

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Data usage inquiries
Description	Customers often inquire about their data usage, including how much data they have used, how it is calculated, and ways to monitor and manage their data usage.
Data Size	5,094 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

What _____ you use _____ calculate _____ amount _____ data _____ each month?

_____ tell me how to _____ used-data per _____?

Is _____ a way _____ find out _____ amount _____ used _____ month?

_____ do I determine my _____?

How _____ you see _____ data _____?

How _____ you calculate _____ amount _____ data that _____ use _____?

Is there _____ calculate how _____ data I've _____ month?

_____ need to _____ the _____ employed _____ determining _____ usage each _____.

Can you give _____ to _____ my data use _____?

_____ you estimate the amount _____ data _____ monthly?

What _____ use _____ find _____ how _____ data _____ use in one _____?

Is there _____ way _____ estimate how much data _____?

_____ you have any methods _____ calculating how _____ I _____?

What methods _____ to _____ amount _____ data _____ used _____ a given month?

_____ you have methods for _____ much _____ use _____ month?

_____ need to _____ my _____ is determined _____ month.

I _____ to know how _____ measure my _____ month.

Is _____ way to get _____ amount _____ data _____ use _____ monthly _____?

_____ do you _____ much data I _____ month?

What _____ do _____ prefer _____ how much data I _____ in _____?

I want _____ track _____ data usage every _____.

Is there _____ amount of data I _____ a month?

How do _____ on how _____ data I _____?

_____ can _____ find out _____ I _____ on _____ monthly basis?

_____ you _____ track my data usage each month.

What is _____ out my _____ usage?

_____ do you find _____ amount _____ I _____ single month?

Is _____ way _____ get the amount of data _____ in _____?

What ____ you going to do ____ much ____ I used ____ month?
 How do you figure ____ the ____ I ____ a single ____?
 ____ have ____ method ____ how much data ____ use each ____?
 Is there ____ monthly data consumption?
 I want to ____ which ____ you use to ____ use every ____.
 ____ you choose ____ out how much data I ____ a ____ month?
 ____ do you use to ____ total amount of ____ this ____?
 ____ methods do ____ out how much data ____ a month?
 Is ____ way to ____ data that I utilize ____ monthly basis?
 ____ do ____ how much ____ I used in a ____?
 How do ____ my ____ consumption?
 I need ____ the ____ to determine ____ data ____ per ____.
 ____ data consumed ____ what approach do you ____?
 I'd ____ you measure my ____ per month.
 How do you ____ up with ____ of ____ monthly?
 What ____ do ____ use ____ much ____ I use ____ a period ____ a single month?
 What ____ do you use ____ the ____ I use each ____?
 What ____ for ____ the data usage ____ month?
 ____ is ____ way ____ measure used-data ____?
 ____ know ____ way you measure used-data per ____.
 I'm curious about ____ process of ____ use ____.
 ____ to ____ out ____ amount of data ____ in a specific month?
 What are your ____ my ____ expenditure each ____?
 What methods ____ to get ____ amount of ____ over a ____ month?
 ____ you ____ used-data per ____?
 How do ____ my ____ usage ____?
 How do ____ usage ____ a month?
 What are ____ methods you ____ calculate ____ of ____ use each ____?
 How do ____ compute ____ monthly ____?
 What is ____ method ____ determining ____ of ____ usage in ____?
 What methods ____ you ____ to ____ how much ____ use over ____?
 ____ processes ____ to calculate ____ monthly data ____?
 ____ can ____ out how ____ data I use ____?
 How do ____ calculate ____ amount ____ I use a ____?
 What ____ used to ____ the volume ____ that ____ use ____ month?
 Is there ____ way to ____ how much ____ use ____?
 What ____ use to ____ amount of data that ____ on ____ monthly ____?
 How ____ you ____ my ____ expenditure ____ monthly basis?
 ____ system ____ use to ____ how ____ I ____ a month?
 How ____ much data ____ use in one ____?
 How do ____ much ____ there is in a ____?
 ____ an explanation of the ____ used ____ my ____ usage.
 ____ methods ____ you use ____ find out ____ I used ____ a particular ____?
 ____ method is used to ____ the ____ of ____ monthly?
 I want ____ used for calculating ____ usage monthly.
 I need ____ the ____ involved in ____ data usage ____.
 What method do ____ find ____ of data I ____ in ____ month?
 ____ do you measure ____ data ____?
 I ____ to ____ how ____ my data usage ____.
 ____ you ____ me how you measure ____ data ____?

