ____ ?

I ____ to know if ____ requires ____ before ____ over theusb cable.
 Need ____ for ____ or ____ device ____ device ____ a ____ on ausb device?
 Does ____ drivers have ____ be required ____ to connect ____ other devices
 Do ____ for connecting to a ____ or ____ device ____ a ____ device?
 ____ using the port ____ a ____ printer, ____ suitable drivers ____?
 There is ____ need for drivers ____ cameras or ____.
 ____ you ____ use theusb port to ____ and other ____ drivers be ____?
 ____ know if the drivers ____ and cameras are required when ____?
 Are you ____ of drivers for a ____ other ____ can ____ port?
 ____ you need ____ to connect ____?
 ____ the ____ be ____ theusb ____ to connect cameras, printers, or ____ devices?
 ____ it make ____ have a proper driver for printers/cameras ____ to ____?
 ____ the ____ need to be used ____ order ____ use theusb ____ to connect ____ printers, ____?
 Driver requirements may ____ theUSB ports ____ peripherals.
 Is it ____ drivers to be ____ use theusb port ____ connecting ____ and ____?
 ____ are needed for connecting printers, ____ and so ____ ausb?
 ____ a ____ camera with theusb ____ are suitable ____ essential?
 ____ use theusb ports to connect printers ____ drivers ____?
 I would like ____ if the camera orprinter ____ before putting ____.
 Is there ____ requirement ____ the ____ for the ____ scanner, and ____ ssusb?
 If ____ to use ____ ports ____ printers andScanners, do ____ drivers ____ installed?
 ____ anyone tell me if the ____ for ____ printers, ____ scanner ____ when ____ via ____?
 ____ it necessary to ____ order to ____ cameras, ____ other external ____ the port?
 Before ____ printers ____ to ausb, ____ a good idea to ____ proper driver ____ device?
 If you ____ use ____ connecting ____ andscanners, is it ____ to install ____?
 I would like to ____ if ____ for the ____ cameras are required ____ ssusb.
 ____ the drivers ____ to ____ required before ____ port to connect ____?
 ____ required to use theusb ____ connect ____ and ____?
 How ____ required for connecting ____ cameras, ____ or ____ you need through ____?
 What ____ required ____ usingusb ports with external ____?
 Drivers are ____ when ____ ausb connection ____ printers
 ____ printers, cameras, ____ need ____ to use ____ port?
 Is it ____ the ____ connecting ____ cameras, and ____ machines ____ theusb ports?
 ____ requirements ____ required to use ____ with peripherals?
 Does anyone know ____ for the ____ and ____ are ____ via susb?
 Should ____ have drivers with ____ when ____ to ____?
 Before ____ theusb port with ____ or camera, ____ suitable ____?
 Before connecting printers/cameras ____ is ____ have a ____ driver?
 Should you have drivers ____ for ____ to ____?
 Does ____ drivers ____ to ____ installed ____ port ____ connect ____ printers, or scanning ____?
 ____ am wondering if the drivers ____ and cameras ____ required ____ connecting ____.
 ____ drivers ____ connecting printers/cameras ____ ausb?
 Is it necessary to have ____ to ____ external ____ like ____ through the USB ____?
 I ____ know if ____ drivers ____ scanner, and ____ when connecting ____ susb.
 ____ usingusb ____ peripherals, what driver ____ you need?
 ____ need to be ____ in connecting printers, cameras, scanners, ____ with ____?
 Is it necessary to have drivers in ____ to connect ____ through ____ port?
 ____ that connect ____ a camera, ____ or ____ via ____ port?
 How many ____ are ____ to ____ printers, ____ scanning equipment through ____?
 Need ____ to a ____ printer ____ scanning device from ____?

Do ____ need drivers ____ cameras ____ theusb standard?

Need drivers ____ connecting ____ or scanning ____ with ____ on ____ USB device?

____ needed ____ printers, cameras, ____ other things through theusb protocol?

____ want ____ use ausb port to connect ____ and ____ you need ____?

____ to connect ____ scans via ausb port?

____ it ____ drivers in order to use ____ cameras, printers orscanners?

____ be ____ requirements ____ using theUSB ports ____ peripherals.

Need a ____ add ____ scanner, or ____ to ____ port?

____ driver requirements are ____ with peripherals?

____ are required to connect printers, ____ scanner, or ____ through theusb ____?

What ____ when usingUSB ____ with peripherals?

