

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle complaints and quality concerns
Inquiry Sub-Category	Electrical System Failure
Description	Customers experience problems with the vehicle's electrical system, including faulty wiring, light failures, or malfunctioning infotainment systems, which can result in safety hazards or inconvenience.
Data Size	5,008 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Has the _____ causes of _____ failures and _____?

_____ able to _____ causes of _____ failures or have _____ solutions?

Are _____ sources of lighting _____ discovered _____ actions _____ to _____ elimination credited _____?

Is _____ good at identifying common _____ or has _____ implemented _____?

_____ any _____ reasons _____ light failures been _____ manufacturer?

Is _____ able _____ identify _____ common causes of light failure _____ come _____?

The _____ taken necessary _____ if _____ reasons for _____ failures.

_____ the _____ identify _____ light failures and come _____ a solution.

The manufacturer can _____ of _____ failures _____ with suggestions to fix them.

_____ lights _____ by _____ with _____ put _____ as a remedy?

_____ and fix lighting problems?

_____ to identify the _____ failures and come up with better _____?

_____ manufacturer _____ identify light _____ and _____ up with suggestions _____ fix _____?

Is the _____ capable _____ identifying _____ and coming up with _____?

_____ the manufacturer _____ of light failures _____ come up _____?

Is _____ manufacturer able _____ the _____ of _____ failure for an _____?

Does the _____ failures happen and _____ up _____ solution?

_____ you tell me if _____ has taken _____ steps _____ prevent light failures _____?

_____ able _____ the _____ of light failure and come _____ with _____ methods?

Is _____ a _____ that has _____ causes of _____ failures on _____?

Can _____ me if _____ has solved _____ of light _____?

_____ the manufacturer _____ the causes _____ and come up _____ a solution to them?

_____ commonplace explanations _____ malfunctioning _____ identified _____ the maker?

Is _____ for _____ manufacturer _____ identify what causes _____ and come _____ a solution _____ them?

Is the manufacturer _____ to identify _____ common _____ of light _____ come _____ fix them?

_____ the _____ to _____ the _____ light failure and come up _____?

_____ explanation _____ malfunction been _____ by the maker?

_____ to identify _____ causes light failures _____ up with fixes?

_____ reasons _____ light failures _____ identified by the _____?

Has _____ manufacturer _____ common reasons _____ light failures _____ suitable _____?

_____ the _____ to _____ the _____ causes of light _____ come _____ with better _____?

_____ any common reasons for _____ solved by _____?

Is _____ manufacturer _____ identify the _____ causes _____ failures and _____ up _____ a _____?

Did _____ manufacturer _____ light malfunction?

_____ manufacturer solved common _____ issues?

Have the _____ identified the _____ issues?

Is the _____ of regular _____ faulty illumination and _____ remedies _____ setbacks effectively?

Have _____ manufacturer _____ usual _____ of light _____ solved them?

_____ the identification of sources _____ failing _____ lead to _____?

Are the manufacturers able _____ the _____ light failure _____ with an _____?

Can you _____ me if _____ manufacturer has _____ necessary measures _____ light _____ your _____?

Is _____ to _____ the _____ of light failures _____ come up _____?

Is the manufacturer able to _____ causes of light _____ make suggestions _____ fix _____?

_____ the _____ have the _____ to _____ the causes _____ light failures and _____ up _____?

Can _____ tell _____ if _____ manufacturer has _____ necessary _____ to prevent _____?

Is _____ possible _____ manufacturer _____ the _____ of _____ failure and _____ with a way to fix _____?

_____ manufacturer should _____ able to _____ the _____ light _____ with a solution.

_____ the _____ to _____ and solve _____ light issues?

Is the manufacturer _____ identify common causes of light _____ to _____ them?

_____ producer _____ that _____ culprits cause _____ and _____ they have approved _____ for handling _____?

Is the _____ find out the _____ light _____?

_____ tell _____ manufacturer identified frequent causes of _____ failures on _____ vehicle and _____ necessary _____?

_____ manufacturer might _____ pinpointed _____ often _____.

_____ the manufacturer _____ causes _____ light failures _____ fix _____?

_____ manufacturer find a _____ the lights not _____?

Is _____ manufacturer able to identify _____ come _____ with a workable _____?

_____ identified causes _____ of light failures?

_____ recurring _____ for light failures according _____?

_____ manufacturer _____ the causes of _____?

_____ the solution _____ the _____ light failures?

_____ the manufacturer come up _____ methods to _____?

_____ the _____ find and _____ the _____ of light failure?

The _____ should _____ able _____ identify what causes _____ and come _____.

Did _____ producer _____ the roots _____?

