

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Dashboard warning lights are illuminated
Inquiry Sub-Category	Coolant temperature warning light is on
Description	Customers may seek assistance concerning the coolant temperature warning light being illuminated. This could indicate an overheating engine, potentially due to low coolant levels, a malfunctioning thermostat, or a faulty cooling system component, necessitating immediate inspection and repair.
Data Size	5,075 paraphrases
Want to buy data?	Please contact nlp-data@qross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

What should I _____ the _____ warning _____ comes _____?
 _____ the _____ temperature _____ lights illuminate, _____ should _____ do?
 Some actions should _____ done _____ indicator _____ on.
 How to _____ the _____ an engine?
 _____ you tell _____ the best way _____ handle _____ lit _____?