_____ I _____ out my _____ usage _____?
 _____ to know _____ you use to calculate the _____ each month.
 How _____ I get _____ of _____ I _____ month?
 _____ do you _____ the data I _____?
 _____ you _____ amount _____ data I _____ each month?
 What _____ the _____ use to _____ data consumption?
 Which _____ used _____ measure _____ monthly information _____?
 _____ processes for _____ my _____ data expenditure?
 How do you _____ used this month?
 How _____ the amount of _____ have used _____ a _____?
 How _____ determine the amount of data _____.
 _____ want to _____ how you _____ per month.
 _____ do _____ use to find _____ how much _____ use _____ a _____?
 _____ do you determine _____ use a _____?
 What _____ is used to _____ amount of _____ in a _____?
 _____ to _____ methods used _____ my monthly data usage.
 Do you _____ particular method when calculating _____?
 _____ there _____ method to _____ amount of _____ I _____ each _____?
 _____ you know _____ I figure _____ my _____ monthly?
 What methods _____ to _____ the _____ data I _____ over _____ month?
 How do you figure _____ of _____ that _____ consume _____?
 I want _____ the procedure _____ in computing _____ monthly _____.
 _____ want _____ know _____ you determine my _____ data _____.
 _____ there _____ method to _____ out _____ much data I _____ for _____?
 _____ methods do you _____ to _____ how _____ use over a single _____?
 What is your method for _____ monthly _____?
 What _____ would you use to _____ consumed _____?
 Can _____ tell _____ the _____ to calculate _____ monthly data _____?
 _____ methods _____ you use _____ discover the amount of _____ use _____ month?
 _____ in _____ used _____ determine my data _____ per month.
 Let me know _____ calculate _____ amount _____ data _____ month.
 I _____ know the _____ y'all measure _____ per _____.
 _____ your process _____ determining my data expenditure _____?
 _____ you determine _____ data _____ monthly?
 _____ do _____ measure the amount of data I _____?
 Do _____ a specific method for _____ usage _____?
 _____ methods do you use _____ my _____ consumption?
 _____ any process you _____ to _____ data expenditure?
 _____ of _____ I consume _____ what means are used?
 _____ much data _____ per month, _____ there specific approaches _____?
 _____ figure my _____ usage monthly?
 Does _____ have _____ way _____ figure out _____ data I use _____?
 _____ calculate _____ data usage in a _____?
 _____ methods _____ you use _____ out _____ total _____ data that _____ used this _____?
 Is there _____ the _____ of _____ I use monthly?
 _____ you calculating my _____ data _____?
 _____ determining my _____ data expenditure?
 I _____ to _____ you use to calculate _____ amount of _____ use in a _____.
 Do you have _____ know _____ much _____ each month?
 What is _____ method _____ out _____ amount of data I _____?

Is _____ a _____ get the _____ data _____ the month?
 _____ you _____ how I figure _____ my _____ usage _____?

What methods did _____ use _____ find out _____ much data _____?

I _____ to know _____ calculate _____ usage.
 _____ do _____ calculate the amount of _____ each _____?

How do _____ the amount _____ I use _____?
 _____ me of the methodologies used _____ data _____ per _____.

What _____ do _____ use to _____ of _____ that I _____ in _____ month?
 _____ processes _____ you use _____ my _____ data expenditure?

Do you _____ a way _____ calculating my _____?

What _____ do _____ use _____ amount of data that _____ a _____ month?

I want to know how _____ monthly.

I _____ how y'all measure _____ used-data _____ month.
 _____ do you _____ out the _____ of data _____ month?
 _____ like _____ the methods used _____ data use each _____.
 _____ do you _____ data _____ a month?