_____ the _____ an _____ and implemented solution _____ light failures?

Does the producer _____ to blame _____ faulty _____ and _____ handle _____ effectively?

Does _____ the _____ to identify _____ causes of light _____ up with solutions _____ fix _____?

Does _____ producer realize that _____ cause _____ that _____ have approved remedies _____ deal _____ it?

Did the _____ the _____ why lights fail?

_____ your company _____ steps to correct _____ reasons _____ failures?

The manufacturer can _____ light failures and _____ with suggestions _____ them

Have there been _____ reasons _____ light _____ the manufacturer?

_____ manufacturer find out why _____?

_____ it _____ that _____ manufacturer _____ recurring reasons _____ light failures?

_____ manufacturer _____ identify the _____ light _____ come up with methods _____ make them _____.

Did _____ manufacturer _____ necessary _____ recurring _____ for light failures?

_____ manufacturer identify the common _____ of light _____ and _____ up _____ solution?

_____ the _____ find _____ why lights _____?

Has _____ sources behind failing lights _____ in _____ applied?
 _____ manufacturer _____ what the causes of _____ might be _____ come _____ with suggestions _____ fix them.

The _____ and implemented solution _____ failures
 _____ like to know if the _____ has _____ recurring _____ for _____.

Does _____ manufacturer have _____ issues?
 _____ manufacturer have a _____ common light _____?
 _____ the _____ light _____ and come up _____ ways to fix it.

Is the manufacturer good _____ light _____?
 _____ typical _____ of faulty _____ detected _____ fixed?

The _____ has identified some _____ causes _____.
 _____ manufacturer solved _____ with _____?
 _____ the manufacturer _____ identify _____ solve usual sources of _____?
 _____ the manufacturer able _____ what _____ light failures?
 _____ the _____ reasons for _____ failures _____ taken necessary action?
 _____ me if _____ manufacturer has _____ common causes _____ light failures?
 _____ the _____ able to find common _____ failures?
 _____ you _____ if _____ has taken the necessary measures to _____ on your _____?

Is _____ capable _____ and fixing _____ causes _____ light failures?
 _____ the manufacturer able to identify the _____ failures _____ come up _____?

Has the _____ light _____?

Have _____ common reasons behind _____ failures been _____ manufacturer?
 _____ the manufacturer _____ common causes of _____?

Is the manufacturer _____ to identify _____ of light failures _____ with _____?
 _____ the manufacturer _____ for the _____?

Is _____ manufacturer aware _____ the _____ causes _____ failure?
 Is the manufacturer _____ of identifying _____ light _____?
 _____ able to find common _____ light failure and _____ up _____ methods _____ them?

Have _____ tackled _____ for _____ failures?
 _____ solutions _____ applied _____ of the _____ common sources _____ failing _____?
 _____ the _____ identify _____ of _____ failures?

Does _____ manufacturer have _____ common _____ of light _____?
 Does the producer know _____ faulty _____ implementing _____ to deal _____ it?
 _____ behind light failures _____ mapped out by the _____?
 _____ manufacturer _____ common _____ of light _____?
 _____ would _____ to know _____ the manufacturer has identified any _____ reasons for _____ and _____.

Is the manufacturer _____ of _____ common _____ of _____?
 _____ commonplace explanations _____ malfunctioned _____ pinpointed _____ the maker?

The manufacturer _____ causes _____ light _____ and come up _____ to improve _____.

Have the _____ solved _____ reasons _____?
 _____ the manufacturer _____ causes of light failure and come _____ with _____?

Can _____ if the manufacturer _____ found _____ of _____ failures.

Have _____ been any _____ behind _____ manufacturer has identified?

Is _____ manufacturer _____ to identify the _____ of _____ failure and _____ up _____ ways _____ fix _____?
 _____ you _____ me if _____ has fixed common _____ failures?
 _____ manufacturer capable of explaining why _____ occur and come _____?
 _____ manufacturer _____ identify the causes _____ light _____ come up with a _____.
 _____ typical _____ of faulty lights _____ fixed?

Are the manufacturer able _____ of light failures _____ it _____?
 _____ the manufacturer _____ to locate _____ of _____ failures?

Can you tell _____ manufacturer has _____ the common cause _____?

_____ the manufacturer _____ the _____ of _____ lights _____?

Is _____ aware _____ why lights _____?

_____ causes of _____ and fixed?

Have the reasons _____ light _____ identified _____ company?

_____ cause _____ light _____ addressed?

Is _____ manufacturer able _____ causes _____ light _____ and _____ with solutions?

The _____ possibly _____ that _____ light malfunction.

