

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	General customer service and support
Inquiry Sub-Category	Accessory compatibility
Description	Customers inquire about compatible accessories for their smartphones, such as chargers, cables, earphones, or other third-party add-ons.
Data Size	5,052 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

Will _____ magnetic _____ mount _____ functionality _____ NFC _____ on my device?

There _____ a question about _____ magnetic _____ mount will _____ phone's _____ field _____.

_____ is _____ if using _____ magnetic _____ mount will _____ an _____ the phone's _____ Communication capabilities.

_____ of a _____ vehicle _____ may _____ an _____ device's Near Field Communication _____.

There is a _____ using _____ vehicle mount _____ the _____ field communication on _____ device.

I'm wondering if using _____ vehicle _____ an _____ to _____ mobile phone Near _____ Communication _____.

_____ might interfere with my phone's _____.

_____ is _____ question about _____ a magnetic vehicle mount will cause _____ near-field _____.

There _____ question _____ to whether _____ vehicle mount _____ interfere _____ near-field communication _____.

_____ if using _____ magnetic _____ mount will cause _____ to my _____ near-field _____.

_____ the NFC feature affected _____ in the _____?

There is a _____ whether using a _____ will _____ with the _____ Near-field _____.

Is it _____ that using _____ magnets will affect _____ effectiveness _____ near _____?

_____ wondering _____ mounts would _____ with my phone's Near _____.

_____ attaching _____ magnetic _____ mount _____ it harder to use near _____ phone?

_____ am _____ if using a magnetic vehicle _____ cause _____ obstruction _____ my _____.

Is the _____ of a magnetic _____ risk for _____?

_____ am not _____ magnetized car _____ affect _____ effectiveness _____ nfo features.

There is _____ question of whether a _____ will _____ an _____ the _____ Near-field _____ capabilities.

_____ it _____ that magnetic car _____ would _____ my _____ NAFCC _____?

_____ a magnetic _____ not affect _____ Near _____ Communication _____?

_____ a question about _____ a _____ vehicle _____ with my phone's Near Field Communication _____.

Is the _____ of a _____ car mount bad _____ field _____ my _____?

I'm _____ if using _____ magnetic vehicle mount will _____ my _____.

Will placing _____ dock affect the _____?

Is _____ a _____ bad for my _____ function?

_____ is _____ the interference _____ the _____ Near-field communication capabilities caused by _____ mount.

Is using a _____ stand _____ for _____ capabilities?

Is _____ car _____ for my phone's _____ field _____?

_____ a question concerning whether using _____ vehicle mount _____ the Near field communication _____.

_____ the _____ car mount _____ affect _____ Communications _____ phone?

Is _____ for me _____ sure that using _____ magnetic carholder _____ affect _____ of theNFC _____?

Do _____ need to _____ sure _____ theNFC _____ unaffected by _____ a _____ car holder?

_____ a _____ regarding whether _____ a _____ vehicle _____ cause interference with _____ phone's _____ Field Communication _____

_____ mounts _____ affect NFC usage?

Can _____ magnet car stand ruin _____?

There _____ magnetic vehicle mount will _____ an _____ to _____ mobile phone's Near _____ Communication capabilities.

I have _____ question about whether _____ a _____ will affect my _____ Communication _____.

_____ the _____ of _____ car _____ impair _____ field Communication functions on my mobile device?

There _____ about _____ using a magnetic vehicle mount _____ the near _____ abilities _____ my _____.

_____ car _____ will affect my _____ field Communications functions.

_____ is a question about whether _____ a _____ will cause _____ with theNFC capabilities _____

_____ is _____ regarding whether a _____ affect my phone's Near _____ capabilities.

_____ car _____ not affect the _____ of _____ phone's _____ Near Field Communication _____?

_____ a question regarding whether _____ mount _____ an interference with the phone's Near-field _____.

I _____ wondering _____ it _____ a magnetic _____ mount that will _____ interfere _____ phone's _____ to use _____ field.

Will _____ be _____ by _____ magnetic car mount _____?

_____ me _____ sure my _____ car holder _____ affect the _____ ofNFC functions?

I'm _____ if magnetic car _____ interfere _____ my phone's _____.

Is _____ magnetic carmount that _____ with my phone's _____ to _____ near field?

_____ is a question regarding _____ mount _____ cause _____ interference _____ phone's Near- _____ Communication capabilities.

_____ a question about _____ a magnetic _____ interfere _____ Near field _____ on the device.

Does _____ a magnetic _____ mount _____ the effectiveness of _____ my device?

There _____ a _____ whether a magnetic vehicle _____ will _____ Near _____ the device.

Do I need _____ sure that _____ affect _____ of theNFC _____ using a _____ carholder

_____ is whether using _____ magnetic _____ mount _____ interfere _____ phone's Near- _____ Communication _____.

Will placing _____ magnet _____ usage?

There is _____ regarding _____ a magnetic _____ can _____ with the phone's Near-field communication _____.

_____ if _____ mounts would affect _____ phone's Near field _____ functions.

_____ use of _____ magnetic car mount affect the _____ the _____ on _____?

Can _____ cause a _____ with my _____ Near _____ Communications function?

_____ a question _____ mount _____ affect my phone's Near Field Communication _____.

Is _____ car _____ detrimental to NFC functions?

There _____ a _____ if using _____ magnetic _____ mount _____ phone's Near- _____ Communication capabilities

_____ wonder if magnetic _____ mounts _____ affect my phone's _____.

_____ not sure if _____ cradle _____ magnets _____ disrupt nfi _____.

There _____ a _____ to _____ mount _____ cause _____ interference with the phone's _____ Communication capabilities.

I am _____ sure if using a magnetic vehicle _____ my _____ field communications _____.

_____ is _____ question _____ whether _____ mount _____ obstructions _____ the _____ Communication functions of the device.

Can a magnetic car _____ on my phone's Near _____ Communication _____?

There is a question _____ to _____ using a magnetic _____ will _____ obstruction _____ my _____ capabilities.

magnetic car _____ Near field communications functions.

I _____ sure if the _____ of _____ features _____ disrupted by the _____.

Is mounting _____ on a _____ Mount _____ my _____ payment features?

There _____ question of if _____ a _____ mount _____ cause _____ with the phone's Near-field _____.

There _____ a _____ whether _____ magnetic vehicle mount _____ an _____ my _____ near field capabilities.

_____ I _____ to _____ that I do _____ functioning _____ functions by using a magnetic _____?

I _____ sure that the _____ mount doesn't _____ the _____ on my _____.
 Does _____ my phone _____ a magnetic car _____ affect _____ phone's _____?
 There _____ question about _____ vehicle mount _____ interfere with the _____ capabilities _____ device.
 _____ wondering _____ mounts _____ my phone's NAFCC functions.
 _____ a question about whether _____ vehicle _____ will affect _____ phone's near-field _____ capabilities.
 _____ a question about whether _____ magnetic _____ will _____ obstruction to my mobile _____ capabilities.
 _____ is _____ question about _____ mount _____ affect _____ mobile _____ near-field communication capabilities.
 There is _____ magnetic vehicle _____ will _____ my _____ near _____ communication capabilities.
 There is _____ question _____ whether _____ a magnetic _____ mount will cause _____ capabilities _____ my _____.
 Would magnetic _____ mounts _____ field communication functions?
 Do I _____ make sure I don't _____ of _____ by _____ a _____ car _____?
 _____ a question _____ whether using a magnetic _____ mount _____ cause _____ interference _____ Near field communication _____.
 I _____ wondering if _____ mounts _____ phone's _____ functions.
 _____ not sure _____ magnetized car _____ disrupt _____ effectiveness of _____ features.
 I _____ magnetic car _____ with my _____ NAFCC functions.
 _____ know if using _____ magnetic _____ mount _____ affect _____ Near Field Communication _____.
 _____ is _____ chance that _____ car cradle _____ the benefits _____ Near-field _____.
 _____ mounting _____ phone on a _____ car _____ my phone's _____ features?
 _____ if _____ magnetic vehicle mount _____ my mobile device's near-field _____.
 _____ magnetic car mounts a problem _____ Communication functions?
 _____ using _____ magnetic _____ the function of NFC _____ risk?
 _____ I _____ make sure _____ a magnetic carholder doesn't _____ the _____ the NFC _____?
 _____ chance that using a magnetic _____ cradle will disrupt _____?
 There _____ question about _____ the magnetic vehicle _____ will _____ the near _____ device.
 _____ is _____ regarding whether using a _____ vehicle mount will _____ with the _____ Communication _____.
 There _____ question _____ magnetic vehicle mount _____ cause _____ obstruction _____ my phone's _____ capabilities.
 The function of _____ features _____ by attaching _____ magnetic _____ vehicles.
 Magnetic _____ mounts can _____ my _____ field _____ functions.
 There _____ question on _____ magnetic vehicle _____ interference _____ the _____ Near-field Communication capabilities.
 _____ question _____ a magnetic vehicle mount will cause an interference _____ phone's Near-field _____.
 _____ am _____ using a _____ will interfere _____ the near-field _____ capabilities _____ my device.
 _____ car mounts could _____ my phone's Near _____.
 Should a magnetic car mounting _____ Field Communication technology?
 I don't know _____ a _____ affect the _____ nfo features.
 _____ is _____ about _____ using a _____ vehicle mount will cause an obstruction _____ field Communication _____ the _____.
 There _____ a _____ regarding if using a _____ mount will cause _____ Communication (NFC) functions _____ my _____.
 Do magnetic _____ affect phones' _____ Field _____?
 _____ a _____ affect the performance of _____ phone's _____ Field Communication _____?
 I _____ not _____ if _____ car _____ would interfere _____ phone's NA-FCs _____.
 The _____ of _____ mount _____ interfere with the _____ Field Communication _____.
 Can _____ magnetic car _____ not have _____ effect _____ performance _____ Near Field Communications _____?
 Can a _____ car _____ interfere _____ phone's _____ field communication _____?
 There _____ a _____ regarding the _____ with _____ Near-Field _____ capabilities caused by _____ a _____.
 There _____ question about _____ using _____ magnetic vehicle mount _____ affect my _____ Field _____.
 _____ unsure _____ magnetic car mounts would _____ phone's NA-FCs _____.
 Is _____ for me to make _____ that I don't affect _____ using _____ carholder?
 I don't know if using a _____ obstruction to my _____ capabilities.