How do _____ work _____ how much _____ usage _____?
 _____ methods _____ use _____ out _____ amount of _____ I _____ in _____ single month?

I am _____ how _____ calculate my _____ per _____.

How do _____ figure _____ the amount _____ data _____?
 _____ the method _____ use to _____ amount of data I _____ month.

What is the _____ which _____ my _____ expenditure?

I _____ method for _____ out _____ data I _____ monthly.
 _____ techniques are _____ track _____ information consumption?

I am wondering _____ you use to calculate the _____ data _____.

How _____ I figure _____ data _____ in a month?
 _____ way _____ the _____ of data I use each _____.

Do _____ have a _____ for analyzing _____ data _____?

How do you _____ up _____?

_____ need to _____ used to calculate my monthly _____.

How can _____ find out _____ I _____ a _____?

I _____ about the procedures _____ in _____ data usage.
 _____ want to _____ how you _____ data _____ monthly.

What are _____ methods _____ my monthly _____?
 _____ my monthly _____ measured?

What approach _____ use to determine _____ per month?

What _____ are _____ for _____ expenditure monthly?

What are your _____ determining _____ expenditure _____?

How would you _____ of data consumed _____?

How _____ monthly _____ usage _____ me?
 _____ using to find _____ much data _____ use over _____ given month?

When _____ data _____ do you follow _____ method?

What _____ do to _____ my monthly _____?

What methods do _____ out how _____ I use every _____?
 _____ need to _____ the methodologies used _____ data _____ month.

What _____ do you _____ to _____ my _____ data _____?
 _____ do _____ use to find the amount _____ used in _____ month?

What _____ do you _____ to _____ the amount _____ I _____ during the _____?
 _____ there a _____ to _____ the _____ of data I used _____?

_____ do you _____ to _____ much _____ I use _____ a single month?

Please explain _____ methodologies _____ determining _____ usage per _____.

What methods do _____ prefer _____ find _____ I use over a _____?

_____ do _____ determine the amount _____ per month?

What _____ your _____ for determining _____ data _____?

What method _____ you prefer _____ the total _____ of _____ this _____?

How should I _____ how _____ use every _____?

_____ gauge _____ amount of _____ I use on _____ monthly _____?

_____ like _____ know _____ you figure out _____ monthly _____ consumption.

_____ do you _____ monthly _____ spend?

_____ do _____ my monthly usage?

_____ a _____ to _____ how much data _____ used per _____?

What are you _____ the amount _____ data _____ use over _____?

Do you _____ to _____ my monthly _____?

_____ are the best ways _____ find _____ amount of _____ used in _____?

How do you _____ data _____ a _____?

How can I _____ out _____ of _____ used per _____?

_____ method _____ use to figure out how _____ I use each _____?

I _____ how y'all measure _____ per month.

_____ process for _____ much data I _____ each _____.

_____ how you _____ my monthly _____.

What _____ you _____ of data I use in a _____ month?

I _____ to _____ the _____ involved _____ computing my _____ utilization.

_____ do you _____ gauge how _____ I use in a _____?

How _____ estimate how _____ use _____ a month?

Is _____ a way _____ measure _____ per _____?

_____ know _____ calculated the amount of _____ I _____ each _____.

_____ do you _____ my data _____?

I _____ how _____ data usage monthly.

How _____ tally my monthly _____?

How _____ you _____ out how _____ I use _____?

What _____ the methods _____ to _____ much data I _____ a month?

How _____ determine how much _____ I _____ month?

_____ you decide on _____ amount of _____ use _____ month?

How _____ figure _____ amount _____ data _____ use each month?

Do you _____ my data _____ monthly?

_____ way _____ determining the amount of data _____ month?

What methods do you _____ out _____ of _____ over a _____ month?

_____ methods do _____ to _____ out _____ much data _____ use _____ a _____ month?

_____ the _____ used _____ out my data usage per _____.

What _____ you _____ find out the amount of data _____ in _____?

Is _____ method for _____ amount of data _____ month?

What's _____ method of _____ data _____?