_____ the manufacturer _____ necessary actions to identify _____ for _____?

Have any common _____ light failures _____ pinpointed by the _____ have _____?

_____ the _____ able to identify the _____ failure _____ with a _____ solution?

_____ the manufacturer able to _____ of _____ failure?

Is _____ manufacturer able _____ of light _____ and come up _____ solution?

_____ you explain _____ the _____ has solved _____ common _____ failures?

_____ the manufacturer _____ of _____ fail?

The _____ might _____ issues that caused the _____.

Have the manufacturer _____ usual light _____ them?

_____ tell _____ the _____ has solved the _____ causes of _____ failure?

_____ solve the _____ of _____ failing?

_____ the _____ what causes light _____?

The _____ might have identified usual _____ of light _____.

Is _____ manufacturer _____ figure out _____ the causes _____ light _____ are and _____ up _____?

Common reasons _____ failed lights _____?

Did _____ producer _____ for common _____ failure?

Do _____ address _____ reasons _____ lights?

_____ the producer _____ the _____ of _____ failure?

_____ the _____ able _____ the _____ light _____ and come up with better _____?

_____ you tell me _____ the manufacturer has _____ recurring causes _____?

_____ able to identify the cause of _____

Do you _____ if _____ has taken _____ necessary measures to _____?

Is the _____ able _____ the _____ failure and _____ up with _____?

Is _____ producer _____ culprits _____ faulty _____ and implementing _____ to deal _____ it effectively enough?

Did _____ manufacturer find _____ lights fail?

How _____ of failed _____ events responded to _____ firm?

Did _____ identify _____ causes _____ the frequent _____ failures?

Is _____ possible for the _____ causes of light failure _____ with better _____?

_____ manufacturer _____ light issues?

_____ usual _____ of _____ lights _____ and fixed?

_____ the identification _____ behind failing _____ the application of solutions?

_____ identification of the _____ of _____ led to _____ being _____?

_____ the _____ aware of regular _____ who _____ faulty _____ implementing _____ remedies _____ handling _____?

Have the _____ lighting _____?

Does _____ have _____ the common _____ of light _____?

Is _____ to come _____ with _____ to _____ failure better?

_____ any common reasons given _____ failures been _____ manufacturer?

Can you _____ if _____ has _____ common light _____?

Did the manufacturer find _____?

Is the manufacturer _____ causes _____ come up _____ suggestions to fix _____.

The _____ should have identified common _____.

_____ me if _____ manufacturer _____ solved the common causes _____ light _____?

_____ the manufacturer _____ common _____ light failures, and _____ solutions?

Is there ____ identification of why ____ and ____?

Is the manufacturer ____ cause of ____?

____ know if the manufacturer ____ solved ____ common ____ of ____?

Is ____ manufacturer ____ of identifying ____ fixing the ____ failure?

____ the ____ have ____ ability to ____ of light ____ and ____ up with methods to make ____?

The ____ be ____ to ____ the ____ of ____ failure and implement ____.

Does ____ manufacturer ____ makes lights ____?

____ able to identify what the causes ____ light failures are ____ up ____ fix ____.

____ they ____ with ____ behind failed ____?

Is it clear if the ____ any ____ reasons ____?

Have they ____ common ____ behind ____?

____ it possible ____ the ____ to ____ the ____ light failures and ____ up ____?

____ the ____ the ____ issues?

Did the ____ the usual sources ____?

Does the ____ have ____ common causes ____ failures?

____ manufacturer ____ identify causes ____ failure and come up with ____?

Has ____ and solved the ____ of light ____?

____ there ____ who solved ____ issues?

Can the manufacturer ____ with solutions ____ common ____ failure?

Do ____ know whether the ____ has ____ light failures?

____ able to ____ of ____ or has it implemented solutions?

Is the ____ the causes ____ light failure ____ up with new ____ to fix ____?

____ the manufacturer ____ caused the light to ____?

____ the manufacturer ____ recurring ____ for ____ failures ____ taken necessary ____?

____ manufacturer able ____ identify what causes ____?

____ the maker pinpointed ____ for ____?

the ____ common ____ of light ____

Do ____ the ____ identify the ____ of light failure ____ come up with ____?

____ the manufacturer ____ to ____ out what ____ light ____ are?

Is ____ manufacturer able to ____ the causes of ____ up ____ a ____?

____ we know if ____ any recurring reasons for ____?

____ to identify the ____ of ____ and come up with ____ solution?

____ manufacturer address ____ leading ____ the ____ malfunction?

____ manufacturer could ____ pinpointed ____ lights ____.

Is the manufacturer's ____ solution ____ light failures?

____ there a manufacturer ____ common ____ for ____ issues?

Did the manufacturer ____ why ____ lights ____?

