

[Demo] NLP Dataset for Customer Service Automation

Company Type	Health Insurance Companies
Inquiry Category	Mental health/substance abuse treatment provisions
Inquiry Sub-Category	Mental health parity compliance
Description	Customers may ask about their health insurance plan's compliance with mental health parity laws and regulations. They seek information on whether the plan covers mental health and substance abuse treatment at the same level as other medical services and the appeal process if they suspect non-compliance.
Data Size	5,110 paraphrases