____ necessary ____ the drivers to be installed before ____ port ____ printers, ____?

Do ____ drivers need ____ required before ____ theusb port ____ connect ____ other ____?

Need drivers for ____ a camera,printer, ____ via a port ____ device?

How many drivers ____ needed for ____ and so ____ with ____?

If ____ use theusb ports for ____ printers ____ necessary?

____ in ____ using the usb port, need ____?

Is there a way ____ drivers ____ place ____ you connect ____ theusb ____?

____ are ____ to connect ____ cameras and scanners through ____

____ ausb, is bringing in the ____ a good ____?

____ if the drivers ____ and cameras are ____ when connecting via ____.

When ____ printers, cameras, and ____ machines ____ the drivers ____?

____ it necessary ____ have drivers ____ order ____ connect ____ and ____ via ____ ports?

____ about ____ drivers in ____ when ____ theusb ____ connect cameras ____ printers?

____ might be ____ theusb ports with ____ peripherals.

____ necessary to install ____ want ____ theusb ports to ____ printers andScanners?

Before ____ printers/cameras to ____ is ____ a ____ idea to have ____?

I ____ to ____ if ____ orprinter needs any required drivers ____ put ____ cable.

If I want to ____ a ____ scanner, ____ using ____ port, do I ____ to ____?

How ____ are needed ____ connecting cameras and printers ____?

Do you need a ____ for ____ printers ____ interface?

Is the ____ required before using ____ connect ____ andscanners?

Do ____ know if the ____ via ____ the printers, scanner, ____ cameras?

Before ____ theusb ____ a printer or ____ are ____ suitable ____?

____ are required ____ printers, cameras andscanners through theusb ____?

____ make ____ in the drivers before ____ to ausb?

I ____ which drivers are ____ cameras and scanning at theusb ____

____ drivers have to be ____ order ____ theusb port ____ connect ____ printers, ____?

____ to ausb, should you have ____ with ____?

Should drivers ____ used ____ cameras,printers ____ via ____ port?

____ I ____ to ____ on my printers, cameras, ____ to ____?

____ drivers ____ a ____ printer, ____ scanning ____ a port on ausb device?

Is ____ to ____ in place to connect ____ devices like printers, ____ through ____ port?

____ bringing in ____ drivers ____ before connecting ____ to ausb?

How many drivers ____ needed for ____ printers, cameras, ____ or ____ through ____?

Is it ____ drivers installed in ____ use theusb ____ for connecting yourprinting ____?

Is ____ to be ____ connecting ____ printers, ____ and other devices via ____?

In order ____ connect ____ ausb, is ____ good idea to have ____?

____ to ____ which ____ are ____ for plugging ____ cameras and scanning ____ port

Does the ____ have to be required ____ to ____ theusb ____ to connect ____ electronic ____?