____ the cause ____ lights failing?

Does the ____ for light failures?

____ the ____ causes ____ light failures?

____ have identified the ____ light failures.

Is the ____ company able ____ of light ____?

____ the manufacturer aware ____ usual ____ of ____ issues?

Is ____ to identify and improve ____ of ____ failure?

____ the manufacturer able ____ identify ____ light ____ and come up ____ methods ____?

____ manufacturer ____ causes of ____ and come ____ better ways to ____ them?

____ common ____ for light failures ____?

Have any ____ for light failures ____ manufacturer and have ____ implemented ____?

Does ____ know ____ to ____ the ____ of light failure?

____ manufacturer solve ____ for ____ problems?

_____ identify the causes _____ light _____ and come _____ better ways to _____.

_____ manufacturer know why _____ fail?

Is _____ the usual sources of _____ issues?

Has _____ been able _____ the causes of _____?

_____ have pinpointed _____ some _____ fail.

The _____ may have _____ that _____ light malfunction.

Do the _____ put _____ place _____ recurrent lights malfunction _____?

_____ have _____ issues leading _____ light malfunctioning.

_____ failures if the manufacturer detected them?

Did the _____ problems?

The _____ tackled issues that resulted _____ malfunction.

Can you _____ if _____ common causes of light _____?

_____ the producer _____ diagnose the _____ of light _____?

The manufacturer should have _____ issues _____ could _____.

Did _____ reason _____ lights fail?

Has _____ manufacturer tackled issues _____ led _____?

_____ the manufacturer _____ to _____ the _____ and _____ an effective solution?

_____ manufacturer _____ of the usual sources of light _____.

Is the manufacturer able _____ of light _____ and _____?

_____ possible that _____ identified some _____ reasons _____ light failures?

Is the _____ faulty illumination and that approved _____ responsible for _____ this?

_____ identify _____ reasons for _____ failures _____ take necessary actions?

Do _____ the manufacturer _____ any frequent _____ light failures on _____?

_____ manufacturer _____ issues that led to the _____?

Can the manufacturer _____ causes light _____ and _____ solutions?

Is _____ identify the _____ of light _____ and solutions?

Are the manufacturer _____ detect _____ causes _____ light _____?

Do _____ know _____ identified recurring _____ for light failures?

Is the manufacturer able _____ identify _____ causes _____ light _____ a _____?

_____ manufacturer _____ recurring reasons for light failures or _____ take _____?

_____ light malfunction be addressed?

Is _____ manufacturer _____ to identify _____ common causes _____ failure.

_____ manufacturer _____ able _____ the causes of _____ failure and _____ with _____ methods.

_____ have solved common reasons _____ light _____?

The manufacturer _____ have _____ solved _____ usual light _____.

Have commonsense _____ light _____ pinpointed _____ the maker?

Did _____ producer _____ causes _____ to introduce effective interventions?

Is _____ the manufacturer has _____ causes of _____ failures and _____ necessary _____?

Is _____ manufacturer able _____ the _____ and come up _____ suggestions to fix them.

_____ the manufacturer _____ causes light _____?

The _____ has _____ commonplace _____ problems.

_____ manufacturer _____ identify _____ causes _____ failure and come up _____ ways _____ make them better.

_____ identify _____ of light failures or _____ solutions implemented.

_____ able _____ the _____ causes of _____ failure _____ up _____ ways to make it better?

_____ the manufacturer _____ identify the causes _____ breakdown?

Is the manufacturer _____ of identifying _____ causes _____ coming up with _____ to _____ them?

Is it possible _____ identified _____ reasons _____ light _____ took _____ actions?

The _____ causes of light failures _____ come up with _____.

_____ identified common causes of _____?

_____ origins _____ faulty _____ found and _____?

Is the _____ able to _____ what _____ failures _____ with solutions?

Fix the recurring _____ failures _____ manufacturer?

Have the _____ issues _____ solved _____ the manufacturer?

_____ any _____ the _____ behind light _____ been identified _____ the _____?

Has your company _____ the reasons for _____?

_____ any of _____ reasons _____ light _____ been _____ the manufacturer?

The manufacturer can identify _____ causes _____ failure _____.

Was _____ able to _____ and _____ lighting _____?

_____ tell me if the manufacturer _____ light _____?

_____ the manufacturer able to _____ causes _____ light failure _____ up _____ effective _____?

_____ able to _____ and fix _____ failures?

Are the manufacturer able _____ the _____ light failures _____ and _____ up with _____?

_____ the manufacturer _____ to _____ causes of light failure and _____ up with solutions _____?

_____ to identify _____ causes of _____ failures _____ then _____ up with a _____?

The _____ have _____ issues that lead _____ light _____.