_____ me _____ you _____ data consumption.

Do you have _____ figuring _____ amount of data usage _____?

Is there _____ to figure out the amount _____ in _____?

_____ would like _____ know _____ you _____ my used _____ month.

_____ is _____ for figuring _____ I use monthly?

_____ you measure _____ usage _____ month?

_____ measure my _____ each month?

_____ I calculate _____ usage monthly?

Is ____ a ____ to figure how ____ data I ____?

Is ____ a ____ to ____ how much data ____ have used ____?

____ do you use ____ the amount ____ use over the ____ of the ____?

____ methods ____ out ____ of data ____ use in a single month?

____ the ____ amount of data usage in a ____?

Do ____ to calculate my ____ consumption ____?

____ a way to figure ____ amount ____ data ____ consume each ____?

____ you work out ____ in a ____?

____ you estimate ____ data usage ____?

____ find out the ____ of data ____ course of a ____ month?

____ want ____ know how ____ measure ____ used- data ____.

What ____ do you ____ find ____ of ____ that I use in ____?

____ way ____ find out how much ____ used in the ____?

How ____ determine the ____ data you ____ monthly?

How ____ decide the amount of ____ I use in ____?

Do you ____ method ____ determining ____ usage monthly?

____ do you ____ my monthly data ____?

____ you determine the amount ____ data ____ over ____ course ____ a ____ month?

I would ____ to ____ methodologies used ____ determining my ____.

____ techniques ____ used to ____ information consumption?

Is the ____ you use when ____ usage?

What ____ you use to ____ how ____ I ____ a single month?

Can you tell ____ how ____ monthly ____ consumption?

How do ____ data I use over ____ course ____ a ____ month?

____ want ____ know ____ you ____ of data ____ I use each ____.

When evaluating the ____ of ____ use ____ a ____ do you use?

Tell me how ____ my ____ usage ____.

____ are ____ best ____ to find ____ how much ____ over a single ____?

How do ____ compute ____ amount of ____ each ____?

How do you find ____ of ____ I ____ over ____?

How ____ you figure ____ amount of data I ____ monthly ____?

How do ____ account for ____?

There are ____ to determine ____ much ____ I ____.

____ figure out my ____ data ____?

How ____ you ____ how much ____ use ____ month?

____ is the ____ the ____ data I use monthly?

____ do ____ determine ____ monthly ____ usage?

____ there ____ to ____ my monthly-data ____?

How ____ out ____ amount ____ data I ____ a month?

How ____ you determine ____ data ____ a given month?

Can you ____ how I ____ figure out ____ data I ____ each ____?

____ need ____ know ____ you calculate ____ monthly ____ consumption.

How do ____ tally ____ every ____?

____ do ____ my monthly ____ consumption?

I would like ____ used ____ measure my ____ use ____ month.

____ should I use ____ gauge the amount ____ that ____ use ____?

____ you use ____ total amount of ____ you used this month?

Can you tell ____ my ____ use each ____?

I ____ to know ____ of ____ my ____ use.

____ you tell me how ____ can find ____ much ____ each ____?

Do you _____ processes _____ monthly data _____?

_____ need to know the _____ to _____ usage _____ month.

Do _____ have a way to _____ data _____ every _____?

_____ a way _____ figure _____ data I use for _____?

What methods _____ calculate the data I _____ each _____?

When calculating _____ that I use on _____ basis, _____ approach _____ you _____?

How _____ you _____ out _____ I _____ each month?

I want _____ know how _____ per month.

_____ the best way _____ my _____ usage _____ month?

What _____ you _____ to find out _____ amount of data _____ single _____?

_____ to know if you follow a _____ data usage.

_____ calculate the amount of _____ a month?

_____ the method _____ the _____ of data _____ use monthly?

Do _____ have any _____ to calculate _____ per month?

_____ used _____ determine the amount _____ data _____ consume each _____?

What _____ do you use when estimating _____ data I _____ a _____?

Can you _____ me _____ used to _____ my _____ each month?

How _____ measure the amount _____ I use _____?

How can I _____ out exactly _____ much data _____?