Is _____ use _____ magnetic car mount _____ a _____ will not _____ with _____ ability to _____ near field?
_____ is a question whether using _____ magnetic _____ an _____ my mobile phone _____ field _____.
_____ affect my device's NFC?

The _____ magnetic _____ mount _____ interference with the phone's _____ Communication capabilities.
_____ a _____ a magnetic _____ mount can _____ the phone's Near-field communication _____.
_____ mounts could _____ with _____ near field communications.
_____ of my _____ Near Field _____ can be affected _____ car _____.

Does a _____ with _____ phone's Near _____ Communication technology?

There _____ a _____ whether _____ a magnetic _____ will _____ an obstruction to _____ phone's _____ capabilities.

The use _____ mount _____ cause _____ obstruction to my _____ Communication capabilities.
_____ am not sure if magnetic _____ will _____ Near _____ functions.

I'm _____ if using a _____ vehicle _____ will _____ an _____ my mobile _____ Field _____ capabilities.

Should _____ car mounting _____ affect _____ of my _____ Near _____ Communications _____?

Is _____ for a magnetic _____ on my _____ dashboard _____ features?

There is _____ question _____ a magnetic vehicle mount _____ communication capabilities.

There _____ question about whether _____ magnetic _____ mount _____ affect _____ device's _____ capabilities.

There is a _____ vehicle mount _____ block _____ phone's _____ field capabilities.

_____ is _____ question about _____ using a magnetic _____ will affect _____ phone's _____.

_____ the _____ car mount a risk _____ function?

There _____ as to _____ a magnetic vehicle _____ will _____ obstruction _____ my _____ field capabilities.

There _____ question _____ whether using _____ magnetic vehicle _____ the phone's _____ field communication _____.

_____ a question about whether _____ a _____ obstruction to my mobile _____ near field _____.

_____ question _____ using a magnetic _____ mount will interfere with _____ near-field communication _____ device.

There is a _____ about whether a _____ cause an _____ with the NFC capabilities _____.

I _____ if the _____ nfo features will be _____ by _____ magnetized _____.

_____ question of whether _____ magnetic vehicle mount will cause _____ to _____ mobile phone's Near _____.

I'm wondering _____ magnetic car _____ my _____ Near _____ functions.

_____ using _____ car mount _____ of my phone's _____ payment features?

Do _____ a magnetic _____ affect the _____ Field _____ (NFC) on your _____?

_____ am _____ if the effectiveness _____ features _____ be disrupted _____ magnetized car cradle.

Is _____ of my _____ Communication functions affected _____ magnetic car _____?

I am wondering _____ magnet _____ will _____ NFC.

Magnetic _____ with my phone's _____ field _____ function.

I am wondering if _____ mounts _____ affect _____ NAFCC _____.

How _____ NFC _____ by magnets _____ a car _____?

_____ was wondering if magnetic _____ mounts _____ with my _____ Communication _____.

_____ is a _____ if _____ magnetic vehicle mount _____ with _____ phone's _____ Communication _____.

I _____ using a _____ mount will _____ an _____ to _____ device's Near Field _____.

Do Near field Communication _____ suffer because of _____ use _____ magnetic _____ mount?

_____ is a _____ whether using a magnetic _____ mount _____ an obstruction _____ field Communication capabilities
my _____.

_____ using a magnetic _____ mount _____ cause an obstruction _____ near-field _____?

_____ not _____ if a magnetized car cradle will _____ the _____.

Can a magnetic _____ mounting _____ performance of _____ Near Field _____?

_____ performance _____ phone's Near _____ be unaffected by the magnetic _____ mounting?

_____ question regarding whether _____ a magnetic _____ mount will cause _____ phone's near field _____
capabilities.

_____ it possible that magnetic car mounts _____ Near _____ Communications _____?

_____ of _____ magnetic vehicle _____ may _____ with the phone's _____ communication _____.

Can a _____ car _____ with _____ phone's near _____ communication _____?

There is _____ question _____ whether _____ a _____ mount will _____ the _____ Field Communication _____.

Does a magnetic ____ holder ____ up the ____ communications devices?
 ____ can I ____ that ____ magnetic ____ mount ____ affect Near-Field ____ on my ____?
 ____ using a magnetic ____ mount ____ NFC ____?
 ____ the function ____ phone's Near ____ Communication ____ affected by ____ a ____ mount?
 ____ car mounts would affect my phone's ____.

There is a ____ about whether ____ magnetic vehicle ____ will interfere with ____ device.
 Is there ____ way ____ a magnetic car ____ hurt ____ ability to use ____ field?
 Will ____ magnetic car ____ with how my device's ____ Communication ____?
 When using a magnetic ____ the function of ____?
 ____ a magnetic ____ mount ____ the ____ communication on my mobile ____?
 ____ a magnetic car ____ damage my ____ Near ____ Communication ____?
 There ____ a question ____ magnetic ____ can ____ an interference ____ phone's Near-field Communication (NFC) ____.
 ____ my ____ Communications (NFC) function be ____ by ____ car mounting?
 ____ is a question about ____ magnetic vehicle ____ with near-field communication ____ of my ____.

There is ____ about whether ____ vehicle ____ will ____ phone's ____ communication capabilities.
 There is ____ question ____ a magnetic vehicle mount will ____ phone's ____ Field ____.
 ____ is a ____ if ____ vehicle ____ will ____ an obstruction to ____ mobile phone ____ capabilities.
 There is a question ____ whether using ____ magnetic ____ my ____ on my device.
 Is ____ use of ____ mount ____ my device's ____?
 ____ wondering if magnetic car ____ affect my ____ functions.
 ____ wondering ____ mounts would interfere ____ my ____ NAFCC functions.
 ____ a ____ about ____ using ____ vehicle mount will affect ____ near field ____ capabilities.

There is a ____ whether ____ not using a ____ affect ____ phone's Near ____ Communication ____.
 ____ if using ____ magnetic vehicle mount ____ cause an obstruction to my ____ Communications ____.
 ____ if using a magnetic vehicle mount will ____ phone's ____ Communication ____.

I was wondering if using a magnetic ____ mount ____ mobile phone's Near ____.
 Can the performance ____ Field Communications function ____ by ____ magnetic ____ mount?
 ____ is a ____ about ____ a magnetic vehicle ____ interference with a ____ capabilities.
 ____ of Near field ____ on my mobile ____ be ____ of ____ magnetic car mount.

There's a question ____ using a ____ vehicle ____ interference ____ the ____ Communication (NFC)
 ____ there ____ the benefits ____ disrupted by using amagnetic car cradle?
 ____ is ____ question ____ if using a ____ vehicle ____ cause an ____ Nearfield ____ (NFC) functions ____ my device.
 Do ____ carmount ____ my phone's ____ field ____?

There ____ a ____ regarding whether using ____ mount will cause an obstruction ____ my ____.
 ____ question ____ using a ____ mount ____ affect the phone's Near-field ____.

I ____ know ____ the nfo features ____ be ____ by a ____.
 ____ am not sure ____ features will be disrupted ____ Magnetized Car ____.
 ____ magnetic ____ mounts would ____ with my phone's ____ functions.
 ____ question is if using ____ vehicle mount will ____ phone's ____ communication ____.
 ____ mounts would affect my phone's ____ field Communications ____.

There is ____ a magnetic vehicle mount will interfere with the ____ capabilities.
 ____ am not ____ if ____ nfo features will be ____ car cradle.
 ____ a magnetic ____ the performance ____ phone's Near Field Communications ____?

There is a question ____ using a ____ mount ____ the Near ____ Communication functions ____ device.
 I am ____ magnetic ____ mounts could ____ my ____ Communication functions.
 ____ magnetic vehicle mount ____ cause an ____ the phone's Near- Field Communication capabilities
 ____ is ____ whether ____ a magnetic ____ cause an interference with the phone's ____ field ____ capabilities.

There ____ question regarding ____ a ____ vehicle ____ cause an ____ my mobile phone near ____.
 ____ is ____ about ____ using ____ magnetic vehicle mount ____ phone's ____ field capabilities.

_____ interfere with my _____ Near Field Communications function?

_____ the performance _____ my _____ Communications function not be _____ a magnetic car _____?

_____ a _____ car mounting _____ affect the _____ phone's _____ Communication technology?

_____ about whether using _____ magnetic _____ mount can _____ interference _____ the phone's Near-field Communication _____.

_____ am _____ if _____ car mounts _____ my phone's _____ functions.

There is a question _____ magnetic _____ mount will _____ phone's _____ communication _____.

_____ is _____ question whether using _____ vehicle mount _____ affect the _____ Near-field _____.

A magnetized _____ cradle might disrupt _____ of _____.

_____ a magnetic carmount affect my phone's _____ to _____?

_____ a question regarding _____ magnetic vehicle mount _____ communication _____ of my device.

Can the _____ phone's Near Field Communications _____ magnetic car _____?

Is _____ possible for the _____ dashboard to _____ the NFC _____ my phone?

_____ magnetic car _____ with my phone's _____ Communications _____?

Is a magnetic _____ my phone's NFC _____?

There is _____ question regarding _____ a _____ vehicle mount _____ obstruction to _____ device's _____ Field _____.

_____ am not sure _____ magnetized _____ effectiveness of nfi features.

_____ am wondering _____ magnetic car _____ my _____ field communication _____.

Does using a _____ Mount _____ the _____ my phone's _____ features?

Is _____ mounts _____ with my _____ communication functions?

_____ am unsure if _____ Near field Communication _____ affected _____ magnetic car _____.

There is _____ question _____ vehicle _____ will interfere with _____ communication on _____ device

Is _____ of my _____ field _____ affected by the _____ car _____?

There is a question as to _____ using a _____ vehicle _____ my phone's _____.

Magnetic car _____ affect my _____.

_____ my phone's _____ functions would _____ affected _____ magnetic car mounts.

_____ have a _____ using _____ magnetic _____ mount will cause an _____ my _____ near-field capabilities.

_____ is _____ whether _____ magnetic _____ mount _____ cause _____ with the phone's _____ field communication capabilities.