_____ the _____ for _____ that fail?

The manufacturer has the _____ to identify the _____ come up _____.

Does _____ manufacturer _____ the ability _____ find _____ fix _____ light failure?

_____ the _____ of _____ common _____ of light _____ or have _____ solutions?

_____ identify the _____ light failures and come up _____ solutions?

_____ the manufacturer diagnose and _____?

What if _____ manufacturer has _____ causes _____ light _____?

Did the _____ find _____ for _____ to fail?

The manufacturer _____ have identified _____ light _____.

_____ the manufacturer _____ behind light failures _____ suitable solutions?

_____ manufacturer _____ any frequent causes of _____ on your _____ can _____ confirm?

_____ that the manufacturer has _____ of light failures?

_____ commonplace explanations for light _____ been _____?

_____ manufacturer find the _____ for lights _____?

The maker _____ explanations _____ failures.

_____ there any common _____ solved by the _____?

_____ the manufacturer able _____ failure and come up a _____?

_____ it possible _____ manufacturer _____ common _____ light issues?

_____ the manufacturer _____ and _____ lighting _____?

_____ tell us if _____ manufacturer _____ identified any _____ reasons _____ light _____?

_____ producer aware of _____ culprits _____ and therefore _____ approved remedies?

Has _____ common sources of _____ led _____ application of solutions?

_____ the manufacturers _____ issues that led _____?

_____ the _____ to identify causes of _____ failures _____ with _____ solution?

_____ any _____ reasons _____ been _____ the manufacturer and have they _____ suitable _____?

Have _____ for light malfunction _____ found _____ maker?

_____ the _____ common causes of _____?

_____ the manufacturer _____ of _____ failures.

_____ reasons for light failures _____ pinpointed by _____ have _____ solutions been _____?

_____ identified common causes of _____ failures.

_____ realize that regular culprits cause _____ and _____ they have _____ remedies _____ handle _____?

_____ manufacturer able to _____ fix _____ causes _____ light failures?

_____ the manufacturer address _____ lead to _____ malfunction?

The _____ might _____ tackled issues _____ led _____ light _____.

Is the manufacturer _____ to _____ light _____ and come _____ methods _____ them?

_____ they tackled common _____ behind _____?

Does the manufacturer _____ of light _____ on _____ vehicles?

Did _____ producer _____ roots _____ failure to introduce effective _____?

_____ solved some light _____?

Is the _____ aware _____ regular culprits causing _____ and _____ approved _____ for _____?

_____ manufacturer _____ have pinpointed the _____ of _____.

Is the _____ to _____ the _____ causes of light failure and _____ to fix _____?

_____ manufacturer identify _____ common _____ of _____ up with a fix?

_____ can clarify if _____ identified _____ for light failures.

_____ the manufacturer _____ what's _____ the light failures?

_____ reasons _____ lights, _____ they _____ them?

_____ the manufacturer _____ to come _____ with methods _____ light _____?

Is the _____ causes _____ light _____ are and coming up with a _____?

Are _____ manufacturer's _____ causes and implemented _____ light _____?

_____ the manufacturer _____ the common _____ light _____ and _____ up _____ to _____ them?

_____ manufacturer _____ identified _____ sources of _____ issues.

_____ manufacturer _____ light issues?

Do commonplace explanations _____ have been _____ the _____?

Is _____ for _____ to identify common causes of _____ come _____ solutions?

_____ the _____ able to _____ regular _____ light issues?

Have any common _____ been pinpointed, and have _____ suitable _____?

_____ the manufacturer able to figure _____ causes _____?

Does _____ manufacturer have _____ ability to identify the causes of _____ solution to _____?

_____ the manufacturer _____ to identify and _____ the _____ light _____?

The manufacturer could _____ of _____ failure and _____ methods to _____ them.

What if the _____ for _____ failures and taken _____ actions?

Can _____ tell me how _____ solved _____ light failures?

_____ usual sources of _____ issues _____?

Can _____ tell us _____ the _____ has _____ light failures?

Have _____ addressed _____ failed lights?

The manufacturer might _____ able _____ the causes _____ light failures _____ up _____.

_____ the _____ to identify causes _____ light _____?

_____ able to _____ and solve common _____ of light _____?

_____ manufacturer _____ able to identify _____ causes _____ up with suggestions _____ fix _____.

Did _____ manufacturer _____ a solution _____ the lights _____?

_____ know _____ failure and can come up with a _____?

_____ the manufacturer _____ identify _____ sources of light _____?

_____ the _____ recurring causes _____ light _____?

_____ address the common _____ behind _____ lights?

The _____ tackled issues _____ led to light _____.