How _____ out _____ data I use over _____ month?

How _____ I determine _____ quantity _____ consume _____ month?

How _____ the _____ of data _____ determined _____?

_____ need of _____ used to determine _____ data usage per _____.

How are you _____ to _____ amount _____ data usage _____ month?

_____ don't _____ how you _____ data _____ monthly.

I want to _____ which _____ calculate _____ of data _____ use monthly.

Can _____ me about the _____ used to _____ data _____ each _____?

Is _____ a _____ to _____ how much data I _____?

Is _____ to get _____ of data I've used _____ a _____?

_____ do you calculate _____ in _____?

_____ to me _____ measure _____ data per month?

_____ do you find out the _____ use _____ given month?

_____ method for _____ amount of data _____ in a _____?

Is there a methodology _____ my _____?

How do you _____ how _____ use in _____?

I _____ know _____ you _____ my _____ usage _____ month.

_____ the _____ methods _____ find _____ how much _____ used in a given _____?

How do _____ out the _____ used _____ given month?

_____ do _____ to find _____ data I use _____ a month?

_____ an explanation of _____ you measure my _____ month?

_____ you use a _____ method _____ monthly data _____?

_____ curious _____ methods used _____ calculate my _____ usage.

How _____ you _____ the amount _____ data I've _____ in _____?

_____ do _____ to _____ of _____ I used in a given month?

_____ the method of figuring out _____ amount _____ data use _____?

Do you follow _____ specific _____ when _____ data _____?

_____ approach do you _____ the _____ data I _____ on a _____ basis?

_____ methods do _____ use to _____ how _____ I used _____ given month?

_____ can _____ determine the _____ of _____ usage in _____?

What methods do _____ use _____ discover _____ of _____ I _____ given month?

What ____ do you ____ the ____ of ____ that ____ use ____ month?

What is the ____ calculate ____ of ____ I use each ____?

How do you find ____ I use ____ a ____?

____ you ____ for determining my data use ____?

____ how much data I ____ monthly?

What ____ you ____ to track my ____?

____ your ____ figuring ____ the amount ____ usage in a ____?

Do you have ____ the amount of ____ each month?

I ____ methods ____ my data usage each ____.

____ methods ____ you use to determine ____ amount ____ data I ____ month?

____ methods ____ prefer ____ much data ____ used in a given month?

What's ____ for calculating the ____ usage ____ month?

Let me ____ amount ____ data ____ used each month.

____ use ____ gauge the amount ____ that ____ use ____ a monthly basis?

Do you have a way ____ data ____ month?

What approach ____ calculating ____ of data that I ____ monthly?

What means ____ determine ____ quantity ____ consume each month?

What ____ use ____ find out ____ total ____ of ____ been used this month?

Do ____ a method ____ my data use ____?

____ methods are used to ____ my ____

Is ____ determine ____ amount of ____ I ____ in ____ particular month?

____ do you figure out how ____ is ____ single ____?

____ do you ____ much data you use in ____?

What methods do ____ to find ____ how much data ____ given ____?

What methods do ____ use to find ____ use ____ month?

____ a methodology for measuring ____?

How ____ you figure ____ data usage in ____?

What approach do ____ amount ____ data ____ I ____ on ____ monthly basis?

____ do ____ my used- ____ per ____?

____ methods do ____ use ____ out ____ amount of data ____ used this ____?

Do you ____ ways of calculating ____ much ____ month?

Can you tell ____ to ____ month?

How ____ I determine ____ data ____?

What ____ do you ____ out how much data ____ use ____ given ____?

____ you ____ measure my ____ use each month?

____ calculate my monthly data use?

____ do ____ find out ____ data you ____ so far this month?

____ methods ____ you ____ to calculate ____ data I use ____?

____ you calculate the ____ of data ____ in ____ month?

____ can ____ use to measure ____ monthly information ____?

____ like to know how you ____ data ____ each ____.

____ do ____ figure ____ my monthly ____?

____ you determine ____ consumption?

____ do ____ much data ____ used in a ____?

____ there a ____ monthly data consumption?

Is there a ____ much data ____ used ____ month?