There's a _____ a magnetic _____ mount _____ affect the phone's _____ capabilities.

There _____ a question about _____ a magnetic _____ mount can _____ an obstruction _____ near _____.

Can the magnetic _____ affect my _____ near _____?

_____ a question about whether _____ magnetic vehicle mount _____ cause interference with _____.

_____ the _____ with my phone's Near field communication functions.

There is _____ question if using a magnetic _____ affect _____ Communication _____.

Is _____ sure that _____ don't affect the _____ functions by using a magnetic _____?

_____ function _____ my _____ wireless payment _____ when my phone is _____ on a magnetic _____?

There _____ a question _____ using a magnetic vehicle _____ will _____ near _____ communication _____.

_____ about whether a magnetic vehicle _____ affect my _____ communication capabilities _____ my _____.

There is _____ as _____ whether _____ magnetic vehicle mount will _____ the near-field _____ capabilities _____ my _____.

There is a question _____ whether using a magnetic _____ communication _____ on my _____.

_____ a _____ as to _____ a _____ vehicle _____ an obstruction to the _____ Communication function of _____ device.

_____ a _____ using _____ car cradle _____ disrupt _____ benefits of _____ communication.

_____ is _____ about _____ using _____ mount will cause _____ with a phone's Near-field _____ capabilities.

Can _____ my _____ near field communication _____ by a magnetic _____ mounting?

I _____ if my _____ field Communications _____ would _____ affected by _____ car _____.

_____ wondering if _____ mounts _____ my phone's _____ functions.

There is _____ question _____ a magnetic _____ mount will _____ phone's Near- _____ Communication _____.

There _____ a question _____ whether _____ magnetic _____ mount _____ affect _____ on _____ device

There _____ a question about _____ using a _____ vehicle mount will interfere with _____ of _____.

_____ not _____ if _____ cradle will disrupt _____ effectiveness _____ nfo features.

_____ not sure _____ effectiveness _____ features will be _____ by _____ car cradle.
 _____ function of _____ wireless payment features _____ I mount _____ a _____ car mount?
 _____ if _____ car mounts interfere _____ Near _____ Communication functions.
 I _____ know if _____ car _____ interfere _____ Near field _____ functions.
 There _____ a question regarding _____ magnetic vehicle mount _____ interfere _____ near _____ communication on _____.
 _____ phone's Near _____ Communications _____ might _____ affected _____ car mounts.
 _____ work with _____ in a car mount?
 There is a question _____ to _____ using a _____ mount _____ obstruct _____ phone's _____ Communication _____.
 Can _____ performance _____ my phone's near field _____ the _____ car mounting?
 There _____ a question about whether _____ a _____ vehicle _____ will _____ with _____ Communication _____.
 _____ that _____ car cradle _____ disrupt the benefits _____ Near- field communication.
 _____ am _____ a magnetized _____ cradle will affect _____ of nfi.
 _____ the _____ car _____ endangers _____ function?
 _____ is a _____ regarding _____ using a _____ cause an obstruction to my _____ communications _____.
 There is _____ question _____ whether using _____ vehicle _____ will _____ phone's near-field _____.
 There _____ as to whether _____ a _____ mount _____ an _____ to the _____ field Communication functions _____ device.
 _____ magnetic vehicle mount _____ with the _____ Near-field communication capabilities?
 Is it _____ to use a magnetic _____ that doesn't interfere with _____ phone's _____ near _____.
 There is a _____ benefits _____ Near-field _____ disrupted by _____ car cradle.
 _____ it _____ of _____ will _____ disrupted by using a magnetized car _____?
 There is a question _____ whether _____ mount _____ the _____ Near-field _____ capabilities.
 _____ a _____ car mount _____ NFC features?
 There is a _____ whether _____ magnetic _____ cause an _____ with a phone's _____ capabilities.
 There's a question about whether _____ will cause _____ obstruction to my _____.
 There is _____ question _____ a _____ vehicle mount will cause _____ obstruction _____ device's _____ phone _____ capabilities.
 _____ don't know _____ magnetic _____ would _____ with my phone's _____.
 _____ is _____ whether _____ a magnetic vehicle mount _____ field communication on the device.
 _____ mounting _____ on a magnetic car mount have _____ effect _____ phone's _____?
 _____ function _____ anNFC feature _____ magnets in _____ car mount
 _____ is _____ regarding if _____ a _____ vehicle mount _____ affect the near-field _____ capabilities _____ my _____.
 Does attaching a magnetic car mount _____ harder to _____ (NFC) feature _____ your _____?
 There is _____ chance that _____ car _____ Near- _____ communication.
 There _____ a _____ whether a magnetic vehicle _____ will _____ my phone's _____ Communication capabilities.
 _____ performance of my _____ near field communication function be _____ a _____?
 _____ if _____ car _____ would affect my _____ NA-FCs _____.
 Can _____ of my phone's _____ Communication _____ not _____ adversely affected by _____ car _____?
 _____ the performance of my _____ communication _____ be _____ a magnetic car _____?
 Is it necessary _____ me _____ make _____ that my _____ doesn't _____ ofNFC?
 _____ is a _____ of _____ magnetic vehicle _____ the Near field _____ the device.
 _____ don't _____ if a _____ Car _____ will _____ the effectiveness _____ features.
 _____ a _____ car mount _____ have an _____ phone's _____ Communication technology?
 There is _____ question _____ whether the magnetic vehicle _____ cause _____ with _____ communication _____.
 There _____ if _____ a magnetic vehicle mount _____ the near-field _____ capabilities _____ mobile device.
 _____ phone's _____ Communication _____ by a magnetic car mounting?
 There _____ a question as _____ mount will interfere _____ the phone's Near- _____ capabilities.
 _____ don't _____ magnetized car _____ disrupt the effectiveness _____ nfi _____.
 _____ use _____ magnetic vehicle _____ an obstruction _____ my device's _____ communications capabilities.
 _____ don't _____ if magnetic _____ mounts would _____ my _____ Near _____ functions.
 Can a magnetic car _____ interfere _____ Field Communications?

Does magnetic car _____ my _____ Near _____ functions?
 _____ devices to _____ mounts _____ vehicles can alter _____ function _____.

A magnetized _____ cradle may _____ effectiveness _____ features.

There is _____ whether using _____ vehicle _____ will cause an _____ near-field communications capabilities.

There _____ question about _____ using a magnetic _____ the _____ capabilities on my device.
 _____ it _____ features to be _____ a Magnetized holder on _____ dashboard?

I don't know _____ using a _____ vehicle _____ affect _____ mobile _____ near-field _____.

Is it possible that _____ car _____ could affect _____ field _____?

_____ am wondering if magnetic car mounts would _____ on _____.

There _____ a _____ concerning whether using a _____ affect _____ phone's _____ communication _____.

The use _____ vehicle mount _____ affect the _____ capabilities.

The use _____ magnetic vehicle _____ may affect _____ phone's _____ Communication _____.

There is _____ whether _____ magnetic vehicle mount will _____ near-field communication _____ of _____ device.
 _____ is a _____ regarding _____ the magnetic vehicle mount _____ the phone's Near-field Communication _____.
 _____ magnetic car _____ not _____ Near Field Communication technology?
 _____ am _____ will interfere with my mobile device's near _____ communication _____.
 _____ using a _____ mount _____ interference with _____ phone's Near-field Communication capabilities.
 _____ is a _____ whether a _____ vehicle mount will _____ interference _____ the phone's _____ capabilities

Can magnetic _____ mounts affect _____ Near _____ Communications _____?

I'm not _____ the effectiveness _____ nfi features _____ be _____ by _____ Magnetized _____.

Can using _____ magnet _____ ruin the phone's _____ Communication _____?

_____ is a question _____ a _____ vehicle mount _____ to _____ phone's Near Field Communication capabilities.
 _____ is _____ the magnetic vehicle _____ will affect _____ near-field _____ of my device.

There _____ regarding _____ a magnetic _____ will _____ phone's Near-field Communication capabilities.
 _____ car _____ can affect _____ device's _____.

I don't _____ a magnetic car _____ will affect the _____.

Can _____ mounting _____ interfere _____ phone's Near Field _____ technology.
 _____ the _____ a magnetic _____ holder _____ with _____ functions?
 _____ not _____ the _____ nfi _____ will be disrupted by _____ magnetized car _____.
 _____ is _____ question _____ whether a _____ will affect my _____ Near Field _____.
 _____ is _____ if _____ magnetic vehicle mount will interfere _____ the _____ near-field _____.
 _____ a _____ NFC capabilities on my device?
 _____ as _____ using a magnetic _____ mount will _____ obstruction to my _____ near-field capabilities.
 _____ is _____ regarding _____ using a magnetic _____ will _____ the _____ Near-field _____ (NFC) capabilities.
 _____ the _____ Near field Communication on _____ mobile device _____ by _____ car _____?

I am wondering _____ phone's Near field _____ will be _____ mounts.

Is _____ necessary for _____ make sure _____ magnetic car holder doesn't _____?

_____ magnetic car _____ interfere with my phone's NA-FCs _____.

There is a _____ whether _____ vehicle mount _____ affect _____ near-field capabilities.

There _____ regarding whether _____ a magnetic vehicle _____ cause _____ to near field communication _____ device.

There is _____ question about _____ using a magnetic _____ mount _____ the phone's _____.

NFC _____ risk when using magnetic _____.

_____ a _____ about whether _____ magnetic _____ affects the phone's Near-field _____.

_____ don't know if _____ car _____ would affect _____ functions.

_____ is a question _____ a _____ vehicle mount will _____ phone's Near-field _____.

There is _____ question about _____ using a magnetic vehicle _____ the phone's _____ Field _____.

_____ mounts could _____ my phone's NA-FC _____.

_____ if _____ car _____ affect my phone's Near field _____.

_____ use of a magnetic car _____ NFC?

Is _____ to use _____ magnetic _____ that does _____ interfere with _____ ability _____ process _____ field?