The manufacturer _____ be _____ to identify _____ and come up with _____.

How did the _____ deal _____ of _____ lighting _____?

_____ manufacturer _____ able to identify _____ light _____ or _____ solutions.

Have the _____ common causes of light _____?

_____ might be _____ to identify the common _____ of light _____ with _____ effective solution.

Is the manufacturer _____ to come _____ with solutions _____ light failure.

Can you _____ if _____ manufacturer _____ solved _____ causes _____ failures.

Can _____ tell _____ if _____ found any frequent _____ of _____ failures on _____?

Have _____ manufacturer identified the _____ light _____?

_____ you _____ me _____ the manufacturer _____ identified any _____ reasons _____ light failures and _____?

Have any _____ reasons _____ failures been identified _____ the _____ they _____ solutions?

Is the _____ able to identify _____ failure might _____?

_____ the common _____ light _____ been _____ by _____ manufacturer?

Have the manufacturer _____ normal _____?

The manufacturer _____ identify common _____ failures, _____ implemented solutions.

_____ the manufacturer _____ of light failure?

_____ manufacturer able to identify the _____ of light _____ to _____?

_____ manufacturer able to _____ causes of light failures _____ be, _____ come _____ a solution?

_____ the manufacturer's _____ causes and _____ failures?

_____ the _____ has solved _____ of light _____ can you _____?

Is the _____ of _____ the cause _____ failures and _____ up _____?

Is _____ possible _____ manufacturer _____ identified _____ causes of light _____ and taken necessary _____?

Is _____ aware of _____ faulty _____ implementing _____ remedies to deal with it _____?

The manufacturer might _____ fail.

_____ the manufacturer able _____ common causes of _____ failure _____ come _____ with _____ ways to _____ them _____?

Are the _____ of _____ failure _____ the _____?

_____ the manufacturer has identified _____ of _____ failures _____ vehicles, are _____ necessary _____?

_____ manufacturer should have _____ issues _____ malfunction.

Can you _____ us _____ solved light failures?

Has the _____ solutions for _____?

_____ identify causes of light failure.

_____ manufacturer _____ identifying _____ of light failure _____ coming up with solutions _____ solve them?

_____ may _____ the why _____ fail.

_____ the _____ able to _____ cause of _____ light _____ come up _____ solutions?

_____ the _____ solved _____ lights failing often?

_____ producer know _____ causing faulty illumination and _____ it?

If _____ identified frequent _____ of light failures on _____ can _____ let _____?

_____ the manufacturer able to identify the _____ causes _____ have _____ implemented _____?

Is the _____ able _____ find _____ light _____ and come _____ with _____ solution?

Do _____ know if _____ has identified _____ of light _____?

Is the manufacturer _____ to _____ solve _____ failure _____?

Did _____ manufacturer find the usual _____ of _____ solve _____?

_____ the manufacturer _____ to _____ with _____ solution to _____ common _____ of light _____?

Is _____ to _____ with solutions for _____ causes of light _____.

Is _____ able _____ identify common _____ light _____ or have _____ implemented?

Has _____ manufacturer solved the _____ lights _____?

Can _____ tell _____ manufacturer has _____ the _____ measures _____ prevent light _____?

_____ tell me _____ the manufacturer _____ taken _____ precautions to _____ light failures on _____?

_____ you _____ manufacturer _____ figured _____ the causes of _____ failures?

Does the manufacturer _____ the _____ on your vehicles?

Has the _____ explanations _____ light _____?

Have _____ for light _____ traced by the _____?

_____ may have tackled _____ to _____ malfunctioning.

_____ the manufacturer _____ the issues _____ led _____ malfunctioning?

Did your _____ identify the _____ of _____ and take _____ them?

_____ can _____ the common _____ light failure, and come _____ an effective _____.

_____ come up with solutions for _____?

_____ you _____ if _____ manufacturer has _____ for light failures?

_____ manufacturer _____ solved common _____ of light failures.

Is _____ aware _____ regular _____ causing faulty illumination and _____ remedies _____?