What ____ choose to ____ out ____ amount of ____ you have ____ this ____?

____ to figure out how much ____ I ____ a ____ month?

Can ____ explain ____ we ____ per ____?

____ I determine how ____ I use in ____?

How do _____ amount _____ I use each month?

How _____ determine the monthly amount _____ consume?

How _____ you _____ out _____ amount of _____ use over _____ of _____ month?

_____ methods _____ use _____ find the amount _____ data _____ use over a _____?

What _____ best ways _____ how much data I _____ month?

_____ do you _____ to find out _____ much _____ over the course _____ the _____?

_____ methods do you _____ find _____ I used in a _____ month?

_____ methods do you _____ the total _____ of data used _____?

What _____ the _____ methods to find _____ how much _____ in a _____?

_____ do you gauge the amount _____ that _____ on _____ monthly _____?

I would _____ to _____ the methods _____ calculating _____ monthly _____ are _____.

_____ you _____ out _____ data use in _____ month?

On a monthly _____ you use to _____ amount _____ that I _____?

_____ are _____ methods you use to _____ amount _____ data I _____ a _____?

_____ is your approach _____ determining the amount _____ per _____?

_____ you _____ of data _____ I _____ in a month?

_____ prefer _____ find out how _____ data I use _____ the course _____ a _____?

_____ use to find _____ much data I used in _____?

How _____ you _____ amount of _____ use _____ month?

Is there _____ way _____ the amount of _____ I _____ month?

When calculating _____ do you use _____ method?

_____ you _____ how _____ usage in _____ single month?

I'm _____ my monthly usage.

_____ methods _____ to _____ to find _____ the amount of _____ I used in _____ single _____?

What's _____ method _____ figuring out _____ data _____ in a _____?

What approach _____ the _____ of data that _____ use on _____ monthly _____?

_____ do you _____ up _____ monthly?

_____ a _____ to determine _____ amount _____ I _____ in a month?

_____ data do I _____ month, are _____ specific approaches _____?

_____ do _____ out _____ much data _____ one month?

What _____ do you _____ figure _____ the amount _____ data I _____ in _____?

_____ tell me what the process is for _____?

_____ find out the _____ of _____ in a _____ month?

_____ a question about how to figure out _____ of data _____.

_____ gauge _____ amount of _____ utilize on _____ monthly basis?

_____ have methods to _____ much data _____ use per _____?

What _____ do you _____ amount of _____ used in _____ given month?

What techniques are _____ to _____ monthly _____?

_____ methods do _____ use _____ out how much _____ I used in _____?

How _____ out _____ data _____ monthly?

How _____ you _____ what data _____ monthly?

How _____ I find out _____ I'm _____ each _____?

What's _____ method _____ determining _____ of data usage _____ month?

I _____ know how _____ with my _____ data consumption.

How _____ calculate _____ monthly _____ usage?

How _____ track my monthly _____?

How _____ work _____ data is used _____ single month?

How do _____ determine the _____ I have used _____?

_____ method for _____ data usage _____ month?

What methods do you _____ to _____ my _____?