____ a magnetic ____ mounting ____ phone's Near Field ____ function?
 There is ____ question regarding whether a ____ cause interference ____ the phone's ____.
 ____ it ____ that ____ a car clamp ____ affect the effectiveness ____ NFC ____?
 ____ phone ____ a magnetic car mount ____ of ____ phone's wireless payment ____?
 There ____ a question about ____ a ____ interfere ____ the ____ Near-field ____ capabilities.
 ____ is a question ____ whether using ____ mount will ____ an ____ my device's ____ communications capabilities.
 ____ the ____ of my ____ Communication technology unaffected by a ____?
 Is it possible ____ car mount ____ won't interfere ____ my phone's ____ process near ____?
 ____ to ____ sure that ____ not affect ____ functioning ____ the NFC functions by using a magnetic car ____?
 ____ am wondering if ____ affect my phone's ____ communication functions.
 There is a ____ about whether using a magnetic ____ mount will ____ an ____ with ____.
 ____ using ____ magnetic ____ mount will affect my device's ____ capabilities.
 Is it ____ car mounts ____ affect ____ NA-FC functions?
 ____ sure if ____ magnetized car ____ will ____ nfi features.
 ____ is a question ____ to ____ magnetic ____ mount ____ cause an interference ____ the phone's ____ Communication ____.
 ____ a question if ____ magnetic ____ mount ____ affect ____ phone's Near- ____ Communication ____.
 ____ a magnet ____ ruin my phone's near ____?
 The performance of Near ____ Communication ____ on my ____ device ____ affected by ____ a ____.
 I'm not sure ____ magnetized car cradle will ____ effectiveness ____.
 There is a question regarding whether ____ vehicle mount ____ with ____ Near-field communication ____
 ____ need to ____ don't affect the functioning of the NFC ____ a magnetic ____ holder
 ____ if the ____ car mounts ____ my phone's Near ____ communication ____.
 Can the use of ____ magnet car ____ my ____ Field ____?
 ____ devices to ____ inside ____ alter ____ of NFC features.
 magnetic car mounts ____ my ____ field ____ functions.
 Can ____ magnetic ____ not affect ____ of my ____ field communication ____?
 ____ a magnetic ____ used without messing ____ the functions of ____ communications ____?
 The ____ vehicle mount ____ affect ____ phone's Near-field communication ____.
 There is a question regarding whether ____ a ____ will interfere ____ near-field ____ of ____ mobile ____.
 Is ____ a ____ that ____ a magnetic ____ cradle ____ Near-field ____?
 Do I ____ sure that my ____ holder doesn't affect ____ operation ____ my Near ____?
 Will ____ car mount ____ affect ____ functions ____?
 There is a question ____ magnetic vehicle mount will ____ with ____ mobile ____.
 ____ whether using ____ vehicle mount ____ affect the near field ____ in my device.
 ____ as to ____ using ____ magnetic ____ mount ____ cause an obstruction to ____ Nearfield Communication functions
 ____ the ____.
 I'm ____ if ____ interfere ____ my phone's ____ functions.
 ____ a ____ affect the phone's near-field ____ capabilities?
 I ____ car ____ would affect my ____ Near ____ communication functions.
 There is a question about whether using ____ vehicle ____ interference ____ the ____ Communication ____.
 There ____ question about whether ____ vehicle ____ affect the ____ near ____ communication ____.
 ____ question ____ a ____ mount ____ cause an interference with the ____ Near-field Communication
 capabilities
 Will ____ functions of NFC ____ affected by the ____?
 Is ____ for me ____ that the magnetic ____ holder does not ____ operation of NFC ____?
 ____ question about ____ a ____ will cause ____ obstruction to ____ mobile phone's near-field capabilities.
 When using ____ magnetic ____ the function ____ NFC ____ risk?
 There is ____ if a magnetic ____ mount ____ the Near field ____ device.
 ____ question about the ____ a magnetic ____ mount ____ relation to the Nearfield ____ functions of ____.
 ____ a question about ____ a ____ vehicle mount ____ the ____ Near-field communication.
 Will the magnetic ____ mount ____ the ____ the ____?

There is a question of if _____ mount _____ the _____ capabilities.

_____ is a _____ the magnetic vehicle _____ will affect the _____ capabilities on _____.

_____ magnet _____ mount bad _____ NFC?

There _____ a _____ whether a magnetic _____ will cause an interference _____ phone's _____ communication _____

Is using _____ magnetic vehicle mount _____ Field _____ capabilities?

_____ possible that magnetic _____ mounts _____ affect my phone's _____ Communication _____?

_____ am _____ sure if a magnetic car cradle _____ effectiveness _____.

_____ is a _____ regarding the interference with _____ phone's _____ Communication capabilities caused _____ mount.

I _____ know if using a _____ an obstruction _____ phone's near _____ communication capabilities.

_____ am wondering _____ using _____ magnetic vehicle _____ will affect _____ capabilities on _____.

_____ car _____ holder affect the _____ of _____ near field communication _____?

_____ question _____ whether _____ magnetic vehicle mount will _____ an obstruction _____ my _____ field communications capabilities.

Is it _____ for me _____ make _____ the functioning _____ the NFC _____ is _____ affected _____ using a _____?

The use _____ a magnetic _____ mount _____ of my mobile device.

_____ is _____ using a magnetic _____ mount _____ cause interference with the _____ capabilities _____ impact _____ car _____ magnets _____ operations?

_____ if magnetic car _____ affect _____ NAFCC function.

I'm _____ sure if _____ car _____ affect _____ effectiveness _____ nfi _____.

There is _____ question _____ whether a _____ vehicle _____ will cause _____ obstruction to _____ Communication _____ device.

Do I need to _____ sure that _____ affect _____ the NFC _____ by using _____ magnetic _____?

I _____ a question _____ using _____ vehicle mount _____ affect _____ phone's Near _____ capabilities.

The impact _____ car _____ on NFC _____ is _____.

_____ wonder if _____ magnetic vehicle mount will cause _____ obstruction to my _____ capabilities.

There _____ a question _____ whether _____ magnetic _____ interfere with the _____ Near- _____ Communication _____.

_____ a _____ mount _____ affect the _____ of my phone's _____ function?

I _____ no idea _____ effectiveness _____ features _____ be _____ by a _____ cradle.

_____ a _____ using _____ vehicle mount _____ cause interference with the phone's Near-field _____ capabilities.

_____ car mounts incompatible _____ phone's Near _____ functions?

Do I _____ make sure _____ using _____ magnetic _____ affect _____ of _____ functions?

_____ am _____ if magnetic car mounts _____ interfere _____ phone's _____ Communication functions.

_____ is a question _____ whether the _____ mount will _____ Communication capabilities.

_____ a _____ of whether using a _____ vehicle _____ will _____ phone's Near-field _____.

I'm not sure _____ using _____ mount _____ my _____ Near Field Communication _____.

_____ magnetic car mounts _____ with _____ field _____ functions?

Do _____ make _____ that _____ don't _____ the functioning _____ function by using a magnetic _____?

I am wondering if _____ magnetic _____ mount _____ affect _____ capabilities.

There is _____ question regarding _____ a _____ phone's Near field _____ capabilities.

There _____ question regarding if _____ magnetic _____ mount will _____ an _____ to _____ Near Field _____.

Is _____ magnetic _____ affecting NFC _____?

Is _____ performance of _____ phone's Near Field _____ by my _____?

Magnetics _____ car mount _____ the _____ an NFC feature _____ is a _____ a magnetic vehicle _____ cause interference with the _____ Near-field _____

_____ a _____ regarding whether using a _____ vehicle mount will cause _____ with _____ phone's _____ communication _____.

_____ possible that _____ affects my phone's _____ field capabilities?

There is a question _____ whether using a magnetic vehicle mount _____ Field _____

_____ is _____ as _____ using a magnetic _____ will _____ an obstruction to the _____ Communication _____ of _____ device.

Does _____ a magnetic _____ make it hard to install _____ phone?

_____ Near _____ Communication _____ on my mobile _____ because _____ magnetic car mount?

I'm not _____ if _____ car cradle will _____ effectiveness _____.

I am ____ sure if ____ magnetic ____ will ____ effectiveness of ____.
 ____ unclear ____ using a magnetic vehicle ____ will ____ the ____ Near- Field Communication ____.
 ____ using ____ magnetic ____ will cause an obstruction ____ phone's ____ field capabilities.
 ____ magnetic ____ holders impact ____?
 ____ mounts may ____ my phone's NA-FCs ____.
 Is ____ vehicle ____ going to ____ obstruction to ____ mobile phone's ____ capabilities?
 There ____ regarding ____ a magnetic vehicle mount will ____ obstruction to ____ phone's ____ communication ____.
 Is it ____ me ____ make sure that my magnetic car ____ the ____?
 Will the magnetic vehicle ____ my device?
 I am ____ if ____ interfere with my ____ NA-FC ____.
 The ____ a magnetic vehicle mount ____ with ____ Near-field Communication ____.
 ____ a magnetic ____ interfere ____ phone's near field communications ____?
 If ____ can ____ Near ____ on ____ phone, ____ it okay to ____ it on magnets ____ your ____?
 ____ car mounts ____ with ____ phone's ____ field communication ____.
 There is ____ question ____ whether ____ a magnetic ____ mount will ____ obstruction ____ Near Field ____ capabilities
 There is a ____ whether ____ vehicle mount ____ an ____ to my mobile ____ Near ____ Communication ____.
 I'm wondering ____ a magnetic vehicle ____ near-field ____ capabilities ____ my mobile ____.
 There is ____ using ____ magnetic vehicle ____ obstruction to ____ phone's near field capabilities.
 Is ____ a ____ car ____ affected ____?
 There ____ over ____ using ____ mount ____ affect ____ phone's Near-field Communication capabilities.
 Can you ____ your ____ Near Field ____ (NFC?) ____ you put it ____ car?
 ____ a question ____ whether ____ magnetic vehicle mount ____ obstruction ____ my ____ Near Field Communication capabilities
 There is a question ____ using ____ magnetic vehicle ____ will cause ____ to the ____ Communication ____ my ____.
 The question is if using ____ with the phone's ____ capabilities.
 ____ using a magnetic ____ a ____ with the phone's Near-field communication ____?
 ____ do I make ____ car ____ does ____ affect ____ Near- Field Communications on my ____?
 ____ car ____ might ____ my phone's ____ field Communications ____.
 Is it ____ using a magnetized car ____ going to ____ NFC ____?
 There ____ question regarding whether using ____ magnetic ____ mount ____ cause an ____ my device's ____ capabilities
 ____ mounts would ____ my phone's Near ____ communication functions.
 Is the ____ car mount ____ going ____ NFC ____?
 Is ____ possible for NFC ____ to ____ affected ____ a ____ holder ____ car ____?
 ____ mounting my phone ____ magnetic ____ mount affect ____ payment features?
 Does using ____ cause an ____ to ____ Nearfield Communication (NFC) ____ on ____?
 The use ____ a ____ mount ____ cause ____ the ____ Near-field Communication ____ capabilities.
 I don't ____ if ____ a ____ vehicle ____ will cause ____ to ____ near field ____.
 ____ a question regarding ____ a magnetic vehicle mount ____ to my ____ near-field communications capabilities.
 ____ is ____ question regarding ____ magnetic ____ mount ____ the ____ capabilities on my ____.
 What is ____ of ____ NFC feature ____ magnets in a ____?
 ____ am not sure if my phone's ____ would ____ by magnetic ____.
 ____ the use of ____ magnetic car mount ____ the ____ my mobile device?
 ____ magnetic car mount ____ my ____?
 How can ____ make ____ the magnetic ____ mount ____ Near-Field ____ on my ____?
 ____ wondered if magnetic ____ would ____ my ____ functions.
 I'm not sure ____ cradle ____ effectiveness ____ nfo features.
 ____ not ____ if a ____ cradle ____ the ____ of nfo features.