____ can you ____ us if the ____ common causes ____ failures?
 ____ the usual causes ____ discovered and ____?
 ____ manufacturer understand ____ fail?
 Did ____ manufacturer ____ with solutions ____ light ____?
 The ____ might ____ identified sources of light _____.
 Is ____ manufacturer able ____ what ____ failures are and ____ up ____ suggestions to fix them?
 The ____ may ____ lights failing.
 ____ reasons ____ light ____ been identified by ____ have ____ solutions been implemented?
 Recurrent lights ____ solutions put in place as ____?
 Is ____ manufacturer ____ the ____ causes of ____ failure and ____ up ____ effective solution?
 ____ the ____ identified ____ behind light failures?
 ____ the ____ the ____ of ____ failure and ____ with a way ____ fix ____?
 ____ you ____ me if the ____ fixed ____ of ____ failures?
 Is the ____ identify reasons ____ failure?
 ____ manufacturer ____ what the causes ____ light failures ____ and come up ____ solution ____ them.
 Is the manufacturer ____ to identify common ____ failure and ____ up ____ better ____ fix ____?
 Is ____ able to ____ of ____ failures and find ____?
 ____ you ____ if ____ has taken ____ to prevent frequent light failures ____ your ____?
 ____ manufacturer able to ____ the causes ____ failures and ____?
 ____ reasons behind ____ failures ____ pinpointed by the manufacturer?
 Does ____ have the ability ____ identify ____ causes of ____ failure ____ to fix them?
 The ____ may ____ reason ____ lights fail.
 Has the ____ able ____ identify causes ____ failures?
 The ____ be ____ causes of ____ failures and come up ____ solutions.
 The ____ identified and fixed _____.
 ____ the manufacturer able to identify common ____ failures or ____ a ____?
 ____ fix lights that ____?
 Did the ____ fail?
 Is ____ manufacturer able to come ____ solution ____ light failures?
 ____ the ____ aware of ____ faulty ____ and ____ for handling it effectively?
 Did ____ find ____ causes ____ light failures?
 The ____ may have tackled the issues _____.
 ____ producer ____ that ____ culprits cause ____ is implementing ____ remedies enough?
 ____ the causes of ____ failure?
 Is ____ the causes of ____ come up with better ideas?
 ____ the manufacturer ____ identify common ____ of ____ and come up ____ ways ____ make ____ better?
 ____ recurring reasons for ____ then what actions have they ____?
 Have the manufacturers ____ light ____?
 Can the ____ identify the ____ failure ____ come up ____ to ____ them?
 Common ____ lights, have ____ been _____.
 ____ should be ____ causes ____ light failure and come ____ with methods ____ make them better.
 ____ the manufacturer able ____ identify ____ failure ____ come up ____ a solution?
 ____ manufacturer ____ to ____ the common causes ____ failure ____ come up ____ effective solution.
 ____ manufacturer identify the ____ of light failure ____ come ____?
 Does ____ know ____ light failures?
 ____ are the causes ____ failures and ____ manufacturer ____ solved ____?
 ____ able to come ____ methods to improve light ____?
 Is ____ manufacturer ____ to ____ causing the ____ failures?
 If the ____ frequent ____ of ____ failures on your vehicles, ____ you ____ me ____ it?
 Does ____ know who ____ illumination and implementing approved ____ deal ____ it ____?

_____ manufacturer _____ the common causes _____ failure and come _____ to _____ them.

_____ the _____ find _____ fix lighting _____?

_____ the manufacturer _____ problems _____ light?

Have _____ reasons for light _____ the _____ has pinpointed?

Were the usual _____ lights found _____?

Is _____ manufacturer _____ to _____ causes _____ failure and come up with _____?

Is the manufacturer _____ what _____ failure?

The manufacturer may be able _____ causes _____ up _____ a solution.

_____ manufacturer _____ the _____ sources of light problems.

Is _____ able _____ out what's causing _____ failures?

_____ commonplace explanations _____ issues been _____ the maker?

Can _____ the _____ the causes of light failures?

_____ the _____ able to _____ what _____ of _____ failures will be and _____ up with _____?

_____ manufacturer's common causes of _____?

Is _____ manufacturer _____ find _____ what _____ and come _____ with _____ solution to them?

_____ manufacturer _____ causes of light _____ and _____ solutions?

_____ to _____ of light failure _____ up with _____ to fix them?

_____ the manufacturer able _____ the _____ of _____ and come _____ with _____ solution?

_____ manufacturer able to identify the _____ of _____ and _____ fixes?

Is _____ manufacturer _____ identifying _____ causes of _____ failures and _____?

Is _____ to _____ of the causes of _____ failures?

Can _____ identify _____ of _____ and come _____ with a fix?

Are the _____ up _____ methods _____ fix light failure?

_____ manufacturer _____ and fix the _____?

_____ the _____ work to fix _____?

_____ the manufacturer able to identify _____ common _____ come _____ with remedies?

_____ the _____ the _____ of light failures _____ have _____ implemented _____?

_____ to _____ what _____ and come up with a solution _____ it?

_____ manufacturer _____ for light issues?

The manufacturer _____ have _____ fail.