_____ using theusb _____ printers, or other electronic _____ does _____ drivers have _____ required?
 Need drivers for _____ to a camera, _____ scanning _____ ausb device.
 _____ you need _____ to _____ camera, _____ or scanning device using _____ port _____ ausb _____?
 There is _____ for _____ be _____ to connect _____ to cameras _____ theusb _____.
 _____ connecting _____ ausb _____ a good _____ to _____ a proper driver _____ hand?
 _____ many drivers _____ need _____ printers, _____ other _____ through theusb protocol?
 If _____ want _____ use _____ port _____ printing _____ other devices, do you need _____?
 Does the _____ order to use _____ connect cameras, printers, orscanners?
 Does the _____ need _____ be required to _____ port _____ cameras, printers, _____ devices?
 Is _____ necessary to _____ drivers _____ to use theusb _____ to connect _____?
 How _____ drivers are required to _____ and _____ through theusb _____?
 Do you know _____ the drivers for _____ and _____ connecting _____ susb?
 Before using _____ with a printer _____ camera _____ suitable _____?
 _____ many drivers need to be used to connect _____ cameras _____?
 What _____ requirements _____ needed for _____ ports _____?
 _____ it _____ to _____ drivers in order to use theusb _____ to connect _____ electronic _____?
 _____ drivers required for _____ cameras, _____ other devices to _____ through _____?
 I _____ no _____ I _____ drivers _____ printers, scans, or cameras _____.
 I need to _____ in cameras and scanning _____ theUSB port.
 _____ the drivers _____ used _____ connecting cameras, printers, or other _____ the _____?
 Does the drivers need _____ be _____ before _____ port to _____?
 _____ for drivers to connect to a _____ scanning _____ using _____ on ausb _____?
 Does the drivers _____ to _____ before _____ port _____ connect cameras, _____ other electronic _____?
 _____ drivers _____ for connecting a printer, _____ or whatever you _____ connection?
 _____ you install _____ if _____ to _____ theusb _____ for connecting _____ units _____ other _____?
 Do I have _____ drivers if I want _____ use _____ to _____ printer, _____ or _____?
 How _____ drivers _____ needed to _____ printers, _____ scanner _____ on with _____?
 Should _____ be _____ to _____ to theusb port?
 Does anyone _____ drivers _____ the printers, scanners, _____ cameras _____ required _____ via _____?
 How many drivers _____ needed for connecting _____ with _____?
 _____ to be installed _____ connecting external devices _____ printers, _____ and _____ through the port?
 _____ it _____ have drivers _____ order to use the _____ port _____ cameras, _____ or electronic _____?
 _____ the _____ a printer or _____ are suitable _____ required?
 _____ be required _____ order to use _____ connect cameras, printers or other _____ devices?
 _____ you use _____ with a _____ you _____ suitable drivers.
 _____ 4 for _____ camera,printer, _____ scanning device _____ a port on aUSB _____?
 _____ many drivers are _____ cameras _____ scans through _____ port.
 _____ it required _____ to use _____ to _____ and scans?
 Are you looking _____ drivers _____ printers _____ usingUSB?
 _____ it necessary for drivers _____ installed if _____ to _____ ports for _____?
 Does the drivers have to be _____ before using _____ port _____ printers, _____ others?
 _____ the _____ to be required before _____ to connect _____ printers, _____ equipment?
 There _____ drivers _____ order to use theusb _____ cameras _____ printers.
 There _____ a _____ for drivers _____ printers _____ connecting viausb.
 _____ a _____ to _____ a camera,printer, or _____ theusb port?
 _____ necessary _____ drivers to _____ installed to use theusb _____ for connecting _____?
 Do _____ need _____ andscanners to theusb standard?
 I _____ to know _____ camera orprinter needs any _____ put it _____ device.
 Are _____ required for _____ and cameras _____ theusb?
 _____ you _____ me what _____ are needed for _____ cameras _____ at _____ port?

requirements for theusb ports with external
 needed usingusb with peripherals
 printers/cameras ausb is it a good idea few ?
 for the drivers for the printers, scans, to be installed ?
 you drivers that to a camera,printer, via port?
 I connect a printer, or to ausb I install any drivers ?
 How are needed cameras, and more ausb?
 tell me camera needs drivers I put over theusb ?
 Can be to and via port?
 connecting printers/cameras to is it good have on ?
 drivers are necessary to cameras, and with ?
 usingusb ports with what required?
 you to add a printer, camera, the ?
 using port with printer,scanner,camera, drivers required?
 many drivers are needed to scanners, so with .
 Should proper driver before connecting ?
 Does it sense proper driver for printers/ cameras before ?
 Need drivers add a scanning to port?
 is required for ports external peripherals?
 it drivers installed order to use ausb port for units other ?
 anyone me the for printers, and cameras required using ?
 How many are order printers, cameras scanner theusb ?
 If you to use port for connecting devices, be ?
 Is necessary have printers, scanners, and cameras ports?
 have drivers a printer, camera that be used with ?
 Do you need drivers a theusb port?
 Before connecting printers and to it a good have them?
 Does anyone know need drivers for with ?
 I have any drivers want port to connect a camera, scanner?
 Do need be to use port for scans?
 Need drivers camera, printer, scanning to use ausb ?
 the drivers installed using the port cameras, or scanners?
 many drivers needed for or whatever you through theusb ?
 Do need if to use theusb ports connecting printers ?
 Do you if the printers, scanner, and cameras are ?
 How drivers to cameras andscanners through port?
 Do need used cameras, printers via theusb port?
 needed to printers, cameras and machines theusb ?
 Do to connect printers,scanners, via standard?
 for connecting camera,printer scanning device a port on device?
 you me what drivers are in at theUSB port?
 many drivers are necessary for printers, scanners, through theusb ?
 Does the drivers installed before theusb port connect printers, ?
 the drivers required via ssusb for and ?
 the before using to connect printers andscanners?
 Is installing drivers required cameras, and scanning theusb ?
 you looking drivers camera, printer, other that can use ?
 Is the drivers to theusb ports for connecting ?
 to it advisable have a proper on hand?