_____ sure _____ using _____ magnetic vehicle mount _____ an obstruction _____ mobile phone's _____ capabilities.
 _____ question about _____ magnetic _____ mount will _____ with the phone's Near-field Communication (NFC) _____.
 _____ is _____ question _____ whether _____ a _____ vehicle mount will cause _____ obstruction to the _____ my _____.
 Can the _____ of _____ Near Field _____ affected by a _____ car _____?
 Can a _____ car _____ not _____ Near field _____ function?
 _____ my phone's Near _____ be _____ by a magnetic car mounting?
 _____ a question about whether _____ magnetic _____ mount _____ to _____ phone's Near _____ Communication capabilities.
 There is a question _____ magnetic vehicle _____ with _____ on the device.
 _____ a _____ whether a _____ vehicle mount will _____ communication capabilities _____ my device.
 There is a _____ whether _____ a _____ mount will cause a _____ the phone's _____ Communication _____
 There is a _____ regarding whether _____ magnetic _____ will interfere with _____ near field _____ mobile _____.
 There is _____ a _____ vehicle mount _____ with my _____ near-field capabilities.
 _____ magnetic car _____ affect the performance of _____ field _____ on _____?
 _____ the performance of _____ phone's Near Field _____ magnetic _____ mounting?
 I'm _____ magnetic _____ mounts will _____ with _____ phone's _____ functions.
 There _____ a question _____ whether using _____ mount _____ affect the phone's _____ capabilities.
 I'm _____ car _____ can affect _____ phone's _____ field communication _____.
 _____ unsure _____ car _____ would _____ my phone's NAFCC _____.
 _____ a magnetic _____ affect _____?
 I wonder _____ possible _____ use a _____ doesn't _____ with my phone's ability _____ use _____ field
 _____ is a question _____ whether _____ a _____ vehicle _____ will _____ Near-field Communication _____
 There is _____ regarding whether using a _____ will cause _____ obstruction _____ Communication _____ in my device.
 How is an NFC _____ in _____ car _____
 Is it _____ get a _____ car mount _____ won't _____ with _____ phone's _____ to _____ field?
 There _____ a _____ if a _____ vehicle _____ the phone's Near-field _____ capabilities.
 There is _____ question _____ whether _____ a _____ vehicle _____ cause an obstruction _____ my _____ phone's _____ capabilities.
 I _____ wondering if using _____ vehicle mount will _____ to _____ Nearfield Communication _____ capabilities in _____.
 There is _____ regarding _____ vehicle _____ with my mobile _____ near-field communication capabilities.
 Can a _____ ruin my _____ Near Field _____?
 I'm wondering if magnetic _____ interfere _____ phone's _____ functions.
 _____ the use _____ car mount affect _____ field _____ mobile device?
 Will _____ function _____ by a magnetic _____ holder?
 Do _____ need _____ my magnetic _____ holder _____ not _____ operation of NFC functions?
 _____ is a _____ regarding _____ magnetic _____ mount _____ interference _____ phone's Near- Field Communication capabilities.
 I'm _____ if _____ effectiveness of _____ be _____ by a Magnetized _____ cradle.
 _____ is a question if _____ magnetic _____ will affect the near _____ communication _____.
 _____ my _____ on _____ magnetic car Mount _____ my _____ wireless payment features?
 There _____ a _____ regarding _____ using a _____ mount will affect the _____ on _____ device.
 _____ does a magnetic _____ affect the _____ of _____?
 _____ a _____ whether using a _____ vehicle mount _____ my _____ phone's _____ Field Communication capabilities.
 I am wondering _____ magnetic _____ affect _____ NA-FC functions.
 _____ use _____ a _____ may affect _____ Near-field Communication capabilities.
 _____ a _____ mount _____ the _____ of _____ phone's _____ Field Communication technology?
 _____ to make sure that using _____ car holder _____ the _____ of _____ functions?
 Do _____ to _____ that _____ affect _____ functions _____ the NFC by using a magnetic _____?
 _____ know if using a _____ mount will _____ obstruction _____ mobile phone's _____ field _____ capabilities.
 Can my phone's _____ Field Communication _____ car mounting?
 There is a question _____ vehicle mount will interfere _____ my mobile device.

____ magnetic ____ mounts interfere with ____ phone's ____ ?
 ____ a ____ car mount impairing ____ of ____ field Communication ____ my ____ device?
 Is it possible ____ place a magnetic car ____ that ____ affect my phone's ____ field?
 Is ____ magnetic car ____ that ____ interfere with my ____ to process near ____?
 There ____ regarding whether using a magnetic ____ mount ____ the phone's Near-field Communication.
 ____ car ____ an impact on ____ functions of NFC?
 Is the ____ of a ____ car mount ____ ?
 ____ need to ____ sure ____ carholder doesn't ____ the functions ____ theNFC?
 ____ mount magnets ____ an ____ on NFC ____ .
 Can ____ performance ____ my phone's ____ be affected ____ a magnetic car ____ ?
 ____ wonder ____ magnetic ____ mounts ____ interfere ____ my phone's NA-FCs ____ .
 There is a ____ if ____ a magnetic ____ mount ____ the ____ capabilities in my ____ .
 ____ magnetic car mount ____ wireless payment functions?
 How do I make ____ the ____ mount won't ____ the ____ Communications ____ ?
 There is ____ question ____ magnetic vehicle mount will affect ____ near-field communication ____ device.
 ____ if magnetic car ____ interfere ____ my ____ field communications.
 Magnetic car ____ may affect ____ communication functions.
 I'm ____ if ____ car ____ affect my ____ field communications functions.
 ____ a ____ whether ____ magnetic ____ mount ____ interfere with near-field communication ____ device
 ____ don't ____ a magnetized car ____ will ____ of nfo features.
 Does ____ magnetic carmount ____ my ____ field ____ ?
 I'm ____ magnetic ____ can affect my ____ NA-FC ____ .
 ____ way ____ use a magnetic car mount ____ interfere ____ ability to process ____ field?
 ____ it possible to use ____ magnetic car ____ with ____ phone's ____ to process near ____ ?
 ____ do not know ____ of ____ features ____ be ____ a ____ car cradle.
 ____ car mounts might ____ my ____ Communication functions.
 There ____ a question regarding ____ a magnetic ____ mount will ____ mobile ____ near-field ____ .
 I'm not certain ____ magnetized car cradle ____ effectiveness ____ features.
 There is a question ____ using ____ magnetic ____ affect my device's Near ____ .
 There is a ____ whether using a magnetic ____ mount will ____ with ____ Near-field ____ .
 There is ____ about whether using ____ vehicle ____ will cause ____ my ____ phone's ____ field ____ capabilities.
 I'm ____ if ____ a ____ will cause ____ to the Nearfield Communication (NFC) functions ____ .
 Is ____ magnetic ____ safe for ____ without ____ the ____ the Near Field ____ Devices?
 ____ phone on a magnetic ____ Mount ____ my phone's wireless ____ features?
 I ____ know ____ amagnetized ____ will ____ the ____ of nfo ____ .
 There is a ____ whether a ____ will cause an ____ to ____ Communication ____ my device
 ____ don't ____ a ____ vehicle mount will interfere with ____ device's ____ capabilities.
 ____ a question regarding ____ using ____ magnetic ____ interfere ____ the ____ near-field communication capabilities.
 ____ a magnetic car mount not ____ phone's ____ technology?
 There is a question ____ mount ____ an ____ my mobile phone near ____ communication capabilities
 Is ____ messing with ____ NFC?
 There is ____ about whether ____ magnetic vehicle mount will ____ near ____ .
 ____ is ____ about if using ____ magnetic vehicle ____ an interference with ____ Near- Field ____ capabilities.
 ____ it necessary for ____ sure that I do ____ when using a ____ car holder?
 ____ is a question ____ using a magnetic ____ affect ____ near field ____ capabilities.
 There ____ a ____ about whether ____ mount ____ affect the ____ Near- Field ____ capabilities.
 I ____ not sure if ____ car ____ my ____ functions.
 Is it ____ a ____ mount ____ doesn't ____ with ____ ability ____ process near field data?
 ____ is ____ if a magnetic ____ mount will ____ interference with ____ Near-field ____ capabilities.

_____ is _____ question _____ vehicle mount will affect the phone's _____ communication _____.

_____ a question as to whether _____ a _____ vehicle mount _____ Near Field Communication _____.

Can a _____ car _____ not _____ my _____ near _____ function?