_____ the manufacturer know the causes _____ failure _____ come _____ ways _____ better?

Is _____ manufacturer able _____ identify _____ of light _____ and come _____ with _____?

Is _____ manufacturer _____ the reasons for light _____ and come _____?

Did _____ resolve lighting _____?

_____ the _____ for light malfunction?

_____ the manufacturer able _____ the causes _____ failures are, and _____ up _____ a _____?

Is _____ manufacturer _____ to identify _____ source of _____ failures _____ come up _____?

_____ a manufacturer _____ identify the causes of light _____ and _____ with suggestions _____ them?

If the _____ identified _____ recurring _____ for _____ failures, what _____ taken?

_____ possible _____ the _____ has _____ frequent causes of _____ failures on your _____ necessary measures?

_____ the manufacturer know what _____ of light failures _____ come _____?

_____ manufacturer _____ certain _____ issues?

Is the manufacturer able to identify _____ come up _____ better _____?

_____ the _____ point _____ why lights _____?

The manufacturer _____ have _____ light issues.

Does _____ manufacturer _____ the _____ to _____ fix _____ causes _____ light failure?

Does _____ manufacturer have _____ identify _____ causes _____ and _____ with ways to fix them?

_____ the _____ to _____ that _____ to failed lighting events?

Have common _____ issues been solved _____ the _____?

_____ the _____ identified _____ light failures _____ into account?

Is the manufacturer able to _____ causes of _____ up with _____ them
 _____ the _____ identify the _____ light failure _____ with methods to fix _____?

Is _____ manufacturer _____ to identify _____ lighting failures?

Have your _____ taken steps to _____ the _____ behind _____?

Does _____ have the ability _____ failures and come up _____ solutions?

Can _____ me _____ has identified _____ frequent causes _____ light _____ on _____ vehicles?
 _____ come _____ with solutions for the _____ causes _____ failure?

Has the _____ solved _____ problems?

The manufacturer _____ causes _____ light failure and come _____ make it _____.

The _____ can identify _____ the causes _____ light _____ might _____ come up _____ suggestions _____ fix _____

Did _____ reasons for failed _____?

If _____ manufacturer has _____ of light _____ can _____ us?
 _____ common causes _____ addressed?

_____ the manufacturer able _____ identify the causes _____ light _____ come _____ a solution _____ them?

The _____ solved _____ for light _____.

Is the manufacturer _____ to _____ light _____ come up _____ a _____.
 _____ the _____ recognize _____ light failures and fix _____?

Is the manufacturer _____ to _____ the causes _____ up with _____
 _____ there a manufacturer that _____ identify _____ causes _____ failure _____ with solutions?

Is the manufacturer _____ to identify _____ causes _____ light failure _____ with better _____ to _____?
 _____ light _____ has _____ manufacturer solved them?

_____ there _____ recurring reasons that _____ manufacturer has _____ light _____?

Could the _____ identify _____ failure?

Did the producer _____ causes _____ to introduce _____ interventions _____ them?
 _____ able to _____ the causes _____ light _____ and _____ effective solution?

The _____ has _____ some _____ usual sources of _____.

Have _____ taken _____ to _____ the causes _____ light _____?
 _____ identify _____ of _____ failure and come up with _____?

Have _____ manufacturer _____ light issues?

Did _____ address _____ failed lights.
 _____ reasons for faulty lights _____ fixed?

Do _____ if the _____ identified _____ of _____ failures on _____ and _____ necessary measures?

Are the manufacturers able to identify _____ failures _____ they _____?

Is the _____ able to _____ common _____ of _____ failure and _____ effective _____?
 _____ of the causes of failing _____ to solutions _____?

Is the _____ what _____ light _____ and _____ suggestions to _____ them?

Does _____ manufacturer be _____ to _____ light _____ up with a solution?
 _____ can _____ what causes of _____ failures _____ come up with _____.

_____ the _____ to identify _____ up _____ a solution to _____ failures?

Is _____ manufacturer able to identify _____ of _____?

If _____ manufacturer _____ identified frequent _____ of _____ that they have taken necessary _____?

The manufacturer could _____ the _____ of light _____ solutions.
 _____ has pinpointed commonplace _____ malfunctioning.

Are _____ able _____ common causes _____ light failures?

Is _____ manufacturer _____ and coming up with solutions?
 _____ manufacturer find and _____ problems?
 _____ some common reasons behind _____?

There _____ manufacturer's ability to identify _____ of light _____.

Is the _____ aware _____ regular culprits _____ faulty illumination _____ implementing approved _____ for _____?

Are the manufacturer _____ to identify _____ of _____ up with ways _____ it better?

The ____ could ____ causes of light ____ up ____ a solution.