____ system does you ____ to calculate ____ of data I ____ ?
 ____ you use to find out ____ data I ____ month?
 I ____ to ____ methodologies ____ in determining my data ____ month.
 How do you ____ of ____ use each ____ ?
 What are you ____ my data ____ month?
 What ____ use to tally ____ monthly data ____ ?
 I want to know the ____ calculate how ____ use each ____ .
 I ____ like to ____ how you ____ out ____ monthly.
 Is ____ process ____ determining my data use ____ ?
 ____ do you measure ____ of ____ I utilize ____ basis?
 How are you ____ determine ____ data ____ ?
 What are the ____ determine my ____ monthly?
 ____ determine the amount of data ____ over the ____ a ____ month?
 I ____ like ____ know ____ you calculate my ____ .
 How do ____ my data ____ in ____ monthly ____ ?
 What methods do ____ choose ____ find out the ____ use over ____ ?
 ____ have ____ question ____ methods used for ____ my monthly ____ .
 ____ the best ____ to ____ out ____ of ____ I use ____ ?
 ____ process ____ determining my ____ data use.
 ____ to know ____ used in determining my ____ per month
 What ____ way to figure ____ the amount of ____ use ____ ?
 I want ____ know how you ____ my ____ .
 How ____ determine ____ data ____ consume each month?
 ____ you figure ____ of data usage ____ given month?
 How ____ you ____ consumption monthly?
 ____ like ____ methodologies used for determining ____ data usage ____ month.
 ____ to ____ what means are used to determine the ____ each ____ .
 What ____ you ____ to track my monthly ____ ?
 ____ methods ____ to find out the ____ of data ____ a month?
 What's ____ method of ____ how much data ____ month?
 ____ you know how ____ my ____ use ____ month?
 Please ____ me ____ the methodologies ____ to ____ my ____ usage ____ .
 Is ____ a ____ to figure ____ how ____ data ____ use in ____ ?
 What ____ you do ____ out ____ data expenditure?
 Tell ____ what you do ____ data I use each ____ .
 What ____ do ____ to ____ amount of ____ used in ____ certain month?
 ____ methods ____ tracking ____ data ____ month.
 ____ you give me the protocol used ____ data ____ ?
 What procedures ____ involved ____ computing ____ usage?
 What ____ do ____ use ____ determine ____ of ____ I use ____ single month?
 How do we ____ much data I ____ ?
 ____ would ____ understand ____ methods used ____ calculating ____ data usage.
 How ____ figure ____ monthly ____ data I consume?
 What ____ methods you use ____ out how ____ data ____ in a ____ ?
 ____ you find ____ the ____ amount ____ data ____ used this month?
 ____ know the ____ of data I ____ in a ____ ?
 ____ there a ____ to determine ____ much data I ____ ?
 What methods do ____ out how much data ____ the course ____ a ____ ?
 What's the ____ figuring out the ____ of ____ I ____ ?
 How ____ you ____ amount ____ I ____ each month?

Do you have _____ monthly data _____?

How do you _____ with _____ amount of _____ used _____?

How do _____ out _____ usage in a _____?

What procedures _____ involved _____ my _____ utilization?

_____ you have a _____ to figure out _____ use each _____?

Which methods _____ to _____ information use _____?

Can _____ an _____ I _____ my monthly data use?

I _____ methodologies _____ in determining _____ usage _____ month.

_____ is the approach you _____ the amount _____ data _____ a monthly _____?

Can you _____ how _____ data usage?

I need _____ know _____ procedures _____ in _____ monthly data _____.

How _____ figure out the _____ data I _____?

Do you _____ an approach for _____ a month?

_____ do you _____ of data I consume _____ month?

How do _____ determine how much _____?

What methods do you _____ the _____ of _____ use in a _____?

_____ approach _____ you use _____ figuring _____ the amount of _____ monthly?

I _____ to know the _____ in _____ data _____ each _____.

_____ you _____ my _____ data consumption?

What _____ you _____ my monthly data _____?

What _____ do _____ choose _____ amount _____ data I use _____ given month?

How _____ you figure _____ much _____ you _____ each _____?

_____ I figure out the amount _____ I _____ for _____?

What _____ used _____ determine _____ usage monthly?

What methods _____ determine the _____ of _____ I _____ over _____ month?

How do you _____ I _____ in a _____?

Which techniques _____ use to _____ my _____ consumption _____?

Is there a _____ to _____ amount of data I _____?

How do _____ the _____ of data _____ used _____ month?

_____ are used to determine _____ I use _____ month?

_____ there a _____ to figure out how _____ data _____?

What _____ you doing _____ data _____ monthly?

_____ possible _____ describe the _____ used to _____ data _____ each month?

What _____ process for determining my data _____?

How can I figure _____ much data I _____?

How do you _____ of data I _____ given _____?

Can _____ tell me the _____ you _____ per _____?

How do you determine _____ by _____?

_____ we _____ the _____ of data I _____ each _____?

What _____ you _____ get the total amount _____ this month?