_____ not sure if a _____ with _____ will _____ the _____ of nfo _____.

_____ if _____ magnetic _____ mount _____ cause an interference with _____ phone's Near-field Communication _____.

_____ question _____ magnetic vehicle mount will _____ an _____ my phone's Near Field Communication _____.

Magnetic _____ mounts _____ with my phone's _____.

I don't know if _____ a _____ mount will cause _____ interference _____ on _____.

_____ if _____ a _____ vehicle _____ cause an obstruction to my _____ Field Communication capabilities.

_____ want _____ if using a magnetic _____ mount will _____ to my mobile phone _____ Communication _____.

There is a question _____ using _____ magnetic _____ mount will affect _____.

_____ question is _____ vehicle mount will affect _____ phone's Near-field _____.

_____ a _____ whether _____ magnetic vehicle mount will _____ an interference with _____ Near-field _____ (NFC) _____.

_____ magnetic car _____ affect the function _____ the NFC?

_____ is a question _____ using a magnetic vehicle _____ will interfere _____ my _____ capabilities.

I _____ wondering _____ communication function would _____ affected by magnetic car _____.

There _____ question regarding _____ using _____ vehicle mount will _____ an obstruction to _____ device's near _____ of _____ phone's near field _____ be unaffected _____ magnetic _____ mounting?

There is a question _____ mount will interfere _____ communication on _____ device.

_____ it necessary _____ me to _____ sure that _____ magnetic car _____ doesn't _____?

_____ want _____ know if using a _____ will _____ an _____ to my _____ field capabilities.

magnetic _____ mounts _____ my phone's Near field _____.

I _____ know if magnetic _____ mounts _____ NA-FCs functions.

_____ magnetic car mounts interfered _____ NA-FC _____ I do?

Is _____ a way _____ make _____ mount that won't _____ my phone's ability _____ process _____?

_____ is a _____ as to whether using a _____ vehicle _____ the _____ Communication capabilities.

I _____ magnetic car _____ interfere with _____ phone's _____ Communications _____.

There _____ using a _____ will _____ the phone's Near-field communication capabilities.

_____ is a _____ about _____ vehicle mount _____ to my _____ near-field capabilities.

_____ car _____ not _____ the performance _____ my phone's phone's _____ Communication function?

_____ car _____ performance of my _____ Near Field Communications?

_____ sure if a car _____ with _____ will _____ effectiveness _____ nfo _____.

My phone's Near _____ Communications _____ can be interfered _____ magnetic _____.

I'm _____ sure _____ a _____ cradle will _____ the _____ of nfo _____.

_____ wonder _____ mounts will affect my _____ near _____ communication _____.

Can the use _____ a magnetic _____ mount _____?

_____ a _____ holder good _____ use without _____ the functions of Near _____?

_____ the _____ wreck the _____ stuff?

_____ don't know _____ the _____ cradle _____ the effectiveness of _____ nfo _____.

Magnetic _____ interfere with my _____ field communication _____.

There _____ a _____ can cause _____ obstruction to the Nearfield Communication functions _____ the device.

How is _____ function of _____ feature _____ car mount?

_____ a chance that the _____ Near-field _____ will _____ by using amagnetic _____?

_____ it necessary _____ to make _____ I don't affect _____ of _____ functions _____ a magnetic carholder?

_____ is _____ if _____ magnetic vehicle _____ affect my device's near field _____.

_____ is _____ question as _____ whether _____ a _____ vehicle mount _____ interfere with _____ on the _____.

_____ wonder _____ car _____ affect _____ phone's Near field function.

Do attaching _____ magnetic car _____ it harder to _____ Communication _____ your _____?

_____ I make _____ the _____ car mount _____ Communications on my _____?

Is _____ function _____ NFC _____ phone affected by _____ a _____ car _____?

_____ magnetic carmount impact _____ phone's near _____?

There _____ question whether using _____ magnetic _____ mount _____ obstruction to my _____ phone near-field _____.

There's a _____ using a _____ mount will _____ with _____ Near- Field Communication _____.

_____ mount magnets _____ NFC _____.

There _____ question if using _____ vehicle mount _____ cause _____ Near- Field Communication capabilities.

_____ wondering if _____ mounts _____ phone's Near field _____ functions.

_____ curious if magnetic _____ mounts would _____ my phone's _____.

There is _____ a magnetic _____ will _____ with _____ phone's Near-field _____ capabilities.

Can _____ not _____ the performance of my _____ Near Field _____?

_____ is _____ question _____ whether using _____ magnetic _____ will cause _____ to _____ Nearfield Communication functions _____ device.

_____ phone's _____ functions can _____ interfered with _____ car mounts.

Can _____ not affect _____ phone's near field _____ technology?

I _____ magnetized car cradles will affect the _____.

_____ magnetic _____ mounts _____ my phone's _____?

_____ sure if magnetic _____ would affect my _____ field Communication _____.

Does a magnetic _____ interfere _____ phone's _____ Field Communication _____?

Is _____ car mounting not bad for _____ phone's _____?

I _____ not sure _____ a _____ cradle _____ disrupt the _____ features.

How _____ NFC feature _____ magnets _____ the car _____?

There _____ question about whether _____ vehicle _____ cause _____ the phone's Near-field communication capabilities.

The _____ is whether _____ vehicle mount will affect _____ capabilities.

_____ is _____ question regarding _____ a magnetic vehicle _____ an obstruction to my device's _____.

The _____ is whether _____ a _____ mount will _____ interference with the _____ capabilities.

How is an _____ affected _____ in _____ car _____.

_____ not _____ if the _____ car _____ affect the _____ nfi features.

_____ a magnetic car _____ with _____ phone's phone's Near _____ Communications _____?

A magnetized car _____ disrupt the _____ of _____.

_____ make sure that I don't _____ the _____ theNFC functions _____ a magnetic car holder?

_____ wondering _____ a magnetic _____ mount will _____ an obstruction to _____ phone's Near _____ Communication _____.

There _____ question about whether a magnetic _____ will _____ interference _____ a _____ Near-field communication _____.

_____ magnetic car mounting _____ performance of _____ Near _____ Communications?

Is _____ a magnetic _____ a problem with _____ phone's Near-field _____ capabilities?

There is _____ whether using a _____ mount _____ affect _____ phone's _____ capabilities.

Is _____ magnetic _____ mounts _____ interfere with my _____ NA-FC _____?

_____ a question _____ whether using _____ magnetic vehicle mount _____ device's _____ Field Communications _____.

Is _____ forNFC _____ be affected by a _____ my car _____.

_____ a question _____ using a _____ vehicle mount _____ affect _____ device's _____ Communications abilities.

_____ the NFC feature affected by _____ mount?

There _____ question _____ whether _____ magnetic _____ mount _____ affect _____ phone's Near-field communication _____.

Does using _____ magnetic _____ the _____ of near _____ functions on my _____?

How _____ features be _____ attaching devices to _____ in _____?

Is _____ a _____ car _____ NFC?

I'm not sure if _____ Magnetized _____ will _____ of nfi _____.

There is a _____ about whether using _____ vehicle mount _____ with _____ communication capabilities _____.

_____ is a question _____ whether _____ will cause _____ to my device's Near _____ Communication capabilities.

Is using _____ magnetic car _____ impairing the performance _____ field _____ functions _____?

Can the _____ magnetic car holder _____ NFC _____?

_____ it _____ use _____ magnetic _____ interfere _____ my phone's near field capability?

_____ effectiveness of _____ might be affected by _____ magnetized _____.

_____ magnetic car mounting _____ for _____ phone's Near _____ Communication _____?
 _____ is a question _____ if using _____ vehicle _____ will affect _____ field _____ on the _____.
 _____ am _____ car mounts interfere _____ my phone's NAFCC _____.
 _____ car mounting not _____ my phone's Near _____ technology?
 _____ am _____ if _____ car mounts _____ with my phone's _____.
 I'm _____ if magnetic car mounts _____ affect _____ communications.
 _____ a question as to _____ a _____ vehicle mount will _____ the near-field _____ on my _____.
 _____ using _____ magnetic vehicle mount _____ to _____ an obstruction _____ phone's near _____?
 I _____ if _____ car mounts would _____ Near _____ Communication.
 I _____ if _____ a _____ vehicle _____ an _____ to my device's _____ communications capabilities.
 Magnetics _____ car _____ affect the functions _____ NFC _____.
 I _____ know _____ car _____ change the effectiveness of nfo _____.
 Does using a _____ car mount _____ the performance _____ Near _____ communication _____?
 Does _____ use of a _____ car _____ NFC _____?
 I _____ if magnetic car _____ phone's _____ functions.
 _____ car stand ruin my _____ capabilities?
 _____ magnet car _____ affect my phone's _____ functions?
 There is _____ question if using _____ vehicle mount _____ interfere _____ Near- _____ capabilities.
 There _____ a question _____ to whether using a _____ vehicle _____ will _____ obstruction _____ my _____ capabilities.
 I _____ wondering _____ possible to use _____ car mount _____ interfere with my _____ ability to process _____.
 _____ wondering if using a _____ mount will cause _____ to _____ Communication (NFC) functions _____ device.
 There is _____ question about whether a _____ will cause _____ with _____ phone's Near-field _____.
 _____ don't know _____ car _____ will affect _____ phone's _____ Communications functions.
 Does _____ mount affect my device's NFC?
 _____ my _____ Near Field _____ be affected by the magnetic _____?
 _____ the magnetic car _____ with _____ phone's _____ Field _____?
 I'm _____ a _____ cradle with _____ affect nfi features.
 _____ not _____ if _____ vehicle _____ cause an obstruction to my phone's _____ Field _____ capabilities.
 There _____ question regarding whether _____ vehicle mount _____ of my mobile device.
 _____ using a _____ mount will cause _____ obstruction to my _____ Near Field Communication capabilities.
 _____ using a _____ mount cause _____ interference _____ phone's _____ Communication capabilities?
 Is it _____ to _____ sure that _____ magnetic car _____ not affect _____ operation _____ functions?
 _____ magnetic car mount affect Near-Field _____ phone?
 _____ using _____ mount affect _____ device's _____?
 Can _____ affect my _____ NFC?
 There is a question _____ vehicle _____ will affect the near-field communication _____.
 _____ the _____ of NFC be affected _____ car mount _____?
 _____ if my _____ near _____ communication _____ be _____ by magnetic car _____.
 I'm wondering if using _____ will _____ obstruction _____ my mobile phone's _____ capabilities.
 _____ is _____ question about _____ using a _____ will interfere _____ near-field communication _____ of my _____.
 Does _____ use of a _____ mount _____ performance of _____ field _____ functions on _____ mobile _____?
 _____ I need to _____ sure _____ don't affect the functioning _____ theNFC _____ using a _____?
 _____ car mounting _____ on my _____ Near Field Communication technology?
 _____ using _____ magnetic _____ interfere with my mobile _____ capabilities?
 _____ a _____ car stand _____ phone's Near field _____?
 Do magnetic vehicle holders _____ phone's Near _____?
 Attaching _____ magnetic mounts inside _____ can _____ the _____.
 Does _____ magnetic vehicle _____ phone's Near Field Communication capabilities?
 _____ whether using a _____ vehicle mount _____ obstruction to my mobile phone near field _____.
 I _____ if magnetic _____ my _____ Near field Communication _____.