_____ want to _____ what _____ are _____ computing _____ data use.

_____ you _____ to _____ out _____ amount of data used this _____?

Please _____ used to determine _____ data usage per _____.

_____ there any method for _____ monthly _____?

How _____ you _____ amount of _____ every month?

_____ choose to find _____ amount of data _____ used _____ a single _____?

_____ want to _____ the _____ in _____ my _____ data use.

_____ you have a _____ of _____ my _____ monthly?

_____ the _____ of data _____ use over the course of _____ month?

Is _____ to explain the procedures for _____ monthly _____?

_____ you _____ data used each _____?
 _____ can _____ find out how _____ data _____ month?
 When _____ of _____ I _____ monthly, _____ approach _____ you use?
 _____ want to _____ procedures _____ computing my _____ data utilization.
 _____ approach do you _____ gauge _____ amount of _____ use on _____ basis?
 Is _____ method used _____ data I use _____ month?
 What do you do to _____ amount _____ month?
 _____ techniques _____ monthly data _____?
 How _____ my _____ data _____?
 Is _____ you _____ determine _____ amount _____ data I _____ each month?
 When I measure _____ of _____ use _____ a _____ basis, what _____ do _____?
 _____ to _____ methodologies _____ in determining my _____ usage per _____.
 How do you calculate _____?
 Is _____ explain _____ procedures _____ computing my monthly data _____?
 Is there _____ way _____ calculate _____ usage _____?
 I _____ to know _____ of determining my _____ use _____.
 _____ do _____ determine my _____?
 _____ is _____ for _____ the _____ data I consume each _____?
 Do _____ a _____ to _____ how _____ data I _____ per _____?
 What _____ of data I use on a monthly basis?
 I _____ to _____ the methodologies _____ determining _____ per month.
 Is there a method _____ used per month?
 _____ do _____ the _____ usage _____ month?
 _____ there any way to _____ out _____ amount of _____ use _____ month?
 Is there _____ way to figure _____ use monthly?
 I am _____ of the methodologies used _____ determining _____ usage _____.
 How do _____ figure out how _____ I _____?
 _____ you _____ data I've used in _____ month?
 Is there a _____ to _____ of data _____ over the _____ of _____ month?
 _____ explain how you _____ my used- _____ month?
 How _____ out _____ data usage?
 Is _____ way _____ find _____ amount of _____ I used in _____?
 Which methods do _____ much data I _____ month?
 What _____ you use for _____ my _____ expenditure _____?
 I _____ know _____ the procedures _____ in _____ monthly data _____.
 How _____ keep _____ of _____ much data I _____ each _____?
 _____ are used _____ my _____ information use?
 What _____ do you use _____ find _____ of _____ I use over _____ of _____ month?
 _____ explanation of _____ of _____ my data use monthly?
 Do you have _____ methodology _____ analyzing _____ data _____?
 _____ approach _____ use to _____ the amount _____ data I _____ on a _____?
 How do _____ data _____ used _____ a month?
 _____ you use _____ out how much _____ have in _____ particular month?
 How _____ measure _____ monthly _____ use?
 _____ know the _____ used to calculate _____ use _____ month.
 What methods _____ you _____ to _____ the amount _____ have in a _____?
 Can you tell _____ you measure used- _____.
 What methods _____ the amount _____ data _____ use _____ a month?
 _____ methods do you use to find _____ the _____ data _____ month?
 Can _____ me how _____ figure out _____ amount of _____ month?

_____ methods do you _____ data I _____ over _____ course _____ the month?

_____ do you count up _____ month?

I _____ to _____ how you figure _____ consumption.

_____ method do _____ for calculating _____ data usage?

Can you give _____ explanation _____ process _____ data use monthly?

_____ calculate _____ data consumption?

_____ have _____ question _____ to _____ my monthly data _____.

_____ are _____ to _____ monthly information consumption?

How can I find _____ how _____ using _____?

_____ the _____ ways to find _____ how much _____ in _____ month?

What is _____ of _____ out _____ data usage in _____?

_____ to _____ my data usage is calculated _____.

How do _____ during the month?

Which methods do you _____ the amount _____ data _____ month?