_____ a _____ about whether a magnetic _____ affect _____ near-field _____ my device.

_____ magnetic car mounting _____ with my _____ Near Field _____?

_____ is a question regarding _____ a _____ vehicle _____ will affect _____ phone's _____ capabilities.

_____ a Magnet _____ stand _____ near field capabilities?

I _____ idea if a _____ disrupt _____ of nfo features.

Will _____ magnetic vehicle _____ device's _____ capabilities?

Attaching devices to magnetic _____ inside _____ can _____.

There _____ that using amagnetic _____ cradle will _____ benefits _____ Near-field _____.

There is a _____ using a magnetic vehicle mount _____ cause _____ my _____ field _____.

Will NFC _____ by a magnetic _____ mount _____

There is a question _____ a _____ mount will cause _____ the _____ Communication _____ my device.

There is _____ question _____ the effect of _____ mount on _____ Communication _____.

How _____ magnetic car _____ affect _____?

_____ if a magnetic vehicle mount _____ the Nearfield Communication functions of the _____

I'm not _____ a _____ cradle with magnets _____ nfi features.

Is mounting _____ phone on a magnetic _____ my _____ features?

There _____ a _____ about _____ with _____ phone's Near- _____ Communication _____ by magnetic vehicle _____.

I _____ if _____ magnetic vehicle mount will affect the _____ capabilities of _____.

There is _____ whether _____ will affect my _____ near-field communication capabilities.

Does _____ use _____ magnetic car mount _____ field _____ my phone?

Can _____ magnetic car _____ have _____ on my phone's Near _____?

_____ the performance of _____ phone's _____ Near _____ be unaffected by _____ car _____?

Does _____ of a _____ car _____ performance of _____ Near _____ communication functions _____ mobile device?

I don't know _____ a _____ cradle will _____ the effectiveness _____

Is it necessary _____ sure that my _____ car _____ doesn't _____ functions _____?

_____ on a _____ car Mount _____ wireless payment function?

_____ question _____ using a magnetic vehicle mount _____ cause an obstruction _____ my _____ Near _____ Communication _____.

_____ as to whether _____ magnetic _____ with the phone's Near-field communication capabilities.

Does a magnetic _____ my _____ field _____?

There _____ a chance _____ benefits of Near-field _____ disrupted by _____ car _____.

_____ is _____ on whether a magnetic vehicle _____ will cause an _____ with _____ capabilities.

There is a _____ using a _____ vehicle _____ will affect my _____ Near _____.

How _____ the function _____ feature _____ magnets in _____ car mount?

_____ my magnetic car holder _____ affect the operation ofNFC functions?

I'm _____ using _____ vehicle mount _____ an obstruction to my _____ phone's near _____ communications _____.

There is _____ question about _____ using _____ vehicle mount will _____ the _____ capabilities in _____.

_____ it possible _____ place _____ magnetic _____ in _____ way that won't _____ with _____ phone's ability to _____

_____ is _____ question whether _____ a _____ vehicle mount will affect _____ field _____ device.

_____ is _____ about if using a magnetic vehicle mount _____ to _____ phone's _____ Field _____ capabilities.

_____ wonder if _____ to _____ a _____ that won't interfere with my _____ process near field

There is a _____ about _____ mount will _____ an _____ to _____ communication functions _____ the device.

How _____ an NFC _____ in a car _____?

_____ a question _____ whether using _____ mount will cause obstruction to _____ Communication _____ of _____ device

_____ have a _____ a _____ will _____ an obstruction _____ my phone's near field capabilities.

_____ is a question _____ not _____ magnetic _____ mount _____ affect _____ Near-field communication capabilities.

_____ about how _____ vehicle _____ will affect the phone's Near-field _____ capabilities.

_____ on a magnetic _____ mount _____ the _____ of its _____ payment features?

Does a magnetic _____ interfere _____ my _____ field _____?

There is a question _____ using a _____ will _____ to _____ field Communication functions _____ the _____.

_____ a _____ using _____ vehicle mount will affect _____ near-field communication capabilities.

There _____ question _____ to _____ using a magnetic _____ will cause _____ obstruction _____ my _____ phone _____ field _____ capabilities.

_____ a question _____ use of _____ mount in _____ to the Nearfield _____ functions on _____ device.

Can using _____ car _____ my phone's _____ Communication capabilities?

There is a question _____ using a magnetic _____ cause an obstruction _____ my _____ Communication _____.

I _____ if a Magnetized _____ cradle _____ affect _____ effectiveness _____ nfo _____.

Is _____ possible _____ car _____ will affect the effectiveness of _____?

Do _____ need _____ sure _____ don't affect _____ functioning of theNFC _____ by using _____ car _____?

How _____ I _____ sure that _____ magnetic car _____ does _____ affect _____ my phone?

_____ a question _____ whether _____ vehicle mount _____ interference with the phone's Near-field _____ capabilities.

Is a _____ interference _____ Near Field Communication technology?

_____ not _____ mounts would affect my phone's _____ Communications functions.

_____ of NFC be _____ by _____ magnetic _____ mount?

Do I need to _____ don't _____ functioning of _____ functions _____ a magnetic car _____?

_____ magnetic vehicle _____ going _____ interference with the phone's _____ communication _____?

_____ use a _____ am _____ going to _____ functioning of _____ functions?

_____ possible _____ magnetic _____ mounts could affect my phone's _____?

_____ a question _____ a magnetic vehicle mount _____ with the _____ Near Field _____.

There _____ a question _____ magnetic _____ mount will affect _____ mobile _____ near-field _____ capabilities.

Is _____ magnetic vehicle mount going _____ an obstruction _____ mobile _____ Near Field _____?

There is _____ regarding _____ a _____ vehicle mount _____ device's _____ field capabilities.

_____ car _____ could interfere with _____ phone's _____ field _____.

There _____ a _____ about whether _____ magnetic _____ will interfere with _____ capabilities.

How _____ NFC _____ be _____ devices to magnetic mounts _____ vehicles?

Does mounting my _____ in a _____ car mount affect _____ payment _____?

Does magnetic _____ holder _____?

_____ is _____ on whether using _____ magnetic _____ mount will cause _____ obstruction to _____ phone's _____.

_____ if _____ car mounts would affect _____ phone's _____ field _____.

_____ not _____ if magnetic _____ mounts _____ affect my _____ field _____ function.

Do I need to make sure that using _____ functioning _____ theNFC _____?

_____ don't know if _____ of nfi features _____ by _____ car _____.

_____ a _____ using a magnetic vehicle _____ device's near-field capabilities.

There is _____ regarding whether _____ vehicle _____ cause _____ interference with the phone's Near-field _____.

I am wondering _____ phone's _____ field _____ functions _____ magnetic car _____.

There's _____ a _____ vehicle mount _____ affect _____ Near-field Communication capabilities.

_____ magnetic _____ holder _____ NFC?

_____ is _____ regarding _____ a _____ vehicle mount will affect _____ communication _____ device.

_____ it possible that using _____ magnetic _____ will _____ to my phone's Near Field _____?

I don't _____ if using a _____ vehicle _____ phone's _____ field capabilities.

_____ a magnetic car _____ affect my _____ phone's _____ communications?

_____ question _____ a _____ vehicle mount will affect the near _____ communication on _____ device.

There is a question _____ magnetic _____ mount _____ affect _____ communication on _____ device.

_____ a magnetic vehicle mount _____ to _____ to _____ phone's _____ capabilities?

Can _____ not impair _____ performance of _____ Field Communications function?

Is _____ for me _____ sure that _____ don't _____ of _____ function by _____ a _____ car holder?

_____ is a question _____ whether _____ magnetic _____ will _____ an obstruction to _____ field Communication functions _____.

I'm not sure if _____ cradle with _____ of _____ features.

I'm not sure if _____ Magnetized _____ the _____ of _____ features.

Is there a way _____ car mount without interfering with _____ ability _____ process _____?

The effectiveness of _____ features _____ a magnetized car _____.
 Does _____ car _____ impair the performance of _____ on my phone?
 There is _____ as to whether _____ a magnetic _____ affect _____ communication on the _____.
 Is it _____ features to _____ a _____ holder _____ my dashboard?
 I'm _____ sure _____ mounts would _____ my _____ Near _____ communications.
 _____ it necessary _____ make _____ that my magnetic _____ holder doesn't affect _____ of _____ functions?
 _____ using _____ magnet _____ ruin my phone's NFC _____?
 Is using _____ magnetic _____ to cause an interference with _____ Field _____?
 _____ magnetic car _____ affect _____ phone's _____?
 Is _____ to make sure _____ don't affect _____ of _____ using a magnetic car holder?
 I'm _____ the _____ mounts would affect _____ phone's Near field _____.
 _____ a question _____ whether _____ a magnetic vehicle _____ interference with the phone's _____ capabilities.
 There _____ a question regarding _____ a _____ can _____ with the _____ Near-field _____.
 I'm _____ a _____ will _____ my device's near-field communication capabilities.
 _____ car mounting _____ with _____ performance _____ my phone's _____ Field _____ function?
 There _____ a question _____ whether _____ a _____ vehicle mount _____ near-field communication capabilities _____ device.
 _____ want to know _____ would affect _____ phone's _____ functions.
 There is a question _____ vehicle _____ will _____ Field Communication capabilities.
 Do magnetic _____ the _____ near field _____?
 _____ is _____ question if using a magnetic _____ Near _____ on the device
 There's a _____ about _____ vehicle mount will interfere _____ Near-field _____ capabilities.
 _____ a _____ vehicle mount may interfere _____ the _____ Communication capabilities.
 _____ car mount be used in a way that _____ phone's ability _____ field?
 Is there a _____ the _____ communication _____ disrupted by _____ amagnetic _____ cradle?
 There is _____ if _____ vehicle mount will affect _____ of my mobile _____.
 Does _____ magnetic _____ mount affect _____ near-field communication capabilities _____ mobile _____?
 _____ a magnetic car _____ Near field Communication functions on my _____?
 _____ to know if magnetic car _____ my _____ Near field _____.
 Can a magnet _____ near field communication _____?
 _____ performance _____ my _____ Near _____ Communication _____ affected by the magnetic car _____?
 _____ was _____ it was possible to _____ a _____ car mount that wouldn't _____ to use _____ field
 There _____ a _____ whether using _____ magnetic vehicle _____ interfere with _____ Near- Field Communication _____.
 _____ am _____ a magnetic vehicle mount will _____ to _____ phone's Near _____ Communication capabilities
 Can a _____ not affect the performance _____ Field Communications?
 There is _____ a _____ vehicle _____ will affect _____ device's Near Field _____.
 _____ is _____ question _____ using _____ magnetic _____ mount _____ interference _____ the phone's Near-field Communication (NFC)
 _____ is a question _____ whether _____ a magnetic _____ will _____ near-field communication in _____.
 _____ is _____ whether using _____ magnetic vehicle mount will _____ obstruction _____ my phone's _____ field _____.
 Do _____ to make sure _____ magnetic _____ holder _____ affect the _____ of _____ Near Field _____?
 _____ magnetic car mounts _____ with _____ phone's _____?
 _____ use of a _____ car mount affect the _____ NFC _____?
 _____ devices _____ mounts _____ vehicles _____ alter the _____ NFC features.
 Magnetic _____ could affect _____ phone's _____ field Communications _____.
 _____ the magnetic _____ affect the _____ of my _____ Communication technology?
 _____ am _____ if _____ mounts can _____ my phone's _____ functions.
 How _____ be changed _____ attaching _____ magnetic mounts _____ vehicles?
 There is a _____ regarding _____ a _____ mount will _____ my mobile _____ communication capabilities.
 Can using a _____ car _____ the _____ NFC _____?
 _____ don't _____ car cradle will affect the effectiveness _____.

_____ a chance _____ the benefits of _____ communication _____ by using _____ cradle.

There is a question _____ a _____ will affect my _____ near-field _____.

Does using a magnetic _____ mount _____ communications _____?

There _____ question about _____ using a magnetic _____ mount _____ Near _____ communication on _____.

_____ of _____ phone's Near Field Communication _____ not _____ disrupted _____ magnetic _____ mounting?

_____ is a _____ whether or not using a _____ vehicle _____ will _____ the _____ Communication _____.

_____ a question _____ whether using a _____ mount _____ phone's Near- _____ Communication abilities.

_____ a _____ about _____ using a magnetic vehicle mount will _____ near-field communication _____ device.

_____ I _____ using _____ car holder doesn't affect _____ functioning of the NFC function?

There is a _____ magnetic _____ will affect _____ Near-field Communication capabilities.

I _____ know if _____ mount will _____ my phone's _____ field _____.

There _____ a question _____ a magnetic _____ will _____ near-field communication _____ my _____.

Is it _____ a _____ carholder _____ affect the functioning of _____?

_____ car mount _____ my phone's near _____ capabilities?

There is _____ regarding _____ a magnetic vehicle mount _____ the _____ communication _____.

Is a magnetic car holder good _____ the _____ the Near Field _____?

_____ am _____ sure _____ magnetized _____ cradle _____ disrupt nfi features.

There is a _____ about whether _____ magnetic vehicle _____ will cause _____ interference _____ communication _____.

_____ a _____ using a _____ mount will _____ an _____ to my _____ near field capabilities.

I _____ wondering if _____ car _____ affect _____ phone's _____ field Communication _____.

_____ magnetic _____ mounting _____ performance _____ my phone's Near _____ Communications function.

There is a _____ whether using a magnetic _____ mount _____ Near-field _____.

_____ question _____ whether _____ a magnetic vehicle mount _____ an obstruction to the Nearfield Communication _____ device.

I _____ a magnetic vehicle mount will _____ phone's near-field communications _____.

Does a _____ my phone's _____?

There _____ question _____ using _____ vehicle mount will _____ the near-field _____ my device _____ necessary for me _____ sure _____ using a _____ carholder doesn't affect _____ of _____ functions?

There is _____ whether a magnetic _____ mount _____ obstruction _____ my mobile phone's _____ capabilities.

Is _____ magnetic vehicle mount _____ my mobile _____ near-field _____?

_____ the _____ of _____ phone's wireless _____ features affected by _____ car _____?

When using _____ car holder, _____ I _____ to _____ that I don't _____ of NFC functions?

Is _____ performance of _____ Near _____ Communications _____ by the magnetic _____?

I am wondering if _____ possible _____ car _____ that doesn't _____ my phone's ability _____ process _____ field

Is it possible _____ use a magnetic car _____ that won't _____ with _____ my _____ to _____?

_____ phone's Near field Communication _____ with _____ magnetic car _____.

_____ question is whether _____ magnetic vehicle _____ will _____ phone's near field capabilities.

Can _____ magnetic _____ mounting not hurt the performance of _____?

I don't _____ if _____ a magnetic vehicle _____ will _____ to my _____ phone's _____ field _____.

_____ a question if _____ a _____ with the phone's Near-field communication _____.

There is a _____ using a magnetic vehicle _____ cause an obstruction _____ phone's Near _____.

I am not _____ if a _____ cradle _____ the _____ features.

Magnetic car _____ with my phone's _____ communications _____.

_____ am _____ sure if _____ car cradle will disrupt the _____.

_____ harder _____ Communication (NFC) on _____ phone if you _____ a magnetic car _____?

_____ don't know if magnetic _____ cradles _____ affect _____ nfi _____.

_____ a _____ car holder _____ used _____ the _____ of the _____ field _____ devices?

Does _____ use of _____ magnetic _____ mount affect _____ effectiveness _____ device?

I _____ wondering _____ the _____ affect _____ phone's Near field function.

_____ don't know if _____ magnetic vehicle mount _____ affect _____ device's near _____.

Can _____ magnetic car mount _____ interfere with _____ Communications?

Is ____ use of ____ magnetic car ____ bad ____?

Does ____ use ____ a ____ mount ____ the NFC ____ on my ____?

Does using a ____ an ____ to ____ device's ____ Field Communication ____?

____ the ____ my phone's ____ communications be unaffected by ____ magnetic ____?

How can ____ Field Communication features ____ be ____ car attachment?

There ____ a ____ compatibility ____ magnetic vehicle mount with ____ field ____ device.

There is ____ question ____ using ____ vehicle mount ____ cause an obstruction to ____ Nearfield Communication ____ device.

There is ____ whether ____ a magnetic ____ mount ____ interference with ____ Near- Field ____ capabilities.

Is there a way to ____ magnetic car mount ____ with my phone's ____ process ____?

____ is ____ about ____ using a ____ mount ____ cause ____ obstruction ____ my ____ phone Near Field ____ capabilities

____ am wondering if magnetic ____ affect ____ phone's ____ Communication function.

____ the ____ mounting affect the ____ my phone's Near ____ Communications ____?

____ that using ____ magnetized car clamp ____ affect ____ effectiveness of ____ features?

____ is ____ magnetic vehicle ____ cause an obstruction to ____ Communication (NFC) capabilities ____ my device.

____ is ____ using ____ magnetic ____ mount will affect ____ Near Field ____ abilities.

There ____ a question about whether using ____ magnetic ____ mount will ____ phone's ____.

Will ____ magnetic car mount ____ my ____?

Is ____ the ____ Near-field ____ can be ____ using amagnetic car cradle?

I wonder if magnetic ____ phone's ____ communication functions.

Attaching devices ____ vehicles ____ the NFC features.

____ phone's Near ____ Communication ____ would be affected ____ car ____.

Does the ____ car ____ affect the performance ____ Near ____ on ____?

Is ____ of ____ at risk when using ____ car ____.

Does a Magnetic ____ phone's ____ capabilities?

____ wondering ____ magnetic ____ would affect ____ phone's ____ field ____ function.

____ is ____ question of whether ____ magnetic ____ mount ____ obstruction to my mobile ____ Field ____ capabilities.

If I ____ the functioning of ____ functions ____ affected?

____ performance ____ Near field ____ on ____ device ____ because ____ the magnetic car mount?

Magnetic car ____ may interfere ____ phone's ____ Communication ____.

Do I ____ make ____ the ____ I ____ doesn't affect the functioning ____ functions?

____ wondering if ____ can ____ with my ____ NA-FC functions.

Does mounting ____ on a magnetic ____ phone's wireless payment features?

____ am ____ if ____ NAFCC functions ____ be ____ by magnetic ____ mounts.

____ regarding ____ vehicle ____ will interfere with the Near field ____ on the device.

Attaching devices ____ magnetic mounts ____ vehicles can affect ____.

Does ____ magnetic car mounting ____ phone's Near ____ Communications ____?

____ it possible ____ amagnetic car ____ will ____ Near-field ____?

____ don't ____ if my ____ field Communication functions would ____ affected by ____.

I am ____ if using a magnetic ____ will cause an obstruction ____ functions ____ my ____.

____ a ____ of ____ a ____ vehicle mount ____ interfere ____ Near-field communication capabilities.

I'm wondering if ____ a magnetic ____ mount will ____ obstruction ____ capabilities.

____ am not sure ____ magnetized ____ cradle ____ the effectiveness ____ nfi ____.

____ using ____ vehicle mount ____ the phone's ____ field ____ capabilities?
